RULES AND GUIDELINES FOR
THE CONFERENCE NOMINATING COMMITTEE

A.

1. That the Peninsula Conference again record its faith in the Principle of Rotation and adherence to the provisions of the Book of Discipline of The United Methodist Church.

2. That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Council Director.

3. That, since the quadrennial system is an established part of the Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or other legal requirements. In the event of such legal restrictions, the Principle of Rotation is still to be observed.

4. That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term.

5. That no member of the conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees,

Board of Directors of the Wesley Foundations, Board of Trustees of the Peninsula Methodist Homes, Inc., the Episcopal Residence Committee and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform them as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.

6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.

7. That ministerial membership on Annual Conference boards, and agencies shall be limited to conference members and associate members of the Peninsula Annual Conference. In order to be eligible to serve on the conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select other persons as affiliate members without vote.

8. "In recognition of the Rights of the Aging" as stated in the Social Creed of the United Methodist Church (Page 92 of the Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.

9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.

10. That the Cabinet select only one representative from the Cabinet to serve on a conference board and all the divisions of that board, and one cabinet representative each on all other support agencies except where the Discipline states otherwise.

11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.

12. That the Conference Nominating Committee designate persons to serve as a Nominating Committee for the Boards, Commissions and Committees. The District Superintendent assigned to the agency is the convener of this committee. The nominating committee shall be prepared at the organization meeting to nominate officers for the quadrennium for any that have not so designated their own by April 15.

13. That the date of election to any board, commission or committee be clearly indicated in the journal.

14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.

15. That, recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

B.

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence of all the guidelines established by the Annual Conference.
2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laymen in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each man is serving in terms of Conference boards and agencies. Laymen should likewise be listed on a similar file. A third file would be divided between ministers and laymen as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident.)
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs.", "Miss", or "Mr." shall not be used in the preparation of the Nominating Committee Report.

Miscellaneous

1. That the council director, and associate council directors, not be elected to boards and agencies under the conference rotation, but serve only as *ex-officio* where assigned by the council director.
2. That two (2) high school youth (preferably 10th and 11th grades) shall be members of the following boards, divisions and committees: Commission of Christian Unity & Interreligious Concerns, Division of Education, Division of Evangelism, Division of Health and Welfare Ministries, Division of Missions, Board of Church and Society, Division of Career Planning and Counseling, Division of Worship, Conference Council on Ministries, Board of Laity, Conference Nominating Committee, and Committee on Conference arrangements. These shall be selected by the Conference Youth Council each year.

Others may want to take this route and we outline here the steps involved in case they may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special service a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

GREETINGS AND COURTESIES: Bishop Wertz recognized the Rev. Ewart C. Hackshaw, Dean of the Cabinet, who escorted Mrs. Betty Wertz to the stage where she was welcomed by the Rev. Howell O. Wilkins, Host District Superintendent. Bishop Wertz pinned a corsage on his spouse and the Conference greeted her with warm applause. Bishop Wertz called on the Conference Secretary who shared written greetings which had been received from Bishop Wayne K. Clymer of the Iowa Area and the Rev. Glenn B. Kohlhepp, Secretary of the Western Pennsylvania Annual Conference. The Bishop also expressed the appreciation of the Conference to all who had shared in the Communion/Memorial Service.

REPORT FROM GENERAL CONFERENCE: Bishop Wertz called on Virginia Clendaniel, head lay delegate, who, in turn, summoned the entire Peninsula Conference Delegation to General Conference to the stage. The following summary statements were presented:

1. James C. Hardcastle - The missional priority for 1985-1988 will be a continuation of the Ethnic Minority Local Church theme, using the slogan "A Church Alive!" A broadened emphasis on women's rights, ecumenical cooperation, and evangelism will be included.
2. Alice Powrie - It was decided to commit one million dollars a year for four years to a new telecommunications ministry which would involve fuller utilization of contemporary technology in the field.
3. Edward R. Wilkins - The General Conference voted against changing the basic structure of the ordained ministry and established a new study commission to give this matter further consideration. Regarding the question of sexual orientation in relation to the ordained clergy, after long debate, the Conference concluded that self-avowed, practicing homosexuals would not be ordained in the United Methodist Church. Much compassion and caring centered around this issue which continues to be a source of controversy within the church. The Conference also moved to include the words "fidelity in marriage and celibacy in singleness" as part of the Disciplinary requirements incumbent on every minister.

4. J. Gordon Stapleton - In speaking of the emphasis on inclusive language Dr. Stapleton said that we should not be threatened by its usage in the church or in society at large. The Upper Room and much of our church school literature has included such language for a number of years in a very natural way. Continuing questions in this area relate to various biblical texts as well as to the Book of Hymns.
5. William Hemphill, Jr. - No real major changes were made in our Social Principles, but the General Conference moved to clarify our position on certain issues, e.g., we do not support abortion on demand but do support legal abortion under certain circumstances. There was an emphasis on the common heritage of humanity with regard to the resources of the oceans, space, and the land we all share. Other discussions centered around Central America and crime in our communities. Mr. Hemphill made the point that in all of these areas concern for persons was balanced with concern for discipline. He urged members of the Conference to purchase and study the new Book of Resolutions when it becomes available.
6. Felton E. May - The General Conference reaffirmed our active participation in the World Council of Churches and the National Council of Churches. It also underscored the fact that the General Board of Global Ministries is to be the only mission sending agency as far as our denomination is concerned. Mr. May introduced the Rev. Dr. James Vincent, a minister from Sierra Leone, who was greeted with applause.

In conclusion, Virginia Clendaniel thanked the Conference for electing the delegation and expressed the hope that the excitement and real unity which were a part of the General Conference might be a part of each local church. The Conference received the report with grateful applause.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz recognized the Rev. William Hemphill, Jr. who offered the following resolution:

WHEREAS Felton Edwin May is an effective member in good standing of The Peninsula Annual Conference whose person, life, and career demonstrate a superior balance of strengths,

AND WHEREAS those strengths indicate leadership qualities akin to those described in Para. 502 of the 1980 Book of Discipline, "Guidelines for Superintending In This Age,"

AND WHEREAS said strengths are indicative of various gifts and graces required by the demands of this age on the leadership of bishops which can be seen in mode, pace, and skill,

AND WHEREAS delegates elected by The Peninsula Annual Conference to the 1984 General and Jurisdictional Conferences have unanimously affirmed Felton E. May as their choice for election to episcopal leadership,

BE IT THEREFORE RESOLVED that this 1984 Session of The Peninsula Annual Conference nominate Felton Edwin May for the office of Bishop in The United Methodist Church.

The resolution was seconded and unanimously approved by the Conference. A standing ovation was then given to our Conference Council Director as our Peninsula Conference nominee for the office of the episcopacy.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz recognized the Rev. Dr. Edwin C. Thomas, Jr. who offered the following resolution:

BE IT RESOLVED, that the people of the 1984 Peninsula Annual Conference send a message of condolence and sympathy to the people of the Wilmington Diocese of the Roman Catholic Church regarding the death of their Episcopal leader Thomas J. Mardaga and that this communication be sent so as to arrive before the Funeral Mass on Saturday, June 2, 1984. Furthermore, be it resolved that we stand in a moment of silent prayer for this part of Christ's church.

The resolution was seconded and unanimously approved, following which Bishop Wertz stated that an appropriate delegation from the Conference would be attending the Funeral Mass for Bishop Mardaga to be held in Wilmington on June 2, 1984.

NOMINATION OF CONFERENCE SECRETARY: Bishop Wertz recognized the Rev. Dr. C. Edwin Lasbury who nominated Dr. W. Daniel Rich to be the Conference Secretary for the next quadrennium. The motion was duly seconded and approved.

THE READING OF APPOINTMENTS: Bishop Wertz read the appointments of those newly-appointed to serve their respective parishes, or in areas beyond the local church, and then dismissed the opening session with prayer at 10:15 p.m.

FRIDAY MORNING - JUNE 1, 1984

The session was re-convened in the Central Middle School Auditorium by Bishop D. Frederick Wertz at 9 a.m. The Conference was led in a Service of Song and Prayer by the Rev. Alfred E. Taylor.

REPORT OF THE BOARD OF ORDAINED MINISTRY: Bishop Wertz recognized the Rev. Thomas Crawford Short, chairperson, who referred to the report as contained in the Pre-Conference Booklet. He made the following additional points: 1) the Peninsula Conference is one of twelve in the denomination to pay its Ministerial Education Fund asking in full, 2) scholarships continue to be one of the Board's top priorities, 3) eight Continuing Education Units per quadrennium are required of all clergy, and 4) plans are now underway for a new ministry to clergy families who are separating/divorcing.

RECOGNITION OF PROBATIONARY MEMBERS: Dr. Edward R. Wilkins, registrar, presented the class entering probationary membership and the Bishop asked the Disciplinary questions, to which appropriated answers were given. Bishop Wertz then extended the right hand of fellowship to each new probationary member and embraced each one as well.

Dr. Wilkins then presented James Wleh Kambor and MacDilla Mlyaneye Milton who were to be ordained Deacons as a courtesy to the Liberian Annual Conference and Bishop Kula. They came to the stage where they were embraced by Bishop Wertz.

RECOGNITION OF RETIRING CLERGY: Bishop Wertz recognized the following persons who had been granted the retired relationship:

David William Baker

Howard F. Barclay

Earl Leroy Magill (in absentia)

Samuel Phillip Sanders

Lawrence Ernest Wimbrow

With the exception of Mr. Magill, each person came to the stage and was congratulated by the Bishop for their particular period of service. Each retiree shared some of the highlights of his ministry and received a Certificate of Appreciation from the Bishop. The Conference affirmed their aggregate ministry with enthusiastic applause.

In concluding the report of the Board, Mr. Short thanked the following clergy who had completed their terms of service: Jonathan Baker, Widmon Butler, Howard Evans, Howard Gordy, William Hitchens, Pamela Ledbetter, Nathaniel Miller, Edward Wilkins, and Thomas C. Short.

Bishop Wertz then led the Conference in a reaffirmation of the following **COVENANT TO COMBAT RACISM:**

COVENANT TO COMBAT RACISM

- BOM:** In 1982, this body declared its readiness to join in covenant to combat racism. Having just received the report of the Board of Ordained Ministry and heard the appointments fixed for another year, it is appropriate that clergy and laity should join now in that covenant.
- BISHOP:** Where the Spirit of the Christ is, there is one true Church bound together by Him and affirming the scripture that God, out of one blood, created all nations to dwell on the face of the earth. All who are believers are joined to Him, and are called to share in oneness which transcends race, nationality, color or station in life. The ministry of the Church is shared by clergy and laity alike. Therefore, on behalf of the whole Church, I ask you to make your confession and declare your commitment to the abolition of racism from the life of all our churches.
- ALL:** We, members of the Peninsula Conference, confess that we have not been one with Christ and with each other as we ought to be. Our racial differences and cultures have divided us. Our divisiveness has encouraged feelings of superiority. We have not lived by faith. We have resisted the Spirit of Christ.

- CLERGY: We, the clergy of the Peninsula Conference, who are called to proclaim the Word, do now hear it ourselves. We know that by Grace we are forgiven of sin. We do now by that Grace solemnly make covenant with God and each other to combat racism in all of its forms.
- LAY MEMBERS: We, the Lay Members of the Peninsula Conference, who are called to the ministry of the Word in all of life, do now hear it ourselves. We know that by Grace we are forgiven of our sin. We do now by that Grace solemnly make a covenant with God and each other to combat racism in all of its forms.
- BISHOP: As ordained members of the Peninsula Conference, will you follow the leading of the Spirit of Christ in considering and accepting appointments across racial lines? Will you support equal opportunity in salary, housing, and continuing education?
- CLERGY: We will, by the grace of God.
- BISHOP: As lay members of the Peninsula Conference, will you follow the leading of the Spirit of Christ in urging your congregations to receive and support pastors across racial lines? Will you support equal opportunity in salary, housing, and continuing education?
- LAY MEMBERS: We will, by the grace of God.
- BISHOP: As lay and ordained members of the Peninsula Conference, will you lead our congregations to be sensitive to each other, always remembering that our call to love and to service must transcend the racial differences in persons in our world? Will you lead your congregations to learn the personal stories, experiences, and viewpoints of persons of other races? Will you lead the congregations to affirm racial differences as gifts from God which affirm the abundance of Grace and do not signify inferiority or reason to divide? Will you refrain from the use of any language which offends or demeans others?
- ALL: We will, by the grace of God.
- BISHOP: That we may be daringly prophetic in following difficult paths, that we may not make peace with cultural patterns, or succumb to pressures of personal approval at the cost of moral integrity, that we may be wise and lovingly firm and not just judgmental as we lead in paths away from racism, let us pray:
- ALL: O God, who art the hope of all the ends of the earth, the God of the spirits of all flesh: We beseech thee to hear our humble intercession for all races and kindreds of men, that thou will turn all hearts unto thyself. Remove from our minds hatred, prejudice, and contempt for those who are not of our own race or color, class or creed, that departing from everything that estranges and divides, we may by thee be brought into unity of spirit, in the bond of peace. Through Jesus Christ our Lord. Amen.

The Conference concluded this act of worship by the singing of "Amazing Grace!"

Following announcements and instructions regarding the Study and Review Sections, Conference members went to their respective sections for deliberations on the issues at hand. The plenary session was adjourned at 10:40 a.m.

FRIDAY EVENING - JUNE 1, 1984

The session re-convened in the Central Middle School at 7:30 p.m. Opening devotions and a hymnsing were led by the Rev. Howell O. Wilkins and the Rev. Dr. Edwin C. Thomas, Jr. The Conference was led in prayer by MacDilla M. Milton.

The guest speaker of the evening was the Rev. Dr. William K. Quick, senior pastor of Metropolitan U.M.C., Detroit. Dr. Quick elaborated on the stated theme for the Bicentennial as follows: 1) "Claiming the Past" - the social righteousness spread by John Wesley was in the midst of a destitute society - eighteenth-century England; Methodism flourished in the New World because of the incredible sacrifices of the frontier circuit-riders; 2) "Celebrating the Present" - our present United Methodist Church has much to commend it, but we must realize afresh that all of us are called to be reconcilers and incarnations of the gospel; the ultimate becomes intimate when people see God in us; there are more United Methodist churches in the United States than there are U.S. Post Offices; 3) "Challenging the Future" - according to the Gallup Poll, there are 71 million Americans who are not members of any church; in the midst of this situation we must reaffirm the centrality of the pulpit and the power of preaching; if we do so we will move from a maintenance church to a church which is truly missional. In closing, the Bicentennial Hymn, "God of the Generations," was sung.

REPORT OF THE NOMINATING COMMITTEE: Bishop Wertz called on Dr. J. Gordon Stapleton, chairperson, who introduced the report, making necessary corrections and additions. The Conference received the report with the intention of approving it the following day. The entire text of the report may be found under the section of the Journal entitled "IV. Boards, Divisions, Commissions, and Committees."

REPORT OF THE STATISTICIAN: Bishop Wertz called on the Rev. Dr. James T. Seymour, Conference Statistician, who presented his report (see "Reports" section of this Journal for the full text). Dr. Seymour deplored a slight decline which had followed the modest increase of 1982. During 1983 there had been a net decrease in membership of 116 and some 194 churches had not received a single person via profession of faith. Bishop Wertz commented that if each of these churches had received only one person the Conference would have shown a net increase in membership.

ANNOUNCEMENT OF TRANSFERS: Bishop Wertz announced the transfer of Howard Ellis Carpenter, Jr. to the South Georgia Conference as of June 7, 1984. Also, he announced the following transfers into our Conference: Theodore E. Elser (from Baltimore Conference) November 1, 1983; Debra E. Hudgins (from Detroit Conference) July 1, 1984; Ike F. Ledger (from Baltimore Conference) June 12, 1984; Paul D. Marlowe (from Virginia Conference) June 1, 1984; Victoria Martinez (from Eastern Pennsylvania Conference) June 1, 1984; Louis A. Timmons (from Virginia Conference) June 1, 1984.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz displayed a copy of William H. Williams' new book "The Garden of American Methodism: The Delmarva Peninsula 1769-1820." It is on sale at the Book Display in the duPont College Center as well as in the foyer of the Central Middle School.

Following adjournment with prayer by Bishop Wertz at 9:00 p.m. a celebration with retirees and ordinands was held in the duPont College Center.

SATURDAY MORNING - JUNE 2, 1984

The Conference re-convened for worship at 9:00 a.m. in the Central Middle School Auditorium. The Rev. Clifford A. Armour, Jr. was the liturgist. The Rev. Wilson Shearer, Quadrennial Assistant, presented an historical vignette entitled "A Voice from the Past" in which he portrayed the Rev. John Haggerty, an early Methodist circuit-rider.

ORDER OF THE DAY: CORPORATE SESSION OF WESLEY COLLEGE. Bishop Wertz recognized Thomas C. Roe, President of the Board of Trustees of Wesley College, who called the corporate session to order. Mr. Roe stated that although the college was now "seeing some light shining through the trees" it was not out of the woods yet as far as fiscal solvency is concerned. He said that the Board had evaluated President Reed M. Stewart and that its reaffirmation of the positive impact of his presidency had been unanimous.

Mr. Roe then introduced President Stewart who stated that Wesley's church-relatedness should be a quality which is highly beneficial to the Conference as well as the College. He explained that the Conference's financial contribution to the College has a significant effect on programs. In outlining some of the steps which have been taken to insure financial stability, Dr. Stewart mentioned a Blue-Ribbon Energy Watchdog Committee which is beginning to make inroads into the College's energy costs. In addition, Dr. Stewart stated that nine courses in various phases of data-processing will be offered at Dover A.F.B. in the coming months. Dr. Stewart was profuse in his praise of all of his colleagues and staff persons at Wesley.

On behalf of the Board of Trustees, Dr. J. Gordon Stapleton then placed the following names in nomination for membership on the Board:

Class of 1985:

Thomas W. Burn, Jr.
John Jardean

Class of 1988:

The Rev. Dr. Charles A. Sayre
Joseph J. Brennan

The above persons were duly elected.

In concluding the report, Mr. Roe introduced the College's new Business Manager, Ms. Jeryldean Bonifera.

UNITED METHODIST PUBLISHING HOUSE: Bishop Wertz introduced Dr. Claude Young, Editor of Church School Publications, Board of Discipleship, Nashville. Dr. Young paid tribute to the following clergy of the Peninsula Conference for their continuing expertise and service in the area of Christian education: Dr. J. Gordon Stapleton, the Rev. Clifford A. Armour, Jr., and the Rev. David Riffe. He also mentioned that sales and enthusiasm at the Publishing House are on the increase. For the convenience of customers a new toll-free number (1-800-672-1789) will soon be in effect. Also, a software package for churches using computers will be available by Fall, 1984. Dr. Young then introduced Mr. W. M. Birchard of Oakesbury Baltimore, who, in turn, thanked the Conference for its support and presented Bishop Wertz with a check in the amount of \$11,085.57, the same to be used for ministerial pensions. The Bishop gave the check to Theodore W. Briggs, Treasurer/Business Manager.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz introduced the Rev. Wilson Shearer, Quadrennial Assistant, and thanked him for all that he had done to coordinate the events relating to the Council of Bishops meeting in Wilmington and the General Conference in Baltimore. In turn, Mr. Shearer thanked the members of the Conference who had assisted with these important events.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz announced that the Peninsula Conference delegation to the Mass of Christian Burial for Bishop Thomas Mardaga of the Roman Catholic Diocese of Wilmington would consist of C. Edwin Lasbury, Bruce Cooke, Howell O. Wilkins, and Ruth Laws.

REACH PRESENTATION: Bishop Wertz recognized the Rev. Dr. Howard G. Walseman, REACH Director, who presented an updated slide program of current developments relating to REACH — its various ministries in Liberia, Sierra Leone, Haiti, Appalachia, and within the bounds of our own Conference. The Rev. Robert O. Wallace, chairperson of the REACH Committee, clarified the fact that the whole program is on a voluntary basis. Bishop Wertz then commissioned the Rev. Donald O. Clendaniel, II and a Workteam who will be going to Haiti this summer.

REPORT OF STUDY AND REVIEW SECTION III: Bishop Wertz called on the Rev. Edwin L. Ellis, chairperson, for the summary presentation of this section. Before proceeding with the report itself, Dr. Ellis introduced the Rev. Clifford A. Armour, Jr., President of the Board of Discipleship, who expressed gratitude to the following divisional chairpersons for their work this year: K. Richard Varrell (Education), Ray F. Graham (Evangelism), Arthur Gamsby (Stewardship), and Colleen M. O'Sullivan (Worship). Dr. Ellis also introduced James C. hardcastle, Conference Lay Leader, who thanked all of the members of the Board of Laity who had served with him during his tenure.

Dr. Ellis then presented the body of the report for his section as follows:

As Amended by the following program objectives:

10. Reintroduce the "Showing and Telling" booklet.
 - a. Reprint and retrain designated clergypersons and laypersons by the Division of Evangelism.
 - b. Within the calendar year of 1985, to have 50% of all local churches initiate one or more of the specific programs listed in "Showing and Telling."
 - c. Response to the above to be solicited at Charge Conferences by District Superintendents.
11. Produce Evangelistic resource booklet.
12. Recommended Dr. Gerald A. Foster continue as Conference Evangelist.

At this juncture, the Rev. Felton E. May, moved to amend No. III - 03 by adding No. 13, as follows:

That the Annual Conference exercise its power as stated in Par. 703.9 of the 1980 Book of Discipline:

"The Annual Conference shall have the power to make inquiry into the membership status of the local churches, and where no members have been received on confession of faith during the year, it may require the pastor and the lay member to appear before the appropriate agency and make explanation."

In this case, the appropriate agency would be the Conference Board of Discipleship and the Cabinet.

The amendment was duly seconded and approved. The entire report was then approved as amended.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz introduced the following members of the Baltimore Conference Cabinet: The Rev. Ray Purnell (Dean), the Rev. Joshua Hutchins, and the Rev. Thomas Starnes. Speaking for the group, Mr. Purnell wished us well in all our deliberations. In turn, the Rev. Ewart C. Hackshaw, Dean of Peninsula Conference Cabinet, extended best wishes for a successful and fruitful Baltimore Conference Session later in June.

CERTIFICATE OF ORGANIZATION: Bishop Wertz recognized the Rev. Ewart C. Hackshaw, Salisbury District Superintendent, who spoke of the encouraging growth of the new Community Church in Ocean Pines, MD. Mr. Hackshaw then summoned the pastor, the Rev. Fred M. Bruner, and selected lay representatives of the church to the stage where Bishop Wertz presented them with a Certificate of Organization as a new congregation chartered by the Peninsula Annual Conference. In light of the current emphasis on the establishment of new churches, the Conference responded with enthusiastic applause.

OFFERING FOR WORLD HUNGER: The Secretary announced that the offering from the Communion/Memorial Service, given for world hunger, was \$832.22.

ORDER OF THE DAY: The Rev. Dr. William K. Quick. In an inspiring address, Dr. Quick stated that John Wesley was a master at developing effective and innovative means of meeting the needs of his time. At Aldersgate Wesley was converted from his 17th-century background to a dynamic awareness of the spiritual and social needs of the 18th century. From rigid scholasticism and Calvinism he came to a new understanding of the warm heart and the availability of God's grace to all and for all, a grace which was immediate and universal.

Dr. Quick challenged the Conference to consider what would happen if 37,000 United Methodist clergy today reverted to John Wesley and his emphasis on the Good News of God's acceptance. Unlike the Church of England, of which he was a clergyman, Wesley was willing and had the ability to take the Word of God to "the new industrial person of the 18th century." Dr. Quick contended that if we ignore the changes taking place in our own day we will be ignoring the wisdom of John Wesley, our spiritual founder. He highly recommended that we get back to the power and impact of Methodist singing.

POINT OF PERSONAL PRIVILEGE: Bishop Wertz recognized the Rev. William T. Sterling, Jr. who introduced the United Methodist chaplains who are members of the Conference. As they came to the stage Bishop Wertz reminded the Conference that our full-time chaplains serve in the military, in correctional institutions, and in educational and health institutions, while our part-time chaplains are active with organizations such as the National Guard and the State Police. Wherever they serve they witness to the gospel and minister to the felt needs of persons. The Conference affirmed the ministry of our chaplains with applause.

The morning session was adjourned with prayer by Bishop Wertz at 12:15 p.m.

SATURDAY AFTERNOON - JUNE 2, 1984

The Session was re-convened by Bishop D. Frederick Wertz in the Central Middle School Auditorium at 2:00 p.m.

STUDY AND REVIEW SECTION III (continued): Bishop Wertz recognized the Rev. Dr. Edwin L. Ellis, chairperson, who continued the presentation of the report as follows:

ENVIRONMENTAL STEWARDSHIP

WHEREAS, many of today's environmental problems have their roots in humanity's creation while focusing on the stewardship of monetary resources, we forget that the source of all wealth is God's gracious creation, and

WHEREAS, God chose to give human beings a divine image not so we could exploit creation to our own ends, but so that we would be recognized as stewards of God, and

WHEREAS, the materials produced for use in biological and nuclear warfare and nuclear power are highly toxic and pose a clear and present danger to all humankind, but particularly to the local communities surrounding facilities which use or store such materials,

THEREFORE BE IT RESOLVED, that each local church of the Peninsula Conference express its opposition to the testing and production of materials for biological warfare, nuclear weapons, and nuclear power to their senators and representatives in Congress.

Bishop Wertz recognized the Rev. William Hemphill, Jr. who made the following motion:

I move to amend Paragraphs #3 and #4 of the resolution on Environmental Stewardship by deletion of the words 'and nuclear power.'

The motion was duly seconded and passed and the resolution, as amended, adopted by the Conference.

HOLY OBEDIENCE

A Call to Reflection by the Board of Church and Society

A number of questions arise concerning the act of civil disobedience or, more appropriately, HOLY OBEDIENCE, as a paradigm for Christian witness in critical times. Holy Obedience is an act of Christian allegiance to the higher authority of God's Word and is a witness based on the conflict that may arise between Christian principles and earthly principalities or powers. It is the purpose of this brief study to provide some answers to questions surrounding such action. It is also the purpose of this study to reach some conclusions regarding the appropriateness of civil disobedience for the clergy and laity of the Peninsula Conference of the United Methodist Church. To this end we use the Wesleyan quadrilateral (Scripture, tradition, experience, reason) to offer grounding for acts of holy obedience/civil disobedience.

IS IT BIBLICAL?

Throughout the biblical story the faithful have, in their obedience to God, been disobedient to civil authorities. The prophets of the Old Testament, as well as the apostles of Jesus the Christ, remained obedient and this commitment often placed them in jeopardy with earthly powers. Many suffered, were imprisoned, and even died rather than be civilly obedient. Perhaps two specific examples of holy obedience will illustrate how biblical figures chose to follow their God rather than obey civil authorities.

After King Nebuchanezzar had his golden idol built, he required that all his subjects pay homage to his god or else be thrown into the fiery furnace. Word came to him that three Jews by the names of Shadrach, Mishach, and Abednego were not worshipping the god of the king. When questioned by Nebuchanezzar, Shadrach, Mishach, and Abednego answered:

"Your Majesty, we will not try to defend ourselves. If the God whom we serve is able to save us from the blazing furnace and from your power, then he will. But even if he doesn't, your Majesty may be sure that we will not worship your god, and we will not bow down to the gold statue that you have set up."

Daniel 3:16-18

For this courageous act of civil disobedience they were indeed thrown into the fiery furnace. After their God did, in fact, save them,

The King said, "Praise the God of Shadrach, Mishach, and Abednego! He sent his angel and rescued these men who serve and trust him. They disobeyed my orders and risked their lives rather than bow down and worship any god except their own."

Daniel 3:28

Perhaps the most important biblical act of civil disobedience can be found in the Book of Matthew when the wise men disobeyed the orders of King Herod by not reporting back to him concerning the whereabouts of the baby Jesus.

And being warned by God in a dream that they should not return to Herod, they departed for their own country another way.

Matthew 2:12

Can you imagine what the outcome might have been had the wise men been civilly obedient?

Jesus Himself tells us that we will suffer as witnesses for him.

You yourselves must watch out. You will be arrested and taken to court. You will be beaten in the synagogues; you will stand before rulers and kings for my sake to tell them the Good News. But before the end comes, the gospel must be preached to all peoples.

Mark 13:9-10

Indeed, to witness to Christ by proclaiming and living out the essential love that is at the center of the gospel is to confront the principalities and powers.

In such a world, where the new order has been announced by God, there is no reason for Tom Lehrer's humorous couplet:

The Lord's my Shepherd, says the Psalm. But, just in case,
we'd better get a bomb.

The biblical law of love is forgotten in such attitudes of heart and mind, and there is no faithful witness in the face of such mentality. To be a Bible-believing Christian is to be a resistor of all that is evil and to do so without adopting the methods of the evil one to defeat it.

IS IT TRADITIONAL?

Understanding that Jesus was God's messenger of love and reconciliation, the early Church established a solid ethic of nonparticipation in any activities of the empire that would place them in direct opposition to their faith. Unlike modern Christians, they shared with Christ the risk of saying "No!" to Caesar's murderous intentions. They knew that war and aggressive foreign policy and paranoia and pride were not what secured their lives. They knew that they were secure only in their faith. They knew that "He (or she) who loses his (or her) life for the sake of the gospel shall save it."

From the New Testament period until about A.D. 170-180 Christians refused to participate at all in the army or military endeavors by the Roman Empire. They were pacifists. By about A.D. 173, however, some Christians had buckled under the pressure of Rome and were serving in Marcus Aurelius' Thundering Legions. By about A.D. 303 Galerius was trying to weed the Christians out of the army because they refused to pledge total loyalty to Caesar. Many soldiers died for that reason alone at the hands of their comrades. Civil disobedience entered the fourth century as a continuing option for Christian believers.

Even though some Christians served in the Roman military the early Church leaders were avowed pacifists, echoing Tertullian's assertion that "Christ in disarming Peter ungirt every soldier."

Within Methodism's history we find such figures as John Nelson in 1745, resisting conscription in Great Britain, being tried and sentenced and jailed. After his release he was beaten nearly to death, until his attackers began to see that they could not "stomp the Holy Spirit" out of him. His civil disobedience is the first recorded instance so clearly portrayed, but one has to remember that with the church-state ties in England the Wesleys were from early on engaged in continual civil disobedience in the name of living and spreading the faith.

In American Methodism we find Freeborn Garrettson refusing to sign a loyalty oath in Virginia and Maryland which would place him in alliance with those engaged in the war for independence. A convert of Asbury's, he traveled through the Virginia - Maryland - Delaware region preaching. During the war he suffered physical abuse. In Kent County, Delaware, a judge knocked him from his horse and with others proceeded to beat Garrettson into unconsciousness. He was about to be left for dead when he opened his eyes and forgave the judge before lapsing into unconsciousness. He was imprisoned in Maryland for several months until released through the efforts of Asbury's friend, Judge White of Kent County.

Jesse Lee, another early Methodist figure of stature, refused conscription into the colonial army and finally was granted the right to serve as a non-combatant.

Francis Asbury himself refused to take sides or sign oaths and spent most of his time during the war for independence in hiding. Much of that time was spent at Judge White's in Kent County, but when on one occasion the judge was arrested for his nonparticipation in the war and for harboring of a fugitive, Asbury took to the Delaware swamps where he hid from the authorities until another family agreed to harbor him. When Judge White was released, Asbury moved back into his home.

Civil disobedience then, is not new to Methodism. Indeed, Wesley's own refusal to allow parish boundaries to limit his preaching was a violation of civil law. Many Methodist preachers in England were therefore subject to physical abuse because of their continued violation of laws regarding who and when and where one could share the gospel.

Indeed, Wesley himself was to write, "I believe the Spirit of Christ works Christian Perfection in true Christians." He further wrote, "Love cannot be hid any more than light: and least of all, when it shines forth in action." It is this love which opposes the evil of principalities and powers which then react by oppressing those who would be obedient to God.

DOES THE HOLY SPIRIT CALL FOR CIVIL DISOBEDIENCE?

Against all odds, in every century, the Church's remnant of truth-tellers has confronted the principalities and powers. In every generation there have been those who have sought to be faithful and have stood firmly against the will of the Caesars of their day. The Vietnam War, racism, and the plight of the poor and disenfranchised in the United States - have called forth the witness of nonviolent civil disobedience as the faithful path to follow for reconciling confrontation.

Today there is again evidence that the Holy Spirit is speaking to individuals, calling them to acts of nonviolent civil disobedience. Tens of thousands participate in tax resistance. Methodists John and Pat Schwiebert spent six days in jail following their nonviolent protest against the Cruise missile. There are Christians in the Peninsula Conference who have been called by the Spirit to acts of civil disobedience.

As well as the United Methodists, Brethren, Friends, UCC, American Episcopal, and Moravians, have affirmed that the Holy Spirit is calling individuals today to acts of civil disobedience.

WHAT HAS BEEN THE REASONING OF THE UMC?

The Discipline of the United Methodist Church says,

Governments and laws should be servants of God and of human beings. Citizens have a duty to abide by laws duly adopted by orderly and just process of government. But governments, no less than individuals, are subject to the judgment of God. Therefore, we recognize the right of individuals to dissent when acting under the constraint of conscience and after exhausting all legal recourse, to disobey laws deemed to be unjust. Even then respect for law should be shown by refraining from violence and by accepting the cost of disobedience. We offer our prayers for those in rightful authority who serve the public and we support everyone who suffers for cause of conscience, and urge governments seriously to consider restoration of rights to such persons while also maintaining respect for those who obey.

Though coercion, violence, and war are presently the ultimate sanctions in international relations, we reject them as incompatible with the gospel and spirit of Christ. We therefore urge the establishment of the rule of law in international affairs as a means of elimination of war, vio-

lence, and coercion in those affairs. We therefore reject national policies of enforced military service in peacetime as incompatible with the gospel. We acknowledge the agonizing tension created by the demand for military service by national governments. Thus, we support those individuals who conscientiously oppose all war, or armed forces or cooperation with systems of military conscription. We also support those persons who conscientiously choose to serve in the armed forces or to accept alternate service. Pastors are called upon to be available for counseling with all youth who face conscription including those who conscientiously refuse to cooperate with a selective service system.

We believe war is incompatible with the teachings and example of Christ. We therefore reject war as an instrument of national foreign policy and insist that the first moral duty of all nations is to resolve by peaceful means every dispute that arises between or among them; that human values must outweigh military claims as governments determine their priorities; that the militarization of society must be challenged and stopped; that the manufacture, sale and deployment of armaments must be reduced and controlled; and that the production, possession, or use of nuclear weapons be condemned.

CONCLUSION

Clearly, civil disobedience/Holy obedience, has a long tradition among the faithful. Those United Methodists who feel led to oppose the present day manifestations of evil by acts of protest are in communion with a host of saints. In the face of the threat of nuclear annihilation, an arms race running out of control, the stubborn grip of racism, and a preoccupation with war and preparations for war, more and more United Methodists will find themselves led by Holy Obedience to acts of civil disobedience as the only viable path for followers of Christ.

At this juncture, the Bishop recognized the Rev. Garry O. Parker who moved the adoption of the following resolution which had been approved by the Administrative Board of Royal Oak Community United Methodist Church on May 21, 1984:

RESOLVED, that we thank the Board of Church and Society for their paper 'Holy Obedience,' which represents a sincere effort to grapple with a difficult issue, but that we return the paper to the Board for further study and that it not be included in the report of the Board for this Annual Conference.

After a period of discussion the vote was taken and the motion defeated by a vote of 137 to 131.

promote or fund in any way such workcamp scholarships until a report has been made to and approved by the 1985 Annual Conference as to sponsorship, program, and measures of physical safety for the participants.

After some debate, the Walz amendment was approved, after which the original program objectives were approved as amended.

RESOLUTION ON CENTRAL AMERICA

WHEREAS, the Archdiocese of San Salvador reports over 2500 civilian deaths by government forces in the first six months of 1983; and according to the Human Rights Commission of El Salvador, 45,000 civilians have been killed since 1979,

WHEREAS, the United States government seeks through clandestine activity and through economic warfare to destabilize the current government of Nicaragua,

WHEREAS, the presence of 5000 American soldiers in Honduras and of American military personnel in El Salvador is prejudicial to the search for a negotiated peace in Central America,

WHEREAS, the direct and indirect involvement of both the United States government and the Cuban government in Central America makes the establishment of an on-going and normalized dialogue between these countries a matter of pressing concern,

THEREFORE BE IT RESOLVED, that the Peninsula Annual Conference of the United Methodist Church authorize its representatives to meet with the congressmen and senators from Maryland and Delaware to make known to them our concerns in the following areas:

1. Our opposition to continued military aid to the government of El Salvador, at least until such time as it is demonstrated that political killing has ceased and that fundamental human rights are being observed and that desired social reforms are being made.
2. Our opposition to the clandestine campaign designed to destabilize the government of Nicaragua through support of guerilla forces and through economic warfare, including the mining of Nicaragua's ports.
3. Our opposition to the presence of American military personnel in Honduras and El Salvador.
4. Our belief that it is in the best interest of peace and stability in that region of the world for our government to take steps to normalize relations with the government of Cuba with all due speed.

BE IT ALSO RESOLVED, that a copy of this resolution be communicated to the President of the United States and to the Secretary of State.

BE IT FURTHER RESOLVED, that we urge each local church of the Peninsula Conference to study this issue during the coming year and that we urge all United Methodists in the Conference to write to their elected representatives, expressing the need for more enlightened policies in the troubled regions of the world, policies which give expression to our Church's and our Nation's support for people everywhere in their pursuit of peace and justice.

BE IT FURTHER RESOLVED, that we affirm our solidarity with all those people in Central America who stand firm in their rejection of violence and in their commitment to the causes of peace and justice in their countries.

At this juncture, the Bishop recognized the Rev. Garry O. Parker who moved that the following resolution, which had been approved by the Administrative Board of the Royal Oak Community United Methodist Church on May 21, 1984, be substituted for the Resolution on Central America as approved by the Division of World Peace:

WHEREAS, conditions of war in Central America are producing great human suffering and whereas, there is a real need for justice and social reform throughout the region, and whereas the war is intensified by the participation of outside parties and whereas, significant steps are being taken by concerned persons from within the region to secure peace, freedom, and justice with social reform, therefore be it resolved, that we United Methodists pray for peace with justice and freedom in the region; that we work with our legislators to express our individual consciences; that we support the Christians in the region who are working in their various countries; that we express our prayerful concern to the President and the Congress; and that we carefully study the situation in order to make informed decisions about the problem and its solution.

After a period of debate the vote was taken and the Parker substitute defeated, after which the original Resolution on Central America was approved by the Conference.

Proposed Code of Ethics For Ordained Ministers

Personal Standards

The call to ministry is a call that comes from personal faith experience and personal desire for the holy life. Therefore, a minister shall:

1. Keep oneself physically and emotionally fit.
2. Set apart enough time for personal intellectual stimulation and for knowledge of contemporary thought and events.
3. Deepen and strengthen personal experience of God's presence, grace and love.
4. Set aside time to care for the needs of the pastor's own family members so that their lives experience fullness and wholeness.
5. In the instance of marital and family discord to seek help in the beginning of the problem, rather than at the point of dissolution or desperation. In the instance of separation or divorce, the clergy-person should give the care and support for spouse and family that Christian commitment demands.
6. Be strictly honest in personal business matters and completely responsible in financial affairs.
7. Maintain the highest moral standards and Christian conduct in all areas of life. Ministers are urged to consider appropriateness of speech, attire and manners.
8. Regard all persons with equal respect, concern, and understanding whatever their ethnic or racial background, income or occupation.

9. Be punctual, true to one's word, and faithful in record-keeping.
10. Observe such a lifestyle that the parsonage is left clean at the time it is vacated.
11. Prioritize one's life such that ministry in service to Jesus Christ always takes priority over salary, prestige of appointment, condition of parsonage, and personal preference: i.e., to go where we are appointed.

Professional Standards

Every minister has entered into a covenantal relationship in the Conference and denomination to work toward the whole ministry of the church. Therefore, she/he cannot function professionally apart from or indifferent to the ministry of other ordained clergy. With this sense of shared ministry, one shall:

1. Not conduct any religious service—worship, baptism, marriage, funeral, pastoral visit, communion—within the bounds of a pastoral charge other than that to which she/he is appointed. (Discipline 2626.6)
2. Be loyal to the United Methodist Church and Annual Conference: supportive of their programs, informed of their actions, involved in their activities and ministry, critical of their shortcomings as one who is a member.
3. Be accountable to the United Methodist Church in full-time employment of Christian ministry.
4. Exhibit through preaching, teaching, prayer, counselling, and personal example belief that inclusiveness is God's will as shown through the life of Jesus Christ; and, therefore, strive to overcome all barriers of racism, sexism, ageism, and classism within the visible church.
5. Accept the responsibility for accurate record keeping in every parish and to leave every parish with accurate, updated membership records.
6. Accept the sacred nature of the trust relationship with parishoners and not violate the confidentiality of any such relationship.
7. Give endorsement only to those movements, agencies, or individuals that have been thoroughly investigated and approved by the minister and the district superintendent.
8. Participate in the life and work of the Community and in ecumenical concerns and lead the congregation to become so involved.
9. Use United Methodist curriculum in the church schools.

The Section substituted the following for No. 7 above:

Investigate thoroughly and give approval only to those movements, agencies, and individuals consonant with United Methodist doctrine and practices.

Bishop Wertz recognized the Rev. Clifford A. Armour, Jr. who moved that the previous unit (IV - 10) be referred back to the Ethics Committee for further study and a new recommendation. The motion was duly seconded and approved.

Bishop Wertz recognized Ms. Merrill, chairperson of the Section, who moved that all of the reports of Section IV as corrected, modified, or amended be approved. The motion was duly seconded and passed.

NOMINATING COMMITTEE REPORT (Final Reading): Bishop Wertz recognized Dr. J. Gordon Stapleton, chairperson, who presented the revised version of the report. After additional corrections from the floor, the report was approved by the Conference. Dr. Stapleton stated that all boards and agencies for the new quadrennium would be convened and organized at Wesley College on June 16, 1984.

Dr. Stapleton offered the following motion in connection with the rules governing the function of the Nominating Committee:

I move that the following phrase be deleted from the end of rule #12, page 33, of the 1983 Conference Journal: 'for any that have not so designated their own by April 15.'

After the motion was seconded Dr. Stapleton explained that this would mean that the Conference Nominating Committee would be responsible for nominating officers for the quadrennium for all boards and agencies at the time of the organizational meeting.

After the above motion was approved by the Conference Dr. Stapleton presented the list of Peninsula Conference nominees to General boards and agencies. All of these names were approved by the Conference and can be found at the end of the listing of Boards and Agencies in the 1984 Annual Conference Journal (Section IV).

CABINET PROPERTY MATTERS: Bishop Wertz recognized the Rev. Howell O. Wilkins, Easton District Superintendent, who presented the following resolution:

BE IT THEREFORE RESOLVED, that said Williamsburg church be discontinued as an active congregation and the members transferred to the Hurlock-Unity Washington Charge, or other churches of their choice, and that the Williamsburg church building be listed as a 'Limited Service Church' to be maintained by the committee of present members under the 'Guidelines for Limited Service Churches', accountable to the Hurlock-Unity Washington Charge.

HISTORICAL MOMENT: Bishop Wertz acknowledged the publication of a new book entitled "New Light on Old Barratt's (A History of Barratt's chapel)" by Allen Clark and Jane Herson. The newly-published book is available at the book display in the Wesley College Center.

The session was adjourned with prayer by Bishop Wertz at 4:50 p.m.

SATURDAY EVENING - JUNE 2, 1984

The Annual Laity Banquet was held in the Wesley College Gymnasium, beginning at 5:30 p.m. The speaker was Bishop D. Frederick Wertz who expressed his gratitude to all laity and clergy who had furthered the mission and ministry of the Peninsula Annual Conference during his period of leadership.

Following the banquet there was a procession to the Central Middle School Auditorium which was led by representatives of a number of local churches who were carrying banners celebrating the Bicentennial of American Methodism.

Upon arriving at the Central Middle School several hundred persons joined in the Bicentennial "Gala." Included in the program were hymn singing, a slide presentation of historic churches in the Peninsula Conference, and "Strangely Warmed," a musical narrative produced by United Methodist Communications. Henry Miller of St. Luke's UMC, Denton, was the organist and Richard Allen of Newark UMC directed a combined choir from various churches. Additional music was provided by the Johannes Brass Ensemble.

The "Gala" reached its climax with the singing of Charles Wesley's stirring hymn "Love divine, all loves excelling." At the conclusion of the program Bishop Wertz came to the stage and thanked the Rev. Glenn P. Catley, Bicentennial Committee chairperson, and the Rev. K. Wayne Grier, chairperson for the "Gala," for their commitment and their efforts.

SUNDAY MORNING - JUNE 3, 1984

Under the leadership of the Rev. Charlotte A. Nichols and the Waugh Gospel Choir of Cambridge, Maryland the Conference re-convened for worship at 9:00 a.m. The sermon was delivered by Bishop D. Frederick Wertz who testified that the Peninsula Annual Conference had strengthened his faith in Christ, in the church, in ministry, in mission, and in the prophetic word of peace.

STUDY AND REVIEW SECTION II: Bishop Wertz then called for the report of Study and Review Section II, the Rev. Ralph A. Ellis, Jr., chairperson. Mr. Ellis introduced Mrs. Virginia Clendaniel, outgoing chairperson of the Conference Council on Ministries, who expressed profuse thanks to all those who had served with her during the last quadrennium.

Moving forward with:

- I. **People:** As Christ's people, we are concerned about the salvation of humankind (infants, children and adults) at every stage of their lives, and we will demonstrate that concern by providing learning opportunities related to their fulfillment of the gospel message.  1. A special focus on the small membership church,
 2. Help for improving evangelization skills,
 3. Help for improving stewardship, and
 4. Help for improving morale.
 - B. Peninsula Conference shall sharpen its connectional value by:
 1. Organizing appropriate units of multi-church (sub-district configurations) response to crucial religious, political, social and economic issues in the community, nation and the world, and
 2. Developing new churches (and parsonages) to meet new population movements.
- III. **Process:** To implement the Program, we recommend the following tools for effective ministry:
 - A. Spiritual formation
 - B. Consultants: EMLC and Christian Education
 - C. Communication System: Print, Video and Audio
 - D. REACH
 - E. Racial Attitudes and Perspectives

WHEREAS, the members of Grace United Methodist Church, Georgetown, Delaware, have an ever-increasing concern about the future and use of Drayton Manor being in the best interest of the members of the Peninsula Conference, and

WHEREAS, there seems to have been no clear-cut decision by the Annual Conference to establish a center for wellness ministry, and

WHEREAS, the acceptance of the Drayton/Pecometh consultants report did not authorize a wellness ministry nor bind our Conference to a course, and

WHEREAS, a feasibility study called for by the Conference Council on Ministries has not been accomplished, and

WHEREAS, Drayton Manor itself represents an appreciable investment of resources, real estate, focus and leadership for our Conference, and

WHEREAS, we are unclear about the priority of this developing ministry and our stewardship of resources, and

WHEREAS, we feel we need additional information if we are to vote for the continued support of this developing program at Drayton, and

WHEREAS, these resources might better be used to serve our Conference in developing a comprehensive, youth and adult, camping and retreat center at Pecometh, and

WHEREAS, we have met as an Administrative Board with Jim Morgan, the Director of Drayton Manor, and carefully considered the implications of our petition; the Administrative Board directs our representatives to present the following to the 1984 session of the Peninsula Annual Conference.

THEREFORE BE IT RESOLVED, that those responsible for the administration of Drayton Manor have in the hands of the clergy and lay members of the Peninsula Annual Conference, 30 days before our 1985 session, a complete report delineating the progress of establishing a wholistic ministry.

BE IT FURTHER RESOLVED, that the report shall include at least the following information:

1. Number of continuing education events scheduled, number cancelled.
2. Number of persons served by continuing education events.
3. Number of events aimed at developing a wellness ministry (note overlap with number one), number of events cancelled.
4. Number of persons served by the wellness ministry events.
5. Number of events, persons served, and net profits received from renting Drayton to non-church groups.
6. Analysis of other uses.
7. A report of a qualified independent consultant and/or experienced wellness ministry administrator outlining the feasibility of our approach, especially considering our overall goals, the location of Drayton, and lack of available capital. This consultant shall be approved by the C.C.O.M.
8. A detailed Profit-Loss statement for the 4 past years, especially noting any special grants, their sources and prospect of continuing support.

BE IT FURTHER RESOLVED, that the Conference Council on Ministries examine the priorities of our Conference and report in the same manner addressing the following:

1. The dollar value of Drayton Manor if sold.
2. The dollar amount we as a Conference have contributed to Drayton in all respects, including administration, maintenance, salaries, improvements in the past 10 years.
3. How the wellness ministry of Drayton fits into our Conference priorities and warrants our present and future investment of property and resources.

BE IT FURTHER RESOLVED, that any funds needed to carry out above actions be loaned by the Council on Finance and Administration to Drayton to be repaid over the next five program years.

After debate the vote was taken and the motion defeated by a vote of 173 to 159. Bishop Wertz then recognized the Rev. William Hemphill, Jr. who made the following motion:

POINT OF PERSONAL PRIVILEGE: Bishop Wertz recognized the Rev. Dr. Laurence H. Stookey, Professor of Preaching and Worship at Wesley Theology Seminary. Dr. Stookey spoke briefly on behalf of all thirteen United Methodist seminaries in the United States and stressed the need for a closer relationship between the seminaries and annual conferences across the land.

COMPOSITE REPORT OF THE CABINET: Bishop Wertz called upon the Rev. Ewart C. Hackshaw, Dean of the Cabinet, for the composite report. The complete text of the report may be found in the "Reports" section of this Journal. In general, the report addressed the General Church priority (EMLC), evangelism, the importance of following up on the implications of Trek III, and the role of the pastor. The report was received by the Conference with warm applause.

Bishop Wertz then recognized the Rev. Dale E. Lantz, a member of the Commission on Religion and Race, who asked why more cross-racial appointments were not being made. Mr. Hackshaw responded by indicating that this was an area with which the Cabinet was deeply concerned and on which it is continuing to work. Bishop Wertz reviewed the consultation process in appointment--making (Par. 530, 1980 Discipline) and explained that the pastor's feelings as well as those of the parish are taken into consideration.

Bishop Wertz recognized the Rev. Donald E. Hamilton who inquired as to why more cross-racial appointments were not being made at the 1984 Peninsula Annual Conference. Bishop Wertz responded by stating that it is one thing to stand in public and ask about such appointments and another thing to be asked to go. The Bishop suggested that district support systems be developed and that the Commission on Religion and Race arrange for an early meeting with the new Bishop to keep this concern before him/her. He said we should also strive to develop an effective climate for this on each district via the support of the laity. The Bishop continued by stating that none of us is guiltless of the systemic racism which is part of our society and that appointments must be made which will enable effective ministry.

Bishop Wertz then recognized the Rev. Kenneth B. Bedell who offered the following motion:

I move that the Peninsula Annual Conference affirm the work of the Bishop and Cabinet to secure cross-racial appointments and direct the Commission on Religion and Race to meet with the new Bishop as soon as possible to discuss the Conference concern for open itineracy.

The motion was seconded and approved by the Conference.

STUDY AND REVIEW SECTION I: Bishop Wertz then called for the report of Study and Review Section I, the Rev. William H. Revelle, Jr., chairperson. After thanking those who had been part of the leadership team for this section Mr. Revelle presided over the presentation of the following report:

Brewer, President of Council on Finance and Administration, for his fine leadership during the last two quadrennia. The Conference responded with warm applause.

COMMITTEE ON DAILY PROCEEDINGS: Bishop Wertz recognized the Rev. H. Ward Greer, chairperson, who made the following motion:

I move that the daily proceedings for Thursday, May 31, and Friday, June 1, be approved; and that the Committee on Daily Proceedings be authorized to approve the record of Saturday, June 2, and Sunday, June 3, when it has been completed.

The motion was duly seconded and passed.

NEW MEDICAL EXPENSE PLAN: In response to a question from the floor the Rev. Otho G. Brewer explained that as of June 15, 1984 the plan will be under Blue Cross/Blue Shield. The change is being made to insure better cost effectiveness and to eliminate possible duplication between the Medical Expense Plan and the Pension Plan. Mr. Brewer asked for the Conference's patience and cooperation during the inevitable transition period.

CALL FOR SPECIAL CONFERENCE SESSION: Bishop Wertz recognized the Rev. Howell O. Wilkins, Easton District Superintendent, who presented the following call for a special session:

SPECIAL SESSION OF ANNUAL CONFERENCE

In accordance with Par. 702.4, 1980 Book of Discipline, Bishop D. Frederick Wertz and the District Superintendents of the Peninsula Annual Conference hereby call a special session of the Peninsula Annual Conference to be held on Saturday, October 6, 1984 from 10 a.m. to 3 p.m., Central Middle School, Dover, Delaware.

This special session of the Peninsula Annual Conference is called for the purpose of refining program budget proposals for 1985 and welcoming our new Bishop.

The call was approved by the Conference.

NOMINATION OF CONFERENCE STATISTICIAN: Bishop Wertz recognized the Rev. Dr. J. Gordon Stapleton, chairperson of the Nominating Committee, who nominated the Rev. Boyd B. Etter as Statistician for the ensuing quadrennium. The nomination was duly seconded and approved by the Conference. Dr. Stapleton also expressed sincere thanks to the Rev. Dr. James T. Seymour, outgoing Statistician, for his conscientious and faithful work. The Conference responded with warm applause.

POINT OF HIGH PERSONAL PRIVILEGES: Bishop Wertz recognized the Rev. Felton E. May, chairperson of the Washington Area Committee on the Episcopacy, who, in turn, introduced Mr. Ralph O'Day, a member of the committee. After the Rev. Ewart C. Hackshaw had escorted Mrs. Betty Wertz to the stage, Mr. O'Day expressed profound appreciation to both Bishop and Mrs. Wertz for all of the inspiration and outstanding leadership they had demonstrated across the Peninsula Conference during the quadrennium 1980-84. As a token of our esteem Mr. O'Day presented them with a certificate redeemable for a Franklin fireplace insert for their farm near Gettysburg.

Mr. May then expressed additional appreciation for all that Bishop and Mrs. Wertz had done in hosting the recent Bicentennial General Conference in Baltimore. Mr. May unveiled a lovely print of the famous painting "Offer Them Christ" (which depicts John Wesley sending Thomas Coke to America) and stated that the painting would be hung in the Bicentennial Room of the Conference Center in honor of Fred and Betty Wertz. The Conference responded with a standing ovation after which the Wertzes expressed their deep gratitude for these gestures of appreciation. Mr. May announced that a testimonial dinner in honor of the Fiftieth Anniversary of Bishop Wertz' ministry would be held at the Hotel duPont in Wilmington on June 28, 1984.

COMMITTEE ON COURTESIES: Bishop Wertz recognized the Rev. Laurence Berry, chairperson, who presented the following report:

The 45th Session of the Peninsula Annual Conference is ending and another quadrennium is coming to a close. We are very thankful to you, Bishop Wertz, and your wife, Betty, for the warmth and spiritual depth of your leadership through this period of time. C. Reports

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

Mothers and Fathers, Brothers and Sisters!

Grace and Peace are yours through our Lord Jesus Christ who, according to his great and abundant mercy, has brought us together again to rejoice in the blessed hope as children of the resurrection.

We thank God for every evidence of His guiding and sustaining presence in the Church - for the thrill of victory and accomplishment as well as the sober chastening of defeat; for the expectancy of the new day waiting to burst upon the horizon as well as for the hesitancy of those who linger within the gates; for those who misinterpret the signals of hope and become prophets of doom instead of "heralds of Christ who bear the Kings commands." We thank God for every humbling and uplifting experience and join with Charles Wesley to sing "Yet out of all, the Lord has brought us by His love."

The year 1984 is specially significant for us on the Peninsula and we rejoice in our hearts for two centuries of "Proclaiming grace and freedom." During the sessions of the Annual Conference there will be several references to this historical fact, but this report could not forgo even a brief reference to it, since it was from Barratt's Chapel that the call went forth for the Christmas Conference of 1784 -- and neither the church nor the nation has since been the same. It is our hope that the celebration of this event in our Conference and in our local churches will be the launching pad from which we are thrust into the thrill of the third century.

GUARANTEED EMPLOYMENT

Par. 423 of the 1980 Discipline of the United Methodist Church reads: "Every effective member in full connection who is in good standing shall receive an annual appointment by the bishop." This is a "conditional guarantee" of appointment to the practice of ministry and not the kind of indifference to standards in which incompetence is overlooked and less than professional decorum accepted. Growth in competence and effectiveness is expected of Conference members; there are professional responsibilities which ministers are expected to fulfill; and in all things our pastors are called upon to demonstrate the kind of life that becomes the gospel which they represent.

To this end, the Discipline lists three ingredients as representing a fundamental part of ministerial accountability and a primary basis of appointment to the practice of ministry:

I. CONTINUING AVAILABILITY FOR APPOINTMENT

Whilst the Bishop and Cabinet do not willfully disrupt families, nor do they seek to place additional burdens on the already overburdened parsonage household, the prime consideration in every appointment is the mission and ministry of the church, and to plead unreadiness to move because of personal inconvenience is to say: "I'm not available," and this creates a problem.

II. EVALUATION TO DETERMINE THE GIFTS, GRACES, HEALTH AND READINESS FOR MINISTRY

One of the questions asked by John Wesley of his preachers was "has he (the preacher) competent abilities for our work?" In these days the question would be phrased in inclusive language, but the meaning remains the same. The pastor is to be constantly evaluated by his or her peers and by the congregation to be served. Mediocrity and incompetence are looked upon with great displeasure in our Methodist connection.

III. ANNUAL PARTICIPATION IN PROGRAMS OF CONTINUING EDUCATION

The skills of yesteryear do not wear well in today's traffic. The physician who does not constantly upgrade his/her knowledge in the light of new technology and space age discoveries is a menace to the community he/she seeks to serve. Even so, and more so, a pastor must constantly take into account the changing cultural settings and social dimensions with which the gospel interacts and seek to present Christ as sufficient for "the living of these days." To do this the Discipline has directed that the Board of Ministry SHALL set minimal standards and specific guidelines for programs of continuing education and shall insure their availability and use.

Two Continuing Education Units per year have been required of each pastor in the active relationship, and how well we have done is reflected in the report of the Board of Ministry — page 56 in the Pre-Conference booklet.

The absence of one or more of the ingredients that go to make guaranteed appointment places the pastor's continued appointment in jeopardy. There is nothing burdensome about these requirements; rather, the satisfying of the same could lead to greater efficiency and enhancement of ministry. This is not too much to ask and to expect from our clergy.

CONSULTATION IN APPOINTMENT-MAKING

Both pastors and Pastor-Parish Relations Committees are struggling for a clearer understanding of the process of consultation in appointment-making. The Book of Discipline states that "Consultation is not merely notification. Consultation is not committee selection or call of a pastor. Consultation is both a continuing process and a more intense involvement during the period of change of appointment." (Par. 528)

Consultation does not mean that pastors, who have accepted ordination agreeing to go where assigned, are now to fix their own appointments. Consultation does mean that congregations through PPR committees, who have advised the cabinet of their needs for ministry, are now to select their pastor. It does not mean that pastors and churches are not to be simply notified as to what the appointment will be.

We would also point out that Criteria for Appointment in Paragraph 530 of the Book of Discipline is to be established in the process of consultation. This, too, has created some misunderstandings. It has been the judgment of the Cabinet that some pastors and some congregations are not ready to face up to certain deficiencies in performance. In such cases both the pastor and the congregation could benefit from appointment changes. The struggle comes at the point where the Bishop and Cabinet must weigh the value of the criteria and make a judgment. Such judgment does not always coincide with that of the pastor or a congregation. Nevertheless, the final decision on the assignment of pastors to congregations still resides with the Bishop.

We seek to find a delicate balance between an authoritative appointment system, which simply notifies pastors and congregations, and a congregational call system. In the years ahead the appointment-making process will need continuing dialogue and understanding. Until the polity of the United Methodist Church is revised by some future General Conference, the present system of appointment-making remains. This system requires that after consulting with a pastor and a PPR committee, the Bishop, in consultation with the cabinet, sets the appointments annually.

GENERAL CHURCH PRIORITY

As we begin a new quadrennium we join all United Methodists in a continuation of the Ethnic Minority Local Church Priority. The General Conference of the United Methodist Church, meeting in May of this year, has reaffirmed and expanded the EMLC priority for the next four years.

This is an apportioned fund to all annual conferences. One-half of all the money raised will remain with the Annual Conference. "The new priority differs from the current priority in that more attention is given to women's concerns, ecumenical cooperation, and preparing local churches to do mission rather than receive it." (Newscope 5/11/84) Emphases will be directed toward seven goals: witness,

discipleship, liturgy, outreach, leadership, structures, and facilities.

Nationally, a coordinating committee composed of membership from General Boards and Commissions, and ethnic and language groups will direct the distribution of funds. Locally, we expect that the Conference Council on Ministries will also recommend an expanded structure for Peninsula Conference EMLC.

EVANGELISM

"Finding and Making Disciples" is the theme that has been adopted by our Conference. We should actively seek people for Christ and His church. There are many ways to do it. It has been suggested that there be a different emphasis each year:

1. Church School Growth - outpost classes, etc.
2. Reaching delinquent church members
3. Finding new people
4. Starting new churches based on Trek III discoveries

Many churches do not receive one new member in an entire year. Many do not have a net gain. Therefore, we propose three steps to implement our natural evangelistic zeal. Every charge conference this fall, report what evangelistic program has been used in 1984, and what the results have been. Second, that the Division of Evangelism of the Conference arrange a meeting, by January 1985, with the pastor and lay member of any church that has not received anyone on confession of faith this year (as provided in Paragraph 703.9 of the Discipline). Third, that the superintendents report, for the next Annual Conference, list the churches which have a net gain in membership during 1984. These proposals are meant to encourage and recognize those churches having success, and to stimulate those who need to be more active.

WHAT THE FUTURE HOLDS AS SEEN FROM TREK III

The most comprehensive gathering of information about ourselves as churches and the area which we serve gives us some information about what we can do concerning the future. We have learned, for instance, that the giving of our members is about \$60 per person less than the average of our denomination, although the average income is above the national average. At the same time, much of our energy is used to maintain our organizational structure and to raise money. The stewardship of our time and talent, as well as our money, would give us more energy to carry out the mission of the church and make a better community. If the communities we live in are no better when we leave them, than when we arrive, we haven't done too well with the Gospel. Churches of every size have had success in influencing the community. Every church can do so. A good deal more can be accomplished if clusters of churches will work together. Some programs will have more impact, the training of leaders and the sharing in fellowship will encourage everybody involved. Charge Conference reports should contain information listing what programs have been carried out in cooperation with neighboring churches.

THE ROLE OF THE PASTOR

The pastor is a person with many roles. We are called to preach, teach, and heal and ordained to a ministry of word, sacrament, and order. Other roles include equipping, enabling, and facilitating.

Two roles not frequently discussed are those of theologian and manager. The pastor is the theologian in residence who works with the people to discover their corporate purpose in ministry. While the pastor may have studied systematic and biblical theology in seminary, he/she functions as the practical theologian on the front lines with the particular people in a specific community. The New Testament does not provide the definition of the purpose of the church; it does support the necessity of all local congregations grappling with that assignment.

Stanley J. Menking has written in an unpublished paper, "The theological task of the parish pastor is very demanding. He or she must interpret, inspire, and influence. Such a pastor must be the complete theologian for the congregation."

The pastor is also a manager. He/she is not called to do everything that is to be done completely alone. It is better to plan with the people and work with the people that they will learn, grow, and achieve in such a way that both personal and corporate goals will be fulfilled.

One management expert has written, "when you manage, you multiply your efforts through others." In other words, the issue of managing is how the minister enables others to accomplish significant results instead of attempting to do everything alone.

The General Conference has just completed its monumental and historic task. In addition to prohibiting the ordination and appointment of self-avowed practicing homosexuals, approving the preparation for the publication of a new hymnal for the denomination, and adopting an omnibus ministry statement entitled the "Baltimore Declaration," it also passed several pieces of legislation affecting the operation of the local church. You will be hearing about these in greater detail, but here are some which ought to be of interest.

Legislation passed:

- encouraging cooperative ministries in appropriate town and country settings.
- lifting up tithing and proportional giving as the biblical standard.
- creating a pastoral advisory committee in each church of a multiple-church charge.
- establishing the office of steward.
- specifying that pastor's housing is not considered compensation.
- making the church historian an Administrative Board member.
- delineating responsibilities of the Pastor-Parish Relations Committee.
- including the lay leader of the charge on the Nominating Committee.
- including the Council on Ministries chairperson on Finance Committee and the chairperson of Finance on the Council on Ministries.
- requiring all church treasurers to be bonded.
- creating work area on Status & Role of Women.
- requiring churches with more than one pastor to list each salary separately in the Conference Journal.
- re-ordering the responsibilities of the Lay Leader.
- set a goal of 20 million members by 1992.

This year we say "Farewell" to Bishop and Mrs. Wertz, our friends and episcopal leaders. We thank God for their leadership during this period in our history. We may have been slow at times to keep up with them as they strode before us in prophetic vigour, but we have never ceased to be inspired by their total commitment and the sense of urgency which they bring to all their tasks. They take with them our very best of good wishes, but more importantly, our prayers of thankfulness that we were able to walk for just a little while in their shadow.

This report seeks to lift up concerns with which the District Superintendents have had to deal or to bring before the Conference membership matters of pastoral import. At no point is it intended to be a "state of the church" message nor does it aspire to the prestige accorded the episcopal address. It says humbly, yet we hope plainly, "think on these things."

Trueblood opined "somewhere in the world there should be a society consciously and deliberately devoted to the task of seeing how love can be made real and demonstrating that love in practice" — unfortunately there is really only one candidate, and to this we are committed.

"For her our tears shall fall;
For her our prayers ascend;

To her our cares and toils be given
Till toils and cares shall end."

SUPERINTENDENTS' REPORTS

DOVER DISTRICT

J. Gordon Stapleton

Each year these reports try to tell a story of the church at work. The highlights of special events come to mind and are quickly noted. What we do not tell is the story of pastors called to hospital bedsides at 2 a.m., of long hours of counselling with troubled persons, of lay people in kitchens and committees giving their off-work time to the life of the church. No report can adequately cover the so-called "routine" work of the church. Yet we dare not forget that lives are changed and communities enriched by those whose names seldom appear in written records and whose deeds are too often overlooked. The routine daily task of 112 local churches continues unabated in the Dover District. Additional events are noted as follows.

Personnel

The patterns of life as birth and death move on and parsonage families are not exempt. Our joy is full in the birth of two sons to Dover District families. In the midst of the last Annual Conference on June 1, 1983, Christopher Todd Mitchell was born to John and Nancy Mitchell. On September 21, 1983, John Randolph Owens entered the family of Ronald and Nancy Owens.

Death also came. The Rev. Milton C. Milliner died on July 31, 1983 and the Reverend Albert J. Dredden on November 23, 1983. Both men had retired and were plagued by extended illness.

Quadrennial Endings and Beginnings

We are grateful to our retiring District Lay Leader, Guy Winebrenner, for his leadership in lay activities over the past four years. He represents many of our district lay and clergy persons who now move on to new tasks or take a well-earned sabbatical year from district and conference leadership.

Our thanks to all who have served as members of Conference Boards, Commissions, and Committees. Responsible leadership beyond the local church keeps conference programs aligned to the needs of the local church. To all our laity and clergy who have served in this 1981-84 quadrennium, our heartfelt thanks.

The Bicentennial Year

The celebration is underway. Local church galas, histories, pictorial directories, and anniversary celebrations have been a part of our 200th anniversary celebration of the United Methodist Church. Study groups abound in local churches. The Dover District Committee on the Bicentennial is now preparing for the District celebration on November 14, 1984 as we mark the historic meeting on that day 200 years ago of Thomas Coke and Francis Asbury.

Barratt's Chapel has been the center of celebrations to church groups from all over the Eastern seaboard. Curator Allen Clark and his band of loyal volunteers have been guiding tour groups and sharing the significance of Barratt's Chapel. Many of our churches chartered buses to visit the General Conference for both its general sessions and the anniversary celebration. There is more to come throughout 1985 in many of our local churches.

The Work of the Church

One unique feature of early Methodism remains in the Dover District. There are three camp meeting grounds that hold regularly-scheduled camp meetings each year. Carey's Camp, located next to Carey's United Methodist Church, near Millsboro, is perhaps the best known. There is also a camp meeting each summer on the Camp ground adjoining Union Wesley Church in Clarksville. This year Bethel Church, on the Gumboro Charge, opened a new tabernacle and held its first annual camp meeting.

New Sunday Schools are springing up in surprising places. For the first time in years, two of our smaller churches have opened new church schools. Roby Church in Leipsic and Saxton's Church at Bowers Beach are to be congratulated.

Outreach has been spectacular. Local churches reached a new high in the paying of apportionments. 99% leaves only a few more that need to come up to a full asking in 1984. REACH program giving continues to increase. More churches are catching the vision and joining in this vital mission outreach.

It is not possible to list here all the churches that have had special programs for hunger support, for individual missionaries, and adopting of children across the world. One outstanding example is Bethel Church in Lewes which raised \$5,000 this year for hunger and has placed an additional \$5,000 item in the budget for local missions in 1984.

We are happy to report that our new larger parish, The West Sussex Larger Parish, is doing well after its first year of working together. The churches are beginning to grasp the possibilities and all seven are working hard to make this great experiment work. Under the leadership of Nathaniel Miller we have every reason to expect that it will go forward to a successful conclusion.

Church growth is never all we hope it to be. We do, however, point with pride to the congregation of Long Neck United Methodist Church who took the Annual Conference vision and continues to grow each year. This year Long Neck stands fully on its own and has returned to the Conference missionary support ahead of schedule. The district laity also completed the payment of the note on the land it purchased for the Long Neck Church. Whatcoat Church, Camden, has now completed a decade and a half of church building growth. New programs and additional staff are now enriching the ministry of this church. Centenary Church, Laurel, has completed the payment of a long-term debt with a mortgage-burning ceremony in January.

Membership growth is taking place, too. In spite of some "roll-cleaning" by several congregations, the following churches have received 20 or more members: Wesley, Dover - 82; Whatcoat, Camden - 41; St. John's, Seaford - 57; Bethel-Croome, Lewes - 38; Long Neck - 37; Wyoming - 32; Epworth, Rehoboth - 28; Mariner's Bethel, Ocean View - 26; Mt. Pleasant, Laurel - 25; Mt. Olivet, Seaford - 24. Regretfully there are a few churches that received no new members in 1983.

Conclusion

September will mark the end of the tenure of Fred and Betty Wertz in our Peninsula Conference. Each bishop and spouse are special to an Annual Conference, but these two have found ways into our hearts that give them a special place among us. We wish them God-speed in the next chapter before them and express our deep thanks for their love and service among us.

And finally, brothers and sisters, a grateful superintendent thanks you as colleagues in ministry for your service through the church. You have made life easier for Barbara and me as both laity and clergy have shouldered the responsibilities to be the church in the Dover District. And above that, our gratitude to God who makes all things possible.

EASTON DISTRICT

Howell O. Wilkins, Superintendent

Not many Districts in the entire church can claim to be 100.1 per cent. That means, every church in the district paid at least 100% of apportionments, conference benevolences, and special funds. This is an important accomplishment. This is by no means, however, the only thing that has happened in the life of the District. Church after church reports some kind of ministry to the community, as well as ministry to its own members. Many of these have been reported through the Conference and District Communicator. The emphasis on the Bicentennial is found in many ways - special services, guest speakers, displays of memorabilia, so that we are reminded of our heritage. This continues. Our bishop has set a good tone in not only reminding us of our history, but also encouraging us about our ministry in the present, so that we will have a future. But there is much to be done.

Last summer, we visited the Sixth Assembly of the World Council of Churches in Vancouver. People of the Christian faith were not only intensifying their commitment to Christ, but were also struggling with how to relate this faith to the complex and ever-changing world in which we live. Several weeks in China exposed us to the ancient culture, the industrializing present, and the rapid growth of the Christian Church in an unfriendly environment. Our problem is different. We find indifference, superficial faith, and an overwhelming desire just to keep the institution alive. At a world-wide consultation in Barbados, called by the World Methodist Council, the church struggled with the problem of a third world where millions and millions of people try to exist on a few hundred dollars per year. At the same time, in the United States, we spend a great deal more than that trying to protect ourselves by building an ever-larger military establishment. We show our complacency towards those in desperate need.

With this background, I want to share some of the things that are happening. Some churches are finding new members, but many remain static or declining. The following churches have shown a net gain of ten or more members in 1983: Kent Island Church from 901 to 967; Bethany Church at Price of the Church Hill-Price Charge from 133 to 144; St. Mark's in Easton from 1165 to 1180; Christ Church in Federalburg from 281 to 293; and Bozman Church of the Neavitt-Bozman Charge from 58 to 72. Two churches have asked to become Limited Service; Lockeman near Greensboro and Williamsburg near Hurlock. Churches on Tilghman Island and West of St. Michaels have explored and are pursuing realignment in order to provide more effective ministry. Additional exploration is being carried out in the Grasonville-Queenstown area.

The District Council on Ministries has given an emphasis to stewardship and has assisted several churches with programs. A second emphasis in the area of evangelism is now reaching equal interest. The Ministers and Mates have met several times, providing program and fellowship for clergy families. The Rev. Jerrold W. Knotts is President of Ministers and Mrs. Mamie Stanley is President of Mates. Doris Bose concluded her responsibility with the United Methodist Women, and is now followed by Ruth Walker. The Board of Laity provides a well-planned, intensive, and well-attended Lay Speakers Program. This year it was divided into two schools, to provide easier access and to reach more people. Congressman Bedell gave an inspiring address at the District Lay Dinner. Youth are now having opportunities for District experiences, and are responding. Several hundred lay people attended Communion breakfasts during Lent. Tom Donnachie and Ruth Walker edited several information-packed District editions of the Communicator. In addition to the many people in the District, both lay and clergy alike, we are fortunate to be able to call upon the staff of the Conference, whether it be for training leaders, assistance in stewardship, evangelism, or whatever.

Numerous improvements in property occurred during the year. Some of the most outstanding are the renovation of Colenan Church in Kent County and the remodeling of Beckwith Church School building near Cambridge. Union Church in Federalburg was completely renovated and re-opened with a series of special services, one including people of all the United Methodist Churches in the community. The mortgage of Mt. Calvary Church, Preston, was burned two years ahead of time.

Churches continue to provide support to REACH projects. Most churches are participating in some effort in the community, the Conference, or overseas. The Pilot Wheel and Grapevine Clusters continue to provide special program assistance to the churches in their areas. These cooperative efforts make it possible for each minister to share some skill with the churches in the Cluster area, and the Cluster churches to provide some worship or training opportunities which the individual charge would be unable to provide.

The Rev. Henry Schauer, after an illness of several weeks, died early in September, after a long ministry throughout the Peninsula. The Rev. Paul E. McCoy took responsibility for the church in Preston-Harmony until this Conference. The Rev. Augustus Chancey died in February. While retired, he continued until the day of his death to be interested in the life and mission of the church. The Rev. Harold Davis and the Rev. Paul E. McCoy, who have been retired, are now going to discontinue serving churches on a regular basis. The Rev. Lawrence Wimbrow is retiring at this time. The Rev. Roger Wheedleton continued serving Williamsburg until the church stopped regular service in March. The Rev. David Baker is retiring at this time. They all have provided significant ministry.

The faithfulness of the people and the pastors can be seen from this report, but from many other things as well. Trek III shows us potential for the future. If we can turn our past accomplishments into a greater zeal for the unchurched, and a desire to face the basic economic problems causing people to be unfed, then we surely will come close to what Christ desires us to be and do.

SALISBURY DISTRICT

Dwart C. Hackshaw, Superintendent

"The more things change, the more they remain the same." So it has been on the Salisbury District during the last year. Sometimes the changes have come with such alarming rapidity, that one is hardpressed to cope with their implications, but the churches have continued to witness to an unchanging Gospel and to a God who remains the same yesterday, today, and forever.

Charge Conferences were again the celebration of the ministry of the local church. Reports and committees aside, it was a good experience to have folk come together, to talk about where they have been and to express a vision under God as to the direction they want to go. As it was last year, some charges were better prepared than others, but having established my own expectations in this regard, we can look forward to a time of enrichment when we meet together in the fall.

St. Paul's Church was completely destroyed by fire in December, 1982. There are several "St. Paul's" in the Conference, but there are not many, quite like St. Paul's, Wenona, on the Deal Island Charge, where the chief industry is seafood harvesting, and the working season during the year is short and uncertain. Yet in less than 18 months they have raised over \$90,000 for the rebuilding of their Sanctuary. They hope to break ground in the fall, as the new building begins to take shape. A Consecration Service was held and cornerstones laid at the beautiful sanctuary at Bethany on the newly-aligned Bethany Charge. In addition to carrying all the weight attached to charge finances, they are taking care of their mortgage and doing it gracefully.

For many charges, finances remain a problem. With rising operating costs on one side of the ledger, and unemployment escalating on the other, doing the church's business becomes more than ever a venture of faith. The marvel is that we were able to pay 98% of our Conference apportionments last year, and that includes churches which previously paid 50%. Our thanks to all those dedicated folk who made this possible.

Regretfully we had to cancel the "Inner Life" program for 1984. With the General Conference in session at the same time and an overloaded local calendar for most people, it was thought wise to cancel and reschedule for 1985. An emphasis on new members received on confession of faith is still one of our priorities. We constantly monitor the confirmation class figures to establish trends and encourage

programs geared to church growth. The last report of the Conference statistician revealed that the District had an increase of 148 in total members; there was an increase of 126 persons enrolled in confirmation classes, an increase of 124 received on confession of faith; an increase of 153 in our Sunday School classes and 87 in other groups, and 149 more Methodist Men and 142 more Methodist Women than the year before. We are proud of these figures - not alarming, but impressive.

Sorrowfully we laid to rest brother John D. Burbage and sister Lucille Butler who had struggled so valiantly. We commit them to the loving keeping of God whom they loved and served. We welcomed to the District staff Bonnie Farkasfalvy, Thomas Blakelock, Robert Starkey, and Grant Johnson. We wish for them and their families a pleasant ministry.

We thank God for the faithfulness of the Pastors and Charges, who continue, in spite of setbacks, to witness to the Gospel, to support the cause of REACH and the local mission outreach programs, and to undergird each other in fellowship. We thank God for the leadership of our Bishop and the counsel and guidance and brotherly persuasion that added the momentum to our planning. As we move into the third century of our church's history, let us discern the finger of God pointing to new areas and forms of ministry and be humble enough to follow where it may lead.

WILMINGTON DISTRICT

C. Edwin Lasbury, District Superintendent

From Ed, servant of Jesus Christ --

To all God's people on the Wilmington District and in the Peninsula Annual Conference:

May God the Creator, Jesus Christ the Redeemer, and Holy Spirit, the Living Presence, give you grace and peace.

It was with similar words that the Apostle Paul began his Letter to the Philippians, the first church he had established on European soil. I paraphrase those words as I begin my first report as Superintendent of the Wilmington District.

I. THE DISTRICT SUPERINTENDENCY

The Discipline states, "The task of superintending in the United Methodist Church resides in the office of Bishop and extends to the District Superintendents, with each possessing distinct responsibilities." But what are these distinct responsibilities on the District level?

Coming into this new form of ministry, I could not help but ask myself what would be an appropriate theme for my first year's work and what would be the specific responsibilities between which I would divide my time. The theme which captured my imagination was "A Get-Acquainted/Listening Year." The four major divisions of a superintendent's responsibility were discovered to be:

1. Human resource development
2. Local Church vitalization
3. District vitalization
4. Conference administration

To this list was added personal care and concerns.

The above outline, expanded to about two and one-half pages, has helped to guide me through this year.

II. DISTRICT STRATEGY

Facing many new complicated problems for the first time forced me to consider what our United Methodist strategy would be for the City of Wilmington and the two counties, New Castle, Delaware and Cecil, Maryland. Then the opportunity came to

work in cooperation with the Peninsula Conference and the Methodist Action Program, with the help of a professional consultant, to develop a strategy for the district. The results included specific actions for MAP and the District, the District Superintendent, and the District Council on Ministries.

The specific actions for the District are:

1. CONGREGATIONAL STRATEGY - The District has a primary role in encouraging congregations to develop effectively responsive strategies to their specific situations.

2. CLUSTERS - The District also has the primary role in creating clusters of churches for cooperating in mission and ministry.

3. RESOURCING TEAMS AND/OR PROGRAMS - The District will need to develop specific teams/programs to enable local churches to become more effective.

4. NEW CHURCH DEVELOPMENT - The District will bear the primary responsibility for convening and sustaining the needed cooperation and action.

5. FINANCIAL AID - The District is key to dealing with the dilemma posed by the need for financial aid on the one hand and the virtual certainty that providing it will undercut congregational development on the other hand.

These strategies should give us plenty to do over the next few years.

III. DISTRICT PROGRAM

The Wilmington District Council on Ministries meets quarterly to report and coordinate, to think and plan. At their first annual planning session, they projected a nine-point program for the District which included:

1. DISTRICT CONFERENCE - To plan and conduct a District Conference in the fall of 1984 to welcome the new Bishop and celebrate the Bicentennial.

2. RACIAL INCLUSIVENESS - To work for racial inclusiveness with preservation of heritages and celebration of diversities.

3. HISPANIC PASTOR - To welcome Hispanic Pastor in June, 1984.

4. PRE-MARRIAGE ENCOUNTER - To develop a pre-marriage encounter on the District.

5. REACH OUT AND TOUCH SOMEONE - To plan and execute the "Reach Out and Touch Someone" program in Lent, 1985.

6. SUB-DISTRICTS - To develop strategies for emphasizing the Sub-districts.

7. NEW CHURCHES - To work at developing new churches on the District - white, black, and Hispanic.

8. CONFERENCE ON THE HOLY SPIRIT - To plan and present a Conference on the Holy Spirit in the fall of 1984.

9. SOCIAL CONCERNS - To actively involve churches on the District in social concerns - gambling, prison reform, etc.

The next meeting of the District Council on Ministries on June 6, 1984 will be devoted to further developing these programs.

V. NEW CONGREGATION/CHURCH DEVELOPMENT

One of the primary ways the church grows is through the chartering of new congregations and building of new churches. The fact that we have not been in that business for about ten years is one of the reasons church membership has been on the decline in the Conference and across the Church.

This trend has definitely been reversed on the Wilmington District. The following specific accomplishments can be reported for this year.

1. UNION CHURCH - Broke ground on September 25, 1983 and will move into their new facility on Franklin Schoolbell Road this summer.
2. MOORE'S CHAPEL - Consecrated their new facility on Sunday, May 20, 1984.
3. WESLEY CHURCH - Looking forward to the appointment of a full-time pastor at Conference.
4. HISPANIC MINISTRY - A pastor will be appointed at Conference.
5. SOUTH FORTY - Pastors and lay people in churches adjoining the area along Route 896 south of Route 40 are consulting about the need for a new church in that area.

With these and other projects currently in the process of development, there can be no question that funds will be needed for new church development. We hope to receive them through REACH.

VI. STATISTICS AND CHURCH GROWTH

Glory Hallelujah! The decade of decline in church membership on the Wilmington District has been halted. According to my calculations, the District will show a modest increase thanks to the good training of the Reverend Donald J. Hurst, the positive leadership of my predecessor, the Reverend William Hemphill, and the hard work of the District Pastors.

In 1983, the six churches receiving the largest number of new members on profession of faith or restored are:

| | | |
|------------------------|----|------|
| St. Paul's, Wilmington | 44 | (3%) |
| Newark | 39 | (2%) |
| Aldersgate | 38 | (2%) |
| Ebenezer, Newark | 35 | (4%) |
| St. Mark's, Stanton | 31 | (2%) |
| Elkton | 27 | (3%) |

The numbers in the brackets indicate the percent of membership.

Those churches receiving new members during 1983 on profession of faith or restored which number 10% or more of their membership are:

| | | |
|------------------------|----|-------|
| Wesley, Elk Neck | 17 | (16%) |
| Mt. Salem, New Castle | 9 | (16%) |
| Lee's Chapel, Townsend | 7 | (13%) |

5% or more are:

| | | |
|-------------------------|----|------|
| Janes, Rising Sun | 21 | (5%) |
| Salem, Newark | 18 | (8%) |
| Mt. Lebanon, Wilmington | 15 | (7%) |
| Mt. Salem, Wilmington | 10 | (5%) |
| Dale's, Middletown | 8 | (7%) |
| Town Point, Port Herman | 5 | (8%) |
| St. George's | 2 | (7%) |
| Asbury, Port Deposit | 2 | (5%) |

Seventeen churches on the district failed to receive a single member on profession of faith.

The five churches with the largest net gain during 1983 are:

| | | |
|-------------------------|----|-------|
| Ebenezer, Newark | 53 | (6%) |
| St. Paul's, Wilmington | 47 | (3%) |
| Mt. Lebanon, Wilmington | 28 | (13%) |
| Salem, Newark | 23 | (10%) |
| Elkton | 21 | (2%) |

It is interesting to note that at a 5% annual growth rate a congregation will double in fourteen years.

Over the last decade, the Wilmington District lost 3,000 members, a loss of 10%. If we are to gain these people back in the next decade, we will need to report annual net increases of 300 members, a 1% gain across the District. We can do that — we can do better than that. This is the business to which our Lord has called us.

VII. APPORTIONMENTS AND REACH

The Wilmington District has done well with both the apportionments and the REACH program. District apportionments for 1983 were paid at the rate of 99.2% with eighty-two out of the eighty-seven churches on the District paying 100%.

The Reverend Dr. Howard Walseman reports that the Wilmington District is close to 100% participation in the REACH program. At least seventy-two of the churches on

the District have contributed and others are in process. One of our problems has been the contributing of money by churches directly to a project without forwarding it to Dover for record-keeping purposes. REACH has helped the people on the Wilmington District to realize that apportionments are basic, our minimum fair share of the world-wide mission program of the United Methodist Church. On the other hand, REACH offers us the opportunity to go the second mile — apportionments represent first-mile giving while REACH challenges us to second-mile participation.

VIII. THE CONNECTION

"The Connection" is our new Wilmington District Newspaper. An edition of the United Methodist Reporter, it will be published ten times a year and delivered on the last Friday of each month to the homes of ten leaders in each church.

Fay Whittle is our Editor and she is open to all suggestions. All copy for the paper will be due in the District office no later than the 10th of each month — the earlier the better.

IX. CONCLUSION

Finally, thanks! Thanks to my God, my Bishop, my colleagues on the Cabinet for the joy of serving. Thanks to the Pastors on the District for their kindnesses and support and all the laity it has been my pleasure to meet. Thanks to Ginny Squire, our District secretary, for her efficiency, and David Weber, MAP Executive, for his energy and excitement about the Kingdom. Thanks to my wife and family without whose support my schedule would be impossible.

CONFERENCE COUNCIL ON MINISTRIES

THE REPORT OF THE PRESIDENT

1983 presented many challenges to improve the mission and ministry of the Conference Council on Ministries of the Peninsula Conference. The following are some of the responses to those challenges with which the Council dealt.

Early in the year the Council acted to improve the financial conditions of both Camp Pecometh and Drayton Manor Retreat Center, both of which had ended 1982 with deficits. New purchasing guidelines were developed, fees were adjusted at Camp Pecometh to substantially reduce conference subsidies, and actual program costs and income were separated from the auxiliary budgets. Through careful management and oversight, both Camp Pecometh and Drayton Manor ended 1983 "in the black." These two facilities represent a great part of Peninsula Conference's "mission in action" to people in our area, and we need to maintain them as viable settings for such mission.

The Council nominated the Ad Hoc Committee on Camping and Retreat Ministries which elected Dr. Willard Robinson as its chairperson. The new structure for Camp Pecometh/Drayton Manor should be in place for the 84-85 Conference year.

In an effort to relieve the need for planning 18 months in advance and for budgeting for these long-range plans, the Council approved a change in the Program/Budget Time Line. This allows the Boards and Agencies to be more responsive to emerging issues and current program needs.

During the latter half of the year, the C.C.O.M. heard many success stories from both the Education and the Special Ministries consultants who began their work in June of '83. This is perhaps one of the strongest support systems which the Conference has to offer the local church. And the local churches have been taking advantage of it!

The REACH Committee has continued in 1983 to stimulate and encourage local church interest in good stewardship and response to God's people in need. Many more churches have responded as they have experienced missional awakenings.

Approximately 40 people attended the C.C.O.M. retreat meeting held on Friday and Saturday, September 16 and 17, 1983. The highlight of the meeting was the professional analysis of the material gathered from local churches on the Trek III surveys. It was decided that this information should be presented to the Conference at district meetings so that local churches could plan for programs to meet the needs discovered during Trek III.

Other Conference Council on Ministries activities include:

1. The Communications Committee has been studying some new proposals for tele-communications.
2. Staff deployment is a yearly concern for the Executive Committee—to assure that staff members resource the various program needs and Boards and Agencies. The staff evaluation process has been improved, and both staff and the Executive Committee have endorsed it.

On behalf of the Conference and the Council, I express sincere appreciation to our staff—to Felton May for his faithful and ever-efficient guidance and leadership; to David Riffe, Bette McNear, Jack Simperts, Jim Morgan, and Howard Waiseman for capable and dedicated service. Each one is always willing and cooperative. It has truly been a joy working with all of them!

Looking back over the four years that I have served as C.C.O.M. president, I know that this opportunity to serve has been one of God's richest blessings in my life. The association with all those who have made this Council work, the Christian faith evidenced in their efforts to advance God's intent for His church, the selfless dedication shown in so many ways—these have all enriched and nurtured

my faith. And I thank God for this experience!

Virginia Clendaniel
President

THE REPORT OF THE COUNCIL DIRECTOR

Words of appreciation are expressed to Mrs. Virginia Clendaniel, Mr. William Jones, and the Reverend Mr. Charles Barton for their leadership as officers of our Conference Council on Ministries for the quadrennium 1981-1984. All of us are indebted to them for constantly challenging us to program excellence. A special word of commendation is extended to the Reverend Dr. Howard Walseman, director of our REACH Program and Associate Council Director. Howard's energetic pursuit of the goals of the REACH Program has inspired outstanding financial response from our local churches. The work of our Associate Council Directors, David Riffe, Jack Simpers, James Morgan, and Bette McNear along with our Special Ministries Consultants, Hayward Greene, Harvey Chase, and H. Ward Greer, and our Christian Education Consultants, Elizabeth St. Clair and Doris Phillips, has proceeded with commitment and faithfulness to the stated goals of our Council on Ministries.

I commend to your careful reading the program reports and the 1985 program objectives submitted by our Conference Boards, Agencies, Commissions, and Committees. Our future is full of hope because of the dedication of many laypersons and clergy who serve as members of those program units.

Let me focus my enthusiasm as I recall the many fine expressions of cooperative programming in 1983 and lift up the report entitled Envisioning and Inventing New Forms of Christian Mission and Ministry (Trek III). I believe that this report will enhance the quality of our work as a Council on Ministries and as an Annual Conference for many years to come. The strategic implications of that report will be placed before our Annual Conference for adoption. Every local church will be asked to apply those implications to their missional life and engage the future proclaiming the gospel of Jesus Christ.

The future is ours to mold and shape. Once again the question is asked: "Will we remain institutionalized by doing our business as usual or will we 'evangelize' the community we serve, bringing wholeness and healing in Christ's name to humankind?"

Felton E. May
Council Director

TREK III

STRATEGIC IMPLICATIONS

"Envisioning and Inventing New Forms of Christian Mission and Ministry"

Two main sets of strategic implications emerge from this data — four areas in which the Conference (and Districts) can work to help local churches to become more effective, and two areas in which some connectional concentration is needed.

A. The Conference can help local churches become more effective by:

1. Putting a special focus on small churches.
2. Providing help for improving stewardship.
3. Providing help for improving "invitation quotients."
4. Helping to improve morale.

B. The Conference can sharpen connectional value by:

1. Organizing appropriate units of multi-church response to community needs, thus helping United Methodists become aware of their strength (now hidden by its dispersion in many small churches).
2. Developing new churches to meet new population movements.

A. Helping local churches become more effective.

1. A special focus is needed on the needs and style of the small church. Both clergy expectations and Conference bias in materials and program are probably not really appropriate to the distinctive quality of the small church. Since almost two-thirds of the churches in the Conference fall into this general category, the potential for improvement in this regard is immense, but correspondingly revolutionary. These churches should not be expected to move either programmatically or with strong organizational methods. They probably should not be expected to add many new members (net). They should be expected to be able to "look after themselves," providing a very strong fellowship, and through it and its connections with the community to engage in effective though informal outreach.

2. The churches should be helped to improve their stewardship. What is needed is not an attempt to "sell" a program that has proved effective in some places (this structure applies particularly to small churches). What is required is patient work to help each church discover the ways specifically appropriate to its people and its situation in which it can develop a much broader and deeper sense of stewardship among its people. At least two dimensions of development are needed. One seeks to produce a "wholistic" understanding of stewardship as faithful living, encompassing time and talents as well as treasure, and including such concerns as racial and economic justice, peace and world order, community development, and ecology. The other dimension builds on the wholistic sense to help persons link their growing stewardship understanding to their specific appreciation of their church and to their ability to understand the costs involved in producing what they appreciate and willingness to use their spiritual growth through giving to help meet those costs.

3. The churches need help in improving their "invitation quotient," the rate at which present members invite others to participate in the life of the church. This IQ seems to be much too low in most of the churches of the Conference. The same processes of spiritual formation needed for the stewardship education are probably needed for this purpose as well. Even more in this area, however, the approaches to be developed must fit the specific situation and norms and expectations of each specific congregation. For some, there is a real shift required just to start to look to strangers as important parts of the future of the church, and to value the changes in perception and spiritual insight that are the gift of new members to a church. In others, the primary difficulty reflects the changing demography of the community, with the only viable potential new members being of a different ethnic or cultural group than the present members. In many, the primary problem is lack of strong and consistent insistence on the importance of the church's IQ for its present and future spiritual and institutional health. It is in this last group of churches where efforts to bring and assist change should first be focused.

4. Underlying and interwoven with all three of the above concerns is the issue of low morale and poor "esprit" in too many congregations. While the data as presented do not pinpoint the churches where this problem is most severe, it is important that the Conference identify just which churches suffer the most from lowered morale and attempt to address means to help those churches raise their morale as quickly as possible. To some degree the three earlier areas will help churches improve morale as they work on one or more of those dimensions. However, there are probably several situations where other approaches would be more effective. Such phenomena as appropriateness of pastor appointed to the specific "culture" of a church, the stability of tenure of pastors, the ways and strength in which the Conference recognizes the ministry of a church, and program/ministry consultation to help build morale are all candidates for use in trying to analyze and upgrade a morale problem.

B. Connectional Concentration.

1. It seems likely that the large number of small churches in the Conference helps to cloud members' awareness of the great preponderance and strength of United Methodism in their area. If so, some means of dramatizing and using the cumulative strength are needed. For instance, a District could consider developing county-wide coalitions of United Methodist Churches to explore and develop and implement solutions to key problems in the county. In doing so, significant improvement in community conditions can probably be achieved, but also United Methodists will have opportunity to "flex their muscles," and thus develop those muscles. In the process, greater visibility will be achieved, simplifying the task of a member who is trying to invite a friend to participate in a church.

2. Intense efforts at new church development are needed. The data particularly point to the following major potentials for attention:

Black church development is needed in Salisbury, Wilmington, and at strategic locations in the Dover District. It may be that all this need can be met through expansion or redevelopment of existing congregations, but it is more likely that reaching groups or classes of persons not reached before will take the freshness of approach of new congregation development. That effort, in turn, will probably need fresh approaches — the assumptions of full-time, funded, seminary-trained ministers that have marked traditional United Methodist efforts and which worked in the suburbs in the 1950s and 1960s have not been working in the cities in the 1970s and 1980s.

Hispanic churches could be developed in Wilmington and Salisbury, although the latter would probably always be a relatively small church. Korean churches are live possibilities in Wilmington, in Dover, and perhaps in Salisbury.

"Middle-class" churches, predominantly white, are needed in all the growing suburban and shore areas. Queen Anne's, Worcester, and Sussex Counties have shown the greater and most rapid growth in the 1970s, and they are probably still the areas where new churches are needed. Here again, some of this need can be met through the redevelopment of existing congregations. However, if traditional small churches are most effective in ministry being small, it is probably better to adopt a different growth strategy than one of attempting to get a small church to grow into a big one. Identifying the few churches that really do have the basic core of "multi-cell" character around which growth can be developed is one option. Starting new congregations is another. In fact, some new starts can be of the traditional type. Others could be begun with the assumption that they will always be small churches — started by and sustained by part-time pastors, remaining in very modest physical facilities.

The strategic planning priorities for the Peninsula Conference are thus quite clear. On the one hand, the Conference must find and implement ways to help local churches to improve their missional effectiveness — building better morale,

improving both stewardship and the ability to identify and invite (and cultivate) potential members. In doing so, it must give special attention to the special needs and characteristics of small churches. On the other hand, it needs to build strong connectional missions. In the counties outside New Castle, some means of unified United Methodist witness and impact on community and county concerns will help churches to feel stronger and more part of something bigger, even if enjoying the benefits of a small fellowship themselves. It is essentially the role already played by the churches in Wilmington, although the style and points of concentration will surely differ. Finally, the Conference needs to move aggressively into the church development process, choosing just which churches are key for expansion and redevelopment to meet new opportunities and which situations need new churches — and in what order to take on these various opportunities.

CAMP PECOMETH

The Christian Education program out-of-doors in the Peninsula Conference at Camp Pecometh has completed its 37th year of ministry to children, youth, and adults. Lives continued to be changed in the Name of Jesus Christ on this beautiful site along the Chester River in Queen Anne's County, MD. Church camping has come alive in the Peninsula Conference as a result of the interest and dedicated support of the laity and pastors. The highlights of Pecometh's program in 1983 included the following:

1. Accreditation: by the American Camping Association. The awarding of this status came as a result of at least five years of study, research and analysis of program, and documentation. Accreditation guarantees that basic standards of operation exist in the areas of site development and long-range planning, administration of program and personnel, risk management, safety and health, and outdoor living skills. The camp will again be visited for re-accreditation in 1986.

2. Site Development: Through financial support of the Conference Council on Finance and Administration, the implementation of the projections for future development has begun. As planned by the professional camp consultant firm of Harrison/Hempe/McCall of Ames, Iowa, ground should be broken for the new administration building in June, 1984.

3. Summer Camp Program: was staffed by 42 persons, of which 34 came from churches of the Peninsula Conference. Camper registrations dropped from a recent high of 1,006 in 1982 to 897 in 1983. This loss most probably resulted from the increase in camp fees from \$70 in 1982 to \$115 in 1983. The Senior High Week was highlighted by an alcoholism seminar under the leadership of Douglas Gaines and Patricia Furgeson of the Department of Social Work and also an Environmental Workshop led by Professor Terry Higgins of Wesley College. Chaplain John Brittain also made a presentation on behalf of Wesley College. The Shenandoah Canoe/Backpack Trips were again very successful for middle and seniors. World Hunger offerings taken during the Galilean Candlelight Services totalled \$619. We were indebted to Beth Ridley, Assistant Camp Director, and to the four pastors who each volunteered to spend a week at Pecometh while the Camp Director/Manager was attending school at Drew Theological School. The guest pastors were Douglas Ridley, Gary Moore, Charles Barton, and Clifford Armour.

4. REACH Program: Camp Pecometh has become the major recipient of gifts within the Peninsula Conference. We are most grateful.

5. Finances: The financial program was analyzed because of the heavy indebtedness incurred in 1982. Because the budget was divided into two parts (Operating and Specialty) in an attempt to ascertain the actual cost of a camper at Pecometh for one week, it was found that \$230 was needed for each child. The Peninsula Conference assumed responsibility for one-half of the cost. Parents and churches were asked to cover the remaining \$115. We are happy to report that the Operating Budget finished the year with a credit of \$9,640.21. Camp Pecometh was able to repay its indebtedness ahead of schedule by one year and now has in its Specialty Budget \$21,311.34 for capital improvements.

6. EMC Funds: were made available to ethnic campers for the first time. Records show that 8 persons took advantage of this funding.

7. Risk Management and Safety: received much attention this year because of funds made available from the Council on Finance and Administration. Smoke detectors and fire extinguishers were installed on all stairways. Campers were issued safety helmets for bike hikes. Major renovations were made to the dining hall, pool, office, and the picnic pavilion. Safety lights were placed in parking lots.

8. Cabin Adoption Program: continues to function with 23 of 28 buildings being adopted by local churches. We deeply appreciate the hours and materials supplied by our laity in maintaining the facilities.

9. Special Camps: include football and band camps, choir camps, public school outdoor education programs. In 1983 Pecometh hosted 9 special camps, and the income was placed in the Specialty Budget for capital improvements.

10. Speaking Engagements: During the year the Camp Director/Manager spoke to 24 churches and church groups (2,599 persons) and travelled 1,777 miles on behalf of the camp program.

11. Conferences: The Camp Director/Manager and the Committee Chairperson participated in the Northeastern Jurisdiction Camp Leaders' Training Event at Weichert, PA; the Director/Manager attended the ACA Convention, Cincinnati, OH and the ACA Fall Management Conference, Baltimore, MD.

Finally, we wish to express our appreciation to the members of the Camp Committee for their untiring efforts on Pecometh's behalf and to the Executive Committee of the C.C.O.M. for its faithful support and guidance this year.

1985 Program Objectives

A Statement of Philosophy of Church Camping
in the Peninsula Conference of the United Methodist Church

THROUGH CHURCH CAMPING, WE SHALL:

MAINTAIN a close relationship with the local church in the Christian Education program to ensure that our children, youth, and adults have a vital relationship with God as revealed in Jesus Christ;

CREATE a climate for growth in self-awareness in relation to God, the natural world, and persons from diverse backgrounds;

PLAN activities which will strengthen spiritual growth and development in an atmosphere of Christian community;

OFFER many and various activities, under the guidance of trained and mature Christian leaders who by precept and example encourage persons to participate daily in acts of praise and worship;

PROVIDE the opportunity to think through and share a personal philosophy of life: to see oneself in relation to God's plan for life, to realize the interdependence of all forms of life, to develop a sense of stewardship in relation to bodies, abilities, and lives; and to be led into an understanding, appreciation, and acceptance of Christian Discipleship.

Action Goals

1. To continue to implement the consultant's report.
Process: The Camp Committee will assume responsibility for implementation in cooperation with the Conference Council on Ministries and the Council on Finance and Administration.
2. To host rallies, meetings and training events for District and Conference youth and youth leaders.
Process: a. Pecometh's schedule will be cleared in advance upon request.
b. Part-time staff will be hired if requested.
c. Financial costs will be held at a minimum.
3. To designate one person from each district (on the Camp Committee) to serve on the Pecometh "Speakers' Bureau."

COMMITTEE ON COMMUNICATIONS

As a Committee on Communications (COC) our responsibility has been to communicate the news of the Peninsula Conference to United Methodists, other church-related institutions, and the secular world. We have communicated this news primarily through the printed-media.

THE COMMUNICATOR

Annual Conference passed a resolution which affirmed The Communicator's presence in communication. We encouraged local churches and individuals to subscribe to the paper. Some subscriptions have been gained through this process.

Our editor, Bette McNear, has encouraged all Boards, Agencies, and Committees to report news. We want to know the news as it breaks within the Conference so we can communicate it across the peninsula.

The COC also provided a systematic way of handling press releases for the secular mass-media, the purpose of which is as follows: to create a better public image of the United Methodist Church/Peninsula Conference; to develop and strengthen the connectional system; to provide a systematic informative and interpretive device for denominational and Conference events; and to advance mission awareness and giving. The press release described a pre-selected Conference event which was then sent to daily and weekly newspapers throughout Delaware and Maryland.

The COC also received a petition from a local United Methodist Church regarding the information coming forth from Annual Conference. The petition stated that current avenues of communication are not sufficient and many United Methodists do not receive important news.

The COC responded to the petition with a recommendation affirming the current avenues already available to each local church: Pre-Conference Journal and Briefing; the minister and lay member; The Communicator; the secular press; and the Conference Journal. The Conference Council on Ministries approved our recommendation.

Once again I want to publicly thank Bette McNear, our editor, for her service to The Communicator. She has kept pace with the news; and we appreciate her hard work as the editor.

I realize that this report is a summary of events occurring in 1983, but I want to say that we do have dreams beyond the print media. Television and radio are two avenues yet fully unexplored by the COC and new directions are desired and needed.

COUNCIL ON MINISTRIES WITH CHILDREN

In 1983 Children's Council continued to gather information from churches that have weekday programs for young children. This information will be used to establish a fellowship of sharing among persons who work in such programs. The mailing list will also be used to impart information about issues and resources. While some churches were immediate in their response to our questionnaire, others have still not returned them.

The major event of the Council in 1983 was the Children's Mission Fair in November at Wesley Church in Dover. Children and their adult workers were invited to this event. Outstanding leadership from those who were on the Africa and Haiti Treks, from the Children's Council, and from the Committee on Education and Cultivation of the Annual Conference Board of Global Ministries made this a memorable day for the people who attended.

Attendance at the fair was poor. It might be well to think about reasons for the low attendance. We have been told that publicity was adequate and well done. The Council was convinced of the need. On the other hand, this need might not have been felt at the local level. Local interest might have been less than what was assumed. There might have been techniques of communication that were overlooked, and publicity might not have been the best, although adequate. A conclusion to be drawn for the benefit of those who plan future programs is that publicity and the question of felt need are important items to consider.

COUNCIL ON YOUTH MINISTRIES

Youth ministry has been, and is being, resurrected in the Peninsula Conference. We now have active, functioning youth coordinators on each of the districts:

Dover: Boyd Etter
Bill Downing
Easton: Jerry DeVine
Salisbury: Pat Foard
Wilmington: Tom and Linda Davis

In addition to these coordinators, we now have active youth representatives on the Youth Council from each of the districts. We saw several accomplishments last year and made concrete plans for several events in 1984.

The Bishop's Confirmation Rally was held at St. Mark's United Methodist Church in Easton. The confirmands visited a display area with several of our church's ministries represented. Nancy Mariotti presented a puppet show which was well received. And, of course, the highlight was the visit with Bishop Wertz. The conclusion of the day was marked by the lifting of balloons of many colors into the bright skies over Easton indicating the spreading of the ministry of Jesus Christ to all the world.

Rallies were held on three of the Districts. Dover's Rally was built around new games and was held at Frederica. Easton's Rally was an overnight at Pecometh on the theme of world hunger. Wilmington's Rally was at Asbury United Methodist Church with the theme on REACH. Here an offering of over \$150 was received for the REACH mission thrust. Plans were made for a rally on the Salisbury District early in 1984.

The Youth Council held its annual planning retreat at Epworth United Methodist Church in Rehoboth. All districts were represented and several activities were scheduled. Plans were made for a United Nations Seminars on April 6-8, 1984 and for a training event for youth leaders on March 2 and 3, 1984. At that time, specific dates were set for regular meetings of the Youth Council through Conference of 1984.

The report for the Youth Council last year ended on a pessimistic note. This year that note is quite positive. We have not done everything we wanted, but we are well on our way to a renewed Youth Ministry in the Peninsula Conference. My thanks to the Youth Coordinators and others who have helped.

DRAYTON MANOR

Across our Conference there are many broken and wounded people. Clergy families and lay families are in need of renewal and hope. Single persons and single parents are hurting from loneliness. Resources for meeting those needs are imperative. One of the resources the Conference has is its retreat facility with a program which addresses some of those needs. The Drayton Committee understands this to be its ministry. It has accepted that task under three major headings:

- (1) To maintain and provide a retreat facility for use by local churches, boards of discipleship, planning and agenda building.
- (2) To offer opportunities in continuing education, family life development, singles' concerns, etc. for clergy and laity throughout the Conference.
- (3) To implement the recommendations of the Harrison, Hempe, & McCall Consultants consisting of the development and promotion of a ministry to the whole person, body, mind, and spirit.

The Committee set as a major concern this year the launching of the ministry in preventive health. Everywhere you turn in our land there is an emphasis on being healthy physically. Over 160 books have been published on this subject in the last three years, with some on the best seller list. This concern is important, but it leaves out the spiritual dimension of life which must permeate and give direction to the physical. That is the Church's genius and our unique contribution to this interest. Four preventive health seminars were offered from a variety of approaches this year. Several are on the calendar for 1984 which will include a testing dimension. This will be provided by the Cardio-Kinetics Clinic in Newark, DE. The clinic is quite interested in being part of our preventive health program and wants us to add the spiritual component to theirs. We are beginning, and we are excited about the possibilities.

Drayton ordered 17 continuing education events this year for both clergy and laity. The subjects included spiritual formation, pastoral theology, church administration, church and society strategies, preaching, and personal growth opportunities for laity. Of the 17, 10 were held. Seven had to be canceled for lack of registrations. People came from Texas, Massachusetts, and Georgia; however, for the Scott Peck seminar, so location and cost are really not deterrents, only interest. The Committee is rethinking its approach to the continuing education programs and will be offering a modified calendar in the coming year.

Significant improvements to the buildings and grounds were accomplished in 1983. The furnace and heating system were completely reworked and upgraded. Fuel efficiency has already improved 24% and the "cold spots" have been warmed up. A new sand filter system was installed for the swimming pool. It replaced a diatomaceous earth process which needed continuing maintenance and expensive chemicals. The water was bright and blue and thoroughly enjoyed by the Community members in the Swim Club.

A new water filter system for the Manor was also installed. It still has some problems which are being solved. Nearly all of the ceilings in the Manor were painted by Doug Arrowood, our maintenance man. He attempts to keep up with the painting needs in addition to his other tasks. Several groups came for weekends to work on the grounds, and the Boy Scouts painted the tool shed. These service projects are very helpful and deeply appreciated.

The Friends of Drayton gave 26% more this year than they did last year. This enabled us to finish ahead of the budget for the second straight year. Even though our people days were down some 22% from last year, we were able to finish with a \$7,581 balance in our operating budget and \$3,608 balance in our specialty budget. The specialty budget covers the swimming pool and major maintenance items. We had 3,529 persons who stayed for at least one overnight and 1,460 who were day guests only. Some 49 churches from the Peninsula Conference used the facility and 19 from the Baltimore Conference. The Lutherans, Presbyterians, Catholics, Episcopalians, and Unitarians also held retreats here. Thirty-one other civic organizations and business groups held events. Robin Britt, a Congressman from North Carolina, brought his staff from Washington and Greensboro to do some team building. He was so enthused that he sent letters to all of the freshman congressmen encouraging them to consider Drayton for their two or three-day meetings.

The Drayton staff pulled together to make 1983 a good year financially. They are to be commended as well as the leadership of Ed Spear and the Committee. A new ministry and image do not emerge overnight; they take time. We believe that the rising interest throughout the country in a style of life that is spiritually sound and robustly healthy is a major priority for many people and that Drayton has the opportunity to provide leadership for that interest. We have accepted that as our challenge and want to pursue that ministry with intention and intensity.

ETHNIC MINORITY LOCAL CHURCH TASK FORCE

Why E.M.L.C.? Betty A. Henderson, the National Chairperson of Black Methodists for Church Renewal, makes the following statement:

During the 1976-80 quadrennium, the establishment of three missional priorities - World Hunger, Evangelism, and the Ethnic Minority Local Church - sent mixed messages across our denomination. Why? Because a missional priority is 'a response to a critical need in God's world which calls for the United Methodist Church's massive and sustained effort through primary attention and ordering and reordering of program and budget at every level of the church.' The church attempted to address three critical needs and found it could more easily address one - the one that did not have to deal directly with ourselves: World Hunger. Evangelism, on the other hand, is what the church is inherently called to do and, therefore, it could not logically be a missional priority. The Ethnic Minority Local Church (EMLC) came in a low and slow third. The claims were that no one understood it, could handle it, or wanted to deal with it. It was seen as an ethnic minority concern, not a concern for which the whole church was responsible. During the 1980 General Conference, many people across the church felt that squeezing EMLC in among three priorities was unjust: so they made it the single priority for this quadrennium. It then took general church agencies almost a year to understand, gear up, and work towards 'developing and strengthening' the Ethnic Minority Local Church.

Hence, during the last three years of this quadrennium the Peninsula Annual Conference has worked to bring about change. Just a few years ago we were overwhelmed by what was reported by supporting data concerning the blight of the Ethnic churches within our boundaries.

Several basic factors were cited as hindering the strengthening of the Ethnic Minority Local Churches:

1. Lack of community-based leadership because many of our churches were without parsonages.
2. Wide discrepancies between the support of black and white clergy.
(See Salary Study, pages 152-153, 1981 Conference Journal)
3. The need for cooperative parishes.

Aided by the Division of Missions, several new parsonages have been built or acquired while others have been brought up to standard. Progress is being made toward the identification and development of cooperative parishes. Support for subsidized salary for minority clergy is now a line item in the Conference budget and we recommend its continuance.

There has been a positive response to other concerns as well. For example, the goals for the boards and agencies as well as the budgets reflect an interlocking with the concerns of the priority. The REACH Committee has concerns for the priority and is in the process of responding in positive ways.

At this juncture, we express appreciation to the three special ministry consultants for the dedicated and responsive way in which they have served as auxiliary staff of the Conference Council on Ministries. They have provided needed training to enable local churches to be intentional in ministry to the community and aided in the development and training of local church leaders and resource persons for the EMLC Task Force.

1985 Program Objectives

1. To continue our efforts to standardize all ethnic parsonages within the Conference.
2. To continue to identify and develop cooperative parishes wherever possible.
3. Encourage every Ethnic Minority Local Church to utilize the services of the staff person on Special Ministries and the Consultants.
4. Encourage every local Church to stress and understand and share in the presentation of the Ethnic Minority Heritage, such as the celebration of Martin Luther King's birthday and Black History month.
5. That we express ways in our local Churches of using mass media and social and local Church structures to form values in public and private life to bring about inclusiveness on the local level.

REACH

D. T. Niles once said that when the gospel is proclaimed "... a people are created who will be God's instruments in the world ...". REACH has proclaimed the gospel, a gospel of help to the needy, sight to the blind, shalom to the broken, and healing to the oppressed. And God has enabled the people of this Conference to be instruments of grace and hope.

Some said it would not happen; others had their doubts. Still others prayed for its failure from the start. Yet, 1983 surprised us all—even most of the worst critics. Not only have more churches than expected joined the vision (nearly seventy percent), but more financial support than anticipated was given for the mission of REACH. Though we are yet some distance from even our minimum goal, over \$155,000 has been raised—all this in a year of record apportionment payments.

The January Covenant services began the first year of our missional funding phase. With Bishop Wertz preaching, all four districts gathered on a Sunday afternoon with worshippers renewing their covenants with God and offering their faith commitments to REACH. By January 18, 1983, we had seventy percent of our churches responding with faith commitments. The Wilmington District had the highest number of churches making commitments as well as the largest dollar pledge to the missional goal—\$343,055.

It soon became obvious to the REACH Committee that more work was needed. It was decided to ask the Executive Committee of the Conference Council on Ministries to consider extending the REACH Director for one more year. After considerable discussion by the Conference Council on Ministries and the REACH Committee, it was decided to reassign Council staff to ensure that the needs of REACH would be handled. The primary reason for this extension was to increase local church participation in the ministry and mission of REACH.

The spring, summer, and fall months of 1983 offered occasions for the REACH Director and other members of the REACH Committee to meet with pastors and/or church leaders in private or in small groups. These meetings were worthwhile. Generally, pastors said they understood REACH better now, and were willing to urge

their congregations to respond. And churches did. Every month new commitments were made and new reports of special offerings received. The flexibility of REACH allowed local churches to design how to participate. Some churches saw their commitment to REACH as an opportunity to become involved in stewardship and mission education in a very creative way. From mission fairs and seminars to the Lord's Acre and the Sharing of Talents program, Peninsula churches became serious about their commitments.

Because of such support, REACH has helped students remain as students at Wesley Theological Seminary in Washington, D.C.; employed nurses at the Taiama Health and Maternity Center in Sierra Leone; broadened the camping program at Camp Pecometh in Centreville; organized a group of concerned citizens to combat prejudice and racism in Caroline County, Maryland; given shelter and a warm bed to the lost and homeless in Dover; begun a Thrift Shop at Neighborhood House in south Wilmington; completed a boy's dormitory at Camphor, Liberia; served hot meals to the hungry at Emmanuel Dining Room in Wilmington; and even helped some of our churches with construction projects. This is only a partial list of the fifty-six projects that have captured the interest and concern of our people.

Large churches and small churches, black churches and white churches, city churches and country churches all have bonded together in the name of Christ and in the spirit of love.

Last year was a great year. We have started a significant program of mission which will be long remembered and long experienced, the benefits of which will not be realized for some time. Yet credit belongs not to any committee or any director, but to God whose activity in our midst has created a people who dare to dream, and who have begun, again, an exodus to the promised land.

SPECIAL MINISTRIES COMPOSITE REPORT

I. Overview

At the beginning of this report we want to affirm that our experiences as consultants have been exciting, challenging, and satisfying.

It is exciting to find overwhelming acceptance by pastors and laity. Comments were received such as, "We are glad you have come to help us at last." "Now we know the Conference cares." We found an eagerness to engage in ministry in a new way.

It is challenging because the pastors are seeking help and are open to trying new ways to communicate the gospel. They are asking for help, and we feel that we must somehow provide resources to satisfy their needs. The opportunity and responsibility is ours. "The Time is Ripe, The Harvest is Ready."

We find personal satisfaction in being a part of this new approach to respond to the needs of the local church, especially of small membership—EMLC. It is long overdue.

We have visited each pastor and have tried to discover his/her expectations and needs for ministry. We have asked how we might be a source of help to him/her and members of his/her churches. The following three sections of this report outline in more detail the needs which we have discovered.

II. W. Hayward Greene

A. The need of pastors to share the work of ministry with laity who have gifts of talent or skills and time. I am thinking especially of students with limited time because of class or school responsibilities.

B. High on the list is leadership training. Some laity have expressed a strong desire for some in-depth studies in church structure and official duties.

C. Church School Program is of grave concern. This program includes: (1) Christian Education; (2) Sunday School, all ages; (3) Bible Studies, adults, weekdays; and (4) Education, Recreation and Enrichment Programs, all ages, weekdays.

D. Stewardship and Evangelism - Intensive programs in both of these areas are badly needed. "A must if our churches are to survive." Stewardship and Evangelism are essential for personal and congregational growth.

I can report that some progress has been made toward meeting the needs above. A workshop on church structure was held on the Easton Charge. A Mission Festival with emphasis on Africa is planned to be held on the Rock Hall Charge. The purpose is to establish a relationship between the churches in our Conference and the churches in parts of Africa.

We are looking forward to each of these events as a time of revitalization of the local church on each charge. Support of the staff is badly needed, support meaning encouragement through words and prayers.

In addition to the above activities, I have attended two important events where new insights and help were received. At the Convocation of EMLC's (October 6-8) small membership and church growth were of major concern. The same was true at the Town and Country Convocation.

Several other workshops which have focused on leadership training have been held in the Easton District under my leadership. The Superintendent has a copy of these events and places.

III. H. Ward Greer

New Castle - Mt. Salem
Kirkwood - St. Paul's
Christiana - Mt. Pleasant

After meeting on several occasions with the pastor and the Administrative Board of each of the three churches, it became immediately obvious that with all the expressed and unexpressed needs, more time, energy, and dollars are needed than what one year, one consultant, and few dollars could address. The physical plant in each case needs attention to varying degrees of expense and energy—from no indoor plumbing to needing additional space—the needs are expansive and expensive. At this juncture only two or three of the churches have indicated any vision of mission and program beyond the upkeep, maintenance, and renovation of the building. Following is a brief description of the needs both as I, as a consultant, have observed and that the members and pastor have identified.

A. New Castle - Nestled in a thriving transitional, historic community, this solid brick structure stands as a monument to what was apparently a stable church

which addressed the needs of a black community in ways that only history can claim. Though some new life seems to be slowly emerging, this church is still caught in the survival syndrome. There is within the members a group of older persons who formed approximately thirty years ago the "progressive club." This club attempted to give black residents of New Castle at large and church members an opportunity for participation at a level that was not in the social areas available to them. To this end, they purchased a house across from the "white only" park in New Castle proper. What appears to be needed is a reorganization of the club and a redirection of the ministry which could be provided through the cooperation of the church and the club using the already owned and usable building.

Two exciting and significant things are happening at this historic Church: (1) they have completed phase one of a renovation project which included the painting of the entire sanctuary and (2) they have reorganized the progressive club and are accepting proposals for expanded use of the property which was purchased some thirty years ago. This usage will include retreats, church gatherings, and Girl Scout meetings, etc.

Along with Harvey Chase and other building consultants, they will be developing both plans for expanding this retreat facility and writing funding proposals to undergird the renovation and subsequent pre-training in the Facility.

B. Kirkwood - This is an old and not very well-kept building. It needs major repairs and has no indoor plumbing. In view of the many physical plant needs, it has been virtually impossible to get this group of people to discuss anything else in terms of program mission and community/church relations.

St. Paul's Church is intensely working on providing indoor plumbing facilities. Once this is accomplished, further program involvement will be more plausible.

Since this church is so small (statistically), other sources of funding will be sought to underwrite the cost of this project. As consultant, I am attempting to assist them in securing these facilities.

C. Christiana - The external appearance of this church does not do justice to the carefully and tastefully redone interior. Though there are some obvious needs in terms of exterior care and attention, this congregation has done some serious visioning and goal-setting.

Since there has recently been significant renovation work in the building, the focus for Mt. Pleasant can now be turned more toward program/ministry. The three areas to which they will be giving special attention are: Evangelism, Communication, and Developing a Church School.

The resourcing I have done and will continue to do in this church will focus on these areas.

IV. Harvey G. Chase, Jr.

As a consultant I find that serving the C.C.O.M. and local churches assigned for me to share ministry with is a ministry of a whole new dimension, one that is uniquely intentional and intensive. It has been a deeply enriching experience; spiritually and socially for all who have been involved.

Many hours have been spent on my part in the Pocomoke Charge in dialogue with emphasis on listening to Pastor Grant Johnson and his church officers present their views, assessments, ideas, perspectives, and their dreams and visions of and for their church and their personal ministry.

I was taken on a tour of the city, the churches of the circuit, and the neighborhoods in order to make on-sight observations. After many hours with the Administrative Board, Council on Ministries, Finance Committee, etc., in two churches thus far, our findings are as follows:

A. In terms of needs:

1. The need for strengthening the structure of the councils for more effective programming.
2. The Stewardship of Goods is very effective and adequate but the Stewardship of Time and Talent is not up to par.
3. The congregation performs well but has little vision of what its directions should be for the future.
4. All churches on the charge need to be more involved in local mission and ministry.

B. In terms of goals:

1. Better coordination of a charge-wide C.O.M.
2. A workshop to be conducted by Conference leaders to instruct and inform the congregations on connectionalism, its meaning and significance.
3. A spring retreat for development of a missional statement for the charge, local church slogan or theme, and to establish a sense of missional direction.
4. Development of Church Schools, Family Life Ministries, with emphasis on Ministries to Children.

C. In terms of accomplishments:

1. A good, genuine working relationship between consultant and pastor and congregations has been well established with mutual trust and friendship in ministry.
2. Consultant, pastor, and C.O.M. have strategized together in three meetings since August 4, 1983.
3. Consultant and pastor attended the Town & Country workshop at Painted Post in October for a training experience.
4. Churches have stated their desire that the consultant continue to work with them and with their pastor in the areas of strengthening the financial structure, the Council on Ministries structure, the Church School, and Evangelism and other work areas.

It has been a gratifying, enriching ministry, one that has lifted me and many others who have been involved.

Results:

1. Caring programs have been initiated.
2. Family Ministries have been initiated.
3. Administrative structure has been made more efficient.

V. General Comments

There have been at least four occasions where the three consultants combined efforts and energy to lead and direct workshops in the Charges to which they have been assigned. The focus of these seminars included: Stewardship, Administration, Finance, Church School development, and relationship to Conference.

AD HOC COMMITTEE ON DRAYTON AND PECOMETH

The Ad Hoc Committee of the Conference Council on Ministries to interpret the Consultant's Report on Drayton/Pecometh is made up of eighteen regular and nine ex-officio members representing a cross-section of the Conference.

Five meetings have been held during the course of the year. A set of forty slides, tape and script interpreting the setting, work and projected plans for Drayton Retreat Center and Camp Pecometh was assembled as a resource to inform churches and groups.

Under the auspices of the Committee, the following was accomplished:

1. At the Conference Methodist Men's meeting at Pecometh, slides were shown of the projected development for both Drayton and Pecometh.
2. In early September a mailing went to all the pastors of the Conference containing two items:
 - a. A release to be used in their Church Newsletter or Bulletin, or to be posted on their bulletin board.
 - b. A letter to all clergy requesting names to be presented to serve on the Commission on Camping and Retreat Ministries, the Drayton Board of Directors, and the Facilities Management Committee for Drayton and Pecometh.
3. In The Communicator, September 30 issue, there appeared an article entitled "Camping/Retreat Ministries Report."
4. Ann Ridley wrote a fine Letter to the Editor concerning her experience at both Pecometh and Drayton.
5. On October 3, the development slides were shown at the Easton District U.M.W. meeting.
6. The development slides and other interpretive materials were shared at the Salisbury Ministers and Mates Association meeting on January 9, 1984.
7. An interpretive packet was assembled and distributed to twenty members of the Ad Hoc Committee who acted as interpreters of the Consultant's Report at the Sub-District meetings.
8. The next phase of development has been outlined and will be presented to the 1984 Annual Conference Session for approval.

BOARD OF CHURCH AND SOCIETY

The major event for the Board in 1983 was the sponsorship of "Shalom '83: Peace With Justice," an event held on September 23 and 24 at Wesley College in Dover. We were pleased to offer an outstanding group of resource persons which included Bishop D. Frederick Wertz, Bishop William H. Clark, Delaware Episcopal Diocese, Dr. Bruce C. Birch, Wesley Theological Seminary, and Jim Wall, editor of The Christian Century.

Workshops were offered on the nuclear arms race, militarism and human rights, the U.S. Catholic Bishops' Statement on Nuclear Disarmament, starting a Peace with Justice program in the local church, the military chaplain and the peace issue, and parenting for Peace with Justice. Leading these workshops were Robert L. McCan, Harold E. Massey, Edward W. Doherty, Robert McClean, Penny Haines, and Charles Zoeller.

4. Peace with Justice Resources: to provide needed resources to facilitate Peace with Justice issues throughout the Conference.

BOARD OF DISCIPLESHIP

The role of the Board of Discipleship is to be of support and service to all churches of the Peninsula Annual Conference. We are to help churches equip persons for discipling. Our specific tools are evangelism, education, stewardship, and worship.

The Board and its Divisions during the past year have listened and tried to respond to the needs expressed by all churches from the smallest one-room country church to the largest multi-room suburban, from the urban church to the rural church. The methodology and process will differ, but the goal is still the same—"to make disciples of all."

I want to express appreciation to the Division chairs, Richard Varell, Education; Ray Graham, Evangelism; Art Gamsby, Stewardship; and Colleen O'Sullivan, Worship. The staff, David Riffe, James Morgan, and Howard Walseman have also been most helpful.

Provide a period of time when the Board of Discipleship can be trained and do planning.

Division of Education

The close of 1983 marked the mid-point of the "Year of the Church School" in the Peninsula Conference. The Division of Education was realizing the results of several years of dreaming and planning. We are pleased to report that each member of the Division willingly accepted the extra commitment mandated by such an observance in the Conference.

In the spring of 1983 the Division began receiving applications and conducting interviews for two newly-created jobs in our Conference, the Christian Education Consultants. By the session of Annual Conference in May/June, the Division was able to introduce Doris Phillips and Liz St. Clair, our two consultants. In the months since, through their ministry, church schools have been started and existing church schools strengthened. (The consultants' report is addended)

The consultants were not the only highlight of Annual Conference. Dr. Ethel Johnson, Professor of Christian Education at United Methodist Theological Seminary, was a guest speaker. A great display tent was erected on the lawn of Central

Middle School. In the tent delegates were able to meet several of the Division members and view many of the available resources for Christian education. During an Order of the Day a slide-show was presented, celebrating a cross-section of Peninsula Conference Church Schools.

The program year began shortly after Conference with the four Dollar Workshops. Having adopted a new style of leadership and offering several creative workshop sections, the evaluations showed renewed enthusiasm for these annual events.

In response to many requests over the years, the Division offered a Conference-wide Sunday School Rally in September. Mary Lu Walker, famed composer and musician, was the main attraction at this first annual rally.

Shalom '83 began on Friday night with a worship service at Wesley United Methodist Church led by Dr. Laurence H. Stookey of Wesley Theological Seminary. Bishop Clark was the preacher and Bishop Wertz administered the Lord's Supper. The event concluded on Saturday with a presentation by Jim Wall.

Everyone who participated in Shalom '83 was impressed by the caliber of the resource persons and their presentations. The one negative note was the relatively small attendance. A total of fewer than 100 people participated.

Shalom '83 was the primary activity of the year for The Division of World Peace. Donald Hamilton, chairperson, Ken Valentine, and George Shivers are to be commended for their efforts.

The Division of General Welfare, chaired by Darlene Webb, used 1983 to get organized for a big push in 1984 on the issue of substandard housing within the bounds of the Conference. Working closely with the National Council on Agricultural Life and Labor, the division will offer a workshop on how local churches can do something about substandard housing in their communities.

The Division of Human Relations, chaired by Louise Harcum, produced a booklet called "Household Daily Devotionals" which was distributed at the 1983 Annual Conference. The booklet seeks to encourage daily devotionals as a discipline to assist households in developing scriptural holiness. This division continued its support of the Ethnic Minority parsonage repair program and was active in support of the Yokefellows prison ministry.

The members of the Board are to be commended for their loyal service in 1983. Attendance at the regular Board meetings was exceptionally good. A special thank you is due to Louise Harcum who leaves the Board at the end of this quadrennium. We appreciate her dedication as chairperson of the Division of Human Relations over the past four years.

To further promote church school growth, the first of two planned "Sunday School Growth and Renewal Workshops" was held in October. Leadership was provided by Cokesbury Educational Services.

Of course, all these observances held in the first half of the "Year of the Church School" did not replace the many "routine" tasks and promotions carried on by the Division. Very few local churches in our Conference are untouched by the ministry of the enthusiastic members of the Division of Education.

Consultants' Report

The response to the Consultants' service, as part of the Year of the Church School, has been most gratifying. With its design for multi-sessions in the local church, and with its check-back evaluation time, the Consultants' program is offering unique help to local church educational ministries.

In the beginning, part of the Consultants' role was to encourage local churches to do some intentional planning for Christian Education, take a fresh look at old problems, and use the Christian Education Consultants as a resource. To that end, there were meetings in the districts with pastors who have Sunday Schools with no adult classes or have no Sunday Schools at all. A Seminar on Sunday School Growth with Nashville leadership was held and another planned for February. The District Superintendents at every Charge Conference encouraged churches to contact the Consultants for help with Christian Education.

Some educational experiences that were provided:

1. Helped start an ecumenical Bible School.
2. Helped teachers understand objectives and aims of Christian Education.
3. Helped teachers with team teaching, with new and creative classroom methods and skills, and with planning and evaluating.
4. Helped start new church schools, including adult classes and parent groups.
5. Helped plan new summer programs and Vacation Church Schools.
6. Helped start and participated in Workers' Conferences.
7. Helped with Church School Growth planning and with enlarged Church School Programs.
8. Planned and taught Demonstration Classes.

Observations:

1. Most churches have expressed gratitude to the Conference for providing the Consultants' service. With time an important factor in today's economic climate, and because many persons have difficulty transferring learnings from a regional event to their church, having a helper in their own church is important.
2. All pastors have been involved with and supportive of the Consultant and resultant experiences.
3. There have been some common themes in expressed "visions" and concerns. Most churches want to increase student enrolment, involve more parents and adults, especially young adults, improve the quality of classroom teaching, enlarge Church School programs, and bring the Church School into the total ministry of the church.

4. There seems to be a need to help many teachers view inservice training as an opportunity for continued growth provided by their church and Conference. Providing training and/or enrichment for teachers is a way of saying, "We care about you."

From June to December is just a good start on a program that is gathering momentum. It is tempting to hope for a sudden, dramatic surge in church schools all over the Conference, but it takes time to build new classes and new attitudes, recruit new teachers, and involve the total congregation in the ministry of teaching/learning. What is happening is the discovery of new energy directed toward strengthening the local Church School. More people are saying they will spend the time to make it better. More people are saying that they want training to try new ways of teaching. More people are saying Christian Education is very important.

Division of Evangelism

In January, 1983 we once again encouraged our clergy and laypersons to attend the Congress on Evangelism in San Antonio, Texas. The theme was "Christ For All—Cristo Para Todas." The purpose of the 4-day gathering was to provide leadership for United Methodist churches in their evangelistic task of lifting up Christ. Emphasis was given to Jesus Christ Himself, our Gospel, and the urgent need to evangelize and disciple every unreached person in the world.

There were two significant happenings in the area of Evangelism in 1983. In the Spring, there was a Conference on the Holy Spirit at the Asbury United Methodist Church, Salisbury, MD. The resource person for this event was the Rev. Ross E. Whetstone, Executive Director of the United Methodist Renewal Services Fellowship. The Conference centered on the person and work of the Holy Spirit at the teaching of scriptural holiness in both personal and social dimensions. Encouragement was given for more dialogue within the United Methodist Church concerning ecumenical charismatic renewal. It was well attended. I want to commend the Salisbury District Council on Ministries and especially the Rev. James W. Rilely for their leadership and support in making this a great success.

In the Fall, November 7, 1983, the Wilmington District Council on Ministries and the Rev. Donald J. Hurst offered a seminar entitled, "Strengthening Your Local Church Through Evangelism" in which twelve persons from the Wilmington District shared success stories of evangelistic programs that are working very effectively in their respective churches. Resource leaders were also used to address the important theme of the Local Church and Evangelism. I want to commend the Rev. Mr. Hurst of Salem United Methodist Church for his constant commitment to share the Good News of Jesus Christ and for the continued programs of excellence that have been offered on the Wilmington District in the area of Evangelism.

We also purchased a film "John Wesley" for local churches to use in their Bicentennial emphasis.

The Division of Evangelism again recommended that Dr. Gerald A. Foster be appointed as an Approved Conference Evangelist at Annual Conference in June, 1983. This proposal, which was approved by the Annual Conference, was submitted by the Board of Discipleship.

Scholarships were made available to persons who attended the Annual Northeastern Jurisdictional School of Evangelism held at Lycoming College, Williamsport, Pennsylvania, in July, 1983.

The Board of Discipleship met at Drayton Manor to plan and budget for the coming year. As we conclude this quadrennium, I want to express my appreciation to all members of the Division for their prayers, support, and encouragement. I believe the Division of Evangelism has been faithful in carrying out its goals: of being of service and support to the local churches; of providing and promoting evangelism opportunities; of training pastors and laypersons in the basics of true evangelism. There is much still to be done as we continue into the eighties. May God Bless our work as we do the work of an evangelist in every local church of our Conference.

Division of Stewardship

The Division of Stewardship continued to experience an appreciation for its role within the Board of Discipleship and within the Annual Conference. REACH continued to resource the Division and at times assume responsibility for its programs.

The major program of 1983 for the Division was the Advance Course on Lay Speaking for the Dover District. These training sessions enabled a significant number of laity to increase their understanding of Christian stewardship and to be in dialogue with their friends in this area of discipleship.

Another programmatic goal in 1983 was to strengthen the members of the Division in Biblical understanding. To accomplish that goal two recently published books were studied at regular meetings and at retreats. They were Hall's The Steward: A Biblical Symbol Come of Age, and Benschaten's What the Bible Says About Stewardship.

In conjunction with another related goal, the Division has significantly added to the Conference library both with printed material and with another film entitled "Sharing."

In reading the results of the Trek III data, the Division of Stewardship expressed enthusiasm for the challenge that exists.

Division of Worship

In the fall of 1982 the Division of Worship sponsored the Pastor's Schools at Drayton Manor. Pastors were helped to consider the theme "The Pastor and the Sunday Service" from several different perspectives. As a follow-up to that event, the Division invited two of the leaders from the Pastors' Schools to return in March, 1983. Richard L. Eslinger and Elise Shoemaker Eslinger were the resource team for "Designing Worship For Your Local Church." Fifty-two pastors and laypersons attended this workshop held last spring at Wesley U.M.C. in Dover.

The Division of Worship provided some financial support for a choral workshop under the leadership of Dr. Robert Harris. That event took place at St. Mark's U.M.C. in Easton.

During the summer of 1983, scholarship aid was granted to several persons, enabling them to attend either "Proclamation," a preaching and worship seminar in Nashville sponsored by Cokesbury Instructional Services and the Section on Worship of the General Board of Discipleship, or "Foundations '83," the Fellowship of United Methodists in Music, Worship, and Other Arts' national event held in Dallas. The skills and knowledge gained at workshops like these are invaluable to those serving as resource persons in the Conference.

During 1983, the Conference staff and offices moved into the new building, which had more space for storage of resource materials. The Division of Worship has purchased a variety of basic worship resources for the use of pastors and laity of the Peninsula Conference. They are kept in the resource room of the Conference Office Building in Dover. We hope you will feel free to use them as the need arises.

Drayton Manor is used by a number of churches and groups within our Conference. Many worship experiences are held there. The Division of Worship purchased 50 copies of the hymnal Songs of Zion for the use of groups at this retreat center.

The members of the Division of Worship feel that we had a good year in 1983 working together and with others throughout the Peninsula Conference. We appreciate the support of both David Riffe and Gordon Stapleton, the staff and Cabinet representatives to our Division. We look forward to being of service to congregations and other groups throughout the Peninsula Conference during 1984.

BOARD OF GLOBAL MINISTRIES

The Board of Global Ministries (BOGM) is the largest program board of the Conference. Not only does the Board act as a liaison with the General BOGM, but it also develops programs and provides assistance to local churches within the Conference. Although our number one priority over the past year has been continued support of the Ethnic Minority Local Churches (EMLC), we also continued to be actively in mission with many other churches and individuals throughout the Peninsula. Through our divisions, committees, and agencies we are reaching out in the name of Christ to people needing food, clothing, shelter, or a place to worship.

The Board is composed of three main areas, each responsible for the development and implementation of plans and programs to meet the wide variety of responsibilities coming under the jurisdiction of the Board. The three main areas are: Division of Missions, with the Methodist Action Program and Neighborhood House; Division of Health and Welfare, with Peninsula United Methodist Homes and the Board of Child Care; and the Education and Cultivation Committee. Within these two divisions and one committee are additional committees and task forces hard at work on specific areas of concern.

The following reports summarize the work of your Board of Global Ministries during the past year.

Terry M. Boyd
President

Committee on Education and Cultivation

Hunger Task Force

During 1983, the Hunger Task Force continued to function as a committee of the Education and Cultivation Committee, Board of Global Ministries. Its objective was to sensitize Boards and Agencies to hunger issues and concerns and to encourage the implementation of hunger-related goals. Serving on the Task Force are the following persons: representing the Board of Church and Society, Margaret Baker; the Board of Discipleship, the Rev. James Roberts; the Board of Global Ministries, Doris Phillips; the General Board of Global Ministries, Marie Brown; and members at large, Ralph O'Day, Milburn Hall, Linda Hardz, and Donald Lyon.

Survey of Churches and their involvement with hunger concerns: Through the Coordinated Mailing a survey of churches was conducted to determine the degree of our Conference involvement in programs or events designed to help alleviate world and national hunger. Fifty-three responses were received, evenly distributed between the four Districts. Information and comments on the responses helped set the Task Force agenda for 1983-84.

Conference Boards and Agencies: The Conference Boards and Agencies continue to be involved in hunger concerns either directly or indirectly. Several wrote Communicator articles relating their responsibilities to world hunger events or programs. Others participated in or sponsored educational events.

Board of Discipleship, Division of Worship: Members secured hunger-related worship resources for the Task Force and are developing additional resources for local church use.

Youth Council: Two districts had World Hunger as a District Rally Theme, sensitizing youth to hunger issues. Funds raised were given to REACH hunger programs.

Children's Council: The Children's Council included a Hunger Resource display in their November 5th Missions Festival, staffed by the Hunger Task Force Chairperson.

Board of Higher Education and Campus Ministry: Wesley College Chaplain and a student participated in Washington College alternate Lifestyle Dinner. The Board supplied Wesley College and other campus ministries with "Bread for The World" campus resource packets.

Board of Church and Society: Members continue to sponsor resolutions that impact hunger/poverty issues.

Board of Global Ministries, Education and Cultivation Committee: Through the Coordinated Mailing, the Committee provided information and resource materials on food closets, reporting of CROP walks, the UMOOR Fish Program, and the Hunger Special Appeal. In addition, helped provide resource packets for Hunger Interpreters.

In November, the Committee helped to plan, promote, and organize a one-bowl-Hunger awareness dinner scheduled for First Church, Chestertown. The speaker was to have been Clara Kearse, from the General Board. However, because of a small registration the dinner was cancelled.

Annual Conference: An offering of canned and packaged food was requested from each participant at Annual Conference. This was shared with the MAP food program in Wilmington.

The Communion offering at Annual Conference was \$800 and was given to World Hunger projects.

Grain Sharing Program: The Task Force initiated a grain-sharing program opportunity for farmers. Following plans used by some west and mid-west farmers, opportunity was given to local farmers to share whole corn with three developing countries, with Church World Service providing transportation and distribution. \$500 was received which was far short of the goal. However, the idea has been planted. Perhaps, another time, under different circumstances a better response can be generated.

CROP Accounting Plan: Following the lead of the Baltimore Conference, the Task Force developed a form enabling Peninsula Conference Churches to report their participation in CROP events to UMOOR. UMOOR credits the Conference for advance giving and returns the money to the CROP regional office. Eleanor Wilchynski of the CROP Regional Office reports that on the Shore, most CROP events are organized and heavily supported by United Methodists.

Society of St. Andrew: Two ministers and their families from the Virginia Conference have begun a unique project to sensitize persons to World Hunger. Through their own life styles, educational and food distribution programs, they are addressing World Hunger. One project involves locating non-marketable, locally grown foods and transporting these foods to distribution centers. Task Force members have been working with the Society in locating foods and distribution centers in the Peninsula Conference.

Hunger Interpreters: Through the leadership of Robert Smith, General Board of Global Ministries, and Eleanor Wilchynski, Church World Service, sixteen persons were trained as Hunger Interpreters. These persons are available to interpret hunger issues and concerns in local churches, in classrooms, workshops, dinners or in a variety of events.

Consultation on Hunger: On October 25th, Robert Smith, Special Consultant on World Hunger, met with the Hunger Task Force, the Cabinet, and Staff. Peninsula Conference has been selected by the General Board to receive this special consultant leadership and service. With Dr. Smith's guidance, plans were made for a concentrated educational event in 1984 with District follow-up.

Hunger Crisis Appeal: As a result of the October 25th consultation, a special three-month appeal, \$2.00 per member, was approved and initiated. Education and Cultivation and the Hunger Task Force planned, promoted, and monitored it and is to follow-up the special appeal.

Summary: World and domestic Hunger needs and concerns, instead of decreasing, seem ever to be on the rise. With increased response, with increased awareness, there is, because of weather, draught and economic factors, increased need. It is the hope of the Task Force that our Conference can continue to find ways to exercise its response to Christ's all-important mandate to "feed the hungry."

1985 Program Objectives

Hunger Awareness and Response

To sensitize Conference agencies to Hunger Concerns and encourage them to implement hunger-related goals.

Committee on Education

The Committee on Education and Cultivation was able to present to each local pastor in 1983, a notebook of Mission Resources with materials that will be helpful in the promotion of Missions in the local Church. In 1984 we will be providing additional material for the Mission Notebook for pastors.

The Committee was able to support and help with resources the Children's Council of the Conference in the Mission Fair for Children, held on November 5, 1983. This was a good opportunity for us to have some impact on a few of the children of the Conference churches, and to help them understand more about the Mission of the Church.

The Committee will be meeting before Annual Conference 1984 to plot the course for The Advance Specials for the next four years.

Division of Health and Welfare

In this bicentennial year of Methodism, when we, as a church, are reminded of the many aspects of our heritage, it is good for us to be reminded of the heritage which is ours, not only to claim, but to continue, in the area of health and welfare ministries.

Over the years, God's Spirit has moved the people called "Methodist" to reach out to others, especially those in need—the sick, the hungry, the homeless, the poor, the imprisoned, the lonely, and the mentally and physically disadvantaged.

Challenged by Jesus' statement, "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me," the people called "Methodist" have helped to advance God's Kingdom in loving ways from the giving of a cup of cold water, to the erecting of places of care for young and old. From small, seemingly insignificant acts of kindness, to the great ventures of faith, the ministries of health and welfare continue to meet human need through the local churches and institutions of our Conference.

During 1983 your Conference Division of Health and Welfare Ministries continued to be supportive of the on-going work at the Board of Child Care and Peninsula United Methodist Homes, Inc. Promotion of the annual offerings for these places of care continues to be a joint venture. Your Division urges every local congregation to be supportive of these annual offerings and the ministries they support.

On March 20-23, 1983 your Division chairperson attended the annual convention of the United Methodist Association of Health and Welfare Ministries in San Diego, California. This annual event enables your Division to hear of what other annual conference units of Health and Welfare are doing. In addition to the sharing of ideas, resource materials are displayed, and the business of the Association conducted. Your Conference is a dues-paying member of the United Methodist Association.

The 1983 Health and Welfare emphasis, "Women and Health," was promoted by providing information on this vital concern to the Wilmington District Ministers and Mates Association. It was the initial plan of the Division to be more involved with an extensive program for the district. However, plans were changed, and those who had planned such a program were not taken into consideration.

Your Division decided against holding a convocation on aging for various reasons. However, the funding for the convocation was re-allocated to support the "Ethnic Minority Task Force" of our Conference homes. This group is studying ways in which our Conference might better serve the needs of the aged ethnic membership of our church and area.

Finally, your Division undertook a survey of the health and welfare ministries being provided in the local church. This was done to discover just what is happening in this area in the local church. It was also done with the hope that seeds might be sown for other churches to become more involved in the helping and healing ministries of Jesus Christ.

As to the future, your Division is excited about the work ahead for the coming year. The prospect of new ministries, and the improvement of existing ministries will continue to challenge your Division to do its best.

As this report comes to a close, I would like to thank each of the members of the Division who have been so faithful in their attendance and work on behalf of our goals. I would especially like to thank Albert Moore who has served so well as secretary to the Division. New leadership will continue the work of health and welfare into our next century. We wish them well!

In thankfulness for the privilege of serving, your chairperson submits this report.

Board of Child Care

The Board of Child Care of the Baltimore Annual Conference of The United Methodist Church, Inc. was created by authority of the Conference, granted June 1953, to "aid, protect, care for the needs and welfare of orphaned, indigent, neglected and dependent children," from within the Baltimore or Peninsula Conferences.

Created in '53, the history of our Conferences in caring for children spans the century and includes works of Kelso, Strawbridge, and Swartzell. It is a history of change from orphanage to treatment-oriented group homes, foster care, adoptions, and services to unwed parents. Change demands flexibility, so that we might know the needs of children and respond thereto.

Therefore, the new service for adolescent girls, opened in October '82, is an established, vital part of the ministry of the Board of Child Care. Though they can only stay in this home for sixty days, body, mind and soul are given a wholesome surrounding in which to begin to recover from physical and/or sexual abuse.

Along with the ever-improving shelter care for boys, the Board of Child Care is increasing its effectiveness in foster care outreach in the District of Columbia. Also, the fifty to sixty residents at the main campus in Rockdale are responding well to persons who deeply care for them and know how to be of help to them. This year Chaplain Mary Jo Zimmerli has helped the boys and girls form a choir, and, we on the Board, who have heard them, have been blessed by their joy and enthusiasm.

Someone once said, "God loves each one of us as if there were only one of us to love." This is still true at the Board of Child Care as we begin our 110th year of service. This personalized love is not only one which nurtures and supports, it is also one in which each staff person feels a special responsibility to give the troubled youth some space, so that the youth can share with the staff lessons learned out of their experience. It is a two-way street in which youth and adult can offer and accept hope and healing to and from each other.

And we, the Church, can learn from that: through our gifts, prayers, visits, donation of time, we not only bless the child, the child blesses us. Love given to another is returned many-fold as the child matures and goes to make his/her life, not simply in the way of the world, but in the experience of love. Thank God for you, the staff, the Board, and especially, the child, who, at the Board of Child Care, dramatize the authenticity of Jesus's words, "Suffer the children to come unto me, for of such is the kingdom of God."

Peninsula United Methodist Homes, Inc. is committed to offer services and/or facilities to the aging without concern for race, color, religion, national origin or ability to pay.

GOALS

Planning for the future has been central in the life of Peninsula United Methodist Homes, Inc. since its beginning. Today's residents are benefiting from the fruits of such efforts undertaken during the past two and one-half decades.

In 1984, the Board of Trustees continued this tradition by adopting, after thorough analysis and input of ideas by all sectors of our organization, the ten corporate planning goals noted below:

1. Cost Containment - Operate efficiently, effectively and economically but not operate at the lowest possible cost by offering minimal service.
2. Reserves - Develop goals and standards for reserve funds which will insure the fiscal health of the corporation.
3. Employee Relations and Benefits - Develop these in order to attract and retain qualified personnel at competitive levels of compensation so we can maintain and improve our ministry with the elderly.
4. Development of the Endowment Fund - Place more emphasis on planned giving.
5. Public Relations and Marketing - Make the community-at-large more aware of our fine reputation for quality services; work continually to improve our overall program and to stay competitive with other service providers in our field.
6. Elderly, Ethnic Minority Services - Identify the needs of the ethnic minority elderly and then determine which needs PUMHI can appropriately meet.
7. Housing for Limited Income Elderly Persons - Work to develop this capability either within our present homes or in separate new facilities.
8. Development of Community Services - Work to provide:
 1. Assistance to churches in developing their ministries for and with the elderly.
 2. Programs, such as counseling, for the elderly and their families.
 3. Use of facilities and staff in community outreach programs.
9. Development of Present Facilities - Work to provide programs and services to enhance resident's lives to the fullest extent possible; such programs/services may include:
 1. Remotivation therapy.
 2. Social workers.
 3. Therapeutic recreation (activity programs).
 4. Physical and occupational therapy.
 5. In-house professional services: legal, medical.
 6. Spiritual life, chaplaincy program.
 7. Physical improvements and additions.
10. Closer Ties - Develop relationships with universities and other organizations involved in conducting gerontological research and in offering services to the elderly.

The above planning goals are not listed in any priority order; rather, they represent a comprehensive assessment of the major thrusts of PUMHI over the next several years.

NEW VENTURE POLICY

Always conscious of the prudence required in initiating new ventures in 1984, the Board of Trustees adopted a "new venture" policy. This policy sets clear criteria for undertaking new PUMHI projects or ministries that may follow from the implementation of the above-noted goals. Because it is necessary to view new endeavors within the context of their ability to strengthen the organization both programatically and financially, wisdom dictated that such criteria be employed. The new venture policy states:

An appropriate new PUMHI project or ministry will be:

- 1) in harmony with the PUMHI mission statement;
- 2) financially feasible;
- 3) based upon a demonstrated market need;
- 4) in cases of new projects or ministries beyond the existing facilities, accomplished without causing increased monthly fees for current PUMHI residents;
- 5) accomplished without negative impact on PUMHI's ability to sustain the quality of care of both residents and buildings;
- 6) accomplished without impairing the financial health of the corporation.

In summary, plans for the future focus on three overall points: (1) to work toward greater organizational visibility and financial stability; (2) to provide housing and community services for low and moderate income people; and (3) to be of greater assistance to local churches in their ministry with aging persons.

BENEVOLENT CARE

Today, 512 individuals reside at the Methodist Country House and Methodist Manor House. The Peninsula Annual Conference can find satisfaction in the fact that among these residents are 312 (i.e., 61%) who have indicated they are members of Methodist churches in the many communities served by our ministry. Worthy of special note is the fact that of this total, 8 are retired Methodist pastors, 16 are pastors' widows, and another 8 are members of pastors' families.

The commitment, which began in 1960, to provide life care for every resident, even in the face of the inability to pay the full cost of care, has never been stronger. Today 119 of the residents of the Methodist Country House and Methodist Manor House are paying monthly fees which are less than the full cost of their care. As a result, in the fiscal year ended April 30, 1983, the total cost of care (excluding depreciation and capital replacement) exceeded the total Monthly Fees paid by residents by \$815,000. For the Conference budget (calendar) year 1985, this deficit is estimated at \$441,000. The major reason for this reduction in the deficit from \$815,000 to 441,000 is that more residents will be paying the full cost of care or a higher percentage thereof. A portion of that deficit results from the fact that there remain some residents who entered our homes in the early 60's and now pay less than the full fee because their contracts limit fee increases.

While it might be argued that these most urgently needed subsidies totaling \$441,000 in 1985 are a proper measure of Conference responsibility, it is our long-held view and practice to see our ministry as one shared with the community-at-large. Therefore, once again, we seek support from the Conference on a basis that also reflects a sharing of responsibility.

We would focus Conference concern, then, on the 19 residents at the Methodist Country House and Methodist Manor House whose incomes and total financial resources

are so limited that financial assistance is required to enable them to continue living with us. Although subsidies will range from less than 1/3 to more than 2/3 of the cost of care, the average will be approximately 1/2 the total cost of care. In 1985, our projections indicate that the cost of care for these 19 neediest residents will total \$118,700.

Our request for 1985 Conference budget support to aid financially needy residents of the Methodist Country House and the Methodist Manor House is \$118,700 (reduced by an estimated Mother's Day Offering of \$18,700), or a net total request of \$100,000.

In relation to the 1984 Conference Budget, we note that \$100,000 constitutes but 3.1% of the total budget. (We would estimate that this sum will represent less than 2.9% of the total budget ultimately adopted for 1985)

For reference and comparison purposes, the Conference Benevolence Budget support of this ministry to the aging in prior years has been:

| | | |
|------|-----------|-----------------------------------|
| 1975 | \$100,000 | (5.6% of total Conference Budget) |
| 1976 | 100,000 | (5.3% of total Conference Budget) |
| 1977 | 50,000 | (2.4% of total Conference Budget) |
| 1978 | 79,000 | (3.6% of total Conference Budget) |
| 1979 | 82,000 | (3.4% of total Conference Budget) |
| 1980 | 84,000 | (3.3% of total Conference Budget) |
| 1981 | 94,500 | (3.5% of total Conference Budget) |
| 1982 | 84,500 | (3.2% of total Conference Budget) |
| 1983 | 95,000 | (3.3% of total Conference Budget) |
| 1984 | 100,000 | (3.1% of total Conference Budget) |

In more than 24 years of ministry, Peninsula United Methodist Homes has offered skilled, concerned and loving care to over 1,200 elderly men and women at the Methodist Country House and the Methodist Manor House. In that time, no resident has ever had to leave because of an inability to pay the full cost of care. Caring friends throughout the Peninsula Annual Conference, together with those in the community-at-large, have faithfully provided the support needed to continue this ministry. Because of this, all residents have the peace of mind that comes from knowing they will always be cared for—no matter what happens. Conference benevolence support in 1985 of \$100,000 will enable that commitment to be continued for all of those residents who have entrusted their lives to our ministry of care.

Division of Missions

Your generous support of the apportionment process and second-mile giving such as the REACH Program, has enabled the Division of Missions to provide help, in the name of Christ, to large numbers of individuals and congregations in rural and urban areas. Our top priority continues to be Strengthening the Ethnic Minority Local Church. As indicated in the following committee and agency reports, much was accomplished this past year, but there is so much more that needs to be done. One major need is to replenish the now-depleted revolving loan fund which has been depleted because of the many new parsonage and church developments in recent years. It will be quite some time before major loan repayments can be expected. In the meantime, we need to find other major sources of funding if we are to provide significant seed money for development within existing congregations and if new church development is to be a priority.

Committee on Congregational Development

The Committee on Congregational Development. What is its purpose? Perhaps two-fold. One purpose is to encourage and support existing congregations in the realistic development and improvement of their church facilities. The end toward which this work strives is to provide a more comfortable and functional church

building for the expanding work of the Kingdom. The second purpose is to search for and help in the development of new congregations where a United Methodist presence would make the Gospel visible.

Even in a year that saw a change of leadership, this Committee continued in its stated purpose by giving assistance and encouragement in the following ways:

| | | |
|------------------------------------------------|-------|----------|
| Wesley U.M.C., Stockton, MD | | |
| Church repairs----- | Grant | \$ 5,000 |
| Kirkwood U.M.C., Kirkwood, DE | | |
| Property acquisition for church expansion----- | Grant | \$ 5,000 |
| Union U.M.C., Bear, DE | | |
| Property acquisition for relocation----- | Grant | \$ 5,000 |
| | Loan | 5,000 |
| Harbeson U.M.C., Milton, DE | | |
| Church repairs----- | Grant | \$ 500 |
| Moore's Chapel U.M.C., Elkton, MD | | |
| Church addition----- | Grant | \$ 5,000 |
| St. Paul's U.M.C., Wenona, MD | | |
| Rebuilding burned-out church----- | Grant | \$ 5,000 |
| Bethany U.M.C., Newark, MD | | |
| New church----- | Loan | \$ 5,000 |
| Friendship U.M.C., Snow Hill, MD | | |
| New educational wing----- | Grant | \$ 5,000 |
| Rockawalkin U.M.C., Hebron, MD | | |
| New educational wing----- | Loan | \$15,000 |
| St. James U.M.C., Westover, MD | | |
| Church renovations----- | Grant | \$ 5,000 |

In addition to financial support given these, we continue our support of the new Ocean Pines congregation. And at the time of this reporting, studies are underway for the development of one new congregation, the union of three small congregations, and the rebuilding of an existing church.

In the area of parsonage improvement, plans are underway for the replacement or extensive repair of six parsonages. These include two parsonages on the Salisbury District, two on the Easton District, and two on the Dover District. It is obvious that needs will far exceed available funds. But you can respond to these needs by the repayment of loans your church has received in years past, or by designating your REACH dollars for Parsonage Improvement or Congregational Development.

Funds granted are as follows:

| | | |
|----------------------------|-------|----------|
| Whatcoat U.M.C., Dover, DE | | |
| New parsonage----- | Grant | \$ 5,000 |

James W. Riley
Chairperson

Addendum: Forms for requesting funds from the Board of Global Ministries may be secured from the Rev. James W. Riley, 1112 Mt. Hermon Road, Salisbury, MD 21801. The completed form, with all signatures and the approval of the District Board of Church Location and Building attached, must be in the hands of the Congregational Development Committee at least thirty (30) days prior to any action being taken. Requests for funds will be considered at regularly scheduled meetings of the Conference Board of Global Ministries. A schedule of these meetings can be obtained by contacting the above chairperson.

Town and Country Committee

The Town and Country Committee is now organizing to be more effective in working with the emerging cluster congregations and to help organize the laity and pastors of similar clusters for mutual support. Assistance was given to the new West Sussex Parish, and committee and Conference staff members were sent to a national training event which provided new directions for the purpose and work of the committee. At the present time new leadership is being cultivated as the committee moves into the new quadrennium.

Urban Work Committee

The Urban Work Committee is pleased to report that we will be significantly involved in developing an "Urban" Strategy for Salisbury, Maryland. This is the first time that major efforts have been established outside the Wilmington District. The process is as follows:

URBAN STRATEGY DEVELOPMENT IN SALISBURY

I. The Product to be Produced:

- *Over-all identification of the key areas of need for mission and ministry within the city of Salisbury;
- *Identification of the major resources the denomination can bring to bear upon those needs, with priorities for efforts to mobilize the resources;
- *Clear identification by each church in the city of its specific responsibilities in mission and ministry;
- *At least initial strategy adopted by each church to meet its specific responsibilities;
- *An articulated strategy for the denomination's work in the city, linking the plans of the congregations and the plans of the denomination.

II. The Process to be Used:

- A. Review of process with leaders, coaching on their needed roles to complete the various tasks involved, identification of needed amendments to make the process fit the specific circumstances of the city involved.
- B. Development of a Preliminary Strategy Overview:
 - 1. Hearings with key groups that would have information and/or concerns to inform strategy development (a series of group meetings of about two hours in length to which participants are specifically invited):
 - a. Pastors and other staff of churches
 - b. Key lay leadership
 - c. Ecumenical contacts
 - d. City/community leaders
 - 2. Additional data-gathering, e.g., community agencies, government offices with planning functions, business and academic data-gathering and planning offices.

3. Preparation of preliminary report on strategic indications from the hearings and other data-gathering.
 4. Review Session(s). Report distributed to people who were invited to the Hearings, with invitation to a review session (two may be held if a commonly convenient time is not possible). At the session, the consultant will gather reactions to the preliminary report and any additional information and/or strategic potentials surfaced in the Review Discussion.
- C. Local Church Self-Studies/Strategy Development
1. Presentation to pastors and lay leaders from the churches on the self-study/strategy development process, and training of them to conduct the process in their churches (including use of any earlier data-gathering or strategy development work done in their church).
 2. Data-gathering by churches.
 3. Review of all materials gathered by church, identifying strategic implications and potentials within the information gathered.
 4. Administrative Board and/or other key leadership group meets to consider the implications of the self-study and its interpretation for the future direction of the church.
- D. General Direction-Setting for Denomination Strategy in the City and Its Environs:
1. Each church submits its preliminary strategic plan, based on the information it has gathered.
 2. Use these results of the local church work and any other additional relevant information that has surfaced since the preliminary report was prepared to re-write the report as a report suggesting action for strategy by the denomination and its various churches.
 3. Joint review session by the leadership of all the churches involved, perhaps augmented by others who had participated in the original hearings. Local church reports will be distributed in advance to prepare for the meeting. The session should be planned for a full day to permit time for churches to identify ways in which their plans may need to be modified in light of the plans of other churches, to identify the action and strategy directions made manifest by the various studies, to identify ways to facilitate cooperation and coordination for mission and ministry among the churches, and to set priorities for concentration by the District and Conference in their strategy, program, and personnel planning.

Methodist Action Program

In 1983 the Methodist Action Program embarked on a most significant venture. We, through the use of our consultant, the Rev. Dr. William Ramsden, created a United Methodist Urban Strategy for Metropolitan Wilmington. This strategy had three components: implications for the local church, strategies for MAP, and finally, areas of mutual concern.

What evolved for MAP, out of this process, was the creation of a new concept called MAP Ministries. These are programs offered directly by MAP. MAP ministries

will be a more conscious attempt to support local churches as they respond to current issues. The MAP Board is creating this concept realizing that the problems are too great for any one church or MAP to deal with in isolation.

These Ministry Modules include:

- 1) RAP. Re-developing this program, (Racial Attitudes and Perspectives), and making it available to the churches of the District.
- 2) HOUSING. Coordinating with other concerned and active groups, identifying gaps in housing needs, and seeking creative responses to those gaps and to opportunities for cooperation.
- 3) ECONOMIC DEVELOPMENT AND UNEMPLOYMENT. Seeking to help unemployed Wilmington people, and to create support for new business development in the inner city. The food cooperative may be one component of such economic development.
- 4) EMERGING NEEDS. Taking action in seeking information involving emerging needs in: emergency care, health, pornography, and gambling.
- 5) HISPANIC MINISTRY. Facilitating development of a new congregation, and service of community needs in the Wilmington Hispanic community.
- 6) OLD ASBURY MINISTRY. Using the unique location of the building as a bridge between new affluence and old poverty, and as a location for responding to the commercial core of Wilmington.
- 7) YOUTH MINISTRIES. The 1984 Summer Mission project will be to renovate the former Harrison Street parsonage into the Hispanic United Methodist Church Center.
- 8) EMERGENCY ASSISTANCE. Providing food, clothing, and emergency assistance to the poor.

In addition, let me report that MAP is funding the following Missional Projects in 1984:

- * Newark-Korean Congregation
- * Brandywine-Trinity UMC
- * Haven UMC
- * Mount Joy UMC
- * Emmanuel Dining Room
- * Latin American Community Center
- * Wesley Foundation
- * Food Conservers
- * Drug Prevention Programs
- * Faith in Action (Cecil County)

Neighborhood House, Inc.

1983 Theme: Working Together - Community, Agency, Church

The year was marked by change and growth at Neighborhood House. We have become increasingly aware of our interdependency within the agency in board-staff relationships as well as with the church and community. Although the agency was granted full membership in United Way, the principal focus of our mission support remains The United Methodist Church, corporately and individually.

As members of a special task force spearheaded by the Methodist Action Program we helped define and develop an urban ministry for Wilmington. We see this as an exciting and vital element, aligning mission and ministry.

Mid-year, we began the process of selecting a new executive director. After 19 years of service, Mary White chose a well-deserved retirement in November. From a field of many well-qualified candidates, Wayne Brown, former Board President and long-time volunteer at Neighborhood House, was our choice. Wayne brings people and program skills which, combined with dedication to our mission, will enable our agency to continue to move ahead.

Neighborhood House Child Care Program rebounded from its financial problems and is again on a firm basis for nurturing young minds and bodies while parents work or attend school or training programs. Community and church volunteers assist in this year-round service. Summer day camp, Pecometh camperships, vacation church school, tutoring, 4-H Club, college/career readiness program and assistance with summer employment were provided. 659 youth were helped by these 8 programs, 44% of them new participants.

Neighborhood House Thrift Shop, which opened on B Street and New Castle Avenue in June, has grown far beyond the highest hopes. A REACH grant pledged first-year operating expenses, reinforced by a repayable loan from Methodist Action Program. This provided the financial security to launch the project. Already proceeds have doubled and more than 50 customers are served weekly. Along with a staff manager, community and church volunteers share sorting of clothing and selling tasks. Churches coordinating the project are Aldersgate, Coleman, Ezion-Mt. Carmel, Mt. Joy, Peninsula-McCabe, and St. Paul's.

In the REACH Project, church groups devoted summer days to renovating the house at 516 New Castle Avenue. In a joint venture by Neighborhood House, 10 churches and the Methodist Action Program, this dilapidated house was bought, renovated by volunteers, and goes to settlement in February, 1984 for \$16,000 to a low-income family. Another phase of the housing program provided five renovated houses which were sold to moderate-income families. Housing counseling brought the total persons served to 200. Owner-occupied housing increases stability in the community.

The Unemployment Center opened in July, offering guidance and counseling to the newly-unemployed of the area; sponsored by United Way it served 138 persons.

Community Beautification and Gardening is a popular and well-established program that celebrated its 10th anniversary with a luncheon in August. Well-known civic leaders presented awards to community winners in a number of categories. 88 vegetable and flower entries were judged. In another significant program, Neighborhood House contracted with South Wilmington Community Council to provide for community planning and development.

In working to strengthen family life, the crisis alleviation program helped families address problems that affect their lives: emergency food vouchers and cold weather emergency funds were provided to clients in need, 394 in all.

1983 was indeed a year of change and growth as these program highlights indicate. Neighborhood House, acting as an agency related to The United Methodist Church, has increased and strengthened its involvement in the life of South Wilmington.

We ended the year with a balanced budget. United Methodist support in talents and gifts came from National Division, Conference Division of Missions, United Methodist Women, United Methodist Men, Church Advance Specials, REACH, and Church Groups. These contributions represented 21% of our total 1983 income. Requests, memorial gifts, and gifts from individuals through the Peninsula United Methodist Foundation were received during 1983 representing 9% of income.

Our mission, of course, would not be possible if it were not for the support of our many loyal friends. Whether representing a church, church group, or whether time, talent, tithes are given individually - together you make it all happen. From all of us here at Neighborhood House and from those who experience our presence through direct service - Thank You!

Isaiah, referring to the right observance of the fasts said, "Is it not to share your bread with the hungry, and bring the homeless poor into your house; when you see the naked, to cover him ..." (Isaiah 58:7). This is the essence of the mission of Neighborhood House. Working together - community, agency, church - we will continue to grow and serve.

Pay mortgage payments on behalf of Mt. Joy Church, agreement between general church and Peninsula Conference started in 1973 due to expire in 1992.
5. Korean Congregation
To assist in the development of the Korean Congregation at Newark, Delaware. Continuing Conference support.
6. West Sussex Parish
Program money for the functioning of this cluster of churches and their program director. Specific purchases are approved through the Division chairperson.
7. Leisure Ministries
Funds to help support summer cooperative ministries, and to explore and fulfill funding needs for various types of summer ministries in resort areas of the Conferenc.
8. Rural Ministries
To provide ministry in rural areas, especially with extremely poor minority persons.
9. Urban Ministries - Wilmington Area

12. Parsonage Improvement
Repair or replacement of the worst parsonages in the Conference. Revolving loan fund for congregational development and parsonages is depleted. If we do have funds left over - the loan fund should be restored.

13. Bethany Church, Sinepuxent, Maryland
Grant toward relocation. We promised them \$20,000, but are forced to give it over a four-year period in \$5,000 installments because of a lack of funds.
14. Mortgage Relief
To help a local church get out from under the burden of excessive mortgage payments that are crippling the program of the local church.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

"Church and Campus - An Essential Evangelism," a general church program emphasis for the current quadrennium, continued to set our agenda for 1983:

1. To promote and strengthen existing relationships of the Annual Conference and local churches with United Methodist universities, colleges, campus ministries, and students.
2. To expand United Methodist involvement in higher education and campus ministry.

1983 was a year of transformation and strengthening of our campus ministry presence at the University of Delaware. As indicated in our 1982 report, changes in the structure and nature of United Campus Ministry at the University of Delaware created a situation in which it became clear that United Campus Ministry could no longer function as a viable and effective campus ministry instrument for United Methodists. Sincere efforts were made into 1983 to negotiate and resolve these problems. But when these did not succeed, the Board felt it necessary to recommend to the Annual Conference that we withdraw from participation in United Campus Ministry and create a new Wesley Foundation at the University of Delaware. Further, it was recommended that we press for the dissolution of the Twenty Orchard Road Foundation and, thereby, recover our assets in UCM. These recommendations were approved by the Annual Conference.

Subsequently, we have achieved the dissolution of the Twenty Orchard Road Foundation and the recovery of our assets. A Wesley Foundation has been established at the University of Delaware and is beginning to experience growth. A Wesley House has been purchased at 131 Delaware Avenue, Newark, to provide a base of operation for that ministry.

This year the board saw to it that communication information was provided concerning our college and campus ministries through the Communicator mailings and other media. In addition, at the request of the Hunger Task Force, "Bread for the World on Campus: A Resource Kit" was purchased and distributed to our various campus ministry units.

Preparations began for providing two Conference merit awards for students from the Peninsula attending United Methodist colleges or universities. This is a program initiated by the General Board of Higher Education and Ministry and funded through the United Methodist Student Day Offering. Ten percent of what each Conference gives is returned to that Conference for use in this program.

As the current quadrennium draws to a close and we look to a new quadrennium beginning in 1985, the Board of Higher Education and Campus Ministry looks forward to its part in meeting the challenge to assist all persons in higher education settings to discover and to fulfill their faith and vocation in Jesus Christ.

Harvey Manchester, Jr.
Chairperson

1985 Program Objectives

1. Connecting Students to Campus Ministries: To secure names and colleges of students from local churches of the Peninsula Conference and put them in touch with U.M. campus ministries at their schools.
2. BHECM/Wesley College Strategy Session: To develop a strategy to strengthen the BHECM/Wesley College relationship in the new quadrennium.
3. "Communicator Series": To broaden awareness in the local church of each specific campus ministry offered by the Peninsula Conference. To be accomplished through articles in the Communicator.
4. Strengthening Ethnic Minority Campus Ministry Strategy Development: To create a quadrennial strategy for strengthening our campus ministries to ethnic minority students.

Wesley College

At the writing of this report, I am celebrating my first anniversary as President of Wesley College. It is a distinct honor for me to make the report of your church-related college to our college-related church. Since 1873, Wesley College has stood like a pillar of cloud by day and a pillar of fire by night—a lamp, beacon, and guide to the feet of all who have come to its doors to learn, to learn to think, to learn to feel, to learn to succeed without going to seed and even to learn to fail without being shattered. Now in its 111th year of service, Wesley College is a diverse institution of higher learning offering a variety of associate and baccalaureate programs. Private, and proudly church-related, Wesley is very much in the public service. All of the curricular offerings of the college have two emphases, namely, teaching persons how to earn a living and teaching them how to live a worthy life. You may be assured that Wesley College is unhesitatingly proud of its historic ties with the United Methodist Church. Indeed, we are devoted to celebrating our church-relatedness, and I can think of no better example of our commitment to our church ties than that of our religious life program.

As a church-related institution, Wesley recognizes its responsibility to encourage spiritual and moral development among students in an atmosphere that reflects the Judeo-Christian heritage of the school. Over the past fifteen years, the way in which this responsibility has been approached has drastically changed, with the religious orientation going from mandatory chapel attendance, through a period of expected participation in a variety of "relevance" programs, including religious ones, to a totally voluntary schedule.

Today our chaplain's office plans a series of midweek chapel services and special events utilizing a wide variety of resources—Protestant, Roman Catholic, and Jewish. Chapel resource persons are sometimes selected because of their demonstrated expertise in the religious dimensions of one of the College's programs, such as Nursing or History. Each semester, a special Religious Life Emphasis is sponsored, sometimes in cooperation with a particular academic division of the college. For over thirty-five years, the school has hosted a Jewish Chautauqua lecturer. On occasion, speakers provide special seminars or workshops for local clergy and church persons in conjunction with their visit to the campus. In addition to this programming, our college chaplain offers at least one ongoing Bible or topic study each semester as well as extending opportunities for individual counseling.

The Wesley College Christian Association and Kappa Chi, the honorary fraternity for potential Christian workers, develop their own programs of religious activities, service projects, presentations and community-building events sometimes in cooperation with other student organizations. W.S.C.A. also sponsors an off-campus retreat each semester. You may also be interested to know that after a hiatus of approximately a decade, a volunteer Chapel Choir was reorganized in 1980, and a Gospel Choir was formed in conjunction with the Afro-American Cultural Club in 1982. Today, our Religious Life Program is well recognized within this academic community, and well utilized by a growing number of Wesley College students.

The support of the Peninsula Annual Conference is vitally important to Wesley College. Such support continues to be important as the college attempts to establish a firm financial base for the years that lie ahead. Even though the Peninsula Conference allocation is a small percent of the proposed college budget for 1984-85, that contribution helps in three essential areas, namely, the chaplaincy program, scholarships for worthy students, and the support of meaningful programs. It is obvious that the United Methodist Church is a college-related church. It is the belief of those who create policy and administer the affairs of Wesley College that both the church and the college are enhanced by the strengthening of the ties that bind us together.

After a period of terrible financial crisis, Wesley is beginning to stabilize and that stabilization has been positively reported by the press and within the church throughout and around Delaware. The following action steps designed to retrieve Wesley College from certain financial disaster and collapse have proved successful:

1. A trustee of the college, a retired international business executive, was named trustee-in-residence and special assistant to the president of the college. This has proved very successful in fostering sound management practices, creating and implementing essential financial controls, and aiding to maximize institutional income.
2. Thirty persons from the top-heavy side of the institution (mostly administration, professional and support staff) have been permanently laid off during the past year. By this difficult but necessary step, salaries at the college were reduced by \$305,000 and fringe benefits were reduced by \$51,000.
3. The college reduced its cleaning bill from \$215,000 to \$110,000 and suffered little, if any, loss of institution cleanliness because, concomitantly, better and improved housecleaning supervision was realized.
4. Telephones were removed from residence halls and faculty and administrative telephone lines were, in many instances, consolidated to the end of enabling the college to reduce the phone bill from \$116,000 to approximately \$78,000.
5. A Student Retention Task Force was seated and through its efforts, the student attrition rate has been dramatically reduced.
6. The Admissions Office was given new leadership and the institutional advertising budget was significantly increased.
7. Once a month, the president reports fully and honestly to a forum of faculty, administration, professional and support staff. This informed constituency has become a very supportive constituency. Most persons at Wesley College now have a sense that they are participating individually, in institution building.
8. The President's Cabinet has been reconstituted. Wesley College is not the lengthened shadow of its chief executive officer. At Wesley College, we believe in the concept of presidency because informed decisions today require collective wisdom. Thus, the trustees, the President's Cabinet, faculty, administration, and students are now actively involved in strategic long-range planning for the college. Wesley recognizes that planning by piecemeal is death. Planning, strategically, is inventing the future, collectively and collegially.
9. Our resource development effort has been revitalized and is now most certainly road-oriented. At the writing of this report, we have 82% of our budgeted gift income for the current fiscal year pledged or in hand. Additionally, the Board of Trustees has authorized a multi-million dollar capital campaign for Wesley College. We anticipate that the campaign will be successfully launched in the coming fall.

In the meantime, the college is enjoying some full measure of success in the solicitation of advanced confidence gifts. Moreover, the Board of Trustees, in its wisdom, has selected a consultant in philanthropy to aid the development and the future success of the capital campaign. The consultant now retained by the college is Dr. Arthur C. Frantzreb of McLean, Virginia. Dr. Frantzreb is exceedingly well-known in higher education and philanthropic circles. His outstanding national reputation, coupled with his impeccable credentials and his splendid track record, should serve Wesley College and church-relatedness exceedingly well.

10. During this past year a blue-ribbon energy and maintenance watchdog committee has turned in a superior performance in resource monitoring and resource conservation. It would appear that in this coming fiscal year, the college might realize a savings of over \$30,000 in basic energy costs.

As is known throughout the church, Wesley College gained a 1.8 million dollar bank loan and the Peninsula Annual Conference of The United Methodist Church cosigned that note as guarantor. Since achieving the loan from the Wilmington Trust, the college borrowed 1.3 million dollars to immediately repay 1.2 million dollars of long-term college debts. Since that time, the loan indebtedness has been reduced back to a million dollars. Though the loan has been pulled more than once in amounts in excess of a million, the college has always successfully reduced it rather immediately back to one million dollars. The loan, gained from the Wilmington Trust, is a revolving line of credit for a period of 24 months—that period of time beginning last June 30. At the end of 24 months, the

loan converts to a classic term loan of seven years with a ten-year amortization. The current terms are interest alone on the "revolver" and then prime plus two percent plus a quarter percent bank service fee on the classic loan. The loan was achieved following countless hours of bank examination. Leaders of the Peninsula Annual Conference were instrumental in aiding the college during that period of examination. Since the achievement of the loan, the college has named Mr. Theodore Briggs, chief business officer of the Peninsula Annual Conference, to a chair on the Executive Committee of the college's Board of Trustees. Monthly reports are rendered to Mr. Briggs for his scrutiny. Additionally, each month the Wilmington Trust holds an on-sight examination of the fiscal affairs of the college. Thus far, the college has enjoyed virtually a "straight A report card."

The distinguished Board of Trustees of the college previously met only twice a year. That schedule of meetings has been changed. The Board of Trustees is composed of active and dedicated men and women who are sharing generously with the college of their time, talent, and treasure. The Board of Trustees, as a committee of the whole, will have met six times by the conclusion of the college's fiscal year, that year ending June 30. Moreover, the Executive Committee of the board of Trustees, composed of the chairpersons of each of the Board's committees, convenes with the president and members of the senior administration once a month. Those meetings are very productive and usually lengthy. The Board of Trustees no longer reports from the administration without accompanying documentation.

Obviously, Wesley College will likely be able to handle the terms of the Wilmington Trust loan once principal and interest payments begin because the college has saved hundreds of thousands of dollars by the measures previously described. Plus, the college opened this past fall with 27 students more than the budget was predicated upon; gained 40 Saudi Arabians for fast-forward English study; contracted again to hold the First Army's General Command and Staff College here this summer; opened one closed residence hall; cut its normal student attrition rate almost in half; brought suit to successfully collect tuition-in-arrears; went out for gift income; reaffirmed the importance of our historic ties to the United Methodist Church; projected, with considerable certainty, a ten percent increase in full-time students this coming fall, 1984; realized a 100% increase in student inquiries, thanks to an Admissions overhaul, and, put the president of the college on the speech circuit where the president

should be exceedingly active. All told, the college is currently serving the needs of over 1250 students, including, of course, our extension college and continuing education students.

We at Wesley College believe that what the minds of persons can conceive and believe, the minds of persons can also achieve with a positive mental attitude, dedicated work habits, and commitment to regular prayer.

In order to fulfill its ministry in higher education, Wesley College needs and unhesitatingly solicits the continued moral and financial support of the Peninsula Conference of the United Methodist Church. We earnestly invite the Annual Conference to continue to extend support to its college, that, cooperatively, the church-related college and the college-related church may continue to fulfill our ministry to those who desire to share the adventure of learning in a church-related setting.

BACKGROUND AND PROGRAM GOALS IN SUPPORT OF
THE WESLEY COLLEGE BUDGET REQUEST TO THE
PENINSULA CONFERENCE BOARD OF HIGHER EDUCATION AND
CAMPUS MINISTRY
FOR THE 1985 CALENDAR YEAR

The critical financial situation over the past few years at Wesley College has been resolved in the immediate present in large part by a significant act by the Peninsula Annual Conference—that of guaranteeing the College's major consolidation bank loan. That act was considered by the banking authorities as essential to the granting of the loan.

And that loan made possible by the Conference guarantee has enabled Wesley college to have a future. Now those who believe in Wesley College, whether within the institution or within the Peninsula Conference, are called upon to create an impressive future for Wesley College. One of the most critical aspects of that endeavor involves strengthening the relationship between the church and Wesley College. The Peninsula Conference Board of Higher Education and the Wesley College Ambassadors Task Force are working on a program to rebuild the bridges between the church and the College. A major thrust in that rebuilding process is the recruitment of more Peninsula Conference United Methodist students at Wesley College. Key to that is, of course, the provision of more student financial aid. Massive amounts of such aid are needed. A small portion of the amount needed will be provided through the Conference REACH Program.

The only large new item in this budget request is for \$40,000 in scholarships for Peninsula Conference United Methodist students. They are to be provided as follows: 40 scholarships of \$1,000 each, with 10 scholarships provided for students from each of the four districts.

The Support of the Peninsula Annual Conference Has Been Critical

As the parent body and corporate owner of Wesley College, the Peninsula Annual Conference has provided annual financial support to Wesley College. This financial support has been appreciated and has been critical to the life and continuation of Wesley College as a church-related college.

The dual pressures of declining student enrollment and inflation challenge church-related colleges to continue to offer academic programs of excellence in a caring atmosphere and to maintain fee structures within the reach of most United Methodists and others who would like to enroll in the College.

The financial support of the Conference has always been critical to the life of Wesley College. It continues to be so as the College attempts to establish a firm financial base for the years that lie ahead. Even though the Peninsula Conference Allocation is less than 2 percent of the proposed College budget for 1984-85, that contribution helps in three vital areas: the chaplaincy program, scholarships for worthy students, and the support of meaningful programs.

CHAPLAINCY PROGRAM

The chaplaincy program is designed to minister to the pastoral needs of the campus, both students and staff, and to provide leadership to the campus organizations in strengthening the religious life of the campus. This expense item of \$47,000 covers salary, housing, office expenses, and programs.

FINANCIAL AID

The scholarship request is for a total of \$95,000 broken down into five categories. These scholarship categories are: 1) Peninsula Conference students, \$40,000; 2) minority/low-income students, \$35,000; 3) nursing students, \$10,000; 4) students planning to enter full-time Christian service, \$5,000; and 5) dependents of United Methodist clergy, \$5,000. While financial aid funds do not directly support college operating programs, they do assist the College in a significant way. The additional tuition for the same one hundred (100) students that comes to the College either from family contributions or other financial aid sources is expected to total in excess of \$500,000 in 1984-85. The multiplier effect is wise stewardship of Peninsula Conference and Wesley College resources. Furthermore, the kinds of distinctly Christian programs supported by these funds could not be supported by governmental agencies. Coupled with the \$500,000 in governmental financial aid programs and the \$50,000 in College Endowment Fund scholarships, the Peninsula Conference scholarships help to keep attendance at Wesley College within the reach of United Methodist students across the peninsula. The increase in the financial aid request is in large part due to the cutbacks in federal financial aid funds.

DIRECT SUPPORT FOR PROGRAMS

1. The Associate Degree Nursing Program dedicated to the education of nurses engaged in direct patient care is an expression of the ministry of service to which a church-related college is committed. The \$40,000 is necessary to help cover the costs of the staff and program for this intensive training program.

2. For library acquisitions for the baccalaureate programs and other critical areas, an amount of \$15,000 is requested.

3. As the Ministers Continuing Education Fund is important to the professional growth of ministers, the professional development of faculty and other professional staff is essential to the maintenance of high quality teaching. To provide the funds needed to help the faculty in their professional development, \$10,000 is requested.

4. In order to meet the demands of a changing society new programs must be developed. Academic areas such as computer science, accounting, and allied health professions are examples of vital new programs that have been developed this past year. The amount of \$10,000 being requested, is to provide funds to develop and evaluate new programs.

5. A program of tutorial services for students with need for a little extra assistance is proposed with an estimated cost of \$10,000.

SUMMARY

To fulfill our ministry in higher education, Wesley College is diligently seeking to strengthen and nurture the relationship with the Peninsula Conference and local United Methodist Churches. Wesley College is proud of its heritage as a church-related college. Pride has been expressed in recent years by many in the fact that the United Methodist Church is a college-related church. It is our belief that both the church and the college are enhanced by the strengthening of these ties.

In order to fulfill its ministry, Wesley College needs the moral and financial support of the Peninsula Conference and area United Methodists. We earnestly invite you to provide that support as we cooperatively seek to fulfill our higher education and campus ministry.

Wesley Foundation, University of Delaware

"In gloomy times of bloody confusion
Ordered disorder
Planful willfulness
Dehumanizing humanity
When there is no end to the unrest in our cities
In such a world like a slaughterhouse —
Summoned by rumors and threatening seeds of violence
To prevent the brute strength of the short-sighted people
From shattering its own tools and
Trampling its own breadbasket to pieces —
We wish to reintroduce
God."

- Berthold Brecht
St. Joan of the Slaughterhouse

In 1984 the Wesley Foundation celebrates thirty years of ministry at the University of Delaware. Although 1983 was a time of change, reestablishment, relocation, and fluctuating circumstances, the Foundation, re-created in June, carried out a variety of meaningful ministries.

As the new director moved into his position January 1, 1983, a report compiled from input by local churches and campus ministries in the university community indicated that three significant areas of concern to United Methodism were not being addressed at the university by the church: 1) Racism, 2) Peace, 3) Economic Justice.

Beginning programmatic ministries, therefore, concentrated primarily on peace issues and economic justice during the spring, 1983, semester. Added to that ministry were worship and frequent Bible studies. Among the Bible studies were "A Revealing Look at the Book of Revelation," "How the Bible Came to Be," and "Women and the Bible."

In the fall semester a retreat Bible study on the Book of Revelation led by Daniel Berrigan, S. J., had a good attendance and proved to be so well received that a regular autumn Bible study retreat will be a continuing feature of the ministry.

Counseling, of course, remained a major ministry at the campus with both formal and informal counseling taking much of the campus minister's time. In the area of counseling issues dealt with included questions of faith, ethics, the relevance of the organized church, and moral commitment. Additional time was spent in assisting parents with students who had been co-opted by cults and aiding in the recovery of those students.

In numbers the ministry regularly contacted by newsletters some 1,200 students and through a short-run newspaper column in the university "Review" over 15,000 readers. That column will be a regular weekly feature in the newspaper in 1984.

Student participation in worship, study sessions, special lectures, discussions, and special programs ranged up to 25. With national campus ministry involvement by students in mainline denominations averaging about 3% the United Methodist effort at the University of Delaware in 1983 ran at about 1% with some events garnering 2% attendance. With the purchase of a house for a new campus ministry center it is expected that participation will double in 1984 with greater growth occurring in 1985.

In addition to work with students, the director also counseled faculty and staff in relationship to their personal and professional struggles. He also spoke, preached, or taught over 20 times in a dozen local churches, as well as teaching the theology course at the Easton District Lay School of Bible and Theology.

In response to a positive United Methodist presence at the university individual giving increased from zero to \$600 and local church giving increased from zero to \$200. In addition to this minor increase in giving to the ministry 1984 pledges include over \$400 plus \$1,500 in REACH pledges as of January 1, 1984 from local churches. Individual giving has nearly doubled in pledges for 1984.

The 1983 establishment of a new Wesley House affords the opportunity to offer regular programming including: Sunday evening fellowship suppers, Sunday evening worship and Holy Communion, Monday through Friday vesper services, Wednesday night Bible studies and Thursday night theological seminars. The budget has grown from \$42,000 in 1983 to a projected \$52,000 in 1984.

Vernon L. Schmid
Director

1985 Program Objectives

Major increase in request for funds from the Peninsula Conference of the United Methodist Church reflects several real needs.

1. Increased activity generates more participation and the need to be able to financially support more ministry.
2. Since the first two years of the Foundation's existence have and will be spent building up the ministry and its effectiveness the needs have not reflected the important area of responsibility agreed upon by the committee who selected the present director, the Conference Board of Higher Education and Campus Ministry (as represented by its president), the appointment cabinet representative, and the present director, i.e., the director of the Wesley Foundation at the University of Delaware shall serve as consultant and resource person to other campuses, local churches, and ministries established at other institutions of higher education to provide support, expertise in establishing new ministries, and interpretation of campus ministry.
3. The continuation of ministries originated as pilot projects in 1984 such as the "Partners in Mission" work-camp experience in Nicaragua.
4. A 6% increase in salary and support for the director who has had no increase since January 1, 1983.
5. Maintenance and support costs for the recently-established Wesley House.
6. The need for an administrative assistant to release the director for more ministerial work with students, faculty, and staff at the University of Delaware, as well as making more time available to other UM campus ministry projects, established and in the process of development at other campuses in the Conference area.

Wesley Foundation, Delaware State College

The Wesley foundation at Delaware State College seeks to minister to students suffering the trauma of separation from home, to those who are confused by numerous competing ideologies, as well as to students who seek deeper faith. In 1982-83 we sought to assist all persons in the academic setting in discovering and fulfilling their faith in Jesus Christ, to challenge students, faculty administration, and staff to join in intellectual inquiry and spiritual growth, to be a partner with the local church, nurturing the body of Christ, and to create a support group among students for dealing with the stress of campus life.

Wesley Foundation, University of Maryland Eastern Shore

The Wesley Foundation at U.M.E.S. continues to expand in scope and ministry. Its goals are the following:

- a) To develop Christian nurture for the entire U.M.E.S. academic community. This goal is achieved through such programs as Religious Emphasis Week, weekly Martin Luther King Bible Studies and Chapel Services, and Retreats.
- b) To develop a cooperative relationship between Church, Campus, and Community. Such programs as the Annual Christian Covenant Communion Service, U.M.E.S. College Day, and Black Religious Heritage Sunday meet this goal.
- c) To develop a strong cohesive fellowship on the U.M.E.S. Campus among the total academic community. This goal is met through regular pastoral counseling and special programs centered on fellowship.
- d) To develop training events for the recruitment and training of young Christian leaders. This goal is met through the Religious Research Documentation Series program.
- e) To develop the spirit of Ecumenism. This goal is met through the Wesley Foundation as it continues to work cooperatively with all religious groups, namely the Baptists and Catholics, to meet the spiritual needs of students.

We are very proud to have a large number of students who participate with faculty and administrative staff in our Wesley Foundation Campus Ministry. The Wesley Foundation Board of Directors, Campus Minister, and Wesley Foundation College Fellowship work together to plan and execute all programs.

Vaughn A. Johnson
Campus Minister

1985 Program Objectives

I. Support Of The U.M.E.S. Gospel Choir:

The general objective is to inform the Campus and Princess Anne community of the religious legacy of gospel music in the Black Church and its place in universal Christian Worship. It is also a connecting link between the school and church as well as a public relations item for the campus.

II. Religious Emphasis Week and U.M.E.S. Day:

The objectives of the activity are to continue to develop a Christian conscience at U.M.E.S. and to give exposure to Christian Mission and discipleship to students, faculty, and administration. The culminating event, which is U.M.E.S. Day, lifts up scholarships to needy students attending U.M.E.S. The Religious Emphasis Week will be done through daily religious seminars, nightly worship celebrations, and a culminating Sunday celebration called U.M.E.S. Day.

III. Religious Heritage Research Documentation Series:

The general objective of this program is to research and document our Campus Program Ministry from programs held by the Wesley Foundation and programs held by Campus Ministry to be used as later training and promotion events.

IV. Martin Luther King Bible Study Fellowship and Wednesday Chapel Service:

The purpose of the Martin Luther King Bible Study and Fellowship program is to sponsor a weekly Christian Fellowship at U.M.E.S. for discipleship and nurture. (Chapel on Wednesdays and Bible Study on Thursday nights)

V. Christian Leadership Conferences:

The objective is to sponsor students to attend Christian Leadership Conferences or be a sponsor of Christian Leadership Conferences for students to attend. The purpose of these Conferences is to give exposure to college students on major issues of concern throughout our world and national community and how young people can play an active role in shaping policy and providing leadership in dealing with these issues.

VI. Black Religious Heritage Sunday Service:

This program will sensitize the Church, campus, and community to the rich historical, cultural, social and religious contributions of black people to our social community. We will note the progress of black people in America and also the problems and issues that hinder that progress.

VII. Christian Covenant Communion Service:

The objective is to promote unity and ecumenism within the Church, campus, and community.

VIII. Wesley Foundation Spring, Fall, and International U.M.E.S. College Retreats:

The objective is to sponsor 3 weekends of personal spiritual reflection and contemplation for college students that a deeper sense of Christian call may be nurtured and developed.

Morgan Christian Center, Morgan State University

The past year highlighted all the pain and joy associated with life and growth. It has often been said in various circles, "no pain - no gain." This year held more than its share of pain, but there has also been a tremendous amount of

growth and gain. In addition to Sunday Services the Center's program agenda included the following:

Dr. John Sweeney's Mid-Week Musical Programs, University Prayer Band, Baptist Club Meeting, Music Department Student Recitals, South African Coalition Meeting, Democratic Club Meeting, French Club Program, Gerontology Program and Meeting, A.A. - Alcoholics Anonymous, Faculty Luncheons, Papers delivered by director to English Department, School of Social Work, and Honor Students.

These combined programmatic concerns along with frequent dialogues constitute small openings into the life of the community. Through the efforts of the Reverend Melba Varner (Student Pastor) and the director, faculty, students and staff worked together, and charted some concerns and delineated ways in which we could fruitfully develop programs to impact the life of the community.

The living meaning of these efforts and gains are taking shape in a number of ways:

1. development of a working relationship with faculty and students around program projects,
2. development of a working relationship with Counseling Program (Freshman Week, Seminars),
3. development of a working relationship with the Honors Program,
4. development of nurturing of relationships with the Chaplain's office at John Hopkins, Concerned Physicians for Social Action, and other community and church organizations.

These budding ties are essential if the Center's programs and ministry are to be expanded. During the course of the year the director and the student minister (Reverend Melba Varner) spent countless hours working to quietly improve the ties and outreach of the Center's ministry on and off the campus. The fruit of these labors was manifested as more and more persons committed themselves to participate in the Center's ministry. This process was a slow one. The direction was often unclear, yet, we were committed to the idea of developing a service of long-term programs that would be beneficial to the growth of those who are part of the community.

BOARD OF LAITY

At the end of this Conference year I shall have reached another milestone in my life which will conclude the responsibility and commitment I undertook two quadrennia ago. This is the last report I will be privileged to make to the Peninsula Annual Conference as your Lay Leader. Therefore, I will try to make it as explicit and yet composite as possible.

I would like to express my gratitude for the loyal support accorded me by all those who have given so freely of their time, talents, and means to a cause to which we have dedicated and desire to continue to dedicate our lives. I refer specifically to both Bishop James K. Mathews and Bishop D. Frederick Wertz, their cabinets, and those who have been associated with me on the Peninsula Conference Board of Laity.

The strong support of all the general programs relating to areas of special concern to the laity throughout the United Methodist Church by the laypersons of our Conference has provided me the opportunity to serve and represent you as president of the Northeastern Jurisdictional Board of Laity until December 31, 1984, and as president of the National Association of Conference Lay Leaders which will conclude on July 1, 1984.

The Peninsula Conference Board of Laity has been confronted with a number of challenges and opportunities in meeting our commitment in striving to relate itself to the Board of Discipleship in its various programs relating to the local church in the areas of education, stewardship, evangelism, and worship, with the purpose of strengthening our Christian discipleship.

During the past four years we have been privileged to take part in many outstanding highlights in the life of the church.

The Layman's Retreat at Camp Pecometh with one of these retreats directing its full attention for two days to Bishop Wertz and his cabinet was an experience worth repeating at least once each quadrennium.

Other highlights during the quadrennium were:

1. A continuance of the Conference Lenten Communion Breakfasts involving the attendance of men, women, and youth.
2. The successful District Laity-Clergy banquets throughout the Conference.
3. The Annual Conference Laity Banquets.
4. The successful promotion of each Laity Sunday - the second Sunday of October each year.
5. Participation in the Northeastern Jurisdictional Lay Assembly the third weekend of October each year.
6. The highly successful District Lay Speaking Training Sessions for First-time Certification and Re-certification.
7. Participating in the program of the Upper Room Prayer Ministry.
8. Supportive of the special services in recognition of Heritage Sunday which is co-sponsored with the Commission on Archives and History.
9. Participating in implementation of the new concept in the Lay Training
10. Workshops for Local Church Officers.

Finally, I shall always be grateful to my church for granting me a small place in the kingdom's work, but most of all to my God who has spared me and provided so abundantly in my behalf in the times when I have known great need.

I pledge my support and cooperation to my successor and only say that God loves him and I love him.

James C. Hardcastle
Conference Lay Leader

1985 Program Objectives

General Program of the Board of Laity

Promote the various programs of the General Church/Peninsula Conference through the services of the laity/clergy.

UNITED METHODIST WOMEN

God has moved among us and we can continually be thankful. There has been growth and development in new ways during the past year. Our goals were promoted through our women's newsletter and by each officer which led to completion of some and continuing emphasis on others.

The Spiritual Retreat in the spring was again a success led by Mrs. Norma Jo Walton and the Rev. Susan K. Kester, the Spiritual Resource person. The Executive Committee approved a recommendation to have 2 overnight Spiritual Retreats back to back in 1984 due to the growth and interest in the 3 years since they were started. This program deserves special recognition as it encourages women to grow spiritually, which is part of our purpose.

The United Methodist Women's newsletter called "The Enabler" has been printed semi-annually for 4 years and sent to each local unit for which we have an address. It will now be published quarterly and also offer the opportunity to all who care to subscribe. We are in closer contact and have better communication with women locally due to the reports and program suggestions.

We have opened the door to a new understanding of Inclusiveness. At our Conference Spring Event, 216 gathered to take another step regarding the Charter for Racial Justice Policies. Ms. Evelyn Fitzgerald from the General Commission on Religion and Race was speaker. Ten members of the Conference Religion and Race Commission led groups in discussion of our visions, barriers, programs, and dreams which were recorded, correlated, printed, and mailed to each local unit. It is hoped this report will be used to develop programs on Inclusiveness in all local churches. Through the day there was a sense of hope, love, and mutual regard as we wrestled with our oneness. We appreciate the leadership of the Conference Commission on Religion and Race.

The Annual Conference School of Christian Mission was held in July at Washington College, Chestertown, MD. It was the first year Continuing Education Credit for clergy was given. We are looking forward to this year again offering 1.8 credit to pastors attending the School of Christian Mission full-time. Certificates were given to all who attended full-time. The three studies were Luke: led by the Rev. Robert L. Thomas, the Rev. Dr. Marlene Walters, and Mrs. Sue Dabell. World's Uprooted: led by the Rev. Howell O. Wilkins and the Rev. Vaughn A. Johnson. Central Africa: led by Mrs. Josephine Merrill. The school started mid-afternoon with an early dinner to allow for renewing friendships, introductions, and more evening class time. The same plan will be used in 1984 in response to the women's recommendation. 172 attended with the special offering of \$250.00 given to the Women's Centennial Fund.

The Regional School of Christian Mission in June was attended by Conference officers and instructors which certified them for teaching at our Conference School. The 1984 school will be held July 12-15 at Salisbury State College, Salisbury, MD. Ephesians will be taught by Dr. Carroll Yingling, Jr., pastor of Catonsville United Methodist Church, Catonsville, MD, the Rev. Mrs. Mildred E. White, Minister of Visitation of Whatcoat United Methodist Church, Dover, DE, and the Rev. Gonzalee Matthews, pastor of Wesley Temple United Methodist Church, Salisbury, MD. Swords Into Plowshares: Visions of Peace will be taught by the Rev. Carroll A. Doggett, pastor of Calvary United Methodist Church, Frederick, MD, and Mrs. Dorothy D. Miller of Millersville, PA. Korea will be taught by Dr. Phares Harvey, United Methodist missionary appointed to the position of Executive Director of the North American Coalition for Human Rights in Korea in Washington, D.C.

A Christian Social Responsibility Interpretation Workshop was held in the spring at Drayton Manor for Conference and district officers conducted by two staff members of Women's Division. We were made aware of the need for study and understanding of many social issues in order to follow Jesus's teachings.

Three women attended a National Seminar in Chico, CA on "Economic Justice in the Faith Community." They were Mrs. Phyllis May, Conference Vice President; Mrs. Dolly Brittingham, Vice President, Salisbury District; and Mrs. Betty Stahl, President, St. Mark's, Stanton, DE. To continue the emphasis in our Conference the May 19 Spring Event theme will be "Women - How They Relate to Economics in the Christian Community." Further plans for Economic Justice understanding are being made.

The Fall Annual Meeting was held at Wesley Temple, Salisbury, MD with 276 attending. Ruth Prudente, Staff in Region, was speaker. Her talk was titled, "Who is in the Driver's Seat?" with Genesis 18:19 as scripture. A special mission recognition pin was presented to Mary White, Director of Neighborhood House, on her retirement. Recognition cards were given to all who completed the Reading Program this year. This is a continuing goal to grow spiritually, in social involvement, supportively, and globally through recommended reading. A pledge service was conducted with the acceptance of a 1984 pledge to mission of \$100,150. The installation service was conducted by the Rev. Ewart Hackshaw and Ms. Ruth Prudente, closing with the hymn of response, "Leaning on the Everlasting Arms," and the passing of the peace.

Officers met in December at Drayton Manor for evaluation, goal-setting, planning, and setting new sights for 1984. District officers training by Conference officers was set for a new time in early December, 1984 to include goal discussion in order to intersect more closely with the needs expressed by the districts and local units.

302 of 406 evaluations were received from locals with 10,825 members reported. The 1983 pledge to missions was 498,000. Our total Conference credit to Women's Division was \$4116,694 and 168 locals increased their pledge to missions for the new year.

Conference United Methodist Women have set 1985 as the year for the Centennial Celebration of women in mission. There are plans for recognizing past and present women of our Conference, a historical book, and a Spring Event to lift up our heritage, the present and the future. Conference and District Officers will be involved in a Financial Workshop March 8-10, 1985 led by Women's Division Staff in order that we can help locals better understand the work that can be done through mission.

Women are struggling with an effort to have a new image, recognizing our heritage but looking to what we can become. Our organization calls for a commitment from many in a personal way and from groups who, in turn, receive a sense of self, ability, and nurture. We will continue to search and strive for meaning in service as God leads us in all we do and we better interpret women's needs.

Alice Powrie
Conference President

Ministerial Education Fund

In the calendar year 1983, we were one of 12 Conferences across the church which paid its Ministerial Education Fund in full. We contributed \$143,762 to this fund, of which seventy-five percent was forwarded to the General Council on Finance and Administration and distributed to seminaries to subsidize ministerial education. The other twenty-five percent became a part of the operating budget for our board.

Scholarships

This continues to be one of the top priorities of our board, and the Reverend Dr. Bruce Cooke reports the following statistical data for the 1983 calendar year:

| | |

| Total Scholarships granted | \$23,000 |
| Number of students receiving scholarships | 37 |

If you are preparing for the ordained ministry and in need of scholarship help for the Fall Semester, please contact the Rev. Dr. Bruce Cooke, 102 E. Laurel Street, Georgetown, DE 19947, by July 15, 1984. Requests for scholarship help for the Spring Semester of 1985 should be made to Dr. Cooke by November 1, 1984.

Continuing Education

The Rev. Richard Stazesky, Peninsula United Methodist Homes, Inc., Suite 203, 4301 Lancaster Pike, Wilmington, DE 19805, chairperson of this program, reports that 19 pastors were given scholarship aid during the past year to help them with their continuing education. In addition to these individual scholarships, \$2,500 was given to Drayton Manor for Continuing Education Seminars. Such grants allow our clergy to attend these continuing education seminars at significantly reduced costs.

The Rev. Lawrence Wimbrow, Registrar for Continuing Education Units (C.E.U.'s), maintains a record of all C.E.U.'s reported by clergy in our Conference. All clergy are expected to do some continuing education annually and to earn 8 C.E.U.'s each quadrennium. Following is a profile indicating the number of C.E.U.'s earned and reported during the 1983 calendar year:

| | <u>No. of Clergy</u> | <u>No. of Clergy</u> | <u>Total C.E.U.'s</u> |
|----------------------|----------------------|---------------------------|-----------------------|
| | | <u>reporting C.E.U.'s</u> | <u>reported</u> |

| Easton | 66 | 13 | 64.5 |
| Salisbury | 62 | 8 | 22.5 |
| Wilmington | 69 | 13 | 43.7 |
| Special Appointments | 32 | 4 | 22.2 |
| Grand Total | 286 | 47 | 173.9 |

Candidacy

The Rev. Jonathan E. Baker, Candidacy Registrar, works specifically with those persons who are exploring their calling to the ordained ministry. All persons who are exploring the possibility of the ordained ministry meet with their District Committee of Ministry until they are recommended for probationary membership in our Conference. Once candidates are received on probation, they come under the

supervision of the Conference Board of Ordained Ministry. There are 16 persons in our Conference serving as Supervisory Pastors and working on a one-to-one basis with ministerial candidates.

Candidates desiring an appointment must attend the Local Pastor's Licensing School which is held during the summer. This year 13 candidates in our Conference attended this school.

Psychological Testing

All candidates for the ordained ministry are given thorough psychological testing before being ordained as elder in our Conference. The Rev. Dr. Edwin Thomas chairs this part of our work and coordinates the program with Dr. Adolph Angermeir who administers the psychological tests and gives a thorough evaluation to the board.

Counseling Elders

The Rev. Carolyn Swift chairs our Counseling Elder Program which is designed to appoint an ordained elder to work closely on a one-to-one basis with a person who has been received on probation. This program not only allows probationers to have someone to whom they can turn with practical questions, but also offers the opportunity for deepening relationships among clergy and developing a deeper sense of koinonia.

Service to Ministers

The Rev. Howard Evans is the chairperson responsible for this part of our work, and he should be contacted whenever anyone is seeking a change of status, such as retirement, sabbatical leave, special appointment, etc. Furthermore, this committee helps to provide guidance and funds for people who need general counseling or career counseling and evaluation.

Recruitment

The Rev. Charlotte Nichols chairs this committee and encourages those who are traveling near our seminaries to visit and invite students to consider serving in our Conference. Knowing that many people enter the ordained ministry from our local churches, the first Sunday in February has been designated as Ministry Sunday in our Conference. Pastors are encouraged to give emphasis to the ordained ministry on this day and to especially remember those who have entered the ministry from that congregation.

Other Business

During the year, our faithful Vice-Chairperson, the Reverend Widmon Butler, became disabled and had to resign his office. We express our warm thanks to Brother Butler who served with us. The board elected the Reverend Dr. Edwin Ellis to finish the Conference year as vice-chairperson.

We are grateful to our Conference Council on Ministries for including us in the program budget of our Conference. This is a step in the right direction, and it will help to make more money available for scholarships and loans.

There is a deep and growing concern in our board for the family members of clergy who are separating and/or divorcing. Often times, the mate of the minister finds himself/herself without a home, a church family, and other valuable support systems. Plans are being made to address this issue and to offer some specific ways to help.

An orientation retreat was held for all persons serving appointments for the first time in our Conference. The retreat, held at Drayton Manor on June 28-29, was attended by eight pastors and three mates. The program included introductions to the Conference staff, time with the district superintendent, and discussions emphasizing the parsonage family, spiritual formation, and clergy ethics.

One of the major programs that we sponsored this year was "Men/Women: Partners in Ministry." This event was held at two different locations at either end of our Conference to encourage the participation of all clergy. A total of 67 pastors, including all district superintendents, attended one of the two experiences. Hopefully, this program helped all participants to become more sensitive to men and women sharing together in Christian ministry.

Many, many thanks to all the members of the board who have worked so diligently to fulfill our responsibilities. A very special thanks to the Rev. Dr. Edward Wilkins who has served as our Conference Registrar for the past eight years.

1985 Program Objectives

1. Honorarium
This is paid to the Registrar for his/her work with ministerial candidates.
2. Orientation Retreat
This Drayton Manor experience provides an opportunity for orientation for all pastors serving for the first time in our Conference. They meet with Conference staff and other leaders.
3. Service to Ministers
To meet ministerial needs such as individual and family counseling, career guidance and evaluation, Day Apart for those serving beyond the local church, etc.
4. Counseling Elders
To yoke an ordained elder with each probationary member of our Annual Conference. This is for guidance and instruction.

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry is responsible for the Diaconal Ministers and for the certified professional workers of the Annual Conference. We have reviewed them and the recommendations of the Board are being made to the Annual Conference by the Registrar.

We are continuing to reach out to professional workers in our Conference and to encourage training towards certification. Toward that goal we have held a weekend retreat at Drayton Manor and a one-day workshop for all professional volunteer workers in the Peninsula Conference. These were quite successful and we plan to repeat them this year.

Robert L. Warner
Chairperson

1985 Program Objectives

1. Continue certification process.
2. Provide more publicity by participating in every college career day within the boundaries of our Conference.
3. Continue to develop a plan to provide some financial assistance to those seeking certification as professional workers in our Conference.

BOARD OF PENSIONS

The work of our Board this year has centered around three factors: disabilities, deficiencies, and delinquencies.

This year four ministers received disability payments through the General Board. This is one of the benefits in the Comprehensive Protection Plan of the new system. Because of this aid, our active ministers who face accident or sudden illness are not devoid of some financial support during the time necessary for their recovery and return to service.

In addition to these, there were 365 families receiving annuities under the Ministerial Pension Plan. The pensions paid to our 192 retired ministers show an average pension of \$2,580, with a median of \$2,170. The 173 surviving spouses had an average pension of \$1,827, with a median of \$1,482.

While funding for these annuities is developing a more secure financial foundation, the Board is quite concerned about the level of the annuities. It is to be regretted that some of our retired families are forced to secure food stamps and/or the generosity of churches and neighbors to meet current living costs. This should be a matter of deep distress to all of us.

In the last nine years, the Conference Average Compensation has increased by 69%. In that same period, our pension rate has gone up only 54.5%. Each one of us has many places to put every one of those increased dollars. Imagine, then, the concern and worry of those who must rely solely on their annuity. This disparity between what we get and what we give should cause some honest soul-searching.

We are pleased to report that our Past Service Rate does place our Conference in the required bracket where your future pensions will not be reduced. We shall be able to maintain our 12% contribution rate. Entering into the new program in 1982, thirty-five Conferences adopted the lower 9, 10, or 11% rates. Now many of those Conferences are adopting the higher percentages as well as making significant increases in their Past Service Rates.

As requested by the Conference, we are continuing to monitor the current pension payments of ministers and churches. To aid the churches in this beginning period of the program, the Board adopted a policy of assistance in difficult situations to help them get started. Only two churches have had to seek this one-time assistance. Their obligations were fulfilled by the Board. One Superintendent is regularly reminding his churches of their during-the-year delinquencies. This sometimes occurs because of delayed payments. This helpful act is protection for the ministers and enables the churches to catch up before the end-of-the-year deadline.

To get the information to you once again, the General Board has established toll-free lines to answer your questions on billing, balances, and benefits. These matters are handled at Evanston and calls to our Conference Board or Office can

I. TWENTY ORCHARD ROAD FOUNDATION - Resolution No. 4-01 on pp. 167 & 168 of the 1983 Journal mandated the trustees to work on the disposition of the Twenty Orchard Road Foundation Property. On June 2, 1983 at a special session of the trustees, the following resolution was unanimously adopted:

"Be it resolved that the Methodist-elected Directors of the Twenty Orchard Road Foundation (a Delaware corporation) and the Chancellor and representatives of the Peninsula Annual Conference of the United Methodist Church, Inc. press for and take any legal or other proper action deemed appropriate for the dissolution of the Twenty Orchard Road Foundation and the liquidation or disposal of the same to the three members of this corporation as set forth in the articles of incorporation of the said foundation."

William H. Revelle, Jr. and K. Thomas Everngam were nominated and approved to represent the trustees during the deliberations. We have received \$50,000 as a partial settlement from the sale of said property and have disbursed the same according to the directive of the Conference resolution.

II. REQUESTS AND GRANTS - Ebenezer UMC at Rockawalkin and Christ UMC near Salisbury requested contributions and they have received \$750 each from the Trustees' General Fund to be used in their new construction of ramps and restrooms for the handicapped. A request came from the Salisbury District superintendent, Ewart C. Hackshaw, for the Ocean Pines Community Church (United Methodist). The trustees agreed with the request in principle and will appropriate the sum of \$6,000 from the Pooled Income Estate upon request of the appropriate local church officials.

III. CHURCH PROPERTIES - The Williamsville Church Property (Griffith Church) has been deeded to the Williamsville Historical Society for the sum of one dollar. The Peniel Chapel Land, adjacent to the John Wesley UMC at Sassafras, Maryland located in Kent County, Maryland, has been deeded to the John Wesley UMC for the sum of one dollar. The Hynson Chapel Property on the Worton-St. James Charge in Kent County, Maryland is in the process of disposition, in accordance with pp. 202-203 of the 1983 Journal. The Epworth Church has been moved to Georgetown, Delaware by Mr. Nutter Marvel. A deed for the church property is being prepared by the Epworth Cemetery Association and the trustees, upon completion of the deed, will sign the church property to the group for the sum of one dollar. The Horsey's Grove Church (Dover District near Laurel) had a reverter clause in the original deed and the property is now under the supervision of Mrs. Lionel Hastings. Furnishings were sold for \$735 and the proceeds deposited in the general fund.

AREA OFFICE OF DEVELOPMENT

SUMMARY

Gifts received by the Foundation in 1983 were \$327,888. Income earned for churches, income beneficiaries, and institutions reached \$101,925.74. The majority of monies was designated for local churches.

Among the United Methodist institutions receiving designated fund were the Conference Board of Pensions, Conference Center, Ethnic Scholarships, Peninsula Homes, and Wesley College.

The Foundation received management fees of \$3,812.63 which were used in conjunction with budget monies to stimulate United Methodist giving. We now have 192 donor/prospects, a growth of 50. There were 6 local church programs and consultations conducted, 18 consultations with Peninsula Conference institutions

and 8 with conference staff. Revocable and irrevocable trusts now administered by the Peninsula Foundation on behalf of local churches and institutions total \$1,047,395.61.

OVERVIEW

January-December 1983

Our Goals are:

1. To help people.
2. To help people feel good about giving.
3. To help people give more effectively.
4. To help people plan their giving.
5. To help people learn what to give.
6. To help people know how much to give.
7. To help people realize they can give large amounts in the future even if they don't have the money to give now.
8. To help people understand the tax advantages of immediate, life income and deferred gifts.
9. To help people understand the importance of making their wills.
10. To help people understand the importance of planning their estate.

January 1, 1983 began the fourth year of the Area Office of Development (AOD) which gives oversight to the work of development in the Washington Area.

The Area Development Committee (ADC), chaired by Bishop D. Frederick Wertz, acts as an executive board to review and coordinate the program development of our two Foundations by:

1. Recommending and evaluating programs
2. Being informed about the work of development and the progress of the two Foundations.
3. Developing and recommending a budget to the Council on Finance and Administration of the Baltimore and Peninsula Conferences.
4. Whenever possible developing cooperative programs which will foster the work of development in the two conferences.

This program development is two-way—either Foundation can recommend program to the ADC. The ADC provides a forum for development ideas which will minister to the needs of families and churches in the Baltimore and Peninsula Conferences.

Remarkable growth has occurred since the Foundation was staffed by the AOD just 4 years ago. More than \$1-million in revocable and irrevocable funds has been received. In 1983 monies raised and/or distributed exceeded \$429,813. Received in 1983:

| Gifts: | \$ 327,888.00 |

| Total | \$ 429,813.74 |

Planning major charitable gifts is very time consuming. But the time is well spent. It builds relationships, develops skills and establishes competency.

The year 1982 broke all records for charitable giving in America, topping 1981's record-setting amount.

What will 1983 record for charitable giving in America? Can the records be met or topped? Charitable giving is usually two years behind the economy. This could account for records being set while the economy suffers a recession. And, as the nation moves out of the recession, charitable giving could show a decrease. Indeed, 1983 will be important to analyze when figures are available in July.

President's Task Force on Private Sector Initiatives

The President's Task Force on Private Sector Initiatives was created to encourage the private sector to use its talents and resources to satisfy community need, shifting responsibility from the government to the private sector. It has been estimated that charitable giving must increase three-fold by 1987 just to keep pace with projected loss of revenue resulting from the Economic Tax Recovery Act and budget cuts.

The Task Force endorsed a "mission statement" which included in its task:

1. Identify successful private-public partnerships and give them national recognition.
2. Encourage wider use of religious groups, businesses, labor unions, foundations and charities, and more creative use of expertise in volunteer training.
3. Promote formation of community partnerships and identify their needs.
4. Discover public obstacles to private incentives and recommend their removal.
5. Contribute to the development of public policies in all of the above areas.

The American Bar Association (ABA) worked closely with the President's Task Force. On June 6, 1983, the ABA sponsored a national Conference on Philanthropy and Financial Planning in Washington, D.C. More than 100 law firm senior partners and representatives from major universities, foundations, and charitable organizations attended. Our Executive Director, Richard Bailey, was invited to this Conference and had the privilege of attending.

The purpose of the Conference was to educate lawyers on the tax law as applied to charitable giving and financial planning and to emphasize how lawyers can help expand the role of philanthropy in society. Plans to follow up the Conference include an information retrieval system and continuing legal education courses for national and state programs. An ABA group to consider charitable giving on a continuing basis is also planned.

Private Sector Initiative Program

Following the Conference, Mr. Bailey wrote a Private Sector Initiative Proposal which relates to the President's Task Force and the ABA's concern. The proposal is for an executive development program to train two development staff by the Arkansas United Methodist Foundation and the Washington Area Office of Development through our two Foundations over a 12-month period. Supervision is by our Foundations and the trainees will be loaned to local non-profits (for example, Wesley College, Lovely Lane UMC, ecumenical Children's Home, Delaware Conservancy, Peninsula Homes, Board of Child Care etc.).

The Private Sector Initiative Program was approved by our Area Development Committee and the Arkansas United Methodist Foundation. Funding for the program has been received. Selected as executive development trainee is Mark A. Bailey, Dover, and Jim Howe, Little Rock. Cooperating with the program is the Episcopal Diocese of Arkansas. This program is serving as a pilot program for a \$3-million national grant for a Private Sector Initiative Program through our 50 United Methodist Foundations.

The Private Sector Initiative Program fully supports the goals of the President's Task Force and the ABA. It will serve as a "grass roots catalyst" to rally and train charities on a non-sectarian basis for effective philanthropy by:

- * Educating charities and professional persons in planned giving.
- * Creating planned giving resources.
- * Developing planned giving marketing programs.
- * Encouraging use of competent professional services.
- * Establishing a professional development training program.
- * Funding a program endowment.

Programs of Development

Original Program Goals

A Program to Educate the Local Church About Planned Giving

This program is continuing in both conferences. There has been good use of "Getting Started in Planned Giving." A number of churches in both conferences have held planned giving consultations. Planned Giving/Foundation Sunday (discussed later) is helping to introduce planned giving to members of our churches.

2. Housing For Retired Ministers

Baltimore Foundation has launched this program with Pensions and Conference Trustees. Reeder Memorial Home, Boonsboro, MD, has given a home adjacent to its property for this purpose. Peninsula Foundation is in the beginning stages of developing a similar program.

3. A Program of Wills and Estate Planning

This is to be funded under a grant for the Area, and is yet to be developed.

4. Promotion of Pooled Income Fund

Promotion of the Pooled Income Fund is progressing in both Conferences.

5. A Program of Cash Flow Management for Local Churches

Studies have produced no workable results yet. Last year it was reported that Mellon Bank and Baker Watts Co. were test-marketing a Cash Management program which might be available to churches in early 1983. A drop in interest rates postponed this program.

Planned Giving/Foundation Sunday

Planned Giving/Foundation Sunday (PG/FS) was observed September 11 in the Baltimore Conference. This year's theme is Gifts of Real Estate. Bulletin inserts were prepared and distributed. New this year is a MAP which introduces the theme and gives examples of how gifts of real estate may help a donor.

PG/FS is a way to introduce planned giving to a congregation. Its effectiveness depends on the use of materials. Over a cycle of seven years planned giving options are introduced to a church. The materials provide accurate information on how churches may present these planned giving options and encourage gifts to their church and other United Methodist institutions and programs. Projected themes are:

- 1984 Life Insurance Gifts
- 1985 Charitable Trusts
- 1986 Gifts of Personal Property

Direct Mailing Program

The Direct Mailing Program to encourage wills and bequests is in progress. Sixteen local churches, an increase of one, are using this program.

Foundation and Corporate Gifts

We have been studying foundation funding and corporate gifts funding. We can develop the resources and skills to allow time for writing of funding proposals. This could provide monies for development program in the Area and Conferences. In addition, we can help conference institutions and programs apply for funding.

Foundation Development Endowment Funds

Last year it was reported that both Foundations had approved in principle the establishment of an Area and Foundation Development Endowment Fund. The purpose of this Fund is to provide monies for the ministry of development through the two Foundations in the Washington Area.

After further study, it was decided that each Foundation should create its own Development Endowment Fund which would allow gifts for use in the Washington Area. Both Foundations approve identical trust agreements to create their Fund. These Funds will receive individual, corporate, and foundation gifts.

Investment In The Future

The 50-Year Fund "Investment In The Future" was launched at the 1983 annual conferences. This idea originated with Bishop Wertz to encourage churches to invest in the future generation. Gifts of money are accumulated in a fund, invested safely at the most beneficial available interest rate and compounded over the ensuing years to realize substantial — even unbelievable — growth!

For example, \$10,000 invested today at 12% could become more than \$31,000 in 10 years, \$170,000 in 25 years or \$2,890,000 —nearly three million dollars— after 50 years!

A flyer was produced for this program and a mailing went to all clergy and Administrative Board chairpersons. A number of inquiries are now being followed-up.

Lifetrends - A New Gifting Opportunity

We were privileged to assist in the planning of a new gifting opportunity. The new gifting program allows a younger donor to make a gift of life insurance to a college, or other charity, of a policy that takes advantage of current economic trends. Cash values, which could be used by the institution, quickly build up. Face value of the policy is \$25,000 - \$100,000. A vanishing premium concept makes its very attractive, as does an option to provide a college education for a surviving child. Our own Foundations can make use of this new gifting concept as can our institutions.

Programs and Consultations

There were 6 local church programs and consultations provided on site by the Foundation in 1983. In addition, there were eighteen consultations with Peninsula Conference institutions and eight with Conference staff.

Management Services

Revocable and irrevocable trusts now administered by the Peninsula Foundation on behalf of local churches and institutions total \$1,047,395.61. An investment committee composed of United Methodist persons from the financial community who work without remuneration, meets regularly. The Investment Guidelines follow.

The Investment Guidelines of the Foundation are printed in the 1983 Official Journal of the Peninsula Annual Conference, pages 291 and 292.

Recently these were discovered in the State Archives and they have been given back to the Conference Archives at Barratt's.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns has continued to support and encourage a spirit of ecumenical cooperation between our United Methodist Churches of the Peninsula Conference and their neighboring churches of all denominations. During 1983, we met at the University of Delaware to communicate our concern for a continuing spirit of ecumenism in our campus ministry there, even while reorganizing as a Wesley Foundation after withdrawing from the United Campus Ministry. We provided funding for Dr. Daniel Rich's attendance at the Seventh National Workshop on Christian-Jewish Relations in Boston, where he represented the National Conference of Christians and Jews, Delaware Region.

In the midst of the recent controversies surrounding the National Council of Churches and the World Council of Churches, we helped to host international delegates to the World Council's assembly in Vancouver, British Columbia, during their pre-assembly visit to the Peninsula and we heard post-assembly reports from Chip Wilkins, who was a United Methodist Youth delegate, and Dr. George Cora, the Executive Director of the Delmarva Ecumenical Agency, who was an official observer. We have made copies of the United Methodist Reporter's April issues analyzing the NCC/WCC controversies available through the Conference Office; and we presented a resolution offering our continued support for the NCC and WCC, and for a thorough review of their policies and practices by our United Methodist leadership, which was passed by our Peninsula Conference at its June session.

We again offered training for local church chairpersons, and made plans for improving our communications with local churches. We applaud local efforts in ecumenism such as the newly formed Lewes-Rehoboth Association of Churches, and the Talbot County Lay and Clergy Council, as well as ecumenical youth groups, Vacation Church Schools, community worship experiences and service projects, such as CROP walks and food closets. The Lay Academy of Brandywine Hundred, which holds its sessions at St. Paul's United Methodist Church, Wilmington, is another outstanding ecumenical project. If your local church is interested in ideas to promote ecumenism and interfaith understanding, please call on us. We are here to serve.

Chairperson

1985 Program Objectives

METHOD: Use first meeting of the new year for training, using Conference staff, and providing copies of Guidelines and other written material from the General Commission.

2. To train local church chairpersons and involve them in planning ecumenical emphases for our Conference.

METHOD: Involve District Secretaries in carrying out training/planning sessions on each district, using a uniform design planned by the commission. District Secretaries will provide follow-up.

3. To keep local church chairpersons well-informed about ecumenical concerns throughout the year, and encourage/equip their efforts in their own communities.

METHOD: At least one and perhaps two direct mailings to local church chairpersons, plus use of coordinated mailings.

4. To keep the commission and the Conference up to date on national and international ecumenical issues.

METHOD: Send a representative from the commission to the annual workshop of the General Commission or other similar event, and have the representative report to the Conference Council on Ministries and submit an article to The Communicator.

5. To promote more effective local ecumenical groups in the communities of our Conference.

METHOD: Work with the Delmarva Ecumenical Agency to plan a workshop for teams of clergy and lay persons from existing local ecumenical groups. The workshop will include the sharing of reports from successful groups and presentations on ecumenical issues and study topics. Promotion will be done through mailings from DEA and Communicator articles.

6. To administer the work of the commission efficiently and effectively.

METHOD: Meeting announcements, mailing of minutes to commission members, phone calls, photocopies, etc.

7. To continue our strong relationship with the Delmarva Ecumenical Agency and provide support for its many ecumenical efforts.

METHOD: Provide financial support and personnel from the Peninsula Conference as active members of the Administrative Board and Executive Committee of the Delmarva Ecumenical Agency.

DELMARVA ECUMENICAL AGENCY

One out of every three residents on the Delmarva Peninsula (310,000 of 936,000) is a member of the 15 denominations and Church Women United that comprise the Delmarva Ecumenical Agency. Of these 310,000 Christians, two of three live in Delaware and one of two live south of the "canal." Over the year, 12 of the 16 member judicatories were represented at one or more of the three board meetings and 11 of 16 at two or more of the six executive committee meetings. The presidential chair was filled successively by the Reverends Howard W. McFall, Jr.; Felton E. May; and Howell O. Wilkins, current president. The agency holds \$76,000 in assets and is operating within the limits of the \$72,000 fiscal year administrative budget. The ministry fund stands at \$21,000.

At a planning session of the board in May, priority among the twelve ministries, task forces, and cooperating organizations was established as follows: Resource Center, Food Conservers, Inc., Kent Ecumenical Food and Crisis Fund, Pacem in Terris, Eastern Shore Task Force of the Maryland Interfaith Legislative Committee, and Delaware Interfaith Legislative Network. A decision was also made to focus on local ecumenism. A Task Force on Local Ecumenism was established to give direction to this focus and projects were initiated in New Castle County, Georgetown, DE, and Salisbury. The Eastern Shore Task Force, mentioned above, was developed; the Coalition of Conscience was supported.

In other actions, the Faith and Order Committee was established with the Rt. Rev. William H. Clark as convener to address doctrinal dimensions of ecumenical concerns; an effort was instituted to broaden responsibility for the Smyrna Bus Ministry; the Hunger Action Task Force was merged with Food Conservers, Inc.; an increase in the number of correctional chaplains in Delaware was supported. In the Diocese of Easton, Bishop Moore retired and Bishop Sorge was installed.

In the world-wide ecumenical arena, several members of the board attended the Sixth Assembly of the World Council of Churches; and in preparation for that assembly, the agency sponsored a local visitation of four representatives of the World Council at 11 meetings around the peninsula attended by 316 persons.

In the office, Judy Berry, Janis Caryer, Elaine Stout, and George Cora feel 1983 was a year of growth as a team in facilitating ecumenical contact and activity on a day-to-day basis. Church mailing lists continue to be supplied to approved groups. New improved copy machines replaced the two old ones. Special thanks goes to Janis for engineering that improvement. Also, with the help of Judy, Janis will supply bookkeeping services in the future on a contractual basis rather than as a salaried member of the staff.

What are some specifics to look for in 1984? The Methodist bicentennial year - a Lenten program among four congregations of the Pike Creek Christian Coalition, Newark, DE - a statement on peace from the Faith and Order Committee - a workshop on ecumenism.

COMMISSION ON EQUITABLE SALARIES

The Commission on Equitable Salaries presents this report of its stewardship with a warm feeling because of continued progress toward providing fair compensation for pastors. The Annual Conference has a recognized need for clearer understanding of the distinction between actual salary and costs such as travel which are properly an expense of the church. The Commission commends those local churches which have demonstrated their concern by increasing cash salaries and by reimbursing travel expenses incurred while performing pastoral duties.

Historically, equitable salary budgets have been used almost entirely to undergird the Conference's minimum salary program. Modest amounts have also gone to pastors whose skills were needed in situations where the charges were unable to pay more than the minimum. The picture has changed. Along with the new pension plan came obligation to make pension fund contributions related to equitable salary supplements. Moreover, action of the 1981 Annual Conference led to a "minority pastor" fund, beginning with the 1982 budget. Now the Commission faces increasing requests for salary support to aid new church development or parish redevelopment. Such support came to 30% of the 1983 supplements but jumped to 48% of the 1984 requests. The Conference budget provides some funds to help with the "bricks and mortar" side of new church development, but there is no corresponding provision for salary support. The Commission is exploring with the Cabinet and others what commission or board should have responsibility and funds to deal with these requests.

Salary supplements totaling \$59,824 in 1983 from general equitable salary and minority pastor funds went to pastors in 33 charges, as listed below. Related contributions to the pension fund increased overall support to \$67,568.

Reports to Annual Conference in 1982 and 1983 discussed the substantial margin by which Peninsula's minimum salary fell below those in neighboring Conferences. The Commission is grateful, on behalf of pastors, that the Conference endorsed annual increases with the objective of reaching the average for others over a 5-year period. The Commission recommends the following action to narrow the gap:

RESOLVED, that the minimum salary (as defined by the 1982 Annual Conference) in 1985 for full-time Conference, probationary, and associate members be \$12,250.

RESOLVED FURTHER, that the minimum salary for student pastors be \$9,200, unless some smaller figure is agreed upon by the student, charge, and district superintendent as being appropriate for the work to be performed.

Conference policy calls for reimbursing pastors for miles traveled on church business. The Commission recommends retention of the current reimbursement rate and proposes the following resolution for adoption by the Annual Conference:

RESOLVED, that reimbursement for travel expense during 1985 shall continue to be based on \$.20 per mile for the first 15,000 miles of business travel and \$.11 per mile beyond 15,000 miles.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has been active in five areas during the Conference year. Summary reports of activity follow.

1. Monitoring. The Peninsula United Methodist Homes, Inc. is presently being monitored. The Commission expects to present a report at the 1984 Annual Conference session. Follow-up activities are proceeding with Wesley College and the Board of Ordained Ministry reports should be ready for this Conference session.

2. Education. The Dr. Martin Luther King, Jr. Celebration (January 21, 1984) was the Commission's first Conference-wide effort in education on Religion and Race concerns. It was well received by participants, and annual celebrations are planned. Mark January 12, 1985 on your calendar for next year's celebration. (White participation in the celebration was very small. The Commission shall encourage inclusive participation in these events.)

3. Open Itineracy. An on-going concern of the Commission is our Conference's refusal or incapacity to include cross-racial (Black/White) pastoral appointments in normal procedures. Government has pretty well handled this kind of concern, but our church, which specializes in love of neighbor and prophetic witness, is publicly unfaithful.

4. Covenant to Combat Racism. The 1983 Annual Conference included pastoral and lay covenants to combat racism. The Commission has recommended that a statement of affirmation and commitment be continued annually in the Communion Service that opens the Annual Conference session.

5. Follow-up on 1983 Resolutions. Resolutions adopted by the Annual Conference become the policy of the Conference. The Commission is again monitoring the implementation of the resolutions that it presented for consideration. The faithfulness of carrying out the policy of the Conference will be reported at the Conference session.

Cevert A. Lewis
Chairperson

1985 Program Objectives

1. Monitoring Committee
Examining Conference boards and agencies, commissions, committees and the governing boards of related institutions with regard to their inclusiveness in representation, program goals, and the implementation of their responsibilities.
2. District Organizing (District Secretaries)
To strengthen inclusiveness at the local level by encouraging dialogue and cooperation through election of local church Religion and Race Secretaries, and sub-district support groups.
3. Martin Luther King, Jr. Symposium
To bring King's views to the general church membership in order to sensitize the whole Church with regard to inclusiveness.

4. Affirmative Action - Ad-Hoc Committee

To draft an Affirmative Action policy and plan for the Peninsula Annual Conference.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission devoted the major portion of our resources and energies to the production of the play for 1983 Annual Conference. The play was written by Judy Lynn Mitchell, a member of Wesley Temple U.M.C. and directed by Della Dameron-Johnson from Salisbury State College. The performers were laity from the following churches in the Salisbury area: Asbury in Nanticoke, Friendship in Allen, Metropolitan in Princess Anne, Mt. Calvary in Fruitland, Mt. Zion on Polk's Road, St. Paul's in Mt. Vernon, and Wesley Temple in Salisbury.

The play entitled "Yester-Year's Women: Gone But Not Forgotten" emphasized the contributions of black women to the United Methodist Church on the Peninsula. The play, which consumed approximately 18 months of the Commission's time, became a reality during the Wednesday afternoon session of Annual Conference.

The Commission wishes to thank the office of the Secretary for Racial Justice and the Peninsula E.M.L.C. committee for their financial contributions to the play. Also, we wish to thank Commission members Betty Thomas and Omega Frazier whose efforts enabled the play.

The Commission also co-sponsored a clergy workshop on sexism in October. The workshop was held in Elkton and Salisbury and explored issues of sexism among the clergy.

One final project begun in the fall involved conversations with P.P.R. committees from churches with women pastors. These conversations were ways of sharing the good things that have been a part of women in the ministry.

As the quadrennium ends, several of us will leave the Commission having worked together 8 years. We thank every member of the Commission for sharing of their time and talents that our Conference and churches might be more fully inclusive of women. We especially appreciate the continued efforts of those who began with the Commission and worked through two quadrennia for women.

Susan Keirn Kester
Chairperson

1985 Program Objectives

1. To encourage Board of Laity to sponsor retreat for lay women
To provide program for lay women in a retreat setting.
2. To submit names of qualified lay women to Nominations and Personnel Committee
To make sure that Nominations and Personnel Committee have the names of qualified women for various positions open at the Conference level.
3. District workshops for Local Church Representatives concerning the need for equal rights legislation
To educate L.C.R. as to the need for legislative efforts on behalf of women to equalize their rights. Many women have not understood the need for legislative efforts.
4. To monitor progress of women in appointment system
To ensure equal treatment of clergywomen in our Conference as they move from initial appointments.
5. Monitoring inclusive language in Annual Conference activities
To monitor language used in Annual Conference programs to insure that the language is inclusive. Annual Conference should be a model for programming and should model the use of inclusive language so participants experience inclusive language in worship and other programs.

6. Articles affirming women in all careers
To support women in the various roles and careers they choose, including the homemaker as well as those who work away from home and those who choose professional careers.
7. Training for commission members
To provide for training of commission members in areas of specific concern. Training sponsored by the General Commission or other agencies is offered on a regular basis, but usually not announced before our budget is set.
8. Emerging Issues
Since our commission is planning in advance for a program of which many of us will not be a part, we felt that we had to allow for the new commission with new Quadrennial emphases and new issues to have some room for programming which they feel is important and appropriate.
9. Administration
Provide funds for communication and general activities of programming.

BICENTENNIAL COMMITTEE

I write in order to update the Peninsula Conference on plans and programs which have been developed in celebration of our 200 years as American Methodists. The theme of this Annual Conference is the theme of our United Methodist Church throughout this Bicentennial year: "Methodism, for Two Centuries Proclaiming Grace and Freedom."

The Conference Bicentennial Committee attempts to coordinate and promote activities and programs which all of our agencies and boards have developed in celebration of this anniversary. Our committee is indebted to the many groups who have planned significant celebrations, using funds from their budgets to make a variety of events happen. The Commission on Status and Role of Women, the Communications Committee, the Commission on Archives and History, the Chaplains office at Wesley College, the United Methodist Men, District Bicentennial Committees, the Conference Council on Ministries, the Conference Arrangements Committee, the Division of Worship, and many local churches have worked with our Bicentennial Committee in developing programs for this year. Other boards and agencies have made plans on their own and are to be commended for doing so.

I wish to give a special report on the activities that we have planned for this Bicentennial year. Thanks to the funding of the Conference Council on Ministries, we have published a book by William H. Williams entitled, "The Garden of American Methodism: The Delmarva Peninsula 1769-1820." This is the first in-depth study of its kind of Methodism on the Peninsula and we can be proud of having lifted up our history to the entire nation and all Methodism as part of our celebration of the Bicentennial. Books are available in hard-back edition for \$12.95 (an order form is available in your Conference packet). Much thanks is due to Bill Williams who is a professor of history at the University of Delaware, Georgetown Campus, and an active member of Wesley Church, Georgetown.

The Committee on Communications has sent a proclamation on the Bicentennial to mayors of cities and towns across the Peninsula and has secured radio spots to be used as public announcements on stations throughout our area. They are exploring the possibility of using television announcements lifting up our celebration of American Methodism and have maintained contact with the public media in order to gain as much coverage as possible.

In April of this year, the Commission on Archives and History published a tour guide of the Peninsula highlighting 39 sites of historical significance. Many thanks to George Caleb for his help on this project. A new history of Barratt's Chapel is soon to be printed under the guidance and supervision of Allen Clark, curator of the chapel and museum.

On Sunday, May 20th, Aldersgate Day, the Salisbury District held a celebration with Dr. Laurence Stookey and many church choirs as their guests. Similar district celebrations are scheduled for the fall, including the actual 200th anniversary of the meeting of Coke and Asbury at Barratt's Chapel on Wednesday, November 14th. Wayne Grier has chaired a task force to plan a gala celebration of the Bicentennial for this session of the Peninsula Annual Conference and music, banners, and slides of churches 200 or more years old will be featured.

Ed Thomas has chaired a task force working with the Delaware and Maryland Humanities Forums to secure funds for projects lifting up our history and our role in society. A series of 3 posters to be entitled "The Road to Methodist Independence" will tell the story of the development of Methodism on the Peninsula. Other prints and/or photographs of historical artifacts located at Barratt's Chapel museum are also being developed by this committee. A lectureship featuring a well-known contemporary theologian is being explored for 1985 as we examine the question, "Where do we go from here?"

Many commemoratives have been developed for the Bicentennial and Cokesbury has advertised these extensively. Our committee continues to sell a limited number of prints of Barratt's Chapel done by Helen Lucia, a well-known artist in our area. Our thanks goes to the United Methodist Men and to John Speake for this project.

On this past February 8th, 562 people attended two presentations of Lynette Bennett Danskin's "Susannah Wesley: A Monologue." These performances were hosted by Wesley College and Barratt's Chapel. That same performance was repeated at Wesley Church, Georgetown, on April 1st of this year.

The Conference Committee has recently purchased the script and music to a 1-hour program entitled "Strangely Warmed" and we have ordered a new film produced for the Bicentennial entitled "From the Word Go." The committee is also exploring the possibility of presenting a new musical play sponsored by the New York Conference entitled "1784: The People Called Methodists." More details on this will be available in the fall. In conclusion, I remind you that many programs and events have been developed by the national Bicentennial Committee, including a recent May 6th gala celebration held during General Conference in Baltimore. Both CBS and NBC carried broadcasts highlighting the contribution of women in our history and the Christmas Eve celebration at Lovely Lane United Methodist Church. The plans continue and every local church still has the opportunity to develop ways to celebrate our past, claim the present, and challenge the future in the name of American Methodism and in the name of Jesus Christ our Lord.

WASHINGTON AREA COMMITTEE ON THE EPISCOPACY

Again this year the committee has operated under the functions given to it in Paragraph 725 of the 1980 Discipline. One of the principal activities of this year was in the area of episcopal evaluation. Evaluation forms were sent to the Committee on Episcopacy, the Cabinets, and the Conference and District Councils on Ministries of both Conferences, and the compiled results were shared with Bishop Wertz. Along with the evaluation form, a profile development form was also circulated, to help ascertain episcopal needs of the Area. This information will be used by our members of the Jurisdictional Committee on the Episcopacy as they pursue the appointment of episcopal leaders for the next quadrennium.

We were saddened by the illnesses of our Bishop, but relieved at his speedy recoveries, and amazed at his ability to continue to function so ably in our Area while giving leadership to the general church, especially in the demanding role of chairing the Bicentennial Committee. We give thanks to God for the sensitivity,

the caring, the energy, and the genuine Christian witness given to us these past years in the persons of Fred and Betty Wertz. Along with our sincere thanks for their leadership and friendship, we wish for them many years of happy, healthy, meaningful retirement, and assure them of our love and care.

In 1981, the position of Quadrennial Assistant to the Bishop was created by action of the Baltimore and Peninsula Conferences. Wilson Shearer has filled that position from its beginning. The Committee expresses its great appreciation to Wilson for the very fine manner in which he has fulfilled his responsibilities in the monumental tasks of preparing for the 1984 General Conference, and the celebration of the Bicentennial Year. The 1981 legislation which created the position of Quadrennial Assistant directed that this Committee bring a recommendation to the 1984 Baltimore and Peninsula Annual Conferences (see 1981 Journal) and the rest of this report is the fulfillment of that directive.

The Discipline of the United Methodist Church defines the role of episcopal leadership in the following way:

"The task of superintending in The United Methodist Church resides in the office of Bishop and extends to the District Superintendent... Those who superintend carry primary responsibility for ordering the life of the Church. It is their task to enable the gathered Church to worship and to evangelize faithfully. It is also their task to facilitate the initiation of structures and strategies for the equipping of Christian people for service in the Church and in the world in the name of Jesus Christ, and to help extend the service in mission. It is their task, as well, to see that all matters, temporal and spiritual, are administered in a manner which acknowledges the ways and the insights of the world critically and with understanding while remaining cognizant of and faithful to the mandate of the Church." (par. 501)

Specific responsibilities are further assigned in the areas of personnel matters (par. 514), presidential duties (par. 513), and leadership in "the spiritual and temporal affairs of The United Methodist Church, which confesses Jesus Christ as Lord and Savior, and particularly to lead the Church in its mission of witness and service in the world;" "To implement strategy for the concerns of the Church;" "To provide liaison in the ecumenical activities and relationships;" "To organize missions...;" and "To promote and support the evangelistic witness of the whole Church." (par. 512)

Clearly this is a superhuman task, one that is even more demanding in a world and a time with such pressing needs, such pervasive tensions, and such crucial issues to be addressed as has ours. So it is more than ever a vital imperative that we support our episcopal leader in providing pastoral care, in confronting the Church and society with a prophetic witness, and in nurturing local congregations for worship, evangelism, and mission in today's world.

The Washington Episcopal Area presents a unique collection of challenges and opportunities for such leadership; with respect to the number of churches and pastors under appointment, it is the largest in the Jurisdiction and one of the largest and most complex in the entire Denomination. It encompasses a region of immensely varied geography, breathtakingly beautiful and of scenic wonder, a "land of pleasant living," "almost heaven," yet also terrain difficult for travel and communication. Its people illustrate a corresponding wide diversity in outlook and culture, in ethnic and racial background, in economic condition and vocational involvement, and in social and political identification. Two Annual Conferences covering all or portions of four political jurisdictions add to the complexity of church leadership requirements. Two large metropolitan populations dominate the region, only partially integrated with numerous other cities, towns, villages, and rural countryside. The National Capital and its government provide another dynamic challenge and opportunity for any creative change agency.

In accordance with proposal 5 of the legislation approved in 1981 for creating the position of Washington Area Quadrennial Assistant, with a view toward making a recommendation to the 1984 sessions of both the Peninsula and Baltimore Annual Conferences, the Area Committee on the Episcopacy conducted an evaluation of the performance of the position after two years of its existence. By all standards

this evaluation was positive in every respect. Accordingly, the Washington Area Committee on Episcopacy recommends creation of the position of Area Assistant to the Bishop, for the purpose of extending the function of the episcopal office "to render as much service as possible to as many people as possible as promptly as possible." (to quote Bishop James Thomas)

The basic role of an assistant to the Bishop is to enable and enhance the Bishop's model of servant ministry. A statement from the Dakota Area lists some key understandings of this position:

1. The assistant must himself/herself be committed to servant ministry.
2. The office of assistant must be one of dignity and freedom in ministry.
3. The assistant to the Bishop must be a person with Christian commitment who is broadly experienced in effective ministry and who is deemed trustworthy, not only by the Bishop, but also by the clergy and laity of the Area as well. The integrity of the office is of paramount importance. She/he will afford the Bishop a presence and a somebody with whom a variety of personal concerns may be shared.
4. The assistant must be willing and able authentically to adapt himself/herself to the Bishop's leadership and administrative style, and to work in concert with the Bishop in a supportive, compatible, and collegial relationship. The challenge of the office is to maintain one's own identity while at the same time faithfully representing the Bishop in all that he/she does as the Area Assistant to the Bishop.
5. The assistant to the Bishop is accountable to the Bishop and his/her work will be evaluated primarily by the Bishop. She/he will also relate to the Area Committee on Episcopacy, which will function as an advisory and support group.

RECOMMENDATIONS

1. We recommend that the position of WASHINGTON AREA QUADRENNIAL ASSISTANT be terminated June 30, 1985.
2. We recommend that conditional approval be given for a new position titled WASHINGTON AREA ADMINISTRATIVE ASSISTANT, subject to final approval by the new Bishop. If such approval is given, the Bishop, in consultation with the Area Committee on the Episcopacy, shall prepare a job description, interview applicants or potential appointees, and make an appointment to begin the position on a date determined by the Bishop.
3. We recommend that the job description be based on four general areas of work: (1) Administration, (2) Representation, (3) Research and Data-Gathering, (4) Coordination and Liaison; and that the job description specifically separate this position from the appointment-making process, and assure that direct access to the Bishop by both lay and clergy is fully provided. Attention shall also be given to relating this position to the various boards and agencies of the Baltimore and Peninsula Conference.
4. We recommend that no increase be made in the 1985 budget beyond the \$50,000 maximum; that future budgetary support be negotiated in the normal manner as a part of the Washington Area Fund line item, being shared on a ratio of 70% by the Baltimore Conference and 30% by the Peninsula Conference; and that the salary and fringe benefits for the position shall not exceed the level of support for district superintendents.
5. We recommend that the position of WASHINGTON AREA ADMINISTRATIVE ASSISTANT, if approved and implemented by the Bishop, be reviewed, reaffirmed, or terminated at the Annual Conferences of 1989.

COUNCIL ON FINANCE AND ADMINISTRATION

A RECORD OF OUR STEWARDSHIP OVER THE LAST TWO QUADRENNIA - (1976-1984)....

1. Reduced apportionment factor from .49 in 1976 to .39 in 1984.
2. Increased percentage of apportionment paid by churches from 95.5 in 1976 to 98.0 in 1983. Record is as follows:

| | |
|-------------|-------------|
| 1976 - 95.5 | 1980 - 96.2 |
| 1977 - 94.3 | 1981 - 95.6 |
| 1978 - 95.5 | 1982 - 97.5 |
| 1979 - 95.0 | 1983 - 98.0 |

3. Have paid all General Conference apportionments 100% every year. We believe it to be unethical to expect our churches to pay Conference apportionments 100% unless we as a Conference pay our apportionments 100%.

4. Established a Capital Improvements Fund in 1976. High interest rates during this period enabled us to generate income for such a purpose. Not one cent of apportionment money was used to accomplish the following:

- a. Build a New Conference Office Building.
- b. Camp Pecometh -
 1. New Maintenance Building
 2. New vehicles including tractor and implements
 3. New Administration Building
 4. Repairs and renovations on various other buildings and projects, including major repairs and painting to dining hall and picnic pavilion.
- c. Drayton Manor -
 1. Pool improvements
 2. Electrical - including replacing underground wiring and new service from highway.
 3. Water System - including repair to water tower/tank and conditioning and filtration system
 4. Heating and Hot Water Systems
 5. Repairs on various projects, including painting, carpeting, and roof repair

During the past year, the following actions were taken by this Council:

1. Wesley College - Loaned \$100,000 to assist in their financial crisis. Signed loan guarantee with Wilmington Trust in the amount of \$1,800,000.
2. Drayton - Appropriated \$15,100 for heating and hot water system improvements.
3. Camp Pecometh - Appropriated \$40,000 for improvements.
4. Camp Pecometh - Appropriated \$100,000 for the New Administration Building.
5. Bicentennial Committee - Loaned \$2,000.
6. Peninsula Conference Center - Appropriated \$4,691 for expenses.
7. Prepared a detailed study on what the effect on apportionments would be if church school expenses were excluded from the apportionment system. From the results of this study, it was determined that the exclusion of church school expenses would benefit the larger churches more than the smaller churches; therefore, no change in apportionments will be made at this time.
8. Moving Expenses for Retired Ministers - Increased the one-time moving expenses for Retired Ministers moving from the parsonage from \$200 to \$500 effective January 1, 1985.

9. Peninsula United Methodist Foundation - The Foundation will accept full responsibility for its own financial bookkeeping effective January 1, 1985.

10. Area Office of Development - To be charged proportionate costs for office space and services provided by the Peninsula Conference.

11. Apportionment Task Force becomes effective January 1, 1985.

APPORTIONMENT TASK FORCE

I. A. The Council on Finance membership shall comprise the Apportionment Task Force.

B. The District Superintendents shall select a minimum of three churches on each District to be visited each year. This shall be done in the time frame of January through March.

(1) Each church to be visited shall:

(a) Provide a listing of all assets and liabilities, receipts and expenditures for the past year.

(b) Present the current finance-stewardship plan with plans to upgrade or improve the plan. Follow-up shall be done by the District Superintendent.

II. Churches with a 6% or less increase in apportionment shall receive the full apportionment.

III. Churches may be designated as special situations upon recommendation of the District Superintendent after his or her consultation with the Division of Missions.

IV. Adjustments to apportionments may still be made upon recommendation of the District Superintendent and approved by CFA.

V. Dialogue with churches about apportionments.

VI. Churches shall be expected to pay monthly as printed in paragraph 715.2a of the Discipline.

RECOMMENDATIONS

THE REPORT OF THE STATISTICIAN

Period: January 1 to December 31, 1983

It will be recalled that the position with regard to total full membership in the Peninsula Conference at the end of 1982 was that a small increase of 43 had finally been realized after five consecutive years of decreases. The number of full members at December 31, 1982 stood at 98,941. It was hoped then that the 1982 increase, though small, would lead to a continuing upward trend. Unfortunately, that hope has not been fulfilled in 1983. At December 31, 1983 the full Conference membership totalled 98,825 which represents a decrease of 116. There were 502 full service churches and 25 Limited Service churches at the end of 1983.

Where the districts are concerned, Salisbury once again showed an increase in full membership (by 164). The Wilmington District also recorded an increase of 73. The decrease in the Dover District was 67 and the Easton District, 286. Final District totals were as follows: Dover - 23,210; Easton - 21,955; Salisbury - 23,062; Wilmington - 30,688.

Individual local church reports reveal that no members had been received by Confession of Faith in 38.64% of our churches (194). The reports also indicate that in 59.56% of local churches (299) no one had been enrolled in a confirmation class. It appears to be significant that in both categories there were notable percentage decreases when compared with 1982 returns: 18.3% decrease in new members received by Confession of Faith or restored; and 18.1% decrease in Confirmation class enrollment numbers.

Where all-Black churches are concerned, there was a decrease of 237 in total full membership during 1983. The 160 full service all-Black churches at the end of 1983 reported 13,743 full members as against 13,980 at the end of 1982.

Total church school membership, as reported, fell short of the previous year's total by 185. This 0.53% decrease is a considerably smaller decrease than those in previous years. Where adult church school members are concerned there was an increase over 1982.

COMMISSION ON RELIGION AND RACE

Monitoring Review - Update

Wesley College

Introduction

In June of 1983, the Peninsula Annual Conference made five recommendations to Wesley College following the monitoring activity of the Commission on Religion and Race. When the Commission met with the Administration in February, 1984, the College had made substantial progress in implementing the recommendations of the Annual Conference.

Progress on Recommendations

1. The Board of Trustee's Nominating Committee is proceeding to recommend additional minority candidates for election by the Conference to the Board of Trustees.
2. The employment of at least one more minority (Black) administrator or faculty member, as attrition and/or expansion permit, has been made very difficult by the present period of reduction in work force (laying off 12 people for the academic year 1983-84 and leaving unfilled 19 positions which became vacant through death, retirement, and resignation—including the resignation of the one Black administrator). Even so, one Asian Indian who grew up in Africa has been employed to teach in the Business program and a Black American has been hired to coach the Women's Basketball Team. More importantly, the College renewed its commitment to pursuing this recommendation when its financial health is improved.
3. The Student Life Committee, now with representation from the Board of Trustees, is addressing inclusiveness and cohesion within the College community. Administrators and faculty have become visible on campus and in dormitories. Black and White, American and International, students are seen associating much more freely than before. The intentional efforts of the College have produced positive results: greater inclusiveness will surely develop as this commitment continues.
4. The College began during these six or eight months to re-develop its faculty recruitment procedures to encourage minority employment. Recruitment avenues have been expanded to reach broader workforce bases. Of the four teaching positions filled, two in Nursing had no minority applicants, one in Business was filled by internal promotion, and the other in Business was filled by the Asian Indian. The College is committed to developing further its faculty recruitment practices in order to recruit additional minority faculty members.
5. The College has begun to identify some of the concepts for a new Affirmative Action Policy and Plan. It is committed to completing these documents as soon as time permits.

Conclusion

The Commission recognizes that Wesley College has been under tremendous pressure from financial crises this year. Even so, good progress has been made on the Conference's recommendations for intentional and disciplined efforts to achieve an inclusive community that is responsive to the Black neighborhoods served by the Peninsula Annual Conference.

The Council of Bishops of the United Methodist Church held one of its semi-annual meetings at the Radisson Hotel in Wilmington, Delaware, April 21-27, 1984. The Council had met only once before in Wilmington, October 29 to November 4, 1902 at

The program for the bishops' spouses included tours of the Winterthur museum and gardens, Old New Castle, the South Wilmington Neighborhood House, Old Asbury Church, Brandywine River Museum, and Longwood Gardens. The spouses were also entertained at a luncheon at New Castle United Methodist Church and at a tea at the Methodist Country House. The Council's meeting concluded with a brunch served at Wesley College, Dover, Delaware, followed by a bicentennial historical presentation and worship service at Barratt's Chapel, Frederica, Delaware. The preacher at the Barratt's Chapel service was retired Bishop Nolan B. Harmon. The bishops and spouses departed from Barratt's Chapel to go to Baltimore, Maryland, for the Bicentennial General Conference which convened there on May 1, 1984.

CERTIFIED PUBLIC ACCOUNTANTS

AUDITORS' REPORT

Council on Finance and Administration
of the Peninsula Conference of the
United Methodist Church

We have examined the statement of assets, liabilities and fund balances arising from cash transactions of the Peninsula Conference of the United Methodist Church as of December 31, 1983, and the related statements of cash receipts and expenditures, and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Conference's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and liabilities arising from cash transactions of the Peninsula Conference of the United Methodist Church as of December 31, 1983, and the revenue collected and expenses paid during the year then ended, on a basis consistent with that of the preceding year.

CERTIFIED PUBLIC ACCOUNTANTS

Peninsula Conference
of the United Methodist Church

We have examined the cash receipts and disbursements statement of the Peninsula Conference of the United Methodist Church St. Matthews By-The-Sea for the period January 1, 1983 to December 31, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

It is the policy of the Conference to prepare its financial statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present the results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly the revenue collected and expenses paid for the period January 1, 1983 to December 31, 1983, on the basis of accounting described in the preceding paragraph, which basis has been applied in a manner consistent with that of the preceding year.

AUDITORS' REPORT

Board of Directors
Methodist Mission and Church
Extension Society, Inc.

We have examined the balance sheet of the Methodist Mission and Church Extension Society, Inc. as of December 31, 1983 and the related statements of revenues and expenditures, and change in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

As stated in Note 1 of the financial statements, fixed assets were first recorded by the Society in the capital fund as of December 31, 1981. At that time adequate cost records were not available to substantiate the cost of all real estate owned, so it was recorded at its appraised or estimated value. Generally accepted accounting principles, in our opinion, require that fixed assets be stated at an amount not in excess of cost.

In our opinion, except for the effect, if any, of carrying the capital fund assets at their estimated value as described in the preceding paragraph, the financial statements referred to above present fairly the financial position of the Methodist Mission and Church Extension Society, Inc. at December 31, 1983 and the results of its operations and changes in its fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1983

Note 1 Summary of Significant Accounting Policies.

The financial statements of the Methodist Mission and Church Extension Society, Inc. have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Society, the accounts of the Society are maintained in accordance with the principles of fund accounting. This is a procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose.

The assets, liabilities and fund balances of the Society are reported in seven self-balancing funds as follows:

Operating Funds, which include unrestricted and restricted resources, represent the portion of expendable funds that is available for support of the Society's operations.

Harrison Street Church School Funds represent resources that are to be used for scholarships which are made at the discretion of the board of directors.

Church Extension Funds represent resources that are restricted for church extension and development.

Harrison Street Church Property Funds represent resources that are restricted for the maintenance and upkeep of the Harrison Street Church and Parsonage. Funds will also be used for any demolition and clean-up expense resulting from Harrison Street Church fire. During the year all funds were transferred to Operating Fund and this fund was closed.

Capital Funds represent funds restricted for plant acquisitions and funds expended for buildings and church properties.

Mission Endowment Fund represents monies received from the Harrison Street Church fire insurance settlement which have been invested into common stock, U. S. Obligations and corporate bonds. Income from this fund will be used to promote the Society's programs. This fund was formerly called the Harrison Street Church Mission Fund.

Old Asbury Fund represents funds that are available for support of Old Asbury's operations.

Capital Fund Assets

Capital Fund assets are stated at their estimated values as of December 31, 1981 for assets purchased prior to 1982 and at cost for assets purchased after 1981. Depreciation is not provided for in the financial statements.

Note 2 Investments

Investments are stated in the financial statements at cost. The cost and market value at December 31, 1983 are as follows:

| | <u>COST</u> | <u>MARKET</u> |
|------------------------------|------------------|------------------|
| Common Stocks | \$537,499 | \$553,680 |
| U. S. Government Obligations | 75,075 | 71,740 |
| Corporate Bonds | 209,064 | 211,750 |
| Certificates of Deposit | 25,000 | 25,000 |
| | <u>\$846,638</u> | <u>\$862,170</u> |

Note 3 Other Commitments

The Society has approved contributions in the amount of \$60,000 to the Latin American Community Center which will be paid in annual installments of \$30,000 over the next two years to assist with their building program.

Note 4 Sales Contract

There existed, at December 31, 1983, a sales contract for the sale of the house located at 516 New Castle Avenue. The sales price will be \$16,000, with \$800 to be held in escrow until the time of final settlement.

AUDITORS' REPORT

Peninsula Conference
of The United Methodist Church
Conference Trustees

We have examined the statement of assets and liabilities arising from cash transactions of the Peninsula Conference of The United Methodist Church Board of Trustees as of December 31, 1983, and the related statements of cash receipts and expenditures, changes in trust assets, and changes in principal fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Board's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and liabilities of The Peninsula Conference of The United Methodist Church Board of Trustees at December 31, 1983, arising from cash transactions, and the revenues collected and expenditures made by it and changes in fund balances, during the year then ended, on a basis consistent with that of the preceding year.

AUDITORS' REPORT

Board of Pensions
of the Peninsula Conference
of the United Methodist Church

We have examined the statement of assets and liabilities arising from cash transactions of the Board of Pensions of the Peninsula Conference of the United Methodist Church as of December 31, 1983 and 1982, and the related statements of revenues and expenditures, and changes in fund balances for the years then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Board's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and liabilities of the Board of Pensions of the Peninsula Conference of the United Methodist Church at December 31, 1983 and 1982, arising from cash transactions, and the revenues collected and expenditures made by it and changes in fund balances, during the years then ended, on a basis consistent with that of the preceding year.

The Board of Trustees
Wesley College:

We have examined the balance sheet of Wesley College as of June 30, 1983 and the related statements of changes in fund balances and current funds revenues, expenditures and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Wesley College at June 30, 1983 and the changes in fund balances and current funds revenues, expenditures and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year, after giving retroactive effect to the changes, with which we concur, in the classification and inclusion of funds as described in note 1 to the financial statements.

Summary of Significant Accounting Policies

The major accounting principles and practices followed by Wesley College are presented below to assist the reader in evaluating the financial statements and accompanying notes.

Fund Accounting

The accounts of the College are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into the following four fund groups:

Current Funds
Loan Funds
Endowment and Similar Funds
Plant Funds

All fund groups are separated into those which are restricted by donors or grantors and those which are unrestricted. Restricted funds may only be expended for the purpose indicated by the donor/grantor, whereas unrestricted funds are under the control of the Trustees of the College to use in accordance with its Charter and By-laws.

There are three financial statements used for fund accounting:

Balance Sheet - a listing of the assets, liabilities and fund balances as of the end of a fiscal year.

Statement of Current Funds Revenues, Expenditures and Other Changes - a summary of the financial activity of the current funds during a fiscal year. It does not represent the entire operations of the period (there is financial activity recorded in the other funds) nor does it reflect the net income or loss for a fiscal year.

Statement of Changes in Fund Balances - a summary of all the additions to and deductions from each of the major fund groups and subgroups during a fiscal year. This statement provides an overview of the College's financial activity during a fiscal year.

All unrestricted funds and funds restricted for current operations are reported as revenues in the statement of current funds revenues, expenditures and other changes during the year received or accrued with the exception of appreciation in value of investments of the endowment and similar funds.

All other restricted funds are recorded as additions to the appropriate fund balance in the statement of changes in fund balances when received or accrued.

Explanation of Transfers

Mandatory transfers to other funds - transfers made in accordance with contractual agreements relative to debt service and Federal student financial aid programs.

Investments

Investments in stocks, bonds and notes are stated at current market value.

Endowment and Similar Funds

The endowment and similar funds are subdivided into appropriate classifications. Endowment funds have been received from benefactors who, by the terms of their conveying instruments, have stipulated that the principal of their gifts may never be expended. Funds functioning as endowment have been established by the College, and expenditures from the principal of funds functioning as endowment are not similarly prohibited. Appreciation in value of investments of the endowment and similar funds are recorded as additions to principal of such funds.

Funds Held in Trust by Others

The College is income beneficiary of two trust funds held by others, one of which expired October 1982 and the other of which expires December 1991. Income from the trusts, which amounted to \$8,376 and \$12,592, respectively, has been recorded as gift income of the unrestricted current funds.

Taxes

The Internal Revenue Service has ruled that the College is a tax-exempt institution; accordingly, no provision for taxes has been made in the financial statements.

Pensions

Substantially all faculty and professional members are provided pension benefits under a program administered by the Teachers Insurance and Annuity Association. The policy of the College is to pay its share of the annual premium; there are no unfunded benefits. Pension plan expense was \$66,496 in 1983.

Plant Funds

Land and improvements, buildings and equipment and furnishings are recorded at cost, or appraised value at time of acquisition if contributed.

No provision is made in the accounts for depreciation of plant assets since such provision is not in accordance with generally accepted accounting principles for colleges and universities.

Notes to Financial Statements

June 30, 1983

(1) Opening Fund Balances

Fund balances in the June 30, 1982 financial statements were not classified by fund group in accordance with generally accepted accounting principles for colleges and universities. Additionally, fund balances relating to Federal student financial aid programs were not included in the financial statements. Accordingly, fund balances at June 30, 1982 have been reclassified to conform with current classifications of fund groups and adjusted primarily to reflect the inclusion of Federal student financial aid programs.

The Wilmington Trust Company note is unconditionally guaranteed by the Peninsula Annual Conference of the United Methodist Church (PAC). The note is secured in the event of default by a Lien and a security interest in and against all property of any nature of the College or the PAC. Additionally, a mortgage subordinate to the mortgages of the plant fund was entered as security for all payments of the note. The College may make additional borrowings against the note, up to a maximum principal amount of \$1,800,000, through October 1985.

The Department of Education granted the College a deferment of payments on the Dormitory - Dining - Student Union Bonds of 1971. The payments, totaling principal of \$63,000 and interest of \$33,921 due May 1, 1983, were deferred until September 30, 1983. The deferred payments are shown as a liability of the retirement of indebtedness fund.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1983

Note 1 Summary of Significant Accounting Policies.

The financial statements of Peninsula United Methodist Foundation, Inc. have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Fund Accounting.

To insure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into groups.

The assets, liabilities and fund balances of the Foundation are reported in six self-balancing fund groups as follows:

General Funds, which include unrestricted and restricted resources, represent the portion of expendable funds that are available for support of the Foundation's operations.

Capital Funds represent resources restricted for the acquisition of furniture and equipment, and funds expended for furniture and equipment.

Annuity and Life Income Funds represent funds managed by the Foundation which are gifts to various charitable organizations. These gifts are given with the condition that the Foundation will pay the income earned by the donated assets to the donor for the lifetime of the donor or an individual designated by the donor. These funds include Pooled Income Funds, Charitable Remainder Trusts and Gift Annuities.

Endowment and Similar Funds represent gifts of present and future interests in which the donor has stipulated in the donative instrument that the principal be maintained in perpetuity or until a specific time or event and that the income be expended to a specific charitable organization.

Philanthropic Funds represent gifts to the foundation. These gifts are normally held by the Foundation until the donor requests the Foundation to disburse the funds to a specific charitable organization.

Agency Funds are funds which the Foundation holds as custodian and investment advisor.

Note 2 Investments.

Investments are recorded at cost; investments received by gift are carried at market value at the date of gift. A comparison of cost to market value at December 31, 1983 is as follows:

| | <u>COST</u> | <u>MARKET</u> |
|------------------------------|------------------|------------------|
| Annuity and Life Income Fund | | |
| Stocks | \$ 28,853 | \$ 22,547 |
| Bonds | 1,000 | 1,000 |

| | <u>\$858,744</u> | <u>\$874,275</u> |
| Total Investments | <u>\$933,010</u> | <u>\$942,979</u> |

Real Estate held for investment (including future interests in real estate) are stated at market value at the date of gift.

Note 3 Capital Fund.

Depreciation of equipment is provided over the estimated useful lives of the respective assets on the straight line method.

Note 4 Tax Exempt Status.

The Peninsula United Methodist Foundation, Inc. is exempt from federal income taxes under the provisions of Section 501 (c) (3) of the Internal Revenue Code according to a determination letter from the Internal Revenue Service dated September 29, 1978. In addition, the Foundation has been determined not to be a Private Foundation within the meaning of IRC Section 509 (a) and is therefore not subject to the excise tax on investment income.

Note 5 Contingent Receivables and Payables.

The Foundation has obtained reinsurance on all charitable gift annuities received to date. The difference between the cost of the annuity purchased and the amount of annuity paid by the insurance company to the annuitant will be returned to the Foundation in the case of any annuitant who dies before receiving annuity payments equal to the amount of the policy cost. The amount at December 31, 1983 is estimated to be approximately \$62,462.

The Foundation is contingently liable to donors whose charitable gift annuities have been reinsured should any of the insurance companies default.

At December 31, 1983, the Foundation was the irrevocable owner of certain life insurance policies which have a face value of \$20,000. Upon the death of the insured these funds will be distributed in accordance with the insured's instructions.

He was received into full connection in the Methodist Episcopal Church of the Delaware Annual Conference in 1942. John was a true Christian gentleman; he described himself as one who lived "a simple and unattached life." His simplicity of lifestyle and privacy of person no doubt prevented most from knowing him as a close friend; however, no one, open to receive, missed benefiting from his ability to teach, his genuine compassion, and his humbleness of spirit. His trust in me in the last years of his life, honored me beyond my deserving; he was a beautiful man.

THE REV. JOHN DAVID BURBAGE, SR.

John D. Burbage, Sr. was born in Lewes, Delaware on April 27, 1934. The son of the late Asher E. Burbage and Alice Calloway Burbage, he grew up in Ocean View, Delaware, where his mother continues to live.

As a youth John was active in Mariner's Bethel Church, serving as MYF president, and was married there in the parsonage on June 14, 1957 to the former Janis Hickman, by the Reverend Charles Covington.

As a young man he served in the Merchant Marine and experienced the call to the ministry. At that time his family responsibilities deterred him from responding to God's call. Later, following the serious illness of his son, Jackie, John entered the ministry, serving the Church of the Nazarene in Seaford, Delaware for several years, beginning in 1966.

In 1971 John returned to the Methodist Church, was licensed to preach, and was assigned to Smith Island, where he served the Lord in a most effective way for six years.

Upon graduation as an honor student from the University of Maryland, Eastern Shore, in 1976, John was appointed to Melson's Charge and enrolled in Wesley Seminary. The Burbage family continued to visit Smith Island to keep their ties with their daughter, Debbie Jean, and grandchildren, Beth Anne and Amy Jean Tyler, who live there.

John's health problems increasingly interfered with his academic progress, but in the Spring of 1979, by amazing will power, a miracle of God's grace, he completed sufficient hours to be ordained Deacon and received into Probationary Membership in the Peninsula Annual Conference. His ordination on May 24, 1979, was the culmination of his dream.

Within the next year John was placed on disability leave and moved into a small house near Melson's to enable his son, Jackie, and his twin daughters, Joan and Jane, to complete their education at Delmar High School. Through the services of Coastal Hospice and the loving care of his wife, Janis, John was maintained in his home until his death on Wednesday, November 23, 1983.

John's transfer to the Church Triumphant was celebrated on November 26, 1983, at Melson's Church with the Pastor, the Reverend Lloyd Foard, officiating, assisted by the District Superintendent, the Reverend Ewart Hackshaw, and John's Counselling Elder, the Reverend Howard Gordy.

John's great faith, as well as his personal background and experience, are reflected in this poem which he wrote, and which was read at his funeral.

MY CAPTAIN . . . by John D. Burbage, Sr.

My Captain's name is Jesus;
He's the Master of my ship.
Of Him, the blessed, solid rock
My faith will firmer grip.

He takes me through the storms of life
That try to wreck my soul,
And guides me with His loving arms
Always heading for the goal.

No greater Master could I serve
While sailing upon life's seas
Than my wonderful Savior
Who gave His life for me.

When the storms of life are o'er,
And the tempest will ever cease,
I shall hear my Captain say to me,
'Anchor here in the Haven of Peace.'

Howard L. Gordy, Jr.

Ismael Augustus Chancy was born September 9, 1898 in Pine Level, Montgomery County, Alabama, the fifth of seven children. He was the son of Oscar and Della (Bledsaw) Chancy. He had a life marked by adventure, dedication, and leadership.

As a lad he lived in the farmland communities of Bullock County, Shopton, and Dowling until the early 1900's, when he and brother, Frank, moved to Montgomery, Alabama. His serious work efforts developed as a carpenter, porter, hotel cook, bellboy, and elevator operator. Employment with the railroad system carried him to Birmingham and to Dunbar, Louisiana.

His army experiences with Company F, 366th Infantry, 92nd Division, as a Supply Sergeant, brought forth further adventures from New York to St. Nazaire, France and to the battlefronts of Nantes, Pont-a-Mousson, Lyon, and Metz. On March 15, 1918, he was discharged and settled in Cleveland, Ohio.

"Religion had moved in my heart as far back as 1912, but had no telling effect until after settling in Cleveland into the Friendship Baptist Church in 1920. It was then I began studying a course in religion based on the *Acts of the Apostles*." These words from his own memoirs opened a story of dedicated study over a seven-year period at the Northern University in Orange, New Jersey, where he received the A.B. and B.D. degrees in June, 1932. Further study was pursued at Gammon Theological Seminary, Atlanta, Georgia during summer months for 3 years.

Charges Served:

1. New Hope Baptist Church, Metuchen, N.J. 1932 - after he was ordained in the Baptist Church and served until 1941.
2. Macedonia Baptist Church, Cape May, New Jersey; Methodist Ordination, 1944.
3. Janes U.M. Church, Chestertown, Maryland, 1944-1947.
4. John Wesley U.M. Church, Bridgeton, N.J., 1947-1950.
5. Asbury U.M. Church, Easton, Md., 1950-1955.
6. Mt. Hope U.M. Church, Salem, N.J., 1955-1960.
7. Mt. Joy U.M. Church, Wilmington, DE, 1960-1970.

From this area of servie he retired in 1970. Following this, he and his wife, the former Grace Freeman, whom he had married in June 1940, lived at the Beaver Brook Apartments, 550 Highway 13, New Castle, Delaware. They joined Asbury U.M. Church and he served as Associate Pastor with Dr. Brooks Reynolds for six years. He also taught an Adult Bible Class and participated freely in other church activities.

While serving in Easton, Maryland, the Rev. & Mrs. Chancy adopted a 4-year-old son whom they named Thomas LaPlata Chancy, who now resides in Wilmington, Delaware with his wife, son, and daughter.

On April 15, 1972 Grace met a tragic death in an automobile accident. Rev. Mr. Chancy continued to live at Beaver Brook until January, 1976. At that time he wed Grace Coulbourne Gates and moved just outside of Easton, Maryland, where he remained until his death. In the early days of his return to Easton, he assisted in the worship at Asbury U.M. Church, Easton, when called upon.

Rev. Mr. Chancy was an organized, meticulous individual. He was an avid reader; his library was extensive and up-to-date, containing all the pertinent books and literature of Methodism; he was a teacher, holding Bible and other instructional classes for aspiring clergy until a few weeks before his death. He was an energetic conversationalist, in full grasp of his profitable work experiences and his extensive knowledge of religious works and scholarly readings. The highlight of his career was a visit to the "Holy Land" in 1975, where he "walked where Jesus walked." He brought back many pictures and memorabilia which he cherished.

On February 19, 1984, after a period of weakening, Rev. Mr. Chancy succumbed at the kitchen table while eating lunch. His passing was brief and painless. "He went home to see his Maker." A viewing was held at Asbury U.M. Church, Easton, Md., on Wednesday, February 22; the funeral was on Thursday, February 23, also at Asbury. The Rev. Rudolph Garnes officiated; Dr. Brooks Reynolds, the former pastor of Asbury U.M. Church, New Castle, gave the eulogy. The following day

the interment was held in Gracelawn Cemetery, New Castle, Delaware. Pastor Garnes officiated.

The Reverend Augustus Chancy was a loving family man, a truly committed Christian, and a "Servant of God." He lived to serve God and humankind. Every act portrayed this intent.

"At last he became silent and making an end here, went to rest."

— From "The Wanderings of Aeneas,"
Virgil's *Aeneid*

THE REV. ALBERT JULIAN DREDDEN

Albert Julian Dredde, the youngest of ten children, was born in Bridgeville, Delaware, on September 4, 1913. His parents were the Rev. Hargis Julian Dredde and Janie Phoebe (Cornish) Dredde.

HIS EDUCATION

He received his early education at Frederick Douglas School in Seaford. He went on to continue high school at Howard High School in Wilmington, Delaware, and from there received a B.A. at Morgan State College, Baltimore. From there he attended Gammon Theological Seminary for two years. His search for truth and deeper insights into the mysteries of God was his explanation for his unquenchable thirst for knowledge. To Albert education was necessary for family stability and self dignity. To this end he continuously took courses and spent many hours in self study.

SERVICE TO COUNTRY

He served his country with pride and dignity from 1943-1946 and was honorably discharged.

MARITAL LIFE

He was joined in Holy Matrimony to Deborah Evelyn Butler on November 14, 1953 in Pocomoke City, Maryland, by The Rev. Marion O. Ballard, Dover District Superintendent. From this union two children were born. He believed that the family was the cornerstone of society. From 1969 to 1972 he planned and began building his own home. The building of his home gave him great pride and dignity. The love and understanding Albert had for his family could only be surpassed by his love for God. "Togetherness" was Albert's key word and anyone who knew the family knew that this was evident.

THE MINISTRY

Albert's ministry began in 1950 at the Lewes Charge. He was ordained an Elder and received into Full Membership on May 18, 1952. His ministry ended in 1983 also at the Lewes Charge. In the interim he served the following charges: Seaford, North Berlin, Chestertown, and Laurel. He served his Lord and Savior and congregation as a minister for 33 years and retired from the Peninsula Conference in May of 1983. In his own words "I have enjoyed my ministry to the highest. If I had to do it again, I would go the same road. I can think of no greater calling than being a minister."

He was very active in civic and Conference affairs, including: Board of Child Care, Board of Evangelism, Board of Ministry, and the Delaware State Human Relations Commission.

FINAL RITES

He departed this life November 23, 1983, at Milford Memorial Hospital, leaving a legacy of wisdom, charismatic charm, a smile, a hearty laugh, and inspiration to many of his friends, parishioners, and family. Memorial services were conducted by the Rev. Dr. J. Gordon Stapleton at John Wesley United Methodist Church, Belltown, Delaware, November 28, 1983. Interment was at Mt. Calvary A.M.E. Cemetery, Concord, Delaware.

Cherishing his memory are his wife, Deborah E. Dredde, two daughters, Deborah A. Little, Rochester, New York, Beverly J. R. Young, Salisbury, Maryland; two sons-in-law, Charles Little and George Young; a mother-in-law, Blanche L. Butler, Salisbury; three sisters, Pearl Jackson, Alberta Allen, and Beulah Watson; and two brothers, Norman and Alonza Dredde.

PERSONAL CONVICTIONS

Albert exemplified what he preached, was steadfast in the Lord and believed in the truth. He exhibited love for all. He loved his family. Last but not least, God's word was what he lived by. He once said:

"I am going to keep fighting because the Lord has brought me a mighty long way."

His philosophy can be stated in the song "If I can Help Somebody, than my Living shall not be in vain."

THE REV. MILTON CARLYLE MILLINER

Milton Carlyle Milliner, son of Elijah P. Milliner and Berta B. Milliner, was born in Locustville, Virginia, on March 30, 1904.

He was reared in the Methodist Church and worshiped as a child and young person in the Locustville Methodist Church in Locustville, Virginia.

He attended Wharton School of Business and was graduated from Goldey Business College in Wilmington, Delaware.

In the year 1925, he married Lottie M. West of Laurel, Delaware. They met while they were both living and working in Philadelphia, where they attended the Arch Street Methodist Church.

After they were married, they were active members of Wharton Memorial Methodist Church in Philadelphia where they both made a great impact by their ministry to youth in the church.

As a Christian layman, Milton served in numerous capacities in the church during this time.

In 1947 he and his family moved to Bridgeville, DE, where he was employed as purchasing agent and bookkeeper with the H.P. Cannon Company.

While serving as the adult church school teacher in Union Methodist Church, Bridgeville, he received God's call to enter the ministry.

Continuing his lay employment, he took the Conference course of study and became the pastor of Gethsemane Methodist Church in Reliance, Delaware. He served this one appointment from 1948 until 1966 when he retired. During the years 1962-66 he also served Wesley United Methodist Church in Wesley, Maryland.

His years of service saw a small struggling congregation develop into a strong vibrant, caring church. During his ministry numerous individuals experienced the love of Christ and became members of the church.

While pastor at Gethsemane, five young men received the call into the Methodist ministry. In addition, the church built an educational wing and renovated the sanctuary. More importantly, scores of people grew in their understanding of the faith.

Milton Milliner died on July 31, 1983. The funeral service was held at Cannon United Methodist Church with the Rev. Dr. J. Gordon Stapleton and the Rev. Milton H. Keene directing worship. The interment was in Georgetown, Delaware.

Milton is survived by his wife, Lottie, and two daughters, Berta Salios and Helen M. Lucia.

Those who knew Milton Milliner remember his gentle, loving, and committed spirit. He not only preached the Christ, but walked with Him.

THE REV. RALPH LELAND MINKER

Ralph Leland Minker, born in North East, Maryland 1899, the son of Carolyn (Carlwell) and Matthew Minker, moved early to Wilmington, Delaware and grew up in the parish of Brandywine Church, where his father was a lay preacher and superintendent of the Sunday School and his mother president of the Woman's Foreign Missionary Society for many years. His father, a freight conductor, was killed on the railroad when Ralph, the eldest of three boys, was 14. At 84 he could still remember his milk route and paper route as he had to work to help the family.

He received aid to attend Dickinson College, class of '20, and was summer assistant at Grace, Wilmington, whose laity enabled him to graduate from Boston University School of Theology in 1923. He married his high school sweetheart, Ruth Edna (Jones), and fathered three children: Bernice Pettit, 17 Douglas Road, Delmar, NY 12054; Shirley Hunsberger 112 Chatham, Windybush, Wilmington, DE 19810; and Ralph, Jr., 11528 Links Drive, Reston, VA 22090. There are nine grandchildren and three great-grandchildren to date.

Sixty-two years a Methodist minister, Ralph served first in Cochrute, MA, then Baker Memorial, Concord, NH, Silverbrook, Wilmington, DE, and Immanuel, Crisfield, MD. He was the first pastor in the old Wilmington Conference to wear vestments and follow a lectionary. He was the first president of the Wilmington Council of Churches and first Protestant co-chair of the Delaware Chapter of the National Conference of Christians and Jews. Throughout his career he was active in support of full employment through Goodwill Industries, as public co-chair with representatives of business and labor in Wilmington under the depression era National Recovery Act (NRA), and as located elder as superintendent of the Ferris School, Delaware's primary institution for delinquent boys. He demilitarized the state school and desegregated the training program in the years 1935 to 1945, serving in appointment under three governors. During World War II Ralph served extra duty as Director of the Civilian Defense Effort of Wilmington and New Castle County.

From 1946 to 1976 Ralph Minker's career expanded as a professional campaign director for Ward, Dreshman, and Reinhardt, helping to raise over \$12 million to support the work of churches, colleges, and hospitals across the United States. All through the period of 1936 to 1984 he served formally and informally as adjunct pastor at Grace, Wilmington. He was active in Clergy and Others Against War in Vietnam and a founder of the Wilmington Chapter of Pacem in Terris, an ecumenical follow-through on Pope John the 23rd's initiatives for world peace.

He died on December 8, 1983, after a year of weakness and ten days of illness, quietly, at the Methodist Country House in Wilmington. A memorial service at Grace Church celebrated the amazing breadth of his Christian ministry with Grace pastor, Edwin Thomas, proteges Felton May and Richard Stazesky, colleagues Rabbi Herbert Drooz and Msgr. Paul Taggart, and his son, co-leading a celebration of "life as it ought to be."

MRS. MINNIE DOTTERRER ATKINS

Minnie Dotterrer (Peter) Atkins was born on September 7, 1892 in Viola, Delaware, the daughter of Daniel and Hettie (Dotterrer) Peter. She attended Canterbury and Felton schools and after graduation taught school in Sandtown, Delaware. In later years she also did substitute teaching.

In December of 1912 she was married to the late Rev. Mr. Charles H. Atkins. One daughter, Gladys May, was born to this union and is now a resident in the Manor House in Seaford, Delaware.

Minnie joined Viola Church in her early teens and was a member of it until her death, being the last surviving Charter member of the Ladies Aid Society. During the 42 years of her husband's ministry she taught Sunday School, played the piano, visited the sick and elderly, and was interested in and a part of all of the activities of the churches.

After Charles retired in 1952 they returned to Viola to reside in the house her father had built in 1906, which she owned, and which is near the house of her birth. She maintained her home until she entered the Health Care Unit of the Methodist Manor House on March 1, 1983.

Gardening, both vegetable and flower, was a joy to her from childhood and she gardened up until the time of entering the Manor House although she had given up her vegetable garden two years previously. She also enjoyed handwork and was awarded many blue ribbons from the Delaware State Fair for entries of her handwork as well as for her homemade candies.

At the age of almost 91, she passed away in the Manor House on July 15, 1983. Funeral services were presided over by the Rev. Phillip Lawton in the Berry Funeral Home in Felton, Delaware. Interment was in Odd Fellows Cemetery, Camden, Delaware.

In addition to her daughter, she is survived by nieces, nephews, and many friends.

Evalyn Lowry, niece

MRS. LUCILLE MEARS BUTLER

Lucille Bolling Mears was born on August 22, 1933 to Christopher Carlton Mears and Lucy Ann Hardiman in Bird's Nest, Virginia. She was raised on the Eastern Shore of Virginia, a place she always cherished at her home. After her mother's death in 1936, her aunt, Fanny Upshur Mears, helped her father rear Lucille and her sister, Mary.

Lucille was a graduate of Central High School in 1948. She attended the Beebe Hospital School of Nursing in Lewes, Delaware. She was to work for thirty years as a Registered Nurse. For many years she pursued her career as a surgical nurse at various hospitals in Virginia, Delaware, Pennsylvania, and Maryland. After 1975, she was clinical nurse at the University of Maryland, Eastern Shore, in Princess Anne.

Education was as important to Mrs. Butler as her career. She returned to school at age forty and in 1978 received a Bachelor of Arts, Summa Cum Laude, in History from the University of Maryland, Eastern Shore. She was a distinguished student and was elected to the membership of the National Honor Society Phi Kappa Phi.

In March of 1960, Lucille married the Rev. Dallas W. Butler in Painter, Virginia. The couple moved to Western Pennsylvania where they pursued their careers and began a family. Mrs. Butler mothered three children: Mark Dallas, Matthew Carlton, and Lucy Ann. The Butlers left Pennsylvania in 1970 when Rev. Mr. Butler was appointed to serve at Immanuel United Methodist Church in Crisfield, Maryland.

Any endeavor Mrs. Butler undertook in her life was marked with distinction. She was a fine mother. The ministry she shared with her husband was an inspiration to many. She was respected in her career as a nurse by her colleagues and patients. Wherever she was, and in whatever role, Mrs. Butler not only listened to people, but helped them. Her faith in God, her love for her family, her belief in diligence, and her willingness to give, touched and changed many lives for the better. Throughout a long illness she worried more for others than herself. Her unshakable optimism and faith gave hope and confidence to all about her.

Mrs. Butler died on April 10, 1984 in Crisfield, Maryland. Funeral services were held there at Immanuel United Methodist Church. She was survived by her husband, children, sister, and several nieces and nephews. Lucille Butler was buried with her family in Belle Haven, Virginia.

DR. ELIZABETH BUCKE MILLER

Dr. Alma Elizabeth Jane Bucke Miller was born April 21, 1901, in New Germantown (Oldwick), New Jersey, the daughter of Jacob Edward Ambrose Bucke and Linnie May Coulter Bucke. When her father graduated from Drew Theological Seminary, Madison, New Jersey, in 1903, the family returned to the Central Pennsylvania Conference.

Elizabeth began her education in Sunbury when her father served the Catawissa Avenue Methodist Church. She continued her secondary education in Williamsport, graduating from Williamsport High School in 1919.

While Elizabeth was a high school student, Dr. Ida Scudder, a missionary from India, spoke to an assembly of students about the urgent need for medical doctors in India. It seemed to be a personal invitation when Dr. Scudder pointed her finger at Elizabeth saying, "We need you to continue your education in medicine and come to India as a medical missionary." Elizabeth told her parents of this call, and they gave their blessings and encouragement.

As a pre-medical student at Dickinson College, Elizabeth became a member of The Student Volunteer Movement, where she met Edgar R. Miller. They discovered their common interest in going to the medical mission field. She graduated from Dickinson with a Bachelor of Arts degree and enrolled in Women's Medical College in Philadelphia. Upon receiving her Doctor of Medicine degree, she received her Master's degree from Dickinson. She served her internship at Lancaster General Hospital.

In 1927 Elizabeth was married to Edgar R. Miller in Stevens Memorial Methodist Church, Harrisburg, by her father, then pastor of the church. Edgar Miller graduated from Dickinson in 1920 and the University of Maryland Medical School in 1924.

When they applied for a mission assignment through the Methodist Board of Missions, they were advised to gain some experience in the practice of medicine and satisfy their school debts. They established their joint practice in Richardson Park, Wilmington, Delaware, where they became active members of the Richardson Park Methodist Church, both teaching Sunday School classes. Elizabeth helped organize The Women's Foreign Missionary Society, now called the United Methodist Women.

They had two children. A son, Edgar R. Miller, Jr., is now a surgeon on the staff of the Wilmington Medical Center and also of St. Francis Hospital. Their daughter, Elizabeth Jane Jenkins, is on the faculty of the University of Delaware, teaching courses in nursing.

After twenty-nine years of medical practice, the Millers' dream of becoming medical missionaries became a reality. In 1954 Dr. Bethel Fleming, a medical school classmate of Elizabeth, visited the Millers. Bethel and her husband, ornithologist Dr. Robert Fleming, had been in Nepal, where Bethel had established a medical clinic in Kathmandu. The Flemings told of the great need for medical service, inviting the Millers to go to Nepal as medical missionaries. After much thought and prayer, they again applied to the Methodist Board of Missions. They relinquished their practice and, with the approval of the Board, went to Kathmandu, Nepal, a country nestled high in the Himalaya Mountains between India and Tibet.

Elizabeth and Edgar pioneered in this remote country, and with the the Flemings they established a hospital with ten beds, which has grown to a 250 bed hospital in the 1980s. In the course of their nine years in Nepal, they became consultants to the Royal Palace. In 1964 they were presented with a medal designating them as Right Hands of the Royal Family. Elizabeth helped to establish a school for nurses, which has grown to a large enrollment in the 1980s.

In 1965 the Millers returned from Nepal to Liverpool, Pennsylvania, where they established residence in Hunters Valley at The Homestead. They joined the Liverpool United Methodist Church and became active in church and community affairs, all the while maintaining an active speaking schedule on behalf of the mission in Nepal. During the 1981 session of the Central Pennsylvania Conference they were presented with the Bishop D. Frederick Wertz Award for "Outstanding Service to the Church."

In October of 1983 the Millers sold The Homestead and moved to the Methodist Country House, Kennett Pike, Wilmington, Delaware.

On the evening of December 7th the Millers attended a reception for the King and Queen of Nepal at the Nepalese Embassy in Washington, D.C. On the return trip Elizabeth suffered a massive cerebral hemorrhage. She was taken to the South Baltimore General Hospital where she died Monday, December 12, 1983.

A service of celebration of her life was held on Wednesday, December 14th, in the Richardson Park United Methodist Church, where she had been a member for nearly thirty years. The host pastor, the Rev. Mr. Harold Spedden, conducted the service. The family tribute was given by her brother, the Rev. Mr. D. Perry Bucke. Dr. Emory S. Bucke, of Oak Bluffs, Martha's Vineyard, Massachusetts, selected the scripture read from Ecclesiastes 3:1-7. Interment was made in Brandywine Cemetery, Kennett Pike, Wilmington, Delaware.
