III. DAILY PROCEEDINGS

Special Session
Saturday, October 8, 2005
Sheraton Hotel, Dover, Delaware

The Special Session of the Peninsula-Delaware Annual Conference began at 9:00 a.m. Opening praise was led by the Praise Team of Skyline United Methodist Church in Wilmington, Delaware. Bishop Marcus Matthews, called to order the Special Session, and prayed for both the lay and clergy members.

Organizational and Procedural Motion and Rules of Order: The Rev. Boyd Etter, Conference Secretary, made reference to Rule #13, identifying the voting bar as the entire auditorium and ballroom of the Sheraton Hotel. He also moved the suspension of the rules, as allowed for in Rule #19. This was to allow for a presentation of the 2005 Conference Special Asking Resolution. The rules were suspended by more than the required two-thirds majority. The Organizational and Procedural Motion was adopted.

Greetings from the City of Dover: The Rev. Dr. James T. Seymour, Director of Connectional Ministries, introduced Mayor Stephen Speed of Dover. Mayor Speed welcomed the Annual Conference members. He noted that he has also served as President of the St. Andrews Lutheran Church Council. He was raised United Methodist, and became a Lutheran through marriage.

2006 Budget Presentation: Mr. Howard Brecht, Chairperson of the Conference Council on Finance and Administration (CF&A), presented the proposed budget for 2006. Receipts have been growing slowly, by about 2% per year. Spending has been growing at a faster rate: up by 4% in 2004; increasing by 3.5% in 2005. However, the budget for 2006 projects a decrease of 3.5%.

Mr. Brecht then outlined the budget process. CF&A assesses the anticipated income in a way that is caring and responsible. The Council advises the Vision Team of anticipated funding. Budget requests are then received from Conference boards and agencies. Then the Council seeks a balance between financial needs and financial resources. This process continued through Tuesday, October 4. The proposed funding includes 100% of General Church Apportionments. CF&A proposed limiting increases in salary for Conference Staff to 2%, and for the District Superintendents to 1%.

Since the June 2005 session of Annual Conference, budget adjustments were received from the Vision Team, Resource Development Management Team and the Board of Pensions, and then finally by CF&A.

Bishop Matthews appointed a long-range budget planning team, under the leadership of the Rev. John Mitchell. Fuel costs are impacting everyone individually and corporately in local churches. Increases in energy expenses are squeezing funds available for local church and Conference programs.

The proposed budget is \$4,974,575, plus an Apportionment Adjustment Allowance of \$510,000. The grand total to be apportioned is \$5,484,575. Mr. Brecht also reviewed the apportionment formula for 2006. Publication of this formula was requested for inclusion in the Conference Journal.

On behalf of CF&A, Mr. Brecht moved the adoption of the budget in the amount of \$5,484,575. He acknowledged that the amount of \$510,000 is the apportionment adjustment allowance, since 100% of apportionments are not received from local churches.

Ruth Oatman, a Lay Member from Newark United Methodist Church, presented a "Response and Appeal for Reconsideration of Proposed Reduction in 2006 Budget." This document was offered on behalf of the Wesley Foundation Board of Directors from the University of Delaware.

Mr. Brecht noted that the University of Delaware Wesley Foundation presented its case before CF&A on October 4, 2005. CF&A agreed to try to reinstate more than half of the proposed reduction. The amount of \$6,200 could be transferred to the Wesley Foundation by January 1,

2006. This was seen as a more equitable allocation of funds among the four campus ministries supported by the Annual Conference. This would provide total funding of \$26,000 to the University of Delaware's Wesley Foundation, up from \$19,800.

Nancy Fernwalt, Lay Member from Christ UMC, Chestertown, proposed to amend the resolution by limiting increases in apportionments to 4% of the local church's 2005 apportionment. The amendment was seconded. Mr. Brecht responded that CF&A would need to study the impact of this on the Conference budget. He asked that the amendment be referred back to CF&A. Mr. Bill Westbrook, Director of Administrative Services and Treasurer for the Annual Conference, advised that this would require recalculation of the local church apportionments on this day to assess the impact of the amendment. The amendment was not referred.

The Rev. Earle Baker moved to amend the proposed Conference budget by granting salary increases of 3% to Conference staff and District Superintendents. It was pointed out that this would necessitate the recalculation of Conference apportionments, given that increases of 2% for staff and 1% for District Superintendents had been recommended in the proposed budget. The Baker amendment was defeated.

The Rev. John Mitchell moved that the apportionment adjustment allowance be reduced from \$510,000 to \$368,000, the 2005 level. The Mitchell amendment was defeated.

The Rev. Sandra Steiner Ball prayed prior to the vote on the 2006 Conference Budget. The budget was approved as presented.

2006 CONFERENCE BUDGET RESOLUTION

WHEREAS the total 2006 financial needs of the Peninsula-Delaware Annual Conference total \$4,975,000, and

WHEREAS the Conference Council on Finance and Administration (CCFA) has prepared a proposed budget as presented to the Special Session of the Annual Conference,

NOW THEREFORE BE IT RESOLVED that the Peninsula-Delaware Annual Conference adopt the 2006 funding plan as proposed including an apportionment total of \$5,485,000 to support the funding needs for 2006.

Apportionment Formula for 2006

The calculation is a multi-step process as outlined below.

Step One:

Determine the Apportionment Factor based on the three year average of a local church's net operating expenses compared to the three year average of the conference total of all local church net operating expenses.

2003	2002	2001		
Local Church Exp. +	Local Church Exp. +	Local Church Exp.		
<hr/>				Apportionment
30,503,469	+ 28,170,850	+ 24,916,397	=	Factor
(2003 Conf. Total of Local Church Exp.)	(2002 Conf. Total of Local Church Exp.)	(2001 Conf. Total of Local Church Exp.)		

Step Two:

Determine the Calculated Apportionment which equals:

$$\text{Apportionment Factor} \times \$5,484,575 \text{ (2006 Apportioned Budget)}$$

Step Three:

Determine the Maximum Apportionment:

2003 Total Operating Expenses x .22 (Cap)

Step Four:

Determine the Actual 2006 Apportionment which equals:

the lesser of the Calculated Apportionment (step two) or the Maximum Apportionment (step three)

What is Included?

The following items from the 2000, 2001 and 2002 Local Church Financial Reports to the Annual Conference are used to figure your Total Operating Expenses:

Item 57 -MPP/CPP Payments	Item 67 -Other Cash Allowances
Item 63 -Pastor's Base Compensation	Item 68 -Diaconal Minister's Comp
Item 64 -Associate's(s) Base Comp.	Item 69 -Other Staff Compensation
Item 65 -Parsonage/Housing Expenses	Item 70 -Current Program Expenses
Item 66 -Reimbursements paid to/for Pastor	Item 71 -Current Operating Expenses

To arrive at your net operating expenses for 2000, 2001 and 2002 total the items listed above for each year and then deduct 75% of housing allowances, 90% of parsonage rental, all of pastor's moving expenses and pastor's continuing education expenses included in each year.

Note that payments toward benevolence, missions, building improvements, major equipment purchases, principal, interest and UMW National Division are not used to determine your apportionment.

Hurricane Relief Needs: The Rev. Dale Brown reported that receipts for relief of victims of Hurricanes Katrina and Rita reflected an awesome response. Yet, much ministry remains to be done—caring for pastors, laity, and local churches in the affected regions. Literature is available highlighting the ongoing relief efforts.

Special Offering for Hurricane Relief: Darlene Webster, Conference Lay Leader, announced that the Volunteers in Mission team serving in Biloxi, Mississippi had e-mailed photos to her the preceding evening. She appealed first from her heart, and then prayed for the offering.

The Rev. Dr. Patricia Bryant Harris offered a blessing over the gifts that were presented to hurricane relief.

2005 Financial Situation: Mr. Howard Brecht, Chairperson of the Conference Council on Finance and Administration, projected receipts for 2005 in the amount of \$4,934,000. This would lead to an anticipated shortfall of \$220,000 for the year 2005. He presented for consideration the "2005 Conference Special Asking Resolution." We have fallen below the 10% reserve level. This resolution is a voluntary asking during the seasons of giving—Thanksgiving and Christmas. The window for receipts on the special appeal would be extended for 90 days, through January 31, 2006.

Mr. Kevin Goodwin, Conference Missions Resource, observed that more than \$300,000 has been raised for hurricane relief in less than a month. Our ability as an Annual Conference to pay our General Church apportionments will be even more critical than usual, since churches in the Gulf Coast region will be unable to do so, as many of those local churches no longer exist.

2005 CONFERENCE SPECIAL ASKING RESOLUTION

WHEREAS at the June, 2004 Peninsula-Delaware Annual Conference, a 2005 budget of \$5,154,000 was adopted, and

WHEREAS the Conference Council on Finance and Administration (CCFA) now projects 2005 apportionment receipts will total \$4,934,000, and

WHEREAS local churches have been requested to make every effort to remit their apportionments in full, and

WHEREAS Conference leaders have prudently reduced discretionary spending during 2005, and

WHEREAS the Vision Team has reluctantly reduced Conference ministry funding, and

WHEREAS CCFA currently projects a 2005 funding shortfall of \$220,000, and

WHEREAS the Annual Conference general reserves balance is below the established guideline,

NOW THEREFORE BE IT RESOLVED that CCFA be authorized to request a voluntary, "special asking" of each local church for the purpose of closing the projected shortfall. While each local church will independently determine their ability to respond to the special asking, the goal requested by CCFA will not exceed 4% of the local church's 2005 apportionment.

The motion was overwhelmingly approved.

Presentation and Proposal from Board of Stewards for Camping and Retreat Ministries: The Rev. Jack Shitama, Director of Camping and Retreat Ministries, and Mr. Ron Brown, Co-Chair of the Board of Stewards, were introduced. Mr. Kevin Goodwin prayed for their presentation. Ron Brown presented a scenario in which 1,600 campers will attend Camp Pecometh. Students from Christian schools use the facility during the school year, further adding to the enrollment at camp. He further envisioned a new adult retreat center. He reflected on having attended a retreat in a hotel where beer was being advertised and discount coupons for the purchase of beer were distributed, depicting scantily-clad models. The staff of Camp Pecometh was described by a District Superintendent as the most Spirit-filled team he had ever witnessed.

The Rev. Jack Shitama acknowledged overwhelming evidence indicating that endowments for contracting with alternative retreat facilities are not effective. The prevailing sentiment seems to be that people desire a Conference-owned retreat center.

Mr. Robert "Bud" McKee reflected back on the many life-changing experiences at Drayton Retreat Center, and the exciting future possibilities for adult retreat ministry at Camp Pecometh.

Rev. Shitama continued with a description of the proposed Pecometh River Retreat.

Mrs. Kathleen Hawkins reviewed financial projections for the Pecometh River Retreat. The retreat is designed to be self-supporting. Drayton underperformed because its design required four to six people per bedroom to be self-sustaining. Marketing will help fill the Retreat midweek through corporate and other clientele. The first year's profit is projected to be slim, but will grow in future years.

The Rev. Beverly Lewis, Co-Chair of the Board of Stewards, considered the question, "Who will support the Retreat Center?" From a retreat survey, 87 responses were received, mostly from laity. A total of 18% were returned from other denominations. Price was the primary reason respondents preferred a retreat center instead of a hotel as an option. People were willing to drive or carpool to a retreat center location.

The Rev. Jonathan Whitney advised that endorsements for the Pecometh River Retreat include the Vision Team, the Conference Board of Trustees, Delmarva Walk to Emmaus, Chesapeake Walk to Emmaus, Wesley College, and the Northeastern Jurisdiction Marriage Encounter.

Rev. Shitama announced a projected cost of \$4,975,000 for Phase I (almost identical to the 2006 Conference Budget). A key strategy in the Capital Campaign will be to approach individuals, not local churches. It is possible that toward the end of the campaign, local churches will be approached. God has given both a "vision," and a "strategy." The future of adult retreat ministry lies in the hands of the Annual Conference.

Mr. Howard Brecht, Chair of the Conference Council on Finance and Administration, presented the Adult Retreat Center Resolution.

ADULT RETREAT CENTER RESOLUTION

WHEREAS the Board of Stewards for Camping & Retreat Ministries has prepared a detailed study for the expansion of adult retreat ministry at Camp Pecometh, supported by the construction and operation of a new, Adult Retreat Center, and

WHEREAS the Board of Stewards for Camping & Retreat Ministries has developed a comprehensive feasibility plan and capital funding strategy to provide broad support for the addition of the proposed Adult Retreat Center facilities as well as other improvements to the existing roads and facilities at Camp Pecometh with an estimated total project cost of \$5,520,000 , and

WHEREAS net proceeds of \$3,367,000 from the sale of Drayton Manor will significantly reduce the capital campaign goal in support of the proposed facilities, and

WHEREAS the Conference Council on Finance and Administration (CCFA) has met in special session to review the potential financial implications of the project's capital plan on Conference finances and unanimously recommends the proposal to the Special Session of the Peninsula-Delaware Annual Conference,

NOW THEREFORE BE IT RESOLVED that the Board of Stewards of Camping & Retreat Ministry be authorized to proceed with the development of an adult retreat center at Camp Pecometh as outlined in today's project overview, and furthermore be authorized to initiate a capital campaign to raise the remaining capital funds required (\$2,153,000), and furthermore

when financial commitments during the "major donor phase" to the capital campaign have reached a level of \$1,000,000 AND ALSO campaign gifts in hand reach a level of \$400,000, be authorized to break ground for the new facilities, and furthermore

should it be necessary, be authorized to obtain "bridge financing" for the purpose of managing cash flow for the project. The "bridge financing" could be for a period of no more than five years and would be repaid as capital pledges are collected.

The Rev. Sandra Steiner Ball acknowledged the financial challenge this will present to the Annual Conference.

The Rev. John Mitchell moved that a written ballot be used for the vote on the Pecometh River Retreat. This motion was not supported.

The motion for the Pecometh River Retreat was approved. Bishop Matthews invited the Rev. Jack Abel to pray.

The Rev. Dr. James T. Seymour moved that the Special Session be adjourned, with the Annual Conference to be convened again from June 9-11, 2006, at the University of Maryland Eastern Shore in Princess Anne, Maryland.

**Wednesday, June 8, 2006 Clergy Session
Holy Cross Roman Catholic Church
Dover, Delaware**

The Clergy Session began at 9:00 a.m. The Rev. Grant Johnson, Chairperson of the Board of Ordained Ministry, welcomed all clergy. An especially warm welcome was extended to clergywomen, on the occasion of the 50th anniversary of the granting of full clergy rights to women in the Methodist Church in 1956. He also recognized members of the Conference Board of Ordained Ministry, inviting them to stand.

The Rev. Johnson then introduced the Rev. Amy Smith, Chairperson of the Eastern Pennsylvania Annual Conference Board of Ordained Ministry. Also present were the Rev. David Fife, Assistant to Bishop Matthews, and Mrs. Amy Botti, the Bishop's Executive Secretary.

Mrs. Elaine Moreland, Conference Benefits Director, advised all clergy who are changing appointments to contact Mr. Bill Westbrook, Director of Administrative Services and Treasurer. He can supply health insurance coupons, and assist clergy in completing a new investment plan for the PIP. New clergy in the Annual Conference should schedule an appointment with Elaine within seven days of this date.

The Rev. Thomas Short announced that on September 18, the inaugural event for the Dunkle-Mackey Preaching Seminar will occur. Leadership will be provided by the Rev. Dr. Paul Scott Wilson. The seminar will be held at Grace UMC, Wilmington. There is a plan to hold this event every other year.

The Rev. Steve Ackerman informed clergy of the "Finishing the Task Movement," reaching out to the local church. Initiating churches in the movement agree to take the lead in establishing a viable strategy for launching church planting among unengaged, unreached people groups.

Bishop Marcus Matthews of the Philadelphia Area called to order the Clergy Session. He celebrated the partnership with the Congo Annual Conference. The Peninsula-Delaware Annual Conference will be privileged to have Bishop David Yemba present during this session. Bishop Yemba was greeted with a standing ovation. He prayed for the Clergy Session.

Based on §602 of the 2004 *Book of Discipline*, the Rev. Grant Johnson presented the organizational motion. Probationary members, associate members, full-time and part-time local pastors, and student local pastors, shall be allowed to sit in the Clergy Session with voice, but without vote.

The Rev. Dr. Sandra Steiner Ball, Dean of the Cabinet and Dover District Superintendent, presented the report of corporate accountability on behalf of her colleagues on the Cabinet. She asked the other District Superintendents to stand as she read the following statement:

- 1. Corporate Accountability -- Sandra L. Steiner Ball, Dean of the Cabinet**
"Are all the clergy members of the conference blameless in their life and official administration?"
(P.604.4, 605.6 [2004])

The Bishop and District Superintendents:

In almost every case, our clergy members are blameless in life and character. The performance of every ordained minister and local pastor has been reviewed by the Bishop and Cabinet. Where there is concern or basis for a grievance, it is being pursued with the knowledge of the member involved.

The Clergy Family Assistance Fund offering was received, and presented with the singing of the "Doxology."

The Rev. Grant Johnson expressed appreciation for the gathering on Friday, April 28, 2006 of the Order of Elders, Order of Deacons, and Fellowship of Associate Members and Local Pastors.

The Rev. Karen Moore advised that the Annual Conference has a Spiritual Formation Team. A Contemplative Retreat has been scheduled at the Sea Voice Inn in Rehoboth Beach. The Rev. Sara Davis-Shappell (sp.) will facilitate this retreat.

Bishop Matthews, the District Superintendents, and the Bishop's Executive Secretary presented the gift of a clock to the Rev. Tom Donnachie, who is completing his service as Superintendent of the Easton District.

The Bishop reminded everyone that Holy Conferencing will continue at the University of Maryland Eastern Shore in Princess Anne, Maryland, on Friday, June 9 through Sunday, June 11. There we will share, dialogue, and grow together. Through the business we will seek to "discern God's still, small voice." The Bishop gave special emphasis to the Service of Ordination and Commissioning on Saturday evening, June 10. All clergy are to wear robes with red stoles. On Sunday morning, there will be a Service of Remembrance and Holy Communion.

The Board of Pensions sponsored a presentation by "Helen, M.D." The letters "M.D." stand for "mirth dispenser." Helen is our guest from the Kansas East Conference. She was accompanied by her "little sister," a hand puppet. The little sister engaged in a dialogue with "T.S." meaning "terminal seriousness!"

The most serious form of being overweight is having a heavy heart. Proverbs 17:22 encourages us to have a "merry heart." We are to nurture our sense of humor through a good support system. Along with exercise, "knee-slapping" humor lowers blood pressure.

Helen introduced us to the American Association of Therapeutic Humor (AAPH). Dr. Clifford Kuhn defines 17 stages of humor.

On this high note of encouragement and good humor, Bishop Marcus Matthews adjourned the 2006 Clergy Session with prayer.

The 222nd Session of the Peninsula-Delaware Annual Conference
Friday, June 9, 2006
Ella Fitzgerald Performing Arts Center, University of Maryland Eastern Shore
Princess Anne, Maryland
“One Lord, One Mission to All the World”

The 222nd Session of the Peninsula-Delaware Annual Conference opened at 9:00 a.m. with a worship celebration. Worship leaders included the Rev. Jack Abel; the Garden Praise Team of Gethsemane United Methodist Church in Seaford, Delaware; Mr. Bill Westbrook; the Rev. Karin Tunnell; the Rev. Rene Knight-Peguero; the Rev. Anna Foster; Bishop David Yemba of the Congo Annual Conference; the Rev. Kyung Mo Koo; and the Soldiers of Zion of Mt. Zion Charge in Pocomoke City, Maryland; This and other worship services were interpreted for the hearing-impaired.

Bishop Marcus Matthews preached in this opening worship service on the theme, “It’s a Brand New World.” He learned even in childhood that Cumberland United Methodist Church, his home church, was a part of the larger connection of United Methodism! His life was blessed by visionary and prophetic pastors, and by laity who lived out their faith daily in church and community. This reminds all of us that we are not simply to continue doing what we were doing in the 1960’s and 1970’s. In the sermon, it was noted that a large number of local churches have a wide variety of programs that meet the needs of many different persons. The Bishop affirmed the presence of many young people at the preceding evening’s celebration at the African-American Summit. The text for the message was Acts 9. Paul’s own self-assessment in this text reminds us of the need to continually reconsider our direction as a church. We must not fall prey to a refusal to change direction when necessary to build healthy churches! Our goals and vision are too small and too limited; we tend to live up to our own limited expectations. God, through the Holy Spirit, can remove the scales from our eyes, just as God granted Paul new insight! He challenged us not to leave the Annual Conference without a new story to share in our own communities about what God can yet do through us.

Bishop and Mrs. David Yemba were greeted by members of the Annual Conference with enthusiastic applause. Mr. Kevin Goodwin issued an invitation to the offering to be received for an endowment of a second scholarship for Africa University. Bishop Matthews requested special prayer for the husband of Mrs. Amy Botti, the Executive administrative secretary in the office of the Philadelphia Area. It had just been learned that Mr. Ben Botti had suffered a stroke. Those on the stage laid hands on Amy as Conference members prayed for Ben’s healing.

Call to Order, Adoption of Agenda, Rules of Order, Organizational and Procedural Motion: Bishop Marcus Matthews called the Annual Conference to order with the singing of the hymn “And Are We Yet Alive.” Then the Bishop led the body in prayer. He recognized the Conference Secretary, the Rev. Boyd Eter for the adoption of the formal agenda, the rules of order, and the organizational and procedural motion.

The formal agenda of the Annual Conference sessions was presented. The agenda was adopted as presented. The Rules of Order were also referenced. There were two proposed amendments to the Rules of Order. These were Resolutions R-4, addressing Rule #25, presented by Mr. Kevin Goodwin; and Resolution R-8, pertaining to Rule #3.

Resolution R-4 (2006) – Rule #25

Whereas the third paragraph of Rule #25 embodies the wording of Paragraph 30 (now #32) of the *Book of Discipline* and needs to be updated whenever General Conference updates this Paragraph,

Be it resolved that Rule #25 will automatically change to reflect the updates made by General Conference in regard to those designated as lay members to Annual Conference

(Par. 32, 2004 BOD). If and when said paragraph number changes, Rule #25 will be altered to reflect the updated BOD paragraph number.

Purpose: By phrasing the resolution in this manner, all future changes can be made to Rule #25 without the need of a resolution each time General Conference amends this Paragraph.

Resolution R-8 (2006) to Amend Rule No. 3, Conference Rules of Order

Be it resolved that the 2006 Session of the Peninsula-Delaware Annual Conference amend the present Rule No. 3 in the Conference Rules of Order, found on page 333 in the 2005 Official Journal of the Peninsula-Delaware Conference.

Resolved to amend by inserting the following new paragraphs at the beginning of Rule No. 3.

"Resolutions shall be accepted from local churches, conference agencies, conference-related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

"Resolutions received in compliance with the deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

"In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution."

Be it further resolved that the existing Rule No. 3 be amended to read as follows:

"During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible."

These changes shall be effective for the 2007 Annual Conference Session.

The Conference Secretary also presented the following editorial change to Rule #6, as suggested by the Cabinet. This rule would now read: "A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if the substitute be accepted, it shall operate as an amendment to the original proposition." This amendment to Rule #6 was approved.

Following a question of clarification by the Rev. Jack Abel, and a response by the Rev. Dr. James T. Seymour, Director of Connectional Ministries, the Rules of Order as amended by the two resolutions were adopted.

Introduction of Bishop and Mrs. David Yemba: Bishop Matthews introduced Bishop David Yemba of the Central Congo Episcopal Area. He has taught Systematic Theology in the Africa University, and was the founding dean of that academic institution. He previously served as dean and president of the Protestant Interdenominational Seminary in Kinshasa for 21 years. He was elected to the episcopacy in 2005. He is married to Mrs. Henrietta Yemba. They are parents of five children and three grandchildren. The Rev. Dr. James T. Seymour escorted Mrs. Yemba to the stage, where she was joined by Bishop Yemba. Gifts were presented by Bishop Matthews. Bishop Yemba expressed appreciation to the Bishop and Conference members for their hospitality.

Committee on the Episcopacy: The Rev. Dr. Jonathan Baker and Mr. Royal Pinder, co-chairpersons of the Philadelphia Area Committee on the Episcopacy, presented a corsage to Mrs. Yemba. All members of the Committee on the Episcopacy were asked to stand. Bishop Matthews received a rousing ovation as the Annual Conference recognized the completion of his first year of service as the presiding bishop of the Philadelphia Area.

Mrs. Barbara Matthews was also publicly thanked by the body for her support of the Bishop and his episcopal leadership. The Committee highly recommended the continuation of the office of Assistant to the Bishop.

This half-time position is seen as critical in order for the Bishop to provide the spiritual leadership necessary for the nearly 1,500 churches in the Philadelphia Area. The Rev. David Fife, the Assistant to the Bishop, was asked to stand and was greeted by the Annual Conference. Mrs. Amy Botti was also thanked again for her administrative support to the Philadelphia Area. Mrs. Barbara Matthews was escorted to the stage by the Rev. Dr. William Fitzhugh, Wilmington District Superintendent.

Recognition of Representatives from Eastern Pennsylvania Annual Conference:

Bishop Matthews invited the Rev. Dr. Sandra Steiner Ball, Dean of the Cabinet and Dover District Superintendent, to the stage in order to welcome those visiting from the Eastern Pennsylvania Annual Conference. Speaking on behalf of the Eastern Pennsylvania delegation was the Rev. Ralph Blanks, who expressed gratitude for the hospitality of the Annual Conference.

Recognition of Clergy in Extension Ministries: Bishop Matthews also welcomed those clergy present who are in extension ministries. The extension ministers were invited to stand and were greeted with applause. They then introduced themselves and announced their respective fields of ministry. The Bishop hosted a recent luncheon with these clergy.

Covenant of Accountability: The Rev. Vicki Gordy-Stith presented the Covenant of Accountability on behalf of the Advocacy Resource Team. She shared the experience of speaking in a church meeting, making a suggestion without even being acknowledged. A church member present later made the same suggestion (word for word) and the motion was unanimously adopted. The Rev. Gordy-Stith expressed the hope that Conference members would be more sensitive to one another in the deliberations of Holy Conferencing, listening to the Holy Spirit as they listen to one another. She read a portion of Acts 2, in which Peter quotes from the prophet Joel. The presentation concluded with prayer.

The Secretary provided announcements, followed by grace for the noon meal by the Rev. Rick Edmund.

Friday afternoon, June 9, 2006

Gathering Praise began with a skit introduced by Marie Smith, a student at United Theological Seminary, and a member of the New Church Development Team. Featured in the skit were the Rev. Jack Cohen and the Rev. Helen Lockwood, pointing out how churches that no longer exist planted a seed for present-day congregations. The same can be true today as new congregations are envisioned in the Peninsula-Delaware Annual Conference.

Bishop Matthews invited the Rev. Dr. Ward Greer to lead the Annual Conference in prayer. The Bishop then welcomed the Conference Lay Leader, Mrs. Darlene Webster, seated at the presiding table for this session.

Nominations (initial presentation): The Rev. James Van Der Wall and Mrs. Verlie Gaither, co-chairpersons of the Nominating Task Force, presented the report of the Task Force for consideration by Conference members in compliance with Rule #21. This rule requires review of the report on the day prior to election of the teams, boards, councils, commissions, committees, and task forces.

Long-Range Budget Planning Task Force: The Rev. John Mitchell, chairperson of this task force, reported. The Bishop's Charge to this task force was to project the current fiscal reality through the year 2011; construct a high-level financial outlook; understand major drivers and implications; identify a possible new direction; develop high-potential possibilities; and extend thinking "beyond the boundaries."

The Rev. Mitchell then reported that in the year 2002, the Annual Conference essentially enjoyed a balanced budget. In succeeding years, there were escalating deficits. However, in 2006, a slight surplus is anticipated. Then in 2007, there should be a slight deficit. By 2008, the approximate deficit will be \$147,000. In 2009, the deficit will grow to \$263,000; by 2010-- \$386,000. Then in 2011, based on current patterns, the projected deficit would be \$526,000. The cumulative deficit over the five-year period would be about \$1.5 million.

The current reality can be summarized as follows: The Annual Conference has experienced deficits for the past three years. In 2005, the deficit was \$300,000. Receipts are increasing at the rate of 1% annually, while expenses are growing by over 3% per year. The annual deficit will continue to grow yearly and the financial reserves will soon be depleted.

"Key drivers" include the steadfast commitment of the Peninsula-Delaware Annual Conference to fund World Service and General Church Apportionments at 100%. Membership growth is limited in many areas where our local churches are established. There has been an escalation in health care costs for retired clergy and their surviving spouses. The health care and pension increases have been funded by our local churches. The rate of inflation has been greater than the rate of increase in receipts.

Major implications of these trends are that the accomplishment of our mission as an Annual Conference is in jeopardy. The Conference's program funding is being unacceptably squeezed, and could be non-existent within three or four years. The current apportionment process is incapable of meeting our minimum funding requirements. A restructuring of the Annual Conference may be necessary in the future.

Systemic challenges include a prioritization of funding for the Annual Conference's ministries; effective pastoral leadership; communications; the viability of local churches; and the reluctance of local churches to take corrective action.

What can be done to possibly increase funding? One approach would be to develop expectations relative to the remediation or restructuring of local churches. We may need to transition from apportionments to a "more open system" of core expenses to be funded at 100%, a ministry budget that would allow local churches to prioritize additional areas they would elect to fund, and a growth budget enabling additional funding of the Annual Conference's spending.

What can be done to possibly decrease spending? Focus limited funds upon those ministries that are most effective in meeting the Annual Conference's mission. Realign or reduce the Annual Conference's resources. And another possibility is to reduce or to restructure the Annual Conference's four districts. Another possible option was to merge the Peninsula-Delaware and Eastern Pennsylvania Annual Conferences.

Keys to success will be to seek God's direction—the power of prayer and the inspiration of the Holy Spirit. There is also a concern for clergy having a passion for their ministry, as well as a dedicated laity. Empowered local churches can be enabled to do their ministries more effectively.

Finally, the conclusion drawn by this Task Force is that change is essential. We cannot continue to fund the Annual Conference as we do presently. These conclusions have been shared in-depth with the Cabinet, and an open dialogue has been established. The Cabinet is prayerfully seeking to discern God's will for our Annual Conference. Led by God's Holy Spirit, great things are possible!

The good news is...there is hope! That is, if we set our sights on excellence; if we focus on what we can do well; if we set clear expectations; if we each do what we do best; if we can release the awesome power of the local churches. Then, we will find funds necessary to support the ministry of the Peninsula-Delaware Annual Conference!

The Bishop invited questions for clarification from the Conference members. The Bishop expressed appreciation for the passion of the chairperson of this task force-- the Rev. Mitchell-- and its members!

Healthy Churches Initiative: The Rev. Dr. James T. Seymour, Director of Connectional Ministries, introduced the Healthy Churches Initiative of the Cabinet of the Annual Conference. He began the presentation with prayer. The Rev. Dr. Seymour thanked Bishop Matthews for his passionate and powerful sermon during Friday morning's opening plenary.

This initiative is an effort to work in partnership with existing Conference Teams and Agencies. It is designed to equip, support, and encourage pastors and laity in local churches to be channels of the amazing grace and power of God. The purpose is to make faithful disciples and to transform communities through Christ.

As we open our lives to the Holy Spirit's influence through prayer and other means of grace, we open wide our hearts to the power of God's recreating love for the revitalization of our churches and the transformation of our communities.

The overarching purpose of the initiative is so that churches become increasingly Christ-centered, disciple-making, life-changing, God-glorifying communities of faith.

There are two major aspects of the initiative. First, there is a focus on congregations as key centers of dynamic ministry—including a grace-filled mission and creative outreach. Such congregations will be the instrument of the Holy Spirit to change lives and communities by the grace and power of God. Secondly, there will be a focus on the spiritual and missional health of congregations. Every church must become a healthy and vital church whatever its size, location, ethnicity, or ministry setting!

Marks of healthy churches are that they love and honor God, living out God's purpose. They make and nurture disciples of Jesus Christ. Such churches discover and fully use the gifts of the laity. They also emphasize spiritual formation and growth, fostering a transformational relationship with their communities. And, they balance internal and external ministries.

Additional qualities of healthy churches include their effectiveness in sharing their life-changing experiences of God's love. They extend the congregation's joyous welcome to all. Healthy churches are effective stewards of their God-given spiritual gifts, property, and finances. They deal with conflict promptly and appropriately through Holy Conferencing and through other means. They manage change and transition meaningfully.

The motivation of this initiative begins with the prompting of the Holy Spirit to respond with urgency to a concern for congregations that receive no new members in a year through profession of faith. Many congregations are shrinking in size. Most congregations are "graying" or aging. Some churches struggle to meet local and connectional obligations. There is a need for new church starts and to "turn around" existing congregations.

And, we are motivated by the opportunity to respond to the spiritual needs of several thousand new residents. The effects of the rising costs of health care are being felt in terms of the ability to fund ministry. Societal challenges facing youth today make it imperative that we support ministries to young people. Christ communicates the urgency in His Great Commission to go and make disciples.

The Cabinet clearly sees the need to partner with all the boards and agencies of the Annual Conference in order to implement this plan for producing healthy churches.

The process for starting and continuing this initiative toward healthy churches will include: identification of existing consultants; discernment of ministry areas needing consultants; recruitment, training, and deployment; and support and supervision.

Training experiences for clergy will emphasize the enhancement of leadership in outreach for making disciples and meeting needs; assessment of changing communities; qualities of healthy churches; leading change in the congregation; and empowerment of laity.

Laity leadership development will help laity discover and use their gifts; further equip laity for evangelism and hospitality ministries; examine the relationship between in-reach and outreach aspects of ministry; equip laity for small group leadership; and understand factors related to church size.

Work on this Healthy Churches Initiative continues. An assessment tool will be issued for churches to complete and return at 2006 Charge Conferences. Consultations will occur with teams and boards of the Annual Conference. The Bishop will host days on each district as follows: Easton—Sept. 25; Wilmington—Oct. 2; Dover—Oct. 23; and Salisbury—Nov. 14.

The June, 2007 Annual Conference session will fully launch the Healthy Churches Initiative. The Cabinet requests prayer for the Holy Spirit's continued guidance regarding this initiative. We affirm that God is our greatest source of wisdom and power to accomplish the purposes of the initiative for God's glory!

We simply cannot continue doing everything the way we have been doing it in the past. The Annual Conference's purpose is to resource the local churches to experience the presence and power of the Holy Spirit to do more all than we ask or think!

This introduction of the Healthy Churches Initiative was greeted with applause and appreciation.

Missions and Volunteers in Mission: The Rev. Donald Hamilton announced that over 170 persons have been trained to respond to hurricane relief. As many as 40 work teams have traveled to the Gulf region to engage in these mission efforts, and others are planning to follow. He introduced Mr. Art Kendall from Rock Hall, a charge from which many members have responded to the call to disaster relief. He traveled to Gulfport, Mississippi in November, 2005, and returned in April, 2006 as a part of teams working on homes damaged by the hurricanes.

The Rev. Rick Vance traveled twice to Biloxi, Mississippi. He was part of one of the first response teams ministering in Biloxi, Mississippi—a team led by the Rev. Bill Sterling. The Rev. Carol Svecz is coordinating all mission trips. Anyone desiring information about mission efforts should contact her. Index cards were placed in the lobby of the auditorium to request information about upcoming journeys in mission. Mrs. Mildred Hamilton presented Resolution R-3.

Resolution R-3 (2006)—Bishop Peter D. Weaver Central Congo Partnership Renewal

Be it resolved that the 2003 Partnership agreement that established the Bishop Peter D. Weaver Central Congo Partnership be renewed and refreshed in 2006 with the following goals established.

Background information:

Partners: Central Congo Episcopal Area & Peninsula-Delaware Annual Conferences

Current Bishops: David K. Yemba & Marcus Matthews

Partnership Goals: Established October 25-26, 2005 and recommended to the 2006 session of the Peninsula-Delaware AC and the 2006 session of the Annual Conferences comprising the Central Congo Episcopal Area.

1. Establish a Conference Resource Center which shall empower and enable the Central Congo Conferences pastors and local churches to be more effective in ministering to their people.
2. The Central Congo Conferences geographical areas are vast. This Episcopal area covers 10 out of 11 Provinces in this country, an area almost equal in size to the United States east of the Mississippi River. The Episcopal area includes 4 annual and 2 provisional Conferences. Communications between the Bishop and his Conferences; Districts and Conference Offices; Conference Offices and local Churches; & local Churches and their constituencies is erratic, unreliable, unstable and poor. We need to develop a reliable and effective communications system for the Conference Resource Center to satellite offices of the Annual Conferences.
3. Youth and Young Adults are the future of our Church. The Partnership will establish a new initiative involving this age group of both Episcopal Areas. The initiative will include the development of VIM trips for cultural understanding, fund raising for special youth projects, and work projects which are mutually agreed upon by the youth and will enhance the work of the Partnership.
4. The Partnership will continue its support of the Orphanage and homeless children. This support will include providing basic needs, resource materials, facility upkeep and staff training and salary support.
5. The Partnership will continue its support of the Mpsa Nutrition and Medical Center. This support includes continuing supplement of the UMCOR Feeding Grant, Medical VIM Teams and staff training and salary support.
6. Increase the funding support of the scholarship established at Africa University which will benefit students coming from the Central Congo Area Conferences. After completing the endowed scholarship; an additional annual scholarship will be provided by the Partnership.

The need of our Partner Conferences is great, thus it is recommended that the Peninsula-Delaware Conference increase it's giving for the support of this Partnership to a minimum of \$60,000 annually. This is a goal we have exceeded each year since our beginning. The opportunities for local churches to become more involved with Partner Churches shall be more evident with the new goals. This will solidify our fundraising.

Donald E. Hamilton, Chairperson
Peter D Weaver Partnership Committee

Mr. Jim Brannen, Lay Member from Kingswood UMC in Newark, Delaware, proposed several changes in the wording of the resolution. These will be cared for and noted in the final draft of the resolution published in the Journal. The Rev. Amy Yarnall asked about the process of cash flow of contributions. Our Annual Conference sends funds directly to the assistant treasurer of the General Board of Global Ministries (GBGM), who in turn sends it to Bishop Yemba. The resolution was adopted as amended with editorial changes.

Mr. Kevin Goodwin announced two training sessions. Partnership T-shirts are being sold to help fund the ministry. In the year 2005, a total of \$1.27 million was given to missions, doubling what was given in the year 2004! Some 90 of the Annual Conference's local churches gave nothing to any Advance projects, however. He likened our opportunities to give to missions to the small gifts of a boy's lunch that led to the feeding of the 5,000, a story recorded in all four Gospels! He challenged every United

Methodist Christian to give just \$1 per month for missions. By so doing, we would raise over \$1 million for mission on an annual basis! There would still be an opportunity to give to Africa University on Friday evening. He announced proceeds from the initial offering: Board of Ordained Ministry— \$2,685; Congo Partnership—\$3,907; Africa University— \$7,001, for a grand total of \$13,593. This does not include about \$2,000 received at Pre-Conference Orientation Sessions.

Lay Address: Mrs. Darlene Webster, Conference Lay Leader presented her final Laity Address. A former Conference Lay Leader, Mr. Howard Mason, prayed. Darlene expressed thanks to Bishop and Mrs. Matthews, and to her husband, Neil for the privilege of service. She introduced Mrs. Lenora Thompson, Conference Lay Leader from the Eastern Pennsylvania Annual Conference. She gave thanks to God for Bishop Violet Fisher, who spoke at the Clergy-Laity Banquet. Darlene asked Mr. Jeffrey LeCates to stand; Jeffrey was scheduled to attend the World Methodist Conference as a youth delegate. Also present with Darlene on the stage were Mr. Gene Cray, senior Associate Lay Leader; and Mrs. Betty Gooch, the second Associate Lay Leader. Other lay leaders from the various districts were asked to stand. Members of District Boards of Lay Ministry were asked to stand in place in the audience.

In her address, Darlene described the people called Methodist as caring, generous, and faithful. She reminded us of Christ's Great Commission—a commission not only to clergy, but to laity as well! What part of "go" do we not understand? God has provided many opportunities through district and conference training events, including the lay academies. Spiritual formation has become an emphasis in the Annual Conference. This is in keeping with the theme, "One Lord, One Mission to All the World." We are incapable of fulfilling this great co-mission by ourselves, but Christ is capable, and we can do all things through Him!

Mr. Gene Cray, Associate Lay Leader of the Annual Conference, provided an acrostic celebrating Darlene's period of service. "D" stands for "dedicated"; "A"= "anxious to serve"; "R" is for "reliable"; "L"= "loving"; "E"= "excited"; "N"= "new"; "E" is for "evangelist." Gene expressed appreciation to Darlene on behalf of the Annual Conference. The gifts of an inscribed plaque, a picture frame, and a wind chime were presented, including an inscribed plaque. All laity were invited to stand.

Election of Conference Lay Leader: Darlene then introduced the chair of the nominating committee for election of a conference lay leader, Mr. Randy Schrock. Other members of the nominating committee who were present were also recognized with appreciation. Two nominees were introduced: Mr. Gene Cray, and Mrs. Betty Gooch. The Bishop invited nominations from the floor; there being none, the Conference Secretary gave instructions for the balloting process. All Conference members, lay and clergy, were eligible to vote. Randy Schrock prayed for discernment for all who were voting.

Board of Pensions: Mr. Edward Steiner presented the resolution setting the Past Service Rate for 2007 at \$487 per year of approved service. The recommendation was supported.

He then offered the "Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of the Peninsula-Delaware Conference." This is offered at the sessions of the Annual Conference each year. (Please see table of contents "Board of Pensions Report")

This resolution was adopted.

RESOLUTION R-5 (2006): RESOLUTION TO OFFSET RATE INCREASE

WHEREAS, in 2004, the Peninsula-Delaware Conference Board of Pensions began offering two health care plans (IPA and Traditional), a new prescription plan, instituted contributions and buy-up costs, raised deductibles and co-pays to help manage the healthcare costs for both the Conference and the participants to keep that year's increase to 5.4%, and

WHEREAS, the Peninsula-Delaware Conference experienced a significant increase in 2005 of 20.89 % but was able to make the following changes effective January 1, 2006 to keep billing at a 10% increase over the 2005 billing to church and participants by moving the IPA10 Plan to an IPA15 plan, increasing deductibles and co-insurance on the prescription plan, moving retirees to a Medicfill coverage and the new Medicare Part D prescription coverage

WHEREAS, with the many changes instituted in the last 3 years, the Peninsula-Delaware Conference experienced only a 10% increase for 2006, which is lower than health care trends of 13-15%.

BE IT RESOLVED THAT the Peninsula-Delaware Conference will increase by only 10% the 2006 church billing; and the pastor's monthly contribution effective January 1, 2007 as follows:

Compensation	Single Coverage	Family Coverage
\$20000-29999	\$ 35	\$ 58
\$30000-39999	46	81
\$40000-49999	64	110
\$50000-59999	81	139
\$60000 plus	98	167
Retirees/Spouses under 65	46	81
Retirees/Spouses on Medicare	- no contribution required	

BE IT RESOLVED THAT the Board of Pensions, in its efforts to provide cost effective health coverage, encourages the managed care plan (IPA) to be the primary plan and is increasing the buy-up costs to stay in the Traditional plan to the following levels:

Self coverage	\$100
Self/children coverage	\$150
Family coverage	\$235

BE IT FURTHER RESOLVED, the Conference Board of Pensions recommends adoption of this resolution to be effective on January 1, 2007.

The resolution was adopted as presented.

Mr. Steiner reported that on January 1, 2007, the Conference pension plan will be changed from a defined contributions plan to provide an estimated but not guaranteed benefit, to a guaranteed benefit funded by an estimated but not guaranteed contribution. This change will make the availability of reserves that much more important in the future. Participants in the plan now pay a portion of the costs. Now, participants are paying an adequate share of the total cost. Costs can be contained to some degree by reducing the number of claims (not getting sick or injured). A health fair was offered at this Annual Conference promoting healthier lifestyles; it was entitled "Journey to Wellness."

The Bishop requested that Mrs. Elaine Moreland be affirmed for her leadership and assistance with matters relating to benefits for those participating in the Conference health insurance and pension programs. The Rev. Curtis Smith expressed concern with increased costs for contributions to health insurance premiums for retired clergy and spouses. He is also grateful to the Annual Conference for its support of clergy over the years!

Council on Finance and Administration: Mr. Howard Brecht, chairperson of the Conference Council on Finance and Administration, presented a proposed funding plan—the budget for 2007. This budget is presented in detail (please see table of contents "Budget for 2007"). An increase of 2.02% for the year 2007 was proposed in this budget.

He recalled the special session of Annual Conference in October, 2005. The actual deficit for 2006 was \$310,000. The CF&A at that time was given permission to launch a

special asking for giving beyond the 2006 Apportionments. An additional \$137,000 was received from local churches as a result of this appeal.

Mr. Brecht celebrated that as of the end of April, 2006, 26% of the anticipated annual funding had been received, compared with 24% at that time last year.

Provided that local churches were to continue that trend, CF&A might not be facing the same "funding crunch" at the end of 2006 as was the case a year earlier. Increases in annual budgets had diminished since 2004.

He explained the funding projection process. The CF&A assesses anticipated income; then receives budget requests from boards, agencies, and teams; a preliminary funding plan is compiled; the Vision Team and CF&A engage all teams, boards and agencies to strike a balance between needs and financial resources; then CF&A makes a recommendation for the funding plan or budget to Annual Conference.

The proposed funding includes: 100% of General Church apportionments; a 3% increase for salaries and related benefits; a 7% increase for health and dental coverage; no increase for all other core expenses, and a potential apportionment adjustment of \$510,000.

In summary, funding needs totaled \$5,074,986, plus anticipated adjustments for apportionments of \$510,000, for a total of \$5,584,986 to be apportioned.

The recommendation of CF&A is to a) average each local church's net operating expenses for 2002, 2003, and 2004; b) set an apportioned cap of 20% of the local church's 2004 Total Operating Expenses; and c) apportion proportionately toward the 2007 apportionment total (\$5,584,986). Mr. Brecht, on behalf of CF&A, moved the adoption of the 2007 Budget. The budget was adopted as presented. The Annual Conference extended its appreciation for the fine work of the Conference Council on Finance and Administration. *(2007 Budget/Apportionment Formula at end of section)*

Mr. Jeffrey LeCates, a member of the Conference Council on Youth Ministries, and an incoming freshman at Wesley College, offered grace for the evening meal.

Friday Evening Plenary Session—June 9, 2006

Gathering praise for the evening plenary session included a skit featuring the Rev. Anna Foster and the Rev. Amy Yarnall, celebrating the New Church Start in Fenwick Island. Capacity of existing United Methodist Churches in Sussex County, Delaware is 24,000. The present population in Sussex County is 156,000! New churches are more likely to reach new converts for Christ! There are many who will not be drawn to a traditional church. A new church will reach new people for Jesus. The newly appointed pastor called to develop a new congregation, with a design team, will be the Rev. Rich Evans.

Resolution R-6 was presented by the Rev. William Hemphill, with comments by the Rev. Richard Stazesky. He presented this resolution on behalf of a fellowship group, "Grace for All."

RESOLUTION R-6 (2006)—AFFIRMING GOD'S GRACE FOR ALL

Whereas The United Methodist Church has implemented an advertising strategy "Open Hearts, Open Minds, Open Doors" which implies a welcoming hospitality in keeping with Article IV of our Constitution "The United Methodist Church acknowledges that all persons are of sacred worth. All persons without regard to race, color, national origin, status, or economic condition shall be eligible to attend its worship services, participate in its programs, receive the sacraments, upon baptism be admitted as baptized members, and upon taking the vows declaring the Christian faith, become professing members in any local church of the connection", and

Whereas this emphasis on inclusiveness and justice was celebrated in the 2005 Session of The Peninsula Annual Conference with the theme "Living Without Walls", and

Whereas in its Decision 1032 made during its October 26-29, 2005 session, The Judicial Council of The UMC appears to have contradicted that declared policy of our denomination when it supported a Virginia Conference pastor's refusal of membership to a person because of that aspiring member's sexual orientation and thereby overruled previous decisions by that pastor's Bishop, DS, and the Virginia Conference Clergy Session that stated that the said pastor did have responsibility to receive that aspiring member into the membership of that local church, and

Whereas on November 2, 2005 the United Methodist Council of Bishops unanimously approved a Pastoral Letter to the People of The UMC expressing disagreement with the Judicial Council's Decision 1032 by stating that "While pastors have the responsibility to discern readiness for membership, homo-sexuality is not a barrier", and by affirming their agreement with the Social Principles statement in Para. 161g of *The Book of Discipline of The UMC* "God's grace is available to all, and we will seek to live together in Christian community. We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons.", and

Whereas many persons across our UMC are deeply disturbed by the inconsistency of this Judicial Council Decision with our advertised goal of "Open Hearts, Open Minds, Open Doors" and with the gospel message that God's Grace is for all persons, and

Whereas many gay, lesbian, bisexual and transgender Christians, their parents and siblings within the congregations of our Annual Conference who have already been deeply hurt by the negative statements in *The Discipline* concerning homosexuality and by the judgmental attitude of some local churches now feel that this Decision 1032 further slams the door of the church against them in contradiction to the promised hospitality of God's grace, and

Whereas the Judicial Council in its Spring Meeting of April 27-29, 2006 refused to reconsider Decision 1032 by a vote of 5-4 thus further closing the door and nurturing prejudice against faithful United Methodists who are gay or lesbian and their families,

THEREFORE BE IT RESOLVED that the Peninsula Annual Conference meeting June 9-11, 2006 in Princess Anne, Maryland declare our opposition to the Judicial Council Decision 1032 that a local church pastor has the authority to deny church membership on the basis of sexual orientation and that we affirm with The Council of Bishops that church membership in the UMC is open to everyone because of the unconditional love of God in Jesus Christ who calls us to community in his grace, and that we will seek to change attitudes toward gay and lesbian persons so that our advertised inclusiveness can increasingly become genuine Christian hospitality, and

BE IT FURTHER RESOLVED that this Annual Conference calls upon every local church to support families in caring for their lesbian, gay, bisexual and transgender children by providing helpful materials and information about support groups for them, and that local church leaders organize a study to help the congregation learn what it means to be a homosexual person committed to Jesus Christ as Lord and Savior,

BE IT FURTHER RESOLVED that the clergy and laity of the Peninsula-Delaware Annual Conference reaffirm our commitment to live in harmony with God and others, to seek humane treatment of ALL persons as beings of sacred worth, and to act and speak in ways that defuse anger and hatred rather than in ways that fan the flames of intolerance so that our daily behavior will demonstrate that we are indeed a church of open hearts, minds, and doors.

Prepared for presentation by William Hemphill and Richard Stazesky, retired elders, and endorsed by the following clergy and laity, and by members of GRACE FOR ALL, a fellowship of concerned Christians whose Mission Statement includes these words: "We aspire to create a welcoming space for gay, lesbian, bisexual, and transgender persons and their families in the community of Christ. By fostering opportunities

For dialogue through education, ministry, advocacy and witness, we seek to bridge the division in the Church in this matter".

Donald Hurst	Heidi Allen	Lori Graham	Cynthia Koski
Jenny Berg	Sandra Cox	Wesley Davis	Heather Blackiston
Charles Emery	Karin Tunnell	Krista Gilmore	Ken Mahan
Glen Pruitt	Susan Tanner	Gail Piazza	Mauvette Hurst
Patrick Bo Gordy-Stith	Vicki Gordy-Stith	Jack Abel	Ben Strickland
William Hemphill	Richard Stazesky		

The Rev. Karen Moore proposed an amendment deleting from the original resolution the statement "and that local church leaders organize a study to help the congregation learn what it means to be a homosexual person committed to Jesus Christ as Lord and Savior." The Moore amendment was defeated.

The Rev. Don Hurst spoke in favor of the resolution, appealing to the Annual Conference to recognize that Jesus is knocking upon our doors, and that He invites us to open our hearts, our doors, and our minds.

The Rev. Jack Abel proposed as a substitute taking the first four paragraphs of the original resolution and making them the entire resolution. Later in the Annual Conference, he would then propose a separate resolution having to do with the second part of the original resolution. This would change the fourth "whereas" as follows: "Therefore, be it resolved that the Peninsula-Delaware Annual Conference affirms the Pastoral Letter of the United Methodist Council of Bishops on November 2, 2005 in stating that 'while pastors have the responsibility to discern readiness for membership, homosexuality is not a barrier', and by affirming their agreement with the Social Principles statement in ¶161g of *The Book of Discipline of the United Methodist Church*: 'God's grace is available to all, and we will seek to live together in Christian community. We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons.'"

The Rev. Randy Booth spoke in opposition to the substitute for the original resolution.

The Conference Secretary read the substitute motion for clarification.

The Abel substitute did not prevail.

The Rev. Thomas Gross re-stated the position of the *Book of Discipline* on the issue of homosexuality, and added that he could not comply with the spirit of the resolution.

The Rev. Paul Owens also spoke in opposition to the resolution, pleading for a balance between grace and truth.

Mr. Donald Sproat, lay member of Church of the Atonement, Claymont, DE, spoke in opposition to the resolution.

The Rev. Leslie Gaye Slak noted her name and people's reaction to it. She spoke in favor of the resolution, appealing to the Conference to recognize that all persons are sinners and stand in need of God's grace.

The Rev. Patrick "Bo" Gordy-Stith also spoke in favor of the original resolution observed that the only question he asks as a pastor of those desiring membership is whether they desire to serve Jesus Christ with their whole heart as Lord and Savior.

There was a call for the question, which prevailed. The resolution was defeated in a standing vote.

Order of the Day: Missions Celebration

Bishop Matthews invited the Rev. Bernard "Skip" Keels to pray for the Annual Conference and this celebration of mission.

The Rev. Dr. J. T. Seymour introduced the processional with drums and an accompanying presentation of slides.

Greetings were extended from the members of the Peninsula-Delaware Annual Conference to Bishop and Mrs. David Yemba, representing the Congo Annual Conference.

The Rev. Rob Townsend stated that this was a night of celebration for the partnership between the Peninsula-Delaware and Congo Annual Conferences. He announced that Mrs. Doris Obenshain and others would be singing in French as a means of welcoming Bishop and Mrs. Yemba.

Doris Obenshain also read from John 3:16-21, and Colossians 1:15-23.

Ms. Julie Lewis acknowledged that the Annual Conference was honored by the presence of both Bishop Matthews and Bishop Yemba. She introduced Bishop Matthews. He mentioned that he met Bishop Yemba before their election to the episcopacy, while visiting Africa University. He has experienced Bishop Yemba as one who has a pastor's heart.

Bishop Yemba's message was on the theme of celebrating the Christian mission of the Church as a means of celebrating God's love. He gave special emphasis to John 3:16 as a summary of the Scriptures in their entirety. He reminded the body that in Christ, God so loved the "world" as the center of mission. He related Jesus' encounter with Nicodemus in John 3 to His conversation with a woman at the well in John 4. The Bishop noted that God's judgment is not contradictory or inconsistent with God's love. In mission, we are called to extend God's love in the world. The church cannot exist without being in mission.

He then referred to the letter to the Colossians. The Christ described here is a cosmic Christ, beyond our understanding. Everything has been created through Him! Bishop Yemba expressed appreciation for the assistance of the Annual Conference during and following the war in the Congo. He named challenges such as lack of infrastructure and housing as a result of the war. The people of the Congo have experienced God's love through the love of our Annual Conference, through its faithful support. He prayed that God, through the power of the Holy Spirit, would continue to strengthen the partnership between the two Annual Conferences.

The Rev. Don Hamilton thanked Bishop Yemba and shared a story about the children in the Congo. The children approached our Conference's delegation and their hope for the future. Some of those who had just graduated from high school expressed their joy, but also their frustration at being unable to find jobs. Much is left to be done; the task seems overwhelming, but Bishop Yemba's stirring message encourages hope in all of us that the deaths of a child every 30 seconds can be averted. God has anointed and blessed this partnership!

The Rev. Rob Townsend issued the invitation to be participants to be "payers" through the offering received for the Congo Partnership. While our churches are declining in membership, the churches in the Congo are "exploding." The Bishops were invited to the table to sign the partnership. It reads as follows: "This partnership is a vision of both the Central Congo Episcopal Area and the Peninsula-Delaware Annual Conference which are in relationship with each other. It is a ministry that is neither elitist nor paternalistic, nor does it attempt to diminish the gifts of the other. This is a ministry between the Congo and Peninsula-Delaware peoples, which involves solidarity and friendship, moving beyond charity to justice and mutuality. We are therefore joined with our Congo brothers and sisters in mission. Our new partnership brings renewal and restoration of spiritual and material ministries for the whole Church and especially its children.

This appeal is a significant extension of Bishops David K. Yemba's and Marcus Matthews' ongoing vision for the Episcopal Initiative on Children and Poverty.

The partnership agreement is worded as follows: "The foundation of hope for the children of Africa, as for all God's children, is found in the mission and ministry of Jesus, in his announcement and enactment of the coming of the divine reign of justice, generosity and joy. The church of Christ has been given the commission to be a sign of hope in a world that is perishing, a sign that the dominion of division, destitution, despair, and death is being overcome through the love of God that is poured out in our hearts and made manifest by our deeds.

"Through this partnership we have the opportunity to give dramatic testimony to the unity of the body of Christ, to the mutuality of love, and to the promise of life that overcomes death. United Methodists in the Central Congo Episcopal Area of the Democratic Republic of the Congo and the Peninsula-Delaware Annual Conference will be enabled through this partnership to attest to our unity in the spirit of love that binds us together.

"The Partnership Agreement is renewed to accomplish the following:

Help to establish a Conference Resource Center, which shall empower and enable the Conferences of the Central Congo Episcopal Area, pastors and local churches to be more effective in ministering to their people.

Help to develop a reliable and effective communications system for the Conference Resource Center to satellite offices of the Annual Conferences.

Help develop youth and young adult partnerships between the two conferences.

"The partnership will continue its support of the orphanage and homeless children. The partnership will continue its support of the Mpsa Nutrition and Medical Center. The partnership will provide scholarship aid to Africa University for Congolese students.

"The partnership will endeavor to increase its monetary support minimum to \$60,000 annually. On this ninth day of June, two thousand-six, the Central Congo Episcopal Area and the Peninsula-Delaware Annual Conference agree to adopt the above partnership agreement. This partnership promotes a healthy and strong relationship, grounded in our faith in Christ, between its peoples.

Bishop David K. Yemba
Central Congo Episcopal Area

Bishop Marcus Matthews
Peninsula-Delaware Annual Conference

Bishop Matthews mentioned that the pen used in the signing of this partnership agreement will be that used next year in the Congo for the signing of the same agreement. Bishop Yemba, followed by Bishop Matthews, signed the historic agreement pledging support of the mutual mission of Jesus Christ. The signing met with warm applause from Annual Conference members and guests.

Bishop Yemba, on behalf of the Central Congo Episcopal Area, invited Bishop Matthews and others to visit the Annual Conference sessions in the Congo next year.

The Rev. Rob Townsend announced the goal of \$25,000 for the offering to be received for the Congo Partnership. He invited Bishop Matthews to pray for the miracle of the multiplication of gifts of God's people.

Scenes were shown of the people of the Congo, who are in partnership with the people of God from the Peninsula-Delaware Annual Conference!

The Rev. Dr. J. T. Seymour acknowledged the historic significance of this moment in the life of the two Annual Conferences.

He expressed the fervent hope that the agreement would be inscribed not only on paper, but on the hearts of God's people in every place. The partnership is rooted in a common heritage among Wesleyan Methodist people! He gave thanks for Bishop Yemba's inspiring and theological message. During a luncheon shared with key conference leaders earlier this same day, he shared the present political context in the Congo. The Bishop also filled in the context of ministry manifest in his homeland. There, God is doing a great work—in the midst of everything else, people are experiencing the salvation of God's Son, Jesus Christ!

Mr. Kevin Goodwin made five points: He announced that on the next day, Africa University would be celebrating its commencement exercises for the twelfth time, with 342 graduates to serve Christ across Africa.

Last year was the 20th consecutive year in which the Peninsula-Delaware Annual Conference paid its apportionments to the General Church. We are the only Annual Conference to have accomplished this, as well as the only Annual Conference to have paid its Africa University apportionment at 100% since this appeal began in 1988!

Africa University graduates have gone on to receive the Doctor of Ministry degree at Wesley Theological Seminary.

Two of the present Bishops of the Church were previously on the staff of Africa University. One of these is Bishop Yemba, the founding dean of the School of Theology at Africa University. Kevin and Bishop Matthews travel to Nashville each year to serve on the Development Committee, learning to share the story of Africa University. The witness of the University is changing an entire continent!

Bishop Matthews thanked those involved in the Partnership for making possible the Missions Celebration. He announced a reception for the Yembas immediately following the recessional. He invited Bishop Yemba to lead in a closing prayer.

Bible Study: Bishop Marcus Matthews introduced the Rev. Karen Greenwaldt, General Secretary of the General Board of Discipleship of the United Methodist Church, since January 1, 2001. She is a clergy member of the Central Texas Annual Conference. Rev. Greenwaldt led a Bible study based on John 15, with the theme "A Gardener's Work: Vines and Branches." In this Bible study, we were reminded that when we abide in Jesus, our lives change! Abiding in Jesus is not a solitary life. The work of God is given through Jesus to the community. Christ has chosen us out of the world. In keeping with the theme of this session of Annual Conference, "One Lord, One Mission to All the World," we must live and work together in ministry, in concert with Christ. We must acknowledge that we will be pruned into the people God would have of us. Then we will be equipped to share the gospel of God's great love and joy in the world. The Bible study concluded with the singing of the hymn "Abide with Me."

Cokesbury Presentation: Mrs. Madeline Beall, is the Resource Consultant for our Annual Conference, representing Cokesbury, the United Methodist Publishing House, and Abingdon Press. She introduced the Rev. Bernard "Skip" Keels, a member of the Executive Board of the United Methodist Publishing House. Cokesbury is dedicated to helping resource local churches. The Bishop's Book Bundle contains a wonderful collection contained in a tote bag (at no extra charge.)

She mentioned some new resources now available: *Live B.I.G. (Believe in God)*. This is a new multimedia and multi-sensory children's curriculum. Free samplers and a DVD presentation were made available in the Conference's Cokesbury bookstore. This is designed for ages 3-12. Then there is *The New Interpreter's Dictionary of the Bible*, a five-volume set. Also new this year is the *New Revised Standard Version Children's Bible*. There are three different covers—a presentation cover, a childlike cover, and another for the more mature child. The website www.cokesbury.com is continually being improved. She presented to Bishops Yemba and Matthews the "new life celebration stole," as a symbol of their ministry in mission to our one Lord.

The Rev. Bernard Keels lamented the fact that clergy in the Central Conferences do not have nearly the pension benefits enjoyed by the Annual Conferences of the UMC in the United States. Cokesbury is making a concerted effort to publish curriculum resources in the languages of God's people in the Central Conferences. To that end, Cokesbury is providing a half-million dollars this year for pensions. He presented a check to Bishop Matthews for the Peninsula-Delaware Annual Conference on behalf of the U.M. Publishing House in the amount of \$6,264.01. Bishop Matthews expressed appreciation to Madeline Beall for her fine work with Cokesbury. He also reminded us that our purchases through Cokesbury do result in support of our pension programs. Local churches are strongly encouraged to use Cokesbury materials. The Rev. Amy Yarnall thanked Madeline for facilitating the presence of "free-trade" coffee in the Cokesbury display.

The Rev. Dr. J. T. Seymour moved that the Board of Pensions consider allocating these proceeds presented in this session from Cokesbury sales to the Central Conferences' pension program that is in process of being developed. This motion was approved, and referred to the Conference Board of Pensions for action.

Celebration of Ministry: The Rev. Grant Johnson, Chairperson of the Conference Board of Ordained Ministry, led in the liturgy for the Celebration. The Rev. Paul Owens and the Rev. Derrick Porter, members of the Board asked the following to stand to be recognized: clergy serving from other denominations, part-time local pastors, student local pastors, and full-time local pastors. They also acknowledged anniversaries of ordination, beginning with those ordained five years ago. The Rev. Dr. Jervis Cooke, was honored on the occasion of his 65th anniversary of ordained ministry!

The Rev. K. Wayne Grier, Registrar of the Board, introduced those retiring from active ministry:

Retirees

Conrad Maurice Cohen
Paul G. Huebner
Frank Owen Sutton, Jr.
Gary Stuart Tulak
Ruth Turpin Tull
James Paul Walz

Spouses

Joann
Nancy
Suzanne
Judith Ann
William
Margaret

The retirees were featured in a video presentation in which they gave thanks to God for the privilege of answering the call to ordained ministry.

The Bishop gave thanks for the status of certified lay minister. The Rev. Johnson invited newly-appointed licensed local pastors to come forward. Bishop Matthews authorized these local pastors to serve in the congregations to which they are appointed.

The Rev. C. Karen Covey Moore was recognized as having been certified in the area of Spiritual Formation.

Those recommended by the Board for Commissioning to Probationary Membership in preparation for the order of elder are:

Curtis Ashley Dotson
Sally Badgley Dolch
Mark William Farnell
Donna Schramm Hinkle
Tracey Michelle Mooney
Gloria Jean Parker Penn

Bishop Matthews examined these candidates using the historic questions in accordance with the *Book of Discipline*.

Those continuing as probationary members in the Annual Conference were also recognized. Diaconal ministers and deaconesses were acknowledged.

Then the following were presented to be admitted to full conference membership and ordained as elders:

Cynthia Lee Horn Burkert
Frederick Wayne Duncan
Anna Maddox Foster
Daniel Thomas Gedman
William Cann Hopkins
Michael Francis Hurley
Rene' Knight-Peguero
Helen Briddell Lockwood
Diane Elizabeth Hopkins Melson
John Christopher Pennington
Janel Loretta Daniels Starling
Phyllis Lee Walton
Jonathan Whitney

After responding to the historic questions as asked by the Bishop, the new full members were presented to the Annual Conference, and were greeted with enthusiastic applause!

Members of the new class of ordinands participated in a dramatic reading of 2 Kings 2:1-15a, the stirring story of the passing of the mantle from Elijah to Elisha. The members of the retiring class placed the mantle on the shoulders of the new full clergy members of the Annual Conference. Mrs. Darlene Webster, Conference Lay Leader, also helped lead this liturgy.

Greetings from UMES President Thelma Thompson: The Rev. Candy Miles introduced our host from the University of Maryland Eastern Shore, President Thelma Thompson. She reminded us that this institution of higher education was founded by the United Methodist Church! Dr. Thompson celebrated that the campus has been voted the second most beautiful campus in America, second only to United Methodist-affiliated Duke University. It is one of the growing universities in the state of Maryland. And the University has been numbered among the "sweet sixteen" among 64 historically black colleges and universities. The University's President offered a gift in appreciation for the United Methodist Church.

Bishop's Journey to England in 2007: Bishop Matthews acknowledged that the next year would be the 300th anniversary of the birth of Charles Wesley. The Bishop thanked the Rev. Sandra Steiner Ball, Dover District Superintendent and Dean of the Cabinet, who developed a Bible study for the journey to Alaska in May, 2006. The Rev. James Van Der Wall gave thanks to God for the privilege of being among 140 persons who shared this experience of spiritual retreat.

Mr. Bob Duncan of Educational Opportunities announced the Wesley Heritage Tour beginning August 6, 2007, for the Eastern Pennsylvania and Peninsula-Delaware Annual Conferences. Bishop Gregory Palmer of the Iowa Area has been invited to join this tour, along with fellow United Methodists from that Area!

Report of the Election of the Conference Lay Leader: The Conference Secretary reported that on Friday, a new Conference Lay Leader. There were 55 invalid ballots. Mr. Gene Cray received 196 votes; Mrs. Betty Gooch received 177 votes. Mr. Gene Cray was elected as the new Conference Lay Leader. Mr. Cray was invited by outgoing Conference Lay Leader Darlene Webster to come forward, along with Mrs. Arelela Cray, Mrs. Betty Gooch, and Mr. Ralph Gooch. The Bishop prayed for these persons. Mr. Cray addressed the Conference, accepting the position to which he has been elected in a spirit of humility.

Order of the Day: Wesley College Corporate Session: Mr. Charles R. "Chip" Dashiell, Jr., Chairperson of the Wesley College Board of Trustees, began the session, as the College celebrates its 133rd year of service. The College opened the present academic year with another record enrollment; and for the second consecutive year has a top-tier ranking among northern colleges in the latest *U.S. News and World Report* survey. As measured by test scores and high school grade point average, the freshman class is also the best prepared in the history of the college! President Scott Miller continued to be active in higher education nationally, presenting the address for the national association of college business officers.

Wesley will enter the prestigious Capital Athletic Conference for the 2007-2008 academic year. Wesley will compete in seven men's sports and nine women's programs. This is one of the NCAA's top Division III conferences. The Wesley Wolverines football team went to the semifinals of the Division III playoffs. Of 450 colleges in the Division, Wesley was among the final four remaining in competition! The College also added a varsity women's volleyball team, as well as a track club.

Over 1,600 children aged 6-18 are enrolled in the Wesley Collegiate Institute, the pre-college program. This includes highly acclaimed partnerships with the Boys and Girls Club, the Campus Community School with an enrollment of 629 students in grades 1-12, and the YMCA Resource Center. The College has experienced its best giving year in its 133-year history.

Both the Master of Science in Nursing and a new 15-credit certificate program target a critical need for nursing educators. These are now offered at the New Castle Wesley Adult Studies Program, where 35% of the students are African-American. On the Dover campus, the Nursing Department has doubled its space in the clinical skills laboratory.

Three years ago, Zimmerman Hall was the first new residence hall in the Academic Village. That building features 48 apartments, underground parking, and many modern amenities. The second residence hall, Malmberg Hall, was dedicated this past year, and includes a fitness center. There are nine large seminar halls. It is unique in being substance-free, with students themselves establishing enforcement policies. Bellmeyer Hall has been refurbished as an honors house. It is located directly across from the Wesley College Chapel.

Significant upgrades have been made to the Nursing and Dining facilities. The latter has been converted into a food court, with the former Simpson Room now known as Club Simpson. The Java City concept has moved into the main lobby of the College Center. There have also been improvements to the sprinkler systems in residence halls and to the Reed Baseball Field.

The College is continuing to celebrate the presence of Hope United Methodist Church, which meets in the Wesley College Chapel, and their appointed pastor, the Rev. Tom Pasmore. There is also a continuing partnership with the Annual Conference to bring fiscal stability to Barratt's Chapel and Museum. This affiliation has brought tremendous opportunities for study to Wesley's history majors.

The College has continued its strategic alliance with the Schwartz Center in Dover. Wesley students perform nearly all functions in the center. The Center now offers 330 programs that attract some 33,000 visitors annually.

Some members of the faculty leveled charges of plagiarism against President Scott Miller. Because the charges concerned the core values of the college, the Board of Trustees appointed a distinguished panel of educators to conduct a general review of the state of the college and to investigate the issue. That issue revolved around listings on the College's web site. The panel concluded that there was no certain evidence against Dr. Miller or against anyone else. The conclusion was the Dr. Miller has been the architect of Wesley's survival. On May 30, 2006 the Board of Trustees endorsed the successful progress of the College and the exemplary leadership of President Miller.

Nominees were presented for the Board of Trustees, whose names are included in the report of the Nominating Task Force. The slate of nominees was approved.

The Wesley College Chaplain, the Rev. Dr. Mark Pruett-Barnett, also serves as the Director of Church Relations. Dr. Pruett-Barnett celebrates the continuation of Wednesday worship. Students are being encouraged to continue to develop their spirituality through both worship and service to the larger community and world.

President Scott Miller presented his annual State of the College address. He recognized Trustees who were present. There are 2,400 students currently enrolled, including 1,450 full-time students and 1,000 part-time students—all three are records in the history of the college. This student body represents 30 states and 18 foreign countries. There are approximately 3,000 applications for 500 slots for the fall of 2006. There are an additional 500 applications per year for the non-traditional adult program. The total operating budget exceeds \$35 million, which has tripled during the last eight years. Using conservative multipliers, this means that Wesley has an economic impact in the region exceeding \$100 million. Almost 80% of the student body participated either in intercollegiate athletics or in an intramural sports program. Coaches include Tripp Keister, Baseball; Jerry Kobasa, Men's Basketball; James Wearden, Women's Basketball; and Mike Drass, Football, who is also the Executive Director of Intercollegiate Sports and Recreation. Scholarships and grants through Wesley presently total \$6.4 million. Robin Smith had a 3.6 GPA with a triple concentration. She was President of the Student Government Association, captain of the women's basketball team, a cheerleading coach at Campus Community School, a resident assistant. Board Chair "Chip" Dashiell is this year's recipient of the Francis Asbury Award in the Annual Conference; Professor John Paul Muczko, who teaches Sports Psychology and Physical Education, received the United Methodist Exemplary Teaching Award. Derald Wentzien, Professor of Mathematics, is the 2006 recipient of the President's Award. Ben Wells, who received the Staff Award, has completed two degrees at Wesley while directing the Information Systems and Technology Department.

The Rev. Dr. J. T. Seymour offered a closing prayer for this Corporate Session.

The Conference Secretary announced that proceeds from the offering from the previous evening were \$7,434, bringing the combined amount of offerings to \$23,693.

Grace for the noon meal was offered by the Rev. Barbara Harmon.

Celebration of 50th Anniversary of Full Clergy Rights & Ordination of Women:

The celebration began with a drama whose setting is the 1956 General Conference of the then Methodist Church. The cast included a bishop portrayed by the Rev. James Hawkins; General Conference delegates portrayed by the Rev. Jeanel Starling, Mr. Rick Ceresini, the Rev. Jonathan Baker, and the Rev. Karen Bunnell as narrator. The motion to grant full clergy rights to women passed on May 4, 1956 in Minneapolis, Minnesota by a vote of 389-297!

The Rev. Bunnell introduced one of the first women to be ordained in the then Peninsula Annual Conference—the Rev. Marlene Walters, ordained in 1976, now retired and living in Melbourne, Florida. Our Annual Conference also has the distinction of having had the first female African-American District Superintendent in United Methodism—the Rev. Charlotte Nichols! All women serving the Church as local pastors, seminary students, and ordained deacons and elders were invited to stand and be recognized. They were greeted with warm applause in appreciation for their ministry.

The Rev. Dr. Patricia Bryant Harris led the body of the Annual Conference in a litany. This litany painfully acknowledged the sin of the Methodist family who created a Central Jurisdiction that excluded our black brothers and sisters from the body and further oppressed black women by dissuading them from seeking full clergy rights. Praise was given to God for the creation of the United Methodist Church in 1968 that eliminated the Central Jurisdiction and restored full clergy rights to women of the Evangelical United Brethren Church through its merger with the Methodist Church. Clergywomen and clergymen were then invited to the front of the auditorium to join in an anthem authored by the Rev. Dr. Harris. The lyrics written by Dr. Harris were sung to the tune of the hymn "Spirit Song."

The Rev. Karen Greenwaldt, General Secretary of the General Board of Discipleship of the United Methodist Church, then preached on the text, Matthew 28:1-10. She celebrated the truth that women were the first to learn that Jesus is risen, that they were commanded to tell the Good News, and they were those who ran to testify to this amazing act of God. These same words seemed to the disciples to be an "idle tale," and they did not believe them. The church lived much of its early life in the home, the domain of women. The widespread leadership of women in the early church is well-documented. But beginning in the third century, women were moved to the background. They as leaders were often silenced. But in the days of John Wesley in the 1700's, women were again exercising leadership, though often in the private domain of the home. Wesley named women and encouraged women to be heads of bands that were led by women, often in their homes. Testimony and exhortation were engaged in by women, but the very fine line between exhortation and preaching remained. Wesley described preaching as taking a text and expounding on it at length. Wesley himself was very clear that women were called to pray, testify, and exhort, but they were not to preach...except, in extraordinary circumstances and with an extraordinary call! He used as examples the women in Corinth, described in the New Testament letters as leaders in their day.

Rev. Greenwaldt celebrated the presence of over 10,000 clergywomen serving in the Church; one in five congregations are served by them. Twenty-five percent of these women serve in churches of fewer than 199 members; only five percent of them serve in churches of over 1,000 members. So the road is not easy, even in this day. Rev. Greenwaldt continues to hear stories of women discouraged from answering the call to ordained ministry. Yet women are called, and continue to share the Good News of the Gospel. She traveled to Bulgaria, formerly part of the Soviet Bloc in Eastern Europe. There pastors were imprisoned or sent off to the Soviet gulag, where many died. Women rallied to the task of keeping the church alive; they did all they could to ensure that the church remained.

Today the United Methodist Church in Bulgaria has congregations full of grandmothers, and young people! They are being baptized and claiming their place in the body of Christ. Yet women are not necessarily coming forward to answer the call to ministry. They are re-creating the church from outside, in effect. The hierarchical systems of United Methodism are unfortunately not pleasing to numbers of women.

We must continue to raise the question: What will it take for women to engage their calling to ordained ministry in the United Methodist Church? We must be reminded that John Wesley realized extraordinary gifts in women. So, they must be challenged to "preach on!"

The Rev. Elaine Ayres, in a video presentation, introduced some of the pioneer women clergy in the United Methodist connection: Bishop Susan Morrison, the Rev. Marlene Walters, and the Rev. Charlotte Nichols. The Rev. Nichols was interviewed by the Rev. Ayres. The Rev. Cindy Quillen was also introduced; she, along with the Rev. Naomi Winchester were first consecrated as diaconal ministers, and then in 1997 were ordained as the first deacons and full clergy members of the Annual Conference. Both acknowledged their parents as most influential in their lives, in addition to many persons in the larger body of Christ. This parental influence was echoed by the Rev. Karen Bunnell in her own testimonial, as well as a strong sense of God's presence on the occasion of her ordination to the ministry!

Kim Jefferson Urban Ministry Award: The Rev. Bethsheila Hunley was introduced together with the Rev. Dale Brown. The award is presented under the auspices of the Northeastern Jurisdiction Urban Steering Committee. The award is given for significant urban ministries. It was named for the Rev. Kim Jefferson, who served in the office of Urban Ministries for the General Board of Global Ministries for 25 years. The 2006 Award was presented to the Evergreen United Methodist Church and the Rev. Sharon Graves of Seaford, Delaware. The ministries of this congregation include services on the corner of Third and North (better known as "Crack Alley"), a coffee house for youth on High Street, services at the Seaford Mission, and Somewhere Else, a coffee house for youth. In the near future, a coffee house for young adults is envisioned. Evergreen is also spearheading the formation of a local chapter of Love, INC (in the name of Christ)! United with other churches, God's love is expressed through incarnational acts of ministry based on gifts unique to each of the member congregations. Bishop Matthews joined the Rev. Hunley and the Rev. Brown in congratulating representatives of Evergreen UMC. A plaque will be presented to this new church start congregation in the near future.

Black College Fund Ambassador's Report: The Rev. Dr. Homer Minus presented the 2006 Ambassador from the Black College Fund, Mr. Verlin Charles, a recent graduate of Philander Smith College, with a Bachelor of Science degree in biology (ck. spelling). He is a native of Haiti, the recipient of a scholarship from Volunteers in Mission. He is to continue his education in medical school! Mr. Charles first expressed his appreciation to the Annual Conference for its Eastern Shore hospitality! He brought greetings from the eleven historically Black colleges and universities of the United Methodist Church. These institutions of higher education depend upon our support. Mr. Charles celebrated our twenty-year record of 100% support of the Black College Fund! He pledged his support to make us proud of the investment of our Annual Conference in this worthy cause.

Consent Calendar: The Rev. Boyd Eitter, Conference Secretary, presented the Consent Calendar, which had been presented on the previous day. He moved its adoption, and it was so approved.

Nominations: The Rev. James Van Der Wall and Mrs. Verlie Gaither acknowledged some changes in the report distributed on the first day of Annual Conference. The final report of the Nominating Task Force appears elsewhere in this Journal.

Commission on Equitable Compensation: The Rev. William Ross was introduced. The original report was amended in terms of "Standards for the Parsonage." Section III.B.1 was amended to read "the chairperson of Trustees, the chairperson of Pastor-Parish Relations Committee, and *the Pastor.*" In Section V, an editorial change was made to reference the "2004 *United Methodist Discipline.*"

The following minimum salary recommendations were forthcoming from the Committee for the year 2007:

Full Member	\$30,600
Probationary, Associate, and Commissioned Members	28,050
Full Time Local Pastor	26,060
Commissioned (elder track) but not completed seminary	22,950
Student Local Pastor	22,950*

*Unless a smaller figure is agreed upon by the District Superintendent, student, and charge.

Service increments will be \$138 per year up to a maximum of fifteen (15) years.

The Commission recommends that the reimbursement for travel expenses during 2007 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

The Commission recommends new standards for parsonages as follows:

Please see index for "Equitable Compensation, Commission on."

The report was adopted in its entirety as presented.

Disaster Relief: The Rev. Dale Brown, Disaster Relief Chairperson, thanked the Annual Conference for the generous way in which it continues to respond to human need in the name of Jesus Christ. We have given a total of over \$1 million through the United Methodist Committee on Relief! A second truckload of kits will be sent to Mission Central in the near future following the Annual Conference sessions. The Task Force will also be supporting the many Volunteers in Mission trips under the direction of the Rev. Donald Hamilton and Mrs. Mildred Hamilton. Forty or more such teams have already been dispatched. In the coming year, partnership is needed in the following areas.

On August 27, a Conference-wide offering was to have been received to rebuild churches, retreat centers, and other related properties. This differs from assistance rendered by UMCOR, which relates to humanitarian needs, and UMCOR funds cannot be used for the repair of church-related properties. On September 30, 2006, a training event entitled "Basic Disaster Relief and Response" was scheduled in the Wilmington area. This training will be shared with persons in the Eastern Pennsylvania Annual Conference.

Report of the Statistician: Dr. Joyce Bell, Conference Statistician, expressed appreciation to Mr. Bill Westbrook, Director of Administrative Services and Conference Treasurer and to the District Administrative Assistants for their help in compiling this report. She reported improvement in obtaining reports from local churches: In 2003, there were 60 missing reports; in 2004, 30 reports were not submitted; in 2005, *only 15 local churches failed to submit the annual report!* She expressed hope that in 2007, every local church would submit a report. This year, three districts provided 100% of their reports!

Total full membership at the end of 2005 stood at 92,281, down 1,548. This is a continuation of a trend toward declines in membership over the past five years. More persons were removed or withdrawn in 2005 than were received on profession of faith (some of this loss may be due to issues of record-keeping in the past.)

The good news, however, is that average attendance in weekly worship increased by a total of 1,211 in the preceding year. This reflects an increase over the past five years as well! The number of baptisms is also slightly on the rise during the year 2005. Some 88-92% of the American public say they believe in God. And, 40% of the society say they do not attend church on a regular basis. There is much mission work to be done.

Bishop Matthews reminded the Annual Conference that the Bishop's Days on the Districts in the fall of 2006 will address these issues of declining membership in local churches and in the Annual Conference.

The resolution was presented by the Rev. Yvonne Penn on behalf of Black Methodists for Church Renewal and Black United Methodist Pastors. A work team has assumed the challenge of helping to build at least one predominantly African-American church in the Gulf region. A paragraph in the original resolution, lines 36-42 from the original draft, was deleted. Also, a portion of lines 49 and 50 were also stricken.

The resolution was adopted.

Korean Ministries Celebration: This musical celebration with interpretive movement was presented by the Delaware Korean and Salisbury Korean Mission United Methodist Churches. The Rev. Chansoon Lim of Delaware Korean United Methodist Church mentioned that the congregation he serves was founded in 1979; and the Salisbury Korean UMC was founded in 1988. In the beginning, the congregations served as places for social gathering for their respective Korean-American populations. However, over time, many have been transformed by the grace and love of Jesus Christ.

They are spiritual descendants of the Rev. Henry G. Appenzeller, an early Methodist missionary in Korea, arriving there in 1885. He was a native of Pennsylvania and a graduate of Franklin and Marshall College in Lancaster. He died on June 11, 1902 at the age of 44, as a result of a shipwreck, in which he sought to rescue women and children.

A choir performed the anthems, "How I Love Jesus," and "Let All the Earth Praise the Lord," with musical accompaniment. Several women wore the traditional Korean dress.

The Annual Conference responded to this celebration of Korean Methodism with thunderous applause! The Rev. Lim expressed appreciation for the spirit in which Conference members have sought to proclaim "One Lord, One Mission, to All the World."

District Superintendents' Report: The Rev. Charlotte Nichols, District Superintendent of the Salisbury District, reported on behalf of the Cabinet. She acknowledged that she had attended every Annual Conference session since her graduation from high school! There are no "quick fixes" or "easy answers" in our ministry, but rather the way of life offered by Jesus Christ. She and her colleagues on the Cabinet simply seek to be servants of the most high God as they provide oversight and supervision. One of their primary tasks is to equip the Church in disciple-making ministry. They have taken seriously their commitment to both laity and clergy, so that together we might live as faithful Christians.

The Cabinet gathers to consider matters of appointment and they covenant together to more faithfully serve Christ through the Church. They gather at Charge or Church Conferences, and see how the local churches discern the movement of the Holy Spirit in the election of officers, and cast vision for the future ministry in the life of the Church both through goals and a plan for funding that future ministry. There is joy and excitement in many local churches through creative conflict resolution and a desire to move forward into a future filled with hope, peace, and joy through Christ.

At the time of appointment-making, District Superintendents consider carefully the profile of the church(es) on the charge and the gifts and evidence of God's grace in the lives of clergy. They also gather with clergy on occasions of crisis, illness, loss and bereavement, but also to celebrate the joys of clergy families. And they join local churches in celebrating special anniversaries and other momentous occasions in the lives of congregations.

The members of the Cabinet are prayerfully seeking to discern whether or not they are being faithful stewards of their time in their ministry of supervision and oversight. In this midst of this discernment, they are called to lead the larger Church in the Healthy Church Initiative. This process will cause each local church to prayerfully discern its own direction for the future. Rev. Nichols advised us not to be in such a hurry, running to reach our destination that we fail to get in the car, and let God do the driving! She closed on a note of encouragement with the witness of Isaiah 40:28-31 as inspiration for the journey!

Bishop Matthews affirmed the gifts and evidence of God's grace in the lives of the District Superintendents. He gave special thanks to God for the ministry of the Rev. Tom Donnachie, Easton District Superintendent, who will be returning to the ministry of a local church effective July 1, 2006. He then welcomed to the stage the Rev. Bill Sterling and his spouse, Jackie Beth. Rev. Sterling is being appointed to the Easton District on July 1st.

The Bishop also asked the Rev. Dr. James T. Seymour, Director of Connectional Ministries; and Mr. William Westbrook, Director of Administrative Services and Conference Treasurer, to come forward. These two persons, together with the District Superintendents, comprise the extended cabinet. The Annual Conference greeted them all warmly and with appreciation.

Resolution for Colloquium on Membership and Ministry in Light of Recent Judicial Council Ruling

WHEREAS, a faithful response to the issues raised in R-6 and its substitutes requires of us sustained, prayerful consideration and thoughtful, in-depth conversation.

WHEREAS, time on the floor of annual Conference is tightly limited by the sheer volume of business that must be cared for.

WHEREAS, the context of our discussion on the floor of Annual Conference, in the framework of our organizational and procedural rules, is by its nature adversarial; our comments must be identified as 'pro' and 'con', and the outcome of our debate is not enhanced mutual understanding, but entrenched mutual mistrust, with 'winning' and 'losing' positions further defined and defended.

BE IT RESOLVED THAT the Peninsula-Delaware Conference direct that a colloquium be developed and scheduled to take place within the next twelve months for the purpose of providing an appropriate context for in-depth, compassionate and respectful discussion of the issues raised by motion R-6 and its substitutes, including questions of membership and ministry in light of recent Judicial Council rulings 1031 and 1032.

Submitted by Chris Lee & Jack Abel

The Rev. Jack Abel introduced this resolution. A panel discussion could be provided, with planning and guidance from the Rev. Dr. J.T. Seymour and the Advocacy Resource Team. This could possibly be an all-day Saturday event in the future.

Mr. Howard Mason, the Rev. Joyce Whittington, Mr. Jeffrey LeCates, and Ms. Erin Kinnamon spoke in opposition to the resolution. The Rev. Leslie Slak, and Mr. Bill Johnston of Aldersgate UMC in Wilmington spoke in support of the resolution.

The resolution prevailed by a vote of 213 in favor of the motion, to 172 opposed.

Personal Privilege: The Rev. Yvonne Penn requested a moment of personal privilege for the purpose of presenting a gift of *The Women's Study Bible: Opening the Word of God to Women* on behalf of the clergywomen of the Annual Conference. The gift was signed by the clergywomen.

Following announcements by the Rev. C. Karen Covey Moore offered a blessing for the evening meal.

Sunday morning, June 11, 2006

The Annual Conference convened again on Sunday, the Lord's Day, June 11, 2006, following a health walk with Bishop Matthews shortly after the dawning of the day, at 6 a.m.

A Service of Appointments: The service was led by Bishop Marcus Matthews; the Rev. Dr. Sandra Steiner Ball, Dean of the Cabinet; and by clergy and laity from a congregation receiving a newly-appointed pastor on July 1, 2006.

Special Presentation: Bishop David Yemba of the Central Congo Episcopal Area presented gifts to Bishop and Mrs. Matthews from the United Methodist Women of the Western Congo Annual Conference. These were shirts matching the one worn by Bishop Yemba during the Missions Celebration on Friday evening, June 9. To the Peninsula-Delaware Annual Conference, Bishop Yemba presented a beautiful banner, to be displayed in the Bishop Felton E. May Conference Resource Center. Bishop Matthews expressed appreciation for the generosity of Bishop Yemba and the people of the Episcopal Area.

Vision Team: Mrs. Dona Rayne and the Rev. Dr. J. T. Seymour were joined on the stage by the members of the Vision Team. The subject of their presentation was entitled "Living into the Missional Priorities." The Vision Team has sought to do the following:

1. To evaluate the effectiveness of the organizational design of the Annual Conference. This led to the action of the 2005 session of the Annual Conference to discontinue Mission Area Councils as a mandatory mission strategy. But it also left open the possibility for each District Superintendent to organize inter-congregational ministry, much of which is continuing to evolve.
2. To work toward continuing the promotion, coordination, and implementation of the Relational Design model for ministry.
3. To fulfill the Vision Team's role in the program budget development process in the program areas of the Annual Conference.

In particular, four missional priorities have been identified:

1. Making and Nurturing Disciples of Jesus Christ
2. Meeting Human Needs and Transforming Communities
3. Global Missions Outreach (especially through the Congo Partnership)
4. Strengthening Racial Ethnic Inclusiveness

A Power Point presentation narrated by Mrs. Rayne and by the Rev. Samuel Holdbrook-Smith highlighted ways in which congregations are living into these missional priorities.

These missional priorities are designed to insure the balance of the internal and external dimensions of ministry, salvation and social concern, personal faith formation as well as multicultural openness, and local and global mission involvement. All these priorities seek to fulfill the vision of the Council of Bishops to "make disciples, for the transformation of the world."

New Church Starts: The Rev. Anne Pruett-Barnett of the New Church Development Team challenged Conference members to "imagine the possibilities" inherent in planting new Christian communities across the Peninsula. Other participants in this presentation were the Rev. Anna Foster, the Rev. Jack Cohen, the Rev. Helen Lockwood, Marie Smith, the Rev. Dr. Sandra Steiner Ball, the Rev. Rich Walton, the Rev. Grant Johnson, and the Rev. Elaine Ayres.

Currently there are four new church plants: Hope in Dover with the Rev. Tom Pasmore; Higher Hope in Salisbury with the Rev. Janice Humphrey; Evergreen in Seaford with the Rev. Sharon Graves; and Daybreak in Smyrna with the Rev. Jim Hawkins. Connection Community UMC has blossomed into a ministry far beyond anyone's expectations! As of July 1, an additional new church plant is beginning in the Fenwick Island area with the Rev. Rich Evans as pastor, working under the guidance of the Rev. Bruce Miller, the pastor of St. Matthews-by-the-Sea.

A two-year institute for existing churches with potential is being instituted, known as the R & R Institute (Redeveloping and Retooling). Churches enrolling in this institute will make a strong, measurable commitment to grow their church, to make disciples for Jesus Christ, to be a transformative presence in their immediate community, and (since we are a connectional church) throughout the world. They will be encouraged to be hospitable and to ensure that all groups feel welcome. A director of the Institute will be chosen from among those who have been successful in redeveloping at least one existing congregation.

The Team left the Annual Conference to "imagine the possibilities" if we truly made development of churches the number one priority.

Bishop Matthews also commended the Rev. Anne Pruett-Barnett for her leadership in providing meaningful worship during the Annual Conference sessions.

Black Methodists for Church Renewal Scholarships: Mrs. Darlene Webb presented scholarships in the amount of \$500 to Norma Weigand, a student at Wesley Theological Seminary; and in the amount of \$500 to Rudolph White, pastor at Centennial UMC in Smyrna, and a student at Palmer Theological Seminary (formerly Eastern Baptist Theological Seminary) and a \$500 scholarship to the Africa University. In addition, \$1,000 was given to the Annual Conference in support of the Congo Partnership.

This brings total contributions from BMCR and the African-American Clergy-Laity Summit to \$16,500 over the past seven years. Bishop Matthews and Bishop Yemba received both the award to Africa University and the contribution to the Annual Conference. Bishop Matthews gratefully acknowledged the generosity of BMCR in making these grants possible.

Leadership Development Resource Team Awards: The Rev. Anna Foster presented the Conference Merit Scholarship resulting from support in local congregations for United Methodist Student Day. From this annual offering, a 10% rebate is returned to the Annual Conference from the total proceeds given by local churches. This year, the LDRT has selected Justin L. Street, a member of Israel UMC in Lewes and a student at Wesley College. He is actively involved in many aspects of life in his local church, the American Cancer Society and the Multiple Sclerosis Association. This award amounted to \$500! Justin expressed heartfelt appreciation to the Annual Conference for supporting his pursuit of higher education. Justin's mother was also present for the awarding of the scholarship.

Francis Asbury Award: Mr. Bill Bazzelle was pleased to present the award recognizing a member of the Annual Conference who has made a significant contribution to fostering the Church's ministries in higher education at the local, district, and Conference level. The award is based upon Bishop Asbury's admonition to the people called Methodist to "erect a school in the vicinity of every church." This year's recipient is Mr. Charles "Chip" Dashiell. He is a member of the Asbury United Methodist Church in Salisbury and on several district and Annual Conference committees. He currently serves as Chair of the Board of Trustees of Wesley College. Bishop Matthews joined Mr. Bazzelle in the presentation of the award, including a plaque and a lapel pin. Mr. Dashiell thanked the Annual Conference, and acknowledged the presence of his wife, his father, the President of Wesley College (Scott Miller), and his pastor, the Rev. Glenn Catley.

Town and Country Presentation: Mrs. Darlene Webb shared an initiative of the General Board of Global Ministries. This plan was initially adopted at the 2000 General Conference, then sent back for implementation, and then was again adopted at the 2004 General Conference. There are 25,000-28,000 small membership churches in the United Methodist Church. A local-church study guide is being tested as a pilot for churches to evaluate themselves in terms of current ministries. She recommended use of this plan to Conference churches as another means of fostering healthy churches.

General Council on Finance and Administration Presentation: The Rev. Dr. Patricia Bryant Harris introduced a video featuring Bishop Mary Ann Swenson, President of the General Council on Finance and Administration. Bishop Swenson thanked the Conference for its 100% support of our connexional covenant.

During a year of tremendous devastation, the Peninsula-Delaware Conference led the way in supporting, for example, historically black colleges; Africa University; United Methodist theological schools; evangelism efforts; church growth; Christian education; ministries with children, youth, singles, and older adults; ecumenical and interfaith dialogues; support of the episcopal offices; General Conference and Judicial Council; and mission workers around the world.

The Rev. Dr. Harris presented the certificate to Bishop Matthews in the spirit of "One Lord, One Mission to All the World." This is the 27th consecutive year that the Peninsula-Delaware Annual Conference has met all its commitments to the connexional church! This is the only Annual Conference to have been so faithful for so long.

World Methodist Conference Delegates: Those delegates preparing to attend the World Methodist Conference in Seoul, Korea in July, 2006 assembled themselves on the stage. Bishop Yemba prayed for these delegates who would represent the Peninsula-Delaware Annual Conference. They included the Rev. Dr. J. T. Seymour, the Rev. Grant Johnson, the Rev. Dr. Patricia Bryant Harris, the Rev. Dr. Sandra Steiner Ball, the Rev. Charlotte Nichols, the Rev. John Mitchell, the Rev. Jeremias Rojas, the Rev. Boyd Etter, Mrs. Darlene Webster, Mrs. Odette Wright, Ms. Barbara Kelly, and Mr. Jeffrey LeCates.

Resolution R-9 (2006): Resolution to Affirm General Board of Church and Society in Support of Comprehensive Immigration Reform

Whereas the General Board of Church and Society has released the following Statement in Support of Comprehensive Immigration Reform in the United States:

General Board of Church and Society Statement In Support Of Comprehensive Immigration Reform in the United States

The General Board of Church and Society of The United Methodist Church celebrates the movement for civil rights for the people who are undocumented. The mass numbers of people who have participated in marches throughout the

United States in recent weeks have brought this issue to national prominence. This movement has seen undocumented migrants coming out of the shadows and urging the United States to recognize their human right to be treated with dignity. More than anyone else, most people who are undocumented do not want illegal immigration to continue. We stand with our undocumented brothers and sisters and ask that our broken immigration system be fixed.

While we recognize that the current state of immigration is complex, we believe that our calling as a people of God is to welcome the stranger and offer hospitality to the poor. This is a command that all who claim to be the people of God must follow. We also recognize that immigrants come from all over the world. Indeed, they are us and we are they.

We believe that justice is not achieved in Scripture through the exclusion of one group over another. Achieving biblical justice, even in complex issues with competing justice claims, demands that we welcome all people to the table and work to find room with adequate access to necessary resources.

Leviticus 19:33-34 (NCV) says, "Do not mistreat foreigners living in your land, but treat them just as you treat your own citizens. Love foreigners as you love yourselves, because you were foreigners one time in Egypt. I am the Lord your God." While written originally about the Israelites, the lessons of this passage remain vitally relevant to citizens in the United States today. In welcoming the stranger we recognize that many United States citizens were once immigrants. When offering hospitality we also acknowledge God's abiding concern for the sojourners of our world.

We are deeply concerned with the anti-immigrant legislation that passed the U.S. House of Representatives in December, 2005 (HR 4437). We are also concerned about the level of ire and anti-immigrant emotion that this debate has reached throughout the United States, especially among some members of the U.S. Congress and the media. We urge all people to act and dialogue responsibly and respectfully. We encourage the U.S. Congress and the Presidential Administration to enact comprehensive immigration reform that includes the following principles:

- Earned pathways to citizenship for all immigrants,
- Protecting the rights of workers through safe, orderly, and legal avenues to enter this country,
- Reuniting families separated by migration, and
- Effective and humanitarian border protection.

As we reflect on the Scriptures we see how immigrants have played a significant role in the redemptive narrative of God's people. Likewise, immigrants continue to play significant roles in our churches, schools, and communities today. To care for the stranger, the foreigner, the sojourner, the documented and undocumented immigrant is to care for Jesus himself. HR 4437 criminalizes both the undocumented immigrant and those who serve the immigrant. Because of the injustice of U.S. Rep. James Sensenbrenner's bill, we are compelled by our faith to publicly state that if such a bill is passed into U.S. law we will have no other choice than to follow the commands of Jesus to minister to the stranger, and to obey our conscience and our Scriptures, even if that leads us to commit acts of civil disobedience.

We urge the U.S. Senate and House to act justly and pass comprehensive immigration reform.

Whereas the population within the geographical boundaries of our Annual Conference is responding to the daily and immediate needs generated by the rapidly changing demographics of immigration.

Whereas this is an opportunity for the church to offer a theologically-based perspective as a part of the national conversation.

Be it resolved that the Annual Conference vote to affirm this statement, and direct that it be distributed to all of the Charges of the Peninsula-Delaware Annual Conference.

prepared by the Peninsula-Delaware Hispanic/Latino Ministries Task Force

The Rev. Christine Lee presented the resolution, and it was approved.

The Conference Secretary announced that the offering from Saturday evening totaled \$6,300.51, a record amount! Combined offerings for the Annual Conference sessions totaled \$30,053, also a record!

Motion to Adjourn: The Rev. Boyd Etter, Conference Secretary, moved that this 222nd session of the Peninsula-Delaware Annual Conference be adjourned until we convene again in June, 2007. The motion was supported.

Apportionment Formula for 2007

The calculation is a multi-step process as outlined below.

Step One:

Determine the Apportionment Factor based on the three year average of a local church's net operating expenses compared to the three year average of the conference total of all local church net operating expenses.

$$\begin{array}{r} 2004 \\ \text{Local Church Exp.} + \end{array} \begin{array}{r} 2003 \\ \text{Local Church Exp.} + \end{array} \begin{array}{r} 2002 \\ \text{Local Church Exp.} \end{array} = \begin{array}{r} \text{Apportionment} \\ \text{Factor} \end{array}$$

$$\begin{array}{r} 32,368,298 \\ \text{(2004 Conf. Total of} \\ \text{Local Church Exp.)} \end{array} + \begin{array}{r} 30,503,469 \\ \text{(2003 Conf. Total of} \\ \text{Local Church Exp.)} \end{array} + \begin{array}{r} 28,170,850 \\ \text{(2002 Conf. Total of} \\ \text{Local Church Exp.)} \end{array}$$

DIVIDED BY

Step Two:

Determine the Calculated Apportionment which equals:

$$\text{Apportionment Factor} \times \$5,484,575 \text{ (2007 Apportioned Budget)}$$

Step Three:

Determine the Maximum Apportionment:

$$2004 \text{ Total Operating Expenses} \times .20 \text{ (Cap)}$$

Step Four:

Determine the Actual 2007 Apportionment which equals:

the lesser of the Calculated Apportionment (step two) or the Maximum Apportionment (step three)

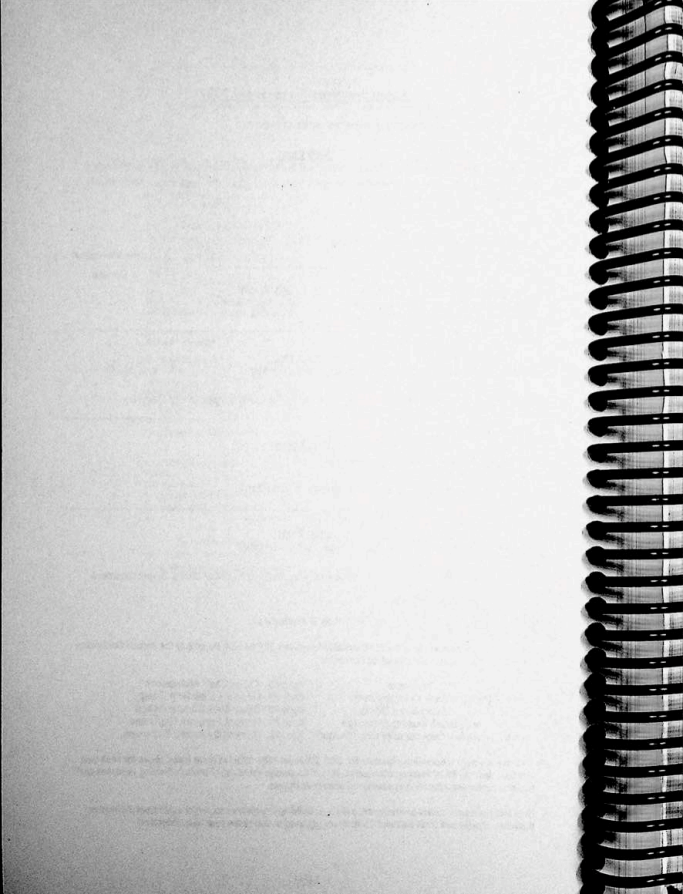

What is Included?

The following items from the 2002, 2003 and 2004 Local Church Financial Reports to the Annual Conference are used to figure your Total Operating Expenses:

Item 58 -MPP/CPP Payments	Item 68 -Other Cash Allowances
Item 64 -Pastor's Base Compensation	Item 69 -Diaconal Minister's Comp
Item 65 -Associate's(s') Base Comp.	Item 70 -Other Staff Compensation
Item 66 -Parsonage/Housing Expenses	Item 71 -Current Program Expenses
Item 67 -Reimbursements paid to/for Pastor	Item 72 -Current Operating Expenses

To arrive at your net operating expenses for 2002, 2003 and 2004 total the items listed above for each year and then deduct 75% of housing allowances, 90% of parsonage rental, all of pastor's moving expenses and pastor's continuing education expenses included in each year.

Note that payments toward benevolence, missions, building improvements, major equipment purchases, principal, interest and UMW National Division are not used to determine your apportionment.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned.
(We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) a copy of the deed for the property;
 - 2) specific directions for locating the property from a major highway;
 - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994)

VI. CONFERENCE REPORTS

ADVOCACY RESOURCE TEAM

Mission: This team supports and cares for empowering and transforming the human community through actions of social justice and advocacy, ecumenical and interfaith concerns, monitoring of inclusiveness, combating racism, sexism, and other forms of oppression, ethnic community concerns and the providing of diversity training and consultation.

Mission Priorities

Making and nurturing disciples for Jesus Christ

The advocacy team is committed to discipleship formation in the Wesleyan tradition of justice as the fourth area of a balanced discipleship. We will resource local congregations in teaching individuals to think globally and act locally in their daily discipleship practices. We are committed to the promotion of the Social principles as a means and call to Christian living. Discipleship calls us to build communities of compassion for the broken hearted brothers and sisters who seek full participation in the church and in their corporate life. Sharing of power and self-denial of privileges that block access to groups of people can be a painful process for groups that have inferred power by virtue of birth. Yet, the end result will benefit not only those who have been locked out of participation, but the revealing of true diversity benefits the whole of society.

Meeting human needs and transforming communities

The advocacy team seeks to make us aware of the needs of the disenfranchised and seeks to alleviate pain by confronting systems of injustice that deny human freedom and healthy self-expression. It is our hope to transform our communities to places of multi-cultural embracing of religious expression, and full participation of males and females in the faith and society. We are proactive in providing resources that will empower and strengthen holistic life in community. We will transform our communities through peacemaking, the Christian vision of mutual respect of the weak among the strong. The Advocacy Resource Team will confront, challenge, monitor, lobby and create opportunities for reconciliation to achieve a community transformed by the love of Christ set by his self-emptying example. We envision resurrection power as a new people who emerge casting off old structures that have bound us by "isms."

Strengthening racial/ ethnic inclusiveness

An inclusive process helps to achieve an inclusive result. Every mission, committee, and commission of our work as the Church is encouraged to maintain an inclusive process from the beginning of its decision making. The experience of racial/ ethnic persons shapes a unique angle of vision for the Church that cannot be achieved without racial ethnic participation. Racial ethnic persons must have voice and vote at every level of influence in the church and in the community. That voice and vote must be respected as a valid contribution of equal consideration on all matters and not only issues that only impact this particular group. A key word to this priority is strength. Inclusion is always compromised when there is a lack of strength. Racial ethnic congregations, clergy, and theologians are vulnerable to benign neglect if left to compete on equal footing when years of discrimination have impacted its vitality. Therefore, the Advocacy Resource Team will serve as a monitor, teacher, advocate, and financial resource to strengthen ethnic congregations, clergy, laity, and theologians. We will also provide opportunities for reconciliation, confrontation, and healing with non-ethnic groups.

Goals for making and nurturing discipleship

Church & Society

*ART will promote the social principles of the UMC to the local church, conference, and to the community. To give an informed voice to the UMC position on various issues, consultants are brought in to share both sides of an issue in a forum. We encourage each district to provide copies of the social principles at each charge conference.

*ART will send representatives from our team or interested persons in our annual conference to testify in hearings in the state legislature on regional issues as they occur

and on the national level as well. The team will use the social principles as a guide on the positions that are presented.

***Paacem in Terris** is a peacemaking organization located in Wilmington, De. It promotes awareness of social concerns and is proactive in advocating on behalf of the disenfranchised. Its work in environmental, restorative justice and conflict resolutions are some of the trainings that are made available to local people. ART supports this organization with seed money grants.

*Peace with justice grants are collected through congregations in our annual conference on Peace with Justice Sunday and awarded as grants are needed.

***Housing-** Fair and affordable housing is key to helping families build generational wealth and well-being. Families who rent should also have access to safe appropriate standards of living. ART will partner with the interfaith housing organization that serves primarily in Maryland.

***Health care** as a right and privilege to all citizens is encouraged in our area. ART calls upon our discipleship in health care, health advocacy, and reaching underserved communities to provide access to information and services. ART will partner with health agencies such as The American Cancer society and Health Care for all.

*We support the right for fair trade for farmers and workers by encouraging the purchase of coffee and fair trade products from the Fair Trade Organization. We also will monitor living wages and benefits for workers in local and national companies and give voice to workers.

The Status and Role of Women

*ART will monitor for gender inclusiveness in our covenant relationship with The United Methodist Church. We nurture healthy discipleship for girls and boys, men and women, by encouraging images and language that is inclusive with masculine and feminine characteristics. We encourage all local congregations to support the full participation of girls and women in its leadership roles in the church. Also support for clergy families as they adapt to the communities they serve is a goal of ART.

*We support organizations that encourage full participation of girls in our culture.

*The Flyer publication sent out by CORSOW is received in bulk and distributed by ART.

Martin Luther King Jr. Symposium and Multi-cultural forum

The symposium to honor this great preacher and community organizer, Martin Luther King, Jr. is held annually in January. It is a time to reflect on community involvement, attitudes about race, progressive and regressive cultural trends. Various ethnic groups in our conference participate to enlighten spiritual cultural diversity. Awards are given to individuals and groups who have modeled inclusive ministry.

The African-American Clergy and Laity Summit

This is an event held as a two day training and worship experience prior to annual conference to address various topics and Christian ministry.

Repentance and Reconciliation

***Nurturing Wholeness in Community Retreats** is a three day retreat to address racism of individuals as well as institutional racism. Participants are taught historical factors, past redresses, white privilege, and the stories of racially defined ethnic groups that make up our annual conference. Probationers are required by the Board of Ordained Ministry to attend. Leaders on boards and agencies are also expected to attend a retreat.

***Level II Nurturing Wholeness in Community**

Level II is for those who attended the original retreats who desire a more in depth survey to help with deliverance from white privilege and internalized oppression.

***Cross-Racial appointment training**

The on-site review conducted in 2003, encouraged training for congregations and pastors in the challenges and opportunities presented when appointments are made cross-rationally.

Ethnic Local Church Concerns

*We traditionally relate to all the major ethnic groups such as African-American, Hispanic, Native American, Korean and Haitian. ART helps to fund projects for ethnic churches and ethnic pastors. Funding for organizations that help to provide resources for ethnic groups are also sent from ART.

*In response to the recommendation from GCORR, an ethnic gathering is held for minorities to share concerns and for mutual support.

Grants have been awarded to the following; Pacem in Terris, Methodist Action Program, Coleman UMC, Pocomoke Charge, Secretary Charge, Cosrow Endowment Fund, Interfaith Housing, and various ethnic clergy for continuing education events. Salary support for ethnic New Church initiatives were granted to Betel in Georgetown, De. and Higher Hope in Salisbury. Committee on Native American Ministries

Section 1: Review of 2005 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at the Nurturing Wholeness in Community retreats in the Conference.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American issues and ministry. We continue to anticipate the opportunities to fulfill this goal.

To offer and be prepared to present a program on Native American spirituality and other traditions at events such as the Bishop's mid-winter retreat. We continue to anticipate the opportunities to fulfill this goal.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of such speakers and their effective impact on local churches/communities. This is ongoing and we are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the Indian Mission UMC and other congregations in the conference. Our Native American missionaries, Ragghi Calentine, Odette Wright and other committee members are working with a number of congregations in the conference in order to establish an ongoing relationship.

To expand the network of CONAM into other areas of the Peninsula-Delaware Conference. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events and libraries.

To continue to promote the celebration of Native American Ministries Sunday. We are making available to the local congregations ways in which they can conduct a special service for this special offering day.

To provide financial support for persons to attend Native American Family Camp and other leadership opportunities. This is ongoing and will continue as the need arises.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This continues as an ongoing effort. Many have been identified through the number of contacts visiting local congregations as well as other speaking venues.

CONAM will supervise and support the Native American missionaries. When salaries were discontinued in June 2005 this ministry has been supported by the Conference Advance Special and other congregations as well as the CONAM.

Section 2: Significant Events, Goals and Challenges

CONAM members have assumed leadership positions at the Nurturing Wholeness in Community retreat experiences. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

Indian Mission UMC "NDN Stix Chix" youth ministry, under the direction of Ragghi Calentine and Boe Harris, are performing a much needed ministry to youth and adults. Financial support has been received from fund raisers, other churches, businesses, and countless individuals.

The local CONAM members continue to minister beyond the walls of the annual conference. Boe Harris was selected to share her Native American culture through the art of dance at military installations throughout Europe and the Mediterranean. Ragghi Calentine, in addition to being a member of the Native American International Caucus, with special responsibilities for the youth and children's ministry at Native American Family Camp and the Flying with Eagles leadership training programs. She has also presented programs throughout the United States. She is mentoring Native and non-Native children in the local schools and leading other programs at the elementary school level. Odette Wright is still a member of the National UMC Native American Center whose responsibility is to equip clergy and lay persons to be effective leaders. Boe Harris is serving as an alternate member of the Native American International Caucus.

The Northeast Jurisdiction Conference Committee on Native American Ministries met in Philadelphia in the fall. Our local CONAM sent three representatives with the permission of Bishop Matthews.

The year 2005 has been challenging and very rewarding when you see the smiles of so many young people who have been blessed by the Native American ministry. God said we were to shine His light, and we are committed to that purpose.

Section 3: Goals for 2006

CONAM will continue to develop and share ministries with our sister Native American church; Immanuel Union UMC in Cheswold, DE.

With God's grace and the prayers of our people we will continue the ministry that has been the history of CONAM. We also continue to offer ourselves as an example of overcoming the racism that continues to infiltrate the being of our annual conference and communities.

Hispanic/Latino Ministries Task Force

The Call: "Go throughout the community and bring the good news of Christ's love."

The Vision: To be a dynamic and vital church of all the people, where each person can hear the good news in their respective tongue and celebrate the joy of Christ with their respective music and culture. To be a United Methodist Faith Community on the Peninsula attuned to the unique gifts and challenges of the Hispanic/Latino community working and living here and through ecumenical efforts to advocate for understanding and justice.

The Core Values of our Strategy

The manifestation of God among us is the love we show for our brothers and sisters, whether or not they are members of the United Methodist Church. Through thoughtful prayer and discernment, the church is able to change to meet the challenges of a diverse community in order to serve God.

The method in which Hispanics/Latinos are invited into a relationship with Christ respecting their culture is as important as the message. Through God and for the glory of God all things are possible. Our Wesleyan Heritage calls us to offer Christ to the world.

The Strategy

I. Interpret and advocate for Hispanic/Latino ministries – Promote and advance the National Hispanic Plan throughout the PD Conference and advocate appropriately to issues and concerns affecting Hispanics.

II. Planning – Assess Hispanic/Latino population growth trends on the Peninsula; Revitalize existing faith communities; Create new faith communities where the demographics suggest; and identify the human and financial resources necessary for successful implementation.

III. Training and Resources – Create training opportunities for Hispanic/Latino pastors, lay leaders, district and conference Hispanic/Latino task forces securing needed printed resources and financial support in 'acompanamiento' with the National Hispanic Consultant.

IV. Nurture multicultural understanding and awareness – Sponsor high visibility events at the conference level such as "Fiesta Latina" to promote cultural awareness; intentional recruitment of non-Hispanics participation; nurture a presence of Hispanic/Latino leadership at all levels of the conference.

V. Monitoring, supporting and evaluating the implementation and effectiveness of the plan. Provide mentors for leaders in the Hispanic/Latino community and monitor the effectiveness of each district's efforts through the task force annually.

The Strategic Initiatives

I. Interpret and Advocate for Hispanic/Latino Ministries

Goals:

Within each of the four districts create a district level task force for Hispanic/Latino ministries comprised of Hispanic/Latino and non-Hispanic ministry and lay leaders with vision and calling to reach out to the Hispanic/Latino community.

Equip members of each District Board of Lay Ministries with appropriate information to reach out to existing congregations and illustrate through examples the successes and challenges of existing Hispanic/Latino faith communities. To identify and recruit a coordinator for the PD Conference to implement steps I through V of the Strategy.

Action Plan:

A district level task force has been formed in each District. At least one member of each district task force shall serve on the PD Conference Task Force. Goal met.

A total of \$40,000 will be allocated by the Conference Task Force for the 2001 – 2004 quadrennium to strengthen existing Hispanic/Latino churches and establish faith communities in each of the four districts of the conference. Goal met for 2004-2005

Communicate through local congregations, Hispanic/Latino and non-Hispanic, the most pressing issues affecting Hispanics. Partner through the church and appropriate outside agencies to advocate for justice.

Have lay leaders from Hispanic/Latino faith communities in partnership with the Board of Lay Ministry bring "mission testimony" to non-Hispanic congregations.

II. Planning

Goals:

Within each of the four districts of the conference (Dover, Easton, Salisbury and Wilmington) strengthen existing Hispanic/Latino faith communities. Demographic and lifestyle data is available through Percept through the Peninsula-Delaware Annual Conference.

Identify three to five areas of significant Hispanic/Latino population in each district for the start of faith communities.

Make financial and human resources available to each district so that healthy faith communities can be nurtured and sustained.

Double the number of people touched by our existing Hispanic/Latino ministries during the next four years.

Action Plan

Each district task force will identify new ministry areas, prepare lay leadership and monitor and support satellite ministries during the next four years.

Equip existing ministries for leadership roles by utilizing the training available in the National Hispanic Plan (NHP) developed curriculum resources (specifically Modules I, II & III).

Goal met. National Hispanic Plan Module I training was offered in October of this year, with a follow-up session in February. Fifteen people, both Hispanic and non-Hispanic participated in all or part of this training. The training was led by trainers with national experience, as well as some of our neighbors from the Eastern Pennsylvania Conference.

Develop a strong program of partnering these existing congregations and faith communities through the 'acompanamiento' process.

Utilize the Iglesia Betel of Georgetown model as a springboard for formation of a mission from successful faith communities.

III. Training and Resources

Goals:

Provide training opportunities for lay missionaries and pastors.

Train Hispanic/Latino and non-Hispanic local church leaders to develop Hispanic/Latino ministries or strengthen existing ministries.

Identify persons called to the ordained ministry and refer them to the District Committee on Ministries. Rev. Rene Knight-Peguero has been recommended for ordination at the 2006 Annual Conference by the Board of Ordained Ministry.

Training conference and district task force members so the implementation of the NHP proceeds smoothly in all four districts.

Provide educational audio/visual training material for Hispanic/Latino leaders.

Action Plan

Identify eight to twelve lay persons/clergy through existing faith communities either Hispanic/Latino or non-Hispanic each year from 2001-2004, from the four districts who have the calling for Hispanic/Latino ministries to be trained in the developed curriculum resources (Modules I, II & III).

Goal met. National Hispanic Plan Module I training was offered in October of this year, with a follow-up session in February. Fifteen people, both Hispanic and non-Hispanic participated in all or part of this training. The training was led by trainers with national experience, as well as some of our neighbors from the Eastern Pennsylvania Conference.

Initiate a program through Wesley College and Wesley Theological Seminary for campus ministry outreach to the Hispanic community and provide scholarships for interested Hispanic candidates in the ordained ministry.

Update: We have received one request for scholarship help from a Hispanic candidate for the ordained ministry.

Host an annual Hispanic/Latino Ministries Retreat.

Provide scholarships for Camp Pecometh for Hispanic youth.

Design a bilingual youth camp at Camp Pecometh with culturally relevant music and activities.

Provide Spanish language materials for Hispanic/Latino faith communities

Develop worship materials relevant to the mission context that incorporates language, music and traditions.

Develop and sustain healthy and effective partnerships between existing non-Hispanic churches and Hispanic faith communities and missions by training Hispanic/Latino speakers and share their faith journey.

Provide seed money for expanding the outreach to the Hispanic community. Each district task force may see the need to raise money among existing congregations for the furthering of this mission.

Provide the resources; such as Walk to Emmaus, to encourage individual spiritual growth.

Offer Lay Academy classes in Spanish.

IV. Nurture Multicultural Understanding and Awareness

Goals

Encourage and support multicultural awareness between Hispanic/Latino and non-Hispanic congregations.

Encourage and support sensitivity to the special needs of Hispanic communities.

Create programs that stimulate cultural awareness.

Intentionally recruit non-Hispanic participation in multi-cultural events.

Update: The Hispanic Community is increasingly well represented in Conference activities and committees. There is still a lot of ground to be covered, but awareness of the resources of Hispanic Community is becoming more apparent in many contexts.

Action Plan

Create centers or partner with existing centers providing English as a second language courses in every district, as well as computer literacy programs.

Hold at least one annual district or conference fiesta showcasing the cultural diversity within the United Methodist Church.

Support Hispanic/Latino missions in providing Vacation Bible School in Spanish and English to church members and non-members.

Have a portion of the Ocean City Youth Rally be bilingual and showcase a Hispanic/Latino Christian band.

Have a regular monthly article in the Communicator of the PD Conference showcasing a Hispanic/Latino story or upcoming Hispanic/Latino event.

Create and support health fairs that appeal to the special needs of the Hispanic community including, for example, immunization clinic and assist with legal costs.

V. Monitoring, Supporting and Evaluating the Implementation and Effectiveness of the Plan

Goals

Have district task forces report quarterly to the conference task force on the "state of the district" and successes and challenges.

Identify supporting congregations to mentor Hispanic/Latino faith communities.

Update on a regular basis with the consultant from the General Board of Global Ministries (GBGM) on innovations in other conferences.

Teach Biblical stewardship principles and nurture self sufficiency in Hispanic/Latino faith communities.

Train Hispanic/Latino lay leaders in electronic communications.

Equip Hispanic/Latino faith communities with written and audiovisual resources for outreach.

Action Plan

Have at least one congregation per district equipped to support a Hispanic congregation once a faith community expands to the point that a location for services is deemed crucial to growth.

Update the Strategic Plan every four years with information from the GBGM consultant and as a result of reports from the district task forces.

Provide an information booth at the June Annual Conference with information about Hispanic/Latino ministries and mission opportunities.

Train a group of stewardship people to go into the congregations and teach sound stewardship principles.

Train in the use and provide electronic equipment so that electronic communications can be used for reaching out to the Hispanic/Latino community. The use of electronic communications as a multimedia device during the service is helpful, efficient and appealing.

Develop Resources for outreach should not just be a translation of English resources, but a development of resources that are culturally relevant to the Hispanic/Latino community.

**VI. Identify/Recruit a Coordinator for the Peninsula-Delaware
Annual Conference**

Action Plan

Identify individuals with appropriate gifts and time to effectively coordinate Hispanic/Latino ministries throughout the conference.

God Bless You! ¡Dios les bendiga!

ENABLING MINISTRY RESOURCE TEAM

Congregational Development Corporation

Overview

The Congregational Development Corporation (CDC) is charged with allocating and overseeing loans and grants to existing congregations for land purchases, property acquisitions, and church construction and renovation that will enable continued and/or improved vital ministry growth. Our annual Conference allocation is \$65,000.00.

CDC is committed to conservative use of the monies annually allocated and the funds on hand through Conference repayments in order to be faithful stewards of Conference monies. To that end, our review of applications also encourages applicant churches toward committed responsibility and accountability for sound financial stewardship coupled with ministry practices that stabilize and increase the church's service to the surrounding community. We continue to try to communicate with and support the District Boards of Church Location and Building and our four district superintendents, which already has proven to assure better oversight of local stewardship, ministry and compliance issues.

Goals 2005 & 2006

1. Revision of our bylaws to a) officially broaden our involvement with existing churches to include a role as an educational and advisory resource for revitalization and crisis issues, facility maintenance and planning by church trustees; a communicator of church health and vitality issues, and a partner in developing long-term stewardship strategies; and b) consider the possibility of raising the maximum grant award.
2. Building a closer, collaborative relationship with the District Boards of Church Location and Building and the four district superintendents in order to be more knowledgeable about district plans affecting congregational development and more insightful when reviewing applications.

Grant & Loan Distribution

Most of the applications that CDC received during 2005 were from congregations seeking monies for crisis relief and church renovation. The quality of applications continues to improve in terms of ministry plans and budget presentations that promise to increase the probability that Conference and commercial loans can be repaid while the daily needs of the local church also are maintained. While we really try to be helpful and encouraging to every applicant, but in order to be efficient and effective we could not deem every application received as qualified for approval. Funding was allocated for the following nine congregations:

Gumboro UMC, Gumboro, DE – grant of \$5,000.00 toward furnace replacement.

Houston UMC, Houston, DE – grant of \$5,000.00 toward fellowship hall accessibility project and kitchen renovation.

Mt. Pleasant UMC, Crisfield, MD – grant of \$5,000 toward purchase and installation of new furnace.

New Bethel UMC, Berlin, MD – grant of \$5,000.00 toward HVAC system replacement.

New Zion UMC, Laurel, DE – grant of \$5,000.00 and subordinated loan of \$13,260.00 toward urgent parsonage repairs.

Perryville UMC, Perryville, MD – grant of \$5,000.00 toward general renovation and upgrade of sanctuary, fellowship hall and parsonage.

St. Luke UMC, Cambridge, MD – grant of \$5,000.00 and subordinated loan of \$25,000.00 toward construction of new sanctuary and fellowship hall.

Trinity UMC, Harrington, DE – grant of \$5,000.00 toward the construction of a handicapped access ramp.

Union UMC, Worton, MD – grant of \$5,000.00 and subordinated loan of \$10,000.00 toward the construction of a memorial multi-purpose building.

With approved grants and loans totaling \$93,260.00 CDC's Annual Conference allocation for 2005 has been overspent, with the overage taken from loan repayments so as not to cause a Conference deficit on our part.

Health and Welfare Task Force

SECTION 1: REVIEW of GOALS

1. Support and offer health educational opportunities to health ministers, parish nurses and clergy.

Four health ministry/parish nurse network meetings, two semi-annual Delaware Region Health Ministries chapter dinner gatherings and one retreat were coordinated. Two Parish nurse coordinators were available for consultation, information and health ministry presentations.

2. Continue to promote whole person health.

Two mailing lists were maintained for e-mailing and postal service- providing whole person health information, community resources and educational opportunities to clergy, health professionals and lay leaders. Assistance with problem solving and community resources were available from The Parish Nurse Council that included four masters prepared parish nurse educators- two of whom are United Methodists.

3. Empower people to be responsible for their mental, physical, spiritual health.

This goal was achieved through the education and counseling of parish nurses, health ministers, congregations, communities and clergy by the above activities and individual conferences and occasional conference mailings to all churches as well as a monthly column in the United Methodist Communicator.

4. Partner with other organizations and faith communities sharing common goals.

Agencies we have worked with in 2005 include, but are not limited to-the Peninsula-Delaware Conference, National Health Ministries Association and its Delaware Chapter, Christiana Care Health System, St. Francis Hospital, Bay Health Corporation, Kent General Hospital, Chester River Hospital Center, Catholic Charities, Health Education Network of Delaware, Delaware Nurses Association, Delaware Stroke Initiative, City of Wilmington, American Heart Assoc., Campaign for Tobacco Free Kids, Cancer Outreach Center, and others.

5. Assist pastors and congregations in initiating health ministry programs and accessing community health resources.

The Parish Nurse Council was available for consultation and assistance to all faith affiliated and non-profit organizations and also worked with various national and local government agencies to promote wholeness.

6. Increase the number of Parish Nurses/Health Ministers in local churches.

This goal was met by offering scholarships to parish nurses, clergy and lay health leaders to relevant health promotion/disease prevention programs; offering partial scholarships to registered nurses to complete Parish Nurse Preparation Programs and activities provided throughout the year.

7. Health fairs/blood pressure screenings

These were coordinated by health ministers and parish nurses in many faith communities throughout the conference.

8. Monthly Focus Project- Programs and information were made available to health ministers/parish nurses e.g. February was Heart Health month and the focus was Women's Heart Health-a disease not well publicized and the number one killer of women.

SECTION 2: OTHER SIGNIFICANT EVENTS, ACCOMPLISHMENTS and CHALLENGES.

This year has been one of transition for our Health and Welfare Task Force. The Rev. Naomi Winchester, after fourteen years of faithfully chairing this Task Force, ended her tenure as chairperson midyear. Judy Barkley and Gwen Rodney assumed the challenging task of taking on the responsibility of chairing this Task Force.

Joan Nelson, RN, Parish Nurse Coordinator/Consultant, funded by PUMH, retired from that position effective June 30, 2005. PUMH was unsuccessful in finding a replacement for her. She, in that position, was a valuable resource to the Task Force and provided much assistance to us. Fortunately, both Naomi and Joan agreed to continue on the Task Force this year. We also had new members who joined us midyear who needed to be oriented to the work of the Task Force.

A workshop on the subject of AIDS and violence and role that the church is taking was planned for October. Unfortunately, this had to cancel due to the inability of the main speaker to attend.

Attempts to repeat a conference for teens, "Reducing At-Risk Behavior" to be held on the Eastern Shore of Maryland, which would parallel the one held in Dover in 2004-were unsuccessful. Over 200 teens attended the Dover event. Another challenge we face is to find support to have a "Stop the Violence" conference on the Eastern Shore of Maryland which would also parallel the one held previously in Delaware where 800 youth attended.

Because the above events were not able to be held, we were able to utilize some of the money to provide funding for six of our members to attend the Nurturing Wholeness in Community Retreats this fall thus making a total of eight of our members who have attended this program. We also provided partial scholarships to two students. One student, who upon completing his degree in medicine, plans to return to his home country of Africa to practice there. The other student participated in a short-term study program in South Africa, during which time she worked with children-many of whom were orphaned-who were HIV+.

The Peninsula-Delaware United Methodist Annual Conference hosted in June, stroke screenings (including blood pressures) for over 100 participants with the help of six Parish Nurse Members of the Health & Welfare Task Fore.

SECTION 3: CHANGES to 2006 GOALS

New missional priorities and other factors have resulted in the Task Force reassessing the direction that we felt we needed to take during the last half of this year and the foreseeable future. We established the following goals for 2006.

1. Making and Nurturing Disciples for Jesus Christ.
Ensure that the work of this Task Force supports this goal.
2. Meeting human needs and transforming communities.
Develop, administer and tabulate the results of a health ministries survey tool (Questionnaire).
Plan programs/activities based on the results of the surveys
Encourage congregations to establish health ministries.
3. Global missions outreach, especially through the Congo Partnership
Encourage congregations and individuals to participate in global missions outreach.
4. Strengthening Racial/Ethnic Inclusiveness.
Seek to be inclusive in our Task Force membership and the programs/events/activities we sponsor.
5. Other goals related to your ministry.
Provide resources for those interested in health ministries in our Conference.
Refer others to appropriate resources.

Volunteer-In-Missions (VIM)

Grace and peace to each of you from God our Father who always blesses this Annual Conference mission ministries. Natural Disasters are always an unknown quantity. We have to be on our guard, for no one knows what tomorrow will bring. Yet, God has enabled us to see, hear and respond to the needs of his people wherever that may be in trouble. This year was very busy, especially toward the end of 2005 and the beginning of 2006.

We saw Mother Nature's fullest fury with the Hurricanes of Wilma & Katrina. Each of you knows and witnessed perhaps the greatest natural disaster in our country's history. Thousands of persons lost their lives, both physically and mentally due to the devastation and destruction. Many times we had to call upon the people of Peninsula-Delaware for their support of VIM teams to provide for health and welfare of many Gulf Coast residents.

Throughout the Peninsula, local churches responded to this tragedy with their prayers, presence and treasure. You gave over \$980,000.00 via UMCOR for the many victims and evacuees needing our help.

Mildred and I provided training for over 200 individuals. To our knowledge over 30 teams have gone to the Gulf and that many more are preparing to travel there this summer. The generosity of the Peninsula-Delaware Conference has been very positive, effective and impressive in responding to difficult needs and the various mission situations where by the call for help and assistance was answered.

We are grateful to the many churches that sent teams to the Eastern Shore for Disaster Relief, providing support to many families and helped more than 50 home owners rebuild their homes. It was gratifying to see the commitment of time, talent and resources that were given in behalf of the affected area. Mildred and I thank each pastor, church and visiting VIM Team who responded to the need of a very hard hit disaster area and restored some order.

We encouraged churches to send teams, contained and self-contained. Our goal this next Conference year is to build two response trailers or trucks which can hold a variety of equipment for VIM Teams leaving to support Disaster Areas. We will need about \$35,000 for the development of these support vehicles. The VIM Committee is a significant part of Disaster Relief, thus we need to continue to develop plans for how our Annual Conference can and will respond to natural disaster. We look forward to supporting any implementation and providing support.

The VIM Committee has tried to be responsive to the interest and concerns of the Peninsula-Delaware Conference as we address the many needs and mission interests. Many thanks to Rev. Dave Bennett, Rev. Dave Dorasingh, and Gil Hoffman for their leadership and support for the ministry in Costa Rica. Three trips were sponsored by these Churches last year and two are on the schedule for 2006. We were pleased to expand this program with the Calvary UMC of Sudlersville, MD. We would like to encourage others to consider this valuable ministry.

The Committee is grateful to Mildred and Rev. John Moore who led a Team to South Dakota to the Oglala Lakota Nation. This trip was exploratory and it was found that there was not a United Methodist Church Agency or Local Church in which to develop a stable ministry. The trip was an outstanding experience for the participants, but our Committee felt that we need to partner with an established UM entity.

Mrs. Judy Ingles will lead a Medical Team to the Congo in 2007. Recruitment for this team is now in process, dates for the mission have not been established by Bishop Yemba, but we hope to have them at Annual Conference 2006.

Rev. Carol Svecz will be compiling and maintaining a list of all VIM teams going anywhere from the Peninsula-Delaware Conference. She will be asking local churches to send basic information on their VIM trip so they can be recorded and those churches not sending teams, but that have interested persons may plug in with a confirmed established Mission Group. Please consider registering because it will provide valuable information to our local churches.

With the election of a new Episcopal Leader in the DRC, we had to delay our Educational Trips to the DRC. We expect to restart them in the Fall of 2007 for the purpose of providing an opportunity for more persons to see the ministry in partnership up close and first hand. We know and understand that all persons are not interested in participating on a work team, yet are interested in the work our Conference has undertaken. The Education Mission Trip will provide for these persons to participate with the people of the Congo and also provide them the opportunity to be Ambassadors for this program. These education trips are projected to be offered in May and October each year. The first educational trip is projected for the Fall of 2007.

Mildred continues to represent our Conference on the General Board of Global Ministries. She serves on several Committees of that Board. The Committee congratulates her on her hard work and accomplishments. She is making a strong and important contribution for the peoples of our United Methodist Church. We look forward to providing Mildred with the strong support she needs to keep abreast with such a challenging and demanding position. Many thanks to the people of the Peninsula-Delaware Annual Conference for their support of Mildred for this important work.

Mildred and I serve on the North East Jurisdiction VIM Committee as Directors. The officers of this Committee are as Follows: Howard Caulfield, President – Troy Conference; Mildred Hamilton Vice President- Pen-Del Conference, Sandy Rowland, Secretary - Baltimore-Washington Conference and Don Hamilton, Treasurer – Pen-Del Conference. Bill Westbrook, Director of Administrative Services/Treasurer for our Annual Conference receives and disburses all funds for the North East VIM Committee. Mildred and I are grateful to Bill for his wonderful support and guidance in the matters of finance for NEJVIM. We work with the VIM Coordinator, Greg Forrester and serve as his employer. Greg provides the leadership, training and support for the Conferences of

the North East Jurisdiction and he led a training day in our Conference on September 12, 2005.

The VIM Northeast VIM Committee and ministry was sanctioned as legitimate and effective throughout the Jurisdiction by a special Task Force appointed by Bishop Susan Morrison, Leader of the NEJ Vision Table. This means that for the next quadrennium, this most viable ministry will have the support of the Jurisdiction for funding its Executive Director. This funding will only be temporary due to the receipts received from the Annual Conferences in the Jurisdiction.

The VIM Committee was prominent in supporting the visit of the Congo Delegation last year. All of the Committee members were involved on their district. We thank our District Superintendents and their organizing committees for their support and encouragement during the visit. It was a labor of love.

We will celebrate and observe VIM Awareness Sunday on July 16, 2006. Every church will be asked to provide for a VIM moment in their main worship services. We solicit the memberships to consider becoming involved and back this important and transforming ministry. There are many speakers across the Conference who are willing to come and share about this important ministry. There is probably a VIM'er who is already a part of your church that would love the opportunity to speak about the VIM experience. In addition to the heightened awareness, we would ask your congregation(s) to support the VIM program with a donation. Donations for this ministry go to help Conference VIM Committee sponsor VIM Mission Trips.

The Conference Staff has been just wonderful in supporting our Committee. Penny, Linette, LaWanda, Bill, Donovan, Brenda, Tammy and J.T. Seymour all have been just super. The Committee could not accomplish its work without them.

Mildred and I are grateful for your confidence and support of our abilities and leadership for this most important work. We count it a privilege to work in this most humbling and supportive way for the work of missions and ministry in the Peninsula-Delaware Annual Conference.

Camping and Retreat Ministries

REVIEW OF 2005 GOALS

Complete the sale of Drayton Retreat Center.

The sale of Drayton Retreat Center was settled in April 2005. The net proceeds of \$3,367,000 are invested in a short-term bond portfolio to maximize return and protect principal until the adult retreat center project is ready to break ground.

Complete planning for the future of adult retreat ministry operations.

The Special Session of Annual Conference in October 2005 approved the proposal to move forward with an adult retreat center project on the Pecometh property. The projected cost of Phase I of the project is \$5,520,000. This includes 24 hotel-style bedrooms, a 125-person dining room and four meeting spaces for up to 30 persons each. The projected cost also includes renovation of the Charlie Barton Recreation Hall and a \$250,000 Capital Replacement Fund. The net capital campaign goal, after including the Drayton proceeds, is \$2,153,000. It is expected that zoning requirements and capital campaign benchmarks will be met in the first of half of 2007.

Register 1650 campers in the Pecometh Summer Camp Program.

We registered 1557 campers in 2005, a 5.5% decrease from 2004. Based on information gathered from other United Methodist camp leaders, we believe that this

reflects a continued downward trend in the number of children attending camp. Some of this is demographic, as the millennial generation grows older; they are less likely to attend summer camp. Some of this is also cultural, as summer camp is becoming a less popular summer activity for children and families. In fact, surveys have documented that the most desirable summer activity for children and youth is a vacation cruise. We have adjusted summer camp operations to reflect this trend. Most significantly, the summer camp season will be shortened by one week in 2006. We also expect that in the future we may have to increase our marketing budget to maintain enrollment.

CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide hospitality and programming that promote God-inspired, life-changing experiences*. While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

Pecometh is celebrating its 60th year in 2006. Clearly, thousands of lives have been impacted through God-inspired life-changing experiences in both the camp and retreat settings. Pecometh offers our conference a variety of ways to experience outdoor ministry. The retreat facilities, waterfront, picnic facilities, and Outdoor Chapel help guests at Camp Pecometh draw closer to God through God's creation. The Summer Camp Program continues to be a significant part of the spiritual growth of many young people.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support required to support operations. In 2005, support was \$140,350, which maintained 2004 levels. Support in 2006 will be reduced to \$138,950. This compares to \$170,062 in 2000.

Thanks to the team of Ann Ashe, Dan Ashe, Buddy Landing, and Richelle Darrell for their continued outstanding leadership at Camp Pecometh.

UPDATED STATEMENT OF GOALS FOR 2006

Evaluate year 'round staffing requirements to determine how to best meet the programming and financial needs of the ministry.

Develop a donor base of 150 persons/organizations with \$20,000 in contributions.

Register 1500 campers in the Pecometh Summer Camp Program.

STATEMENT OF GOALS FOR 2006

Obtain zoning approval from Queen Anne's County for the adult retreat center project.

Reach \$800,000 in capital campaign pledges by December 2006.

Register 1550 campers in the Pecometh Summer Camp Program.

Peter D. Weaver Mission Committee

With the election of Bishop David K. Yemba we have entered into a new phase as it relates to the people of the Democratic Republic of the Congo. I am indebted to my Committee which has been renewed with new members, Bishop Marcus Matthews, Dr. J.T. Seymour, Co-Chairman Rev. Rob Townsend, my strong and beautiful helpmate

and partner Mildred for their extraordinary support and insight for this very effective mission program. We have continued to improve and strengthen our relationship with our Sister Conference and much has been accomplished through your efforts and support.

In October there was a meeting of the two Episcopal Leaders who worked diligently to review, evaluate, and establish new priorities and criteria for support and promulgation of the Partnership as it impacts upon each Episcopal area's interest and need. Bishop & Mrs. Yemba met with the Cabinet, the Weaver Mission Committee and other Conference Leaders during their short stay. A new understanding of what we are involved with was fostered and shared by Bishop & Mrs. Yemba.

We learned that the new Bishop virtually had inherited 6 Annual Conferences which geographically covered most of the land mass of the Democratic Republic of the Congo. He had no monetary assets; no place in which to work and meet with his Conference Officials; he had no equipment and more importantly, the Bishop could not effectively communicate with the majority of the people he served. Bishop Yemba updated us on the important things happening in his country. We heard again the stories which told of human tragedy, anguish and pain. The stories dealing with children and women were just heart wrenching. He gave an update on the projects that were in place prior to his election to the Episcopal Office, some were very sad and others hopeful.

The Bishop himself brings a lot of hope for his people and this Partnership between our two Episcopal areas. He is developing new systems in which to work, demanding accountability and integrity for every project. He is an astute organizer and is putting into place new guidelines which are much more transparent and responsible to the whole Partnership Project. Bishop Yemba will champion the way for our Partnership and we will be able to participate and share with a sense of great joy and accomplishment. God Bless Bishop and Mrs. Yemba for their stamina, courage, and vision for the future of the People of the Democratic Republic of the Congo.

Briefly, I want to give some highlights the new Partnership Agreement projects.

The Central Congo Conferences geographical areas are vast. This Episcopal area covers 10 out of 11 Provinces in this country, an area almost equal in size to the United States east of the Mississippi River. The Episcopal area includes 4 annual and 2 provisional Conferences. Communications between the Bishop and his Conferences; Districts and Conference Offices; Conference Offices and local Churches; & local Churches and their constituencies is erratic, unreliable, unstable and poor. We need to develop a reliable and effective communications system for the Conference Resource Center to satellites offices of the Annual Conferences.

Youth and Young Adults are the future of our Church. The Partnership will establish a new initiative involving this age group of both Episcopal Areas. The initiative will include the development of VIM trips for cultural understanding, fund raising for special youth projects, and work projects which are mutually agreed upon by the youth and will enhance the work of the Partnership.

The Partnership will continue its support of the Orphanage and homeless children. This support will include providing basic needs, resource materials, facility upkeep and staff training and salary support.

The Partnership will continue its support of the Mpsa Nutrition and Medical Center. This support includes continuing to supplement of the UMCOR Feeding Grant, Medical VIM Teams and staff training and salary support.

Increase the funding support of the scholarship established at Africa University which will benefit students coming from the Central Congo Area Conferences. After completing the endowed scholarship; an additional annual scholarship

Conference and assure a steady stream of trained leaders that will be provided by the Partnership instrumental in revitalizing and rebuilding a healthy DRC.

The need of our Partner Conferences is great, thus it is recommended that the Peninsula-Delaware Conference increase it's giving for the support of this Partnership from \$30,000 to a minimum of \$60,000.

We have actually exceeded that amount already each year since the beginning of the partnership. The opportunities for local churches to become more involved with Partner Churches shall be more evident with the new goals. This will solidify our fundraising.

The PDW Committee is working with Bishop Yemba and Bishop Matthews to coordinate an Episcopal visit in July or September 2007. In addition, a VIM Medical Team is being organized by Judith Ingles that will be in the DRC during Bishop Matthews' Episcopal Visit. **We are recruiting persons for this team now!** The travel dates will be confirmed at Annual Conference 2006. Future VIM teams to the DRC will be limited to 12 persons for the sake of logistics and travel, thus we are encouraging persons who have not traveled to the DRC to apply. We are looking for RN's and a couple of non-medical people to help with non-medical jobs. We really want to expand our volunteer base so new missionaries will be given first shot at these Mission slots.

A second trip to the DRC, that we call "Educational Missions" will be launched in Fall of 2007. These trips will give the person not wanting to be a part of a work crew a chance to look at the mission work in the DRC first hand and close up. It is hoped that these persons would become Ambassadors for the Partnership and would be willing to speak in behalf of its mission and goals. These trips would be shorter in length, yet would provide a perspective that could not be obtained from news reports. Please plan to go and see for yourself the People of the United Methodist Church in the DRC.

Financial details and costs will be forthcoming at Annual Conference. We are estimating that all costs to the Congo at \$3,000. Make your plans to attend ASAP.

Bishop and Mrs. David K. Yemba will be our Special Guests for the Peninsula-Delaware Annual Conference 2006. On Friday, June 9th at 8:00 PM, we will have a Mission Partnership Celebration. There will be music, drummers, dancers, singers and loads of fun. The afternoon will begin with a mini Missions Fair in front of Ella Fitzgerald Center at 5 PM. This will be preceded by a myriad of Missions Posters sent in by local churches from all over the Conference. Our highlight will be Bishop Yemba addressing the Annual Conference followed by the "Historic Signing" of the Partnership Agreement by the Bishops. We will close out with the Drummers and Dancers. **I WOULD ALSO REMIND EVERYONE OF THE SPECIAL OFFERING WE ARE TAKING FOR THE PARTNERSHIP** at the conclusion of the program.

I am indebted to our hard working committee, who put in many tireless hours in support of the Partnership and the people of the Peninsula and Congo. New to the Committee is Marie Van Der Wall, Levan Vansant & Harold Caswell. We welcome these new members with great hope and expectation for the many gifts and talents they bring to the Partnership.

Mildred is key and very special to yours truly and our Committee. She is my right hand. The work of this Partnership would not be accomplished without her tremendous input. I thank Mildred for all the hard work she does and we all want her to know that she is really special and important to our welfare.

Rob Townsend was elected Vice Chairperson of the Committee and Julie Lewis, Secretary. Both of these persons are key movers and shakers to the Partnership. We are blessed to have their leadership and support.

Finally, the support for the Congo Partnership from our Annual Conference was and is truly superb. The giving for 2005 was over \$42,000. On behalf of our Committee, thank you for your support. There is not Partnership without the Churches of the Peninsula-Delaware Annual Conference. You have been tremendous and I would like to thank you on behalf of both Bishop Yemba and Bishop Matthews for all that you have

done. May God continue to bless your congregations and keep your interest and hearts open to a people who are very grateful for all of your love and support.

Missions Task Force Report

One number defines 2005 - **\$1,271,394**. That was the total missions giving for this Conference in 2005. This amount more than doubled the amount given in 2004, which was our previous high. Of this amount, \$980,891 was given to the two great disasters that occurred: the tsunami in late 2004 and the Gulf Coast hurricanes in the summer of 2005.

This big increase does hide another side of the story and prompts the following questions.

- Why can we not raise this kind of funds when the people in need are not in our faces each night on the nightly news? We cannot even blame this on "America First", as over \$400,000 went to Southeast Asia for the tsunami victims.
- Why do we plead poverty and then raise records sums of money? Some of the smallest churches in the Conference gave over \$1000 to the disaster victims, yet gave to no other mission project. Are we afraid to ask when the people in the pews are kept in the dark about the other needs out there?
- How is it possible to visit a Conference church and discover they have never heard of Africa University or the Central Congo Partnership? These ongoing efforts of our Annual Conference were passed overwhelmingly in 2003; yet most of the churches do not know that and few bother to raise funds for either project - despite near unanimous votes of approval for both projects.

On that note, in three years, only \$45,000 of the \$116,000 needed to endow a scholarship at Africa University has been raised. We give special thanks to one couple that donated \$10,000 and BMCR who donated \$1500. The rest of the statistics are an embarrassment:

- Not counting the above-mentioned gifts, 30% of the funds raised came from one church.
- In 2005, only 19 of 460 churches received an offering for Africa University.
- Since 2003, only 62 churches have given. Many of the largest churches have yet to step up to the plate.

Support for the Central Congo Partnership dropped for the first time in 2005, also just as the need was growing. Why so much focus on Africa? Ask Bill Gates, Chairman of Microsoft who personally pledged \$200 million to fight AIDS in Africa. Visit the World Health Organization website. Almost every country where the average age is dropping is in sub-Saharan Africa!! Malaria and other common diseases kill more Africans each year than were lost in the tsunami - except these deaths did not occur in a flash.

For want of an appeal the donation was lost.
For want of a donation the missionary was lost.
For want of a missionary the Word was lost.
For want of the Word the disciple was lost.
For want of a disciple the Kingdom was lost.
And all over the concern of a missions offering.

Interfaith Resource Center

The mission of the Interfaith Resource Center is to encourage and equip the congregations of Delaware and on Maryland's Eastern Shore by providing support and resources for their ministries, so that all may study the scriptures, praise God, share the faith, and minister to others.

The Interfaith Resource Center adopted four goals for 2005. One goal was to focus on expanding multicultural resources of all kinds (Hispanic, Asian, African American, physically and mentally challenged, etc.), with the intent to broaden our knowledge and understanding of the various needs within these communities. The IRC acquired over three dozen books and audiovisual resources in 2005 related to all aspects of multicultural understanding.

Another goal was to market and promote the Interfaith Resource Center in order to expand membership and resource usage by targeting the needs of the faith communities that are not utilizing the center. Two personal mishaps, an automobile accident while traveling to Annual Conference and a broken ankle, seriously compromised this goal in 2005. Over six months of community-serving travel was lost with those two events. The IRC was however able to continue its regular newsletter mailings and monthly articles in the Communicator. In late 2005, the director began a survey of member congregations to reach those we serve and explore congregational needs that require new initiatives.

The third goal called for the IRC to maintain size and increase diversity of the IRC board. The IRC board voted to increase the number of members from twelve to fifteen. That decision allowed us to increase the number of United Methodist board members to a total of three. The IRC board in 2005 was nearly evenly divided by gender and included three people of color. True to its name and mission, the Interfaith Resource Center Board includes members from all of the mainline Protestant denominations, as well as representatives from the Roman Catholic, American Baptist, Jewish and Muslim communities. A final goal was to continue to improve the web site as a vehicle for remote access to the Center. Requests by email increased in 2005. While they remained a modest portion of our incoming requests, most email requests now come with a list of specific titles and call numbers, demonstrating that the user has searched our online catalog before contacting us. To insure quality searches, the IRC staff routinely downloads the catalog so that new resources may be accessed as soon as possible. As time allows, staff continues to upgrade the information in each entry so that distance users will be able to make effective choices about the best resources available.

In 2005, the IRC conducted the 25th anniversary Interfaith Lay Academy with four well-received courses and an ecumenical worship service with leadership from a broad spectrum of denominations. Sustaining quality programming for that length of time bears witness to the impact that the IRC and its programs have on the faith community. In addition the IRC conducted two VBS workshops in conjunction with Madeline Beall of Cokesbury. The Interfaith Resource Center also launched an exploratory technology group to assist churches to get over the hurdle of making fiscally sound technology purchases. That fledgling group is currently planning a workshop and a survey of needs. Significant substantive changes were adopted in the IRC goals for 2006. The IRC board members believe that these goals provide the framework for enhanced partnership with the supporting denominations and member churches. Accompanying strategies to achieve these goals were also adopted. The goals are as follows:

- Enhance or adjust IRC services to reflect emerging needs.
- Encourage increased services to small member congregations.
- Donate overstocks and expired curriculum resources to a missional partner.
- Continue to reach out to minorities (Hispanic, Asian, African American, physically and mentally challenged, etc.), by providing resources that serve the needs of these communities.
- Develop the IRC as a resource for technology education for churches.
- Continue to support the Interfaith Lay Academy.

Spiritual Formation Team

At the request of the Enabling Ministries Resource Team, the Spiritual Formation Team began its organization process in November 2005. We then had a formational retreat at Camp Pecometh on January 13 and 14, led by Susan Ruach from the General Board of Discipleship.

We were assigned the responsibility of planning for a conference wide retreat that the Vision team included in their goals. Given the need for time to plan, we discerned that there were two types of retreats that we could offer. A large rally type of retreat would take more time to plan so we have set a preliminary goal of 2008 for that retreat. We decided that we could also offer smaller more contemplative retreats with less lead time. Our first contemplative retreat is being planned for early fall of 2006.

We were also charged with the responsibility of advocating and highlighting the importance of Spiritual formation in the life to the conference. Our first attempt at that is to provide some slides and other visible reminders at Annual Conference of the importance of caring for the soul.

Our third assignment was to serve as a resource for individuals, groups, churches, etc., in identifying and locating resources. Our initial response to this is to have a table in the display area.

We are a brand new team, but we are delighted to respond to the call. Look forward to more from our team as we work together to care for one another's souls and encourage Spiritual Formation within our Conference.

United Methodist Men

Theme: Building God's Kingdom Through Men's Ministry

Paul an apostle sent neither by human commission not from human authorities, but through Jesus Christ and God the Father.

United Methodist men on the Peninsula-Delaware Conference through God and by applied, mission, ministry can build his Kingdom.

It is difficult for the mortal men to understand the full scope or visualize the complete picture as it relates to the purpose and the mission of the United Methodist Men (or Methodist Men in General).

To define the General Commission on UM Men and how it affiliates with the Peninsula-Delaware Conference and other conferences and how the conference interacts with the District and the local church on United Methodist Men, Methodist Men or vice-a-versa. To define the many vehicles of the GCM, General Commission on the United Methodist Men, and the sub-divisions that are affiliated the Peninsula-Delaware Conference and other conference and jurisdiction and perhaps to be more specific when speaking of jurisdictions (The Northeastern Jurisdiction) working together for the same causes making disciples for Jesus Christ.

Jesus said you give them something to eat. Mark 6:37

Clothing the naked, visiting the sick and those that are imprisoned are all ministry and mission of the UM Men on this Conference. All organizations have a given purpose from its conception.

The Purpose

The purpose of the UM Men (Methodist Men) by Association shall be creative supportive fellowship of men who daily seek his will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all their relationships.

The abbreviated mission the GCM on UM Men shall have primary oversight for the coordination and the resourcing of ministry within United Methodist Church as applied in the Book of Discipline of the UM Church, page 393, para. 664 with each of the articles listed therein.

The UM Men exists to declare the centrality of Christ in every man's life, man's ministry, that lead's to spiritual growth of men and effective discipleship. But our full purpose is to serve and provide encouragement as men are called to model the servant leaders, individually and in group strategies form the foundation of UM Men Ministry.

To provide the resources that assist men in the growing relationship with the Lord Jesus Christ and his church.

Influencing Men

The influencing of men to see beyond the horizon, to see the big or the whole picture or think outside the box beyond that which appears abnormal on issues that affect ministry, and at times it is a difficult task for most leaders to lead men in the twenty first century. Combined with financial deficiency, the public, private and non-profit foundations are in competition for the dollar to support the programs.

The very men and others we have targeted for the support of the mission and the ministry on UM Men are on fixed or low income; also support those other non-profit organizations.

The United Methodist Men throughout the Peninsula-Delaware Conference are men with a passion for working together in small or large groups in order to accomplish the mission of the conference, the district, the local church and community through ministry.

Small groups working together are natural because there are few mega congregations in the mix compared to the number of small congregations throughout our conference.

Some solutions to fundraisers:

- A. Start some fundraisers
- B. Continue supporting the EMS, every man sharing in evangelism
- C. Support the legacy builders programs
- D. Paying dues
- E. Support the John Wesley Fellow Awards
- F. Adapt some of the suggested fundraisers

The solution I believe is to send the District Presidents for training to the (NACP) National Association of Conference Presidents annually.

Feeding the Hungry

Disciple's feeding the master's sheep through the efforts of the society of St. Andrews Program (Men for Millions) affiliated with the GC on UM Men. Hunger in the United States and throughout the world is a major problem and the UM Men are working hard to eradicate the hunger issue.

Event in Two Thousand Five and Six

Two Thousand Five (2005) was a busy, exciting and eventful year both spiritual and social as a fellowship, with one another and God. We found men on our conference attending:

The annual Executive Men's Meeting – May 15th at Hurlock United Methodist Church, Hurlock, Maryland.

Camp Pecometh, Centreville, Maryland for the 48th Annual Retreat, The National Association of Conference Presidents, The United Methodist Men's Foundation and Prayer Advocates gathering in Nashville, Tennessee, and the General Board of Church and Society of the UM Church in Washington, D.C.

We are looking forward to our 49th Annual Retreat. We the men are contemplating a conference wide potato drop through gleaming fields.

We awarded one John Wesley Fellow Award.

I must acknowledge all the districts for its support in accomplishing our mission.

Our Goals for 2006

To strengthen our faith through mission and ministry, continue group and individual bible studies, rekindle the prayer line or prayer advocates, raise the status of the local church (UMM Charters), increase the membership of (EMS) program holders. Every man shares through evangelism, mission and spiritual life by 5% this year. New church charters by 5% conference-wide.

In Closing

We are men committed to our God, to the organizations growth through recruitment of new members. The renewal of lapsed charters, to encourage men to organize new groups to be more active and visible in the community, and the church at home. But we must expand mission and ministry nationally and internationally.

LEADERSHIP DEVELOPMENT RESOURCE TEAM

Board of Ordained Ministries

The Book of Discipline defines the role of the Board of Ordained Ministry as being responsible for the enlistment and recruitment of ordained clergy by working in consultation with the cabinet and General Board of Higher Education and Ministry. The Board is to study and interpret the clergy needs and resources of the Annual Conference with due regard to the inclusive nature of the church. The Board continues to be faithful to all the various disciplinary requirements.

The Board interviewed twenty-four candidates seeking commissioning and ordination. We continue to support certified candidates for ministry with scholarship assistance. This year the Board has been involved in clergy mentor training. Anita Wood from GBHEM is scheduled to come and work with a training designed for mentors and mentees together.

The Recruitment Committee worked with the Youth Rally in Ocean City to encourage youth to ponder ordained ministry. A call was given in the closing worship experience in which hundreds of youth came forward to learn more about ordained ministry. The Board is committed to follow-up on this experience.

The Orders of Deacon and Elder and the Fellowship of Associate and Local Pastors will sponsor a Study of Ministry in which Bob Kohler from GBHEM will spend a day with all pastors around the implications of changes from the General Conference as they relate to clergy relationships.

In addition to carrying out our duties as prescribed by the Book of Discipline, Para 634, the Board of Ordained Ministry will continue to strengthen the following areas:

- Training and monitoring of mentors for persons in the process towards ordination.
- Support of persons attending licensing school in order to be a Licensed Local Pastor.
- Monitoring and Training of Candidacy Mentors.

- Monitoring and Training of Clergy Mentors.
- Recruitment of persons through the Pastoral Leadership Search Effort (P.L.S.E.)
- Contact interview retreats for candidates seeking commissioning and ordination.
- Evaluate and implement improvements in psychological testing process.
- Provide support systems for clergy through new pastor's orientation retreats, retirement seminars, and spiritual formation events.
- Administer the clergy assistance fund.
- Provide a comprehensive program to support probationary members move towards effectiveness in ministry.
- Network with the NEJ Board of Ordained ministry, N.E. Jurisdiction seminaries, and the General Board of Higher Education and Ministry to resource our work.
- Administration of all matters relating to the Conference relations of clergy.

The Philadelphia Area Committee on Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. Meeting several times during the year with Bishop Weaver through June and with Bishop Matthews through December, the functions of the Committee were:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to assist in the determination of the episcopal needs of the area; and
- d) to make recommendations to appropriate bodies.

2005 marked the completion of Bishop Marcus Matthew's first year as bishop of the Philadelphia Episcopal Area. In order to provide Bishop Matthews the most effective and efficient way to discuss matters pertinent to each Annual Conference as well as discuss issues relating to the entire Episcopal area, our meetings are now structured so that each Annual Conference has significant time with Bishop Matthews as well as meeting with him as an Area Committee. This has proven to be very helpful to both committee members and Bishop Matthews.

In addition to ongoing support and accountability for Bishop Matthews, two major projects have provided a focus for our work. The first is a cooperative effort with the Eastern Pennsylvania Trustees and Peninsula-Delaware leadership to create an Episcopal Residence Committee with representation from both conference Episcopacy Committees and respective Trustees. This Committee will model our partnership and help us care for our Episcopal residence and family in a caring and efficient manner.

The second project involves a study and exploration of the most effective way to staff our Area Episcopal office. While staffing for this office is at the discretion of the presiding bishop, Bishop Matthews has asked us to research this issue and provide a recommendation that would help serve the needs of each conference and our Bishop. In the interim, the Philadelphia Area Committee on Episcopacy highly recommends the continued employment of an Assistant to the Bishop in order to support the Bishop in doing research, monitoring and facilitating the important work relating to clergy in partnership with the Boards of Ordained Ministry, and helping represent the Bishop at functions he is unable to attend because of other commitments. This position is critical in assuring the bishop the opportunity to provide the spiritual leadership important to our area. While this position has been half-time in the past, the increased administrative demands on the Episcopal office will require serious consideration to increasing the time given by the Assistant. If we expect our bishop to lead, we must provide the necessary funding support to enable this increase in administrative support.

The Area Committee continues to:

- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and functions of the Episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making

We achieve this through our regular meetings with the bishop, a yearly performance evaluation of the Bishop in cooperation with the Jurisdictional Committee on Episcopacy through the duly-elected conference members of that committee.

We are grateful for the financial support of our Conferences which provides for the Assistant to the Bishop enabling Bishop Matthews to give leadership to the almost 1000 churches in our area as well as to his important work in the General Church.

Board of Lay Ministries

The purpose of the Conference Board of Laity (in part) as noted in *"The Book of Discipline of the United Methodist Church 2004"* (p. 630.2) is as follows:

- To foster an awareness of the role of the laity . . .
- To develop and promote stewardship of time, talent, and possessions . . .
- To provide for the training of lay members of annual conference.
- To provide support and direction for the ministry of the laity . . .
- To provide organization, direction, and support for the development of local church leaders.

STATEMENT OF GOALS FOR 2005

1. Maintaining goals in place for 2004, as well as strengthening those areas in order to more effectively empower all laity in their ministries throughout the conference.
2. Maintain an awareness of gifts of the laity and highlighting them at every opportunity, especially through The Order of St. Barnabas.

3. To get our "Reporting Guide for Lay Members to Annual Conference" into the hands of the many different cultures representing the whole Body of believers, that they may offer suggestions that would be beneficial for the whole church.
4. Supporting conference director of lay speaking in effort to put in place a conference-wide directory of certified lay speakers, while also updating a new form for lay speaking.
5. Working to give greater support to district lay leaders in their significant role, through resources, i.e., materials, workshops, and out of conference experiences that will further enhance the valuable contribution they make to our conference. This contribution extends to other laity in their districts, and to ministries they are personally "called" to in order to further the *Gospel of Jesus Christ* and make disciples of Jesus Christ.

STATEMENT OF GOALS FOR 2006

All of the above goals for 2005 will stay in place, with the addition of a significant training event to be held in Philadelphia, a Northeast Jurisdictional event, that will include not only conference lay leaders and associates, but also district lay leaders. This training will be done by leadership from the General Board of Discipleship.

STATEMENT OF GOALS FOR 2007

1. Encouraging Conference-wide lay involvement as follows: a) Youth in Lay Speaking; b) Caring Ministry; and, c) Prison Ministry.
2. Training of lay members of annual conference.
3. Promoting and attending training events for district and conference lay leadership at Northeastern Jurisdictional Laity Assembly.

Additionally, for 2006 and 2007, the Conference Board of Lay Ministries voted to adopt the four areas of "missional priorities" previously set by the Vision Team of our annual conference. They are as follows:

- Making and nurturing disciples of Jesus Christ.
- Meeting human needs and transforming communities.
- Global missions outreach, especially through the Congo Partnership.
- Strengthening racial/ethnic inclusiveness.

Highlights of Other Events

LAY SPEAKING ACADEMY

Our district directors of lay speaking, along with district boards of lay ministries members and others continue to work faithfully to maintain quality courses approved by the General Board of Discipleship out of the Nashville office, as well as other requested courses at our district academies. There are two or more academies being held on each district, some being held in the fall and some in the spring. Several hundred (from the four districts) completed either basic or advanced courses again this year, with many of those being "certified". We are very pleased that so many return each time an academy or training event is offered. We also extend these offerings to others from other denominations who have requested and continue to request this opportunity to further their Christian education and experience, along with Christian fellowship.

DAY APART

Our LORD is always doing "a new thing"—and that is what happened this past September, when we were invited to join the United Methodist Men of our conference at Camp Pecometh. The CBOLM were led in worship by Rev. Rick Vance and the "Praise Team" from Leed's UMC in Elkton. Rev. Vance then presented a workshop on the recently approved (2004 General Conference) role of "Certified Lay Minister" and possible criteria being developed by a team from the General Board of Discipleship. We then joined UMM for worship, with a deeply inspirational message by the Rev. Dr. Bernard Keels. We left feeling this event would be worth repeating.

LAITY/ CLERGY BANQUETS

The Annual Conference Laity/Clergy Banquet was held this year at the Modern Maturity Center in Dover, with the Rev. Vance Ross, from The General Board of Discipleship,

Nashville, Tennessee as our guest speaker. Rev. Ross had no problem holding our attention, and everyone left feeling blessed. Special singing was provided by the Men's Gospel Group, led by Bill Hill from Whatcoat UMC, pastored by Rev. Alice Ervin.

District laity banquets were also held throughout the year, with good attendance. Most districts continue to use this special opportunity to highlight specific ministries of the local churches.

Closing Statement

As I continue to reflect on the scripture from Ecclesiastes 3:1, I also continue to find myself being challenged more than ever before in my life—challenged and stretched in this faith walk to be all that Christ calls me to be . . . as a wife, a mother, a grandmother, a daughter-in-law, a niece, a sister, an aunt, a friend, and a "soon-to-be past conference lay leader". I am "stepping aside", knowing that the LORD is already at work "setting apart" someone else as conference lay leader.

As I look across our conference, I am encouraged by church growth, new church starts, and more informed and effective "servant leadership". However, now is not the time to sit back and be comfortable—Now is the time to be strengthened in spiritual disciplines of prayer, fasting, Bible study, etc. And, how many times do we have to emphasize "stewardship" in the Church?—we need people with a passion for telling how God has blessed them through their giving, many through the discipline of "tithing", to encourage the Body of Christ in their spiritual growth.

Please keep us in your prayers as we continue to make every effort to be found faithful. As always, we pray for all of you in your ministries, clergy and laity alike, that each of you, also, might be found faithful obedient to all the LORD calls you to do. Thanks be to God for each of you. Joyfully Praising the LORD, on my way to prayer . .

Wesley College

"The Peninsula-Delaware Annual Conference as the body of Christ will live out the ministry and teaching of Jesus Christ – boldly, cooperatively and inclusively – through life-changing communities of compassion." Peninsula-Delaware Annual Conference Vision Statement

Wesley College is a liberal arts college affiliated with The United Methodist Church. As such, your institution of higher education is aligned with the vision of the Annual Conference. The focal points of the mission statement for the College are:

1. Living out the ministry and teaching of Jesus Christ; and
2. Doing this as a life-changing community of compassion.

The key teaching for the College in the ministry of Jesus is hospitality. It changes lives through its educational mission to prepare people for life of service and conviction in a rapidly changing world. The College does this as it strives to be a community of learners because it is in community that the best education takes place. Our goals are organized in light of our understanding of our vision within the vision of the annual conference.

1. Hospitality
2. The Christian Community
3. The College Community – service.
4. The College Community – relationship and leadership.

It is in this perspective that we have reviewed our goals for 2005.

Review of 2005 Goals

Hospitality

1. Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the College, including Boys and Girls Club members.
2. Continue to provide a strong ministry of hospitality to all students through the College's quality, values-based education.

As noted in last year's report, the College has a number of on-going relations with a variety of groups that epitomize our ministry of hospitality to a broad spectrum of people and activities. A strong and mutually beneficial connection is maintained between the College's education department and our affiliated program with the **Campus Community School** and the **Campus Community High School**. The High School held its first graduation at the Schwartz Center for the Arts. U.S. Senator Tom Carper, who as governor signed the papers authorizing the start of CCS on the Wesley campus in 1998, was the commencement speaker. **The Charlton School** has a branch facility in Carpenter Hall on campus. Some of its students gain work experience through employment in our cafeteria. **The YMCA, Children's Theatre and Boys & Girls Club**, continue to make use of the College's facilities and other resources as they serve a host of young people in the Dover area. **The Schwartz Center for the Arts, Delaware State University, and Wesley College** collaboration has been successful in providing a new venue for the arts in Central Delaware. The Center received a \$27,216 grant from the Delaware Division of the Arts for the FY 2006. In addition to the arts venues offered by the Schwartz Center, the **In Harmony** series presents musical offerings to the Dover community. *In Harmony* is presented cooperatively by Wesley College and the Dover Public Library. A new relationship has been initiated with **Miyagi University** in Japan. Discussions with university faculty and administrators are focusing on developing student exchanges between the institution and Wesley and enhancing our relationships with international students as we build our Center for International and Cultural Advancement (CICA). Our connection with the **InterAmerican Consortium** (six U.S. Colleges and 11 foreign institutions) is on-going and we are very pleased with our growing connection with Irish students through the **Business Education Initiative** (BEI). **Wesley and University College Chester U.K.** are looking at ideas to continue

developing the partnership and further facilitate study-abroad opportunities. Both colleges look to host several exchange students this coming academic year. One of our unique services has been through our College Registrar, Peter Medwick. He has spent time at schools in Pakistan and Honduras helping to establish and organize their registration systems and process. Wesley College is in a partnership of Delaware institutions of higher education (**Delaware Biotechnology Institute**) that have been awarded a multimillion dollar grant by the National Science Foundation. The purpose of this grant is to build an inter-disciplinary and inter-institutional research and education capability in the area of ecosystem health. The grant, which runs for three years, provides a total of \$9 million in research support. Of this, \$6 million is provided by the National Science Foundation (NSF) and \$3 million in matching funds is provided by the State of Delaware.

Our contacts with the Annual Conference continue to develop. We rejoice as **Hope Church**, which is based in the Wesley Chapel on campus, continues on its journey. The church, under the pastoral leadership of Margie Pruett, grew to the point where it could support a pastor. It welcomed its new pastor, Tom Pasmore, on July 1. We are also pleased with the **Barratt's Chapel and Museum** affiliation. Our students have expanded the visitation times at Barratt's; laid out the museum in an exciting new format; and continue to expand our knowledge of Barratt's own history. Wesley's maintenance crews have expedited repairs and ground maintenance. The **WesBridgE** program was conducted this past summer at the excellent facilities of Camp Pecometh. We look forward to future training and educational events from Wesley at this valuable resource.

Wesley College is successfully expanding its education ministry. The College has grown in size and stature during the past eight years with a total enrollment of **approximately 2,400, including 1,450 in the traditional college**. We celebrated the graduation of 425 students this past year. Student recruitment continues to draw students compatible with the College and the Dover community. The College receives over 2,600 applications for an average incoming class of approximately 500 — representing the most selective admissions period in the history of the College. Once here, students need to feel part of Wesley. Instrumental in this process is the office of Student Life. During the summer, Dr. Kenneth Waldrop became Dean of Students at Wesley. His vision is that academics and student life become part of a totally integrated experience. With one of the strongest alcohol policies among the United Methodist-related schools, Dr. Waldrop is working aggressively to change the perceptions on drinking in order to affect student motivation to consume alcohol. In addition, two of our Residence Directors received certification in the **TIPS (Training for Intervention ProcedureS)** program. By earning their certification they are now authorized to train students about alcohol intervention techniques. Program participants learn how to detect and prevent intoxication, and intervene in situations where peers have consumed too much alcohol. They also learn techniques to slow down, cut off and most important, prevent the drinker from harming him/herself or others. Student Support Services through its **FASTrack** and **WesBridgE** programs helps some of our students acclimate to the college environment. The College will be receiving an NCAA Division III Initiatives Grants in the area of Student-Athlete wellness that is called "A Campus that Cares."

The college is seeking to actively involve parents in the life of Wesley by forming a **Parent's Council**. Members will support Wesley in its various endeavors and serve as ambassadors to advance the College's reputation as a quality liberal arts institution. Wesley College has an Honors Program that began this past fall. The intention is to provide a stimulating academic experience reflective of our core curriculum goals, and building a community of scholars who will inspire others to intellectual enquiry, leadership, and the joy of learning. Both first-year students, enrolled students with up to 45 credits, and transfer students with up to 45 transfer credits may enroll in honors courses, if they meet the criteria for admission. Some of the **Honors students** live together in the **Joseph S. Bellmeyer Honors House** across from the Chapel. The house was named last year in honor of Dr. Bellmeyer, a longtime supporter of Wesley College and an active member of Wesley United Methodist Church in Dover. The program is a combination of inter-disciplinary seminars, department seminar courses, and a senior thesis. With scholarships, honors housing, travel support for professional

conferences, and special recognition on transcripts and diploma, the program should prove a unique scholarly opportunity. The College is eager to reach out to new populations of potential students and one of our best tools for doing this is through financial aid. The original "sticker price" for the basic costs and Wesley can frequently be whittled down. The College itself continues to provide tuition discounts that can amount to 25% for Peninsula-Delaware Conference students, 50% for children of Peninsula-Delaware conference clergy; and 25% for UM clergy dependents from other conferences. Alumni support future alumni through the growing number of scholarships that they fund. The prospect of cutbacks in the 2007 federal budget could impact the amount of student aid money available. The recent Bank of America/MBNA merger will have an impact on the College in a variety of ways in addition to direct support to students. However, operational costs will continue to be covered by tuition and some capital project plans may only have to be delayed. Three new capital projects that enhanced the quality of student life and education were finished this past year.

1. **Malmberg Hall** is an \$8.5 million; 60,000 square foot building that will house 180 students. The first floor has nine classroom/seminar rooms, a fitness center, a catering preparation area, and security office.
2. The renovation of the Simpson Room into "**Club Simpson**" in the DuPont College Center modernized the service area and expanded dining hall seating for students.
3. The **nursing floor of Dulany Hall** was also renovated by expanding the clinical lab space and creating additional classroom space. The nursing department also received extensive new instrumentation.

The Christian Community

1. Provide religious programming as meets the needs of a diverse population of young adults.
2. Reach student populations through non-traditional means, such as internet magazines and contemporary worship.
3. Continue to expand and develop opportunities for Christian service.

Chaplain Mark Pruett-Barnett has now entered his third year of ministry at the College. Wednesday Worship at Wesley is now part of the structure of life here at Wesley, during a time available to all members of the College. It is tailored in terms of schedule, structure and style to the needs of the entire community. Students and faculty have preached for the service and students have been involved as readers. The **Wesley College Choir**, the **Chamber Choir**, or soloists provide much of the special music and music leadership during worship, thanks to Professor Elliot Jones. The **Gospel Choir** has also sung for our Wednesday worship. Administrative decisions have been made to help make sure the Wednesday noon hour is clear so that everyone has the choice to attend Chapel. It is still the Chaplain's hope that through the Gospel Choir, we may be able to have alternative services on campus. "**Pick-A-Scripture**" has been the title of the study opportunity on campus for the past year and has been open to students, staff and faculty. The two major service projects have been the **Hope Closet**, a collaborative ministry with Hope Church, and the **service project trip to Birmingham, Alabama**. The Hope Closet continues to dispense needed items to people with College students running the shop and Hope Church members supplying the goods. 17 students went with the Chaplain to Birmingham in order to work on people's homes and learn about the church's role in the Civil Rights movement. It was a wonderful time for everyone. The individuals became a group as they traveled, ate, laughed, learned, worked together, and yes, got on one another's nerves! Students who would not have known each other before got to be friends when it was all done. It was such a success that at this writing, the Chaplain has scheduled a second Birmingham trip after the spring semester. In response to **Katrina**, the Chaplain initiated the collection of flood buckets to be distributed through UMCOR.

The Chaplain has been very active in the area of church relations. You are aware of his **Communicator** articles. He has also begun a **letter for the clergy** that goes out each quarter. Chaplain Pruett-Barnett has effectively served as the **communication liaison in the Wesley/Barratt's partnership**. He has pursued development of relationships between the College and other United Methodist institutions: **Camp Pecometh, Wesley Theological Seminary, and Peninsula United Methodist Homes**. He has worked hard to get the word out to the Conference and beyond about available United Methodist scholarships and loans which has enabled him to meet a number of prospective United Methodist Students and their families. Chaplain Pruett-Barnett has been supportive of a number of Christian initiatives on campus. He has been the **College contact person with Hope Church; the advisor to the Wesley College Gospel Choir**; and he has been supportive of the **Catholic Students Association and the newly formed Fellowship of Christian Athletes**.

The Campus Community – service

1. Actively pursue opportunities for whole campus participation in serving the community.
2. Integrate service into the classroom with more service learning courses.
3. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.

Natural disaster was the motive for much of the service activity this past year. For example, **Alpha Phi Omega** supplied health kits to UMCOR for the victims of the tsunami disaster. The campus **Ecology Club** also held a fund raiser for tsunami victims. **Support for Katrina** victims through the Chaplain's office was mentioned above. Wesley students, staff, and faculty raised approximately \$12,000 for the American Cancer Society in the second annual **Relay for Life** held at the College. Some Wesley students took the opportunity to engage the wider world by going abroad. Annual trips abroad (Ireland in 2005) for students, staff and faculty are very well received.

The Campus Community – relationship and leadership

1. Develop relationships built on trust through fellowship opportunities, quality residential life programs, student clubs, and sports teams.
2. Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government.
3. Mentor students in value-oriented leadership and Christian principles of governance.

It is axiomatic for Wesley College that community consists of relationships built on trust and it is within such communities that effective leadership can be developed. The faculty provides an impetus through the **Wesley College Lecture Series (WCLS)** through which faculty members can share their findings in their respective fields with other faculty and students. **The Faculty Performing Arts Series** provides an opportunity for members of the college community to gather outside the regular daily routine. There are a multitude of groups in which a student can develop relationships and leadership skills. If there is a common interest among a minimum of 5 people, then they can enter the process to be a Wesley College student organization. Thirteen members of the Wesley College **Students in Free Enterprise Team (SIFE)** joined 160 other four-year college SIFE Teams to compete for the USA National Championship last week. The Wesley team qualified for the national competition by winning one of the regional championships. This is just the second year that Wesley has fielded a SIFE team. The tradition of our leadership seminars continues. If a student attends three out of the four seminars, then they are invited to a leadership dinner at which student leaders are recognized. As mentioned in last year's report, there are a number of ways that leadership skills are developed: through the residence life program, through the

mentoring program, and through our sports programs. This has been a banner year for sports at Wesley College. **The football team went to the national semifinals for the first time.** Both the men's and women's basketball teams battled for championship titles. Head football coach **Michael Drass became Executive Director of Intercollegiate Sports and Recreation.** The appointment completes a year-long process of evaluation and reorganization spearheaded by a Presidential Commission on the Role of Athletics at Wesley College. **Donald C. "Tripp" Keister,** a Delaware native and former standout outfielder for the University of Delaware and ex-head baseball coach at Delaware State University became the new **head baseball coach and Drass' assistant.** Tripp is impressive with his vision and resourcefulness in building the baseball program here at Wesley. **James J. Wearden,** the highly successful coach at Seaford High School, has accepted the position as **head women's basketball coach and Director of Recreation** at Wesley. **Jerry Kobasa,** a long-time respected fixture in Delaware sports, was named **head basketball coach** at Wesley College. Kobasa, the 2004 Delaware Coach of the Year, is a 1969 graduate of Wesley and member of the College's Athletic Hall of Fame.

Youth Rally 2006: On January 6-8, approximately 4700 youth and adult leaders invaded the Roland E. Powell Convention Center in Ocean City, MD. for the 19th. annual youth rally. The theme was "All or Nothing" based on Revelation 3:15-17 and was applied to the entire general session messages as well as the breakout seminars.

As in 2005, participants were divided into two groups, north and south, depending on the geographic location of their church. Each group was given color-coded schedules at check in.

Various musical styles were represented by praise and worship leaders- Chris Tomlin and Stephen Hurd, as well as George Huff, Jme Medina, Starfield, Falling Up and King Cyz. Guest speakers included Carol Kent and Stacey Foster. The rally participants welcomed back the Jesus Painter, Mike Lewis and illusionist, Brock Gill as they shared their God-given talents.

Next year's event will be held on January 5-7, 2007.

Confirmation Rally was held on March 5, 2006 at Asbury UMC in Smyrna, DE with 460 youth and adults in attendance. The group "Unveiled" led praise and worship with David Burke as the speaker.

CCYM/Design Team: After the application process during the spring, the student and adult leaders attended retreats throughout the year for group building, spiritual formation as well as becoming servants. Everyone studied the book "Not Of This World" by Mark Matlock.

Resourcing: The director continued to offer training, workshops, consulting and meeting the various needs of the approximately 460 churches in our conference in the areas of youth and young adult ministries. The director has also assisted churches in creating vision/mission statements, evangelism/growth issues, staffing/hiring youth directors as well as emergent church issues as informed by the district superintendents as well as invitations from pastors.

Wesley Foundation Campus Ministry Delaware State University

As a Campus Ministry at Delaware State University we accept the responsibility of promoting the richness of United Methodism and empowering members of our community to achieve a deeper appreciation of their faith. We remain strongly committed to the celebration of cultural diversity and welcome all persons regardless of race, economic/social status or country of origin. We proudly boast of several nations represented in the membership of our Wesley Foundation which broadens our community of faith and connects us to all facets of university life.

This year we are concentrating on diversity and inclusiveness. The major focus is to encourage each other by sharing our strengths, our gifts, and aspects of our cultures that though different, are an expression of unity as we worship and praise God in the many traditions of United Methodists. Our Peer Ministry Program has increased our numbers through open houses in their respective dormitories where we fellowship and play games. We are active in United Campus Ministries and in the International Student's Association. At least two of our students will accompany one of the VIM teams to our partner church in the Congo.

Perhaps the highlight of our year is the annual meeting of The United Methodist Student Movement. We have always had a very strong presence in this association whose purpose is to form leaders for the church and for the world. As of today one of our students participates at the jurisdictional level, and as our numbers grow we hope to have even more involvement.

Wesley Foundation Campus Ministry
Salisbury University

Wesley Foundation at Salisbury University continues to meet the spiritual needs of its students through weekly meetings with devotions, Bible Study, off-campus retreats, and now a developing worship service each month.

This organization provides opportunities for the Board of Directors and Wesley Foundation officers to be nurtured in their faith as they meet and dialogue once a month. The Board of Directors and the students will meet once a year to interact and be nurtured in faith. Each student has a focus buddy (prayer partner) so that confidential conversation may occur if the need arises along with knowing that they have someone who will pray with them and for them and vice versa.

Wesley Foundation continues to exalt our God and be excited about engaging in the ministries of Adopt-A-Family at Christmas, serving the homeless, and providing support for the Katrina catastrophe. Additionally, this organization along with other religious organizations was instrumental in establishing a Spirituality Center. The Spirituality Center provides a quiet space on campus for prayer, peace, and reflection that can be enjoyed by all religious organizations. It is dedicated to nurturing personal and spiritual growth. The room can be reserved for group prayer, services, and meditation by any recognized religious organization on campus. It holds special events, meetings, and worship services. This was a major accomplishment in 2005.

Wesley Foundation will continue to develop relationships with other religious organizations on campus by participating in various events that will enable students of all racial/ethnic backgrounds to network and at the same time demonstrate a spirit of encouragement, caring, and a welcoming Christian fellowship. This is also demonstrated on our website: orgs.salisbury.edu/wesley

Wesley Foundation at Salisbury is a rapidly growing Christian fellowship, and by the end of Spring 2006, the organization will meet, and brainstorm about the opportunity to provide a series of leadership seminars, take advantage of global missions (as opportunities present themselves) and other events that will spiritually strengthen each individual in the organization. We strive to live up to the motto, "We Meet You Where You Are."

Overview

The Wesley Foundation at UMES has a unique opportunity for impact because of the long historical relationship between the campus and the nearby Metropolitan United Methodist Church, where I also serve as pastor. The campus and the church were both established by the same charter group in 1886; and since that time they have worked extremely well together serving the city of Princess Anne, Somerset County and the world, particularly in the areas of education, community partnership, and missions. The very broad and ever-growing racial and ethnic diversity of the 70+ cultures at UMES is becoming more and more evident among the students who regularly attend worship at Metropolitan and those who participate in weekly Wesley Foundation Bible study, praise and worship, and outreach activities. Thanks to this spiritual fellowship, the students are able to feed each other's faith journey, to develop sincere relationships with one another and the Metropolitan congregation, and to develop a Wesleyan-based personal identity for their future in the world around them. UMES/Wesley Foundation graduate students who remain in the area also remain active and faithful to the Foundation and church affairs.

This same long-standing relationship between UMES and the United Methodist Church has led to a campus administrative environment that embraces piety and spiritual development as an important part of college experience and as an integral part of the UMES campus experience. My consistent campus presence and often-invited participation in traditional school affairs are certainly a benefit for maintaining a good relationship with students in times of needed counseling and crisis intervention, and suggesting and following through on student interest in lay ministry, as well as garnering subject matter for seminars and retreats.

Relationship of Goals to the Vision and Mission of the Annual Conference

Thus far since my appointment as Executive Director of the Wesley Foundation in July 2005, the Foundation's Board of Directors is working intentionally with me to assess and evaluate its goals and activities along with my plans and accomplishments in terms of the Annual Conference vision statement above. We believe our task overview and goals are strong and representative of the Annual Conference's vision and mission, because they are in alignment with the Annual Conference's priorities, which are: 1) making and nurturing Disciples of Christ; 2) meeting of human needs; 3) performing global outreach; and 4) strengthening racial and ethnic inclusiveness.

Our goals for 2005 included:

- a. **Identify and provide nurture and support for the Christian community on the UMES campus.** The struggles that come with being a student and living the Christian faith obviously are many. However, the challenge increased when one student lost a great-grandmother, an uncle and a baby brother within two months; when two members of the UMES staff died within three months; and when another well-known student was tragically killed in an auto accident during the Thanksgiving vacation break. Fortunately, both my predecessor and I responded to the call to minister locally and long distance through the church and the campus Crisis Committee.

In addition, both my predecessor and I served at the pleasure of the university president to help plan a President's Prayer Breakfast and to help organize an Interfaith Committee that responds to the various spiritual needs of the many cultures represented on campus. Very recently, the University hired a coordinator of interfaith life to oversee those related affairs.

- b. **Provide opportunities for worship, fellowship and learning for seekers and believers alike.** In addition to regular worship attendance at Metropolitan, Wesley Foundation students meet with the pastor bi-weekly for Bible study and weekly for worship, fellowship and open discussion. Two students will begin counseling for church membership and marriage at Metropolitan during 2006. A Religious Emphasis Week worship service was held on campus with some 100 students in attendance. The preacher for the event was Rev. Jaime Hunter, grandson of University President Emeritus, Dr. W. P. Hytche. With the current University president's support, plans are underway to reschedule Religious Emphasis Week from April to a fall month when the impact of the event should be longer lasting.
- c. **Provide opportunities for persons to express their faith through community service and other acts of mercy.** Wesley Foundation students continue to sponsor an After-School Tutoring Program for area public school students in grades 3-12. Some 15+ students regularly come to the 4-day weekly project, which is hosted by Metropolitan UMC. The Foundation students are the tutor-mentors and coordinators. The Foundation students also are good contributors to Metropolitan's ongoing canned goods and clothing drives benefiting the Somerset County Homelessness Agency and the Seton Center (Catholic Charities) of Princess Anne.

- d. **Challenge and support those persons who believe they have been called into a Christian vocation.** While we continue to maintain and environment where the opportunity to express a call is encouraged an available, no students during 2005 declared a call into a professional Christian vocation. However, because of the continuing spiritual evolution of several students, the potential is certainly there.

New goals for next year include:

1. To sponsor events and opportunities for hands-on ministry that express faith through global and local community service that meets human needs;
2. To strengthen the United Methodist presence on campus by inviting other United Methodist churches in the Princess Anne area to collaborate on projects;
3. Recruit new Board membership to include the ethnic diversity of our Conference;
4. To implement new strategies based on initiatives created to better highlight and promote existing Conference priorities; and
5. To continue to research and develop outside funding sources for miscellaneous income to support the Foundation's growing ministries.

Commission on Archives and History

Review of Goals:

1. **Operation of Barratts Chapel & Museum.** It is the privilege of the Commission on Archives and History to own and operate Barratt's Chapel & Museum. In its 226th year, Barratt's Chapel is the oldest surviving Methodist Church in America. It is also our responsibility by The Discipline to be the repository for the archives of the annual conference, and to retain the records of closed churches. Through the Museum we continue to collect, preserve, and interpret archives and historic records. In addition, a Library devoted to Methodist History is open to researchers. Staff persons are on hand to help with research requests and genealogical services. The Chapel is frequently used for weddings and funerals, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30 and at other times by appointment.
 - a. **Barratt's Wesley Partnership:** During this conference year, the Commission has entered into an exciting partnership with Wesley College. Among the many exciting possibilities that have already emerged from this partnership are:
 - i. The Chapel and Museum are available to Wesley College History majors for research and internships. There were eighteen history majors, two full time History professors, and three adjunct History professors and four other students who worked there for over 3000 hours in 2005
 - ii. The History majors made a substantial contribution to our knowledge of the chapel through their research. In addition the history majors redesigned and reconfigured the museum space, did original research on the first Chapel Trustees, as well as other people involved with Barratts between 1780 & 1810. Other students researched the cemetery.
 - iii. The students were present from 10:00 a.m. to 3:00 p.m. allowing the Chapel and Museum to be open every day. This has been a significant advance toward of goal of making the Chapel and Museum more accessible by being open more hours.
 - iv. Wesley College continues to be an enormous blessing to the Commission, the Conference, and to the General Church in making its

maintenance staff available for building maintenance and care of the grounds.

- v. Wesley's catering services are available for weddings and special services, and have provided generous refreshments for the Carol Service, Anniversary Service, and Celebration of 225 years.
 - vi. The Chapel is available to the college as a venue for lectures, historic dramatic presentations, and concerts.
 - vii. In 2004 Wesley College secured a grant of \$62,500 from the Jessie Ball DuPont Foundation to underwrite programs involving students. Wesley College continues to work tirelessly to secure other philanthropic and Federal grants for the Chapel.
- b. **Maintenance:** With a 226 year old Chapel and two other buildings, there are always maintenance issues. Wesley College has assumed the routine maintenance of the chapel, museum and vestry.
- i. Several windows on the northeast side of the chapel need to be replaced. Unlike the windows on the other three walls, these windows are not original, but are reproductions from the 1980's. By securing grant money new reproduction windows are in the process of being fabricated by local craftsmen from mahogany, with the hope they will last longer. The Commission is investigating whether air conditioning is advisable for an 18th century building.
- c. **Usage:** Although Barratt's Chapel no longer has an active membership, it remains a busy venue for worship and learning as shown by these statistics for 2005:

i. Regular Visitors	354
ii. Confirmands	337
iii. Weddings (5)	845

TOTAL	3305

Of the 3305 visitors to the Chapel in 2005, 73% were there as worshippers. In addition to researchers who come to the Museum (62), the Archives received another 48 research requests, mostly by e-mail; and Barratt's Chapel received national attention when it was the answer to one of the questions on Jeopardy.

2. **We will continue to support local church historians and their projects.** The Museum at Barratt's Chapel is the repository for the Conference Archives. Barb Duffin, Site Administrator, and trained volunteers, are available to help local churches discover, preserve, and tell their history. During the 2006-07 Conference year, the Commission on Archives and History will sponsor a Church History Writing Contest, with awards for both new church histories, and updated histories.
3. **Barratt's 225th Birthday:** Barratt's Chapel turned 225 years old in 2005. The event was marked by a service of worship celebrating 225 years of ministry. The Rev. Dr. Robert Williams, General Secretary Designate, of the General Commission on Archives and History brought the message. In addition, a new State Historic Marker was erected on the property, near the Chapel, and was dedicated by Secretary of State, Harriet Windsor; and State Archivist, Russ McCabe.
4. **Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke.** The guest speaker for the 2005 Anniversary service was the Rev. Dr. Charles Yrigoyen, General Secretary of the General Commission on Archives and History,

who also celebrated Holy Communion. Music for the service was offered by the Wesley College Choir.

5. **Peninsula-Delaware Conference Historical Society:** The Commission has authorized the formation of a Peninsula-Delaware Conference Historical Society to further the interest in Methodist History on the Delmarva Peninsula. We are currently inviting people to become charter members. The Conference Historical Society will have a kick off meeting on October 21, 2006 at Kent Island United Methodist Church. The Guest Speaker will be the Rev. Pat Thompson who has just published a book celebrating the 50th Anniversary of full clergy rights for women.
6. **Development of new programs and ministries.** Please make note of the Barratt's Ambassador Program. Do you need a program for a fellowship dinner or a speaker during the Pastor's vacation? The Commission on Archives and History has a group of trained Ambassadors who would love to speak to your congregation or a group in your church. To arrange an Ambassador please call 302-335-5544 or e-mail us at Barratts@aol.com
7. **Produce two newsletters a year.** In conjunction with the Friends of Barratt's two newsletters were published and mailed to nearly 1000 "friends." The newsletter brings news from the Chapel and museum, information about resources that are there, as well as donated artifacts and acquisitions. The newsletter also solicits 'Friends Memberships,' and contributions which support the cost of operating of the Chapel and Museum which exceed the Conference budget allocation by nearly 200%.
8. **Support the work of the Friends of Barratt's.** We are so grateful to the Friends of Barratt's for their interest and support of Barratt's Chapel & Museum. Their efforts help with the maintenance and operation of the facility. Each year the Friends of Barratt's hold an annual dinner. This year the dinner was hosted by Wesley College, and the guest speaker was Mr. Russ McCabe, Archivist for the State of Delaware.
9. **Removal of the caretaker's cottage between Barratt's Chapel and US 113.** We are pleased to report that the caretaker's cottage was removed mid-summer, and the site was repaired. Now motorists on US 113 have an unobstructed view of the Chapel as they pass. We are grateful for the many generous contributions that made this purchase possible.
10. **Bishop's Lot:** The Commission on Archives and History has had serious conversations with the Trustees of Barratt's Chapel Cemetery about development of a small "Bishop's Lot" where United Methodist Bishops and their spouses can be interred.

Other Developments

1. **NEJCAH Annual Meeting:** The Peninsula-Delaware Conference Commission on Archives and History will host the Northeastern Jurisdiction Commission on Archives and History meeting May 8-10, 2007. During the event we will highlight four notable United Methodists from the Maryland side of the Conference; being Ezekiel Cooper (Denton) Joshua Thomas (Deal Island) Charles A. Tindley (Berlin) and Harriett Tubman (Cambridge). The tour on May 9th will focus on Harriett Tubman and Joshua Thomas, with a visit to Furnace Town.
2. **Barratt's Advanced Special:** We sincerely thank the congregations who received a special offering in November 2005 for Barratt's Chapel and Museum, and hope that even more will participate in 2006.
3. **Local Church Record Retention Policy:** Annual Conference in 2005 passed a Local Church Record Retention Policy based on recommendations from The General Commission on Archives. Our Commission is ready to help local churches define what to keep and how long to keep it.

4. **Grants:** Grants were received in 2005 from the Crystal Trust (\$15,000) the Fair Play Foundation (\$7,500), the Marmot Foundation (10,000) and the General Commission on Archives and History (\$5,000) for window replacement and Chapel repairs.
5. **Vestry:** In the early morning of September 13 a vehicle proceeding east on Barratt's Chapel road failed to stop, crossed four lanes of traffic, entered our property and crashed into the Vestry. The driver was treated and released. The vestry was seriously damaged, and condemned by the county Building Inspector. Estimates to repair the Vestry (from the insurance settlement) are approximately \$40,000. The Commission has contracted with South Delaware Masonry, who built the Vestry in 1991, to repair it to its original condition.

Goals for 2006-2007

1. Operate and Maintain Barratt's Chapel and Museum in partnership with Wesley College
2. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke at Barratt's Chapel on November 12, 2006

Wesley Foundation Campus Ministry **University of Delaware**

WFCM is a team ministry: the Board of Directors, the Student Steering Committee, the Newark United Methodist Church, and the Peninsula-Delaware Conference. All of the team makes the WFCM a vital ministry and presence on the Newark campus of the University of Delaware.

2005 Goals and Progress

1. Educate the Peninsula-Delaware Annual Conference as to the vitality and significance of the Wesley Foundation Campus Ministry at the University of Delaware so we may continue to provide full-time pastoral leadership, opportunity for spiritual growth, and education for the entire university community.
We continue to make efforts to be in touch with local congregations.
2. Continue the active participation in community service projects and explore opportunities for mission work experiences.
We continue to fulfill this goal with local and national participation in mission outreach. Did fund raising and prepared for a 21-member Wesley Foundation Team to do hurricane relief mission work In New Orleans during Spring Break 2006.

3. Support current and former students who are considering professional ministries as vocations, and provide training opportunities for future lay leadership within the church.

We provide opportunities for students to attend Exploration and the Student Forum as well as weekly experiences to develop their call to the ordained and/or lay ministry.

4. Promote within the student fellowship an awareness of social and societal issues and their relationship to the *Book of Discipline*.

We have regular dialogue, discussions, and attend campus lectures in order to relate our faith to the challenges of contemporary life.

5. Continue to develop a relationship with ethnic groups, to provide ministry to international students and to foster Christ-like acceptance and respect for all God's children.

We continue to be in dialogue with many campus groups, representing a wide diversity of the University population, and including the sponsoring of fieldtrips and events with our ecumenical brothers and sisters and those of other faiths.

6. Provide outreach to those who have been nurtured by the church and have drifted away for various reasons at the University.

We continue to provide a safe place and spiritual guidance for students to explore their questions and doubts about the organized church and to join in the Spring Break Mission Project.

7. Provide information about Wesley Foundation's ministries and programs to conference churches and to help strengthen the relationships between these churches and their campus ministry.

We continue to make efforts in this area. Our brochure, given by a generous donor, is available to all local congregations.

8. Encourage and support the liaison ministry between the religious community and the administration of the University.

Our campus minister and our campus ministry is an active participant in the University Religious Leaders' Organization, the liaison ministry between the religious community and the administration.

9. Seek additional means and methods of fund raising to maintain financial stability and security.

The Board of Directors never ceases to explore and to do fundraising.

10. Foster development of the Board of Directors through identification of new members and the committed participation of current members.

We continue to make efforts in this area.

Our God calls us into community! The Wesley Foundation Campus Ministry, the United Methodist Student Center at the University of Delaware, is a vital part of campus life. We continue our Wesleyan heritage by our presence and our mission for The United Methodist Church, integrating knowledge and faith through an intellectual, spiritual and material ministry to all God's people. A mission ministry of the Peninsula-Delaware Annual Conference, hosted by the Newark United Methodist Church, we welcome the opportunity to share this past year's ministry, concerns, and hopes.

The Board of Directors and students are most grateful for all the spiritual, financial and in-kind support that the Newark United Methodist Church family provides. We wish to thank the pastoral and professional staff members for their support and inclusion of the students in the total life of the NUMC.

Spiritual growth continues to be the center for our ministry. The students worship with the NUMC family. Students have served as liturgists or communion servers. A highlight every year is the one Sunday designated as University Sunday. The students lead the entire worship service telling their story of the way campus ministry has

enriched their lives. We have shared in weekly theological discussions, Bible study, Covenant Discipleship Groups and interfaith worship services/vigils on campus. We shared in a fall retreat of "Getting to Know One Another." Committed to living our Christian discipleship, we continue our outreach ministry in love for the campus, the community, and beyond. We have cleaned our designated highway, yard cleanup, 5K Walk Against Breast Cancer, and impromptu projects as requested.

The Wesley Student Lounge provides a quiet, sacred space for the students to meditate, sleep, eat, and study. Holding fast to our belief that social activities are an important part of our Christian fellowship and young adult life, we have shared in parties, sport activities, movie nights, eating, tailgating, concerts, hayride, plays, and various other activities. Every semester during finals week, WFCM host a campus-wide Midnight Breakfast. There were over 600 students who came to NUMC at midnight to enjoy a study break with pancakes and all the side dishes. This very special ministry is co-hosted with the other members of the University Religious Leaders' Organization.

As we look at the blessings God has given, we strive to be good stewards of our time, talents, and resources (natural and material), learning to care for God's precious gifts. Through highway clean-up, recycling, and careful use of natural resources we put into action the Biblical call to care for creation.

It is an interesting and challenging time as student's struggle with many issues regarding their beliefs, values, morals and ethics. The presence of the church continues to be recognized by the administration of the University of Delaware. We continue to pray for energy and ways of supporting the campus ministry budget.

In 1948 the Peninsula Conference initiated a Wesley Club on the campus of the University of Delaware. In 1954 the national Methodist Commission of Standards accredited the Wesley Club as a Wesley Foundation. With over 50 years of vital ministry on the U of D campus, this campus ministry, at the largest University in the Peninsula-Delaware Conference (enrollment of over 18,000 students), is now faced with serious financial challenges that increasingly divert our student and Board member energies away from developing and implementing new programs and simply maintaining ongoing programs for our students, staff, and faculty. Maintaining this full time campus ministry is a challenge. The Board of Directors is all volunteers and not professional fundraisers. Much of the financial difficulty arises from the fact that for 15 years the amount appropriated to this ministry by the Conference has not increased, despite inflationary forces. This, alone, would be crippling. Yet, in addition to no increases in funding, over the past three years those in key Conference leadership positions have slashed our funding from \$42,000 to \$18,000. (the latter being the just-released appropriation for 2007 which we unsuccessfully appealed). The cut in funding for 2006 (18%) and that for 2007 (30%) are draconian and grossly disproportionate cuts relative to other agencies. During the Budget Review Hearings no substantive explanations for these disproportionate cuts were offered when they were requested. Further, the letter from James T. Seymour, Director of Connectional Ministries/Conference Resource Director, notifying us of the Vision Team/Conference Council on Finance and Administration decision not to change the 2007 proposed allocation gave no explanation for their decision, nor did his additional letter informing us that the CCFa concurred with this recommendation provide the reasons for the Wesley Foundation Campus Ministry at the University of Delaware once again being *disproportionately* cut *relative* to other Conference agencies. Surely this is not a just way to proceed with a budgetary process either in the secular world or in a body, this Conference, working for the glory of God and serving in Christ's love.

The executive director, the Board members, and the students are deeply disappointed and we are perplexed at the reasons for these disproportionately drastic cuts in Conference funding of this campus ministry relative to other agencies. Just 3 years ago, an Evaluation Team convened by the Conference composed of Larry Stookey, Larry Hanifee, and William Bazelle extensively reviewed our ministry and then submitted, at the request of the Leadership Development Team, an Evaluation Report of the Wesley Foundation at the University of Delaware. This report was highly positive on all points, with the exception of even then the less than adequate financial support of this ministry by the Conference. In the words of the report: "It is clear that the

continuing functioning of the Foundation is in great jeopardy as the result of financial problems. Conference appropriations have shrunk in absolute figures, but the cuts are more drastic in relation to the rising budget of the Foundation, so that more and more time and energy have to be spent by the Foundation's Board in seeking donors and organizing fund-raising activities. The Board and the Campus Pastor [and the students] should be freed from the consuming tasks of fund raising through art auctions, book sales, bake sales, etc., so that they can give full energy to the outreach ministry of the Foundation. Whether the Foundation can continue with a full-time Campus Pastor is an issue that must be faced squarely and soon. Steps need to be taken to insure that it can. Often only slightly recognized are the resources put at the Wesley Foundation's disposal by one particular congregation-Newark United Methodist Church, this involves space (Campus Pastor's office, parsonage, student lounge, and other meeting and social space as needed). It also involves help from the NUMC staff and volunteers. It is questionable as to whether NUMC would be willing to continue the extent of this assistance if this campus ministry were to go to a part-time ministry. The visitation team commends the U of D Foundation Pastor and Board for their competent work and urges immediate and serious consideration of the third major point of this report [adequate Conference funding of this campus ministry]." How is anyone to understand the continuing large and disproportionate reductions in Conference appropriations to the Wesley Foundation at the University of Delaware for the 2 years after this report and into the 2007 budget year? By the grace of God we need to ask ourselves: "How many of the students at this major University will not be touched by this campus ministry as the result of these actions?" We remain hopeful that God will provide us with the resources to continue this full-time ministry and serve students in the tradition of John Wesley and in the love our Lord Jesus the Christ. We continue to pray for energy, perseverance, and the help of this Conference to be forthcoming.

Our responsibility is to be the church. Our responsibility is to reach out with the Word and step out on the promises, to nurture faithful minds for faithful service. Our responsibility is also our challenge. Through God's grace and the love of the community of faith, the presence of The United Methodist Church will remain on the campus of the University of Delaware. As I continue to serve in this vital and challenging ministry as the earthen vessel of God's grace, sharing in God's love, and trusting in all the promises of God, I pray for the church to remain faithful to our call to be in ministry to all God's people at University of Delaware.

2006 Mission Statement

The Wesley Foundation Campus Ministry at the University of Delaware, a mission realized through the love and grace of Jesus the Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware. This ministry affirms the unconditional love of God and God's presence within us and among us as we live, work, and journey together in that love.

RESOURCE DEVELOPMENT & MANAGEMENT TEAM

Goals and Objectives for 2005

In developing the goals and objectives for the year 2005, the Resource Development & Management Team has prayed about and reflected on the mission and vision statements of the Peninsula-Delaware Annual Conference. This team has focused on the parts of the vision statement calling to "empower individuals and churches", and "to develop, supply and support leadership for mission and ministry", particularly in terms of the financial management and administrative management of the Conference and the local church. Our goals, detailed below, reflect where the Resource Development & Management Team sees not only areas of need but also opportunities to carry out the mission and vision of the Conference. The goals also flow from follow-up work pursued on the recommendations found in the Bishop's Summit on Financial Matters (2002).

1. The Resource Development & Management Team will continue collaborative efforts between the RD&M Team, Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of

those resources. This effort may be most active during the budget process but will continue throughout the Conference year.

This is an ongoing Goal.

2. The Resource Development & Management Team will continue to support and assist the Conference Sessions Site Review Task Force as they research possible sites for annual conference.

This is a completed task the Conference Sessions Team will continue with the process.

3. The Resource Development & Management Team will continue to support and assist the Communications Coordinator and the Communications Commission.

This is an ongoing Task.

4. The Resource Development & Management Team will continue a task force to address issues of stewardship education as called for in the Bishop's Summit on Financial Matters.

This is an ongoing Task. The Stewardship Taskforce has begun implementation of the Personal Stewardship Training Plan at the primary level. Primary training occurs through the Lay Academy model, taking three representatives and the Pastor from each church and selected District representatives through a five-step training program, this training is to continue through the quadrennium.

5. The Resource Development & Management Team will continue to establish a manual of conference approved policies and procedures.

This is still ongoing. A draft of how the policies are to be updated for distribution to agencies identified in the Policy Manual Index page has been completed. Policies are to be updated to reflect changes in the 2004 Book of Discipline.

6. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

This is an ongoing goal.

Board Of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board brought a resolution to the 2005 Annual Conference raising the cost to all payers and participants in the health insurance plan by 10%. Please note that this increase, while greater than the one for last year, is consistent with national trends but was kept at this level only by changing the IPA plan from IPA10 to IPA15, increasing prescription co-pays and entering retirees into Medicare Part D. The demographics of our participant pool suggest that keeping increases at or below the level of overall national trends will be difficult.

Pursuant to a resolution passed at the 2001 Annual Conference, the Board, in consultation with its insurance consultant from Mercer, Inc., continues to evaluate the efficacy of self funding of the health plans but this is not a priority at this time.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the year 2006, at the goal of at least 1% of the Conference Average Compensation, was approved at the Annual Conference.
4. An actuarial study to determine the unfunded liability of retiree health benefits was undertaken by consultants. According to preliminary data available at the time of this writing, the unfunded liability for those benefits has been reduced from approximately \$17,000,000 to \$12,000,000 due to changes in benefit structure developed by the Board and the condition of our investments.

2006 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.

2. A Retirement Luncheon for retiring and retired clergy, and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2006.
4. The Board will participate in conference efforts to continue to address the issue of the reduced but still large unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure as well as possible that the best possible plans can be offered at reasonable cost.
6. A Committee has been established to develop a comprehensive health fair for health plan participants at Annual Conference. Much work has been done and a comprehensive wellness program will be offered at the Annual Conference. Since one of the best hopes for containing increased cost of health care is a fit participant pool, it is hoped that those attending the conference will enthusiastically take part in all aspects of the program. The Board and its Insurance committee will have done what they could. It is now up to those for whom benefits are provided.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of fifty-three years is putting great pressure on the financial resources of the conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.
2. The unfunded liability for retiree health care benefits still stands at about \$12,000,000. If the conference is to reduce or eliminate this obligation, we must either raise the \$12,000,000 plus more for future benefit accruals or reduce the retiree benefit obligation by reducing the benefits or the number of persons receiving those benefits. Benefit changes shifting some costs to beneficiaries and the federal government have helped but the Annual Conference still needs to face its obligation.
3. The new defined benefit pension plan has moved market risk from individual beneficiaries to the conference. A major problem in financial markets could impose a large obligation on the conference. The Board must develop a policy to hedge or control that risk. This, plus the issues raised above, reemphasizes the need to build and protect accrued benefit reserves.

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events.
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.

3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventative benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. An Interactive Voice Response system is also available at 1-888-851-2201.

THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that a retired or disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such

a plan, annuity, or fund for such retired or disabled Clergy person's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergy person's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2006 Equitable Compensation Commission budget is \$125,000. Funds expended in 2005 totaled \$107,986. As part of this report, there is attached a list of the churches and charges receiving assistance in 2005.

The Commission issues a brochure, "Guidelines for Pastor's Compensation" which is intended to provide assistance and guidance to Pastor Parish Relations Committees.

Recommendations

1. The Commission makes the following minimum salary recommendations for 2007

Full Member	\$30,600
Probationary Associate & Commission Member	28,050
Full Time Local Pastor	26,060
Commissioned (elder track) but not completed seminary	22,950
Student Pastor	22,950*

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

Service increments will be \$138 per year up to a maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2007 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that Pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.
3. The Commission recommends new standards for the parsonages as follows:

STANDARDS FOR THE PARSONAGES

I. The purpose of the Parsonage Standards is threefold:

To help the congregations provide suitable housing within reasonable limits for the pastor's family.

To help the pastor's family and the congregations in taking proper care of the parsonage.

To help avoid misunderstanding between the congregation and the pastor, (and successive pastors) where pastors move from one parsonage to another.

II. Minimum Standards for Parsonages:

A. Floor Plan: The number of rooms in a church parsonage shall include: living room, dining room, kitchen, three or four bedrooms, 1 ½ baths, study (if not in church building), laundry room. If a bedroom is not being used, it may be used as a study. If the parsonage does not meet the room standards, it should be upgraded. It is recommended the parsonage be accessible to those with physical disabilities.

B. Utilities: Electric, water, gas/oil service and trash removal should be provided. We recommend a central heating system in combination with storm windows and doors; hot water heater and grounded electrical outlets in each room. Air conditioning should be provided for the entire parsonage. Basic cable and/or antenna should be provided where needed.

C. Pastor's Study: The office is preferably in the church building, but if located in the parsonage it should be on the first floor. The study should be equipped with adequate bookshelves, desk, files, storage closet for supplies, copier, computer, fax machine, and telephone. The pastor's study should have an outside entrance, when at the parsonage, and be accessible to those with physical disabilities. Strong consideration should be given to adding a second telephone line for modem/fax accessibility.

D. Furnishings and equipment to be provided by the church:

Particular attention should be given to quality, durability of all furnishings and equipment.

1. Window treatments (window blinds, curtains and/or drapes); rugs or wall-to-wall carpet; adequate lighting.
2. Kitchen: refrigerator with freezer (at least 20 cu.ft.), range and oven, exhaust fan, microwave, dishwasher, adequate cabinet and counter space. It is recommended that vinyl flooring be used.
3. Laundry Room: A standard size automatic washer and dryer with adequate venting, plumbing, and wiring.
4. Safety Equipment: Fire extinguishers for the kitchen and the furnace area. These should be the ABC type or other Underwriters approved type. Smoke alarm systems should be installed on each floor. CO Alarms should be installed near the furnace area and sleeping areas. It is strongly recommended that security alarm systems be installed.

III. Care of Property by the Church:

A. Insurance: The church shall provide fire and liability insurance on the replacement value of the parsonage property. Church insurance does not

cover parsonage family personal property, therefore, it is highly recommended the parsonage family purchase insurance.

- B. 1. The parsonage shall be well maintained with periodic checks, at least annually,

(Paragraph 2532.4, 2004 United Methodist Discipline) by the chairperson of Trustees, the chairperson of Pastor-Parish Relations Committee, and Pastor. Paint, wallpaper, wiring, plumbing, fire extinguishers, smoke alarms, CO alarms should all be inspected. The chairperson of the Pastor-Parish Relations Committee, the chairperson of the Board of Trustees and the parsonage family shall report their finding annually to the Charge Conference. These inspections should take place at a mutually agreed upon time with the parsonage family.

A plan to correct any findings requiring repairs or renovations shall be prepared by the Board of Trustees and shared with the parsonage family. The plan should include the estimated completion date for all repairs or renovations.

Any damage, in excess of normal wear and tear, caused by the parsonage family or guests will be their responsibility. The parsonage family may either repair or reimburse the church for repairs with an estimated completion date or reimbursement date provided to the Board of Trustees.

- C. It should be clearly determined, in the case of all gifts of furnishings and/or equipment, whether the gift is intended for the parsonage or the parsonage family.

- D. 1. An inventory of the church provided parsonage furnishings should be maintained by the Trustees. In addition, an up-to-date file, containing all guarantees, repair parts lists, and the instructions for the use of equipment, should be provided to the parsonage family. The file should also indicate when and from whom purchased and whom to call for service.

2. There shall be a record of the dates when the various rooms were renovated, painted, etc.

- E. Such things as cutting grass, trimming shrubs, shoveling snow, and the like are to be worked out between the parsonage family and the Pastor-Parish Relations Committee.

IV. Care of Property by the Parsonage Family

- A. Parsonage family's personal property is not included in the Conference Property and Liability Insurance Program. PERSONAL property and liability (both provided through tenant's/renter's insurance) is the responsibility of the parsonage family.

- B. The parsonage family shall maintain an inventory of personal property. It is recommended that a video inventory be taken.

- C. The parsonage family is responsible for any damage in excess of normal wear and tear to church property by members of the family and/or family pets which is incurred during their occupancy.

- D. Repair and maintenance needs should be addressed promptly. The parsonage family shall care for those minor needs which it has the ability to care for, and shall advise the Board of Trustees promptly when completed. The parsonage family shall report those needs which cannot be cared for by the parsonage family to the Board of Trustees.

E. The parsonage family shall make the parsonage available for periodic inspections, at least annually.

V. Problem Resolution:

The District Superintendent shall be consulted by the pastor or the church when difficulties or misunderstandings arise in the care and maintenance of parsonages and furnishings which cannot be satisfactorily resolved on the local church level. If the problem remains unresolved, any of the parties may request the involvement of the District Board on Church Location and Building, which shall adjudicate the problem. Regular inspection by the District Superintendent and/or the District Board will be conducted until a parsonage meets basic standards or is otherwise exempted. The building or purchasing or selling of a parsonage should be done in accordance with the 2004 *United Methodist Discipline*, paragraphs 2535-2543.

VI. Moving Standards:

- A. At moving time, the church should make sure the facilities are in good repair, the light switches working, the faucets not leaking, etc.
- B. The parsonage family who causes damage, beyond fair wear and tear, to walls and church property shall be charged the cost of the repairs.
- C. At moving time, the parsonage family should leave the parsonage in clean, orderly condition. Trash and unwanted items should be hauled away. The parsonage family should leave for his/her successor:
 - 1. Tagged keys for all locks.
 - 2. Notes on whom to call in case of emergency.
 - 3. Notes on whom to call for service and repairs.
 - 4. Notes on where to find such things as screens, lawn mowers, etc.
 - 5. The existing parsonage telephone number. (If existing phone number cannot be used, notify the Pastor-Parish Relations Committee, District Office and Conference Resource Center immediately of the change).

VII. Make life more pleasant for the Parsonage Family and the Congregation

- A. The parsonage is the home of the pastor and the pastor's family during their occupancy; their rights and privacy should always be observed by members of the congregation. However, the parsonage family should take care of all parsonage property.
- B. Since all utilities are paid by the church, such items as storm windows, insulation, and improved heating systems should be given every consideration. Utilities are interpreted to mean heat, electricity, gas, oil, sewage, water, telephone, and basic cable service if available. (NOTE: The parsonage family is responsible for personal toll calls made by the parsonage family.)
- C. It is recommended that maintenance free material be used in existing and new parsonages, such as: ceramic tile, paneling, durable floor coverings, aluminum siding, vinyl or aluminum windows, formica, brick, split shingles, and aluminum gutters.
- D. Parsonage yards should be landscaped for easy maintenance.

The parsonage is a witness of the church, and it is a symbol of the stewardship of the congregation; the parsonage should, therefore, receive the same kind of care as the church building. An open house is suggested as a means of the church and the parsonage family sharing this witness.

Board Of Trustees

The Conference Board of Trustees met quarterly during 2005 to supervise and maintain all property and investments belonging to the Peninsula-Delaware Conference.

The following Conference properties were sold: Silverbrook UMC (net proceeds of \$943,017.23); Drayton Retreat Center (net proceeds of \$3,609,955). The Board is actively addressing longstanding issues around Eastlake UMC (W) and other properties and issues. Proceeds from the sale of all properties are currently invested and will be used as directed by the Annual Conference.

The Board approved and installed a new sign at the Bishop Felton Edwin May Conference Center. A special thank you to Rev. Dr. and Mrs. Richard Stazesky for graciously funding the project, and to Rev. Dr. J.T. Seymour for overseeing the project.

Financial income earned from Trust accounts have been distributed to the beneficiaries for 2004.

This past July, we welcomed new members to the Board: Mr. Isaac White and Mr. John Downs, Esq.

Communications Area

The Communications Area continues to work on several projects in order to provide the Peninsula-Delaware Conference the best and most up-to-date resources for local churches, districts, and the conference.

The Commission on Communications continues to relate to the Resource Development and Management Team. The mission of the Commission is "Using up-to-date technology and other media, the Peninsula-Delaware Commission on Communication provides ongoing information concerning the Annual Conference and General Church to clergy and lay leadership all across the conference in order to: encourage the exchange of ideas, facilitate growth in the life of the church, promote better understanding of United Methodism and spread the good news of Christ Jesus." As we continue to live out that mission, we are working to provide information that reflects the diverse nature of our annual conference, as well as the rich giftedness of each of our four districts. We are currently looking at ways we can better disseminate information to the members and friends of this annual conference. Our commission is indebted to Rev. Bob Price who set before us a great foundation for moving ahead in meeting this significant need for the conference. Because Rev. Price retired and moved out of the area, Rev. Rick Vance was elected to succeed him as chair of the commission.

The Annual Conference continued to participate in the Igniting Ministry Campaign again in 2005. This program continues to have positive feedback and has been taught in Lay Academies as well as local churches. One local church continues to go a "step beyond" and became a "Certified Welcoming Congregation Church" recognized by the Igniting Ministry Team and by United Methodist Communications for a second year. Leeds UMC in Elkton received this special recognition. Workshops on welcoming and hospitality are available to local churches, charges, districts, etc.

The official web site of the conference went live in September of 2005. The conference signed on with Brick River Technologies. When all "phases" are "live," each church will have access to their own page as well as on-line documents that previously have only been available by postal mail.

Investment Committee

The Year 2005 represented the Conference Investment Committee's first full year using Merrill Lynch as their primary new investment manager for the assets under the committee's responsibility. After working through some initial challenges, the portfolios ended the year up 6.1% in total, versus a benchmark of 4.5%. We are pleased that this out performance more than exceeds the fees paid for investment services. The asset class portfolios and managers used are listed below:

Asset Class	Manager	Percent of total portfolio
Large Cap Relative Value	Davis Advisors	12%
Large Cap Deep Value	NFJ/PAMA	12%
Large Cap Growth	Lighthouse	18%
Mid Cap Value	Perkins/Janus	8%
Small Cap Value	TCW/Cohen	6%
International	Invesco	8%
Fixed Income	PIMCO	18%
Fixed Income	ING	18%

In total, \$10.3 million of conference assets are invested as described above, through Merrill Lynch. An additional \$1.6 million of conference assets are managed by the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc. The Foundation's funds have continued to perform well, beating their respective benchmarks.

The conference investment committee has responsibility for the assets of the Board of Pensions and for various other conference agencies who have chosen to have this group manage their assets. If you have any questions please contact the chair of the committee, Kathleen Hawkins, at 302-736-7741.

Conference Council on Finance and Administration

The following new members were welcomed and joined CCF&A this year: Minnie Bazzelle, Rev. Tyrone Banks and Frederick Grant.

In service to Our Risen Lord, CCF&A addressed the following key challenges this year:

1. The Conference budget continues to be constrained. CCF&A has worked collaboratively with all Conference leaders to identify creative approaches so that the limited funds are employed most productively towards achieving the mission of the Annual Conference. The Board of Pensions still had several aspects of the healthcare costs pending as the Annual Conference approached. The most significant was the impact of the new legislation granting a Medicare Drug Benefit. The budget discussion was postponed to an adjourned session in October. CCF&A recommended an apportioned budget of \$5,484,575 which was subsequently approved for the year 2006. A budget for 2007 is still being developed for presentation to Annual Conference for its prayerful consideration and adoption.
2. A significant concern is that receipts on apportionments continue on a long-term, downward trend. In 2005 (most recent data), 93.0% of the adjusted local church apportionments were received by the Conference as compared to 94.5% in 2004. This percentage has been slowly declining for several years. To meet our fiscal responsibilities, the ministries of the Annual Conference must be restrained in consideration of the available funding.
3. Apportionment adjustment requests for 2006 were within the amount designated by CCF&A. Adjustments totaling \$82,898 were approved for 2006. To fund the important ministries of the Annual Conference, it is critical that local churches strive to fully meet their adjusted apportionment covenant.

4. The anticipated shortfall of \$225,000 for 2005 prompted discussion around ways to close this gap. The result was a request at the Adjourned Session for the Conference to authorize a "Special Asking" targeting 4% of the 2005 apportionment from each local church. The program would be voluntary and run for 90 days. The annual Conference approved this request and a Special Asking of 4% was requested in December. The results added \$34,440 to the operating fund through February 2006. CCF&A continues to evaluate alternative funding concepts that could be structured to allow a more open and supportive process for funding conference ministry.
5. CCF&A faithfully performed various administrative and financial responsibilities in support of the conference's work.

Goals for 2007 include:

1. Continue to work collaboratively with all Conference leaders, boards and teams such that the ministries of the annual conference will be successful and can fully witness for Christ.
2. Recommend for annual conference adoption, a plan of anticipated income and expenditures for 2008, which will support the conference in achieving its mission. In so doing, CCF&A will creatively identify resources to support the many ministries and will prayerfully consider recommendations for apportionment adjustments when and if submitted by the District Apportionment Review Committees. CCF&A will prepare recommendations for funding of conference ministries if receipts fall short of fully underwriting the approved funding plan.
3. CCF&A will perform its administrative responsibilities as set forth in the Discipline including a comprehensive financial audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time assign.

VISION TEAM

The Vision Team is the policy-setting and decision-making body for the Annual Conference between conference sessions. It assures that the ministry and mission of the Conference is consistent with the Conference's Vision, Mission, and Core Values.

One of the tasks of the Vision Team has been to prayerfully evaluate the effectiveness of the Relational Design and Mission Area Ministry during 2004-2005. As a result, with the full support of Bishop Matthews, the Cabinet, Conference Resource Teams, leadership of the Vision Team, and its entirety, the Vision Team presented at the 2005 Annual Conference a document that outlined the history and intent of the Relational Design and Mission Area Ministry, an assessment and evaluation, and the rationale for proposed changes. As a response to the document, the Vision Team placed a resolution before the body to approve the discontinuation of Mission Areas as a mandatory ministry strategy and that District Mission Area Councils cease to be required, which was passed by majority vote. The resolution charges each Superintendent with the responsibility to organize a group within each District to develop, administer, and evaluate District ministry as well as to discern effective ways of fostering intercongregational ministry. As a part of the approved resolution, the Superintendent will name four persons to the Vision Team from each District.

On behalf of the Annual Conference the Vision Team expresses appreciation for the District Superintendents, conference staff, MAM Director, District Facilitators, clergy and laity that have invested time and effort in developing and implementing Mission Area Ministry programs, and that God be praised for all that has been accomplished through Mission Areas and organized District MAM events between 1997 and 2005.

The Vision Team in response to the resolution has encouraged each District to create ways to organize for cooperative intercongregational ministry, encouraged the

Superintendents to appoint at least one representative of the Board of Laity of each respective District, and appointed a team to edit the Relational Design Document.

An ongoing goal of the Vision Team is to find effective avenues to promote, coordinate, and implement the Relational Design Model for ministry throughout our Annual Conference. Through prayer and discernment we are attempting to address this goal by meeting annually, with the Resource Teams to strategically plan ways to advance the four missional priorities, engage in ministry, fund and resource projects, programs and initiative, and assess and evaluate programs and budgets. We are also planning to meet annually with the District representatives to the Vision Team to engage in the same process.

A major responsibility of the Vision Team is budget review and the preparation of the programmatic portion of the Conference's annual budget to be presented at Annual Conference. A detailed process has been implemented which includes recommendations from the Accountability Task Force. It is a prayerful process to further effective evaluation and use of resources.

The Vision Team has adopted a Holistic Approach to Ministry through Conference Teams, Boards and Agencies to assist in the development and guidance of program planning, interactive communication, direct fruitful funding and other resources and to regularly assess the effectiveness of agencies and their programs for fulfilling their goals.

1. Missional Priorities

- a. Making and nurturing disciples for Jesus Christ including provision of training for clergy and laity in effective forms of disciple-making.
- b. Meeting human needs and transforming communities.
- c. Global missional outreach, especially through the Congo partnership.
- d. Strengthening racial/ethnic inclusiveness.

2. Strategic Engagement in Ministry

- a. Brief and regularly review relationship and support for priorities
- b. Goal setting timelines, measurable objectives; annual reporting of achieved goals and expenditure of funds.
- c. Cooperative evaluation between Vision Team, Resource Teams, Conference Staff, Boards and Agencies.

3. Funding and Resourcing

- a. Make provision for consultation with boards, agencies, and district organizations to address funding for projects, programs and initiative and guidance to resources and models.
- b. Do cooperative ministry in clusters of congregations, sub-district configurations and cooperative ventures.
- c. Discern best stewardship resources and partnerships with conference related and/or community agencies.

4. Assessment and Evaluation

Program and budget development processes and evaluation of measurable objectives met and funds expended.

Teams, boards and agencies will comply with reporting requirements, timelines, etc., as a necessary condition for renewed or new funding for the ensuing year.

Vision Team Goals are:

- To keep the conference missional priorities ever before the teams, boards, agencies, and districts.
- To recruit and equip persons to serve the Annual Conference as consultants re. Local churches.
- To plan a conference-wide spiritual life retreat.
- To edit documents to reflect changes re. MAM.

Methodist Action Program

"Creating Communities of Compassion Through Christian Faith in Action" is the Methodist Action Program's Vision Statement. Adopted in 1966, this statement expresses an understanding of the ministry and the mission of M.A.P. that is becoming more and more evident. It provides insight into the three historic re-affirmed components of the Mission Statement.

- Helping individuals, congregations and communities,
 - Meet human needs
 - Promote positive social change
 - Facilitate Church development through the transforming power of Jesus Christ"

MEETING HUMAN NEEDS

Every congregation in our Peninsula-Delaware Annual Conference encounters members of neighborhoods who have pressing human needs. Practically every church reaches out in one way or another to help. For nearly forty years, M.A.P. has directed a major part of its effort at assisting individuals in meeting those basic human needs. The programs offered have changed and expanded over the years and help has been provided in many aspects. Information, referral, food and housing assistance, loving attention, and the Gospel of Jesus Christ have always been offered from the limited resources to serve all persons in severe need. During the past year, M.A.P. has sought to meet human needs through the following programs:

OLD ASBURY HOMELESS MINISTRIES

As homelessness becomes more systemic in the city of Wilmington and surrounding areas it is the mission of our ministries, at the Old Asbury Church building at 226 S. Walnut Street, Wilmington, Delaware owned by the Methodist Action Program, to assist persons in this population. For several years, M.A.P. has housed (rent-free) three agencies that have had critical presence in the Wilmington Community. The programs offered through these agencies minister to the many homeless and hungry in that geographical area. The projects housed in the Old Asbury Church building are clearly separate programs serving different aspects of homelessness. Alone, each ministry is important in attempting to decrease homelessness—together, they begin to focus their attention and energy on new life and more wholesome lifestyles. The following are the individual ministries that together comprise the Old Asbury Homeless Ministries:

▪ Emmanuel Dining Room

In 1980, the Ministry of Caring located its Emmanuel Dining Room East (EDR) in our facility. Out of the Old Asbury Church building, EDR serves a nutritious meal every day of the week all year long. These meals are served by volunteers; with dignity, without question and at no cost to those in need. In 2005, over 65,000 meals were served. M.A.P. provides space and utilities without charge for this ministry. M.A.P. continuously encourages United Methodist congregations throughout the county to support this vital ministry. The Emmanuel Dining Room depends upon the continued ecumenical support of religious and civic groups who provide meals daily and the volunteers who prepare meals. For more information contact the Emmanuel Dining Room, 302-652-2577.

▪ F.A.I.T.H. Center

The Financial and Information Theocentric Help Center is a religious community response to God's call to serve fellow human beings in crisis, who need compassion, love and assistance. Consultations, referrals to available community resources and appropriate financial assistance are afforded to clients. Meeting basic needs are teamed with self-help opportunities and encouragement to alleviate the effects of poverty. Acknowledging variations in theology, all communities of faith are invited into membership at the F.A.I.T.H. Center to serve our neighbors who are in need. In 2005, the F.A.I.T.H. Center assisted 450 clients totaling over \$130,000 in assistance. For more information regarding this ministry, contact the F.A.I.T.H. Center at 302-654-4550.

• **Friendship House**

Friendship House is a non-profit Christian Corporation committed to making a difference in the lives of Wilmington's homeless and impoverished. The agency has a continuum of services, a dedicated staff, and strong volunteer support. Friendship House offers hospitality, education, empowerment and a sense of community to those they serve. At this location, Friendship House provides men with day center, assisting in re-integration and job search and readiness. In 2005, this ministry provided 1,900 men with assistance in rebuilding their lives. In addition, they also provide clothing, breakfast and worship, grant programs and community education. For more information on the Friendship House, please call 302-652-8133.

EL CENTRO LOS ABUELOS (THE GRANDPARENTS CENTER)

El Centro Los Abuelos is an outreach ministry for the Hispanic elderly who are in and around the city of Wilmington. This center offers primarily Spanish speaking language and culture programs designed to promote social relationships and to stimulate creative growth. It is a center for information, referral, assistance and services for the Hispanic elderly. Programming is conducted in the following areas: social and recreational activities, nutrition, transportation, personal problem resolution, health maintenance, educational information and referrals.

The Hispanic populations are the fastest growing segment of our community. Currently, El Centro Los Abuelos is gaining a stronger partnership with the Latin American Community Center to provide increased programming and more enriching activities to Hispanic seniors. Federal and state guidelines suggest a definition of sixty years and older for all participants. Many of our participants come to the center to use or request services because of the language barrier encountered at other agencies solely dedicated to the elderly population. El Centro Los Abuelos affords seniors an opportunity to take full advantage of services within a safe, friendly atmosphere. Transportation is provided free of charge and meal programs are available. El Centro Los Abuelos provides Hispanic seniors a healthier and happier quality of life through participation in agency programming. El Centro Los Abuelos is located at 623 N. Harrison Street, Wilmington, Delaware 19805. For more information, contact Program Coordinator, Sergio Beldorati 302-254-3199.

YOUTH MOVING FORWARD PROGRAM

This initiative spearheaded by M.A.P. is a faith-based program that targets first-time, non-violent youth offenders. The program is administered at no-cost to the participant and provides a support system for reintegrating youth back into society. The program provides youth with volunteer mentors who assist with the reintegration process. Mentors help the youth explore interests and positive options for developing trusting relationships, provide guidance, proactive study skills and interview skills and utilize community resources to assist the youth. There are training opportunities for volunteers, as well as activities to assist with the bonding process. The program seeks to reduce risk factors and increase protective factors to ultimately propel the youth away from the strongholds of criminal behavior. There are two graduations held per year which celebrates the accomplishments of the youth and as well reinforces that they are moving to another stage in their lives. For additional information, contact Program Coordinator, Shawn Allen 302 225-5627.

LOCAL CHURCH TRAINING

M.A.P. provides the local church with technical assistance in strategic planning, assessing their neighborhoods, community organizing, starting community development corporations and preparing 501(C) 3 applications.

S.H.A.R.E.

Since 1986, S.H.A.R.E. (Self-Help And Resource Exchange) has made food more affordable for individuals and families while at the same time building community through good deeds and service. S.H.A.R.E. participants receive packages of food worth \$35-\$40 for just \$16 and two hours of volunteer service. S.H.A.R.E. is open to everyone. If you eat, you qualify. In 2005, M.A.P became a host site for S.H.A.R.E. out of Philadelphia. Since that time, the program has grown tremendously and more people are volunteering their time as a result. For more information, contact Coordinator, Pat Black, 302- 225-5627.

SISTERS

The Methodist Action Program recognizes the need to improve the quality of life and enhance the vitality of the community that we serve. Our program, "Sisters", will be committed to providing support for young girls, in the Wilmington community, that; increases their opportunities, assists them in socialization and provides them with mentoring. The program "Sisters", seeks to reduce risk factors and increase protective factors to ultimately combat the strongholds of negative behavior. This program addresses the critical needs of young girls in the areas of personal formation, decision making and career goal setting. The participants will be empowered to increase their self-esteem and self-concept in opening the doorway to a positive future. We recognize the fact that these young people must be equipped for success in the future by establishing a strong work ethic and goal setting in their teenage years. It is our sincerest belief that *Sisters* will establish a Rites of Passage and open new doors of opportunity and commitment to excellence. For more information call M.A.P.

PROGRAM GOALS FOR 2006

- To increase our ministry to at-risk teenagers through expanding *Sisters* and *Youth Moving Forward*.
- To conduct a MAP Walk: *God's in The Neighborhood*.
- To increase the number of churches and community organizations that participates in the S.H.A.R.E. (Self Help and Resource Exchange) Food ministry.

Executive Director

Neighborhood House, Inc.

With God's love from within, we provide services and programs that educate, enlighten, and empower people and the community.

Review of 2005 Goals

- Our effort to provide new educational enrichment opportunities for area adolescents and teens produced the Bridge to Employment project partnership with the Christina School District and completion of the Sankofa Project funded by the MBNA Foundation. Bridges provided exposure to health careers for 8th grade students. Sankofa was a language development project using video production (for special education students).
- Our Family Technology Center (computer lab) was licensed by the Delaware Department of Education to operate as a school. Renewable each year, the license/certification should enhance client confidence in the quality of our offerings as well as assure the funders of training (Department of Labor, etc.) of the viability of the courses.
- Our third goal, the development of affordable housing in the Middletown area of Southern New Castle County, was not accomplished. The rapid increase in land costs in the area prevented our purchase. We will look to create partnerships with others to achieve this goal.

2005 Highlights

- 1) We have recently completed the second cycle of a partnership with the Department of Labor, Methodist Action Program and Delaware Technical and Community College which works with ex-offenders. The men and women in the project receive a structured curriculum in life skills, an orientation to computers and employment preparation.
- 2) We completed and sold the third phase of our Cabean Square affordable housing development in Southbridge. This final phase included eight homes on South Claymont Street that were identical to phase II (garage, 3 bedroom, 2 ½ baths) that sold for approximately \$110,000.
- 3) We collaborated with Henrietta Johnson Health Center on a free dental care project for Southbridge women and children.
- 4) We re-organized the child care operation by expanding before and after-school services and giving additional focus to infants and toddlers.
- 5) The agency worked closely with the Stop the Violence Coalition and Police Athletic League (PAL) of Wilmington in a "safe haven" project during summer and fall evenings and weekends.
- 6) The South Wilmington Area Management Plan began with a resident-driven Neighborhood Plan and continues to produce detailed analysis of area housing, commercial, drainage, traffic and public safety issues.

2006 Program Goals

- 1) Establish a reliable, recurring source(s) of financial support for the Family Technology Center which would provide for cost-free training of at least 100 agency clients per year.
- 2) Secure the return of the G.E.D. High School Diploma program operated by the Christina School District.

- 3) Secure continued support for youth-service programming specifically designed to reduce the drop-out rate among Southbridge high school students.
- 4) Establish and implement a new fund development strategy for Neighborhood House.
- 5) Identify and acquire owned office space in the Middletown area of Southern New Castle County.

New Church Development

The New Church Development team has been active throughout 2005 seeking to be faithful to the goals it set and the ministry it has been called to do. This team is an exceptional one and a joy with which to work. It has had the privilege of rejoicing with these developing congregations as they reach new people for Jesus Christ and it has been a partner in the sorrow of the developing congregations that have been unable to maintain a significant presence in a specific area. Our team, along with new start pastors and congregations, has learned enormous lessons from all these adventures; lessons we take with us into 2006 as God's Spirit continues to guide us.

In a time where membership in The United Methodist Church is fluctuating, the Vision Team made the conscious decision to make *planting new churches* its number one priority for our annual conference. By doing so, it indicated that we need to put our primary resources into the making of disciples for Jesus Christ – using the creating of new congregations as its principal means of doing so.

With that goal in mind, the New Church Development (NCD) team has met throughout 2005 to do this ministry to which we have been called. The goals that we set for 2005 included:

Goals for 2005

- To spend significant time in Bible study and prayer at the beginning of each team meeting in order to discern the Spirit's guidance concerning new church development within the annual conference.
- To identify current new church development occurring in the annual conference and assess the current health, concerns, and needs of each.
- To put a process into place for starting new churches complete with specific timeframe, training, and benchmarks that will assist the Cabinet and Bishop in measuring their progress and vitality.
- To work with the Cabinet and Bishop on monitoring new church development
- To work with the annual conference on developing financial resources to assist the development of new churches
- To petition the Annual Conference to put aside all financial assets from the sale of the property of churches which have been discontinued for the purpose of funding new church development.
- To allocate financial resources to new developing churches.
- To put an accountability process in place for financial resources received by developing churches.
- To create a contract between developing churches and annual conference concerning equipment and other assets.
- To work with the Board of Ordained Ministry, the Cabinet, and the Bishop in identifying persons who can lead new church development.
- To work with the Cabinet and Bishop in identifying areas within the annual conference where new church development can take place.
- To make new church development a priority of the annual conference.

We have been faithful in meeting many of the above goals in 2005; yet unable to accomplish others.

Goals for 2006 and 2007

Our goals for 2006 and 2007 will be the same as the above with these additions:

- o To begin a two year R&R school for the purpose of retooling and redeveloping targeted existing congregations who are poised to be significant in the making of new disciples for Jesus Christ. The team feels that in order to plant new churches in our annual conference, we need to have healthy existing congregations who can help to seed and mentor these new ventures.
- o To offer funds to congregations to assist in their R&R(retooling and redeveloping).

As you can see, our goals are lofty. Yet, our team believes that God's call on this annual conference is to lead one another to share God's love through Jesus Christ – boldly, cooperatively, inclusively! It is to use the best means of evangelism that is available to Christ's Church today – new congregational development!

Salisbury Urban Ministries

Our Mission: To develop and coordinate programs that serve and minister to the needs of Salisbury's materially impoverished. We will increase awareness of these needs throughout the covenant congregations and provide avenues for responding. We will promote the concern for racial understanding and appreciation. The various programs of S.U.M. offer people "hand-on" involvement with people in the community. They model the ministry of Jesus by providing a human touch to people in need. Over 600 volunteers come from 35 participating churches and several community organizations and businesses. The volunteers come from ecumenical and interfaith organizations.

Salisbury Urban Ministries continues to carry out its mission and vision through the following ongoing programs:

God's Kitchen, a Saturday feeding program, offers hot lunches from 11:15-12:30 p.m. at Grace United Methodist Church. Twenty-six churches, businesses and community organizations provide the meals on a rotating basis, serving over 130 homeless and poor each week.

Community Health Ministry A full-time registered nurse is available to provide health care services and education. The parish nurse coordinates a cadre of volunteer doctors, nurses and dentists. She visits homes in the community and the Christian Shelter offering health care assistance. Prescription drugs and other health related resources are provided. The Parish Nurse networks with various community agencies to direct people to appropriate resources.

Homeless Initiative

Welcoming Center

Each Saturday the chronic homeless people come to the Lazarus Center for showers, to get laundry done, and enjoy a brief time off the streets in a welcoming atmosphere.

The Parish Nurse and other volunteers do case management with the homeless population.

S.U.M. continues to provide key support resources for the Salisbury Area Ecumenical Cold Weather Emergency Shelter Program. SUM is constantly looking for ways to minister to this population.

Children and Youth Outreach

Kid's Café, in partnership with Maryland Food Bank, provides meals, nutrition education, art, music, computer lab, and fun activities for children, (kindergarten through

sixth grade) that are at risk of hunger. This program has expanded greatly over the past year. A creative dance class, drum ensemble, tutoring,

Diamonds and Pearls an outreach to girls 6-16 years of age to promote self-confidence, self-esteem, and academic excellence. Classes are offered that give beauty tips and personal hygiene. Girls are exposed to dining and fine arts from their culture and they learn to appreciate the culture of other people. Fields trips are offered as incentives. The teenage girls serve as mentors to the younger girls.

Performing Arts Salisbury Urban Ministries has a Dance troupe that dance to Christian music. We also offer a percussion ensemble called "*Drums of the King*" which perform as well. Computer Lab - Six new computers were added and we now have a ten station computer lab with internet access that is networked together. Computer skills and activities using computers are being integrated into all of the youth and children's programs.

Choir Camp is a weeklong fun and rewarding musical and visual arts experience for children in grades 3-6. The camp has been held at various community churches. This is an opportunity to bring from diverse backgrounds to work together on an artistic project.

The Lazarus Center and Food Pantry assists families in crisis situations in Wicomico, Worcester, and Somerset Counties. Churches, individuals, and community organizations donate food, funds, and volunteers to run the program. In 2005, SUM saw 5,154 families, distributed \$40,686 and gave out 4,981 bags of food. Along with assistance, clients receive needed information about resources available to help with their plight.

Salisbury Urban Ministries continues to grow in fulfilling our mission and ministering to God's children who are in need by the generous donations of time, and money and to be a covenant community responsible for bringing the good news of grace to all people. Salisbury Urban Ministries is also a United Way Agency.

PENINSULA UNITED METHODIST HOMES, INC.

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conference does not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted June 12, 1985).

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware, all continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities serve approximately 1,200 residents and employ approximately 900 people.

Mission Statement: Adopted July 21, 2003, the PUMH Mission Vision Values statement reads:

"PUMH, in keeping with its religious tradition, is committed to fostering an exceptional quality of life and promoting wellness, health and security for older adults.

Through our stewardship, PUMH will ensure standards of excellence to meet the changing needs of those we serve.

Our Vision Statement: PUMH will fulfill its mission by being compassionate, innovative and bold. Our approach will be assured and we will have the courage to lead.*

Our Values: compassion, diversity, excellence, integrity, trust and commitment.

Cokesbury Village:

The Brandywine Wing assisted living unit was renovated this year. Eleven one-bedroom social model units were reconfigured from 22 small single room units. These apartments are bright and spacious and assure residents their maximum independence while providing the individualized care that they require. Public space improvements for this area have begun and Kent Wing will undergo a similar renovation soon. Health Center revitalization plans are on the way as well.

Transitions Made Easy, our personal relocation service, is now in its second year and has managed close to 175 moves for those moving into or within Cokesbury and her sister communities. This service was launched at Cokesbury but now serves three of the four PUMH communities and employs about a dozen people.

The International Council on Active Aging (ICAA) recently designated Cokesbury's Tyler Fitness and Aqua Center as an age-friendly fitness facility. This designation was gained by meeting rigorous requirements in nine areas including equipment, staffing, customer service and programming. This designation assures older exercisers that our fitness facility has met age-appropriate standards and can provide programming specific to their needs.

Currently Cokesbury is piloting a new person-directed care program. This program represents a culture change in the way care is delivered to health center and assisted living residents. The focus has shifted from routine staff-driven care to care that is more resident-tailored. Staff education has been a large focus of this program.

Methodist Country House:

Building and renovations are ongoing at the Country House. Four cottages were planned, designed, built and occupied during 2005. These cottages feature high-end finishes and millwork, generous indoor and outdoor living spaces, and two-car garages. These are a unique addition to Country House where all of the residences had been apartment accommodations. The Health Center renovations continue as a result of a successful capital campaign and challenge grant. With this, we are upgrading the entrance doorway and renovating resident rooms and bathing areas.

A multi-year master plan has been developed for campus beautification and landscaping. The first element, Pigueron Garden (named after our founder) has been redesigned and completed.

Ongoing HVAC project upgrades continue and measures to conserve energy as a result of deregulation have been undertaken.

Methodist Manor House:

During the past year, The Health Center has undergone significant renovation, thanks to a capital campaign managed by the PUMH Foundation and generously supported by residents, families and friends. Public spaces, including the chapel, gathering areas, corridors and nurses' station were updated with new lighting, flooring, millwork, wall coverings and furnishings. Resident rooms were enlarged to expand bathrooms and make the rooms fully ADA-compliant. Thanks to a generous donor, original museum-quality art graces the public spaces. The Rehoboth Wing is completed and Lewes Wing improvements will begin in 2006.

The International Council on Active Aging (ICAA) recently designated Manor House's Wesley Wellness Center as an age-friendly fitness facility. This designation was gained by meeting rigorous requirements in nine areas including equipment, staffing, customer service and programming. This designation assures older exercisers that our fitness facility has met age-appropriate standards and can provide programming specific to their needs.

The new model cottage was unveiled in the fall and has welcomed many visitors interested in making Manor House their new home.

Heron Point of Chestertown:

Tolchester Wing, a major assisted living expansion project, opened this year. This new wing includes twenty large apartment suites within a social model assisted living environment. This new two-story addition includes a library, salon, dining room and activity areas and connects to the main building via a climate-controlled walkway. An enclosed garden and patio area complete the project. Tolchester is already enjoying full capacity.

Several master plan projects are under development, e.g., a new expanded wellness center, larger meditation room, balcony renovations, cottage and kitchen enhancements and landscaping upgrades.

Heron Point hosted the prestigious Chestertown Art Show this year, opening their doors to the regional arts community and gracing our gallery spaces with magnificent art. Many residents participated in the show and won awards. The event will again be held at Heron Point in 2006.

Parish Nursing/Health Ministries

PUMH continued to provide major support to the Parish Nursing Program in fiscal year 2005/2006. In the past year, many PUMH staff and residents volunteered with local non-profit community organizations; residents contributed over 7,000 hours of volunteer work to local churches, meals-on-wheels, health care and other local organizations, while PUMH staff contributed over 900 hours of volunteer work to local groups. PUMH is working with Anne Murray, MS, RN, Parish Nurse at Aldersgate United Methodist Church, to develop a Lay Health Minister Education Program. The program will establish lay health minister training with follow-up mentoring and support to address the need for growth and development of health ministries in congregations in the Conference. PUMH has budgeted \$34,000 for the next fiscal year to support this training, mentoring and administrative support. We hope to work with Ms. Murray to initiate the first training class of lay health ministers in June/July 2006.

Benevolence Funds:

In keeping with the Mission of PUMH, every resident can feel secure in always having a home. The PUMH Benevolence Program is administered by the PUMH Foundation, Inc., the philanthropic arm of PUMH. Our Benevolence Program provides financial assistance to residents, who through no fault of their own, have out-lived their resources and can no longer meet their financial obligations. The Benevolence Program provides one-time grants for residents experiencing special emergency needs and is available to prospective residents desiring to live in our communities. We project that PUMH residents will need \$341,000 in benevolence assistance during the PUMH fiscal year May 1, 1006 through April 30, 2006. We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH.

PUMH OF MARYLAND, INC.

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc. owns Heron Point, a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Currently, nearly one hundred of the Heron Point residents are enrolled in "tuition free" courses at Washington College; some also teach there.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. The market has responded positively to the services and amenities package at Heron Point and the occupancy is consistently high. This year saw the completion of the Tolchester Wing, a two-story assisted living addition that includes twenty spacious apartments, a library, salon, dining room and enclosed garden patio.

Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

STRENGTHENING THE BLACK CHURCH

"WE CAN DO ALL THINGS THROUGH CHRIST WHO STRENGTHENS US"

Our God is indeed an awesome God. On March 1, 2006, I completed my first year as the Director for Strengthening the Black Church. I sincerely want to thank ALL of the people who have helped me during this time.

This initiative was established to insure effectiveness in mission and ministry through being more responsive to the needs and challenges of African-American churches and communities. Thus we believe the ultimate goal and benefit is to make disciples for Jesus Christ and through our covenant relationship with our sisters and brothers, enhance and empower the witness of all clergy and laity in The Peninsula-Delaware Conference.

The Office of Strengthening The Black Church in collaboration with laity, clergy, the cabinet, conference staff, conference resource teams and task forces is graciously and intentionally moving toward a vision where every church in the Peninsula-Delaware Conference will have an opportunity to be a "Vital Congregation". BOARD OF CHILD CARE

Our Mission:

As an outreach ministry of The United Methodist Church, the Board of Child Care serves children and families who require physical, emotional, behavioral and social support. Through residential and community based services, the Agency will endeavor to provide a safe, healthy and caring environment that seeks to sustain children and families by fostering self-esteem, respect for community, a sense of purpose and life skills needed to achieve their highest potential.

This past year in Maryland and throughout the country, child welfare, especially group homes, have come under scrutiny in the press and with regulators. In the Baltimore Sun, a six-part expose did much harm to our system. However, I am pleased to be able to say to the Baltimore-Washington Conference that the Board of Child Care was mentioned in those articles as a quality service provider and in subsequent media releases as one of the most respected providers in the State of Maryland.

Our day-to-day culture of treating children normally while meeting their needs through a positive environment with psycho-social-educational support continues to bring positive results. The living of our motto "children first" is reflected in all of our programs. We have averaged a combined 97% utilization in our shelter and residential

programs. Our group license capacity just increased to 104 as we added a program for independent living for girls on our campus. Our satellite site in West Virginia has been at full capacity (50) most of the year. The program is stable and well respected in just a three-year period. Our day care program enrollment, both at Tide Point in Baltimore and the District of Columbia, continues to increase each month. Our Mental Health Program in Pasadena has over 150 clients. This past year we had 10 children adopted internationally and 2 children adopted domestically. Our foster care programs in Maryland and the District of Columbia provide excellent services. The District of Columbia program is rated #1 in outcome criteria in their delivery of service in the foster care system. However, both programs are in need of foster parents to meet the needs in their community. Our Spiritual Life Program has over 85% voluntary participation in vespers and Bible study. We have started a Bible study class for interested staff. Over 25 children were baptized this past year. Our residents also did over 1,000 hours of volunteering in the community through our Spiritual Life Coordinator.

It is hard to believe that our main campus is 10 years old, 4 years old in West Virginia and 3 years old in Washington, D.C. Our facilities and living environments are always in pristine condition and exceed safety regulations. This past 9 months we have been involved in a self-study for reaccreditation through the Council on Accreditation (COA) in New York City. Peer reviewers will be on our campus in April 2006. It is our belief that outside organizations should affirm that our agency is meeting or exceeding best practice in our field.

On April 8th, we will have dedicated our Welcome/Archives Center on our main campus. This event celebrates 132 years of ministry. We invite individuals and groups to call to tour and be witness as to how our program has evolved from Kelso Home to the present Board of Child Care. Tuesday, September 26th, 2006 we will be holding our first Golf Tournament at Woodlands in Baltimore County. We hope to have a great turnout, lots of fun, and have more people learn about the work we do for children and families.

We would not be able to house and feed those in need in our nurturing, caring environment that allows a child to be a child without the continual support of the Peninsula-Delaware Conference. The churches, Sunday Schools, individuals and groups, through their prayers and financial help, allow us to make a difference.

EASTERN PA-PENINSULA UNITED METHODIST FOUNDATION, INC.

The investment mission of the Foundation is to "manage assets for local churches and conference agencies to maintain the value of the assets and extend their use while remaining faithful to the Social Principles of The United Methodist Book of Discipline". The Board of Directors views its primary responsibility to provide sound investment solutions in accordance with this mission to its clients. To fulfill this goal, the Board seeks investments that 1) are diversified and risk controlled, 2) provide sound performance against appropriate benchmarks, 3) have affordable fees and 4) are in compliance with the social principles of the Church.

We are excited to announce the expansion of our equity product offered to our clients. The Foundation has added small investments in two new asset classes, international and small cap, to further diversify the equity product. The international fund tracks the Europe, Australia and Far East ("EAFE") Index, the most commonly used index for benchmarking large cap, developed country equities.

Looking forward into 2006, the Foundation is committed to improving the investment reporting materials for clients so they will have the latest market and performance statistics in an easy to read format.

The stewardship mission of the Foundation is to provide financial leadership with the creation of Planned Giving Programs calling for endowment funds with policies that guide churches to use assets and to invest assets as good stewards, educational components which teach individuals options for giving long-term assets and motivational components which encourage individuals to give of their long-term assets as one of the ways in which they respond to all that God has given them.

Information available through the Foundation includes sample marketing plans and a full array of ready-to-go materials. Further, estate and gift planning sessions can be provided, beginning with the finance/stewardship/endowment committee and expanding to a presentation to the invited congregation. The Foundation would welcome the invitation being offered to other UMC's in the area for greater attendance and participation.

The year 2006 brings the first of several stewardship workshops and training sessions for both clergy and laity. The first such program occurred in March 2006 and had over 500 in attendance at three sessions held at three different locations throughout the Philadelphia Episcopal Area.

District Superintendent's Report

When I was assigned the task to give the District Superintendent's Report by Bishop Matthews, I felt challenged and stretched to give a report that would reflect that which we have done this year. I have agonized over what I would say to you, the members of the Peninsula-Delaware Annual Conference. I have prayed to God to give me a word to share with you. I love this Conference. I was born into this Conference. I have attended every Annual Conference since I graduated from High School. So it is important to me that I value your time and this sacred space.

In the very early years of my adulthood, I had the opportunity to attend a teacher's convention. I remember the keynote speaker opening his speech with the comment that throughout his career, he had experienced various forms of teaching methods which were introduced as if a new guru had come to town to save the day. He continued by commenting that many seem to be always waiting for the next guru to come to town to replace the old with something new, giving a quick fix to their teaching problems. He announced he was sorry to disappoint them, but he was not the new guru, he just wanted to share some ideas about teaching to those who had gathered.

Often, as a pastor and as a District Superintendent, whenever I hear people who seem to be looking for quick fixes and quick answers to their problem or concern when it relates to ministry, I reflect back to the statement made by the keynote speaker of that teacher's meeting so long ago. More importantly, when I want a quick fix or quick answer I remember this statement of long ago.

As a District Superintendent the second time around, and with 27 years of experience as a clergy, I understand more and more that God is not calling us to quick fixes or easy answers, but to a way of life.

So, I come today offering this report on behalf of my brothers and sister District Superintendents to let you know we are not gurus, nor do we want to be gurus, but we are servants of the most high God, called into a supervising position at this season in our ministry. **Par. 404.2 in the Book of Discipline states: "District Superintendents are elders in full connection appointed by the Bishop to the cabinet and assigned to responsibilities of oversight and supervision within a district and in the entire annual conference. (par. 401) A servant leader who serves as an extension of the oversight of the bishop, the district superintendent is authorized to fulfill those responsibilities designated in the *Book of Discipline* under the supervision of the resident bishop."**

Par 401 "...The purpose of superintending is to equip the Church in its disciple making ministry. Those who superintend carry primary responsibility for ordering the life of the Church. It is their task to enable the gathered Church to worship and to evangelize faithfully.

It is also their task to facilitate the initiation of structures and strategies for the equipping of Christian people for service in the Church and in the world in the name of Jesus Christ and to help extend the service in mission."

And so we come, building on all the cabinets that came before us, praying that we will leave behind a legacy that brings honor and dignity to the office.

As I reflect on this past conference year, I can tell you that the District Superintendents have taken seriously their commitment to both the lay and clergy of this conference to perform their duties as faithful servant of Jesus Christ; to help give supervision to the life of the Conference that we might live as Christ has called all of us to live.

So often our reports are focused on the many activities that happen on our district, but I'd like to handle this report in a different way. I would like to talk to you about the way we participate in the life of the churches, districts, and conference.

We gather at the Cabinet and Extended Cabinet table to talk about the vision of the conference, to discern God's will through discussion, worship and prayer, to encourage one another, and to hold each other accountable. We gather to discuss appointment matters as we have been charged to do. We have covenant with each other so that we may help each other to more faithfully serve God and you, the Conference.

We scatter from the Cabinet table to gather at other tables where the gathered community exists. We gather at the Charge Conferences to hear how each of the churches has organized and carried out its goals throughout the year. We also see evidence of your discernment process as you present your slate of officers, budget, and goals for the coming year. We hear the exciting things you are doing in your local churches. We hear your laments as you tell us your struggles and your concerns.

For example:

- Some of you wonder why folk are not coming to your church, while others wonder how to find space for all of the people who are coming to church. Some are maintaining;
- Some wonder about the financial situation of the church and how it is possible to keep the doors of the church open; while others wonder how to be faithful stewards to the abundance of God's rich resources that have been given to them;
- Some of you wonder about the high cost of health insurance for the clergy family and how much more money will be necessary for local churches to give through benevolence/apportionments to help support the conference;
- Some of churches have in house fighting, and are struggling to find healthy ways to deal with the conflicts that the churches are facing;
- Some of you are so busy trying to survive that you have no energy to become the scattered community to reach out to those who are lost, broken, and downtrodden;
- And yet there is joy and excitement in many of the churches as you find healthy ways to resolve conflict and to do the work of the church, offering hope to those who feel hopeless.

As District Superintendents we have also gathered at your staff parish meetings when you have concerns that you need to work out concerning your pastor. Or when there is a new appointment to be made and you give us a profile of your church and the characteristics of the pastor needed to best serve your church.

As District Superintendents we have gathered as representatives on the various committees and boards of the district and conference, and at the Vision Team table, to offer support and insight to the work of the conference.

We have gathered as a community of district superintendents at strategic planning retreats, appointment retreats, spiritual retreats and Conference events including continuing education events.

We have gathered as an area cabinet with our brothers and sisters of the Eastern Pennsylvania Conference for meetings and fellowship that we might benefit from the gifts and talents God has bestowed upon this area.

We have gathered with our clergy brothers and sisters during the time of their illness, bereavement, crises, and church and family concerns as well as with their celebrations and joys.

We have gathered in worship and celebration in many of the churches.

We have gathered with various ministries beyond the local churches such as Salisbury Urban Ministries, MAP, Neighborhood House, and Wesley Foundations.

We have gathered to participate in Mission opportunities

We have gathered in support of our partnership with the Congo.

We gathered, understanding that we, along with the you, are called to scatter into a world that is wonderful, beautiful, filled with colors, mountains, trees, rivers, amazing people, exciting inventions, creativity, and unlimited possibilities, and make disciples.

Yet this same world has health issues, wars, crimes, drugs, homelessness, health insurance nightmares, isms, the least, the lost, the forgotten, the downtrodden, and we are still called to make disciples.

We are not just members of the cabinet, we are persons who are spouses, single, parents, aunts, uncles, grandparents, we are neighbors, and we are friends. We live in neighborhoods. We go to the marketplaces. We drive through neighborhoods of wealth as well as poverty. We are called by the telemarketers. We read the newspaper and watch the news on television. We face health issues. We have opportunities to witness and to offer hope.

And one might ask what all of this has to do with being given supervision and oversight to the district and the entire conference in order that the church fulfills its mission?

How does our supervision and oversight help the church to respond to God's commandment, "therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and the Holy Spirit, and teaching them to obey everything I have commanded you always, to the very end of the age" (Matthew 28:19-20)?

"Love the Lord your God with all your heart and with all your soul and with all your mind..... Love your neighbor as yourself." Matthew 22 37-39

Well...that is the question we have been asking.....What is it that we do, that we no longer need to do? What is it that we don't do, that we need to do? What is it that we spend too much time doing? What is it that we don't spend enough time doing? Are we making the best use of our resources?

How can we best serve the church so that the church can be the church? I pray you will help us help you.

In the midst of our reading, praying and discernment, we believe God has given us the Healthy Church Initiative. Our Bishop and Director of Connectional Ministries have shared with you our beginning stages. It is a growing, living, breathing, exciting initiative. It needs your input. It needs your involvement.

I love it because in order for it to work, you will have to customize it to your own particular situation. In order for you to understand your situation you will have to ask the tough questions. You will have to give up some practices that you are now comfortable doing. You will have to embrace that which is working. You will have to be honest in your assessment of your church. You will have to go through a discernment process to discover the health of your church. You will not have to do this on your own. The Conference will partner with you that you might make disciples for Jesus the Christ.

Let me end by sharing a story with you. It is a story that was told to me as truth, but I can not vouch for it. It was told that this gentleman was walking to town and a friend of his drove by in a car and asked him if he wanted a ride into town. He responded, "no man, I am in a hurry."

Folk, there is an urgency about kingdom building, but don't be in such a hurry that you won't get in the car, and let God do the driving.

For the Word of God says in Isaiah 40: 27-31 (The New International Version):

"Why do you say, O Jacob and complain, O Israel, 'My way is hidden from the Lord; my cause is disregarded by God?'

Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom.

He gives strength to the weary and increases the power of the weak.

Even youths grow tired and weary, and young men stumble and fall; but those who hope (wait on) in the Lord will renew their strength.

They will soar on wings like eagles; they will run and not grow weary, they will walk and not faint."

George O. Commodore

George O. Commodore was born September 29, 1921 in Kent County, Maryland, the third of 14 children born to the late William E. and Rachel (Scott) Commodore. He was educated in the Kent County public school system before having to leave for financial reasons. However, George always believed in the importance of education, so he earned a High School Equivalence Diploma in 1950. He received a Bachelor of Arts degree in sociology and education from the University of Maryland Eastern Shore in 1954, and also completed studies for the Christian ministry at Morristown College in Morristown, Tennessee.

George was called to the ministry at an early age and was licensed as a local preacher at the age of 21. He served as a local pastor for seven years, was ordained as an elder, and became a member of the former Delaware Conference of the Methodist Church in 1952. He pastored churches in Millington, Maryland; Townsend and Bridgeville, Delaware. As the result of a merger, he became a member of the Peninsula-Delaware Conference of the United Methodist Church in 1965.

Rev. George O. Commodore served as pastor of the following charges: Asbury United Methodist Church, Nanticoke, Maryland, 7 years; Mt. Zion/Trinity/St. James United Methodist Churches, Pocomoke City, Maryland, 9 years; Waugh United Methodist Church, Cambridge, Maryland, 12 years; and Whatcoat United Methodist Church, Dover, Delaware, 5 years.

George was trained in carpentry and building construction, and he applied those skills in his ministry. In 1961, he designed and built the current church building for Mt. Zion United Methodist Church in Pocomoke City, Maryland. The old building was torn down on July 4, 1961 and the first service was held in the new structure erected on the same site on the first Sunday in November 1961. While at Waugh United Methodist Church, Cambridge, he completed the plans for the construction of a new church parsonage, which was being built at the time of his transfer. A new parsonage was also acquired during his tenure at Whatcoat United Methodist Church in Dover, Delaware.

George served in key positions on many boards and agencies of the Peninsula Conference. Among them are: Division of Missions, Board of Global Ministries; Committee on the Episcopacy; Easton District Committee on the Superintendency; Council on Finance and Administration; Easton District Committee on the Ministry; Board of Pensions; Board of Hospitals and Homes; Board of Church Location and Building; Town and Country Commission, Board of Global Ministries. He also served as Vice-President, Board of Global Ministries; Special Ministries Staff person, Council on Ministries; Ministerial Member, Board of Laity; and Foundation Director, Wesley Foundation Delaware State College.

In 1978, George began his tenure as the Chairperson for the Ethnic Minority Local Church Development Task Force, whose major priority was to provide adequate resources for strengthening minority churches in the Peninsula Conference. Under his leadership, many new programs were developed which had a significant improvement on the ethnic churches, such as the salary equalization fund for ethnic pastors; improvement of living conditions through the building/acquisition of 14 new parsonages; minority pastor recruitment, and training for aiding local church programs. He also served for many years as a Peninsula Conference consultant on church mergers, church building, and leadership development.

George O. Commodore retired from the Peninsula-Delaware Conference in 1986. But his love of the ministry allowed him to remain "retired" for only six months, as he accepted short-term pastoral assignments for various churches in the Salisbury and Wilmington Districts. He served as interim pastor at Mt. Vernon Charge, Pocomoke Charge, Quantico-Hebron Charge, and Mt. Joy United Methodist Church. During this time at the Pocomoke Charge, a new parsonage was acquired, an education wing added to the St. James United Methodist Church, and many advancements were made in program development. In addition to his ministerial life, he also worked on various building projects in the Salisbury area, and was a substitute teacher in the Wicomico County Public School system.

George was introduced to his life partner and soul mate, Janet Dolores Hill by mutual friends, and the two were married on May 21, 1960. Their union was blessed with one daughter, Paula Lynne.

George loved his church and spent endless hours studying, teaching, preaching, recruiting, visiting, and helping others in any way he could. He mentored many young up-and-coming ministers in the Peninsula-Delaware Conference, providing counseling, support, friendship, and leadership training.

Rev. George Commodore died at the Coastal Hospice on the Lake on February 15, 2006, after an extended illness. A service of triumph was held on February 25, 2006 at Wesley Temple United Methodist Church in Salisbury, MD with interment in Springhill Memorial Gardens, Hebron, MD. Rev. William A. Ross Sr. and Rev. Homer Minus officiated at the services.

Rev. Commodore is survived by his loving wife of 45 years, Janet (Hill) Commodore; one daughter Paula Lynne Commodore; three brothers Franklin Commodore, Wesley Commodore, and Norris Commodore; two sisters, Virginia Commodore and Lollie Commodore; and a host of nieces, nephews and other relatives.

Robert E. Simpson, Sr.

Robert E. Simpson was born on July 21, 1929 in a small row house on the East side of Wilmington, Delaware. His parents were Pearl and Robert F. Simpson. He also had an older brother, Marshall, and later a younger sister, Clarissa. Robert's family was a deeply rooted Christian family. His mother played piano at many church services. His father was a strict, but loving man who worked very hard his entire life to provide for his family. Growing up in the "Great Depression Years" did not make it any easier. Robert (Dad) often told us stories about growing up in those very lean times. Faith in the Lord, love and hope saw them through.

Robert wanted to do his part for the USA and fight in WW II but the war was over before he was pressed into service.

In the Spring of 1949, Robert met the "Love of His Life", the angel in the choir at Kingswood Methodist Church in Wilmington. Madeline E. Baker and Robert married on March 22, 1952. They continued to live in the old eastside of Wilmington and on May 27, 1954, their first daughter Gail A. was born followed by sister Faith P. on November 28, 1957. Their first son, Robert E., Jr. was born on August 18, 1960 followed by another son, Marshall M. born on September 3, 1968.

In September 1963, Robert and Madeline moved the family to Delaware City while Robert continued to work full time at the Electric Hose and Rubber Company at 12th Street in Wilmington. Madeline stayed home and raised the children. In 1968, Robert received his call to join the Methodist ministry. He enrolled in Wesley College while continuing to work full time at the factory, working the 3 to 11 shift in order to continue his studies.

Robert graduated from Wesley College in 1972 and while continuing his studies and working at the factory, he was given his first charge, Kingswood United Methodist church, as a student pastor. In 1974 he became a Full time Local Pastor at Kingswood. He graduated from the University of Delaware in 1976 and Eastern Baptist Theological Seminary in 1978 and became a Probationary Member of the Peninsula Conference. In 1984 Robert became a Full Member and continued to serve Kingswood until 1986. In 1986, he was appointed to serve Ewell St. Paul and Kenton churches. He retired on July 1, 1992. Robert continued to serve as Associate Pastor at Red Lion United Methodist Church until he and Madeline moved to Brunswick, Georgia where he continued to be active in the Methodist Church, teaching Bible studies and filling the pulpit for many pastors. Robert and Madeline returned home to Delaware in 1998 to be closer to their children and three grandchildren.

During his years as pastor, Robert was able to take part in officiating in all of his children's weddings; baptizing his 3 grandchildren, Danielle Renee 1985, Elizabeth Ellen 1988, and Kelly Marie 1990. He also had the privilege of traveling to the Holy Land and baptizing his mother in the Jordan River in 1979.

Robert "Bob" always loved to travel, especially up and down the East Coast to find amusement parks since he loved rollercoaster rides. He also loved model trains and real trains and once he and Madeline traveled the U.S. for 2 weeks on a train. He enjoyed working in his vegetable gardens and was known for his "Delaware City Reds" tomatoes. He also loved his beloved collie dog, Lukey, and attending U of D football games and the Philadelphia Phillies games.

In March 1998, Bob's health began to fail and faced triple heart bypass, kidney failure and colon cancer all in the span of less than 2 years. Finally after many months of constant agony, uncontrollable pain and over eight years of kidney dialysis, he went home to be with his Lord and Savior on Sunday, January 8, 2006.

Rev Bob loved the Lord and loved his flocks. He truly was a "Good Shepherd". He was a loving husband for 53 years and a loving caring Father and Grandfather and Friend to everyone he ever met. We all miss him dearly and look forward to the day we will be reunited in Heaven at the feet of Jesus Christ our Lord and Savior.

His loving son, Robert E. Simpson, Jr.

William Martin Staten

William Martin Staten was born on March 22, 1915 in Preston, Maryland. He was one of five children, having two brothers and two sisters.

William "Bill" was educated in the Public School system of Maryland and graduated from the Lockeman High School in Denton, Maryland.

Early in life, he met the daughter of Rev. and Mrs. Samuel Waters. Bill and Rose Virginia were married on July 5, 1938 and they had five children of their own; Rose Virginia, Timothy, Christabell, William Emory, and Laura. Bill's wife passed away July 29, 1986.

Bill felt the Call to Preach and answered that Call. He did part of his ministerial studies at Duke University in North Carolina. He served churches in both Maryland and Delaware, namely, Marydel Charge, Hurlock Charge, Cordova-Earl's Chapel Charge, Millington-Pondtown Charge, Federalsburg-Denton Charge, the Snow Hill-Ebenezer Charge in Maryland and the Lincoln, Milford, and Harrington Charge, and the Millsboro and Clarksville Charges on the Dover District.

Bill loved his family and he loved good Christian music. He had a beautiful bass voice and was known for his musical talents.

As a young man going into the Christian ministry and having lost both my mother and father, I adopted Bill and Rose as my Christian parents. I called them Papa Bill and MaMa Rose. Bill did all that he could to encourage new young ministers, sharing with them his life in the ministry of Jesus Christ.

Bill served in several other capacities on the Districts where he served; such as Secretary to some of the Ministerial Associations, Treasurer of the Federalsburg Ministerial Association, and Vice President of the Salisbury District Ministerial Association.

William Martin Staten leaves to mourn their loss, one sister, Anna Gibson, one son, William Emory Staten and one daughter, Laura Dixon. He also leaves five grandchildren, Avery Staten, Tara Staten, Timothy Staten, Jr., Jennifer Rose Dixon and Debra Renee Staten and a long time friend, Elsie Wingo.

Bill heard the call "Whom shall I send, and who will go for Me", and Bill answers, "Here I am, send me".

Her children arise and call her blessed.

Her husband also and he praised her.

Many daughters have done virtuously, but thou excellest them all.

Favor is deceitful, and beauty is vain: but a woman that feareth the Lord, shall be praised.

Give her the fruit of her hand; and let her own works praise her in the gates.

Proverbs 31:28-31 (NRSV)

The Family of Rose

Paige Landon English
December 10, 1954 – May 21, 2005

Paige was a bright, loving "still waters" kind of a person. Being very intelligent, she could do almost anything and enjoyed many, many things. She was as comfortable in the business world as she was in her own home and garden; and as productive. Being both warm and wise spiritually, she was an outstanding best friend and counselor to Kevin her husband of 26 years, their children Joel and Melissa, numerous friends, employees and fellow workers, as well as neighbors and parishioners all over the Eastern Shore. Paige was a leader and counselor. She was always calm, deliberate and savvy.

As a homemaker for most of her married life, Paige truly enjoyed her home. She particularly enjoyed sharing her gardening, cooking and canning skills with others. She decorated her home beautifully in the country style, with some wonderful antiques she cleverly purchased even on a shoestring. She collected some other things like Depression glass, Mr. Peanut stuff and other small "Treasures".

The last couple years she spent successfully running her business – Miller's Auto Upholstery Inc. in Seaford and loving her family.

She loved life and clung to it tenaciously to the end for the sake of her family and friends. She was an inspiration. She is now a risen saint. Earth is the poorer; Heaven is the richer.

Family

Betty Lou Gladden

Betty Lou (DeVaughn) Gladden was born on August 21, 1930 in Wenona, Maryland, Somerset County, to the late Maude and Walter DeVaughn.

Betty grew up in Wenona, Maryland and attended Somerset County School. At an early age, she attended St. Paul's United Methodist Church in Wenona.

On June 5, 1946, she married the late Reverend Herbert H. Gladden who passed away on August 16, 1991.

Betty and Herbert had three daughters, Inez Gladden Bagley of Dover, Delaware; Deborah Gladden Tatterson of Snow Hill, Maryland, and Denise Gladden of Hebron, Maryland and one grandson, Michael Bagley of Daytona Beach, Florida.

Betty was a homemaker as well as a devoted wife and mother and a devout Christian. She loved the church and her church family. She always put the needs of others first.

On Thursday, September 22, 2005, Betty passed away at her home in Hebron, Maryland after a short battle with cancer.

Her funeral was held on Monday, September 26, 2005 at Holloway Funeral Home in Salisbury, Maryland, officiated by the Rev. Romie Payne, the Rev. George Godfrey and Pastor Jamie DeVaughn (her nephew). She was buried at Spring Hill Memory Gardens in Hebron, Maryland.

Daughters

Doris Blundon Hunter

Doris Blundon Hunter and her twin brother, John, were born on July 1, 1930 to parents Anna and John Miller of Ardsley, PA. At that time, twins were a rarity and, from the very beginning, she felt extra special because of this double blessing.

She was the widow of the Reverend A. Jason Blundon who went to God's eternal Home in July, 1976. She shared with him a ministry to congregations along the Eastern Shore of Maryland and Delaware. Together with consistent love, they raised two children – Faith Jacobsen married to Karl Heinz Jakobsen of Breklum, Germany, and Jay, married to Lettie in Memphis, TN. She is also survived by two grandsons, Brandon and Gaven, and how she enjoyed them!

As a licensed skilled nursing home administrator, she felt that she found her "own calling" in the health care field. Over a 30 year period she worked with the elderly, endeavoring to give them the "best years" possible. Her mentor was the late Dr. George H. Pigueron. She was the first employee of the Methodist Manor House in Seaford, DE, and following her husband's death, she was called to return there. This time, she was the first female non-clergy Executive Director to serve in that position. Later, she became Regional Manager for another health care corporation, and was responsible for the operation of their 5 nursing homes on the Eastern Shore. Under her guidance and vigilance, she assisted in the ground breaking and construction of three health care facilities, including the Methodist Manor House, along with administrative duties.

Doris continued to be active in her church life and also Rotary International. She was the first woman President of Rotary in the states of Delaware and Maryland.

In 1992 she married Arthur W. Hunter from Oreland, PA. He had been her deceased first cousin's husband, so Doris gained a second family. Instead of cousins, they became her step-children and step-grandchildren ... sharing and enjoying one another ... Art's two sons and spouses along with 5 granddaughters and 2 great grandchildren.

With her marriage to Art, she moved from the Eastern Shore back to Pennsylvania. She marveled at the saying "you can't go home again". But she did, and it brought many days of happiness – reunions with friends from Abington High School and Abington Hospital and the University of Delaware and closer in distance again to her twin. This became her life in retirement, enjoying many cruises with her new husband, and trips to Germany by plane and to Tennessee by RV. She never forgot the good days in the "Southland" either and always would refer to the sand between her toes with affection.

Doris loved people, and it was evident in the way she lived and shared with so many. Throughout her life time, she felt truly blessed by her Heavenly Father and His goodness to her. Her feelings about her future come from one of her favorite hymns, "Blest Be The Tie That Binds". When we are called to part, it causes inward pain. But we shall still be joined in heart, and hope to meet again.

Doris Blundon Hunter passed away on January 9, 2006, peacefully at home with her with family in Memphis, TN, after struggling with a degenerative lung condition for several years. Funeral services were held at the Oxford United Methodist Church, in Oxford, MD on January 16, and she was interred next to Jason in the Oxford Cemetery.

Children

Olive Butler Loss

Olive May Butler was born on December 14, 1914 in Ridgely, Maryland, the oldest child of Arthur and Helen (Simon) Butler. She grew up on a farm, attended public schools in Caroline County and graduated from Caroline County High School in 1931.

Olive's family worked hard on the farm. They lived through the Depression and did not have much. It was only because of a full tuition scholarship that she was able to attend Western Maryland College. She graduated with a B.A. in English and minors in History and Art in 1935. In 1971, after the death of her husband, she achieved a Master's in Education from the University of Delaware.

It was at Western Maryland College that she met a handsome upper classman, Robert F. Loss, Jr. Bob later graduated from Western Maryland and Westminster Seminary and was ordained a Methodist minister. Bob and Olive were married July 17, 1934 and spent their early years together in co-ministry at Greenbush-Hallwood, Allen, Kent Island, Hillsboro-Queen Anne, Vienna-Elliott and Millsboro. They had three children, Dr. Brian B. Loss, Robert F. Loss III, and Sandra Loss McKay. Due to poor health Bob left the ministry in 1950 but he later served several years as a supply pastor for Friendship-Hartly. He was deceased January 20, 1967.

Olive was a well-known and respected educator in Delaware for 34 years, beginning in 1950 as a teacher of 5th and 6th grade in Odessa Elementary School and rising through the ranks to become the first female School Superintendent in the state. She retired from that position in 1984 at the age of 70. In 2002 the Appoquinimink School District opened the Olive B. Loss Elementary School in Bear, named in her honor.

Olive was baptized on March 3, 1915 by the Rev. Alfred Rahn. She grew up attending church regularly and her faith was of utmost importance to her through all of her life. She was a long time and active member of St. Paul's United Methodist Church in Odessa. Besides her devotion to church and school, Olive's great loves included her family, gardening, golfing with Bob, music and reading.

In 1950 Olive and Bob moved to Odessa, Delaware and she resided in her own home taking care of herself until her death. Her mental faculties were as acute as ever. On September 18, she was admitted to the Christiana Hospital Emergency, diagnosed with septic shock. She died in the Coronary Intensive Care Unit on September 21, 2005. Friends called at her beloved church on October 7 and a Celebration of Faith and Resurrection for Life and Witness was held following visitation at the school named in her honor. Olive is buried next to Bob at Old Lawyers' Cemetery in Odessa. The Rev. Karin Tunnell officiated at the celebration service and graveside.

Olive is survived by six grandchildren; Dawn Loss Walsh, Miles Somers Loss, Cathi Loss Killian, Dr. Robin Loss, Sheryl McKay Baierlein, Esq. and Robert F. Loss IV and six great grandchildren; Anthony Petrucci, Shannon Walsh, Brett Walsh, Christopher and Porter Killian and Bridget Baierlein.

Her family is very proud of Olive and so thankful that the Appoquinimink School District named an elementary school after her while she was still able to enjoy the honor. What a legacy! She will be greatly missed, but she has claimed God's promise and is now experiencing infinite peace.

Daughter, Sandra Loss McKay

Smith.

Rosemary attended CTS from 1943-46, graduating with a Masters Degree in Religious Education. During the summer of 1944 she attended the National Methodist Youth Conference in Wisconsin. Their second daughter, Susanna Pauline, was born in Concord, N.H. in 1953, and their son, Philip Roger, in Lancaster, N.H. in 1958. When the New Hampshire Conference met in Lancaster in 1961, with Curtis as host pastor, Rosemary was integral as hostess to the conference attendees.

In 1964, the Smith family moved to Maryland to join the Peninsula Conference. During this time, Rosemary took up teaching again, tutoring adults and homebound children. She taught Sunday School at Choptank Charge and helped organize lay witness missions at Frankford, Delaware and Mt. Vernon, Maryland churches.

In 1985, Curtis retired, and he and Rosemary moved back to Lancaster, NH, where they rejoined Christ United Methodist Church (formerly Lancaster Methodist). Rosemary remained active in the church, as she did throughout her life, teaching Sunday School and continuing as a member of United Methodist Women.

Rosemary was a member of her local chapter of Parents and Friends of Lesbians and Gays (PFLAG). She was an avid reader with wide-ranging tastes, and was a diligent correspondent, keeping in touch through letters with family and friends everywhere. She was a great one for walking places, including walking to the post office in Allen, Maryland, to pick up the mail each day. She loved card games and all sorts of word riddles and puzzles, especially crossword puzzles.

Rosemary is survived by her husband of 57 years, Curtis W. Smith, her children Margaret Smith of Bainbridge Island, Wash., Susanna Smith of Seattle, Wash., and Philip Smith of Providence, R.I., and grandchildren Heron and Emerson Greenesmith. Laura Bell Berthold gave a eulogy and informal memoir. Rosemary's ashes are buried in No. 10 Cemetery, Lancaster, N.H.

Rosemary was much loved by her family and friends for her kindness, sensitivity, intelligence, wit and warmth. She is greatly missed.

Her Family

Virginia Corley Von Hagel

Virginia Corley Von Hagel was born December 19, 1908 on a small farm in Fauquier County, Virginia, the sixth of eight children born to Herbert Baldwin and Herculia (Gore) Corley. She demonstrated a strong will to live from an early age and at ten survived pneumonia during the influenza pandemic of 1918.

After the family moved to Arlington, Virginia, she graduated, as salutatorian of her class, from Washington and Lee High School in 1928 and attended Strayer's Business College.

In 1933 she married the Reverend James J. Von Hagel who was the young pastor of her local Methodist Protestant Church in Arlington, Virginia and they began a long and meaningful faith journey in "the ministry." In 1939, at the union of the Methodist Protestant and Methodist Episcopal Churches, several pastors who had attended Westminster Seminary together including Mr. Von Hagel, joined this Conference and came to the Eastern Shore by ferry as the Chesapeake Bay Bridge did not exist.

Mrs. Von Hagel was a devoted wife and faithful helpmate until Mr. Von Hagel's death in April of 1994. In addition to being an immaculate and organized homemaker at a time of few modern conveniences, she acted as her husband's executive assistant and confidant giving selflessly of her time and energy to help parishioners and further the work of the Church. They served United Methodist Churches in Arlington and Clarendon, VA; Vienna, Salisbury, Hurlock, and Rising Sun, MD; Greenwood, Milton, Frankford, Wyoming, Wilmington and Stanton, DE.

Mrs. Von Hagel loved "the work," as she called it, and in her declining years, enjoyed keeping up with news of the churches of the Peninsula-Delaware Annual Conference and listening to tapes of Sunday services at St. Mark's UMC, where she was a member.

Through her example, she instilled in her children and grandchildren the love of God and family, an appreciation of beauty and music, the value of education, the love of words, the importance of serving others, and a strong work ethic.

She entered the Church Triumphant April 13, 2006 at Memorial Hospital at Easton, Maryland, after a long and valiantly fought illness. She was 97.

A memorial service was held on Monday, April 17, 2006 at St. Mark's United Methodist Church, Easton, MD with the Reverend Gary Moore and Dr. Gilbert Anderson officiating. Dr. Mark Higginbottom, Ellen Berry-Grunden, Scott Clausen and Dr. Bill Wharton provided special music. Included in the service was Mrs. Von Hagel's favorite passage from Psalm 46

*God is our refuge and strength, a very present help in trouble.
Therefore we will not be afraid....*

In addition to her daughters, Jean M. Churn of Lansing, Michigan and Maggie Mayo, of Easton, she is survived by her son-in-law, the Reverend J. Thomas Churn; grandchildren James Churn, David Churn and his wife Lori; Ernest James and his wife Jennifer; Kelly Murdoch and her husband, Billy; and her great grandchildren Alex, Ryan and Pam Churn, Ernie and Katie James, Georgia Leigh Murdoch; and one sister, Eleanor Ward.

At the memorial service Kelly Murdoch said, "Grandmother and granddaddy, for it's hard to talk about one without the other, shared an indescribable love and a steadfast faith. They lived their days together as thoughtful, compassionate, and diligent servants of the Lord. They were not perfect. They had hardships and disagreements like everyone else but they resolved them together — as a team — with their faith always in the forefront of their minds guiding their actions. They did everything together; where one had limitations, the other compensated. Being able to experience their love and work in ministry was a gift to all of us who were able to witness it. In fact, it is such a gift, that it will continue to be given to subsequent generations. We will pass on that same indescribable love and steadfast faith. We will remember."

The Children and Grandchildren

Dorothy L. Wilkins

Dorothy Elizabeth Litz (Wilkins) was born on September 11, 1922 in Wilmington, DE. Her parents were J. Leslie Litz and Mariana Hardin Litz. She was raised in Virginia but moved back to Wilmington, DE. She received her Associates degree from Stephens College in Columbus, MO and her Bachelors from William and Mary in Williamsburg, VA. She worked for the Dupont Co. in advertising and then moved back to Wilmington, DE and worked as the secretary for Grace United Methodist Church.

Dorothy met husband to be, Howell O. Wilkins, who was serving as pastor at Hillcrest United Methodist Church and they were married on December 29, 1959. They moved several times over his/their career as pastor and pastor's wife. They served at St. Johns UMC in Seaford, DE, the Wilmington District Superintendent, Asbury UMC in Salisbury, MD, Conference Council Director, the Easton District Superintendent, Richardson Park UMC in Wilmington, DE, and at Wesley UMC in Dover, DE. After her husband's death she remained in Dover, DE for a few years and then moved to the Methodist Country House in Wilmington, DE. Dorothy Wilkins died on March 4, 2006.

Dorothy loved to do many things, of which traveling with her family was probably at the top. Much of their travel came through Howell's being a member of the World Methodist Council. They traveled to each assembly from Denver in 1971, Dublin in 1976, Hawaii in 1981, Nairobi in 1986, Singapore in 1991, and Rio De Janeiro in 1996. On each trip, they planned additional side trips through the area. They also traveled extensively through the U.S, Canada and Europe.

Dorothy also loved to spend time with her family and play with her two granddaughters, Paige and Dana Wilkins. She would tell everyone one how she was the oldest first grandmother. She used to play with them so much that she had to go home and rest several days afterwards.

Dorothy also loved to write. She took several writing courses and joined several writers' groups. She wrote several short stories. She used her writing talents to keep in touch with many friends. Many of these contacts/friends included the next generation(s) also. She became computer literate- OK, only somewhat. But, she did become a great fan of using email to stay in touch along with writing letters. If anyone doubts her love of writing, just look at her Christmas card list.

She also loved to learn and continued to do so when she moved to the Methodist Country House and attended the University of Delaware's Academy of Life Long Learning where she studied Spanish, History and Religion among other topics.

She also loved music and playing the piano. She also was a member of Church Women United, PEO Sisterhood, and United Methodist Women.

Son, Chip

Emmett Wilson Jr.

Emmett Wilson was born July 16, 1939 in Harrison, West Virginia to Emmett and Beulah Wilson. His formal education concluded at the University of North Carolina School of Public Health in an accelerated program where he received his MPH degree. His career spiraled as he moved from teaching into Director of Health programs; first in Alcoholism, then in Mental Health, and later, Public Health.

In the 70's he established Delaware's first Human Service program at Delaware Technical and Community College and served as its Department Chairman for twelve years. He concluded his career there as Dean of Administrative Services and retired in 1991.

On April 15, 1977 Emmett married Barbara Wilson and they had 3 children; Sabra Denise, Jay Lowe, and Beth Elzey.

Emmett's interests were as intense as his career. He was a Master Duplicate Bridge player and traveled to tournaments all over the country. He was an outstanding college athlete, who set records and won awards. Later, he coached Pop Warner football with the same enthusiasm and watched some of "his boys" achieve excellence. He was a voracious reader of mystery novels and an excellent cook.

Emmett would tell you that his relationship with Jesus Christ as his Lord and Savior, his love and devotion to his wife and children, and the strong bonds of family love were what made his life complete.

Emmett would tell you that it was his great hope to pass on the grace given to him as he encouraged those who feared, to point to the possibilities for those who despaired, and to listen with empathy to those who were broken and to find strength in those who saw themselves as weak. He would also tell you that there is no greater love than God's love for each of you and that his prayer for you is that you will allow this love to completely change and transform your life into all that God purposes for you -- just as it did for him.

Emmett Wilson died on February 20, 2006. A memorial service was held at Grace United Methodist Church in Georgetown on February 25, 2006 with Rev. Mike McGee officiating.

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
 2. To adjourn;
 3. To take a recess;
 4. To lay on the Table.
 5. To call for the previous question;
 6. To postpone to a given time;
 7. To refer;
 8. To substitute;
 9. To amend;
 10. To postpone indefinitely;
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.

- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: **deacons and elders** in full connection; probationary members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge.

Lay membership designated by **Par. 32 of the 2004 Book of Discipline** includes: **a professing** lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one youth between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the 2004 Boos of Discipline. The lay members shall have been for the two years next preceding their election members of The United Methodist Church and shall have been active participants in The United Methodist Church for at least four years next preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an

additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 653 in the 2000 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

**B. Rules and Guidelines for the Conference
Nominating Task Force**

A.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Task Force be 28 – 32 persons.
That the Nominating Task Force be composed of the following persons:
 - One lay and one clergy representative from each District
 - Cabinet Representative
 - Conference Lay Leader
 - District Lay Leaders
 - Two Young People's representativesMembers at large – minimum of six persons. Members at large will be selected to assure inclusiveness. The Nominating Task Force co-chairs will be selected from the members at large pool.
 - Ex officio members without vote:
 - 1 representative from Monitoring Team
 - 1 representative from each of the four Resource Teams
 - Conference Resource Director
3. That the following guidelines be used by the Conference Nominating Task Force:
 1. Nominations will be based upon a person's gifts, abilities, and leadership
 2. Priority will be given to assure inclusiveness
 3. The Task Force will operate by consensus
 4. Prayerful discernment will be the framework for the work of the Task Force
 5. See section B for process for securing leadershipLocal Churches and District organizations are encouraged to use the same guidelines wherever appropriate.
4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guideline for Conference positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term. (Conference Rule #23, page 347, 2004 Conference Journal) Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be

permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Task Force is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Task Force in equal distribution of responsibility on the part of the Conference members. The Nominating Task Force will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2004 Book of Discipline, ¶611.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Task Force may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Para. 162.E, page 106 of the 2004 Book of Discipline), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Task Force shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Nominating Task Force's report. A report of the board, agency, and Resource Team chairperson to the secretary of the Conference Nominating Task Force by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, Co-Chairpersons (lay and clergy) shall be nominated for leadership for boards, agencies and Resource Teams. It is recommended that District organizations also use Co-Chairpersons. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Nominating Task Force will dialogue with persons about their gifts and experience prior to nominating them as co-chairs. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of co-chairpersons:

1. Demonstrate spiritual gifts or expertise needed for the specific area of ministry;

2. A demonstrated leadership ability in the local church;
 3. Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 4. Willingness to commit time as required by the position;
 5. Willingness to commit time for training for the responsibilities of the office;
 6. Have an understanding of and a willingness to support the polity of the United Methodist Church;
 7. Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of election to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
 14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
 15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

B.

*Concerning the Nominating Task Force,
its report and the securing of talent*

1. That the report of the Nominating Task Force to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent through the representatives serving on the Nominating Task Force to obtain recommendations for persons. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Team for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Nominating Task Force.
4. That the above-adopted guidelines for the Nominating Task Force of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Nominating Task Force report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.
