### III. Conference Rules Of Order

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Committee on Conference Arrangements. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of his/her appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn.
  2. To adjourn.
  3. To take a recess.
  4. To lay on the Table.
  5. For the previous question.
  6. To postpone to a given time.
  7. To refer.
  8. To substitute.
  9. Amendment.
  10. To postpone indefinitely.
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a member is about to speak in debate, or to deliver any matter to the Conference, she/he shall rise and respectfully address the President, but shall not proceed until recognized by him/her.
- Rule 8: No member shall be interrupted while speaking except by the President to call him/her to order when she/he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when she/he deems a speaker out of order, and any member may explain when she/he thinks herself/himself misrepresented.

- Rule 9:** When a member desires a question of privilege, she/he shall briefly state the question; but it shall not be in order for her/him to proceed until the President shall have decided it a privileged question.
- Rule 10:** No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11:** When any motion or resolution shall have been acted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12:** No member shall absent herself/himself from the sessions of the Conference without leave, unless she/he is sick or unable to attend.
- Rule 13:** No member shall be allowed to vote on any question who is not within the bar of the Conference at the time when such question shall be put by the President, except by leave of the Conference when such member has been necessarily absent.
- Rule 14:** Every member who is within the bar at the time a question is put shall give his/her vote, unless the Conference, for special reason, shall excuse him/her.
- Rule 15:** It shall be in order for him/her to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16:** The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been negatived and no business or debate has intervened.
- Rule 17:** All reports of the Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must in the hands of the Secretary by the date set annually by the Conference Council on Ministries.
- Rule 18:** No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19:** These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20:** All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.

- Rule 21: The Nominating Committee shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Board, Division, Committee, or Commission shall serve more than two consecutive quadrennia on said Board, Division, Committee, or Commission, and shall be ineligible to be re-elected until after one quadrennium has elapsed except members of board, committees or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has lapsed and except that when a member is elected to fill an unexpired quadrennium or term she/he may complete the unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. Persons elected to the Board of Ordained Ministry may serve eight (8) years regardless of what year in the quadrennium they begin serving. No member of the Conference, lay or ministerial, shall be elected to serve on more than two Boards, Divisions, Committees, or Commissions concurrently, except the committees elected or appointed for the Annual Conference session only, district committees whether or not elected by the Annual Conference and the quadrennial committee of the local church. The distribution of membership shall be according to districts, three lay persons and three ministers as nearly as possible to each district.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: In order to achieve balanced membership in the Annual Conference, the Conference Secretary shall report quadrennially the number of lay persons required to preserve equality of membership, and that the Peninsula Conference achieve the desired equality of membership, by (1) the Associate Lay Leader of Life and Work, the four District Lay Leaders, the four District Presidents of the United Methodist Women, the four District Presidents of United Methodist Men, all United Methodist Deaconesses active and retired within the bounds of the Peninsula Annual Conference, all certified Directors of Christian Education employed by churches of the Peninsula Annual Conference, and all other voting lay persons of the Conference Council on Ministries, shall be members in the Annual Conference with vote; (2) each pastoral charge enrolling more than 500 members, but having only one clergy member appointed to it, may elect one additional lay member, and further, that a pastoral charge having more than one clergy member appointed to it may elect one additional lay member, provided that more than 1,500 members are enrolled; and (3) the Conference Council on Youth Ministries shall elect as many youth members as needed to maintain a balance, divided equally among the districts.
- Rule 26: All budget requests must be referred to the Council on Finance and Administration prior to Annual Conference action.

- Rule 27:** All statistical material for inclusion in the Statistical Tables to be printed in the Annual Journal must be in by January 30 or it will not be included.
- Rule 28:** In keeping with paragraph 746 in the 1988 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

## Rules and Guidelines for the Conference Nominating Committee

### A.

1. That the Peninsula Conference again record its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Council Director.
3. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
4. That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall not be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. See Conference Rule #23, page 413, 1987 Conference Journal.
5. That no member of the Conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the Conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., the Episcopal Residence Committee, and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the Conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.
6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.

7. That ministerial membership on Annual Conference boards and agencies shall be limited to Conference members and associate members of the Peninsula Annual Conference. In order to be eligible to serve on the Conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select other persons as affiliate members without vote.
8. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Page 98 of the 1988 Book of Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
10. That one representative of the Program Management Team shall be selected to serve on each Conference board and on all other support agencies except where the Book of Discipline states otherwise.
11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.
12. That the Conference Nominating Committee designate persons to serve as Chairperson, Vice Chairperson, and Secretary for Boards, Commissions and Committees. Boards and Committee members will be notified in advance of their officer nominations. The Program Management Team Member assigned to each unit will convene the first meeting and present the nominations of officers. Additional nominations may be received from the members of that unit. The officers elected at the meeting shall serve for the quadrennium. \*Except where the Book of Discipline directs otherwise, the Vice-Chairperson will succeed the Chairperson in the event of a resignation. The board or commission shall elect a new Vice-Chairperson.

The following Criteria for Leadership shall be used in the selection of Chairperson:

1. Willingness to commit time as required by the position.
  2. Willingness to commit time for training for the responsibilities of the office.
  3. Have an understanding of and a willingness to support the polity of the United Methodist Church.
  4. A demonstrated leadership ability in the local church.
13. That the date of election to any board, commission or committee be clearly indicated in the journal.

14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. That recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

#### B.

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laity in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to the members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each one is serving in terms of Conference boards and agencies. Laity should likewise be listed on a similar file. A third file would be divided between ministers and laity as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident).
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs.," "Miss," or "Mr." shall not be used in the preparation of the Nominating Committee report.

### Miscellaneous

1. That the council director, and associate council directors, not be elected to boards and agencies under the Conference rotation, but serve only as ex-officio where assigned by the council director.
2. That two high school youth (preferably in the 10th and 11th grades) shall be members of all program boards of the Conference Council and on the Conference Council on Ministries on assignment by the Conference Youth Council.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153).

## B. DAILY PROCEEDINGS

Friday Afternoon, June 11, 1993

**CLERGY EXECUTIVE SESSION:** Bishop Susan Murch Morrison called the session to order at 12:30 pm in the Sanctuary of Antioch United Methodist Church, Princess Anne, Maryland and led the body in through the report in the context of a worship service.

The Rev. H. David Loughery, Lancaster District Superintendent, Eastern Pennsylvania Conference, was granted courtesy seating.

The Rev. Dr. Ashley A. Maxwell, Chair of Board of Ordained Ministry, gave the Board's response to Question 17 and explained the procedure used in arriving at their answer. It was accepted by the session.

The Rev. Dr. Jonathan Baker presented this policy recommendation:

In 1989, the Peninsula Conference passed a policy relating to clergy transferring into our Conference as Probationary Members/Deacons. That policy reads as follows:

"A pastor transferring into the Peninsula Annual Conference as a probationary member/deacon shall be required to serve under appointment in the Peninsula Annual Conference for two years before being eligible for full membership and elders orders."

This policy was adopted to provide the opportunity for two years of supervision within **our Conference** before a person would be considered for full membership and elders orders.

While there is wisdom in providing this time of supervision, it may also be restrictive in certain situations and such a decision should be made on a case-by-case basis, rather than as a general policy. The Board of Ordained Ministry recommends that deletion of this policy which would allow BOOM to operate under the guidelines as specified by the Discipline.

The Discipline in P. 435 states:

Ordained ministers of the following classes are eligible for the order of elder:

1. Deacons who have been probationary members of an Annual Conference, are graduates of theological schools listed by the University Senate, and have been elected to membership in full connection with an Annual Conference after having met the requirements of P. 424.

P. 424 **Requirements for Admission.** - Candidates who have been probationary members for at least two years may be admitted into membership in full connection in an Annual Conference by vote of the clergy members in full connections, on recommendation of the Board of Ordained Ministry, after they have qualified as follows. They have: (1) served full time under episcopal appointment for at least two full Annual Conference years following the completion of the education requirements specified in 3 (b) below ....

Following the Discipline affirms our connectal system while allowing for flexibility and adjustment to this policy if the Bishop or BOOM deems it necessary.

This policy recommendation was adopted.

WHEREAS, the religious denomination known as The United Methodist Church and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of their Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

**NOW THEREFORE BE IT RESOLVED:**

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1990 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**WHEREAS:** The President of the United States has pledged to implement taxpayer funded abortions and experiments using aborted fetuses; and

**WHEREAS:** It has pledged to pass the Freedom of Choice Act, which would federally ban all non-medical state abortion restrictions, including parental notification, informed consent, and waiting periods of any length; and

**WHEREAS:** Over 90% of all abortions are sought for birth-control reasons, and over 43% of women seeking the procedure already have had one, two, three, or more abortions; and

**WHEREAS:** The primary official voice of the United Methodist Church on the abortion problem is that of United Methodist agency representatives who serve on the board of the Religious Coalition for Abortion Rights (RCAR), which is a political lobby for taxpayer-funded abortions and The Freedom of Choice Act; and

**WHEREAS:** The United Methodist Church still calls itself a church of Jesus Christ the Savior, who came to save lives deemed unwanted by the world, and who established His Church, which has historically spoken without equivocation for the sanctity of unborn life and against elective abortion; and

Vernon United Methodist Church, Sharptown, Maryland to study and recommend to the 1994 Session of Annual Conference ways for the Conference to speak (alone or in conjunction with like-minded conferences) with a direct and official voice to promote the sanctity of unborn life, to minimize the practice of elective abortion within the church and at state and federal levels, to work to prevent public funding of abortion, and to protest experiments on aborted human fetuses and aborted or test-tube-conceived human embryos.

**WHEREAS:** The official United Methodist position on Abortion (Para. 71G, 1992 Book of Discipline) confirms our respect for the "sacredness of life", the "well-being of the mother" and the "sanctity of unborn human life"; emphasizes that abortion should never be used as a "means of birth control or gender selection"; and calls on "the church to provide nurturing ministries to those persons who terminate a pregnancy" and "to those who give birth"; and

**WHEREAS:** Persons with crisis pregnancies who turn to United Methodist laity or clergy may choose an abortion for birth-control or gender-selection reasons due to a lack of maternity shelter or adoption services; and

**WHEREAS:** A ministry providing alternatives to abortion would be a valid expression of Christian compassion and in harmony with our stand as United Methodists;

**THEREFORE BE IT RESOLVED:**

1. That the Bishop appoint a Task Force for Abortion Alternatives comprised of 12 members, half of whom shall be individuals already involved in abortion-alternative programs, which shall study the need for ministries in this Conference for persons seeking an alternative to abortion. The areas to be studied should include adoption services, maternity homes, promotion of abortion alternatives by local churches, as well as adequacy of pastoral awareness and training to encourage abortion alternatives.

2. That this Task Force report the level of involvement by United Methodists in this Conference who may be engaged in any phase of abortion prevention, as distinct from pregnancy prevention, in order to promote and strengthen those efforts.

3. That if no specific United Methodist programs be found, that this Task Force study the feasibility of starting new abortion-prevention ministries by this Annual Conference or by concerned local churches.

4. That the Conference Council on Finance and Administration provide reasonable funds for the expenses of this Task Force from Contingency Funds.

5. That this Task Force report its findings and recommendations to the 1994 Session of this Annual Conference for action.

### C. ADOPTED CONFERENCE ACTIONS

#### 1. BOARD OF PENSIONS:

1. The Past Service Rate for 1994 be \$295 per year of approved service.

#### 2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THE PENINSULA-DELAWARE ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of the United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of their Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1994 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or of any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

**NOTE:**

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**2. COMMISSION ON EQUITABLE COMPENSATION:**

**Minimum Salary**

The Commission on Equitable Compensation makes the following minimum salary recommendations for 1994:

Full-Time Elder	\$19,500
Probationary/Associate	\$17,800
Full-Time Local Pastor	\$16,500
Student Pastor	\$14,000

Service increments to be held at \$125.00 per year up to 15 years.

Reimbursement for travel expenses during 1994 will be at the rate set by the Internal Revenue Service for that year.

**Pastor Moving Policies**

It is the recommendation of the Peninsula-Delaware Conference Commission on Equitable Compensation to the 1993 Annual Conference Session that effective January 1, 1994, the policies of the Peninsula-Delaware Conference, with regard to the moving of pastors, are as follows:

(Definition of terms: Term "pastor" shall refer to persons under appointment, whether as an employee of the District Superintendent without a relationship to the Conference, as a local pastor, or any category of Conference relationship, including persons from other conferences serving under appointment of our Bishop and retired supply pastors.

Term "charge", whether receiving or sending, shall refer to the station, charge or agency to which the pastor is appointed.)

1. The receiving charge will be responsible for moving or paying for the move of the incoming pastor and his/her household, within the bounds of the Conference, or from the closest reasonable border of the Conference. Where the District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree as to how the move will be made.

2. The receiving charge shall be responsible for the replacement, repair, or restoration of any of the pastor's household belongings in case of damage, breakage, or loss during the move, by providing adequate (at least replacement value) insurance through the moving company, or as a self-insurer (by agreeing, in writing before the move, to be the insurer). The District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree over any claim.
3. The pastor shall be responsible for the packing of his/her household goods, preparatory to moving, whether packing themselves or paying for it to be done by others. An exception can be granted by the District Superintendent of the receiving charge, when, in the judgment of the Superintendent, a pastor/parsonage family is unable to handle the task of packing and/or unpacking. If the receiving charge does not pay for such packing and/or unpacking, the District Superintendent of the receiving charge shall submit the bill to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation.
4. The Conference shall be responsible for moving or paying for the move under any of the following circumstances/conditions:
  - a) when a pastor retires from active ministry, except when he/she is moving to a charge to continue service (e.g. as a retired supply pastor);
  - b) when a pastor serving as a retired supply pastor discontinues serving in that capacity;
  - c) when a pastor becomes completely disabled (as determined by the General Board of Pensions or the Peninsula-Delaware Annual Conference Session); or
  - d) when there is a surviving household to relocate, in the case of a pastor's death while serving a charge.

This will apply only to moves within the bounds of the Conference, or that portion of the move to the closest reasonable border of the Conference. The District Superintendent of the charge shall submit the bill for such move to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation. This will only be available one time within a ten year period to any given pastor.

5. When a change of appointment occurs such that a receiving charge would have to pay for a second move (for the same position) within any given four year period, the receiving charge can request assistance from the Conference to pay for the second move. The request shall be made through the receiving charge's District Superintendent, who will submit the bill to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation. The maximum reimbursement for the second move would be according to the following schedule:
  - a) when a pastor moves after one year - 75%
  - b) when a pastor moves after two years - 50%
  - c) when a pastor moves after three years - 25%

6. It is the responsibility of the moving pastor to leave the parsonage and office in good order for his/her successor.

As to the parsonage:

- a) the buildings and facilities should be clean and in good repair;
- b) trash and unwanted items should have been removed;
- c) agreements should be negotiated by which the moving pastor shall pay for damages the pastor/parsonage family/parsonage pet is responsible for;
- d) keys for all locks should be tagged and left;
- e) the phone number should be left the same;
- f) lists should be left of persons/companies to call in emergencies or for repairs/service, of where appliance manuals can be found, and of locations of screens, lawn mowers, etc.

As to the office:

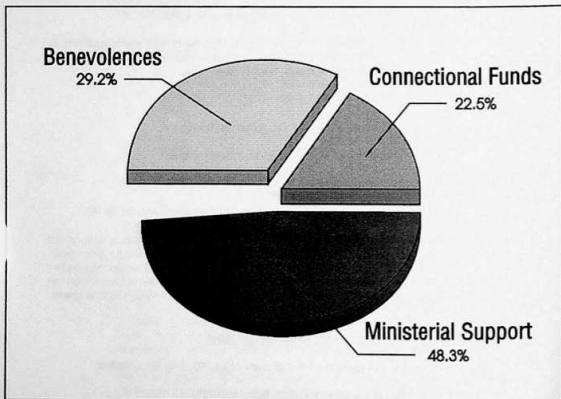

- a) the phone number should be left the same;
- b) keys for all locks should be tagged and left;
- c) files should be up-to-date and in good order;
- d) lists of immediate or necessary information should be left.

7. None of these policies shall financially obligate the Conference beyond the approved budget for moving pastors/parsonage families in any given year. Where the bills to the Conference for packing (#3 above) and/or moves (#4 and #5) exceeds the approved budget for moving, the Commission on Equitable Compensation will decide how available monies shall be spent.

### **3. COUNCIL ON FINANCE AND ADMINISTRATION:**

1. That the 1994 Budget, in the amount of \$4,797,119, be adopted.
2. That 0.38 be the apportionment factor for 1994.
3. In the event payments on apportionments fall short of the budget, C.F.& A. shall determine where to adjust the 1994 Budget.

---

The 1994 budget has been organized into three major categories:

- I. Benevolences
- II. Connectional Funds
- III. Ministerial Support

A summary of the budget with category descriptions is found on the following page. The pages that follow list all the line items that make up each category along with a brief description of the ministries the line item provides. We trust this information will be a useful tool in understanding both the budget and the ministry it supports.

Since some groups in the Annual Conference are involved in more than one category, their budget is appropriately divided among those categories. For example, since the work of the Board of Global Ministries involves both benevolence and connectional ministries, one portion of its request appears under "Benevolences" and the other under "Connectional Funds".

#### **4. THE ARISTIDE RESOLUTION:**

**WHEREAS**, Father Jean-Bertrand Aristide, a Roman Catholic Priest, was elected President of Haiti on December 16, 1990, receiving 67.7 percent of the vote from a field of eleven candidates; and

**WHEREAS**, the election was monitored by an international and United Nations observer team which included former President Jimmy Carter and was the first democratic election in the history of Haiti; and

**WHEREAS**, a military coup d'etat on September 30, 1991 forced President Aristide to flee the country; and

**WHEREAS**, five days later the 34 member nations of the Organization of American States unanimously condemned the coup, called for Aristide's return and called for a complete trade embargo against the illegal military regime; and

**WHEREAS**, a ten member delegation from the First United Methodist Church of Germantown, Philadelphia, PA led by C. Richard Cox, a member of the Peninsula-Delaware Annual Conference went to Haiti in December 1992 where it documented oppression and the violation of human rights; and

**WHEREAS**, a peasant man living in hiding pleaded "be my voice in the United States."

**THEREFORE BE IT RESOLVED** that the Peninsula-Delaware Conference of The United Methodist Church:

1. call upon the Clinton Administration to demand the prompt safe return of President Aristide;
2. call for a full and complete international embargo on all but humanitarian aid;
3. call upon the U.S. government to stop discounting documented cases of human rights violations;
4. call on all governments, but especially that of the U.S., to freeze the assets of the coup leaders and to revoke their visas;
5. call on the U.S. government to halt the return of political refugees (the boat people) and to grant them temporary asylum (in legal terms, temporary protected status) and access to legal counsel as they file for asylum;
6. instruct the Conference Secretary to send a copy of this resolution to the President of the United States, the Secretary of State, both U.S. Senators from Delaware and Maryland, all Congresspersons representing districts within the Conference, and to President Aristide.

#### **5. RESOLUTION ON STUDY OF HOMOSEXUALITY:**

**WHEREAS**, "God has reconciled us to himself through Christ, and has given us the ministry of reconciliation" (II Corinthians 5:18); and

**WHEREAS**, the interpretation of homosexuality has proved to be particularly troubling to conscientious Christians of differing opinion; and

**WHEREAS**, important biblical, theological, and scientific questions related to homosexuality remain in dispute among persons of good will; and

**WHEREAS**, scripture teaches that "those who love God must love their brothers and sisters also" (1 John 4:21 NRSV); and

**WHEREAS**, loving another person means moving beyond us verses them attitudes with a commitment to know and understand that person; and

**WHEREAS**, the 1993 General Conference decided that the study of homosexuality conducted by the General Council on Ministries during the 1989-1992 quadrennium be made available for study across the whole church; and

**WHEREAS**, the 1992 General Conference recommended the development of resources consistent with the Social Principles of the United Methodist Church which supports ministry to and with homosexual persons by local churches, with the understanding that these resources will reflect diversities of informed viewpoint; and

**WHEREAS**, The United Methodist Church Publishing House is developing these study materials and resources to provide the church with ways to study the issue of homosexuality and its relation to the church;

**THEREFORE, BE IT RESOLVED THAT** the congregations of the Peninsula-Delaware Conference commit themselves to offer this study to their members during this 1993-1996 quadrennium.

**6. RESOLUTION TO ENCOURAGE CONSERVATION OF RESOURCES OR "TALENTS" ENTRUSTED TO US:**

**WHEREAS**, "The earth is the Lord's, and the fullness thereof" (Psalm 24:1; 1 Corinthians 10:26); and

**WHEREAS**, we are enjoined to exercise responsible stewardship over that part of the earth that is placed within our control, until the Master's return (Matthew 25:14-28); and

**WHEREAS**, energy, in whatever form it is transported (typically as electricity, as natural or manufactured gas, as a petroleum product, or as coal), either is a part of the earth, or came into being by transforming a part of the earth; and

**WHEREAS**, we do take control of a portion of the Lord's earth whenever we start the engine in any automotive vehicle; and

**WHEREAS**, the 1980 General Conference affirmed the absolute requirement for humans to change our patterns of deriving and using energy (Book of Resolution, pp 57-62); and

**WHEREAS**, the 1980 General Conference affirmed the major role that conservation can play in that change and expressed support for "a strenuous national effort to conserve energy," noting that it is job-producing and non-polluting; and

**WHEREAS**, the 1980 General Conference affirmed a limit to the non-renewable resources available to us, and to the capacity of our environment to absorb poisonous wastes; and

**WHEREAS**, the 1980 General Conference included among conservation measures the use of insulation, cogeneration, recycling, public transportation, more efficient motors in appliances, more efficient engines in automotive vehicles, as well as elimination of waste and simplified lifestyle; and

**WHEREAS**, the 1980 General Conference encouraged all United Methodist Churches to be models in embracing the appropriate measures above, and in exploring the use of renewable energy sources such as solar energy; and

**WHEREAS**, solar energy installations yield immediate savings for the environment, and pay for themselves within eight years (well within the length of time planned for most buildings), thereafter yielding savings to the "owner" (Porter Energy Products, 699 Elk Mills Road, Elk Mills, Maryland 21920); and

**WHEREAS**, the 1980 General Conference urged all United Methodists to seek ways to conserve their own energy consumption, to eliminate waste, to assess transportation patterns, and to simplify lifestyles; becoming a model for sound stewardship of the limited resources, or "talents", entrusted to us.

**THEREFORE BE IT RESOLVED**, that the Peninsula-Delaware Annual Conference call upon the leaders of each local church to make their operations as conservationist as possible by such means as appropriate, insulating where needed, recycling, purchasing the most efficient new or replacement equipment, and, of course, seeing that all utilities are "off" when not in use.

**BE IT FURTHER RESOLVED**, that the Peninsula-Delaware Annual Conference call upon each congregation now in the process of planning or building new facilities to seriously consider using solar energy for heating space, or water, or both; keeping in mind that in a population that is expanding as ours is, buildings planned for once a week occupancy may well be called on for more extended use.

**BE IT FURTHER RESOLVED**, that the Peninsula-Delaware Annual Conference call upon each local church to urge their members to practice all the means of conserving discussed above.

**BE IT ALSO RESOLVED**, that the Peninsula-Delaware Annual Conference use whatever means it has, such as The Communicator, to keep the need for conservation in the consciousness of its members.

#### **7. ABORTION STUDY COMMITTEE:**

That a task force representative of a cross section of our Conference be appointed by the Conference Council on Ministries to study the United Methodist Disciplinary position on abortion Para 71H and report to the 1994 Annual Conference the ways local churches can be supportive of this position.

**8. RESOLUTION TO RECOMMEND A CONFERENCE ADVANCE PROGRAM FOR PENINSULA-DELAWARE ANNUAL CONFERENCE:**

**WHEREAS** the Book of Discipline (Para. 727) provides for a Conference Advance program to support and recommend Conference Advance Specials which are consistent with the goals of the General Advance within the bounds of an Annual Conference; and

**WHEREAS** the Peninsula-Delaware Conference Board of Global Ministries is excited about many emerging ministries around our Conference and recognizes their funding needs; and

**WHEREAS** the ministries of The Howard Bailey Life Enrichment Program, The Salisbury Cooperative Urban Ministries, and The Revolving Loan Fund are all consistent with the 1994 Goals of witnessing the Gospel, strengthening Christian congregations, alleviating human suffering and seeking justice, freedom and peace which have been presented by the Peninsula-Delaware Conference Board of Global Ministries;

**THEREFORE BE IT RESOLVED** that we, the Peninsula-Delaware Annual Conference, accept a 1993-1994 Conference Advance Program which includes The Howard Bailey Life Enrichment Program, The Salisbury Cooperative Urban Ministries, and The Revolving Loan Fund as Conference Advance Specials.

**9. RESOLUTION FOR SPECIAL DAY OFFERING FOR THE SALISBURY COOPERATIVE URBAN MINISTRIES:**

**WHEREAS** it has been the practice of the Peninsula-Delaware Annual Conference to affirm special Sundays to encourage ministries within the bounds of the Annual Conference; and

**WHEREAS** The Salisbury Cooperative Urban Ministries has been a rallying point for ministry and mission for The United Methodist Churches in the City of Salisbury, Maryland; and

**WHEREAS** The Salisbury Cooperative Urban Ministries is trying to reach out in the name of Christ and The United Methodist Church to children-at-risk and families in need; and

**WHEREAS** The Salisbury Cooperative Urban Ministries will serve United Methodist Churches by providing program resourcing; and

**WHEREAS** The Salisbury Cooperative Urban Ministries' program, like any emerging ministry, needs adequate and stable funding to insure effective and on-going ministry;

**THEREFORE BE IT RESOLVED** that the Peninsula-Delaware Annual Conference recommend to the Conference Council on Ministries and Council on Finance and Administration that a Conference-wide Special Giving Sunday in the Fall of 1993 be set aside and promoted for Salisbury Cooperative Urban Ministries.

**BE IT FURTHER RESOLVED** that each and every congregation be encouraged to fully participate in this offering.

## **10. POLICY STATEMENT OF SEXUAL MISCONDUCT INVOLVING CLERGY:**

### **INTRODUCTION**

The pastoral office is a position of great trust, responsibility, and power. This trust and this responsibility provide the opportunity for unique relationship of grace and caring. Persons in pastoral roles sometimes violate the trust given them by the abuse of their power. Sexual misconduct, which includes harassment and sexual abuse, is one of the gravest violations of this trust.

The intent of this policy by the Peninsula-Delaware Conference is to provide guidance to laity, clergy and lay employees of the Annual Conference and the local church in cases of sexual harassment, sexual misconduct and abuse. Moreover, this policy works toward the end of providing for the safety of parishioners by ensuring a protective climate, protecting the special relationship between pastors and those to whom they minister, and ensuring the health and authenticity in pastoral ministries. It is our hope that the existence of a policy, including procedures for complaints, will act as a deterrent against inappropriate behavior.

### **THEOLOGICAL STATEMENT**

**As God who called you is holy, be holy yourselves in all your conduct. Tend the flock of God that is your charge, not under compulsion, but willingly, not for sordid gain, but eagerly, nor lord it over those in your charge but be examples to the flock.**

**1 Peter 1:15, 5:2**

We believe that all persons are created by God, and worthy of dignity and respect. God created us as embodied sexual beings, male and female; there is no dichotomy between body and spirit - our selves are not separate from our bodies. God calls us to honor the bodies of our neighbors and their authority over their own bodies. God calls us into covenant with each other within the community of God. God, through the church, calls pastors to witness to the preciousness of bodies, our own and others, and to declare that each person is unique and of divine worth. In light of these understandings, when we honor the complete integrity of another, we honor and remember the body of Christ.

Sexual misconduct, harassment and/or abuse are violations of an individual's integrity. In the Genesis stories and in the life, death, and resurrection of Jesus, we affirm that we are created in the image and likeness of God. To harass or abuse another person sexually is to deny that value. This is a sin against God and other persons.

### **DEFINITIONS**

Sexual Misconduct is an abuse of power through sexual harassment, contact or activity (not limited to sexual intercourse) in which the clergyperson violates the free choice, or abuses the vulnerability of a parishioner, client, church staff person, colleague or student (adult, teen or child), or causes or allows the parishioner, client, church staff person, colleague or student to engage in sexual behavior with the clergyperson.

Sexual misconduct breaks the sacred trust inherent in ordination. Any such sexual misconduct shall be seen as an offense by the clergyperson who then bears the responsibility of his or her behavior. Clergy sexual misconduct is always a social issue that harms the church even as it harms individuals.

Sexual misconduct is exploitive, abusive, and a violation of ethics.

1. It is a violation of role. The pastoral relationship presupposes certain role

expectations. Sexual contact is never part of the pastoral, professional role.

2. It is a misuse of authority and power. The role of pastor/counselor carries with it authority and power and the attendant responsibility to use this power to benefit the people who call upon the pastor/counselor for service. Even if it is the parishioner who initially sexualized the relationship, it is still the pastor/counselor's responsibility to maintain the professional boundaries of the pastoral relationship.
3. It is taking advantage of vulnerability. The parishioner, client, colleague, employee, student is vulnerable to the pastor in many ways. He/she is predisposed to want to believe the pastor will act in ways that contribute to his or her well being.
4. It lacks meaningful consent. Meaningful consent assumes that both parties have equal power in the relationship. In a pastoral relationship the power is always imbalanced on the side of the pastor. Therefore, the pastor is always responsible for keeping the relationship free from sex or sexual innuendo since the difference in role makes meaningful consent impossible.

Sexual Harassment is any unwanted sexual advance or demand, either verbal or physical, which is perceived by the recipient as demeaning, intimidating or coercive. It may include attempts to coerce an unwilling person into a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply. Harassment may involve a wide range of behaviors from verbal innuendos and subtle suggestions to overt demands and physical abuse. Sexual harassment must be understood as an exploitation of a power relationship.

Sexual Abuse is a sexual invasion of the body by force, an incursion into the private, personal inner space without consent. It is also an internal assault; a deliberate violation of emotional integrity, a hostile, degrading act of violence.

The Grievant: This is the person who submits either an informal or a formal complaint alleging sexual misconduct. The grievant may or may not be the person experiencing sexual misconduct. For example, a family member, friend or colleague of the person experiencing sexual misconduct may be the grievant whose information initiates the complaint.

The Person Experiencing Sexual Misconduct: If this is a child, an adult grievant shall submit the complaint and relate pastorally to that child and the child's family throughout the process. Although a grievant other than the adult experiencing sexual misconduct may initiate the complaint, the adult experiencing sexual misconduct will need to submit an affidavit for the process to go forward.

Victim: The term "victim" is avoided throughout this statement and should not be used throughout the procedures outlines because it perpetuates perceptions of powerlessness rather than enabling those who experience abuse of power to become survivors.

Accused: The term "accused" is used to represent the person against whom a claim is made of sexual misconduct or sexual harassment.

#### **DISCLOSURE**

Just as God's gift of forgiveness cannot be appropriated without confession and repentance, so the process of healing for individuals, the congregation and the

connectional church includes the appropriate disclosure of information. Truth-telling has the power to release persons-both perpetrators and those who have experienced sexual misconduct-from the bondage of secrecy, denial and guilt resulting from such an abuse of power. Disclosure needs to be made to those who need to know, including the congregation.

When bringing incidents of clergy sexual misconduct to the attention of proper authorities, the greatest possible care shall be taken to assure that the least possible additional harm is done to the grievant(s) and/or the person(s) experiencing clergy sexual misconduct, the accused, the clergy family, and the congregations(s). Procedures will be followed responsibly to ensure fairness and justice. Disclosure should never involve revealing the identity of the person(s) experiencing clergy sexual misconduct or of facts that would readily identify the person(s) without written permission.

Four important reasons justify appropriate disclosure of the problem of clergy sexual misconduct to a congregation whose pastor has either resigned to avoid disciplinary proceedings or who faces such proceedings:

1. It is easier for a congregation to deal with anything, no matter how unpleasant, if it is confronted openly rather than shrouded in secrecy. The truth is always better than lies or rumors. Allegations of sexual misconduct are particularly susceptible to rumors and distortions that over time could destroy a congregation. Disclosure is the first step in the healing process for the congregation's future health and well-being.
2. Disclosure is also necessary for the church to fulfill its mission to reach out to people who need the love, healing and reconciliation that are the heart of the Gospel of Jesus Christ. This includes reaching out to persons who have experienced sexual misconduct but have not confronted and dealt with the problem. It also includes reaching out to parishioners whose lives have been disrupted by the sudden and apparently inexplicable disciplining or resignation of their pastor. It further includes reaching out to the accused pastor and to that pastor's family. Disclosure may also help to prevent future abuse within the congregation.
3. Clergy facing accusation and disciplinary proceedings are entitled to due process and cannot serve or prepare an appropriate defense when surrounded by rumors. On the other hand, clergy who in fact have been involved in sexual misconduct cannot necessarily be relied upon to be truthful in working with the Pastor Parish Relations Committee or congregation. Appropriate disclosure is part of the intervention to confront and resolve misconduct so that all parties involved, including the clergyperson and clergy family, are offered steps toward healing.
4. Disclosure may also be required to help protect both the congregation and the Peninsula-Delaware Conference from potential legal liability for the actions of clergy involved in sexual misconduct. As the problem of clergy sexual misconduct is increasingly recognized and dealt with, there is likely to be increased litigation by those who have experienced it seeking legal redress for the pain and hurt they have suffered. The first step in confronting such problems of potential legal liability is disclosure.

#### **GUIDELINES FOR DISCLOSURE**

1. Disclosure should not reveal by name the identity of the grievant or any one experiencing clergy sexual misconduct unless a person has specifically requested

identification. Likewise, care should be taken to avoid disclosure of facts likely to reveal the identity of such persons.

2. Disclosure of other information should be accurate and as factual as possible. It shall be sufficiently complete to provide a clear understanding of the charges and to protect others from further misconduct. Disclosure should also make clear the nature of the process, the pastor's right to due process and the presumption of innocence until proven guilty.
3. Information on what, in our church's understanding, constitutes sexual misconduct and how the pastor's action allegedly violates these expectations of ordained ministers should be provided.
4. Where a pastor has resigned without admitting guilt, and before a formal hearing, the disclosure should refer to the allegations of misconduct but should also state that the pastor denied the allegations if that be the case.
5. It is appropriate to describe the conduct of which the pastor is accused or to which the pastor has admitted including identifying whether the alleged behavior is heterosexual or homosexual and involved minors or adults.
6. Information should be given as to how members of the congregation can obtain assistance if needed. Names of contact persons and how to contact them should be provided.
7. The congregation should be informed of steps taken to provide care for the person(s) experiencing clergy sexual misconduct, the pastor in question and their families.
8. Disclosure will ordinarily not be made to either the secular or church media, but the bishop's office should be prepared to answer media inquiries. Any inquiries from the media must be directed to the bishop or those designated by the bishop.

## PROCEDURES

### **I. Assumptions**

- A. All written and signed allegations of sexual harassment or misconduct will be taken as worthy of full investigation.
- B. The accused clergyperson is presumed innocent until completion of the process. Thereafter, the reached conclusion will apply.
- C. The rights of all those involved, the grievant and/or the person(s) experiencing sexual misconduct, the accused, the families of each, the congregation or institution, shall be protected until all facts have been considered and the appropriate action determined.
- D. Reports shall be dealt with as matters of highest confidentiality before and after they have been submitted to the appropriate authorities outlined below.

## II. Sexual Harassment

### A. IF YOU ARE SEXUALLY HARASSED. . .

1. Inform the harasser firmly and clearly that you do not want the behavior. This action, in many cases, will resolve the issue.
2. If harassment persists, keep a journal which documents all incidents of sexual harassment, including dates, times and descriptions of the incidents. Record the names of any witnesses. If you receive any written letters, cards, etc from the harasser, keep them.
3. If harassment persists, seek advice and counsel from an objective person. You may wish to involve this person in subsequent phases of the process.
4. Contact the individual in writing: be specific about the act(s) which you consider to be sexual harassment, and state that sexual harassment is a violation of civil rights.
5. Contact the district superintendent if the behavior requires further action.

### B. IF YOU ARE ACCUSED OF SEXUAL HARASSMENT. . .

1. When there is NO SUBSTANCE to the allegation. . .
  - a. Meet with the grievant to resolve the issue. Take an objective person with you. Invite the grievant to do the same. Document the actions taken to resolve the issue.
  - b. If the issue cannot be resolved by personal contact...
    - i. Inform the district superintendent, the bishop, or supervisor. You may want to take an objective person with you.
    - ii. Present the situation to a member of the Pastor-Parish Relations Committee or personnel committee.
2. When there is SUBSTANCE to the allegation. . .
  - a. Try to make contact with the grievant. If there is to be a face to face meeting, take an objective person with you, and invite the grievant to do the same. Try to reach a solution including some form of restitution. Document the agreement and actions taken.
  - b. If no resolution can be reached, document the meeting and contact the district superintendent.

### C. IF SEXUAL HARASSMENT IS REPORTED TO YOU. . .

1. Listen objectively and take it seriously.
2. Help the grievant follow the steps outlined above.

### III. Child Sexual Abuse

- A. There is NO discretion. It must be reported. It is very important to inform the grievant of the intention to report to a state agency and to encourage and empower the grievant to report it if possible. After calling authorities, report back to the grievant about the response and continue to offer support.
- B. Contact the appropriate district superintendent or supervisor.
- C. Do not try to resolve the issue with the alleged abuser without first reporting the incident and getting professional guidance.

### IV. Clergy Sexual Misconduct

- A. The grievance shall be brought to the district superintendent or the bishop by the person experiencing sexual misconduct and/or a third party grievant and is willing to pursue a resolution. The grievant(s) is encouraged to bring another person for support to any meeting throughout the process.
- B. The district superintendent shall inform the grievant of the seriousness of making the allegation of sexual misconduct and explain the process.
- C. In order to proceed, the district superintendent shall obtain an affidavit from the person experiencing sexual misconduct. It should include alleged incidents of clergy misconduct, the dates and times, and record names of any witnesses.
- D. The district superintendent shall promptly share the grievance with the bishop.
- E. The bishop or a designated person shall explain and give a written outline of the process to the grievant.
  - 1. The grievant, as well as the accused, shall be encouraged to bring someone with them to any meeting or hearing.
  - 2. Total and complete confidentiality is expected of all persons who attend any meeting or hearing in the process.
  - 3. The explanation should be done in the presence of another person(s), chosen by the bishop; at least one of the persons chosen should be of the same gender as the grievant.
  - 4. If the alleged misconduct is current, the bishop may initiate intervention to interrupt it.
- F. In cases with multiple grievants, some may wish to be put in touch with each other. Consult legal counsel as well as asking permission from each grievant before doing this.
- G. The Bishop or a designated district superintendent shall meet with the accused clergy person to . . .
  - 1. Show the allegations made against the accused.

2. Explain and give a written outline of the process to be followed, including ¶ 454 and ¶ 2626. Immediately notify the accused of the accusations and advise accused to have no further contact of any sort with the grievant, the grievant's family, nor to engage in or cause retaliation of any kind against them.
  3. Receive the pastor's written and signed response to the allegations. The accused will be given a reasonable period of time, not more than a week, to consult with family, attorney or other advisors before making the response. The bishop and designated district superintendent should be as supportive of the clergyperson and family as appropriate under the circumstances. Any attempt by the accused to delay a written response unreasonably will result in the initiation of disciplinary proceedings.
- H. When allegations of sexual misconduct against a pastor are made, the bishop shall communicate in writing with the Chairperson of Pastor-Parish Relations Committee, or other appropriate personnel committee, concerning the nature of the allegations and the procedures which will follow. **The information in the letter is to be kept confidential until the work of the response team is completed.**
- I. The Bishop will initiate the response team process and pass on both the affidavit with allegations and the written response to the team.

#### V. Standing Committee on Sexual Misconduct

- A. The Standing Committee on Sexual Misconduct shall be appointed by the bishop to act as a facilitator to respond quickly and objectively with sensitivity and concern to reports of sexual misconduct. The bishop shall specify a chairperson for the committee.
- B. The Standing Committee shall have these primary functions:
1. Recruit members for the Sexual Misconduct Response Team pool.
  2. Oversee the training of pool members.
  3. Be responsible for the education of clergy members and chairpersons of Pastor/Staff Parish Committees about the Sexual Misconduct Policy.
  4. Recommend changes in the Policy Statement on Sexual Misconduct.
  5. After initial training, the Committee should meet no less than three times a year to review this process, keep it updated, and continue professional training.
  6. The Chairperson of the Committee shall select members of the Response Team when needed, appoint a chairperson for that team, and deploy them at the request of the bishop or the district superintendent.
  7. The Standing Committee on Sexual Misconduct shall be responsible to the bishop.

## VI. Sexual Misconduct Response Team

### A. Organization:

1. Response teams, drawn from the pool, will be chaired by a member of the Standing Committee. The Response Team will work with and be available separately to the grievant, the accused, the families involved, the congregation, coworkers of the parties involved, and the Joint Review Committee.
2. Response teams will be composed of no fewer than five people and should include someone with expertise in the area of counseling/therapy in sexual or domestic abuse. Consideration should be given to ethnic and language factors where appropriate. Resource persons such as psychological counselors, legal and insurance professionals should be available to the team.
3. The Response Team pool members must be trained to respond to allegations of sexual misconduct and to identify and recognize the issues involved in sexual misconduct, sexual harassment, and child sexual abuse. Pool members must be familiar with the legal, administrative and disciplinary procedures of the Book of Discipline.
4. Both Standing Committee and pool members should commit to serve for a period of no less than three years to ensure a professional level of experience, skill, and continuity. New classes of members should be brought "on-board" through training and orientation so that there will not be a gap in the availability of trained persons to respond to allegations of sexual misconduct.

### B. Functions:

1. The Response Team will serve the following primary functions:
  - a. Receive the written report of sexual misconduct from the district superintendent or the bishop.
  - b. Act as a neutral party, listening and collecting information, presuming the innocence of the accused, and insuring the safety of the grievant.
  - c. Shall be in contact with the district superintendent as appropriate.
  - d. Any meetings with the grievant and the accused will be held separately. All involved will be informed of the options including participation in that process or immediate appeal to the trial process as provided by the Book of Discipline. No effort will be made to limit the person's options in any way. Members of the Response Team will provide emotional and spiritual support for both the grievant and the accused in any way possible.
  - e. Since time is important, the response team shall begin its inquiry of the allegations as soon as possible, within 10 days from the time the bishop calls on the response team to begin

their work. Delays should be avoided whenever and wherever possible in this process.

- f. Confirm that civil authorities have been notified if applicable.
  - g. Gather as much information as possible regarding details of the allegations made by all parties involved. All information shared with members of the Response Team shall be held confidential.
  - h. Within 30 days, prepare a written report of the case for submission to the bishop, the district superintendent, the Chairperson of the Board of Ordained Ministry, and the Chairperson of the Standing Committee on Sexual Misconduct. Both the accused and the grievant will receive a copy of the report. The report shall include:
    - i. name, address, and local congregation(s) of parties involved;
    - ii. a summary of the allegations made by the grievant and the response made by the accused;
    - iii. a summary of the facts as stated by the parties involved;
    - iv. a summary of the response team's actions;
    - v. the remedies sought by the grievant, and by the accused;
    - vi. the response team's findings and conclusions; and
    - v. the response team's suggestions for further actions to be taken by the bishop, the Board of Ordained Ministry, the district superintendent.
  - i. If the accused has admitted to the misconduct as charged, so advise the grievant that the process will move to the Joint Review Committee.
  - j. Be available to the parties involved to hear their concerns throughout the inquiry and disciplinary process.
  - k. Work within the established procedures in the Book of Discipline.
2. In addition to its primary functions, during or as a result of its initial inquiry, the response team may:
- a. Advise all parties involved including the Conference to obtain legal counsel.
  - b. Advise all parties to contact their insurance carriers.

- c. Advise all parties (grievant, accused, and their families) involved to seek professional psychological counseling.
  - d. Advise all parties involved that the grievant, and/or the accused may choose to have an advocate accompany them throughout the inquiry process.
  - e. Recommend to the Standing Committee that educational or employment practices be implemented at the local level to prevent further instances of sexual misconduct.
  - f. Recommend actions to be taken to begin the healing process within the congregation.
  - g. Recommend actions for the pastoral care of the grievant, the accused, and the families of all parties involved.
3. The response team is not intended to do the following:
- a. Advocate for any party involved;
  - b. Act as legal counsel for any party involved;
  - c. Replace the functions of Joint Review Committee;
  - d. Determine guilt or innocence of the accused;
  - e. Enforce a specific remedy or disciplinary action.

#### C. Response Team Inquiry

**NOTE: If the grievant claims child sexual abuse, the response team is advised not to interview the child (or children) due to possible secondary trauma caused by the interview itself. Secular authorities must be notified immediately by the response team, if a report has not been filed already. The response team should be guided in its actions by the recommendations of the secular authorities. If the response team needs a consultant to advise it concerning the effects and complications involving a child victim, it should contact an expert in child abuse. The response team should make the secular authorities aware that it wishes, insofar as the law allows, to be kept informed of the developments in the case to allow appropriate disciplinary measures within the Church to be taken against the accused.**

- 1. Upon receiving written notice of sexual misconduct, the response team members will immediately confer to coordinate the initial inquiry process. The response team must do the following:
  - a. Immediately notify the accused in writing of the accusations and advise accused to have no further contact of any sort with the grievant or the grievant's family, nor to engage in or cause retaliation of any kind against them.
  - b. Immediately notify the grievant that the team has received the report, that the accused has been notified to have no further contact with the grievant, and what steps the response team will be taking to investigate the report.
  - c. File a report with secular authorities if required by state or local law and none has been previously filed.

- d. A minimum of three representatives of the response team will meet with the grievant to hear the accusations first hand.
- e. A minimum of three representatives of the response team, at least one of whom has also met with the grievant will meet with the accused to receive a response to the allegations.
- f. In consultation with the chairperson of the Standing Committee, the response team should assess and recommend resources for the following:
  - i. Need for psychological evaluation or counseling of the grievant or accused;
  - ii. Need for parties involved to obtain legal counsel and inform insurance carriers;
  - iii. Personal and pastoral needs of the grievant and the accused; since the response team is not expected to pass judgment on the guilt or innocence of the accused, it shall avoid such language in its findings and conclusions;
  - iv. Pastoral needs of the congregation or employing entity.
  - v. Grievant's need for reconciliation with the congregation or employing entity; and
  - vi. The accused's need for reconciliation with the congregation or employing entity.

**NOTE: If it should be determined during the initial inquiry that professional counseling is needed for the grievant, the response team may refer the grievant to a professional counselor trained to deal with issues of sexual misconduct. The response team should maintain a referral list of counselors and counseling centers sensitive to sexual misconduct issues and issues of faith and spiritual needs.**

The response team and thus bishop and cabinet must be sensitive to grievant's ability to pay for psychological counseling. The response team may refer the grievant to an agency that sets fees based upon client's ability to pay. Although the Church is not legally obligated to pay for the grievant's counseling, it should be considered a pastoral obligation.

#### D. Reporting Back

- 1. The response team shall have no more than thirty days from the date it first receives a report of sexual misconduct to inquire and submit a report to the bishop, the district superintendent, the Chairperson of the Board of Ordained Ministry, and the Standing Committee on Sexual Misconduct.

#### E. Leave of Absence

- 1. The response team's suggestions may include a leave of absence for the grievant and/or the accused.

#### F. Continued Availability of the Response Team

1. After the response team has submitted its report, the response team is still available to all parties for continued pastoral care and to follow up on suggestions given to the Standing Committee on Sexual Misconduct.

#### G. Media Contact

1. Any inquiries from the media regarding an incident of sexual misconduct must be directed to the bishop or designated person. Questions from the media shall not be addressed by any member of the response team.

#### H. Response Team Record Keeping

1. The response team shall keep all records confidential. The response team should keep detailed records of its actions and minutes of its deliberations and its conversations with the grievant, accused, and other parties involved, copies of the initial report, correspondence, and copies of its reports to the bishop, the district superintendent, the Chairperson of the Board of Ordained Ministry, and the chairperson of the Standing Committee on Sexual Misconduct.
2. After all parties have resolved the case, the response team's records will be forwarded to the bishop, where they will be marked "confidential" and securely stored. The response team shall keep no separate records of confidential material that has been turned over to the bishop as a result of its work.

### VII. Next steps following the actions of the response team

- A. If it is determined by the response team there is sufficient cause for a complaint of sexual misconduct, the bishop, or designated district superintendent shall ask the grievant if s/he will allow their affidavit to be part of the Joint Review Process (§ 454.1c). One of three courses of action shall be taken:
  1. The written complaint shall be filed by the district superintendent with the chairperson of the Board of Ordained Ministry (§ 454.1a) or,
  2. If there is substantial evidence, but no sworn affidavit from the grievant is to be used, the superintendent or bishop may file a complaint with the chairperson of Board of Ordained Ministry (§ 454.1b), or
  3. If the accuser, district superintendent and bishop choose not to pursue the grievance or complaint procedure, a note without prejudice and any affidavit shall be placed in the clergy person's permanent record in the bishop's office that potentially serious offenses have been alleged but were not conclusively substantiated or disproved. Any written statement by the accused or grievant can also be placed in the file.
- B. If allegations are not substantiated a record of the process and its conclusion will be provided for the pastor and may be included in the

pastor's personnel file. A public statement of exoneration by the bishop may be made if the pastor so chooses. The bishop shall respond with care and concern to the complainant(s) and to the congregation or agency as appropriate.

- C. The bishop shall report the response team findings to the Pastor-Parish Relations Committee.
- D. The bishop may suspend, upon recommendation by the executive committee of Board of Ordained Ministry, the accused pastor from all clergy responsibilities but not from an appointment for a period not to exceed 60 days.
  - 1. During suspension, salary, housing and benefits will continue at a level no less than the date of suspension. The congregation(s) or institution of employment shall assume these costs.
  - 2. The cost of supply for the pastoral charge during the suspension will be borne by the annual conference.
  - 3. The temporary pastor shall be informed of the circumstances of the temporary suspension in order to minister effectively with the congregation.
  - 4. If settlement is achieved at any time during the sixty days, the bishop will take the appropriate action, which may include permanent removal of the pastor or total absolution with the congregation or institution.
  - 5. If the pastor is required to leave the pastorate, \$500 will be paid by the Annual Conference to defray moving expenses for the family.
- E. The procedure shall go forward as outlined in The United Methodist Book of Discipline, ¶ 454 and ¶ 2625.

Great care should be taken in the work of the Joint Review Committee. There is some concern about the policy of bringing the grievant and the accused together for the purpose of reconciliation (¶ 454.1.c). New insights in the area of clergy sexual misconduct suggest that this may be more harmful than helpful.

## D. REPORTS

### DISTRICT SUPERINTENDENTS' REPORTS

#### DOVER DISTRICT

This year has been another good year for the Dover District. The Board of Laity, the United Methodist Women, and the Council on Youth Ministries have all been vital in planning, promoting, and carrying out ministries on the District.

Within hours of the time Hurricane Andrew hit Florida, the Laity had acquired, equipped, and manned a warehouse to receive, sort, and prepare donated materials for shipment to the disaster area. Other volunteers have worked on site in both Florida and Louisiana. The Youth Council sponsored an Appalachia Service Project team that served Harlan County, Kentucky. The Youth Council, in cooperation with the Lewes-Rehoboth Association of Churches, sponsored two very successful work weekends in the Lewes-Rehoboth area, working on homes of those not able to have the work done otherwise.

Many more churches have become involved in the Disciple Bible Study, and more persons from the district have been active in the Walk to Emmaus and in Manna Ministries.

The Dover District has again shown an increase in membership with the following churches receiving ten or more members on Confession of Faith or Restored:

Serving the Dover District is an honor and a pleasure for which Mary Joyce and I give thanks to God, to Bishop Morrison, and to the members of the Dover District.

Charles E. Barton, Jr.  
District Superintendent

#### EASTON DISTRICT

This has been a grace-filled year for the Easton District. The District Council on Ministries gave excellent leadership to the 1993 emphasis on mission. Churches across the District shared with each other the kinds of mission projects they were doing on the local, national, and global level. The churches were then challenged to raise \$5,000 in response to the needs of our brothers and sisters in Mozambique. We were excited when we exceeded the goal, raising a grand total of \$6,073.50. We are indeed grateful to Diaconal Minister Naomi Winchester and Bishop Susan Morrison for their willingness to link Mozambique and the churches of the Easton District.

The District Board of Laity honored the Lay Leaders of the local churches for the leadership they have given and continue to give to the local church, district, and Conference.

## WILMINGTON DISTRICT

"To God be the glory" for God has done great things through very many devoted United Methodists of this district. In particular the several Wilmington District committees have served admirably during the year under review. The responsible laity and clergy involved often served beyond the call of duty in order to carry out their responsibilities effectively. Sincere thanks to Bishop Susan Morrison for her preaching visits to churches during the year, her leadership and guidance of the clergy, and her wisdom in appointment-making.

## EVANGELISM AND SPIRITUALITY

Clearly, one of the highlights of the year was the "Come Alive In Christ" event which featured Dr. H. Eddie Fox as keynote speaker but also included workshops for clergy and laity and other special aspects, over the weekend of April 23-25, 1993. The attendances on the three evenings exceeded 400, 500 and 600 persons respectively. "Come Alive In Christ" did something special for the Wilmington District. It enabled our people to gather from across the two counties for vital and vibrant district-wide Christian fellowship. Genuine personal renewal was experienced by several who responded to the emphasis on spirituality and commitment during the weekend. Along with excellent preaching, there were inspiring moments of faith sharing as well as spirited congregational singing and moving selections by soloists and groups. The weekend fulfilled our basic expectations including that of turning the churches of our district increasingly towards an outreaching, missional and evangelical posture in relation to the communities in which they find themselves. Our special thanks to a terrific planning group including John Dunnack, Jack Shitama, Jim Walz, Donna Barnwell, Mark Charlton, Charlie Mason, Karen Bunnell, Barbara and Larry Jester, Ron Owens, Gladys Shaw,

Mary Marcus, Bryan Merryman, Bob Foster, Willa Metta Smith, Phyllis Bailey, Norman Poultney, Alex Boda, Jim Hawkins and several others.

The Eddie Fox weekend was only one part of a major district emphasis on evangelism over the last three years. In several Renewal Fellowship meetings held for churches across the district, lay persons gathered for times of scripture reflection, prayer and faith sharing in order to tell their stories of God's gracious work in their lives. Also, since the spring of 1991 pastors have been meeting together in clusters based on commonalities of their ministry settings; they have shared, studied and counseled together concerning effective outreach and witnessing ministries of their churches. In addition, evangelism programs have been encouraged as a result of the local church evangelism covenants which have been in effect for the last two years. Lay speakers and other interested laity have received specific training for evangelism ministries thanks to the District Lay Speakers' regular school and alternate school which included courses in evangelism.

There has been a special focus on prayer and spirituality throughout the district. Over and above the existing "Disciple" study groups, Praise and Prayer services and spiritual formation programs in local churches, a sub-committee of the "Come Alive In Christ" Committee engaged itself in presenting workshops on prayer in as many congregations as would schedule them. A very fine prayer booklet has been prepared and hundreds of copies made available to our people in guiding their prayer life and for use in prayer vigils.

#### PROPERTY MATTERS

During the year, **EBENEZER** Church on Polly Drummond Road in Newark broke ground for the construction of their new Christian Life Center. The ceremony was held on Sunday, February 28, 1993 and since then construction has been proceeding at a steady pace. Approval was also given by the District Board of Church Location and Building for the people of **TOWN POINT** UMC to proceed with the construction of their church sanctuary. During the early part of 1993, **GRACE** UMC in Wilmington completed the sale of its parsonage on Bancroft Parkway. The **NEW CASTLE** UMC completed arrangements for the sale of a property donated to the congregation. **BETHESDA** Church in Middletown completed an extensive restoration of the sanctuary, especially the walls and ceiling. Despite experiencing some very challenging circumstances, the pastor and building committee of the **ELKTON** congregation succeeded in completing a major project in which a new sanctuary roof and ceiling were constructed and a beautiful new steeple installed. These and other interior renovations of the sanctuary have resulted in remarkable improvements in terms of the safety of the structure, the beauty of the sanctuary and the visibility and attractiveness of the church. The **ASBURY** Church in New Castle made significant strides during the year towards their building expansion. They were able to break ground for a major addition to their facilities which will potentially enlarge their day care program. In addition, the **COLEMAN MEMORIAL** Church and **JANES** UMC in Rising Sun were given permission to proceed towards their building programs. The **BRANDYWINE-TRINITY** congregation began the process of gathering resources and obtaining approval to do repairs to its church ceiling. We appreciate the faithful work of the District Board of Church Location and Building during the year as the following persons served us well: Carl Feucht, Bill Holloway, Howell Wilkins, Cindy Koski, Betty Webb, Tom Donnachie, in addition to the D.S.

#### MEMBERSHIP STATISTICS

The statistician's analysis of membership information for the year ended December 31, 1992 revealed that there was a net loss of 227 full members. The actual number of full members in the district dropped to 29,938 from 30,165 at the end of 1991. This

downward result was essentially brought on by three churches which between themselves reduced their full membership rolls by 400 members in updating their records. The three churches accounted for more than half of the total number of persons throughout the district removed by Charge Conference action. On the favorable side, there were significantly more persons received during 1992 on confession of faith or restored than during 1991. Among the other positive indicators, the average attendance at Sunday worship actually increased during the year 1992 and the numbers enrolled in church schools increased by 113.

The following is a list of churches to be commended for receiving more than ten persons in the category of "confession of faith or restored" during the year:

Newark - 59	Janes, Rising Sun - 20
Atonement - 49	Bethesda - 19
Hockessin - 48	Christian - 18
Aldersgate - 47	Christ - 17
St. Mark's - 35	Peniel - 15
Union, Bear - 35	Richardson Park - 15
Asbury - 31	Mt. Pleasant - 15
Ebenezer, Newark - 30	Red Lion - 15
Simpson - 25	St. Georges - 13
Mt. Joy - 24	Mt. Salem, New Castle - 12
St. Paul's, Wilm. - 22	Trinity - 12
Elkton - 22	Kingswood - 11
Mt. Lebanon - 20	Salem - 11
New Castle - 20	Cornerstone - 10

CHURCHES WHOSE NEW MEMBERS ON CONFESSION OF FAITH OR RESTORED WERE SEVEN PERCENT OR MORE OF THEIR TOTAL MEMBERSHIP:

Mt. Salem, New Castle - 16%	Cornerstone - 8%
Union, Bear - 13%	Atonement - 7%
St. Georges - 9%	Mt. Pleasant, Colora - 7%
Simpson - 8%	

Pastors Patricia B. Harris, Albert Burton, Alex Boda, Maceo Williams, Paul Owens, Conrad Cohen and Bob Riddleberger and their congregations are to be commended.

CONFERENCE BENEVOLENCES

We extend a special word of thanks to the many churches of the district which paid their benevolences in full, particularly in those cases where that was a challenging task. As a result of the commitment and faithfulness of our district we were able to attain the high result of 99.4%. It is this level of support that enables our Conference as a whole to fulfill its obligations consistently from year to year. The most important outcome is that our United Methodist Church can faithfully do ministry and mission both locally and globally when our people play their part in connectional giving.

PASTORAL LEADERSHIP

We appreciate those who render fine pastoral leadership in our district. New pastors appointed to serve amongst us at the beginning of the past Conference year were as follows:

Cheryl Jensen at the Odessa Charge;  
Elizabeth Hopkins at Holly Oak and Calvary;

Herman Lipsius at the Cecilton Charge;  
Ruthann Miller at the Charlestown Charge;  
Joseph G. Burris at the Chesapeake City Charge;  
Charles O. Walter at the Elkton-Cherry Hill Charge;  
Jonathan Whitney at the Elkton-Providence Charge;  
Virginia Power at the North East-Bayview Charge;  
Ray F. Graham at North East;  
Amelia Bobon at the West Cecil Charge;  
Gerald Scheffey serving Tome Memorial and Asbury Churches;  
Carol Wooley at Cokesbury Church, Port Deposit.  
Korean pastor Daniel Y. Shin joined us at Easter, 1993.

At the end of the Conference year Howell Wilkins retired while Bruce Cooke and Carol Wooley were moving on to the Easton District. James C. Park was transferred to the Eastern Pennsylvania Conference.

### DISTRICT TRAINING AND FELLOWSHIP EVENTS

The District Lay Speaking Program. Thanks to the dedicated leadership of J. Richard Ward, the District Committee on Lay Speaking, and the instructors of the lay speaking courses, the 1993 regular and alternate lay speakers schools were both effective training experiences. Lay persons attending the courses were keenly appreciative of the following who served as the instructors: Ralph Ellis, William Fitzhugh, Janet Harmon, Anne Pruett-Barnett, Robert Starrett, Roberta Tarbell, Maceo Williams, and Superintendent J.T. Seymour.

The District Board of Laity. Led by District Lay Leader Clyde Allen of Hockessin UMC, the District Board of Laity had an active year of support for the evangelism emphasis as well as a successful Laity-Clergy Banquet organized by them. A large group gathered on Monday, April 5th at Elkton Church for that event with visitors joining us from other districts. The District Board of Laity was also active in working with the Conference Board of Laity to sponsor workshops for the training of lay leaders. The event on June 5th was the first of two such events which will be held in the district; the second is scheduled for the fall of the year for lay leaders and pastors in the northern part of the district.

Under the leadership of Ken Hilton and Floscene Hill, the District U.M. Men and U.M. Women fulfilled many purposes.

### THE METHODIST ACTION PROGRAM AND URBAN MINISTRY

This has been a year of transition for MAP. On January 24, 1993 outgoing Executive Director, Jim Walker, left to become part of the new mayor's administration in Wilmington. The MAP Board of Directors appointed Mrs. Darlene Webb to serve as Staff Coordinator during the interim period. After a search process, the decision was made to name the Rev. John F. Holden the new Executive Director, beginning July 1, 1993. Despite the transitions the MAP staff did a remarkable job in continuing the programs and special events of MAP. Included in the year's highlights was a successful MAP Walk for Housing, supported by banking institutions and community groups. Another highlight was the MAP Annual Meeting at which tributes and presentations were made to Jim Walker for his six and a half years of service to MAP. Sam McKay awards were presented to Kay P. Cloud of Hockessin UMC and Charles Mason of Coleman Memorial UMC for putting their faith in action over many years. We extend special thanks to the following who worked with the D.S. as members of the Search Committee: William Bazzelle, Susan Keim Kester, Robert Watson and Bruce Cooke. It is to be noted that MAP took the step of securing Yusef Ahmed to work part-time on a Substance Abuse program (with one

year General Church funding) and co-sponsored a one day event on Urban Congregational Transformation.

#### RECOGNITION FOR VALUABLE WORK BY OTHER COMMITTEES

We are thankful to God for several persons who came forward to explore their call to pastoral ministry or to seek approval as Certified Candidates for the ordained ministry. We lift up the faithful work of the District Committee on Ordained Ministry whose members are as follows: Robert Helms (Chairperson), Janet Harmon, Ron Bergman, Bill Hemphill, Conrad Cohen, Mary Lou Green, along with the D.S. We also thank those clergy who have served as supervising pastors and counseling elders during the year.

To the leadership of the District Ministers and Mates organization during the year, we extend our sincere thanks, specifically to Jim Walz (Chairperson), Maceo Williams (Vice-chairperson), Carol Rogers (Secretary), and John Van Tine (Treasurer). Several fine programs were held.

Members of the Hispanic Design Team served us well during the year. We take this opportunity to say a word of thanks to Pastor Rojas and also to Sterling Green who completed some years of service as HDT chairperson. Don Lyons, Jim Walker, Diogenes Hernandez, Susan Keirn Kester, Jeremias Rojas, Nueva Vida representatives and the D.S. also served on the team. Consultants Jose Palos and David Chavez brought their helpful analyses and insights to bear upon the work of this mission during the year. A grand Sixth Anniversary Celebration was held on May 16, 1993 at Grace UMC where the Nueva Vida congregation worships.

The District Apportionment Review Committee had its full share of activity. We wish to thank and commend the committee members who were Kay P. Cloud, Clyde Allen, Tom Short, Charlie Mason, Howard Ebersole, and Mary White who worked supportively with the superintendent to recommend adjustments in deserving situations..

With regard to the District Council on Ministries, we recognize the service as John Dunnack as its secretary and the important contribution of Connie Roland Alt who was our Communications person and Editor of the district page in **The Communicator**. A special "thank you" to members of the District Superintendency Committee who served as follows: Ralph Ellis (chairperson), Jerrold Knotts (secretary), Clara Feucht, Mattie B. Love, Sung Ho Bae, Bill Harmon, Clyde Allen, and Janet Harmon. Towards the close of the Conference year we celebrated with much joy the consecration of a new and capable diaconal minister from our district, Alyce Husser, and the ordination of three promising pastors as deacons (who were also received as probationary clergy members): Patricia Bryant Harris, Ruthann L. Miller and John Ky Shitama.

As District Superintendent I look forward to continued faithfulness on the part of all the people of our district. As we continue to attempt great things for God, we can certainly expect great things from God.

James T. Seymour  
District Superintendent

## PECOMETH CONTINUATION CAMPAIGN COMMITTEE

The Continuation Campaign Committee's primary task is to keep the churches and individual donors informed about the Campaign receipts for the development of Camp Pecometh and about the improvements made possible by these funds. In fulfilling this purpose, we have again published three issues of "Pecometh Update" during 1992 which is mailed to all Pastors, Administrative Board/Council Chairpersons, and local church Pecometh Coordinators. We also provided special Communicator inserts during the year. Approximately 30,000 copies of the folder entitled "Mid-Point Report and Revised Future Development Plan" have been distributed. When requested, speakers have gone to local churches. Forty thousand bulletin inserts have been sent to local churches for use during March 1993, the Campaign's fourth anniversary.

The Committee's other task is to monitor the giving on a monthly basis. We are now well into the fourth year of the Campaign which has been extended to a 5-year effort by Conference action. We are pleased to report that as of March 1, 1993, total receipts now stand at \$2,110,095 with 85% of the churches participating. As of January 31, 1993, 124 of these churches have reached the goal of what they "expect to give", and several of these continue to give beyond their accepted goal. Collectively clergy pledges are 66% paid for a total of \$97,507. Church commitments are 69% paid.

The Continuation Committee has long recognized that the goal of \$5,000,000, announced prior to the kick-off of the Campaign in 1989, was really a "Challenge Goal" far beyond what could be expected to be received. In 1988, a consultant firm in Colorado was employed by the Conference to study the feasibility of this capital funds effort for the Camp, and to determine how much money the Conference could reasonably hope to raise through such a campaign. Based on their findings, this consultant group reported that, if the Campaign leaders did everything right, and if the churches were informed step by step about the development process with clear priorities kept before the people, we could raise between \$3 and \$3.6 million. At the February 20, 1993 meeting of the Conference Council on Ministries, it was recognized that, in the light of this study, the results of the Campaign should be measured against a realistic goal as identified in the feasibility study mentioned above, and not against an impossible "Challenge Goal". The Council therefore established the amount of \$3,300,000 as the actual Campaign goal. This amount would be sufficient to complete the revised development plan. In the future, the Continuation Committee and the Business Office will use this figure in our reporting.

If every church will pay in full the amount it accepted as a goal, we will have almost enough to complete the revised dream for Camp Pecometh. But some additional funds will be required, and our Committee will seek some gifts from potential major gift donors. The remaining 15 months of this effort call for hard work and renewed commitment to this ministry of Christian Camping if the Campaign, which was endorsed with such enthusiasm in the beginning, is to be completed successfully. We need and request your prayers and wholehearted cooperation. The opportunities for ministry with children and youth are greater now than when we began in 1989.

### CONFERENCE COUNCIL ON MINISTRIES

#### OUR MISSION

The risen Christ says to us, "Go therefore and make disciples..." (Matthew 28:19).

In the local congregation, our primary task is the development of people's faith. We become partners in the Spirit's work of reaching out to people and receiving them as they are, helping them personally to know God, nurturing them in the way of discipleship and sending them to live as Christ's disciples in the world to help make it more loving and just.

The overall mission of the Conference Council on Ministries, including its staff and related boards, commissions and agencies, is (1) to be in partnership with local congregations as they work to improve their process for making disciples, (2) to enable and encourage local congregations to participate in ministries they could not reasonably provide on their own, and (3) to strengthen our connection as a global church.

During 1992, the Conference Council on Ministries worked hard to organize for carrying this mission through in the new quadrennium. We worked to improve our coordination, so that teams addressing the same issues are working together and exercising good stewardship of our precious resources. We worked to be faithful to our *Comprehensive Plan to Develop and Strengthen the Ethnic Church in the Peninsula-Delaware Conference*. We worked to discover and develop leaders capable of giving us congregations that are centered around ministry of the laity.

#### OUR VISION

We know that the members of the Peninsula-Delaware Conference and its local congregations are looking for ways to make our congregations healthier and stronger. We are looking for more effective ways to identify, recruit, and train leaders for local congregations so that they can be faithful to a mission tailored to the needs of the community they serve. We are looking for ways to tell our story more effectively so that we are able to encourage one another and so that we can witness to a world that is sometimes affirming, sometimes hostile, and often indifferent to the mission of the church. We are looking for ways to share, own, and live into a ministry of laity and clergy, conference and congregation, that will make us one family, serving together to the glory of God.

We believe that the quality of the ministry of the Peninsula-Delaware Conference can be improved. Our present system is designed to produce the results we are now getting. So we realize that we must improve our system if we want to experience different results. Of course this also means we need to be clear about discerning God's will for us and the results we desire. We need to be enthusiastic about our vision for the future and enlist others in sharing in and supporting that vision.

A wise teacher has said that vision without action is merely a dream. Action without vision just passes time. Vision with action changes the world. Throughout this quadrennium, we are committed to discerning and lifting up a vision that is clear, positive, and inspiring. And we are committed to carrying out that vision by keeping our focus on the desired results and by improving the ways we go about working for those results.

The reports which follow will describe many of the activities that surrounded the work of the Peninsula-Delaware Conference during 1992 and the results of those activities. They will tell you something about where we are on our journey together. We look to God to show us where the journey will lead from here, and we anticipate a real adventure.

#### A PERSONAL NOTE

James R. Robinson died on May 27, 1992, after a lengthy bout with cancer. At the time of his death, Jim had just completed his four-year term as chair of the

Conference Council on Ministries. He will long be remembered for his many gifts and graces and the varied roles of servant-leadership he provided to our conference and to his local congregation. Those of us who have served in any capacity on the Conference Council on Ministries over the past four years carry memories of his gracious and fair style of presiding at meetings, of the concrete and compelling images he used to move us forward, and of his unflagging belief that God has yet something significant for the Peninsula-Delaware Conference to do in the future. Although we miss him, Jim's passing leaves us, not with a hole in our corporate life, but with a firm vantage point from which to glimpse the future to which God calls us.

### Howard A. Bailey Program

The Howard Bailey Program was launched as a pilot project in 1992 with an overwhelming response and level of success. The program began as a "Rites of Passage" program for 5th & 6th grade African American boys held at Camp Pecometh. The objective was to instill a sense of affirmation, inspiration, and ultimately transformation in the lives of the program participants. The methods used focus on cultural awareness, history, and a reorientation to concepts such as freedom, liberation and self-determination. The demand for the program was so strong that by the end of the year, Howard Bailey seminars/workshops were being held for adult males, calls and requests were coming from community groups, and some schools were inviting the program's leadership to conduct these workshops in schools.

The summer Program for Boys begins on a weekend retreat in the spring called "A New Attitude," and is designed to give participants new understandings about various facets of life, such as the inaccurate and negative portrayals of African Americans in the media. The second phase of the program is a week-long camping experience called "Njia (Swahili for 'the way'): Learning and Living the Way." Each day the participants' activity focuses on one aspect of the *Seven Principles of Kwanzaa*, i.e. unity, self-determination, creativity, purpose, etc. One of the most exciting aspects of the 1992 program was the profession of faith by nearly all the summer program participants. The third phase of the program is another weekend retreat in the fall, called "The Road to Meaningful Adulthood," and it attempts to show how to apply new learnings to life situations. This weekend culminates in a Rites of Passage ceremony, which was held last year at Drayton Retreat Center with near 100 in attendance, including the boys. The fourth phase of the program is a similar rites of passage program in each boy's local church.

At this point, there are two major components of the Bailey Program, the adult program and the children's program. The "Boys Program," which of course is part of the children's program, is designed to create an atmosphere of support for each of the participants, including parents, pastor, a mentoring adult and the church. In fact, the program can provide stimulating encouragement and vitality to an entire congregation. The adult program is designed to develop new understandings, as with the boys, but another objective is to develop groups of adults who will actively address and minister to some of the concerns and crises of the African American community. Beyond these two program thrusts we have led a "Mobilizing Community Leaders Workshop" with the Criminal Justice of Delaware's "Weed and Seed Program," and several groups in schools.

The program has continued to expand rapidly. The Conference Council on Ministries authorized the activation of a Board of Directors, which held its orientation meeting on Feb. 6. The program has been added as a conference budget line item for 1994. We have expanded the Program for Boys to two groups, making a total of 50

available slots, and we are making plans for a girls/women's program in 1994.

The Howard Bailey Program and the Peninsula-Delaware Conference is indebted to the vision and energy of Homer Minus and Anthony Arrington, who, along with me, founded the program and provide most of its energy. Rev. Minus currently serves as children's program coordinator and Rev. Arrington serves as adult program coordinator. The Bailey Board of Directors are:

Lucille Bedford	Joe Bachtler	Jefferson Labala
Dorothy Campher	Howard Baker	Joshua Lebelo
Arlene Coppadge	Carl Butterworth	Tom McKelvey
Frances Livingston	William DeLauder	Charlotte Nichols
Doris Palmer	Kevin Holland	Lehman Tomlin

### The Ministry of Spiritual Formation

1992 was the first full year of operation for the Ministry of Spiritual Formation of the Council on Ministries. The Ministry of Spiritual Formation is a comprehensive structure of operating facilities and developing programs which enable persons to engage in intentional experiences of spiritual growth beyond the local church.

In 1992, the Boards of Directors of Camp Pecometh and Drayton Retreat Center were re-developed into one Board with oversight for both facilities and the Ministry of Spiritual Formation. The Conference Council on Ministries implemented a process which included two intensive "design days" that generated considerable creativity around the form of the new governing volunteer structure. The Spiritual Formation *Board of Stewards* had its first meeting in January 1993, and began the somewhat formidable responsibility of leading the Ministry of Spiritual Formation in the areas of volunteers, marketing, program, finances, staff support, and site development.

The Spiritual Formation staff was fully developed this year and has learned much about new roles and responsibilities and means of improving the operations and service of the Spiritual Formation facilities.

The Director of Spiritual Formation, Reverend Dr. Pamela J. Lardear, received certification in the first class of Certified Conference Center Administrators by the International Association of Conference Center Administrators. She has completed a three year course of intensive continuing education in all phases of conference center administration.

Spiritual Formation Staff members attended conferences of the International Association of Conference Center Administrators, the American Camping Association, Christian Camping International, and United Methodist Camping and Retreat Leaders. Clarice Ritchie, Assistant Council Director for Children and Youth Ministries, and Pam Lardear received training and became certified in *NatureQuest*, the Nature Education Program of the National Wildlife Federation.

Carol Shaw, Beth Landing, Virginia Coleman, and Mike Lyons are the Spiritual Formation staff persons whose dedication and commitment contribute to the efficient and effective operation of our facilities. From answering phones and receiving reservations, to planning and preparing meals, to cutting lawns and repairing mechanical systems, the work of the Spiritual Formation staff makes possible the marvelous experiences of all the guests at Peninsula-Delaware Conference facilities.

The facilities of Spiritual Formation had a vigorous year of operations during 1992. Both were busy with a diverse collection of groups and individuals from churches and other non-for-profit institutions.

1,480 children attended summer camp in 1992 at Pecometh. The summer staff of 46 persons was comprised of more than 80% members of churches in the Peninsula-Delaware Conference from all four districts. The campers chose from 17 different program offerings. Campers and staff together discovered many things. Some discovered new skills and abilities; some discovered a sense of pride in their ability to build a fire or paddle a canoe; some discovered the reality of faith through music or friendship or quiet vesper services. Pecometh continued to operate under the accreditation program of the American Camping Association, the most widely recognized program of camping accreditation for health and safety and integrity of program.

Pecometh offers both year-round and seasonal facilities for groups and families, as well as its extensive summer camp program for children and youth. Its ministry is the ministry of discovery, which allows persons and groups to discover God in the natural surroundings of the camp, in the community life uniquely experienced while at camp, and in engaging programs of study and exploration. Besides the summer camp program, 193 other groups used the facilities at Pecometh with 4,973 guests.

There is much excitement around the new facilities at Camp Pecometh being built with campaign funds. The buildings that are already completed have been well-used by campers and groups, and we are eagerly awaiting completion of those structures now being planned. The funds that are received from churches and individuals through the campaign are making exciting new programs possible, as well as expanding the number of persons and groups who are able to use the Pecometh facilities.

Plans are now well underway for the 1993 summer season. The program theme is "We are Partners in Creation," and campers will be able to choose from 20 different camping programs including Riverside, Search camp (for exploring the Ordained Ministry), the Howard Bailey Life Enrichment program for Black Boys, and an Ecology camp. One of the exciting parts of the 1993 summer season is the development of a volunteer Spiritual Life Coordinator program utilizing clergy from the Conference as "camp chaplains" for a week.

Much effort has been put into repairing and renovating existing buildings, along with the new construction. Major attention has been given to Rec Hall, along the river, including structural repair, new windows, and new serving counters for the Canteen.

During 1992 at the Drayton Retreat Center, 3,814 guests from 264 groups used the facilities for a variety of spiritual life experiences. Of those numbers, 2,216 guests and 116 groups were from Peninsula-Delaware Conference churches. Some came for continuing education programs, some for a time of rest and refreshment, some to explore new dimension of living their Christian faith. The impact of Drayton on individual and corporate life is tremendous; for the 50 weeks of the year that Drayton is open to guests, the average number of guests is greater than the average worship attendance of 72% of the churches of our Annual Conference.

The ministry of Drayton Retreat Center is to provide a place where individuals and groups can temporarily lay aside the many concerns of their daily lives in order to focus on matters of particular importance. Drayton provides safe and secure surroundings which allow persons to work on issues of personal spiritual growth, to develop plans for congregations, to deliberate the business of civic or work groups, or to devote time to reflection.

One of the outstanding parts of the operation of Drayton Retreat Center during 1992 was the tremendous work accomplished by volunteer crews. Many tasks were completed from polishing brass doorknobs to planting flowers to painting the barn. Many other persons contributed to the ministry of Drayton by donating funds to help with the interior redecorating. Changes to several rooms have improved Drayton's ambiance to a significant degree, making it even more suitable for its ministry of hospitality. The East room, a primary meeting room, has been completely redone, along with new window treatments for the Caldwell Dining Room, completed in late 1991.

Other major projects which are currently underway at Drayton include finishing work on the barn, refurbishing the library, and new carpeting in the main hallway. Volunteers repaired all the windows of the barn during 1992, and started painting the exterior. The efforts and donations of volunteers will enable Drayton to preserve and someday utilize that structure which has the potential to be an important addition to the ministry of Drayton.

The brochure which helps persons begin to understand the ministry of Spiritual Formation states:

*The work of Spiritual Formation happens on many levels: some work takes place in individual lives when persons intentionally seek an awareness of God in their daily lives through personal habits and disciplines. Some work of Spiritual Formation takes place in congregations and small groups when persons gather together where they live and work to share in experiences of study, reflection, or mission. But, some work of Spiritual Formation happens best when persons and groups draw away from the common and routine and move into an environment which is set apart.*

*In the midst of a complex society and an often burdensome pace of living, facilities for Spiritual Formation offer the opportunity for persons and groups to focus on specific tasks and goals without distractions or interruptions. Groups may study, reflect, share, and grow in community without the complications and diversions that accompany everyday life. The opportunity to "draw apart" enables persons and groups to draw closer to God, themselves, creation, and one another.*

It is our privilege to be a part of and to work to continue this valuable ministry of the Peninsula-Delaware Conference. The staff, the Board and the Council on Ministries invites you and yours to be a part of the vital ministry of Spiritual Formation through the facilities of Camp Pecometh and Drayton Retreat Center.

of Spiritual Formation

### Ethnic Local Church Concerns Committee

A major thrust during the 1992 program year of the Ethnic Local Church Concerns Committee was given toward the revision of the "Comprehensive Plan to Develop and Strengthen the Ethnic Church." The efforts of members of the committee toward this effort resulted in not only a revised document, but the submission of the Plan and its adoption at our 1992 Annual Conference. The adoption of this plan was critical in that every annual conference within the United Methodist Church is to have a working plan approved by its body for implementation within the geographic boundaries of the annual conference. In addition, the Plan now serves as the springboard for the new ELCC Committee during the 1993-1996 quadrennium.

The Ethnic Local Church Concerns Committee also worked with the Ethnic Local Churches in providing funding as requested for a variety of new and on-going programs within the ethnic local church. Many thanks are given to all committee members, other conference boards and agencies, and the local churches themselves as we worked together and were given the opportunity to serve. A very special note of thanks is given to the staff of the Conference Council on Ministries, especially to Rev. Lawrence Livingston, who gave his untiring and most patient support in the revision of the Comprehensive Plan.

### 1994 GOALS

- 1) To survey the ethnic local churches within the Peninsula-Delaware Conference to determine where and how these churches can be strengthened.
- 2) To provide leadership development assistance, technically and financially for the ethnic local church within the Peninsula-Delaware Conference.
- 3) To assist the ethnic local churches in the funding of programs that contribute to the mission of strengthening and developing the ethnic local church within the Peninsula-Delaware Conference.
- 4) To enhance communications between other conference boards and agencies and the Ethnic Local Church Concerns Committee so that the needs of the ethnic local church may be addressed with a uniform and strategic emphasis.

### COUNCIL ON FINANCE AND ADMINISTRATION

#### **ACCOMPLISHMENTS:**

During the past year, the following actions were taken by the Council:

1. Requested an annual report from each of the District Parsonage Committees and that the reports be submitted by February 15.
2. Transferred responsibility to the new Spiritual Formation Board of Stewards for maintaining the Camp Pecometh residence, now used by the resident

Buildings and Grounds Supervisor.

3. Granted \$2,400 to the Board of Ordained Ministry to help with the costs for 16 persons (double the number expected) to attend Local Pastors School.
4. Granted \$40,000 to Camp Pecometh for major maintenance: 1) replace roof on recreation hall, 2) rebuild end of recreation hall, and 3) install anti-scaid devices.
5. Granted \$24,795 to Drayton Retreat Center for major maintenance: 1) replace roof on Bellhouse, 2) install submersible well pump, and 3) purchase a telephone system on which the lease had expired.
6. Established a permanent Apportionment Formula Committee with the stated purpose of reviewing the apportionment formula once each quadrennium and evaluating its equity and fairness.

#### **GOALS:**

The Council on Finance and Administration held a planning retreat at Drayton to review the responsibilities of the Council, and to identify and prioritize the results they desire to achieve by the end of the quadrennium. In a follow-up meeting, the results were synthesized as objectives and action goals were developed as follows:

**Objective I:** Members of local churches have a positive attitude and understanding of our connection, have a sense of ownership in our Conference program, and understand the significance of apportionments and the role of local churches.

**Action Goal 1:** C.F. & A. work with Board of Laity to train Lay Members of Annual Conference in their roles as interpreters to local churches of Conference work and budget.

**Action Goal 2:** C.F. & A. work with Communications Committee to develop and present budget interpretation at Annual Conference in each of the years 1993-1996.

**Action Goal 3:** C.F. & A. request that district superintendents affirm and compliment at the Charge Conferences those churches that pay their apportionments in full. Request that district superintendents, as soon as possible after annual reports are received in January, send a letter to the pastors complimenting those churches on the full payment of their apportionment with the request that the letter be read to the congregation at the Sunday morning services.

**Objective II:** Local church finance chairpersons helped to understand their job and to know some of the techniques to help them do their job. "Saturation" teams work for one day each with three churches per district selected by the district superintendents.

**Action Goal 4:** Form teams of persons with some financial expertise, one team for each district. District superintendents invite team to meet for one day with a church, a minimum of three churches per calendar year. Team train local church officials and clergy in standardized budgeting of income and expenses, standardized record keeping and reporting, conducting financial stewardship campaign, and auditing procedures.

**Objective III:** Churches in apportionment hearings come wanting to find a way to meet their apportionment.

**Action Goal 5:** C.F.& A. review method of calculating apportionments. C.F.& A. review procedures for apportionment review and adjustment, and communicate procedures to district superintendents and all churches/charges. To be accomplished by 1994 Annual Conference.

**Objective IV:** Help pastors in first appointment to understand apportionments and how to interpret them.

**Action Goal 6:** C.F.& A. request Board of Ordained Ministry to inform all pastors newly serving in the Peninsula-Delaware Conference:

1. What are apportionments (benevolences)?
2. What are the ministries funded by apportionments?
3. How are apportionments calculated?
4. Why is it important that each and every local church pay its apportionments in full?
5. Why is it important that each and every local church pay its apportionments on a monthly basis?
6. What financial forms are required by the Annual Conference and how are the figures obtained?

#### **RECOMMENDATIONS:**

1. That the 1994 Budget, in the amount of \$4,797,119, be adopted.
2. That 0.38 be the apportionment factor for 1994.
3. In the event payments on apportionments fall short of the budget, C.F.& A. shall determine where to adjust the 1994 Budget.

President

#### **BOARD OF CHILD CARE**

We at the Board of Child Care are completing a fantastic year. Many things have happened, each for the benefit of dependent, neglected and homeless children. Literally hundreds and thousands of people from throughout our churches have joined forces to bring this about. Our accomplishments include the following:

The exchange of one million soup labels for a new Chevrolet Suburban! This vehicle is used to transport children to and from the doctor, school, recreational events and to the same kinds of places that you, a responsible parent, would carry your child. Appreciation is expressed to the Auxiliary for this accomplishment.

The EAGLE accolade was awarded to Board of Child Care. We are one of fourteen Methodist related homes for children to have received this recognition. Board of Child Care was recognized for renewal of our EAGLE designation. EAGLE attests to our understanding of mission as one involving Christian ministry; as our cooperation with other similar services in identifying and responding to health and human service needs; as our providing services to clients in a way that responds to the needs of the whole person; to the appropriate organization and service provided by our Board of Directors (who are elected by the Baltimore-Washington Annual Conference); to our formal, on-going method of evaluating quality of program and services to clients; to our demonstration of providing fair personnel practices with concern for the individual as well

as opportunity for continued personal and professional growth; to our responsible control over land, buildings, and equipment; and in responsible management of assets, liabilities, and risks. Board of Child Care is proud to be an EAGLE organization.

Creation of the DEAR program. The acronym reminds each of us to "Drop Everything and Read." The emphasis has been on conveying to children the value and the joy of reading. A specialist in remedial reading has been on grounds during evening hours diagnosing problems which certain children have in learning to read and providing one-on-one instruction to those children.

We have continued in our long and sometimes frustrating effort to secure necessary zoning variance to construct an additional home for children, this to be south of Bel Air in Harford County. With strong resolve, every question raised by those who prefer this not to be in their back yard has been answered. We have won every step of the judicial process and as of this writing expect to be in the Court of Special Appeals advocating for this home in early fall.

Our Autumnfest in October, "Festa Italiana" provided fun for all. Of greater importance it provided an opportunity for each and every one of our friends to come, visit, get to know some of the children and view first hand the work which is being done in this organization of our annual conference.

The summer program provided an unbelievable array of activities for children. These included a trip along the C & O Canal on bicycles and a trip down the Potomac River in canoes. One evening the canoeists and the cyclists met for supper. We visited Camp Harmison and Cape Henlopen in Lewes, Delaware; we learned how to decorate t-shirts, do leather work and the older children had summertime jobs.

The continued growth of our Foster Care program is noteworthy. Special tribute is paid to our twenty-six foster families, particularly to those six families who entered the program during the past year. Board of Child Care foster parents are truly exceptional and deserve much credit for the success of this program. They support each other, help in times of crisis, and advocate within the community for better services for their children. We are proud of them.

Staff of the foster care program includes two social workers, a case aid, part-time secretary, consulting psychologist and an educational specialist. This staff will be increased during the coming year.

The goal of foster care is to return children in a timely fashion to birth parents and when this is not possible, place the children for adoption or long-term foster care. Five such children have been returned home and five adoptions have been completed. Three of these were for multi-handicapped children.

Board of Child Care welcomes any minister to refer to us a parishioner who may want to discuss adoption of her infant. Couples are eager and available to adopt children and we regret that during recent years we have not been able to meet the demands before us. We are providing after-placement supervision for children, placed by out of state agencies with Methodist families and we are doing home studies on a contractual basis for other agencies and in an effort to make permanent adoptive placements available to children who otherwise would spend their formative years in foster care.

By the end of 1993, Board of Child Care will have a new Executive Director. Claude F. Libis, after 30 years of service in this position, has chosen to retire. The new Director will be Thomas Curcio. Tom has a Master's Degree in Social Work from Hunter College, New York City, a degree in Criminal Justice from Long Island University and a

B.A. Degree in Sociology from Gannon University, Erie, Pennsylvania. For ten years, Tom has been the Executive Director of the Methodist Children's Home of Wyoming Conference in Binghamton, New York. Prior to that he served as Associate Executive Director along with other supervisory and administrative responsibilities at Andrus Children's Home in Yonkers, New York. Tom's entire adult life has been spent in positions of increasing responsibility in homes for dependent and neglected children throughout the state of New York. We welcome Tom to the Board of Child Care. He is married and has three daughters.

On a personal note, Claude Libis wishes to express sincere appreciation to each and every member of the Peninsula-Delaware Conference for the love and support which you have shown over the past decades. You have been kind and generous to me personally; but more important you have been giving of yourselves and your resources to this program of the church for children. Together, we have built a continuum of services for infants, children, and adolescents the quality of which is unexcelled. Untold numbers of children are leading productive and meaningful lives as the result of these programs. The staff is stable and of the highest quality and our financial structure is sound.

#### BOARD OF CHURCH AND SOCIETY

"Our choice is to participate decisively in our society as persons of faith in transformational ways."

--Thomas White Wolf Fassett, General Secretary  
General Board of Church and Society

Early in 1992 the Biblical-Theological Foundation for Resolutions of the Board of Church and Society was distributed to all pastors of the Peninsula Conference. A copy of this document is attached.

In March of 1992 a one-day workshop was conducted in cooperation with the Methodist Action Program staff. "Hope and Help: Strategies for Confronting the Drug Menace in our Communities" was the focus. Information was shared from churches around the nation describing what was working for them in their communities. Materials resulting from Bishop Felton May's work in Washington, D.C. were distributed to all participants.

Members of the Board worked through the year with members of the Board of Discipleship in preparing for and carrying out the "Born Free - Stay Free" program. This project involved a weekend and two churches in Salisbury, Maryland.

Worship and ministry resources were distributed to 70 churches to help clergy and laity minister to persons with AIDS and to families of AIDS sufferers.

In October the annual workshop for the Board was presented: "Fair Care - A Christian Response to the Health Care Crisis." Speakers included Jane Hull Harvey of the General Board of Church and Society, Paula Roy of the Delaware State Health Care Commission, Mark Meister of the Medical Society of Delaware, Dr. Mary Mussman of the Maryland Department of Health and Mental Hygiene, the Reverend Edward Kester of the Methodist Country House and Naomi Winchester of Peninsula United Methodist Homes, Inc.

We also are pleased that our Petition to the 1992 General Conference entitled "ONE CHURCH \*\*\* ONE FAMILY" was adopted by the General Church. We continue to promote this relatively simple program as well as any other efforts to eliminate the causes of homelessness.

The Board continues its support of Pacem in Terris. The agency provides resources and services to the Board which benefit the Peace with Justice Area activities and greatly reduce mailing costs.

The Board offered resources on peace with justice issues to all local churches and local Boards of Church and Society through the services, information, speakers and training programs of Pacem in Terris. In response to resolutions passed on racism at the 1992 Annual Conference, a "Welcoming Diversity: Prejudice Reduction Workshop" was presented at Whatcoat U.M.C., Dover through Pacem in Terris. The agency has presented these workshops at other churches in Delaware. Through Pacem in Terris, Grace UMC, Wilmington is serving as the host Protestant Church in a Reconciliation Program, Ulster Project Delaware, which brings Northern Irish Catholic and Protestant youth and local teenagers together. Newark UMC has looked to the Board and to Pacem in Terris for assistance with their sister-city relationships in Nicaragua and El Salvador. The Board also made a public statement against capital punishment at the time of Delaware's first execution in 46 years.

The decision was made to use Senator Al Gore's book, "Earth in the Balance, Ecology and the Human Spirit" as a resource in the study of the environment. Then Senator Gore, after 25 years of careful research, wrote of the causes and probable consequences of the assault on God's Creation and the hope of reversing it.

The Peninsula-Delaware Conference Board of Church and Society helped in launching the much needed "Parish Nurse Ministry" with a training session at Drayton Retreat Center.

It has been a rewarding year in the work of the Board!

Chairperson

4. **ELC Youth Training Ministry:** To provide Christian enrichment and intervention experiences for African-American Youth through the Howard Bailey Life Enrichment Camping Program at Camp Pecometh. Sponsoring of ELC youth for the Mission of Peace.
5. **Resourcing Congregational Life:** Training events, literature and A.V. resources made available in areas of Eldercare, Substance Abuse or AIDS Ministry. Mini-action and program grants to be continued. The Board has agreed to meet on all four districts this year in order to assist local churches.

### **BOARD OF DIACONAL MINISTRY**

In 1992, the Board of Diaconal Ministry celebrated the consecration of Larry Ganster as a Diaconal Minister. This brings to three the number of active Diaconal Ministers in this Conference.

Also to be celebrated is the increasing number of persons expressing a serious interest in pursuing certification and/or consecration.

Two members of the Conference Board attended a jurisdictional training event designed to assist conference boards in understanding and responding to the action of the 1992 General Conference with regard to the ministry study. This event also served as an orientation to the functioning of the Conference Board.

As in the past, the Board provided financial support for several persons who completed approved courses which will lead to certification and/or consecration. In addition, the Board continued to encourage persons to consider entering diaconal forms of ministry.

### **1994 GOALS**

The Peninsula-Delaware Conference Board of Diaconal Ministry will continue to build on its firm foundation in 1994!

The Board will continue to make a priority the support of persons who plan to equip themselves for diaconal forms of ministry. This support will be in the form of financial assistance as well as emotional and spiritual support.

The Board plans to offer, on one district, an event designed to help persons serving appointments in that district and in church agencies understand how a diaconal minister or lay professional can enhance and strengthen the ministry of the agency or church. This event will serve an educational purpose as well as create a situation where more positions for diaconal ministers and church professionals may become available.

So that persons with questions regarding diaconal ministry can have them

answered and so that Board members can be continually updated, the Board will present a retreat type of event. Additionally, two members of the Board will attend a jurisdictional training event.

To assist the increasing number of candidates for the Diaconal Ministry, mentors will be trained in an event to be planned and led by local leaders.

Throughout the quadrennium, this dynamic Board will do what it has already done...only better! This Board deserves praise for their energetic commitment to assisting persons as they respond to God's call for their lives.

### BOARD OF DISCIPLESHIP

The primary task of the local church is to reach out and receive persons where they are, relate them to God, nurture them in the faith and send them out to serve in the world. The cycle continues (they reach out and receive persons, relate them to God, and so on. . . ). The role of the Peninsula-Delaware Conference Board of Discipleship is to help congregations prepare themselves for this primary task.

In 1992, the Board of Discipleship went through a substantial transition with the quadrennial change; in many ways we are still in transition. First of all, we went from being a board of near 80 participants to a board of 40 members. We went from approaching our work as separated "divisions" to being a unified board with several "work areas." Prayerfully, this change will better combine the resources of the BOD to help congregations prepare for the primary task of the church. In the midst of this transition, the BOD developed four areas we want to accomplish results in during the 1993-1996 quadrennium. Each of these areas is accompanied by goals. They are:

**Relationships:** To establish a line of credible, encouraging and quality communication between the Peninsula-Delaware Conference BOD and local churches that identifies local church needs, speaks to all local churches in the work areas of discipleship, and works cooperatively with the resources provided by the General Board of Discipleship.

#### Desired Results

- \*Establish a line of communication to/from local congregations
- \*Encourage local church to ask BOD for help
- \*Use a tool (surveys) to identify needs of local congregation
- \*Cross communication on/for programming
- \*General and Conference BOD as a resource --work cooperatively
- \*BOD that speaks to and for all local churches in the four areas
- \*Credibility

**Vision/Leader Development:** To teach local church leaders the importance of having a specific vision and purpose for ministry in their local church, and the particular tasks that will accomplish their goals. We will provide resources, opportunities for learning, and information on where to get help.

#### Desired Results

- \*Help churches have a vision and purpose for ministry and the resources to

accomplish vision.

- \*Local leadership understand tasks and know where to get help
- \*Local church leaders know their tasks and carry them out

Measurement & Growth: To help the churches of the Peninsula-Delaware Conference achieve increases in worship among members and overall attendance, and in the level of giving.

#### Desired Results

- \*Higher percent of membership in Sunday Worship
- \*Increase percent of attendance
- \*Net membership increase
- \*An increase in level of giving

Personnel Enablement: To actively train persons to serve as a resource pool to work with local churches in ministries such as the development of an active evangelism team on each district, stewardship consultants, the Partner's Project and declared liaisons to local church chairpersons of the various work areas.

#### Desired Results

- \*An effective evangelism team on each district
- \*Partners Project
- \*Liaison to local chairs

These are the quadrennial key result area, goals and desired results of the Board of Discipleship for the 1993-1996 quadrennium. The various activities which will accomplish these goals will be outlined in the work areas of the Board of Discipleship.

### Work Area of Education

"Through Christian education people and communities of faith are invited to be transformed as they are inspired, challenged, and engaged to: know and experience faith, God through Jesus Christ, claim and live the promises of God, and grow and serve as Christian disciples."

The General Board of Discipleship, Section on Christian Education;  
Foundations for Christian Education in the United Methodist Church

The Work Area of Christian Education is a part of the body that includes Evangelism, Stewardship, and Worship, and forms the Board of Discipleship. Our goal is to provide skills, resources and inspiration to teachers and leaders in the local church so they in turn may nurture disciples of Jesus Christ. This is the role of the Work Area of Education.

We provide leadership, inspiration, and resources, both material and human, in a variety of ways:

Teacher Training: The "Discipleship Fair" provides training for pastors, teachers and leaders in the areas of education, evangelism, stewardship, and worship. The objective of this event is to model a comprehensive ministry of making disciples so persons are prepared for ministry in their local church. The event takes place in six locations on three days in August and one day in October to provide training for leaders in the areas of discipleship ministry.

Christian Education Consultants: Althea Armstrong, Alice Hemmeian and Liz St. Clair provide their expertise in teacher training and their joy of christian ministry throughout the Peninsula-Delaware Conference. They have worked diligently to inspire and encourage persons in the local church to "make disciples". Consultants work with persons in the local church to evaluate, plan, and provide christian education for children, youth, and adults.

Leadership Development: In this area, the Board of Discipleship Work Area of Education provides effective leadership training and opportunities for training in Laboratory Schools. "Lab" School is a hands-on experience in learning, teaching, planning, and evaluating skills for teaching and learning. The largest contingent from any conference at one time, 15 persons from Peninsula-Delaware Conference attended training provided by the Northeast Jurisdiction and Southern New Jersey Conference at Camp Hill, Pennsylvania. Those certified will provide leadership training in the local church in the Peninsula-Delaware Conference.

The Work Area of Education again sponsored and organized leadership development events to help qualify persons for leading church training. In June and July, three persons continued their laboratory training to become Certified Lab Leaders for Youth and Week-Day Work and Administration. In addition, one partial scholarship was provided for a pastor to attend Disciple Bible Study.

In October, a Born Free/Stay Free Lab was held at Wesley Temple and Grace Churches in Salisbury, Maryland. With the help of these churches as co-sponsors, we were able to enroll twenty-five older elementary children and youth in this excellent program. Led by Reverend Dick Gibson of South Carolina, the program engages both children and parents in drug prevention education. Simultaneously, we trained seven persons to repeat the Lab in their church and others.

In November, Dr. James Logan, Systematic Theology Professor at Wesley Seminary, led a Coaching Conference in Christian Beliefs at Drayton Retreat Center. Eight persons are now certified to teach this 6-8 hour course in Christian Education in local churches. This conference is second in a series; part of a long-range plan to provide additional training for workshop leaders.

The Resource Committee: This committee continues to develop a resource catalog that will provide Courses of Study and names of persons available and trained for leadership in education, evangelism, stewardship and worship.

Inspirational Event - Elaine Ward Storyteller: Elaine Ward, author and Professor at Lancaster Theological Seminary led a workshop in the Wilmington District in 1992 on "Forming and Feeding our Faith Through Telling the Sacred Story". Ms. Ward transported her listeners into the lives of biblical characters, and inspired teachers and leaders to "become" the persons she portrayed. She modeled ways to be storytellers to our children, youth and adults.

Christian Educator's Fellowship: A chapter of the National Christian Educator's Fellowship was chartered at the Peninsula-Delaware Annual Conference in 1992. CEF provides support, training, and professional development to persons in christian education leadership in the local church.

A retreat was held in the fall to focus on direction for the newly-formed chapter.

The National Board of CEF offered a challenge to Membership at the 1992 Conference to increase membership. The chapter with the most new members would have the opportunity to send a representative to the 1993 CEF Board of Directors

meeting at Scarritt-Bennett College in Nashville, Tennessee.

The Peninsula-Delaware Conference won the challenge. Amelia Meade Bobon, Vice President, represented the Chapter. Amelia was present and took active part in decision-making and evaluation of program and events at the week-long meeting.

Disciple Bible Study: Two hundred forty persons attended the training event in Philadelphia. It was such a success, a follow-up training event was planned for February 1993. Disciple Bible Study has impacted lives and inspired transforming faith throughout our Conference.

"There is but one ministry in Christ, but there are diverse gifts and evidence of God's Grace in the Body of Christ."  
(Ephesians 4:4-16)

The Work Area of Education, as part of that body in ministry to Jesus Christ, will continue to enable persons to develop skills and training and become inspired to go out and help others lead persons to live transformed lives.

### Work Area of Evangelism

1992 was a transitional year for the Work Area of Evangelism. With a change in leadership of the Work Area and the restructuring of the Board of Discipleship, the functioning and role of this Area is being re-thought.

The first half of 1992 was under the leadership of Barbara Jester. Involvement in "Partners Project" was the primary focus of the Work Area. The business of the quadrennium was concluded. At least five local workshops on evangelism were resourced. Conference involvement in the Wilmington District "Year of Evangelism" as a pilot project was secured. This event, in April 1993, will be a model for the Conference. Denman Awards were not presented in 1992.

In the second half of 1992, under John Dunnack's leadership, the recruiting efforts of the Jesters bore fruit in five persons attending the Northeastern Jurisdiction School of Evangelism (NEJSOE) in July. All five are in key evangelism leadership now.

We met with the Board and formulated Board goals and directions, and membership in each area was greatly reduced.

The Chair's key activity was getting the lay of the land in this new configuration, assessing need, and learning possible options. He worked in the leadership of "Year of Evangelism," now called "Come Alive In Christ."

Leadership was provided for six "Discipleship Fair" workshops. Local church workshops were continued. Funding for a pilot project in "Team Evangelism" at Hopewell UMC and the Dover District "Church Growth With Integrity" Workshop was secured.

We are honored that Larry and Barbara Jester were elected to the significant role of Registrars of the (NEJSOE) and will continue with the Partners Project.

### 1994 Goals

Our primary goal is to work within the umbrella of the Board of Discipleship to make disciples. We will work as a team with all Work Areas to accomplish that goal

together. The measurable result will be a net growth in membership. The implementation of the 1992 General Conference Resolution "Make Evangelism the Number One Priority for the Next Quadrennium" (The Book of Resolutions of the United Methodist Church, 1992, p663) is a part of this goal.

We will work to implement the "Comprehensive Plan," especially those parts dealing with evangelism. The measurable result will be growth in evangelistic effectiveness in the ethnic churches as evidenced in increased membership.

We will work to build an organization on each district to do the work of evangelism. The Wilmington District model will be a starting point in developing the organization. The measurable result will be an ongoing committee on a second district working to effect disciple making across that district.

We will resource the "Partners Project" and districts with trained leaders in evangelism who will be able to train others how to make disciples. The measurable result will be requests for leaders filled from a pool of competent people.

We will push for the implementation of "Vision 2000" as a Conference program. The measurable result will be the adoption of "Vision 2000" by the Annual Conference.

We will negotiate with the Foundation for Evangelism to establish the "AC-70" program to fund new work in evangelism in our Annual Conference and across the United Methodist Church. The measurable result will be the involvement of the Foundation for Evangelism in implementing "AC-70."

We will award Denman Awards. A new nomination process will simplify the process. The measurable result will be a lay and clergy award at the 1994 Annual Conference session.

#### Work Area of Stewardship

The Work Area of Stewardship has worked on development of leaders in this area who will be equipped to work with churches in the area of stewardship. Jim Jones, the former chairperson, Julia Dorman, Anthony Arrington, and Lawrence Livingston, CCOM staffperson, attended the 1992 National Association of Stewardship Leaders Conference in Nashville. These persons are available now to work with churches in the area of stewardship. They have been enlisted as consultants to work with the BOD in this area. The consultant will work with each district office as a resource person to local congregations to help them with stewardship programs that fit their needs. The goal of the Work Area of Stewardship for 1994 is to continue to provide persons with support for training and to be sent to work in the local church.

#### Work Area of Worship

In 1992, the Work Area of Worship continued to expose persons to new worship experiences in the church at local, district and conference levels. The Work Area assisted with worship during the 1992 Annual Conference Session at Washington College, Chestertown, Maryland.

1. Assisted with planning and held workshop at District Discipleship Fairs.
2. Sent representative to Northeastern Jurisdiction Training in November.
3. Chairperson attended National Training on new Book of Worship.

4. Continues to be supportive of Peninsula-Delaware Conference Fellowship of United Methodist in Worship, Music and Other Arts (FUMWMOA).

#### 1994 Goals

1. Provide training on the new Book of Worship.
2. Continue to provide support for Annual Conference worship experiences.
3. On-going communication to the Conference with new ideas of worship.
4. Support the Conference FUMWMOA Chapter.

#### Older Adult Ministries Program

The Older Adult Ministries Program is cooperatively sponsored by the Peninsula United Methodist Homes, Inc., and the Peninsula-Delaware Conference. The programs for, with, and by the aged are designed to assist local churches and community groups in meeting the needs of the aged.

The Peninsula-Delaware Conference Older Adult Task Force consists of representatives from the four districts in our conference. The Older Adult Task Force meets regularly to provide input about issues that impact the lives of older persons and to develop programs to meet their specific needs.

In 1992 a representative from Maryland and one from Delaware participated in "Preparing State Government for an 'AgeQuake' in the 21st Century." This study was conducted in order to assist policy-makers in developing their future program plans for the aged. The information from this study will act as a guide in planning Older Adult Ministries Program in the future.

Program Training Seminars were held in each District of the Conference in 1992. Dr. Corrine Waters, Olive Cook and Naomi Winchester were the workshop leaders for the Older Adults Section. Pastors and laity were provided the skills and tools they can use to assist them as they develop their respective Older Adult Ministries program.

A 55+ Retreat was held at Drayton Manor in June with 32 persons attending. How to reinvest ones gift and talents so those who are yet to come will have a better place to live was the challenge the participants explored for 2 1/2 days. The word we adopted from the retreat is "Eldervision". A reunion will be held at Smith Island, Maryland in June 1993, to re-affirm God's continual purpose in our lives as we age.

A seminar was held at the Dover Air Force Base on November 5, 1992, entitled, "Enhancing Spiritual Well-Being Across the Life-Span". The seminar for Health and Pastoral Professionals launched the Parish Nurse program in the Peninsula-Delaware Conference. The Parish Nurse Program will teach parish nurses to be enablers in the

church's mission to heal the sick.

A quarterly mailing of Aging Resources is sent to pastors of local churches. Consultation is provided to churches when requests are made by the pastor. Training events are co-sponsored with other boards and agencies so they are cost effective, and scholarships are given based on available funds and requests.

James Hardcastle serves as treasurer for the United Methodist Church Task Force on Older Adults in the United States, and is a member of the Older Adult Ministries Task Force of the Peninsula-Delaware Conference. Naomi G. Winchester was elected in October by the General Board of Global Ministries to serve as their representative to the General Board of Discipleship, and serves as the consultant for the Peninsula-Delaware Conference Older Adult Task Force, and is employed by Peninsula United Methodist Homes, Inc.

During the 1992 General Conference, the Older Adult Ministries program was placed with the General Board of Discipleship Section on Christian Education. A concerted effort is being made to identify and meet the needs of aged persons through our Older Adult Ministries program. The Older Adult Ministries program in the Peninsula-Delaware Conference is gaining momentum, and we seek your support as we move forward. We also ask you to embrace our new logo for Christian Education in the United Methodist Church: CLAIM AND LIVE, KNOW AND EXPERIENCE, GROW AND SERVE.

G. Wayne Cuff  
Chairperson

Naomi G. Winchester  
Aging Ministries Consultant

#### 1994 GOALS

The 1994 Goal of the Older Adult Task Force of the Peninsula-Delaware Conference is to have Healthier, Happier Older Adults. The strategic plan includes:

1. Co-sponsorship of The Parish Nursing program in communities and churches, so aged persons can learn to take the responsibility for managing their own health care.
2. Promote Empowerment Workshop for the aged, so they will become advocates in order to obtain the services they need.
3. Implement a Volunteer Program to recruit, train, and organize older adults. This volunteer program will seek to provide socialization for the aged, and help those who share their gifts and talents to obtain a feeling of self worth.
4. Provide written resources on Older Adult Ministries via three mailings to pastors of local churches. These resources will be designated to assist pastors and laity to develop their Aging Ministries Program. Consultation will be provided to local congregations as they seek to develop their Aging Ministries programs.

#### BOARD OF GLOBAL MINISTRIES

The Peninsula-Delaware Conference Board of Global Ministries started a journey of faith in 1992. The Board began a new quadrennium by prayerfully reading from Chapter 15 of the Gospel of John:

"I am the true vine, remain in me and I will remain in you. As the branch cannot bear fruit of itself, it must remain in the vine, neither can you bear fruit unless you remain in me. I am the vine, you are the branches. This is my father's glory that you bear much fruit, showing yourself to be my disciples."

Guided by the Spirit of God, the Board has worked to strengthen the mission of the church both within local congregations of the Annual Conference and around the world.

As the Board began its work, the members recognized our interdependence as disciples. We have strived to meet the challenges facing us together, instead of simply protecting our own turf. The Chairs of the Divisions have faithfully contributed their time and provided the leadership needed to work together as a team.

One of the challenges faced by the Board this year was responding to the needs of the people of Florida and Louisiana because of Hurricane Andrew. Under the leadership of James Marvel, Henry Zollinhofer, Jerry DeVine and Shirley Still in the Conference Office, the people of our Conference were able to reach out in love to those in great need. The donations of food, hygiene products and money were greatly appreciated.

Special thanks to the United Methodist Women for their commitment to mission and particularly for sponsoring the School of Christian Mission at Salisbury State University in the summer.

I greatly appreciate all the members of the Board for seeing this ministry as one of the lifelines of the church. A special recognition to our team members: William Hemphill, Jr., Vice Chairperson of the Board; Linda Etter, Secretary; Nancy Leathrum, Chairperson of Congregational Development; Hilderia Labala, Chairperson of Committee on Education and Cultivation; Lorna Varell Hearn, Chairperson of Health and Welfare; James Hawkins, Chairperson of Missions; Herman Lipsius, Chairperson of Parish and Conference Ministries; and Jerome DeVine, Conference Secretary of Global Ministries.

As we move forward, we seek your prayers that we may continue to grow and embrace God's work to meet the needs of the poor and oppressed.

Naomi G. Winchester  
Chairperson

#### 1994 GOALS

1. Witness to the Gospel for Initial Decision to Follow Jesus Christ: We will proclaim and live the Gospel of Jesus and, similarly, challenge others to discipleship in and through Christian communities. Where direct proclamation is not permitted, a caring presence becomes the means of Christian witness.
2. Strengthen, Develop and Renew Christian Congregations and Communities: We will work mutually with mission partners in common growth and development of spiritual life, worship, witness and service.
3. Alleviate Human Suffering: We will help to initiate, strengthen and support ministries to the spiritual, physical, emotional and social needs of people.
4. Seek Justice, Freedom and Peace: We will participate with people oppressed by unjust economic, political and social systems in programs that seek to build just,

free and peaceful societies.

### Conference Secretary of Global Ministries

As is often the case at the beginning of a quadrennium, the past year was a year of transition. A large segment of the Conference Board of Global Ministries leadership was new this past year. In addition, some persons who were continuing into their second term on the Board of Global Ministries were moved into new areas of responsibility. This provided the necessity for me to spend a significant amount of this past year arranging training/orientation, including two trips to our General Board of Global Ministries in the Interchurch Center in New York to orient several of our Board members. I have made myself available to Division Chairpersons and the Board of Global Ministries Chairperson in order to provide resources and guidelines as we develop a clear vision and direction for the quadrennium, and to help develop budget and priority requests for 1993 and 1994.

I attended three training events: Global Mission Partners Orientation (Drayton - November '92); Northeastern Jurisdiction Leadership Training (Allentown, PA - November '92); UMCOR Training for Hunger, Disaster Relief, and Refugee Coordinators (Lake Junaluska, N.C. - January '93). In addition, at the request of the General Board of Global Ministries, I participated in Global Gathering '93 in Indianapolis in March 1993 along with 13 other persons from the Peninsula-Delaware Conference. In April of 1993, I participated in the Mission Travel-Study Seminar coinciding with our denomination's School of Christian Mission geographic study. Two groups were sent to the Caribbean. The group I was in spent 17 days in Barbados, Guyana, and Cuba visiting and reflecting on the work of The United Methodist Church in these cultural contexts. The information, photos and insights I gained from this experience will be shared at our Annual Conference Mission Fair and at subsequent district or local church mission interpretation events.

As your Conference Secretary of Global Ministries, I have attempted to broaden my own awareness in order to offer more resources and challenges to you. I have responded to churches in each of our four districts and have helped set up several mission events. I worked closely with Henry Zollinhofer and a host of others to respond to the devastation wrought by Hurricane Andrew. I have worked extensively for the past year with a bi-national, interfaith, multi-cultural group that is now called Sierra Leone Relief Fund (SLRF). This newly formed humanitarian organization is focusing relief efforts for Sierra Leonians displaced or forced into refugee status because of a spill over from the civil war in Liberia, and from internal conflict within Sierra Leone.

In January of 1993, I arranged a visit to the General Board for Jim Hawkins, Chairperson of the Division of Missions, and myself. We were able to obtain updated information and project priorities in the following regions: Sierra Leone, Liberia, Zaire, Mozambique, and Latin America. In addition, we were updated on disaster relief in Florida, Louisiana, Somalia, and Russia. This information will help shape some of our Advance Special promotions in 1993-1994. Please be prepared to respond openly and sacrificially when appeals are made. You do make a difference in the name of Christ.

Jerome R. DeVine  
Conference Secretary of Global Ministries

### 1994 GOALS

1. To work closely with Conference Staffperson, Lawrence Livingston, and Board of Global Ministries members to implement Global Mission Partners program.

2. To arrange a training orientation at the General Board of Global Ministries in New York for the remaining officers of the Conference Board of Global Ministries who have not yet done so.
3. To work cooperatively with the Division of Missions in developing promotional resources on missionaries deployed by our General Board of Global Ministries that are assigned to and/or supported by churches in the Peninsula-Delaware Conference.
4. To resource District Missions Saturation Events.
5. To deepen our involvement with Prime-ECR, an area organization dealing with refugee issues and concerns.
6. To work with the Chairpersons of the Divisions of Missions and Conference and Parish Ministries as they establish mission priorities to be promoted for financial support.

#### Committee on Education and Cultivation

The purpose of this committee is to equip local church mission leaders to educate their congregations about mission and cultivate increased mission involvement.

The Wilmington District is serving as a model district for this committee. Mission leaders from Wilmington District congregations meet quarterly to learn from a mission speaker and to pray for the work of mission in local churches and around the world.

The committee is pleased to have a District Secretary on all four districts. They are: Harold Bolyard, Dover; Joyce Jones, Easton; Donald Hamilton, Salisbury; and Norman Poultney, Wilmington.

Hilderia Labala  
Chairperson

#### 1994 GOALS

1. Training: to provide training for local church mission leaders.
2. Mission Saturation Event: to work with the Division of Missions to begin to sponsor a mission saturation event on each district.

#### Division of Congregational Development

The Division of Congregational Development was able to meet all the requests for loans and grants made to the Division in 1992. These funds come from the apportionments paid by all local churches of the Annual Conference and from repayment of loans previously extended to congregations by the Division.

In 1992, the Division made grants in the amount of \$65,850 and loans of \$48,000 to enable congregations to improve church facilities and parsonages.

Nancy H. Leathrum  
Chairperson

### 1994 GOALS

1. To continue to assist local churches to be in ministry by extending grants and loans to enable them to have adequate and accessible facilities.
2. To enable all pastors to have a parsonage that meets Conference Standards through loans and grants to local churches for repairs and construction.
3. To begin a reserve fund as a way to plan ahead for new and revitalized congregations.

### Division of Health and Welfare

The Division sponsored two seminars with Peninsula United Methodist Homes in 1992. The first, "Alive Over 55" was a retreat focused on ministering to the needs of older adults. The thirty people in attendance learned to value the legacies they carry forward to younger generations as well as to manage the stress of the aging process.

The second seminar, "Enhancing Spiritual Well-Being Across the Life-Span," introduced 105 participants to the parish nurse program. The parish nurse role has evolved over the past ten years and is being introduced to the Peninsula-Delaware Conference. Parish nursing is a holistic approach including physical, emotional and spiritual well-being by nurses trained for this special ministry.

The Division also conducted a needs assessment of congregations in the Annual Conference to discover how the Division can support health and welfare ministries on the local level. The Division discovered that the majority of local churches want written educational information and lists of resource people on specific wellness issues, and the Division is working to meet these needs.

Lorna Varell Hearn  
Chairperson

### 1994 GOALS

1. To collaborate with the Older Adult Task Force to implement the Parish Nurse Program.
2. To provide education and resource support on health and welfare issues to local churches of the Peninsula-Delaware Conference.

### Peninsula United Methodist Homes, Inc.

"The following information about Peninsula United Methodist Homes, Inc. is printed because the Peninsula-Delaware Conference has a common missional interest with Peninsula United Methodist Homes, Inc., although the Conference does not have any financial or legal responsibility for Peninsula United Methodist Homes, Inc."

(A Covenant of Affiliation Between Peninsula United Methodist Homes, Inc., and the Peninsula-Delaware Annual Conference of The United Methodist Church, adopted June 1985.)

The PUMH story is one of vision, faith, determination and history. Peninsula United Methodist Homes, Inc. established itself as a leader in retirement care when

Delaware's first not-for-profit continuing care retirement community, Methodist Country House, opened in 1960. In 1966, the Methodist Manor House opened in Seaford to provide retirement living in southern Delaware. Twelve years later, in 1978, PUMH opened Cokesbury Village in Hockessin, Delaware to offer more spacious living units to the older adult population. In addition, PUMH has managed the Layton Home, a 108 bed nursing care facility in Wilmington, since 1987, and Heron Point of Chestertown, Maryland, owned by PUMH of Maryland, Inc., since its opening in 1991.

In its five communities, PUMH serves approximately 1,100 men and women over the age of 60 and employs about 950 people. The total assets of the corporation and the five facilities are approximately \$120,000,000 and the cash flow is approximately \$50,000,000.

PUMH owns and operates the only continuing care retirement communities in the State of Delaware to earn accreditation by the Continuing Care Accreditation Commission (CCAC) an independent agency sponsored by the American Association of Homes for the Aging. The three PUMH communities, Methodist Country House, Methodist Manor House, and Cokesbury Village are among the 121 facilities nationwide that have earned this prestigious honor. The accreditation is a result of extensive evaluation and assures commitment to excellence in resident life, finance, health care, governance and administration.

PUMH is grateful to the many friends who in 1992 contributed \$332,465 for immediate benevolence assistance and \$101,423 in deferred benevolence assistance to the endowment fund for limited income residents. We are pleased to note that the 1992 Conference grant of \$75,000 combined with Mother's Day offerings of \$45,150, and other gifts provided benevolence funds to 38 Country House and Manor House residents whose financial resources no longer enable them to meet the full cost of care. On behalf of all the recipients, PUMH is most appreciative of these gifts.

On August 11, 1992, Methodist Country House broke ground for the Master Renovation and Expansion Plan "1992 and Beyond...Meeting the Needs of the Future." The first phase of the plan will add 73 spacious apartments in Brandywine Woods and Christiana Court, and an 18 bed personal care wing, along with renovations to many existing common areas. The renovation and expansion project will help meet the needs and desires of today's retirees who want larger living units with a greater choice of amenities. The first phase of the construction is due for completion in the summer of 1993.

Renovations are near completion at Methodist Manor House and expansion is now under way in response to requests from today's older adults. On May 14, 1992 we opened the Bethany Wing, a uniquely designed, programmed and staffed wing to provide for the special needs of Alzheimer's and other memory impaired individuals. The Cunningham Wing, offering assisted living care, was dedicated on September 24, 1992 and on August 13, 1992 Manor House friends, residents, staff, PUMH trustees and members of the community gathered for the ground breaking of the Chesapeake Wing. The 18-apartment Chesapeake Wing will offer spacious two-bedroom and two-bedroom with a den apartments, each with a balcony or patio and a bay-windowed dining room.

Life at Cokesbury Village continues to be inspiring. Special events kept the year full of fun and enjoyment for residents, employees, and the public. The Cokesbury Village Cottage and Garden Tour in May 1992 displayed the beautiful gardens built and tended by Cokesbury residents. And the White Elephant sales, completely organized and operated by residents, raised a total of over \$20,000 for the Resident Council to spend on resident activities and events. The warmth and caring of the 1992 holiday season brought a special bond between the residents of Cokesbury Village and Layton Home.

A Cokesbury resident committee called the "Friends of Layton Home" donated Christmas gifts to Layton Home. The gifts were not kept but, rather for Layton Home residents to give to their loved ones. Layton Home also received gifts to keep from many community organizations, Cokesbury Village, and PUMH corporate office associates.

PUMH communities celebrated major milestones this year. Heron Point of Chestertown, Maryland celebrated its first birthday on June 26, 1992 with residents, staff and friends. Today, Heron Point residents are enjoying all of the activities and friendships of an established community.

Layton Home celebrated 100 years of service to Wilmington's low income elderly at a special anniversary dinner held on May 1, 1992. The evening was a celebration of community wide commitment including federal, state and local government, private interests, local businesses, staff and volunteers, as well as the religious community. All joined in support of Layton Home in its mission of serving Wilmington's low income elderly with quality nursing care. The Delaware Administration for Specialized Transportation (DAST) granted Layton Home a new mid-size bus equipped with a wheelchair lift and accommodations for eight passengers. Funding for this new bus, valued at \$43,678, came from the Delaware Department of Transportation, Delaware Transportation Authority, through their capital grants program, Federal Administration Section 16(b) (2). The bus was presented to Layton Home in March 1993.

With the implementation of a computerized nursing information system at PUMH health care centers, the quality of care for residents takes another step forward. The system reduces manual record keeping time, allows easier and quicker access to resident information, and most importantly it enables the nursing staff to maximize their time with residents.

In 1992, the Older Adult Ministries Task Force focused on two programs to enhance the lives of older adults. The first program encouraged thirty older adults to share their legacy with the young during a July retreat, entitled "55+", held at Drayton Retreat Center. The second program introduced the Parish Nursing Program to Delaware. Over one hundred people attended the Parish Nursing seminar which was held at the Dover Air Force Base on November 5, 1992. The audience learned how the church can utilize its resources to enhance holistic health and wellness among its parishioners.

At the annual meeting of its Board of Trustees in September 1992, PUMH presented the George H. Pigueron, Jr. Founder's Award to Eleanor L. Cain, Director of the Delaware Division of Aging. Cain has dedicated 25 years to the needs of the elderly.

PUMH is an organization made up of individuals working toward a common goal; to provide quality retirement and health care living to over 1,000 residents within our communities.

#### 1994 GOALS

1. Enhance existing PUMH retirement and health care services to provide for the changing needs of current and future residents.
2. Strengthen the corporation and its management, including governance, operations, finance, human resources, and fund development.

3. Increase public relations and marketing to reach and sustain maximum occupancy levels in all PUMH communities; and enhance public recognition of PUMH's leadership role in serving older adults.
4. Broaden PUMH services to a larger and more diverse older adult population.

### Division of Missions

The purpose of the Division is to promote mission within the Peninsula-Delaware Conference on the local, national and world levels.

In 1992, members of the Division coordinated our Annual Conference's response to the needs of the people of Florida and Louisiana following Hurricane Andrew. The lessons learned from that effort were analyzed and will help the Division devise a plan for how our Conference can respond to similar disasters in the future.

The Division also provided funds for Howell Wilkins to attend a conference in Moscow on United Methodist mission involvement in the former Soviet Union.

Some members of the Division attended a training event on the Global Mission Partners Program. The program seeks to encourage congregations to become more involved in mission. There are six criteria to be met before a congregation is named a Global Mission Partner:

1. Apportionment paid in full
2. Have an on-going program of mission education
3. Support for local mission
4. Have a covenant relationship with a missionary through the General Board of Global Ministries
5. Pledge support for international persons in mission (i.e., a non-U.S. missionary)
6. Sharing the congregation's story of mission with other United Methodist congregations

In 1992, the Division began to encourage a few congregations that have already met most of the above criteria to become Global Mission Partners early in 1993 as an encouragement for other congregations to do the same.

James F. Hawkins  
Chairperson

### 1994 GOALS

1. Encouraging Mission Involvement: the Division will begin to sponsor a mission saturation event on each district to encourage ten percent of congregations in the Peninsula-Delaware Conference to enter a covenant relationship with a missionary and five percent of congregations to become Global Mission Partners.
2. Mission Interpreter Training: to provide partial scholarship to one or two persons to become part of a mission interpretation travel experience, who upon returning to the Peninsula-Delaware Conference would be available to speak to local churches. In order to receive a scholarship, the applicant must enter a covenant to visit 10 churches over a two-year period.

3. **Volunteers in Mission:** to provide education on the Volunteers-in-Mission program, with a view to encouraging a conference or district sponsored Volunteers-in-Mission project in 1994.
4. **School of Christian Mission:** to offer continuing education partial scholarships for up to eight clergy persons from the Peninsula-Delaware Conference to attend the School of Christian Mission sponsored by the United Methodist Women.
5. **United Methodist Committee on Relief:** to encourage each congregation in the Peninsula-Delaware Conference to contribute at least \$1.00 per member per year to the United Methodist Committee on Relief, thus enabling UMCOR to respond to emergency relief appeals. This can be accomplished through several avenues, including active participation in the One Great Hour of Sharing.

### Division of Parish and Conference Ministries

The purpose of this Division is to encourage new and existing ministries within the bounds of the Annual Conference. During 1992, this Division gathered information about possible emerging ministries as well as funding already existing ministries. The Division also serves as the Peninsula-Delaware Conference's liaison to the Methodist Action Program, Neighborhood House and the new Salisbury Cooperative Ministry.

Herman E. Lipsius  
Chairperson

### 1994 GOALS

1. **Ministry to a Changing Population:** to identify population changes within the Annual Conference and encourage outreach. There has been significant growth in ethnic populations, including Haitian, Korean and Hispanic communities and in the number of older adults. The Division will provide seed money for new ministries to these persons.
2. **Cooperative Ministries:** to encourage local churches to work cooperatively to meet the needs in their local area. The Division will work to begin cooperative ministries in four areas.
3. **Advance Specials:** to encourage emerging and ongoing ministries within the Annual Conference to apply for Conference Advance Special status.

### Neighborhood House, Inc.

#### Mission Statement

The mission of Neighborhood House is to enable the people in and around South Wilmington to improve individually their quality of life and to develop cooperatively a better neighborhood. People with different backgrounds join as partners, continuously seeking opportunities to overcome individual and community problems. We believe we can help most effectively by keeping a high priority on enhancing the functioning of the family unit.

Better housing, family unity, education, recreation, neighborhood development, racial and cultural relations, as well as spiritual and emotional enrichment are important

aspects of programs and services which meet the various and changing needs of the people.

Spring 1992 brought the long anticipated move into temporary facilities for Neighborhood House to make way for the demolition of the buildings we have called home for three decades -- 1218-1220 "B" Street. Thirty years of possessions had to be sorted and moved to three temporary sites: Child Care to 601 Old New Castle Avenue, Family Services and Youth Programs to 608 S. Heald Street and Administrative Offices to 1213 B. Street.

To celebrate this milestone, friends of the agency gathered on a March Sunday for Brunch, the last scheduled event in the old facility. The program featured a video message by former beloved Day Care Director, Daisy Cabean.

Excitement filled the air during our Annual Meeting in April when the speaker, W. Bass Watkins, Chairman of the Capital Campaign Committee for a new Neighborhood House, detailed how a combination of foundations, corporate, church and individual contributions had made the new building possible. He emphasized the critical pace set by the Neighborhood House family. More than \$135,000 in donations from Neighborhood House Board, staff and individuals from United Methodist Churches convinced outside sources to provide much larger sums.

The new Neighborhood House, a 25,000 square foot facility, is due to be completed in the Spring of 1993.

The transition caused very little change in the offering of programs. One of the biggest changes was the closing of the Thrift Shop to make room for office space.

In September of 1992, Neighborhood House expanded services to Lower New Castle County serving the Middletown-Odessa-Townsend areas. Funding for that satellite operation came from a State Grant-in-Aid and the State Office of Community Services. We responded to the need to provide crisis alleviation services to the area when a major human service agency closed. We provide services like food, rent, utility assistance, tutoring, and a Brown Bag Club.

Also in 1992, we sponsored a very active Brown Bag Club at Neighborhood House helping 35 to 40 families to supplement their food budget. A secondary purpose of Brown Bag Club is to provide opportunities for educational and social sharing experiences and to foster the development of democratic decision-making skills, self-help skills and community spirit. An out growth of the Brown Bag Club has been the establishment of the "Dollar Wise Investment Club." Members' contributions of \$10 per month are matched by contributions from an outside source to be used for investment purposes.

Wayne F. Brown  
Executive Director

#### 1994 GOALS

1. Promote community and economic development.
2. Provide a range of services and resources to help families and individuals develop long-term solutions to their problems and needs.
3. Promote and provide counseling and assistance in obtaining long-term employment.

4. Promote and provide educational and training opportunities for children, youth and adults.
5. Promote and provide recreational, cultural, and enrichment opportunities and programs.
6. Increase housing opportunities for low and moderate income families in and around South Wilmington.
7. Broaden the base and improve the quality of financial, physical and human resources available to Neighborhood House.

#### BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The Board of Higher Education and Campus Ministry has ushered in the new quadrennium with a sense of excitement and anticipation of new ideas and programs and the continuation and strengthening of vital programs already in place.

We continued in our support and promotion of the Black College Fund by hosting Hortensia Dean as our Rena McCord Summer Intern. Hortensia itinerated on all four districts and attended Annual Conference, where she very ably addressed the members.

Rev. Laura Lee Wilson traveled to Brazil with the National Association of Wesley Foundation Directors Study Travel Seminar. The Board was pleased to provide some financial backing for this trip.

In 1992, we were able to award two Merit Scholarships to students attending Wesley Theological Seminary. These scholarships must be awarded to students attending Methodist related schools. They are funded by a rebate to our Annual Conference Board from the Student Day Offering.

July brought a new campus minister to University of Maryland Eastern Shore in the person of Walton Burke. The Board sponsored his attendance at the New Campus Minister Training Event.

In September, Rev. Dr. James Noseworthy, General Division of Higher Education Director of Annual Conference Relations, led our new Board in an orientation session at Drayton Retreat Center. In November, Rev. Homer Minus and Rev. Ike Ledger represented the Board at the Northeastern Jurisdictional Joint Training Event in Allentown, Pennsylvania.

The Board was pleased to award a grant of \$100 to Skyline U.M.C. for the ecumenical campus ministry it shares at Goldey Beacom College.

Real progress has been made in establishing a Wesley Foundation Campus Ministry at Salisbury State University. A Board of Directors is established and is currently working to establish by-laws and determine the direction of the ministry there. The work is a cooperative effort involving students, university administrators, faculty, and local churches.

At our November Board meeting, we were pleased to meet with representatives of Wesley College in Dover, including Dr. Reed Stewart, President. We shared concerns and dreams, establishing a new line of communication that we hope will be helpful in our shared ministry.

We were glad to be able to recognize the 42 Peninsula-Delaware Conference students who received loans and scholarships from the General Board's Office of Loans and Scholarship in an article in The Communicator.

The Board continues to strive to bring to reality the vision of Isaiah, "that all the earth shall be full of the knowledge of the Lord."

C. Karen Moore  
Chairperson

#### Wesley College

Once again it is time for my report to the Peninsula-Delaware Annual Conference on the past year's events and accomplishments of Wesley College. Again, there are many accomplishments and much progress to report. This year, however, I want to begin with an acknowledgment and full recognition of the heated emotions engendered at our last Annual Corporate Session in Chestertown.

I and the leadership of the Wesley College Board of Trustees see clearly now that the turmoil was caused in large measure by our lack of sensitivity with regard to the

power of language to injure when that language is, however unintentionally, sexist or racist. We understand, too, that our use of language arises out of a dated perspective which is no longer appropriate. For all of this, we apologize.

Our response is a commitment to learn and to grow by the grace of God in Jesus Christ. With the advice and counsel of Bishop Susan M. Morrison, sensitivity training sessions are planned for members of the Board of Trustees and members of the President's Cabinet for the Spring of this year. Other sensitivity workshops and seminars will be offered on campus for members of the faculty and staff. Our Trustee Development Committee, under the leadership of the Reverend Charlotte A. Nichols, will continue to identify candidates whose diversity will enrich the College. Work has begun on a new Mission Statement for Wesley which will emphasize inclusiveness.

As I write this report in February 1993, I am preparing a directive for the entire Wesley College community which reflects my personal resolve. It says, in part:

"We must speak to and about each other in language that is gender and racially sensitive.

We will follow the Admissions Office plan of Dean Joe Slights for the vigorous recruitment of ethnic minority students.

No position vacancy at Wesley College will be published which is not also published in media which target the historically black colleges and universities in the United States. All personnel searches at Wesley will endeavor to include ethnic minority candidates.

The personnel director and I will study model affirmative action programs. We will propose a specific plan for Wesley College for consideration, adoption and implementation during the Spring 1993 semester.

We will consider using interns from the American Council on Education's Leadership Development Center, in Washington, D.C., when filling vacancies, if only for temporary assignments.

Meetings will be arranged between Wesley administrators and appropriate officials from the American Council on Education, the National Association for Equal Opportunity in Higher Education, and other such institutions for their assistance in increasing our sensitivity to diversity and to advise Wesley on how to become an inclusive campus in fact as well as in spirit."

The directive will conclude with this paragraph:

"Our commitment calls for more than an awareness of the need for diversity and inclusiveness; Wesley College is called to actualize a community where such harmony is seen and practiced. I ask each member of Wesley's community to join with me in making this dream a reality for Wesley College."

I emphasize the last paragraph because I know that actions, not mere words on paper, are necessary. By God's grace and with our resolve -- we of Wesley College and you of the Peninsula-Delaware Annual Conference -- the troubling events of our last Corporate Session can be seen in the future to have marked the beginning of a new positive phase in our long and fruitful ministry together.

Let me conclude by listing the major accomplishments and events of Wesley College for 1992:

the retirement of Wesley's primary mortgage on November 20, 1992, a \$1,063,000 debt dating back 30 years;

elimination of the accumulated operating deficit which totalled \$2,042,000 in 1982-83, the amount is now zero;

a financial operating surplus for the ninth consecutive year;

a record student enrollment of 928 for the Fall semester, the fourth record enrollment in the last five years;

the arrival of Dr. Dorothy Prisco from Centenary College in New Jersey as the new Vice President and Dean of the College;

the arrival of Steve Brannon from Communicorp in Atlanta, Georgia, as the new Vice President for Institutional Advancement;

the hiring of seven faculty members, four of whom taught at Wesley before: Marsha Guernsey, Joseph Izzo, Denise Kaercher, Robert Contino, Patricia Welsh, Susan Dempf and Nancy Rubino;

rapid expansion in Continuing Studies under the leadership of Dean Tom Welch, with enrollment rising from 319 students in 1990 to 551 in 1991 and 692 in 1992;

action to increase the internationalization of Wesley by initiating dialogue with educators in the Miyagi Prefecture of Japan regarding the creation of an English Language Institute/Sports Camp at Wesley for the Summer of 1993 or 1994.

Reed M. Stewart  
President

#### **President's Goals for 1994**

1. To give emphatic attention to fund-raising and to cooperate with Vice President Brannon in lowering the cost of fund-raising, which has risen too quickly while gift income has remained sub-adequate or nearly static in the past.
2. To continue to cooperate with trustee leadership and Dr. Prisco, principally, in reconciling campus constituencies.
3. To revitalize a program of parent participation in the life of the College and to give attention, especially with Vice President Brannon, to the development of a successful and active Parents' Council.
4. To continue efforts to develop and implement strategies which will create a more inclusive college.
5. To stay close to students, maintain regular contact with students and to engage the Dean of Students in helping to create as many opportunities as possible to

- enhance the President's visibility among students and his responsiveness to their expressed needs.
6. To give attention, in full cooperation with Vice President Brannon, Dr. Prisco and Dr. Thorpe, to refining, clarifying and focusing the mission of this institution in a manner as to poise the College for outstanding service in the 21st Century.

### Wesley Foundation - University Of Delaware

There is an old saying, "time flies when you're having fun." Time does fly at Wesley Foundation Campus Ministry at the University of Delaware, and we are having fun!

In spite of the academic demands on the students, the Wesley Foundation participants have given much time to their ministry in the community, to each other and to the church. As an outreach mission ministry of the Peninsula-Delaware Annual Conference, we continue to focus on the Mission of Spiritual Life, Mission of Service, Mission of Stewardship and Mission of Social (Fellowship).

One of our most successful programs is our Sunday Morning Fellowship. The students meet with the campus pastor for biblical-based discussions on current topics, either related to campus, the church or to world events. The challenge is before everyone to look with new and fresh approaches through the eyes of the diversity represented within the gathered group. Our discussions are always Christ-centered.

Bible study is a weekly event. One of the most challenging studies we did was Amos: Window to God by Dow Kirkpatrick. We were given the opportunity to examine our own "windows" because of this study.

Provided for the students' private devotional life are meditation materials for Advent, Lent and final exam week. The student lounge has an assortment of pamphlets and magazines for their spiritual enrichment. Active students' parents have received copies of the same spiritual materials which their daughter or son has received as a way to be in touch with the folks back home.

Many of the students, faculty and staff of the University of Delaware worship with the congregation of the Newark United Methodist Church. This weekly worship experience provides the students with a cross-generational experience. Many students have expressed their deep appreciation to the members of Newark Church for caring enough to share their worship, their homes and their meals with the students. The witness of a local congregation caring has helped students on their faith journey.

Another vital ministry of spiritual life is the annual retreats. Last February our retreat leaders were the Rev. Dr. Ira and Mary Zepp. The student selected topic was "Spirituality and Sexuality." The fall and spring retreats were held at Epworth United Methodist Church, Rehoboth Beach, Delaware. The fall retreat was on "Ways Our Faith Takes Direction" with the spring retreat being "Time to Play Before Finals."

The main focus of our mission of spiritual life is the ministry of presence. A full-time presence by the campus pastor on campus makes a visible statement to the campus community that the Peninsula-Delaware Annual Conference of The United Methodist Church considers the spiritual life of their students extremely important. A ministry of presence cannot be measured by any figures. A ministry of presence is being present for, with and to those God and the Church sends me to be with. A ministry of presence is walking among and being with the academic community as the community struggles

with many diverse issues throughout the year. Because of the full-time presence, I have been appointed to serve as the campus minister representative on several commissions, committees and caucuses. As God's earthen vessel, the presence of the church is there through my participation.

We continue our mission of service by providing opportunities for outreach service projects. We assist with Hope Dining Room, the Food Bank of Delaware, Adopt-a-Highway, and a blood drive to name a few. During the Advent Season, the students look forward to participation in the Angel Tree Project.

The opportunity in our mission of stewardship is available for those interested in service to the church. Through encouragement and support, students take on leadership roles within the unit to keep the student ministry moving forward. Through this experience, the students are learning what it is to be a disciple of Jesus the Christ, and the importance of active lay ministry within the church.

Many of our students are involved with social justice issues. Their witness to the environment, human rights issues and world hunger provides them the experience of what it is to blend theology and public policy. They have experienced what it is to be Christian and to publicly affirm what one believes to be justice for all God's people. Wesley Foundation students were among the organizers and leaders of the Unity Day March and Rally held in the city of Newark last fall. Several of the students went through the peacekeeping training and served as peacekeepers during the march.

We continue to allow the space for the students who are struggling with God's call upon their lives into professional ministry. The safe space of the campus ministry environment and the campus pastor becomes the catalyst to explore the many areas of ministry to God and the Church.

Our community of faith holds fast to the mission of social gatherings. From sport events to concerts to plays to movies to eating together, the time which is spent together in fun is a connecting link for the time spent together in study, prayer and discussion. The monthly newsletter continues to be the means of sharing all the events of Wesley Foundation Campus Ministry. The Student Lounge is the "cosmic navel" (the center for students to gather) where the hospitality table provides physical nourishment and the comfortable furniture provides for community building.

We, the Wesley Foundation Campus Ministry at the University of Delaware, are a community of faith, part of the overall family of God. We continue to be accountable to the Peninsula-Delaware Annual Conference of The United Methodist Church. We continue to offer diversity, love, acceptance and the presence of the Church in the midst of a secular institution by the example of Jesus the Christ. Jesus took time for all people because of who they were. We trust we take the same kind of time for all people today because of who they are. "For everything there is a season, and a time for every matter....".

Laura Lee C. Wilson  
Director

#### 1994 GOALS

1. To provide full-time pastoral leadership and opportunity for spiritual growth to the University community.
2. Find the means and method of additional fund raising.

3. Continue to develop a relationship with the ethnic groups, i.e. African-Americans, Asian-Americans, on campus.
4. Continue a visible presence on campus to students, staff and administrators.
5. Invite students to consider professional ministries as their vocations.
6. Continue to encourage and support students who are in process for ordination or consecration.
7. Provide opportunities for students to become effective lay members of the local church.
8. Continue the active participation in service projects within the community-at-large.

### BOARD OF LAITY

The Conference Board of Laity began its year of 1992-1993 at the Annual Conference held at Washington College in Chestertown, Maryland on May 29, 1992 with the opening Laity Session. (Minutes of that session were printed in the 1992 Peninsula-Delaware Conference Journal.) An election was held and Dolly Brittingham was elected to serve as Conference Lay Leader for the 1992-1996 quadrennium. The Constitution and By-Laws were approved as amended. This document sets the guidelines for the Conference Board of Laity as well as the District Board of Laity. A committee has been put in place to make changes they deem necessary. This committee is chaired by Howard Mason and is made up of representatives from each of the districts: Debbie Lloyd, Wilmington; Marvin Smith, Easton; and Charles Upshur, Salisbury. Any changes will be presented to the members of Annual Conference in the future.

The Laity Banquet was well attended and an evening of fellowship followed. Our guest speaker was Dr. Tex Sample. The St. Barnabas Awards were presented by Dolly Brittingham and Gene Cray, a member of the St. Barnabas Committee.

The four districts continue to have events throughout the year for the laity. Examples are the Lay Speakers School, Lenten Communion Breakfasts and District Banquets. Wilmington District has, for the past two years, stressed evangelism with services led by Dr. Eddie Fox, World Evangelism Director of the World Methodist Council.

The Conference Board sponsored a pilot training for local church Lay Leaders in November. It is expected that the four districts do this training in their districts. All future trainings will include the local church Lay Leader and their pastor, again emphasizing the relationship between the clergy and the laity.

Our Annual Day Apart in September gives us the opportunity to continue our journey of extending our Christian walk with Christ and each other. A resource "Linking Faith & Daily Life" was used to connect who we are to what we do. Led by Rev. Leslie Slak, we focused on our United Methodist tradition of Scripture, Experience, Reason and Tradition. We gained insight that we are a particular people and need to be seen as servants of a loving God; bringing a whole new meaning to SERT.

Plans were discussed on how we could better help the Lay and Reserve Lay Members of Annual Conference communicate the needs of the local church to Annual Conference and in turn take back to the local church actions of the Annual Conference that strengthens our relationship as the body of Christ.

In October, the Northeastern Jurisdiction Board of Laity sponsored its Annual Assembly in Hershey, Pennsylvania. We had 14 people in attendance. Cynthia Matthews, of Zion-Mt. Carmel Church, was the musical director of the event. James Hardcastle was honored at the 40th Anniversary Celebration as one of the past presidents of this organization. Dolly Brittingham was elected to serve as treasurer for the next quadrennium.

The Board of Laity is grateful for the dedication of the many lay people from around the Conference that make the program of the laity meaningful. With God's help, the prayers of all the laity, a lot of hard work on the part of the Conference as well as the four districts, we hope to foster awareness of the role of the laity.

In the spirit of faith and hope, we sing out "Here I Am, Lord."

Dolly Brittingham  
Chairperson

### 1994 GOALS

1. Provide Lay and Reserve Lay Members of Annual Conference with information to communicate the connection between the local church and the Conference.
2. Following the guidelines of the Conference Committee on Lay Speaking, continue to offer training to lay people to become Certified Lay Speakers.
3. Relate and support the organized lay groups in the Conference such as the United Methodist Men, United Methodist Women and United Methodist Youth.

### BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry continues to place significant emphasis on evaluation of performance. The Board now functions in a reorganized fashion. The new arrangements not only bring the Peninsula-Delaware Annual Conference standing committees and officers up-to-date and matched with categories used by the general church, we now function so as to monitor and assess our own performance as we move from one stage to another during the year.

Equally as important, is the evaluation measure we send out to local churches. These are regularly reviewed as we continue to seek methods to ascertain, as closely as possible, maximum effectiveness and reflective means in doing ministry. Greater clarity in evaluation tools has been sought to help the Board better understand its role and purpose in the ministry of the church. We also keep in mind that all of us in the church, laity and ordained persons, need a way to reinforce accountability to each other. BOOM places a high value on these processes.

Closely connected to the evaluation process, BOOM participates in as many programs as we are able in matters of training and continuing education for officers of the Board. Five such officers attended a denominational training event in Virginia to become acquainted with new General Conference legislation. In addition to this, BOOM members have co-operated with Bishop Morrison by attending several workshops on sexual harassment and clergy misconduct. At the time of the writing of this report, BOOM policies are in the process of being updated to be included in the 1993 Conference Journal, as was decided in the 1985 Journal, pages 295-318. This updated entry will include all procedures which came out of the 1992 General Conference. Included in the

Virginia training program mentioned above were studies about various aspects of ministry -- ethnic, entry and exiting trends, early retirement, the crisis in maintaining an adequate supply of new recruits for ministry, along with other concerns, were topics of serious consideration.

At this Annual Conference, there are twelve candidates who will be expecting to be ordained. If all of these complete the process, there will be three Elders, one who will go the Associate route, and eight who will be ordained Deacons. The small number of Elders in this group is significant. We believe that this sector (Elders) will be larger in the future. Because the number of ministers who are expected to retire in any given year will indeed be progressively increased, as the statistics for the past few years indicate, there is a crisis in the recruitment of ministers, and this crisis will become more evident as we approach the year 2000 and beyond. To this end, the Peninsula-Delaware Annual Conference is making energetic efforts to help young people and second-career people become interested in the work of ordained ministry.

A note of thanks must be offered to all the members of the Executive Committee of the Board of Ordained Ministry who make my work as Chairperson pleasant and fulfilling. We all pray and hope that during this quadrennium, we will see many, if not all, of our needs fully met.

#### **BOARD OF PENSIONS**

The Board of Pensions began the year gearing up for the implementation of UMCare. However, UMCare was derailed by the Judiciary Council and will not be implemented before the next General Conference. Our current health care program continues to be one of the best available, and although claims have increased during the past year, we are still able to hold our rate increases below the national average.

The current Board has many new and dedicated members, and we have spent the past year learning what our responsibilities are and working towards making those decisions that will best benefit our retired clergy as well as those who have yet to retire. The Board is happy to report that, even with our lackluster economy, the portfolios of both the Conference and the General Boards of Pensions are financially sound and continue to grow.

#### **Pension Recommendations:**

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate for 1994 be \$295 per year of approved service.
2. Up to 100% of the pension and disability payments received by a retired pastor or pastor on disability be designated as the permitted housing allowance for 1994. (I.R.S. restricts this allowance to the pastor. The surviving spouse does not qualify.)

#### **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THE PENINSULA-DELAWARE ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of the United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of their Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1994 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or of any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit

payments will be taxable income to the recipient beginning in 1984. (Adopted May 30, 1992)

**BOARD OF TRUSTEES**

It is a delight to report that even in the midst of difficult economic times, the Trustees' financial portfolio has an annual yield of approximately seven percent. This growth, which is three percent above the market average, is directly attributable to the skill and diligence of Mr. Sherman Townsend of Merrill, Lynch and Company. Mr. Townsend met with us on one occasion during the past year, at which time he suggested some changes in our investments, and offered alternatives for more growth and less risk. As always, our investments must be made according to guidelines which represent prudence and a moral, global view. I commend Mr. Townsend for his efforts and attention to detail.

During the 1992 conference year, the Board has met two times to oversee property and financial matters assigned to its responsibility. It is a pleasure to report that the members of the Board display marked dedication and enthusiasm regarding all matters brought before their attention. Attendance at the meetings has been very good, therefore we plan to keep the number of meetings to a minimum, calling additional meetings only when necessary.

While proper disposal and management of church property remains a perennial concern, we have made progress. Some properties, which were previously cited as abandoned and woefully neglected, are in the process of disposition. The need to dispose of such property cannot be over-emphasized. Not only does abandoned property create a legal headache, it can spawn a public relations nightmare. Consequently, this conference year finds the Trustees even more intentional and aggressive in dealing with this issue. We have devised a procedure listing the steps and proper documents needed to locate and properly sell church property. Hopefully, these procedures can be utilized

by District Superintendents and prospective buyers to facilitate and expedite the sale and transfer of title. We welcome any information or concerns regarding neglected or deserted churches, cemeteries, etc.

On behalf of the entire Board, I would like to express sincere appreciation for the considerable time and noble achievements of Ted Briggs, our Conference Business Manager, without whose instruction much of what we do would be cloaked in mystery. An additional thanks must be given to James B. Tyler III of Georgetown, Delaware and Charles B. Dashiell of Salisbury, Maryland for serving as Chancellors for the Conference in their respective states.

S. Willard Crossan III  
President

### COMMISSION ON ARCHIVES AND HISTORY

As I entered my first year as Chairperson of the Conference Commission on Archives and History, I found many reasons to rejoice. One reason is a core group of people who are dedicated to the Chapel and Museum. Their work and devotion has been essential to the preservation of the Chapel and to the history of the Conference and its local churches to an extent that the Conference does not fully realize. It has opened up new possibilities and potential for the future work of the Commission. I am grateful for their support and encouragement and acceptance as I continue to come on board as both a new member and Chairperson. Lynn Hobbs, as Curator, does an admirable job in her day-to-day supervision of the Chapel and Museum. Phil Lawton, the previous Chairperson, has made the transition very smooth. He has guided me about what to do and not to do; and he has kept me abreast of all of the details of the work at Barratt's to which I do not have first hand access. The Conference not only has a good core group of people at Barratt's but it has a good Commission. Meetings are well-attended and the members are conscientious about their work. Newer people are getting acclimated and are able to enter into the dialogue more and more.

The Commission looks forward to an expansion of its work. As of this writing, we are looking forward to a historical colloquium with Dr. Russell Richey of Duke University on Sunday, May 23, 1993. We hope that a colloquium of this sort can be held at Barratt's on a regular basis. On that same day, we will also be dedicating the new vestry building. The Vestry is located next to the Museum and will be available for meetings and wedding parties. The next building projects will be the repair of the wall between the Chapel and the Museum and expansion of the Museum. Conservation of historical materials continues and we hope to give this greater emphasis. The Commission will soon be able to computerize what holdings are available to researchers and we will pursue the possibility of a computer connection with The United Methodist Archives at Drew University. Looking ahead to the Anniversary Service, we have asked Dr. Cain Hope Felder, from Howard University School of Divinity, to be the guest speaker.

The Commission is trying to look ahead towards the turn of the century. We are aiming to build up an endowment that will enable the Commission to fund new preservation, building and research goals. We are already sizing up new priorities regarding the Chapel's physical structure.

1992 has been an eventful year for the Chapel and Museum. Bishop Morrison preached at the Anniversary Service in November. The Carol Service in December helped to move us into the Christmas spirit. Work continues on the Delaware Conference History Project, under the supervision of Dr. Cora Selby. As mentioned above, the Vestry is well underway and we anticipate its completion soon. We also once again held our

annual Local Church History Contest. In 1992, over 3800 people visited the Chapel and Museum. There were 26 weddings, funerals and other special services; 35 confirmation classes and tours; and 35 research requests were serviced.

Barratt's Chapel is a Shrine of The United Methodist Church. The Chapel and Museum are open on Saturdays and Sundays from 1:30 p.m. to 4:30 p.m. Other times to visit the Chapel can be arranged through the Curator, Lynn Hobbs (302-335-5544). The Chapel and Museum depends upon the generosity of individuals and churches for about two-thirds of its financial support. In addition, we are always seeking new materials of historical interest to add to the Museum collection. If you are interested in making a contribution, please write: Barratt's Chapel and Museum, R.D. 2, Box 25, Frederica, DE 19946. It is the hope of the Commission that the churches of the Conference will avail themselves of the heritage entrusted to them in the Chapel and Museum as they move towards ministry in a new millennium.

Chairperson

#### COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

With the start of the new quadrennium occurring mid-year, 1992 was a year of transition for our Commission.

In January 1992, our Commission began publication of a quarterly newsletter entitled, Ecu-Notes, which shares ideas on ecumenical/interfaith programs as well as reports on such programs that are already going on in our Conference. In September, the Reverend Randy Booth became editor of this newsletter.

The Reverend Sam Greening, a member of our Commission, was sent as our representative to the National Workshop on Christian Unity in Denver in April. It is at this workshop that our Commission has its most direct contact with national and global ecumenical and interfaith issues, as well as being a time to meet with members of the General Commission on Christian Unity and Interreligious Concerns and representatives from other conference Commissions on Christian Unity and Interreligious Concerns.

At the 1992 Session of Annual Conference, our Commission presented its first Christian Unity and Interreligious Concerns Award. This award is given to a United Methodist who has displayed outstanding leadership and vision in ecumenical and interfaith issues. The recipient was the Reverend Howell O. Wilkins for his lifelong dedication to, and impact on, these issues.

Our annual planning retreat was held at Drayton Retreat Center in September. With the beginning of the new quadrennium, most of our membership was new, including the new officers: Ruth Laws as Vice Chairperson and Diaz Bonville as Secretary. We reviewed the work of the Commission in past years for the purpose of orientation for our new members, and we planned our calendar and programs for 1993 and beyond.

We continued to study the work of the Consultation on Church Union (COCU), including the documents The COCU Consensus and Churches in Covenant Communion, as well as other documents such as Baptism, Eucharist, and Ministry, published by the Faith and Order Commission of the World Council of Churches.

We are greatly pleased that the Reverend Elizabeth (Beth) Doty has signed on as part-time Executive Director of the Christian Council of Delaware and Maryland's Eastern Shore, and we look forward to her leadership.

David B. Garrett  
Chairperson

#### 1994 GOALS

1. Sending a representative of our Commission to the 1994 National Workshop on Christian Unity.
2. Publication of our Commission's newsletter, Ecu-Notes.
3. Having our annual planning retreat at Drayton Retreat Center in September.
4. Continued support of the Christian Council of Delaware and Maryland's Eastern Shore.
5. Continuing our emphasis on the Covenanting Proposal of the Consultation on Church Union.
6. Having an event that involves conference youth in ecumenical and interfaith ministry.

The Christian Council of Delaware  
and Maryland's Eastern Shore

The year has been one of continued service to the general public, as well as the constituent denominational bodies, despite a period of administrative reorganization. In addition to various programs, the Council has made great strides toward enhanced service in the region.

The Governing Board elected a new President, the Rev. Dr. Jeffrey N. Leath. We are grateful for the many years the Rev. Msgr. Paul Schierse served as President. He continues as an active member of the Governing Board. We suffered another administrative loss as our Executive Secretary of ten years, Judy Berry, relocated to Atlanta, Georgia.

A search for an Executive Director began in the fall and the Reverend Elizabeth Doty was hired in February 1993. With new leadership in place, the Council is excited about renewing its efforts in ecumenical service.

Activities of the Christian Council include the following: the Interfaith Resource Center, which offers a wide array of educational material at its permanent site in Wilmington, as well as four other locations periodically during the year; the Faith and Order Committee; and the Public Policy Committee. Moreover, the Council functions as a "clearing house" for non-profit groups and the general public as they try to access the church community. The Council provided consistent, quality service to those within and without the community of faith.

Members of the Christian Council are: African Methodist Episcopal, American Baptist, Church of the Brethren, Church Women United, Christian Church (Disciples of Christ), The Episcopal Church, Evangelical Lutheran Church in America, Presbyterian Church (USA), Roman Catholic, and United Methodist.

COMMISSION ON EQUITABLE COMPENSATION

In 1992, the Commission on Equitable Salaries experienced a name change. In order to reflect its increased, broader responsibilities, we are now referred to as the Commission on Equitable Compensation. However, our main concern continues to focus on providing financial assistance to those pastors whose charges need help in meeting the minimum salaries required by the Peninsula-Delaware Conference. In addition, we provide financial supplements to those minority pastors whose special gifts and graces are required to effectively perform their ministerial responsibilities. We do, however, make recommendations in other areas including travel, continuing education, health care, Social Security, housing, and moving. Salary support for pastors engaged in new church development is also being provided by the Commission.

The totals for 1992 for 32 charges are:

Minimum Salary Support	\$ 91,117.13
Pensions	<u>\$ 15,027.07</u>
Total Support	\$106,144.20

### Minimum Salary

The Commission on Equitable Compensation makes the following minimum salary recommendations for 1994:

Full-Time Elder	\$19,500
Probationary/Associate	\$17,800
Full-Time Local Pastor	\$16,500
Student Pastor	\$14,000

Service increments to be held at \$125.00 per year up to 15 years.

Reimbursement for travel expenses during 1994 will be at the rate set by the Internal Revenue Service for that year.

### Pastor Moving Policies

It is the recommendation of the Peninsula-Delaware Conference Commission on Equitable Compensation to the 1993 Annual Conference Session that effective January 1, 1994, the policies of the Peninsula-Delaware Conference, with regard to the moving of pastors, are as follows:

(Definition of terms: The term "pastor" shall refer to the person under appointment, whether as an employee of the district superintendent without a relationship to the Conference, as a local pastor, or any category of Conference relationship, including persons from other conferences serving under appointment of our bishop and retired retired supply pastors.

The term "charge", whether receiving or sending, shall refer to the station, charge or agency to which the pastor is appointed.)

1. The receiving charge will be responsible for moving or paying for the move of the incoming pastor and his/her household, within the bounds of the Conference, or from the closest reasonable border of the Conference. The District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree as to how the move will be made.
2. The receiving charge shall be responsible for the replacement, repair, or restoration of any of the pastor's household belongings in case of damage, breakage, or loss during the move, by providing adequate (at least replacement value) insurance through the moving company, or as a self-insurer (by agreeing, in writing before the move, to be the insurer). The District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree over any claim.
3. The pastor shall be responsible for the packing of his/her household goods, preparatory to moving, whether packing themselves or paying for it to be done by others. An exception can be granted by the District Superintendent of the receiving charge, when, in the judgment of the Superintendent, a pastor/parsonage family is unable to handle the task of packing and/or unpacking. If the receiving charge does not pay for such packing and/or unpacking, the District Superintendent of the receiving charge shall submit the bill to the Conference Business Office for payment to be charged to the

Commission on Equitable Compensation.

4. The Conference shall be responsible for moving or paying for the move under any of the following circumstances/conditions:
- a) when a pastor retires from active ministry, except when he/she is moving to a charge to continue service (e.g. as a retired supply pastor);
  - b) when a pastor serving as a retired supply pastor discontinues serving in that capacity;
  - c) when a pastor becomes completely disabled (as determined by the General Board of Pensions or the Peninsula-Delaware Annual Conference Session); or
  - d) when there is a surviving household to relocate, in the case of a pastor's death while serving a charge.

This will apply only to moves within the bounds of the Conference, or that portion of the move to the closest reasonable border of the Conference. The District Superintendent of the charge shall submit the bill for such move to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation. This will only be available one time within a ten year period to any given pastor.

5. When a change of appointment occurs such that a receiving charge would have to pay for a second move (for the same position) within any given four year period, the receiving charge can request assistance from the Conference to pay for the second move. The request shall be made through the receiving charge's District Superintendent, who will submit the bill to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation. The maximum reimbursement for the second move would be according to the following schedule:
- a) when a pastor moves after one year - 75%
  - b) when a pastor moves after two years - 50%
  - c) when a pastor moves after three years - 25%
6. It is the responsibility of the moving pastor to leave the parsonage and office in good order for his/her successor.

As to the parsonage:

- a) the buildings and facilities should be clean and in good repair;
- b) trash and unwanted items should have been removed;
- c) agreements should be negotiated by which the moving pastor shall pay for damages the pastor/parsonage family/parsonage pet is responsible for;
- d) keys for all locks should be tagged and left;
- e) the phone number should be left the same;

f) lists should be left of persons/companies to call in emergencies or for repairs/service, of where appliance manuals can be found, and of locations of screens, lawn mowers, etc.

As to the office:

- a) the phone number should be left the same;
  - b) keys for all locks should be tagged and left;
  - c) files should be up-to-date and in good order;
  - d) lists of immediate or necessary information should be left.
7. None of these policies shall financially obligate the Conference beyond the approved budget for moving pastors/parsonage families in any given year. Where the bills to the Conference for packing (#3 above) and/or moves (#4 and #5) exceeds the approved budget for moving, the Commission on Equitable Compensation will decide how available monies shall be spent.

## COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race is experiencing a major overhaul. First, the Commission will re-establish its identity and responsibilities in dealing with issues that perpetuate cultural and racial diversity. Second, the Commission will encourage alternatives in which racism, its consequences and impact can be effectively dealt with on all levels of human experience.

Borrowing a statement from the introduction of The Manual on Religion and Race:

"the most enduring and most effective means of overcoming racism are those which touch the persons in the local church. Viable and effective conference commissions can make that happen."

There are many strategies in which this end can be accomplished. Therefore, the Commission on Religion and Race will attempt to identify and eliminate racial bigotry and cultural intolerance which impedes true inclusiveness within the life of the conference, society and the church.

The Commission shall employ the following objectives and strategies to accomplish this end:

- Educate:** The Commission will raise the awareness of racism and its impact (negative and positive) on all Americans regardless of ethnicity.
- a) instruct trainers to teach others...including those of the dominate culture on regular basis
  - b) develop resource materials and identify resource persons
  - c) promote cultural and ethnic awareness programs.
- Review:** The Commission will review various church related institutions; conference agencies, boards and commissions and the appointment process. Our foci point will be towards equity and equality.
- a) a study of facts related to the appointment process and church alignment (preliminary report to 1993 Annual Conference)
  - b) fact-finding on racial ideologies with these findings being shared with the conference, included will be suggestions in dealing with racial issues
    - 1) Martin Luther King, Jr. Symposium 1993
- Advocate:** The Commission shall call our Conference to task as we believe ourselves to be an inclusive church. In addition, we shall advocate for and support those who are victimized by racism.
- a) request a meeting with the Bishop and Cabinet
    - 1) share concerns about the viability of minority churches
    - 2) discuss equality and equity of appointment process
    - 3) self-determination workshops which strengthens the individual without demeaning others.

The 1993 Martin Luther King, Jr. Symposium: This year's event was held at Wesley Chapel Church in Slaughter Neck, Delaware. Our theme was "Custodians of the Faithful."

After watching a video called "True Colors", we were divided into four discussion groups. Each facilitator was asked to lead their group in discussing "The Privileges of Racism for White Americans". Also groups were asked to share their thoughts concerning: 1) What privileges of racism do you experience as a white American? 2) Given the formula: Prejudice + Power = Racism - can African-Americans be racists? 3) How do you, as African-American, experience your prejudice towards others? 4) How do you confront racism/prejudice in your local church? and 5) How can we as the Church of Jesus Christ respond in a positive way to heal the fracture between races without doing injustice to any racial group?

The Christina Cultural Arts Center Chorale provided the music for our worship experience. The Chairperson delivered the message from Micah 6:8 - "what is good has been explained to you man, this is what Yahweh asks of you, only this --- act justly, love tenderly and walk humbly with your God." ### COMMISSION ON THE STATUS AND ROLE OF WOMEN

The General Commission on the Status and Role of Women of the United Methodist Church was established as a standing Commission by the 1976 General Conference. The mandate of the Commission has brought to focus three key words used to signify the work of COSROW: advocate, catalyst, monitor. The Peninsula-Delaware Conference COSROW has begun to implement several programs to carry out the work areas of the mandate.

Although COSROW has been inactive in the Peninsula-Delaware Conference for a while, the present Commission consists of concerned women and men working together to insure the inclusiveness of local churches.

The Commission on the Status and Role of Women Chairperson was sent to the Northeastern Jurisdiction Training Event in November, where members of the General Secretariat of COSROW led discussions on new issues confronting COSROW.

A very successful "Day Apart Planning Session" was held in November at Wesley United Methodist Church in Dover. Goals and objectives for the quadrennium were planned.

Ellene Bradshaw  
Chairperson

### 1994 GOALS

1. To make COSROW more visible in local churches.
  - a. Reactivate old or train new local COSROW representatives.
2. Advocate support for clergywomen.
  - a. Create a support system.
  - b. Study how itinerancy affects the career of spouses.
  - c. Assist local churches in the area of receiving first time appointments of women pastors through education of Pastor-Parish Relations Committees and District Superintendents.
3. Monitor the new sexual harassment policy being developed by the Bishop's Committee.
4. Present to Annual Conference displays which will reach a more inclusive audience.
5. To attend Regional COSROW training which will help Commission members increase their knowledge through further training.

### EASTERN PENNSYLVANIA-PENINSULA UNITED METHODIST FOUNDATION, INC.

Effective June 29, 1992, the Eastern Pennsylvania-Peninsula United Methodist Foundation, Incorporated was formed by merging the Eastern Pennsylvania Conference Foundation of The United Methodist Church and the Peninsula United Methodist Foundation, Inc. Parke H. Hess is the Executive Director of the new Foundation which will operate in Delaware, Maryland, and Pennsylvania. The new Foundation will maintain offices in Valley Forge, Pennsylvania and Dover, Delaware. As a member of the National Association of United Methodist Foundations, we are provided with resources and coverage throughout the United States.

During the preceding year, we provided financial consulting services to individuals, churches, agencies, and institutions. We continued our emphasis on financial planning, estate planning, and planned giving. By stimulating planned giving, we particularly helped local churches acquire new assets. In addition, we continued our successful program to establish and promote endowment funds in our local churches.

We continue to expand our function of managing assets as a trustee, executor, investment adviser, investment custodian, and investment manager. The Foundation is the investment manager for an increasing number of Conference agencies, corporations, local churches, and individuals. We currently manage approximately 100 accounts. With regard to investing, the Foundation carries out the directives of the Social Principles of The United Methodist Church as written in Paragraph 2513.3(e) of The 1992 Book of Discipline.

The Foundation involves itself with wills, trusts, taxation, securities, life insurance, annuities, retirement plans, real estate, etc. Meetings and seminars are conducted on a regular basis and individual counseling sessions are conducted in a confidential manner. We continue to urge each local church to establish an ongoing emphasis on wills by forming a Planned Giving Committee. The Foundation provides resources and personnel to help any church establish and carry out this urgent work by promoting the United Methodist program entitled "27 Plus Ways to Increase Giving to Your Church." In 1991 we began the distribution of a new "Planned Giving Handbook" prepared by the National Association of United Methodist Foundations primarily for local churches. Our

newsletters and brochures are distributed at meetings, seminars, and as inserts in church bulletins and newsletters.

The Foundation represents all United Methodist congregations and causes, therefore, it is prepared to assist people who wish to make lasting contributions to churches, institutions, and mission programs or services. For additional information, please call Parke H. Hess, Executive Director, at 215-666-9090 or write to him at P.O. Box 820, Valley Forge, Pennsylvania 19482.

Parke H. Hess  
Executive Director

### UNITED METHODIST MEN

The United Methodist Men of the Peninsula-Delaware Conference were and are actively involved in their local churches and on the national level also.

Just to mention a few of the national level programs/involvement: Moving United Methodist Men, Boy and Girl Scouts, 4-H Programs, Men in Missions, EMS, Prayer Ministry, and preparations for Congress of '93 at Purdue University.

In 1992, Ken Hilton (Wilmington District President) and Guy Winebrenner (Dover District President) attended a weekend conference at the national office for the United Methodist Men's division in Nashville, designed to help and build their skills as District Presidents.

Bishop Susan Morrison was a speaker for the Wilmington District Spring Breakfast and she also spoke as a featured workshop leader at the National District President's Conference in Harrisburg.

The Reverend Charlotte Nichols was our Resource Leader at the Annual Men's Retreat at Camp Pecometh. 105 men were in attendance and the weekend was a great success. We used the new "bunk houses" and sleeping was a dream come true after many years on the old beds. Next year's date will be September 11 and 12, 1993. Reservations are now being taken and again, an emphasis will be placed on the youth and new men to attend this great weekend.

Calvin Blake will be the Salisbury District President for this year. We wish him good luck and success.

The 6th International Congress of United Methodist Men will be held at Purdue University in West Lafayette, Indiana, July 16-18, 1993. The Ezion-Mt. Carmel Men's Choir has been invited, and have accepted, to participate in this national event.

This will be my last report for the United Methodist Men as my term of office expires. I want to thank you all for your support of our programs.

Joseph Sipos  
President

### **Accomplishments**

At Upper Atlantic Regional School in Chambersburg, PA, our President, Geraldine Jones, was elected as Assistant Dean of the School.

Our Vice President, Louise Hess, attended the World Federation of Methodist Women Conclave in Florida. She now serves on the North America Area (1993) Planning Team.

Our new Secretary of Program Resources, Ellene Bradshaw, was elected as Chairperson of the Peninsula-Delaware Commission on the Status and Role of Women.

We presented the deed to the Neighborhood House Board and participated in the Ground Breaking Ceremony for the new facilities.

....And **Business** did not go on as usual There was General Conference in Louisville, Kentucky and Jurisdictional Conference in Reading, Pennsylvania. How exciting it was

to actually see the importance of our connectionalism and cooperative spirit as a church. It added so much meaning to our Purpose and that portion that says, "expand concepts of mission through participation in the global ministries of the church." I was glad to have been in that number, as a "Witness!"

We are the church...as we shared in the development of The Book of Resolutions and The Book of Discipline at General Conference; the election and consecration of Bishops at Jurisdictional Conference; and the accountability of those efforts and actions at Annual Conference. What an experience of freedom through Jesus Christ!

Into the year 1994, we, as a community of women who know God, will continue (in keeping with the themes of our Purpose) these Goals:

1. Promote interest in the Reading Program
2. Increase to 200 the number of participants at the School of Christian Mission
3. Increase our membership by 5%
4. Acquaint women with Health Issues in our times.

With God's help and yours, we can accomplish our goals.

Geraldine J. Jones  
President

## C. MEMOIRS

### SPOUSES

#### Ethel Mary Simperts

Ethel Mary Simperts was born in Boston, Massachusetts on August 2, 1938. She was adopted by the Smith Family of North Quince, grew up there, and graduated from the North Quince High School. On March 23, 1957 she and John W. Simperts, Jr. were joined in marriage. They moved to the Charlestown, Maryland Charge in June 1958.

There were three children born to them, a daughter and two sons. Deborah Ann is the oldest, John William III next and then David Keith the youngest.

Ethel had a fine singing voice and had been in the Senior Glee Club while in High School. She sang in the adult choir of the churches to which they were appointed. In several of the churches they served, she organized and conducted the children's choir.

After her family was raised she enrolled in the Nursing Program at Wesley College, Dover, Delaware, and graduated with honors receiving her A.A. Degree in Nursing. Upon graduating she worked as a nurse at the Kent/Queen Anne Hospital in Chestertown for six months before transferring to the Corsica Hills Nursing Home in Centreville, Maryland. She continued as a part-time student working towards her B.A. in Nursing having only one semester to complete when she died. After several years at Corsica Hills she moved to the Upper Shore Community Health Center in Chestertown where during her six years there she was promoted to Head Nurse and then to Supervisor. In 1989, she went with the Queen Anne County Mental Health Clinic in Centreville, working as a physiocratic nurse.

Ethel's friends shall always remember her for her strong determination, her infectious laughter and her abiding faith. On March 5, 1993, Ethel was released from her bout with cancer as our Heavenly Father called her home.

Willard L. Robinson, Jr.  
For the Family

#### Evelyn Jeanean Barr Thomas

Jeanean was born March 27, 1936 at Fairmont, West Virginia to proud parents, Margaret Murial Watkins Barr and Charles William Barr. Jeanean died in the Lord at the age of 56 on May 23, 1992 at Peninsula General Medical Center, Salisbury, Maryland.

She lived her life in love with her Lord and to her fellow humans. Jeanean's life was life of service and compassion. She was the youngest child in her family of four children. Jeanean began her service in the church at the age of 16 when she began to teach church school. She has always been active in church since she was confirmed at the age of 14. She has taught church school, sung in church choirs,

served as MYF leader, been involved in United Methodist Women's work since she was 16 years of age.

Jeanean married Robert L. Thomas on May 8, 1957 in Fairmont, West Virginia. They were married for 35 years. They have four children: Krystal Leigh, Kathryn Louise, Karl Lyle and Kent Leonard, and five grandchildren.

Jeanean attended school in Fairmont, WV. She graduated from East Fairmont High School in 1954. She attended Fairmont State College for three and half years and Salisbury State College for one year. She earned 130 hours in the field of Home Sciences and Early Childhood Education.

Jeanean taught kindergarten in Wicomico County, Maryland from 1970-1973. She served as a substitute teacher for 15 years between 1962 and 1979, in Queen Anne County, Maryland and New Castle County, Delaware.

Jeanean served on Conference and District boards. She served on the Conference Board of Health and Welfare, 1978; Board of Laity, 1975-1980; and Board of Global Ministries, 1973-1977. She was active in District and Conference United Methodist Women. She has served in the following capacities:

President, Salisbury District - 1973-1975  
Vice President, Conference - 1975-1977  
Registrar of School of Mission - 1978-1979  
Assistant Dean of School of Mission - 1979-1980  
Dean of School of Mission - 1981-1982  
Communications & Public Relations - 1983-1985

Jeanean loved her work in the United Methodist Women. She was always concerned with the work of the women. She joined the W.S.C.S. when she was 16 years old and participated and supported the women's work until she died.

She was always concerned for the well-being of others. Others were always first in her life. She was never selfish, always giving.

Jeanean worked for the last 7 1/2 years as a library aide in Hurlock, Maryland. She loved her job. It enabled her to work with people, children and adults. The library was very important to her. It enabled her to help people and to share a part of herself with others.

Jeanean never received any great public honors, but the response of people toward her is a higher honor than any certificate or plaque could ever be. She was loved for who she was and for the way she related to others, children, youth and adults.

Her life goal was to be a good wife, mother and friend. This she accomplished. The sole motivation for all she did was her love for her Lord and Savior Jesus Christ. In all she did was the love of the Lord. She always looked for the best in a person. She was quick to forgive any injustice toward her.

I speak for the family when I say, she was the firm foundation and influence in our home and lives. Her love, patience and wisdom gave our family life purpose and direction. She will be missed. We thank the Lord to know she now is in His eternal presence and that she has received the victory and reward of her faith.

The words of one of her favorite hymns says it so well:

Face to face with Christ, my Savior,  
Face to face - what will it be?  
When with rapture I behold Him,  
Jesus Christ who died for me.

Face to face! O blissful moment!  
Face to face - to see and know;  
Face to face with my Redeemer,  
Jesus Christ who loves me so.

Chorus:

Face to face I shall behold Him,  
Far beyond the starry sky;  
Face to face in all His glory,  
I shall see Him by and by!

(Face to Face - by Mrs. Frank A. Breck, copyright 1988)

We surrender her to the Lord.  
Her memory remains with us still.  
We rejoice in her victory.  
One day we too shall walk with Jeanean and our Lord  
down the streets of the Heavenly home.
