### III. DAILY PROCEEDINGS

**Wednesday, June 8, 2005 Clergy Session  
Holy Cross Roman Catholic Church  
Dover, Delaware**

The Clergy Session began at 9:00 a.m. Clergy of the Annual Conference were greeted with water as they remembered their baptism. Opening worship began as the Rev. Helen Lockwood led singing, accompanied by the Rev. Jack Abel, as the body gathered. The Rev. Christine Lee, member of the Conference Board of Ordained Ministry, introduced Father Stanislao Esposito, associate pastor of Holy Cross Roman Catholic Church. Father Esposito extended the hospitality of the parish to Conference clergy. The Rev. Don Godwin, Vice Chairperson of the Board of Ordained Ministry, offered prayer. The singing of the hymn "At the Font We Start Our Journey" was led by the Rev. Jim Hawkins. A skit entitled "Our Call" was presented by the Rev. Beverly Lewis and the Rev. Isabel Gardner.

All conference clergy were greeted by the Rev. Grant Johnson, chairperson of the Board of Ordained Ministry. He advised that the clergy session is being held pursuant to ¶ 605.6 of the 2004 *Book of Discipline*. Rev. Johnson introduced Bishop Marcus Matthews, presiding at his first clergy session since his election to the episcopacy in 2004. The Rev. Amy Smith, chairperson of the Eastern Pennsylvania Annual Conference Board of Ordained Ministry was also introduced. The Rev. Karen Bunnell, a former chairperson of the Peninsula-Delaware Annual Conference Board of Ordained Ministry, is now a member of the General Board of Higher Education and Ministry. The Rev. Greg Hill and the Rev. Tom Carter are staff members of the General Board who were also present for the clergy session.

Bishop Luis Palomo of the Evangelical Methodist Church of Costa Rica was presented to the Annual Conference clergy. He was accompanied by the Rev. Jorge Vargas.

Clergy were reminded of the Service of Ordination and Commissioning to be held on Saturday, June 11, beginning at 7:30 p.m. Ordained elders were to wear red stoles, and to process by district.

Bishop Marcus Matthews called the 221<sup>st</sup> clergy session of the Peninsula-Delaware Annual Conference to order. The Rev. Grant Johnson offered the organizational motion based on ¶602 of the 2004 *Book of Discipline*. The presence of the Bishop's Assistant, the Rev. David Fife, and the Bishop's Administrative Secretary, Judy Schofield, was acknowledged.

The Rev. Sandra Steiner Ball, Dover District Superintendent and Dean of the Cabinet, presented the report of Corporate Accountability on behalf of the District Superintendents.

**1. Corporate Accountability - - Sandra L. Steiner Ball, Dean of the Cabinet**

"Are all the clergy members of the conference blameless in their life and official administration?"  
(P.604.4, 605.6 [2004])

**The Bishop and District Superintendents:**

In almost every case, our clergy members are blameless in life and character. The performance of every ordained minister and local pastor has been reviewed by the Bishop and Cabinet. Where there is concern or basis for a grievance, it is being pursued with the knowledge of the member involved.

The Rev. Paul Owens, member of the Board of Ordained Ministry, invited conference clergy to contribute to the Clergy Family Assistance Fund.

The Rev. H. Sterling Green, chair of the Order of Elders, the Rev. Cindy Quillen, chair of the Order of Deacons, and the Rev. Martha Callaway, chair of the Fellowship of Associate and Local Pastors, invited conference clergy to complete a questionnaire that was provided.

In his closing remarks, Bishop Marcus Matthews emphasized the Service of Ordination and Commissioning, expressing the hope that all clergy would be participating. The procession which would open this service would demonstrate our unity in Christ. The Bishop also observed that as many as 800 persons would be present at Annual Conference, with an equal number of clergy and lay members. He expressed appreciation to those who attended the Bishop's Advent and Lenten Days Apart. Bishop Matthews announced that the Mid-Winter Retreat scheduled for January 2006 will be held in Rehoboth Beach, Delaware. His work over the past ten months has been rewarding due to the faithfulness of clergy. He emphasized the importance of forwarding conference mail to local church leaders. Finally, Bishop Matthews expressed special appreciation to his Cabinet, most notably to the Rev. John Mitchell and the Rev. Dr. Patricia Bryant Harris, who are completing their terms of service as District Superintendents. He also welcomed the new District Superintendents—the Rev. Charlotte Nichols, Salisbury District; and the Rev. William Fitzhugh, Wilmington District.

The Rev. Grant Johnson, chairperson of the Conference Board of Ordained Ministry, escorted Bishop Luis Palomo to the table, where he, together with Bishop Matthews, celebrated Holy Communion for conference clergy members.

**“Living With Out Walls in Jesus Christ”**

The 221<sup>st</sup> Session of the Peninsula-Delaware Annual Conference opened at 9:30 a.m. with a worship celebration. The Annual Conference theme was “Living With Out Walls in Jesus Christ.” The Old Testament lesson was II Chronicles 7:11-16. Worship leaders included lay and clergy members of the Salisbury District, our host district for this session. Host District Superintendent, the Rev. Dr. Patricia Bryant Harris, introduced Bishop Marcus Matthews. Bishop Marcus Matthews preached to open this first Annual Conference session at which he would be presiding since his election to the episcopacy. Mr. Mark Evans of Bethesda UMC in Salisbury served as organist on this day.

The Annual Conference joined in the singing of Charles Wesley’s hymn “And Are We Yet Alive.” Bishop Marcus Matthews called the 221<sup>st</sup> session of the Peninsula-Delaware Annual Conference to order.

**Adoption of Agenda, Rules of Order, Organizational and Procedural Motion:** The Conference Secretary, Boyd Etter, directed attention to the Adoption of the Agenda, noting an addition to the formal agenda. This would be a presentation by Mr. Rob Shoemaker, Legal Counsel for the Eastern Pennsylvania Annual Conference, and the Rev. Thomas Hall, clergy member from Eastern Pennsylvania.

Editorial changes were noted in the third paragraph of Rule #25. That rule should now read as follows: “Lay membership designated by ¶32 of the *Book of Discipline* includes...” Language later in that rule was modified to reflect the language of that disciplinary paragraph: “one young person between the ages of 12 and 17, and one young person between the ages of 18 and 30 from each district...” An editorial change was also noted to Rule #29: “In keeping with ¶656 of the 2004 *Book of Discipline*...”

**Greetings from the University of Maryland Eastern Shore:** The Rev. Charlotte Nichols, campus minister from UMES, introduced Dr. Sandra Brown Proctor, Executive Assistant to the President and Chief of Staff. Dr. Proctor brought greetings on behalf of the University's President, Dr. Thelma B. Thompson. Dr. Proctor reminded the Annual Conference of its historic relationship to the University, which was originally an Academy of the Delaware Conference. Dr. Proctor acknowledged the service of Rev. Nichols as campus minister to UMES, and her appointment as the new Salisbury District Superintendent. She also welcomed the Rev. Candy Miles as the new campus minister and pastor at Metropolitan UMC. Dr. Proctor highlighted various new programs offered through UMES. She also emphasized the University's commitment to the holistic development in the life of each student coming to the campus, including spiritual formation.

The Rev. Dr. Harris presented a gift to Dr. Proctor for the University's President, Dr. Thompson.

Jonathan Baker noted that Bishop Matthews has met with clergy and laity on each district, politicians and business leaders, as well as leaders of other judicatories throughout the Area. Mr. Pinder and the Rev. Baker shared biographical information on our new Bishop and his family. **Church Legal Counsel from Eastern Pennsylvania Annual Conference:** Mr. Robert Shoemaker, the Church's Legal Counsel, and the Rev. Tom Hall, the Church's counsel during the trial of the Rev. Irene Elizabeth Stroud, were introduced by Bishop Matthews. They were accompanied by the Rev. David Fife, the Bishop's Assistant.

Mr. Shoemaker explained the judicial process leading up to the trial of the Rev. Stroud. First, Bishop Peter D. Weaver initiated the process when he compiled a formal complaint against the Rev. Stroud. That complaint charged that Rev. Stroud had engaged in practices which are incompatible with Christian teachings, a chargeable offense. Specifically, the formal complaint charged that Rev. Stroud as an ordained minister, had violated the *Book of Discipline*, by being a "self-avowed and practicing homosexual." After the formal complaint a period of supervision ensued. The goal of this supervisory response was to arrive at a just resolution.

When no just resolution was achieved, church counsel filed a judicial complaint containing identical charges. This judicial complaint was referred to the Conference Committee on

Investigation. The Committee on Investigation determined that there were reasonable grounds to refer to the matter to a church trial. That church trial took place on December 1-2, 2004. Bishop Joseph Yeakel presided. A jury of thirteen clergy comprised the jury. The jury found Rev. Stroud to be guilty, and determined that the penalty would be withdrawal of Rev. Stroud's ordination.

Rev. Stroud appealed the verdict. That appeal was heard by the Northeastern Jurisdiction Court of Appeals in Baltimore on April 28, 2005. That court was composed of nine clergy and laity. They reviewed the findings of the trial court. The Appeals Court found that there was no error of law in the trial proceeding. They did find that due process would have involved General Conference defining the word "status." The Appeals Court also concluded that the paragraph concerning "self-avowed practicing homosexuals" was new doctrine when enacted by the General Conference in 1984. The *Book of Discipline* specifically allows appeal to the Judicial Council. This appeal of the appellate court to the Judicial Council will be made.

Rev. Hall noted that the Judicial Council had considered a special session, but has determined that they will hear this case on October 25-27, 2005. Each side each have sixty days prior to October 25 to prepare their briefs. The appeal will be open to the public. The church's counsel will be granted thirty minutes to make their presentation. The Judicial Council may ask questions of clarification. Rev. Stroud's counsel will likewise be granted thirty minutes for presentation. Rev. Hall thanked local churches for their fervent, earnest prayer throughout this trial process. Rev. Hall then led the Annual Conference in a prayer contained in the United Methodist *Book of Worship*.

**Greetings from Cabinet of the Eastern Pennsylvania Annual Conference:** The Rev. Michele Wright Barlow thanked the Annual Conference for its hospitality. Bishop Palomo will participate in the Annual Conference's celebration of the Hispanic/Latino ministries on Saturday, June 11.

Bishop Palomo greeted the Bishop, District Superintendents, and clergy and lay members of the Annual Conference. He also expressed appreciation to Gil Hoffman, who has participated in numerous mission trips to Costa Rica.

Ms. Aracily Hexter of Community Church in Ocean Pines offered grace for the noon meal.

**Friday Afternoon, June 10, 2005**

At 2:00 p.m., the Rev. Wes Davis and the Gospel Jazz Group led the Annual Conference in gathering praise.

**Covenant of Accountability:** The Rev. Dr. James T. Seymour introduced the Covenant of Accountability. This covenant reminds us that we are the Body of Christ and are to treat one another with respect. Thus we realize our vision to live cooperatively, inclusively, and boldly. In this way we listen to what God is saying through others.

The Rev. Leslie Slak shared the observation that women tend to listen during the plenary sessions, and not speak. Women are called to speak as well. She lamented the lack of inclusiveness with regard to participation of women in the Annual Conference. Monitoring will count the numbers of women and minorities speaking during the sessions.

The Rev. William Wallace further explained the monitoring process. He celebrated the progress we have made as an Annual Conference toward inclusiveness. The Advocacy Resource Team is working to insure ethnic, gender, and cultural inclusiveness. The Nurturing Wholeness in

Community retreat enables persons to facilitate reconciliation through Biblical, historical, and theological reflection. Anti-racism ministries are closely examined. The next sessions of this seminar are scheduled for Sept. 19-21, Nov. 28-30 and Mar. 6-8, 2006. The goal is to remember, repair, and restore relationships through reconciliation. The Advocacy Resource Team seeks to dismantle racism through its monitoring process.

**Bishop's Cruise to Alaska:** The Rev. Sandra Steiner Ball, Dean of the Cabinet, the Rev. Ralph Blanks, District Superintendent Designee from the Eastern Pennsylvania Annual Conference, and Dr. Bob Duncan were invited to speak about the Alaska cruise hosted by Bishop Matthews beginning on May 20, 2006. The cruise is sponsored by Educational Opportunities. This will not only be a vacation, but a vocational experience.

The Rev. Dr. Ralph Blanks will be the coordinator, and the Rev. Sandra Steiner Ball will be the program coordinator. There will be daily devotions and singing in keeping with the theme of celebrating God's creation. Bishop Matthews will be preaching and celebrating Holy Communion on the Lord's Day. The cruise will be through the Holland America Lines.

Other major improvements include renovation of the campus dining hall, and the equipping of all residence halls on campus with sprinkler systems. The dining hall will also be expanded.

The college has played a major role in the establishment of Hope UMC. That congregation has grown to 70 persons.

**Disaster Recovery Presentation:** Jim Michael, coordinator for Disaster Relief and Recovery, acknowledged that the Disaster Relief Recovery office opened in January, 2004, and concluded its operation in January, 2005. Teams from Massachusetts to Florida began arriving in February, 2004. Materials were purchased, warehoused, and transported. Americorps and Civilian Conservation Corps personnel participated. Fifty homes in Dorchester and Kent Counties were repaired. Meteorologists were predicting up to twelve hurricanes or tropical storms for 2005. Volunteers in Mission are still needed for future disasters.

A Volunteer in Mission, Ben Botti from Sellersville, PA in the Eastern Pennsylvania Conference, led one of the first recovery teams in 2004. He and his team worked on homes in Toddville and Hoopers Island. In November, 2004, a celebration service was held at St. Paul's UMC in Cambridge. The Rev. Joe Kelly acknowledged in that service that one hundred people had accepted Jesus Christ as Lord and Savior through the witness of the Volunteers in Mission.

The Rev. Dale Brown expressed appreciation for the response from conference members and churches. He also thanked the staff, including Jim Michael, and Terry Byrd, administrative assistant for the Easton District. At the time of Annual Conference, an enormous response was being made to the tsunami disaster. As of the Annual Conference session, \$360,000 has been given by local churches through the Business Office.

The Rev. Tom Donnachie, Easton District Superintendent, invited Dale Brown to present an award given by the National Hurricane Conference. It was presented for humanitarian and compassionate response, to the Eastern Shore Interfaith Recovery Team and to the organizer and planner. The award was presented on March 24, 2005 in New Orleans, Louisiana. Tom Donnachie acknowledged the destruction of walls by wind and waves. But he also celebrated the tearing down of walls when God's people heard the call and responded with compassionate service.

**Conference Stewardship Emphasis:** Elliott Workman, co-chair of the Resource Development and Management Team. The Stewardship Task Force was called into being by the 2003 Bishop's Summit on Financial Matters and by the Resource Development and Management Team. It presented a four-year plan to the Annual Conference in June, 2004. The Annual Conference adopted this plan. What has happened since?

The Task Force has adopted six basic principles of lifestyle stewardship:

1. Stewardship and faith development are fundamentally linked.
2. Stewardship is comprehensive—it is the whole of our response to God's love and provision for us.
3. Clergy, lay leaders and congregations should examine language and practices to ensure that we are not apologetic, silent, or uninformed about the financial aspects of stewardship.
4. Clergy, lay leaders and congregations should examine language and practices to ensure that "stewardship" is not equated only with money or seen negatively.
5. Equipping clergy and laity to serve as stewardship leaders in our local churches is an essential task.
6. Clergy and lay leadership serve as models for stewardship to the larger community.

The Task Force called for development of training materials and forums for laity and clergy. And the Task Force created a four-year schedule for training of leaders and implementation of programs at the local church and at the conference level.

A training program combining multiple resources has been developed. An "Advanced Training in Stewardship" Lay Academy course has been developed by Herb Mather. Other printed resources include *Don't Shoot the Horse Before You Know How to Drive the Tractor*

The key points of this training are:

- a. Stewardship is one way we respond to God's gift of salvation.
- b. Our view of stewardship is directly related to where we are in our spiritual journey.
- c. Society has created a negative environment around "stewardship" which is inaccurate—we must work to use language and actions that are positive and joy-filled.
- d. The church's (congregation and pastor) job is to help people grow in their spiritual journey.

A series of questions and answers concerning stewardship were lifted up to enhance understanding of this important dimension of discipleship.

The implementation of this Stewardship Emphasis has taken place as follows:

1. Stewardship training classes were held at all four district lay academies over the past six months.
2. Over 100 people were trained on all four districts.
3. The lay academy class was approved for one continuing education units (CEU) for clergy.
4. Training at the lay academies will continue in 2005 as we feel this is one of the best ways to reach the most people. The goal is to have at least two people plus the pastor from every church attend the training.

A stewardship training event for clergy is being planned by the task force and the Leadership Development Team for March 2006. It will be led by the Rev. David Bell from the General Board of Discipleship's Center for Christian Stewardship. More training will also be provided for laity.

In 2006, look for information and materials for local churches to use to teach stewardship in positive and joy-filled ways. Lay academy training will continue. We will be celebrating the ministries the local church is already doing. Changes to conference terminology, language and budgeting are also being proposed to better reflect appropriate stewardship.

The Rev. Yvonne Penn, co-chair of the Resource Development and Management Team, also noted that local church and conference financial issues will not be fixed without everyone's participation. When we focus on growing disciples, we also grow stewards. Everyone should plan to attend the training and special events. We must consider our own views of stewardship and challenge ourselves to study and expand our understanding of stewardship. This certainly includes clergy!

We need to foster open discussion about stewardship and our faith journey, knowing that this will help others understand and grow. Stewardship is not just about money—it's about spiritual growth! Don't be afraid of it!

Silvan Darnell Williams, a certified candidate for ordained ministry from Waters Chapel UMC on the Crisfield-Shiloh Charge, offered grace for the evening meal.

Bernard "Skip" Keels, a member of the board and executive committee of the United Methodist Publishing House, presented a check in the amount of \$6,331.44 to Bishop Matthews on behalf of the Annual Conference.

Bishop Matthews lifted up the Bishop's Book Bundle, available at Cokesbury. Volumes included this year are *Hit the Bullseye* by Paul D. Borden; *Making Disciples: Faith Formation in the Wesleyan Tradition* by Sondra Higgins Matthaci; *A Hidden Wholeness: The Journey Toward an Undivided Life* by Parker J. Palmer; and *This Day: A Wesleyan Way of Prayer*, edited by Dr. Laurence Hull Stookey, clergy member of the Peninsula-Delaware Conference.

### **Resolution R-3—Resolution on Using Fair Trade Products**

#### **RESOLUTION ON USING FAIR TRADE PRODUCTS**

WHEREAS the General Conference of 2004 passed a resolution urging all local churches and affiliated organizations to use fairly traded coffee and,

WHEREAS buying fairly traded goods is a way of living out biblical justice (Numbers 26: Leviticus 25) and practicing good stewardship and,

WHEREAS, coffee is one of the world's most heavily traded commodities; it originates from either large plantations that are traditionally run and owned by wealthy landowners or small operations that are primarily owned by impoverished farmers. These small farmers frequently live in isolated communities relying on middlemen to buy their coffee invariably at the lowest price possible. The way the system is set up, the farmers' inability to get a just return for their labor is essentially guaranteed and they are condemned to a life of extreme poverty; and,

WHEREAS, our Social Principles state that "we support measures that would reduce the concentration of wealth in the hands of the few," that "we advocate for the rights of people to possess property and to earn a living by tilling the soil"; and that "we call upon our churches to do all in their power to speak prophetically to the matters of food supply and the people who grow the food for the world" (§163); and,

WHEREAS the United Methodist Committee on Relief (UMCOR) partnered in April 2002 with Equal Exchange to launch a denomination-wide coffee program. Any United Methodist church or individual buying coffee, tea, chocolate and other goods through Equal Exchange's Interfaith Program can now order coffee through UMCOR (at the Equal Exchange Web site [www.equalexchange.com/interfaith](http://www.equalexchange.com/interfaith) or by calling 774-776-7366) For every case of coffee ordered, UMCOR receives approximately 5 percent of purchase price from Equal Exchange to be used in UMCOR's small farmer economic development programs;

THEREFORE BE IT RESOLVED that the local churches and affiliated bodies prayerfully discern whether God is leading them to create a policy to use fairly traded products in venues such as fellowship hours, dinners, etc as well as encouraging personal use among members, and

BE IT FURTHER RESOLVED that other ways of promoting and educating about fair trade be encouraged. These could include establishing a buying club for placing joint orders, teaching fair trade as one aspect of biblical stewardship during the annual stewardship campaign, encouraging fair trade for alternative gift giving, teaching a unit about fair trade in Sunday School, and using these products for fundraising sales.

This resolution was presented by the Rev. Amy Yarnall. A video presentation highlighted the need to purchase fair-trade coffee through Equal Exchange. The resolution was adopted unanimously as presented.

#### **Resolution R-4—National Hunger Awareness Day**

##### **RESOLUTION ON NATIONAL HUNGER AWARENESS DAY**

WHEREAS, over thirty-six million Americans struggle with the reality of hunger even though God has blessed the United States of America with more than adequate resources, including an extraordinary abundance of food, to provide for the material needs of all her citizens; and

WHEREAS, the only factor hindering the creation of a hunger-free America is the political and moral conscience to make it so; and

WHEREAS, National Hunger Awareness Day has been established as a platform for faith-based and domestic hunger relief organizations to raise awareness about hunger in America and the work they do to create a hunger free America (information is posted on the web at [www.hungerdav.org](http://www.hungerdav.org)); and

WHEREAS, observance of National Hunger Awareness Day has been set for the first Tuesday in June each year (June 7, 2005); and

WHEREAS, National Hunger Awareness Day will be observed this year with a worship service held in the National Cathedral in Washington, D.C., attended by over one thousand people representing major religious and anti-hunger organizations and will culminate in visits by the participants to congressional representatives and President Bush on behalf of the poor, now therefore be it

RESOLVED, that the Peninsula-Delaware Annual Conference formally and actively recognizes National Hunger Awareness Day as a time to unite and stand in solidarity with and for the poor and those who strive to minister to them; and be it

RESOLVED FURTHER, that all congregations of the Peninsula-Delaware Annual Conference are encouraged to lift up the poor and hungry in prayer, receive an offering for relief of the poor, actively minister to serve the poor locally, contact their state, local and national representatives on behalf of the poor, or in some other appropriate way observe National Hunger Awareness Day during the morning worship service on a convenient Sunday in June each year, and throughout the year continue to stand in solidarity with the poor until hunger is eliminated from our land.

Presented by the Advocacy Resource Team as received from the Society of St. Andrew, America's leading gleaner ministry, and participating partner in National Hunger Awareness Day.

This resolution was presented by Sally Milbury-Steen. It was approved by the Annual Conference.

The Rev. Tom Donnachie read from Matthew 25. He directed conference members to [www.bread.org](http://www.bread.org)— the website of Bread for the World, an advocacy group fighting world hunger. The Hunger-Free Community Act needs our support.

#### **Resolution R-5—Resolution on Affirmation for Native American Mission Personnel**

##### **RESOLUTION OF AFFIRMATION FOR NATIVE AMERICAN MISSION PERSONNEL**

Whereas, the Native American missionaries, Raggatha Rain Calentine and Odette Wright, under the General Board of Global Ministry program of mission outreach have heightened the awareness of cultural diversity throughout our annual conference and,

Whereas, the Native American missionaries have made presentations at local schools, nursing homes, media centers, and organizations such as the AARP to share their gifts through story telling, drama, singing, drumming, teaching history, parenting skills, Traditional Spirituality and,

Whereas, the Powwows have drawn crowds of over 30 thousand persons experiencing record numbers of people who will learn about the Nanticoke tribe within the bounds of this annual conference and,

Whereas, our Native American missionaries have reached out to the community in missions and justice by networking with the Delaware Adolescent Program Inc. for pregnant teens, initiating the teen group called Six Chixs), and further educating youth groups in biblical concepts and Native American traditions and,

Whereas, our Native American missionaries have represented our annual conference throughout the nation in various capacities including: the opening ceremonies for the Native American Museum on the mall at Washington, D.C., Religion and Race events, and work camps in the North East region and,

Whereas, our Native American missionaries have provided a resource to our annual conference by visiting local congregations, serving at the Nurturing Wholeness in Community retreats, and the ethnic dialogue gatherings by sharing stories and teaching history and,

Whereas, the funding for salary support from the General Board of Global Ministries has ended in June of this year,

Therefore be it resolved, that this 2005 session of annual conference pay tribute to the mission and justice work of our Native American missionaries, Odette Wright and Raggatha Rain Calentine for inspired and exceptional service in Native American awareness. May their mission continue to touch and inspire lives through inclusive ministry.

Therefore be it further resolved that, local congregations and individuals be encouraged to send financial support to the Committee on Native American Ministries under the Conference Advance Special (CAS-11 NAM), to further the work of the missionaries and growth of Native American congregations in the Peninsula-Delaware Annual Conference.

Sponsored by Advocacy Resource Team and Conference Committee on Mission Personnel

The Rev. Pearl Johnson and Carol Sieg presented this resolution. This resolution was adopted as presented. Odette Wright and Raggatha Rain Calentine were affirmed for their work as Native American missionaries. Odette Wright accepted gifts on behalf of herself and Raggatha Rain Calentine. Jill Jicha was also recognized for her work with deaf ministry.

**Missions Presentation, Volunteers in Mission, and Congo Partnership:** Kevin Goodwin introduced a slide presentation on Christian mission. He read I Kings 19:9-13, a portion of the story of Elijah, dressed as a homeless person with a cardboard sign reading, "Will work for food." He continually raised the question, "Why are we here?" He challenged the conference's churches to continue to fund missions in the midst of rising medical insurance costs and other concerns. The enormous response to tsunami relief proved that money is not our problem. Some churches have designated at least 10% of their budgets for missions. He reminded us that 100% of our gifts to the United Methodist Committee on Relief (UMCOR) fund the actual need, with nothing being directed toward administrative cost. There was a clear challenge to enlarge the mission field beyond the borders of local church property. The flip side of his sign read, "Will Live for God!" That, after all, is why we are here!

The Rev. Don Hamilton, VIM Coordinator, introduced the Rev. Jonathan Baker, who reported on a medical mission team that traveled to the Congo in 2004. He shared the major difference the Annual Conference made through this team, and thanked everyone for their support. He encouraged the conference to continue to be a blessing to the United Methodists in the Congo. Personal testimonies were given by Lila Holmes and Judy Ingalls. They encouraged others to have the experience of a lifetime by participating in a similar mission team in the future. Our support for Hope for the Children of Africa is vital. They also shared the celebration of worship in the Congo.

Bishop Matthews reflected on the partnership between the Peninsula-Delaware and the Congo Annual Conference. He reaffirmed the ties that bind these two annual conferences together. He shared quality time with Bishop Yemba during a meeting with the Council of Bishops. They together will pursue a four-to-eight year plan. Future conversations, beginning in October, 2005, will explore how this partnership can be strengthened. Plans include a signing of this partnership in the Congo in the year 2007. Bishop Matthews' desire is to have many of our Annual Conference members involved in this partnership.

Don Hamilton announced that the offering from this Annual Conference will be directed toward the partnership. Bishop Matthews invoked God's blessings on these gifts.

Following the offering, Don Hamilton announced that the Rev. Patti Collett led a team of volunteers in mission to Florida in February, 2005. She reflected on that experience, together with the team that accompanied her. The team's cost to take fourteen missionaries to Florida was \$6,500 for the week. They estimate that they accomplished \$20,000 worth of work during their mission trip.

Gil Hoffman celebrated the Annual Conference's relationship with the Methodist Church of Costa Rica. He again presented Bishop Luis Palomo, his wife Zulay, and the Rev. Jorge Vargas. Bishop Palomo thanked God for the vision of the United Methodist Church. He also praised God for the growth of the church in Costa Rica.

The Rev. Carol Svecz and the Rev. John Wesley Moore will be leading a group of volunteers in mission to the Lakota Indians in Pine Ridge, South Dakota, from August 2-9, 2005. They shared the purpose of this journey. There has previously been no United Methodist presence in this area. One of the counties they will visit is said to be the poorest in America. John Moore concluded this presentation by singing a Lakota love song.

Kevin Goodwin reappeared wearing a special hat. His challenge is that if offerings for the Congo Central Conference by July 31 total \$30,000, he will appear at the October 8 special session of Annual Conference in a tuxedo!

**Presentation of Harry Denman Awards for Evangelism:** The Rev. Rick Vance invited the recipients of these awards in previous years to stand. The awards are presented annually through the Foundation on Evangelism.

The clergy award was given to the Rev. Bill Cropper of St. Paul's UMC in Hebron, Maryland. The church's worship attendance has increased in nine years from 50 to 600. He is involved with the athletic department and sports teams at Salisbury University.

The lay award was presented to Terry Moore, a member of Millville United Methodist Church on the Dover District.

The offering for the Congo Partnership totaled \$16,220.57!

The benediction was offered by the Rev. Philip Ponce, District Superintendent of the Central District, Eastern Pennsylvania Annual Conference.

The Worship Team of Christ UMC in Salisbury led in gathering praise.

Today's Annual Conference organist was Dr. William Pender of Metropolitan UM Church of Princess Anne, Maryland.

**Celebration of Ministry:** The Rev. Grant Johnson, Chairperson of the Board of Ordained Ministry, led the body in opening prayer.

The Rev. Paul Owens and the Rev. Derrick Porter, members of the Board of Ordained Ministry, recognized clergy who were celebrating anniversaries of ordination, beginning with the fifth anniversary. Senior among clergy whose anniversaries were noted were William David Geoghegan, William Moses Tasco, and Charles Luther Willis, who are celebrating their 60<sup>th</sup> year since ordination!

Elaine Moreland, Conference Benefits Director, introduced the newest class of retiring clergy, inviting them to come forward with their spouses. They were then featured in a video presentation.

Elaine Moreland added that 165 retired pastors and spouses attended the annual Board of Pensions luncheon on May 11, 2005.

Bishop Matthews, assisted by the Rev. Sandra Steiner Ball, led us through the liturgy of this celebration. The Rev. Grant Johnson invited all newly-licensed local pastors to come forward. All other full-time and part-time local pastors were asked to stand. The body prayed for the ministry of these local pastors. Student local pastors were also invited to stand, and were greeted by the Conference members.

The Rev. K. Wayne Grier, Registrar of the Board of Ordained Ministry, presented the following person to be commissioned as a probationary member in preparation for the order of deacon:

**Constance Marie Hastings**

Wayne Grier then presented the following persons to be commissioned as probationary members in preparation for the order of elder:

**Peggy Marie Briggs**  
**Shirlyn Henry Brown**  
**Vernon Maxwell Bryant**  
**Patricia Susan Frick**  
**Thomas Kenyatta Johnson**  
**Jennifer Hassett Kerby**  
**Edward John Kuhling**  
**Cecile Claudia Waters**

Bishop Matthews examined these candidates using the historic questions in accordance with the *Book of Discipline*. The candidates responded satisfactorily.

The following were presented as the new class of full members in the Annual Conference, to be ordained elders:

**Karen Muntain Dize**  
**Dianne Elisenla Henry**  
**Beverly Black Lewis**

The body prayed that these candidates would be sent into the harvest, be filled with the Holy Spirit, be kept safe against danger and temptation, and that God might hasten the coming of His kingdom. Bishop Matthews then presented these full member elders to the body, and they were warmly received!

Those being commissioned as probationary members participated in a dramatic reading of II Kings 2:1-15a, the story of Elijah passing the mantle to Elisha. The members of the retiring class then placed the mantle upon the shoulders of the new class of full member elders. Darlene Webster, Conference Lay Leader, led the laity in pledging to support the class of ordinands, as they had supported those retiring. The Bishop pronounced the benediction upon this celebration of ministry.

---

The Rev. Dr. Patricia Bryant Harris opened the plenary session with singing.

**Health and Welfare Presentation:** Joan Nelson and Ann Murray recognized those parish nurses who were present. Their presentation was based on Luke 9:2: "And Jesus sent them to preach the kingdom of God, and to heal..." and John 10:10 "I have come that you may have life and have it more abundantly." Parish nurses listen to the stories of the people of God, and stress health care through preventive care and medicine.

James 5:14-16 states: "Is anyone among you sick? Let them call for the elders of the church and let them pray over them...the prayer of faith will save the sick...Confess your sins to one another and pray for one another that you may be healed." Paul proclaims the hope in II Corinthians "...That we may be able to comfort those who are troubled with the comfort with which we ourselves are comforted by God." "When Jesus saw the invalid by the pool, He asked him, 'Do you want to be healed?'" (John 5:2) The major causes of death today are influenced by our lifestyles, over which we have tremendous control. Paul counsels us in I Corinthians 6:19-20: "Do you not know that your body is a temple of the Holy Spirit,...therefore glorify God in your body and in your spirit." Those interested in health ministry were invited to visit the display staffed by parish nurses at Annual Conference. A pictorial presentation depicted parish nurses in ministry. Ann Murray also shared a personal witness of her parish nursing ministry.

---

**Moment of Personal Privilege:** Yvonne Penn asked all clergywomen to stand. A gift was presented to Bishop Marcus Matthews, which he opened. It was a picture inscribed with the verse of Scripture, Galatians 6:9: "And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart."

---

**Report of the Statistician:** Dr. Joyce Bell presented the 2004 Statistical Report. She expressed appreciation to the District Superintendents, their administrative assistants, Bill Westbrook, and the Rev Dr. J. T. Seymour. Thirty local churches did not submit reports, an improvement over the sixty churches who did not submit reports in the previous year. All local churches on the Dover and Easton Districts submitted reports for the year 2004! Total membership in local churches in the Peninsula-Delaware Annual Conference at the end of 2004 was 94,330, a decrease of 555 from the previous year. On a positive note, increases were reported in members received by profession of faith, as well as members received from other United Methodist Churches and from other denominations. There was also an increase in attendance in weekly worship from the previous year. Unfortunately, these positive trends were not sufficient to offset additional numbers of persons who were withdrawn or removed by Charge Conference action, and those who transferred to other United Methodist Churches and other denominations.

Bishop Matthews challenged each conference member to bring at least one person to Christ in the coming year, to reverse the trends in membership loss that were noted.

**Kim Jefferson Urban Ministry Award:** Sheila Hunley presented the award for 2005. The award is provided in recognition of significant achievements in urban ministry. The award is presented to the Rev. Terrance Briggs, pastor, and to the members of Centennial UMC in Smyrna, Delaware. The church established a Community Development Corporation. Among other ministries, the church works with first-time home buyers, helping people move from dependency to independent living. Rev. Briggs expressed thanks to God, to the Bishop, and to the people of God with whom he serves for their partnership in ministry.

**Black College Ambassador:** The Rev. Dr. Homer Minus presented our Black College Ambassador, representing the Black College Fund. There are eleven historically black colleges related to the United Methodist Church. Doris Wye Worley, this year's Ambassador, is a student from Wiley College in Marshall, Texas, majoring in chemistry and hoping to become a physician. She lifted up Psalm 105 as her text. She related her call to the profession of medicine following an accident on her native continent of Africa. Insufficient medical care was available in her homeland, and transfer to another African nation was necessary for her healing. She thanked the Annual Conference for fulfilling 100% of its apportionment to the Black College Fund. Bishop Matthews asked the Rev. Dr. Ward Greer to pray for Doris and her representation of the Black College Fund within our Annual Conference.

**Consent Calendar:** The Rev. Boyd Etter, Conference Secretary presented the Consent Calendar for adoption. It was adopted as presented.

**General Council on Finance and Administration Presentation:** The Rev. Dr. Patricia Bryant Harris asked Howard Mason to introduce James Winkler, General Secretary of the General Board of Church and Society. Dr. Harris expressed appreciation to the Annual Conference members and the local churches they represent for faithfulness in funding ministry through payment of 100% of their apportionments in the Peninsula-Delaware Annual Conference. She presented to Bishop Matthews a certificate celebrating this faithfulness for the 19<sup>th</sup> consecutive year.

**General Board of Church and Society:** James Winkler then addressed the Annual Conference. He mentioned that he had helped lead both the School of Christian Mission and the regional School of Christian Mission in our Annual Conference. He has sought to reconnect the General Board with Annual Conferences and local churches, and to seek justice and mercy in human lives and in the life of the Church. He cautioned that we dare not focus *only* on our own individual salvation while God's creation is in jeopardy. He proclaimed the Church's opposition to use of tobacco, consumption of alcohol, and gambling—especially in relation to betting on professional sports.

The Church is also working to fight hunger, in cooperation with Bread for the World and other agencies. He participated in an interfaith service at the National Cathedral praying for solutions to the pressing problem of national and world hunger. He also participated in a meeting at the White House with senior aides to the President. This meeting included representatives of both mainline churches and evangelicals as well.

The Church is also fully in support of the Violence Against Women Act. The Bible has been misinterpreted to justify abuse of women. We should be celebrating the fact that 25% of women are now earning wages in excess of their husbands. We must not allow this to be a justification for the abuse of women.

Additional aid is also being sought for our Christian brothers and sisters in Africa. We are called to suffer for Christ, if necessary, in order to be faithful. Christianity is not a spectator sport! We are called to bear witness together for unity, justice, and mercy in the name of Christ!

Bishop Matthews thanked Jim Winkler for his challenge to the Church, and especially to the Annual Conference. The General Secretary made himself available in the Student Center during the noon meal for conversation. Doris Blake mentioned that many copies of the Social Principles were available at the display of the Advocacy Resource Team.

Bishop Matthews invited Jeffrey LeCates, youth member of the Annual Conference, to the podium. Jeffrey mentioned the Conference Youth Rally that touches the lives of many youth each year for Christ. He used Philippians 4:13 as a text. Jeffrey proclaimed that youth are here to be leaders today, as well as tomorrow! He shared his burden for youth who do not yet know Christ.

**Celebration of the 40<sup>th</sup> Anniversary of the Merger of the Peninsula and Delaware Conferences:** The celebration was introduced by the Rev. Dr. James T. Seymour, Conference Resource Director. The Delaware and Peninsula Annual Conferences were the first two conferences to merge, in 1965! They forged a unity full of promise and possibility, marked by reconciliation and inclusion. The story of this promise and potential continues to evolve! We pray that these possibilities would come to full fruition and realization. This is a time not only to celebrate the past, but to foresee the future! At the heart of our quest for an ever deepening unity, is our oneness in Jesus Christ. Colossians 3:11—print quote!

The Rev. Phil Lawton told the story of the Rev. Levi Scott, son of a Methodist circuit rider. He visited a home filled with black Christians; this was a Methodist meeting that was led by women. It was in this meeting that he came to Christ. Three years later he followed his father into the Methodist itinerant ministry.

In its beginnings, Methodism was inclusive. By the year 1800, half of Methodist membership in Maryland was black, and one-third of the Church's membership in Delaware was African-Americans. Many church leaders, including the Rev. Harry Hosier, were black. In 1787, a group of African-Americans led by Richard Allen withdrew from the Methodist Church to form African Zoar, the mother church of the African Methodist Episcopal Church.

Ezion became the first African-American Church in Methodism on Delmarva. Levi Scott, now a Methodist bishop, in 1857, called together all the African-American preachers in conference. Adam Wallace, a presiding elder of the Snow Hill District, in 1862 determined that black churches should be clustered together in charges. In 1864, the General Conference voted to ordain and receive into full membership black pastors. At the same time, a separate Annual Conference known as the Delaware Conference was created. The boundaries of the Annual Conference extended from Cape Charles, Virginia, to just north of New York City. The majority of these churches, however, were on the Delmarva Peninsula. Seventy five years after its creation, the Delaware Conference had increased its membership by sixteen times!

In 1939, the three branches of Methodism reunited, but sadly a part of that merger was a concession to the Methodist Episcopal Church, South, to maintain racial segregation. All the black conferences were placed in a segregated Central Jurisdiction. Methodists of conscience soon began a movement designed to abolish the Central Jurisdiction.

Dr. Jessie C. Smith continued the story of the merger of the two Annual Conferences. In January 1962, Bishop John Wesley Lord instructed the Board of Christian Social Concern to proceed with the merger of the conferences. In 1963, the two conferences began to draw up a plan of merger. In 1965, the Delaware Conference was dissolved. In 1965, the Peninsula Conference added 17,500 local church members, 19,500 church school members, 196 churches, and 80 pastors from the former Delaware Conference. The Rev. Richard Stazesky first approached Bishop Lord concerning this merger. Others acknowledged were the Revs. Paul McCoy, Jervis Cooke, G. Wayne Cuff, Edwin Ellis, and Naomi Winchester. At the 25<sup>th</sup> anniversary of the merger in 1990, Bishop Joseph Yeakel noted the high standard of faithfulness demonstrated by the Delaware Annual Conference. It produced such notable leaders as the Rev. Charles Albert Tindley and the Rev. Noah Moore, among many others. A picture included Bishop John Wesley Lord, the Rev. Alton Miller, and the Rev. Walter Stanley holding the shepherd's staff together, symbolizing this great merger. The merged Conference was renamed the Peninsula-Delaware Annual Conference in 1992.

The Rev. Dr. Patricia Bryant Harris led the Annual Conference in singing the hymn "Blessed Assurance." Two persons who were to be ordained elder during this Annual Conference, the Rev. Dianne Henry and the Rev. Karen Dize, engaged in a humorous skit celebrating the merger. They noted that the Rev. Charlotte Nichols, clergy member of the Peninsula-Delaware Conference, was the first African-American female to be appointed a District Superintendent. They also discussed "cross-racial" appointments, questioning whether or not there is only one human race! They concluded the skit by singing, "Reach out and touch somebody's hand. Make this world a better place if you can." A litany prepared by the Rev. William Wallace was shared. The liturgy declared our desire to live as an "inclusive and intercultural church." There was participation in the litany by Native American, African, European American, Hispanic American, and Asian American members of the Annual Conference.

This litany concluded with the words of a great hymn, "Lift Every Voice and Sing":

Stony the road we trod, bitter the chastering rod,  
Felt in the days when hope unborn had died  
Yet with a steady beat have not our weary feet  
Come to the place for which our fathers sighed.

Children representing our future sang the closing song,

Jesus loves the little children, all the children of the world;  
Red and yellow, black and white, they are precious in his sight.  
Jesus loves the little children of the world.

Bishop Matthews closed this celebration of the merger inviting Conference members to reflect on where they were in their faith journey forty years ago. Men and women took a leap of faith, and went against the grain of their time. He thanked God that in 1965, the Peninsula and Delaware Conferences dared to do something that no one else had done! The test of everyone in this Annual Conference will be how we continue to live out our faith journey from this moment on. We are invited to be "risk-takers" for God! The Bishop led in prayer as this great celebration concluded. The Bishop led the Annual Conference in expressing thanks for those who planned and presented the merger celebration service.

The Rev. Dr. William Wallace offered grace for the noon meal.

### Saturday Afternoon, June 11, 2005

The Saturday afternoon session on June 11, 2005 began with praise music.

The Rev. Joseph Ossei-Akoannar, in a moment of personal privilege, presented a treasured Ghanaian garment called a *figu*, on behalf of his family, to Bishop Marcus Matthews. This garment is traditionally worn by chiefs, kings, and other royalty in Ghana! Bishop Matthews asked the Ossei-Akoannar family to stand and be greeted by the Annual Conference. He expressed appreciation for this gracious gift.

**Nominations Task Force:** Verlie Gaither, co-chair of the Nominations Task Force. Members of the Nominating Task Force were asked to stand. Special appreciation was expressed to Marilyn Cleeton, Dover District Administrative Assistant, and to the Rev. Dr. J.T. Seymour for their invaluable assistance. Verlie Gaither noted corrections from the original draft of the slate of nominees. The entire slate of nominees was elected.

**District Superintendents' Report and Property Resolutions:** The Rev. John Mitchell, Wilmington District Superintendent, reported on behalf of the four District Superintendents. He referred to the bestseller authored by international business consultant Jim Collins entitled *Good to Great*. We must stop being in denial about some aspects of our Church's life. We must strive

to become a great Annual Conference with great churches, with great clergy, with great laity, all to the glory of our Lord Jesus Christ. This can happen in the following ways:

1. We must begin to embrace and encourage change. Are you satisfied with the results we are achieving in our local churches? If your answer is "No," then it means if we want different results, we must change the ministries of our church to achieve the desired results. Granted, change can produce conflict. We need honest, open dialogue and discussion over significant issues that might suggest change. Let us never lose focus that we seek to find the most effective way to achieve the results God expects.

Four potential means of alleviating conflict include:

- a. Seeking understanding of important mission issues facing the church and Annual Conference.
- b. Every decision-making body should ask hard questions in seeking clarity of the significant issues.
- c. Every member of the decision-making group retains the respect of every other member of the group.
- d. It is not necessary that the group seek consensus on every issue, especially if that should lead to compromise.

Ask significant questions such as what current ministries in the Annual Conference do we need to stop doing? Which ministries do we need to alter or adjust in order to make those ministries more responsive? What new ministries do we need to begin in order to respond to the contemporary culture in which we find ourselves today?

We must be willing to confront sometimes "brutal" facts. All too often we make excuses either at Charge Conferences or in the Annual Conference session, so that things do not appear as bad as they really are. We must ask the probing questions in order to "break through the fog," for we can no longer avoid reality.

Secondly, in designing an effective ministry for the 21<sup>st</sup> Century, we must ask two important questions: In which ministry can we excel, among all the churches in our community? Will we be passionate about achieving excellence in that type of ministry?

A church decided it would seek to excel in reaching the unchurched population in that area. They considered what style of worship would reach the unchurched. They sponsored a free health fair that reached out to 200 unchurched people on the day it was held.

Thirdly, we must find creative ways to strengthen our connection with one another. Clergy must seek to be more collegial, not as competitors of one another. In the lay academies, laity from different local churches are sharing ideas in wonderful ways. Long meetings and filling out forms are not the solution!

Why greatness? Why not be satisfied with just being "good enough?"

It is no harder to build something great than it is to build something that is merely good. It will take more discipline, but not more time, energy, or money.

If we are doing something we really care about, it is impossible not to try and make it great. If we really care about the ministry in which we are engaged, the question of greatness becomes self-apparent. Greatness is largely a matter of choice! The purpose of greatness is to reach hundreds of thousands of men, women, children, and youth with the transforming power of Jesus Christ!

Bishop Matthews expressed appreciation to the appointive Cabinet, those with whom he has spent significant time during his inaugural year of episcopal leadership. He gave particular thanks for the ministry of the Rev. John Mitchell, Wilmington District Superintendent, and the

Rev. Patricia Bryant Harris, Salisbury District Superintendent. They will be appointed to local churches effective July 1, 2005. Continuing on the cabinet will be its Dean, the Rev. Sandra Steiner Ball of the Dover District; and the Rev. Tom Donachie of the Easton District, who serves as Secretary of the Cabinet. Completing the Cabinet is the Conference Resource Director, the Rev. Dr. James T. Seymour. Dr. Seymour also serves as chairperson of the Conference Sessions Team. And Bill Westbrook is the Director of Administrative Services and Treasurer. Joining this team on July 1, 2005 are the Rev. Charlotte Nichols, as new Salisbury District Superintendent; and the Rev. Bill Fitzhugh, new Wilmington District Superintendent. Rev. Fitzhugh was joined on the stage by his spouse, Christine.

The Rev. Dr. Sandra Steiner Ball, Superintendent on the Dover District gave thanks to Marilyn Cleeton, the Administrative Assistant. The first property resolution was a resolution for the merger of the Felton and Viola United Methodist Churches into what will now be known as the Felton-Viola United Methodist Church, effective January 1, 2005. The resolution was adopted as presented.

**125<sup>th</sup> Anniversary of Barratt's Chapel**— The Rev. Earle Baker, Chairperson of the Commission on Archives and History, stated that the Commission is concerned with the preservation of church records. A special emphasis of the Commission is Barratt's Chapel, which is held in trust by the Commission. The Commission is the historic depository for archives and records of the church.

Barbara Duffin is the site administrator for Barratt's Chapel. She is the sole employee of the Commission. All United Methodists are encouraged to visit Barratt's Chapel and Museum. In addition to archives on closed churches, files are maintained on both full-service and limited-service or closed churches. Over 20 confirmation classes have visited the Chapel during the last year. United Methodist Women and United Methodist Men are also encouraged to attend. Consider having a special worship service at Barratt's. Samples of written and oral church histories are available. Barratt's is located on U.S. 113 North, near Frederica, Delaware.

The Rev. Dr. Philip Lawton is a member of both the Conference Commission and the General Commission on Archives and History. He observed that eBay is a good source for church records that are frequently sold at auction. On behalf of the Commission, he moved the following resolution:

#### RESOLUTION ON LOCAL CHURCH RECORDS MANAGEMENT POLICY

*Whereas:* In order for our future to have a past we must be concerned for the records of today. The development of a records management policy is the first step in preserving our past by deciding what needs to be kept today.

*And whereas:* A concern for the historical, the legal and the fiscal needs of the local church motivates us to faithfully preserve our important records.

*And whereas:* If an office or local church is ever faced with legal action, having a records management program in place can assure courts and litigants that records are being cared for and disposed of properly.

*And whereas:* The United Methodist Church has committed itself to openness. In the spirit of openness and accountability, all meetings of councils, boards, agencies, commissions, and

committees of the Church, including subunit meetings and teleconferences, shall be open, with specific exceptions. (*Discipline* par. 721)

*And whereas:* Each local church is responsible for its records.

*And whereas:* "It is strongly recommended that the charge conference elect a church historian, . . . [The historian will] serve as chairperson of the committee on records and history, . . . provide an annual report on the care of church records and historical materials to the charge conference; and also provide, with the pastor and the committee on records and history, if any, for the preservation of all local church records and historical materials no longer in current use." (*Discipline*, Par 247.5a)

*And whereas:* The local church historian, and the history and records committee, if any, are the ones to implement a records policy. The records of the local church would include everything from the Charge Conference down to the papers generated in the church office. Some examples are: records from the Trustees, Administrative Board, Council on Ministries, committee minutes, worship bulletins, newsletters, etc.

*Therefore be it resolved that:* The Peninsula-Delaware Conference recommends that each local church elect a church historian, and establish and implement a records management policy.

Earle Baker noted that many "firsts" for the Peninsula-Delaware Annual Conference have been lifted up during this session. Another "first" is that the sacraments of Holy Communion and baptism were "first" celebrated at Barratt's Chapel in November, 1784. And the Commission has entered into a partnership with Wesley College for the preservation and maintenance of Barratt's Chapel. Also, Barratt's Chapel is providing a much-needed venue for history majors at Wesley College. Barratt's is the longest-surviving Methodist Church building in all of America.

Dr. Jessie Smith announced the 225<sup>th</sup> anniversary celebration on Sunday, September 11, 2005 at 5:00 p.m. United Methodist leaders and officials from the state of Delaware will participate. Sunday, November 13, 2005 will mark the annual anniversary service, beginning at 4:00 p.m.. The preacher will be Dr. Charles Yrigoyen, General Secretary of the General Commission on Archives and History. On Sunday, December 11, at 4:00 p.m., the annual Advent carol service will include music provided by Whatcoat UMC in Dover. The annual meeting for the Northeastern Jurisdictional Commission on Archives and History will be held at Barratt's in May, 2007. This will include a one-day tour of historic sites on the Eastern Shore of Maryland and the state of Delaware.

All churches are encouraged to receive a special offering for Barratt's Chapel during the month of November.

Earle Baker noted that the caretaker's cottage was scheduled to be removed on Friday and Saturday, June 17<sup>th</sup> and 18<sup>th</sup>.

**Hispanic/Latino Ministries Celebration:** The Rev. Christine Lee and the Rev. Angel Marrero introduced this celebration. A video entitled "Ministerios Hispanos" was shown, highlighting the ministries of Asbury-Minquadale UMC including the Rev. Jeremias Rojas; Iglesia Metodista Betel, and the Revs. Rene and Gilda Knight; Gracia Divina and its pastors, the Rev. Angel and Elizabeth Marrero; and Nueva Vida UMC, including the Rev. Miriam Melendez. The video was followed by the singing of "Abre Mis Ojos" ("Open the Eyes of My Heart"); and "Levante Senor." Bishop Matthews related how members of the congregation of Asbury-Minquadale UMC serenaded Mrs. Matthews and him for thirty minutes, at the episcopal residence, three days before Christmas, 2004! They were richly blessed by the music and fellowship. A quartet including the Rev. Angel Marrero and the Rev. Jeremias Rojas then sang to the Annual Conference the song "Have a Little Talk with Jesus" and "There's a New Name Written Down in Glory" in Spanish.

Bishop Luis Palomo led the body in prayer. Bishop Matthews thanked Bishop and Mrs. Palomo for the blessing they have been, and added a petition for traveling mercies for the Palomos.

#### **Resolution R-9—Attendance at Nurturing Wholeness in Community (NWC) Retreats**

**Whereas**, there was a perceived need to organize events and experiences to enhance understanding and reconciliation following the Service of Repentance and Reconciliation at the 2002 Annual Conference Session; and

**Whereas**, *The Book of Discipline of the United Methodist Church (2004)*, para. 642.3j), calls for "programs of sensitization and education at every level of the conference on the nature and meaning of racism—attitudinal, behavioral and institutional"; and

**Whereas**, the Advocacy Resource Team is intentional about combating racism in church and society through conference organizations, boards and agencies; and

**Whereas**, the Repentance and Reconciliation Task Force of the Advocacy Resource Team sponsors NWC retreats three times a year to enable wholeness in Christian community by addressing racism and moving persons toward reconciliation; and

**Whereas**, The NWC retreats are biblically and theologically based, historically oriented, and spiritually edifying; and

**Whereas**, the retreats are open to all persons and are a significant opportunity to advance multi-cultural understanding and to overcome stereotyping and prejudices about persons different from oneself;

**Be it resolved that** this 2005 Session of the Peninsula-Delaware Conference strongly urges all officers of conference and district organizations, boards and agencies to attend a NWC retreat at the earliest opportunity; and

**Be it also resolved that** organizations, boards and agencies cooperate by providing encouragement and support to their officers to attend a retreat; and

**Be it further resolved that** the Advocacy Resource Team monitor the extent of such participation and report accordingly in its annual report to the conference.

This resolution was introduced and moved by the Rev. Dr. J.T. Seymour and the Rev William Wallace. It was adopted as presented.

#### **Resolution R-10—Resolution Concerning Mission Area Ministry**

Whereas, the Peninsula-Delaware Conference adopted Mission Area Ministry as a strategy for ministry in 1997; and

Whereas, this strategy brought congregations together for Bible Study, prayer gatherings, joint training events, interracial fellowship, cluster charge events, joint worship services, ecumenical projects, interagency partnerships, community service and outreach; and

Whereas, Mission Area Ministry, based predominantly on geographic considerations, has been implemented and sustained more effectively in some communities than in others; and

Whereas, ongoing and new demands on the time and availability of clergy and laity have resulted in concerns about wise stewardship of the time and abilities of local lay and clergy leaders serving simultaneously at different levels of ministry because of the structural demands of Mission Area Ministry; and

Whereas, the District Mission Area Councils (DMAC's) have ceased to meet on a regular basis to oversee the ministries of Mission Areas, provide for the identification of needed resources for ministries of Mission Areas, and fulfill other related tasks;

Whereas, however, the District Superintendents will now, and in some Districts have been working with the District Boards of Lay Ministries to sponsor and encourage congregations to come together for Bible Study, prayer gatherings, joint training events, interracial fellowship, etc., as described in the second paragraph above; and

Whereas, the District Superintendents of each District may work with District clergy and laity to "organize for the development, administration, and evaluation of the missional life, advocacy needs, and ministries of the church in and through the districts" (*The Book of Discipline of the UMC (2004) Para. 659*) and provide for the continuing emphasis of encouraging churches to work closely together and commit to the vision of serving boldly, cooperatively and inclusively in making disciples for the transformation of the world;

**Be it resolved that** this Peninsula-Delaware conference session approve the discontinuation of Mission Areas as a mandatory ministry strategy of the P-DC and that District Mission Area Councils cease to be required; and

**Be it also resolved that** each Superintendent organize a group within each District, according to paragraph 659, to develop, administer, and evaluate District ministry as well as to discern effective ways of fostering intercongregational ministry; and

**Be it further resolved that** District representation to the Vision Team be maintained at the current level of four persons per District named by the District Superintendent; and

*Be it additionally resolved* that this Annual Conference Session express appreciation for District Superintendents, conference staff, MAM Director, District Facilitators, clergy and laity that have invested time and effort in developing and implementing Mission Area Ministry programs, and that God be praised for all that has been accomplished through Mission Areas and organized District MAM events between 1997 and 2005; and

*Be it finally resolved* that the necessary changes in terminology and context be made to the Relational Design and other related documents.

This resolution was moved by the Rev. Ronald Bell and Dona Rayne, co-chairs of the Vision Team. It was adopted as presented.

#### **Resolution R-8: A New Platform for Meeting the Property and Casualty Insurance Needs of United Methodism**

##### **Authorization to Act-**

**WHEREAS**, the Peninsula-Delaware Annual Conference annually purchases property & casualty insurance to protect against the risk of loss due to a variety of causes, including damage or destruction of property; injury to third parties and employees; as well as errors and omissions by officers, directors and clergy;

**WHEREAS**, the cost of such insurance has increased over time resulting in a shift of dollars away from mission to administration, a reduction in some coverages and limits, and restriction on ministry through a loss of or inability to obtain or afford coverage for some risks and/or for some United Methodist entities;

**WHEREAS**, the above-described outcomes arise out of fluctuating markets and the underwriting practices of property & casualty insurers (among others), none of which an annual conference as a purchaser of traditional or guaranteed cost insurance from "for-profit" providers can control;

**WHEREAS**, the General Council on Finance and Administration has established an annual conference-owned, voluntary insurance company (The United Methodist Property And Casualty Trust) with reinsurance partners who understand the Church's need for flexibility, inclusiveness, ownership, stable premiums over time and risk management as ministry;

**WHEREAS**, such a strategy can potentially control insurance costs, return equity to member/owners, extend coverages and limits beyond those available in the traditional insurance market, expand loss control services, and enable ministry in new ways;

##### **NOW THEREFORE,**

**BE IT RESOLVED** that the Cabinet, Conference Council on Finance and Administration, Conference Board of Trustees, meeting in joint session, are authorized to: (1) investigate the desirability of participating in an annual conference -owned, all lines captive and (2) determine the nature and extent of Peninsula-Delaware Annual Conference participation, if any.

**FURTHER RESOLVED** that said conference bodies are empowered (1) to restructure the current Conference owned property & casualty program to access insurance through the United Methodist Property and Casualty Trust; (2) to provide the option for Local Congregations to access coverage through the United Methodist Property and Casualty Trust (3)if Annual Conference ownership is deemed appropriate, to make available the necessary funds for this annual conference to become a funding member/owner, and (4) to execute any related documents before the 2006 annual conference session, if the premises set forth in the "Whereas" paragraphs of this resolution are satisfied.

**FINALLY RESOLVED** that the above-referenced conference bodies will jointly report the result of their investigation, deliberations and actions pursuant to this resolution to the 2006 session of the annual conference.

The resolution was adopted as presented.

## **Resolution R-11—Conference Policy on Urban Center Ministries**

**Whereas** from time to time local church property is deemed as discontinued or abandoned (See *2004 Book of Discipline*, Paragraph 2548), and

**Whereas** the *Book of Discipline* indicates that the Conference Trustees may proceed to sell or lease said property and retain the proceeds in an interest-bearing account and recommend the disposition of the proceeds in **keeping with annual conference policy** (Par. 2548.3), and

**Whereas** the *Book of Discipline* states that when properties from the discontinuation of a congregation or abandonment are sold in urban centers with more than 50,000 population, the proceeds of sale must be used for new and/or existing ministries within that urban center (Par. 2548.7);

### **Be it therefore resolved that**

#### **The Policy of the Peninsula-Delaware Annual Conference on Urban Center Ministries be**

when a District FIRST receives financial resources from the sale or lease of church property in "an Urban Center"; the District Superintendent in which that urban center is located shall call a District Conference and that District Conference shall establish a District Committee on Urban Center Ministries which will coordinate the use and distribution of those financial resources. The membership of the committee shall be inclusive. Boards of directors of any existing United Methodist urban ministries and/or programs within that district should each have one Ex Officio Member Without Vote on the committee. The committee shall be made up of nine(9) members at large and the District Superintendent. Additional Ex Officio members from ecumenical/interfaith ministries in the urban center may also serve on the committee. The Committee shall establish the usual officers of President, Vice President, Secretary and Treasurer.

All monies would be held in trust by the Conference Board of Trustees and invested by them with the intention of a long term ability to fund urban ministry (See *2004 Book of Discipline*, Par. 2548.3.) An annual draw of up to 80% of the previous year's net investment income would be available each year for distribution by the Urban Center Ministries Committee. Annual cumulative draws of any amount in excess of 80% of the previous year's net investment income or any use of principal would require a 2/3rds vote of the District Conference. The new or existing ministries that would receive monies must be located within an urban center with more than 50,000 population (See *2004 Book of Discipline*, Par. 2548.7) The exact boundaries of an urban center with a population of more than 50,000 would be determined by the District Committee on Urban Center Ministries.

The Rev. William Fitzhugh proposed an amendment adding the word "interfaith" in line 29 of the resolution so that it would now read: "Additional Ex Officio members from ecumenical/interfaith ministries in the urban center may also serve on the committee." The amendment was supported.

The Rev. Bruce Cooke proposed an amendment to delete from the resolution provisions found on lines #24 and #28. The following sentences would be deleted: "Boards of directors of any existing United Methodist urban ministries and/or programs within that district should each have one Ex Officio member without vote on the committee." And, "Additional Ex Officio members from ecumenical/interfaith ministries in the urban center may also serve on the committee." This amendment was defeated.

The original resolution, as amended by William Fitzhugh, was adopted.

**Moment of Personal Privilege:** The Rev. Jack Shitama requested a personal privilege for the purpose of a special presentation. He introduced Kate Breeding, long-term volunteer at Drayton Retreat Center. An original watercolor painting of Drayton Retreat Center was presented to Carolyn and George Godfrey in appreciation of their countless hours of faithful service in enhancing and maintaining the Drayton facility over these many years.

The Rev. Janice Humphrey prayed God's blessings upon our evening meal.

Marcus Matthews  
Bishop, The Philadelphia Area  
The United Methodist Church

The Annual Conference re-convened on Sunday, the Lord's Day, June 12, 2005, at 8:30 a.m., with gathering praise. We were led in worship by the United Methodist Men of John Wesley UMC, Marion Station, Maryland.

The Annual Conference organist for this day was Ralph Jacobus of Community Church, Ocean Pines, Maryland.

The Bishop invited the body to greet Bishop Jane Allen Middleton and her spouse, Jack, who have arrived for the Service of Remembrance and Holy Communion later in the morning.

**Camping and Retreat Ministries:** The Rev. Jack Shitama introduced Mrs. Carolyn Godfrey who expressed thanks for the lovely gift of a original watercolor picture of Drayton that was presented to her on the previous day.

Jack Shitama presented the mission of camping and retreat ministries as providing "hospitality and programming that promote God-inspired life-changing experiences." This ministry is about a place where people can grow in their relationship with Jesus Christ and then return to their local churches better equipped to serve Him. Over the past five years, four of the six cabins on Boys' Hill have been replaced and four new cabins have been constructed in the barn area. This has been made possible through sponsoring churches, the support of the Conference Council on Finance and Administration, and construction crews provided by Vocational and Technical Schools.

A year ago, with the sale of the Drayton Retreat Center pending, the Annual Conference asked the Board of Stewards for Camping and Retreat Ministries to recommend the future direction of adult retreat ministries. The Board specifically asked the Annual Conference to prayerfully discern whether a Conference-owned adult retreat center, or an endowment to provide adult retreat opportunities in other facilities, would be the Conference's future vision. Considerations included other endowments, a theology of retreat ministry and how that should guide our thinking, survey results, and the practical and financial implications of providing facilities for adult retreat ministries. Through research, the Board was able to obtain information on an endowment fund in the Troy Annual Conference. That Conference had desired to build a 30-bed retreat facility at its present camping site. However, that was a third priority behind acquisition of land and building a new children's camp, in addition to providing support for a camp in Brazil. The capital campaign continued for some ten years. That Conference for a period of time endowed retreat experiences at facilities owned by other entities. The present vision is to build a 16-bed facility at their camping site, half as large as originally envisioned.

Theological considerations for future adult retreat ministry include the idea that God is both transcendent and immanent. Given that God is transcendent, God can change lives anywhere, thus suggesting that an adult retreat center is not necessary. On the other hand, since God is also immanent, God is especially experienced in Creation, and in retreat centers set apart. There is a limited availability of retreat centers set apart within reasonable driving distance.

Survey results from last fall reveal that over 75% (84 of 111 surveys returned) favor an adult retreat center at Camp Pecometh. Respondents want affordable-cost, functional meeting space with hotel-style guest rooms, a distraction-free environment, and a distinctively Christian setting. In addition, respondents want programming for personal spiritual growth, leadership development, and church growth. An endowment forces an either/or choice, while a retreat center is a both/and proposition.

Practical considerations include availability—there were 63 groups turned away from Drayton in 2003, because the facility was already booked a year in advance. A retreat facility would provide stability (predictability of the facility) and resources in terms of materials and staffing. Equal access—a justice issue—could be provided at a conference-owned retreat facility. An endowment is unpredictable in terms of results because of uncertain financial markets. The vision of the Board of Stewards is for camping and retreat ministry to become self-sufficient and self-supporting. The trend is for adult retreat centers to support children's and youth camps. The retreat center provides surplus funding for the camp, in other words, in a fully-utilized single site!

Is adult retreat ministry important to the life of the Annual Conference? Does it make a difference in the life of the local church? The Board is currently proposing Phase I of the project: 24 hotel-style rooms, four meeting spaces and dining for 25. Estimated cost is \$3.8 million, with proceeds from Drayton totaling \$3.36 million. The Board does not intend to raise the capital campaign funds through an appeal to every local church. The approach instead would be to go directly to donors, who believe in adult retreat ministry. (Phase II would be 48 bedrooms.) A common facility would house offices and meeting spaces. Then initially two pods would be constructed, each containing 12 bedrooms. Two more pods would then be built, five to ten years later. The Board has chosen not to present a proposal before the Annual Conference at this session. More information will be forthcoming at the special session on October 8.

**Dunkle-Mackey Endowment Fund:** The Rev. Dr. Laurence Stookey presented information on behalf of the Rev. Thomas Short. The Rev. William F. Dunkle, Jr., was pastor of Grace UMC in Wilmington. The Rev. J. Robert Mackey was pastor of Asbury UMC in Salisbury and later pastor of Aldersgate UMC in Wilmington. In consultation with their widows, Carolyn Dunkle and Jane Mackey, Tom Short decided to raise an endowment, the funds of which will support a day-long preaching seminar once every other year.

The format will be as follows: The seminar leader will be asked to discuss with participants his or her understanding of preaching, and a personal approach to crafting a sermon. Then the preacher will present a sermon during a service of worship that he or she has helped to design. The service will be held early in the evening and laity will be encouraged to attend. After the service, the preacher will spend about an hour discussing the sermon and taking questions. This biannual seminar will rotate between the three churches just mentioned.

The location of the seminar will be as follows: Fall 2006- Grace UMC, Wilmington; in the fall of 2008 at Asbury UMC, Salisbury; and in 2010 at Aldersgate UMC in Wilmington. Endowment funds have been sought primarily from the three congregations mentioned, from the Dunkle and Mackey families, and from Dr. and Mrs. Short. To date, \$35,000 has been raised. The income from the principal will defer major expenses of the seminar, open to all who are interested. The endowment will be administered by a self-perpetuating Board of Trustees. The major of the inaugural board include: Ronald Bell, Karen Bunnell, Glenn Catley, Christine Lee, Bruce Miller, Scott Miller, Robert Mongold, George Patterson, Doug Ridley, Thomas Short, Laurence Stookey, and Richard Stazesky. The Bishop thanked Dr. Stookey for this information about the upcoming seminar.

#### **Resolution R-13—Resolution to Revise Conference Rule #25**

**Whereas**, the Peninsula-Delaware Conference has had years of experience training lay people to become lay leaders within the Conference; and

**Whereas**, some of the lay leaders have progressed to the position of Conference Lay Leader where they have gained experience in Local Church, District, Conference, Jurisdictional, National and International work, while also gaining knowledge in relationship development; and

**Whereas**, a former Conference Lay Leader who is not a Local Church elected member of Conference, nor in one of the leadership positions in the District or the Conference, thereby being excluded from contributing mature gifts and graces at Annual Conference; and

**Whereas**, currently there is only one former Conference Lay Leader in the Peninsula-Delaware Conference; and

**Whereas**, the Conference needs to eliminate the drain of this spiritual maturity and expertise, when it can be used effectively and without cost; and

**Whereas**, resolutions are now being prepared to be presented at the General Conference 2008 to correct this for the General Church;

**Therefore be it resolved that**, this Peninsula-Delaware Conference session add to the current Conference Rules of Order, #25, "all former Conference Lay Leaders", and

**Be it further resolved**, that the addition be placed in the fourth paragraph.

The resolution was presented by Darlene Webster, Conference Lay Leader, and Howard Mason, former Conference Lay Leader. The resolution was adopted unanimously.

**Black Methodists for Church Renewal (BMCR) Scholarships:** The Rev. Elaine Ayres, chair for BMCR, reported that no one applied for the BMCR scholarships this year that are available to student pastors. The committee made the decision to give this year's scholarship funds for pastors to Africa University. The amount of \$2,300 in scholarships was presented. A \$200 scholarship will be presented to the youth ministries of Higher Hope, Faith Community UMC in East New Market; St. James UMC in Westover; New St. John's UMC in Berlin; and Centennial UMC in Smyrna. A scholarship was presented to Africa University in the amount of \$1,500 to Kevin Goodwin, member of the Africa University Development Committee. Kevin announced that he was counting this \$1,500, plus the \$3,381 given at the service of commissioning and ordination to Board of Ordained Ministry scholarships, toward the goal of \$30,000. Progress as of this time toward that goal stood at \$22,000! Bishop Matthews expressed his thanks to BMCR for the fine work they do on behalf of Christ and His Church.

---

**Leadership Development and Resource Team (LDRT) Awards:** The Rev. Anna Foster presented this award to Katie Coursey, who last year received the Harry Denman Award. Katie's calling is to be a teacher. Three years ago, she began a Sunday School in her church, Calvary UMC in Queenstown. Katie will be a student at Wesley College in the fall of 2005. The funds for this scholarship are proceeds from United Methodist Student Day in November.

---

**Francis Asbury Award:** Bill Bazzelle presented this award for accomplishments in ministries to and with the higher education community. The recipient is Dr. William Pender, Sr. He retired from UMES after 23 years of service. He was Director of Teacher Education and Professor of Education at the time of his retirement. He is presently the chair of the Wesley Foundation at UMES. He was also one of our Annual Conference organists at this session! Bishop Matthews congratulated Dr. Pender on his having received the award.

---

**New Church Starts Presentation:** Anne Pruett-Barnett led this presentation. One of our new churches, Connection Community UMC, was the second church in the past two years to have been chartered. Hope UMC in Dover was chartered in 2004. Although Faith Alive UMC was discontinued, several persons came to faith in Jesus Christ through that ministry. More and more congregations are supporting the ministry of New Church Starts. The Rev. Anna Foster, the Rev. Terrance Briggs, the Rev. Jack Cohen, Elaine Moreland, the Rev. Rich Walton, and Marie Smith presented a skit celebrating the starting of new churches. The Vision Team has declared that the starting of new churches is a priority! If you feel you are called to help found a new church, contact your District Superintendent who will pray with you in helping you discern God's call in your life.

---

**A Service of Appointments and Sending Forth:** Bishop Matthews led this time of worship, and was joined by the Rev. Dr. Sandra Steiner Ball, Karen Goodwin, and the Rev. John Mitchell.

---

**Appreciation:** The Conference Secretary expressed particular appreciation to the Rev. Dr. J.T. Seymour, Conference Resource Director, and Bill Westbrook, Director of Administrative Services. They were joined on the stage by their spouses, Jean Seymour and Mary Lou Westbrook. The Conference Secretary then asked all members of the Conference Sessions Team to stand and be recognized. The Assistant Secretaries are the Rev. John Van Tine and Boe Harris. The Rev. Christine Lee assisted the Secretary in the typing of the daily proceedings. The following persons served faithfully on the Sessions Team throughout the year of preparation for Annual Conference: The Revs. Tom McKelvey, Carol Carlson, Shirley Evans, Pearl Johnson, Carol Loy, Anne Pruett-Barnett, Carroll Fields, David Lee, Candy Miles, Paul Holland, Andrew Turner, Dale Vroman, David Doraisingh, Victor Acquah-Harrison, and William Wallace; Barbara Kelly, Lois Rogers, Silvan Darnell Williams, Ken Mahan, Carlton Parker, Darlene Webster, Gene Cray, and Madeline Beall.

Bishop Marcus Matthews recalled the welcome given by the Committee on the Episcopacy. He expressed special gratitude to his spouse, Barbara. She is retiring from the profession of teaching and a celebration of her career was scheduled for the day following this Annual Conference session.

The Rev. Dr. J. T. Seymour, chairperson of the Sessions Team, gave thanks to God for the guidance and innovation of Bishop Matthews in this first session of the Peninsula-Delaware Conference over which he presided. The Annual Conference members responded with a standing ovation for his outstanding leadership!

In a moment of personal privilege, the Host District Superintendent, the Rev. Dr. Patricia Bryant Harris, acknowledged that the logo for this session had been designed by the Rev. Janice Humphrey and Valerie Bivens. She also expressed appreciation to the Delmarva Ushers Association for their participation in the sessions and during the various worship experiences. The Bishop gave God thanks for the gracious hospitality extended by all the clergy and laity of the Salisbury District.

The Rev. Jonathan Whitney thanked the entire staff of the University of Maryland Eastern Shore for its fine facilities and warm welcome. Bishop Matthews acknowledged that this was also Rev. Whitney's birthday!

---

**Motion to Adjourn:** The Rev. Dr. Patricia Bryant Harris moved to adjourn this 221<sup>st</sup> session of the Peninsula-Delaware Annual Conference, until we convene again on Saturday, October 8, in special session. At that time we shall take action on the Conference Budget, and receive further reports and recommendations from the Board of Stewards of Camping and Retreat Ministries.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

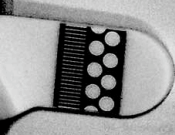

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
  - 1) a copy of the deed for the property;
  - 2) specific directions for locating the property from a major highway;
  - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

ADVOCACY RESOURCE TEAM

This team supports and cares for ministry functions such as social justice and advocacy, ecumenical and interfaith concerns, monitoring of inclusiveness, combating racism, sexism, and other forms of oppression, ethnic community concerns and the providing of diversity training and consultation.

**Repentance and Reconciliation**

\*Monitoring for racial inclusiveness within the annual conference sessions, boards and agencies is a primary responsibility of this committee. ART will be following up with the recommendations from the on-site review performed by GCORR.

\*Nurturing Wholeness in Community Retreats

This three day retreat addresses racism of individuals as well as institutional racism. Participants are taught historical factors, past redresses, white privilege, and the stories of racially defined ethnic groups that make up our annual conference. All probationers are required by the Board of Ordained Ministry to attend one retreat.

\*Level II Nurturing Wholeness in Community

Level II is for those who attended the original retreats who desire a more in depth survey to help with deliverance from white privilege and internalized oppression.

\*Response Teams

Response teams are trained by GCORR to respond to incidents of racially motivated violence and offense. When events occur, the church is called to speak prophetically and with pastoral concern to the victims, the offenders, and the community in which the incident(s) occurred.

\*Cross-Racial appointment training

The On-site review encouraged training for congregations and pastors in the challenges and opportunities presented when appointments are made cross-racially.

**Ethnic Local Church Concerns**

\*We traditionally relate to all the major ethnic groups such as African-American, Hispanic, Native American, Korean, and Haitian. Art helps to fund projects for ethnic churches and ethnic pastors. A matching grant for Hispanic Ministries was applied for through the General Board of Global Ministries. It was partially funded from ART. Grants were also sent to Crossroads and the Multi-ethnic center which helps to resource ART. This committee will help to fund salary support or benefits of new church starts for ethnic minorities.

\*The missionaries who received support from GBGM will also have grant money available to them to continue their mission work.

\*In response to the recommendation from GCORR, an ethnic gathering is held for minorities to share concerns and mutual support. A panel of ethnic minority leaders met in November and shared stories openly to a gathering of approximately 50 ethnic minority persons.

**The African-American Clergy and Laity Summit**

The African-American Clergy Laity summit is a two day training and worship experience held prior to annual conference to address various topics and Christian ministry.

**Church and Society**

\*ART will continue to promote the social principles of the UMC to the local church, conference, and to the community. To give an informed voice to the UMC position on various issues, consultants are brought in to share both sides of an issue in a forum. We encourage each district to provide copies of the social principles at their charge conferences.

\*This year clergy and laity from our annual conference attended hearings in the Annapolis State House to prevent state funded gambling in Maryland. A Stop

Slots Sabbath was encouraged for all clergy to observe in March. We also sent petitions in support of the Thornton Bill for funding education in Maryland.

\*We support the right for fair trade for farmers and workers, by encouraging the purchase of coffee and other products from Fair Trade.

\*Housing- ART will partner with the interfaith housing organization that serves most of Maryland.

\*Peace with Justice funds are collected through congregations in our annual conference on Peace with Justice Sunday and awarded as grants when needed.

\*Pacem in Terris is a peacemaking organization located in Wilmington, DE. It promotes awareness of social concerns and is proactive in advocating on behalf of the disenfranchised. ART supports this organization with seed money grants.

#### **The Status and Role of Women**

\*ART will monitor for gender inclusiveness in our covenant relationship with our annual conference. We encourage the use of images for God that includes both masculine and feminine characteristics.

\*The flyer publication is sent by COSROW to inform about issues pertinent to this agency. It is sent in bulk and distributed by ART.

\*Fellowship breakfasts and lunches are held for women in ministry to network and provide mutual support.

\*Celebrating 50 years of women granted full rights as clergy will be in 2005. We will be gathering information on significant accomplishments by women clergy in our annual conference.

#### **Christian Unity and Interreligious Concerns**

Representatives meet with AME, AMEZ, and the AMEP churches as a follow up to Repentance and Reconciliation. The dialogue that was begun with the mailing of study guides on Steps Toward Wholeness is encouraged to continue.

#### **Martin Luther King Jr. Symposium and Multi-cultural Forum**

The symposium to honor this great preacher and community organizer, Martin Luther King Jr., is held annually in January. It is a time to reflect on attitudes about race, progressive and regressive cultural trends. Various ethnic groups in our conference participate to enlighten spiritual cultural diversity. Awards are given to individuals and groups who have modeled inclusive ministry.

Wilmington was the host district for the event in 2005 held at Newark UMC.

#### Committee on Native American Ministry

##### Section 1: Review of 2004 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at the Nurturing Wholeness in Community retreats in the Conference.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American issues and ministry. We continue to anticipate the opportunities to fulfill this goal.

To offer and be prepared to present a program on Native American spirituality and other traditions at events such as the Bishop's mid-winter retreat. We continue to anticipate the opportunity to fulfill this goal.

To provide speakers for Native American Ministry Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring

the best use of such speakers and their effective impact on local churches/communities. This is ongoing and we are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the Indian Mission UMC and other congregations in the conference. Our 10-10-10 missionaries, Ragghi Calentine and Odette Wright are working with a number of congregations in the conference in order to establish an ongoing relationship.

To expand the network of CONAM into other areas of the Peninsula-Delaware Conference. CONAM continues to conduct programs in a variety of settings such as schools, (including the University of Delaware), camps, scouting events and libraries.

To continue to promote the celebration of Native American Ministries Sunday. We are making available to the local congregation's ways in which they can conduct a special service for this special offering day.

To provide financial support for persons to attend Native American Family Camp and other leadership opportunities. This is ongoing and will continue as the need arises.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This continues an ongoing effort. Many have been identified through the number of contacts visiting local congregations as well as other speaking venues.

CONAM will supervise and support the 10-10-10 missionaries. Program expenses are being cared for by CONAM and will continue until June 2005. Beyond this point when salaries are not there, we will reconsider our position, hoping the ministry can continue with the support of the Conference Advance Special and local congregations.

#### Section 2: Significant Events, Goals and Challenges

The most significant responsibility has been to oversee the 10-10-10 missionaries. Using a separate budget we have been able to determine what drives the program expenses. This program under the auspices of GBGM will expire in June 2005. Ragghi Calentine and Odette Wright are scheduling fundraisers and a few local churches are contributing to this ministry. Our challenge is, how do we continue this ministry without a salary? Will the Conference Advance Special create adequate funding? We pray that this ministry remain as a viable ministry in the Peninsula-Delaware conference.

A significant event for us was the CONAM presentation at the 2004 annual conference. The presentation used members of Indian Mission Church, Nanticoke tribal members, and other tribal friends to demonstrate the "oversight of Native peoples", practiced by the non-Native population of our Peninsula-Delaware Conference and community.

Indian Mission UMC has born a new youth ministry. Under the direction of Ragghi Calentine and Boe Harris, the "NDN Stix Chix" are performing a much needed ministry to youth and adults. Financial support has been given by the Native American Comprehensive Plan, other churches and businesses.

Your local CONAM members continue to minister beyond the walls of the annual conference. Boe Harris was selected to share her Native American culture through the art of dance at military installations throughout Europe. Ragghi Calentine, in addition to being a member of the Native American International Caucus, with special responsibilities for youth and children's ministry; has also presented

programs at Aberdeen Proving Grounds in MD. She is teaching youth leadership classes at "Flying with Eagles" programs and at Native American Family Camp. Odette Wright is a member of the National UMC Native American Center whose responsibility is to equip clergy and lay persons to be effective leaders. Jean Norwood will be serving a second term on the Native American Comprehensive Plan as chairperson of the Congregational Development committee. Boe Harris is beginning a new term as a member of the Native American International Caucus.

The Northeast Jurisdiction Conference Committee on Native American Ministry is meeting in New England in the spring to elect new officers for the next two years. Our local CONAM is sending three representatives with permission of Bishop Matthews.

Boe Harris was elected the new chairperson of the Peninsula-Delaware Conference Committee on Native American Ministry. She continues to teach at the Seaford Community Youth programs and youth mission trips annually in Cherokee, NC.

The year 2004 has been challenging and very rewarding when you see the smiles of so many young people who have been blessed by the Native American ministry. God said we were to shine His light, and we are committed to that purpose.

#### Goals for 2005

With God's grace and the prayers of our people we will continue the ministry that has been the history of CONAM. We also continue to offer ourselves as an example of overcoming the racism that continues to infiltrate the being of our annual conference and communities.

Chairperson

#### Hispanic Ministries Task Force

#### INTRODUCTION

The Methodist Church was formed nearly three hundred years ago on the Peninsula-Delaware Conference. Our Wesleyan roots of faith communities deployed circuit riders of the 18<sup>th</sup> and 19<sup>th</sup> centuries to meet the people where they live and bring a compassionate message of God's love. Our heritage of who we were, who we are and who we can be, position us uniquely to address a changing demographic with this life-changing ministry.

Ministry with Hispanic/Latino on the Peninsula were started more than twenty years ago and that effort was expanded ten years ago with the appointment of the missionary team of Rene' and Gilda Knight to Georgetown Delaware. These two have shared their gifts with the Hispanic community and the Conference. Through this Hispanic ministry we have welcomed our brothers and sisters in Christ with open hearts.

A restructured Hispanic/Latino Ministries Task Force has been at work to implement the resolution, which was passed by the Annual Conference in 2004. We invite others to become a part of this mission. Much will be required in the months and years to come. We ask you to assist us with your prayers, gifts and special talents.

The Call: "Go throughout the community and bring the good news of Christ's love." As expressed by Bishop Peter D. Weaver in September 2003 at the Fiesta Latina in Georgetown, Delaware

The Vision: To be a dynamic and vital church of all the people, where each person can hear the good news in their respective tongue and celebrate the joy of Christ with their respective music and culture.

To be a United Methodist Faith Community on the Peninsula attuned to the unique gifts and challenges of the Hispanic/Latino community working and living here and through ecumenical efforts to advocate for understanding and justice.

#### The Core Values of our Strategy:

The manifestation of God among us is the love we show for our brothers and sisters, whether or not they are members of the United Methodist Church.

Through thoughtful prayer and discernment, the church is able to change to meet the challenges of a diverse community in order to serve God.

The method in which Hispanics/Latinos are invited into a relationship with Christ respecting their culture is as important as the message.

Through God and for the glory of God all things are possible.

Our Wesleyan Heritage calls us to offer Christ to the world.

#### **THE STRATEGY**

To achieve our vision, this strategy calls for the churches of the Peninsula-Delaware Conference (PD) to:

**I. Interpret and advocate for Hispanic/Latino ministries** – Promote and advance the National Hispanic Plan throughout the PD Conference and advocate appropriately to issues and concerns affecting Hispanics.

**II. Planning** – Assess Hispanic/Latino population growth trends on the Peninsula; Revitalize existing faith communities; Create new faith communities where the demographics suggest; and identify the human and financial resources necessary for successful implementation.

**III. Training and Resources** – Create training opportunities for Hispanic/Latino pastors, lay leaders, district and conference Hispanic/Latino task forces securing needed printed resources and financial support in 'acompanamiento' with the National Hispanic Consultant.

**IV. Nurture multicultural understanding and awareness** – Sponsor high visibility events at the conference level such as "Fiesta Latina" to promote cultural awareness; intentional recruitment of non-Hispanics participation; nurture a presence of Hispanic/Latino leadership at all levels of the conference.

**V. Monitoring, supporting and evaluating** the implementation and effectiveness of the plan. Provide mentors for leaders in the Hispanic/Latino community and monitor the effectiveness of each district's efforts through the taskforce annually.

## THE STRATEGIC INITIATIVES

### I. INTERPRET AND ADVOCATE FOR HISPANIC/LATINO MINISTRIES

#### GOALS:

Pass a resolution for the adoption of the National Hispanic Plan and support of this mission by the 2004 June Annual Conference to be implemented by January 1, 2005.

Within each of the four districts create a district level task force for Hispanic/Latino ministries comprised of Hispanic/Latino and non-Hispanic ministry and lay leaders with vision and calling to reach out to the Hispanic/Latino community.

Equip members of each District Board of Lay Ministries with appropriate information to reach out to existing congregations and illustrate through examples the successes and challenges of existing Hispanic/Latino faith communities. To identify and recruit a coordinator for the PD Conference to implement steps I through V of the Strategy.

#### ACTION PLAN:

A copy of the Resolution to adopt the National Plan for Hispanic Ministry throughout the PD Conference was passed unanimously at the June 2004 Annual Conference. This resolution will be sent with an appropriate cover letter to each congregation in the Annual Conference by November 1, 2004 and posted in the Communicator of the Peninsula-Delaware Annual Conference by October 1, 2004. In progress

A district level task force will be formed in Wilmington, Easton and Salisbury Districts. These task forces will be staffed with Hispanic/Latino and non-Hispanic visionary members. The task forces will be modeled after the Dover District Task Force. The District Superintendent and District Lay Leader shall also serve on this task force. A nominating committee for the task force will elect a chair, secretary and treasurer. At least one member of each district task force shall serve on the PD Conference Task Force. Goal met.

A total of \$40,000 will be allocated by the Conference Task Force for the 2001 - 2004 quadrennium to strengthen existing Hispanic/Latino churches and establish faith communities in each of the four districts of the conference. Goal met for 2004-2005

Communicate through local congregations, Hispanic/Latino and non-Hispanic, the most pressing issues affecting Hispanics. Partner through the church and appropriate outside agencies to advocate for justice.

Have lay leaders from Hispanic/Latino faith communities in partnership with the Board of Lay Ministry bring "mission testimony" to non-Hispanic congregations.

### II. PLANNING

#### GOALS:

Within each of the four districts of the conference (Dover, Easton, Salisbury and Wilmington) strengthen existing Hispanic/Latino faith communities. Update demographic data with highlighted areas of Hispanic/Latino density that has been gathered by the Conference Hispanic Committee from the 2000 US Census and is

available to the District Task Forces. Additionally, demographic and lifestyle data is available through Precept through the Peninsula-Delaware Annual Conference.

Identify three to five areas of significant Hispanic/Latino population in each district for the start of faith communities.

Make financial and human resources available to each district so that healthy faith communities can be nurtured and sustained.

Double the number of people touched by our existing Hispanic/Latino ministries during the next four years.

#### **ACTION PLAN**

Each district task force will identify new ministry areas, prepare lay leadership and monitor and support satellite ministries during the next four years.

Equip existing ministries for leadership roles by utilizing the training available in the National Hispanic Plan (NHP) develop curriculum resources (specifically Modules I, II & III).

Develop a strong program of partnering these existing congregations and faith communities through the 'acompanamiento' process.

Utilize the Iglesia Betel of Georgetown model as a springboard for formation of a mission from successful faith communities.

### **III. TRAINING AND RESOURCES**

#### **GOALS:**

Provide training opportunities for lay missionaries and pastors.

Train Hispanic/Latino and non-Hispanic local church leaders to develop Hispanic/Latino ministries or strengthen existing ministries.

Identify persons called to the ordained ministry and refer them to the District Committee on Ministries.

Training conference and district task force members so the implementation of the NHP proceeds smoothly in all four districts.

Provide educational audio/visual training material for Hispanic/Latino leaders.

#### **ACTION PLAN**

Identify eight to twelve lay persons/clergy through existing faith communities either Hispanic/Latino or non-Hispanic each year from 2001-2004, from the four districts who have the calling for Hispanic/Latino ministries to be trained in the developed curriculum resources (Modules I, II & III).

Initiate a program through Wesley College and Wesley Theological Seminary for campus ministry outreach to the Hispanic community and provide scholarships for interested Hispanic candidates in the ordained ministry.

Host an annual Hispanic/Latino Ministries Retreat.

Provide scholarships for Camp Pecometh for Hispanic youth.

Design a bilingual youth camp at Camp Pecometh with culturally relevant music and activities.

Provide Spanish language materials for Hispanic/Latino faith communities

Develop worship materials relevant to the mission context that incorporates language, music and traditions.

Develop and sustain healthy and effective partnerships between existing non-Hispanic churches and Hispanic faith communities and missions by training Hispanic/Latino speakers and share their faith journey.

Provide seed money for expanding the outreach to the Hispanic community. Each district task force may see the need to raise money among existing congregations for the furthering of this mission.

Provide the resources; such as Walk to Emmaus, to encourage individual spiritual growth.

Offer Lay Academy classes in Spanish.

#### IV. NURTURE MULTICULTURAL UNDERSTANDING AND AWARENESS

##### GOALS

Encourage and support multicultural awareness between Hispanic/Latino and non-Hispanic congregations.

Encourage and support sensitivity to the special needs of Hispanic communities.

Create programs that stimulate cultural awareness.

Intentionally recruit non-Hispanic participation in multi-cultural events

##### ACTION PLAN

Create centers or partner with existing centers providing English as a second language course in every district, as well as computer literacy programs.

Hold at least one annual district or conference fiesta showcasing the cultural diversity within the United Methodist Church.

Support Hispanic/Latino missions in providing Vacation Bible School in Spanish and English to church members and non-members.

Have a portion of the Ocean City Youth Rally be bilingual and showcase a Hispanic/Latino Christian band.

Have a regular monthly article in the Communicator of the PD Conference showcasing a Hispanic/Latino story or upcoming Hispanic/Latino event.

Create and support health fairs that appeal to the special needs of the Hispanic community including, for example, immunization clinic and assistance with legal costs.

#### V. MONITORING, SUPPORTING AND EVALUATING THE IMPLEMENTATION AND EFFECTIVENESS OF THE PLAN -

##### GOALS

Have district task forces report quarterly to the conference task force on the "state of the district" and successes and challenges.

Identify supporting congregations to mentor Hispanic/Latino faith communities.

Update on a regular basis with the consultant from the General Board of Global Ministries (GBGM) on innovations in other conferences.

Teach Biblical stewardship principles and nurture self sufficiency in Hispanic/Latino faith communities.

Train Hispanic/Latino lay leaders in electronic communications

Equip Hispanic/Latino faith communities with written and audiovisual resources for outreach.

#### ACTION PLAN

Have at least one congregation per district equipped to support an Hispanic congregation once a faith community expands to the point that a location for services is deemed crucial to growth.

Update the Strategic Plan every four years with information from the GBGM consultant and as a result of reports from the district task forces.

Provide an information booth at the June Annual Conference with information about Hispanic/Latino ministries and mission opportunities.

Train a group of stewardship people to go into the congregations and teach sound stewardship principles.

Train in the use and provide electronic equipment so that electronic communications can be used for reaching out to the Hispanic/Latino community. The use of electronic communications as a multimedia device during the service is helpful, efficient and appealing.

Develop Resources for outreach should not just be a translation of English resources, but a development of resources that are culturally relevant to the Hispanic/Latino community.

#### VI. IDENTIFY/RECRUIT A COORDINATOR FOR THE PENINSULA-DELAWARE CONFERENCE

##### ACTION PLAN

Identify individuals with appropriate gifts and time to effectively coordinate Hispanic/Latino ministries throughout the conference.

#### ENABLING MINISTRY RESOURCE TEAM

The Enabling Ministry Resource Team has far ranging functions and responsibilities. These functions and responsibilities were previously associated with our Conference Boards of Discipleship and Global Ministries.

During this past year the Enabling Ministry Resource Team has:

- Assisted persons impacted and affected by natural disaster in the United States, the Bahamas, and Asia. This response has included highlighting the work of UMCOR, operating a Disaster Relief Office for response to Hurricane Isabel, and creating numerous kits and accepting donations in response to December 2004 Tsunami. Currently a Disaster response and relief Plan is being created and reviewed for the entire Conference.
- Supported persons in Africa, particularly the Democratic Republic of the Congo, through a VIM medical mission trip and the Bishop Peter D. Weaver Partnership. Currently mutual discussion and dialogue is occurring with the election of a new Bishop in the Congo.
- Affirmed the importance of African-American churches and persons in the United Methodist Church and specifically the Peninsula-Delaware Conference. This occurred through the Strengthening The Black Church For 21<sup>st</sup> Century Task Force and partnership with the Conference staff person for this area. Ongoing dialogue has begun with other ethnic churches and persons regarding how EMRT might effectively and faithfully resource them also.
- Encourage innovation and excellence in ministry through presentation of the Kim Jefferson Award For Urban Ministry and the Denman Award For Evangelism. The Congregational Development Corporation has been extremely important and instrumental in helping churches connect mission and ministry with buildings and structures.
- Resources local churches through grants in the areas of youth, evangelism, Vacation Bible School, lay training and education and the professional development of clergy.

In 2005 two highlights of our currently existing goals will be:

- The creation of an Older Adults Ministry Task Force.
- The first Annual Small Membership Church Seminar. This event is planned annually for each year of the quadrennial and will address different themes and topics. It is intended to celebrate the ministry and mission of these important congregations.

#### Camping & Retreat Ministries

#### **REVIEW OF 2004 GOALS**

- **Implement the Pecometh Outdoor School strategic on a pilot basis, beginning fall 2004.**

The departure of Augie Lankford, Summer Camp Director, provided a challenge and an opportunity. The challenge was to find someone who could build on the great work that Augie had done in his seven years on the Pecometh full-time staff. The opportunity was to re-structure our staff to better align with our strategic plan. The result was the hiring of Dan Ashe as Director of Outdoor Programs (DOP), effective January 1, 2005.

As DOP, Dan is responsible for both the Summer Camp and the Outdoor School programs. Because of the transition, we have delayed the pilot start-up for Outdoor School until Spring 2005. We anticipate running four to six one-day programs to test curriculum and program functions.

- **Develop a donor base of 100 donors and \$10,000 per year in contributions.**

Pecometh is gradually building its donor base, as it seeks to reduce its dependence on conference apportionment funding. A total of 77 individuals (or families) and 16 organizations gave direct donations, as follows:

Fund	Amount
General Contributions	\$8,314.95
Camperships	\$7,419.00
Capital Funds	\$10,261.00
Endowment Funds	\$6,100.00
<b>Total</b>	<b>\$32,094.95</b>

In addition, 16 churches provided \$8,672.92 in Benevolence support through the Christian Education Sunday item on conference remittance forms.

We are grateful for the continued support of individuals and churches. These investments in God-inspired, life-changing experiences for children, youth and adults are an important part of our long-term strategy of greater self-sufficiency.

- Register 1900 campers in the Pecometh Summer Camp Program.

We registered 1676 campers in 2004, a 4.1% decrease from 2003. Based on information gathered from other United Methodist camp leaders, we believe that this reflects a continued downward trend in the number of children attending camp. We have adjusted summer camp operations to reflect this trend and expect that in the future we may have to increase our marketing budget to maintain enrollment.

#### CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide hospitality and programming that promote God-inspired, life-changing experiences*. While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support required to support operations. In 2003, support was reduced to \$145,300 from \$153,000 in 2002. This compares to \$170,000 in 2000. Support in 2005 will remain at \$140,350.

#### DRAYTON RETREAT CENTER

At the time of this writing, the sale of Drayton has not yet gone to settlement. It is our hope and expectation that this will occur prior to annual conference. In the meantime, operations have wound down and we are no longer hosting retreat groups.

A very meaningful and emotion-filled Celebration of Ministry was held on March 5, 2005. A planning committee comprised of people closely connected to Drayton in various ways organized the day. They were: Ann Ashe, Site Director; Kate Breeding, Drayton volunteer and former board member; Tom Carter, former Director; Pam Lardear, former Director; Carol Shaw, former Administrator; Jack Shitama, Director; and Jonathan Whitney, board member. The Celebration provided an opportunity for persons to spend time in "retreat" one last time at Drayton, as well a time for everyone to collectively say good-bye in the context of a closing worship service. Thanks to the planning committee and to everyone who attended.

At the time of this writing, an auction had been scheduled for March 12, 2005 to sell Drayton's furnishings.

The Rev. George and Mrs. Carolyn Godfrey have led the Drayton volunteers for many years. Much of the charm and character of Drayton were due to the Godfrey's leadership and the work of the volunteers. We would like to extend a special thank you to them, as well as to all the volunteers!

#### **CAMP PECOMETH**

Camp Pecometh offers our conference a variety of ways to experience outdoor ministry. The retreat facilities, waterfront, picnic facilities, and Outdoor Chapel help guests at Camp Pecometh draw closer to God through God's creation. The Summer Camp Program continues to be a significant part of the spiritual growth of many young people.

Pecometh Outdoor School (POS), a faith-based environmental education program, will use environmental education, adventure activities and Christian education to connect discipleship with stewardship of our natural resources.

Thanks to the team of Ann Ashe, Dan Ashe, Buddy Landing, and Richelle Darrell for their continued outstanding leadership at Camp Pecometh.

#### **UPDATED STATEMENT OF GOALS FOR 2005**

- Complete the sale of Drayton Retreat Center.
- Complete planning for the future of adult retreat ministry operations.
- Register 1650 campers in the Pecometh Summer Camp Program.

#### **STATEMENT OF GOALS FOR 2006**

- Begin full-time operations for Pecometh Outdoor School.
- Develop a donor base of 150 persons/organizations with \$20,000 in contributions.
- Register 1750 campers in the Pecometh Summer Camp Program.

#### **United Methodist Women**

##### **Goals 2004**

- To encourage thirty-eight Mission Today Units to continue to be Mission Today Units
- To increase Mission Today Units to fifty percent of the organized units within the conference.  
We had twenty-nine local units that are Mission Today Units.
- To encourage the organization of at least two new units  
We chartered one new unit.
- To assist in strengthening United Methodist Women's Units by visitation  
Conference officers did visit local units that were not their units.

We have established this year 2004 as our base year.
- To increase attendance at the School of Christian Mission by ten percent

The attendance to the SOCM was 105.

### Significant Events, Accomplishments and Challenges

All around the conference, UMW had a party. The local units and the districts relived the 135 years of mission. We celebrated our 135<sup>th</sup> birthday. PDC UMW Easton District chartered one local unit, United Methodist Women of New Revived United Methodist Church on January 11, 2004 in Taylor's Island, Maryland. Forty-eight members from PDC UMW attended the Northeastern Jurisdiction UMW Quadrennial Meeting, *Vessels for Missions* in Baltimore, Maryland on March 5-7, 2004. PDC UMW held Spiritual Life Retreats - *Who Is My Sister?* at the Wesley Chapel UMC Slaughter's Neck, Lincoln, Delaware on March 20, 2004 and Christ UMC in Chestertown, Maryland on March 27, 2004 and Rev. Dr. Jeanel Starling was the leader. Mrs. Christine Keels, past Women's Director and currently the president of the Wilmington District UMW was the leader of our Annual Spring Event, *Sisters With a Purpose*, on May 1, 2004 at St. John's UMC -Fruitland, Maryland. The School of Christian Mission - *Prayer, Policy and Politics*, at the University Of Maryland Easton Shore on July 21-24, 2004 provided insight on Cuba, Public Education and Concerning Prayer. Both events were well attended. Members of the Mission team attended the Upper Atlantic Regional School in Scranton, Pennsylvania from June 24-27, 2004 and the Annual Fall Meeting held at the St. John's UMC in Seaford, Delaware. The immediate past president of the PDC UMW, Mrs. Arelela Cray completed the installation of officers. November 2004, newly installed officers attended the Leadership Training Event in St Louis, Missouri. The contribution of the PDC UMW to Women's Division for 2004 mission is \$116,852.01. Neighborhood House in Wilmington, Delaware benefited financially in 2004 to the tune of at least \$2569.00. There are sixty-six PDC United Methodist Women participating in the 2004 Reading Program.

The vacancies of the Mission Coordinators for Membership, Nurture and Outreach, Social Action and Communication Coordinator provided challenges for the Mission Team. Despite the vacancies, the PDC UMW published the newsletter, *Enabler* and the PDC UMW Directory 2004.

We believe we upheld the Purpose of United Methodist Women is *"The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."*

### Goals 2005

- To increase Mission Today Units to fifty percent of the organized units within the conference
- To encourage the organization/reorganization of at least two new units
- To have each conference officer visit at least two local units within their respective district, other than that officer's local unit.
- To have each conference officer contact at least twelve pastors per year promoting United Methodist Women
- To involve one hundred children and youth at Conference events
- To increase participation of children, youth and adults by ten percent at Conference events.
- To educate United Methodist Consumers on Social Responsibilities by making them aware via newsletter and Conference events of what they use and buy.

### Embracing the Black Church Task Force

In 2004 the Embracing the Black Church Task Force worked to strengthen the Black Churches in our Annual Conference by encouraging people to attend workshops that would enhance their ministries. A workshop was held on Saturday, October 9, 2004, entitled "Reaching Beyond the Walls." This workshop was an effort to fulfill one of our goals to "assist and encourage African-American Churches as they creatively and faithfully relate to their residential communities." Rev. Ralph Blanks from the Eastern Pennsylvania Annual Conference was the keynote speaker and led a workshop on "How to take the Church to the Community." He said we need to pray for others. By that he meant praying for those in the community. "How would it be if the Pastor calls the mayor, principal of the local schools, and the local politicians and says 'I am praying for you?'" he asked. Let them know that they are in your prayers. He then said that people want the most bang for their buck. "What do you have for me and my family needs? Do you have things like dancing classes or financial seminars?" Lastly he said that the Church needs to work with other churches in the community and with all ages. "Take a walk around the neighborhood of your church. What needs do you see? How can your church meet those needs?" Through his practical advice and sharing what he is doing in his ministry, people were able to discover ways they could creatively and faithfully relate to their communities.

Rev. Yvonne Penn also led a workshop on prayer. This workshop related to our goal of enabling and nurturing all persons to grow spiritually. She defined the various types of prayer and had testimonies on the effects of prayer. Effective prayer can help one grow spiritually.

The Embracing the Black Church Task Force will continue to work to strengthen the Black Church throughout our Annual Conference and will work closely with the office of Strengthening the Black Church for the 21st Century.

### Missions Task Force

We have only one goal - increase awareness and support of the mission opportunities within the United Methodist connectional system. I now have visited over 90 churches in our Conference to spread the good news on how we, as United Methodists, are spreading the Good news worldwide with our missions outreach efforts. Overall giving was the second highest ever! Other points of celebration for 2004 are:

- Total Advance giving was \$177,720. Missions giving to projects of all kinds (Advance, Special Sunday, Conference), totaled \$618,430, up 38% over 2003.
- We sent our 2<sup>nd</sup> VIM team to the Congo as part of our Bishop Weaver Central Congo Partnership.
- We approved twelve Conference Advance Specials (CAS) AND the celebration of these ministries with the first Sunday in Lent designated as CAS Sunday.

Some of you might remember this little ditty from your childhood about the nail, horse, and lost kingdom. I reworded it to reflect how we all play a part in missions!

For want of an appeal the donation was lost.  
For want of a donation the missionary was lost.  
For want of a missionary the Word was lost.  
For want of the Word the disciple was lost.

For want of a disciple the Kingdom was lost.  
And all over the concern of a mission offering.

### Goals for 2005

We continue to challenge all our churches to reach out in the following ways:

The Advance: The Advance has over 2000 projects to choose from, covering every possible ministry and over 100 countries. Every church should be able to find at least one that touches their heart. Your task is to pick out one or more projects and raise just \$3 per member. Remember 100% of all Advance gifts go to the project. Support costs are covered by your apportionments. A list of suggested Advance projects can be found on the Conference web site.

Special Sundays: These Sundays raise funds to address special needs of people in our country. They allow you to share with your church what the UMC is doing to combat some of the social problems facing our nation. Each church is asked to raise at least \$1 per member for the Special Sundays, less than the cost of a cup of coffee or a soda. Dividing one offering six ways is fine too.

Covenant Relationships: Each church should be supporting a missionary. For just \$3 per member, you can be helping spread the word of Christ to the country of your choice. Your church will benefit from the letters and photos you received back several times a year from the missionary you support. Please contact me for a list of available missionaries.

BOOM Scholarship Fund: Help cover the cost of training the pastors that serve us every day. Even if each of us gave \$1, Conference would be covering less than 50% of their education costs.

Local Missions Outreach/Conference Advance Specials: Churches should target \$4 per member for projects in their own backyard. Additionally, get your members involved, not just their money.

For a total of a just \$12 per member, you can have a worldwide, comprehensive missions outreach program. Your church should challenge itself to support a missions budget that is equal to 10% (a tithe) of what you spend on yourself, or 1% of the value of your Endowment Fund, which ever is greater. *Help bring Christ to the world by expanding your missions outreach!*

### Special Concerns & Challenges

#### Africa University Scholarship – World Service #03-01-88

We are lifting up the need to endow a second scholarship at Africa University. A lack of funds for students is the next big challenge for AU. This scholarship will allow one student from our Central Congo Partnership school to attend Africa University each year. Upon graduation, another student will be select, and so forth – forever! The 2<sup>nd</sup> Sunday in November is designated Africa University Sunday. On a down note, offerings for the first two AU Sundays have been disappointing.

#### Missionaries

The General Board of Global Ministries missionaries are our front line for getting the Good News of Jesus Christ to people who might not ever hear. In 2005 we say good-bye to our last 10-10-10 missionaries. Their work hopefully will continue as both have been approved as Conference Advance Specials (Deaf Ministry and Native American Ministries). It is sad to say that less than 30 churches are supporting a missionary.

Gifts for any of these Advance projects can be submitted to the Conference Office on the Benevolence Remittance form, Line #60. Write in project name and number. Questions can also be addressed to Kevin Goodwin at (302) 453-1169 or email to MissionsCzar@AOL.com. Visit the missions page on the Conference web site for more information – www.pen-del.org/missions.

### Conference Advance Specials For 2005-2008

These twelve projects were approved as Conference Advance Specials. The number on each line is the giving we hope to receive annually over the next four years. Donations should be sent to the Conference Office using the Benevolence Remittal Form, Line # 65.3 (note two exceptions to this).

The 1<sup>st</sup> Sunday of Lent will be **Conference Advance Special Sunday**. If your church prefers to do one offering, your gifts will be allocated among a selected subset of the approved Advance Specials. Whether you raise money each month or celebrate CAS Sunday, these projects need you to give. Ten of these are within the bounds of our Annual Conference. Without your gifts, these ministries will miss opportunities to take Christ to the streets, classrooms, and shelters where people are in need of something beyond meeting their basic needs; the need to meet our Savior.

#### Projected lineup for each CAS Sunday:

#### Interfaith Resource Center

*The mission of the Interfaith Resource Center is to encourage and equip the congregations in Delaware and on Maryland's Eastern Shore by providing support and resources for their ministries, so that all may study the scriptures, praise God, share the faith and minister to others.*

The Interfaith Resource Center has now been at its new location for a year and a half. St. Alban's has proved to be an excellent home with a spacious and well-lit reading room, abundant parking, and handicapped accessibility. From this site, we were able to host small group meetings and larger workshops.

The Board of the IRC made significant policy changes in 2004 aimed at making the Center user-friendlier. At the May meeting, the Board approved changes to the member fee structure that reduced fees for the smallest churches, increased fees modestly for larger churches and eliminated all handling fees. Churches with less than 100 members pay only \$25 per year. The strategy is to allow churches to budget a flat fee for membership. Previously churches were charged video handling fees, a practice that conceivably may have discouraged usage. The Center now offers a six-month trial membership to all new members. This practice insures a consistent policy that prevents anyone from being turned away for lack of a membership. We have added over 40 new or lapsed memberships under this policy. As these churches come up for renewal, we will be able to track how many of these new clients will continue their memberships.

The IRC upgraded its website ([www.interfaithresourcecenter.com](http://www.interfaithresourcecenter.com)) in the summer of 2004 with the help of Intern Chris Theibault, a member of St. Paul's United Methodist Church and a student at Wilmington College. While contact through electronic means still remains a relatively small portion of our service, we find increasingly that members check our online catalog before requesting resources. We anticipate the use of internet services will continue to increase. In 2004, approximately 20% of our requests were completed by mail and over 35% of requests were initiated by telephone or email. We strive to make the Center easily accessible by toll-free telephone and electronic services and continue to mail resources to distant locations upon request free of charge. We provided more than 2000 resources to churches in 2004.

Mrs. Hartzell presented two Vacation Bible School workshops in 2004 in coordination with Madeline Beall, the Cokesbury representative. These workshops were offered in New Castle County and Dover. A third scheduled workshop in Cambridge, Maryland failed to roster. In addition, Mrs. Hartzell maintained resource display at numerous denominational meetings, including the Diocesan Convention of Easton in January, the Diocesan Convention of Delaware in March, the Catholic Religious Educators' Convention in January, the Dover District UM meeting in October, the United Methodist Peninsula-Delaware Annual Conference in June, the Delaware/Maryland ELCA Synod Assembly in June, and five Presbytery meetings of New Castle County Presbytery. Mrs. Hartzell also presented programs at the Wilmington and Easton District UM clergy luncheons in May and October respectively and the Diocese of Easton ministerium in December. In 2004, Mrs. Hartzell also led lecture programs on topics related to faith and contemporary culture at Peninsula-McCabe United Methodist Church, St. Paul's United Methodist Church, St. Mary Anne's Episcopal Church in North East, Md., and at the Parish Leaders' Day in Middletown.

The 24<sup>th</sup> Annual Lay Academy was a success. Ninety-nine participants attended five classes on five successive Tuesday evenings in late September and early October at St. Paul's United Methodist Church. Courses included *Contemplative Prayer* with the Rev. Bob Gribbon of the Episcopal Diocese of Delaware, *Faith and the Spirits of Politics* with the Rev. Dr. Tom Davis of Hanover Presbyterian Church, *The Gospel of Thomas* with the Rev. Dr. David Farmer of Silverside Church, *Spirituality and the Kingdom of God* with Gerard Smit, and *Voices in the Wilderness: Ancient and Modern-Day Prophets* with the Rev. Dr. James C. Faltot and Annette Faltot. Over a dozen participants requested Continuing Education Units to be used toward their own educational commitments. Our Lay Academy Committee included Sr. Sally Russell of the Catholic Diocese of Wilmington, chairperson, Vern Albright of Westminster Presbyterian Church, Will Cupery of Chester Bethel United Methodist Church, Ginny Hertenberg of Grace Episcopal Church, Jane Palmer of Westminster Presbyterian Church, Dr. Henry Schenker of Congregation Beth Emeth, Ralph Stampone of St. James Episcopal Church Millcreek, and Ed Zahnow of Zion Lutheran Church.

We are pleased to make use of volunteers from all the denominations. Yoko Mori of Concord Presbyterian Church and Ginny Hertenberg of Grace Episcopal Church provided weekly volunteer support. Jane Holliday of Zion Lutheran Church and Anne Meli of Presbyterian Church of the Covenant frequently provided assistance on telephone and other clerical assignments as they arise. Two high school students, Stephanie Miller of Christ Episcopal Church and Padua Academy and Jake Owens of St. David's Episcopal Church and Concord High School, provided volunteer hours in fulfillment of requirements for their honor's programs.

We have continued to seek out grant monies from a variety of sources. In 2004, we received a grant from the United Thank Offering of the Episcopal Church in the amount of \$3000 to purchase an LCD projector and laptop and a \$350 grant from the Barnabas Fund of St. Alban's Church for a VCR, DVD, and TV. The Interfaith Lay Academy Committee awarded the IRC a \$1000 grant to purchase a copier. We continue to receive a \$300 contribution for resources from the William Hawley Clark Fund of the Diocese of Delaware. In addition, we were given a \$1000 matching grant from the New Castle Chapter of Thrivent in cooperation with an appeal drive for the Elaine Stout Fund, a designated fund exclusively reserved for resource purchases.

The IRC Board consists of 15 representatives from the major contributing denominations. Effective September 2004, board officers include the Rev. Anna Waid of Grace Episcopal Church, President; the Rev. Patti Collett of St. Paul's United Methodist, Vice-President; Dr. Henry Schenker of Congregation Beth Emeth, Treasurer; and Shirley Parris of Calvary Baptist of Newark, Secretary. During the transition to a new location under a new director, the Board was faithfully led for several years by the Reverend Christopher (Kit) Schooley of Head of Christiana Presbyterian Church, the Reverend Dr. Sam Hartman of St. Mary Anne's Episcopal Church in North East, Maryland, Sue Gierke of St. Hedwig's and St. Elizabeth's Roman Catholic Churches, and Chris Yovino of St. David's Episcopal Church. Please see the accompanying list of Board members for further information about the IRC Board.

Our Board has set the following strategic long-range goals for the year 2005:

1. To focus on expanding multicultural resources of all kinds (Hispanic, Asian, African American, physically and mentally challenged, etc.), with the intent of broadening our knowledge and understanding of the various needs within these communities.
2. To market the Interfaith Resource Center in order to expand membership and resource usage by targeting the needs of the faith communities that are not utilizing the center.
3. To maintain size and increase the diversity of the IRC board.
4. To continue to improve the web site as a vehicle for remote access to the center.

#### Congregational Development Corporation

The assigned task of the Congregational Development Corporation (CDC) at the beginning of 2004 remained two-fold: 1) to allocate and oversee loans and grants to existing congregations for land purchases, property acquisitions, and church

construction and renovation that will enable continued vital ministry growth; and 2) to allocate grants to new church starts to support their general expenses. The Annual Conference of June 2004 approved \$130,000 for all of CDC's funding activities.

At Annual Conference 2004 CDC presented a resolution for Conference support for one half of its annual budget to be transferred to the New Church Development Team, a new Conference entity responsible for matters regarding grant awards to new church starts, and that the transfer be effective July 1, 2004. The resolution was approved; and those funds not yet awarded by July 1<sup>st</sup> were transferred to the new group. This allows for more dedicated attention to existing churches as well as new church starts.

During our initial review of applications and as the need is indicated, CDC works with applicant churches to encourage more committed responsibility and accountability for sound stewardship and ministry practices that stabilize and increase the church's service to the surrounding community. We continue to work well with the District Boards of Church Location and Building and our four district superintendents, which has increased our communication and support with those entities, as well as the assurance of better oversight of local stewardship, ministry and compliance issues.

Most of the applications that CDC received during 2004 were from existing congregations seeking monies for crisis relief and church renovation. The quality of applications continues to improve not only in terms of ministry plans, but also budget presentations that promise to increase the probability that Conference and commercial loans can be repaid while the daily needs of the local church also are maintained.

Not every application received by CDC during the year was eligible for approval. Funding was allocated for eight congregations, including two new church starts. The list follows, and the new church starts are designated with an asterisk (\*).

\*Daybreak UMC, Smyrna, DE – grant of \$45,997.00 to purchase portable church equipment (with the proviso that when this facilities package is no longer needed by Daybreak that ownership reverts to the Conference for reassignment).

Easton-Miles River Charge, Easton, MD – signature loan of \$23,000.00 for critical parsonage repairs.

Hartly UMC, Hartly, DE – grant of \$5,000 toward renovations to continue safe child care ministry.

Hoopers Island Charge, Hoopers Island, MD – subordinated loan of \$25,000.00 toward rebuilding of parsonage damaged in hurricane.

Metropolitan UMC, Princess Anne, MD – grant of \$5,000.00 and signature loan of \$20,000.00 to upgrade parsonage to comply with Conference standards and to renovate other church-owned property for needed space for offices, meetings and community ministry programming.

St. James UMC, Westover, MD – signature loan of \$20,000.00 toward construction of new sanctuary.

\*Source.God, Milford, DE -- grant of \$10,000.00 toward duct work and other improvements to facility.

Wesley Temple UMC, Salisbury, MD – grant of \$5,000.00 toward repair and upgrade of HVAC system in educational wing.

In addition to our funding allocation and oversight duties, we are revising CDC's bylaws to officially broaden our involvement with existing churches as an educational and advisory resource for revitalization and crisis issues, facility maintenance and planning by church trustees, communicating church health and vitality issues, and the importance of developing long-term stewardship strategies. This will also improve our working relationship with the Conference's Enabling Ministries Resource Team (EMRT), through which CDC reports to the Annual Conference. An item in our annual budget is set aside to support CDC Board members' attendance at various workshops and conferences that increase our knowledge and insight into these issues; and we are working with EMRT to become more visible in this regard.

With approved grants and loans of approximately \$165,000.00 monies allocated by the annual conference for 2004 have been overspent, with the overage taken from loan repayments so as not to cause a Conference deficit on our part. CDC is committed to conservative use of the monies annually allocated and the funds on hand through Conference repayments in order to be faithful stewards of Conference monies.

Peter D. Weaver Mission Committee

We have had an exciting year working with the people of the Democratic Republic of the Congo. I am indebted to Bishop Marcus Matthews for his extraordinary support and insight for this very effective mission program. We have continued to improve and strengthen our relationship with our sister Conference and much has been accomplished through your efforts and support.

Our Congolese Brother and Sisters were a hit at our Annual Conference Sessions and it was a pleasure having them serve and share with us. Prior to meeting in Princess Anne, the delegation visited each District and shared first-hand the stories which told of human tragedy, anguish and pain. The stories dealing with children and women were just heart wrenching.

Despite the difficult environment, we saw a people who are determined to serve their God and work tirelessly in behalf of their people. I know many of you have been touched by the first-hand reports given by our visiting Delegation of Superintendent Armand Kinyamba, Rev Hilaire Presse and Umagela, a graduate student from Africa University.

Briefly, I want to give some highlights about your support of this very important Partnership and Ministry:

A Medical VIM Team visited the Congo and provided Medical support and aid at the Mpsa Center and Emoko Fama Orphanage

1. Container with medical equipment and supplies valued at \$7,000,000.00 was shipped
2. Bicycles were purchased for 75 pastors
3. Salary support for the Mpsa Nutrition Center and their doctors was established
4. The orphanage roof had received heavy damage from several storms and was repaired
5. The VIM Medical Team helped to establish an agreement with the Congolese Government for relief on custom duties for goods shipped into the country
6. A second container with agricultural products has been filled and is waiting to be shipped to the Congo. Under the leadership of Levin Vansant, Dover District Lay Leader we have been able to realize this important project. We hope to send more agricultural equipment and supplies to Central Congo, for our goals are to encourage our partners to do it for themselves.

7. We are helping to set up the Central Conference Partnership Coordinator & Superintendent's Office with office equipment and web site.
8. A new primary school has been built up country in the Congo with donations from this annual conference.
10. Your donations have enabled the Nutrition Center to add to its
11. We have helped purchase medicines for the Mpsa Clinic.
12. Your support has enabled the clinic to hire another physician, which was badly needed.

Our medical team found during their visit that medical care was almost nonexistent in the Congo. They have made several recommendations to this committee for assisting and improving medical support to the UMC in the Congo. The new recommendations will be discussed with the new Episcopal leaders for Central Congo and the Philadelphia Area.

The Central African conference elected Dr. David Kikomba. Yemba, Dean of the Faculty at Africa University. The new bishop is among the best known Christian ecumenical figures of the day. He has been moderator of the Faith and Order forum of the World Council of Churches since 1999 and is a frequent speaker on Christian unity and cooperation.

In all areas of his work-as scholar, clergy, and ecumenist-Bishop Yemba has a particular interest in the relationship between ethnic, national and denominational identities. He is strong supporter of the universal nature of the Christian Church.

Bishop Yemba is a native of the Congo and will be returning to his home area as episcopal leader. The 62 year old churchman and his wife, Henrietta, have five adult children, two daughters and three sons, and three grandchildren.

Bishop Yemba received his theological training at the Free University of Congo and holds a doctoral degree from the University of Strasbourg in France. At Africa University, located at Old Mutare, Zimbabwe, he has been part of the team that has turned the institution into a world class university in only ten years. He is vice president of the World Methodist Historical Society. Bishop Yemba is a welcome addition to our Congo-Pen-Del Partnership. Working with him will be a great joy.

Bishop Marcus Matthews is planning a meeting with Bishop Yemba this spring for the purpose of clarifying the Partnership Projects and our future work together. There will be an official signing of the new Partnership Agreement between the Bishops at each Annual Conference. The purpose of this act is to highlight the significance of our ministry together.

The committee will be offering additional educational trips to the Congo so many more persons who may not desire to be a part of a work team may visit the work in Central Congo. It is hoped that these persons will be additional Ambassadors for the Partnership Program. Stay tuned, all of the pertinent information will be forth coming very soon.

Your committee will be working to provide closer relationships with our Partners from the Congo to your local churches. There will be new work teams in 2006; we will encourage support of "Gifts of Love," a project from the Methodist Publishing House. The Publishing House prints new church school curriculum in the language of the Congolese. Annual Conferences have been asked to support this project as we work together to spread the message of love.

I am indebted to our hard working committee, who put in many tireless hours in support of the partnership and the people of the Peninsula and Congo. Thank you to Mr. and Mrs. James Harris for support from the Wishing Well, Rev. Jonathan and Donna Baker for leading the VIM Medical Team in July, Joy Burke who organized the medical container, J.T. Seymour whose support was crucial to implementing the Partnership Plan, Jackie Onwu, and Doris Obenshain who help translate French Congo documents into English, Bill Westbrook who works hard to keep accurate accounting of all funds and financial commitments, Carol Svecz & Rob Townsend for their great support in organizing the Prayer Partnership, to our Bishop Marcus Matthews for his vision support and leadership and for my partner, Mildred who helps keep the program moving forward in an effective and positive way.

Your support of the Congo Partnership has been tremendous and I would like to thank you on behalf of both Bishop Yemba and Bishop Matthews for all that you have done. May God continue to bless your congregations and keep your interest and hearts open to a people who are very grateful for all of your love and support.

#### Volunteer in Missions (VIM)

Grace and peace to each of you from God our Father who continues to bless this Annual Conference mission ministries. Each year we continue to become more supportive and involved in mission projects all over this world. God has enabled us to see, hear and respond to the needs of his people wherever they may be in trouble. VIM teams provide for the unique experience of local churches interacting with other churches, peoples, nations who are facing great need. The generosity of the Peninsula-Delaware Conference has been very positive and effective to difficult needs to the various mission situations whereby the call for help and assistance was answered.

We are grateful to the many churches that sent teams to the Eastern Shore for Disaster Relief, providing support to many families and helped more than 50 homeowners rebuild their homes. It was gratifying to see the commitment of time, talent and resources that were given in behalf of the effected area. Mildred and I thank each pastor, church and visiting VIM Team whose response helped a very hard hit disaster area get back on its feet. A new disaster plan is being developed by the Annual Conference to help us respond in a faster and more effective way to our local areas. The VIM Committee will be a significant part of this plan. We look forward to its implementation and giving it support.

The VIM Committee has tried to be responsive to the interest and concerns of the Peninsula-Delaware Conference as we address the many needs and mission interests. Many thanks to Rev. Dave Bennett and Gil Hoffman for their leadership and support for the ministry in Costa Rica. Two trips were sponsored by this Church last year and three are on the schedule for 2005. Clearly our goal is to expand this ministry and provide the opportunity for local churches to become involved and support this mission area.

The Committee is grateful to Rev. Patti Collett who led a Team to Florida in response of the Hurricane devastation. Patti took a team of persons from all over the Annual Conference to the Florida Conference and spent a very profitable week repairing homes. We expect to continue to send teams to this area who greatly need VIM Team support.

The Reverend Jonathan and Donna Baker led a Medical Team to the Congo this past July. The mission was very successful. The Team identified several new areas of concern, which could use our support. The new areas included expanding our support of the medical ministry to the Ekoko Fama Orphanage, Mpsa Nutrition Center and the hospital at Wembo Yama, which are located hundreds of miles up country. The Committee is appreciative of the Baker's leadership and insight for this Partnership Mission with the people of the DRC.

We briefed our new episcopal leader, Bishop Marcus Matthews about the VIM Program last October. Bishop Matthews was quite supportive and helpful about our VIM ministry. He has challenged this Committee to develop new Education Trips to the Congo for the purpose of providing an opportunity for more persons to see the ministry partnership up close and first hand. We know and understand that all persons are not interested in participating on a work team, yet are interested in the

work our Conference has undertaken. The Education Mission Trip will provide for these persons to participate with the people of the Congo and also provide them the opportunity to be Ambassadors for this program. These education trips are projected to be offered in May and October each year. The first educational trip is projected for the Fall of 2005.

Most of you know that Mildred was elected to the General Board of Global Ministries at Jurisdictional Conference last year. The Committee congratulates her on this significant accomplishment and look forward to the strong and important contribution we believe she will make. Many thanks to the people of the Peninsula-Delaware Annual Conference for their support of Mildred for this important work.

The Committee will sponsor its first VIM Trip to North Dakota this summer (July 28-August 9) to be with the Lakota Indians. The Rev. John Moore will be the Team Leader on this maiden trip. The Lakota's are ancestors of Rev. Moore's which gives great importance to this trip. Our goal is to tour and review the ministry. The Committee hopes to establish a ministry presence and support with and for the Lakota People.

Mildred and I serve on the NorthEast Jurisdiction VIM Committee as Directors. The officers of this Committee are as Follows: Howard Caulfield, President - Troy Conference; Mildred Hamilton Vice President- Pen-Del Conference, Sandy Rowland, Secretary - Baltimore-Washington Conference and Don Hamilton, Treasurer - Pen-Del Conference. Bill Westbrook, Director of Financial Resources for our Annual Conference, receives and disburses all funds for the NorthEast VIM Committee. Mildred and I are grateful to Bill for his wonderful support and guidance in the matters of finance for NEJVIM. *(It should be noted that Bill has agreed to support the NEJVIM to provide accountability for the Committee's finances. This is something that is required by the North East Jurisdictional Conference.)* We work with the VIM Coordinator Greg Forrester and serve as his employer. Greg provides the leadership, training and support for the Conferences of the North East Jurisdiction.

The VIM Committee was prominent in supporting the visit of the Congo Delegation last year. All of the Committee members were involved on their district. We thank our District Superintendents and their organizing committees for their support and encouragement during the visit. It was a labor of love.

We will celebrate and observe VIM Awareness Sunday this July 17, 2005. Every church will be asked to provide for a VIM moment in their main worship service. We solicit the memberships to consider becoming involved and back this important and transforming ministry. There are many speakers across the Conference who are willing to come and share about this important ministry. There is probably a VIM'er who is already a part of your church that would love the opportunity to speak about the VIM experience. In addition to the heightened awareness, we would ask your congregation(s) to support the VIM program with a donation. Donations for this ministry go to help Conference VIM Committee to sponsor VIM Mission Trips.

The Conference Staff has been just wonderful in supporting our Committee. Penny, Linette, LaWanda, Bill, Donovan, Connie, Tammy and J.T. Seymour all have been just super. The Committee could not accomplish its work without them.

We would be remised not to mention the gracious support Mrs. Connie Robbins, our secretary to the VIM Committee. She is an invaluable member of the Committee and we thank her for all of the very hard and efficient work.

Mildred and I are grateful for your confidence and support of our abilities and leadership for this most important work. We count it a privilege to work in this

most humbling and supportive way for the work of missions and ministry in the Peninsula-Delaware Annual Conference.

#### REVIEW OF GOALS

##### Section 1: Goals

**1. Support and offer health educational opportunities to health ministers, parish nurses and clergy.**

Four health ministry/parish nurse network meetings, two semi-annual DE Region Health Ministries chapter dinner gatherings and one retreat were coordinated. Two Parish nurse coordinators are now available for consultation, information and health ministry presentations.

**2. Continue to promote whole person health.**

Two mailing lists are maintained for emailing and postal service providing whole person health information, community resources and educational opportunities to clergy, health professionals and lay leaders. Assistance with problem solving and community resources is available from The Parish Nurse Council that includes four Masters prepared parish nurse educators, two of whom are United Methodists.

**3. Empower people to be responsible for their mental, physical, spiritual health.**

This goal achieved through the education and counseling of parish nurses, health ministers, congregations, communities and clergy by the above activities and individual conferences and occasional conference mailings to all churches as well as a monthly column in the UM Communicator.

**4. Partner with other organizations, faith communities sharing common goals.**

Agencies we have worked with in 2004 include; Christiana Care Health System, St. Francis Hospital, Catholic Charities, Health Education Network of Delaware (HENOD membership includes the majority of non-profit agencies in DE.) Delaware Nurses Association, DE Stroke Initiative, AstraZeneca, City of Wilmington, SE Pennsylvania Health Ministry Chap., American Heart Assoc., Campaign for Tobacco Free Kids, Cancer Outreach Center, the United Methodist Conference, National Health Ministries Assoc., Bay Health Corp., Kent General Hospital and others.

**5. Assist pastors and congregations in initiating health ministry programs and accessing community health resources.**

The parish nurse council is available for consultation and assistance to all faith affiliated and non-profit organizations and on occasion works with various national and local government agencies to promote wholeness.

Additional Goals met in our 2004 report include:

**6. Increase the number of Parish Nurses/Health Ministers in local churches.**

This goal was met by providing partial scholarships to parish nurses, clergy and lay health leaders to relevant health promotion/disease prevention programs; offering partial scholarships to the Parish Nurse Preparation Programs and activities provided throughout the year. In 2004 eight nurses from Delaware attended approved PN Preparation Programs, four receiving partial scholarships from the Health and Welfare Taskforce.

**7. Health fairs/blood pressure screenings coordinated by health ministers and parish nurses in many faith communities throughout the conference.**

8. **Monthly Focus Project-** Programs and information was made available to health ministers/parish nurses. Example: February was Heart Health month and the focus was Women's Heart Health a disease not well publicized and the number one killer of women.

**Section 2: Highlight other significant events, accomplishments and challenges.**

January 8<sup>th</sup>-Luncheon presentation to United Methodist pastors of New Castle County on the value of health ministry in congregations.

February 10<sup>th</sup>-Presentation to Wesley College nursing students on parish nursing and health ministries as part of their community health course.

May 24<sup>th</sup> Presentation to the South East PA Health Ministry Chapter on, "How to have a Successful Health Ministry Program."

June 4<sup>th</sup> and 5<sup>th</sup>-Blood Pressure screening of over 150 participants at the Peninsula/DE United Methodist Conference.

October 23-24<sup>th</sup> retreat was made possible by the Health and Welfare Taskforce and the DE Region Health Ministries Chapter subsidizing the cost thereby allowing volunteer parish nurses to attend. Thirty-three nurses and two United Methodist Pastors attended. From this retreat a second PN Network was initiated in Southern DE and the Eastern Shore of MD.

A significant challenge is promoting "Reducing At Risk Behavior Problems" and "Stop the Violence" programs within the UM Conference.

**Significant events and accomplishments have been:**

1. Co-sponsors of the teen conference: Reducing At-Risk Behavior, with DE Dept. of Human Services at Dover Air Force Base Officers Club-Rev. Naomi Winchester and Dr. Gloria James co-coordinators. Over 200 youth attended.
2. Four interfaith parish nurse/health ministries network meetings provided worship, networking, education, discussion and fellowship.
3. Two multi-faith health ministry dinner gatherings including clergy, health professionals, lay health ministers and others interested in health wholeness.
4. Parish nurses participated in community and corporate stroke screenings and the planning committee for the Health Education Network of DE Conference.
5. Five parish nurses sit on the DE Region Health Ministries Chap. Executive Board.
6. The DE Region Health Ministries quarterly newsletter and monthly Health Ministry column in The Communicator is written by parish nurses.
7. Provided financial support for the "Stop the Violence" Conference. Eight hundred youths attended at the Riverfront in DE. The challenge is to find support to sponsor this same conference in Eastern Shore of MD.

**Section 3:**

The Health and Welfare Taskforce is mindful of walking in the Faith; shaped by the Word and Empowered by the Spirit. Amen!

## United Methodist Men

### THEME: HEARTS AFIRE FOR GOD

*Since no man knows the future who can tell him what is to come. No man has the power over the wind to contain it. So no one has the power over the day of his death.*  
*Ecclesiastes 8:7-8*

We, the United Methodist Men of the Peninsula-Delaware Conference, are men striving to be all that we can be for Christ Jesus.

Through our good deeds or performances, as well as accepting Him as Lord and Savior. As willing and bold servants (not slaves) we are armed with a spirit, mind, clean heart and a healthy temple not made by hands, but made by God and it is His to dwell within.

First and foremost we must clean our temples in order that the Holy Spirit may dwell within us. We are equipped with the good news, but having the good news isn't enough. In my opinion, God deserves and demands much, much more.

All of us must spread the good news for Christ Jesus, which is making disciples of men and women through his leadership, gospel, mission and ministry throughout His universe.

As a leader holding the Office of President of UMM representing the Peninsula-Delaware Conference and His Majesty, purpose driven by our beliefs and what we have become through Christ Jesus with compassion for mission and ministry nationally or internationally bound to gather in unity.

### WITH VISIONS AND DREAMS

What are visions and dreams? According to Webster's, the most respected American Dictionary, it confirms that two words are inter-changeable or a mix - can't have one without the other.

**Dreams** - a series of thoughts, images or emotions occurring during sleep.

**Vision** - Something seen in a dream - **The two words are synonyms.**

*An ax head floats in water so it takes more than a handle. A handle without a head is like going through the motions.*  
*Kings 6:1-7*

So I say to the UMM collectively on the Peninsula-Delaware Conference, we have the foundation together - we must build on it.

### TWO THOUSAND FOUR (2004) - TWO THOUSAND FIVE (2005)

A busy and eventful year that found men at our Annual Methodist Gathering May 15<sup>th</sup> at Hurlock, Maryland.

Camp Pecometh, Centreville, Maryland September 11-12, 2004, 47<sup>th</sup> Annual Men's Retreat.

The National Association of Conference Presidents, March 3-6, 2004

The United Methodist Men's Foundation and Prayer Advocates gathering in Nashville, Tennessee.

It also brought us (The UMM) into new territory as we seek or explore new methods on how to build new relationships in order to increase membership through fellowship of Methodist Men Organizations throughout the Peninsula-Delaware Conference and the Northeast Jurisdiction.

I must be that drum major for the UMM, their cause and purpose. I must explore all available avenues for workable solutions.

## SOLUTIONS

I must acknowledge the Wilmington District and include excerpts from their report. The first paragraph or opening statement from the District and Vice President of UMM on the Peninsula-Delaware Conference, Allen Loomis, asks a question: Where are all the men? A question I hear too often. But most important – how can we declare the centrality of Christ in the lives of men in all their relationships if they are not with us in fellowship (so where are all the men?) You can start by compiling data of UMM Groups that are active in the area or district. A starting point will be to list active Presidents or a representative or identify potential leaders.

Make note of where and when they meet. Then schedule visitation dates in order to share information from your conference, district, and jurisdiction on the National Level of the General Commission on United Men, The (UMMF) United Methodist Men Foundation, (NACP) National Association of Conference Presidents, and The (NAUMS) National Association of United Methodist Scouters.

List those accomplishments that were obtained through ministry and mission as we continue through encouragement to others, as well as sharing and exchanging information. This will afford opportunity and support of others to increase communication, as well as fellowship with-in individual's in the district. Hopefully, this will also be an opportunity to bring more men as disciples to Christ.

We must target the men between ages 18-25. Once the board introduces them to leadership positions, community service, teaching, attending bible studies and the lay academy at the same time building charters. We also found that bowl-a-thons open avenues for fellowship and a time for teaching them responsibility, accountability and that it is about Christ Jesus rather than one's self.

## OUR GOALS FOR 2005

Promoting the 9<sup>th</sup> gathering to have one hundred-plus men to attend. Award at least one John Wesley Fellow Award per year.

Strengthen our faith through mission and ministry, group and individual bible studies. Rekindle the prayer line or prayer advocates.

Raise the status of the local church UMM Charters. Increase the membership of EMS Program every man shares through Evangelism, Mission and Spiritual life by 5% this year. NEW church charters by 5% conference-wide.

## IN CLOSING

We are men committed to the organization's growth through recruitment of new members, the renewal of lapsed charters, encourage men to organize new groups to be more active in the community and church at home. But we must expand mission and ministry nationally and internationally.

*The people answer in unison. We will do everything the Lord has told us to do.  
Exodus 24:3*

## STONEY THE ROAD

Stoney the road one trod, bitter the chasten road.

The journey and the road that you and I are traveling are full of traps and snares, and if you should fall, God will lift you up to try again.

*Paul an apostle sent not from men, nor by man; but by Christ Jesus and God the Father, who raised him from the dead and all the brothers' with me.*

*Galatians 1:1-2*

Let us all give the glory and honor to our God and Savior Christ Jesus.

The one that gives freely the gift of life to his creation made from the dust of the earth, through the act of breathing the breath of life into the nostrils of his creation, then he gave each creation a living soul.

Our gratification is visible or displayed in its fullness when His presence is felt and if you are still you can hear His voice in the wind.

*Obey the King. Whoever obeys his command will come to no harm and the wise heart will know the proper time and procedure. For there is a proper time and procedure for every matter.*

*Ecclesiastes 8:2-6*

### LEADERSHIP DEVELOPMENT RESOURCE TEAM

The mission of the Leadership Development Resource Team (LDRT) is to discover, develop, and support leadership for mission and ministry especially within the bounds of the Peninsula-Delaware Conference. In particular, the LDRT will direct its efforts toward development of and support for new and current leaders.

The Resource Team has prayerfully continued its work during the year.

#### **Strategic Planning**

This year we have initiated a strategic assessment of our activities to establish strategies and supporting goals to further the mission of the team. The process was initiated in a kick-off session facilitated by Dr. Luther Felder, Assistant General Secretary on Campus Ministry and Annual Conference Relations. In this session we identified Societal Issues and Church Issues that must be addressed if we are to be successful in our mission. The team will be directing its activities towards the highest priority issues as it develops its programs. A few examples of the identified issues are:

#### **Church Issues**

- Introvertism
- Traditionalism
- Lack of Youth
- Resistance to Change
- Generation Gap
- Classism
- Finance
- Member Loss

#### Societal Issues

- Global Terrorism/War
- Political
- Health Issues (HIV, Health care, Emotional overload)
- Technology
- Personal Morals

#### Campus Ministry

The LDRT continues to support the activities of the Wesley Foundations on the college campuses. This effort supports the mission of the team and of the church. These ministries play a key role in continuing the support of our youth as they transition from high school and the family church environment to adulthood. One of the issues identified in the strategic assessment process was: "Lack of Youth", which these ministries are critical in addressing.

#### Other Activities

- Receive and provide hospitality for a Black College Fund Ambassador to the Annual Conference Session
- Nominate a candidate for the Francis Asbury Award to be presented at the Annual Conference
- Publish the Campus Ministry annual booklet
- Strategically review a Wesley Foundation Campus Ministry each year

#### Commission on Archives & History

##### Review of Goals:

1. **Operation of Barratts Chapel and Museum.** It is the privilege of the Commission on Archives and History to own and operate Barratt's Chapel and Museum. In its 225<sup>th</sup> year, Barratt's Chapel is the oldest surviving Methodist Church in America. It is also our responsibility by The Discipline to be the repository for the archives of the annual conference, and to retain the records of closed churches. We continue to collect and preserve archives and historic records. The Library is open for researchers, and help with genealogical services is available upon request. The Chapel is frequently used for weddings and funerals, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30 and at other times by appointment.
  - a. **Barratt's Wesley Partnership:** During this conference year, the Commission has entered into an exciting partnership with Wesley College. Among the many exciting possibilities that have already emerged from this partnership are:
    - i. The Chapel and Museum are available to Wesley College History majors for research and internships. This spring six interns (along with two faculty members) are on site from 10:00 a.m. to 3:00 p.m. allowing the Chapel and Museum to be open every day. This has been a significant advance toward the goal of making the Chapel and Museum more accessible by being open more hours.
    - ii. Wesley College is assisting with building maintenance
    - iii. Wesley's catering services are available for weddings and special services
    - iv. The Chapel is available as a venue for lectures, historic dramatic presentations, and concerts.

- v. Wesley College has already helped secure a grant of \$62,500 from the Jessie Ball DuPont Foundation, and is helping secure other philanthropic and Federal grants.
- b. **Maintenance:** With a 225 year old Chapel and two other buildings, there are always maintenance issues. Wesley College is assisting with maintenance and has removed trees and cleaned gutters. Several windows on the northeast side of the chapel need to be replaced, and estimates are being sought from local craftsmen. Better electrical service has been run to the chapel, and repairs have been made to the furnace. The Commission is investigating whether air conditioning is advisable for an 18<sup>th</sup> century building. Repairs to sidewalks and Chapel plaster are being planned.
- 2. We will continue to support local church historians and their projects.** The Museum at Barratt's Chapel is the repository the Conference Archives. Barbara Duffin, Site Administrator, along with trained volunteers, is available to help local churches discover, preserve, and tell their history. During the 2005-06 Conference year, the Commission on Archives and History will sponsor a Church History Writing Contest, with awards for both new church histories, and updated histories.
  - 3. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke, and conduct other services.** In 2004 the Anniversary Service was held on the actual day that Coke and Asbury met. Bishop Marcus Matthews brought the message on the 220<sup>th</sup> anniversary of the service where authorized Methodist Clergy celebrated the sacraments for the first time anywhere in the world. Musicians from Whatcoat UMC in Dover (the oldest African American congregation in Dover) and Hope UMC (the newest United Methodist Congregation in the Conference) brought the special music. Wesley College catered refreshments.
  - 4. Development of new programs and ministries.** Please make note of the Barratt's Ambassador Program. Do you need a program for a fellowship dinner, or a speaker during the Pastor's vacation? The Commission on Archives and History has a group of trained Ambassadors who would love to speak to your congregation or a group in your church. To arrange an Ambassador please call 302-335-5544 or e-mail us at Barratts@aol.com
  - 5. Produce two newsletters a year.** In conjunction with the Friends of Barratt's two newsletters were published and mailed to nearly 1000 "friends." The newsletter brings news from the Chapel and museum, information about resources that are there, as well as donated artifacts and acquisitions. The newsletter also solicits 'Friends Memberships,' and contributions, which support the cost of operating of the Chapel and Museum that exceed the Conference budget allocation by nearly 200%.
  - 6. Compile a history of the first women ordained in the Peninsula-Delaware Conference.** This is an ongoing project as we near the 50<sup>th</sup> anniversary of women being granted full clergy rights in The Methodist Church. Pioneering clergywomen are being interviewed not only in our conference but also throughout the Northeastern Jurisdiction. We hope to present a celebration of Women in Ministry during the next conference year.
  - 7. Support the work of the Friends of Barratt's.** We are so grateful to the Friends of Barratt's for their interest and support of Barratt's Chapel & Museum. Their efforts help with the maintenance and operation of the facility. Each year the Friends of Barratt's hold an annual dinner. This year the dinner was hosted by Wesley College and the guest speaker was Ms. Madeline Dunn, Curator for

Education of Delaware State Museums, who spoke on how Methodists assisted with the development of Delaware and the nation.

8. **Purchase the land and caretaker's cottage between Barratt's Chapel and US 113.** Early in 2004 the Commission on Archives and History purchased from the Trustees of Barratt's Chapel Cemetery, all the land between the cemetery wall and US 113, including the former caretaker's home. We are grateful for the many generous contributions that made this purchase possible. Efforts to have the caretaker's cottage removed have been stymied by the excellent building climate in Delaware. It is our sincere hope however that the cottage will be removed by the time you read this. Once the cottage is removed the site will be redeveloped and parking will be improved. The Commission on Archives and History is seriously exploring the development of a small "Bishop's Lot" where United Methodist Bishops and their spouses can be interred.

#### Other Developments

1. **NEJCAH Annual Meeting:** The Peninsula-Delaware Conference Commission on Archives and History will host the Northeastern Jurisdiction Commission on Archives and History meeting in May of 2007. Part of the 3 day meeting is a one day tour of important historic sites within the conference. We are currently exploring sites in the Easton and Salisbury districts for the tour.
2. **Chapel Farm Development:** Land across the highway from Barratt's Chapel has been purchased for development. Of concern to the Commission on Archives and History was a 90,000-sq. ft. retail development on the land nearest the Chapel. Commission members met with the developer, and also with staff of the Regional Planning Office voicing our concerns about the encroachment of a large shopping center so near an important historic site. Commission members also attended and spoke at public meetings of the Planning Commission and Kent County Levy Court. Levy Court denied the application primarily because of the retail development.
3. **Delaware 1 / US 113 Realignment:** Commission members have met with engineers from the Delaware Department of Transportation to discuss the realignment of Rts. 1 and 113 from Little Heaven to Frederica. We noted our concerns for safe access to both the Chapel and Cemetery, and the need for good signage from the north and south.
4. **Barratt's 225<sup>th</sup> Birthday:** Barratt's Chapel is 225 years old this year. We are planning a national observance of this milestone for the fall of 2005.
5. **Barratt's Advanced Special:** We sincerely thank the many congregations who received a special offering in April 2004 for Barratt's Chapel and Museum, and hope that even more will participate in 2005. Please note the Conference had voted to move the Barratt's Chapel Advance Special to November.
6. **John Purner's Journal:** The Commission has published the Journal of John Purner, as transcribed by Barbara Duffin and Phil Lawton. Rev. Purner was a circuit rider in Sussex County, DE and Dorchester County, MD on the eve of the Civil War. It is available for \$4 at the Barratt's Chapel gift shop.
7. **Delmarva Discussions:** The Commission partnered with Delmarva Discussions to host a three part discussion on "The Peculiar Institution: Slavery, Race and Freedom." The workshops were attended by 36 participants.
8. **Local Church Record Retention Policy:** The General Commission on Archives and History has developed a retention policy for local church records (what to keep,

and how long). Our Commission will present a Local Church Record Retention Policy at Annual Conference for use by our churches.

9. **40<sup>th</sup> Anniversary of the Delaware Conference-Peninsula Conference Union:** Next year (2006) is the 40<sup>th</sup> anniversary of the Union of the former Delaware and Peninsula Conferences, which was the first in the denomination. The Commission will be planning an appropriate commemoration.
10. **University of Delaware Intern:** Rachel Tezcan completed her internships for a Masters in Museum Studies.
11. **Grants:** Grants were received from the Crystal Trust (\$10,000) the Fair Play Foundation (\$5000) the Jessie Ball DuPont Foundation (\$62,500 through our affiliation with Wesley College), and the General Commission on Archives and History (\$2,000).

#### **Goals for 2005-2006**

1. Operate and Maintain Barratt's Chapel and Museum in partnership with Wesley College
2. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke, and conduct other services at Barratt's Chapel. In 2005 this will include a celebration of the Chapel's 225<sup>th</sup> year, a celebration of Women in Ministry, and a celebration of the Union of the Delaware and Peninsula Conferences.
3. Provide support and encouragement for local church historians and their projects. This will include a Local Church History Writing Contest for 2005-2006.
4. Continue to train and deploy Barratt's Ambassadors.
5. Produce two newsletters a year.
6. Support the work of the Friends of Barratt's
7. Redevelop the site of the caretaker's cottage and consider options for a "Bishop's Lot."
8. To pursue grants for the maintenance of Barratt's Chapel and the further development of its programs and ministries.

#### **Board of Ordained Ministry**

The Board of Ordained Ministry would like to express appreciation to Rev. Karen Bunnell, who has led this Board so ably for several years. This year the Board is adjusting to a new quadreium with a new chairperson and several new committee chairpersons.

The Book of Discipline defines the role of the Board of Ordained Ministry as being responsible for the enlistment and recruitment of ordained clergy by working in consultation with the cabinet and General Board of Higher Education & Ministry to study and interpret the clergy needs and resources of the Annual Conference with due regard to the inclusive nature of the church. The Board continues to be faithful to all the various disciplinary requirements. We work closely with the General Board of Higher Education and Ministry to guide our work. Several leaders of the Board have attended national training events offered by the General Board. The Board of Ordained Ministry works closely with the Bishop and Cabinet in fulfilling our responsibilities and serving the clergy of our Annual Conference.

The Recruitment Committee has been engaged in recruitment of young people for Ordained Ministry. The Board had a large presence at the Conference Youth Rally in

January and sponsored a pizza party. The Pastoral Leadership Search Effort (P.S.L.E) sponsored by the General Board of Higher Education and Ministry is training the committee. This is an effort to give guidance and expertise to recruitment and nurturing of young people through the local church, conference gatherings, and use of the Internet.

The Board sponsored a one day event in which the Candidacy Registrar worked with the District Superintendents and District Board of Ministry Chairpersons to update a coordinated policy document to be used on all four Districts. The Candidacy Mentor also trained Candidacy Mentors on all four Districts.

The I CARE Team has been equipping themselves to serve as facilitators in matters the Bishop deem appropriate.

- Training and monitoring of mentors for persons in the process towards ordination.
- Support of persons attending licensing school in order to be Licensed Local Pastor.
- Monitoring and training of Mentors for Candidacy Program.
- Recruitment of persons through seminary visitations and local church promotion, and the P.S.L.E. Program.
- Interview Retreats for all candidates who seek ordination and psychological evaluations.
- Providing support systems for clergy through New Pastor's Orientation Retreat, recognition of Ordination, retirement seminar, and spiritual formation.
- Administration of all matters relating to Conference relations for clergy.
- Provide an accountability process for people in probationary membership.
- Explore ways to effectively work with the Orders of Elder, Deacon and the Fellowship of Associate Members, Local Pastors and Student Local Pastors.
- Sponsor Sexual Ethnic Seminars throughout the Annual Conference.
- Re-structure of Executive Committee for improved effectiveness
- Assuring that the Board is more sensitive to race, gender, and cultural issues as we work with a diverse clergy. The Board is committed to recruitment and nurture of clergy to serve in ethnic communities.

#### Philadelphia Area Committee on Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. Meeting at several times during the year with Bishop Weaver through June and with Bishop Matthews through December, the functions of the Committee were:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to assist in the determination of the episcopal needs of the area; and
- d) to make recommendations to appropriate bodies.

2004 was a major transition year in our episcopal leadership as we expressed thanks to Bishop Weaver for his eight years as our Bishop and welcomed Bishop Matthews and his wife Barbara as our newly assigned Bishop. The Episcopacy Committee was involved in helping plan for the special worship

service for Bishop Weaver and the celebration of his ministry during Annual Conference.

An Area Transition Team and Conference Transition Teams were created to help prepare our Conferences for the anticipated change, support Bishop Weaver, and prepare for the welcome and orientation of Bishop Matthews in both conferences. This included working with conference and district staff to prepare for change, several welcoming receptions and a service of installation and welcome at Tindley Temple United Methodist Church in Philadelphia. We have also worked cooperatively with the Eastern Pennsylvania Trustees to create an Episcopal Residence Committee with representation from both conference Episcopacy Committees and Trustees.

The Philadelphia Area Committee on Episcopacy highly recommends the continued employment of an Assistant to the Bishop in order to support the Bishop in doing research, correspondence, and other administrative matters. This position is critical in assuring the bishop the opportunity to provide the spiritual leadership important to our area. While this position has been half-time in the past, the increased administrative demands on the Episcopal office will require serious consideration to increasing the time given by the Assistant. If we expect our bishop to lead, we must provide the necessary funding support to enable this increase in administrative support.

The Area Committee continues to:

- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and function of the Episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making

We achieve this through our regular meetings with the Bishop, a yearly performance evaluation of the Bishop in cooperation with the Jurisdictional Committee on Episcopacy through the duly elected conference members of that committee.

We are grateful for the financial support of our Conferences which provides for the Assistant to the Bishop enabling Bishop Matthews to give leadership to the almost 1000 churches in our area as well as to his important work in the General Church.

### Board of Lay Ministries

The purpose of the Conference Board of Laity (in part) as noted in *"The Book of Discipline of the United Methodist Church 2004"* (p. 630.2) is as follows:

- To foster an awareness of the role of the laity . . .
- To develop and promote stewardship of time, talent, and possessions . . .
- To provide for the training of lay members of annual conference.
- To provide support and direction for the ministry of the laity . . .
- To provide organization, direction, and support for the development of local church leaders.

#### **STATEMENT OF GOALS FOR 2004**

1. Continue to encourage inclusivity on each district throughout the conference.
2. Encourage teaching of the "Guidelines" for each ministry area in the church, providing district as well as Conference wide events.
3. Use the Board of Lay Ministries to lift up different ministries throughout the conference.
4. Continue to visit in local churches as we are invited by clergy, encouraging laity in ministry and partnership with clergy.
5. A Fall conference-wide lay speaking event is being planned, with participation of conference director of lay speaking and each district director of lay speaking, along with the conference lay leader.

#### **INTERNAL GOALS:**

1. Continuing to be intentional in our inclusiveness, remembering that there are many cultures represented in The Peninsula-Delaware Conference.
2. Challenging each member (conference as well as district boards) to mentor at least one (1) youth, other than their own, throughout the year; also encouraging them to bring that young person to at least one board meeting, thereby providing a "teaching moment" or learning experience.
3. Use every opportunity to empower laity in their mission and ministry, both as a conference board and as individuals serving on this board.

#### **STATEMENT OF GOALS FOR 2005**

1. Maintaining goals in place for 2004, as well as strengthening those areas in order to more effectively empower all laity in their ministries throughout the conference.
2. Maintain an awareness of gifts of the laity and highlighting them at every opportunity, especially through The Order of St. Barnabas.
3. To get our "Reporting Guide for Lay Members to Annual Conference" into the hands of the many different cultures representing the whole Body of believers, that they may offer suggestions that would be beneficial for the whole church.
4. Supporting conference director of lay speaking in effort to put in place a

conference-wide directory of certified lay speakers, while also updating a new form for lay speaking.

5. Working to give greater support to district lay leaders in their significant role, through resources, i.e., materials, workshops, and out of conference experiences that will further enhance the valuable contribution they make to our conference. This contribution extends to other laity in their districts, and to ministries they are personally "called" to in order to further the *Gospel of Jesus Christ* and make new disciples of Jesus Christ.

#### **STATEMENT OF GOALS FOR 2006**

All of the above goals for 2005 will stay in place, with the addition of a significant training event to be held in Philadelphia, a Northeast Jurisdictional event, that will include not only conference lay leaders and associates, but also district lay leaders. This training will be done by leadership from the General Board of Discipleship.

#### **Highlights of Other Events**

##### **LAY SPEAKING ACADEMY**

Our district directors of lay speaking, along with district boards of lay ministries members and others continue to work faithfully to maintain quality courses approved by the General Board of Discipleship out of the Nashville office, as well as other requested courses at our district academies. There are two or more academies being held on each district, some being held in the fall and some in the spring. Several hundred completed either basic or advanced courses again this year, with many of those being "certified". We are very pleased that so many returns each time an academy is offered. We also extend these offerings to others from other denominations who have requested and continue to request this opportunity to further their Christian education and experience, along with Christian fellowship.

##### **DAY APART**

Our workshop leader for our annual "Day Apart" this year was Rabbi Irv Horseman from "Congregation Rosh Pina, a Messianic Synagogue in Owings Mills, MD. We celebrated our "Jewish Roots" as Rabbi Horseman shared with us the beautiful connection of Hebrew Scripture (Old Testament) to our New Testament revelation of Jesus as Messiah. He ended the day by presenting each one in attendance with a Hebrew Bible (Old and New Testaments) in Hebrew and English. We were also pleased to have Joyce Beauchamp from the Salisbury District to share her gift of song, as well as her testimony.

##### **LAITY/ CLERGY BANQUETS**

The Annual Conference Laity/Clergy Banquet was not held this year due to, in our opinion, a change of time to the Fall (October) and poor ticket sales. We are looking at the possibility of moving this back to the Annual Conference session. However, 2005 is being planned, once again, for Modern Maturity in Dover.

District laity banquets were also held throughout the year, with good attendance. Most districts continue to use this special opportunity to highlight specific ministries of the local churches.

##### **Closing Statement**

As I continue to be remolded by "the Master Potter," I find myself being challenged more than ever before in my life—challenged and stretched in this faith walk to be all that Christ calls me to be. Our board members are experiencing this same "stretching". "For such a time as this, we have been called to this place." Please keep us in your prayers as we continue to make every effort to be found faithful.

As always, we pray for all of you in your ministries, clergy and laity alike, that each of you, also, might be found faithful—obedient to all the LORD calls us to do. Thanks be to God for each of you.

Darlene S. Webster  
Conference Lay Leader

#### Order of St. Barnabas

#### STATEMENT OF GOALS FOR 2005

1. To celebrate and to induct persons who have met the "Four T's" of stewardship—Target Prayer, Time, Treasure and Talent.
2. To include an Order of St. Barnabas litany on stewardship Sunday within the Worship service.
3. To recognize past and current members of St. Barnabas at the Conference Laity/Clergy Banquet.
4. To secure nominations from the inclusive population of the church community for outstanding service in the Four T's of stewardship.
5. To recruit and encourage new members to the committee.
6. To recruit a new chairperson for the committee.

Gene A. Cray  
Chairperson, Order of St. Barnabas

#### Wesley College

#### Review of 2004 Goals

1. Continue to provide a strong ministry of hospitality to international students, to those who are unchurched and visitors to the College, including Boys & Girls Club members.

Hospitality is a hallmark of the Wesley College ministry that has freely offered its resources and facilities in a number of mutually beneficial relationships, many of which are ongoing. For example, students from the Education Department gain valuable teaching experience at the **Charlton School** and **The Campus Community School**, a publicly funded charter school on the Wesley campus. The **International Program** continues to grow in both enrollment and countries represented, with students from 17 nations last year. We are particularly pleased about the developing relationship with the **Hachinohe Institute of Technology** in Japan; discussions occurred in summer 2004 about significantly expanding the summer program currently in place. In addition, the **YMCA Resource Center** and the **Children's Theatre** continue to find a home on campus. Through programs offered by the offices of student activities and career services, Wesley strives to make its commuters at home while they are on campus. The Chapel service continues to be a welcoming place for all members of the College community and for those who have expressed an interest in being a part of our Wednesday Worship at Wesley. Chaplain Pruet-Barnett has established a Prayer/Meditation room for the use of groups and individuals. Currently, a Roman Catholic group is meeting here.

We are gratified that Hope Church, which meets in the Wesley Chapel, has officially become a church of the Peninsula-Delaware Conference. Hope has presented Wesley College with a check for \$1,000, which now forms the basis for a scholarship fund to benefit a Wesley College student who is a member of Hope. Furthermore, the new Barratt's Chapel and Museum relationship that went into effect in August 2004 is particularly exciting. Already students are involved in study at the chapel; maintenance is effecting improvements and repairs; and the College has begun to handle financial transactions for the Chapel. Moreover, Wesley has received a \$62,500 grant from the Jessie Ball DuPont Fund that will provide necessary funding for internship and academic program opportunities at the Chapel and Museum, including technological support to bring cataloging up to contemporary standards.

Another very promising prospect is the strategic alliance between the Schwartz Center for the Arts, Delaware State University and Wesley College, making these two higher educational institutions major users of the facility. Re-opened in 2001 after an extensive \$8.3 million renovation, the Center is two blocks from campus in the historic district of downtown Dover. Students from the two local colleges operate the facility—gaining a greater appreciation for the arts, while helping to finance their college educations.

**2. Continue to provide a strong ministry of hospitality to all students through the College's quality, values-based education.**

Wesley College is successfully expanding its education ministry. Its strong student recruitment program attracts students who have a "good fit" with the College and Dover community, leading to a strong average retention rate of 89.5 percent over the past five years. The past five years have been the most selective in the College's 132-year history. Contacts and inquiries have tripled over the past six years, while applications have doubled. The caliber of student that Wesley College can produce is exemplified in one of our recent graduates, Rocky Myers '05. Rocky earned a wide array of state and national laurels during the past few months, including the Gagliardi Trophy as the NCAA Division III national football "Player of the Year" and state "Athlete of the Year." Even more impressively, Rocky graduated in January 2005 with a perfect 4.0 grade point while majoring in biology and minoring in chemistry, earning nearly \$30,000 in post-graduate scholarships from the College Football Hall of Fame and Foundation.

The College is eager to reach out to new populations of potential students. President Miller and Chaplain Pruett-Barnett hosted a visit of two leaders in the Hispanic community of the Peninsula-Delaware Conference of The United Methodist Church. Rev. Jeremias Rojas of Asbury-Minquadale in Wilmington and Rev. Rene' Knight of Georgetown visited the campus for discussions with administrators and faculty. The guests also brought with them high school students from their churches. After a tour of the campus, the guests held a roundtable discussion with members of the faculty and staff. Financial aid of various kinds makes a Wesley College education affordable. Through the federal government, for example, 536 Wesley students received \$1,265,446 in Pell Grants last year, according to the U.S. Department of Education. Alumni scholarships are also available, and the College itself provides tuition discounts that can amount to 25 percent for Peninsula-Delaware Conference students, 50 percent for children of Peninsula-Delaware conference clergy; and 25 percent for UM clergy from other conferences. The College's educational, athletic and support resources continue to expand. For example:

- **MBNA** has recently provided an additional \$100,000 grant for equipment and resources for the business program.
- **Dell wireless access points** have been placed in three areas to provide wireless service to students, faculty and staff.

- Perdue Farms has endowed a new scholarship for students from the Greater Salisbury area majoring in business and/or environmental studies. The **Harry Palmer Scholarship** was established in honor and memory of the late Harry Palmer, a former Perdue executive and Wesley College trustee. We anticipate that the first award will be made in the 2005-06 academic year.
  - The **Department of Nursing** has received \$175,000 to expand and modernize the existing facility. This funding is in addition to a nearly \$200,000 grant awarded last year for the same project.
  - The National Institutes of Health (NIH) has awarded a five-year, \$16.7 million grant to the Delaware IDeA Network of Biomedical Research Excellence (INBRE), a consortium of the state's academic and medical institutions led by the University of Delaware and the Delaware Biotechnology Institute (DBI). As part of the consortium, Wesley will be able to continue the development its facility infrastructure. More significantly, its participation will enable Wesley College faculty and students to collaborate on research projects, both on our home campus and at DBI. Interaction and networking of this type will only strengthen the capacity of ALL the participants to graduate students better prepared to meet the evolving needs of Delaware's biomedical workforce.
  - The **Media Arts Program** at Wesley recently received a \$10,000 grant from the Verizon Foundation for an upgrade of its computerized video-editing system.
  - Music has been advanced through the **Faculty Performing Arts Series** and the **In Harmony Series**.
  - A new Nomad Presentation System and two LCD projectors and personal computers, ordered through a grant from the **Barnes and Noble Corporation** before the semester, have been delivered and are available for use in the classrooms on the second floor of the du Pont College Center.
  - Major renovations have been completed on **Wolverine Stadium**, thanks to two gifts totaling more than a million dollars. These features included upgrade and expansion of seating to 2,200; a new press and entertainment box with observation deck; a new ticket booth; artificial field turf; stadium lighting for night contests; and other amenities such as fencing, sidewalks, landscaping and a new scoreboard in the south end zone. A computerized system now allows messages to be broadcast during games, covering institutional and other announcements (to be charged at \$10 per message for fraternities, sororities, birthdays, weddings, etc.)
  - The College's pool facility has been renovated through contributions from Wilmington area foundations.
  - To accommodate growth, the locker area on the ground level of the du Pont College Center has been converted to the administrative office for the Department of Intercollegiate Athletics. The new office suite will locate the athletic director nearer to most of the coaching staff.
  - Construction has begun on **Malmberg Hall**, a new 60,000 square foot building that will mirror in appearance the Academic Village. Located behind Academic Village on Governors Avenue, the \$8.2 million building will have one level of underground parking, one level of classroom/seminar space and fitness center and two levels of suite-style housing. Approximately 180 students will reside in the facility, scheduled for occupancy in Fall Semester 2005. The building will be operated as a substance-free facility; students residing there will be required to sign a contract indicating that they will refrain from using alcohol, tobacco and other controlled substances. Programming will emphasize the components of a healthy lifestyle.
1. Provide religious programming as meets the needs of a diverse population of young adults.
  2. Reach student populations through non-traditional means, such as Internet magazines and contemporary worship.

## 8. Continue to expand and develop the "CTA" service trips program.

As of this writing, Dr. Mark Pruett-Barnett has served as chaplain of the College for slightly over a year. I know that he keeps you apprised of his ministry through his bi-weekly column in the conference's *Communicator*. He has implemented worship, study and service opportunities for the College community, including Wednesday Worship at Wesley, conducted on a regular basis. Tailored to the hectic schedule of students, faculty and staff, the worship service is comprised of prayer, hymns, scripture and a message. Special music is provided by the Wesley College Choir, the Chamber Choir and soloists under the able leadership of Professor Elliot Jones. Dr. Pruett-Barnett is excited about the emergence of the **Wesley College Gospel Choir** that, singing in area churches, has been very well received. The Chaplain is hoping that the group will perform at special times of worship here on campus.

Study opportunities began in Fall Semester 2004 and are continuing into the current Spring Semester 2005. At this writing, the Chaplain will accompany a group of 20 students to Birmingham, Ala., over spring break for a service project and to learn about the spiritual foundations of the Civil Rights movement. The project is sponsored by Urban Ministry, an outreach ministry of The United Methodist Church. The **Hope Shop** has been started in the Chapel as a joint ministry between Hope Church and Wesley College students. People referred to the shop by social service agencies will receive personal hygiene items that would not be available otherwise.

5. **Develop relationships built on trust through fellowship opportunities, quality residential life programs, student clubs and sports teams.**
9. **Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government.**
10. **Mentor students in value-oriented leadership and in Christian principles of governance.**

It is worth reiterating that a multitude of groups exist at Wesley where healthy relationships based on trust can be developed and leadership skills can be honed. Our regularly scheduled leadership seminars are of high quality and well attended. If a student attends three of the four, then he or she is invited to a leadership dinner at which student leaders are recognized. Leadership skills are developed through several vehicles, including the Residence Life program for those who take the opportunity to become RA's and RD's. Students can also develop these skills through the College's mentoring program.

Our athletics programs have been a vital source of inculcating relationships and leadership. During this past year, we saw this source enhanced by success on the fields of play, with football, men's soccer and the field hockey teams advancing to the playoffs and the latter two winning their respective conference championships. In addition, the Wesley golf team won the conference title for the sixth consecutive year. We are proud of Field Hockey Coach Tracey Short, named "PAC Coach of the Year" and Women's Basketball Coach Michele Stabley, who achieved her 100<sup>th</sup> career victory during the past season.

The College works hard to define the boundaries in which a college community with a relationship to The United Methodist Church may function. Lectures have been sponsored by the Student Activities Board to help students effectively deal with issues on campus and in the world. For example, a variety of programs undertaken by a number of College organizations to combat the use of tobacco appear to have been successful: our current estimate of students who do

not smoke is 70 percent. Moreover, we have made our "three strike" alcohol policy more stringent: the first strike entails a \$200 fine and attendance at a seminar sponsored by the YMCA. The second strike calls for a \$300 fine and conduct probation. The final strike leads to dismissal from the College. As a probable result, we have seen the number of alcohol related reports dramatically decrease during the current spring semester.

6. Actively pursue opportunities for whole campus participation in serving the community.
7. Integrate service into the classroom with more service-learning courses.
11. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.

Service continues to be a strengthening tradition here at Wesley. In addition to those managed through the Chaplain's Office, a variety of other opportunities to participate are readily available throughout the campus and in a variety of settings. A unique service opportunity, for example, helped young boys and girls "get a jump" on their understanding of our environment, as students from Dr. Patterson's Inquiry-Based Learning class presented an environmental outreach program entitled "Frogs of the Delaware Wetlands" from March 22 - April 30, 2004, to a total of almost 900 elementary school children. The newly formed Ecology Club raised money to be given to UMCOR for the tsunami relief effort. The second annual Relay for Life will be held in Wolverine Stadium April 16 and 17, 2005, for the fight against cancer in our community. The common theme of these relays is to have members of teams continuously walking, running or rolling around a track for 12 - 24 hours, to honor those who are surviving cancer, those who have died from it and the efforts of all who fight it. A group of students and faculty went to Ireland over spring break as part of a study opportunity.

#### Accomplishments and Challenges

Wesley College reached a significant milestone when it earned a "Top Tier" ranking in the 2005 *U.S. News and World Report* category, "Best Comprehensive Colleges-Bachelor's (North)." This marked the first time in which the College has earned a top tier ranking. According to *U.S. News and World Report*, the "Best Comprehensive Colleges-Bachelor's" category comprises those institutions that "focus on undergraduate education and offer a range of degree programs in the liberal arts, which account for fewer than half of their bachelor's degrees, and in the professional fields such as business, nursing and education. There are 324 comprehensive colleges, ranked within four regions: North, South, Midwest and West. The "North" region in which Wesley is included covers a ten-state area.

In addition, the College has invested more than \$33 million in its physical plant, while library holdings have grown by almost 50 percent in the last four years.

Great changes and exciting prospects lie up ahead of Wesley. These changes and prospects are signaled by changes in the College's leadership at the Cabinet level. Dr. Paul deGategno is our new dean of the School of Arts and Sciences. Paul comes to us from North Carolina Wesleyan College. Dr. Chris Malone, from SUNY Cortland, is the new Dean of the MBNA School of Professional Studies. Dr. Bill Malloy is retiring as dean of student life as of this writing, and we hope to have an announcement for you as to his replacement at Annual Conference. In addition, Mr. Kevin J. Loftus comes to Wesley as vice president for institutional advancement; he was formerly a senior vice president of the Bank of America since 1998.

Wesley College, your College, looks forward to its future, based on a solid tradition and a new present. Part of that future is the strengthening of Wesley as a church-related college. This is an important issue in the minds of many in The United Methodist Church. As one of 52 presidents from the National Association of Schools and Colleges of the United Methodist Church (NASCUMC) meeting with General Conference delegates in Pittsburgh, I can illustrate this point. The NASCUMC presidents hosted a dinner for delegates focusing on the contribution education plays in the life of The United Methodist Church. Approximately 800 delegates attended the evening. There is a calling for church-related colleges in our denomination and a niche for these schools in the educational life of our nation. Wesley College looks forward to our ongoing partnership with you.

Youth Rally: Over 4600 youth and adult leaders invaded the Roland Powell Convention Center for the 18<sup>th</sup> annual Youth Rally. This year's theme: "Who Do You Serve" applied to the entire general session messages as well as the breakout seminars.

The format and program schedule was changed this year as we have outgrown the venue. Participants were divided into two groups, north and south, depending on the geographic location of the church. They were given color-coded schedules. There were also two stages of music, a downstairs stage and an upstairs stage.

Various musical styles were represented such as rap, gospel, R&B, rock, pop, praise and worship, salsa, etc...the musical guests were: The Katinas, Sandtown Gospel Choir, Alvin Slaughter, Sean Slaughter, Downhere, Daniel's Window, Nate Sallie, 424, and Sounds of Praise.

The guest speakers were: Tammy Trent, Chris Hill, Duffy Robbins, Charles Robinson, Peter Nestler, Katie Fralic, Andy Lambert, Brian Coday, Mike Shinn, and the human drama team, the Eastern Shore Master's Commission.

A special highlight this year was the brand new and improved "prayer room" which featured an interactive, participatory, multi-sensory stations of the cross, consecrated communion, and plenty of space for youth and youth groups to pray. Next year's event will be held on Friday, January 6 - Sunday, January 8 in Ocean City, Maryland.

Confirmation Rally: Two confirmation rallies were held during the Lenten season, one in the northern portion of the conference and one in the south. The northern rally was held at the Aldersgate UMC in Wilmington, DE and the southern rally was held at the Salisbury Christian School in Salisbury, MD. Both events featured the same program, a message by Bishop Marcus Matthews, a gospel group, Ramiyah, from Detroit, Michigan, and praise and worship led by Watershed, from St. Paul's UMC in Hebron, MD.

CCYM/Design Team: The number of student leaders on the design team was reduced this year to 25 for various reasons such as group building, spiritual formation, discipleship, and mobilizing the team to serve. The student leaders attended the overnight retreats and day meetings, as everyone studied a book together, I Want the Cross.

Resourcing: The director of Young People's Ministry continues to offer training, workshops, consulting and meeting the various youth and young adult ministry needs of the 460 churches. The director has also assisted churches in creating vision/mission statements, evangelism/church growth issues, adding worship services, staffing/hiring youth directors, as well as emergent church issues as informed by the district superintendents as well as invitations from pastors.

Ministry of Presence: The director of Young People's Ministry visits churches for consulting and training needs at least one night per week. The director also preaches on Sunday morning upon invitation as well as at Sunday night youth events.

Staffing: The team of Penny Carney, Jenna Johnson, and Megan Faulkner continue to serve the living God by working hard, and serving the needs of our churches in the arenas of youth and young adult ministry. A team retreat as well as a training event for continuing education will be planned in 2005.

**Wesley Foundation Campus Ministry**  
**Delaware State University**

The Wesley Foundation at DSU expresses the Peninsula-Delaware Conference's provident commitment to be present to the general academic community, that is, student's, faculty and administration. Well established as an integral part of religious life at DSU, we have been able to continue our support and guidance toward the spiritual maturation of our students, with the aim of giving them a foundation on which to develop other areas of their lives. It is our firm belief that, as students are making decisions and planning their futures, their faith should be playing some role in that process. Our mission, therefore, remains the provision of opportunities for the university community to enhance their spiritual enlightenment and growth; and for our students the provision of a nurturing and caring atmosphere which encourages them to stand strong in their faith.

## SECTION I

- Goal: Seeking and utilizing new means of sharing our faith efficiently.

We remain deeply committed to the formation of a faith community which celebrates and honors differing cultures, and which welcomes all persons regardless of race, color, economic/social status or country of origin. Perhaps outside of the university's International Students Association, the Wesley Club most reflects this ideal.

Our overall theme for this year continues to be "Living Our Faith In A Difficult World". As we attempted to put into practice some of the biblical principles we discussed, and in sharing our problems, we began to see how our Scripture text: Proverbs 3:6 "In all thy ways acknowledge Him..." was at work in our situations. However, the Bible Study on "relationships" had the most attendance and the most student interest as well as expression of ideas from the students. We dared to ask ourselves if we were 'honest' in our relationships or do we enter into them only to meet our own expectations. Even more we sought to know if we handle our relationship with God in the same way we do all others.

As part of United Campus Ministries at DSU we continue to participate in the Sunday worship services, Homecoming, Spiritual Emphasis Week and Unity Day as our assignments are given. Our Sunday message, October 24<sup>th</sup>, 2004, we delivered by the Executive Director, Mrs. Onwu. Several of the students indicated a renewal of their commitment to Christ.

Again, on two occasions, we visited the dining halls to pass out invitations to the Wesley Club and to explain the necessity to be part of such a group on the campus.

- Goal: Expanding our sense of community and commitment to the 'world parish'.

Our community outreach has forged new relationships with The Shepherd Place, an emergency housing shelter and day care center in Dover.

- Our Christmas project involved the donation of toys, clothing, household items and school supplies.
- Wesley Club students have agreed to volunteer hours on Saturday mornings to read to the children who are housed there.
- The Executive Director was invited to give a workshop on how to write a resume and how to prepare for a job interview as part of their life-skills program.

We still intend to continue volunteering at Westminster Nursing Home when time permits.

- 2004 Future Goals have been met as follows:
  - Revival of the Peer Ministry Program: funds have been allocated and several students will take the training to become peer ministers. As such, we will have representation in at least three dormitories.
  - Overseas Mission Opportunity: it will be possible for two of our students to travel with the next VIM team to the Democratic Republic of the Congo, which is our Conference mission partner.

## SECTION II

- Goal: Other significant events, accomplishments and challenges.

This year we were well represented (7 students and the Executive Director) at the United Methodist Student Forum held at Hendrix College in Conway, Arkansas. The

celebration centered around the international student, with two members of our group presenting, others contributing as part of the mass choir and one elected to the jurisdictional conference level.

Another of the highlights of this year was our participation in the Homecoming activities. We were blessed to have both a Mr. and a Miss Wesley this year.

- Miss Wesley, Marie Fleurantus
- Mr. Wesley, Olaniyi Balogun

We wish to thank Mr. and Mrs. Tennessee and June Gibbs who so generously donated their beautiful red convertible to carry our participants in the Homecoming parade.

Perhaps most notable was our Spiritual Emphasis Week workshop entitled "Your Health and Spirituality" led by:

- Dr. Glenda F. Hodges, Director of the Program in Spirituality and Medicine and Assistant Professor, Department of Community Health and Family Practice, Howard University College of Medicine.
- Dr. Robert Williams, President of the Howard University Hospital Medical Staff and its Senior Attending Physician.

The workshop was open to the public and attended by pastors, area physicians and other medical personnel as well as our students.

As usual we will participate in "Unity Day" activities at DSU, however, at this writing the date has not been set.

In the area of accomplishments, especially as it refers to the recruitment of students from groups that are not traditionally part of our activities our Executive Director has sought to establish a link with one of the Greek societies with strong Methodist traditions. Mr. Gregory E. Ackles, 2<sup>nd</sup> District Representative of the Omega Psi Phi Fraternity was contacted by Mrs. Onwu and we are hoping to develop ways to work together in the area of community service.

As for challenges, in retrospect this has been a year of flux or fluctuation. Students, faculty and administration were challenged to engage the world around them with new insight, energy, and perspective. Entering my third year as the campus minister and feeling that my feet were finally planted on the ground proved a delusion as familiar contacts from GBHEM and within the university community had either moved, or no longer functioned as before and procedures for just about everything had changed.

In my zeal I had to deal with the fact, and uncomfortably so at times, that as wonderful and life sustaining as our program is, the primary obligation of a college student is just that - to be a student. Organizing themselves, studying, attending classes and academic events were not only academic requirements but spiritual disciplines as well. This was an area around which the Wesley Club could nurture and give support and have as positive an effect in their lives as in our traditional meetings and workshops. And so, a few minutes of fervent prayer during exams and times of high stress in lieu of our 'regular' sessions; ushering them off to an internship; taking them out for a special dinner, and just being there sufficed at times for programmed activities. As such, the faith community proved much stronger than the challenges presented by our various realities.

### SECTION III

#### 2005 Goals:

The Primary goal for 2005-2006 will be recruitment. Noteworthy here is the fact that we will have two graduates this year:

1. Olaniyi Balogun, Physics and engineering
2. Akosua Nicole, Business Management

#### Wesley Foundation Campus Ministry Salisbury University

The Wesley Foundation at Salisbury University is sponsored by The United Methodist Church and named for John Wesley, the founder of the Methodist movement. Wesley believed that wherever people are in their understanding of faith, it is beneficial for them to meet together often in small groups and encourage each other along in the spiritual journey. Further, we stress the importance of keeping Wesley Foundation connected to the outside community through various service projects.

2004/2005 Theme: "We Meet You Where You Are."

- We do this through weekly meetings featuring discussion, prayer, music, and refreshments.
- Service projects as an opportunity for students to reach out to the community
- An overnight retreat each semester
- Fostering positive relationships through social events
- Opportunities for development of group leadership skills

#### **Purpose:**

The Wesley Foundation at Salisbury University provides campus fellowship, which is open to all, regardless of religious affiliation, or lack thereof. Through spiritual development we explore daily issues as we bring our hearts and minds together. This is modeled as we seek every opportunity to reach out to others in compassionate actions just as Christ has done for us.

#### **2004 Goals**

To identify students who are searching for a stronger faith or have strayed from the faith for various reasons and are prayerfully encouraged to participate in Wesley Foundation. Students are recruited through Student Activities Fair and Word of Mouth.

To make disciples for Jesus Christ through evangelism, and nurture.

To implement several recruitment plans in order to increase the number of students who will actively participate in the weekly fellowship program provided on the Salisbury University campus through Wesley Foundation.

To continue to meet weekly and teach an effective Bible Study in an atmosphere conducive to sharing moral and spiritual thoughts whereby students will increase their knowledge of the Bible and its relevance to their daily lives.

To continue to organize retreats so that students will deal with issues, which are of common interest to them. Retreats have proved successful for spiritual development.

To promote a broadened Wesley fellowship through joint activities with other campus organizations, colleges, and universities.

To encourage the churches within the Peninsula-Delaware Conference to identify family and friends who have matriculated to Salisbury University.

To continue to meet and work with the Board of Directors in order to promote awareness of the foundation's status and seek help on issues of training and leadership development where needed.

### **2005 Goals**

To continue to implement 2004 goals along with:

Coordinating a retreat for the Board of Directors to enhance spiritual growth and leadership skills

To provide a series of leadership development training sessions for students in order to identify future leaders

To host a campus-wide event that will bring students in fellowship with each other

To become more active in outreach ministry i.e., feeding the homeless, and speaking with youth relative to how college life relates to spiritual life

To continue to participate in the development and implementation of a chapel/prayer room on the campus.

### **Mission Statement:**

The Wesley Foundation at Salisbury University strives to provide a caring and compassionate ministry to students and other members of the campus community who seek to integrate and understand the Christian faith within the academic and social environment of the university.

Weekly Meetings are held: Tuesday, 7 p.m. - 8 p.m. in the Cool Beans Café Conference Room located in the Guerrieri University Center front entrance.

### **Wesley Foundation Campus Ministry** **University of Delaware**

### **2004 Goals**

1. Educate the Peninsula-Delaware Annual Conference as to the vitality and significance of the Wesley Foundation Campus Ministry at the University of Delaware so we may continue to provide full-time pastoral leadership, opportunity for spiritual growth, and education for the entire university community.

We continue to make efforts to be in touch with local congregations.

2. Continue the active participation in community service projects and explore opportunities for mission work experiences.

We continue to fulfill this goal with local and national participation in mission outreach.

3. Support current and former students who are considering professional ministries as vocations, and provide training opportunities for future lay leadership within the church.

We provide opportunities for students to attend Exploration and the Student Forum as well as weekly experiences to develop their call to the ordained and/or lay ministry.

4. Promote within the student fellowship an awareness of social and societal issues and their relationship to the *Book of Discipline*.

In and through the love, grace, and guidance of God we have met this goal.

5. Continue to develop a relationship with ethnic groups, to provide ministry to international students and to foster Christ-like acceptance and respect for all God's children.

We continue to be in dialogue with the Center for Black Culture, Hillel and Halo as well as our ecumenical partners through gatherings and programming.

6. Provide outreach to those who have been nurtured by the church and have drifted away for various reasons at the University.

We continue to provide a safe place and spiritual guidance for students to explore their questions and doubts about the organized church.

7. Provide information about Wesley Foundation's ministries and programs to conference churches and to help strengthen the relationships between these churches and their campus ministry.

We continue to make efforts in this area. Our brochure, given by a generous donor, is available to all local congregations.

8. Encourage and support the liaison ministry between the religious community and the administration of the University.

Our campus pastor and our campus ministry is an active participant in the University Religious Leaders' Organization, the liaison ministry between the religious community and the administration.

9. Seek additional means and methods of fund raising to maintain financial stability and security.

The Board of Directors never ceases to explore and to do fundraising.

10. Foster development of the Board of Directors.

We continue to make efforts in this area.

Our God calls us into community! The Wesley Foundation Campus Ministry, the United Methodist Student Center at the University of Delaware, is a vital part of campus life. We continue our Wesleyan heritage by our presence and our mission for The United Methodist Church, integrating knowledge and faith through an intellectual, spiritual and material ministry to all God's people. A mission ministry of the Peninsula-Delaware Annual Conference, hosted by the Newark United Methodist Church, we welcome the opportunity to share this past year's ministry.

The Board of Directors and students are most grateful for all the spiritual, financial and in-kind support that the Newark United Methodist Church family provides. We wish to thank the pastoral and professional staff members for their support and inclusion of the students in the total life of the NUMC.

Spiritual growth continues to be the center for our ministry. The students worship with the NUMC family. Students have served as liturgists or communion servers. A highlight every November is the one Sunday designated as University Sunday. The students lead the entire worship service telling their story of the way campus ministry has enriched their lives. We have shared in weekly theological discussions, Bible study, Covenant Discipleship Groups and interfaith worship services/vigils on campus. We shared in a fall retreat of "Getting to Know One Another." Committed to living our Christian discipleship, we continue our outreach ministry in love for the campus, the community, and beyond. We have cleaned our designated highway, yard cleanup, 5K Walk Against Breast Cancer, and impromptu projects as requested.

WFCM students, Kelli Rowedder and Sungano Ziswa attended Student Forum Plus, a national student leadership conference. Sungano Ziswa was elected member-at-large to the national United Methodist Student Movement planning team. Providing students with an opportunity to attend student leadership conferences is an essential part of campus ministry. Many of the students participated in the NorthEastern Jurisdiction United Methodist Student Movement fall retreat.

The student lounge provides a quiet, sacred space for the students to meditate, sleep, eat and study. Holding fast to our belief that social activities are an important part of our Christian fellowship and young adult life, we have shared in parties, sport activities, movie nights, eating, tailgating, concerts, hayride, plays and various other activities. Every semester during finals week, WFCM host a campus wide Midnight Breakfast. There were over 600 students who came to NUMC at midnight to enjoy a study break with pancakes and all the side dishes. This very special ministry is co-hosted with the other members of the University Religious Leaders' Organization. Food is a pivotal value.

As we look at the blessings God has given, we strive to be good stewards. Whether we are talking about our time, talents, and resources (natural and material) learning to care for God's precious gifts can be a difficult issue. However, we continue to persevere.

It is an interesting and challenging time as student's struggle with many issues regarding their beliefs, values, morals and ethics. The presence of the church continues to be recognized by the administration of the University of Delaware. Yet, maintaining full time campus ministry is a challenge. The Board of Directors is all volunteers and not professional fundraisers. With the lack of increase of funding for 14 years by the Conference, and the two most recent dollar cuts of \$8,000, the Board of Directors is faced with looking at a reformation of the pastoral position and opportunities for ministry to the campus community especially the students. We continue to pray for energy and ways of supporting the campus ministry budget.

In the shadow of the decrease of financial support by the Peninsula-Delaware Annual Conference, the Board of Directors held a 50<sup>th</sup> Anniversary Gala and Silent Auction, July 31, 2004. It was an exciting evening of seeing alumni, past Board of Directors, and remembering the spiritual food that WFCM provided so many over the fifty years. In 1948 the Peninsula Conference initiated a Wesley Club on the campus of the University of Delaware. In 1954 the national Methodist Commission of Standards accredited the Wesley Club as a Wesley Foundation. Fifty (50) years of vital ministry on the U of D campus is now faced with serious financial challenges instead of putting that energy into newer programs for the students.

Our responsibility is to be the church. Our responsibility is to reach out with the Word and step out on the promises to nurture faithful minds for faithful service. Our responsibility is also our challenge. Through God's grace and the love of the community of faith, the presence of The United Methodist Church will remain on the campus of the University of Delaware. As I continue to serve in this vital and challenging ministry as the earthen vessel of God's grace, sharing in God's love, and trusting in all the promises of God, I pray for the church to remain faithful to our call to be in ministry to all God's people at U of D.

WFCM is a team ministry: the Board of Directors, the Student Steering Committee, and the Campus Pastor. All of the team makes the WFCM a vital ministry and presence on the Newark campus of the University of Delaware.

#### Mission Statement

The Wesley Foundation Campus Ministry at the University of Delaware, a mission realized through the love and grace of Jesus the Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware.

Wesley Foundation Campus Ministry  
University of Maryland Eastern Shore

This will be the last report I will write as the Executive Director for Wesley Foundation-UMES. Being a spiritual presence on the campus of the University of

Maryland Eastern Shore for nine years has been a blessing and an honor that I will never forget. I feel humbled to have been given the opportunity to be a part of this ministry. I would like to thank Dr. William Pender, Sr. for his leadership as the Chair of the Board of Directors for Wesley Foundation-UMES and the other board members. I would also like to thank Ms. Adrienne Jones for her leadership as the President of the Wesley Foundation-UMES student organization and the other students of Wesley Foundation-UMES.

#### Goal 1

##### **Identify and provide nurture and support for the Christian Community on the UMES campus**

I have become a true "Hawk" as a campus minister for the UMES community of students, faculty, staff and administration. The struggles that come with being a student away from home in the midst of crises is difficult for the students on university campuses. For example, recently we had one student who lost a great grandmother, an uncle and a brother, age three, within a two-month period. We also have had two members of the staff at UMES die within a three-month period. I have continued to be a spiritual presence on the campus offering "a listening ear", "a smile", "words of encouragement", "a prayer", and/or "holy conferencing" wherever there has been a need.

The President of UMES this year appointed me to the President's Prayer Breakfast planning committee. We had a very successful event. I also had the opportunity this semester to teach a lecture on the Protestant Faith/ Methodism for a new class called World Religion. The excitement of students and other persons from the community wanting to know more about the various faith groups in the world was refreshing. I continue to serve on the Crises Committee and the Board of Visitors for the University.

#### Goal 2

##### **Provide opportunities for worship, fellowship and learning for "seekers" and "believers on their journey of faith."**

Wesley Foundation-UMES student organization meets weekly for Bible Study and Fellowship. This year we have studied, "Purpose Driven Life" by Rick Warren and "When Its' Rush Hour All Day Long" by Ted Tadlock. Presently we are studying the book of Psalms.

We continue to have Religious Emphasis Week on the Campus. Each year we also host **UMES Sunday at Metropolitan United Methodist Church**. This year the speaker for UMES Sunday was the Rev. Jamie Hunter, the grandson of Dr. William P. Hytche, Sr., President Emeritus of University of Maryland Eastern Shore. The UMES Gospel Choir was our guest choir. We had over 100 students present. We continue to have students who worship on Sundays at Metropolitan. This year we had two students confess their faith in Jesus Christ and two students restored their relationship with God. Eight Wesley Foundation-UMES students attended the **IMPAC Conference** in Washington, D.C. This was a spiritual conference geared toward high school and University students.

#### Goal 3

##### **Provide opportunities for persons to express their faith through community service and other "acts of mercies."**

We continue to sponsor the After School Tutoring Program to assist students from the Somerset County Public. There are 20 students registered in the program. The

UMES students are tutors, coordinators and mentors. Our UMES students are also involved in other outreach programs such as food and clothes drive for the homeless, cancer relays, etc.

#### Goal 4

**Challenge and support those persons who believe they have been called into Christian vocation.**

This year we have not had any students to declare a call into Christian vocation, but we continue to create an environment where the opportunity to express a call is available. We have students who are strong, committed, and active lay persons. Students who graduate from UMES who have been a part of Wesley Foundation-UMES and or Metropolitan United Methodist Church continue to be faithful in ministries where they currently reside. We are very proud of our graduates.

#### Summary

As I stated last year, we are uniquely situated on a campus that has persons of many ethnic and racial backgrounds. We also have many different denominations represented at the University. Together we work to make a difference in Somerset County and on the campus of the University of Maryland Eastern Shore. We help to carry out the Vision Statement of our conference: "The Peninsula-Delaware Conference as the body of Christ will live out the ministry and teaching of Jesus Christ boldly, cooperatively and inclusively through life changing communities of compassion."

In closing, I would like to thank the members of the Peninsula-Delaware Conference who have supported the Wesley Foundation-UMES ministry with your prayers, finances, and spiritual gifts. Thank you for entrusting us with your young people. Thank you for being the body of Christ for me as I serve our Lord and Savior Jesus Christ as a campus minister, Executive Director for Wesley Foundation-UMES and pastor of Metropolitan United Methodist Church in Princess Anne, Maryland. I know you will support the Rev. Candy Miles as you have faithfully supported me. Thank you and may the peace of God be with you now and always.

#### Goals for 2006

1. Identify and provide nurture and support for the Christian community on the UMES campus.
2. Provide opportunities for worship, fellowship and learning for "seekers" and "believers" on their journey of faith.
3. Provide opportunities for persons to express their faith through community service and other "acts of mercies".
4. Challenge and support those persons who believe they have been called into Christian vocation.

#### Howard Bailey Life Enrichment Program

The Howard Bailey Life Enrichment Program exists to provide broad based multi-connectional ministry. It is designed for youth and other individuals seeking affirmation, information, inspiration and transformation in today's society.

HBLEP provides opportunities for persons who love children and want to see them make it all the way up the road to meaningful adulthood! This ministry has been able to accomplish its mission by equipping families and communities with the

necessary skills, and Bible based wisdom that allow the Spirit of the living God to manifest Himself in their lives in new and powerful ways.

This year we were able to broaden our ministry to include The National Sorority of Phi Delta Kappa, Inc., who invited HBLEP to participate in their 2004 Eastern Regional Xinos/Kudos Conference on Unity and Empowerment. To further the work of the Lord in helping persons to understand and appreciate similarities and differences in the cultural and political aspects of daily living HBLEP provided conference wide and district level workshops, participated in Mission Sunday events, and provided speakers for several churches for the purpose of furthering the Gospel's reach to youth and those who would be their leaders.

Sisters and brothers in Christ, the world is an ever-changing place. Although we want to believe in and hold onto the way life used to be, we cannot continue to do so. Our children are faced with media pressure and peer pressure to succeed and to belong at any cost and many other challenges for which they are less than adequately prepared.

The Bailey Program accomplishes its work by acting as an innovative and spiritual catalyst, which empowers individuals, local churches, and communities where they live and serve. Some of the tools of our ministry are:

- Understanding the value of cultural history
- Rediscovering etiquette
- Knowing it's ok to be smart
- Fostering confidence when speaking
- Learning the ministry of mediation and non-violent coping skills
- Applying respect and discipline to everyday living
- Traveling to historically relevant locations
- Utilizing Camp Pecometh and/or Delaware State University campuses

Our mission is to transform and liberate people called by God and empower them to experience a newness of life through varied enriching experiences through the liberating gospel of Jesus Christ.

#### Goals

- Live in the vision of the Peninsula Delaware Conference
- Work with children (participants) in grades 5-6-7-8
- Develop Junior and Senior Counselors as teacher/role models
- Develop Adult Support Groups for program year
- Develop a Strategic Plan to encompass the next five years
- Rework Bailey curriculum to reflect emerging ways children communicate and learn
  - Develop a teacher's guide
  - Develop a participant's guide
- Develop broader financial base
- Continue Communicator articles
- Plan and implement HBLEP District level ministry

Learning and teaching can be fun and relevant at the same time! Come, see and experience this for yourself ... Pastors, Youth Leaders, Church School Teachers, Mentors, for adults and youth.

If you are searching for a way to help, to teach, to be a positive, moving force in the lives of young people, come and share with us in this ministry of teaching the whole truth.

## RESOURCE DEVELOPMENT & MANAGEMENT TEAM

This team has focused on the parts of the vision statement calling to "empower individuals and churches", and "to develop, supply and support leadership for mission and ministry", particularly in terms of the financial management and administrative management of the Conference and the local church.

1. The Resource Development & Management Team will continue collaborative efforts between the RD&M Team, Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of those resources. This effort may be most active during the budget process but will continue throughout the Conference year.

Status: This is an ongoing goal and we have had reports from each group given at our RDMT meetings.

2. The Resource Development & Management Team will continue to support and assist the Conference Sessions Site Review Task Force as they research possible sites for annual conference and consider alternatives toward cost issues such as retiree attendance.

Status: We presented a resolution at the 2004 Annual Conference and it was approved to have a separate \$20,000 line item in the Conference Budget to subsidize the costs of retired clergy and widowed surviving spouses who utilize conference provided accommodations. That a credit be determined and applied to their registration cost by dividing the number of eligible individuals into the \$20,000 budget.

3. The Resource Development & Management Team will continue a task force in conjunction with the Board of Trustees to develop guidelines for local churches renting or leasing properties.

Status: Completed. A document was written, Guidelines for Local Church Building/Renovation/Leasing Programs, and presented to the Cabinet for conference wide use.

4. The Resource Development & Management Team will continue to support and assist the Communications Coordinator and the Communications Task Force with ongoing national and conference projects.

Status: Ongoing. The Communications Task Force has been renamed Communications Commission to bring us in line with The Book of Discipline.

5. The Resource Development & Management Team will continue a task force to address issues of stewardship education and will develop a demographics /congregational statistics task force as called for in the Bishop's Summit on Financial Matters.

Status: Stewardship Task Force outlined a training program to 2004 Annual Conference and it was approved for implementation; also approved was a quadrennial emphasis on Stewardship. Stewardship Task Force Instructors at all District Lay Academies are conducting training classes. The courses will be ongoing and have received CEU approval.

6. The Resource Development & Management Team will continue to establish a manual of conference approved policies and procedures.

Status: Ongoing

7. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

Status: Ongoing

### 2005 Goals

In developing the goals and objectives for the year 2005, the Resource Development & Management Team has prayed about and reflected on the mission and vision statements of the Peninsula-Delaware Annual Conference. This team has focused on the parts of the vision statement calling to "empower individuals and churches", and "to develop, supply and support leadership for mission and ministry", particularly in terms of the financial management and administrative management of the Conference and the local church. Our goals, detailed below, reflect where the Resource Development & Management Team sees not only areas of need but also opportunities to carry out the mission and vision of the Conference. The goals also flow from follow-up work pursued on the recommendations found in the Bishop's Summit on Financial Matters (2002).

1. The Resource Development & Management Team will continue collaborative efforts between the RD&M Team, Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of those resources. This effort may be most active during the budget process but will continue throughout the Conference year.
2. The Resource Development & Management Team will continue to support and assist the Conference Sessions Site Review Task Force as they research possible sites for annual conference.
3. The Resource Development & Management Team will continue to support and assist the Communications Coordinator and the Communications Commission with ongoing national and conference projects.
4. The Resource Development & Management Team will continue a task force to address issues of stewardship education and a demographics /congregational statistics task force as called for in the Bishop's Summit on Financial Matters.
5. The Resource Development & Management Team will continue to establish a manual of conference approved policies and procedures.
6. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

### Board of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board brought a resolution to the 2004 Annual Conference raising the cost to all payers and participants in the health insurance plan by 5.6%. It was noted by the Board president that this very modest increase was a pleasant surprise and should be considered a blessing for this year because much larger increases could be expected in the future..

Pursuant to a resolution passed at the 2001 Annual Conference, the Board, in consultation with its insurance consultant from Marsh, Inc., continues to evaluate the efficacy of self funding of the health plans.

#### Accomplished Goals

1. A new improved dental plan with METLIFE was installed.
2. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
3. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
4. A Past Service Rate for the year 2005, at the goal of at least 1% of the Conference Average Compensation, was approved at the Annual Conference.
5. The limit on the Flexible Spending Account related to the health plan was increased from \$1500 to \$2000 per year.

#### 2006 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy, and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2006.

4. The Board will participate in conference efforts to begin to address the issue of the unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure as well as possible that the best possible plans can be offered at reasonable cost.
6. A Committee has been established to develop a comprehensive health fair for health plan participants at Annual Conference.
7. A Financial seminar will be presented to help clergy learn to make good investment plans and decisions.

#### ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of fifty-five years is putting great pressure on the financial resources of the conference as well as individual congregations.
2. The unfunded liability for retiree health care benefits now stands at greater than \$17,000,000. If the conference is to reduce or eliminate this obligation, we must either raise the \$17,000,000 plus more for future benefit accruals or reduce the retiree benefit obligation by reducing the benefits or the number of persons receiving those benefits.
3. The new defined pension benefit has moved market risk from individual beneficiaries to the conference. A major problem in financial markets could impose a large obligation on the conference. The Board must develop a policy to hedge or control that risk.

#### Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
  - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
  - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events
2. Each pastor is responsible to keep the Conference Business Office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventative benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. An Interactive Voice Response system is also available at 1-888-851-2201.

## Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate for 2006 be set at \$477 per year of approved service.
2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTER OF THE PENINSULA-DELAWARE CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

### THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year of 2005 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement;
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B.92, "the only amount that will qualify for

exclusion under section 107(2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities.

#### Council on Finance and Administration

The following new members were welcomed and joined CCFA this year: Rev. David Bennett, Rev. William Fitzhugh, Mr. John Hurt, Mrs. Sunnie Moon, and Mr. William Middleton.

In service to Our Risen Lord, CCFA addressed the following key challenges this year:

1. The Conference budget continues to be constrained. CCF&A has worked collaboratively with all Conference leaders to identify creative approaches so that the limited funds are employed most productively towards achieving the mission of the Annual Conference. A budget of \$5,521,801 was recommended and subsequently approved for the year 2005. A budget for 2006 is still being developed for presentation to Annual Conference for its prayerful consideration and adoption.
2. A significant concern is that receipts on apportionments continue on a long-term, downward trend. In 2004 (most recent data), 94.53% of the adjusted local church apportionments were received by the Conference. This percentage has been slowly declining for several years. To meet our fiscal responsibilities, the ministries of the Annual Conference must be restrained in consideration of the available funding.
3. Apportionment adjustment requests for 2005 exceeded budget by 25%. CCFA considered several alternatives and with consensus approved adjustments totaling \$168,000 or 100% of the-available funds. To fund the important ministries of the Annual Conference, it is critical that local churches strive to fully meet their adjusted apportionment covenant.
4. CCFA continues to evaluate alternative funding concepts that could be structured to allow a more open and supportive process for funding conference ministry. Any change to the established "apportionment system" will present challenges and risk. Significant leadership capital will be critical should the conference decide to pursue an alternative approach. CCFA continues the development of these ideas.
5. CCFA faithfully performed various administrative and financial responsibilities in support of the conference's work.

**Goals for 2006 include:**

1. Continue to work collaboratively with all Conference leaders, boards and teams such that the ministries of the annual conference will be successful and can fully witness for Christ.
2. Recommend for annual conference adoption, a plan of anticipated income and expenditures for 2007, which will support the conference in achieving its mission. In so doing, CCFA will creatively identify resources to support the many ministries and will prayerfully consider recommendations for apportionment adjustments when and if submitted by the District

Apportionment Review Committees. CCFA will prepare recommendations for funding of conference ministries if receipts fall short of fully underwriting the approved funding plan.

3. CCFA will perform its administrative responsibilities as set forth in the Discipline including a comprehensive financial audit of accounts and accounting processes. Within this area, CCFA will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time assign.

#### Board Of Trustees

The Conference Board of Trustees met quarterly during 2004 to supervise and maintain all property and investments belonging to the Peninsula-Delaware Conference.

The following properties were in negotiations for sale at the end of this calendar year: Silverbrook UMC (W), Scott's UMC (W) and Drayton Retreat Center.

The Board is actively addressing longstanding issues around Eastlake UMC (W) with renewed optimism for God honoring resolve.

Financial income earned from Trust accounts have been distributed to the beneficiaries for 2003.

This past July, we welcomed new members to the Board: Kathryn Cooper-Nicolas; Geraldine Jones; Howard Mason; and Ronald Bell.

#### Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances. New church development is now supported through a separate Conference committee administered by the Bishop's Cabinet.

The 2004 Equitable Compensation Commission budget was \$235,000. Funds expended in 2004 totaled \$177,842. Of this amount \$72,224 was expended in new church development. (For 2005 the Commission's budget has been reduced to \$125,000.) As part of this report, there is attached a list of the churches and charges receiving assistance in 2004.

The Commission issues a brochure, "Guidelines for Pastor's Compensation" which is intended to provide assistance and guidance to Pastor Parish Relations Committees.

Recommendations

1. The Commission makes the following minimum salary recommendations for 2006

Full Member	\$30,000
Probationary Associate & Commission Member	27,500
Full Time Local Pastor	25,500
Commissioned (elder track) but not completed seminary	22,500
Student Pastor	22,500*

\*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

Service increments will be \$135 per year up to a maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2006 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that Pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

**Communications Area**

The Communications Area continues to work on several projects in order to provide the Peninsula-Delaware Conference the best and most up-to-date resources for local churches, districts, and the conference.

In 2004 the questionnaire that was sent to local churches was received and steps are being taken to determine the best way to use the information gathered to resource the conference.

In 2003 the Communication Task Force was informed that, according to the "Discipline," our conference was not in accordance to paragraph 643 which states "each annual conference there shall be a commission on communications or other structure to provide for these functions and maintain the connectional relationship." As such, the Task Force approached the Resource Development and Management Team in 2004 and received the support of the Team to disband the Task Force and create the Communication Commission. Rev. Robert Price was elected as the Chair of this Commission and replaced the Communication Coordinator, Tamara Ward, as a voting member on the Resource Development and Management Team. The Communications Coordinator position remains on the team with voice but no vote.

The Annual Conference continued to participate in the Igniting Ministry Campaign again in 2004. The Bible Study, "Beyond 30 Seconds." This program continues to have positive feedback and has been taught in Lay Academies as well as local churches. One local church went a "step beyond" and became a "Welcoming Congregation Church" recognized by the Igniting Ministry Team and by United Methodist Communications. Leeds UMC in Elkton received this special recognition and will strive to keep this status on a year-to-year basis. Workshops on welcoming and hospitality are available to local churches, charges, districts, etc.

The official web site of the conference has been in need of a whole new look. In December of 2004, the conference signed on with Brick River Technologies, and a launch date of late spring is anticipated for the first "phase" of a brand new and improved site including regular updates. When all "phases" are "live," each church will have access to their own page as well as on-line documents that previously have only been available by postal mail.

### VISION TEAM

The Vision Team is the policy-setting and decision-making body for the Annual Conference between conference sessions. It assures that the ministry and mission of the Conference is consistent with the Conference's Vision, Mission, and Core Values. An ongoing goal of the Vision Team is to find effective avenues to promote, coordinate, and implement the Relational Design Model for ministry throughout our Annual Conference. Through prayer and discernment we have attempted to address this goal this past year. With the help of our new Bishop, the Cabinet, the Conference Resource Teams and the leadership of the Vision Team we have met in two retreat formats for prayer, discernment and discussion.

The first was a deviation from our normal meeting place of the Simpson Room at Wesley College to an evening meeting in the sanctuary of Felton UMC in Felton, Delaware on November 8, 2004. This special Vision Team meeting focused on the Vision, Mission and Core Values of the Peninsula-Delaware Conference Relational Model for Mission Area Ministry. We were lead through our Vision, Mission and Core Values as printed in the Relational Design and then Co-chairs from each of the four Resource Teams brought into focus their mission and ministry as it related to the Vision of our Conference.

After reflecting on the Relational Design document we took the opportunity to celebrate ways in which the Relational Design and the work of the Resource Teams have helped us to live into the vision and mission of MAM. Some of the area that the Resource Teams have focused on this past year are in the areas of disaster relief, consultation & grant request, reviewing Annual Conference funding, developing a policy manual, organizing a task force on stewardship, developing training through Lay Academies, establishing biblical and theological foundations with New Testament principles that help guide those who participate in the 'Steps Toward Wholeness seminars.'

The second retreat format found us at Wesley United Methodist Church in Dover, Delaware as Bishop Matthews, the Cabinet, Resource Teams Co-chair, and Vision Team leadership came together to spend a day critically evaluating the strengths and weaknesses of the Relational Design. Our time was spent in prayer and discernment as we looked at what part of the Relational Design had been successful and what part had not worked. It was very clear to those meeting that at the Conference level a lot had been accomplished, but at the District level Mission Area Ministry had all but faded away. We prayerfully considered ways in

which we could restructure Mission Area Ministry at the District level while enhancing the ministry of local churches across the Conference.

At this time the Vision Team is exploring ways to help local churches develop ministry models that will help them work more cooperatively, inclusively, and boldly in shared/cooperative ministry in their communities while at the same time affirming the great work congregations are already doing. In this second retreat setting, one of the main goals discerned by those attending was to find ways to reconnect the Conference with local churches and local churches with the Conference. The Vision Team is in an ongoing process of prayer and discernment as we move into the future that God's has planned for the Peninsula-Delaware Conference and its local churches.

**The Vision Team Goals are:**

- To set the following priorities for the Peninsula-Delaware Conference and pursue the budgetary means to accomplish them:
  - New Church Starts (Maximum of 5 emphasizing the need to be multi-cultural)
  - Develop an effective young adult ministry to 18 - 30 year olds.
  - To offer leadership training through already existing avenues such as lay academies, lay speaking schools and etc., while exploring other area of training that would enhance the ministry of the local church.
  - Affirm the existing involvement of racial/ethnic persons in the life of the conference, but seek to increase the participation of all racial/ethnic groups while preserving intact already established relationships.
  - To bring to the Vision Team representatives from the Hispanic/Latino Task Force.
- To re-evaluate the areas of responsibility for the four Resource Teams in the Relational Design structure to decide if the reordering of responsibilities can allow for more effective ministry by Resource Teams.
- To encourage each District Superintendent to establish a district team for the purpose of encouraging existing ministries between local churches as well as developing and defining new cooperative ministry opportunities that will meet the needs of their communities.
- To explore ways to help local churches develop ministry models that will help them work more cooperatively, inclusively, and boldly in shared/cooperative ministry in their communities.
- To develop mechanisms for identifying and understanding issues faced by the Conference as they relate to teams, boards, agencies and local churches.
- To make available to local churches resources that describe and explains the rationale and functions of the Relational Design.
- To embrace our Methodist heritage by bringing about a balance between spiritual concerns and social concerns, between the pursuit of personal holiness and the confrontation of social evils, and between proclaiming God's love in evangelistic outreach and demonstrating God's love in social action.
- Recruit and equip persons as conference consultants who will be available to respond to the organizational and programmatic needs of local churches.
- To plan a conference-wide spiritual life retreat with spiritual formation and unity as its focus.

## Methodist Action Program

The Vision statement for Methodist Action Program (*aka* MAP) is "Creating Communities of Compassion through Christian Faith in action" The vision statement expresses the depth and commitment of this urban programmatic arm of the Methodist Churches in the Peninsula-Delaware area. The mission of MAP, is to help individuals, congregations & communities meet human needs, promote positive social change and facilitate church development through the transforming power of Jesus Christ! MAP's primary goal in urban ministry is to assure those served that God is ever present and that the church doors are open in every way. Map's 2004 goals were born out of our vision and mission statements.

### **MAP GOALS 2004**

- ☐ Meet human needs ☐ Promote positive social change
- ☐ Facilitate church development

### Meeting Human Needs for the Homeless

For nearly thirty-nine years, MAP has focused a major part of its efforts at addressing basic human needs. Although leaders have changed over the years, we still strive to meet this commitment through the transforming power of Jesus Christ. Food, housing, information/referrals are offered to all persons in need. During the past year MAP has sought to meet human needs through the following programs:

#### Old Asbury Homeless Ministries

Primarily due to MAP's ownership of the Old Asbury Church building in lower Wilmington, a request came to our attention to house programs to feed the hungry and work with the homeless. The projects housed in the Old Asbury Church building are clearly separate programs serving different aspects of the homeless spectrum. Alone each entity does important work but together there is a more comprehensive and coordinated effort to meet the challenge of homelessness.

- *Emmanuel Dining Room East*

In 1980 the Ministry of Caring located its Emmanuel Dining Room in our facility. Individuals are served nutritious meals every day, with dignity and at no cost to persons in need. Through this program, individuals who are hungry can eat one good meal a day, seven days a week, fifty-two weeks a year. MAP provides this space and utilities without charge. MAP has also encouraged United Methodist Congregations throughout the conference to support this vital ministry. The Emmanuel Dining Room depends upon the continued ecumenical support of religious and civic groups who provide food regularly and the volunteers who prepare meals.

- *F.A.I.T.H. Center*

The Financial Information Theocentric Help Center is a religious community response to God's call to serve fellow human beings in crisis, who need compassion, love and assistance. Clients are given consultations, referrals to available community resources and when appropriate financial assistance. Acknowledging variations in theology, worship and perspective, all communities of faith are invited into membership in the F.A.I.T.H. Center.

- *Friendship House Men's Center*

Friendship House is a non-profit Christian Corporation committed to making a difference in the lives of Wilmington's homeless and impoverished. The agency has a continuum of services, dedicated staff and strong volunteer base. Friendship House offers hospitality, education, empowerment and a sense of community to those they serve. Men are provided with a day-center where they can receive mail, access computers for the job programs and other community services.

### Centro Los Abuelos (The Grandparents Center)

Centro Los Abuelos is an outreach ministry for Hispanic elderly. It is a Spanish speaking language and cultural Senior Center. The Center is designed to promote social relationships and to stimulate creative growth. It is a Center for information, referral and translation assistance. The following programs are offered; social and recreational activities, nutritional training and health maintenance. Due greatly to language barrier or lack of information many Hispanic seniors are unable or afraid to use or request services that are available to them from public or private agencies. Los Abuelos offers a stable (nearly 19 year presence), safe and friendly environment. Transportation is provided free of charge and meals are available.

- Youth Moving Forward Program

This ministry is committed to providing support for first time, non-violent youth offenders during the process of societal reintegration at no cost to the participant. The program seeks to reduce risk factors and increase protective factors to ultimately propel the youth away from the strongholds of criminal behavior. This program offers life skills training and opportunities for Christian youth fellowship. These programs can support 25 youth per 4 month period.

- Summer Youth Entrepreneur Camp

Youth Entrepreneur Camp introduces youth from local communities to the world of business and entrepreneurship by teaching how to develop and operate legitimate businesses. This unique summer camp opportunity introduces young people to the economics of owning and managing their own business. MAP has held this two-week overnight camp for the past several years averaging 20 young people per summer. Due to reduced funding this year we had to adjust the scope of the program and had to cancel overnight commitments. We have found that young people are very enthusiastic about any opportunity to learn more about how to earn, manage and control money as it relates to owning their own business. On a sad note, one of the young persons who wanted to attend but was too young was senselessly shot and killed late last summer. He was not the intended target.

### MAP 2005 and beyond

With the assistance of a new director and the recruitment of additional board members and sub-committee members, we will continue the work on strengthening and making more relevant the ministries and programs of MAP.

This will include but not be limited to:

- Evaluate existing programs for relevance and effectiveness
- Continue to strengthen the ministries at Old Asbury
- Continue to build effective and necessary community collaborations
- Determine if and when new ministries and/or programs are needed
- Become more aggressive in seeking and securing funding for MAP

### Salisbury Urban Ministries

Our Mission: To develop and coordinate programs that serve and minister to the needs of Salisbury's materially impoverished. We will increase awareness of these needs throughout the congregations and provide avenues for responding. We will promote the concern for racial understanding and appreciation. The various programs of S.U.M. offer people hand-on involvement with people in the community. They model the ministry of Jesus by providing a human touch to people. Hundreds of volunteers come from 35 participating churches and several community organizations and businesses. The volunteers come from ecumenical and interfaith organizations.

Salisbury Urban Ministries continues to carry out its mission and vision through the following ongoing programs:

- **God's Kitchen**, a Saturday feeding program, offers hot lunches from 11:15-12:30 p.m. at Grace United Methodist Church. Twenty-six churches, businesses and community organizations provide the meals on a rotating basis serving over 130 homeless and poor each week. Opportunities are available for prayer, counseling and religious music.
- **Community Health Ministry** A full-time registered nurse is available to provide health care services and education. The parish nurse coordinates a cadre of volunteer doctors, nurses and dentists. The nurse also provides blood pressure screening, preventative health education, flu shots, and trips to the doctor, and assistance with prescription drugs. Referrals are made to the Joseph House Clinic, Peninsula Regional Medical Center, and the Health Department and private physicians.
- **Respite Program (Hospitality Center)**  
A ministry directed at the chronic homeless population. On Saturdays the Lazarus Center is open for showers, laundry, and a brief time off the streets in a welcoming atmosphere. Volunteers are available for counseling. Survival bags, coats, winter attire, personal hygiene items are also provided. The Parish Nurse and several volunteers are also available for assistance. The Homeless Advocacy links us to many homeless people in the community because of the level of trust. For example, Salisbury Urban Ministries was a key support resource for the Salisbury Area Ecumenical Emergency Shelter, which started this year.
- **East Church Street Youth Outreach**  
Kid's Café, in partnership with Maryland Food Bank and Grace United Methodist Church, provides meals, nutrition education, art, music computer lab, and fun activities for children kindergarten through sixth grade that are at risk of hunger. This program had expanded greatly over the past year. There is now a creative dance class, drum ensemble, tutoring, Diamonds and Pearls (classes for teaching beauty tips, hygiene, and self esteem to young girls), and a peer mentoring program for boys led by a Boy Scout Troop. Fields trips are offered as incentives.
- **Urban Choir Camp** is a weeklong fun and rewarding musical and visual arts experience for children in grades 3-6. The camp has been held at various community churches. This is an opportunity to bring together children from diverse backgrounds to work together on an artistic project.

- **The Lazarus Center and Food Pantry** assist families in need and in crisis situations in Wicomico, Worcester, and Somerset Counties. Churches, individuals, and community organizations donate food, funds, and volunteers to run the program. In 2004, SUM saw 5,062 families, distributed \$33,545 and gave out 5,097 bags of food. Along with assistance, clients receive needed information about resources available to help with their plight.

Salisbury Urban Ministries continues to grow in fulfilling our mission and ministering to God's children who are in need by the generous donations of time, and money and to be a covenant community responsible for bringing the good news of grace to all people. Salisbury Urban Ministries is also a United Way Agency. Salisbury Urban Ministries is a prime example of a tangible way to live into the 2006 Annual Conference theme, "Living - With Out Walls".

#### **2006 Goals**

- We are committed to the continuation of the above programs.
- Developing English as Second Language Program for adults.
- Explore ways and provide programs to empower people, especially children, to make good choices about their future.
- Continue to provide support for the chronic homeless population.
- Develop programs to address the needs of Urban Youth.

#### **New Church Development**

The New Church Development team was given birth at the 2004 session of Annual Conference. I am grateful for the opportunity given me to lead this team whose creativity and vision far exceed any expectation I might have had! I am also grateful to the Rev. Dr. Sandra Steiner Ball, the District Superintendent assigned to this team, for her support and guidance. Both she and the team have an enthusiasm for the development of new churches that is contagious! My prayer is that more United Methodists on the Peninsula will catch this enthusiasm for making new disciples for Jesus Christ and begin to look for new ways to start United Methodist ministries!

#### **Goals for 2004 July through December**

- To spend significant time in Bible study and prayer at the beginning of each team meeting in order to discern the Spirit's guidance concerning new church development within the Annual Conference.
- To identify current new church development occurring in the Annual Conference and assess the current health, concerns, and needs of each.
- To put a process into place for starting new churches complete with specific timeframe, training, and benchmarks that will assist the Cabinet and Bishop in measuring their progress and vitality.

#### Goals for 2005

- To continue the above goals (2004 July through December)
- To work with the Cabinet and Bishop on monitoring new church development
- To work with the Annual Conference on developing financial resources to assist the development of new churches
- To petition the Annual Conference to put aside all financial assets from the sale of the property of churches which have been discontinued for the purpose of funding new church development
- To allocate financial resources to new developing churches
- To put an accountability process in place for financial resources received by developing churches
- To create a contract between developing churches and Annual Conference concerning equipment and other assets.
- To work with the Board of Ordained Ministry, the Cabinet, and the Bishop in identifying persons who can lead new church development.
- To work with the Cabinet and Bishop in identifying areas within the Annual Conference where new church development can take place.
- To make new church development a priority of the Annual Conference.

An additional word of gratitude needs to be expressed to the Congregational Development Corporation team which offered a resolution at the last Annual Conference that moved \$70,000 for grant awards to new church starts from their team to this New Church Development team. Their support of this team's work – along with that of the Annual Conference who approved the transfer – has been greatly appreciated as we have sought to fulfill the mission we have been given.

#### Review of 2004 Goals

- Phase II of our Cabean Square affordable housing development in Southbridge was completed in 2004; all six units were sold to first time buyers. Phase III is currently under construction one block away from Phase II. All eight units are under sales agreement with first time buyers with settlements scheduled for April and May 2005.
- The TRIO program partnership with Delaware Technical & Community College is under way serving area junior high and high school students with college orientation and preparation projects. We expect to sustain this model and these activities beyond the three year funding commitment.
- We have engaged the services of MacIntyre Associates to initiate new operating fund development strategies.
- A total of eight new board members were elected at the Annual Meeting in April 2004

## 2004 Highlights

### 1) New Grants Received

Funded by Johnson & Johnson, Inc. through local subsidiary Noramco, this project engages 8<sup>th</sup> grade students in a tutoring and mentoring process which informs them of medically-related careers, offers enrollment in TRIO, and provides stipends for enrolled students to work with (read and tutor) younger children.

- Sankofa Stories

Funded by the MBNA Foundation, this project engages teams of local middle-school students who create and produce videos capturing aspects of their lives. Led by a University of Delaware faculty member, the project is research-based and focused upon students with special needs.

- JPMorgan Chase Settlement Subsidy

The bank has committed \$25,000 to help purchasers of our Cabean Square town home development to meet settlement expenses.

- Expanded Weatherization Award

Approximately \$70,000 was added to purchase additional new furnaces for qualified low-income residents of New Castle County.

### 2) Partnerships Initiated

- Early Head Start Youth Mentoring Project

This project tutors and pairs middle-school students with pre-school children here and at Hilltop Lutheran Community Center for reading and tutoring; stipends will be paid.

- First State Community Loan Fund -- prospective partnering for home acquisition and rehabilitation in Southbridge and southern New Castle County.

- Children & Families First (Healthy Start Consortium)

This would create a multi-year, multi-agency project designed to confront our high local infant mortality rate through a system of pre-natal outreach

### 2005 Program Goals

1) Develop a continuing series of projects/experiences for area adolescents and teens to encourage remaining in school and the pursuit of post-secondary educational opportunities.

2) Create a licensed business school from our Family Technology Center (computer lab) which could generate revenue by providing computer-based instruction paid for by the Department of Labor, Verizon, etc.

3) Expand efforts to develop affordable housing for first time buyers in southern New Castle County.

## PENINSULA UNITED METHODIST HOMES

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conferences do not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted June 12, 1985).

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware, all continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities serve approximately 1,300 residents and employ approximately 900 people.

**Mission Statement:** Adopted July 21, 2003, the PUMH Mission Vision Values statement reads:

"PUMH, in keeping with its religious tradition, is committed to fostering an exceptional quality of life and promoting wellness, health and security for older adults. Through our stewardship, PUMH will ensure standards of excellence to meet the changing needs of those we serve.

**Our Vision Statement:** PUMH will fulfill its mission by being compassionate, innovative and bold. Our approach will be assured and we will have the courage to lead."

**Our Values:** compassion, diversity, excellence, integrity, trust and commitment.

### Cokesbury Village:

This past year a new venture, "Transitions Made Easy, Personal Relocation Service" was initiated with PUMH. Transitions assists new and existing residents through the downsizing and moving process by offering real estate services in conjunction with Prudential Fox & Roach Realtors. In addition, the Transitions team helps with packing and unpacking, space planning, coordinating moving services and new service connections to name a few.

New signage and landscaping are planned for the entrance that will enhance visibility for Cokesbury Village.

We are currently in the completion of Phase I of our Assisted Living to add eleven one-bedroom apartments. Upgrades and improvements to the infrastructure are ongoing.

### Methodist Country House:

Building and renovations are ongoing at the Country House. Plans are to build four new cottages on the campus with groundbreaking taking place in the spring. The Health Center renovations continue. This past year there was a successful completion of a capital campaign consisting of a challenge grant matched by resident donations. With this, we are upgrading the entrance doorway and renovating resident rooms and bathing areas.

Hallway improvements, accomplished in-house, include adding sconces, shelving, door crowns and molding. A small fitness room has been established and a small Country Store has been opened. In addition, the wood shop has been upgraded with new equipment for the wood workers in the community. Ongoing HVAC project upgrades continue and the new main street lounge area designed by residents has been completed. We are currently researching a ground master plan to improve the landscaping on the campus and enhance the front entrance.

**Methodist Manor House:**

Manor House now offers 43 assisted living apartments and 17 assisted living dementia units. The assisted living programs are organized and staffed in a "social model" which prompts residents toward maximum independence and dignity. Pending bed availability and admission requirements, skilled care is offered to the local community as a direct admission.

A capital campaign is currently underway to renovate the health center. These renovations include: upgrading the Rehoboth Wing nurse's station and adding two changing areas to the shower room and resident room and hall renovations in the Rehoboth and Lewes Wings. In fall of 2004, the ladies' locker room in the Wellness Center was redone to double the showers and install new lockers.

**Heron Point of Chestertown:**

Heron Point continues to achieve high occupancy levels due to its desirable location, waterfront property, an historic town and a well-respected four year college in the neighborhood. Although the residents come from 22 states, the local market has become more prominent this year. A major assisted living expansion is under construction. The new Tolchester Wing will accommodate up to 33 new residents who will live in large apartment suites within an assisted living environment. The new wing will provide a spacious dining room, library, beauty shop and lounge. The 25,000 sq.ft. building will connect to the main building so residents will be able to transfer easily to other areas of the community building. When the new building is open this summer, the assisted living capacity will grow from 16 to 45 residents.

Several master plan projects are under development, e.g., a new expanded wellness center, larger meditation room, balcony renovations, cottage and kitchen enhancements and landscaping upgrades.

**Parish Nursing/Health Ministries:**

PUMH continues to provide major support to the Parish Nursing Program. In the past year, PUMH has provided over \$45,000 for salaries, expenses, accounting and administrative supervision for Parish Nursing. Many PUMH staff and residents volunteer with local non-profit community organizations. In the past year, PUMH residents contributed over 7,000 hours of volunteer work to local churches, meals-on-wheels, health care and many other local organizations and PUMH staff contributed over 900 hours of volunteer work to local groups.

**Benevolence Funds:**

The PUMH Foundation, Inc., incorporated in November 2000, is the philanthropic arm of PUMH, supporting its Mission, Vision, and Values. By establishing the PUMH Foundation, Peninsula United Methodist Homes, Inc. has taken a bold step toward securing the future. The Foundation's emphasis will be to provide endowments and programs that offer expanded opportunities for older adults. We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH. We project that PUMH residents will need \$361,000 in benevolence assistance during the PUMH fiscal year May 1, 2004 through April 30, 2006. Contributions to the PUMH Benevolence Fund enable us to assist those people whose income no longer covers the cost of care.

## PUMH OF MARYLAND

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc. owns Heron Point a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Currently, nearly one hundred of the Heron Point residents are enrolled in "tuition free" courses at Washington College, or teaching there.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. The market has responded positively to the services and amenities package at Heron Point and the occupancy has steadily risen above 98%.

Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

## STRENGTHENING THE BLACK CHURCH

May God's Grace and Joy be with you as we continue to proclaim God's Shalom. I consider it a privilege and pleasure to be the Director for Strengthening The Black Church for the 21<sup>st</sup> Century for The Peninsula-Delaware Conference.

The Director for Strengthening The Black Church for 21<sup>st</sup> Century and its initiatives were established to insure effectiveness in mission and ministry through being more responsive to the needs and challenges of African-American churches and communities. We believe the ultimate benefit is to make disciples for Jesus Christ and through our covenant relationship with our sisters and brothers enhance and empower the witness of all clergy and laity in The Peninsula-Delaware Conference.

The Strengthening the Black Church will continue to resource congregations through Spiritual Development, Human Development, Community Development and Resource Development. Every African-American congregation will have the opportunity to be a "Vital Congregation".

Therefore some of the objectives for 2006 are:

- Spiritual Formation

- Evangelism: Moving in a Holy Boldness
- African –American Clergy Convocations: Restoration and Renewal
- Vital Worship in Diverse Communities
- Leadership Development (Clergy and Laity)
- Effective Strategic Planning for Mission and Ministry: Identifying Opportunities for Emerging Ministries
- Publish a monthly article in the “Communicator”
- Encourage Clergy Laity Partnerships

The task of this office includes, but is not limited to advocacy on behalf of the African-American congregations, resourcing, liaison between teams, boards, agencies, of the General Church and the Black Church, spiritual formation and leadership development for effective partnership and ministry.

I want to give thanks to God for the leadership of Rev. Dr. Jefferson Labala and all the resources he developed for this initiative. I want to thank the Clergy and Laity who participated in workshops this year. I also want to thank Rev. Dr. James T. Seymour, Ms. Connie Robbins and all those who without their help this task would be very difficult. I thank God for the opportunity to serve in this capacity.

Director

#### Board of Child Care

##### Our Mission

As an outreach ministry of the United Methodist Church, the Board of Child Care serves children and families who require physical, emotional, behavioral and social support. Through residential community based services, the Agency will endeavor to provide a safe, healthy and caring environment that seeks to sustain children and families by fostering self-esteem, respect for community, a sense of purpose and life skills needed to achieve their highest potential.

In September, we will dedicate our new signature building, a Welcome/Archives Center, on our main campus in Baltimore. The building will house all our memorabilia, archival materials, artifacts, plaques and awards that we have gotten through the years. There will be a place in the new building dedicated to those important people who have been instrumental in the development of our ministry from the Kelso and Strawbridge Homes to the Board of Child Care. The Swartzell Home which the Board of Child Care helped in the management of and who later when they closed contributed their assets to us will also have a designated place. It is our hope that those who have been a part of our rich tradition and history – former administrators, former residents, staff, and Board members – will join us on the dedication day to celebrate our glorious past, present and future.

For the past 131 years, the one constant, past and present, for all of the Board of Child Care’s programs and the one that will continue into the future, is our primary emphasis on QUALITY. This past year, Strawbridge School, our non-public school was accredited through the National Commission for the Accreditation for Special Education Services (NCASES). Strawbridge School is the second non-

public school in Maryland to be so accredited. The National Association accredited our DC day care program for the Education of Young Children. Our Baltimore City day care program, Tide Point, has also begun the process of accreditation with the National Association for the Education of Young Children. In fiscal year 2005, our Maryland license was renewed for all of our programs without any issues or concerns raised by licensing and the same occurred at our DC foster care program. West Virginia also completed licensing and our 5<sup>th</sup> cottage there was opened. This means that we are now at our maximum capacity of 50 children in Falling Waters. We were blessed to be part of the joy of 13 children who were adopted into caring and loving homes from our adoption program. During the past year in our DC foster care program, we had a total of 74 children. Our foster parents adopted eighteen of these foster care children and sixteen children were reunified with either their birth mother and/or father or reunified with relatives.

All our beds in all of our programs are either full or near capacity. During these difficult economic times and with changes in Federal and state policies, the need for our type program continues to grow. Fortunately, we continue to have the support of so many in the Peninsula-Delaware Conference - individual churches, the men's and women's groups, business and community groups and individual people who place children first in their prayers, thoughts and financial support. During this past year, we saw more churches and groups supporting us than in the last few years and it our hope that each church within the Conference will contact us to learn more about our exciting and successful ministry for children and families.

Eastern Pennsylvania-Peninsula  
United Methodist Foundation, Inc.

Investment management services and planned giving advice are available for local churches and agencies through the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc. The Foundation focuses on being a resource in three areas: 1) providing financial leadership to local churches/agencies in the creation of endowment funds with formal policies for governance; 2) investing long-term assets on behalf of the church/agency; and 3) fostering an environment within the local church to encourage and assist individual members with the giving of long-term assets.

We will work with local churches/agencies through the process of creating and writing the endowment policy and then support giving to the endowment by running seminars at the church on trust and estate planning, particularly planned giving. Assets are managed according to the Social Principles of the Discipline through pooled funds created by the Foundation specifically for use by churches and agencies in the Eastern Pennsylvania and Peninsula-Delaware Conferences. Additionally, we are happy to meet with individuals from local churches to assist them with planning gifts through their will or trust.

## DISTRICT SUPERINTENDENT'S REPORT

Bishop Matthews, my colleagues on the Cabinet, and members of the Annual Conference, it is a privilege for me on behalf of the Cabinet to deliver this year's District Superintendent's report. This year's report is somewhat different than in previous years in that it will not highlight the various achievements of our four Districts, but rather will be my thoughts and reflections of our Annual Conference and our local churches after serving five years as the Wilmington District Superintendent.

Jim Collins, an international business consultant, in his best-selling book entitled *"Good to Great"* writes "Good is the enemy of great, and that is one of the key reasons why we have so little that becomes great. We don't have great schools because we have good schools. We don't have great government because we have good government. Few people attain great lives, because it is just so easy to settle for being good enough."

Now, I would like to share my reflection on Collins' opening paragraph in terms of our Annual Conference and our local churches.

We don't have great churches because we have good churches. We don't have a great Annual Conference because we have a good Annual Conference.

I suspect with those opening comments, I may have raised a few eyebrows but, in my opinion, any honest appraisal of our Annual Conference and our local churches, I believe it supports this perspective. Oh, there have been moments of greatness, as in 1965 with the merger. We are good in many ways, but far from achieving all that God wants us to be, far from making a significant impact in our communities. We must STOP being in denial. We must STOP accepting our ministries as being good enough, and instead challenge ourselves with a passion to become a great Annual Conference with great churches, with great clergy, and with great laity who are deeply committed to bring about transformation in our culture all to the glory and honor of our Lord Jesus Christ. I believe God expects nothing less from all of us. I believe God desires greatness in the church.

Now, may I share with you a few thoughts on how we might begin the process of how we may become a great Annual Conference with great local churches.

First, I believe we must begin to embrace, encourage, and implement change instead of resisting change in our churches and in our Annual Conference and in ourselves. Let me ask you four questions: 1) Are you satisfied with the results we are producing as an Annual Conference? 2) Are you satisfied with the results we are producing in our churches? As pastors, are you satisfied with the results of your ministry? As local church leaders are you satisfied with the results the time, energy, and effort you are putting into your ministry at both the Annual Conference and the local church? If your answer is NO, then it means that if we want different results, we need to change how we are doing the ministry God has entrusted us with.

For if we continue to do what we have always done, then we will continue to get the same unsatisfactory results. If we really want different results, then change is of necessity.

Let me make a few observations about change. From my experience, nothing seems to create more conflict in our local churches, as well as in our Annual Conference, more than suggesting some change in our approach to ministry. Too often during these past five years, my colleagues and I have been called to help mediate conflict generally around some issue involving change. In my opinion, too much time, energy, and effort has gone into this process with little long-term change. We need honest, open dialogue and discussion over change, but let us never lose focus that we are all attempting to find a more effective way of achieving the results we desire.

Let me suggest a few principles every Church Council, Administrative Board and agency in our church and Annual Conference could use that would reduce the conflict:

1) Understand that the Council decision making group often exists to gain understanding about the important ministry issues facing the church or Annual Conference.

2) That every member of the group has the right, indeed, is expected to ask hard questions, to argue and debate, in search of understanding the issue, not from the egotistic need to win a point, or to protect one's special interest or turf.

3) Every member retains the respect of every other group member without exception regardless of the position a member takes, at the end of the day, everyone is still respected.

4) Lastly, in my opinion, it is not necessary that the group seek consensus. Seeking consensus often means finishing a compromise, and compromised decisions are often at odds with the best most intelligent decisions.

I believe following those sample principles would alleviate much of the conflict I have seen in our church and Conference.

In attempting to change our ministries, we need to focus on three areas:

- 1) What current ministries do we need to stop doing;
- 2) What current ministries do we need to tweak and make better; and
- 3) What new ministries do we need to begin?

In my opinion, this is true not only as an Annual Conference, not only in our local churches, but also in our personal lives and ministries as well.

In order to answer those three questions, we must infuse our ministry planning process with a diligent and honest effort to confront the facts, sometimes brutal facts, of the current ministries we are responsible for.

All too often, in my experience, we make excuses for not achieving the results we desire or attempt to put a positive spin on the facts so they appear not as bad as they really are.

As an Annual Conference, and as local churches, we must allow the facts of our current reality to be clearly understood. In our contemporary culture, we can no longer afford to ignore our current reality whatever it may be. So, first, encourage and embrace change allowing the facts of our current reality to speak to us.

Second, in designing an effective ministry for our 21<sup>st</sup> century culture we need to ask ourselves three crucial questions:

- 1) What ministries in our Annual Conference boundaries can we be absolutely the very best at accomplishing?
- 2) What ministries can we be very passionate about?
- 3) And what ministries will produce the kind of results we are looking for that will produce greatness?

For example, there is church in our Annual Conference where the leadership came to the conclusion that they could become the best, of all the churches in the community, and the best at reaching the unchurched population in that community for Jesus Christ.

It was a focus that the church leadership both with lay and clergy became passionate about and believed they could achieve the results they felt God calling them toward.

They were committed to this focus with laser-beam intensity.

Then what followed was a series of strategic decisions that were related to that primary focus, reaching the unchurched for Jesus Christ.

They asked themselves what would attract the unchurched in their community. What kind of worship would attract and appeal to those who were not accustomed or familiar with Christian worship? The trustees asked what could they do to make our facility, both inside and out, attractive and appealing to the unchurched? The local Missions Committee saw the need for addressing health care issues in the community so they sponsored a free health care fair that was

offered to the entire community. Hundreds of unchurched people were exposed to that church as they sought to improve healthcare.

Well, you get the picture. Every area of ministry began to focus on what in their area of responsibility could they do that would attract and appeal to the unchurched in that community. I believe that this church is moving in the direction of becoming an outstanding if not a great church.

Thirdly, I believe we need to find creative ways to strengthen our connection. One of the positive transformations that has occurred in my life during these five years as District Superintendent has been a greater appreciation for our connectational polity. I have seen how the mutual support and encouragement that can come from our participation in District and Conference activities can make a huge difference in our effectiveness. In my opinion, it is worth the time, energy, and effort.

Let me conclude by asking the question, why greatness? Why should we try to build a great Annual Conference and great churches? Why not just be satisfied with being good enough. In response to that question, I would like to make two points: 1) I believe that it is no harder to build something great than it is to build something good. It takes more discipline and more focus, but not more effort, time, energy, or money.

My second response to that question is one that I believe gets at the real heart of the issue. If we are doing something we really care about and we believe in its purposes deeply enough, then I believe it is impossible not to try and to make it great. If we really love and care about this work we are engaged in then the question why greatness needs no answer, it is self-apparent.

Greatness is largely a matter of choice. Let us concentrate our time, energy, effort, prayers, creativity, and money with a disciplined and focused approach to the needs and hurts of men, women, children, and youth. If we do this, by the sustaining power of God's grace, I believe we can achieve the results we desire, and becoming great may indeed become a reality.

ALBERT CLIFTON BURTON

The Reverend Albert Clifton Burton of Rock Hall, Maryland died on Wednesday, February 2, 2005 at his home. He was 71. Born in Glen Arm, Maryland on April 29, 1933, he was the son of the late, George Washington and Mary Elizabeth Dedder Burton.

Rev. Burton was a graduate of Towson High School class of 1951. He served in the U.S. Army during the Korean Conflict in Germany. After an honorable discharge, he returned to study at the University of Maryland College Park and graduated in 1959 with a B.A. Degree in Theology. That same year he married his childhood sweetheart, Helen E. Simms. Rev. Burton received his local preacher's license in 1959. He then took Doctoral courses at Lancaster Theological Seminary.

He was a member of the Baltimore-Washington Conference from 1960 to 1982. After graduating from Iliff School of Theology in Denver, CO. in 1961, Rev. Burton served in Shepherdstown, W.V. for three years. He was campus minister at Baltimore Center, which served several Baltimore area college churches in 1965. He was appointed to St. James Church in West Friendship from 1966 until 1981, where "Church of the Year" honors where received. He then served Trinity UMC in Martinsburg.

In 1982, Reverend Burton transferred to the Peninsula Delaware Conference and served as pastor of the Rock Hall United Methodist Charge until 1988. He was appointed to Union UMC in Bear, DE. He retired from Union in 1995 and moved back to Rock Hall, MD. During his retirement, Rev. Burton served as a pastor with Calvary UMC in Maryland, MD.

He was an avid songwriter, poet, playwright, and short story teller. He co-wrote the drama play for the 1970 General Conference "saddlebags to satellites" performed in Constitution Hall, Washington, D.C. in June of 1971. Rev. Burton had a creative ministry of reenacting Bishop Francis Asbury. While in Seminary, Rev. Burton "named" Denver's professional football team the Broncos by submitting the winning entry to a newspaper contest.

Rev. Burton was predeceased by two sons, Brant Burton in 1985 and Bradley Burton in 1988. His funeral was held on Saturday, February 5, 2005 at Rock Hall United Methodist Church and burial was in the Wesley Chapel Cemetery in Rock Hall.

He will be remembered as a pastor who loved people. His ministry was one of encouragement, gently cheerleading on the sidelines letting folks know they could do it through God's strength. He knew this because He lived it. Rev. Burton led by example. He went to each new appointment knowing God had something to teach him and allowing God to work through him. He led by example in his personal life, practicing what he preached showing that each new morning is full of God's mercy even though he had such personal tragedy in Brant's and Brad's deaths. He and his wife Helen assisted so many folks in the communities they were called to serve. They knew God's call upon their lives while they quietly assisted people with their emotional and often times financial needs.

#### HARVEY GRINAGE CHASE, JR.

Reverend Harvey Grinage Chase, Jr. was born March 7, 1923 in Trappe, Maryland to the late Harvey G. Chase, Sr. and Irene Qualls Chase. Harvey was the older of two children. He passed into eternal rest on Tuesday, December 21, 2004 at his home in Cambridge, Maryland.

Harvey attended elementary school in Talbot County and graduated from the St. Clair High School in Cambridge, Maryland in 1939.

As a youth, Harvey attended Scotts United Methodist Church, Trappe, Maryland with his parents where he was a member of the weekly Sunday School Class. After graduating from high school, Harvey entered into the world of work, by first, working for a farmer for a short period of time and then he became self-employed as a carpenter.

On June 14, 1942, he was united in holy matrimony to Mary Brooks but no children were born to this union. However, several years later, they became the foster parents of Norman Cook, Jr.

Harvey's favorite hobby when he was a very young man was riding and performing stunts on his motorcycle, but during most of Harvey's life, he simply enjoyed reading and viewing television.

From 1942 to 1945, Harvey fulfilled his military duty by serving in the United States Army during World War II. When he returned home from his service tour of duty in 1945, Harvey answered the Call of Our Heavenly Father and he became a minister in the Old Delaware Conference until it merged with the Peninsula Conference in 1965.

It was during this phase of his life that Harvey pursued undergraduate work at the Princess Anne Academy, which is now the University of Maryland Eastern Shore in Princess Anne, Maryland and Delaware State College, now Delaware State University, in Dover, Delaware. "To be the best that he could be" he continued his ministerial training by doing his seminary work at the following institutions: Duke University in Greensboro, North Carolina, Gamma Theological Seminary in Atlanta, Georgia and Drew University in Madison, New Jersey.

His ministry of forty-four years included service at the Cordova Charge, Ridgely Charge, Vienna Charge, St. Luke United Methodist church in Cambridge, Maryland, Wilmington Delaware Charge, Middletown United Methodist Church in Middletown, Delaware, Cambridge Circuit Charge, and Waugh United Methodist Church in Cambridge, Maryland. Reverend Harvey G. Chase, Jr. retired from the Peninsula Conference in 1989. However, Reverend Chase accepted other pastoral assignments after his retirement until 1996.

Affectionately called "Harvey" by his many friends and family, he leaves an outstanding record of service and dedication to the churches, communities to which he served, to his family and friends. On the conference level, Reverend Chase served in numerous capacities, namely; Chairperson of Evangelism - District and Conference Levels, Consultant to Strengthen the Black Churches, Chairperson of Race & Religion, Member of the Commission on Archives & History and a Member of the Board of Global Ministries.

His involvement in community activities included: First African American Member of the Talbot County Board of Education, Honorary Member of the Dorchester County Branch of the NAACP, Chaplain of the American Legion Post 87 in

Cambridge, Maryland, Member of the Board of Directors for the Delmarva Community Service, Cambridge, Maryland, Member of the Good Shepherd Association of Dorchester County, and Member of the Dorchester Ministerial Association.

Reverend Harvey G. #### IVAN P. DOWNING SR.

Ivan was born on a small farm in North Norwich, New York on February 17, 1916, the son of Charles Albert and Caroline (Standley) Downing.

In 1921 the family moved to Michigan only to return to New York in 1929. As a young boy, Ivan attended public schools in both states and later graduated from the State University of New York at Delhi. He continued his post graduate work at Duke and graduated from Wesley Seminary Course of Study in Washington DC. He was ordained Deacon in 1962 and Elder in 1964. He spent the next 23 years serving charges at Mt. Zion in Laurel; Ellendale; Roxana; Reliance; Newark-Bethany; Mariner's Bethel and Clarksville. Also, he served as hospital chaplain for the Stockley Center during the 60's and was a past chaplain in the Civil Air Patrol holding the rank of Captain. He retired in 1981 as a pastor under appointment but continued to minister and fulfilled his call in any area where he was needed for the remainder of his earthly life.

In 1938 Ivan married Helen Ruth, the daughter of Herbert and Beulah (Bartley) Johnson of Clawson, Michigan. They had six children, Ivan Paul Downing Jr., Rev. Carol Lynn (Downing) Gathagan, Mary Ellen Downing, Rev. Dr. William Stanley Downing, John Bartley Downing and Judy Lee (Downing) Marvel. In the 1940's and 50's, Ivan and Helen owned and operated a dairy farm in Plymouth, New York breeding purebred Holstein dairy cattle. During these years, Ivan served eight years as Justice of the Peace and Town Councilman and played semi-pro baseball for the Plymouth Pilgrims.

In 1956, because of health problems, Ivan and Helen sold the dairy farm and relocated their family to Harrington, Delaware where he had been employed as the Agency Manager of Farm Family Insurance Services. Ivan had felt God calling him into ministry for many years but it was with the love and encouragement of the congregation of the Asbury Methodist Church in Harrington and their pastor, The Rev. Richard Gibson, that he heard and answered God's call in his life to enter the ministry.

Ivan had many special interests. Among them were Bible Study, reading classics written in Latin, writing and handcrafting authentic Shaker furniture. Many of his articles were published in "The Upper Room" and other religious publications. He will be remembered for his work on conference boards and agencies that promoted daycare centers and reconciliation between races.

Ivan died at home on December 14, 2004 from complications of Parkinson's Disease. His memorial service and interment were at St. Georges' UMC in Clarksville, Delaware. The Rev. Olin Shockley and Pastor Michael Hurley officiated. Rev. Shockley told the story of an old railroad engineer on a commuter line being asked what he had done for a living. He replied, "I spent my life helping people get to where they needed to get." He continued, "As a faithful and committed pastor Ivan worked hard helping people to get where they needed to get in their relationship with God." Who could ask for a better legacy

## JOHN ROLAND HICKSON

John Roland Hickson was born February 5, 1916, in Chapel Hill, Easton, Talbot County, Maryland, to the late Charles B. and Laura Agnes (Calloway) Hickson. John grew up on his family's farm on Three Bridges Road. He attended Chapel School and Easton Public, graduating from eleventh grade in 1932. He received an exhorters license from the Church of God, Crisfield, Maryland, and, throughout his ministry career, served various churches in three states for the Church of God.

John married Blanche Keller, August 1, 1936, who preceded him in death. On May 9, 1970, he married Mildred Wilburn. Besides Mildred, his wife of 34 years, he is survived by his children: John R. Hickson, Jr., of Atlanta, GA; Blanche (Bonnie) Wilson of Dallas, TX; Eileen Mehnert of Friendswood, TX; and Joan Jefferson of Broadkill Beach, DE.

In 1953, John and Blanche moved the family to Markleysburg, PA, to care for the Kellers, Blanche's parents. John preached in area churches and worked for Knights Life Insurance Co. to support his growing family.

In 1961, he was assigned to serve the three churches on the Addison Methodist Charge as Deacon, 1966. After completing a course of study program at Wesley Theological Seminary, Washington, DC, he was ordained as Elder and Associate Member, 1968, of the Western Pa. Annual Conference of the United Methodist Church. After 17 years of ministry in Addison, he transferred in 1979 to the Peninsula-Delaware Conference, White Chapel United Methodist Charge, from which he retired in 1981. He and Mildred then moved back to Addison.

Rev. Hickson's retirement years were spent preaching now and then, traveling many miles to visit his children and grandchildren, walking, reading and reciting poetry. He also enjoyed the beauty of the sky, and, perhaps not so coincidentally, could observe both the sunrises and the sunsets from the location of the home he and Mildred built in Addison. In 1993, he wrote *My Story*, which chronicles the details of his life. After that, the Reverend's health began to decline, and in 1995 he was diagnosed with Alzheimer's disease, its progression rapidly taking a toll on his ability to tell his stories. He passed from this life on February 11, 2005.

A service of resurrection was held February 15, 2005, at the Addison United Methodist Church. Those participating in the service were the Rev. Timothy Rogers, pastor of the Addison Charge; John "Jay" Hickson, Jr.; violinist Laura Reynolds, a granddaughter; and members of the Addison UM Church. Included in the service was Psalm 23, as well as Rev. Hickson's favorite passage from Isaiah 40 *Those that wait on the Lord shall renew their strength.*

Son Jay eulogized his father in this way: "Because my dad was faithful to the Lord, we can smile because of the way he lived his life. We can smile because of his sense of humor with an Easton, MD, slant that helped others to be at ease with whatever situation they were in. Wherever you'd meet him, he would have a story or an anecdote of encouragement to share.

"He helped his family to handle what lay ahead. His philosophy on wisdom was that you needed to be acquainted with two books: The first is one of one's own knowledge and the second contains all you don't know. He quipped, 'The second is always much larger than the first.' Humility and caring were important attributes and gifts he wanted his children to learn in addition to trusting God. He himself trusted God to help him provide for our family and with the purpose of his work of preaching and teaching."

Rev. John Hickson will be remembered as a devoted husband and father, a loving friend, a faithful pastor, a man who gave the gifts of smiles and laughter, humility and humor. His earthly body was interred at Somerset Memorial Park, Somerset, PA.

#### JOHN EDWARD JONES

Reverend John Edward Jones was born in Wilmington, Delaware on May 26, 1910, son of the late John Edward Jones and Matilda Glandville (Clark) Jones.

The family attended services at Eastlake Presbyterian Church and/or Epworth Methodist Church. His early childhood was a happy one until the death of his father during the flu epidemic. Their lives changed drastically and even more so when years later, their mother remarried. Their step-father, Charles Eaton, relocated them to mosquito-infested Dias Creek, New Jersey. Here the family was introduced to the hardship life of tenant farming. Lessons in patience, perseverance and endurance were a part of their everyday life and served him well in his future profession. It was here at a local Methodist Church revival that he gave his life to Christ.

Finally, after moving several times and attending various schools, his stepfather found a permanent job in his own trade as an electrician at the DuPont Deepwater Plant. John then attended Penns Grove (NJ) High School and graduated from there. It was during these years that he received the call to become a pastor. He received an "exhorter's license" on October 16, 1928, and became the pastor of a near-by church for a year. He attended Washington College and graduated from the Temple School of Theology in Philadelphia, PA. He was ordained in March 1933 and was married to his high school sweetheart, Inez Garnett Kille, on June 3, 1933. They had two children: John Edward Jones, Jr. and Ethel (Jones) German. His family included 3 grandchildren and 7 great-grandchildren.

John served the Peninsula Conference for forty-two years. One of his earliest charges at Nanticoke Maryland involved serving three plus 2 other churches every Sabbath. His Maryland charges were Berlin and Cambridge. His Delaware pastorates included Cheswold, Roxana, Brack-Ex, Millsboro, Wilmington, and Harrington. After his retirement in 1975, he continued his life of Christian service as the associate pastor of the Church of the Atonement in Claymont. He concluded his profession as chaplain for the Methodist Country House on Kennett Pike. After the death of his wife in 1990, he sold his home and moved to the Methodist Country House.

He was an avid reader enjoyed oil painting, and was an enormous circus fan from his early youth. He was a firefighter at Millsboro and Harrington. He also served as chaplain for the Delmarva Firemen's Association.

Reverend Reynolds, a native Sussex Countian, was born at the village of Shortly to the late John and Lida Rickards Reynolds on the second day of November 1915.

After graduating from Georgetown High School with the Class of 1933, Reverend Reynolds went on to Goldey College in Wilmington and Washington College in Chestertown, Maryland, before earning a bachelor's degree in education and a master's degree in sacred theology from Temple University in Philadelphia. Reverend Reynolds earned a doctorate of divinity from Howard University in Washington, D.C.

In 1939 Reverend Reynolds was joined in holy matrimony to Grace Collins Reynolds of Millsboro, in whose family home the couple spent their retirement years. Mrs. Reynolds passed away in 1993. Reverend Reynolds began his ministry in the small Chesapeake Bay village of Hooper's Island in 1938. In 1945 he was called to begin a new church in the newly developing suburb of Wilmington Manor, south of Wilmington, an endeavor which was to result in the establishment of Asbury United Methodist Church and a congregation of some two thousand, three hundred persons before the Reynolds were called to Bethesda United Methodist Church in Salisbury, Maryland in 1974. Reverend Reynolds retired initially in 1986, but he left retirement to take on three additional pastorates.

His later charges, in which he was greatly assisted by his dear friend, Beatrice Simonds, included most recently Christ United Methodist Church in Laurel, which he served from 1999 to 2001. Reverend Reynolds found many other opportunities to serve his Lord in addition to his pastorates. In 194, he became the first chaplain of the Delaware State Police. Brooks Reynolds was living proof of the truth of this message. He never lacked for opportunities to be of service to his fellow man, and he always availed himself of those opportunities.....

This memorial was presented to the Reynolds family by 142<sup>nd</sup> General Assembly of the State of Delaware including Senators George Howard Bunting, Jr., Nancy W. Cook, Dorinda A. Connor and Thurman Adams, Jr.

CAROL PHYLLIS MILLER

Carol Phyllis (Jorgensen) Miller was born October 10, 1922, in Columbus, Ohio. Her father was Charles Alexander Jorgensen and her mother was Nancy Ruth (Kennedy) Jorgensen.

They served churches in Pennsylvania, Maryland, and Delaware. Carol enjoyed very much being a minister's wife, and district superintendent's wife. She worked tirelessly in all areas of the church program. Over the years she served on many committees, worked in Bible school, fund-raising efforts, WSCS, circles, as well as meeting the needs of the communities where she lived. Carol lived her life serving others and her happiness was derived from doing God's work.

There is only one word to best describe Carol, and word is "creativity." Her talents for creating were unending. She could knit, sew, paint, crochet, needlepoint, applique, design, quilt, cook, do beading, bake, make ceramics, embroider, and be completely absorbed in any of these endeavors. Her hands were never idle. She used these talents to express her individuality teaching others her crafts.

In the pastorate and living in various parsonages, Carol invited many individuals to live with the Miller family. Some of these persons would stay for a number of years, others for a year, some for months, or even for several weeks. These persons became part of the family during their stay. Carol was a devoted wife, mother, grandmother, and great-grandmother, as well as a good friend.

Alton and Carol had one daughter, Ruth Ann, who has enjoyed living nearby since their retirement when in 1979 they moved to Florida. Ruth Ann Ward is the mother of two daughters and two sons.

Carol passed away on September 13, 2004, in Clearwater, Florida. A memorial service was held on September 20, 2004, in the Town Hall at Regency Oaks where she lived. The Rev. Gordon H. Strickland officiated at the service. Other clergy included The Rev. Russell T. Belcher, and the Rev. Robert I. Galatas.

Carol will be remembered for her effervescent personality and ability to accomplish great things by all those who knew and loved her. She was influential, admired, and displayed a positive outlook on life daily, while smiling through everyday experiences. Her gift of life was truly knowing how to live in Christian love as the Bible teaches.

## A. Conference Rules of Order

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
  2. To adjourn;
  3. To take a recess;
  4. To lay on the Table.
  5. To call for the previous question;
  6. To postpone to a given time;
  7. To refer;
  8. To substitute;
  9. To amend;
  10. To postpone indefinitely;
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.

- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed to the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection, probationary members, associate members, affiliate members, and local pastors under full-time and part-time appointment to a pastoral charge.

Lay membership designated by Par. 32 of *The Book of Discipline* includes: one lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference president of the United Methodist Women; Conference president of the United Methodist Men; Conference president of United Methodist Youth; diaconal ministers; one youth between the ages of (12-17) from each District; one young adult (18-30) from each District; and, the president of the Conference Young Adult organization.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as

needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leader; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) the Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of Charges served by a non-voting pastor. For those elected under sections (1) & (2), each charge will inform the Conference Office of who they elected. The CCYM is responsible for informing those elected under (3). All elected under Rule #25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 656 in the 2004 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates indicated by the President.

**B. Rules and Guidelines for the Conference  
Nominating Task Force**

**A.**

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Task Force be 28 – 32 persons.  
That the Nominating Task Force be composed of the following persons:
  - One lay and one clergy representative from each District
  - Cabinet Representative
  - Conference Lay Leader
  - District Lay Leaders
  - Two Young People's representativesMembers at large – minimum of six persons. Members at large will be selected to assure inclusiveness. The Nominating Task Force co-chairs will be selected from the members at large pool.
  - Ex officio members without vote:
    - 1 representative from Monitoring Team
    - 1 representative from each of the four Resource Teams
    - Conference Resource Director
3. That the following guidelines be used by the Conference Nominating Task Force :
  1. Nominations will be based upon a person's gifts, abilities, and leadership
  2. Priority will be given to assure inclusiveness
  3. The Task Force will operate by consensus
  4. Prayerful discernment will be the framework for the work of the Task Force
  5. See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guideline for Conference positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term. (Conference Rule #23, page 347, 2004 Conference Journal) Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons

should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Task Force is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Task Force in equal distribution of responsibility on the part of the Conference members. The Nominating Task Force will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2004 Book of Discipline, ¶611.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Task Force may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Para. 162.E, page 106 of the 2004 Book of Discipline), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Task Force shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Nominating Task Force's report. A report of the board, agency, and Resource Team chairperson to the secretary of the Conference Nominating Task Force by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, Co-Chairpersons (lay and clergy) shall be nominated for leadership for boards, agencies and Resource Teams. It is recommended that District organizations also use Co-Chairpersons. Boards, agencies, Vision Team, and Resource Team members will be notified

in advance of their nomination. Insofar as possible, the Nominating Task Force will dialogue with persons about their gifts and experience prior to nominating them as co-chairs. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of co-chairpersons:

1. Demonstrate spiritual gifts or expertise needed for the specific area of ministry;
  2. A demonstrated leadership ability in the local church;
  3. Committed to the Vision and Mission of the Peninsula-Delaware Conference;
  4. Willingness to commit time as required by the position;
  5. Willingness to commit time for training for the responsibilities of the office;
  6. Have an understanding of and a willingness to support the polity of the United Methodist Church;
  7. Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of election to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

For information only:

B.

*Concerning the Nominating Task Force,  
its report and the securing of talent*

1. That the report of the Nominating Task Force to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent through the representatives serving on the Nominating Task Force to obtain recommendations for persons. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Team for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents,

leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Nominating Task Force.

4. That the above-adopted guidelines for the Nominating Task Force of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Nominating Task Force report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.
