After prayer and singing, Eleanor Laws addressed the body concerning the Clergy Family Assistance Fund. An offering in support of that fund was then taken.

**The 219<sup>th</sup> Session of the Peninsula-Delaware Annual Conference**  
**Thursday June 7, 2002**  
**Ella Fitzgerald Performing Arts Center, University of Maryland Eastern Shore**  
**Princess Anne, Maryland**

The 219<sup>th</sup> Session of the Peninsula-Delaware Annual Conference opened at 9:00 a.m. with a Celebration of Worship. Bishop Peter D. We were reminded that the pillar of fire and the pillar of smoke were only visible in the wilderness, which is also where we will find the people of this world who are hurting and lost. Bishop Weaver reminded us that we are called to be faithful to God's call to lead the way through the wilderness and into the Promised Land.

Bishop Weaver and the Board of Ordained Ministry then led the Annual Conference in the Celebration of Ministry of retiring pastors and mates, admission of candidates for ordination, anniversaries of ordained clergy and the passing of the mantle.

Official registrants for the 219<sup>th</sup> session of the Peninsula-Delaware Annual Conference included: 317 lay persons and the number of clergy as follows: 222 full members elders, 5 full member deacon, 6 associate members deacons, 3 full member on loan, 1 affiliate member, 54 local pastors, 5 associate members, 24 probationary elders, 1 probationary deacons, 3 probationary members, 26 student local pastors, 3 lay pastors, and 11 other non voting.

**Recommendation to Change the Makeup  
of the Conference Investment Committee**

Conference investments were originally managed by sub-committees of the boards and committees that had direct responsibility for the funds. The Board of Pensions, Council on Finance and Administration and the Board of Trustees held the majority of these invested funds. The sizes of the sub-committees varied from 3 to 6 members. The Conference Treasurer served on each as a non-voting member.

In 1999, a proposal was put forward to the Annual Conference and approved to establish a Conference-wide Investment Committee (IC) to eliminate redundancy and to include the investment oversight of all funds of the Conference boards and committees that are not held as cash for immediate disbursement. As part of this proposal, a structure for the IC was proposed to insure representation on the IC of each board or committee for which the IC would be overseeing investment of their funds. The new structure included 3 representatives each from the Board of Pensions and Council on Finance and Administration and 1 representative each from the Board of Ordained Ministries, Board of Stewards, Board of Trustees and Commission on Archives and History. In addition, an at-large position was also added.

The transition of investment oversight of all the Conference funds to the IC was completed in 2002. Now that the IC has had a period of time to operate under its new structure, carrying out its new responsibilities, it has become apparent to the IC members that a further change to the IC structure should be made to continue full representation of the boards and committees on the IC, but also to have as strong a committee as possible.

The change recommended is to add 2 more at-large positions to the IC, for a new total of 3. This change will permit individuals with an interest in investments and/or with investment experience, but not associated with any of the boards or committees, to serve, strengthening the IC to better serve the Conference.

Based on this recommended change, the IC would be made up of 3 representatives from the Board of Pensions, 3 representatives from the Council on Finance and Administration and 3 at-large members, plus 1 representative each from the Board of Ordained Ministries, the Board of Stewards, the Board of Trustees and the Commission on Archives and History. The Conference Treasurer would continue to serve as a non-voting member.

Resolution R-8 - withdrawn

Kevin Goodwin offered a substitute resolution for R-8. After prayerful consultation with numerous clergy and laity friends around the Conference, Kevin stated that he decided to withdraw R-8. This does not diminish the important of this concern, nor does it prevent any one from submitting a resolution to General Conference in support of student pastors voting. In place of the current R-8, the following substitute was presented

**R-8 Substitution  
Permitting Student Pastors to Vote**

The Vision Team will assemble a small task force consisting of Vision Team members and others deemed necessary to review Rule 25 as currently defined. This will allow us to not only address concerns expressed by our student pastors, but puts that concern in the greater context of whether our current lay members allocation, as define by Rule 25, is allowing us to select the best possible laity to Peninsula-Delaware's changing needs at Annual Conference. This task force will present a report and possible recommendations at next year's Annual Conference.

Resolution passed.

Resolution R-17

**Yom Ha'Shoah or Holocaust Remembrance**

Whereas, the General Conference of The United Methodist Church in 2000 passed Resolution 30534-1C-R1-U entitled Yom Ha'Shoah: The Holocaust Remembrance, which states:

Therefore, be it further resolved, as a sign of contrition and our solidarity with the Jewish community, the General Conference urges the promotion of observance of Yom Ha'Shoah, Holocaust Memorial Day, each spring in the United Methodist local congregations and urges the other agencies of the United Methodist Church, in a time of increasing anti-Semitism, to work both with our denomination's history with regard to this tragedy and find ways to support the work against anti-Semitism in the world today and to prepare resources for local congregations to observe Yom Ha'Shoah, and

Whereas, the United States Congressional Mandate (Public Law 96-388, 10/7/80) also calls for a day of national remembrance of the victims of the Holocaust; and

Whereas, the 2000 Annual Conference passed Resolution Z-7 calling the members of the Annual Conference to address the anti-Semitic attitudes in their represented communities and the church as a whole; and

Whereas, the Annual Conference has not to date implemented the 2000 General Conference or Annual Conference resolutions as they relate to anti-Semitism,

Therefore, Be It Resolved, that the 2003 Peninsula-Delaware Conference call each church in the Annual Conference to urge the promotion of observance of Yom Ha'Shoah, Holocaust Memorial Day, each spring in the Peninsula-Delaware Conference United Methodist local congregations; and

**Friday Afternoon Plenary Session, Friday June 6, 2003 2:00 p.m.**

The Friday Afternoon Plenary began with gathering and praise by Sharon Graves and Carlton Parker representing Chrysalis. Gathering and praise was followed by VIM Mission CCT Presentation. Donald Hamilton and members of the Congo Team described their mission trip to the Congo. The team shared highlights of their participation in evangelism by radio, building of a schoolhouse, working with the orphanage, working with displaced children and working with the University. Resolution R10 presented by Don Hamilton and Dale Brown - Peter D. Weaver

**CENTRAL CONGO RESOLUTION**

Been there, done that, got the t-shirt! We came, we saw, we were touched!

Those are the choices we have as an Annual Conference. In July 2002, thirteen people visited our Hope for the Children of Africa sites located in and around Kinshasa in the Central Congo Episcopal area. We could now say we did our part and walk away; or we can chart a new course for our Peninsula-Delaware Annual Conference and establish a new long-term, on-going partnership with the people of the Congo. This resolution calls for us to take that new road.

Without this step, our time, money and investment in the Central Congo will lose its' impact and become a mere memory to the people both here and there. Scenes of deprivation, hunger, disease, homelessness, unemployment, and the lack of basic resources for human existence raised the consciousness of our VIM team. We were inspired by the deep faith of our Congolese brothers and sisters in the face of such overwhelming conditions. We desire to follow the mandate of our Lord and to act in solidarity with our new brothers and sisters, "to love our neighbors as we love ourselves."

We propose that the Peninsula-Delaware Annual Conference enter into a long-term partnership with the Bishop, the local churches, mission projects and people of the Central Congo Episcopal area. Specifically, we are urging initial support for the Mama Ekoko Fama Orphanage and Schools, the Mpsasa Nutrition Center, the Mbudi Elementary and Secondary Schools, Patrice Lumumba University, and the Lokole Methodist Radio Ministry. Local churches of our conference would be asked to:

- Raise funds to maintain the orphanage, nutrition center, schools, university and radio ministry.
- Help to keep these facilities operational and equipped for ministry.
- Target sending a VIM team to the Central Congo area at least once every two to three years.
- Exchange photos and letters to learn more about each other and work on building reciprocal relationships with our new partners.
- Provide for VIM trips to the Peninsula-Delaware Annual Conference for our Congolese partners. We have much to learn from them as well as sharing our financial gifts.

The Conference Congo Design Team has researched cost estimates for support of this new partnership, which will be \$30,000 annually. The Design Team will help interpret to local churches the cost to support each project as well as sharing ways in which even the smallest congregation of our conference could participate.

Some specific annual estimated costs include:

Orphanage Operation	\$10,000
Nutrition Center	\$12,500
Schools (Primary and Trade)	\$15,000
University	\$15,000
Radio Ministry	\$10,000

The above cost estimates exceed what our Annual Conference is asking for; that is why the projects are prioritized. The actual costs of running the above institutions projects are yet to be determined. Our initial focus will be on the Kinshasa area projects visited in 2002. The orphanage, nutrition center and schools are the projects, which focus most on children and warrant immediate support. We encourage support of all the projects.

*Therefore we resolve that* the Peninsula-Delaware Annual Conference take this historic step and enter into a long-term partnership with our United Methodist brothers and sisters of the Central Congo Episcopal area beginning in conference year 2003.

*We resolve that* the Enabling Ministries Resource Team assume responsibility for this new partnership with the Central Congo Episcopal area and provide administrative support for the new Design Team Taskforce. The 3<sup>rd</sup> Sunday in July will continue to be Hope Sunday to raise awareness and funds for this effort.

Recognizing that this new partnership with the Central Congo Episcopal area is the hope, vision, and inspiration of our Bishop Peter D. Weaver, *Be it further resolved that* this project be named in his honor.

Specifically, we resolve that this new relationship, a first for the Peninsula-Delaware Conference, be named:

The Bishop Peter D. Weaver Central Congo Mission Project)

#### Resolution to Establish a Volunteers In Mission Awareness Day

**Background:** The General Conference of the United Methodist Church (UMC) recognizing the importance of the United Methodist Volunteers in Mission (UMVIM) as a "major mission outreach" (The book of Resolutions of the United Methodist Church; 2000 page 165), adopted a resolution recommending that each jurisdiction of the UMC provides the means for a paid UMVIM coordinator. The Discipline further states that each annual conference shall have an UMVIM conference coordinator. These actions clearly recognize the UMVIM movement as a growing force in promoting the church in general, Christianity in particular, and personal Christian service; and

**WHEREAS,** the UMVIM program is truly a grassroots movement in allowing all persons of faith, laity and clergy alike, the opportunity to have a "hands on" experience and personal involvement in mission endeavors and

**WHEREAS,** it is generally accepted that all persons cannot do everything but that everyone can do something. The UMVIM program allows persons to offer physical support, prayer support, and/or financial support to the wide variety of programs that are designed to promote the many opportunities to utilize their many varied talents in direct service to the Kingdom of God; and

**WHEREAS,** Scripture requires us all to be active participants in the faith, to wit, "and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth" (Acts 1: 8b, RSV) and "What does it profit, my brethren, if a man says he has faith but has not works. So faith by itself, if it has no works is dead." (James 2:14, 17 RSV); and

**WHEREAS,** there are opportunities to serve locally, nationally, or even internationally, and the "hands on" opportunity truly changes a missionaries perspective towards persons or cultures with different economic, ethnic, or political backgrounds; and

**WHEREAS,** the UMVIM program is one essential tool in helping to promote tolerance and understanding through all of God's kingdom, a tool that helps to bring a measure of relief to those in unfortunate circumstances wherever they are, and a tool that can help Christians to fulfill the mandate of Jesus as expressed in Matthew 25:34-46.

**THEREFORE,** the Volunteers in Mission Committee of the Peninsula-Delaware Conference of the United Methodist Church requests that the Annual Conference does recommend to all local churches in the Conference:

1. That the third Sunday in July be set aside and declared Volunteers in Mission Awareness Day; and
2. That each local church provide for UMVIM displays, information resources, solicit individual or group testimonies and/or develop other ways to celebrate the UMVIM movement in whatever fashion that best suits the local congregation; and
3. And, local churches or missions areas look into the possibility of organizing or joining with an existing church for a VIM experience
4. That local churches draw upon the available resources of the Conference VIM committee to help make the day memorable, one of faith in action.

Respectfully Submitted

VIM Mission Committee: Leona & Bill Johnston, Marsha Carpenter, Carol Svecz, Gill Hoffman, Don & Mildred Hamilton, Co-Coordinators.

Resolution R9 presented by Don Hamilton - line 44 changed "4<sup>th</sup> Sunday" to "3<sup>rd</sup> Sunday" - resolution passed.

Jonathan Baker presented the body with the challenge of building the next team to the Congo in August 2004. This will be a medical team. The body was asked to take information back to congregations for prayer and support.

Bishop Weaver called the Plenary Session to order and introduced the lay representatives at the presiding table: William Hill, Whatcoat UMC, Dover Delaware and Ann Bollinger, Wesley UMC, Seaford, Delaware.

Dennis McDowell presented R-5, R-3, and R-4

BE IT RESOLVED THAT the 6% through contributions from active clergy participating in the Conference health plan will be accomplished by billing participating clergy based on compensation as reported to the General Board of Pension & Health Benefits and on the tier of coverage. BE IT FURTHER RESOLVED, the Conference Board of Pensions recommends adoption of this resolution to be effective on January 1, 2004.

### R-3 GUIDELINES FOR HEALTHCARE SAFETY NET RESOLUTION

WHEREAS, the Board of Pension has the responsibility of monitoring clergy benefits. One of the Board of Pension's goals is to ensure that adequate benefits at reasonable costs are provided to the Conference, and

THEFORE, BE IT RESOLVED that the Board of Pensions will establish a Safety Net Fund beginning January 1, 2004, when the new deductible and coinsurance amounts become effective to ensure any family or individual whose deductibles and coinsurance costs exceed 15% of the pastor's compensation as reported to the General Board of Pension & Health Benefits according to the schedule below, and

Salary	Safety Net
\$20,000-\$29,999	\$3000
\$30,000-\$39,999	\$4500

Retiree over 65	\$3000

BE IT FURTHER RESOLVED that an additional safety net will exist for hardship cases on a case by case basis as determined by the Insurance Committee of the Board of Pensions, and

BE IT FURTHER RESOLVED that the additional safety net would never reduce the cost to the participant below the 2003 deductible and coinsurance of \$1200 per individual (\$700 per retiree over 65) or \$2400 per family.

### R-4 RESOLUTION FOR COORDINATION OF SPOUSAL BENEFITS

WHEREAS, the Board of Pensions of the Peninsula-Delaware Conference continues to monitor the costs of current benefits; and

WHEREAS, the Board of Pensions wishes to continue to provide benefits equitably to all active full-time pastors and their dependents; and

15 have employer primary coverage with an average cost of \$51 monthly and additionally have Peninsula-Delaware Conference health coverage as secondary coverage,

33 have spousal employer primary coverage with an average cost of \$77.42 monthly and declined Peninsula-Delaware Conference health coverage,

7 have Peninsula-Delaware Conference health coverage and no employer coverage is available, and

WHEREAS, the Board of Pensions recognizes that the Conference is responsible to cover the cost of the dependent coverage; and,

WHEREAS, the Conference presently pays the full cost of the spouse's insurance, regardless of 1. whether the spouse has primary health coverage through the Conference insurance, or 2. primary health coverage through his or her employment and secondary coverage through the Conference insurance, and

WHEREAS, the cost of secondary coverage is extremely expensive relative to the benefit received.

BE IT RESOLVED, that if the clergy person requests Conference health coverage for his or her full-time working spouse, and if that the clergy person's spouse is offered primary coverage by his or her employer, then the cost of the Conference health insurance will be the responsibility of the clergy person. The cost of the spouse's coverage will be based on half the actual Conference cost for the spouse.

BE IT RESOLVED, that each clergy person with family coverage shall inform the Business Office if the spouse has primary coverage offered by the spouse's employer, and

BE IT RESOLVED, the Business office will bill the clergy person at half the cost of the spouse's secondary coverage, and

BE IT FURTHER RESOLVED, that if adopted, this change will be added to the Conference Eligibility Policy to be effective January 1, 2004 to allow ample time to enroll during open enrollment periods of other plans.

#### R-16 FUND BALANCE CARRY FORWARD POLICY

**Whereas,** The Conference Council on Finance and Administration reviews the level of funds carried forward by Resource Teams, Task Forces and other agencies annually.

**Whereas,** The level of funds carried forward, in some instances, has grown to be significant in relationship to the support received through the Conference Budget.

**Whereas,** The Conference Council on Finance and Administration at its' meeting on September 10, 2002 approved a Fund Balance Policy to be recommended to the Annual Conference.

**Whereas,** Only the Annual Conference has the authority to establish a conference wide policy on Fund Balances carried forward.

#### **Fund Balance Policy**

1. **Positive Fund Balances:** Resource Teams, Task Forces and other agencies may carry forward 10% of their current year budget as a fund balance. Balances in excess of this amount will be transferred to the Conference General Reserve Fund unless written justification is provided and approved for additional amounts. This written justification for Resource Teams and Task Forces shall be submitted to the Vision Team for approval. All other requests shall be submitted to CFA for approval.
2. **Negative Fund Balances:** Resource Teams, Task Forces and other agencies with deficit balances are required to submit a written plan, by March 1, as to how the deficit will be addressed during the coming budget year. The plan for Resource Teams and Task Forces shall be submitted to the Vision Team. All other requests shall be submitted to CFA. Progress reports must be submitted to the appropriate team or agency (CFA or Vision Team) on April 1, July 1, and October 1, until the deficit is cleared. Fund balance deficits are a prior year commitment and a first priority of the current year budget.

**Plenary Session: Saturday June 7, 2003 8:30 a.m.**

Saturday morning began with gathering and praise with worship being led by Gethsemane United Methodist Church. Bishop Weaver called the Plenary Session at 8:30 a.m. reading scripture from Psalm 148. Bishop Weaver then recognized the lay representatives presiding at the table with him: Jake Hreusare from Providence UMC of the Georgetown Circuit and Ashley Anderson from Bethel UMC of the Dagsboro Charge.

### Ballot Report

Rev. Jim Van der Wall brought to the body after reviewing the discipline that the Discipline directs that the first three names on the first reserve ballot are to be considered elected as reserves on both clergy and lay ballots. Therefore Howard Mason is designated as the third lay delegate. Clergy Reserves: John Mitchell, Patricia Bryant Harris, James Van der Wall  
Bishop Weaver lifted the entire delegation up in prayer.

A celebration of the ministry of the Wilmington District was presented by John Mitchell, Wilmington District Superintendent. He welcomed the clergy newly appointed to the District and celebrated the vital ministries of the district. Two property matter was brought before the body: Discontinuance of Scott's UMC in Blackbird DE; approved

Kevin Goodwin presented the Africa University Scholarship Resolution R-7

### Africa University Scholarship Resolution

In 1999, we completed funding for one scholarship at Africa University. Mwez Mwamb graduates this year with a degree in Agriculture. We will learn the name of our second student in the fall.

Since then, while the student population has tripled, the number of scholarships is up only slightly. Since then, our Conference has funded and built a school through out *Hope for the Children of Africa* gifts in the Democratic Republic of the Congo.

We want to ensure that a student from our *HFC* School has a chance at a university education. But not just one student - a student every year, forever!

Currently, churches in our Conference are donating over \$8000 yearly to Africa University scholarships. Passage of this resolution will allow us to capture those funds to start funding a scholarship for a *Hope for the Children of Africa* student. While no official target date is being set, our hope is to complete the funding (a total of \$65,000) over the next four years. This equals just 50 cents per year from each of us! In return, the Central Congo Conference will get a university-trained professional every four years.

The second Sunday in November (2003-2007) will be designated **Africa University Sunday**. The Conference Missions Resource will provide information to our churches to help explain this need to their members. We understand that with the economic uncertainty facing us in the near future, prayer support might be the only thing collected that day for Africa University. And yet, prayers are just as vital as money to the success of Africa University and this fund raising effort.

Africa University is the only degree-granting university supported by the United Methodist Church on the African continent. Its 1100 students come from 21 different African nations. Almost 800 students have earned degrees since Africa University first opened its doors in 1992.

Blessed is the man who finds wisdom, the man who gains understanding Proverbs 3:13 (NASB)

#### **R-6 Camping and Retreat Ministries**

Jack Shitama & Ron Brown shared that lack of adequate sleeping facilities and aging infrastructure at Drayton made it difficult to continuing using Drayton as a retreat center. They recommend the sale of Drayton to allow Camping and Retreat ministries to meet its missional objectives more effectively.  
Christina Whaley moved Resolution R-6 revised. Motion was passed.

### Camping & Retreat Ministries

#### **Resolution Enabling the Sale of Drayton Retreat Center**

Whereas, Drayton Retreat Center has been the focus of adult retreat ministry for the Peninsula Delaware Conference since 1965, and;

Whereas, the Peninsula Delaware Conference has considered numerous options to achieve financial viability at Drayton including, but not limited to, expansion of bedroom and meeting space, increased programming, foundation and other grants, and a capital campaign, and;

Whereas, Drayton continues to lack essential facilities and services such as double occupancy rooms, adequate meeting space, and appropriate technology necessary to meet the needs of 21<sup>st</sup> century retreat groups, and;

Whereas, effectively addressing the missional and financial issues for adult retreat ministry at Drayton requires a degree of expansion at the site that would involve a significant investment of time and money to seek zoning approval, with great uncertainty as to whether such approval can even be obtained, and,

Whereas, effectively addressing the missional and financial issues for adult retreat ministry can be achieved by building a retreat center at Camp Pecometh and/or creating an endowment to fund programming, then

Be it resolved that the Peninsula Delaware Conference authorizes the Conference Board of Trustees, upon the recommendation of the Board of Stewards for Camping & Retreat Ministries, to take such action, to effect the sale of the Drayton Retreat Center property, and;

Be it further resolved that proceeds from any sale of Drayton Retreat Center property be used as the Board of Stewards for Camping & Retreat Ministries may direct for the continuance of adult retreat ministry.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
  - 1) a copy of the deed for the property;
  - 2) specific directions for locating the property from a major highway,
  - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994)

DISTRICT SUPERINTENDENT'S REPORTSDover District

*"Make a joyful noise to the Lord, all the earth. Worship the Lord with gladness; come into God's presence with singing. The Lord is good; God's steadfast love endures forever, and God's faithfulness to all generations"*

Psalm 100: 1 & 5

My second year on the Dover District has been full of joyful noises! Charge conferences this year celebrated the joyful noises being made in our faith communities while also acknowledging that God wasn't finished with us yet and that in fact God is trying to work us all into new creations to carry forth the Gospel of Jesus Christ for the future. Again, I appreciate the faithfulness of the clergy and laity on the District as they allow themselves to be God's vessels of love and hope, as well as, being ambassadors for God's Kingdom by sharing the contagious joyful noise being made by the church.

The District Board of Lay Ministries under the very capable leadership of Linda Grabowski once again enjoyed a very productive year. The Board of Lay Ministries had a wonderful day long vision retreat hosted at the home of Etta and Eugene Mills. There was a follow-up training session for SPRC training on September 14, again at Wesley Chapel which was again attended by over 100 persons. Linda and the Board of Lay Ministries were also instrumental in the hosting of Annual Conference this year. Much thanks goes to Linda and every member of the District who helped in the hosting of Conference in any way. I believe we had a great time of sharing joyful noise at this year's Annual Conference Camp Meeting and we could not have pulled it off without the wonderful help and support provided by so many on the District.

Speaking of Linda Grabowski, it is with great sadness that we say goodbye to Linda as the District Lay Leader. Linda came on board to fill out the last years of Chuck Smith's term as District Lay Leader, and while she has enjoyed working on the District, her heart really resides in the mission and outreach ministries of her local church, Calvary UMC in Milford. I would like to personally thank her for her faithfulness, dedication, commitment, and her patience and support of a new District Superintendent and for all that she has accomplished as the District Lay Leader.

This year the Dover District took great strides in responding to the challenge to identify the "who, what, where, when, and how" for New Church Starts on the District. The District sent over twenty people to the Church Multiplication Boot Camp for training in the area of New Church Starts, Redeveloping churches, and Reproducing churches. New Church Launch teams have been formed in: 1. Smyrna, where Asbury UMC is working on their support to give birth to a New Church; 2. Seaford, where Sharon Graves has been appointed to head up the Launch Team who is discerning how God is calling them to make disciples among the disabled, their caretakers, and the least, last, and lost of society; 3. Milford, where Rev. Bob Rowe has been appointed to work with the Launch team that has formed to plant the New Church - Source. God; 4. Dover, where Margie Pruett is heading up a lay-led New Church start named Hope which is meeting weekly in the chapel of Wesley College; 5. Selbyville/Fenwick Island where Rev. Sam Hale has been appointed to plant a new church named - Faith Alive - that will reach out to the 18 to 40 year old age group.

Along with New Church Starts there have been numerous new ministry initiatives taking place. Several churches have started new worship services. These new services are being held in addition to the services already in place and have been planned to be intentionally different from the worship experiences already taking place. There are new prayer ministries being developed and new mission fields being explored. There truly is a great deal of joyful noise on the Dover District. For the second year in a row, the Dover District has had a **100% return** on the reports to the Conference Statistician! Thank you for your

attention to this administrative detail. As I stated last year: Statistics do matter. Statistics are not just numbers, for each number represents a soul!

The Dover District is moving in many ways. What follows here are reports from several of the ministry teams on the Dover District.

Dover District Lay Leader **Linda Grabowski** reports the following:

The focus of the **Dover District Board of Lay Ministries** over the past year has been training. A follow-up training session for Lay Leaders and PPR Committee members was held in September 2002 at Union UMC in Bridgeville. Over 165 people attended this session representing 53 churches. Sandra L. Steiner Ball facilitated the event with help from Elaine Wilkerson, Director of Conference Benefits, and Ralph Todd, a CPA from Seaford. Valuable information was transmitted and shared by all.

The annual Laity/Clergy Banquet was held at Bethel UMC in Lewes in October. The theme of the evening was "Celebrating Our Diversity". Laity and clergy shared a meal of ethnic foods and experienced a spirit-filled worship service led by Rev. Rene Knight of Iglesia Metodista Unida Betel in Georgetown. Joyous music was provided by the praise team from Friendship UMC in Millsboro. A Native American dance group shared their heritage with us and encouraged the audience to participate in some basic dance steps.

A stand-alone Lay Academy class on New Church Starts was held in January at Calvary UMC, Milford. This was a new class for our District and was led by Rev. Dr. Robert Rowe and Elaine Wilkerson. Fifty-five people attended this class. Part of the experience included helping out with Calvary Café, a free weekly feeding program at Calvary, as well as the Clothing Closet that is open every Saturday. The hearts of both the class participants and the clients of these two programs were touched on those two Saturdays. Each student was asked to bring in gloves or socks for the Clothing Closet. The response was overwhelming. A mother of thirteen was reduced to tears as she received new garments for her children and the promise of some furniture for her family. One class participant was led to start donating snack items to Calvary Café every week and to make contact with a bread distributor for weekly donations as well. God was truly in the midst of the activities on those wintry Saturdays.

The Board of Lay Ministries held a retreat in February to develop a new vision and mission for the Board. This new vision and mission will guide the activities of the Board as they go forth to serve the District under new leadership. The new vision of the Dover District BOLM is as follows:

As the **Dover District Board of Lay Ministries of the United Methodist Church**, we are called by Jesus Christ to empower, unify and assist local and district communities of faith.

Our mission is:

- To identify resources and opportunities needed for ministry.
- To make resources available to equip people for making Disciples of Jesus Christ.
- To communicate opportunities for effective Spiritual Growth.

**Kathleen Hawkins**, chairperson reports the following:

The **Dover District Committee on Church Location and Building** settled into a more efficient operating process this year as our committee grew in experience together. Our shift to regularly scheduled quarterly meetings not only gave us more efficiency but also gave churches deadlines for accomplishing tasks. Throughout the year we met with, reviewed requests or heard updates from 12 churches. The breakdown of projects reviewed was as follows:

General Renovations - 2 churches approved; Significant Additions - 2 churches approved; Purchase of land and/or buildings for future use - 1 church approved; Preliminary discussions on new church buildings and/or locations - 4 churches; Sale of property - 2 churches; Approval of lease arrangements - 1 church

The Dover District continues to have energy in the areas of new church starts and growing churches needing larger space! It is exciting to see God at work

in growing our congregations and opening doors for churches to grow in people and in service.

Earle Baker, chair of the Dover District Committee on Ordained Ministry reports the following:

During the 2002-2003 Conference year we met thirteen times, and conducted sixty-one interviews with fifty-four persons who are seeking to answer God's call on their life to Ordained Ministry.

We had the pleasure of meeting with eight people as they began their Ministry Inquiry Process and eight persons as they moved on to the Candidacy Guidebook. Six persons became Certified Candidates, and twenty-two persons were continued as candidates as they meet the educational requirements for ordination. This year the Dover District Committee on Ordained Ministry recommended seven persons to the Conference Board of Ordained Ministry for Commissioning and Probationary Membership. We rejoice that they were elected and commissioned at this year's annual conference. Regrettably this year we had to discontinue one candidate. Our committee also met with five pastors who serve from other denominations on our district, and two retired Local Pastors, who continue to serve effectively.

This year we put into effect conference wide standards for DCOM's which require additional preparation by the candidate before each meeting. We found that the increased level of preparation made for more meaningful interviews, and richer conversation. It also allowed the DCOM to identify areas where the candidate needs to pursue spiritual, personal, or professional growth. We continue to take seriously our work of not only discerning those who are called, but of identifying areas for growth so that the Called will also be equipped for effective ministry.

My sincere thanks go to Alice Ervin, Joe Faulkner, George Moody, Jean Norwood, David Palmer, Cindy Quillen, Harriet Windsor, Jim Van Der Wall and Sandra Steiner Ball for their tireless efforts in over sixty interviews! Each person brings unique gifts of insight and discernment to our work, allowing the Spirit to guide our deliberations. We will miss the contributions of George Moody, and Jim Van Der Wall who are itinerating to the Wilmington District; and pray God's continued blessings on them there.

We greatly appreciate the fine work that is being done by mentors on the Dover District, whether that is in guiding a candidate through the Ministry Inquiry Process, the Candidacy Guidebook, or mentoring the Certified Candidate, who, in most instances, is also pastoring one or more congregations. The work of these shepherds in raising new shepherds is invaluable to the Church.

Finally thanks go to the United Methodist Women of Avenue Church whose wonderful luncheons for the DCOM enable us to work a full day, refreshed and renewed. And sincere thanks to Marilyn Cleeton, who handles scheduling, and keeps everything organized.

#### In Conclusion

Once again, this year has been a blessing. I am thankful for all the clergy and laity on the Dover District. The District is gifted in many different ways, and that fact truly showed forth as the Annual Conference Camp Meeting unfolded this year! Once again, thank you to every one of you who pitched in to help the Dover District successfully host a spiritually inspiring, fun, meaningful, and eventful Annual Conference while also accomplishing the work that needed to be done. I am grateful for the support, encouragement and help of so many! I continue to be especially grateful to my right hand, Marilyn Cleeton. I could not have been blessed with a better, more capable or more supportive Administrative Assistant. Her wisdom, knowledge, and guidance continue to be invaluable. As many of you have experienced, Marilyn cares deeply about her ministry in and with the Dover District. Thanks! Marilyn.

I am looking forward to my third year on the District. No doubt we will all continue to grow in faith and love as we work together to fulfill Christ's Commission to Go, Make Disciples of Jesus Christ.

Rev. Dr. Sandra L. Steiner Ball

#### Easton District

Accountability has always been a very important part of our Christian community. In Paul's letter to the church at Roman he calls for persons to give an account of themselves. He says, "So then, each of us will give an account of himself to God." (Romans 14: 12 NIV) The words, thoughts and ministries that follow will hopefully offer some sort of an account of the faithfulness of the Easton District.

Returning to the Easton District almost 20 years later was quite interesting. There was some comfort in familiarity. There was joy knowing that the ministries of many of our churches were significantly impacting the well being of their communities. There was some disappointment to know that some of the social evils still persisted in a very real way.

The summer of 2002 provided a good opportunity for the new district superintendent and the churches to get to meet each other. For two months the DS traveled to almost every church on the district. At many of the churches there were lay folks who wanted to share about their ministries. It was a good indication of the welcoming spirit and gift of hospitality demonstrated in many of our churches.

With the arrival of fall, the church calendar would begin to fill. The United Methodist Men gathered at Camp Pecometh. While attendance was unusually low there was a good spirit. Yet, the men knew of a great challenge before them: finding ways to reach and engage the men in the local church.

As the United Methodist Men were concluding, the United Methodist Women gathered in St. Michael's to hold their first district meeting to welcome their new officers. The UMW has traditionally been strong in the district but also recognizes the need to adapt ways to reach a new generation of women.

In September on two separate Saturdays, pastors and members of Staff Parish Relations committees from all over the district gathered at Kent Island and Cambridge for a special training event sponsored by the DS. The attendance was overwhelming and the hospitality was exemplary. The Conference Care Team's presentation raised numerous concerns for the local church. Participants were made aware that the issue of sexual abuse and harassment in the local church was an issue that had to be addressed. Later in September was a time to welcome Bishop Weaver on the district as he helped with the service of welcome for the new DS. Again, the attendance and spirit of the Easton District demonstrated that the district thoroughly welcomes those occasions when it can gather for faith sharing and fellowship.

Charge Conferences were held on each and every charge with the theme, "Oh, Yes!" It was a time for the churches to highlight and celebrate their ministries. It was a time for the churches and the DS to share in their first communion together.

The District Board of Laity was very active this past year. They expanded the Lay Academy with a fall version which lasted day and a half and drew nearly 80 participants. It was interesting to discover that not all who attended came for certification or recertification. An impressive number of persons came for spiritual enrichment.

Also during the fall, the DS and his wife, Judy held a month of open houses for the district clergy and their families. It was well attended and provided many opportunities for some of the pastors to meet other pastors.

Throughout the conference year the Rev. Dr. Jefferson Labala has worked diligently with many of our pastors of color. His leadership with Strengthening the Black Church has focused on helping churches grow spiritually and numerically.

The Easton District Committee on Ministry had a full agenda meeting with persons who were beginning to explore their call to ministry and carefully leading those already in process. The Committee also increased in number, including additional lay and clergy members.

The District Committee on Building and Location meet several times during the year. The committee heard reports of church building expansion, parsonage acquisitions, and other property improvements.

The District Committee on Superintendency gathered on three occasions at the district parsonage. Together they reviewed the work of the DS and made suggestions to improve the professional and personal well being of the DS. The committee expanded its membership and included a youth who was very interested in the ordained ministry.

Realizing that many retired clergy and their spouses live throughout the district, an attempt was made to bring them together for fellowship and feasting. Thus far, the attendance has been minimal. The beginning of the year marked a time for planning pastoral changes. The work of the Cabinet would extend through the middle of May, meeting each and every week. At the end of the journey, fifteen of our district pastors would be either appointed to a new charge or enter into retirement. It truly was a learning experience for the new DS. He was very thankful for the patience of the Bishop, fellow Cabinet members, and local church and conference staff in these times of transition.

It may have been cold outside but the spirit was warm inside the Ocean City Convention Center. There hundreds upon hundreds of youth, their leaders and pastors from the conference and beyond gathered for the annual youth rally. Easton District was well represented. Many of the groups had their own t-shirts. Many of our youth committed their lives to the Lord that weekend.

The spring of the year, not only included the time of appointments, but a most promising experience as Bishop Weaver led both lay and clergy in outreach evangelism experience. More persons than expected arrived in Federalsburg to hear Bishop Weaver. They then partnered and went throughout the town extending the love of Christ. From this event, at least three other communities on the district are planning outreach evangelism experiences.

The spring also included two very important learning times for both clergy and laity. The annual Lay Academy was located at three locations throughout the District and was very well attended. In addition, the conference Director for Young People's Ministries, Mr. David Burke held two workshops entitled, "Reaching the Missing Pew Generation." They were not only well attended but very informative and inspirational. The DS continues to encourage local congregations to seek Mr. Burke's guidance when trying to reach the younger generations.

Mission Area Ministry is alive and well throughout the district. Most churches on the district are involved in a mission area ministry group. Some are still struggling to find an identity with a group. What became apparent was a need to refocus and reword the vision of MAM for the Easton District. A planning workshop was held in the spring of 2003. There a new vision and mission statement was drafted which would hopefully redirect and reenergize many of the MAM groups.

It was also exciting to see and hear about churches that were merging, charges that were opening their individual churches every Sunday, and contemporary and praise services increasing in number. Yet, some churches and charges still struggle. Maintenance and survival have taken the place of mission and ministry. Churches on some charges are not mutually hospitable to each with most of the disagreement revolving about financial support.

Almost every week, the District Office sends to all clergy and requesting laity the District E-News. The response to this concise, up to the moment news of the district and conference has been excellent. Any person on the district or beyond with email is welcomed to the weekly publication.

The year ended, for the most part at the Annual Conference. Again, the Easton District was well represented at both the African American Summit and Annual Conference. Fourteen charges received new pastors. When the Annual Conference was adjourned it was announced that the Easton District would host the event in 2004 at the University of Maryland Eastern Shore.

As you read through this report, you noticed a lack of specific names of persons or churches. This was intentional. It was not meant to be disrespectful. There was certainly a fear of failing to mention someone. However, the main and most important reason has to do with the primary focus of our connective ministry. The focus is on a name above all names. It is the Name of the One for whom everyone should confess. That name is Jesus, our Lord and Savior. It is to His honor and glory that these ministries, with all the folks, clergy and lay, and all the churches are presented and offered in this report and in our everyday living.

#### Salisbury District

*"Praise him for his acts of power; praise him for his surpassing greatness."*

*Psalm 150:2 (NIV)*

Throughout this conference year, God has once again poured His abundant blessings upon His people of the Salisbury District. He has inspired and enabled ministry in new and wonderful ways. His Holy Spirit moved and ignited fire in the spirits of His pastors and congregations.

In August, 2002, the construction of the new District Office was completed on the grounds of Christ United Methodist Church in Salisbury. On behalf of the pastors and laity of the Salisbury District and the District Superintendents who shall serve this district in future years, thanksgiving is offered unto God for Rev. Norma Bailey, the officers and members of Christ United Methodist Church who generously shared their property and developed the building plan in response to an expressed need for a District Office site. Salisbury District is the first in the Conference to have a permanent facility constructed for its district office.

Charge Conferences began in mid-September, 2002, with the theme "Offer Them Jesus". Churches/clusters were encouraged to become intentional evangelists, offering Jesus to the un-churched in their communities. As praise reports came into the District Office, congregations celebrated new persons coming into their churches as they experienced new and exciting ways to share Jesus with others.

Two special events in the fall were the celebration of First Haitian United Methodist Church's move into their own church building. Rev. Xavier Charleron and the First Haitian United Methodist Church congregation demonstrated how faith with works, and commitment of tithes and the Lord blesses talents. The beautiful new church facility is an offering of praise to God.

Secondly, Bishop Onema from the Republic of the Congo visited us on the Salisbury District. The Berlin-Ocean City Cluster hosted this at Community Church in Ocean Pines. From the Sunday night gathering, the District received \$430.00, which was sent to the Congo for the orphanage. In addition to the excellent visual presentation prepared by the cluster, the Delmar: Union United Methodist Church youth Praise Dance Team and the Community United Methodist Church Praise and Worship Team made the occasion a blessed experience for Bishop Onema, Bishop Weaver, and all in attendance.

The District's Leadership Training and Retreat Weekend was held at the Carousel Hotel in Ocean City, in February 2003. The attendance was outstanding as laity

and clergy joined together Friday through Sunday to learn (for some) and refresh (for others) regarding key offices and organizations of the local church. A day of retreat was held on Friday with the focus on the Spiritual Discipline of Prayer. Workshops were held on Saturday and an evangelism banquet was held on Saturday night, followed by a closing service on Sunday morning with the celebration of Holy Communion. The weekend was sponsored jointly by the District Superintendent, the District Board of Laity, and the Lay Academy.

Additionally, the Lay Academy held its usual lay training courses and graduated 260 Lay Speakers in April 2003. The total lay speakers have now grown over the past four years from approximately 200 to now over 600!

"COME FIND HOPE" was the title for the Bishop's Day on the District on May 31<sup>st</sup> and it was a designated day to "Offer Them Jesus". Six areas in the City of Salisbury were visited by teams of laity and clergy to offer persons Jesus and to invite them to our churches. Other teams visited in the communities of their churches. A Family Fair was held on the grounds of Wicomico High School and a tri-county leader's luncheon was also held. The day concluded with a service titled "Come Find Hope" at the Wicomico Youth and Civic Center where Bishop Peter D. Weaver preached a stirring message of inspiration and invitation. Singers and dancers from across the district shared in this momentous service. Everyone was captured by the transformation of the Civic Center, which was especially designed by a team of Salisbury District clergy and laity to welcome and meet the spiritual needs of the seeker and the un-churched. A special note of gratitude is made to Rev. Gregory Spencer and Pastor Janice Humphrey for their tremendous work and sharing of their creative gifts in the Civic Center design.

Because of God's goodness, 13 churches on the Salisbury District were in a building/renovation or restoration process this year. Four more will be joining that group in the next few months. We also are praying for 3 new church starts during this coming year, one of which is to be a Hispanic worshipping community. Praise God! It will be the first on the District.

In everything we give thanks to God. His grace is abundant upon us on the Salisbury District!

Rev. Dr. Patricia Bryant Harris

#### Wilmington District

*I Corinthians says, "Every time I think of you, and I think of you often! I thank God for your lives of free and open access to God, given by Jesus. There's no end to what has happened in you. It's beyond speech, beyond knowledge. The evidence of Christ has been clearly verified in your lives."*

**Overview** - I have so much to be thankful for as I am concluding my third year as the District Superintendent. It has been a wonderful year filled with growth and challenges. But the graciousness and understanding that I have received has been deeply appreciated.

Our district committees have also been extremely helpful, as well as extremely busy during this past year.

**The District Committee on Superintendency**, under the capable leadership of **The Rev. Ray F. Graham** has been tremendously supportive of the work of the superintendent, as well as to me personally. Their guidance and prayerful support throughout the year was a wonderful blessing.

**The District Board of Ordained Ministry**, again under the capable leadership of **The Rev. Donald Godwin**, provided the church a valuable service in its ministry. This committee worked with 31 candidates seeking to go into pastoral ministry. They did this ministry with skill and compassion.

**The District Committee of Church Location and Building**, under the wonderful leadership of **Mrs. Patricia Johnson**, from Aldersgate UMC is to be commended for their fine work in guiding local churches through the process of building expansion and developing plans for future growth. Currently, there are six building projects underway, at a cost of over 8 million dollars.

**The District Committee for Lay Leadership School** is in my opinion one of the best I've ever experienced. **Mrs. Jane Brown** has given outstanding leadership to this ministry within our district. Through the fall and winter sessions, over 300 lay speakers have been certified and trained, as well as numerous church officers, for their role in the local church. Jane and her committee are to be commended for their faithful service in this ministry.

**The District Board of Laity** continues to benefit from the capable leadership of **Mr. Allen Streett**. The board not only plans the district banquet, but also continues to keep the laity informed about district events and activities.

**The District Youth Council** continues to be under the capable leadership of **Mrs. Gerrie Springer**, under whose direction is in my experience the most active youth council I've ever seen.

Many thanks also to the **District United Methodist Women and Men** for all they have done this year to serve the Lord on our district in their ministries. They elected a new district president, **Mrs. Christine Keels**, who has already demonstrated outstanding leadership.

The ministry of **Neighborhood House**, under the leadership of **Mr. Arthur Boswell**, its Executive Director, along with the Board of Directors, under the leadership of chairperson, **Mrs. Norma Zumsteg**, a new strategic plan has been developed for Neighborhood House. The mission ministry of Neighborhood House is an exciting one in one of the poorest areas of Wilmington, and deserves our support.

We also celebrate with **The Rev. Lisa Graine** and **The Rev. Daniel Gedman**, who received their commissioning, and **The Rev. Dr. Sung Ho Bae** was ordained Deacon at this year's annual conference. This past year has been a blessing for me. My faith has been strengthened, and I have been a witness to the transforming power of God's grace in so many ways, and in so many ministries of our local churches.

I am also especially grateful for the district Administrative Assistant, **Denise Rader**. Her background in the local church, as well as her knowledge of the Wilmington District has been invaluable to me. We rejoice with her as she enters the ministry as a student pastor. She will be missed and we rejoice the welcome of **Mrs. Carole Dobson** as the new Wilmington District Administrative Assistant. Not only does she bring considerable skill to her role, but she also brings a vibrant spirituality.

It has been a good year, but I am also absolutely convinced that the best is yet to come.

To the Glory and Honor of Our Lord and Savior, Jesus Christ.

Rev. John F. Mitchell

## ADVOCACY RESOURCE TEAM

Combining of justice and mercy ministries REM model

R- Relationships E- Education M- Mobilization

Relationship involves reaching out with love, yet still being prophetic. Education is telling people where the Social Principles come from, explaining how the system works and what are the positions of the church. Mobilization is getting people to act. United Methodist makes our views known to government leaders and our communities.

ART hosts an annual Martin Luther King Jr. symposium to celebrate our multi-cultural strengths in Peninsula Delaware, and to highlight individuals and organizations who exemplify racial inclusiveness within the body of Christ.

ART will plan three-day workshops for building a community of racial inclusiveness. The workshops called Nurturing Wholeness in Community will be available for laity and clergy.

ART will also continue to follow through and dialogue from the results of the on-site review that was lead by the Commission on Religion and Race.

ART will introduce an Advocacy award that will be called the Bishop's Micah 6:8 award. The award will be directed to the Social Principles of the United Methodist Church and mission areas that have done justice networking across ecumenical lines.

Clergywomen and lay women who are in leadership will come together to build partnerships within our shared ministry in local churches and within our annual conference. We seek to encourage the full participation of all women in the UMC.

Clergywomen will hold a retreat with other clergy women in surrounding annual conferences. It will be held at Willow Valley in Lancaster, Pa., with a keynote speaker and guest panelists.

A study will be conducted to develop a comprehensive plan for female clergy in our annual conference. The study will examine mobility of appointments, years of service, salary levels, and church membership as it relates to appointments. ART will welcome networking with the Board of Ordained Ministry and the cabinet on issues of clergy sexual misconduct, cross-racial and first time gender appointments, training with Staff Pastor Parish Relations Committees.

ART will resource congregations and pastors in Advocacy work in their local communities. This will be achieved through workshops on effective advocacy, and updating clergy and laity on issues that affect this region. Through the use of instant communication with e-mail we will send out topics to mobilize grassroots advocacy.

We will also resource communities and local churches with response teams that will respond to incidents of racial hate crimes. The District Superintendents are to put together the response teams for their district.

### Highlights and accomplishments of the Advocacy Resource Team 2003

ART held a summer retreat at Drayton Manor in which we invited Rev. Clayton Childers from the Board of Church and Society to help the committee to set goals. We built our plans from the text of Nehemiah 4: 1-23, Rebuilding the Fortress: Preparing the Church to Restore Broken Lives.

In October the Commission on Religion and Race held an on-site review for our annual conference. The process involved a GCORR team meeting with the task force on Repentance and Reconciliation, all ethnic caucuses and leadership, the bishop and the vision team. This was held for three days at Drayton Manor. The results of the review are recorded later in this report.

There were workshops held in Eastern Pa. for Healing the Wounds of Racism, which we encouraged annual conference leadership to attend. Similar workshops are being planned for Peninsula Delaware entitled Racial Inclusiveness Retreats.

The Martin Luther King Jr. multi-cultural Event was held at Kent Island UMC. The keynote speaker was Angella Current-Felder from the Board of Higher Education and Campus Ministry in Nashville, Tn. The event was well attended and highlighted with dance from an African-American Praise team as well as Native American dance and flutist. Awards were given out in every category.

The second clergy women's retreat entitled, This is our Story: Reconnecting with the Call, was held at Willow Valley from May 14-16. The speakers who were invited at this writing were Rev. Dr. Dorothy Watson-Tatem, of Urban Ministries in Eastern Pa., Rev. Gerri Fowler from New Jersey, Rev. Dr. Aida Fernandez Boston, Ma., Rev. Michelle Wright-Bartlow, of Eastern Pa. Rev. Sandra Stiener Ball and Rev. Dr. Patricia Bryant-Harris. From the Commission on the Status and Role of Women, the Rev. Dr. Raaponzil Drake came to do teaching on the mission of COSROW. The Rev. Dr. Delores Carpenter from Howard University and author of "A Time for Honor" was also invited as a keynote speaker.

Town meetings were held in February to mobilize communities against slot machines to fund education, which the newly elected Governor of Maryland used as his major campaign platform. The nationally known speaker and activist, Rev. Tom Grey from Illinois, was invited to our annual conference. Rev. Tom Donnachie and Rev. Tom Grey presented their arguments at the Maryland General Assembly in Annapolis, Md.

Eight advocacy resource team members attended the Legislative briefings in Washington, DC. sponsored by the General Board of Church and Society. We participated in press conferences as well as hearings from other representatives that addressed the need to delay the war with Iraq until the U.N. weapons inspectors have completed their mission and the nine other nations in the U.N. agree to support the war. Our teams also met with the senator's staff of Delaware and Maryland to offer our opposition to the war and to seek their opinion on other domestic issues.

The grass-roots organization that addresses criminal justice policy in Delaware called Stand Up for What's Right and Just (SURJ) was given the mailing addresses of clergy in Delaware. They also held forums at local churches in Delaware.

Grants were awarded to the following organizations: Pacem in Terris, NocasiNO Dorchester, Health Ministries Association, Native American 10-10-10 program for Christian Unity and Interreligious concerns, Stop the Violence Coalition, Lincoln-Milford-Harrington Charge Drug awareness, Whatcoat UMC Dover, summer program.

## Committee On Native American Ministries

### Section 1: Review of 2002 Goals

- (1) To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We are anticipating the opportunities to fulfill these goals.
- (2) To offer classes/courses for lay persons through district leadership programs such as Lay Academies and Lay Speaking Schools regarding Native American issues and ministry. We are anticipating the opportunities to fulfill these goals.
- (3) To offer and be prepared to present a program on Native American spirituality and other traditions at events such as the Bishop's mid-winter retreat. We are anticipating the opportunities to fulfill these goals.
- (4) To provide speakers for Native American Ministry Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of such speakers and their effective impact on local churches/communities. This is ongoing and we are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.
- (5) To continue to develop and strengthen partnerships between the Indian Mission UMC and other congregations in the conference. Our 10-10-10 missionaries, Ragghi Calentine and Odette Wright, are working with a number of congregations in the conference in order to establish an ongoing relationship.
- (6) To expand the network of CONAM into other areas of the Peninsula-Delaware Conference. CONAM has conducted programs in a variety of settings such as schools (including the University of Delaware), camps, scouting events and libraries.
- (7) To continue to promote the celebration of Native American Ministries Sunday. We are in the process of working on promotional materials for Native American Ministries Sunday in 2003.
- (8) To provide financial support for persons to attend the 2002 Native American Family Camp. Financial support was provided in 2002 by the Northeastern Jurisdiction Committee on Native American Ministries (NEJCONAM).
- (9) To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This is an ongoing effort. A considerable number of contacts have been made. The potential number has been expanded due to the revised census categories.

### Section 2: Significant Events, Goals & Challenges.

The most significant event has been the recognition of Ragghi Calentine and Odette Wright as two of our conference's 10-10-10 missionaries. Their participation in the annual conference's Repentance and Reconciliation service last year had a very powerful impact upon us all. A luncheon workshop was conducted during annual conference last year. Ragghi and Odette have conducted a number of programs and workshops, including a "Flying With Eagles" program at a regional UM gathering in Rhode Island.

Ragghi taught at an NEJCONAM conference and Odette participated in a Volunteer In Mission trip to the Four Corners.

In the future, Ragghi and Odette hope to expand their work throughout the episcopal area. One of their goals will be to establish working relationships with churches that will resource their ministry through the conference advance. They plan once again to conduct a workshop during conference. Both of them will be teaching at the Native American Family Camp in Oklahoma. They will be attending a California conference funded by the Advocacy Team and an ecumenical

conference between Native American Christians, Native American Practitioners and members of the Native American Church.

Another significant event was the 2002 pow-wow, which was a great success. There were many favorable comments, including the feeling that the gathering was more spiritual. Cindy Quillen, Pastor of Indian Mission UMC, and Ray Bundy, a New Jersey Local Pastor spoke. The speaker at the 2003 pow-wow will be Thom Whitewolf Fassett, former General Secretary of the General Board of Church and Society.

### ENABLING MINISTRY RESOURCE TEAM

The Enabling Ministry Resource Team exists to empower persons, groups, local churches, and mission areas to make disciples for Jesus Christ. The EMRT is vitally concerned with empowering persons to witness locally and globally through Shalom Zones, Volunteers in Mission, and new programs like Faith Quest. Nurture and spiritual formation are also important and occur through the Interfaith Resource Center and the Health and Welfare Task Force. The EMRT also maintains our important connectional ministries through United Methodist Men, United Methodist Women, the granting of awards for excellence in evangelism and urban ministries, and through the Strengthening the Black Church Task Force.

This year we celebrate:

- The effective and exciting VIM trip to the Congo led by Bishop Peter D. Weaver.
- The establishment of a working relationship with the Bishop's Task Force On Financial Accountability for a pilot program.
- The recruitment of new EMRT members to serve as Disaster Relief Coordinator and Refugee Resettlement Coordinator
- The awarding of grants to laity and clergy for education and training in ministry.
- The creation and implementation of a new Conference Advance Special Plan to support identified and approved ministries.
- The outstanding events sponsored by the Strengthening The Black Church Task Force in the areas of prayer, spiritual formation, and leadership development.

In the coming year we prayerfully desire to:

- Create and implement a long-term mutual relationship with the Central Conference of the Democratic Republic of the Congo.
- Resource and assist Mission Area Ministry locally and on each district.
- Continue support through the Congregational Development Corporation.
- Maintain connectional relationships through the United Methodist Men, United Methodist Women, Strengthening The Black Church Task Force and others.
- Assist individuals, groups, and mission areas as they seek resources for training in effective ministry.

It should also be noted that the goals of the EMRT extend to include all groups and Task Forces for whom this team is responsible.

## Health and Welfare Task Force

The Health and Welfare Task Force mission is committed to encouraging, supporting and developing whole person ministries in congregations. Embracing the philosophy of the Health Ministries Association we believe that the task force embodies the Spirit of God's healing presence in a broken world. We believe there is a necessary role in empowering congregations to reclaim health as ministry and that health, more than the absence of disease, is the integration of body, mind and spirit. In this light we believe in working in collaboration with other groups who share the goals of whole-person health.

The Health and Welfare Task Force continues to follow the Conference Mission by motivating people to live fuller and healthier lives in the name of our Lord, Jesus Christ and the importance of health ministries mission needs to be communicated to all levels of the church. The H & W Task Force will continue to give people the resources to answer God's call making Disciples of Christ. In order to develop and support leadership, the task force works with health agencies leading to increased knowledge, resources and cooperative action.

The Health Ministries Association 2003 Conference, which the Health and Welfare Task Force is supporting with time, effort and scholarships, will encourage, develop, supply and support leadership for health ministries in the local areas and beyond. Involvement in health ministries inspires leadership from colleagues in the health professions to take an active role in encouraging congregations to develop a deeper commitment to whole-person wellness. Health and Welfare partners with other faith groups to promote health ministry programs.

### **Accomplishments are:**

1. Four parish nurse/health ministry network meetings held on Saturday mornings throughout the year hosted by various churches. Topics chosen this year included, "Emerging Pain Initiative-New Alternatives", "Soul Sabbath-rest for the Soul", "Where is your health ministry now and where is it going", and "Health Ministry Programs that Worked and Why". The average attendance was seventeen. A special program honored parish nurses/health ministers during Nurses Week in May.
2. A Spring and Fall gathering, including a light supper, were arranged. April's gathering offered a program entitled, "Emergency/Disaster Preparation and How Faith Communities Can Serve." 25 attended. September's program addressed caregiver's needs and the Care Delaware program. Also, an American Diabetes Assoc. representative shared information on "Diabetes Sunday," a program for people of color. 32 attended.
3. One social gathering, a cookout in August was attended by 21 people.
4. A new program was offered this year - "The Interfaith Health Ministry Education Program" designed to assist churches without nurses in their congregations or nurses who couldn't take a week for a Parish Nurse Preparation Program. Twelve people attended the program held at Drayton Retreat Center. Dr. Bethann Witcher, a health educator on the Executive Board of the National Health Ministries Association, conducted the program. The UM Conference Health and Welfare Task Force gave scholarships to some participants and paid the speaker's fees and expenses. Evaluations were very positive and plans are in the works to conduct a similar program in 2004.
5. The Health Ministries Annual Conference scheduled for December 5<sup>th</sup> with two nationally known speakers was cancelled due to snow. This same conference, "C.A.R.E. and Prayer", has been rescheduled for November 8, 2003.

6. Parish nurses and health ministers conducted community "Stroke Risk Screening" at locations such as Astrazeneca Inc., Grace UMC/Wilmington, and Wilmington Wellness day. Over 200 people were screened at these locations. This number does not include the monthly screenings done at churches with health ministry programs and local health fairs.

There have been over 50 requests for information on parish nursing/health ministry this year, including such topics as legal implications of health ministry and health ministry budget needs. Anne Murray, parish nurse at Aldersgate UMC, and Joan Nelson, together, have presented programs on how to hold successful health ministry educational programs, how to be a therapeutic visitor to congregation members, and how to start a health ministry. They presented at the National Health Ministry Assoc. Conference in California, at several churches in the area and at the Peninsula/DE Conference last June. Joan was part of a panel at the American Nurses Association Conference presenting the parish nurse's use of a Stroke Screening Tool developed in DE and the parish nurse's contribution in the research of that tool.

Joan, who is the H & W parish nurse coordinator for the DE region, PN Consultant to PUMH INC. and Practice and Education chair for the DE Region Health Ministries Chapter is involved in many facets of health promotion in this state and surrounding areas. She is also a member of the annual conference planning committee for Health Education Network of DE (HENOD)-an organization that creates network and educational opportunities to non-profit agencies and those involved in disease prevention and health education. She is co-chair for the National Health Ministries Association Conference to be held in June 2003 at Valley Forge, PA. The theme for the conference is "Making a Difference Through Health Ministry."

Many thanks must go to Rev. Naomi Winchester, chairperson of the Health and Welfare Task Force, who has supported health ministry and parish nursing from its humble beginning in 1992 and who is actively chairing the National HMA Conference 2003 Fund Raising Committee; to John Oppenheimer and a wonderful group of people who continue to support health ministry at PUMH; to all the volunteers on our various local and national committees; to the UM conference office personnel who are always ready to assist; and to UM conference committees who have supported and furthered the principles of health ministry.

2004 Goals of the Health and Welfare Task Force are to promote understanding of whole person health, enhance cooperation and enable new visions for health ministries; to have open collaboration with others who share our philosophy; and to lead and affirm all engaged in the development of health ministries. These goals may be accomplished in some of the following ways:

1. Increase the number of parish nurses and health ministers in local churches through recruitment, preparation and support.
2. Finance a retreat in July for those working in health ministry mostly as volunteers.
3. Support a second lay health ministry education program.
4. Provide scholarships to Methodist parish nurses and health ministers in order to attend the National Health Ministries Assoc. Conference in Valley Forge, PA June 2003.
5. Continue co-sponsoring the local health ministries Annual Conference and semi-annual gatherings with the DE Region Health Ministries Chapter and other agencies.

6. Work with ethnic and cultural minorities and small congregations to encourage them to embrace a healthy life style.

##### REVIEW OF 2002 GOALS

- Increase non-church group income at Drayton by 30%.

Non-church group income increased from \$14,008 in 2001 to \$32,396 in 2002, an increase of 131%.

- Develop a Master Plan for the Drayton Retreat Center property. The master plan was completed in Fall 2002. It calls for 36 hotel-style bedrooms (approx. 100 beds) and 5 meeting spaces. However, there are significant zoning obstacles due to Drayton's location in the Maryland Critical Area of the Chesapeake Bay watershed.
- Develop an Annual Campaign for Drayton Retreat Center to help support operations.

The 2002 Journey to Excellence Campaign resulted in \$7612 from 32 donors (giving units). It should be noted that \$14,150 was spent to generate these donations. The fulfillment of pledges should cover some of the net deficit in 2003; however, the entire campaign will be breakeven at best. Because of possible changes in strategic direction in CR&M, there is uncertainty as to whether the annual campaign will be continued.

- Register 2000 campers in the Pecometh Summer Program.

1881 campers registered in 2002, compared to 1871 in 2001. While we did not reach objective, we are pleased that registrations remained essentially flat, because anecdotal feedback from other United Methodist camps indicated declines of 5-10% or more, due to the 9/11 terrorist attacks and a faltering economy.

- Develop a strategic plan for a Pecometh Outdoor Education Program.

The Strategic Plan for Outdoor Education was completed in December 2002.

- Complete and occupy new Staff House at Camp Pecometh.

The Staff House, named the Emily Talley Retreat House, was completed in late summer 2002. It began use as a retreat facility in Fall '02 and will be used for summer staff beginning in 2003.

##### CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide an environment that promotes positive life-changing experiences*. While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support by 5% per year. In fact, in 2001, support was reduced by 10% (\$17,000) to \$153,000. This represents the 5% scheduled reduction and

an emergency 5% reduction related to conference budget pressures. 2002 support remains at \$153,000, which represents 14.04% of the Camping & Retreat operating budget.

#### **DRAYTON RETREAT CENTER**

Drayton welcomed its new Site Director, Ann Ashe, in 2002. Ann brings her hospitality experience from her time in guest services at the Salvation Army Camp Arnold in Eatonville, Washington.

Drayton's usage increased significantly in 2002 with income up 31.87% to \$238,142 compared to \$180,588 in 2001. However, a more than doubling of insurance premiums, a net deficit in the annual campaign, and one-time costs associated with the hiring of a new Site Director contributed to a \$37,277 operating deficit. An inability to expand Drayton's capacity makes it difficult to generate the volume of income necessary to cover the cost of operating the facility. Therefore, the Board of Stewards is considering the alternative of building an adult retreat facility at Camp Pecometh.

Once again, Carolyn Godfrey has led a committed corps of volunteers who help to keep Drayton looking great. The volunteers provide invaluable assistance in maintaining Drayton's appearance and reducing maintenance costs. Thank you volunteers!

#### **CAMP PECOMETH**

Camp Pecometh offers our conference a variety of ways to experience outdoor ministry. The retreat facilities, Family Campground, waterfront, picnic facilities, and Outdoor Chapel help guests at Camp Pecometh draw closer to God through God's creation. The Summer Camp Program continues to be a significant part of the spiritual growth of many young people.

Construction was completed on the 24-person Emily Talley Retreat House. Ms. Talley, a member of Peniel UMC (W), left a bequest that provided the majority of the funds for this facility. In addition to providing housing for our summer staff, this facility will address the needs of smaller retreat groups that would like to cook their own meals during fall, winter and spring.

The Leadership Team of Augie Lankford, Buddy Landing, and Richelle Darrell, were able to guide Pecometh's operations, despite the cut of one full-time position, resulting in an operating surplus in 2002.

#### **UPDATED STATEMENT OF GOALS FOR 2003**

- Develop strategic plan for Camping & Retreat Ministries.
- Make preparations to begin implementation of the Pecometh Outdoor School business plan by January 2004.
- Register 2100 campers in the Pecometh Summer Camp Program.

#### **STATEMENT OF GOALS FOR 2004**

- Implement the Pecometh Outdoor School strategic plan with 510 user days in the fall of 2004.
- Develop a donor base of 100 donors and \$20,000 per year in contributions.
- Register 1996 campers in the Pecometh Summer Camp Program.

### United Methodist Women

*"Praise to the Lord, the Almighty, the King of creation!  
O my soul praise him, for he is thy health and salvation!  
All ye who hear, now to his temple draw near, join me in  
glad adoration!" UMH # 139, Joachim Neander*

As in the words of Neander's hymn, let us celebrate in glad adoration to God who has brought us through the year 2002. This year began with the new Conference Officers elected October 2001, going to St. Louis, Missouri for leadership training as required by Women's Division. This was the beginning preparation for understanding of the responsibilities required as conference officers of United Methodist Women.

Peninsula-Delaware Conference Mission Team provides training opportunities for the District and Local Officers beginning in November. Annually the Conference /District Leadership Workshop was held at Wesley College, Dover, Delaware. This is a time for sharing, planning and evaluating the calendar events for the coming year. It also serves as an example for the districts as they prepare leadership training for the local units. These opportunities are planned for the purpose of preparing for work to be carried on within the organization.

January 1, 2002 began the newly installed officers' year. The Enabler Articles were gathered from the conference officers for the 1<sup>st</sup> edition of the year. The Conference Mission Team met with great expectations as they shared information in prints relating to their work areas.

The month of March was a time of Spiritual Life Retreats, where women from across the conference came together at two locations for study and fellowship. One was held in Smyrna, DE at Centennial UMC and the other in Girdletree, MD at St. Matthew UMC. Rev. Gertrude C. Brown brilliantly led both studies on, "The Women of the Bible". During this month, the 1<sup>st</sup> class of Basics of United Methodist Women, which was offered February-March, at the Lay Academies in Dover and Salisbury District concluded. Easton and Wilmington Districts held their 1<sup>st</sup> classes during October 2002.

April was a busy month with the districts and conference Spring Meetings. The major event for this month was the travel of ladies to Philadelphia, Pa. 2002 Assembly. Peninsula-Delaware Conference was well represented by many members in attendance, as well as, by having the Dover District President, Deborah O'Neal facilitate a focus group workshop. The month concluded with a Charter for Racial Justice Committee meeting. The CFRJ committee members decided to have litanies at all conference meetings, in order to remind members of the essentials of commitment to the purpose of United Methodist Women.

The Conference Resource Director, Rev. Dr. James T. Seymour was in attendance at the May annual fall meeting. Later in the month, the Executive Secretary for Leadership Education, Marissa Villarreal, (Women's Division) led an effective workshop on leadership responsibilities. June was begun with the Annual Church Conference at which United Methodist Women were able to participate in for the 1<sup>st</sup> time, Resource Workshops held during the lunch hours on Friday and Saturday. United Methodist Women presented brief workshop sessions on the many Facets of United Methodist Women. Very shortly after Annual Conference, The Conference Executive Mission Team and Study Leaders traveled to Cazenovia, New York for study and preparation for the Conference School of Christian Mission.

July was a time to attend the 2002 School of Christian Mission held at Wesley College, Dover, DE. The school was opened by Dean Renee' Moore and Assistant Dean Barbara Jones. The classes were effectively taught by the study leaders. The

attendance was cross generations from children to adults. August was filled with meetings and publications of communications.

In September, Shirley Pettiford conducted Membership Nurture Outreach Training Workshop. Shirley is a Volunteer Consultant, of Valley Stream, New York. Also, during this month was the Wilmington District Fall Meeting. The month of October was an active month of Fall Meetings across the conference.

The year ended by preparing for 2003. The relocation of United Methodist Women's historical files to the Conference Resource Center began. Some materials were donated to the Commission on Archives and History of the United Methodist Church, Inc. at Barratt's Chapel Museum, Frederica, DE. November and December were months of Leadership Workshops. Women's Division provided training for new Conference Officers. Conference Officers provided training for District and Local Officers. Districts provided training for Local Officers & members. This was a time for learning and sharing. The year was full, challenging and enlightening to those who are involved and attend the meetings, events and affairs. Opportunities for learning and growing were and are available in every avenue of participation as we work to fulfill the PURPOSE of United Methodist Women. Our mission is to reach out in love, prayer and support to women, children and youth at home and around the world.

Thank you Fellow Co- workers. Your efforts and your commitments are reflectors of your love for Christ and humankind. May God continue to bless you.

#### Goals For 2003

1. To encourage Mission Today Units to continue to be Mission Today Units.
2. To increase Mission Today Units to 50% of the organized units within the conference.
3. To encourage the organization of new units.
4. To assist in organizing and strengthening United Methodist Women's Units.
5. To increase participation of children, youth and adults by 10% at conference events.
6. To increase attendance at the School of Christian Mission by 25%.
7. To nurture and support team members at conference, district and local levels.

#### Volunteers In Mission Committee

We have had an exciting year thanks to the good people of the Peninsula-Delaware Annual Conference. The committee worked hard to implement its goals for 2002 and met with some success. There is still difficulty in having local churches report on their VIM activity; however we hear unofficial reports of new VIM groups venturing out in this dynamic and effective way.

Volunteers in Mission continue to be a transforming process, which is taking the United Methodist Church by storm. Throughout the Northeast Jurisdiction

especially, trip activity has increased more than fifty percent. Annual Conferences are sending missions teams to all parts of the globe.

The Peninsula-Delaware Annual Conference has been right in the middle of this flurry of mission activity. Thanks to your generosity, more than \$16,000 was raised to help send our VIM Team to the Democratic Republic of the Congo. Our Bishop led this team sponsored by our Annual Conference. The purpose of this mission was to tour the new orphanage and school that were built with Hope for the Children of Africa Funds from our Conference. Our mission team was struck by the abject poverty, hunger, and homelessness of young children in addition to the absence of medical care and employment. We found a Central Congo United Methodist Church which symbolized hope in the middle of hopelessness. Here, we found an ingenious people taking literally meager resources and providing aid, comfort and stability for a people who were beleaguered and affected by the ongoing war, which was ongoing in their country.

Our VIM team was struck by the lack of resources, health situations that were without medicine and equipment. Probably, the scene that had the most telling and chilling effect was the hunger of children, which was evident throughout the country. Those scenes were more than the heart and human psyche could stand.

Out of this experience in Kinshasa of the DRC, our Bishop had a vision that the People of the Peninsula-Delaware Annual Conference would want to do all they could to help alleviate some of the scenes of deprivation their VIM Team had seen and experienced.

The Vision was to enter into a long-term partnering relationship with our sister United Methodists in the DRC. Bishop Weaver and our Team believed that our Annual Conference would not only support this mission with its finances, but would actively become involved, enabling this partnership to be what God would have us do in supporting His people of the Congo. Thus, at the 2003 Annual Conference, the VIM Committee will present a resolution asking our Peninsula-Delaware Conference to approve a resolution establishing a working relationship with the Central Congo Conferences, led by Bishop Onema Fama. We are encouraging our conference to open its Doors, Minds & Hearts. We can make a difference with our United Methodist Church in the Congo!!! There will be numerous opportunities for your congregation to be involved here and in the DRC. Join with our Bishop and VIM Committee as we embark upon an exciting journey.

To coordinate the work of this new adventure of our annual Conference, the Enabling Ministries Resource Team has appointed a Design Team called Central Congo Resource Team (CCRT) for developing the new work we expect to do in the Congo. This team is made up of members of the VIM Team to the Congo and EMRT members. Don was asked to serve as the coordinator; this is an honor and privilege for him and a supporting endorsement for the VIM Committee. At the 2003 Annual Conference we will open up the membership of this Committee to be more inclusive of the talent all over this Peninsula. Too, our Committee is presenting a resolution that the "Third Sunday of July" be celebrated as VIM Awareness Sunday. We are asking every local church to allow their membership to become more knowledgeable about this transformational ministry in our Church. The day will not cost any money. Promotional materials may be ordered from the Service Center in Cincinnati. Many thanks to Gil Hoffman, Bill & Leona Johnston, Carol Svecz, and Marsha Carpenter for serving selflessly as your VIM Committee. Long hours, personal funds are given in order that our Annual Conference is active and a part of this great movement in the United Methodist Church. Since returning home our Annual Conference has supported Hope for the Children of Africa with excitement and generosity. To date over \$155,000 has been raised for this project. I want to thank you on behalf of our Bishop, Peter D. Weaver, and Kevin Goodwin

Co-Chair for the Fund, EMRT, and the VIM Committee for all of your prayers and financial support. God Bless You Peninsula-Delaware Conference.

Co-Coordinator

#### **Missions Task Force**

Ephesians 2:10 "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand so that we would walk in them." (NASB)

We have only one goal – increase awareness and support of the mission opportunities within the United Methodist connectional system. I now have visited over 80 churches in our Conference to spread the good news on how we, as United Methodists, are spreading the Good news worldwide with our missions outreach efforts. Overall giving was the second highest ever! Other points of celebration for 2002 are:

- Total Advance giving top \$200,000. While less than half of our 2001 giving, it is still the second largest amount ever donated in one year.
- We surpassed our goal of raising \$115,000 for *Hope for the Children of Africa*.
- Trinity UMC (Newark, MD) became our 15<sup>th</sup> Global Missions Partner Church, and our first in the Salisbury District.
- Newark UMC (Newark, DE) became our 16<sup>th</sup> Global Missions Partner Church.
- Rev. Sam Greening, Jr. was endorsed by our Conference to serve as a missionary.
- Odette Wright and Raggie Calentine became 10-10-10 missionaries serving within our Conference.
- Several churches started supporting a missionary for the first time.

#### **Goals for 2003**

We continue to challenge all our churches to reach out in the following ways:

The Advance: The Advance has over 2000 projects to choose from, covering every possible ministry and over 100 countries. Every church should be able to find at least one that touches their heart. Your task is to pick out one or more projects and raise just \$3 per member. Remember 100% of all Advance gifts go to the project. Support costs are covered by your apportionments. A list of suggested Advance projects can be found on the Conference web site.

Special Sundays: These Sundays raise funds to address special needs of people in our country. They allow you to share with your church what the UMC is doing to combat some of the social problems facing our nation. Each church is asked to raise at least \$1 per member for the Special Sundays, less than the cost of a cup of coffee or a soda. Dividing one offering six ways is fine too.

Covenant Relationships: Each church should be supporting a missionary. For just \$3 per member, you can be helping spread the word of Christ to the country of your choice. Your church will benefit from the letters and photos you received back several times a year from the missionary you support. Please contact me for a list of available missionaries.

BOOM Scholarship Fund: Help cover the cost of training the pastors that serve us every day. Even if each of us gave \$1, Conference would be covering less than 50% of their education costs.

Local Missions Outreach: Churches should target \$4 per member for projects in their own backyard. Additionally, get your members involved, not just their money.

For a total of a just \$12 per member, you can have a worldwide, comprehensive missions outreach program. Your church should challenge itself to support a missions budget that is equal to 10% (a tithe) of what you spend on yourself, or 1% of the value of your Endowment Fund, which ever is greater. *Help bring Christ to the world by expanding your missions outreach!*

#### Special Concerns & Challenges

##### Hope For the Children of Africa - the Bishops' Appeal 101000-4

The Volunteers in Missions Team will be presenting a resolution at Annual Conference to develop an on-going relationship with the Central Congo where our HFCA projects are. We built a school and orphanage, it's now time to support the workers and maintain our investment. It only takes a little from each of us, placed in God's hands, to do a mighty work for our Christian brothers and sisters overseas.

##### Africa University Scholarship - World Service #03-01-88

We are lifting up the need to endow a second scholarship at Africa University. A lack of funds for students is the next big challenge for AU. This scholarship will allow one student from our HFCA School to attend Africa University each year. Upon graduation, another student will be selected, and so forth - forever!

##### Missionaries

The General Board of Global Ministries will layoff almost two dozen missionaries this summer due to a lack of funds. Missionaries are our front line for getting the Good News of Jesus Christ to people who might not ever hear. We have four serving in our Conference who will be glad to visit and tell you how important your support is.

Gifts for any of these Advance projects can be submitted to the Conference Office on the Benevolence Remittance form, Line #60. Write in project name and number. Questions can also be addressed to Kevin Goodwin at (302) 453-1169 or email to [MissionsCzar@AOL.com](mailto:MissionsCzar@AOL.com). Visit the missions page on the Conference web site for more information - [www.pen-del.org/missions](http://www.pen-del.org/missions).

##### United Methodist Men

The organization of Methodist Men is looking for men from all walks of life to become full fledged members.

While there are many great ministries for men, there are few men for the ministry as our ranks are slowly and continuously dwindling on all districts. Unless we pray to our Lord Jesus the Christ for a miracle, this trend will continue. Men, it is our job to employ, and encourage others to join in ministry working collectively together saving and winning souls for Him, the master and creator. We must use all the available resources, then share or exchange information and knowledge with others. As leaders we must truly believe in the cause in order to become empowered by God to go out in the vineyard seeking men wherever they are. As Christians, we must equip ourselves with the whole armor of love, loyalty, integrity and accountability commit as we strive to make disciples and enable others to become good stewards and servants. Once we do those things nationally, internationally, and globally our ranks will grow, just as the American Armed Forces

are looking for a few good men. The United Methodist Men should be seeking men for these causes; in other words, get in the recruiting business. If we are to experience God in His fullness we can not stop or look back once a crisis subsides as we did after the 911 crisis. Once the situation changed so did the interest in their newfound religion when the crisis ceased and things drifted back to normal; some people went back to their old ways. Religion is sacred, not like a water faucet that can be turned off and on by a flick of the switch.

Men empowered by the Holy Spirit can stand with other men and take their rightful places in ministry, in the church, in their communities and in society. Men, you must plant the seed (the word in season in fertile soil) wherever it is needed (nationally, internationally, globally, even the small and large groups).

One might ask the question: Why the lack of interest and participation has occurred throughout the ranks of the organization of United Methodist Men? One can only speculate simply because there are many smoking guns which make it difficult to name a specific cause to correctly justify the various opinions. Not to address the issue, however, is to risk the criticism that the United Methodist Men have lost interest in the souls of men in the body of Jesus Christ.

The erratic and rapid social and economic changes of our times may have contributed to the present situation. The age differential, although not a major problem, never the less seems to affect the caliber of leadership. Many of our young men are incarcerated or we are in competition from our armed forces and what about the missing generations? A dysfunctional family and their brokenness caused by the abundance of illegal drugs combined with immorality. Lastly, people are misinformed because some men strongly believe that membership is automatic and that they become United Methodist Men through association or affiliation and maybe understandably so, but that is not the case. To reach full organization status one must be governed under the charter, the constitution and bylaws of the church, as stated in the Book Of Discipline of the United Methodist Church (reference to page 393-396 Par. 664, 665). Just as there are requirements in becoming a member of the body of Jesus the Christ.

Some situations or events are listed that could possibly make a change. Perhaps when the correct stuff is applied or if some immediate crisis should occur, similar to the 911 terrorist attack on America or some other country, then, the lost coin parables of Luke 15:8-10 would supply the needed spark to bring us back to reality. As you recall during that crisis, folks of all walks of life collectively joined together; clergy, and laity Professional and non- professionals must come together to pray and cry out asking God to intercede until places of worship overflow with humanity and become filled with the Holy Spirit. We are not just men out in la la land or some social club where eating, drinking and gossiping is the norm, but men bonded together with the body of Christ.

The United Methodist Men are men sharing in evangelism, mission and the spiritual life with other men with definable purpose. The United Methodist Men shall be creative, supportive in fellowship with men who seek to know Jesus the Christ, to grow spiritually and to seek daily His will. Our primary purpose is to declare the centrality of Christ in the lives of men in all their relationships. Men must encourage each other through knowledge and support the total mission of the United Methodist Church. As we engage in evangelism by sharing the fullness of the gospel in its personal and social dimensions as one clarifies and addresses the identity and roles of men in contemporary society as they commit to discipleship.

Men shall study and become familiar with the United Methodist Church and its organization as well as the doctrine and beliefs to cooperate with all units of the United Methodist Men. In obtaining these objectives through district, conference, and jurisdictional and church wide goals.

If any man seeks membership in a local United Methodist Men's fellowship he shall subscribe to the purpose of United Methodist Men and to these personal objectives: engage daily in bible study, in prayer as he bears witness to Christ's ways in daily work, and in some definite Christian service.

We are men committed to organizational growth through recruitment of new members, the renewal of lapsed charters, and to encourage men to organize new groups, be it small or large in the local church. We urge all established members to become qualified EMS (Every Man Sharing). Every man shall promote Faith Quest Bible Study and prayer groups designed for small and large groups of men for church communities.

The risen Christ is eternal!

President

#### Congregational Development Corporation

The Congregational Development Corporation (CDC) is responsible for allocating and overseeing loans and grants to new church starts and existing local congregations for land purchases, property acquisitions and church construction and renovation that will enable vital ministry growth. The Annual Conference of June 2002 approved \$135,000 for all of CDC's funding activities.

CDC has been especially effective in working with applicant churches regarding their responsibility and accountability for sound stewardship and ministry practices that make them eligible for funding. With improved working relationships with the District Boards of Church Location and Building, the New Church Initiatives Task Force, and our four district superintendents, we have increased the assurance of better stewardship of Conference monies. We still have to work on forging working relationships with the four district research and design teams, but we are confident that in time all of us will be able to resolve our mutual concerns, which include better funding for all new church development needs, clergy and laity education on congregational development and revitalization issues, developing stewardship strategies for local church finance committees, facility maintenance and planning by local church trustees, and communication and support strategies for pastor/staff-parish relations committees.

Most of the applications that CDC has received are from existing congregations seeking monies for crisis relief and church renovation. CDC's revised application form is proving to be an effective tool in helping applicant churches to evaluate more carefully their facility plans in terms of planned stewardship and increased service to the community. However, we also see the need for a separate application for new church starts. At any rate, the quality of applications also has improved in terms of the presentation of the applicant church's budget planning process that increases the probability that Conference and commercial loans can be repaid while the daily needs of the local church also are maintained. Not every application received by CDC has been approved. However, during 2002 CDC allocated funding for 10 congregations, including three new church starts. All are listed below, and the new church starts are designated with an asterisk (\*).

\*Connection Community UMC, Middletown, DE -- grant of \$30,000 to assist with lease expenses. Also signed \$200K loan guaranty for purchase of building.

Coolspring UMC, Girdletree, MD -- \$5,000 grant and signature loan of \$25,000 toward building renovation.

Christ Church, Upper Fairmont, MD - Loan of \$10,750 to complete siding and roofing project.

Hockessin UMC, Hockessin, DE - signed \$1.1M loan guaranty for building project.  
Harriet R. Tubman Community UMC, Wilmington, DE -- \$5,000 grant for crisis repair of church and parsonage heating equipment.

\*Iglesia Metodista Unida Betel, Georgetown, DE -- grant of \$10,200 for assistance with rent and utilities.

St. Andrews UMC, Upper Hill, MD - \$5,000 grant and \$5,000 loan to assist with property purchase.

Hutts Memorial UMC, Snow Hill, MD - \$5,000 grant to help complete renovation of church fellowship hall.

Wesley UMC, Girdletree, MD -- \$5,000 grant to help complete ramp and reconstructed entranceway for handicapped access.

Friendship UMC, Powellville, MD - \$5,000 to assist with replacement of condemned parsonage furnace.

\*First Evangelical Haitian UMC, Milford, DE - grant of \$20,500 to assist with salary and general expenses.

\*Dover District Hispanic Ministries Task Force - grant of \$15,000 to assist with pastoral salary support and general expenses for Unida Betel in Georgetown, DE.

\*Delaware Korean UMC, Hockessin, DE - signed loan \$500K guaranty incomplete since 1997 construction project.

With approved grants and loans totaling \$146,450 monies allocated by the annual conference for 2002 have been overspent, as were funds for the previous year. We are being very conservative with the use of monies on hand and returned to the Conference through loan repayments. CDC has been approved for Conference Special Advance status so that we can assist as many churches as possible, particularly new church starts. Our Special Advance Campaign is scheduled for September 2003.

#### LEADERSHIP DEVELOPMENT RESOURCE TEAM

The mission of the Leadership Development Resource Team (LDRT) is to discover, develop, and support leadership for mission and ministry especially within the bounds of the Peninsula-Delaware Conference. In particular, the LDRT will direct its efforts toward development of and support for new and current leaders.

The Resource Team has prayerfully continued its work during the year. We have made significant progress towards our established goals.

The DSU Wesley Foundation Board of Directors has done a commendable job of continuing the Foundation activities during most of the year as it worked to fill the vacant position of director. Now we are blessed by having Jackie Lee Onwu as the Executive Director who brings an extensive background to the position. She

has already laid out a plan to increase the impact of the Foundation on the lives of students at the University.

#### **Conference Wide Training Event**

The LDRT sponsored Conference Wide Training event which was held on March 7<sup>th</sup> was an outstanding success. The seminar was held at Asbury UMC in Smyrna, Delaware. This was the first effort of the team to facilitate leadership training on a Conference Wide basis. Reverend Adam Hamilton presented a seminar on his extensive experience in new church growth. We have received a number of testimonials on the quality and usefulness on the seminar.

#### **Scholarship Task Force**

The Scholarship Task Force continues to manage the awarding of conference scholarships. Communications of the availability of the scholarships continue to flow through the local churches.

#### **Other Activities**

- ❖ The team continues the practice of having a Display Table at the Conference Session
- ❖ Received and provided hospitality for a Black College Fund Ambassador at the June 2002 Annual Conference session.
- ❖ Named Dr. Lorena Stone as recipient of the 2002 Francis Asbury Award and presented the award at the Conference Session.
- ❖ Published the Campus Ministry annual booklet
- ❖ Deliberated extensively over budget issues

#### **Goals and Strategies**

- ❖ The LDRT will recommend and/or provide resources, training opportunities, leadership growth events, etc. in one or more of the areas described hereunder:

#### **Commission On Archives And History**

#### **REVIEW OF 2002 GOALS**

1. The operation and maintenance of Barratt's Chapel, as well as the museum and archives, are the primary responsibilities of the Commission on Archives and History and are ongoing processes.

With this in mind, various repairs and replacements were accomplished during the year. In January extensive rodent damage to the electric wiring system of the chapel was discovered while installing a new heating system. The new wiring was encased in a conduit.

We continue to collect and categorize conference records. Our fireproof archival storage vault is a safe repository for valuable historic papers, and our museum houses conference religious and cultural artifacts. The library

is open for researchers, and help with genealogy searches is available upon request.

The Chapel is frequently used for weddings under the guidelines established by the Commission, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30, or other times by appointment.

2. The Commission, under the leadership of the Rev. Robert O'Kelley Wallace, continued to give top priority to Barratt's Chapel's program of development. Robert O'Kelley represented Barratt's Chapel almost every Sunday during the year at a church in the conference, as well as continuing his program of contacts and visitations. Our goal is to meet the long-range needs of Barratt's Chapel, museum and archives - including increased staffing, expanding outreach and enhanced educational programs to serve both the community and the conference.
3. We will continue to support local church historians and their projects. No local church histories were received in 2002, but the Commission continues to support these project and welcomes inquiries.
4. Although our program of special services has been reduced, two traditional services were held:
  - A. The Anniversary Service was held in November with the Rev. William Hemphill presiding. Senior pastors in the conference were honored.
  - B. The annual Christmas Carol Service was held in December with the Felton United Methodist Choir featured. Barbara Duffin, lay speaker from Felton UMC, presided.
    5. The Barratt's Chapel newsletter with updates on events at Barratt's, publicity about upcoming events and opportunities are an ongoing project.

Two newsletters were produced and mailed.
    6. A history of the earliest ordained women in the conference is in the planning stages.
    7. Friends of Barratt's, whose goal is to support Barratt's Chapel and its mission, was formed, with the Rev. Leroy Jones as chairperson. The first annual dinner meeting was held at Wesley Church in Dover March 15<sup>th</sup>.
    8. The Land Acquisition project fund, designated for the purchase the land in front of Barratt's, now owned by the Cemetery Association, and the removal of the unsightly farmhouse now standing there, has about \$35,000 to date (March 2003). At this point another \$35,000 is needed to complete the deal. In March, Bishop Peter Weaver sent a letter to persons interested in the past and future of Barratt's stressing the importance of this project.

#### SIGNIFICANT EVENTS

1. Bishop Peter Weaver is in the process of forming a blue ribbon committee to formulate and implement strategies to increase the endowment and development funds for Barratt's. In the process, goals will be revisited.
2. Barratt's Chapel was named one of the Conference Advance Specials, and under that designation, will resume an active capital campaign.

3. The Revered Robert O'Kelley Wallace has announced his retirement as Development Officer for Barratt's, and the Commission is in the process of planning strategy and revisiting goals to be instituted after his departure.

#### 2003 GOAL CHANGES

1. Goals 1, 3, 4, 5, 6, 7, 8 remain the same
2. The Commission on Archives and History will support Bishop Weaver in his efforts on behalf of Barratt's Chapel.
  3. Replacement of Robert O'Kelley Wallace. The possibility of a permanent staff member to continue and enhance Barratt's goals and mission, as well as its development efforts is being explored.
  4. After attending the Small Museum Conference in March, members of the Commission are exploring grant writing possibilities, as well as expanded programming, including the possibility of linkage with other museums in the general area.

#### The Philadelphia Area Committee On Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. Meeting at least four times a year with Bishop Weaver, the functions of the Committee are:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to assist in the determination of the episcopal needs of the area;
- d) to make recommendations to appropriate bodies.

The Philadelphia Area Committee on Episcopacy has, for example, highly recommended the continued employment of a half-time Assistant to the Bishop in order to:

- support the Bishop in doing research, correspondence, and other administrative matters;
- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and function of the episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making

We achieve this through a yearly performance evaluation of the Bishop, to report needs for episcopal leadership to the Jurisdictional Committee on Episcopacy through the duly-elected conference members of that committee.

In addition to our regular, yearly evaluation of the agreed upon goals with Bishop Weaver, our committee spent considerable time in 2002 completing the evaluation process requested by the Jurisdictional Episcopacy Committee to prepare for the 2004 Jurisdictional Conference and the assignment of Bishops to episcopal areas. The evaluation of each Bishop provides important information of the gifts and strengths of each Bishop. A profile, describing missional needs of each Annual Conference, will be completed in 2003 to assist the Jurisdictional Committee in matching the gifts of a Bishop to the needs of each episcopal area. Jonathan Baker and Darlene Webb serve as members of the Jurisdictional Committee from the Peninsula-Delaware Conference along with Michele Wright Bartlow and Daniel Betancourt from the Eastern Pennsylvania Conference. Bishop Weaver will complete his eight-year term of service within the Philadelphia Episcopal Area in 2004.

We are grateful for the financial support of our Conference, which provides for the part-time Assistant to the Bishop, enabling Bishop Weaver to give leadership to the almost 1000 churches in our area, as well as to his important work in the General Church.

**Board Of Lay Ministries**

The purpose of the Conference Board of Laity (in part) as noted in "*The Book of Discipline of the United Methodist Church 2000*" (p. 629.2) is as follows:

- To foster an awareness of the role of the laity . . .
- To develop and promote stewardship of time, talent, and possessions.
- To provide for the training of lay members of annual conference.
- To provide support and direction for the ministry of the laity . . .
- To provide organization, direction, and support for the development of local church leaders.

**STATEMENT OF GOALS FOR 2002**

1. The Board of Lay Ministries will use every opportunity to educate and empower laity to walk in the ministry to which God has called them.

**Result:** Members of our board are constantly provided with opportunities to educate and empower the laity and they are proving to be successful in their efforts.

2. The Board of Lay Ministries will continue to seek new courses to appeal to the many varied ministry areas in our Conference. While working toward this goal,

we will be sensitive to promoting concern for representation of different cultures on our district boards as well as our conference board.

**Result:** A new course for United Methodist Women was presented this year by our board president, Arelela Cray. This was presented on every district with good attendance. There were also courses especially for our youth at some of the district academies.

3. The Board of Lay Ministries will work to improve the quality of our communications within each district, thereby improving total conference communication.

**Result:** With e-mail being used by a larger number of our laity as well as clergy, communication has definitely improved. We keep an updated directory of conference board members, with a copy for each district as well as the conference office.

4. Board members will work together to be more visible and accessible throughout the Conference.

**Result:** A letter was mailed to Pastors and Lay Members providing information on how to get in touch with board members in order to receive a visit during a worship service. There are already several visits on the schedule, with September being the month planned for a larger number of visitations.

#### STATEMENT OF GOALS FOR 2003

1. Implement teaching of the new "2001-2004 Guidelines" within each district, as well as providing Conference wide training.
2. Use every opportunity to encourage using the resource "Steps Toward Wholeness: Learning and Repentance" to be used as an educational tool, promoting dialogue among cluster/Mission Areas, which would also promote ongoing dialogue.
3. Continue to look for new courses for the "academies" that will meet the needs of as many of our laity as possible.
4. Continue mentoring of youth in our Conference.

#### STATEMENT OF GOALS FOR 2004

1. Continue to encourage inclusiveness on each district throughout the conference.
2. Encourage teaching of the "Guidelines" for each ministry area in the church, providing district as well as Conference wide events.
3. Use the Board of Lay Ministries to lift up different ministries throughout the conference.
4. Continue to visit in local churches as we are invited by clergy, encouraging laity in ministry and partnership with clergy.

#### INTERNAL GOALS:

1. Continuing to be intentional in our inclusiveness, remembering that there are many cultures represented in The Peninsula-Delaware Conference.

2. Challenging each member (conference as well as district boards) to mentor at least one (1) youth, other than their own, throughout the year; also encouraging them to bring that young person to at least one board meeting, thereby providing a "teaching moment" or learning experience.
3. Use every opportunity to empower laity in their mission and ministry, both as a conference board and as individuals serving on this board.

#### Highlights of Other Events

##### LAY SPEAKING ACADEMY

All four districts held academies, with two or more being held on each district. Several hundred completed either basic or advanced courses, with many being "certified" throughout the year. We are very pleased that so many returns each time an academy is offered. We have several from other denominations and churches attending with very positive responses.

##### DAY APART

We were very pleased to have the Eastern Pennsylvania Conference Lay Leader, Lenora Thompson, facilitate a workshop for us entitled, "Identifying Resources for Ministry." Ms. Thompson did an exceptional job as she challenged us to educate our congregations concerning financial resources that are available to the church for mission and ministry.

##### LAITY/ CLERGY BANQUETS

The Annual Conference Laity/Clergy Banquet was held in May at the Modern Maturity Center in Dover. Mr. David Burke, Director of Young People's Ministry, was the guest speaker. He delivered an exciting message to the approximately 250 clergy and laity gathered there. Kevin Goodwin, one of our Conference Missions Resource people also shared his now famous "two minute" missions special. There were also individual district banquets celebrating special ministries by the laity throughout the church.

##### Closing Statement

As your Conference Lay Leader, I look forward to every opportunity to meet each of you and talk about the LORD and the Church and the vision we share for what God is doing presently in the Church. I am always excited to see your energy and enthusiasm for ministry. I am deeply appreciative, not only of the efforts of our conference board members, but district board members—even as I visit in local churches the work of the laity is always evident. But there is much to be done—indeed, I am reminded of what Jesus said in Matthew 9:36-38 (*The Message*)—"When he looked out over the crowds, his heart broke. So confused and aimless they were, like sheep with no shepherd. 'What a huge harvest!' he said to his disciples. 'How few workers! On your knees and pray for harvest hands!' Just like Jesus, as I stand looking outside the church, I see an enormous number of people, who are confused, broken and hurting. They are in need of a Savior—they must be able to see Jesus in us. It is time for us to rise from our comfortable pews to do things in the name of Jesus that are neither comfortable nor convenient. Let us continue in the harvest and pray for more "harvest hands."

### Wesley College

#### Review of 2002 goals

(Note: a table delineating Wesley's goals is appended to this document).

**Goals:** "Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the college, including Boys and Girls Club members. Continue to provide a strong ministry of hospitality to all students through providing a quality, values-based education."

**Status:** Wesley College provides a strong ministry of presence and hospitality to all students. Many students' first contact with the United Methodist Church and even with Christianity is through Wesley College. Our ministry with international students is nurtured primarily by our Director of International Affairs, but hospitality is provided by all facets of the college community, including faculty and staff members. International students are allowed extended housing options, have a special kitchen in the International House and have opportunities through the International Student Association. Through their talent show and other events on campus, the international students have provided a vibrant ministry to the rest of the campus as well. Many of our students are from unchurched or nominally churched backgrounds. The requirement of one religion class is often their first formal study of religion—a study few would undertake were they not enrolled at Wesley. Evangelistic efforts through Gideons Bible distributions free distribution of the UM published "Orientation" magazine and an informal, non-threatening chapel service continue the pattern of outreach. Wesley's value based education, requiring standards for communal living in the residence halls, standards for sportsmanlike behavior in athletics and constant ethical inquiry and debate in the classroom is a witness in and of itself.

**Goal:** "Provide religious programming as meets the needs of a diverse population of young adults. Reach student populations through non-traditional means such as internet magazines and contemporary worship."

**Status:** Religious programming is diverse and student need based. Chapel services are planned with students as the primary audience. Indeed, students are frequent speakers at these services. Contemporary services were attempted in January-March of 2002, but abandoned due to lack of participation. Student subscription to the UM sponsored young adult "MethodX" (an online magazine) is high, and response is quite good. A contemporary Christian concert by singer Tracey Howe is scheduled for March.

**Goal:** "Actively pursue opportunities for whole campus participation in serving the community. Integrate service into the classroom with more service-learning courses, continue to expand and develop the CTA program."

**Status:** Campus participation in community service continues to swell. Individual students participate in projects, and clubs, Greek groups and teams have also joined in. Campus drives for canned goods, blood, children's books, clothing and even cosmetics and soda tabs have all been highly successful. Service learning is pocketed but successful. Education, physical education and nursing classes have all seen the value of integrating service into the classroom. The sciences and humanities have not yet joined the throng, but a faculty committee is studying the possibilities. The CTA (consider the alternatives) program is highly successful. Trips were scheduled to Memphis, TN (volunteering at St. Jude's Children's Research Hospital), Washington, DC (volunteering with several homeless shelters), Florida (two separate trips to Boggy Creek, a facility sponsoring family retreats for children with chronic illness) and Connecticut (the Hole in the Wall Gang Camp for kids with terminal illnesses). All trips were filled to capacity. Better, the majority of the students participating in each trip were new-comers, expanding the base of students who have experienced these life changing weekends and vacations.

**Goal:** "Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government, mentor students in value oriented leadership and Christian principles of government, expand opportunities for service beyond the local area through service trips, and study-abroad opportunities, such as those sponsored by the United Methodist Church."

**Status:** The leadership opportunities afforded by a small church related college is many. Students have opportunities to serve as club officers, team captains, trip leaders, and student government officers. The Department of Student Activities sponsors a fine leadership development program. Participants in this program gain additional skills in conflict resolution, team building, and ethical decision making. The residence life program also offers select upperclassmen and women the opportunity to take a major role in shepherding the lives of persons living on their floors. These students undergo a long training process, which includes many of the same skills. Residence life staff also participates in Camp Pecomoth's ropes course, building leadership through experiential education.

**Significant events, accomplishments and challenges:**

Wesley College began its 2002-2003 academic year with full enrollment and high hopes. The existing programs continue to produce. The service trips have all been filled to capacity and have included a wide variety of student participants. United Methodist Scholarship programs are more competitive every year, as more and more United Methodist students are realizing the value of a church-related education. The chapel program improves in quality every year. A challenge continues to exist with scheduling services, so as to allow maximum student participation. A few significant events are worthy of note:

First, chapel services at Wesley have become a major tradition. The sanctuary has been filled to capacity (and in some cases beyond capacity) for events such as the September 11 anniversary service, Thanksgiving and Christmas services, and Baccalaureate.

Second, the college students have taken a very active role in the life of the local community. Our Make A Difference Day project involved over 60 students in volunteer work at the fire house, local schools, food bank, and in home repair. Similarly, Special Olympics Delaware's winter games involved over 60 Wesley volunteers. The blood drive—a first in several years—produced over 60 pints of blood. Perhaps more significantly, however, students have begun to wrestle with their role in the life of a local community as neighbors.

Indicate any changes to 2003 goals.

### Board Of Ordained Ministry

The Board of Ordained Ministry has as its primary tasks the recruitment, nurture and examination of candidates for ordained ministry and the continual nurture and care of all ordained ministers. The Board is made up of lay persons and clergy persons, deacons and elders, associate members and full members, and a representative from the Cabinet.

In addition to the primary work listed above, we celebrate these highlights for the year 2002:

- The standing committee on Clergy Sexual Ethics made tremendous progress in their goal of educating the conference on our Sexual Misconduct Policy. A care team was established and trained, they met with the Bishop and Cabinet, and are in the process of holding training sessions on every district for clergy and lay leadership.
- A standing committee on Probationary Care was established. Since a three-year probationary period was established, more oversight, care and guidance was needed for our probationers. The committee is in the process of revamping the entire probationary period to be more sensitive to the needs and desires of the probationers.
- The Clergy Family Assistance Fund, administered by our Clergy Support Systems standing committee, continues to provide financial help to clergy in extreme financial distress. Since the fund was established a number of years ago, countless pastors have received assistance, and the total funds disbursed have been considerable. All of the monies are donated by the conference clergy during the Clergy Session each June.
- The Enlistment and Recruitment Standing Committee has been working hand in hand with other conference personnel to create recruiting videos - in particular to reach young persons. In addition, seminary visits have been taking place, and a youth rally presentation was held.
- The Conference Relations Committee took steps to ensure that those in special relationship to the conference would have ongoing support. Each person on a leave of absence was provided with an accountability/support team.
- The Orders (Elder, Deacon, Associate, Local and Student Pastors) had a fellowship gathering at Shad Landing in August. Those in attendance had a great experience together. More events are currently being planned for the gathering of the Orders.
- The Board voted to require all probationers to participate in a "Healing the Wounds of Racism" retreat sometime during their three year probationary period. The Board will work with the Advocacy Resource Team toward fulfilling this goal.
- The Board continued to give as much scholarship money as possible to all of our students. The total for 2002 was just over \$60,000!

We add to our previous year's goals that of increasing the membership of our Wesley Club, especially since five of our members will be graduating college. We also will be looking to fund raising.

Homer W. Minus  
Chair

Wesley Foundation  
University of Maryland Eastern Shore

This has been a wonderful spirit-filled year. I am grateful to our Wesley Foundation-UMES Board of Directors. Many thanks to the Chair, Dr. William Pender, for the leadership he has given to the Board. I am also grateful to Jeffrey Pearson, president of Wesley-Foundation-UMES and to all of the students that make our ministry possible. I praise God for all that God has done to help us to live out our mission. I am humbled that God has called me to this ministry at this time in my journey of faith and pray I will be faithful to this task.

Goal 1

**Identify and provide nurture and support for the Christian community on the UMES campus.**

One of the greatest gifts I can give to the UMES campus is the gift of "presence". The longer I am in this appointment the more I am sought out by persons who request a listening ear, prayer, spiritual material, etc. More organizations are inviting me to pray at campus-sponsored events.

This year we had two deaths from the UMES community. The Athletic Assistant Director had a massive heart attack while playing a pick-up game on the basketball court at UMES with some of the students. I counseled with both students and staff and participated in the Memorial Service. Approximately two weeks later a female student died in an automobile accident while crossing Route 13 onto UMES Boulevard. Another UMES student witnessed the accident. The Administration called me as part of the Crises Team to counseled with the staff, students and family members of the deceased students, including her parents.

The joys, sorrows, and disappointments of the students and staff of UMES are a daily part of the Wesley Foundation-UMES ministry.

**Goal 2**

**Provide opportunities for worship, fellowship and learning for "seekers" and "believers on their journey of faith.**

Wesley Foundation-UMES meets weekly for **Bible Study and fellowship**. We continue to have **Religious Emphasis Week** on the Campus. In the year 2002, the After School Tutoring Program students perform four mini religious plays for Religious Emphasis Week. Parents, UMES students, Metropolitan Members, and people from the community attended the play.

We sponsor **UMES Day** at Metropolitan United Methodist Church each year. Our speaker for UMES Day was Dr. Jackie Thomas, Interim President of the University of Maryland Eastern Shore.

This year two of UMES Wesley Foundation students were able to attend **IMPAC**, which is a Conference, held in Washington, D.C. for campus students across the country. This year they featured Fred Hammond.

**Goal 3**

**Provide opportunities for persons to express their faith through community service and other "acts of mercies".**

We continue to sponsor an After School Tutoring Program to assist students from the Somerset County Public Schools. There are 22 students in the program. The UMES students are tutors, coordinators, and mentors. We participate in Hands Across Campus program that offers fun activities for the students of Head Start Programs from Somerset, Worchester and Wicomico County. Our UMES students also are involved in blood drives, cancer relays, etc.

**Goal 4**

**Challenge and support those persons who believe they have been called into Christian vocation.**

We continue to make funds available for students to attend General Church and Peninsula-Delaware Conference sponsored events that help young people who are exploring a call to ministry. This year we sponsored two UMES students who attended the General Conference sponsored event.

The Conference Vision Statement states **"The Peninsula-Delaware Conference as the body of Christ will live out the ministry and teaching of Jesus Christ boldly, cooperatively and inclusively through life changing communities of compassion."**

Together as persons from various denominations and ethnic groups, we worship and minister in the community of Princess Anne and Somerset County. The commitment of the faith community of UMES is amazing. Never before have I seen so many young adults boldly proclaimed their belief in Jesus Christ and lived out

that belief in such creative and compassion ways. The statements under each goal are just some of the ways the students and staff have made a difference in the life of this community. The depth of growth that has occurred in the lives of persons Wesley Foundation-UMES has touched is Amazing Grace, for only God can give this kind of growth.

**Note:** UMES received a new President on July 1, 2002. Her name is Dr. Thelma Thompson. She is a Christian and professes her faith boldly. Wesley Foundation-UMES and Metropolitan United Methodist Church welcomed Dr. Thompson, her staff and the students to the community with a Reception held in November at Metropolitan. We are fortunate to have a President and a campus that honors its roots of Methodism and understand the need for a spiritual community in the life of a campus. There are many religious organizations at the University. I count it an honor and privilege that we are one of them. The funds we receive do make a difference. It frees us to witness and be in ministry. On behalf of Wesley Foundation-UMES, I wish to thank all of the members of the churches in the Peninsula-Delaware Conference for their faithful support to us.

### Goals for 2003

1. Identify and provide nurture and support for the Christian community on the UMES campus.
2. Provide opportunities for worship, fellowship and learning for "seekers" and "believers" on their journey of faith.
3. Provide opportunities for persons to express their faith through community service and other "acts of mercies."
4. Challenge and support those persons who believe they have been called into Christian vocation.

### Wesley Foundation Campus Ministry University of Delaware

#### **2002 Goals**

1. Educate the Peninsula-Delaware Annual Conference as to the vitality and significance of the Wesley Foundation Campus Ministry at the University of Delaware so we may continue to provide full-time pastoral leadership, opportunity for spiritual growth, and education for the entire university community.

We continue to make efforts to be in touch with local congregations.

2. Continue the active participation in community service projects and explore opportunities for mission work experiences.

We continue to fulfill this goal with local and national participation in mission outreach.

3. Support current and former students who are considering professional ministries as vocations, and provide training opportunities for future lay leadership within the church.

We provide opportunities for students to attend Exploration and the Student Forum as well as weekly experiences to develop their call to the ordain and/or lay ministry.

4. Promote within the student fellowship an awareness of social and societal issues and their relationship to the *Book of Discipline*.

In and through the love, grace, and guidance of God we have met this goal.

5. Continue to develop a relationship with ethnic groups, to provide ministry to international students and to foster Christ-like acceptance and respect for all God's children.  
We continue to be in dialogue with the Center for Black Culture, Hillel and Halo through gatherings and programming.
6. Provide outreach to the de-churched\* at the University.  
We continue to provide a safe place and spiritual guidance for students to explore their questions and doubts about the organized church.
7. Provide information about Wesley Foundation's ministries and programs to conference churches and to help strengthen the relationships between these churches and their campus ministry.  
We continue to make efforts in this area. Our new brochure, given by a generous donor, is available to all local congregations.
8. Encourage and support the liaison ministry between the religious community and the administration of the University.  
Our campus pastor continues to serve as the designated liaison from the religious community to the administration.
9. Seek additional means and methods of fund raising to maintain financial stability and security.  
The Board of Directors never ceases to explore and to do fund raising.
10. Foster development of the Board of Directors.  
We continue to make efforts in this area.

\*de-churched: those who have been nurtured by the church and have drifted away for various reasons

*What About God Now that You're off to College?*, a meaningful book for college students, asks that essential question. At the Wesley Foundation Campus Ministry we continue to ask this question throughout the students' academic careers. Our ministry is a vital part of campus life as we continue our Wesleyan heritage by our presence and our mission for The United Methodist Church, intergrading knowledge and spirituality through an intellectual, spiritual and material ministry to all God's people. A mission ministry of the Peninsula-Delaware Annual conference, hosted by the Newark United Methodist Church, we welcome the opportunity to share this past year's ministry.

The Board of Directors and students are most grateful for the entire spiritual, financial and in-kind support that the Newark United Methodist Church family provides. We wish to thank the pastoral and professional staff members for their support and inclusion of the students in the total life of the NUMC.

Spiritual growth continues to be the center for our ministry. The students worship with the NUMC family. Students have served as liturgists or communion servers. A highlight every November is the one Sunday designated as University Sunday. The students lead the entire worship service telling their story of the way campus ministry has enriched their lives. Our spring break Volunteer in Mission Trip to Lumberton, NC, is always the highlight of the year. This year ten students, one Board of Director member and the campus pastor were the team. We have shared in weekly theological discussions, Bible study, Covenant Discipleship Groups and interfaith worship services/vigils on campus. Committed to living our Christian discipleship, we continue our outreach ministry in love for the campus,

the community, and beyond. We have cleaned our designated highway, sorted food at Delaware Food Bank, yard cleanup, Habitat for Humanity, Delaware AIDS Walk, 5K against breast cancer, and impromptu projects as requested.

WFCM students, Katie Todd, Chad Robinson, Sam Wightman, and Sungano Ziswa attended the Student Forum in May, Billings, Montana. Heather Katen, Chris Burket, Sungano Ziswa, Sam Wightman and Chad Robinson attended the Northeast Jurisdiction United Methodist Student Movement retreat at Dickinson College, Carlisle, PA. Providing students with an opportunity to attend student leadership conferences is an essential ministry provided through campus ministry. In December of this year, Katie Todd, Sam Wightman, and Sungano Ziswa will attend Celebrate IV, a national ecumenical student leadership conference in Albuquerque, NM.

The student lounge provides a quiet, sacred space for the students to meditate, sleep, eat and study. Holding fast to our belief that social activities are an important part of our Christian fellowship and young adult life, we have shared in parties, sport activities, movie nights, eating, tailgating, concerts, hayride, plays and various other activities. Every semester during finals week, WFCM host a campus wide Midnight Breakfast. This past spring there were 378 students who came to NUMC at midnight to enjoy a study break with pancakes and all the side dishes. This very special ministry is co-hosted with the other members of the Religious and Spiritual Life Concerns Caucus. Food is a pivotal value.

As we look at the blessings God has given, we strive to be good stewards. Whether we are talking about our time, talents, resources (natural and material) learning to care for God's precious gifts can be a difficult issue. However, we continue to persevere.

It is an interesting and challenging time as students' struggle with many issues regarding their beliefs, values, morals and ethics. The presence of the church continues to be recognized by the administration of the University of Delaware. Yet the maintaining of a full time campus ministry is a challenge. The raising of funds to support our United Methodist presence at the largest academic institution within the boundaries of the Peninsula-Delaware Annual Conference is more difficult each year. The Conference found it necessary to cut the yearly allocation. This cut has necessitated the Board of Directors to look at additional fund raising projects. Before the cut in the yearly allocation, the Board of Directors had been sponsoring a monthly fundraiser because the allocation had not been increased in 14 years. With the actual cut in dollars, the Board needs to raise a significant amount of money to keep this Conference mission ministry in place. We continue to pray for energy and ways of supporting the campus ministry budget.

Even though student ministry is the primary focus of WFCM, it is not the only ministry. Our Executive Director/Campus Pastor serves as the designated Religious Liaison to the administration from the campus ministries. She continues to serve the campus community through committees and commissions: The President's Commission to Promote Racial and Cultural Diversity, the Campus Diversity Unit, the Christian Denominational Campus Ministries group, the University Religious Leaders' Organization, the Religious and Spiritual Life Concerns Caucus, New Student Orientation, Welcoming Diversity worship leader, the Robert Wood Johnson Building Responsibility: A Campus/Community Coalition, mentor for colleagues in campus ministry (locally and nationally), teaching in Women's Studies, guest lecturing in Women's Studies, Sociology, Student Athletes First Year Seminary, Delaware Discovery Days, Blue and Golden Days and Early Decision Days. Our ED/CP has created a booklet, "Student Resource Guide to Religious and Spiritual Life at the University of Delaware" that continues to be in high demand.

Our responsibility is to be the church. Our responsibility is to reach out with the Word and step out on the promises to nurture faithful minds for faithful service. Our responsibility is also our challenge. Through God's grace and the love of the community of faith, the presence of The United Methodist Church will remain on the campus of the University of Delaware. As I continue to serve in this vital and challenging ministry as the earthen vessel of God's grace, sharing in God's love, and trusting in all the promises of God, I pray for the church to remain faithful to our call to be in ministry to all God's people at the University of Delaware.

Higher education is a significant part of our Wesleyan heritage, our present task, and our future responsibility. ...its historic mission of uniting knowledge and vital piety...

### Young People's Ministry

#### Review of Goals...

**Youth Rally:** Our on-going goal is to always improve the quality and ministry of the annual Youth Rally. God definitely poured out His blessing on Youth Rally 2003 held January 10-12 at the Roland Powell Convention Center in Ocean City, Maryland. The blessing was the highest attendance ever with approximately 3700 persons! The highlight of the weekend event was national speaker Reggie Dabbs coupled with Christian music of all genres featuring: Sonic Flood, Yancy, Kevin Singleton, LA Symphony, Dogwood, Chris Stein and 4Given. The Adult Breakout sessions were increased as adult leaders had 5 options/elective classes from which to choose. Added features included a talent show, large inflatable games and crafts on Saturday afternoon. Please mark your calendar for next year's event, January 9-11 in Ocean City, Maryland.

**Confirmation Rally:** Once again our desire is to take our events to the next level especially with the intent of being user-friendly. Because of last year's attendance, this year we sponsored two confirmation rallies to meet the needs of churches in the north and south respectively. We had a Confirmation Rally north held at Middletown High school and Confirmation Rally south held at Seaford High School. The multi-cultural band, Unveiled shared a mini-concert and led praise and worship at both events. Bishop Weaver was the guest speaker and the climax was the Sandtown Choir, a group of children and pre-teens from Baltimore, Maryland. Approximately 1000 people attended these rallies.

**Spring Cleaning Youth Worker Training:** This Spring, the goal was to offer training for churches to begin/start/revamp ministry to Young Adults, especially focusing on the age level of 18-25. Six workshops were offered for FREE in various towns and churches throughout the conference. The office of a Young People's ministry was disappointed with the participation especially among pastors. This age level of Young Adults is entitled, "The Missing Pew Generation," and ministry to this all important age level is extremely weak in our local churches. Our desire is for churches to become intentional about reaching college students and persons who are beginning careers in their early 20's.

**Design Team/CCYM:** The Conference Council on Youth Ministry consists of 30 youth and 12 adult leaders, which plan and produce the on-going ministry throughout the calendar year. They covenant to meet together for 2-3 retreats and several all day meetings for praise and worship, spiritual growth; visioning, planning, etc...They also covenant to read 2 books together as well as prayer and other spiritual disciplines.

**On-Going Resourcing:** The director of Young People's ministry continues to offer training, workshops, and consulting on various topics related to youth and young adult ministry. Topics for the previous year included How to Have a Youth Ministry for 4<sup>th</sup>-6<sup>th</sup> graders as well as meeting the needs of individual local churches.

## Future Goals

**Youth Rally:** A numerical goal has been set to increase the attendance to 4200 people. Another goal is to offer some Christian living elective/breakout sessions for adult leaders in addition to the youth worker-training track.

**Confirmation Rally:** The goal will be to continue to offer 2 rallies, one in the north and one in the South. However, it seems best to have both of these events on Sunday afternoons as opposed to a Saturday.

**Spring Cleaning Youth Worker Training:** The goal for next year's training events will be: "How to Move from Pizza to Prayer in your Youth Group." Approximately seven workshops will be offered in various locations. A new dimension will be having a concert of prayer at each event.

**Design Team/CCYM:** The desire is to add more youth and adult leaders who have a commitment to Jesus Christ especially in light of the growth of events and activities.

**On-Going Resources:** The goal for this year is to train persons who serve as full time and part time youth directors to offer some training and consulting in their geographic areas.

**Internship Ministry:** A brand new ministry will be the use of volunteer interns during the summer and a hired intern during the fall to assist with the daily planning of the youth rally.

## RESOURCE DEVELOPMENT & MANAGEMENT TEAM

The Resource Development & Management Team is pleased to report that it has accomplished the majority of the goals and objectives set at the beginning of 2002. Specifically, the following goals have been accomplished:

The Resource Development & Management Team (RD&MT) was called to action on several items as part of the report from the Bishop's Summit on Financial Matters. Listed below are those items as well as an update on what action the RD&M Team have taken.

1. Stewardship - Deploy Broad Based Stewardship Training and Enhance Communications around Stewardship
  - The RD&MT have convened a broad task force to identify a stewardship training/education platform for the conference. Sub-teams are focusing on training for clergy and laity that are Biblically focused and directed at meeting broadly diverse needs. Stewardship messages are heard differently based on one's point in their Christian journey - training must highlight how to communicate on many different levels.
  - The Stewardship Task Force is meeting every other month to allow teams to work and is in the beginning stages of forming a defined platform.
2. Budget Reconfiguration
  - The Council on Finance and Administration has taken the lead on this task force with representation from the RD&M Team.
3. Utilization of Multimedia Communications
  - The Communications Task Force falls under the RD&M Team and has been working to identify methods of improving mass communications

within the conference. Work specifically on communicating budget matters has been waiting for the budget reconfiguration to be in place. Steps have been taken to support communications efforts regarding financial issues, including support of the Foundation's new newsletter, as part of their response to action called for in the Summit report.

4. Congregational Development Research

- The RD&M Team have convened a task force to look at gathering data on statistical trends within the conference and the physical conditions of facilities. This task force has just begun to meet.

The Task Force on Rent/Lease of Church Property is getting very close to translating their information into a series of guidelines that will be an addition to the ones prepared last year for church building programs. There are numerous legal details and forms of leases and the task force feels strongly that there needs to be legal counsel available for churches to use as they go through the leasing process. This will continue to be researched.

The Conference Sessions Task Force continued to meet thru 2002 and are identifying possible locations for annual conference throughout our conference area, the associated costs of housing and meals. This could be used as a resource for site selection for future conferences. This task force is also looking at the issue of costs for retirees attending conferences. RDM Team manages the budget item for Conference Sessions Expenses

The Policy Book Task Force has completed its review of the journals and has identified 12 policies to be included in the policy book. They are now working to confirm that those policies had not been amended since approved by annual conference.

**Board Of Pensions**

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meets at least 5 times a year.

The Board must report that after a year when the cost of health and dental insurance rose very little, the cost of the health and dental insurance for the year beginning July 1, 2003 will increase by approximately 24%. Because an increase of this magnitude is believed to be beyond the ability of the budgets of the Annual Conference and its constituent churches without negative impact on established ministries, the Insurance committee of the Board of Pensions has been working on a plan to redistribute the cost of providing health benefits. A package of Resolutions is being presented to the Annual Conference. The proposed schedule of billing to churches and participants, effective January 1, 2004 is included in the package of resolutions

Pursuant to a resolution passed at the 2001 Annual Conference, the Board, in consultation with its insurance consultant from Marsh, Inc., continues to evaluate the efficacy of self-funding of the health plans.

#### Accomplished Goals

1. The Insurance Benefits Committee continues to examine the current benefits and look for ways to improve the Conference insurance coverage.
2. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and introduced the newly retired
3. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
4. A recommendation for the Past Service Rate for the year 2003 has been determined and will be presented to the Annual Conference for approval.

#### 2003 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy, and retired lay Conference staff will occur in 2003.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2004.
4. The Board will participate in conference efforts to begin to address the issue of the unfunded liability for retiree health benefits.
5. The Board of Pensions will continue efforts already begun to develop, if possible, alternative ways to provide and fund health benefits.

#### Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.

#### Commission On Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the discipline (para 622.2) with three broad areas of responsibility. These are "(1) recommending conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations." The Commission is responsible for the development of a schedule of minimum base compensation. The administering of funds includes funds used as base compensation supplements, funds granted to ethnic minority pastors in recognition of meritorious effectiveness, and funds used for new church development. The commission may also respond to other issues impacting clergy support such as housing, professional reimbursements, allowances, benefits, travel, social security allowances, and moving expenses.

The 2002 Equitable Compensation Commission Budget was \$125,000. Funds expended in 2002 totaled \$146,964.57. This was made possible due carryover funds from the previous years. As part of this report, there is attached a list of the churches and/or charges receiving assistance in 2002.

If you are new to your Pastor Parish Relations Committee or concerned about what you should or could be doing to help your pastor, please feel free to pick up a copy of our brochure entitled "Guidelines for Pastor's Compensation".

#### Recommendations

1. The Commission makes the following minimum salary recommendations for 2004:

Full Member	- \$27,430
Probationary Associate & Commission Member	- \$24,880
Full-time Local Pastor	- \$23,180
Student Pastor	- \$20,230*

\*unless a smaller figure is agreed upon by the district Superintendent, student and charge.

Service increments will be \$135 per year up to a maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2004 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that Pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

#### Communications Area

The Communications Area worked on several issues brought to them from the Cabinet and individual conference members/churches. The Communications Coordinator continues to sit on the Resource Development and Management Team as a voting member and reports to them concerning the Communications Task Force activities.

The Communications Task Force partnered with Rev. Bo Gordy-Stith for 13 video projects throughout the course of 2002-2004 with the first project a video (available on CD, DVD, and VHS for recruitment of pastors at seminaries across the country. The video will be available for recruitment visits by representatives of the Board of Ordained Ministry as well as being mailed to seminaries we currently do not actively recruit from.

In 2002 the Communications Task Force research the possibility of a formal Communications Audit for the Annual Conference, which would be performed by an outside source, recommended and monitored by United Methodist Communications (specifically the Communications Resourcing Team) in Nashville, Tennessee. The decision was made to wait until after the 2004 General Conference due to the leadership changes that will be taking place on the Annual Conference and Episcopacy levels. The estimated time of the audit now has been set for 2005.

The Annual Conference actively participated in the Igniting Ministry Campaign again in 2002. In September, local television commercials aired on the local CBS station out of Salisbury/Dover as well as local cable stations throughout the rest of the annual conference viewing area. Bishop Weaver also proclaimed September 2002 as "Open House Month" at the Annual Conference in June. Billboards were also utilized for the campaign effort. Entitled "Igniting Ministry," the campaign includes television and radio commercials, newspaper and billboard advertisements, direct mailings and banners for local churches as marketing tools.

The campaign has also provided useful information and training for local churches to sharpen their skills in the areas of welcoming and hospitality.

The official web site of the conference continues to improve and expand. The site now includes an expansive area for the clergy of our conference as well as an area for the Board of Laity. The Percept information with links was also recently added. A "What's New" section is now in place to inform members and visitors of the site information that may need to be communicated in between the printing of the Conference newspaper and during the months of July and August when they paper does not print locally.

The first phase of the Crisis Communications Plan is now in effect. Each church now has a crisis plan and emergency contact information from their District Superintendent.

The Communications Task Force is working on the communications survey and it is expected to be mailed out in September/October of 2003 to all churches to check the status of where our brothers and sisters are in terms of technology, worship, etc. as it pertains to communications.

#### Board Of Trustees

The Conference Board of Trustees, as a corporation, is primarily charged with handling property matters of the Conference. This consists of holding title to the properties of the Conference; administration of endowments and bequests; and disposition of abandoned and discontinued church properties.

In 2002 the Board welcomed two new members, Charles Martin and Ellen DiCinto. We are indebted to the faithful work of all the Board, with special thanks to Laura Martin who graciously recorded detailed minutes and to Bill Westbrook who guided the Board in the numerous details of the status of past and present properties.

During the course of the year the Board received 2 new properties; sold or transferred 1 property; and is currently responsible for 5 properties. The Board has also reassumed responsibility for maintenance and sale of District Parsonages in cooperation with Conference Finance and Administration.

Unfortunately, the work of this Board continues to grow as congregations and church buildings grow older, and as the needs of community change. A growing concern the Board is currently addressing is the acquisition of abandoned churches with cemeteries.

It is the hope of this Board for 2003 to develop an improved tracking system for properties that it is currently responsible for, as well as potential properties on the horizon. And it is certainly the goal of this Board to use proceeds of funds secured in light of the mission and goals of our Annual Conference.

#### EASTERN PENNSYLVANIA-PENINSULA UNITED METHODIST FOUNDATION

The past year was certainly full of many ups and downs, particularly in the stock and bond markets, but aside from investment worries, 2002 was a good year for the Foundation. In 2002 churches and donors entrusted us with an additional \$2.8 million in new assets to manage and administer. Of that amount over \$250,000 were gifts structured by individual donors to benefit their church and/or programs of the conference. In total over the past two years we have now structured more than \$450,000 in gifts from individuals! We established 16 new relationships with churches and individual donors, bringing the total number of accounts we manage to over 140. Throughout the year we had 95 meetings with churches on topics ranging from investment management of assets, creating endowment funds and general stewardship, including 11 planned giving seminars. In addition the Foundation was one of the co-leaders, with the Office of Leadership Development, of the three conference wide Stewardship of Giving Workshops. We were delighted with the strong attendance at the workshops and the valuable information provided by Dan Dick from the General Board of Discipleship.

The investment markets gave all of us difficulty throughout the year as we watched the S&P 500 Index drop 23.4% from the beginning of the year, giving us 3 years of negative stock market returns in a row. The stock market has not been down 3 years in a row for more than 60 years! The Foundation took comfort in the fact that we are conservative investors, with most accounts invested 50% in stock and 50% in bonds. The bond market posted a third straight year of strong gains and the Foundation's bond investments were up 8% for the year. Although, like most investors, our stock investments were down, we also took comfort in the fact that our stock funds performed 2% better than the S&P 500 Index. Our new Short Term Investment Fund, designed to offer a yield better than a 2 year CD with minimal investment risk, has performed well, yielding 4% on average and brought many of the new relationships to the Foundation. While churches invested with the Foundation received better than market performance, we are well aware of

how difficult it has been for churches to see their investment balances reduce. We continue to keep our portfolios conservatively invested, and fully expect to see brighter markets ahead. The economy, in fits and starts, is on a path of improvement and the markets will over time move in tandem with economic improvement. The possibility of war dampens our outlook somewhat, and the sooner the situation with Iraq is resolved, the better off the markets will be.

The Foundation's goals for 2003 include adding \$3 million in new relationships with churches, \$100,000 in new planned gifts with individuals and a continued focus on delivering investment management performance that exceeds broad market indices. We continue to be focused on the needs of local churches and are open to hearing from you about the financial advisory resources you need! #### PENINSULA UNITED METHODIST HOMES, INC.

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conferences do not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted June 12, 1985).

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware, all continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities serve approximately 1,300 residents and employ approximately 900 people.

**Mission Statement:** Adopted November 16, 1999, the PUMH Mission Values Vision statement reads:

"PUMH is committed to fostering an exceptional quality of life and promoting fitness, health, wellness, and security for older adults we serve. In keeping with our religious tradition, we will help them meet their changing needs compassionately and with dignity. Through our stewardship we will ensure standards of excellence in our communities and the services we provide.

**Our Values:** caring, diversity, excellence, integrity and trust.

**Our Vision Statement:** Our approach will be bold and our passion will be unparalleled.

We will have the courage to change and the determination to lead. Our methods will be innovative. We will communicate with, listen to, and learn from our associates and those we serve. Our principles will assure success."

#### Cokesbury Village:

The Cokesbury Marketing team gave a presentation to the Resident Council and the Master Planning Committee on future trends, marketing strategies and area competitors. Based on trends and market research, the committees unanimously agreed that Cokesbury Village should take action on combining multiple efficiency accommodations into two-bedroom apartments. Plans are currently being developed with SFCS to redesign available space on the A level of the north wing.

#### Methodist Country House:

The Country House underwent a dramatic change this past year. After months of construction, a new Main Street area was created along with six new apartments with patios and balconies overlooking Pigueron gardens. In addition, construction on a new apartment building called Kennett Woods began and is scheduled for completion in the fall of 2003. Both projects were well received in the marketplace and all the units were pre-sold.

Many months of design planning took place to create a new memory enhancement wing for the Country House. A 14-bed unit will contain an interactive kitchen dining area in addition to a large programming space designed around a streetscape. Residents will enjoy private homelike rooms and have ample space for walking in a secure environment. A new outside screened porch and memory garden will be added. Work is scheduled to begin in July 2003. The architectural group SFCS from Roanoke Virginia designed this project.

The interior hallways of the Country House health center received a facelift with new trim work, wallpaper, lighting and carpeting. Each hallway became a neighborhood with its own pastel color scheme, making it easier for residents and family to identify. The second phase of this project will be to create new neighborhood dining rooms with the addition of a screened porch overlooking the courtyard.

#### Methodist Manor House:

In the fall of 2002 Manor House began a construction project that will completely renovate the lobby and administrative area. A new Towne Center housing the bank, gift shop, activity room, country store, and beauty salon will be constructed. New lobby seating areas will be created and the adjacent library will have new lighting, paint and carpet.

The second part of the construction will entail renovating the last 14 studios into six additional assisted living apartments bringing their total to 28 in the Cunningham Suites area. A new assisted living dining room will also be created to accommodate 40 residents within the assisted living area. The architectural firm, SFCS, from Roanoke, Virginia, has designed the project and Gillis Gilkerson, from Salisbury, Maryland is the contractor.

In addition, 20 additional independent units in the Bethel Wing will be converted to assisted living. The project will take place in two phases with 10 units being licensed in March and the remaining 10 in August 2003. This expansion will meet not only the needs of the residents at Manor House but will also meet an external market demand.

To enhance the independent dining experience, buffet service will be offered. New carpet, paint, window treatments, and seating will add a fresh look for independent diners.

#### Heron Point of Chestertown:

Heron Point continues to be a very attractive destination community for individuals from a wide area of the country—22 states to be exact. Occupancy remained at 98% this year.

Several new initiatives highlighted our progressive and innovative community. The casual dining venue called "Skipjack" received a major facelift and expansion. The nautical theme was enhanced through redecorating and capacity increased by 40% from reengineering unused space. Other cosmetic enhancements occurred in the popular "game room" and the corridors.

A community wide ethics committee was established under the direction of Washington College's religion and ethics professor. This is a pioneering effort to

develop a multidisciplinary community ethics committee consisting of representatives from Heron Point, Kent and Queen Anne's Hospital, Magnolia Hall Nursing Home, Chestertown Rehabilitation and Nursing Home, Kent County Hospice, and the Home Health Agency.

A new 25,000 square foot social model assisted living building is in the development phase. The unit, which will be contiguous to the current building, will provide state-of-the-art spacious apartment suite living for residents who require some assistance with the activities of daily living. A dining room, beauty shop, library, garden and common area will be an integral part of the new luxurious space. Occupancy is planned for 2005.

Other activities:

The PUMH marketing and communications department at the Corporate Services Office focuses on providing innovative and informative materials for use by the four communities to support their marketing efforts. A communications manager was hired recently to provide PUMH with the ability to expand its line of communication tools and obtain the highest quality in a cost efficient manner. New brochures, direct mail pieces, invitations, ad campaigns and display materials have already had a positive response from the marketplace.

PUMH continues to provide major support for the Parish Nursing Program. In the past year, PUMH has contributed over \$30,000 toward Parish Nursing expenses (salaries and reimbursables) and continues to provide accounting and administrative support. PUMH is committed to the Parish Nursing Program and its affiliation with the Health Ministries Association.

All PUMH communities invite public participation in events teaching health and wellness in aging. The first annual Cokesbury Village 5k race (April 20, 2002) and health fair was very successful.

Residents of all PUMH communities volunteer extensively in their surrounding communities, many of them serving at local hospitals and other social service organizations.

Benevolence Funds:

The PUMH Foundation, Inc., incorporated in November 2000, is the philanthropic arm of PUMH, supporting its Mission, Vision, and Values. By establishing the PUMH Foundation, Peninsula United Methodist Homes, Inc., has taken a bold step toward securing the future. The Foundation's emphasis will be to provide endowments and programs that offer expanded opportunities for older adults. We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH. We project that PUMH residents will need \$413,000 in benevolent assistance during the PUMH fiscal year May 1, 2003 through April 30, 2004. Contributions to the PUMH Benevolence Fund enable us to assist those people whose income no longer covers the cost of care.

PUMH OF MARYLAND, INC.

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc., owns Heron Point, a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Currently, nearly one hundred of the Heron Point residents are enrolled in "tuition free" courses at Washington College, or teaching there.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. The market has responded positively to the services and amenities package at Heron Point and the occupancy has steadily risen above 90%.

Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

#### STRENGTHENING THE BLACK CHURCH FOR THE 21st CENTURY

The responses of the local congregations to the initiative of Strengthening The Black Church have been phenomenal. As an example on one occasion, we were expecting thirty persons; nearly sixty persons showed up Saturday morning for a workshop. The vision is to help the conference recapture the dynamic life of the early church as exemplified by the early Methodists for our time. (We earlier identified three major areas of focus for this ministry, namely, spiritual formation, human empowerment through training and equipping, and stewardship.)

There are four stages we established in working with the churches:

- 1) Building relationship and confidence in working with the director.
- 2) Emphasizing the need for strong spiritual foundation.
- 3) Training in evangelism, mission and outreach.
- 4) Emphasizing unity in diversity in the conference.

Specific objectives for stages 1 and 2 are:

- i) Visit with pastors and local churches to listen and learn.
- ii) Help pastors make prayer a vital aspect of their daily lives.
- iii) Assist pastors infuse new life in their congregations through spiritual disciplines and training.
- iv) Help pastors nurture relationship and connectedness among each other and among church members.

This year the focus has been on evangelism and leadership. The workshops are bearing fruits in tremendous ways. Up to date, we have conducted 40 workshops with a total attendance of 936 participants. Volunteers have now joined us in conducting leadership workshops.

We continue to meet regularly with the pastors on the four districts and contribute articles bi-monthly to the Communicator for strengthening the churches, along with providing resource materials to all new pastors.

#### 2004 Goals

- 1) Equipping pastors for effective discipleship
- 2) Equipping laity for effective leadership in various offices in the local church
- 3) Producing a training video for pastors

#### VISION TEAM

The Vision Team is the policy-setting and decision-making body for the Annual Conference between conference sessions. It ensures that the ministry and mission of the conference is consistent with our Vision, Mission, and Core Values. We are happy to report that the Vision Team has worked hard to adjust and live into the new relational design. It has taken time but this group has begun to gel and work together in ways that are effective in carrying out it's task as described in the relational design document.

The Vision Team has made great strides in coordinating with District Mission Area Chairpersons. The co-chairpersons of the Vision have met with them once. We hope to meet on a bi-annual basis. These District co-chairpersons have assured adequate Vision Team representation and they have committed persons to represent them on the Vision Team.

A Vision Team Retreat was held in September of 2002 in which we were able to do some visioning and goal setting.

We participated in an on-site review by the General Commission on Religion and Race and sponsored by the Advocacy Resource Team.

We worked with the Commission on Finance and Administration to develop a policy for the use of carry-over funds and groups with budget shortfalls.

We presented a 2004 program budget recommendation to C.F.&A., which contained zero cuts in programs and we were able to recommend increases in areas in which it was warranted.

We are working to move Connectional Ministries to appropriate District Mission Area Councils and Resource Teams for better accountability. During this transition the Vision Teams recommends that they remain at the same funding level.

We added to the budget line for District Mission Area Ministry projects.

We developed a process to assess our core values by featuring several of them at each meeting.

The Vision Team added support to the Leadership Development Resource Team in sponsoring the Adam Hamilton Seminar in March 2003.

The Vision Team is committed to finding effective avenues to promote, coordinate, implement, and evaluate the Relational Design Model for our ministry in the Peninsula-Delaware Annual Conference. We greatly appreciate the efforts of Rev.

Dr. J.T. Seymour for guiding our work and for LaWanda Magill for her hard work and support.

#### 2004 Goals

Under the direction of the Holy Spirit, the Vision Team will challenge and lead the Peninsula-Delaware Annual Conference to live selflessly as Jesus taught, demonstrated by:

- Effective spiritual and disciple making.
- Passionate commitment to and involvement with local, conference, and global missions.
- Strengthening of the District Councils through education, communication, and coordination.
- Continuing support of the Resource Teams.

#### Methodist Action Program

"Creating Communities of Compassion Through Christian Faith in Action" is the Methodist Action Program's vision statement. Adopted in 1966, this statement expresses an understanding of the ministry and the mission of M.A.P. that is becoming more and more evident. It provides insight into the three historic reaffirmed components of the Mission Statement.

"Helping individuals, congregations and communities,

- Meet human needs,
- Promote positive social change,
- Facilitate Church development through the transforming power of Jesus Christ."

#### **Meeting Human Needs**

Every congregation in our Peninsula-Delaware Annual Conference encounters members of neighborhoods, who have pressing human needs, practically every church reaches out in one way or another to help.

For thirty-seven years, M.A.P. has directed a major part of its effort at alleviating basic human needs. The programs have changed over the years and kinds of help provided have varied. Information, referral, food and housing assistance, clothing, loving attention, and the Gospel of Jesus Christ have always been offered to the limit of resources to all persons in severe need. During the past year, M.A.P. has sought to meet human need through the following programs:

#### **Old Asbury Homeless Ministries**

The homeless problem in the lower business district of Wilmington came to the attention of the Methodist Action Program because of our ownership of the Old Asbury Church building at 226 S. Walnut Street, Wilmington, Delaware. Agencies and programs needing space to minister to the many homeless and hungry in that geographical area have requested M.A.P.'s assistance to help alleviate these problems. The projects housed in the Old Asbury Church building are clearly separate programs serving different aspects of homelessness. Alone, each does important things for the homeless-together, via coordination meetings and individual consultations, they begin to focus homeless people's attention and energy on new life and on a more wholesome lifestyle. The following are the individual ministries that together comprise the Old Asbury Homeless Ministries:

- **Emmanuel Dining Room**

In 1980, the Ministry of Caring located its Emmanuel Dining Room in our facility. The Old Asbury Church building has been serving nutritious meals every day of the year, with dignity, without question, and at no cost to persons in need. Through this program, people who are hungry can eat one good meal a day, seven days a week, fifty-two weeks a year. Last year, 58,598 meals were served to those in need. M.A.P. provides space and utilities without charge for this ministry. M.A.P. has also encouraged United Methodist Congregations throughout the county to support this vital ministry. The Emmanuel Dining Room depends upon the continued ecumenical support of religious and civic groups who provide meals daily and the volunteers who prepare meals. For more information regarding the Emmanuel Dining Room, please contact 302-652-2577.

- **F.A.I.T.H. Center**

The Financial Information Theocentric Help Center is a religious community response to God's call to serve fellow human beings in crisis, who need compassion, love and assistance. Consultations, referrals to available community resources and as appropriate, financial assistance are afforded to clients. Basic needs are teamed with self-help opportunities and encouragement to alleviate the effects of poverty. Acknowledging variations in theology, worship and perspective, all communities of faith are invited into membership in the F.A.I.T.H. Center to serve our neighbors who are in need. Last year, the F.A.I.T.H. Center provided assistances to 2,351 households. For more information regarding this ministry, please contact the F.A.I.T.H. Center at 302-654-4550.

- **Friendship House Men's Center**

Friendship House is a non-profit Christian Corporation committed to making a difference in the lives of Wilmington's homeless and impoverished. The agency has a continuum of services, a dedicated staff, and strong volunteer support. Friendship House offers hospitality, education, empowerment and a sense of community to those they serve.

Friendship House provides men and women with day center, residential and job programs. Friendship House provides approximately 5,000 service contacts a month. In the past five years, 1,800 unduplicated clients were assisted with rebuilding their lives. In addition, they also provide clothing, breakfast and worship, grant programs and community education. For more information on the Friendship House, please call 302-652-8133.

- **Centro Los Abuelos (The Grandparents Center)**

Centro Los Abuelos is an outreach ministry for Hispanic elderly. It is Spanish speaking language and culture senior center program that is designed to promote social relationships and to stimulate creative growth. It is a center for information, referral, assistance and services for Hispanic elderly persons. Programming is conducted in the following areas: social and recreational activities, nutrition, transportation, personal problem resolution, health maintenance, information and referral.

The Hispanic populations are the fastest growing segment of the Delaware community. Presently, Centro Los Abuelos is a participant in some of the programming provided by the State of Delaware, Division of Services for Aging and Adults with Physical Disabilities, most notably, the Nutrition Program operated by City Fare. Federal and state guidelines suggest a definition of sixty years and older for all participants. Many Hispanic seniors are unable or afraid to use or request services that are otherwise available to them from public or private agencies throughout the area, due greatly to a language barrier or lack of information. Centro Los Abuelos affords seniors an opportunity to take full advantage of services within

a safe, friendly atmosphere. Transportation is provided free of charge and meal programs are available. Centro Los Abuelos provides Hispanic seniors a healthier and happier quality of life through participation in agency programming. Through the program activities, the elderly are helped to have a fuller range of their needs met and to gain greater opportunities for quality living through assisted access to available private and public resources. Los Abuelos is located at 623 N. Harrison Street, Wilmington, Delaware 19805. For more information, please call Mrs. Naya Curington at 302-254-3199.

- **Local Church Training**

M.A.P. provides the local church with technical assistance in strategic planning, assessing their neighborhoods, community organizing, starting community development corporations and preparing 501<sup>c</sup>3 applications.

- **Youth Moving Forward Program**

This ministry is committed to providing support for first time, non-violent youth offenders during the process of societal reintegration at no cost to the participant. The program seeks to reduce risk factors and increase protective factors to ultimately propel the youth away from the strongholds of criminal behavior. Christian counseling and Bible study are also offered.

- **Summer Youth Entrepreneur Camp**

The Youth Entrepreneur Camp introduces youth from local communities to the world of business and entrepreneurship by teaching youth how to develop and operate their own legitimate businesses.

This two-week intensive course could be considered the ultimate summer job and entrepreneurial apprenticeship. Last year's camp was held at Wesley College in Dover. To learn more about M.A.P.'s Youth Entrepreneur Camp, please contact the M.A.P. office at (302) 225-5627.

For further information about any of M.A.P.'s ministries, please contact Kathryn Cooper-Nicholas, Executive Director, Methodist Action Program, 100 W. 10<sup>th</sup> Street, Suite 701, Wilmington, DE 19801-5601, Telephone (302) 225-5627, Fax (302) 225-5329, E-mail address, [kathryn@map-dc.org](mailto:kathryn@map-dc.org), M.A.P.'s new website address is [www.map-dc.org](http://www.map-dc.org).

**Neighborhood House, Inc.**

*With God's love from within, we provide services and programs that educate, enlighten, and empower people and the community.*

Neighborhood House celebrated 75 years of serving the community in 2002. We began the celebration in April with a breakfast highlighting our Child Care program. In June we celebrated our Youth Programs and had the official opening (ribbon cutting) of the Family Technology Lab. August found us in Middletown celebrating ten years of service to the Middletown-Odessa-Townsend area and highlighting family services provided both in Middletown and South Wilmington. The Housing Services Department celebrated its silver anniversary in September with workshops and awards luncheon. The Neighborhood House diamond anniversary culminated with a banquet in November. Over 400 people attended including representatives from 20 Wilmington District United Methodist Churches, Bishop Weaver, Wilmington District Superintendent John Mitchell, Conference Resource Office staff, and various banks and corporations.

## 2002 Program Highlights

- Child Care has been one of Neighborhood House's priority program areas since our beginning in 1927. In recent years, the challenging economics of early childhood programming have driven several prominent local agencies out of the business. By creating a partnership with Wilmington Head Start, Neighborhood House will be able to sustain quality care in a more cost-effective manner. Two Head Start classes now serve children three and four years old in addition to our Neighborhood House classes for children one and two, as well as before and after school care for neighborhood youth.
- The Family Technology Center officially opened its 33-station computer lab on June 17 with a ribbon cutting attended by many well wishers and supporters. The lab offers computerized office training as well as on-line GED training. The Center's business partners include Verizon as an e-partner and GMAC that sponsors an after-school computer based enrichment program. Additional activities of the center include:
  - A partnership with Delaware Tech and JPMorgan/Chase for a "Bank It" camp, where students learned about banking and e-commerce. The students were awarded computers at the end of camp;
  - A partnership with the Enterprise Community and SAFE Pathways to start a Robotics Club. Engineering students from the University of Delaware and a professional engineer have volunteered to work with students, who will build, program and design robots using LEGOS. The group plans to attend several competitions in the upcoming year.
- Neighborhood House is in the process of creating an independent community development corporation (CDC). Once in place, the CDC will manage housing and other commercial development projects with a goal of generating revenue to support the charitable activities of the agency.
- The agency continues to seek specific Covenant Agreements with local United Methodist churches. These agreements provide for promotion of the agency, programs at the churches, shared use of space, shared resources and articulated public commitment to Christian principles. The agency currently has entered covenant agreements with six churches.

## 2003 Program Goals

- Complete creation of CDC; begin construction of second phase of Cabean Square town homes in Southbridge; expand efforts to provide affordable housing in southern New Castle County.
- Continue to seek additional funding resources for the Family Technology Center.
- Continue to seek additional funding resources and partnerships for the Child Care program.
- To enter into at least three more Covenant Agreements with Wilmington District United Methodist Churches.
- Continue to seek partnerships with other non-profit agencies, churches, government agencies and corporations to enhance the services we provide to our clients.

## Salisbury Urban Ministries

Salisbury Urban Ministries' mission is to involve the covenant congregations in hands-on local mission projects and to build cooperative, citywide ministry projects, with a special concern for the materially impoverished while promoting the concern for racial understanding and appreciation.

### Review of 2002 Goals

A mission team from Skyline United Methodist Church worked with local volunteers to paint the exterior of the Lazarus Center. Central air conditioning was installed along with other improvements, which facilitate the use of the building. An artist from Boston, MA volunteered her time to work with the children of the Kids' Café to paint two murals on the outside walls of the center.

A fundraising committee was established to focus on the increasing need for undesignated funding. A successful letter campaign was initiated in December to meet the 2002 budget. The United Way funding also increased.

Planning sessions and a workshop were held to evaluate the youth ministry and to offer suggestions and opportunities to attract more youth. The outcome was to have increased mailings, newspaper advertisements, and activities focused on evangelism.

### 2002 Program Highlights

The Delmarva Foundation approved a grant in December for SUM to hire a full time Parish Nurse in 2003. The Governor's Wellness Mobile is available on Tuesdays at the Lazarus Center to provide medical care for those in need. A Health Fair was held in May at the Lazarus Center. Partners in the fair included St. Paul AME Zion Church, the American Cancer Society's African American Coalition, God's Grace, Peninsula Regional Medical Center and the Wicomico County Health Department. An estimated 500 people received preventive health education and free screening.

The Kids' Café operates at capacity with 45 children and has expanded to an after-school program with tutoring through the Retired Senior and Volunteer program, an afternoon of art instruction through the Art Institute and Gallery, drum ensemble that started with a grant from the Community Foundation, Masters of Disasters Red Cross program, sports activities and scout instruction with a local scout troop, and health and hygiene classes. The kids produced a public service announcement, "Kids Teaching Kids Not To Smoke," that was shown on WMDT-TV Channel 47 and the WB station. The children participated in the Salisbury Festival Art Parade and won third place in originality.

Special parties included a luau, harvest party, two community barbecues, monthly birthday parties, and several Christmas parties. They participated in several field trips including a trip to the African Art Museum in Washington, D.C., the pumpkin patch, and a Christmas shopping trip to K-Mart sponsored by the Salisbury Jaycees.

Forty-two children attended the annual choir camp that was held at Zion UM Church. A mission team from Skyline United Methodist helped with the camp. WBOC Channel 16 reported on the camp during one of their "Learning Matters" segments. The camp also received media coverage from Channel 47. The children along with other children from the covenant churches sang at the Delmarva Remembers 9-11 service at the Wicomico County Civic Center.

Last year 4,792 families from Wicomico, Somerset, and Worcester counties came to the Lazarus Fund seeking financial assistance and food. This was a 53.5%

increase from 2001. God's Kitchen also saw an increase in the number of persons being fed and needing survival bags of food and personal items.

The Youth Council sponsored the IYF youth worship services on the first Sunday of the month dealing with topics of interest to youth. Jason Ingram headlined at the second Annual Rock in the Park for Jesus Concert. The CrossFlame Choir from Hickory, NC made up of 60 plus youth held a concert for the June service.

#### Goal for 2004

1. We will continue to build the character and competence of the children and youth in our after school program as a Promise Station through America's Promise and Salisbury's Promise. The children will receive the following five promises as outlined by America's Promise: ongoing relationships with caring adults, safe places with structured activities during non-school hours, a healthy start and future, marketable skills through effective education, and opportunities to give back through community service.
2. More opportunities will be offered for the poor and homeless who participate in the Lazarus Fund and God's Kitchen to receive preventive and follow-up medical attention and to exert more control over their own health.
3. The Youth Council working with local youth leaders, youth and pastors will offer opportunities for youth to be engaged in that will address their spiritual needs and concerns.

#### BOARD OF CHILD CARE

##### Our Mission

*As an outreach ministry of the United Methodist Church, the Board of Child Care serves children and families who require physical, emotional, behavioral and social support. Through residential community based services, the Agency will endeavor to provide a safe, healthy and caring environment that seeks to sustain children and families by fostering self-esteem, respect for community, a sense of purpose and life skills needed to achieve their highest potential.*

Through its ministry, The Board of Child Care continues to provide quality services and programs for individuals, children and families.

Our outreach ministry provides assistance to those who cannot afford needed services and assists both churches and community agencies financially to either begin or enrich present programs for individuals, children and families in need. In the year 2002-2003, the Board of Child Care was reaccredited both by the Council on Accreditation (COA) and the United Methodist Association's EAGLE (Education Assessment Guidelines Leading Toward Excellence) accreditation program.

In May, the Council on Accreditation, an independent accrediting body, reviewed our governance, fiscal, personnel practices, and all of our 12 programs that provide service to over 1,000 clients on a daily basis. Over 1,200 standards relating to best practice were assessed and evaluated by a trained, peer review team over a four-day period. The Board of Child Care scored 1's in every category

except for six 2's. These were the highest scores obtainable and placed us in the 98<sup>th</sup> percentile of over 1,400 human service agencies that are accredited through COA.

In November, the Agency was reaccredited by the United Methodist Association's EAGLE program. EAGLE looks at our mission and ministry as it reflects the social principles outlined in the Book of Discipline. The Agency was given commendations in the areas of social accountability, inclusiveness, and the cultural diversity of our staff and the children we serve. We were also highly commended on our spiritual life program that reaches out to all faiths and provides opportunities to our children to "give back to those even less fortunate than themselves" through volunteering at local retirement homes, hospitals, soup kitchens and participating in various community improvement projects. The EAGLE peer review team, consisting of other executive directors of children's homes and a connectional unit representative from another conference indicated that we were the first agency that they were aware of that did not receive any suggestions or recommendations.

This past year within the Peninsula-Delaware Conference, we have expanded our Cambridge, MD, outpatient mental health clinic to serve over 100 clients weekly. We have supported the Newark UMC to being a counseling program and have done numerous parent workshops with the Peninsula-Delaware Conference. We would like to thank the Mt. Zion UMC for initially making space available to us for our Cambridge ministry. The Peninsula-Delaware Conference continues to have active representation on our Board. The Board of Child Care appreciates the support and prayers of Bishop Peter Weaver and all the ministers and church members of the Conference. Additionally we appreciate all the support and prayers of various United Methodist Women's, Men's and Youths' Groups throughout the Conference. May God bless each and every one of you for your help in meeting the needs of God's little children.

## BEATRICE CLARA MINNIE LATHAM GUYER

Beatrice Clara Minnie Latham Guyer was born on December 31, 1912 in the Methodist parsonage in Sicklerville, New Jersey to the Rev. Dr. Samuel R. Latham and Florence Ella Hall Latham.

"Minnie" as she was called, graduated from Long Branch High School in Long Branch, New Jersey, received her bachelor's degree in secondary education from Asbury College in Wilmore, Kentucky, received her local preacher's license from the New Jersey Methodist Conference and was appointed evangelist for the N.J. Conference. She trained at New Brunswick, NJ hospital, Rutgers University and Chicago School of Nursing as a medical missionary and was a medic in the camps of World War II. During her years at Asbury College, she rang the bell for the salvation army at Christmas and beat the drum for street evangelistic meetings. She also was a missionary in the Kentucky mountains during this same time.

Prior to her marriage, Minnie taught in the NJ school system and while holding evangelistic services at Palmer's Camp in conjunction with their mission in Philadelphia, Minnie met her husband Harry M. Guyer, a christian worker at the mission. On August 4, 1942, Minnie & Harry were married at Myrtle Beach, SC and were separated until after the war. In 1947, their daughter, Sheryl, was born and in 1948, after receiving his minister's license, they went to the mission field in Montana as missionaries to the Native Americans. While there, Minnie taught in the public school system, both in one-room schoolhouses on the ranch and in formal school buildings. (and I mean two rooms and a path)

In 1954, Rev. & Mrs. Guyer moved back to the Peninsula Conference and served the charges of Hooper's Island, Mariner's in Crisfield-Hopewell-Westover charge, the Allen, Siloam, Shad Point charge and the Oriole, Dames Quarter, St. Stephen's charge where her husband went to be with the Lord on Nov. 30, 1967. Minnie Guyer led the choirs, taught the Sunday schools and junior churches serving at her husband's side at all the charges while teaching in the public high schools. Her church membership remained at St. Peter's UM church in Oriole, MD. Minnie was a member of the Maryland Retired Teacher's Association, past officer in the Order of the Eastern Star, past officer in the Rebekah Lodge, a member of AARP, life member of the United Methodist Women, Peninsula Conference pastor's widows group, the Salvation Army Home League, Wicomico County Republican Club, and the Wicomico, Dorchester, and Caroline Counties' Retired Teacher's Associations.

After her husband's death, Minnie went back to New Jersey to teach at Bethel Christian School until her father became ill and she came back to Denton to care for him. After her father's death in 1977, she moved into the house she and her husband had purchased for retirement in Salisbury before his death and played the organ and preached in several churches while helping her daughter care for her grandson. "Nana" or "Aunt Minnie" as she became known to all her family and friends, was there for love, comfort, prayer, and a good spiritual lesson from the Bible. She always said she never left the mission field because her house became a "home mission" to all who entered. When her health failed, she spent her time crocheting gifts for her doctors and nurses, and all who cared for her, all the while making sure they knew of the salvation of Jesus Christ.

Minnie Guyer died on February 11, 2003 at the age of 90 after a short hospital stay. She told the doctor 2 days before she died that she had "outlived her body" and wanted to go home to her loved ones who were waiting for her; but most of all, she wanted to see her Savior. Minnie leaves behind a sister, Rev. Lucilla Latham Graf and brother-in-law's father Karl H. Graf; a daughter, Sheryl Guyer Peters and her husband John, Sr.; A grandson, John R. Peters, Jr; a niece, Carlann Graf Cornwell and her husband Steve; two great nephews, Steven and Michael Cornwell; a great-great nephew, Steven Cornwell III; several cousins throughout New Jersey, Pennsylvania and Florida, a sister-in-law

Emsie Guyer Duck and her husband Chester, Jr of PA, a niece Elaine Duck Larson and nephew Chester Duck III and their children.

A funeral service was held Saturday, Feb. 15, 2003 at 11 a.m. at the Salvation Army in Salisbury. The service was conducted by the Rev. J. Harvey Dixon and Rev. William T. Sterling Jr., pastor of Atlantic UM church in Ocean City, MD. As requested, Minnie had an "evangelistic service" and altar call with Rev. Paul klaverweiden singing "Beulah Land" and "The Lighthouse". Her earthly body was laid to rest beside her beloved husband in Wicomico Memorial Park, Salisbury, MD.

"Nana" never tired of witnessing to any and all who came or called on the phone. She was a dedicated, godly, christian woman who exemplified the Christian woman in the scriptures. Several of her former students were her pall bearers and expressed because of her they found salvation and gave their life service to the Lord. Mother's celebration of her life can be summed up in the Alfred Tennyson poem inscribed on her memorial sheet...

Sunset and evening star and one clear call for me  
and may there be no moaning of the bar when I put out to sea.....

Twilight and evening bell and after that the dark  
and may there be no sadness of farewell when I embark.....

I hope to see my pilot face to face when I have crossed the bar!

Daughter, Sheryl Peters  
Sister, Rev. Lucilla Graf

Emma was an accomplished seamstress and a career housewife. She also did domestic work and different kinds of factory work. She loved cooking, singing, sewing and crocheting afghans. Until age 101, she continued to crochet a little.

Being a minister's wife permitted her to meet lots of people. She made numerous friends and touched many lives. She was a devoted wife, mother, grandmother, great-grandmother, and great great-grandmother. She was dedicated to her husband and a strong believer in family.

Emma will be remembered by her relatives and friends for her beauty, humor, sympathy, serenity, compassion, and as a humble, loving, sharing, caring person who believed in people and provided support to the children both financially and spiritually.

We are so grateful for the joy she has added to our lives, and most of all, we are so thankful to our God to have had her for our mother this long. Just to have lived in her presence is a blessing that we will never forget. She wore a smile which was contagious to many others. She gave us bragging rights of longevity in this family.

She leaves to cherish her memory: a son, Walter G. of Philadelphia, PA; two daughters, Evelyn Conway and Nettie Wainwright, both of Baltimore; grandchildren, Rev. Charlotte M. Ruffin of Baltimore, Clementine Mills and Leonard Mills, Sr., both of Philadelphia, PA; great-grandchildren, Roger Griffin, Jr., Marine Gary Griffin, Sr., Shelly Sumler, Leonard Mills, Jr., and Malik Mills; great great-grandchildren, Shawntia Griffin, Gary Griffin, Jr., Lamont Coates, and Jordan, Darius, and Cameron Sumler; a daughter-in-law, Margaret Mills; a granddaughter-in-law, Carmonita Mills; great-granddaughter-in-law, Amanda Griffin; a great-grandson-in-law, Spencer Sumler; a brother-in-law, George Mills; five sisters-in-law, Helen Brewington, Evelyn, Aurelia, Ruby Mills, and Lucy Purnell; a host of nieces, nephews, relatives, and friends.

*"For I know that my redeemer liveth, and that He shall stand at the latter day upon the earth; And though after my skin worms destroy this body, yet in my flesh shall I see God. "*

*- Job 19:25-26*

Ms. Phyl was a true and loving saint of GOD. Jesus was Ms. Phyllis' life and she displayed her Christian commitment by serving, missioning and evangelizing relentlessly in the ST. Paul United Methodist Church.

Ms. Phyl served on numerous church committees and participated in several organizations. Just to mention a few – Chairperson of Milford/Lincoln Missionary area Ministry, Lay leader and Administrative Board president (St. Paul United Methodist Church); member of the building and planning committee, Pastor Parish Relations Committee, Sunday School Teacher and Superintendent.

Ms. Phyl also served outside of St. Paul United Methodist Church by visiting South Korea in support of the one church movement and taught bilingual classes at the Haitian Church in Milford, Delaware, pastured by Reverend Lionel Sainsume.

## X. MISCELLANEOUS

### Conference Rules of Order

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
  2. To adjourn;
  3. To take a recess;
  4. To lay on the Table.
  5. To call for the previous question;
  6. To postpone to a given time;
  7. To refer;
  8. To substitute;
  9. To amend;
  10. To postpone indefinitely;
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.

- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

- Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: members in full connection; probationary members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge.

Lay membership designated by Par. 30 of *The Book of Discipline* includes: one lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference president of the United Methodist Women; Conference president of the United Methodist Men; Conference president of United Methodist Youth; diaconal ministers; one high school youth from each District; one young adult (18-25) from each District; and, the president of the Conference Young Adult organization.

When the Conference Secretary determines that lay members number fewer than clergy members in the year of General Conference, lay membership in the annual conference for the following quadrennium shall be increased to equal the number of clergy members.

To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay members in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference;

voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leader; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) the Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 653 in the 2000 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

**B. Rules and Guidelines for the Conference  
Nominating Committee**

**A.**

1. That the Peninsula-Delaware Conference again record its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Resource Director.
3. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
4. That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall not be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. See Conference Rule #23, page 413, 1987 Conference Journal.
5. That no member of the Conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the Conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., the Episcopal Residence Committee, and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the Conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.
6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
7. That ministerial membership on Annual Conference boards and agencies shall be limited to Conference members and associate members of the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select

other persons as affiliate members without vote.

8. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Page 98 of the 1988 Book of Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
10. That one representative of the Program Management Team shall be selected to serve on each Conference board and on all other support agencies except where the Book of Discipline states otherwise.
11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.
12. That the Conference Nominating Committee designate persons to serve as Chairperson, Vice Chairperson, and Secretary for Boards, Commissions and Committees. Boards and Committee members will be notified in advance of their officer nominations. The Program Management Team Member assigned to each unit will convene the first meeting and present the nominations of officers. Additional nominations may be received from the members of that unit. The officers elected at the meeting shall serve for the quadrennium. \*Except where the Book of Discipline directs otherwise, the Vice-Chairperson will succeed the Chairperson in the event of a resignation. The board or commission shall elect a new Vice-Chairperson.

The following Criteria for Leadership shall be used in the selection of Chairperson:

1. Willingness to commit time as required by the position.
  2. Willingness to commit time for training for the responsibilities of the office.
  3. Have an understanding of and a willingness to support the polity of the United Methodist Church.
  4. A demonstrated leadership ability in the local church.
13. That the date of election to any board, commission or committee be clearly indicated in the journal.
  14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
  15. That recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-

election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

**B.**

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laity in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to the members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each one is serving in terms of Conference boards and agencies. Laity should likewise be listed on a similar file. A third file would be divided between ministers and laity as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident).
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs," "Miss," or "Mr." shall not be used in the preparation of the Nominating Committee report.

**Miscellaneous**

1. That conference directors, not be elected to boards and agencies under the Conference rotation, but serve only as ex-officio where assigned by the council director.
2. That two high school youth (preferably in the 10th and 11th grades) shall be members of all program boards of the Conference Council and on the Conference Council on Ministries on assignment by the Conference Youth Council.
