III. DAILY PROCEEDINGS

Friday, June 8, 2007 Clergy Session University of Maryland Eastern Shore Princess Anne, Maryland

The Clergy Session began at 9:00 a.m. in the Theater of the Student Services Center. The Rev. Jim Hawkins led the body in the singing of hymns, accompanied by the Rev. Helen Lockwood. The Rev. Donald Godwin, Vice Chairperson of the Board of Ordained Ministry, led in opening prayer. The Rev. Everett LeCates read 2 Corinthians 3:1-6. The Rev. Grant Johnson, Chairperson of the Board of Ordained Ministry, extended greetings to all clergy present. Several guests were introduced: the Rev. Christopher Kurien, Dean of the Cabinet from Eastern Pennsylvania Annual Conference; the Rev. Gary Smith, Superintendent of the Central District from Eastern Pennsylvania; the Rev. David Fife, Assistant to the Bishop; and Mrs. Amy Botti, the Bishop's Executive Secretary.

Candidates for commissioning and ordination were excused.

Bishop Marcus Matthews called to order the Clergy Session. Pursuant to ¶602 of the 2004 *Book of Discipline*, Rev. Johnson offered the organizational motion, which was carried. Probationary members, associate members, full-time and part-time local pastors, and student local pastors, shall be allowed to sit in the Clergy Session with voice, but without vote.

Rev Grant Johnson advised all clergy who are changing appointments to contact Mr. Bill Westbrook, Director of Administrative Services and Treasurer. He can supply health insurance coupons, and assist clergy in completing a new investment plan for the PIP. New clergy in the Annual Conference should schedule an appointment with Elaine within seven days of this date.

The Rev. Dr. Sandra Steiner Ball, Dean of the Cabinet and Dover District Superintendent, presented the report of corporate accountability on behalf of her colleagues on the Cabinet. She asked the other District Superintendents to stand as she read the following statement:

1. Corporate Accountability -- Sandra L. Steiner Ball, Dean of the Cabinet

"Are all the clergy members of the conference blameless in their life and official administration?"

(P.604.4, 605.6 [2004])

The Bishop and District Superintendents:

In almost every case, our clergy members are blameless in life and character. The performance of every ordained minister and local pastor has been reviewed by the Bishop and Cabinet. Where there is concern or basis for a grievance, it is being pursued with the knowledge of the member involved.

The 223rd Session of the Peninsula-Delaware Annual Conference

Friday, June 8, 2007

Ella Fitzgerald Performing Arts Center,

University of Maryland Eastern Shore

Princess Anne, Maryland

“Changing Lives in a Changing World”

The 223rd Session of the Peninsula-Delaware Annual Conference opened at 1:00 p.m. with the singing of hymns written by Charles Wesley, in celebration of the 300th anniversary of his birth. The hymns were set to different tunes. Hymns sung included “O Come and Dwell in Me,” “Blest be the Dear Uniting Love,” “Jesus, Thine All-Victorious Love,” (including the refrain from “O How I Love Jesus.”) and “O Thou Who Comest from Above.” Musical accompaniment was provided by the Rev. Jack Abel, the Rev. Helen Lockwood, and the Rev. Lawrence Purnell.

Call to Order Bishop Marcus Matthews called the Conference to order with the singing of the hymn, “And Are We Yet Alive,” accompanied by the Rev. Jack Abel. The Bishop shared the first in a series of prayers from *This Day: A Wesleyan Way of Prayer*, compiled by the Rev. Dr. Laurence Hull Stookey, Professor of Preaching and Worship at Wesley Theological Seminary and a clergy member of the Peninsula-Delaware Annual Conference.

Inclusiveness Covenant: The Rev. Pearl Johnson read a letter from the General Commission on Religion and Race. This statement reminded the Annual Conference of the importance of inclusiveness in all its deliberations, but especially in voting for delegates to the 2008 General and Jurisdictional Conferences. The theme of this letter was “inclusiveness counts!” Inclusiveness must be represented in both our legislation and our leadership.

Covenant of Accountability: The Rev. Dr. William Wallace represented the Advocacy Resource Team in declaring that acts of racism and bigotry should not be practiced by the people of God. Fear gives way to God’s perfect love. The Embracing the Black Church Task Force assumes the responsibilities of the Commission on Religion and Race in the Annual Conference. Two levels of “Nurturing Wholeness in Community” seminars are offered. The first level deals with the Biblical, theological, historical, and social aspects of racism, and the second level is more interactive and dialogical, in terms of how racism has impacted the lives of participants. An attempt has been made to encourage every clergy and lay leader of the Annual Conference to attend both levels of the seminar. Many have attended, though not all have yet taken advantage of the opportunity. The struggle against racism, bigotry, and hate crimes continues. The Council of Bishops has been encouraged not to hold meetings and events in cities that perpetuate negative images of Native Americans.

Adoption of Agenda, Rules of Order: The Rev. Boyd Etter, Conference Secretary, directed members to the Formal Agenda of the Annual Conference and moved its adoption. The Agenda was adopted as presented.

The Rules of Order were also adopted as presented.

Introduction of Guests: The Rev. Dr. Sandra Steiner Ball, Dover District Superintendent and Dean of the Cabinet, welcomed Mary White, Lay Leader of the Eastern Pennsylvania Annual Conference; the Rev. Gary George, District Superintendent of the Central District; the Rev. Christopher Kurien, District Superintendent of the Northwest District and Dean of the Eastern Pennsylvania Annual Conference Cabinet.

The Rev. Christopher Kurien extended greetings from the Eastern Pennsylvania Annual Conference. He shared that Bishop Matthews often emphasizes the spirit of hospitality and generosity prevalent in the life and ministry of the Peninsula-Delaware Annual Conference. Mary White also shared on behalf of the laity in the EPA Conference.

Recognition of Those in Extension Ministry: Bishop Matthews invited those serving in Extension Ministry to stand. He also recognized the Bishop's Assistant, the Rev. David Fife, for his work with those in Extension Ministry.

Introduction of the President of the University of Maryland Eastern Shore: The Rev. Candy Miles introduced Dr. Thelma Thompson, President of UMES. As she presented Dr. Thompson, she reminded members of the historic connection between the Peninsula-Delaware Annual Conference and the University, which originally was an academy of the former Delaware Conference. It was noted that Dr. Thompson has served on the Historically Black Colleges and Universities Congressional Committee on Education, the U.S. Department of Education and the National Association for Equal Opportunity in Higher Education, the Community Foundation of Salisbury, Maryland; and as a White House Presidential Advisor on the Reading First Teacher Education Network Program. She also was recently recognized at the Black Engineer of the Year Conference as one of the most important blacks in technology for 2007.

Dr. Thompson "welcomed home" the members of the Annual Conference. She invited the Rev. Charlotte Nichols, Salisbury District Superintendent; and the Rev. Candy Miles,

Campus Minister, to stand with her as she brought her greetings. The Rev. Nichols sits on the University's Board of Visitors. Students at the university have immediate access to security in the event of a tragic incident such as that which occurred this past year at Virginia Tech. She presented gifts to Bishop Matthews, the Rev. Nichols, and the Rev. Miles.

Bishop Matthews in turn presented a gift to Dr. Thompson for the hospitality that she and the entire University staff shower upon the entire Annual Conference during its sessions.

Committee on the Episcopacy: The Rev. Dr. Jonathan Baker and Mr. Royal Pinder presented the report of this Committee. The Rev. Dr. Baker asked members of the Committee to stand, and he then presented Bishop Matthews to the Annual Conference, inviting its members to stand and recognize both the Bishop and Mrs. Barbara Matthews.

Mr. Pinder reported on the work of the Committee during the preceding year. An Episcopacy Residency Committee concluded that needed repairs on the existing episcopal residence would not be cost effective. The Committee determined the need to sell the existing home and purchase a newer home that would serve the Philadelphia Area well into the future. The new episcopal residence is only three years old. The difference in cost between the newer home and the proceeds from the sale of the existing residence was significantly less than the cost of the needed repairs. Neither Bishop nor Mrs. Matthews requested relocation, and are to be commended for moving again after having done so only two years earlier.

The Rev. Dr. Baker addressed the needs for staffing the Episcopal Area Office. The Committee highly recommends the continued employment of an Assistant to the Bishop for the purpose of research, monitoring and supporting the important work of relating to clergy in partnership with the Boards of Ordained Ministry in Peninsula-Delaware and Eastern Pennsylvania, and in representing the Bishop at functions he is unable to attend because of conflicting commitments.

The position is presently half-time, but the increasing demands upon the Bishop will require continued attention and monitoring of the numerous duties of the office of the Assistant. The Rev. David Fife, Assistant to the Bishop, was recognized for his fine ministry.

Mrs. Amy Botti, the Executive Secretary of the Episcopal Area Office was also introduced and applauded for her creative and efficient service on a daily basis.

The Committee covenants daily to pray for Bishop and Mrs. Matthews, and invites the entire Annual Conference to join in those prayers.

Bishop Matthews extended appreciation to the Committee for its thoughtful acts including calls and cards throughout the year.

Board of Pensions Presentation: Mr. Dennis McDowell acknowledged that General Conference 2004 had mandated the creation of a new pension plan, effective January 1, 2007. There is still an outstanding obligation of some \$12 million in pension liability for retirees, even after changes in Medicare, Part B. He announced that both he and Mrs. Elaine Moreland, Director of Conference Benefits, would be available on Saturday morning in the tent outside the Ella Fitzgerald Center to answer questions on the pension plan or on health benefits.

Nominating Task Force (initial presentation): Mrs. Verlie Gaither offered the draft of the Nominating Task Force's report, inviting members to submit corrections on the form provided. The Report would then be presented for vote on Saturday morning, June 9th.

First Ballot for Delegates for General Conference: Bishop Matthews announced the first ballot for delegates for the 2008 General and Jurisdictional Conferences. Instructions were given by the Conference Secretary. The Bishop explained that members would be electing three lay and three clergy delegates to the General Conference. Voting would then proceed for three additional clergy and lay delegates to the Northeastern Jurisdictional Conference who would join the General Conference delegates in representing the Annual Conference at the Jurisdictional Conference. The instructions included the criteria that would render a ballot invalid. Chaplain (Major) Sherrol James offered a prayer for discernment for the first clergy and lay ballot.

Opening Worship: Elements from the Order of Christian Marriage were incorporated into this celebration, which began at 3:00 p.m. Revelation 21 was used as a Call to Worship, followed by a procession of flags with children, youth, and adults. The service continued with a Declaration of Intention in the context of the renewal of baptismal Vows. Worship leaders included the Rev. Dr. Sandra Steiner Ball, the Rev. Kyung Mo Koo and his family, the Rev. Bo Gordy Stith, the Rev. Vicki Gordy Stith, the Rev. Shirlyn Henry Brown, the Rev. Christina Blake, the Rev. Bill Sterling, Mrs. Betty Gooch.

Bishop Marcus Matthews used John 3:16 as the text for his sermon, entitled "Changing Lives for a Changing World: After..." He observed that today, people want proof that God truly loves us, that God never gives up on us. The Bishop used the illustration of Dr. E. Stanley Jones, who learned that he must begin with Jesus Christ at the center of his being, and that only *after* meeting Jesus Christ would everything else make sense. The Healthy Church Initiative will succeed only if Christ is at the center of it. Numerous Biblical characters also demanded proof of God's presence and God's power—leading up to God's greatest miracle, the resurrection of Jesus Christ.

The proof of God's presence is seen in the ministry of Disaster Relief Teams at work in Mississippi and Louisiana; in the faces of 5,000 youth who are gathering each January in Ocean City, Maryland; in the fact that a work team will be journeying to the Republic of the Congo this July.

Many will testify that God first spoke to them at Camp Pecometh. Conference members have gathered to reaffirm their covenant to God across Delaware and Maryland's Eastern Shore. We can only go forth with the love of God if we are "healthy;" "sick" people cannot offer the healing power of Jesus Christ! But when we have been touched by Christ, then we shall be empowered to bear witness in every community by allowing our faith to make a difference in the world! We can never be the same "after" our encounter with Jesus Christ as we were "before"!

Following the message, Bishop Matthews invited persons to come forward to pray for themselves and for others.

The Revs. Bo and Vicki Gordy-Stith sang "Come What May," a song affirming lifelong commitment from the movie *Moulin Rouge*. A liturgical dance was performed by the Rev. Shirlyn Brown and the Rev. Christina Blake, accompanied by "The Prayer."

An act of covenant renewal concluded the service of opening worship. Rings were removed from the worship booklet and placed in offering baskets as a sign of committing ourselves to God.

Healthy Church Initiative: Co-Chairs of the Vision Team, Mrs. Dona Rayne and the Rev. John Penn, offered a presentation on the Healthy Church Initiative. A train was used an image for the Initiative. The body was also greeted by "railroad employees" and the call to "get on board."

The Healthy Church Initiative offers a pathway to healthy disciples involved in healthy ministry that will lead to healthy churches. In the fall of 2005, Bishop Matthews cast a vision for healthier churches. Everything that we do as an Annual Conference will be defined within the context of Covenant. Ministries are grouped in ways that mutually complement each other.

The Covenant Ministry Plan reflects the partnership between the local church and the Annual Conference. We also have a Covenant Funding Plan stressing our stewardship in support of the Covenant Ministry Plan. The author of the book, *Watching Over One Another in Love*, reminds us that in the covenant with God, we are called to both *privilege and obligation*.

Covenant:

- Communicates that "being the church" is too important to leave to chance.
- Communicates our intention to care.
- Holds us mutually accountable.
- Sets priorities, establishes structures, provides boundaries, identifies procedures.
- Saves persons from the isolation that undermines support and accountability.
- Is a vehicle for assessing effectiveness in ministry in a collaborative and open way.
- Nurtures and enables learning and growth.

A theme verse for the Healthy Church Initiative is "Behold, I am doing a new thing! Now it springs up; do you not perceive it?" (Isaiah 43:19a). The Covenant Ministry Plan recognizes the local church as a partner in ministry!

Twelve ways have been identified through which local churches will be able to more effectively make disciples:

1. Gear Up:
 - a. Train effective leaders (Matthew 10:5-42)
 - b. Discover God's gifts (1 Corinthians 12:1-31)
 - c. Know your neighborhood. (Matthew 22:8-10)
2. Reach In:
 - a. Talk with God. (Matthew 6:5-15)
 - b. Grow in groups (Acts 2:42-47)
 - c. Care for others (Philippians 2:1-5)
3. Reach Out:
 - a. Practice hospitality (Romans 12:13)
 - b. Connect with your neighbors (Matthew 25:31-46)
 - c. Equip and send to serve (Ephesians 4:11-13)
4. Live It!
 - a. Create Christ-centered worship (Hebrews 10:19-25)
 - b. Share Christ (Matthew 28:16-20)
 - c. Live as Christ's faithful stewards (2 Corinthians 9:6-15)

The Rev. Dianne Henry and the Rev. Scott McClymont were our tour guides on the HCI Express, offering an exciting, enthusiastic Biblical foundation for the twelve ways local churches will share the good news of God's love through Jesus Christ.

For the Gear-Up Phase, the Rev. John Mitchell advised that he and the Rev. Gary Moore had developed a curriculum in response to an expressed need by clergy for effectiveness training. In the past 25 years, we have increased the number of pastors in the Annual Conference by 30% or by an additional 75 pastors. Yet, the result of 75 more pastors is that we have had only a slight increase in worship attendance. Membership has steadily declined in that same 25-year period. And sadly, there have been almost 25% fewer baptisms last year than was the case 25 years earlier. Four key areas are the focus for the training: self-awareness, life-belief awareness, system awareness, and time awareness. The Myers-Briggs Type Indicator was used in helping increase awareness of self, life-beliefs, systems, and one's use of time.

For the Reach-Out phase, Mr. Jerry Howard expressed the importance of Lay Speaking classes and other small groups provided throughout the year. The Dover District Board of Laity has shared salvation messages and services of healing in most of the 109 churches on the District. He especially challenged the men to be disciples for Christ.

The Rev. John Penn shared a story about an opportunity for Reaching In. He discovered an idle room in the new church building at Simpson UMC. Some members observed that it might become a conference room. But Rev. Penn reasoned that it might more faithfully be utilized as a prayer room. The smallest room proved to have the greatest impact of all! Soon, he had the opportunity to take to the prayer room an inebriated man who appeared at the church, and who requested prayer.

The Rev. Anne Pruett-Barnett and the Rev. Marie Smith spoke about the work of the New Church Development Team in planting new churches and redeveloping existing churches, including providing new worship experiences across the peninsula.

Mrs. Elaine Moreland shared the rationale behind Resolution R-9. This will include those already effectively serving on Conference boards and agencies, and will create a new Clergy and Lay Leadership Committee.

Many passengers were greeted by the conductor as they boarded the HCI Express!

Bishop Matthews prayed for the unlimited possibilities for making disciples for Jesus Christ through the Healthy Church Initiative.

Resolution R-9: 2007 New Committee on Clergy and Lay Leadership

The Vision Team is heeding the words of Isaiah, "Forget the former things, do not dwell on the past. (Isaiah 43:18), and is moving forward in the promise, "Behold, I am doing a new thing, now it springs up, do you not perceive it?" (Isaiah 43:19a).

The Vision Team believes that the Holy Spirit provides all people with specific spiritual gifts and that there are persons who are passionate about their gifts. These persons should be given the responsibility to lead, teach, and assist local churches to become healthy or healthier local churches;

Since the 2006 Peninsula-Delaware Annual Conference's directive was to focus on the Healthy Church Initiative, the Vision Team's responsibilities have changed from a reporting team to one of taking leadership for the Healthy Churches Initiative's success. The Vision Team has developed a Covenant Ministry Plan to give the local church more access to resources to make disciples of Jesus Christ, and has developed a stewardship plan called a Covenant Funding Plan that requires more accountability of the budget. The Vision Team will continue to review the Relational Design Plan to determine if changes are needed in support of the Covenant Ministry Plan.

THEREFORE the Vision Team moves that the current Conference Nominating Committee be dissolved and that a new "Committee on Clergy and Lay Leadership" under the direction of the Vision Team be formed. The Vision Team will appoint this new "Committee on Clergy and Lay Leadership" in consultation with the Bishop and Cabinet in accordance with the *Discipline* ¶609.5 that states that "special attention shall be given to the inclusion of clergywomen, youth, young adults, persons from churches with small memberships, people with disabilities, and racial and ethnic persons, in keeping with policies for general Church agencies." The objective of the new Committee is to seek out these persons who have specific spiritual gifts and who have a passion in the area where they will be asked to serve and will be accountable.

In order to find such gifted persons, the Committee on Clergy and Lay Leadership will contact every pastor or lay leader for the purpose of developing a list of persons who meet the following:

- Has gifts in the specific area where he/she is being asked to serve
- Is passionate about using those gifts to assist other churches as well as their own church
- Has demonstrated the gifts in their own church
- Is willing to participate in necessary meetings except where emergencies arise
- Is willing to take on the tasks assigned by the team
- Is willing to be a servant leader

In places where there is disciplinary direction, Committees and/or Boards will be staffed in consultation with the Bishop and Cabinet.

The Vision Team will appoint to the Committee on Clergy and Lay Leadership members who are willing to give their time and talents to take on this project. The Committee should be in place by September 1 and complete its goal of 50% of the local churches contacted by December 1, 2007 and the remaining 50% by March 1, 2008. The Committee will make available a way to add or remove persons to the list as needed. Once The Committee on Clergy and Lay Leadership has been established, it will work independent of, but in consultation with the Vision Team to ensure that all ministries comprise of people of passion and in accordance with *Discipline* 609.5.

The new Committee will use this leadership resource list to recommend to the Annual Conference the names of people to serve as officers and leaders of conference ministries, boards and agencies. Those persons to be recommended are to be contacted during the month of March to ensure their willingness to serve and to make a four or eight year commitment. Once nominated, an immediate acknowledgement of their acceptance should be made and each person is to be notified of the date of the first meeting of the team, board, committee or task force on which they will serve.

The Committee on Clergy and Lay Leadership will be trained periodically as needed by an appropriate staff, Cabinet, or Connectional representative to ensure faithful leadership throughout the conference.

The Rev. Pearl Johnson questioned whether or not inclusiveness would continue to be emphasized in the newly-formed Clergy and Lay Leadership Team.

The Rev. Dr. William Wallace asked who would nominate the Vision Team. He also inquired whether the Myers-Briggs Type Indicator was inherently biased against persons of color.

The Rev. John Penn responded by insisting that there would be a desire to lift up persons with passion for their particular area of ministry.

The Rev. Kun Chon Lee asked how we truly create a partnership between the Annual Conference and the local churches it is called to resource in their ministry and mission.

The Rev. Cindy Burkert expressed the hope that the resolution would be a mechanism through nominations for identifying people's passion for particular areas of ministry.

The Rev. Vanessa Stephens Lee expressed the concern that Rev. Wallace's previous question had not been addressed.

The Rev. Dianne Henry asked if the resolution would eliminate some present positions in the organizational structure.

The Rev. Martha Callaway interpreted the intent of the resolution as revitalizing the local church.

The Rev. Everett Landon stated he had been involved in the Healthy Church Initiative in his local church, and had discovered that the Myers-Briggs Type Indicator had been helpful to himself and his local church leaders.

The Rev. John Mitchell said that the workshop on effective clergy leadership is not related to the resolution. Myers-Briggs examines one's personal preferences, rather than making judgments about any individual or group of individuals. However, more information is available about the use of Myers-Briggs in terms of race and gender.

The Rev. John Penn advised that the Bishop would be responsible for nominating persons for the Vision Team. Mrs. Dona Rayne added that the Vision Team would be nominated at Annual Conference as those elected to other boards and agencies.

The resolution was adopted.

Bishop Matthews advised that there would be ongoing dialogue around this resolution.

The Rev. William Wallace asked for a standing vote on the resolution. 179 voted for the resolution, and 109 were opposed. The resolution did prevail.

Disaster Recovery: The Rev. Dale Brown, Disaster Recovery Coordinator, reported the repair of multiple homes in Seaford, Delaware. They have also assisted the people of Zoar UMC in Selbyville, Delaware in rebuilding after Tropical Storm Ernesto. They have partnered with numerous work teams following Hurricanes Katrina and Rita. He recognized those who have been involved in Volunteers in Mission teams, whose churches had given money, and those who had prayed for the victims of natural disaster. The Peninsula-Delaware Annual Conference is the first Annual Conference in the Northeastern Jurisdiction to form a care team for victims of natural disaster.

The Rev. Yvonne Dayries was introduced as a guest from the Louisiana Annual Conference. She was granted the privilege of addressing the Annual Conference. A DVD presentation was presented, entitled "A Tale of Two Churches." It told the story of the restoration of Cornerstone UMC in New Orleans. Munholland UMC experienced a loss in worship attendance after flood damage, but has sustained worship and programming in spite of the damage suffered.

The local church she was serving as Associate Pastor was a total loss. But she is extremely grateful for the time, money, and service volunteered in rebuilding the lives of victims of Hurricanes Katrina and Rita. Especially was the destruction devastating in low-income housing and mobile home courts. We are called to assist these victims in reconstructing their lives. Rev. Dayries met the Rev. Yvonne Penn, who not only led the Black United Methodist Pastors, but brought a \$10,000 donation to assist in the disaster relief process. More than 12,000 families have been served and more than 32,000 volunteers have been welcomed. Volunteer hours are valued at \$18.04 per hour, in terms of reducing the state of Louisiana's debt to the federal government. Volunteers return to their own local churches with a new spark of dedication and faith for service in their own communities!

Another DVD chronicled the involvement of Volunteers in Mission in restoring hope and property in the affected areas.

The Rev. Dayries was present for the entirety of the Annual Conference sessions. She was available for conversations with those desiring greater insight into the plight of victims in the Gulf Coast region.

Bishop Matthews prayed for the ongoing disaster relief efforts. He also affirmed the efforts of all present on the stage who have given so much of themselves to the ministry of disaster relief.

Cokesbury Presentation: Madeline Beall, Cokesbury Representative noted that her sister was one of the disaster victims in Gulfport, Mississippi. She thanked Bishop Matthews and mentioned some of the new resources available through Cokesbury. There is now *Zion Still Sings for Every Generation*, a collection of music for use in the black church, with pre-publication discount at present. "Nothing but Nets," is partnering with the NBA, Bill Gates, and important corporations helping to relieve malaria by purchasing mosquito nets. The Rev. Belton Joyner has published *The Unofficial Handbook for United Methodist Pastors*. There is also a version for laity as well! She read chapter titles from the Table of Contents in this volume.

On Saturday at noon in the Cokesbury display, there will be book signings by some local authors, and at the Saturday dinner hour, Bishop S. Clifton Ives and Mrs. Jane Ives will be available for book signings as well.

The Rev. Bernard "Skip" Keels, a member of the board of the United Methodist Publishing House, presented a check in the amount of \$6,212.02. The Rev. Dr. J.T. Seymour then moved that this amount be allocated toward the development of the Central Conference Pension Initiative that is a General Church effort.

During the period of Bible study, the Africa University Choir sang. Mr. Salley used the choir as an illustration for the text. God takes a seed and causes it to grow.

Dr. Seymour announced his retirement following 41 years in the ordained ministry, the last eight of which he has served as Conference Resource Director, the position now known as Director of Connectional Ministries for the Peninsula-Delaware Annual Conference. Previously, Dr. Seymour had served as Wilmington District Superintendent.

Bishop Marcus Matthews acknowledged a resolution on behalf of the Advocacy Resource Team to re-name the Annual Conference's Commission on Religion and Race the J.T. Seymour Commission on Religion and Race. The resolution was adopted by acclamation.

Dr. Seymour expressed appreciation for the recognition received. He quoted words from the hymn, "Come, Thou Fount of Every Blessing": "Oh to grace, how great a debtor, daily I'm constrained to be."

The Africa University Choir sang a song in two languages whose lyrics are translated: "Lord, we thank you, and we praise you for what you have done for us!"

Celebration of Ministry: This celebration recognized the five retiring clergy for their distinguished service to Christ and the United Methodist Church.

Many other clergy members of the Annual Conference were honored on the occasion of the anniversary of their ordination or commissioning, beginning with the fifth anniversary, and in increments of five years thereafter.

Local pastors serving the Conference's local churches and in extension ministry were then acknowledged.

Then the new probationary members were called to come forward, and committed themselves to servant leadership in the life and work of Christ's Church. They were joined by one new associate member deacon.

The new class of full conference members and elders were presented to Bishop Matthews, who then used the historic questions for their examination and admission into full connection.

The Rev. Al Taylor provided sacred storytelling for the passing of the mantle from Elijah to Elisha. This is the story told in 2 Kings 2:1-15a. The celebration of ministry then concluded with the passing of the mantle from the retiring class of clergy to the incoming class of elders.

Native American Ministries Celebration: The rich traditions of the Native American peoples of our Annual Conference were celebrated in song and story by Mrs. Odette Wright, Ms. Raggatha Calentine, and Mrs. Boe Harris. Those providing this dramatic presentation were greeted with a standing ovation.

Wesley College Corporate Session: Mr. Charles "Chip" Dashiell, Chair of the Board of Trustees, called to order the Wesley College Corporate Session. The College is in its 134th year, and is proud to share a covenant relationship with the Annual Conference and the United Methodist Church.

The college opened the academic year with another record enrollment, and for the third consecutive year a top tier ranking among northern colleges in the latest *U.S. News and World Report* survey as measured by test scores and by high school grade point average. Students are being enrolled and retained in record numbers. President Scott Miller co-chaired the New Presidents' Program, and is frequently offering commentary in national publications.

Wesley will enter the prestigious Capital Athletic Conference for the 2007-2008 academic year. The Conference includes Salisbury University, University of Mary Washington, St. Mary's College, Gallaudet University, Hood College, Marymount University, Villa Julie College, and York College. For the second consecutive year, the Wesley Wolverines football team advanced to the semifinals of the NCAA Division III national championships. The Wesley men's golf team finished PAC competitions with ten undefeated seasons.

Over 1,600 children, ages 6-18, are enrolled in the Wesley Collegiate Institute, the pre-college program. This includes highly acclaimed partnerships with the Wesley Boys and Girls Club, the Campus Community School, Charlton School, Children's Beach House, the Little School, and the YMCA Resource Center.

Last year the College experienced its single best giving year in its history. Major grants have led to the renovation of Longwood Hall, have enabled the College to acquire part ownership of the Schwartz Center for the Arts, upgrade the athletic facilities, improve instrumentation and expand parking. The College is grateful to the Annual Conference for its continued support.

The Legal Studies Program received a stellar review from the American Bar Association.

The Nursing program received an outstanding review from the National League for Nursing.

Zimmerman Hall features 48 apartments, 200 beds, underground parking, and many modern amenities. Students live in clusters according to affinity interests. Response was so positive that Malmberg Hall was dedicated in 2005 at the cost of \$8.5 million. It includes 180 beds, underground parking, and a fitness center. There are also nine large seminar rooms. The building is also substance free, with students providing enforcement policies. The United Methodist Women's School of Christian Mission is using the building each summer. Bellmeyer Honors House was refurbished as an elegant homestyle house for honor students. It is located directly across the street from Wesley Chapel, the center of the College's spiritual life. Sprinkler and security systems have also been added and enhanced.

The College has made a significant contribution toward the establishment of Hope United Methodist Church, meeting in the Wesley Chapel. The College is grateful for the Hope Endowed Scholarship.

The College has continued its partnership with the United Methodist Church to bring fiscal stability to Barratt's Chapel and Museum.

A slate of nominees for the College's Board of Trustees was presented:

With the retirement of the Rev. Dr. J.T. Seymour, and the appointment of the Rev. Dr. Sandra Steiner Ball as his successor, the Rev. Dr. Ball becomes a clergy member of the Board, the Rev. Boyd B. Etter as the new Dover District Superintendent becomes an ex-officio member of the Board. Dr. Seymour also remains on the Board of Trustees.

The Officers of the Corporation are: Charles R. Dashiell, Jr., President of the Corporation; Scott D. Miller, Chancellor of the Corporation; Ann Burton, Secretary of the Corporation; and Eric R. Nelson, Treasurer of the Corporation.

The Officers of the Board of Trustees are Charles R. Dashiell, Jr., Chair; Ann Burton, Vice Chair, and the Rev. Dr. J.T. Seymour, Secretary.

The Class of 2011 of the Board of Trustees includes the Rev. Dr. Sandra Steiner Ball, Dr. Joseph S. Bellmeyer, D. Wayne Holden, and Gilbert S. Scarborough, Jr.

The Rev. Dr. Mark Pruett-Barnett reported that he has been College Chaplain and Director of Church Relations since 2004. Wednesday Worship continues to meet during the free hour on that day. Attendance, which is increasing, includes a mix of faculty, staff, and students. A search is underway for a new choir director. Ongoing efforts are being made to recruit a praise team. The Gospel Choir continues to grow stronger and its members are excellent goodwill ambassadors for the College. Special services include Lessons and Carols during Advent, special Holy Week and Easter week music, and the baccalaureate service at the end of the college academic year. The chaplain provided a book study entitled *The Survival Guide to Christians on Campus* by Tony Campolo and Bishop Will Willimon. The Hope Shop is an ongoing ministry to those with needs in the community (a partnership between Hope UMC and Wesley students.) Wesley students returned to Birmingham for a service project at the end of the spring semester. This was in conjunction with a course on the history of the civil rights movement. Members of one of the sororities on campus served Monday dinners at House of Harvest, a ministry of Whatcoat UMC. Hope UMC continues to meet in the Wesley College chapel. The College continues to support Barratt's Chapel in the administration of its finances, maintenance, and provides additional venues for chapel information and publicity. The Wesley College Choir sang during the celebration of the 300th anniversary of Charles Wesley's birth. The connection between Wesley College and Wesley Theological Seminary continues to strengthen with the offering of seminary courses for laity on the Dover campus. There is also a relationship with Camp Pecometh. Director of Camping and Retreat Ministries, the Rev. Jack Shitama had a very informative session on services available at Camp Pecometh. Rev. Dr. Pruett-Barnett is also the loan and scholarship officer. The Fellowship of Christian Athletes is very active at Wesley as well. He is grateful for the opportunity to teach courses on the New Castle campus. Dr. Pruett-Barnett is fully committed to the ministry of Jesus Christ on the Wesley College Campus.

Dr. Scott D. Miller, Chancellor of the Corporation and President of Wesley College, addressed the body. Academically, the college is poised to begin preparation for its ten-year review by the Middle States Association, and also the ten-year review by the University Senate of the United Methodist Church. In addition to affiliations mentioned previously, the Children's Theater and Delaware Biotechnology Institute are still other partnerships. Quarterback Chris Warrick graduated and left for Europe, where he is playing professionally in the German Football League. The new position of Dean of Adult Studies addresses the need for evening and weekend adult education opportunities. A director of graduate admissions, and a director of foundation and government relations are other new positions on the college staff. Clearly, there is much to be proud of, and the College continues to press forward into the future. Fourteen new faculty members have been welcomed. The largest enrollments are in business administration, teacher education, psychology, and nursing. Campuses include not only that in Dover, but also Dover Air Force Base and New Castle. The lobby of the College Center experienced an upgrade of \$150,000 in order to create a computerized wireless area. Safety enhancements include blue lights in the parking areas, and fire suppression systems in the residence halls. Security concerns have been heightened since the Virginia Tech tragedy. An outstanding infrastructure, including students' cellular phones with texting capability upon registration have increased rapid notification in the event of an emergency. Total financial support last year topped \$11 million. The operating budget is \$36 million, and continues in balance! Dr. Miller thanked Bishop Matthews and the members of the Annual Conference for their continued support.

The Rev. Dr. James T. Seymour concluded the Wesley College Corporate Session in prayer.

Moment of Personal Privilege: Bishop Matthews recognized the Rev. Amy Yarnall, who noted that the Rev. Bonnie Jones Goldstein, who is retiring at this session, has served in ordained ministry for 39 years, with 12 of those years served here. She has the longest tenure in ministry among women clergy in the Peninsula-Delaware Annual Conference. Her grandfather, the Rev. Clarence Jones, and his two brothers, were also Conference members. She has been a "trailblazer" in the Annual Conference. Rev. Jones-Goldstein was the first woman to have served in each of her nine pastoral appointments.

Guest of the Annual Conference: The Bishop recognized the presence of the Rev. Dr. William D. "Chip" Aldridge, Jr., the Director of Admissions for Wesley Theological Seminary. Dr. Aldridge spoke briefly to the body, giving thanks to God for the partnership between Wesley Seminary and the ministries of the Annual Conference.

District Superintendents' Report: The Rev. William T. Sterling, Jr., Easton District Superintendent, presented the report on behalf of the Cabinet. He was completing his first year as a District Superintendent. He spoke about the broadening of the vision that has led to the Healthy Church Initiative. This initiative is designed to resource every local church by developing healthy disciples who will develop healthy ministries who in turn will develop healthy churches. He raised the question: Can the smallest church be resourced by the Healthy Church Initiative? If not, then this is not a proper direction for the Annual Conference. A related question had to do with what could be offered to Christian disciples who live out their lives in local United Methodist Churches in Delaware and on Maryland's Eastern Shore.

This covenant seeks to provide grants for churches to do ministry and will hold clergy and laity accountable. Teams of clergy and laity will be developed and will be made available to every local church. The effectiveness of this initiative is in the hands of every pastor and congregation. Healthy lives always begin with a choice. People have already expressed their passion for particular ministries. Within the next 30-45 days, those who have filled out cards, sharing a passion should be hearing from a Conference staff member or a district superintendent. Rev. Sterling emphasized that he would be following up with pastors on the Easton District whom he had notified about a particular person's passion for ministry.

District Superintendent Sterling then shared the moving personal testimony of a particularly "unhealthy" time in his life. He had endured several personal crises. His recliner in his living room became the modern version of Elijah's broom tree. He came to the realization that he had to be a part of becoming healthy again. Health would come with ceasing to blame others for the unhealthy condition of his life. He also realized that many local churches with whom he was familiar were exhibiting the same unhealthy conditions. They had lapsed into a survival mode. This is just as true of churches as it is of persons struggling with any disease. Both individuals and local churches have to assume responsibility for their own personal health!

The Healthy Church Initiative is a covenant of cooperation, not competition. It is a covenant of unity, not disunity. This initiative will create an exciting opportunity to become healthy and to remain healthy. On behalf of the District Superintendents, he vowed to make possible this healthy covenant relationship between United Methodist Christians and Churches. God calls us to "gear up," and not to give up. God calls us to "reach in" and not give in. God calls us to "reach out" and not drop out. God calls us to "live it" and not waste it. When Jesus called people to follow Him, to repent, change, turn around, and to take responsibility for their lives, the issue was never ability. The issue has always been our willingness to get healthy and to "get on board" with God. Our health as an individual, and as a congregation, is always our choice!

The Bishop expressed appreciation to the District Superintendents for the work they do on behalf of the larger Church. He acknowledged the gifts of the Rev. Sandra Steiner Ball, and presented to her a gavel in recognition of her six years as Dover District Superintendent and in recent years the Dean of the Cabinet.

The Rev. Charlotte Nichols was presented as the new Dean of the Cabinet, and will remain Salisbury District Superintendent.

The Rev. Dr. William Fitzhugh remains the Wilmington District Superintendent.

The Rev. William Sterling, Easton District Superintendent, also serves as Secretary of the Cabinet.

The Bishop also introduced the Rev. Boyd Etter as the new Dover District Superintendent. The Celebration of the Appointment of the Dover District Superintendent was announced for September 16, 2007, at 4:00 p.m. at Whatcoat United Methodist Church in Dover.

The Bishop also announced that the Rev. John Van Tine is being appointed the interim Conference Secretary for the remainder of the quadrennium.

The Rev. David Fife, the Bishop's Assistant, was also presented to the Annual Conference. He works on behalf of both the Peninsula-Delaware Annual Conference and the Eastern Pennsylvania Annual Conference.

Mrs. Amy Botti, the Bishop's Executive Secretary, will be traveling to the Congo, to help set up offices for the Annual Conference there.

Consent Calendar: The Rev. Boyd Etter, Conference Secretary, moved the adoption of the Consent Calendar, Resolution R-2. The Missions Task Force report was added to the originally presented Consent Calendar. The Board of Pensions Resolution and the Commission on Equitable Compensation's minimum salary recommendations were lifted from the Consent Calendar, as these require a vote.

The Consent Calendar was adopted.

Property Matters: The Bishop recognized the Rev. Dr. Sandra Steiner Ball, Dean of the Cabinet. She brought to the Annual Conference a resolution of merger to create Faith United Methodist Church, formed out of the former John Wesley, Mt. Pleasant, and St. Paul's United Methodist Churches. The Rev. Thomas Johnson, pastor, and members of Faith United Methodist Church were invited to stand during the reading of the resolution. The Church Conferences of the predecessor churches voted on November 4, 2006 to dissolve their congregations and to create the newly merged church. Mt. Pleasant UMC was established as the original site for Faith United Methodist Church, and the charge relationship was continued with Israel United Methodist Church.

Resolution of Merger

Whereas on November 4, 2006, John Wesley, Mt Pleasant and St Paul's Churches' Church Conferences voted to merge in favor of Faith United Methodist Church effective January 1, 2007;

Be it resolved that the board of trustees of John Wesley, Mt Pleasant and St Paul's United Methodist Churches will be dissolved in favor of the board of trustees of Faith United Methodist Church and that all real property will be transferred to the board of trustees of Faith United Methodist Church.

- s) Miracle Worker's Day

Establish the Mt Pleasant church building as the initial site for regular Sunday worship, Sunday school, weekly meetings, office hours and ministries.

Continue charge relationship with Israel United Methodist Church.

The Rev. William Sterling, Easton District Superintendent, reported the completion of the division of a charge to create two charges. Beginning July 1, 2007, the Secretary-Dorchester Charge on the Easton District will become two charges: the Secretary: First United Methodist Church—the Rev. Helen Lockwood, pastor; and the Secretary-Dorchester Charge (Bucktown, Salem, and Friendship UMC)—the Rev. Mary Ann Farnell, pastor. Several weeks ago, First UMC in Secretary received 21 new members!

Presentation of General Commission on Christian Unity and Interreligious Concerns and the General Council on Finance and Administration Award:

The Rev. Patricia Bryant Harris, member of the General Council on Finance and Administration, and also the Connectional Table Budget Process Team, has helped many others prepare the General Conference Budget. Our apportionments carry out mission and ministry throughout the world when we ourselves cannot go. Our apportionments become an expression of the "living water" of Jesus Christ. Once again, the Peninsula-Delaware Annual Conference paid 100% of its apportionments to the General Church.

The Rev. Pearl Johnson, on behalf of the Advocacy Resource Team, presented the cause of Christian Unity and Interreligious Concerns. She bore witness in the community in which she serves (Snow Hill, Maryland) of an ecumenical Vacation Bible School and service on World Communion Sunday. She invited those who serve ecumenically in their churches and communities to stand.

The Rev. Johnson presented a plaque recognizing the 100% support of the Annual Conference to the Interdenominational Cooperation Fund. This fund supports United Methodist participation in Churches Uniting in Christ, the National Council of the Churches of Christ in the USA, Pan-Methodist Commission, World Council of Churches and the World Methodist Council. The plaque was signed by the Rev. Larry D. Pickens, General Secretary.

Black College Ambassador: The Rev. Homer Minus introduced the Black College Ambassador for our Annual Conference, Mr. Jarrett Lemieux from Dillard University in New Orleans. He shared the story of his mother, who was forced to retire due to lung disease during his freshmen year in high school. Her lung capacity was reduced to 30%, and she applied for a double-lung transplant. The cost of the surgery would be \$100,000. He feared he would be forced to drop out of high school. Through prayers and fundraisers, the necessary monies were raised for her surgery. Today, she looks and feels much stronger! He has remained active in his community and on his college campus. He is a senior Business major, living his dream to reach new heights. Both of his parents are college graduates, and diligent in the Word. College students sacrifice thousands of dollars for a quality education. Life requires service, for God loves a cheerful giver. He gives of himself in his community to youth and the disabled. He is active in Big Brothers/ Big Sisters of America and the National Conference for Community Injustice, and serving as a mentor. In church, he is lead saxophonist, using his musical and oratorical talents to faithfully serve the Lord. His life is complete, knowing he has served the Lord by serving the needs of others. He quoted Proverbs 3:5-6. He is grateful for the assistance he and others have received from the Black College Fund. Students in the eleven historically black colleges of the United Methodist Church have benefited greatly from the generosity of God's people.

Covenant Funding Plan: Mr. Howard Brecht and the Rev. Dianne Henry, Co-Chairs of the Conference Council on Finance and Administration, presented the Covenant Funding Plan. This goes hand-in-hand with the Covenant Ministry Plan presented on Friday evening. Mr. Brecht began with a review of the present year, 2007. Mr. William Westbrook, Director of Administrative Services and Treasurer, reports at each CCF&A meeting that apportionment receipts are timely, and that if this trend continues, there will be no problem with funding the ministries of the Annual Conference. Mr. Brecht commended the churches of the Annual Conference for their financial support.

The annual budget has been recast into a "covenant funding plan" with priority placed on key ministries. The four major areas of Covenant Funding Needs are: connectional ministries, healthy churches ministries, administrative ministries, and clergy support. The total funding needs for the current year, 2007, are \$5,075,000. Next year, the projected needs

are \$5,139,000. The projected increase is \$64,000, or 1.3%. The Council feels that the Annual Conference can maintain fiscal responsibility with this budget!

Rev. Henry reported that 30% of the Covenant Funding Plan is designated for the Annual Conference's connectional ministries (a 4% increase). Healthy Church Ministries comprise about 23% of the Covenant Funding Plan (this is an 18% increase.) Some 19% of the Covenant Funding Plan is earmarked for administrative ministries (that is a 4% increase, up from 1-2% increase in previous years.) Another 28% is being designated for clergy support (this is a 13% decrease). This does that mean that leadership continues to vigorously support our clergy.

Mr. Brecht outlined the process for funding projection:

- CCFA assesses anticipated income.
- CCFA advises the Vision Team of the funding available.
- The Vision Team and CCFA receive funding requests from...
 - Episcopacy
 - Boards and Agencies
 - Conference Leadership Teams
- CCFA completes a preliminary funding plan.
- The Vision Team and CCFA engage all teams, boards and agencies to strike a balance between funding needs and financial resources.
- CCFA makes a recommendation to Annual Conference.

These details were reviewed at Pre-Conference Briefings on the four districts.

The Rev. Dr. Patricia Bryant Harris previously emphasized the importance of paying 100% of our General Church apportionments, and the Annual Conference's faithful fulfillment of these commitments.

Next year's funding includes a 4.5% increase in salaries and related benefits; a 19% decrease for retiree health and dental coverage, and includes potential adjustments of \$510,000. The potential adjustments mean that a total of \$5,649,250 will be apportioned.

The 2008 apportionment calculation is determined by:

- Averaging each local church's net operating expenses for 2003, 2004, and 2005.
- Applying an apportionment cap of 19% of the local church's 2005 Total Operating Expenses.
- Apportioning proportionately toward the 2008 Apportioned total of \$5,649,250. Net Operating Expenses are defined as Total Operating Expenses excluding:
 - Benevolence/Mission Giving
 - Capital Expenditures for building and equipment.
 - Principal and interest payments
 - District Office expenses
 - 75% of the Pastor's housing allowance
 - 90% of the Parsonage rental expense
 - Continuing Education expense
 - Pastor's moving expense
 - United Methodist Women's payments to the District or Conference Treasurer

The Annual Conference supported the recommendation from the Conference Council on Finance and Administration for the Covenant Funding Plan.

Board of Pensions Presentation: Mr. Dennis McDowell and Mrs. Elaine Moreland presented the recommendation that the past service rate be set at \$510 per year of approved service. This is 1% of annual conference compensation, and is the Board of Pensions goal. This recommendation was adopted.

The Resolution Relating to the Rental/Housing Allowance for Retired or Disabled Ministers of the Annual Conference was also presented. This resolution was also adopted as presented.

Resolution R-10 to Adopt a Consumer-Directed Health Plan was then approved. Because of the approval of this resolution, Resolution R-8 on Health Care Costs was withdrawn.

Resolution R-10: 2007 Adopt a Consumer Directed Health Plan

WHEREAS, the Peninsula-Delaware Conference currently offers 3 health plans: the Medicaid plan for Retirees over the age of 65 and either the IPA plan or the Traditional Plan for active clergy and retired clergy under age 65, church staff, and conference staff, and

WHEREAS, the Medicaid plan along with Medicare Parts A, B, and D plans have provided adequate coverage for the Retirees over the age of 65 and the Board of Pensions will continue to offer the Medicaid plan without change, and will continue to offer the Safety Net for Retirees only (resolution passed in 2004), and

WHEREAS, the Board of Pensions has recognized some administrative issues with both the IPA and Traditional plans to wit: The IPA plan, requiring a "gatekeeper" and authorizations, creates problems for Maryland residents because the network of gatekeepers is small and for Delaware residents because there is no access to providers outside of Delaware. Both Delaware and Maryland residents have experienced some problems obtaining authorizations. The Traditional plan is expensive but was required to serve participants in the Easton and Cambridge areas where few gatekeepers exist who are part of the Blue Cross network, and.

WHEREAS, the Board of Pensions constantly monitors the health plans to provide the participants with the best value for both for the participants and for the local church who funds the majority of the cost.

THEREFORE, BE IT RESOLVED that the Board of Pensions will replace the IPA and Traditional Plans with a Consumer Directed Health Plan (CDHP)/Preferred Provider Organization (PPO) plan. The CDHP allows the active participant to have a Health Savings Account (HSA) up to age 65. At age 65, the active participant will have a Health Reimbursement Account (HRA) until retirement. The retirees under age 65 will have an HRA. A CDHP requires by law that the medical plan is a high deductible plan. The high deductible can be employer-funded and/or employee-funded in the HSA plan and is employer-funded only in the HRA plan. A broad PPO network is available in both Delaware and Maryland and provides 100% coverage for covered services after the deductible has been met. Participants also have the option of going out of network and have 80% coverage. No "gatekeeper" or authorizations are required.

BE IT FURTHER RESOLVED that the Annual Conference supports the Board of Pension's philosophy to put more control of the health care dollars in the hands of the participants. This occurs in a CDHP when the participant makes the decision to use the money available in the HSA or HRA in a current year or roll it over to a new year and save for future medical costs. The HSA also has the advantage of portability when employment ends or retirement begins.

BE IT FURTHER RESOLVED that the Board of Pension will provide District meetings and other communication efforts to educate participants on CDHPs prior to the effective date.

BE IT FURTHER RESOLVED that with the many changes instituted in the last 4 years, the Peninsula-Delaware Conference is receiving an 8.2% decrease in this year's rates and will decrease by approximately 8% the 2008 church billing; and the pastor's monthly contribution effective January 1, 2008 as follows:

Compensation	Single Coverage	Family Coverage
\$20000-29999	\$ 32	\$ 53
\$30000-39999	42	75
\$40000-49999	59	101
\$50000-59999	75	128
\$60000 plus	90	154
Retirees/Spouses under 65	42	75
Retirees/Spouses on Medicare	- no contribution required	

BE IT FURTHER RESOLVED, the Conference Board of Pensions recommends adoption of this resolution to be effective on January 1, 2008.

These recommendations were all adopted.

Nominating Task Force: The Rev. James Van Der Wall and Mrs. Verlie Gaither. They noted changes to the report to bring it to completion for publication in the 2007 Annual Conference Journal.

Resolution R-3—Special Sundays: The Rev. Vaughan Hayden presented the resolution. The resolution was adopted as presented.

Resolution R-3: 2007 Special Sundays

Whereas, The Book of Discipline declares that each Annual Conference shall observe four special Sundays with opportunities for offering to the Annual Conference (§ 263, 266): Christian Education Sunday, Golden Cross Sunday, Rural Life Sunday and Disability Awareness Sunday

And whereas, The dates and with/without offering for these Special Sundays are to be determined by each Annual Conference

And whereas, The Book of Discipline assigns responsibility for these Sundays to the Conference Board of Global Ministries or Board of Discipleship

Therefore be it resolved that this body of Annual Conference for the Peninsula-Delaware Conference request that the Enabling Ministries Resource Team determine the Sunday for these celebrations to take place in each congregation of our conference starting in 2008. EMRT is also responsible on deciding if any/all of these four Sundays will be with/without offerings. Promotional material for each Sunday will include if an offering should be received and the uses of said offering.

- Disability Awareness Sunday - The last Sunday of July

Resolution R-13—Reduce Electric Cost in Local Churches: This resolution was presented by Mr. Howard Mason on behalf of the Conference Board of Trustees. The resolution was approved.

Resolution R-13: 2007 Reduce Electric Cost in Local Churches

Whereas: in Jeremiah 2:7(NIV) the Lord tells us, "I brought you into a fertile land to eat its fruit and rich produce. But you came and defiled my land and made my inheritance detestable." And also in Genesis 2:15 "The Lord God took the man and put him in the Garden of Eden to work it and take care of it."

Whereas: the cost of heating and lighting our churches is increasing each year and our environment is becoming more polluted by using fossil fuels to produce our electricity. Just within this last year, both Maryland and Delaware increased its commercial rates 30 to 65 percent. Many of our churches have had the highest fuel and electric bills that they have ever had as long as people can remember. It is also expected to have another increase in the upcoming months.

Whereas: According to Energy Information Administration, Religious buildings use 2% of the total energy consumed by commercial buildings in the U. S. With energy efficient products becoming more readily available, this provides tremendous opportunity to reduce energy use and promote healthy communities. Some of these energy reductions could be: installing high efficiency windows, LED exit lights, insulating water heater tanks, adequately caulking around windows, programmable thermostats, new high efficient lights, new flat computers, new energy efficient freezers, new storm windows over the stained glass windows, occupancy sensors, energy efficient air conditioners, energy efficient heating systems and making smart energy efficiency investments.

Whereas: The Department of Energy assessment of energy use in congregations demonstrates that a majority (57%) of congregations use furnaces for heating, a combination of incandescent and florescent lighting, centralized water-cooling systems, and 43% have central air conditioning and 44% have 1 to 4 computers. DOE also states that congregations who commit to substantially reducing energy use can cut utility costs by 20 – 25 percent and make substantial contributions to a cleaner environment.

Whereas: Most power companies have indicated that they would be willing to come into churches and parsonages to make inspections and recommendations on how to reduce energy costs.

Whereas: There are some organizations that will finance and manage energy efficient projects for churches. One example of that kind of organization is U.S. Energy Capital of Atlanta, Georgia.

Therefore be it resolved: That the Peninsula-Delaware Conference recommends to each local church that they investigate the possibility to improve their physical plants for cost effectiveness and energy savings, while at the same time keeping a record of their Return on Investment.

Submitted by the Conference Trustees (March 2007)

Petition on Bermuda: The Rev. J. T. Seymour presented this petition, forwarded to our Annual Conference by the Baltimore-Washington Annual Conference.

Resolution R-14: 2007 Petition on Bermuda

Whereas the General Board of Global Ministries, at its spring meeting in April 2002, formally recognized and welcomed Marsden First as a mission church of the General Board of Global Ministries of the United Methodist Church and at its spring meeting in April 2006 recognized Centenary as a mission church of the General Board of Global Ministries of the United Methodist Church;

And whereas the Marsden First and Centenary Churches of Bermuda have been assigned by the Northeastern Jurisdiction College of Bishops to be under the appointment authority of the Bishop of the Baltimore Washington Annual Conference;

And whereas the Centenary and Marsden First Churches of Bermuda after five years under the guidance of leaders from the General Board of Global Ministries and the Baltimore-Washington Conference have fully explored and voted (Marsden First on February 1, 2001 and Centenary on May 6, 2003) to join the United Methodist Church and requested to continue to be a part of the Baltimore-Washington Conference;

And whereas the Baltimore-Washington Conference has been appointing pastors, superintending the congregations and integrated the congregations into the life of the Baltimore-Washington Conference;

And whereas the General Board of Global Ministries and the Baltimore-Washington Conference have recognized the churches as United Methodist congregations;

And whereas ¶39 Article III of the 2004 Book of Discipline of The United Methodist Church grants that "boundaries of a jurisdictional conference may be effected by the General Conference upon the consent of a majority of the annual conferences of each of the jurisdictional conferences involved";

Therefore be it resolved that the Peninsula-Delaware Conference of the Northeastern Jurisdiction consents to the inclusion of Bermuda within the boundaries of the Northeastern Jurisdiction of the United Methodist Church;

And further be it resolved that the Peninsula-Delaware Conference agrees to Petition General Conference 2008 to effect the inclusion of Bermuda by amending Section VII. Boundaries ¶ 37 Article I line 3 following the word "Northeastern" to include the word "Bermuda."

This resolution was approved by the Peninsula-Delaware Conference on June 9, 2007.

Resolution R-15: For Environmental Justice: Combating Global Warming:

The Rev. Carol Svecz, representing the Advocacy Resource Team, proposed this resolution. The Rev. Vaughan Hayden questioned the support of a pending resolution to General Conference prior to General Conference 2008. The Rev. Svecz proposed handling this editorially by striking from the original resolution the words "and its pending resolution to General Conference." This was done through consensus from the body. This resolution was then approved.

**Resolution R 15: 2007 A Resolution For Environmental Justice:
Combating Global Warming**

As United Methodists we believe what the scriptures tell us about Creation: that all creation was made by God, declared good by the Creator and that all creation was in perfect balance. God created man and woman in God's own image, blessed them and gave them "...authority/dominion over the fish of the sea, over the birds of the air and over the cattle, over all the earth and over every creeping thing that creeps on the earth." (Genesis 1:27, 28 NKJ)

As United Methodists, we affirm this in ¶160 section I: The Natural World, of our Social Principles. However, in that same paragraph we also affirm how we have fallen short of that responsibility and brought great harm to God's Creation through "...regional defoliation, dramatic extinction of species, massive human suffering, overpopulation, misuse and over-consumption of natural and nonrenewable resources, particularly in industrialized societies. This continued course of action jeopardizes the natural heritage that God has entrusted to all generations..."

The United Methodist Church has called the denomination to action on numerous issues of environmental injustice. The Book of Resolutions, The Natural World Section, contains numerous calls for us to reform our treatment of creation and help effect repair

and balance to severely damaged ecosystems from recycling to prohibiting mountaintop removal coal mining. United Methodists throughout the world are joined in these efforts.

This year we will add another. The top environmental justice priority for the General Board of Church and Society will be the global climate crisis.....GLOBAL WARMING. It is no longer a MAYBE, it is a fact that global warming is severely affecting our climate. Polar ice caps are melting; coastal water levels are rising and pose an eventual severe threat to communities located there. Snowfall and rainfall have been affected, as have seasonal temperature patterns.

GBGS is authoring a resolution to be brought before General Conference next year calling the United Methodist Church to action on Global warming. The Board will also be showing how local churches and annual conferences can take action.

"GBCS supports legislation to reduce United States and global greenhouse gas emissions. Increasing fuel efficiency, shifting towards renewable energy sources, and mandatory controls on carbon dioxide emissions are essential elements to a just and sustainable energy policy that addresses the global climate crisis."

Therefore, be it resolved that the Peninsula Delaware Conference officially support this new initiative from GBGS.

Be it further resolved that pastors and lay delegates encourage local churches to save energy wherever possible and to work within their respective local communities as advocates for safer and saner energy consumption, cutting down the carbon dioxide emissions wherever we can.

And, finally, the Advocacy Resource Team will keep the annual conference and local churches informed of communication from GBGS of specific ways to reduce carbon dioxide emissions, and the final resolution that will be presented to General Conference.

Respectfully submitted,
Peninsula Delaware Conference Advocacy Resource Team

Resolution R-16—Remembering the Members of our Armed Forces and Praying for Peace: The Rev Arthur George presented this resolution. He offered an editorial addition, "working towards *the day* when the worship of the one true God..." (The words "the day," were added.) This resolution was adopted. Rev. George asked that the body stand for a moment of silence remembering those who laid down their lives, and also those who are serving and who were present in the Annual Conference. The Bishop invited forward those who were serving and were present in the session.

**Resolution R-16: 2007 Remembering the members of our Armed Forces
and Praying for Peace**

Whereas the times in which we live are fraught with all kinds of dangers and mankind's inhumanity to humanity, seems to be gaining ground every day

Whereas innocent bystanders while in pursuit of their daily lives have been killed, injured or have suffered untold misfortunes, as a result of war and hatred among neighbors

Be it resolved that a communiqué be issued by this session of the Peninsula-Delaware Conference of the United Methodist Church:

- Declaring our support for the men and women of our armed forces, the troops deployed all over the world, chaplains and all support staff; in their effort to bring peace, equality and justice to various parts of the world.
- Expressing our gratitude for the sacrifices they have made and continue to make, to benefit humanity in its quest for freedom, justice and equality

Be it also resolved that September 2, 2007 be set aside, by our annual conference, as a day of prayer, to lift up:

- Our troops, chaplains, all military leaders, advisers and support staff
- the families who have lost loved ones as well as those whose loved ones are currently involved in combat all over the world
- the troops wounded in body, mind and in spirit, that God's restorative and transforming power and presence will bring about the healing they need
- That God will continue to bless America, guiding and upholding her as a champion for peace, equality and justice for all the peoples of the world.
- That God will bless the people of Iraq, Afghanistan, others in the Middle East and wherever people cry out for freedom, equality and justice

Be it also resolved that on the day set aside for prayer, congregations in our annual conference will lift up our national, military and world leaders, that with God's help, they will make decisions to hasten the day when peace will become a reality for all those who suffer hardship; so that *justice will roll down like waters and righteousness like a mighty stream.*

Be it further resolved that this annual conference will stand firm in its commitment to partner with all peace loving people throughout the world, working towards when the worship of the one true God will reflect our unity as brothers and sisters and not our cultural or religious differences; to the end that peaceful co-existence will reign supreme among all of God's children

The **Merit Scholarship Program Award** was presented by the Rev. Anna Foster, to Amy Elizabeth Maguire, a member of Marshallton United Methodist Church and student at Wesley College.

The **Order of St. Barnabas Awards** were presented by the Conference Board of Lay Ministry at the 2007 Conference Clergy/Laity banquet to the following:

Jim and Cheryl Michael: First United Methodist Church, East New Market, Maryland (Easton District); Maurice Daniels, St. Paul UMC, Milford, Delaware (Dover District); Harold Caswell, Whatcoat UMC, Camden, Delaware (Dover District); Elma Yoder, Grace UMC, Millsboro, Delaware (Dover District); the Church School of John Wesley and Mt. Nebo United Methodist Churches on the Zion Charge, Salisbury District; and the Soup Kitchen Ministry at Mt. Nebo UMC on the Salisbury District.

The Rev. Ayres prayed for the honorees.

Missions Report: Mr. Kevin Goodwin and Mrs. Karen Goodwin presented a skit about United Methodist mission projects supported through the Peninsula-Delaware Annual Conference. They dramatically reminded the body of our reluctance to support the genuine needs of persons in the Congo, through Africa University, and disaster relief. A multimedia presentation celebrated mission work through the eyes of children, youth, and adults, in Costa Rica. This was a Volunteers in Mission team made up of people from the Peninsula-Delaware Annual Conference! The presentation concluded with an invitation to join VIM teams journeying to Costa Rica in April, July, and September, 2008. The Rev. Don Hamilton has more information.

The Conference Secretary announced that Friday evening's offering totaled \$20,090.13. Of that amount, \$11,562.07 was directed to Africa University; for Global AIDS, \$7,248.06; for the Central Congo Partnership, \$1,155; and even before Saturday evening's Service of Commissioning and Ordination, \$125 had been given to the Board of Ordained Ministry's scholarships.

Rev. Don Hamilton, the Conference's Volunteer in Mission Coordinator, acknowledged that Mr. Gil Hoffman was responsible for the video on Costa Rica. Rev. Hamilton mentioned the episcopal visit to the Congo scheduled for July 2-11, 2007. They would be visiting projects that are already being funded by the Annual Conference. Bishop Matthews and Bishop David Yemba would also be signing the partnership in the Congo, as they did in the Peninsula-Delaware Annual Conference's 2006 sessions.

He then introduced the Rev. Jack Abel, who will be heading the medical mission team of 15 persons to the Congo from October 8-22, 2007. Rev. Abel mentioned that they would be caring for medical and dental needs. He acknowledged that Judy Ingalls is helping to coordinate the team's efforts. The principal project will be cataract surgery. The ophthalmologist who is needed has not yet been identified. A solar electrician will be accompanying the team, due to the lack of electrical power. But electrical service will be provided during the mission trip to facilitate future surgeries on journeys of mission. Judy Ingalls mentioned that there is a vision for youth to join future journeys to the Congo.

Bishop Matthews invited to the stage those who be journeying to the Congo in July and October, 2007. The Rev. Dr. R. Jervis Cooke prayed for these persons who have heard and responded to the call to bring hope and help to God's people called United Methodist in the Congo. And he prayed for the offering that would be received as Conference members departed the session for the evening meal.

Mr. Kevin Goodwin mentioned that this day was actually the birthday of his wife, Karen, who shared the skit with which this presentation began. The body responded by breaking into a rendition of "Happy Birthday." He also acknowledged that he is an alumnus of Virginia Tech, and that the Church was present through its Wesley Foundation at the time of the tragedy on that University's campus.

Black United Methodist Pastors: The Rev. Yvonne Penn announced that on March 19, twenty-one persons from the Annual Conference traveled to the Ninth Ward of New Orleans, Louisiana. This was to assist those who lost all their possessions in Hurricanes Rita and Katrina. The group consisted of licensed tradespersons in carpentry, electricity, and plumbing, the Director of Health Services for the University of Maryland Eastern Shore, Vice Mayor of a city in Delaware, and other skilled personnel. They arrived and used tools to work on Napoleon Avenue United Methodist Church and People's United Methodist Church. They brought with them a check for \$10,000. This missions team learned that persons were losing their homes because of an inability to pay their property taxes. They resolved to return in 2008—in fact, for five successive years—to continue the work so well begun. In addition to BUMP, persons from across the Annual Conference participated through financial support and through their attendance to share in the work. A video presentation produced by Mr. Fred Grant depicted the restoration efforts, and just how much work remains yet to do. It is estimated that it will take five to ten years to complete the work of rebuilding! Rev. Penn asked the entire team who participated to appear on the stage. Bishop Matthews was presented with a piece of the old flooring from Napoleon Avenue United Methodist Church. Rev. Jeanel Starling presented to Bishop Matthews an award reminding all of the ongoing mission work in that part of the United Methodist Church.

Report of Ballot #6: Mr. Gene Cray, Conference Lay Leader, was elected as a delegate to General Conference. The Rev. Dale Brown prayed both for Mr. Cray, and for the Conference members' discernment as the balloting continued.

Bible Study: Mr. James Salley of Africa University introduced the Africa University Choir. One of the members of the Choir prayed in her native, indigenous language. She also thanked God for the privilege of attending Africa University. The choir sang the Good News that "the Holy Spirit will come down, and Africa will be saved."

Mr. Salley's text for the morning was Mark 4:30-33, a continuation of the previous day's text, the Parable of the Mustard Seed. He pointed out that on the previous day an offering was received for Global AIDS, and *afterwards* the resolution supporting this offering was approved, both for this present 2007 session and at next year's session as well! The mustard seed is extremely tiny, but it grows into a large, mighty plant!

There is an AIDS camp in the mountains of East Tennessee. At home, AIDS patients are outcasts, but can come together in this beautiful setting to touch one another and have others touch them. There are many AIDS orphans, young people who have lost both parents and who are heads of household. AIDS relief is also being provided through UMCOR—the United Methodist Committee on Relief. Africa University is administering a program to test a vaccine against AIDS. A member of the A.U. faculty will be the primary investigator and the program is in conjunction with the St. Jude's Children's Research Hospital in Memphis, Tennessee.

Mr. Salley also made reference to *The Upper Room: Pocket Prayers: Prayers for Encouragement for Those Living with HIV, Tuberculosis, and Other Serious Diseases*. Bishop Fritz Mutti lost two sons to HIV/AIDS. He provides a prayer entitled "The Dance Goes On." Bishop Mutti's testimony was this: "By sharing our stories,...we bear each other's burdens."

The Choir sang a song whose lyrics are translated, "Lord, I give you my heart, my soul, and my mind." Bishop Matthews was invited forward and joined on the stage by many other members and staff of the Annual Conference in singing and dancing to this song. Mr. Salley saw this as a symbol of the healthy and vital congregations of the Peninsula-Delaware Annual Conference! The Choir concluded its mini-concert with "I'll Meet You in the Morning," and "We Are Marching in the Light of God."

Mr. Salley also celebrated that in 2006, the Annual Conference provided 100% of its asking for Africa University.

The body responded with rousing applause for the ministry of the Africa University Choir.

A Service for the Reading of Appointments: Bishop Matthews led the Annual Conference in this order of worship. This included asking the District Superintendents: "Are the appointments in your district correct as printed?" and "Are the appointments to extension ministries, to attend school, and to other annual conferences correct as printed?"

Bishop Matthews declared, "By the authority vested in me as a United Methodist Bishop, I solemnly declare the appointments for the Peninsula-Delaware Conference for the year 2007-2008 to be fixed as printed (and corrected). As your Bishop and Cabinet, we have recognized our frailties and have asked constantly for God's direction. My brothers and sisters, do you accept the place of service in the Church of our Lord to which you are now appointed?" Their response was: "In commitment and renewal to my covenant as a clergyman in the United Methodist Church, I now reverently accept my appointment with a glad mind and will, and pray that I shall be worthy of my call to the ministry, my Conference relationship, and the place of labor to which I have been appointed."

Facilitating Motion: The Bishop recognized the Rev. Boyd Etter, Conference Secretary, who presented this motion: "I move that in the event the business of the Annual Conference is not completed, that all matters including resolutions be referred back to the appropriate boards and agencies of the Annual Conference for action during the coming year." The motion was adopted.

Omnibus Motion: The Rev. William Fitzhugh moved that the rules be suspended in order that the next ballot to elect delegates to the Northeastern Jurisdictional Conference be the last, with delegates elected in order of the number of votes received. The rules were suspended by a vote exceeding two-thirds of the body.

Report of Ballot #8: There was no election on the clergy ballot. The following persons received votes toward election as delegates to the NE Jurisdictional Conference:

Laity Address: Mr. Gene Cray, Conference Lay Leader, reminded us of the Ministry of the Laity: "All God's people in all places, and in all times, are called to love and to serve." He quoted 2 Corinthians 5:7: "For we walk by faith, not by sight," and Hebrews 11:1: "Now faith is the assurance of things hoped for, the conviction of things not seen." The Board of Laity has sought to make disciples and to live out the vision of the Annual Conference. Resources used were the *Book of Discipline*, the Conference Journal, and *The Upper Room*, and *Response*, the United Methodist Women's magazine.

He echoed emphases lifted up by the Rev. Dr. J. T. Seymour: (1) the Healthy Church Initiative; (2) the Conference Laity Session, and means of having a more effective Conference Board of Laity; (3) small church membership; (4) the 2007 theme for Annual Conference: "Changing Lives for a Changing World; (5) partnership with Wesley

Theological Seminary with a focus on transition in ministry, urban ministry, small church membership and 21st Century worship.

Mr. Cray and Mrs. Betty Gooch, Associate Conference Lay Leader, have attended several leadership training events for Conference Lay Leaders.

He acknowledged that Bishop Violet Fisher was the speaker at the Conference Laity Banquet at the Modern Maturity Center in Dover, Delaware. Bishop Fisher is from the Western New York Annual Conference. On this occasion, a number of persons were also inducted into the Order of St. Barnabas for their faithful stewardship.

The four district lay leaders and directors of the district lay academies were effective in their ministry.

United Methodist Women leaders attended the 2006 assembly in Anaheim, California.

The UMW have also been in dialogue with Bishop Marcus Matthews.

In 2007, the United Methodist Men will again be holding their annual retreat at Camp Pecometh. A Jurisdictional Convocation for the UMM was held in Pocono Manor, Pennsylvania in March, 2007.

And in January, 2007, the Conference Youth Rally was held at the Ocean City Convention Center with the theme being the same as that of the Annual Conference! Mr. Cray welcomed Mr. Shane Hinderliter, new Director of Young People's Ministries for the Annual Conference.

United Methodist Women: Mrs. Laura Lassiter, President of the Conference United Methodist Women, expressed thanks to the Bishop for the privilege of meeting with him. She mentioned *The Enabler*, the Conference UMW's newsletter. The School of Christian Mission was celebrated. There were 36 persons from the Annual Conference who attended the United Methodist Women's Assembly in Anaheim, California in May, 2006. A Resurrection Women's Retreat will be held at St. Mark's UMC in Easton, September 21-23.

The purpose of the United Methodist Women is to "be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

Young People's Ministry: Mr. Aaron Foltz of the Conference Council on Youth Ministries, reported two highly successful events during the preceding year:

1. The annual Conference Youth Rally held in Ocean City, Maryland in January. Some 4,400 persons participated in the rally. The theme was "Be Amazed," based on Habakkuk 1:5: "Look among the nations, and see; wonder and be astounded. For I am doing a work in your days that you would not believe if told." Most thrilling of all was witnessing non-Christian and lukewarm Christian friends becoming excited about Christ. This truly was amazing!
2. The Confirmation Rally was held in March in Smyrna, Delaware. Some 388 students and adults attended.

Ms. Jeani Logan was thanked for her leadership in making these events possible.

In April, Mr. Shane Hinderliter was welcomed as the Conference's new Director of Young People's Ministry. Under his leadership, the Conference Council on Youth Ministries has begun work on the 2008 Conference Youth Rally and Confirmation Rally.

Youth are elected to serve as equalization members to Annual Conference, and also four students will be representing the Annual Conference at Youth 2007, a global gathering scheduled for Greensboro, North Carolina in July, 2007.

Aaron Foltz introduced Shane Hinderliter. He briefly addressed the body. Shane has come from Western Pennsylvania Annual Conference, where he was a youth minister in a local church. The CCYM is considering both an "in-conference" and an international missions experience. He is also working with a group of young adults in looking toward young adult events in the future.

United Methodist Men: Mr. Charles Brummell, United Methodist Men's president, spoke as slides were shown from the 49th annual retreat at Camp Pecometh, and other events held

during the year. The quadrennial UMM meeting was also held at Purdue University, including a "potato drop." The annual meeting took place at Wyoming UMC, Wyoming, Delaware. Bishop Marcus Matthews was recognized as a fellow in the Society of John Wesley. The Bishop was presented with a plaque and a pin.

Resolution R-6—Childcare at Annual Conference—The Rev. Amy Yarnall noted that ¶609.7 in the *Book of Discipline* strongly recommends providing child care at Annual Conference and during meetings of the annual conference boards and agencies. The resolution was adopted.

Resolution R-6: 2007 Childcare at Annual Conference

WHEREAS in the Scriptures we find in Matthew 19:13-14, "*Then little Children were brought to him that he might put his hands on them and pray, but the disciples rebuked them. But Jesus said, 'Let the little children come to me, and do not forbid them, for of such is the kingdom of heaven'*"

WHEREAS our Annual Conference strives to be an inclusive and welcoming Conference and has a Vision statement saying: The Peninsula-Delaware Conference, as the body of Christ, will live out the ministry and teaching of Jesus Christ- boldly cooperatively, and inclusively- through life changing communities of compassion;

WHEREAS our Annual Conference strives to honor God by showing love and concern for children and youth, and as well as strengthening and supporting families through a variety of ministries;

WHEREAS many members of our Annual Conference, both laity and clergy, have been blessed with the awesome responsibility of raising children in the ways of Jesus Christ so that they may become who God has created them to be;

WHEREAS these members of Annual Conference often need to travel with their children in order to participate in the sessions and/or want to bring their children to the Conference in order that they might learn and grow in their knowledge of God and our connectional form of ministry in the Wesleyan tradition;

THEREFORE BE IT RESOLVED that the Peninsula-Delaware Annual Conference will begin offering childcare at the site of the Annual Conference, so that families will be truly welcomed and included, and members of the Annual Conference will be able to attend Conference without the constraints of having to secure individual childcare. This childcare will be offered throughout the time that Conference is formally in session, including the Clergy Session, Plenary Sessions, and Ordination Service.

BE IT FURTHER RESOLVED that donations for the cost of childcare may be requested of those who use this service, but that cost will not prohibit childcare from being offered.

Resolution R-7—On Using Fair Trade Products—This resolution was presented by the Rev. Amy Yarnall. She requested that clergy and lay members from churches already using Fair Trade products to rise. Bishop Matthews also noted that both the Peninsula-Delaware and Eastern Pennsylvania Annual Conferences are using fair trade products in their conference centers! In response to a question from the body, Rev. Yarnall noted that each church would receive a free copy of the DVD highlighting use of fair trade products. The DVD would be included in the Coordinated Mailing in August, 2007. After each church's governing body has viewed the DVD, then the church would enter into a time of prayerful discernment regarding the use of these products. The Rev. John Moore recommended use of fair trade products. The resolution as presented was supported. Rev. Yarnall reminded everyone that fair trade products were being served at the Cokesbury display.

Resolution R-7: 2007 on Using Fair Trade Products

WHEREAS the General Conference of 2004 passed a resolution urging all local churches and affiliated organizations to use fairly traded coffee, tea, etc. and,

WHEREAS buying fairly traded goods is a way of living out biblical justice and practicing good stewardship as shown in Numbers 26:54 *"To a large tribe you shall give a large inheritance, and to a small tribe you shall give a small inheritance; every tribe shall be given its inheritance according to its enrollment."* and Leviticus 25:13 *"When you make a sale to your neighbor or buy from your neighbor, you shall not cheat one another"* and,

WHEREAS coffee is one of the world's most heavily traded commodities, it originates from either large plantations that are traditionally run and owned by wealthy landowners or small operations that are primarily owned by impoverished farmers. These small farmers frequently live in isolated communities relying on middlemen to buy their coffee invariably at the lowest price possible. The way the system is set up, the farmers' inability to get a just return for their labor is essentially guaranteed and they are condemned to a life of extreme poverty; and,

WHEREAS our Social Principles state that "we support measures that would reduce the concentration of wealth in the hands of the few," that "we advocate for the rights of people to possess property and to earn a living by tilling the soil"; and that "we call upon our churches to do all in their power to speak prophetically to the matters of food supply and the people who grow the food for the world" (§163); and,

WHEREAS the United Methodist Committee on Relief (UMCOR) partnered in April 2002 with Equal Exchange to launch a denomination-wide coffee program, and any United Methodist church or individual buying coffee, tea, chocolate and other goods through Equal Exchange's Interfaith Program can now order coffee through UMCOR (at the Equal Exchange Web site www.equalexchange.com/interfaith or by calling 774-776-7366) For every case of coffee ordered, UMCOR receives approximately 5 percent of the purchase price from Equal Exchange to be used in UMCOR's small farmer economic development programs; and,

WHEREAS the Peninsula-Delaware Annual Conference passed a resolution at the 2005 Annual Conference session, resolving that local churches, denominational offices, and Conference supported ministries and institutions prayerfully discern a policy about Fair Trade products; and,

WHEREAS the Advocacy Resource Team has provided information, resources, and opportunities to purchase these products since June 2005 and will continue to do so by offering individual items for sale to allow a church to sample a product before purchasing a case;

WHEREAS these products are offered for sale in the Cokesbury display area at Annual Conference sessions for 2005, 2006, and 2007;

THEREFORE BE IT RESOLVED that every local church Administrative Council/Board or synonymous group review the Equal Exchange DVD about Fair Trade products provided free of charge by the Advocacy Resource Team;

BE IT FURTHER RESOLVED that each local church thus study the issue to become educated about Fair Trade, pray together, and then vote about using Fair Trade products such as coffee, tea, chocolate, and nuts for their church needs, thus reaching out around the world to empower poor farmers;

BE IT FURTHER RESOLVED that one of the reports for 2007 Charge Conferences will be a report about the outcome of this process.

Resolution R-5—To Eliminate the Death Penalty—Mr. Howard Mason, on behalf of the Advocacy Resource team, moved the resolution. It was adopted.

Resolution R-5: 2007 to Eliminate the Death Penalty

WHEREAS, this is the 50th Anniversary of The United Methodist Church's Opposition to the death penalty.

WHEREAS, The 2004 Book of Discipline of the United Methodist Church Paragraph 164G states our stance against the Death Penalty:

"We believe the death penalty denies the power of Christ to redeem, restore and transform all human beings. The United Methodist Church is deeply concerned about crime throughout the world and the value of any life taken by a murder or homicide. We believe all human life is sacred and created by God, and therefore we must see all human life as significant and valuable. When governments implement the death penalty, then the life of the convicted person is devalued and all possibility of change in that person's life ends. We believe in the resurrection of Jesus Christ and that the possibility of reconciliation with Christ comes through repentance. This gift of reconciliation is offered to all individuals without exception. For this reason, we oppose the death penalty and urge its elimination from all criminal codes."

WHEREAS, since 1973, 123 people in 25 states have been released from death row with evidence of their innocence which in some cases was determined through the use of DNA testing;*

WHEREAS, blacks and whites are murder victims in nearly equal numbers, 80% of the people executed since the death penalty was reinstated have been executed for murders involving white victims and more than 20% of black defendants who were executed were convicted by all-white juries;*

THEREFORE BE IT RESOLVED that the Peninsula-Delaware Conference commit to opposing the death penalty in both Maryland and Delaware.

BE IT FURTHER RESOLVED that the Peninsula -Delaware Conference as a Conference, as Local Church congregations, and as individuals, communicate with both Maryland and Delaware State Legislatures and Governors our opposition to the death penalty and request that they eliminate the death penalty from the penal codes.

Resolution R-12— To Improve our Environment and Help Reduce Health Problems—Mr. Howard Mason, on behalf of the Advocacy Resource Team, presented this resolution. This resolution was supported.

Resolution R-12: 2007 Improve Our Environment and Help Reduce Health Problems

Whereas: As a people of God, Christians are called to care for God's perilous gift of creation. Christians are called to be moral images of God and to reflect God's divine love and justice through "keeping" the garden (Genesis 2:15). This special relationship with God requires good stewardship of God's creation. Christian concerns should extend beyond humanity to encompass the whole of creation – from rivers and oceans to fields and mountains. Energy in the U.S. typically generated from coal-fired plants, negatively impacts God's creation by creating pollution and contributing to global warming. People of faith can

strive to reduce the impact of their consumption in order to fulfill the ministry to be better stewards of God's creation.

Whereas: approximately 68% of African Americans live within 30 miles of a coal fired power plant, compared to 56% of whites. (1) Coal plants are the largest human-caused source of mercury pollution in the United States. Once released into the atmosphere, mercury falls into rivers, lakes, and streams where it builds up in fish and shellfish. People are primarily exposed to mercury through eating fish and the most vulnerable to this pollution are fetuses, infants and children. (2) According to the EPA, one in six pregnant women in the U.S. has enough mercury in her blood to pose a significant risk to her developing child. (2)

Whereas: Nitrogen oxides and sulfur dioxide are known to trigger asthma attacks and alter the lungs defenses and function. Most man-made nitrogen oxide pollution comes from burning oil in automobiles and fossil fuels in power plants. Sulfur dioxide is formed when oil and coal are burned for electricity or through industrial processes. Those most vulnerable to this pollution are children, the elderly, and people with heart or lung disease. (3)

Whereas: This world is increasingly bound together as a global community. Christians are called to create right relationships, both social and ecological, with all of God's creation. The burning of fossil fuels for energy use disproportionately impacts the health of communities of color, people living in poverty, and children. People of faith have the opportunity to put their faith in action to create a more just, sustainable world through their energy choices.

Therefore be it resolved: That the Peninsula-Delaware Conference, individuals, and local churches recommend to both Maryland and Delaware State, County, and Local Governments (Governors, County Executives, Mayors and Legislators) to start using renewable fuel (wind, solar, or nuclear) instead of building more fossil fuel (coal, oil, or gas) plants and increasing the already existing Environmental and Health problems.

Camping and Retreat Ministries: The Rev. Jack Shitama, Director of Camping and Retreat Ministries, expressed appreciation to the Board of Stewards and to the full-time staff who are called to this ministry. The mission is to provide hospitality and programming that promote God-inspired life-changing experiences. In 2006, 1,592 campers, 75 summer staff, 6,831 guests, and 1,443 challenge course participants spent time at Camp Pecometh.

One woman recently testified: "My mother was born again at the age of 12 at Camp Pecometh in the Galilean service. I gave my life at 12 in the same service and now my child has given her life to Christ as a 12-year-old at the same service. God is good!"

The spiritual journey is a lifelong endeavor. The proposed retreat center at Camp Pecometh is designed toward this end, with 24 hotel-style rooms, four meeting spaces that hold up to 30 persons each, and a 125-person dining room. These facilities will insure that adult retreat ministry remains central to the Peninsula-Delaware Conference. It is hoped that ground-breaking will take place in the fall of 2008, finishing permit processes by then, with the hope of opening the new retreat center by 2009. The sale of Drayton Retreat Center provided an estimated 60% of the project cost. The Capital Campaign Team Co-Chairs are the Rev. Elaine Ayres and Mr. Kevin Goodwin. Prayer Team Co-Chairs are Mrs. Lisa Kozak and the Rev. Helen Lockwood. Major Gifts Committee Co-Chairs are Mrs. Kathleen Hawkins and the Rev. Tom Short. Alumni Committee Co-Chairs are Ms. Mollie Barton and the Rev. Tom McKelvey. Dover District Special Events Co-Chairs are Mr. Jack Willis and Mr. Ron Zink; Easton District Special Events Co-Chairs are Mr. and Mrs. Jim Michael; Wilmington District Special Events Co-Chairs are Mr. and Mrs. John Jackson; Pastors' Advisory Committee Co-Chairs are the Rev. Jeanel Starling (Dover); the Rev. Doug Ridley (Easton); the Rev. Tim Duffield (Salisbury); and the Rev. Vicki Gordy-Stith (Wilmington). The Capital Campaign Honorary Committee includes Bishop Marcus Matthews, Bishop

Violet Fisher, the Rev. Jonathan Baker, Ms. JoAnne Bryant Barnhart, Maj.Gen. (retired) Woodrow Boyce, the Rev. and Mrs. William T. Carter, U.S. Rep. Wayne Gilchrest, the Rev. and Mrs. George Godfrey, Dr. Scott Miller, and Dr. Thelma Thompson.

Conference support for Camping and Retreat Ministries, which was \$170,062, has decreased to \$138,950 in 2007 (18% less through this portion of the current decade.) The total of \$21,935 has been given in camperships to 148 campers, and \$23,251 in contributions from individuals, churches and organizations has been gratefully received.

Colloquium on Membership and Ministry: The Rev. Christine Lee and the Rev. John (Jack) Abel announced that the colloquium on membership and ministry had taken place, in response to recent Judicial Council decisions. Fifteen persons helped plan the event, and six persons actually implemented the day. Some 108 persons attended the event, which was held at Wesley UMC in Dover. Technical support was provided by Long Neck UMC, Epworth UMC in Rehoboth Beach, Wesley UMC in Dover, and other participating churches. The General Board of Higher Education and Ministry provided an interesting speaker, Dr. Hendrik Pietersen. Opening worship was led by Mrs. Boe Harris. The colloquium provided both plenary and small group sessions. The colloquium is regarded by the planning team as a success, given the parameters established by the 2006 session of the Annual Conference.

Bishop's Appreciation to the Conference Staff, Annual Conference Ushers and Tellers: Mr. William Westbrook thanked the Conference Staff and staff members of the University of Maryland Eastern Shore for their tireless efforts and invaluable assistance in making possible this session.

The Rev. Fred Duncan, Head Usher, and the Rev. Dr. J.T. Seymour expressed their appreciation to the ushers and tellers for their enthusiastic and cheerful participation.

The Bishop shared his gratitude for the Conference staff's commitment to their callings over the course of the entire Conference year. This includes the staff members who work in the Bishop Felton E. May Conference Center in Dover, and the Administrative Assistants on the Dover, Easton, Salisbury, and Wilmington Districts. Their names are listed in the Conference Directory as a vital part of the Conference Resource Team.

The Conference Secretary, the Rev. Boyd B. Etter, gave thanks for the Conference's Secretarial Team. They are listed among the Officers of the Annual Conference.

The Secretary announced that the combined total of all offerings for Annual Conference was \$44,167.15, a 20% increase from 2006! The monies for Africa University scholarship now total over \$100,000, and we are within \$16,000 of our goal for that worthy ministry.

The Bishop invited Bishop S. Clifton Ives and Mrs. Jane Ives to center stage. He presented a token of the Annual Conference's appreciation.

Prayer for the Delegations to General and Jurisdictional Conferences:

Bishop Matthews invited to the stage those elected to represent the Peninsula-Delaware Annual Conference at the 2008 General Conference and the 2008 Northeastern Jurisdictional Conference.

The Bishop announced the following laity who were elected to the Northeastern Jurisdictional Conference: Megan Shitama was elected as the third lay delegate to the Northeastern Jurisdictional Conference. Elected as Reserve Lay Delegates were Ruth Higgins, Howard Mason, and Harvey Hyland, Jr.

The Clergy elected to the Northeastern Jurisdictional Conference as delegates were James T. Seymour, Jonathan Baker, and John (Jack) Shitama. Elected as Reserves to Jurisdictional Conference were William Sterling, Elaine Ayres, and Patricia Bryant Harris.

Bishop S. Clifton Ives proclaimed the Gospel of Resurrection in this service, based on the text, John 11 (the story of Lazarus), and Matthew 13:44-51. He reflected on those who, like his parents, have said "Yes," to God's call to ordained and licensed ministry. Saying "Yes," to Jesus will indeed result in changed lives, lives that in turn will change the world, "turning it upside down" (Acts 17:6).

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned.
(We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) a copy of the deed for the property;
 - 2) specific directions for locating the property from a major highway;
 - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

ADVOCACY RESOURCE TEAM

Transforming Communities for Change

Mission: This team supports and cares for empowering and transforming the human community through actions of social justice and advocacy, ecumenical and interfaith concerns, monitoring of inclusiveness, combating racism, sexism, and other forms of oppression, ethnic community concerns and the providing of diversity training and consultation.

Mission Priorities:

Making and nurturing disciples for Jesus Christ

The advocacy team is committed to discipleship formation in the Wesleyan tradition of justice as an essential area of a balanced discipleship. We will resource local congregations in teaching individuals and leaders to think globally and act locally in daily discipleship practices. We are committed to the promotion of the Social Principles as a means and a call to Christian living. Discipleship calls us to build communities of compassion for the brokenhearted brothers and sisters who seek full participation in the church and in their corporate life. Sharing power and self-denial of privileges that block access to groups of people can be a painful process for groups that have inferred power by virtue of their birth. Yet, the end result will benefit not only those who have been locked out of participation, but the revealing of true diversity benefits the whole of society.

Meeting human needs and transforming communities

The advocacy team seeks to make us aware of the needs of the disenfranchised and seeks to alleviate pain by confronting systems of injustice that deny human freedom and healthy self-expression. It is our hope to transform our communities to places of multi-cultural embracing of religious expression, and full participation of males and females in the faith and society. We are proactive in providing resources that will empower and strengthen holistic life in community. We will transform our communities through peacemaking and the Christian vision of mutual respect of the weak among the strong. The Advocacy Resource team will confront, challenge, monitor, lobby and create opportunities for reconciliation to achieve a community transformed by the love of Christ set by his self-emptying example. We envision resurrection power as a new people who emerge casting off old structures that have bound us by "isms."

Strengthening racial / ethnic inclusiveness

An inclusive process helps to achieve an inclusive result. Every mission, committee, and commission of our work as the Church is encouraged to maintain an inclusive process from the beginning of its decision-making. The experience of racial ethnic persons shapes an angle of vision for the church that cannot be achieved without racial ethnic participation. Racial ethnic persons must have voice and vote at every level of influence in the church and in the community. That voice and vote must be respected as a valid contribution of equal consideration on all matters and not only on issues pertaining to that group identity. A key word to this priority is strength. Inclusion is always compromised when there is a lack of strength. Racial ethnic congregations, clergy, and theologies are vulnerable to benign neglect if left to compete on equal footing when years of discrimination have impacted its vitality. Therefore, the Advocacy Resource Team will serve as a monitor, teacher, advocate, and financial resource to strengthen ethnic congregations, clergy, laity, and theologies. We will also provide opportunities for reconciliation, confrontation, and healing with non-ethnic groups.

Healthy Churches Initiative

ART will approach the vision of healthy churches from the perspective of resourcing congregations in developing and maintaining culturally sensitive standards of quality. We will also encourage leaders to be transformational in communities around issues of justice. That will require training clergy and laity in effective advocacy. All communities are faced with the challenges of ethnic diversity, economic disparity, and imbalances in community policing and criminal justice. Churches need to be equipped to organize around community concerns. Leaders in healthy congregations will best serve congregations and communities when they are equipped with standards of multi-cultural awareness.

Therefore, ART will seek to develop clergy effectiveness standards in cultural sensitivity, and effective advocacy. We will also explore providing language classes in Korean and Spanish to support clergy. We seek inclusion in training in the lay academies to help laity understand how advocacy strengthens Christian discipleship.

Goals for making and nurturing discipleship

Church & Society

ART will promote the social principles of the UMC to the local church, conference, and to the community. To give an informed voice to the UMC position on various issues, consultants are brought in to share both sides of an issue in a forum. We encourage each district to provide copies of the social principles at each charge conference.

ART members will serve as a resource to testify or write opinions on hearings in the legislature on regional issues that impact our annual conference area and the nation. The team will use the social principles as a guide on the positions that are presented.

Pacem in Terris is a peacemaking organization located in Wilmington, DE. It promotes awareness of social concerns and is proactive in advocating on behalf of the disenfranchised. Its work in environment, restorative justice and conflict resolutions are some of the trainings that are made available. ART supports this organization with seed money grants.

Peace with Justice Grants are collected through congregations in our annual conference on Peace with Justice Sunday and are awarded as grants are requested.

Health care as a right and privilege to all citizens is encouraged in our area. ART calls upon discipleship in health care, health advocacy, and in reaching underserved populations to provide access to information and services. ART will partner with health agencies such as the American Cancer Society and Health Care for All. ART will also help raise funding and awareness in HIV/AIDS projects.

We support the right to fair trade for farmers and workers by encouraging the purchase of coffee and fair trade products from the Fair Trade Organization. We will also monitor living wages, benefits and working conditions for workers in local and national companies and give voice to workers. Products are often provided at events where we gather.

The Status and Role of Women

ART will monitor for gender inclusiveness in our covenant relationship with the United Methodist Church. We nurture healthy discipleship for girls and boys, and men and women, by encouraging images and language that is inclusive with masculine and feminine characteristics. We encourage all local congregations to support the full participation of girls and women in its leadership roles in the church.

ART encourages all congregations to adopt strategies to become a safe sanctuary.

The Flyer publication sent out by COSROW is received in bulk and distributed by ART.

Martin Luther King Jr. Symposium and Multi-cultural Forum

The symposium to honor this great preacher and community organizer, Martin Luther King Jr., is held annually in January. It is a time to reflect on community involvement, attitudes about race, progressive and regressive cultural trends. Various ethnic groups in our conference participate to enlighten spiritual cultural diversity. Awards are given to individuals and groups who have modeled inclusive ministry. This year the focus was on children.

The African-American Clergy and Laity Summit

This is an event held as a two day training and worship experience prior to annual conference to address a variety of topics and Christian ministry.

Repentance and Reconciliation

Nurturing Wholeness in Community Retreats is a three day retreat to address racism of individuals as well as institutional racism. Participants are taught historical factors, past redresses, white privilege, and the stories of racially defined ethnic groups that make up our annual conference. Probationers are required by the Board of Ordained Ministry to attend. Leaders on boards and agencies are also expected to attend a retreat.

Level II Nurturing Wholeness in Community

Level II is for those who have attended the original retreats who desire a more in depth survey to help with deliverance from white privilege and internalized oppression. The first retreat was held this year at Rehoboth Beach, DE.

Building Communities of Shalom

This system of community building was founded by Bishop Felton E. May, after the riots in Los Angeles, California. The training helps churches partner for mission projects that bring about systemic change. Some topics that are covered include diversity training, preparing a mission and vision statement, grant writing, coalition building on community assets. Various presenters work with congregation groups to help them start a Shalom Zone.

ART also brings several existing cooperative ministries to the advocacy table. These ministries have long been established and are addressed elsewhere in this document. They are Neighborhood House, Salisbury Urban Ministries and the Methodist Action Program. These organizations are directed to urban populations with empowerment and mission programs.

Cross Racial Appointment Training

The on-site review conducted in 2003, encouraged training for congregations and pastors in the challenges and opportunities presented when appointments are made cross-racially.

Ethnic Local Church Concerns

ART traditionally relates to all the major ethnic groups such as African-American, African, Hispanic, Native American, Korean, and Haitian. ART helps to fund projects for ethnic churches and ethnic pastors. Funding organizations that help to provide resources for ethnic groups are also sent from ART. Funding was awarded to Native American Mission workers.

The recommendation of the GCORR is to host ethnic gatherings for minorities to share concerns and for mutual support.

Monitoring

Desk Audits from COSROW and Religion and Race were sent to the resource center and returned to the agencies. These audits helped us to measure the involvement of minority, female, clergy, lay and majority culture participation in staff employment, committees and commissions, and conference membership. ART also monitors annual conference during the corporate sessions as well as throughout the year.

Committee on Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within the Peninsula-Delaware Conference of the United Methodist Church.

Section 1: Review of 2006 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at the Nurturing Wholeness in Community retreats in the Conference.

To offer classes/courses for laypersons through district leadership programs such as Lay Academies regarding Native American issues and ministry. We continue to anticipate the opportunities to fulfill this goal.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of such speakers and their effective impact on local churches/communities. This is ongoing and we are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the conference. Our Native American missionaries, Ragghi Calentine, Odette Wright and other committee members are working with a number of congregations in the conference in order to establish an ongoing relationship.

To expand the network of CONAM into other areas of the Peninsula-Delaware Conference. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events and libraries.

To continue to promote the celebration of Native American Ministries Sunday. We are making available to the local congregations ways and resources in which they can conduct a special service for this special offering Sunday.

To provide financial support for persons to attend Native American Family Camp, Flying With Eagles, youth leadership training, and other leadership opportunities. This is ongoing and will continue as the need arises.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This continues as an ongoing effort. Many have been identified through contacts with congregations as well as other speaking venues. CONAM will supervise and support the Native American missionaries. When salaries were discontinued in June 2005 this ministry has been supported by Conference Advance Special, CAS 11, and other congregations as well as CONAM.

Section 2: Significant Events, Challenges

CONAM members have assumed leadership positions at the Nurturing Wholeness in Community retreat experiences. We have shared the history of Native people within the church and the historical grief that is felt. We continue to face racism. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

Indian Mission UMC "NDN STIX CHIX" ministry, under the direction of Ragghi Calentine and Boe Harris, are performing a much needed ministry to youth and adults. They have shared their ministry in many congregations, schools, universities, civic organizations, annual conference's Martin Luther King celebration and cultural events. One of our young ladies won the MLK symposium's Black Elk award, 2007. They have been featured in many local newspapers, annual conference "Communicator", general church's "Reporter", covered by United Methodist News Service, televised over the internet, a national Indian

newspaper the "Indian Times." Financial support has been received from fundraisers, other churches, businesses, and countless individuals.

CONAM members continue to minister beyond the walls of our annual conference. Ragghi Calentine and Boe Harris have traveled to many congregations throughout the United States sharing the traditions of storytelling, music and dance at Native American Ministries Sunday celebrations. They have also shared traditions with civic organizations, military bases, schools, universities and cultural events.

CONAM members continue to serve on other conference boards, teams & agencies and task forces.

CONAM members serve on National boards. Ragghi Calentine serves as Central & Northeastern chair of Native American International Caucus, Boe Harris & Odette Wright are alternates on the same organization. Odette Wright is a member of National UMC Native American Center.

The Northeast Jurisdiction Conference Committee on Native American Ministries met in New York in the fall. Our local CONAM sent two representatives with permission of Bishop Matthews.

Challenges that face us: The continued racism within our conference. Making our voices heard and our presence known within the conference. The awareness of how using demeaning and dehumanizing Indian mascots affects reconciliation and healing process of Native people. To bring awareness of Native culture, identifying Native people, and having all of the churches in our conference celebrate Native American Ministries Sunday.

Section 3: Goals for 2007

CONAM will continue to develop and share ministries with the two Native American churches in our conference, Indian Mission UMC in Millsboro, DE. Immanuel Union UMC in Cheswold, DE. Our challenges have become our goals. With God's grace and the prayers of our people, we will continue the ministry that has been the history of our CONAM.

Conference Committee on Mission Personnel

The purpose of the committee is to make a recommendation on those persons seeking to serve as missionaries or deaconesses through the General Board of Global Ministries (GBGM). On November 30, 2006, the committee interviewed one person for Deaconess in The United Methodist Church and filed the required forms with GBGM. We have had no requests for anyone to serve as a missionary.

Gary L. Moore
Chairperson

Congregational Development Corporation

Overview

The Congregational Development Corporation (CDC) was allocated an annual budget of \$65,000.00 to distribute and oversee loans and grants to existing congregations for land purchases, property acquisitions, and church property construction and renovation that will enable continued local church vitality. CDC also sets aside \$1,000.00 of its funding for administrative costs such as mailings, postage, duplicating fees, and expenses associated with attendance and participation in training and resourcing seminars/workshops for information that can be shared with local churches and Conference boards and agencies.

CDC has adopted a conservative operational policy of distributing the monies annually allocated as well as the funds on hand through Conference repayments in order to be faithful stewards of Conference monies. To that end, we counsel applicant churches before an application is submitted to assure awareness of our expectations for evidence of good financial stewardship and responsible ministry practices that together will promise to stabilize and even increase the church's service to the surrounding area according to the local community's demographics. This has helped to broaden our role as an educational and advisory resource for various revitalization and crisis issues, including facility maintenance and planning by church trustees. We also are working with the Conference Small Church Membership Task Force to increase our resourcefulness as a communicator of church health and vitality, and we have participated in two Conference-wide workshops sponsored by that group.

CDC meets quarterly to review applications.

Goals 2007 & 2008

1. Revision of our bylaws to a) establish an official role in counseling existing churches on revitalization and healthy church issues; and b) consider the possibility of raising the maximum grant award from the current \$5,000.00.
2. Building a more collaborative relationship with the District Boards of Church Location and Building and the four district superintendents in order to be more knowledgeable about district plans affecting congregational development, to focus on outreach to neighborhoods and communities, to help identify congregations for special redevelopment and revitalization assistance, and to build more correlation in our separate review concerns. Site visits and comments from the District Boards and the district superintendents are significant factors for an application's acceptability.

Grant & Loan Distribution

In previous years when CDC had to overspend its Conference allocation, the overage was taken from church loan repayments so as not to cause a deficit on our part. However, for the first time in the last six years CDC has not overspent its annual allocation. We would like to think this is due to more churches having taken advantage of our pre-application advisory role and take more seriously the need for local churches to hold Conference funding as a last resort and to review faithfully their capabilities to finance their critical and renovation needs. We have noted too that the quality of applications continues to improve in terms of ministry plans and budget presentations that promise to increase the probability that Conference and commercial loans can be repaid while the daily needs of the local church also are maintained. While we really try to be helpful and encouraging to every applicant, but in order to be efficient and effective we could not deem every application received as qualified for approval.

Funding was allocated for the following three congregations:

Union UMC, Childs, MD – grant of \$5,000.00 toward replacement of handicapped access ramp.

Union UMC, Bridgeville, – grant of \$5,000.00 and \$20,000.00 signature loan toward critical repairs and upgrade of parsonage for associate pastor.

Grace UMC, Salisbury, MD – grant of \$5,000.00 toward church repairs and renovation to enable continued outreach partnership with Salisbury Urban Ministries.

Health and Welfare Task Force

SECTION 1: Review of 2006 Goals

1. Making and nurturing disciples for Jesus Christ.

All work done in the name of the Health and Welfare Task Force (HWTF) is done in the name of Jesus Christ. It is our philosophy that our body-our temple- is one that best serves our Lord. Our approach to health is wholistic (body, mind and spirit).

2. Meeting human needs and transforming communities.

The HWTF membership felt the best way to accomplish this goal was to promote healthy life styles by encouraging health ministries in the congregations of our Conference. We wanted to design a questionnaire that would provide essential base line information regarding the status of health ministries in every congregation in our Conference. This will provide every congregation in our Conference the opportunity to let us know what they are doing-or not doing- in the area of health ministries, their wholistic health needs, what they would like to do, how we can be of help to them or put them in touch with appropriate resources, etc.

Help for the development and administration of the survey tool (questionnaire) was provided by internationally known parish nurse educator and consultant, Rosemarie Matheus, RN, MSN who met with Task Force members in March.

Each of the district superintendents were asked to provide the Task Force with the names of fifteen congregations from each of the four districts to participate in a pilot survey program. The dean of the graduate nursing program of Wesley College was contacted to see if a student in that program would be interested in helping our HWTF conduct the survey. One student expressed interest and contacted half of those selected by the district superintendents by phone calls and follow-up letters which included the survey form. Due to a number of factors, she was not able to complete the project. Only thirteen of the thirty pastors or their designated representatives she contacted completed the survey.

The HWTF hopes to finalize surveying the remaining congregations in the Conference during 2007 using different methodologies.

3. Global missions outreach, especially through the Congo Partnership.

Several members of our Task Force spoke with Bishop Yemba or heard him speak when he was at Annual Conference regarding the health needs of those in the Congo. We continue to be mindful of the need to reach out to others and how we can accomplish this in meaningful ways.

4. Strengthening racial/ethnic inclusiveness.

We have been intentionally inclusive in the work of the Task Force, as well as actively seeking to have a diverse membership on our Task Force.

5. Provide resources for those in health ministries in our Conference.

This has been-and continues to be- a very important aspect of our work. In addition to helping those congregations having existing programs, we are providing resources to help start new programs. We provided partial funding for a registered

nurse to attend a parish nurse preparation program, sponsored an educational program on health ministries, consulted with those interested in starting new health ministries or changing existing ones and provided displays and health educational materials at our Annual Conference Session.

SECTION 2. Other significant events, accomplishments and challenges.

We partnered with the Delaware Chapter of the Health Ministers Association and sponsored a dinner/program featuring Rosemarie Matheus RN, MSN. This event entitled- "Health Ministry Gathering and Dialog" was held at Wesley United Methodist Church in Dover, Delaware and followed our meeting with her in the afternoon when she provided consultation to us regarding the health ministries survey. Over 60 people attended the dinner and program. Attendees included clergypersons, health ministers, and those interested in becoming faith community nurses and/or starting health ministries. Proceeds from this event help defray the cost of her coming from Wisconsin to provide consultation to our Task Force.

Although a parish nurse member of this Task Force has planned stroke/blood pressure screenings at our Annual Conference Sessions for a number of years, we were asked this year to take blood pressures at the first Health Fair sponsored by the Board of Pensions. Several faith community nurses spent many hours attending the Health Fair Committee meetings and planning for this event. Four faith community nurses who are members of the HWTF and two other nurses screened 247 participants for hypertension, provided health education consultation and information on faith community nursing/parish nursing/health ministries.

In October, the Task Force co-chairs attended the national health ministries conference sponsored by the General Board of Global Ministries, which was held in Memphis, Tennessee. We were fortunate to have two representatives attend as only one person from each Annual Conference is usually allowed to attend. "Our own" Bishop Felton E. May was one of four bishops who made presentations on health related topics at the conference.

In both November and December Rev. James T. Seymour met with the Task Force members to discuss a number of topics-including missional goals, budget proposals, our Health Ministries Survey and Healthy Church Initiatives.

In December Rev. Dale Brown, Enabling Ministries Resource Team co-chair met with members of the Task Force to discuss funding sources for our activities/programs. Additionally, in his role as chair of the Disaster Response Task Force for our Conference, he asked for the help of parish nurses and clergy members of the HWTF to be trained to help in time of disasters. Six members of the HWTF agreed to take the volunteer training to participate in this endeavor of our Conference.

SECTION 3. Goals for 2007.

1. To make and nurture disciples for Jesus Christ.
2. To meet human needs and transform communities
3. To encourage health related mission outreach
4. To strengthen racial/ethnic inclusiveness.
5. To provide resources for those in our Conference interested in health ministries.

Volunteer-In-Missions (VIM)

Grace and peace to each of you from God our Father who continues to bless this Annual Conference mission ministries. This has been another good year for VIM. Our Annual Conference continues to send teams to the Hurricane Katrina area. Just as many teams have gone this year as last (over 40). Our awareness of VIM has been heightening due to the increase of disasters we have experienced throughout our country. International mission visits are on the rise and overall attitude and approach for responding to disaster is greatly improved and more.

Our emphasis for 2008 will focus on Disaster Response Training, Haiti, Costa Rica and the Democratic Republic of the Congo. At this Annual Conference, we shall highlight our ministry to Costa Rica via Kent Island UMC. Many churches are interested in this ministry and have requested that we provide additional information. UMCOR held a national meeting in February of this year with VIM and Disaster Relief Coordinators for offering effective coordination of emergency efforts when disaster happens near or in our Annual Conference. I am enclosing in this report and the background papers, which should be reviewed by every congregation, especially Pastor and Mission Chairs. We shall be working in a newer and more collaborative way, via the North East Jurisdiction Coordinator. The new policy and Covenant are attached to the end of this report. **Please familiarize yourself with this new working policy.** Mildred continues to serve as a member of the General Board of Global Ministries. She keeps us abreast with new and emerging issues stemming from GBGM's ministry to the Denomination. Many thanks to the Mildred who serves the people of the Peninsula-Delaware Annual Conference well in this very important work.

Mildred and I serve on the North East Jurisdiction VIM Committee as Directors. The officers of this Committee are as Follows: Howard Caulfield, President – Troy Conference; Mildred Hamilton Vice President- Pen-Del Conference, Sandy Rowland, Secretary - Baltimore-Washington Conference and Don Hamilton, Treasure – Pen-Del Conference. Bill Westbrook, Director of Administrative Services for our Annual Conference receives and disburses all funds for the North East VIM Committee. Mildred and I are grateful to Bill for his wonderful support and guidance in the matters of finance for NEJVIM. We work with the VIM Coordinator, Greg Forrester and serve as his employer. Greg provides the leadership, training and support for the Conferences of the North East Jurisdiction. We will celebrate and observe VIM Awareness Sunday this July 15, 2007. Every church will be asked to provide a VIM moment in their main worship services. We solicit the memberships to consider becoming involved and back this important and transforming ministry. There are many speakers across the Conference who are willing to come and share about this important ministry. There is probably a VIM'er who is already a part of your church that would love the opportunity to speak about the VIM experience. In addition to the heighten awareness, we would ask your congregation(s) to support the VIM program with a donation. Donations for this ministry go to help Conference VIM Committee sponsor Conference VIM Mission Trips. This is an excellent time for you to support the Congo Partnership, especially if you miss the June 8 offering. Your help is key and essential to all or any success we may in providing effective leadership in this crucial and vital mission area.

The Conference Staff are supportive of our Committee. Penny, Linette, Brenda, Lawanda, Bill, Donovan, Tammy and J.T. Seymour all have been just super. The Committee could not accomplish its work without them.

Mildred and I are grateful for your confidence and support of our abilities and leadership for this most important work. We count it a privilege to work in this most humbling and supportive way for the work of missions and ministry in the Peninsula-Delaware Annual Conference.

Don and Mildred Hamilton, Co-Coordinators

Protocol for UMCOR/UMVIM Collaboration
In US Disaster Response
February 2007

Background

Over the past 7-10 years, UMCOR and UMVIM have been working cooperatively in disaster response and recovery within the United States. UMCOR has been given the responsibility of oversight to the United Methodist Church's disaster response by the General Conference (Par. 1326.2.a.1 2004 BOD). That oversight includes training of annual conference staff and disaster response coordinators, solicitation and management of emergency funds through the Advance, and assisting an annual conference in a disaster zone with the design of their response. The Mission Volunteers Program Area of the General Board of Global Ministries is given the responsibility of enabling the participation of persons in volunteer programs and projects so that affirming, empowering, and trusting relationships are established (Par. 1312.5).

UMCOR's work with an annual conference following a disaster is to establish a mechanism for immediate and long-term response. One piece in the response mechanism is the management of volunteers. This piece has grown increasingly important to the recovery process but also increasingly unwieldy.

Experience shows that volunteers are always eager to go to the disaster site. Early Response Teams (ERT) serves a vital role, but theirs is not the only role for volunteers. Very early in the disaster we need to put a system in place that will not only find appropriate work for volunteers who are not ERTs, but also appropriate housing for them. Housing in the intermediate relief stage is important, as is housing for the long-term recovery.

Most often, a conference has depended upon its UMVIM coordinator to take on the responsibility of managing these incoming volunteers - even when the UMVIM coordinator has had little or no training or experience in hosting volunteers. When the coordinator is unable to take on the responsibility of managing the incoming volunteers, the disaster response committee will work with UMCOR to appoint a new person or persons to create the volunteer management system. In the meantime, the volunteers are calling, arriving in the zone and asking for assistance and direction.

The staffs of UMCOR and Mission Volunteers now desire to clarify the roles played by UMCOR and UMVIM in the early days of a disaster. The consistent use of ERTs formed by UMVIM, and the addition of an UMVIM presence with UMCOR in the early assessment and guidance process will bring an improved United Methodist presence to the disaster response. Therefore, UMCOR proposes to work with the Jurisdictional UMVIM coordinators to create a team from each jurisdiction that can work with annual conferences to set up the volunteer management system following disasters. This Jurisdictional Disaster Volunteer Management Team (JDVMT) will be included in the consulting team UMCOR creates after being invited to assist by the area bishop. Further, UMCOR will in consultation with the Jurisdictional UMVIM Coordinator, offset the expenses of at least one member of the JDVMT.

UMCOR/UMVIM Protocol for US Disaster Response February 2007

Whereas UMCOR is responsible for the United Methodist Church's disaster response through the annual conferences; and

UMVIM is responsible for enabling the participation of persons in volunteer programs and projects so that affirming, empowering and trusting relationships are established; and

UMVIM's unique role in disaster response is acknowledged to be in the training and deployment of Early Response Teams and in developing Jurisdictional Disaster Volunteer Management Teams to work with UMCOR in initial disaster response in the development of the volunteer management system; and

UMCOR's unique role in disaster response is to manage the "big picture" of the annual conference's program of response in coordination with the General Church's contribution of resources.

The following are presented as Protocol for the collaborative UMCOR/UMVIM response in US disasters:

Jurisdictional Disaster Volunteer Management Team (JDVMT)

Understanding not every disaster will require the deployment of the JDVMT, the decision to request their participation will be made by UMCOR in consultation with the bishop of the disaster area. Responsibilities of the Jurisdictional Disaster Volunteer Management Team (JDVMT) will be as follows:

1. Work with the annual conference affected by a disaster to create a structure for the management of all volunteers coming into the disaster zone.
2. Assist the Annual Conference Disaster Team in setting up a call center so that offers of volunteers can be appropriately managed.
3. In cooperation with the Annual Conference Disaster Team, find and assign appropriate work for all volunteers - both teams and individuals - until the annual conference is able to manage this work on its own.
4. Propose to the Annual Conference Disaster Team volunteer housing options that can be used during relief and early recovery phases of the disaster.
5. Make recommendations to the Annual Conference Disaster Committee on volunteer housing solutions for long-term recover.

UMCOR/UMVIM Protocol for US Disaster Response February 2007

Early Response Teams

Early Response Teams (ERTs) are trained volunteers who are able to arrive self-contained and self-sufficient on a disaster scene to provide assistance with making homes "safe, sanitary, and secure". The ERTs "belong" to their annual conference and enter into another conference's disaster zone at the invitation of the Bishop through UMCOR. The primary responsibility for training ERT's will be with Jurisdictional UMVIM Offices using UMCOR-approved materials. Responsibility for maintaining a list of trained teams in each annual conference will be with the Jurisdictional UMVIM Offices. Specifics related to the deployment of ERT's are:

- UMCOR will request ERT's through the Jurisdiction UMVIM office, who will then contact and deploy ERT's to a disaster.
- ERT's will report on their location and work to their Jurisdictional Coordinator.
- ERT's will report to and serve under the authority of the annual conference in which they are responding, generally through that conference's Disaster Coordinator.
- ERT's serving within the bounds of their own annual conference will work under direction of their own Annual Conference Disaster Coordinator or Incident Coordinator.

This integrated approach between UMCOR and UMVIM, with UMCOR providing oversight of the disaster response and UMVIM providing leadership in the management of volunteers and deployment of ERT's, will provide a more efficient response and use of volunteers following disasters. UMVIM involvement in the disaster response ranges from the very beginning to the long term, and, with the establishment of appropriate systems, those who suffer the devastation of disaster will be better served.

February 2007

Covenant of UMCOR and UMVIM In US Disaster Response

February 2007

Covenant Preamble

As people called by God to be servant leaders of the church in US Disaster Response, we acknowledge the profound mystery of pain, suffering and death in the world. With

Christians throughout the ages we pray for the coming of God's reign in all of Creation (Matthew 5:1-20, 6:9-13, Luke 11: 1-13).

We live in active expectancy of the time when there will be no more sound of weeping, nor cries of distress, when all children shall live beyond infancy and all old people shall live out their days, when justice shall roll down like waters, and righteousness like an ever flowing stream, and when all the earth shall be as full of the knowledge of God as the waters cover the sea (Isaiah 11:9, 65:20, Amos 5:24).

Meanwhile, we give thanks that God has raised up UMCOR and UMVIM to coordinate and strengthen the servant leadership of the church for US Disaster Response, and recognize the unique and complementary gifts and grace of these two programs. We affirm that by working collaboratively in the oneness of the Body of Christ they are much more effective and responsive than either can be separately.

Since both UMCOR and UMVIM have the same goal of serving the most vulnerable people affected by disaster, we enter into this covenant in a spirit of cooperation and humility, seeking to be faithful disciples of Jesus Christ as we reach out to those in need.

Nature and Purpose of the Covenant

The ministry of all Christians consists of service for the mission of God in the world. The mission of God is best expressed in the prayer that Jesus taught his first disciples: Thy kingdom come; thy will be done, on earth as in heaven. All Christians, therefore, are to live in active expectancy: faithful in service of God and their neighbor; faithful in waiting for the fulfillment of God's universal love, justice, and peace on earth as in heaven.

Pending this time of fulfillment, the ministry of all Christians is shaped by the teachings of Jesus. The handing on of these teachings is entrusted to leaders who are gifted and called by God to appointed offices in the church: some apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ (Ephesians 4:11-12). For these persons to lead the church effectively, they must embody the teachings of Jesus in servant ministry and servant leadership. Through these ministries and leadership, congregations of the church are faithfully engaged in the forming of Christian disciples and vitally involved in the mission of God in the world. . . .

The United Methodist tradition has recognized that laypersons as well as ordained persons are gifted and called by God to lead the church. The servant leadership of these persons is essential to the mission and ministry of congregations. . . .

The privilege of servant leadership in the church is the call to share in the preparation of congregations and the whole church for the mission of God in the world. The obligation of servant leadership is the forming of Christian disciples in the covenant community of the congregation. This involves discerning and nurturing the spiritual relationship with God that is the privilege of servant ministers. It also involves instructing and guiding Christian disciples in their witness to Jesus Christ in the world through acts of worship, devotion, compassion, and justice, under the guidance of the Holy Spirit. John Wesley described this as "watching over one another in love."

The Book of Discipline of The United Methodist Church (2004): 131, 132, 136, pp. 90-92.

The Covenant

With the grace of God and the support of my colleagues in UMCOR and UMVIM, I will:

Treat all people involved in a disaster as children of God and worthy of my respect.

Regard the collegiality of my fellow workers as a gift from God.

Seek to understand and support the variety of roles needed in Disaster Response.

Practice good stewardship of my own resources and those of the various disaster volunteer teams understanding that the funding of the work of the UVMIM is the responsibility of the volunteers, and that General Advance funds collected by UMCOR for a disaster are distributed within an annual conference by the conference leadership. Ask for the guidance of the Holy Spirit in discerning my own role.

Be ready to listen as a ministry of healing.

Avoid taking sides in local dynamics that may be exacerbated in a disaster.

Hold fast as a disciple of Jesus Christ in the midst of the chaos of disaster.

Covenant Commitment

Mindful of the suffering of Christ in the suffering of others,

I hereby make my commitment, holding myself accountable to my colleagues in Disaster Response and seeking to be mutually supportive at every opportunity.

Camping and Retreat Ministries

REVIEW OF 2006 GOALS

- Evaluate year around staffing requirements to determine how to best meet the programming and financial needs of the ministry

This evaluation yielded two major changes in staff structure:

- All aspects of the summer camp program including marketing, registrations, staffing and program development were combined under one full-time position, the Summer Camp Director. These functions had previously been divided between the Administrator and the Program Director. Richelle Darrell, formerly the Administrator, is now the Summer Camp Director
 - The Challenge Course Management functions are now being outsourced on a contract basis to Challenge Applications, the consulting company of former Director of Outdoor Programs, Dan Ashe. Dan is no longer employed by Camping & Retreat Ministries, but contracts to oversee all aspects of the Challenge Course program including facilitator training, course safety and inspection and program development.
- Develop a donor base of 150 persons/organizations with \$20,000 in contributions

Pecometh received \$27,704 in 2006 from 85 donors. Of this amount, \$23,251 was for Camperships. Pecometh granted Camperships to 148 campers totaling \$21,935. Therefore, not only were Camperships fully funded, but a small surplus \$1,316 will go to the Campership Endowment Fund.

- Register 1500 campers in the Pecometh Summer Camp Program

We registered 1501 campers in 2006. While this represents a 3.6% decrease from 1557 campers in 2005, we shortened the summer camp season from 10 weeks to nine weeks in 2006. This means that we accommodated nearly as many campers in one less week.

CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide hospitality and programming that promote God-inspired, life-changing experiences.* While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches. This ministry is truly about Changing Lives for a Changing World.

Pecometh celebrated its 60th year in 2006. Nearly 200 persons joined together on a July weekend this past summer to celebrate six decades of God-inspired life-changing experiences. During this weekend, the newly renovated Charlie Barton Recreation Hall was re-dedicated. The Summer Camp Program will continue to be the centerpiece of Camping & Retreat Ministries.

That being said, the momentum is building as the *Tradition & Transformation* Capital Campaign gains momentum. The Campaign Team is nearly complete and the Co-Chairs, Rev. Elaine Ayres and Mr. Kevin Goodwin are providing outstanding leadership. We are expecting to reach our Leadership Phase Goal of \$1,000,000 in commitments by Spring 2008. Zoning issues center on the wastewater treatment and disposal to be issued by the Maryland Department of the Environment. This process is expected to take into mid-2008.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support required to support operations. In 2007, support will remain at \$138,950. This represents 13.5% of the \$1,032,159 budget. This compares to \$170,062 in 1999, which was 20.0% of the \$848,709 budget.

Thanks to the team of Ann Ashe, Buddy Landing, Richelle Darrell and Julian Pietersen for their continued outstanding leadership at Camp Pecometh.

UPDATED STATEMENT OF GOALS FOR 2007

- Complete the "ask" portion of the Leadership Phase of the *Tradition & Transformation* Capital Campaign by December 31, 2007.
- Develop a donor base of 120 persons/organizations with \$30,000 in contributions.
- Register 1550 campers in the Pecometh Summer Camp Program.

STATEMENT OF GOALS FOR 2008

- Enter the Public Phase of the *Tradition & Transformation* Capital Campaign
- Break ground on the Pecometh River Retreat Adult Retreat Center.
- Register 1600 campers in the Pecometh Summer Camp Program.

United Methodist Men

Theme: Building God's Kingdom through Men's Ministry

A song of ascents of Solomon, "unless the Lord builds the house its builder's labor in vain".

Unless the Lord watches over the city, the watchmen stand guard in vain. In vain you rise early and stay up late toiling for food to eat for he (God) grants asleap to those he loves. *Psalms 127*

The United Methodist Men of the Peninsula-Delaware Conference and other conference's throughout his (God's) church are Christian men bonded together through Methodism with compassion for men's ministry and mission, as we go foreword to work in the world's vineyard because we love and fear our lord and savior Jesus Christ.

God has commissioned all men of the Peninsula-Delaware Conference and beyond to be the fisher of people and make disciples, to build his great kingdom.

The year of two thousand six (2006) has passed from the present into history. Carrying with the glory the moments of happiness, the disappointments and unfinished ministry mission projects.

STANDING FIRM ON THE PROMISES

Christian men must stay the chartered course established by Jesus Christ until each of us reaches our destination (a place not built by human hands). Standing firm because we have hope and we are loved by God. Our father covered by his blood shed on the cross as well as his recorded doctrine.

THE PURPOSE

The purpose of the UMM (Methodist) by association shall be creative supportive fellowship of men who daily seek his will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all their relationships.

Too many disciples of men and others through ministries and mission that lead to spiritual growth of men and effective discipleship. But our full purpose is to serve and provide encouragement as men are called to model the servant leader's individually and in group strategies that form the foundation of UMM in ministry. To provide the resources that assist men in the growing relationship with the lord Jesus Christ and his church.

INFLUENCING

The influencing of men is to adapt some types of fundraisers at district and local church levels. To meet the many obligations and to conduct ministry and mission fundraisers is a necessity because other public, private and non-profit foundations are seeking funds. The war on two fronts, Iraq and Afghanistan has created another financial deficiency by those lobbying for their causes. The very men and others have targeted for support of our many ministries on United Methodist Men are on fixed or low income and they are also supporting other non-profit organizations leaving us few options. The United Methodist Men throughout the Peninsula-Delaware Conference are men of passion working together to accomplish the mission of the conference.

THE DISTRICTS, THE LOCAL CHURCH AND THE COMMUNITY

Some fundraiser solutions:

- a. start some type of fundraisers
- b. continue supporting the EMS, every man sharing in Evangelism
- c. support the legacy builders programs
- d. paying dues
- e. supporting the society of John Wesley Fellow Awards
- f. Adopt some of the suggested fundraisers.

EVENTS IN TWO THOUSAND SIX

Two thousand six was a busy, exciting and eventful year both spiritual and social as in fellowship with one another and God as we found on our conference attending the annual Executive Men's Meeting in May at the United Methodist Church in Wyoming, Delaware, and at Camp Pecometh in Centreville, Maryland for the 49th Annual Retreat. The National Association of Conference Presidents, the UNM-Men's Foundation and Prayer Advocates gathering in Nashville, Tennessee. Later in July the General Board of Church and Society of the UM Church in Washington, D.C. and at our own Annual Conference on June 9, 10, 11, 2006 at University of Maryland Eastern Shore Princess Anne, Maryland.

We are looking forward to our 50th Annual Retreat in September 2007. The men are still contemplating a conference wide potato drop through the cleaning field in our area. We also hope to award four society of John Wesley Fellow Awards – through the foundation of UN-Men.

I must acknowledge all district presidents and men on the conference. I would be remiss if I failed to give thanks to men of the conference executive board.

GOALS FOR 07

- Strengthen our faith through mission ministry
- Continue group and individual bible studies, rekindle the prayer line or prayer advocates, raise the status of the local church (UMM Charter's)
- Increase the membership of (EMS) every man sharing through Evangelism mission and ministry by 5% this year
- New church charters by 5% conference wide and the legacy builder by 5%.

IN CLOSING

We are men committed to our God to the organizations growth through recruitment of new members. The renewal of lapsed charters, to encourage men to organize new groups and to be more active and visual in the church and the community at home. But we must expand mission, ministry nationally and internationally.

Jesus said to his disciple's come with me by yourselves to a quiet place and get some rest. --Mark 6:31

Embracing the Black Church Task Force

The Task Force has been diligently at work implementing the 2006 goals, as they relate to the overall goals of our annual conference.

Goal 1. Making and nurturing Disciples for Jesus Christ. We will--

- : support workshops, vital worship services and bible studies that enhance the spiritual growth and effectiveness of congregations
- : be a strong advocate for United Methodist doctrine and history as it relates to making disciples in the 21st Century.

Action Taken: Sub-committee was formed to begin work on a "how to workbook for the annual conference. Also, workshops were given to approximately 200 persons on the Salisbury and Wilmington Districts on "the Discipline as a Book of Covenant."

Goal 2. Meeting Human Needs and Transforming Communities. We will--

- : continue to work with the Board of Ordained Ministry in seeking to strengthen the continuing education requirements for Elders.
- : host conference workshops addressing such things as: Pastor, ethics, vital worship, empowering laity, accountability and who we are in ministry.

Action Taken: Sub-committee formed to identify the key ingredients for "Vital Worship." Also, scholarships of \$300 each were provided to Revs. Yvonne Penn and John Van Tine, who attended the Congress on Evangelism and Revs. Peggy Briggs and Shirlyn Henry Brown, who attended the African American Clergy convocation.

Goal 3. Strengthening Racial/Ethnic Inclusiveness. We will--

- : spearhead a forum that would allow clergy and laity to dialogue around the issue of cross-racial appointments.
- : provide African American churches assistance in critically examining Sunday worship for content and time.

Action Taken: Sub-committee met with Rev. Dr. Seymour to discuss what had already been done in the area of cross-racial/cultural appointments; he had convened a task force of several persons to discuss the possibilities involved in this issue. The book "Many Faces One Church: A Manual for Cross-Racial and Cross-Cultural Ministry" was ordered for each member.

For 2007, the Task Force will continue developing and implementing the above stated goals as they relate to the Healthy Churches Initiative for the Peninsula-Delaware Conference.

Peter D. Weaver Mission Committee

The PDW Committee continues to work hard in resourcing this Mission Ministry phase as it relates to the people of the Democratic Republic of the Congo. I am indebted to my Committee which has been renewed with new members, Bishop Marcus Matthews, Dr. J.T. Seymour, Co-Chairman Rev. Rob Townsend, My strong and beautiful helpmate and partner Mildred for their extraordinary support and insight for this very effective mission program. We have continued to improve and strengthen our relationship with our Sister Conference and much has been accomplished through your efforts and support.

We want to continue to remind you that Bishop Yemba had inherited 6 Annual Conferences and two Provisional Conferences which geographically covered most of the land mass of the Democratic Republic of the Congo. He had no monetary assets; no place in which to work and meet with his Conference Officials; he had no equipment and more importantly, the Bishop could not effectively communicate with the majority of the people he served. Bishop Yemba invited the Hamilton's to the DRC to plan for Bishop Marcus Matthews Episcopal trip July 2007. We reviewed present projects and were updated on the important things happening in his country. A report on the Projects is included later in this report. We heard again the stories, which told of human tragedy, anguish and pain. The stories dealing with children and women were just heart wrenching.

The Bishop himself brings a lot of hope for his people and this Partnership between our two Episcopal areas. He is developing new systems and has put into place staff persons in which to implement those systems. It is a demanding process, which includes accountability and integrity for every project. He is an astute organizer and has put into place new guidelines, which are much more transparent and responsible to the whole Partnership Project. Bishop Yemba is championing the way for our Partnership and we will be able to participate and share with a sense of great joy and accomplishment. God Bless Bishop and Mrs. Yemba for their stamina, courage, and vision for the future of the People of the Democratic Republic of the Congo. Here is what the two Bishops agreed to in the unique Signing Service held at the last Annual Conference.

1. The Central Congo Conferences geographical areas are vast. This Episcopal area covers 10 out of 11 Provinces in this country, an area almost equal in size to the United States east of the Mississippi River. The Episcopal area includes 4 annual and 2 provisional Conferences. Communications between the Bishop and his Conferences; Districts and Conference Offices; Conference Offices and local Churches; & local Churches and their constituencies is erratic, unreliable, unstable and poor. We need to develop a reliable and effective communications system for the Conference Resource Center to satellites offices of the Annual Conferences.
2. Youth and Young Adults are the future of our Church. The Partnership will establish a new initiative involving this age group of both Episcopal Areas. The initiative will include the development of VIM trips for cultural understanding, fund raising for special youth projects, and work projects

which are mutually agreed upon by the youth and will enhance the work of the Partnership.

3. The Partnership will continue its support of the Orphanage and homeless children. This support will include providing basic needs, resource materials, facility upkeep and staff training and salary support.
4. The Partnership will continue its support of the Mpasa Nutrition and Medical Center. This support includes continuing supplement of the UMCOR Feeding Grant, Medical VIM Teams and staff training and salary support.
5. Increase the funding support of the scholarship established at Africa University which will benefit students coming from the Central Congo Area Conferences. After completing the endowed scholarship; an additional annual scholarship Conference and assure a steady stream of trained leaders that will be provided by the Partnership instrumental in revitalizing and rebuilding a healthy DRC.
6. The need of our Partner Conferences is great, thus it is recommended that the Peninsula-Delaware Conference increase its giving for the support of this Partnership from \$30,000 to a minimum of \$60,000.
7. This is a goal we have exceeded each year since our beginning. Replace with: We have actually exceeded that amount already each year since the beginning of the partnership. The opportunities for local churches to become more involved with Partner Churches shall be more evident with the new goals. This will solidify our fundraising.

The PDW Committee is working with Bishop Yemba and Bishop Matthews to coordinate an Episcopal visit in July 2-11, 2007 & October 7-20, 2007. Rev. Jack Abel, Senior Pastor of the Rehoboth UMC Church will lead the Medical Team which will work at the hospital at Wembo Nyama In the DRC & Conference Delegation in July for the purpose of signing the Partnership Agreement there In the DRC. His Episcopal visit will include visiting the various projects we now support. At this writing, **we are still recruiting persons for all teams now!** The travel dates are confirmed and we expect to move forward. Future VIM teams to the DRC will be limited to 12 persons and scheduled soon. We are still looking for RN's and a couple of non medical people to help with non medical jobs. We really want to expand our volunteer base so new missionaries will be given the first opportunity to sign up for these trips . Think about going Today!!!

Mildred and I visited the DRC this February (1-18) to review the present projects and to get a feel for what is taking place in the DRC. This was a very profitable trip. We were able to see the city of Kinshasa in a new light. Travel was not as restricted; still you need to be hosted. We looked at new facilities, which the Teams will be using, reviewed possible resources which could assist VIM and Education teams visiting the Congo.

Mr. Emile Odimba is the new Coordinator of Projects for the DRC. He will be working with us to clarify and implement effectively. In our deliberations, we agreed that all Projects must touch the masses of United Methodist in the various Conferences. We believe this is the proper way to go and highly endorse its validity.

The following is our assessment of the projects as reviewed in the DRC February 2007:

Review of Church Projects

1. Communications – This project is commencing smoothly. The Rev. Louis Loma, Director of Communications. The United Methodist Communication Foundation at African University in Zimbabwe trained Rev. Loma, June 2006. Pastor Loma was trained on certain communications equipment and was taught to take photographs in addition to developing newspaper items for reporting about the Episcopal area. Upon our leaving, the Congo Episcopal was to receive the communications equipment promised by the grant Pen-Del funded via Foundation of Communications.

Rev. Loma reported he would receive the funds (\$2400.00) for the following equipment:

- Computer
- Microphone
- Digital Camera
- Lighting Kit
- UPS Power Supply
- Digital Recorder
- Printer

Pastor Loma reported that in addition to this equipment he still needed additional equipment (\$2250). That list includes:

- Fax Machine
- Scanner
- Air Conditioner
- Generator
- Stabilizer
- Power Supply

We reviewed the total communications program for the Episcopal Area. Pastor Loma is willing to travel through out the Episcopal Area assisting Annual Conference with establishing viable communications within their conference bounds. Included in the review was the Conference's Radio Station, which is now inoperable. We shall review the radio station with support and input from the Foundation of Communications. The Foundation is establishing a model for radio stations that will operate in Africa. A report from them will be available within the next two months. Additionally we agreed:

- Pastor Loma will communicate regularly with the Pen-Del Conference.
- Pastor Loma will work to set up a Conference Website.
- We will work to extend communications to the other conferences in the Congo Episcopal Area
- We will provide funds for Internet start-up and 6-month fees.
- We will pick up Pastor Loma's salary for two years starting 2008.
- We shall assist with the restart of the Radio Station with support from the Foundations of United Methodist Communications

2. **Conference Center** – We reviewed a site proposed for the Conference Center for the Congo Episcopal Area. Bishop Yemba is consulting an engineer to ascertain the building's usability. That report will be available for the Matthews' Delegation in July. The building and property are very large.

In addition to the building proposed for the center, there was another building started that was intended to be a church. Just the metal structure is standing there; it will be included in the engineer's report.

Clarity is needed regarding further use of this property. Who will be housed there? What will the functions of the offices housed there? What is the Congo Episcopal Area's contribution to this project? Professional engineers must be consulted regarding building stability, functionally and future usage. Cost estimates must be submitted in a timely fashion.

- Our recommendation is to continue our support of this partnership goal; however, we should pay building costs directly to the contractor or builder.
- Secondly, we recommend that no funds be expended from the Pen-Del Conference unless a cost effective funding and completion package is in place.
- Thirdly, we recommend that the Congo Episcopal area develop a comprehensive ministry usage plan with the construction of this center. It must be shown how this project will affect, or touch the lives of United

Methodist Members across the Episcopal Area. We need to be careful in building offices for a few people.

- Fourthly, It was agreed upon that the project ministries should touch as many lives as possible in this large Episcopal area.
3. **Mpasa Nutrition Center** – this is one of the best projects we fund. The center seems to be functioning well, yet it is not possible to tell the full impact or effectiveness within the area they serve. We were told the Clinic serves 2100 persons monthly. We received no statistics, thus, we do not know how many families, children, women, men were being served. We are recommending that the record system be updated so that true statistics may be obtained.

Secondly, we need to see records on inventories of medical supplies. We were shown the foodstuffs, and some medical supplies; however, I feel we need to be a bit more transparent and concrete in this area.

We need to review the center's funding. Among the many needs we have seen at the center, we were surprised to see a new generator sitting out in the weather not being used. We asked about the generator and was told Delaware sent it. As Project Coordinator for the DRC, I knew nothing about sending a generator. I am not questioning others providing funding to Mpasa, if they are receiving other funding, then we need to know that and coordinate our funding with the other that is being received.

After a briefing from Dr. Yohoudi, the Center's Director she asked that we consider funding the following:

- Funds for completing a building they have started. The building would provide for a separate examining room for men. Currently, there is not a place available for privacy.
 - The center needs an ambulance for emergencies.
 - The doctor needs a vehicle for the Center. She is talking about a good used car for transporting patients.
4. **Visits to Church Schools**- Over the course of two days we visited 4 schools including the two we built via Hope for the Children of Africa. The need of each school was quite apparent. They all needed physical repairs. Most need utilities upgraded and more room for students. The need for supplies was enormous. We may continue to send education supplies, however we cannot sustain this need for all of the schools.

Every school provided us a plan for expansion of their facility. Some buildings could use some renovation and others needed additions. However, plans presented to us were grossly inflated, returned those plans to Bishop Yemba, whereby together we both agreed that a comprehensive plan for building projects is needed. This is how we will work together in the future.

However, we were impressed with two programs located at the Ebonga School that were noteworthy. First, they had a program for youth who had not previous schooling. This was a well-attended class and the youth were eager to learn. We want to lift this up for our possible future support. The second school was for young women who had children out of wedlock and now are returning to school. The United Methodist Women sponsored this school. In addition to going to school, the young women were learning how to sew. We saw the products they made, which are sold so that the student may earn some money. This project needs more sewing machines and is worthy of our promotion.

For the Education area:

- We are committed to supporting the scholarships of students to African University.
- Providing Education Kits when possible.
- Consider supporting the UMW Project at Ebonga School for single mothers coming back to school

- Consider supporting the class for youth attending school for the first time.
- Support of building renovation which is a part of the Episcopal Area's comprehensive plan.
- Over 200 orphans attend this school. Up to now, no one pays for his or her schooling. UNICEF, we are told has promised to pick up those costs. We have agreed to probe UNICEF from our side to ascertain why the funding has not come forth. This may be a way for us to support orphans, because there will be some serious adjustments made by the end of 2007. We are asking the Committee to keep an open mind on this one.

5. **Emoko Fama Orphanage & School** - Our visit to the Orphanage was very disappointing. The physical plant and program were in poor condition. Monies sent for safety (Wall around the premises), there was no electricity, no water, lack of equipment. There were ten children in the orphanage. In our opinion, there were safety issues, staff issues and operational issues, which warranted that the Orphanage operation be reviewed and reconsidered. We had some frank discussions with Bishop Yemba regarding the orphanage and it was decided that it would be closed by September 2007. Bishop Yemba, however wanted to review the orphanage and provide a viable management plan for reopening the orphanage with more children, staff and stability. We did agree to this plan if it becomes plausible.
- The children presently at the orphanage will be placed with family members or at state institutions. The orphans will continue to be cared for by Pen-Del until their situation is stable or they reach adulthood.
 - We will stop supporting the physical plant and staff by September 2007.
 - We agreed to review future viable plans for operating an orphanage.
6. **Medical Mission Teams** – The medical mission Team will go to the hospital at Wymbo Yama. Dr. Pierre Muanja will be the new medical director. He is looking forward to our team coming in October 2007. We shall give Dr. Mauna's e-mail to Rev. Jack Abel, team leader. His e-mail is www.manjapierre@yahoo.fr.

We ran across a project that affects Congolese in a very large way, River Blindness. Dr. Daniel Shungu, retired physician from the Merck Corporation gave us a briefing on river blindness. The disease is endemic in 27 African countries. The World Health Organization has estimated that in the Congo 21 million persons are at risk, 7 million are infected and 70, 000 are blind from onchocerciasis. We will involve our medical team in this project by helping to train persons in the village where we will work to help stamp out this problem. We would be working with Dr. A. Loka Wanga, WHO Coordinator. Dr. Wanga is at alwaysyou@yahoo.fr. Phone 0816251680. Dr Shungo's address is: UFAR, 13 Carnation Place Lawrenceville, New Jersey 08648, (609) 771-3674 or 609 954-3398. dishybgv@aik.com or ufar@riverblindness.org; website: www.riverblindness.org.

7. **Agriculture Project** - We were not able to communicate with Mr. Lumina, Coordinator for the Congo Episcopal Area. However, we communicated to Bishop Yemba our wishes for reaching the masses. The Bishop will confer with Mr. Lumini and send later the recommendations from their conversation. In addition, Mr. Lumina will be at the West Congo Annual Conference in July to confer with our representatives.
8. **Home for Girls in Lodzi** – This home for 250 homeless girls was raided by enemy soldiers during the war. We were asked to consider supporting this important work. All furnishings, dishes and household goods were looted from the home. This will be a project we will recommend to the churches of our Conference for support.

A second trip to the DRC, that we call "Educational Missions" will be launched in the Fall of 2008. These trips will give the person not wanting to be a part of a work crew a chance to look at the mission work in the DRC first hand and close up. It is hoped that these persons would become Ambassadors for the Partnership and would be willing to speak in behalf of its mission and goals. These trips would be shorter in length, yet would provide

a perspective that could not be obtained from news reports. Please plan to go and see for yourself the People of the United Methodist Church in the DRC.

Financial details and costs will be forthcoming at Annual Conference. We are estimating that all cost to the Congo at \$3,000. Make your plans to attend ASAP.

When you come to Annual Conference, you can help the Partnership by bringing some Education Kits for the DRC Schools. A list of supplies for the Kit may be found on our website. I WOULD ALSO REMIND EVERYONE OF THE SPECIAL OFFERING WE ARE TAKING FOR THE PARTNERSHIP On Friday Afternoon. The Partnership will have its own special yellow envelope that will include its logo and other pertinent information. The Special envelope is being used to avoid confusion about the Partnership. We are asking that every local church consider a special gift to be given during the Annual Conference sessions. Our goal is to have every church include the Congo Partnership in their budgets, therefore it would help reduce the additional competition for the mission dollar. Please Consider the Partnership in this significant way.

To help raise funds for this mission, the Committee has initiated a Walk-A-Thon which was held March 17, 2007. The goal is to involve more churches in our project. Mrs. Joy Burke is heading up this project and we are off to a good start. The Walk a Thon will be held at two sites, Killens Pond and Bellevue State Parks. We expect over 500 persons to participate. This is our first experience and the monetary goal is not projected. We do expect to do well.

I am indebted to our hard working committee, who put in many tireless hours in support of the Partnership and the people of the Peninsula and Congo. New to the Committee is Marie Van Der Wall, Levin VanSant & Harold Caswell. We welcome these new members with great hope and expectation for the many gifts and talents they bring to the Partnership.

Mildred is key and very special to yours truly and our Committee. She is my right hand. The work of this Partnership would not be accomplished without her tremendous input. I thank Mildred for all the hard work she does and we all want her to know that she is really special and important to our welfare.

Rob Townsend is our Vice Chairperson of the Committee and trainer for VIM Orientation and Julie Lewis, Secretary. Both of these persons are key movers and shakers to the Partnership. We are blessed to have their leadership and support.

Finally, the support for the Congo Partnership from our Annual Conference was and is truly superb. The giving for 2006 was over \$36,000. On behalf of our Committee, thank you for your support. There is no Partnership without the Churches of the Peninsula-Delaware Annual Conference. You have been tremendous and I would like to thank you on behalf of both Bishop Yemba and Bishop Matthews for all that you have done. May God continue to bless your congregations and keep your interest and hearts open to a people who are very grateful for all of your love and support.

United Methodist Women

Purpose of United Methodist Women is "The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

GOALS 2006

- To increase Mission Today Units to fifty percent of the organized units within the conference
- To encourage the organization/reorganization of at least two new units
- To have each conference officer visit at least two local units within their respective district, other than that officer's local unit.
- To have each conference officer contact at least twelve pastors per year promoting United Methodist Women
- To involve one hundred children and youth at Conference events
- To increase participation of children, youth and adults by ten percent at Conference events.
- To educate United Methodist Consumers on Social Responsibilities by making them aware via newsletter and Conference events of what they use and buy.

To increase Mission Today Units to fifty percent of the organized units within the conference (Not met) We had twenty-one (21) Certificates for Mission Today Units at the Annual Fall Meeting. It is very difficult to obtain an accurate count of the organized units within the conference. There are seventy-eight churches listed for Dover District, sixty for Easton, eighty-one for Salisbury and seventy-two for Wilmington. Two hundred ninety nine churches should have 299 organized units of UMW. From the UMW District Directories the organized unit number is Dover 80, Easton 50, Salisbury 75, and Wilmington 45. We have two hundred-fifty (250) organized units. We needed to have One hundred-twenty five (125) Mission Today Units

To encourage the organization/reorganization of at least two new units

Not met

To have each conference officer visit at least two local units within their respective district, other than that officer's local unit. Not met

Traveling to other local units was influenced by prices at the gas pump and lack of knowledge of dates and times of meetings.

To have each conference officer contact at least twelve pastors per year promoting United Methodist Women (Not met) Rationale is unknown. Conjectures may be the officer is unfamiliar with pastors not of her local church.

To increase participation of children, youth and adults by ten percent at Conference events.

Spring & Fall Events, SOCM in 2005 was eight Spring & Fall Events, SOCM in 2006 was one. The percentage difference is 12.5% of 2005.

To educate United Methodist Consumers on Social Responsibilities by making them aware via newsletter and Conference events of what they use and buy.

Provided information for United Methodist Consumers on Social Responsibilities by email, newsletter and conference events was done.

The Greatest Commandment

Matthew 22:34 When the Pharisees heard that he had silenced the Sadducees, they gathered together, ³⁵and one of them, a lawyer, asked him a question to test him.

³⁶Teacher, which commandment in the law is the greatest? ³⁷He said to him, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind."

³⁸This is the greatest and first commandment. ³⁹And a second is like it: "You shall love your neighbour as yourself." ⁴⁰On these two commandments hang all the law and the prophets. (NRSV)

Communities of Shalom

This has been an exciting and challenging year for Communities of Shalom. The Shalom Communities formally called Shalom Zones objective is to empower churches and communities to work together to rebuild and renew community life. A Community of Shalom is more than an absence of conflict. Shalom is a state of completeness and wholeness in which people individually and collectively experience health, prosperity, security, oneness with nature and neighbor, and spiritual renewal. Through asset-based community development strategies, collaboration, mission, evangelism and systemic change, Communities of Shalom focuses on four goals areas: Spiritual renewal, including congregational development, community economic development, race, and class relations, and health and healing within the community.

We are in the process of training three additional sites: The Pocomoke Charge; Rev. Shirlyn H. Brown, the Fruitland-Allen Charge; Rev. Anna Foster and Coleman Memorial UMC; Rev. George B. Moody. There have been several meetings at each site and two joint meetings at Whatcoat, UMC, Dover, DE. We anticipate completing this training in the fall of 2007. We continue to offer assistance to the existing sites.

One of the highlights this year was having the opportunity to have Professor Raheemah Jabber-Bey; University of Delaware and Rev. Dr. Donna Jones; Cookman UMC, Philadelphia, PA came and facilitated discussion of the importance of understanding the multi-cultural dynamics of Community Development. I received a certificate for the completion of a Community Development Training Course offered by the University of Delaware, November 14, 2006.

Goals for 2008

- Complete the Community of Shalom training for three (3) additional new sites
- Continue to assist the existing Communities of Shalom

- Develop a Faith Based Workshop with all the Communities of Shalom and interested pastors and congregations
- Develop healthy churches through a community development program.
- Continue to enhance the Shalom communities through spiritual growth (prayer, bible study, worship etc.)
- Shalom Prayer Calendar for 2008-2009
- Transfer the primary responsibility of the Shalom Initiative to a Shalom Task Force

This has been a rewarding year. I give thanks to God and all persons who have shared their time, talent, treasure, and prayers to make this year a blessing.

Elaine Ayres
Chairperson

Interfaith Resource Center

The mission of the Interfaith Resource Center is to encourage and equip the congregations of Delaware and on Maryland's Eastern Shore by providing support and resources for their ministries, so that all may study the scriptures, praise God, share the faith, and minister to others.

The Interfaith Resource Center adopted the following goals for 2006 and 2007.

- Enhance or adjust IRC services to reflect emerging needs.
- Encourage increased services to small member congregations.
- Donate overstocks and expired curriculum resources to a missional partner.
- Continue to reach out to minorities (Hispanic, Asian, African American, physically and mentally challenged, etc.), by providing resources that serve the needs of these communities.
- Develop the IRC as a resource for technology education for churches.
- Continue to support the Interfaith Lay Academy.

The Interfaith Resource Center has focused on a goal of immense importance—to identify the changing needs of our target community and respond to those needs with increasingly relevant services. While surveys conducted in early 2006 were helpful, they primarily revealed that no single trend was yet emerging for communication with the churches of our far-flung territories. Some churches remain dependant on the pastor for e-mail access while other churches are actively involved in technology development within the church building, including worship. It is however clear that the success of our services is increasingly dependent on technology. With transportation costs skyrocketing, we cannot be everywhere; but through the use of technology, we can be as close as the telephone and the internet. To that end, the IRC converted to DSL for its internet provider in 2006, adding as a bonus the feature of wireless internet accessibility within the Center. We have begun to distribute the IRC newsletters electronically, providing the ability to send more newsletters quite inexpensively. The first e-news was prepared in pdf at the very end of 2006 for distribution in early 2007. Finally in 2006, the IRC began a feasibility study regarding the interest in drawing volunteer church libraries into a satellite system. At this writing, the project looks promising and is awaiting final technical advice to begin.

The IRC continues its commitment to the smaller congregations within its service area. Of 229 active member churches in 2006, 118 were churches of less than 100 members or 51.5% of our total membership. The current membership fee for these smaller congregations is only \$30 per year—one-fifth the purchase cost of the average 8-session study kit. For that \$30 membership, they have access to over 2000 video programs, many taught by the leading scholars in the United States and the world.

The IRC has addressed the challenges of inclusiveness in a number of ways. For the past several years we have sought out congregations that have interest in our expired Hispanic resources and mailed them donations of these study materials. In 2006 we also sent a collection of Christian education resources to Kiweesa Parish in Uganda. Unfortunately, such donations are impractical on a routine basis due to the cost of mailing

parcels to Africa. The IRC remains open to local mission projects that could make good use of our expired resources. Please contact us if you are aware of any organization that might be interested. Finally, the IRC purchases new titles related to the all aspects of inclusiveness as they become available. One such acquisition of note is *The Church Enslaved: A Spirituality of Racial Reconciliation* by Michael Battle and Tony Campolo.

The IRC offered two technology support classes in 2006 and was used as a personal training site for internet instruction by one retired pastor. In addition to these technology trainings, other programs that were sponsored by the Interfaith Resource Center included:

- 3 courses at the Interfaith Lay Academy attended by approximately 50 people;
- Vacation Bible School Workshops offered in 2 locations with over 50 participants (One was cancelled due to inclement weather, but the participants were provided with complete support through mailings and telephone.);
- a Cokesbury workshop on the new *Live Big* curriculum with approximately 25 participants; and
- about a dozen programs on topics related to "Media and Faith" led by the director at locations throughout the region.

Missions Task Force Report

2006 is not a year to celebrate from a giving point of view. Advance Special gifts totaled \$223,587, one of the lowest levels of the past five years! Without disasters to support, pocketbooks did not remain open for disasters not on the nightly news. Another project that suffered a sharp drop in giving was the Central Congo Partnership. Even with the strong Annual Conference offering, only \$36,000 of the \$60,000 needed was raised. Over 90% of our churches gave ZIP!

Another concern is meeting Bishop Matthews challenge to finishing endowing our scholarship at Africa University by this summer's Annual Conference session. As of March 1, only \$79,422 of the \$116,000 has been donated. The hope was that last fall's AU Sunday would bring in over \$50,000 – in reality we got under \$15,000 from only 24 churches! In four years, over 75% of the churches that voted to support this effort have not raised one penny. 30% of all giving to this effort is from my home church. Who is raising Africa University in YOUR church?

There was some good news in 2006. The Special Appeal at Annual Conference raised over \$35,000, a record amount. The BOOM Scholarship Fund received almost \$10,000; a record for that offering. It appears interest in VIM opportunities is up, with many churches sending teams to the Gulf Coast as well as traditional destinations like ASP and Red Bird Mission. The first week of October has several AC churches participating in the Red Bird Mission work camp. Contact Kevin Goodwin (missionsczar@aol.com) for details.

As church leaders, one of your goals should be building a missions-minded church. Along with paying 100% of your Conference Asking, each church should be:

- Supporting a General Board of Global Ministries missionary (\$5/member)
- Supporting the Six Special Sundays (\$1/member)
- Supporting the Conference Mission projects – Africa University scholarship and the Central Congo Partnership (\$1/member)
- Supporting GBGM Advance projects of their own choosing (\$2/member)
- Supporting local mission projects (\$3/member)

For \$1.00 each month from each member, a church can accomplish the above and be Christ's hands and feet to the world!

For want of an appeal, the donation was lost.
For want of a donation, the missionary was lost.
For want of a missionary, the Word was lost.
For want of the Word, the disciple was lost.
For want of a disciple, the Kingdom was lost.
And all over the concern of a missions offering.

LEADERSHIP DEVELOPMENT RESOURCE TEAM

The LDRT identified outreach to new residents as a major concern for the churches of the Peninsula-Delaware Conference, particularly considering the rapid population growth of some parts of the Peninsula. A special task force was established to address this concern. As a result of its work, a workshop was held on October 28 at Gethsemane UMC near Seaford, with Larry Homitsky from the Western Pennsylvania Conference as presenter. Over one hundred participants came from across the conference to learn about ways in which demographics can help local churches identify opportunities for ministry in their changing communities.

Another issue that surfaced in discussions of the LDRT was the effectiveness of churches on multiple point charges. A task force has been created to identify charges in which mergers and other creative forms of cooperation have been implemented, and to find ways to make these experiences available to all those in the conference concerned with multiple point charges. This task force is still at work.

Among other activities, the LDRT has also: heard reports of the activities of the campus ministries and the Howard Bailey Program; processed budget requests for all LDRT – related programs; selected a recipient for the Francis Asbury Award; and screened applicants for the annual Merit Scholarship.

Howard Bailey Life Enrichment Program

There is a new refreshing breeze in the air. A breeze that renews, rejuvenates and indeed transforms. The Howard Bailey Life Enrichment Program (HBLEP), its board of directors, Elders, Junior Counselors, Senior Counselors, and participants all say thank you. This report to the Peninsula-Delaware Annual Conference finds all of us looking forward to another inspiring season of ministry together and prayerfully hoping that you are of the same mind.

In this past season we discovered anew that our ministry is an integral part of our individual walk with the Lord, and that the combination of the church, the community, and the family can be a powerful and effective tool in the hands of those who are grounded in the boundless love of God in Jesus Christ. In our efforts to help young people along the road to meaningful adulthood, we at HBLEP understand the power and life changing spirit that God uses when one takes the time to slow down and work ahead of the difficulties presented by the society in which we live today.

In the spirit of pro-activeness our work has included training of individuals who make up the Board of Directors, our youth and young adult counselors, and the older adults whose giftedness, manifests itself in the willingness to allow God to use them as he sees fit. History of a people, lived with a realized presence of God, is still important to us. Keeping a vigilant eye on the present is still important to us. Making the teachings of our omnipresent, loving, and involved God is important to us. Accessing the libraries of the elders is still important to us. All of these areas represent opportunities for God's unfailing

love to be offered and a sense of the reshaping hands of the potter to be experienced in the lives of those the program touches.

We are excited about the future and invite your prayers, bodily participation, and your monetary gifts as we work into tomorrow, *Changing Lives for a Changing World!*

Philadelphia Area Committee on Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. Meeting at several times during the year with Bishop Matthews, the functions of the Committee were:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to help organize an Episcopal Residency Committee
- d) to assist in the determination of the episcopal needs of the area; and
- e) to make recommendations to appropriate bodies.

2006 was the first full year with Bishop Marcus Matthews as bishop of the Philadelphia Episcopal Area. In order to provide Bishop Matthews the most effective and efficient way to discuss matters pertinent to each Annual Conference as well as discuss issues relating to the entire Episcopal area, our meetings are now structured so that each Annual Conference has significant time with Bishop Matthews as well as meeting with him as an Area Committee. This has proven to be very helpful to both committee members and Bishop Matthews.

In addition to ongoing support and accountability for Bishop Matthews, two major projects have provided a focus for our work. The first is a cooperative effort bringing together representatives from Eastern Pennsylvania and Peninsula-Delaware Conference in the Episcopal Residence Committee. This Committee did an extensive evaluation of the existing residence concluding that extensive repairs needed to be made that would not be cost-effective. The Committee decided to sell the existing home and purchase a newer home that would serve our Episcopal area well into the future. This was accomplished for significantly less cost than making the repairs. The Matthews moved into the new residence in December.

The second project involves a study and exploration of the most effective way to staff our Area Episcopal office. While staffing for this office is at the discretion of the presiding bishop, Bishop Matthews has asked us to continue to research this issue and provide a recommendation that would help serve the needs of each conference and our Bishop. The Philadelphia Area Committee on Episcopacy highly recommends the continued employment of an Assistant to the Bishop in order to support the Bishop in doing research, monitoring and facilitating the important work relating to clergy in partnership with the Boards of Ordained Ministry, and helping represent the Bishop at functions he is unable to attend because of other commitments. This position is critical in assuring the Bishop the opportunity to provide the spiritual leadership important to our area. While this position has been half-time in the past, the increased administrative demands on the Episcopal office will require serious consideration to increasing the time given by the Assistant. If we expect our bishop to lead, we must provide the necessary funding support to enable this increase in administrative support.

The Area Committee continues to:

- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and functions of the Episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making;
- work with the Jurisdictional Episcopacy Committee as it looks carefully at the issues of conference boundaries and the number of Episcopal areas needed to adequately serve the Northeast Jurisdiction. These will be significant issues at both General Conference and Jurisdictional Conference in 2008.

We achieve this through our regular meetings with the bishop, a yearly performance evaluation of the Bishop in cooperation with the Jurisdictional Committee on Episcopacy through the duly-elected conference members of that committee.

We are grateful for the financial support of our Conferences which provides for the Assistant to the Bishop enabling Bishop Matthews to give leadership to the almost 1000 churches in our area as well as to his important work in the General Church.

Board Of Lay Ministries

The Conference Board of Lay Ministries of the Peninsula-Delaware Conference along with the District Boards of Laity has been diligent in carrying out their role of support to members within this conference responsibly.

The four districts in our annual conference have conducted classes for Lay Speakers and Laity. Each district director and their teams have provided training opportunities to equip laity. The Lay Speaking Academy has the responsibility to develop and to promote programs to cultivate adequate understandings of theological and biblical basis for ministry. In doing so, the Academy provides resources, support and direction for the new and the certified lay speakers.

Again this year, we have experienced our Day Apart. As the scripture tells us, "the people of God are called to be a spiritual people, a royal priesthood." The Conference and the District Board of Lay Ministries met at Camp Pecometh, September 16, 2006. The workshop was led by Dandy Zeigler, Director of Lay Ministries from Nashville, TN. The theme was "Spiritual Formation."

Also within the year, we were blessed to have the Annual Conference Laity/Clergy Banquet. This was held at The Modern Maturity Center in Dover, DE. We thank God for the gathering of the Laity and Clergy coming together to celebrate and to give praise to God for those who He has blessed. The quest speaker for this occasion was Bishop Violet Fisher of the Western New York Conference. We were also blessed to have our Bishop Marcus Matthews present. Presentations & Awards were given to lay members who were new inductees into the Order of St. Barnabas. These persons were nominated by members of their local congregations for their sharing of their time, talent, treasures and their target prayers.

The Conference Board of Lay Ministries will continue to support and encourage the laity within the annual conference to be in ministry and fellowship for the up building of God's Kingdom.

Wesley College

"The Peninsula-Delaware Annual Conference as the body of Christ will live out the ministry and teaching of Jesus Christ – boldly, cooperatively and inclusively – through life-changing communities of compassion." - Peninsula-Delaware Annual Conference Vision Statement

Wesley College is a comprehensive college affiliated with The United Methodist Church. It fulfills its mission in a way that is aligned with the vision of the Annual Conference. The focal points of the Conference's mission statement for the College are:

1. Living out the ministry and teaching of Jesus Christ; and
2. doing this as a life-changing community of compassion.

The key teaching for the College in the ministry of Jesus is hospitality. It changes lives through its educational mission to prepare people for a life of service and conviction in a rapidly changing world. The College does this as it strives to be a community of learners because it is in a community that the best education takes place. Our goals are organized in light of our understanding of our vision within the vision of the annual conference.

1. Hospitality
2. The Christian Community
3. The College Community – service.
4. The College Community – relationship and leadership.

It is in this perspective that we have reviewed our goals for 2006.

Review of 2006 Goals

Hospitality

1. Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the College, including several campus-based affiliates (Campus Community School, Wesley Boys & Girls Club, Charlton School, Children's Beach House, YMCA Resource Center, and others).
2. Continue to provide a strong ministry of hospitality to all students through the College's high quality, values-based education.

The College continues its work with a variety of groups. These affiliations enable a ministry to reach a variety of populations that would not be reached independently. These affiliations include:

1. The **Campus Community School** and the **Campus Community High School** provide environments in which our education students gain experience in close connection with their classroom learning.
2. The branch facility of the **Charlton School** continues to find a home on campus and some of its severe and profoundly challenged students find work experience and contacts with the College community.
3. The **YMCA**, **Children's Theatre** and **Boys & Girls Club**, make use of the College's facilities and other resources as they provide a variety of services to young people in the Dover area. The **Children's Beach House's** Kent County site is now located at the College in the ground level of Carpenter Hall. The Beach House, which is located in Lewes, Delaware, is returning to its original mission of providing services to children throughout Delaware. Dr. J. Thomas Sturgis, Interim Dean, MBNA School of Professional Studies, who has served as a Beach House trustee for 9 years, hopes the partnership will offer new opportunities for faculty and students. In the past, Wesley students have worked and volunteered at the Lewes facility.
4. The **Schwartz Center for the Arts** has been a fruitful collaboration in the arts with the Friends of the Capitol Theater and Delaware State University. A variety of events has appealed to a broad population in the Dover area. This endeavor has been so successful that the College, the Friends, and DSU have become co-owners of the facility. This will lead to even greater possibilities and a brighter future for the Center and for the arts on Wesley's campus. During the Wesley Gospel Choir's Gospel Concert, the Center recorded its 30,000th visitor for the year! An additional art venue is the **In Harmony** music series, which is presented cooperatively by Wesley College and the Dover Public Library for the benefit of the Dover Community. The **Wesley College Faculty Performing Arts Series** brings traditional and vernacular music performances (open to the public) to Central and Southern Delaware. "**September Echoes**", a play that chronicles the rage and fear that swept the country after the terrorist attacks and is told through the voices of victims, eyewitnesses, government officials, and American citizens of Middle-Eastern descent, was presented in the Wesley Chapel, by Distant Voices Touring Theatre. One of the co-founders of this group is Wesley College faculty member Danny Peak.
5. The College is exploring a relationship with **Miyagi University** in Japan which will increase opportunities for student, staff and faculty exchange. In addition to this new relationship, the College continues a fruitful relationship with **Hachinohe Institute of Technology**. Last summer, Wesley welcomed 45 students and 4 faculty and staff from the Institute who studied ESL and explored the various cultural opportunities of the Dover and Kent County region. Wesley provided ESL to faculty, student class leaders, and student life staff members in a cooperative effort toward insuring these visitors gain a fuller understanding of American culture as well as facing some of the special challenges in speaking a new language.
6. Our ties with the Pacific Rim continue to expand. Wesley College hosted administrators from the **University of The Sunshine Coast** in Australia. Two of our students in the physical education department taught in Australia under the auspices of the University this past year. A delegation from **Zhejiang University City College** in China visited Wesley to explore partnership opportunities with the College, particularly with the Departments of Nursing, Business, and Foreign Languages.
7. The **Business Education Initiative (BEI)** has been successful in connecting Wesley College with students from Northern Ireland. BEI is a program of the United Methodist, Presbyterian, and Catholic churches in cooperation with the government of Northern Ireland. Students from Northern Ireland study for one year at one of the partner institutions in the United States. Regional conferences are held for the students to share their experiences with other participants. Wesley has four BEI students enrolled for the 2006-07 academic year.

8. The **Inter-American Consortium** offers Wesley students (and those from five other U.S. institutions) the opportunity to live and learn at one of 11 partner institutions worldwide.
9. The relationship with **University College Chester U.K** has blossomed. The men and women's soccer teams competed in an international tournament at Chester last August. Dozens of students have studied at Chester in the eight years of the relationship.
10. In the fall, Wesley College hosted a soccer match between a **professional soccer team from Guatemala, Xelaju MC** which featured 3 national team players, and a team of Delaware all-stars from a Kent and Sussex County adult league. The crowd of almost 2,500 - many from the Latino communities on the eastern shore - cheered loudly with each goal as Xelaju MC won 5-1.

We are pleased with our relationship with various groups of the Peninsula-Delaware Annual Conference. It is particularly gratifying to see **Hope Church** continue to grow in its ministries. Wesley College is proud to support Hope through the church's use of the Chapel facilities, and the use of the College's housekeeping, maintenance, and food services. These College resources allow Hope to focus on "the main thing" - reaching people with the hope of the Gospel of Jesus Christ. The Hope Closet continues as a combined ministry of Hope members and members of the college community. The affiliation with **Barratt's Chapel** is on a solid footing. The College supports the Chapel through its maintenance, financial, and catering services. Chaplain Pruett-Barnett continues to be the liaison between the College and Chapel. The **WesBridge** program, a summer transition program, was back again at **Camp Pecometh**. Camp Director Jack Shitama visited some of our key staff members in order to share with them about the resources and future developments at the camp. The College offered a **stress seminar** for Conference clergy and this was very well received. One of our newest connections is with the **Dunkle-Mackey Preaching Seminar**. The seminars are designed to help pastors become better preachers and improve their preaching skills. I'm pleased to serve on the Dunkle-Mackey Board of Directors. The College was able to provide logistical support through the Chaplain's Office. Another new connection is with the United Methodist Women's **School of Christian Mission**. We were very happy to host the School in Malmberg Hall this past July and we are looking forward to having them once again this upcoming July. Beyond the Conference boundaries, we are excited about the partnership between Wesley College and Wesley Theological Seminary, for which our shorthand is **Wesley/Wesley**. Our first effort was a course on Methodist Heritage offered in Malmberg Hall over four Saturdays in September and October. This was enthusiastically received by the Lay Speakers who attended. As of this writing, Wesley/Wesley is planning a second course on caregiving for Saturdays in April and May. We were honored to have **Bishop Matthews** come for lunch and a visit to the College early in the year. We were very pleased that **Mrs. Henriette Yemba**, wife of **Bishop David Yemba** of the Central Congo Episcopal Area was able to come by and visit the campus on another occasion.

Wesley College is successfully expanding its education ministry. For the third consecutive year, Wesley College has earned a "**Top Tier**" ranking in the *U.S. News and World Report* category best "Comprehensive Colleges-Bachelor's (North)." The region covers a 10-state area. The College has grown in size and stature during the past nine years with a total enrollment of approximately 2,400, including 1,500 in the traditional college. The College receives over 3,000 applications for an average incoming class of approximately 550. Part of the College's ministry of hospitality to all of our students is to help students fulfill the promise of the educational opportunity that is offered to them by Wesley. Our **Student Support Services** through its **FASTrack**, **WesBridge** and tutorial programs helps some of our students acclimate to the college environment.

The College continues to reach out to new populations of potential students and one avenue for this is through financial aid. The College provides **tuition discounts** that can amount to 25% for Peninsula-Delaware Conference students; 50% for children of Peninsula-Delaware conference clergy; and 25% for UM clergy dependents from other conferences. Alumni are supporting future graduates through the **growing number of**

scholarships that they fund. A significant fund supporting deserving students has been named in honor of two graduates of the college currently serving in the state legislature. **The Still/Buckworth Financial Aid Fund** assists needy students in paying for their education at Wesley College. It is anticipated that over 350 students will receive a total of \$3.7 million from the Fund for academic year 2006-07. The Fund helps bridge the gap between students' traditional resources and the costs of education for both graduate and undergraduates. The Fund is named for Delaware Senator John C. Still and Representative Gerald A. Buckworth, both graduates of Wesley College. According to information provided by the Office of Student Assistance, U.S. Department of Education, Wesley students received a total of almost \$12,000,000 of Federal financial aid.

Part of hospitality is making sure that the physical facilities of Wesley College not only provide education resources but also are safe, comfortable and welcoming. Improvements made in 2006 include:

1. Extensive renovation work was undertaken in Budd Hall. Painting and new floor coverings were funded by a private foundation.
2. Funding was secured from the State of Delaware for Phase III of the installation of fire suppression systems in the residence halls. The state has mandated that all campus residence halls in Delaware have fire suppression systems by 2009. The College began the installation process in 2003 with the renovation of the Bellmeyer Honors House and the construction of Zimmerman Hall. In 2004, a system was installed in Carpenter Hall and Malmberg Hall followed in the fall of 2005. Phase III has included the Williams and Gooding Residence Halls.
3. Work on the College's "electrical loop" is anticipated to be finished by the end of calendar year 2007. Completion of the work entails the replacement of all major transmission wiring, transformers, and switches. The new upgraded system will also include two separate feeds from the City of Dover which should reduce significantly the possibility of power outages as a result of City System failures.
4. The new Java City Café located on the first floor of the College Center opened in the fall. This new dining venue includes a wide selection of coffees, smoothies, juices, water, snacks, sandwiches, and healthy eating options.
5. Five units of a Blue Light Safety System have been installed at strategic places around campus. These systems provide a one-button push to call Safety and Security, the flashing blue light launches immediately, and a notification to the Advantech Call Center is logged and local police are called as needed. A voice responds with notification to the student, faculty or staff member that security personnel have been alerted to the situation. Each device forwards notice of the location of the person who called for assistance.
6. Renovation was completed on the Kimble Suite in Parker Library (room 211). It now houses a classroom, office space for the history department, the George Washington Collection, and the Wesley College Archives.

The Christian Community

1. Provide religious programming as meets the needs of a diverse population of young adults.
2. Reach student populations through non-traditional means, such as internet magazines and contemporary worship.
3. Continue to expand and develop opportunities for Christian service.

Wednesday Worship at Wesley (WW@W) - provides students, faculty and staff with a chance for worship in the middle of the busy weekdays when classes are in session. The Spring '06 semester saw the **Bethune-Cookman Gospel Choir** sing for us at WW@W. **Ragghi Calentine and Boe Harris** led us in Native American

Christian worship in January. These were powerful experiences for those in attendance. **The Wesley College Gospel Choir** has represented Christ and the College very ably as they have sung in a number of churches around the region. The Chaplain hopes to see a **Praise team** get off the ground in the fall '07 semester. "**Pick-A-Scripture**" and a **book study** using The Christian's Survival Guide on Campus by Will Willimon and Tony Campolo were the two study opportunities that were offered. These opportunities are open to all students, staff and faculty. The two major service projects have been **the Hope Closet**, a collaborative ministry with Hope Church, and the service project trip to **Birmingham, Alabama**. The Hope Closet continues to dispense needed items to people with College students running the shop and Hope Church members supplying the goods. The Chaplain and students had another great experience in Birmingham. Once again, the students worked on people's homes, and learned about the church's role in the Civil Rights movement. They had the chance this time around to talk to one of the veterans of the movement, Colonel Stone Johnson. An additional opportunity for service was a trip co-sponsored with the Office of Student Activities to Washington D.C. On this trip, students had a chance to work with disadvantaged children. **The Fellowship of Christian Athletes** has taken root on campus. The "huddle" is now student-led. FCA director Randy Chambers pioneered the work here through the football team and we hope to see this ministry spread through all of our College teams.

The Campus Community – service

1. Actively pursue opportunities for whole campus participation in serving the community.
2. Integrate service into the classroom with more service learning courses.
3. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.

The Global Initiatives group began its work in earnest during the fall '06 semester. As presented above, Wesley College has developed a number of relationships with schools and organizations. The Global Initiatives group will be working to develop a world perspective and service component across the curriculum. Eventually, we hope that experience abroad will be the rule and not the exception here at Wesley.

The Campus Community – relationship and leadership

1. Develop relationships built on trust through fellowship opportunities, quality residential life programs, students clubs, and sports teams.
2. Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports, and student government.
3. Mentor students in value-oriented leadership and Christian principles of governance.

It is axiomatic for Wesley College that community consists of relationships built on trust and it is within such communities that effective leadership can be developed. Below are only a few examples,

1. Lokia Jackson, Director of Residence Life, received The Ann Webster New Professional Award at the annual Mid-Atlantic Housing Officers conference in Ocean City, MD this past November 2, 2006. The Ann Webster New Professional Award is intended to recognize significant institutional and/or regional contributions to the Housing/Residence Life field for an individual who has worked full-time for less than three years.

2. Seven Wesley College undergraduates participated in an intensive 10-week Summer Internship Program sponsored by the NIH-NCRR DE-INBRE grant. Each student then presented their results as a poster at the 6th Undergraduate Research Symposium. One of these students was Arnold Omondi (Med-Tech major and member of Grace United Methodist Church in Wilmington) and his mentor was Dr. Malcolm J. D'Souza of the College's Dept. of Chemistry.
3. The Wesley College Students In Free Enterprise Team (SIFE) distinguished itself by being selected as a second runner-up at the 2006 SIFE Regional Competition. The SIFE Team includes students from six academic programs. They have completed 15 educational outreach projects this year.
4. The Wesley Student Chapter of NEA (National Education Association) won a Presidential Citation from the Delaware State Education Association for its community service work.

2007 Goals

Wesley Foundation
Delaware State University

The ministry goals and objectives of the Wesley Foundation at Delaware State University for the 2007-2008 academic year adequately reflect the needs and dynamics of religious expression and opportunity on this campus. They are also designed to serve as this ministry's commitment to the Healthy Churches Initiative.

Goal: Exploring new means of sharing our faith efficiently.

- We have had the opportunity to use the game *Bible Trivia* as a forum for getting students interested in Bible study. As we played the game there were times of food and fun as well as prizes to be won.

Our *Peer Ministry* added to the numbers and served as a caring ministry. When members of the group were sick and parents were not around they served as transportation to the hospital and clinic, made sure food was prepared and fellowshipped to add that special touch that only godly fellowship can give.

Our cell phones became instruments for our *Communication* ministry. This year we have decided to use them to text message our Wesley Foundations overseas.

- As usual we participated in the *United Methodist Student Movement*. We sang and presented in the worship service and have the honor of being the faces on the 2007 poster advertising this year's Forum.

- Our *Board Members* have voted to revive the *Listening Post* in an effort to become a more valuable asset to the University campus at large.

Pray for us as we ask God to show us how to be faithful and not be discouraged even when it seems like we are few in this venture.

Ministry Goals and Objectives:

The ministry goals and objectives of the Wesley Foundation at Delaware State University for the 2007-2008 academic year adequately reflect the needs and dynamics of religious expression and opportunity for effective religious support in this setting. They are also designed to serve as this campus ministry's commitment to the Healthy Churches Initiative of the Peninsula Delaware Conference.

We continue to be an established presence to the general academic community with the intentional task of making disciples and developing faith-based inter-personal relationships through worship, Bible study, fellowship, and service. As we come together, regardless of our several religious backgrounds, we are learning what it means to be a Church, not only in an educational setting but also in society as a whole and we consistently reflect on how this relates to our various affirmations of faith which call on all of us to be joined in ministry as a whole church.

Goal: Exploring new means of sharing our faith efficiently.

Means of accomplishment:

- Promoting an environment where faith is explored and developed.

Examples: Bible Study, Worship, Open Houses, Fun Nights, Workshops, Counseling, and Mentoring. \$500.

- Addressing as part of a faith community issues of social justice.

Examples: immigration, war, hunger, human rights violations by taking part in workshops and training sponsored by the General Board of Church and Society. \$100

- Forming leaders by creating opportunities for the development of the gifts and talents of our members by recruiting resource personnel of the Peninsula-Delaware

Conference and others to lead us in panel discussions, seminars and workshops.
\$250

- Making and nurturing disciples of Christ by way of Peer Ministry and mission work-service opportunities. \$1,500

Every student we meet has had some knowledge of or experience with God. That experience, however profound or vague, consoling or confusing, presents an opportunity for this campus ministry to keep that relationship open and help the student to deepen the experience based on activities which focus on the truth of the gospel and the immense love that God has for us.

As things change we realize more and more that we are in a battle for the hearts and minds of students. An increasing number of our students have to work to pay for their education. They come to school each day, go to class and then immediately leave for work. Their schedules make them essentially "unreachable" as far as the weekly activities of the Wesley Club are concerned. There are other voices on the campus that define Christianity as old fashioned, and anti-intellectual. Seeking to counter this negative propaganda we looked for a 'common denominator' and found it in the cell phone. It can perform almost unthinkable functions (for people of my generation) with its possibilities being expanded each year. We have also noted that most of our students have a cell phone almost permanently attached to their ear. They are constantly text messaging, e-mailing, using the internet, buying and selling and exchanging photographs with each other. For this reason we are "*stretching out our rod*" by including in the tasks of our Peer Ministers a telephone text-message ministry for our students here and an internet ministry connecting us to our Wesley Foundations abroad.

We learned much through our Bible studies relating to controversial topics such as "*Stem Cell Research*", and "*Abortion and Rape*" to those less dynamic such as "*The Spiritual Benefits of a Good Night's Sleep*". Sadly, each topic brought personal testimony of some type of knowledge/involvement. Perhaps the games nights were the most fun as we vied for prizes with Bible Trivia and other games where our students were forced to search out where specific things are in the Bible and what the Scriptures mean. The games will be used as outreach as we move from dorm to dorm in our Open house sessions. These sessions are designed to establish and maintain ongoing friendships and strengthen spiritual ties among students who live together in a particular residence hall.

The word "*vocation*" not only means the careers our students are preparing for but also a response to the spiritual yearning or inquisitiveness they find placed upon their hearts. A priority for campus ministry is encouraging our students to prepare for ordained ministry or for some other work in the Church. Our Conference has vast resources with which to engage or show our student how to proceed toward these vocations Seminars and workshops facilitated by Conference personnel will be part of our agenda. DSU students have attended Conference sponsored events and would like to continue in this trend. For example, Rev. Elaine Ayres was instrumental in helping them understand their spiritual gifts.

Goal: Expanding our sense of commitment to the community and to the world.

Means of Accomplishment:

- Participation in the United Methodist Student Movement. \$2000.
- Creating a Saturday morning Bible Story telling session to children living in homeless shelters. \$100.
- Mentoring and sharing with *Howard Bailey* youth. \$100.
- Two "*Culture Swap*" sessions involving various ethnic Congregation youth in our Conference. \$100.

- Developing an on-line cultural exchange with one of the Wesley Foundations in Africa. i.e., The Wesley Foundation at Africa University The Bobby Jackson Wesley Foundation in Kamina, D.R.Congo. \$50

Other Goals related to this Ministry:

1. Our Board of Directors have voted to revive the *Listening Post*, a ministry which met students exactly where they were in their lives, in their relationships with God and others, and in their concern about their futures as well as simply listening to the frustrations of the day or being willing to be a sounding board.

Executive Director

Wesley Foundation
Salisbury University

Wesley Foundation at Salisbury University continues to live out the Great Commission that Jesus commanded in Matthew 28:19-20 by exceeding the 2006 goals. During the 2005-2006 academic years, 34 students accepted Jesus Christ as their Savior. During the spring and fall semesters of 2006, 42 students were recruited to participate in the Wesley Foundation Christian Fellowship and most of them were committed in attending weekly Bible Study, weekly meetings, and second Sunday worship services. Attendance was contingent upon class schedules and their involvement in other organizations and activities on campus. Biblical resources were purchased for weekly Bible Study and a speaker was secured for monthly worship services. Student officers attended at least two Board of Directors meetings in the spring semester 2006.

There were many other significant events and accomplishments during 2006. For example: Students participated in an outreach/evangelism ministry through the recruitment of other students, the Saturday Soup Kitchen ministry at Salisbury Urban Ministries; the "Adopt-A-Family" ministry held in December of 2005 which kept a family from being evicted and students provided Nursing Home residents with gift bags for the 2006 Christmas season. A well-qualified, dynamic motivational speaker was engaged to provide on-campus leadership development and educate students on what a spiritual life entails now and after the college experience. Board of Directors' members, students and Executive Director, attended meetings to finalize plans for the new Spiritual Center where programs, weekly meetings, Bible Study, and prayer time are held. The Spirituality Center has been completed and is located in Grier Student Center, Room 206 on the campus. Students and Executive Director traveled to Lancaster, Pennsylvania for a Spring Retreat to Sight & Sound Theater. Students and Executive Director attended an off-campus revival service at one of the Executive Director's local churches. Students and Executive Director continue to participate in the on-campus Fall and Spring Student Activities Fair. Students participated in campus-wide "Big Event," and "Fun Day" along with attending all Student Government Association meetings. In December 2006, students attended a Fall Retreat in Ocean City, Maryland where a guest speaker was engaged for the Friday evening service. An on-campus Salisbury University Service Project featuring survival kits for the homeless was conducted and coordinated by various religious organizations.

The goals for 2007 are as follows: To register at least 15 students for a leadership development seminar/workshop in spring semester 2007 and spring semester 2008; To provide scholarships to assist students with textbook purchases in spring 2007; To continue to focus and provide outreach ministry to the homeless, after school programs, nursing home residents, and any catastrophic occurrence in the Fall and Spring 2007-2008; To continue to provide transportation to and from at least one off-campus worship service in order to enhance the spiritual growth of the students in the Fall and Spring semesters; To continue to provide spiritual resources each semester for the students in order to educate them biblically; To continue to provide monthly on-campus worship services which always identifies a speaker that can relate to student spiritual needs, September, October, and November; February, March, and April; To attend at least one or two events sponsored by another campus ministry in the

Peninsula-Delaware Conference; To continue to participate in campus projects that relate to effective ministry, i.e., distribution of necessities for Christian Shelters and other projects as the need arises; To continue to recruit students for Wesley Foundation by providing incentives that will keep students interested and motivated in ministry and fellowship; To provide the opportunity for students to participate in a Fall and Spring retreat so they may have exposure to a more relaxed environment that will aid in the advancement of interpersonal skills, plan for the next semester and be nurtured in their faith by a guest speaker; To secure a speaker once a month to attend and present at the weekly meeting; To provide the opportunity for students to attend a campus ministry conference once a year or every two years, (funding will be contingent upon the number of students attending and location of the conference); To involve Wesley Foundation students in local church worship and other events so that both may benefit from each other; To identify person(s) who feel they are being called by God to ordained ministry; To identify and provide campus ministry leadership and other pertinent training that will assist Executive Director in effective campus ministry leadership; To identify a training session for the Board of Directors in the Fall of 2007 or Spring 2008. The one change to the 2007 goals is the Wesley Foundation students are engaging in a campus-wide evangelism program in order to offer other students Jesus Christ.

Wesley Foundation will continue to commit to the spiritual development and growth of the students taking advantage of every opportunity by faith in Jesus Christ, to strengthen each individual in the organization as they acknowledge a need to grow in holiness.

Wesley Foundation
University of Maryland Eastern Shore

Overview

The Wesley Foundation at UMES has a unique opportunity for impact because of the long historical relationship between the campus and the nearby Metropolitan United Methodist Church, both of which were established by the same charter group in 1886. That relationship is a plus for the ready reception of students when working with the city of Princess Anne and Somerset County, in addition to the respect Wesley Foundation garners on campus, where the focus has traditionally been nurture and support for the campus Christian community; disciple-making activities centering on local worship, fellowship, retreats and leadership building; community outreach partnership with Metropolitan, and local and global missions.

UMES boasts of a very broad and ever-growing racial and ethnic diversity of the 70+ cultures and their related faith systems on campus, and that diversity is becoming more evident among the students who regularly attend worship at Metropolitan, as well as the bi-weekly Wesley Foundation Bible study, praise and worship and outreach activities. The Wesley Foundation students are also becoming well known for their scholarship and leadership ability – traits that are lifted up through their church training. Even non-Foundation students feed on this fellowship. More unchurched students are becoming involved in worship and church fellowship, and are developing, as evidenced in the numbers who visit the church for counseling and prayer, a Wesleyan-based personal identity for their future. UMES/Wesley Foundation graduate students who remain in the area also remain active and faithful to the Foundation and church affairs.

This same long-standing relationship between UMES and the United Methodist Church has led to a campus administrative environment that embraces piety and spiritual development as an important part of college experience and as an integral part of the UMES campus experience. The Wesley Foundation plays an active role in the campus' new Interfaith Alliance, which relies heavily on the Methodist presence for leadership on and off campus. The executive director's consistent campus presence and often-invited participation in traditional campus affairs also speaks to the increasing

respect for the good Wesley Foundation relationship with students in times of needed counseling and crisis intervention, and suggesting and following through on student interest in lay ministry, as well as garnering subject matter for seminars and retreats.

Relationship of Goals to the Vision and Mission of the Annual Conference

The Foundation's Board of Directors continues to be supportive in assessing and evaluating our goals and activities, particularly in terms of the stated Annual Conference vision. We believe our task overview and goals are strong and representative of the Annual Conference's vision and mission, because they are in alignment with the Annual Conference's priorities.

Our goals for 2007-2008 include:

- a. **Identify and provide strengthened spiritual growth dimensions.** The struggles that come with being a student and living the Christian faith obviously are many. However, we believe the challenge can be met with regular activities on both campus and an off-campus church setting specifically for students and young adults from the community. We are redesigning the Religious Emphasis Week activity from a spring to a fall happening, complete with fellowship events and outside speakers. The objectives are general spiritual growth and Foundation member recruitment.

The executive director also continues to mentor and support those students who believe they have been divinely called to professional Christian vocations, with Metropolitan providing the training ground for potential worship leaders, teachers and preachers.

- b. **Support for outreach to the next generation.** Wesley Foundation will continue its co-sponsorship of an After-School Tutoring, Mentoring and Enrichment Program at Metropolitan and sponsorship of Harvest, Christmas and Easter parties for the local community.
- c. **Be a resource for increasing local church vitality.** Wesley Foundation students are working with the local church leadership to be an active part of its planning and administration where that is possible. Students also take advantage of leadership development and church polity training through their acceptance of affiliate and associate membership's opportunities at the church. Funds were made available for students to attend a national leadership development event in Atlanta, GA by Impact, Inc., a national movement geared to African-American college students. The organization is especially adept at teaching young people to witness. All of the 6 students who participated last year are now consistently active in church affairs. Four have joined the church.
- d. **Focus on outreach to neighborhoods and communities.** The students are becoming known for their involvement with campus and local church administrations in helping to develop outreach opportunities that satisfy both university and Conference requirements for service. The international students in particular appreciate Methodism's attention and reputation for global relations (i.e., Africa University, Central Congo Partnership) and their personal growth on such issues as homelessness and social justice. This is our attempt to provide opportunities for hands-on ministry, which expresses faith that meets human needs.

We will continue to support the above-mentioned activities and strengthen the United Methodist presence on campus by inviting other United Methodist churches in the Princess Anne area to collaborate on projects. We are also looking to recruit new Board membership that better reflects the ethnic diversity of our Conference, particularly among those who can assist us with developing outside funding sources to support the Foundation's growing ministries.

University of Delaware

Mission Statement

The Wesley Foundation Campus Ministry at the University of Delaware, a mission realized through the love and grace of Jesus the Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware. This ministry affirms the unconditional love of God and God's presence within us and among us as we live, work, and journey together in that love.

Approved 11/21/2005

Section 1: Review of 2006 Goals

1. Educate the Peninsula-Delaware Annual Conference as to the vitality and significance of the Wesley Foundation Campus Ministry at the University of Delaware so we may continue to provide full-time pastoral leadership, opportunity for spiritual growth, and education for the entire University community.

Evaluation: Communication with LDRT concerning the importance of campus ministry and the need for restoration of the appropriation.

2. Continue the active participation in community service projects and explore opportunities for mission work experiences.
Evaluation: Delaware Highway Clean-up program, babysitting, Mothers Day Out Program, Habitat for Humanity, and letter-addressing services for the elderly. Mission included the 2006 Spring Break Mission Project in New Orleans with 18 Wesley Foundation students devoting their entire vacation to assisting in the hurricane relief effort; fund raising for this project raised over \$13,000 with \$1,000 being donated to the Kenner, LA UMC where the Team was housed during the week.
3. Support current and former students who are considering professional ministries as vocations, and provide training opportunities for future lay leadership within the church.

Evaluation: Campus minister met with several students contemplating their calling to the ordained ministry. On Wesley Foundation Sunday, Wesley students led all of the worship services, including the sermon. Literature available in the Wesley Lounge for students to learn about seminary and theological school programs.

4. Promote within the student fellowship an awareness of social and societal issues and their relationship to the The Book of Resolutions (2004) and The Book of Discipline (2004).

Evaluation: Sunday Fellowship meetings included study of several sections of each of these sources with the weekly topics being environment/energy, dialogue on homosexuality, eradication of sexual harassment, spirituality, alcohol and other drugs, cultural issues, called to be neighbors and witnesses-guidelines for interreligious relationships, genetics and ethics, racism, global economic justice, war and peace, and other topics of current interest on campus, nationally, and world-wide. Studying these topics as we used scripture, tradition, experience, and reason to grow in our understanding of what God is calling us to do.

5. Continue to develop a relationship with racial/ethnic groups, to provide ministry to international students, and to foster Christ-like acceptance and respect for all of God's children.

Evaluation: We are welcoming to students of all racial, ethnic, gender, and

cultural identities. Students of more than 4 denominations have attended our meetings and participated in mission and service projects.

6. Provide outreach to those who have been nurtured by the church and have drifted away for various reasons while at the University.

Evaluation: Over 100 personal letters sent to new incoming students who have indicated on their admission forms an affiliation with the United Methodist Church. Continue to contact students who have attended Wesley activities, but who have not attended on a regular basis. Provide social activities that provide a non-alcohol alternative for students.

7. Provide information about Wesley Foundation's ministries and programs to conference churches and to help strengthen the relationships between these churches and their campus ministry.

Evaluation: This is an area that needs to be strengthened as little has been done on implementing this goal.

8. Encourage and support the liaison ministry between the religious community and the administration at the University.

Evaluation: Through meetings of the University Religious Leaders Organization, an interfaith body, we are in regular dialogue with the University Administration on issues ranging from drug abuse, to sexual harassment, to hate crimes, to the honoring of students' right to be excused from class during observance of religious days. The URLO provides counsel to the University President on topics relating to the quality of campus life.

9. Seek additional means and methods of fund raising to maintain financial stability and security.

Evaluation: Achieving this goal requires increasingly more time of our students, Board members, and the campus minister given the Conference cuts in the Wesley Foundation appropriation. During the year we had 6 fund raisers including a sub sale, art auction, Shrove Tuesday Pancake Dinner, gift wrapping, leaf raking, and babysitting. We are now exploring the start of an endowment campaign. We are also preparing for The Worship Workshop Live: Vital Worship in a Post-Modern Age to be led by Marcia McFee that will be held March 16-18, 2007; proceeds from this workshop will go toward our operating expenses. We cannot continue to shift more time and effort into fund raising at the expense of the other areas of our campus ministry.

10. Foster development of the Board of Directors through identification of new members and the committed participation of current members.

Evaluation: Several new members were added to the Wesley Foundation Board. We are actively seeking new members to fill all of our Board openings.

11. To explore and implement regularly scheduled Wesley Seminars that will address interfaith social, societal, theological, and spiritual with invited speakers, both locally and nationally. The Wesley Seminars will be open to the University Community, as well as the Wilmington District, Conference, adjacent conference, and interfaith communities.

Evaluation: This has not progressed due to increased time needed for fund raising. It remains a goal.

12. To offer students educational programs that encourage stewardship of the body, mind, and spirit and becoming whole persons.

Evaluation: Through worship, Fellowship presentations/discussions, Bible study, and retreats there have been many opportunities for growth.

13. To begin planning for a global presence of the Wesley Foundation at the University of Delaware through participation in the Congo Partnership and other international mission areas.

Evaluation: Initial attempts to follow through on this goal have not been successful. This is due in part to many Wesley students already participating in the University's Study Abroad Program. The Conference has been made aware of the Wesley Foundation continuing interest in this mission area.

14. Working with the Center for International Studies Office of the University of Delaware in developing study abroad programs that would combine academic study with mission-in-the-field experiences.

Evaluation: Not done due to lack of student interest. The University already provides an extensive set of international study options for the students.

15. Re-design the Wesley Foundation website to permit forums, chat rooms, an interactive calendar, and resource links.

Evaluation: Completed. The new Wesley Foundation website is located at www.udelwesley.org. This has already been of great value as student officers can daily update the calendar, add photos of recent events, and have access to other resource links.

Section 2: Highlight of Events, Accomplishments, and Challenges

The Wesley Foundation at the University of Delaware has continued to be very active in mission and service activities as we bring faith to life in showing God's love in our community. On campus, we reached out to other campus ministries in sponsoring interfaith social programs. In Newark, we continued to do highway clean up. In September, Wesley Foundation students served as discussion facilitators at the regional 2006 Public Forum on Homelessness that included speakers from the National Coalition for the Homeless, Salisbury Urban Ministries, Friendship House (Delaware), Meeting Ground (Maryland), and the Newark Coalition for the Homeless.

Our national mission highlight was working for the entire one-week Spring Break in New Orleans as we assisted homeowners rebuilding their homes. Eighteen students and three team leaders were housed in the Kenner UMC and each day traveled to work sites doing drywall, insulation, and carpentry. The most important and positive experiences came not from the actual physical work being done, but from the warm relationships formed with the homeowners. They are all so appreciative of the many people who have taken the time to help them and to bless their lives through love expressed in action. The staff of the Louisiana United Methodist Disaster Recovery Ministry did a wonderful job in helping our efforts. We thank all of the gracious gifts given by Conference churches and groups in support of this mission project. After returning from New Orleans, we began preparing for the Spring Break Mission Project to New Orleans in 2007 by sponsoring a variety of fundraisers.

The Wesley Foundation at the University of Delaware continues to struggle with the financial challenge of maintaining a full-time campus ministry. With the Conference appropriation now reduced to less than half of what it was just two years ago, we have had to spend an increasing amount of student and administrative leader time with fund raising events. We are currently seeking additional help from the Newark UMC, which over the years has already been so gracious in providing us physical space and other support services. In addition, we are exploring an endowment campaign to sustain our ministry over the longer term.

One of the most fulfilling days of the 2006 year was Wesley Foundation Sunday. University students designed and led all three of the Newark UMC worship services. After the services, family and friends of the students, as well as members of the

congregation, gathered for a luncheon to celebrate the Wesley Foundation Campus Ministry and to hear about the Spring Break New Orleans Mission Project experiences. We are thankful for the many friends we have and for their support of this vital ministry.

Youth Rally 2007: On January 5-7, approximately 4400 youth and adult leaders gathered at the Roland E. Powell Convention Center in Ocean City, MD for the 20th annual youth rally. The theme was "Be Amazed" based on Habakkuk 1:5 and was applied to the entire general session messages as well as the breakout seminars.

As in 2006, participants were divided into two groups, north and south, depending on the geographic location of their church. Each group was given color-coded schedules at check-in.

Various musical styles were represented by praise and worship leaders- Anthony Evans, Joel Engle, God's Army, Ana Laura, and Stellar Kart. The speakers were Shawn Harper, Bob Lenz, David Olshine and Susie Shellenberger. The rally participants welcomed back the band, Kutless. Breakout sessions were offered on such topics as; "Counseling Youth and Leaders," "Will The Real Jesus Please Stand Up," "Is Burnout Taking Your Breath Away," "JC-n-a-Box." Creative worship workshops were also available on Saturday afternoon.

The interim Youth Rally director, Jean Logan, brought together a support team of volunteers along with the Design Team and other professional contractors to accomplish a very successful event. Next year's event will be held on January 4-6, 2008.

Confirmation Rally was held on March 18, 2007 at Asbury UMC in Smyrna, DE with 388 youth and adults in attendance. The group "Ground Zero--Master's Commission" performed a stomp routine as well as drama skits. Native Americans performed some traditional dances. The youth praise band from Mariner's Bethel UMC in Ocean View, DE led praise and worship. Rev. Scot McClymont brought the message, "We Are the Body of Christ."

CCYM/Design Team: After the application process during the spring, the selected student leaders and adult leaders attended retreats throughout the year for group building, and spiritual formation as well as becoming servants. Everyone studied the book "The Seven Checkpoints" by Andy Stanley.

Commission on Archives and History

Review of Goals:

1. **Operation of Barratts Chapel & Museum.** It is the privilege of the Commission on Archives and History to own and operate Barratt's Chapel & Museum. In its 227th year, Barratt's Chapel is the oldest surviving Methodist Church in America. It is also our responsibility by The Discipline to be the repository for the archives of the annual conference, and to retain the records of closed churches. Through the Museum we continue to collect, preserve, and interpret archives and historic records. In addition a Library devoted to Methodist History is open to researchers. Staff persons are on hand to help with research requests and genealogical services. The Chapel is frequently used for weddings and funerals, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30 and at other times by appointment.
 - a. **Barratt's Wesley Partnership:** The Commission continues its partnership with Wesley College. Several exciting possibilities have already emerged from this partnership
 - i. The Chapel and Museum are available to Wesley College History majors for research and internships. Many student hours were spent converting the Library from the Dewey System to the Library of Congress System.
 - ii. Wesley College continues to be an enormous blessing to the Commission, the Conference, and to the General Church in making its

maintenance staff available for building maintenance and care of the grounds. Their quick responsiveness and quality work are greatly appreciated.

- iii. Wesley's catering services are available for weddings and special services, and have provided generous refreshments for the Carol Service, Anniversary Service, and Celebration of 225 years.
- iv. The Chapel is available to the college as a venue for lectures, historic dramatic presentations, and concerts. In March of this year Wesley College provided musical support to the Charles Wesley Hymn Sing.

b. **Maintenance:** With a 227 year old Chapel and two other buildings, there are always maintenance issues. Wesley College has assumed the routine maintenance of the chapel, museum and vestry.

- i. The windows on the northeast side of the chapel were reproduction windows from the 1970's. Dampness was causing them to rot. They have been replaced with handcrafted mahogany reproductions that should be more lasting.
- ii. The Commission has had air conditioning installed in the chapel. This will help resolve several dampness issues for the benefit of the structure, and will make the chapel more comfortable for summer services. Funding for the air conditioning was secured through grants.
- iii. Cushions are being added to the pews through the generous donation of a Commission member.

c. **Usage:** Although Barratt's Chapel no longer has an active membership, it remains a busy venue for worship and learning as shown by these statistics for 2006

i. Regular Visitors	312
ii. Confirmation Classes (29)	324
iii. Weddings (9)	1,212
iv. Funerals (1)	45
v. Baptisms (1)	8
vi. Special Services	325
vii. Research visitors	46
viii. Research Requests	29
TOTAL	2,301

2. **We will continue to support local church historians and their projects.** The Museum at Barratt's Chapel is the repository the Conference Archives. Barb Duffin, Site Administrator, and trained volunteers, are available to help local churches discover, preserve, and tell their history. During 2006 workshops were held at Zion-Mt. Carmel in Wilmington, and at Christ UMC, Chestertown, and another for the Easton District Secretaries and pastors. Thirty-five people attended.
3. **Charles Wesley Hymn Sing:** Barratt's Chapel rang with praises to the Lord Jesus Christ in the words of Charles Wesley on March 25. The Wesley College Choir, under the leadership of Elliot Jones presented a new musical rendering of "Come, O Thou Traveler Unknown," by David Laganella. Dr. Mark Pruett Barnett & Dr. Laurence Hull Stookey provided many insights into the life, faith, and ministry of Charles Wesley
4. **Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke.** In 2006, United Methodism celebrated the 50th Anniversary of full clergy rights for women. The guest speaker for the 2006 Anniversary service was the Rev. Charlotte Nichols, who holds the twin distinctions of being both the first African American Woman to become an Elder in the Peninsula Delaware Conference, and the First African American Woman to be appointed a District Superintendent in the United Methodist Church
5. **Peninsula-Delaware Conference Historical Society:** The Commission kicked off the Peninsula-Delaware Conference Historical Society on October 21, 2006 at Kent Island United Methodist Church with 25 present. The Guest Speaker was the Rev.

Patricia Thompson who is the President of The United Methodist Historical Society, and recently authored, Courageous Past: Bold Future, celebrating the 50th Anniversary of full clergy rights for women. At the close of 2006, there were 43 charter members. A design team has worked on bylaws and nominated an executive committee.

6. **Barratt's Ambassadors:** Please make note of the Barratt's Ambassador Program. Do you need a program for a fellowship dinner or a speaker during the Pastor's vacation? The Commission on Archives and History has a group of trained Ambassadors who would love to speak to your congregation or a group in your church. To arrange an Ambassador please call 302-335-5544 or e-mail us at Barratts@aol.com
7. **Produce two newsletters a year.** In conjunction with the Friends of Barratt's two newsletters were published and mailed to nearly 1000 "friends." The newsletter brings news from the Chapel and museum, information about resources that are there, as well as donated artifacts and acquisitions. The newsletter also solicits 'Friends Memberships,' and contributions, which support the cost of operating of the Chapel and Museum, which exceed the Conference budget allocation by nearly 200%.
8. **Support the work of the Friends of Barratt's.** We are so grateful to the Friends of Barratt's for their interest and support of Barratt's Chapel & Museum. Their efforts help with the maintenance and operation of the facility. Each year the Friends of Barratt's hold an annual dinner. This year the dinner was hosted by Wesley College, and the guest speaker was Mr. Russ McCabe, Archivist for the State of Delaware.
9. **Bishop's Lot:** The Commission on Archives and History is in conversation with the Trustees of Barratt's Chapel Cemetery about development of a small "Bishop's Lot" where United Methodist Bishops and their spouses can be interred.

Other Developments

1. **NEJCAH Annual Meeting:** The Peninsula-Delaware Conference Commission on Archives and History hosted the Northeastern Jurisdiction Commission on Archives and History meeting May 8-10, 2007. During the event four notable United Methodists from the Maryland side of the Conference; being Ezekiel Cooper (Denton) Joshua Thomas (Deal Island) Charles A. Tindley (Berlin) and Harriett Tubman (Cambridge) were highlighted. The tour on May 9 will focus on Harriett Tubman and Joshua Thomas, with a visit to Furnace Town. Attended by over 100 historians from the Northeastern Jurisdiction the event highlighted the many contributions that Peninsula-Delaware Methodists have made to the Church. Among the highlights of the event was opening worship led by Bishop Marcus Matthews.
2. **Barratt's Advanced Special:** We sincerely thank the congregations who received a special offering in 2006 for Barratt's Chapel and Museum, and hope that even more will participate in 2007.
3. **Grants:** Grants were received in 2006 from the Crystal Trust (\$20,000) the Fair Play Foundation (\$5,000), and the General Commission on Archives and History (\$5,000) for chapel repairs and air conditioning.
4. **Vestry:** In September 2005, a vehicle proceeding east on Barratt's Chapel road failed to stop, crossed four lanes of traffic, entered our property and crashed into the Vestry. The driver was treated and released. The vestry was seriously damaged, and condemned by the county Building Inspector. The Vestry has been completely repaired to its original condition by South Delaware Masonry, who built the Vestry in 1991. The cost for the repair was \$51,000, which was completely covered by insurance.

Goals for 2006-2007

1. Operate and Maintain Barratt's Chapel and Museum in partnership with Wesley College
2. Celebrate the 222nd Anniversary of the meeting of Francis Asbury and Thomas Coke at Barratt's Chapel on November 11, 2007
3. Launch The Peninsula-Delaware Conference Historical Society.
4. Provide support and encouragement for local church historians and their projects. This will include a Local Church History Writing Celebration for 2007-2008.
5. Continue to train and deploy Barratt's Ambassadors.
6. Produce two newsletters a year.
7. Support the work of the Friends of Barratt's
8. Develop a "Bishop's Lot" at Barratt's Chapel Cemetery.
9. Pursue grants for the maintenance of Barratt's Chapel and the further development of its programs and ministries.

RESOURCE DEVELOPMENT & MANAGEMENT TEAM

Goals and Objectives for 2006

This team has focused on the parts of the vision statement calling to "empower individuals and churches", and "to develop, supply and support leadership for mission and ministry", particularly in terms of the financial management and administrative management of the Conference and the local church.

1. The Resource Development & Management Team will continue collaborative efforts between the RD&M Team, Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of those resources. This effort may be most active during the budget process but will continue throughout the Conference year.

Status: This is an ongoing goal and we have received reports throughout the year from each group given at our RDMT meetings. This has allowed us to share and collaborate other aspects with the agencies; it has also given us a forum for yearly evaluations.

2. The Resource Development & Management Team will continue to support and assist the Communications Commission with ongoing national and Conference projects.

Status: Ongoing. We have continued to train churches on the Igniting Minister Program (Welcoming Congregations). We also have provided the conference churches with the ability to "Tell the Story" thru electronic and print media.

3. The Resource Development & Management Team will continue a task force to address issues of stewardship education as called for in the Bishop's Summit on Financial Matters.

Status: Ongoing. The Stewardship Taskforce has planned a Conference Seminar featuring David Bell on November 2 and 3, 2007. The Taskforce has secured the Sheraton Inn Dover for Friday, Nov. 2 and The Sailwinds Center in Cambridge for Saturday Nov.3.

4. The Resource Development & Management Team will continue to establish a manual of conference approved policies and procedures.

Status: Ongoing. Policies have been consolidated into a manual and are being review for needed reference changes under the current Book of Discipline.

5. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

Goals and Objectives for 2007(Updated)

In developing the goals and objectives for the year 2007, the Resource Development & Management Team has prayed about and reflected on the mission and vision statements of the Peninsula-Delaware Annual Conference and the Healthy Churches Initiative. This team has focused on the parts of the vision statement calling to "empower individuals and churches", and "to develop, supply and support leadership for mission and ministry", particularly in terms of the financial management and administrative management of the Conference and the local church. Under the Healthy Churches Initiative we have focused on training/resourcing needs re healthy churches. Our goals, detailed below, reflect where the Resource Development & Management Team sees not only areas of need but also opportunities to carry out the mission, vision and Healthy Churches Initiative of the Conference.

1. The Resource Development & Management Team will continue collaborative efforts with the Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of those resources. This effort may be most active during the budget process but will continue throughout the Conference year. The RD&M team will continue to receive annual report outs from the teams and agencies that make up its membership.
2. The Resource Development & Management Team will continue to support and assist the Communications Commission with ongoing national and conference projects.
3. The Resource Development & Management Team will continue a task force to address issues of stewardship education and will plan and conduct a conference wide seminar in 2007.
4. The Resource Development & Management Team will produce a consolidated manual of conference policies and procedures. They will be sent to the appropriate conference agencies for review and any update actions by Annual Conference.
5. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

Board of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board brought a resolution to the 2006 Annual Conference raising the cost to all payers and participants in the health insurance plan by 10%. Apparently the restructuring of our plans has enabled us to keep the increase of health care costs below national trends.

During the past year, the Board considered marketing the health insurance coverage but in view of the satisfactory cost containment in the last few years, it was decided that was not necessary at this time.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2007 was increased to \$486 per year of service and was approved at Annual Conference.
4. The General Board of Pension & Health Benefits was invited and will present to the districts, an explanation of the new pension plan, Clergy Retirement Security Program (CRSP).
5. A Health Fair was offered at the 2006 Annual Conference in conjunction with the Parish Nurses to encourage good health habits and to initiate the new preventative program entitled Winning Habits®

2008 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy, and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2008.
4. The Board will participate in conference efforts to continue to address the issue of the reduced but still large unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.
6. The Board will continue efforts to develop programs to encourage clergy and other health plan participants to live a healthy lifestyle.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of fifty-three years is putting great pressure on the financial resources of the conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.
2. The unfunded liability for retiree health care benefits still stands at about \$12,000,000. If the conference is to reduce or eliminate this obligation, we must either raise the \$12,000,000 plus more for future benefit accruals or reduce the retiree benefit obligation by reducing the benefits or the number of persons receiving those benefits. Benefit changes shifting some costs to beneficiaries and

the federal government have helped but the Annual Conference still needs to face its obligation.

3. The new defined benefit pension benefit has moved market risk from individual beneficiaries to the conference. A major problem in financial markets could impose a large obligation on the conference. The Board must develop a policy to hedge or control that risk. This new risk plus the issues raised above reemphasize the need to build and protect accrued benefit reserves.

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventative benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201.

Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends:

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendent and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2007 Equitable Compensation Commission budget is \$125,000. Funds expended in 2006 totaled \$122,982. As part of this report, there is attached a list of the churches and charges that received assistance in 2006.

The Commission issues a brochure, "Guidelines for Pastor's Compensation" which is intended to provide assistance and guidance to Pastor Relations Committees.

Recommendations

1. The Commission makes the following minimum salary recommendations for 2008
- | | |
|---|----------|
| Full Member | \$31,200 |
| Probationary Associate | 28,600 |
| Full Time Local Pastor | 26,600 |
| Commissioned (elder track) but not completed seminary | 23,400 |
| Student Pastor | 23,400* |

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

Service increments will be \$138 per year up to maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2008 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that Pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

Board of Trustees

The Conference Board of Trustees is charged with the responsibility to supervise and maintain all property and investments belonging to the Peninsula-Delaware Conference.

All financial income earned from Trust accounts have been distributed to the beneficiaries for 2005. Proceeds from the sale of all properties (Scotts UMC) are currently invested and will be used as directed by the Annual Conference.

At the end of last year, the Trustees entered into a Lease/Sale agreement with the Elise R Brown Family Life Center, Inc. for the Eastlake property in the Wilmington District. Due to the decade long history of legal challenges concerning this property, we have entered into a time where legal challenges may once again surface.

The expansion of Camp Pecometh ministries, maintenance of District Parsonages and the Conference Office, abandoned cemeteries, Annual Conference insurance issues are areas that the Board of Trustees continues to address.

We appreciate the faithfulness of the Board of Trustees in fulfilling their responsibilities this past year. In addition, a special thank you to Mr. William Westbrook for his valuable assistance.

Conference Council on Finance and Administration

The following new members were welcomed and joined CCFA this year: Judy Nazarewycz and Rev. Glenn Catley.

In service to Our Risen Lord, CCFA addressed the following key challenges this year:

1. For the **21st consecutive year**, the Peninsula-Delaware Annual Conference has fully met its funding covenant with the General Church. While a few Annual Conferences are close to achieving this level of commitment ... only one has exceeded this record.
2. In June, 2006, the Annual Conference adopted a funding plan totaling **\$5,075,000** to support ministries for 2007. In addition, the Annual Conference accepted CCFA's recommendation that a total of **\$5,585,000** be apportioned to support the funding plan. This total represented a modest 2% increase over 2006. Again this year, the Conference leadership has strived to identify creative approaches so that the limited funds that are available are employed most productively towards achieving the mission of the Annual Conference. Healthcare (both at the local church and Annual Conference levels) continues to present challenges for us.
3. Receipts on apportionments have been trending higher ... which translates to improved reserve balances for the Conference. Local churches have been striving to remit their apportionments sooner in the year ... and more churches have been able to remit their apportionments in full. This trend has continued into 2007. Praise the LORD!
4. Apportionment adjustment requests for 2007 were within the amount designated by CCFA. Apportionment adjustments totaling **\$47,027** were approved for 2007.
5. CCFA has responded creatively to funding the Conference's Healthy Church initiative for 2008 and beyond. Thru the purposeful support of many ... this was accomplished without a significant addition to local church apportionments.
6. The Vision Team and CCFA have reconfigured the 2008 Conference Funding plan in a way that provides greater linkage between funding and ministry. The Conference leadership is excited with the changes as we think it will help everyone to focus on ministry and it will more accurately convey the alignment of funding priorities with Conference ministry goals.
7. CCFA faithfully performed various administrative and financial responsibilities in support of the conference's work.

Goals for 2008 include:

1. Continue to work collaboratively with all Conference leaders, boards and teams such that the ministries of the annual conference will be successful and can fully witness for Christ.
2. Recommend for annual conference adoption, a funding plan of anticipated income and expenditures for 2009, which will support the conference in achieving its mission. In so doing, CCFA will creatively identify resources to support the many ministries and will prayerfully consider recommendations for apportionment adjustments when and if submitted by the District Apportionment Review Committees. CCFA will prepare recommendations for funding of conference ministries if receipts fall short of fully underwriting the approved funding plan.
3. To the best of our ability, CCFA will strive to meet the administrative responsibilities as set forth in the Discipline including a comprehensive financial audit of accounts and accounting processes. Within this area, CCFA will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

4. CCFA will respond to challenges and needs that are identified by GCFA (General Church Conference on Finance and Administration). This may be particularly challenging as GCFA prepares for the 2008 Quadrennial session.

Commission on Communications

The Communications Area continues to work on several projects in order to provide the Peninsula-Delaware Conference the best and most up-to-date resources for local churches, districts, and the conference.

The Commission on Communications continues to relate to the Resource Development and Management Team. We are working to provide information that reflects the diverse nature of our annual conference, as well as the rich giftedness of each of our four districts. We are currently looking at ways we can better disseminate information to the members and friends of this annual conference. Through upgrades to the conference web site, we are preparing to better equip the local church to communicate with the annual conference and their community. We are continuing to work with the leadership of the Annual Conference to update and maintain accurate and timely information on trainings and other ministry opportunities.

The Annual Conference continued its participation in the Igniting Ministry Campaign again in 2006. This program continues to have positive feedback and has been taught in Lay Academies as well as local churches throughout the entire conference. Two local churches continue to go a "step beyond" and became "Certified Welcoming Congregation Churches" recognized by the Igniting Ministry Team and by United Methodist Communications. Leeds UMC in Iklton received this special recognition for a third year. Additionally, Aldersgate UMC has been recognized for the first year. Workshops on welcoming and hospitality are available to local churches, charges, districts, etc.

We continue to look for new ways to help the churches and Annual Conference tell its story of God's work in the Peninsula-Delaware Annual Conference.

Conference Investment Committee

In 2006, the Conference Investment Committee continued their relationships with Merrill Lynch and the Eastern Pennsylvania-Peninsula United Methodist Foundation as their investment managers for the assets under the committee's responsibility. The Conference Investment Committee has responsibility for the investment of assets for the Board of Pensions and other conference agencies which have chosen to place assets with this group.

The total investment portfolio at Merrill Lynch is allocated 65% to stocks and 35% to bonds with an additional liquidity account. For the full year of 2006, the Merrill Lynch portfolios were up 12.64%, versus a benchmark of 11.22%. We are pleased that this out-performance more than exceeds the fees paid for investment services. The asset class portfolios and managers used are listed below:

Asset Class	Manager	Percent of total portfolio
Large Cap Relative Value	Davis Advisors	13%
Large Cap Deep Value	NFJ/PAMA	14%
Large Cap Growth	Lighthouse	8%
Large Cap Growth	Neuberger Berman	9%
Mid Cap Value	Perkins/Janus	6%
Small/Mid Cap Core	Jennison	4%
International	Invesco	10%

International	MFS	7%
Fixed Income	PIMCO	14%
Fixed Income	ING	15%

In total, \$11.2 million of conference assets are invested as described above, plus there is an additional \$1.8 million in various liquidity accounts through Merrill Lynch. An additional \$1.8 million of conference assets are managed by the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc.

VISION TEAM

The Vision Team is the policy-setting and decision-making body for the Annual Conference between conference sessions. It assures that the ministry and mission of the Conference is consistent with the Conference's Vision and Mission. Its role is being further expanded to provide conference leadership for the Healthy Churches Initiative.

Bishop Marcus Matthews has brought a vision for making disciples through an approach that has become known as the Healthy Churches Initiative (HCI). All across the Conference this past year in meetings with the laity and clergy on all the districts, in many Cabinet meetings, in learning and hearing from experts on healthy churches, and most importantly in listening to the Holy Spirit, the Peninsula-Delaware Conference is making a major shift in the way the leadership is focused and structured.

For the Vision Team this means a change of focus. Rather than be a reporting table for the ministries of the Conference, it will take on a significant resource development role so that local churches can have access to the most experienced, best trained, and Holy Spirit inspired people in our Conference. This will help local churches discern where they need to grow and to assist in providing resources to do so. This will take great prayer power, commitment, and perseverance for the Vision Team has not gone by this way before.

When the Vision Team leadership considered the HCI it became apparent God is doing a new thing. Our scripture focus is Isaiah 43:19a "*Behold, I am doing a new thing! Now it springs up, do you not perceive it?*" As we prayerfully approached this new way of springing up, we recognized a partnership being formed between the local church and the conference. The Vision Team leadership has acknowledged the disconnect between the local church and the conference. We have also recognized that the present structure has not adequately resourced the local church. With this current reality, the Vision Team is committed to a major shift that will encourage a partnership with the local church taking the lead. Ministry for our Annual Conference can no longer be about the Annual Conference, but about resourcing and empowering the local church. As this new partnership is constructed, it seems appropriate to call the initiative a **Covenant for Ministry**.

Our **Covenant for Ministry** places making disciples as the primary work of the church. Transforming lives by the power of God unto salvation is priority. Spiritual formation and prayer are central to conversion. Inspiring worship, faithful stewardship, membership care, and faith sharing are key components for growing healthy churches. Touching others with the gifts of hospitality offers a place of warmth and welcome to seekers and having small group ministries help grow seekers into disciples. Empowering laity to discover and use their gifts to serve within the community of faith and through community outreach opportunities supports a growing, vibrant church. Providing effective leadership training for clergy and laity is vital in developing healthy churches. Giving children's, youth and young adult ministries expressions of inclusiveness, care, welcome, and 21st century programming brings new life to the local congregation. These and others are the significant means to bring health, growth and new life to the local church.

While the local church is prayerfully discerning which of these means of ministry will help them grow, the conference through the leadership of the Vision Team will be

developing resources to assist in providing tools for change. **Covenant for Ministry** is reflective of the partnership between the local churches and the conference so we can do ministry together, to bring salvation, restoration and transformation. The Christian life is a shared life.

A major responsibility of the Vision Team is the budget review and development. A budget task force is appointed each year to prepare a budget proposal to be approved by the Vision Team and then sent to Conference Finance & Administration. Annually the task force reviews teams and board budgets and crunches numbers in order to reach a balanced budget. When the task force first met for the 2008 budget process, the members sought the Lord, asking God to lead them in a new way. With the HCI being the focus for ministry, it became apparent that the budget should reflect a commitment to provide funding for this initiative. Through much prayer and discernment, came the **Covenant Funding Plan** for 2008 that is being presented to Annual Conference. It is an entirely new ministry approach to stewardship, which mirrors our commitment to the Healthy Churches Initiative and the partnership in ministry with the local church. You can find the **Covenant Funding Plan** in this publication, when you review it, give God praise for the thing He is doing.

The Vision Team asks you to covenant with them, to pray that as we move forward together to make disciples of Jesus Christ that we heed the words of the prophet Isaiah "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?" (43:18,19a).

We serve a redeeming God, who is redeeming broken lives from a life of sin and transforming them for His glory. As the church, we are to be faithful to Jesus Christ in carrying out the Great Commission of making disciples of all people.

REVIEW OF 2006 PROGRAM GOALS

- To increase ministry to at risk teenagers through expanding Sisters and Youth Moving Forward. MAP has developed a successful partnership with the Christina School District to expand the reach of both programs by increasing the number of referrals from the respective systems. Further, MAP has become a member of the Juvenile Detention Alternative Initiative (DYRS) and the Delaware Girls Initiative (Delaware Family Court).
- To conduct a MAP Walk: God's in the Neighborhood. MAP completed a successful 2006 MAP Walk for Community Development. The proceeds of the walk benefited the Latin American Community Center, the Jackson Street Boys and Girls Club, F.A.I.T.H Center, Neighborhood House, Inc and MAP.
- To increase the number of churches and community organizations that participate in SHARE (Self-Help and Resource Exchange) food ministry. SHARE increased to number of churches and community organizations involved from 12 to 16
- To identify a MAP representative in each local church within the Wilmington District. This goal is pending. The MAP walk involved many Wilmington District Churches; however, only nine churches have MAP representatives.

2006 HIGHLIGHTS

MAP was invited to participate in the Juvenile Detention Alternative Initiative to provide the community with a perspective to address the issues of alternatives to Juvenile Detention in the State of Delaware. Further, MAP was invited to become part of the Delaware Girls Initiative that addresses the gender specific issues facing teenage girls in the state.

2007 GOALS

Goals remain the same with an emphasis on increasing the number of MAP representatives in local churches on the Wilmington District.

Neighborhood House, Inc.

With God's love from within, we provide services and programs that educate, enlighten, and empower people and the community.

Review of 2006 Goals

- Establish a reliable, recurring source(s) of financial support for the Family Technology Center which would provide for cost-free training of at least 100 agency clients per year.

Private funding will permit a pilot pre-apprenticeship training model to begin utilizing the Family Technology Center by May of 2007. If successful, longer term support will be available.

- Secure the return of the G.E.D. High School Diploma program operated by the Christina School District.

Christina School District returned and has been providing G.E.D. classes two days per week at our Southbridge headquarters since March of 2006. As the number of students grows, more classes will be added.

- Secure continued support for youth-service programming specifically designed to reduce the dropout rate among Southbridge high school students.

Through funding from JPMorgan Chase, we have hired a certified teacher to head up our after-school program.

Also, the Bridge to Employment program (funded by Noramco) is providing math and science tutoring for high school students from 3 to 5 p.m. every Wednesday afternoon.

- Establish and implement a new fund development strategy for Neighborhood House.
We began utilizing the Beneyon (formerly Raising More Money) model to help us create a sustainable funding program. In 2006, the first year of implementation, we raised \$309, 947 in actual cash and five year pledges (through 2010).
- Identify and acquire owned office space in the Middletown area of Southern New Castle County.

We continue to search for appropriate office space in the Middletown area. It is our hope that we can locate a property that would provide an affordable opportunity for purchase.

2006 Highlights

- The reorganized Child Care program saw its first full year of services limited to younger children (primarily infants and toddlers) and extended levels of before and after-school participation for six to twelve year olds. All the children are now served from the B Street location. The Early Head Start partnership with the University of Delaware continues to flourish
- Housing Counseling experienced staff change during 2006 with the return of one of our first professional counselors and the departure of another; output grew, however, with increased demand from families facing eviction and foreclosure in addition to our traditional first time homebuyer clients from Southern New Castle County as well as the Wilmington area. Some 60 first time buyers went to settlement during the year.
- Our Weatherization program (at over \$700,000 the single largest program in our operating budget) was asked by the state coordinator to take on additional responsibility for new furnace installation in New Castle County. The result was 24 new furnaces installed in addition to the customary 250+ homes provided with other weatherization service.
- The CAFÉ after school collaboration with Bancroft, Elbert-Palmer and Kuumba Academy public schools and Christina Cultural Arts Center began its fourth of five years in the fall of 2006. A scheduled 25% reduction in funding caused us to impose a \$20.00 per week service fee effective January 2007 in order to sustain service levels for the 100 plus enrolled third to fifth graders.
- The forty plus year old Southbridge Extension of the South Wilmington Public Housing development was finally demolished during the year, after several years of declining occupancy. The resultant twelve acre lot is now the focus of several creative development ideas – all subject to the vision of current neighborhood residents. Thanks to the expansive resident involvement in the South Wilmington Area Management Plan, a series of community-friendly imperatives became widely known and acknowledged by public officials and local businesses. Neighborhood House is one of a number of area service organizations, churches and civic groups who formed a coalition to negotiate Community Benefit Agreements (CBA) with developers.

A University of Delaware faculty member who serves on the agency Board of Directors created a liaison with a nationally recognized CBA expert from California who will help guide the coalition's negotiations. A team of attorneys from Widener Law School have also signed on for pro bono support.

2007 Program Goals

- Purchase vacant lot across from our headquarters at B Street and New Castle Avenue. When completed, the project will provide four new town homes on B Street and parking for agency staff, visitors and local residents.
- Secure additional funding to sustain the CAFÉ after-school program for the 2007-08 school year due to a 50% reduction of 21st Century funds.
- Implement Pre-Apprenticeship Training Pilot Program to prepare under and un-employed community residents to pass successfully one of the various cooperating trade union's apprenticeship entrance tests. Each candidate will be trained in a chosen trade and have an opportunity to pursue a professional career as a member of a trade union.
- Identify and acquire permanent office space in the Middletown area.

New Church Development

At the 2006 gathering of the annual conference, our team asked you to *imagine the possibilities* concerning the development of new churches within our annual conference and the redeveloping and retooling of existing churches. Throughout 2006 and into 2007, our team has continued to try to encourage a culture that promotes imagination, possibility, effectiveness, and accountability in developing new church development and the redevelopment of existing churches.

Still neophytes, searching for the best way to be of support, we continue to learn enormous lessons, sometimes heart-wrenching ones, as our *new starts* live into the vision God has placed on their hearts for reaching *new* persons for Jesus Christ and including them fully in the body of Christ; and as pastors and laity in existing churches come to our team for assistance in a makeover – extreme or otherwise!

The members of this team have a burning passion and a great enthusiasm for developing congregations so they can reach out, offer the love of Christ, and *make disciples*. Additional conference staff has been added to the team this year: Elaine Ayres, *Strengthening the Black Church* and Bill Westbrook, *Director of Administrative Services/Treasurer*. Elaine and Bill bring their specific gifts and talents to this team and are a great asset! Sandra Steiner Ball continues to serve as the cabinet representative and has a burning passion for developing churches that fulfill the Great Commandment and the Great Commission.

Our team begins each meeting with Bible Study and prayer, which leads us into the agenda. We have found that God provides *just the right Word* to us each time we gather. At each team meeting, we have begun to review the accountability reports from each new start pastor. This monthly report enables us to get a clearer sense of the progress and the needs of each new start.

Grants were given to assist each new start in their work in 2006, along with the compensation packages each new start has negotiated with their Superintendent. New starts receiving this team's money include:

- Daybreak pastored by Jim Hawkins
- Evergreen pastored by Sharon Graves
- Hope pastored by Tom Pasmore
- Higher Hope pastored by Janice Humphrey
- Bayside Chapel (our newest start partnered with St. Matthew's-by-the-Sea) pastored by Rich Evans

Existing churches receiving monies from the team:

- Jacob's Well (an additional site ministry) pastored by Amy Yarnall

As you read the goals for 2007 and 2008, you will recognize that our team continues to refine and adjust its purpose as it continues to gain more proficiency and wisdom in developing churches. Six members of our team attended the School of Congregational Development in San Diego in 2006 in order to be better equipped to help our churches.

Our team is grateful for the funds the Vision Team continues to recommend for this vital work and the annual conference approves. If The United Methodist Church on this peninsula is to be a viable, faithful presence, which touches hearts and transforms them, these financial resources are essential. We appreciate every dollar that is given!

Review of Goals for 2006 and 2007

- To spend significant time in Bible study and prayer at the beginning of each team meeting in order to discern the Spirit's guidance concerning new church development within the annual conference. **Goal met.**
- To identify current new church development occurring in the annual conference and assess the current health, concerns, and needs of each. **Goal met through accountability form filled out monthly by new starts.**
- To put a process into place for starting new churches complete with specific timeframe, training, and benchmarks that will assist the Cabinet and Bishop in

measuring their progress and vitality. **Goal partially met; continues to be refined.**

- To work with the Cabinet and Bishop on monitoring new church development. **Goal met through accountability form filled out monthly by new starts.**
- To work with the annual conference on developing financial resources to assist the development of new churches. **Goal continues to be worked on in various ways through Vision Team and with individual churches.**
- To petition the annual conference to put aside all financial assets from the sale of property of churches which have been discontinued for the purpose of funding new church development. **Goal dropped.**
- To allocate financial resources to developing churches. **Goal met.**
- To put an accountability process in place for financial resources received by developing churches. **Goal met through accountability form filled out monthly by new starts.**
- To create a contract between developing churches and annual conference concerning equipment and other assets. **Goal not yet met.**
- To work with the Board of Ordained Ministry, the Cabinet, and the Bishop in identifying persons who can lead new church development. **Goal initially started; not yet met.**
- To work with the Cabinet and Bishop in identifying areas within the annual conference where new church development can take place. **Goal begun; some exploration taking place to assist the Cabinet and Bishop.**
- To make new church development a priority of the annual conference. **Goal being realized.**
- To begin a two-year R&R (Retooling & Redeveloping) school for the purpose of retooling and redeveloping targeted existing congregations who are poised to be significant in the making of new disciples for Jesus Christ. The team feels that in order to plant new churches in our annual conference, we need to have healthy existing congregations who can help to seed and mentor these new ventures. **Goal suspended for now; waiting to see the effects of Gary Moore's and John Mitchell's effectiveness training for pastors.**
- To offer funds to congregations to assist in their R&R (retooling and redeveloping). **See above goal.**

Update on 2007 Goals

- To continue the goals we presently have in place.
- To work with Superintendents on assisting in strengthening churches in growing areas who have the opportunity to *restart* or to *start something new* and who have the desire to add additional ministry sites.
- To offer an event led by Rudy Rasmus (*St. Johns UMC, Houston*) that will teach churches how to include people *fully* in the body of Christ.

Goals for 2008

- To continue the above goals.
- To have the Cabinet and Bishop receive training in *developing new congregations and redeveloping existing ones.*
- To begin one new congregation.
- To offer another event for the purpose of teaching churches how to include persons *fully* in the body of Christ.

As the leader of this team, I give thanks to God for each person on it; the Christian witness, gifts, talents, abilities, and imagination they bring to it. Each of us believes that God's transforming power is sweeping through this annual conference, leading us boldly where we have not gone before! May you, along with us, continue to *imagine the possibilities!*

GOALS FOR 2008

A. Goals related directly to or in support of the following missional priorities

1. Making Disciples of Jesus Christ.

a. **Providing Opportunities for Local Missions** – Continue to provide opportunities for hand-on mission outreach. To encourage people from all covenant and other local churches through a quarterly newsletter and other communication outreach tools.

b. **Local Vacation Bible Schools.** Provide information to local church Vacation Bible Schools. Partner with Grace Church to assure youth participate in their V.B.S.

2. Meeting human needs and transforming Communities

a. **The Lazarus Center and Food Pantry** assists families in crisis situations in Wicomico, Worcester, and Somerset Counties. Churches, individuals, and community organizations donate food, funds, and volunteers to run the program. Along with assistance, clients receive needed information about resources available to help with their plight.

b. Children and Youth Outreach

Kid's Café, in partnership with Maryland Food Bank, provides meals, nutrition education, art, music, computer lab, and fun activities for children, (kindergarten through sixth grade) that are at risk of hunger. This program has expanded greatly over the past year. A creative dance class, drum ensemble, tutoring.

Diamonds and Pearls an outreach to girls 6 – 16 years of age to promote self-confidence, self-esteem, and academic excellence. Classes are offered that give beauty tips and personal hygiene. Girls are exposed to dining and fine arts from their culture and they learn to appreciate the culture of other people. Fields trips are offered as incentives. The teenage girls serve as mentors to the younger girls.

Young Lions a mentoring and rites of passage program for boys.

Computer Lab – Six new computers were added and we now have a ten station computer lab with internet access that is networked together. Computer skills and activities using computers are being integrated into all of the youth and children's programs.

Parent Involvement Provide activities to include parents in our youth programs. We will also offer programs to equip and empower parents.

c. **God's Kitchen**, a Saturday feeding program, offers hot lunches from 11:15-12:30 p.m. at Grace United Methodist Church. Twenty-six churches, businesses and community organizations provide the meals on a rotating basis, serving over 130 homeless and poor each week.

d. **Community Health Ministry** A full-time registered nurse is available to provide health care services and education. The parish nurse coordinates a cadre of volunteer doctors, nurses and dentists. Prescription drugs and other health related resources are provided. The Parish Nurse networks with various community agencies to direct people to appropriate resources.

e. **Homeless Welcoming Center** Each Saturday the chronic homeless people come to the Lazarus Center for showers, to get laundry done, and enjoy a brief time off the streets in a welcoming atmosphere. Provide key support resources for the Salisbury Ecumenical Emergency Shelter Program.

4. Strengthening Racial/Ethnic Inclusiveness

- a. Continue to include churches and groups as volunteers in the various programs offered by Salisbury Urban Ministries.
- b. Children's and Youth programs focus on affirming their cultural heritage (primarily African American and Hispanic), and appreciation of other cultures.

PROVIDE AN EVALUATION OF PREVIOUS GOALS AND FUNDS FOR THESE PURPOSES.

All of the goals are continuing programs offered by Salisbury Urban Ministries. Our mission is to develop and coordinate programs that serve and minister to the needs of Salisbury residents who are materially impoverished. We will increase awareness of these needs throughout the covenant congregations and provide avenues for responding. We will promote the concern for racial understanding and appreciation. The various programs of S.U.M. offer people "hand-on" involvement with people in the community. They model the ministry of Jesus by providing a human touch to people in need. Over 600 volunteers come from 35 participating churches and several community organizations and businesses. The volunteers come from ecumenical and interfaith organizations.

PENINSULA UNITED METHODIST HOMES, INC.

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conference does not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted June 12, 1985).

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware, all continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities serve approximately 1,200 residents and employ over 900 people.

Mission Statement: Adopted July 21, 2003, the PUMH Mission Vision Values statement reads:

"PUMH, in keeping with its religious tradition, is committed to fostering an exceptional quality of life and promoting wellness, health and security for older adults. Through our stewardship, PUMH will ensure standards of excellence to meet the changing needs of those we serve.

Our Vision Statement:

PUMH will fulfill its mission by being compassionate, innovative and bold. Our approach will be assured and we will have the courage to lead."

Our Values: compassion, diversity, excellence, integrity, trust and commitment.

Methodist Country House

The health center renovations in Hall 3 were completed in October, 2006. The new Hall 3 offers mainly private room accommodations for up to 15 residents requiring skilled nursing services in a beautifully decorated environment with support facilities for waited dining service and a wide variety of social and recreational activities. Plans are underway for renovations in the remaining two skilled nursing wings (Hall 2 and Hall 4) which will include therapy, dining and activity areas.

The ongoing heating, ventilation and air conditioning (HVAC) upgrades include energy efficient controls and systems and new equipment as required. Both Country House and

Cokesbury have benefited from recent contracts to purchase electricity and natural gas at lower rates through trusted local brokers. Every effort is being made to run our facilities in the most cost-efficient manner.

Methodist Manor House

The major health center projects funded by the capital campaign managed by the PUMH Foundation and generously supported by residents, families and friends have been completed including a new tub and shower spa suite installed on the old Lewes Wing. Other major capital projects include the new health center hot water system and upgraded elevators. A new master plan for the Manor House site and buildings is being conducted with Becker Morgan architects and engineers and other consultants. The master plan will include proposals for new cottages and other residential facilities.

Cokesbury Village

The Kent Wing social model assisted living renovations were completed in December 2006. Former skilled nursing rooms were converted into spacious and well-equipped apartments with kitchens and washers and dryers for assisted living residents. In 2007-2008, additional former health care spaces in the Brandywine Wing will be converted into support facilities for assisted living for dining, activities and therapy services.

"Transitions Made Easy", our personal relocation service, is now in its third year and has managed close to 300 moves for those moving into or within Cokesbury Village and our other communities. A transition is also planning to expand these relocation services into the larger Wilmington and other communities.

Cokesbury will be installing a new wireless nursing documentation and communication system called Accu-nurse in summer, 2007. This system will allow staff to spend more time taking care of residents and less time on paperwork. Cokesbury staff are working with consultants to prepare plans for a new casual dining bistro to be located on the lower atrium in the main building. This facility will be open to residents, staff and visitors and will offer a less formal alternative to the main dining room.

Heron Point of Chestertown

Heron Point is also working on a new master plan for the entire site, which will consider additional living units, assisted living, other health care alternatives and new fitness and wellness facilities. The recently completed Tolchester Wing of 20 social model assisted living apartments is fully occupied and very successful.

Heron Point celebrated its fifteenth anniversary in 2006 as a leading provider of retirement and health care services to the Eastern Shore community. Heron Point residents are very active in the Chestertown area as volunteers for many social service and health care organizations. Heron Point employs over 210 people, mainly from Kent and Queen Anne's counties in Maryland.

Heron Point is proud to be located in a historic small waterfront town with Washington College and many other cultural, recreational and educational facilities. Heron Point is a unique retirement designation, which has been very successful in attracting many out-of-state retirees to the Eastern Shore.

The Lay Health Minister Education Program

PUMH continues to sponsor and support the Lay Health Minister Education Program which is organized and led by Anne Murray, MS, RN, Parish Nurse at Aldersgate United Methodist Church. This program, now in its second year, provides training to help church members integrate health awareness and education into the life of their congregation. In addition to the primary training, Ms. Murray provides each lay health minister with a mentor who offers support and guidance for at least three to six months. The second class of lay health ministers recently completed training at Cornerstone United Methodist Church in Bear, Delaware.

Benevolence Funds

In keeping with the Mission of PUMH, every resident can feel secure in always having a home. The PUMH Benevolence Program is administered by the PUMH Foundation, Inc., the philanthropic arm of PUMH. Our Benevolence Program provides financial assistance to residents, who through no fault of their own, have out-lived their resources and can no longer meet their financial obligations. The Benevolence Program also provides one-time grants for residents experiencing special emergency needs and is available to prospective residents desiring to live in our communities. We project that PUMH residents will need \$490,000 in benevolence assistance during the PUMH fiscal year May 1, 2007 through April 30, 2008. We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH.

PUMH OF MARYLAND, INC.

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc. owns Heron Point a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Currently, nearly one hundred of the Heron Point residents are enrolled in "tuition free" courses at Washington College, or teaching there.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. The market has responded positively to the services and amenities package at Heron Point and the occupancy is consistently high. This past year saw the completion of the Tolchester Wing, a two story assisted living addition that includes twenty spacious apartments, a library, salon, dining room and enclosed garden patio.

Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

STRENGTHENING THE BLACK CHURCH

Praise God for God's steadfast love and faithfulness. This has been an exciting, challenging year for me with unexpected joys and sorrows. I have had the privilege of visiting and preaching in many of our churches. I have been especially pleased to attend the two congregations that entered their new sanctuaries, St. Luke in Cambridge, MD and St. Paul in Milford, DE. Rev. Yvonne Penn, Rev. Jeanel Starling and their congregations have really worked hard to make this happen. I believe these congregations will be a blessing to their communities.

I have held many educational and spiritual workshops on the four districts. This year I facilitated workshops on the Easton and Salisbury Districts to help pastors and laity to understand The United Methodist Discipline as a "Book of Covenant." This proved to be interesting because few persons attending had really read the Discipline and understood the importance of our covenant relationship and the value of being in a connectional system. It was offered to ALL our churches and over 175 persons have participated in these events. As a member of the Embracing the Black Church Task Force, we hope to have a manual for this workshop in the near future.

I have attended many opportunities for growth this year to further equip myself for this ministry. One that I am especially grateful for was the Certification for Community Development Course offered by the University of Delaware. It gave me an insight into how we as a church have a responsibility for Leadership Development as we proclaim the gospel, make disciples for Jesus Christ, and reach out to our families, church, communities and beyond. It gave me a new definition for "Faith Based Ministry". The office of Strengthening the Black Church was able to provide seed money for the new "Technology Center" at Dover: Whatcoat UMC. This facility is an asset to the community. It opened in November 2006.

I have also participated in the Small Membership workshops sponsored by the Enabling Ministries Resource Team and went to a special HIV/AIDS Convocation in Washington, D.C. for the Advocacy Resource Team. The STBC Office has sponsored and supported both the UMM and UMW scholarships for the Men's Gathering at Purdue University, and The UMW School of Mission at Wesley College. STBC also offers scholarships for the Equipping of the Laity Academy at Wesley College. Monetary grants and/or resources have been awarded to support churches for new and existing summer and after school children's programs.

One of my duties was to assist District Superintendents in congregations with long-term concerns. It was helpful to utilize me as a third person in the capacity of consultant, coach, or facilitator. This really opened my awareness of some of the systemic chronic concerns and miscommunication in our conference. I have also offered my service as a member of the new Church Start/Development Task Force. I have continued to create and distribute educational materials through pamphlets, brochures, books etc. to members of Annual Conference, African-American Summit, National, Jurisdictional and local BMCR meetings.

Writing a monthly article in the COMMUNICATOR, "OUR SACRED SPACE" has proven to be a great icebreaker for conversation and for getting the word out about the work of STBC. I am beginning to take the steps to create and develop "Our Sacred Space" for reflection, prayer and inspirational conversation on the web site. My desire is to encourage, support, empower and strengthen The Peninsula-Delaware Conference by developing for prayer, bible study, and reflection to help strengthen our connection to God and one another.

I thank God, Bishop Marcus and Barbara Matthews; the staff of the Philadelphia Episcopal area, especially Brenda O. Gaines, whose help and patience is invaluable. The clergy and laity in this great Church and all who reached out in loving care to us during the sickness and death of my son Terry. This has been the difficult part of this year. My family continues to ask for your prayers. We are determined to keep the faith. It is with joy I conclude this correspondence.

BOARD OF CHILD CARE

"A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove, but the world may be different because I was important in the life of a child." Anonymous

This past year the Board of Child Care was successfully re-accredited in all of its programs by the Council on Accreditation in New York City. This honor was granted to us in February after completing a rigorous self-audit and a peer review team of four (4) visited all of our facilities and programs. We are quite proud of this accomplishment, along with our E.A.G.L.E. accreditation through the United Methodist Association and NCASES accreditation for our non-public school. The above represents how we are successfully meeting the challenges of providing quality services to the children in our care.

Our programs remain strong with our residential program at 100% capacity. Our shelter census has dropped. This is a trend throughout the State of Maryland. In response to the changing needs of the communities we serve, we sought and received approval to convert our shelter program in Hagerstown, Maryland to a four (4) bed community home for boys. This will bring our residential license to one hundred eight (108). Our DC foster care and day care program obtained the highest scores possible in outcome measurements in providing service delivery to its clients. Our day care program, through accreditation, has reached a higher level of status. The adoption program provided over thirty (30) home studies last year with twelve (12) children being placed in loving families. Our Tide Point Daycare program has grown to over one hundred seventy-five (175) children served. Our mental health clinic served over four hundred (400) clients with one hundred and forty (140) currently active on our rolls. Our West Virginia facility remains at 98% occupancy. We are talking to WV State officials about possible expansion.

Our challenge continues to be to attract talented staff into the human service field with such a low unemployment rate (2.8%) in the Baltimore-Washington region. Our dedicated staff of five hundred (500) employees work hard to put children first and help them grow and learn. We expect twelve high school graduates this year, some of which have already been accepted to colleges like: The Fashion Institute of New York City, University of Maryland Eastern Shore, Morgan State University, Frostburg State University and Towson State University. We often hear from those who spent time with our family. Recently, we heard from David who graduates from Towson State University and Meash graduating from Coppin State University, this spring.

The Board of Directors and management personnel attended a Board Retreat in March. The focus was on the development of a Foundation. The purpose was to ensure that when it begins, everything is in place, from government approval to best practice. We also have been holding meetings in our Archive Center with community and church leaders who are learning more about our organization.

We, the Board of Child Care, truly are blessed to be able to do what we do each and every day to help those less fortunate try to improve themselves. Through the generosity and support of so many within the Peninsula-Delaware Conference, we are able to give them every opportunity for a hand up. The churches, ministers, individuals and groups within the churches, the business community and our auxiliary make it all possible. Their continual confidence in our ministry shines a great deal of light on so many.

EASTERN PENNSYLVANIA-PENINSULA
UNITED METHODIST FOUNDATION, INC.

The investment mission of the Foundation is to manage assets for local churches and conference agencies, to maintain the value of the assets and extend their use while remaining faithful to the Social Principles of The United Methodist Book of Discipline. The Board of Directors views its primary responsibility to provide sound investment solutions in accordance with this mission to its clients. To fulfill this goal, the Board seeks investments that 1) are diversified and risk controlled, 2) provide sound performance against appropriate benchmarks, 3) have affordable fees and 4) are in compliance with the social principles of the Church.

We are excited to announce the expansion of our equity product offered to our clients. The Foundation has added investments in two new asset classes, international and small cap, to further diversify the equity product. Further, a change in one of equity manager results in the Foundation's diversification of investment styles to include a both growth and value.

Looking forward into 2007, the Foundation is committed to improving the investment reporting materials for clients so they will have the latest market and performance statistics in an easy to read format.

The stewardship mission of the Foundation is to provide financial leadership with the creation of Planned Giving Programs calling for endowment funds with policies that guide churches to use assets and to invest assets as good stewards, educational components which teach individuals options for giving long-term assets and motivational components which encourage individuals to give of their long-term assets as one of the ways in which they respond to all that God has given them.

Information available through the Foundation includes sample marketing plans and a full array of ready-to-go materials. Further, estate and gift planning sessions can be provided, beginning with the finance/stewardship/endowment committee and expanding to a presentation to the invited congregation. The Foundation would welcome the invitation being offered to other UMC's in the area for greater attendance and participation.

The year 2007 brings the second stewardship workshop and training session for both clergy and laity. The first such program occurred in March 2006 and had over 500 in attendance at three sessions held at three different locations throughout the Philadelphia Episcopal Area. The 2007 event will be the first weekend in November.

District Superintendent's Report

Bishop Matthews, members of the Cabinet and Conference Staff, brothers and sisters in Christ, I am grateful for the privilege of delivering the Report of the District Superintendents to the Annual Conference. Before I was appointed as Superintendent to the Easton District, many persons had been involved in praying, studying, discerning, gathering data, and formulating a vision for ministry that would take the ministry and witness of the our Conference to the next level. Last year, our Bishop put forth an initial concept of this vision that has come to be known as the Healthy Church Initiative. During this past year, participation in shaping the initiative has broadened, and will continue to involve more and more people. We adopted the rail road metaphor of The Discipleship Express, inviting people to "Get on board,;" preparing to get underway for the stations and destinations of each local church's ministry. **The Healthy Church Initiative is designed to encourage and resource each local church with as much flexibility and support for developing healthy disciples who will in turn develop healthy ministries which will produce healthy churches, and create a healthy cycle of church life.**

I discovered that at each meeting, as we explored ideas and vision, two questions were always before us. First, can the smallest, weakest, most struggling church in our Conference benefit from this? Second, how will it benefit them? We realized that if the answer to the first was not "Yes" and there were some concrete ideas to the second, it would not work.

The Cabinet is totally committed to facilitating the Healthy Church Initiative possibilities for each local church on their districts. We are not are going to enforce a new program on the churches under our care. We are not going to force a ministry template forced on the churches. This is not a magic program bullet that will solve the unhealthy in our churches. This is the opportunity to develop and maintain healthy churches.

We are committing ourselves to be in a covenant relationship with you, the clergy and the congregations on our districts, to do everything in our power to facilitate healthy ministry life styles. This covenant commits us to all kinds of support and encouragement, ranging from assisting churches in seeking grants for ministry, to providing leadership training for laity and clergy, to holding churches and clergy accountable for their effectiveness and excellence, to developing teams of clergy and laity who will be available to local churches as resources. We commit ourselves to being accountable for facilitating opportunities to develop healthiness in our churches, ministries, and our lives. The effectiveness of this initiative is not in the hands of the Conference or the District Superintendents or the Bishop. It is in the hands of each pastor and congregation taking responsibility for the health of each local church. A healthy church is always a choice, not an enforced or canned program. The Healthy Church Initiative will give each pastor and congregation the choice for healthy ministry.

One of the things that really excite me is the opportunity for persons to express their passion for ministry, and to have the opportunity to act on that passion. At the Pre-Conference Briefings, the gathering last night, and throughout this Annual Conference, you have had the opportunity to write down, and I hope legibly, your passion for ministry; and then to turn them in as an offering. Within 30-45 days each person should receive an acknowledgement from either, member of the Conference Staff their District Superintendent, or a their pastor. As a matter of fact, if you do submit your passion, and do not hear anything in 30-45 days, call your District Superintendent. We will forward your ministry passion to their pastor so that your pastor will be aware of your passion of ministry and your pastor will acknowledge you. The result is going to be a growing pool of people who have expressed their passion for ministry who will be used at the Conference Level, the District Level, and the local church level. The possibilities are endless.

We have to take responsibility for the health of our local churches, step up to the plate and begin to take responsibility for our congregational health. If we do not, we may lose our health, and never get it back.

Several years ago, I entered one of the unhealthiest periods of my life. With all my training and pastoral experience, I did not see it coming. It almost destroyed me. I had gone through a series of crises and painful events. Gradually, I began to change. Outwardly, I was a good actor I was all smiles on Sunday morning. I hid what was going on inside of me. I had a fatal façade. I did my pastoral work. Nobody suspected. Inwardly, I was dying. Over a period of time, I came to the place where I would come home in the evening, and promptly go to my recliner. Elijah had his Broom Tree, I had my recliner. I had a TV table with my TV remote, my VCR remote, a pillow and blanket, my alarm clock, and the telephone. When I washed my clothes, I did not separate colors; I could not tell you if the water setting was on hot, warm, cold, or wet. Using the Paula Dean method of measuring, I put a Dollop of soap in the washer. When the buzzer went off, I threw them in the dryer. When they were dry, I took the shirts out, and stacked them on the fire extinguisher on the wall. The rest stayed in the dryer. It was my dresser. My food choices were pretty much anything that you could eat cold, or pop into the microwave. Night after night, I came home to my Broom Tree and brooded.

I knew something was wrong. I began to blame others, even getting mad with God because I was praying my heart out, even when I awoke at 3am and didn't want to listen to the real estate guru from Hawaii tell me how to buy and sell real estate without cash, I prayed. I knew that I was going to a place that I might not be able to come back from if I went much further. I knew that if something did not happen, if I didn't change, some of the most precious things in my life would be lost and die. I struggled, prayed, read, and realized that I had to be part of God's answer to my prayer. I had to take responsibility and begin, in Healthy Church language, to gear myself up and face reality with God. I knew that only then, I could turn it around and get healthy.

There was no dramatic moment that propelled me out of the recliner. However, one night, my prayer were answered in a way that confirmed to me that I was going to be ok. I was going to turn it around. God had not forgotten all about me. I was going to live. I decided to go out and buy three things. I bought an ironing board, an iron, and a can of spray starch. I sorted colors and washed clothes at the right settings, folded and put things away, and ironed and starched my shirts. I cleaned house from one side to another. I took everything away from the recliner. I started making contact with my close friends I had been avoiding, and I made incremental changes. I went to a counselor. My life changed.

In reflecting on this period of my life over the years since that time, I have discovered two things. First, I became aware that many of my colleagues in ministry and laity I knew, had experienced or were experiencing life what I had gone through. I was not alone. There may be some here today, living under the shadow of some Broom Tree, struggling with depression, discouragement, anger, hopelessness and so on. I want you to know that God hasn't forgotten you. God will help you turn it around. You have to take responsibility and be an active part of God's answer to your prayer. You can turn it around with God's help. Second, I became aware many churches were experiencing the same unhealthy symptoms of being in survival mode, of blaming all kinds of things from demographics to apportionments, of being discouraged, frustrated, having no hope or sense of future, of feeling a deep sense of futility, of trying to relive the good old days and believing that there will be no more good days, of blaming the pastor you have, and leaving meetings angrier and more frustrated than when you went in. And we are torn. As individuals and as congregations, we find ourselves in a dilemma. We know something is wrong-the statistics are clear. We talk about it in our committee meetings and at the coffee hours and with the DS and at budget time. We know we need to do something and if we don't, it may soon be too late. However, change is scary. Taking ownership of getting healthy again is scary and difficult. Just ask any recovering alcoholic about how tough it is to make the moment-by-moment decision to stay over. Part of us knows something needs to change. Another part of us refuses to budge. Yet another part has the flicker of hope that is willing to reach out and seek help, but reaching out is scary.

When a person is diagnosed with diabetes, they have to change diet and lifestyle.

When a person has heart trouble they have to develop a regular exercise routine and a new diet.

When people injure themselves, they may have to engage in some serious and often painful physical therapy in order to recover.

In order to turn an unhealthy condition around and make it healthy, we have to take full responsibility and make choices that lead to health.

A key piece of this is the support we get from one another. Just as people with health issues find help and strength in support groups, the Healthy Church Initiative connects all of us in a way that gives support, strength, encouragement, accountability, and resources to one another. It is a Covenant of Cooperation, not Competition. It is a Covenant of Unity, not disunity.

The Healthy Church Initiative will create an exciting time in the life of your local church and our Conference, as it will offer each congregation the opportunities for being healthy and staying healthy. It will give us choices for healthy disciples, healthy ministries and healthy churches.

The other District Superintendents and I, make covenant with you today, to do all that we can to bring the possibilities and opportunities of the Healthy Church Initiative to you; and to support you in your decisions to be healthy.

When Jesus calls us to discipleship, the core issue is never our ability to respond. The core is always our willingness to respond wholeheartedly.

GOD CALLS US TO GEAR UP NOT GIVE UP.

GOD CALLS US TO REACH IN NOT GIVE IN.

GOD CALLS US TO REACH OUT NOT DROP OUT.

GOD CALLS US TO LIVE IT!! NOT WASTE IT.

In this way, the Church of Jesus Christ, expressed by the people known as Methodists in the Peninsula-Delaware Conference, will effectively make disciples for Jesus Christ. It is time to get on board. To God be the glory. Amen.

The building was completed after his retirement in 1990 and in 2005 a hall was dedicated in his honor. Rev. Ellis was a powerful preacher, an eloquent educator, a conscientious counselor, a mighty mentor and a faithful friend. He was loved by the parishioners in every church he pastored. Rev. Ellis retired from active pastorate in 1988. However, he continued to preach and teach evangelism, general leadership and other workshops in Willingboro, Atlantic City, and Lawnside, New Jersey. Arley Burton Golden

Arley Burton Golden was born on June 14, 1921, in Kent Co., Delaware, to Thomas M. and Ruby Ann Golden. Arley was a dearly loved husband and father who enjoyed nothing more than having his family around him, working in his garden, restoring vintage Triumph motorcars, and singing hymns. But most of all, he loved preaching the word of God.

Arley graduated from Caesar Rodney High School. He briefly attended the Philadelphia School of the Bible before being drafted into World War II. In 1951, he obtained a BA degree at Washington College in Chestertown, MD, and in 1954, earned a Masters of Divinity at Temple University in Philadelphia, PA.

While attending Washington College, Arley served as a student pastor for three Methodist Churches at Sherwood, Fairlee, and Worton, Maryland. In 1954, he was ordained an elder of the United Methodist Church by Bishop G. Bromley Oxnam. Arley served as pastor at Christiana and Salem Churches from 1951-1973, and at Christ United Methodist Church from 1974-1988. Upon retirement in 1988, Arley served for 11 years as a Chaplain at the VA Hospital in Wilmington, DE. He held the honor of Pastor Emeritus at Christ United Methodist Church.

Arley served his Country during World War II as a member of the U.S. Army. He served in the European Theater of Operations from 1942 to 1945. It was on his first night stationed in Northern Ireland, in the North Belfast Methodist Mission, that he met his wife of 61 years, Sarah Houston Golden. He is survived by Sarah and their three children: Michael H. Golden (Susan), Maureen Golden Frederick (Thomas) and Mark B. Golden; one grandson; three great-grandchildren; and three step-grandchildren.

A faithful servant of his Lord and Savior, Jesus Christ, from the age of 12, Arley gave his life to the Lord at a Methodist Camp Meeting. As a pastor, he gave his all to serving the Lord, his parishioners, and the Methodist Church. He was tireless in visiting his flock, most especially the sick and the elderly. In his later years, when his vision had failed and his illness made it hard for him to get about, Arley continued his ministries via the telephone, calling those who he knew were in need of prayer or someone to listen.

Arley died on Monday, March 19, 2007, at the Veteran Affairs Medical Center in Wilmington, Delaware. His funeral was held on March 26, in Christ United Methodist Church in Roselle. The Rev. Christopher Pennington conducted the service. He was assisted by the Rev. Richard Stazesky, Rev. Dr. William M. Fitzhugh, Jr., and Rev. Dr. Willard Robinson. Daughter Elva

Harley Henry Krause

Harley Henry Krause was born in Bonduel, Wisconsin, on November 26, 1921. His mother was Selma (Krause) Moesch and his stepfather was Elroy Moesh. Harley has three brothers, Wally, Jason, and Duane and two sisters, Delores and Arbutus.

In 1937 Harley graduated from Sawano High School and worked as a machinist for several years. In 1942, he joined the Navy along with his brother, Wally. One day his ship docked at Los Angeles, and Harley went with a friend to the Church of the Open Door. Although he had attended various churches as a child and had even been confirmed, this marked the first time for Harley to hear the gospel. At the invitation, Harley went forward and accepted Christ. Soon after, Harley joined the Navigators, a discipleship group aboard the ship, and began to grow in the Lord. At one point his ship lacked a chaplain so Harley filled in as interim and led Sunday services. Later in February 1946 when the ship docked in New York City, Harley was baptized at Calvary Baptist Church.

In November 1948, after serving 7 years in the Navy, Harley was discharged. While living in Philadelphia, Harley met and married Blanche Kern on July 16, 1949 at Lehigh Baptist Church. Feeling God's call into the ministry in 1950, Harley attended Bob Jones University. In 1951 he transferred to Reformed Episcopal Seminary in Philadelphia where he studied the Greek and Hebrew languages and took private voice lessons, graduating in 1954. Harley and Blanche had a son, Phillip, in 1952 and a daughter, Rebecca Alice, in 1957.

Harley's first appointment in 1963 in the Holston Conference was the Derby Circuit, 4 churches in a coal mining camp. Harley attended Pastor's School at Emory University in Atlanta, Georgia in 1963. In 1966, he was appointed to White Shoals Circuit. In 1967 he moved to the Peninsula Conference and served 5 churches on the Marion Station Charge followed by an appointment in 1971 at Northeast Bayview. In 1974 he was appointed to Parsonsburg for two years and then to the Oriole Charge. Following Oriole, Harley served Crisfield Charge for 9 years and in 1987 was appointed to the Sharptown Charge.

On May 22, 1989 Harley retired as a full elder and moved to Fort Lauderdale, Florida. Yet even in retirement, Harley continued to serve, staying active leading singing and Bible studies at St. John's Retirement and Rehab Home until 1993. In 1994 Harley and Blanche moved to Booneville, Mississippi, where he served as a volunteer chaplain at the Baptist Memorial Hospital from 1994 to 2004, Longwood Nursing Home in Booneville and Corinth Rehab and Care Inn. Each Saturday evening, Brother Harley was also a "regular" on the local gospel television stating, singing in Grace United Methodist's choral group. The Mississippi Conference appointed Harley to Mt. Moriah Methodist Church where he served as a Retired Supply pastor from 1998 to 2004. He continued to minister at Corinth Care Inn until his health made the 25-mile trip impossible.

Harley Henry Krause went to be with the Lord on November 20, 2006. Services were held Wednesday, November 22, 2006 at Booneville Funeral Home. His friends, Reverends Bobby Hawkins, C.D. Edge, and James Boyd conducted the service.

Wife, Blanche and family

Priscilla Ruth Maxham

Priscilla Ruth Maxham was born on January 16, 1940 in Worcester Vermont, the younger of two children born to Earl and Blanche (nee Corliss) Maxham. Cilla, as she was affectionately known by everyone throughout her life, grew up with a strong desire to serve God. As a youngster, she built a little church altar in the nearby woods and held services for her dolls and the neighborhood animals. She graduated high school in 1957 and began attending Drew University in New Jersey in the fall of the same year, majoring in Christian Education.

At Drew, she met her future husband Fred, a seminary major, and after four years, they were married within days of her graduation in June 1961. Cilla and Fred moved to Hinesdale, Illinois while Fred finished seminary. Their daughter Cheri was born in 1963. Once Fred had finished seminary, they relocated to Allentown, Pennsylvania where their son Christopher was born in 1967. During this period, Cilla was busy as a full time mother, raising her children and being involved with the church.

The family moved several times, first to Philadelphia in 1968 where Cilla worked as a teacher, then on to Mt Pocono PA in 1973 where they lived for the next 6 years. In 1979 the family returned to Philadelphia where Cilla began working as a director of Christian education and continued that work after moving to Phoenixville PA in 1982.

By the late 1980's with her children now grown, Cilla returned to school, attending La Salle University in Philadelphia where she would receive her Master's degree in Pastoral Counseling, specializing in marriage and family therapy. In early 1992, Cilla and Fred separated and eventually divorced in 1994. It was during this difficult time in her life that she decided to return to school and pursue her lifelong dream to become a Methodist Minister. She became a student one more time, entering Lancaster Bible College in 1993. She graduated Seminary in 1997 and began her first assignment as the assistant pastor at First Church in Lancaster, Pennsylvania. In 1998 she served as a pastor in Lebanon, Pennsylvania at Ebenezer United Methodist Church.

In 2000, Cilla requested a transfer to Delaware, requesting an appointment closer to her daughter Cheri and her family, now living in southern Delaware. In 2001, Cilla became the Associate Pastor of Avenue United Methodist Church in Milford DE, where she would continue to work as pastor and counselor until her semi-retirement in June 2005.

In January 2006, Cilla was diagnosed with transitional cell Carcinoma of the Kidney, a rare and aggressive form of Cancer. Despite post-operative complications and chemotherapy, she continued to counsel clients through the church and visit shut-ins for as long as she was able. After a courageous and difficult year, Cilla died in the early morning hours of December 24, 2006. Her children Cheri and Chris were by her side.

Cilla was preceded in death by her father Earl. She is survived by her mother Blanche, now 104 years old and living in Fort Myers FL, her brother David and his wife Maida, also in Fort Myers, daughter Cheri, of Lewes DE, son Chris of Giesson, Germany and four grandchildren; Courtney, Daniel, Haley and Noa. Cilla's services were held on December 30, 2006 at Avenue United Methodist Church in Milford, Delaware.

As she often said, "I won't say goodbye, only, until we meet again."

Her Children

Mildred Elizabeth McGlotten White

Mildred Elizabeth McGlotten White born on January 29, 1913 in Hurlock, Maryland to Samuel James and Addie Victoria McGlotten, passed from this life to her eternal reward on December 1, 2006.

Mildred received her early education in the public schools of Bridgeville and Seaford, Delaware and completed high school through "distance learning". In later years, she received a teaching certificate at Flora's School of Beauty Culture in Wilmington and opened a school and shop in Dover. Mildred's School of Beauty Culture was the first in Delaware south of Wilmington to be opened by a person of color.

Having grown up in Whatcoat Church-Dover, she became very active in the church and over the years held many positions of leadership: musician, choir leader, lay speaker,

lay leader, and at the time of her death, Visitation Minister. Beyond the local church, she served as Dean of the School of Christian missions, Delegate to the United Methodist Women's Assembly, Conference Secretary for Methodist Women and Jurisdictional Chair, United Methodist Women.

Mildred was ordained to clergy status in 1953 at Tindley Temple by Bishop Edgar A. Love. She was one of the first women to be ordained by the Delaware Conference of the former Methodist Church. Mildred served as pastor in two appointments, namely, the Wattsville, Virginia Charge where she was appointed in 1959 following the death of her husband, the Rev. Cornelius Bell White; and Centennial UMC in Smyrna, Delaware from 1960-1965. She retired from the Peninsula Conference in 1965. Again, she returned to her church, Whatcoat-Dover, and became Minister of Visitation in 1976, where she continued to serve until her passing.

Mildred E. White was "one of a kind". Through more than a half century of leadership, she garnered respect, affection and many honors for her dedication and her gifts and graces in ministry. We'll miss her wise counsel, ready wit, calm and even temperament, warm hospitality, generosity, forgiving spirit and positive expectations.

She leaves to mourn their loss and treasure their memories of her one son, Charles Cornelius White; daughter-in-law, Diana Elizabeth Ferguson White; and grandson, Charles David White; all of Los Angeles, California. Her Whatcoat-Dover Church family and the many, many friends in the Northeastern Jurisdiction also mourn their loss.

December 1, 2006 was a special day in the Kingdom of God. That day, Mildred E.M. White became a permanent member of the Kingdom!

Helen E. Simms Burton

Helen E. Simms Burton was born in Maryland at Johns Hopkins Hospital on November 20, 1934. She was the daughter of Brant and Helen Simms, Sr. She was confirmed in Perry Hall Methodist Church on December 1, 1946. Helen attended Kenwood High School, graduating in 1953. While attending the Peabody Institute from 1954-1958 in Baltimore Maryland, she became a secretary at Mars Estates Elementary School.

At 24, Helen was married to Albert C. Burton on February 7, 1959 in Perry Hall, MD by Rev. John P. Buchheister, a Methodist Minister. The Burtons lived in Colorado for 3 years while Albert attended Seminary.

At 29, Helen's first son, Brant Albert Burton, was born in Shepherdstown, West Virginia, on September 26, 1964. On January 20, 1967, Bradley Russell Burton was born in Marriottsville, Maryland. Unfortunately, Helen lost both of her children to separate car accidents approximately 3 years apart. Her faith was unlike any other, and that is what pulled her through those difficult years.

Helen lived in many places over the years and she made her mark wherever she went. She has friends all across the country. People just loved her for the sense of caring and her wonderful sense of humor. She was very quick witted. She always had a joke to tell or a story to recite and just made you feel important whenever you were in her company. She loved music. She could play the piano and sing like no other. Helen loved games that made you think, brain teaser puzzles especially. She loved to read and she began painting late in her life. Her teacher put one of her first paintings on display which made her very proud. Helen was a great planner and she could always come up with a theme and a craft project for church. Helen also loved watching the Ravens and the Orioles on TV. She loved sports as a child and her brother always picked her to be on his team.

Helen passed on March 16, 2007. The funeral service was at Rock Hall United Methodist Church conducted by Rev. Linda Mariner and Rev. Bill Dore on Tuesday, March 20, 2007, with interment at Wesley Chapel Cemetery in Rock Hall, Maryland.

Helen will be remembered as a good friend, a special Sister, a terrific Aunt, a wonderful Wife, a great Mother and a woman with amazing faith. We, her family and friends, miss her dearly.

Edith H. Irwin

Edith H. Irwin was born November 5, 1927 in Schenectady, New York, the only child of Edward and Edith Price Vogel. She joined the Dutch Reformed church as a teenager where she began her journey with the Lord. She graduated from Asbury College in Wilmore, Kentucky with a Bachelor's Degree and soon after graduation was married to John A. Irwin on July 16, 1949 in Schenectady.

Edith taught elementary school in Kentucky while John completed college and when he entered Westminster Theological Seminary, she taught school in Carroll County, Maryland. There first appointment was the Farmington charge, where she again taught school in Greenwood. After John's graduation from seminary, they were transferred to East New Market, followed by charges in Preston, Millsboro, Newark, Selbyville, Seaford-Mt. Olivet, Laurel-Centenary, and Cambridge-Zion.

Throughout their ministry together, Edith sang alto in the choir and loved to play the piano. She was very active in promoting missions within each of the charges. Her love of God was shown by the many activities she was involved in supporting worldwide missions. She had a doll collection that was populated with many dolls obtained through Church World Service. Besides loving the uniqueness of the dolls from the many countries, she loved the fact that the money from purchasing them was going back to help spread God's word around the globe.

John and Edith had 3 sons, John L. married to Lynne and their son John T. of Laurel, Delaware; Mark E. married to Melanie and their daughter Jessica of Sykesville, Maryland; and Andrew J. married to Sally and their sons Seth and Sean of Salisbury, Maryland.

Throughout her life, Edith not only professed her faith but showed it in so many ways to all the many parishioners over the years. She was active in the Women's Society in each of the churches as well as supporting John through his ministry. She was always there at the end of each service to extend a warm greeting to everyone.

Edith Erwin passed away on November 4, 2006 at the Seaford Genesis Center after a steady decline in the last year. She was 1 day away from her 79th birthday when she was called to be with the Heavenly Father and celebrate her new birthday.

Dorothy Anderson Keene

Dorothy Anderson Keene, referred to by many of her friends in the church as "Dotty", was the wife and partner of the late Rev. Milton H. Keene. Together, the two gave their lives to God and to his service and to the many members and churches of the Peninsula Delaware Conference of the United Methodist Church.

Dorothy joined Milton on October 12, 2006 into the warm loving hands of God; accepting the promise of God's eternal Peace and Joy for a life spent in the service to others and for her unwavering trust in Our Father.

Dorothy Anderson Keene was born on July 9, 1913 to the late Howard Hazel and Sarah Ward Anderson of Wilmington, Delaware. It was a simpler time and pace and Scott Methodist Church on the East side of the city, was to many, not just a worship center but a focal point for youth. Dot so warmly remembered meeting that handsome well spoken lad, Milton, in the youth group of the church. At Scott, they learned who God was, they learned who they were, and they eventually learned that God's plan was for them to team in life as husband and wife and witnesses for the faith to thousands on the Delmarva Peninsula. They were married on June 20, 1939. Dot wanted to be a missionary but found her mission in support of Milton as he served for over fifty years in the Methodist Ministry. Together they changed the lives of those who were fortunate to have met them.

Dot and Milt served churches in Mardela Springs, Hurlock, Chestertown, Wilmington, Brookside, Seaford and filled in at many other churches following their retirement. In 1954 Dorothy and Milt were assigned to start a new church in Delaware's first planned community, Brookside Park, near Newark. The six years that started from zero and bloomed to a membership of over eight hundred were some of Dot and Milt's fondest and proudest remembrances. Dot's warm giving style was so much a factor in the growth of Kingswood of Brookside Methodist Church.

In 1965 the couple were asked to accept another challenge when Milt was named founding administrator of the Methodist Manor House in Seaford, Delaware. As part of the Manor House's outreach ministry, Dorothy became coordinator of the Hope and Cheer programs which provided food and health services to Sussex County's elderly.

Dorothy was the kind of person who warmed any room she entered and who displayed her faith in God through every smile and every gesture. Dot and Milt Keene are once again together. Their lives challenge us to live life unafraid with the full confidence that God is in charge.

We, Dorothy's sons, miss her as Mom, wife of our father. You the church miss her as a member of a very memorable team.

Dorothy is survived by her 2 sons and daughters-in-law, Milton Jr and Suzanne, and Lynn Alan and Peggy, 4 grandchildren, Michael (Dani) and Ryan, Christopher and Sherri.

Services were held October 18, 2006 at the Kingswood United Methodist Church with Rev. James Sipes officiating and interment was at Gracelawn Memorial Park.

God Rest Her Soul,

Her sons, Milt and Lynn

Doris May Scott

Doris M. Scott was born in Prince Edward Island, Canada on February 21, 1920. She was the daughter of Peter and Ethel MacLeod. As a young adult, Doris moved to Quincy, Massachusetts where she lived with relatives and began work. There she met and married the man who would be her lifelong love and companion, John Scott.

After their marriage on June 23, 1948, John continued his study to become a minister. They began their first pastorate in 1953 in a small church in Vermont. They served in churches in Vermont, Ohio, New York, New Hampshire, Maine, Massachusetts, Rhode Island and Maryland. Doris served faithfully beside her husband in the ministry for 39 years.

Doris had a love for missions, was a Sunday School teacher and a supportive wife in the ministry. Prayer was always an important part of her life and in her later years, when her active ministry had ended, she became a powerful prayer warrior.

Doris is survived by her husband of 58 years; Rev. John D. Scott, Sr. She leaves four sons, Rev. John Scott, Jr., Peter, Stephen and Rev. Alan Scott. Doris had 10 grandchildren, 6 great-grandchildren, and 4 nieces. She was preceded in death by two brothers, Keir and Robert MacLeod.

Doris passed away peacefully on March 4, 2007 in her home. The funeral service was conducted by Rev Ronald Parker and Dr. Kenneth Mills on Saturday, March 10, with interment in Shad Point Cemetery in Salisbury, Md.

Doris Scott will always be remembered as a woman of faith and prayer. She will be greatly missed by her family and friends.

Emily Britto Gray Turkington

Emily Britta Gray was born September 22, 1908 in Philadelphia to the late Emma Presser and John Gray. She attended schools in Reading, Pennsylvania, and graduated from Nanticoke University in New York. She was married to Albert Turkington on July 5, 1935. Albert and Emily served as Evangelists and traveled extensively doing tent meetings where she played the accordion,

guitar, and banjo. When they were appointed to serve churches, she played the organ, and directed and sang in the choirs. She owned her own business as a hairdresser which she operated in her own home. After 44 years of marriage, Albert died December 23, 1979 at the age of 97.

Although Emily was always busy sewing, knitting, and crocheting, she was not a person who wanted to sit still. Realizing she needed to exercise to stay healthy, Emily, at the seasoned age of 79 joined the Third Time Around dancers in Salisbury. She made many of the tops the dancers wore. Even at age 87, she continued to dance with the group.

Emily wasn't sure what kept her so young and active, but she said her husband always told her, "if you keep your conscience clear and your heart right, it'll go a long way."

Emily Britto Gray Turkington died at the age of 97 on August 11, 2006. Her funeral took place at the Bound Funeral Home where the Rev. John Hinkle officiated. She was interred at Dale Cemetery in Whaleyville, Maryland.

Emily is survived by a niece, Annie Becker of Seaford, a niece, Linda Fell and a nephew Charles Gray, both of Reading, PA., and nephew Alton (Jim) Gray of New Mexico and various grand nieces and nephews.

Virginia Corley Von Hagel

Virginia Corley Von Hagel was born December 19, 1908 on a small farm in Fauquier County, Virginia, the sixth of eight children born to Herbert Baldwin and Herculia (Gore) Corley. She demonstrated a strong will to live from an early age and at ten survived pneumonia during the influenza pandemic of 1918.

After the family moved to Arlington, Virginia, she graduated, as salutatorian of her class, from Washington and Lee High School in 1928 and attended Strayer's Business College.

In 1933 she married the Reverend James J. Von Hagel who was the young pastor of her local Methodist Protestant Church in Arlington, Virginia and they began a long and meaningful faith journey in "the ministry." In 1939, at the union of the Methodist Protestant and Methodist Episcopal Churches, several pastors who had attended Westminster Seminary together including Mr. Von Hagel, joined this Conference and came to the Eastern Shore by ferry as the Chesapeake Bay Bridge did not exist.

Mrs. Von Hagel was a devoted wife and faithful helpmate until Mr. Von Hagel's death in April of 1994. In addition to being an immaculate and organized homemaker at a time of few modern conveniences, she acted as her husband's executive assistant and confidante giving selflessly of her time and energy to help parishioners and to further the work of the Church. They served United Methodist Churches in Arlington and Claremont, VA; Vienna, Salisbury, Hurlock, and Rising Sun, MD; Greenwood, Milton, Frankford, Wyoming, Wilmington and Stanton, DE.

Mrs. Von Hagel loved "the work," as she called it, and in her declining years, enjoyed keeping up with news of the churches of the Peninsula-Delaware Annual Conference and listening to tapes of Sunday services at St. Mark's UMC, where she was a member.

Through her example, she instilled in her children and grandchildren the love of God and family, an appreciation of beauty and music, the value of education, the love of words, the importance of serving others, and a strong work ethic.

She entered the Church Triumphant April 13, 2006 at Memorial Hospital at Easton, Maryland, after a long and valiantly fought illness. She was 97.

A memorial service was held on Monday, April 17, 2006 at St. Mark's United Methodist Church, Easton, MD with the Reverend Gary Moore and Dr. Gilbert Anderson officiating. Dr. Mark Higginbottom, Ellen Berry-Grunden, Scott Clausen and Dr. Bill Wharton provided special music. Included in the service was Mrs. Von Hagel's favorite passage from Psalm 46

*God is our refuge and strength, a very present help in trouble.
Therefore we will not be afraid....*

In addition to her daughters, Jean M. Churn of Lansing, Michigan and Maggie Mayo, of Easton, she is survived by her son-in-law, the Reverend J. Thomas Churn; grandchildren James Churn, David Churn and his wife Lori; Ernest James and his wife Jennifer; Kelly Murdoch and her husband, Billy; and her great grandchildren Alex, Ryan and Pam Churn, Ernie and Katie James, Georgia Leigh Murdoch; and one sister, Eleanor Ward.

At the memorial service Kelly Murdoch said, "Grandmother and granddaddy, for it's hard to talk about one without the other, shared an indescribable love and a steadfast faith. They lived their days together as thoughtful, compassionate, and diligent servants of the Lord. They were not perfect. They had hardships and disagreements like everyone else but they resolved them together — as a team — with their faith always in the forefront of their minds guiding their actions. They did everything together; where one had limitations, the other compensated. Being able to experience their love and work in ministry was a gift to all of us who were able to witness it. In fact, it is such a gift, that it will continue to be given to subsequent generations. We will pass on that same indescribable love and steadfast faith. We will remember."

TERRY BYRD

Terry Byrd, son of Edgar Wilson and Elaine Ayres and stepson of Johnny Ayres, Jr., departed this life after a brief illness on October 25, 2006 at Deer's Head Hospital, Salisbury Maryland.

Terry was born January 30, 1958 in Philadelphia PA. He was educated in the public schools of Snow Hill, Worcester County, MD. He graduated from Strayer University, Baltimore, Maryland in 1978. Terry was a former field administrator for The Hartford Insurance Company in Alexandria, Virginia, a Safety Inspector of the John W. Taylor Packing Company, Hallwood, Virginia, and a former employee of MBNA in Dover, Delaware and was the Administrative Assistant of the Easton District of the Peninsula-Delaware Conference of The United Methodist Church. He was the Membership Secretary for Black Methodists for Church Renewal and worked diligently with the African-American Summit.

He was baptized and became a member of Mt. Wesley UMC, Snow Hill Maryland at an early age. As a teenager he was active in the Snow Hill Community Choir. Upon moving to Washington, DC, he became a member of Canaan Baptist where he sang in the Young Adult Choir. When he returned to the Eastern Shore, he reunited with Mount Wesley UMC. While living in East New Market, he fell in love with the members of the East New Market Charge. At the time of his death he was in the process of transferring his membership from Mount Wesley to Faith Community UMC.

Terry loved his family, his friends, his co-workers, laity and clergy on the Easton District. He enjoyed working with the District Superintendents, Rev. Dr. Thomas Donnachie, III and Rev. William Sterling, Jr. He especially loved the 8:30 a.m. service at Faith Community UMC, fresh flowers, singing on choirs, playing the tambourine, reading a good book, football games, going shopping for bargains, and sweet potato pie.

He is survived by three sisters, one brother-in-law; six brothers, two sisters-in-law; a great-grandmother; two God-children; a great aunt, and a host of other relatives.

Our family chain is broken
and nothing seems the same.
But God calls us one by one
The chain will link again.

X. MISCELLANEOUS

Conference Rules of Order

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
 2. To adjourn;
 3. To take a recess;
 4. To lay on the Table.
 5. To call for the previous question;
 6. To postpone to a given time;
 7. To refer;
 8. To substitute;
 9. To amend;
 10. To postpone indefinitely;
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.

- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Nominating Task Force shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: **deacons and elders** in full connection; probationary members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge.

Lay membership designated by **Par. 32 of the 2004 Book of Discipline** includes: **a professing** lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; **the chair of the Annual Conference college student organization**; Conference president of United Methodist Youth; the diaconal ministers; **the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference**; **one youth between the ages of twelve (12) and seventeen (17) from each District**; **one young person between the ages of eighteen (18) and thirty (30) from each District**; and **the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the 2004 Boos of Discipline**. The lay members shall have been for the two years next preceding their election members of The United Methodist Church and shall have been active participants in The United Methodist Church for at least four years next preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an

additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. **Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.**

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 653 in the 2000 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

**B. Rules and Guidelines for the Conference
Nominating Task Force**

A.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.

2. That the Nominating Task Force be 28 – 32 persons.
That the Nominating Task Force be composed of the following persons:
 - One lay and one clergy representative from each District
 - Cabinet Representative
 - Conference Lay Leader
 - District Lay Leaders
 - Two Young People's representativesMembers at large – minimum of six persons. Members at large will be selected to assure inclusiveness. The Nominating Task Force co-chairs will be selected from the members at large pool.
 - Ex officio members without vote:
 - 1 representative from Monitoring Team
 - 1 representative from each of the four Resource Teams
 - Conference Resource Director

3. That the following guidelines be used by the Conference Nominating Task Force:
 1. Nominations will be based upon a person's gifts, abilities, and leadership
 2. Priority will be given to assure inclusiveness
 3. The Task Force will operate by consensus
 4. Prayerful discernment will be the framework for the work of the Task Force
 5. See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.

5. **Guideline for Conference positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term. (Conference Rule #23, page 347, 2004 Conference Journal) Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.

6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be

permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Task Force is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Task Force in equal distribution of responsibility on the part of the Conference members. The Nominating Task Force will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2004 Book of Discipline, ¶611.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Task Force may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Para. 162.E, page 106 of the 2004 Book of Discipline), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Task Force shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Nominating Task Force's report. A report of the board, agency, and Resource Team chairperson to the secretary of the Conference Nominating Task Force by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, Co-Chairpersons (lay and clergy) shall be nominated for leadership for boards, agencies and Resource Teams. It is recommended that District organizations also use Co-Chairpersons. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Nominating Task Force will dialogue with persons about their gifts and experience prior to nominating them as co-chairs. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of co-chairpersons:
