"Are all the clergy members of the conference blameless in their life and official administration?"
(P.604.4, 605.6 [2004])

The Bishop and District Superintendents:

In almost every case, our clergy members are blameless in life and character. The performance of every ordained minister and local pastor has been reviewed by the Bishop and Cabinet. Where there is concern or basis for a grievance, it is being pursued with the knowledge of the member involved.

All clergy who are moving this year are reminded to take to their new appointment their Health and Dental Coupons. On a table in the entrance way are forms for those who are moving to have the new appointment fill out for the Pension Contributions. These must be filled out even if the amount being withheld in the new appointment is the same as that withheld in the old appointment. New clergy should make an appointment with Elaine Moreland, Conference Benefits Director, seven days from this date.

The Bishop then made announcements about the dates of the Bishop's Retreat in January and the upcoming Advent Day Apart at Aldersgate Church.

Following these announcements the Clergy Session was adjourned at 11:30 a.m.

The 224th Session of the Peninsula-Delaware Annual Conference
Friday, June 13, 2008
Ella Fitzgerald Performing Arts Center,
University of Maryland Eastern Shore
Princess Anne, Maryland
"Gear Up"

The 224th Session of the Peninsula-Delaware Annual Conference began when Demetrio Beach, the newly elected Associate Lay Leader, welcomed each of us. Candles were lit throughout the Ella Fitzgerald Center and the processional was led by those playing hand bells and the singing of the hymn "Holy, Holy, Holy." Bishop Marcus Matthews delivered the opening sermon "Gear Up-Holy Living!" inspired by the theme "Gear Up" and the scripture from 2 Peter 1:13-16 from The Message.

Recognition of Guests: Dr. Mary White, Lay Leader of the Eastern Pennsylvania Annual Conference brought greetings from our sister Conference and prayed God's blessings on our Conference sessions. Bishop Matthews presented her with a gift and then called up those in Extension Ministries. Those recognized were Rev. Bob Hall, Rev. Barbara Wilson, Rev. Karen Moore, Rev. Tom Carter, Rev. Jack Shitama, Rev. Dr. Mark Pruett-Barnett, Rev. Jack Abel, Rev. Barry Steiner Ball, Rev. Ron Bell, and Rev. Sherrol James. Rev. Sherrol James was given 500 phone cards for those in Iraq. Rev. Tom Carter offered prayer.

Covenant of Accountability: Rev. William Wallace presented the Covenant of Accountability. He gave a history of the Commission on Religion and Race and then showed a video entitled "Journey to Inclusiveness."

Committee on Episcopacy: Rev. Dr. Jonathan Baker and Mr. Royal Pinder presented the report of the committee. They had members of the committee stand. They then introduced Bishop Matthews, who got a standing ovation from the Conference. While the Conference was still standing, Mrs. Barbara Matthews was introduced and escorted up on stage. She was thanked for all her work and support of Bishop Matthews. Mr. Pinder informed the Conference of the duties of the Committee. Rev. Dr. Baker then lifted up the evaluation process for the Bishop. Bishop Matthews got a very positive evaluation from the Committee and this was reported to the North East Jurisdiction Episcopacy Committee. Mr. Pinder then recognized Rev. David Fife, the Assistant to the Bishop. Amy Botti, Executive Secretary to the Bishop was then recognized. Following these recognitions Dr. Baker talked about the work of the Committee on Episcopacy. He also pointed out how this committee and the Jurisdictional Committee on Episcopacy are working together looking at conference boundaries and the number of Episcopal areas in our Jurisdiction. Mr. Pinder thanked the Conference for the financial support it provides, which enables Bishop Matthews to give leadership to the almost 1500 churches in the area, as well as, providing for the Assistant to the Bishop and the Executive Secretary.

The Tools for Moving Forward (Covenant Funding): Mr. Howard Brecht, Rev. Dr. Jonathan Baker, and Rev. Diane Henry presented the Covenant Funding report. They pointed out that the Conference Council on Finance and Administration (CCFA) assesses anticipated income, advises the Vision Team of funding availability, that the Vision Team and CCFA receive funding requests from the Episcopacy Committee, Boards and Agencies of the Conference, and Conference Leadership Teams. CCFA then compiles a preliminary funding plan. After this funding plan is put together the Vision Team and CCFA engage all teams, boards and agencies to strike a balance of funding needs with financial resources. After that is done CCFA makes a recommendation to the Annual Conference. This year CCFA recommends that \$5,752,290 be apportioned to the churches. That the Apportionment calculation be an average of each local church's net operating expenses for 2004, 2005, 2006; and that the Apportionment cap be 19% of the local church's 2006 Total Operating Expenses. The Conference passed the budget and subsequent resolutions. A resolution to reappoint Mr. William Westbrook as Conference Treasurer and Director of Administrative Services was then introduced. It too passed.

Board of Pensions Presentation: Mr. Ed Steiner discussed the status of our reserve accounts, whether it is possible to consolidate reserves into one fund. This could give the Board greater flexibility in doing its business. The \$12 million unfunded liability for retiree health benefits still exists. There may be calls in the future for a fund drive to work on that problem, but to date the Board has not even seriously discussed that possibility. The new health benefit plan went into affect this past year and the transition went smoothly. This year the Board is proposing no increase in the cost of health insurance for either the churches or participants. Prevention and wellness are keys in reducing the use of medical care. The response to the Health Fair at the 2006 Annual Conference Sessions was disappointing. This year we shall be assessing whether to support a conference initiative for the Lifetime Screening program. A survey form is in the Conference materials. If there is sufficient interest, the Board will make the program available at a low cost to participants. Mr. Ed Steiner's term on the Board is ending. He expressed thanks to Elaine Moreland for all of her work. He also recognized Rev. Alex Slonin, Mr. Dennis McDowell, and Ms. Rochelle Thompson, whose terms are also expiring. He then moved the adoption of resolution E-5 part 1, which was adopted. Resolution E-5 part 2, which was also adopted, and Resolution E-6. After a question for clarification, which asked if there was a process in place to communicate arrears in health insurance premiums to the local churches and District Superintendents, which there is, it too was adopted.

Committee on Equitable Compensation: Rev. William Ross presented the report on Equitable Compensation. He moved the adoption of the minimum salary recommendations, which passed. This was followed by the motion to adopt the new continuing education amounts and yearly service increments, which also passed. The entire report was then approved.

1. The Commission makes the following minimum salary recommendations for 2009

Full Member	\$31,825
Probationary Associate	29,170
Full Time Local Pastor	27,130
Commissioned (elder track) but no completed seminary	23,870
Student Pastor	23,870*

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

New continuing education amount will be \$600 for 2009; \$700 for 2010; \$800 for 2011.

New service increments will be \$140 per year up to maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2009 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

The Commission recommends that the following changes to the moving policies: (see underlined):

Pastor Moving Policies

Effective January 1, 2009, the policies of the Peninsula-Delaware Conference, with regard to the moving of pastors, are as follows:

Definition of terms:

The term "pastor" shall refer to persons under appointment, whether as an employee of the District Superintendent without a relationship to the Conference, as a local pastor, or any category of Conference relationship, including persons from other conferences serving under appointment of our Bishop and retired supply pastors.

The term "charge", whether receiving or sending, shall refer to the station, charge or agency to which the pastor is appointed.

1. The receiving charge will be responsible for moving or paying for the move of the incoming pastor and his/her household, within the bounds of the Conference, or from the closest reasonable border of the Conference. The District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree as to how the move will be made.
2. The receiving charge shall be responsible for the replacement, repair, or restoration of any of the pastor's household belongings in case of damage, breakage, or loss during the move, by providing adequate (at least replacement value) insurance through the moving company, or as a self-insurer (by agreeing, in writing before the move, to be the insurer). The District Superintendent of the receiving charge shall be the mediator where the charge and the pastor disagree over any claim.

[When a receiving charge is the self-insurer, the following procedures should be followed:]

- a) *regarding furniture and other non-packed items, notations of prior damage, weakness, scratches, etc. should be made before loading, by the pastor and someone from the receiving charge. If this is done at the time of the move, it should be before the items are handled by anyone from the charge (before they are moved from the house/garage/etc. to the van/truck.*

- b) regarding packaged/boxed items, notation should be made as to the condition of the cartons/boxes, marking any existing areas of damage such as crushed corners. If there has been breakage or damage to any packed items, the same guideline as that to professional movers is recommended, which is: "Is there any outward signs that the box/carton has been mishandled (i.e. is the box crushed on any corner or side, punctured or otherwise damaged)?" If not, the assumption is that the item broken was improperly or inadequately packed.
3. The pastor shall be responsible for the packing of his/her household goods, preparatory to moving, whether packing themselves or paying for it to be done by others. An exception can be granted by the District Superintendent of the receiving charge, when, in the judgment of the Superintendent, a pastor/parsonage family is unable to handle the task of packing and/or unpacking. If the receiving charge does not pay for such packing and/or unpacking, the District Superintendent of the receiving charge shall submit the bill to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation.
- [The procedure for the exception noted in the policy shall be as follows: The responsibility for initiating this request lies with the pastor (or survivor in charge). Written estimates from at least two movers will be obtained, showing packing and/or unpacking costs as a separate item. The District Superintendent and receiving charge shall decide on the mover to be used. The Superintendent shall authorize the packing and/or unpacking expenses, and submit the bill for said work to the Conference Business Office.]
4. The Conference shall be responsible for paying for the move up to the maximum amount of \$3,000 within one year of the any of the following circumstances/conditions if moving from a church or Conference owned parsonage:
- a) when a full-time pastor retires from active ministry as a pastor of a local Peninsula-Delaware Conference charge, A District Superintendent, or a member of the Conference Staff, except when he/she is moving to a charge to continue service (e.g. as a retired supply pastor—not, however, as a private employee) ;
 - b) when a pastor serving as a retired supply pastor discontinues serving in that capacity;
 - c) when a pastor becomes completely disabled (as determined by the General Board of Pensions or the Peninsula-Delaware Annual Conference Session); or
 - d) when there is a surviving household to relocate, in the case of a pastor's death while serving a charge.
- If the cost of the move is over \$3,000, the Commission on Equitable Compensation may grant exceptions on an individual case by case basis. Two bids are required and shall be submitted to the District Superintendent who will in turn provide one bid to the Business Office for payment to be charged to the Commission on Equitable Compensation. This payment will only be available one time within a ten-year period to any given pastor.
5. When a change of appointment occurs such that a receiving charge would have to pay for a second move (for the same position) within any given four year period, the receiving charge can request assistance from the Conference to pay for the second move. The request shall be made through the receiving charge's District Superintendent, who will submit the bill to the Conference Business Office for payment to be charged to the Commission on Equitable Compensation. The maximum reimbursement for the second move would be according to the following schedule:
- a) when a pastor moves after one year - 75%
 - b) when a pastor moves after two years - 50%
 - c) when a pastor moves after three years - 25%

6. It is the responsibility of the moving pastor to leave the parsonage and office in good order for his/her successor.

As to the parsonage:

- a) the buildings and facilities should be clean and in good repair;
- b) trash and unwanted items should have been removed;
- c) agreements should be negotiated by which the moving pastor shall pay for damages the pastor/parsonage family/parsonage pet is responsible for;
- d) keys for all locks should be tagged and left;
- e) the phone number should be left the same;
- f) lists should be left of persons/companies to call in emergencies or for repairs/service, of where appliance manuals can be found, and of locations of screens, lawn mowers, etc.

As to the office:

- a) the phone number should be left the same;
- b) keys for all locks should be tagged and left;
- c) files should be up-to-date and in good order;
- d) lists of immediate or necessary information should be left.

7. None of these policies shall financially obligate the Conference beyond the approved budget for moving pastors/parsonage families in any given year. Where the bills to the Conference for packing (#3 above) and/or moves (#4 and #5) exceeds the approved budget for moving, the Commission on Equitable Compensation will decide how available monies shall be spent.

Report from the Committee on Clergy and Lay Leadership: Rev. Paul Sherwood and Mr. Demetrio Beach began their report by reading from Isaiah 43:19, "Behold I am doing a new thing." This is a new committee put into place by the Healthy Church Initiative. This committee is working to provide a personal visit to each congregation. These visits are designed to share devotional time and the ministries of the local churches. They are listening for people with passions, offering Bible Study resources, answering questions and explaining the Healthy Church Initiative. Their report is available in section A of the Annual Conference materials.

The Committee on Clergy and Lay Leadership A-3 was presented. This report will be voted on during tomorrow afternoon's session. Corrections, questions and suggestions should be brought to the attention of the committee on the appropriate forms.

Resolution R-5: Remembering our Veterans Past and Present: Was presented by Rev. Elaine Ayres, Director for Strengthening the Black Church. It was adopted.

Resolution: Remembering Our Veterans Past and Present

Whereas, we strive to follow the teaching of Jesus in Luke 6:35-36 to love our enemies and we strive to keep peace with our neighbors, but we still live in a world of wars and rumors of war because of the inhumane treatment toward others, and;

Whereas, President Eisenhower signed a bill in 1954 proclaiming November 11, Veteran's Day, and

Whereas, we have veterans who have served and continue to serve in our Armed Services, Reserves, the National and Air Guards, and other additional military units, and

Whereas, these men and women in the past and present have served and continue to serve with dignity and courage in the United States and around the world to ensure our freedom and the freedom of others, and

Whereas, there was a resolution passed in the General Conference, 2000 to "honor, support, and uphold in our prayers those who serve in our armed services and, in addition honor and support those United Methodist clergy who serve as chaplains." (2004 The Book of Resolutions of the United Methodist Church: ¶ 268), and

Whereas, we must never forget or take for granted the sacrifice and dedication of our veterans past and present, nor end our insistence that a grateful nation must provide them with the care and services that they need to heal their wounds and help ease their re-entry into civilian society, and

Whereas, the families of these veterans need our support and prayers.

Be it resolved that the Peninsula-Delaware Annual Conference encourage all congregations to celebrate Veterans Day on one of the Sundays of their choice in the month of November.

Be it further resolved that a Veterans Affairs Ministry committee be established by the Advocacy Resource Team and congregations be encouraged to participate in programs that support and assist returning service persons and their families.

See 2004 The Book of Discipline of The United Methodist Church (Social Principles, ¶ paragraph 164 I).

Resolution R-3: Participation in Nurturing Wholeness in Community Seminars: Rev. William Wallace for the Advocacy Resource Team presented this resolution, which was adopted.

Resolution: Participation in Nurturing Wholeness in Community Seminars

Whereas, there was a perceived need to organize events and experiences to enhance understanding and reconciliation following the Service of Repentance and Reconciliation at the 2002 Session of this Annual conference, and

Whereas, Christians have been commissioned through to the ministry of reconciliation through Christ as stated in 2 Corinthians 18-19 "All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation, that is in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us." *New Revised Standard Version*

Whereas, the *Book of Discipline of the United Methodist Church (2004)*, para.642.3j) calls for annual conferences to provide "programs of sensitization and education at every level of the conference on the nature and meaning of racism-attitudinal, behavioral, and institutional" and,

Whereas, the *Social Principles* state that, "racism includes both personal and institutional racism." And it also states that, "Racism plagues and cripples our growth in Christ, inasmuch as it is antithetical to the gospel itself." (162.III A)

Whereas, in keeping with the kinds of concerns described in the paragraphs above, the Repentance and Reconciliation Task Force of the Advocacy Resource Team initiated seminars titled, "Nurturing Wholeness in Community," and

Whereas, the Level one seminar is offered at least twice a year and level two is offered once a year to contribute to wholeness in Christian community by addressing racism and moving persons toward a greater appreciation of others of different racial/ ethnic backgrounds; and

Whereas, the basic seminars (Level 1) are Biblically based, historically oriented, and spiritually edifying and are open to all laity and clergy of this Peninsula-Delaware Conference, and

Whereas, Level 2 seminars are also offered for those who have attended a Level 1 seminar to allow for a further deepening of understanding and awareness of inter-ethnic and multi-ethnic relationships and issues, etc; and

Whereas, the seminars are open to all interested persons;

Be it resolved that this 2008 Session of Annual Conference strongly urges all personnel and officers of conference and district agencies, teams and boards to participate in a Level 1 NWC seminar at their earliest opportunity. Probationary members continue to be required to attend to fulfill their requirements for ordination.

Be it also resolved that organizations, boards and agencies cooperate by providing support for their officers (and, where feasible, their members also) to participate in a Level 1 seminar.

Submitted by: The Advocacy Resource Team & The J.T. Seymour Commission on Religion and Race

Announcements from the Conference Secretary: Rev Amy Yarnell extended an invitation to all to respond through VIM for reconstruction efforts in the Midwest.

The Clergy Executive Session and Laity Session reports are available in the registration room. The Conference will resume promptly at 2:00 p.m. Rev. Dr. J.T. Seymour offered the closing prayer and grace. The Conference adjourned from 11:45 a.m. to 2:00 p.m. for lunch.

Friday Afternoon Session, June 13, 2008

Rev. Dr. Mark Pruett-Barnett opened the afternoon session with prayer.

Spiritual Formation and Discipleship Team Presentation: Rev. Dr. Karen Covey Moore introduced the Spiritual Formation Team's skit. Last year's Vision Team asked us to board a train. This year the members were asked to dive in and go deep with scuba diving instruction. Rev. Dr. Jonathan Baker was the instructor for "Gearing Up, Scuba Diving Lesson 101." He gave each participant a Buoyancy Control (BC) jacket which held the air tank and regulator. The BC is all that is needed to hold everything together just as small group ministry holds everything together. He then gave out instruction guides along with the advice to never dive alone. He told the group to use the buddy system, just as a Bible study or discussion group does. Then he distributed fins to help navigate and goggles to enable one to see more clearly. Small group ministry helps us to navigate when we can't breathe and when we need courage. Jonathan advised everyone to look around, swim, and enjoy the view.

Bishop Lyght introduced: Bishop Matthews called Bishop Ernest Lyght up on stage and introduced him along with his family members and friends to the Conference. Bishop Lyght is the Conference preacher.

United Methodist Publishing House Presentation: Madeline Beall and Rev. Bernard "Skip" Keels spoke on behalf of the United Methodist Publishing House and Cokesbury. Madeline recommended Three Simple Rules by Reuben Job, The New Interpreter's Dictionary of the Bible, Focus on the Five Practices, and Feasting on the Word a lectionary commentary from Westminster John Knox Press.

Rev. Skip Keels, whose term on the Board of the Publishing House is ending, encouraged more authors to write and publish in order to enhance the diversity of our witness. He presented the Bishop with a check for \$6275.27, and moved that it be given to the Central Conferences to provide retirement resources for our clergy there. The motion was adopted.

Advance Special Giving: Rev. Dr. Sandra Steiner Ball, Director of Connectional Ministries, introduced a video presentation about the Advance Special giving, commemorating the sixtieth anniversary of this initiative, which started in 1948. She also reminded us that one-hundred percent of our giving goes directly to the work of ministry.

Report of the General Conference and Jurisdictional Conference Delegates: The delegation to General and Jurisdictional Conferences was introduced, and presented a video from General Conference 2008. (Copies of the DVD were provided in the registration packets for each clergy member). For the new quadrennium, the church will be focused on ministry with the poor, combating the killer diseases of poverty, going into new places, and renewing existing congregations, and developing principled Christian leaders. The number of bishops in the United States will be reduced by two by 2012. A hymnal revision committee will be established, including a study of African worship. In other action, sacramental authority may be extended to Deacons in certain circumstances, and other amendments will be forwarded to the Annual

Conferences for action. The delegation also explained the process for endorsing a candidate for bishop from our Conference at Jurisdictional Conference in July. The delegation did not offer any endorsements. A ballot was taken to determine whether the body was willing to support this recommendation. Mr. Bill Westbrook gave directions for the balloting and Rev. Gary Meekins offered a prayer as the first ballot was distributed. The vote was three hundred for and sixty-eight against supporting the recommendation of the delegation.

Africa University: An Africa University DVD presentation was introduced by Mr. Kevin Goodwin. The current political situation in Zimbabwe is a concern. Africa University, however, is outside of the capitol, and the situation there is stable at the moment although our brothers and sisters there are still vulnerable, and in need of our prayerful support. An offering was received. Mr. Kevin Goodwin then announced that his eight year term as Conference Secretary of Global Ministries was coming to an end. When he started, the Conference donated \$5,000 to missions. Now it donates close to \$45,000 to missions. He thanked Bishops Peter D. Weaver and Marcus Matthews for their support. Although he is retiring as Conference Secretary of Global Ministries, he will become Conference Coordinator of Appeals, thereby promising four more years of hats, basketballs, and requests for donations.

Announcements from the Conference Secretary: Rev. Christine Lee, who was filling in for Rev. John Van Tine, who was conducted a funeral, announced that Rev. Hilbert Watson was taken to the hospital during the luncheon recess and she prayed for his healing and comfort. She then announced that The Celebration of Ministry will follow.

Celebration of Ministry: The Celebration of Ministry began at 3:30 p.m. with an opening dialogue between Reverends Dianne Henry and Scot McClymont. Afterwards there was singing and dancing as the song "There's a party going on! We're going to celebrate" was played. Bishop Matthews appeared decked out in jeans, T-shirt, and sneakers. The District Superintendents, retirees and their spouses, lay ministers, probationary members, local pastors, elders, and a deacon all danced onto the stage. Certified lay ministers also joined the happy throng. Then the "Blues Brothers" Jake and Elwood (Reverends Paul Owens and Derrick Porter), who were on a "mission from God" appeared. They recognized the anniversaries of the ordination or commissioning of the ministers of the Conference. This was done in increments of five years beginning with the fifth anniversary up to seventy years. Rev. David Baker, who was present, was recognized for 69 years in ministry. Bishop Matthews then commissioned the probationary members. He then addressed those who were being ordained Elders and asked them the historic questions from John Wesley. He also admitted one person as a Full Member in the Order of Deacon. After the examination of the candidates the retiring Pastors passed the Mantle in the form of a fish net to the new Elders and Deacon. Following this celebration of ministry Penny MacLennan, Lay Member from Epworth United Methodist Church in the Dover District, offered grace and the afternoon session was adjourned.

Friday evening, June 13, 2008

Darlene Webster opened the evening session with prayer. Rev. Alfred Taylor told a light hearted story about a "hot day." He said our job as Christians is to show Jesus to children and show them the way home. The Conference then sang "Blessed Assurance."

Lay Address: Mr. Gene Cray, Conference Lay Leader, led off the Lay Address. He stated that the objectives of the Board of Lay Ministries are to increase effectiveness of the laity in making disciples of Jesus Christ, meeting human needs, and transforming local and global communities. Gene also took time to thank the Conference for the privilege of serving as the Conference Lay Leader. He will not seek the nomination for the next quadrennium.

Following Mr. Gene Cray was Ms. Jacqueline Christman. She gave the report for the United Methodist Women. She began her report using fabric and told how the women of the four districts are bound together just as the fabric is bound together. The United Methodist Women have a strong commitment to mission and to education. The School of Christian Mission will again be held at Wesley College. The classes are: I Believe in Jesus, Israel-Palestine, and Native America Survival. The local units of U.M. Women and the District groups raise money for giving to local needs as well as in; projects such as cribs for orphans in Vietnam; sewing machines and fabric for displaced grandmothers in India; and over 2,000 school kits made for children in Africa. The U.M. Women exemplify Ephesians 4:1-16. Through their purpose they weave a beautiful fabric of faith, love, hope, patience, and organization.

Mr. Charles Brummell gave the report of the United Methodist Men. He pointed out that the primary purpose of U.M. Men is "To declare the centrality of Christ in the lives of men and in

all their relationship." Their goal is to provide leadership training and resources to call men to make Christ the center of their lives. He lifted up the Annual Retreat at Camp Pecometh. The U.M. Men will also be sponsoring a trip the 10th National Gathering of United Methodist Men at Belmont University in Nashville, Tennessee.

Shane Hinderliter reported on Young People's Ministries. In January 2008, the "Whatever" Youth Rally was held. It was a huge success with over 4,300 students and leaders attending. An offering of \$10,669.04 was collected and split between "Loose Change to Loosen Chains" and the "Youth Service Fund." A confirmation rally was held in March. Plans are underway for the "Missing Peace" youth rally in 2009. The Africa University Choir is to be a part of that youth rally. Young People's Ministries now has its own web site. It is www.UMyoungpeople.org. One can obtain general information and register for the Youth Rally in January. The Conference has also hired two young adults to serve as young people's ministries interns. They are working on Mission Possible, as well as, developing young adult resources for local congregations.

Bishop Matthews introduced Dr. Fred Allen to bring greetings from the United Methodist Publishing House and Rev. Tim McClendan, who will be leading the Bible studies beginning tomorrow morning.

Gene Cray closed the laity address by making presentations to representatives on each District to the Board of Lay Ministries. He also introduced Ms. Betty Gooch, who will be the next Conference Lay Leader. She presented Gene with a plaque recognizing his service to the Conference.

Camping and Retreat Ministries: Rev. Jack Shitama presented the Camp Pecometh report. Camp Pecometh will be holding some new camp experiences, including a day camp, "Girls to Greatness," and "That's not Camp," a video game camp. A Camp Pecometh alumni group has formed and has begun raising money to re-deck the pier. Other new events include a "Monastic Day Apart", fifty people participated on volunteer day and the 2nd Annual Pecometh Day open house and auction introduced the camp to new families and raised funds. Of the \$5,520,000 original price, \$4,329,393 has been committed. (The project will have to be re-priced.) Jack concluded his report by showing a video.

Rev. Paul Owens presented Resolution R-8, which was adopted by the Conference.

BE IT FURTHER RESOLVED that non-renewal of the lease by the Peninsula Delaware Conference requires a 2/3 majority of the voting members at a duly called session of the Peninsula Delaware Annual Conference.

Volunteers in Mission Presentation: Reverend Don Hamilton informed the Conference of the activities of our VIM teams. They have been active all over the world. Sometimes it is hard to keep track of where they all are as there are so many teams. The response to the Katrina disaster, for example, included at least forty trips each year.

The Congo Partnership over the past five years has received over \$250,000 in support from this Conference. Jack Able shared some experiences and photos from a medical mission to the Congo: Wembo Nyama. This afternoon \$28,402 was received for Africa University and another offering was taken this evening for the Central Congo Partnership. The partnership will be reconfigured to include the Eastern Pennsylvania Annual Conference as well.

Don Hamilton announced that Rev. Amy Yamell will be the new VIM coordinator. He also extended thanks to Mr. Gil Hoffman for his work with the Congo Partnership.

After announcements by the Conference Secretary Rev. Jim Van Der Wall offered the closing prayer.

Saturday morning, June 14, 2008

Chris Pennington led the Conference in the opening worship. Following the opening worship Rev. Dr. Sandra Steiner Ball introduced Rev. Dr. Tim McClendon our Bible study leader. The Bible study was on Colossians 3:1-17. This letter was written by Paul to a mediocre church. He is telling them how to "gear up" to be an effective church.

Following the Bible Study Rev. John Van Tine, the Conference Secretary presented R2 the Consent Calendar for adoption. It was adopted.

Conference teams and staffs are also working with this covenant ministry model. The first laity effectiveness seminar will be offered this year. The complete report is on page F1 in the Conference materials.

This policy with the amendment was adopted by the Conference.

SAFE SANCTUARIES POLICY

"This policy statement is superseded by The Book of Discipline of the United Methodist Church and is meant to support the disciplinary process where appropriate."

INTRODUCTION

The intent of this *Safe Sanctuaries* policy of the Peninsula-Delaware Conference is to prevent child abuse in local churches and within the Peninsula-Delaware Conference and to protect local churches, their staff and clergy from allegations of improper conduct. Further, the policy is intended to provide requirements for laity, clergy, and lay employees of the Peninsula-Delaware Conference and the local church in the adoption of Safe Sanctuaries policies and the implementation of operating procedures for each church and for Peninsula-Delaware Conference events. These policies and operating procedures must respond to the expectation that "children must be protected from economic, physical, emotional, and sexual exploitation and abuse" (The Book of Discipline of the United Methodist Church 2004, The Social Principles ¶162C, page 106, see *Appendix I*) and the requirements of local churches and Peninsula-Delaware Conferences adopted by the United Methodist Church in 2004 (The United Methodist Book of Resolutions 2004, 65. Reducing the Risk of Child Sexual Abuse in the Church, ADOPTED 1996, READOPTED 2004, see *Appendix II*.)

In addition, this *Safe Sanctuaries* policy reinforces the commitment of the Peninsula-Delaware Conference and its laity, clergy and staff to the demonstration of the love and care of Jesus Christ affirmed in the Baptismal covenant, so that each child and youth will be "nurture(d)... in Christ's holy church..." (The United Methodist Hymnal, Baptismal covenant II, page39-43, see *Appendix III*.)

THEOLOGICAL FOUNDATION

"Whoever welcomes [a] child . . . welcomes me. If any of you put a stumbling block before one of these little ones . . . it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea" (Matthew 18:5-6, NRSV.)

"the Lord answer you in the day of trouble! The name of the God of Jacob protect you! May he send you help from the sanctuary, and give you support from Zion."
(Psalms 20:1-2, NRSV)

"He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?"
(Micah 6:8, NRSV)

POLICY STATEMENT

The Peninsula-Delaware Conference is committed to providing a safe and secure environment for all children, youth, and adults who participate in ministries and activities sponsored by local churches and within the Peninsula-Delaware Conference. Therefore, the Peninsula-Delaware Conference and each local church or charge shall adopt a *Safe Sanctuaries Policy* and Operating Guidelines and forms that are substantively based upon and conform to the materials presented in the document, "*Safe Sanctuaries for Youth*" written by Joy Thornburg Melton and published by Discipleship Resources (ISBN 0-88177-404-9.) These policies and operating guidelines will require that all adult clergy, staff and volunteers working with children and youth be trained in understanding and conformity to those policies and guidelines.

Each volunteer or employee must complete the following forms* and meet with the SAFE Team prior to assignment to a child or youth program: written application, personal reference forms, combined drivers license & criminal background check, participation covenant. BASIC PROCEDURES FOR SAFE MINISTRY

1. *Appropriate Interpersonal Boundaries* are to be maintained between adults and children so youth may experience relationships that are healthy physically and spiritually. Adults must role model respectful and nurturing behaviors that do not interfere with another person's privacy. Examples include appropriate: dress, language, and demonstrations of affection. "If it is not yours, don't touch it."

10. *Parent and Family Education* about the local church's *Safe Sanctuaries* plan to prevent abuse within ministry is required.
11. *Appropriate Equipment and Supervision* includes *transportation considerations* such as ensuring that personal vehicles are properly functioning and properly insured; *sleeping arrangements* if an overnight stay is involved; and *Youth Group Websites*. Any activity that will take place away from the church must be brought to the SAFE Team for detailed planning before is it presented to the children or youth.
12. *Bathroom procedures* for children and youth include: children under five should be escorted to the bathroom by the adult responsible for them. A buddy system for children over five should be practiced.
13. *Reporting Procedures for Allegations of Abuse*. The Book of Discipline (2004 ¶341.5) requires that Pastors report suspected abuse wherever it occurred and whether it is physical, sexual, psychological, ritual or neglect. Information about local child abuse/child advocacy services should be included in the church policy. Any suspected abuse identified in the church must be reported to the pastor or to members of the SAFE Team if it is alleged to involve the pastor.

If abuse is alleged to have occurred at a Peninsula-Delaware Conference or church event or on church property, the following steps should be taken by the pastor and/or SAFE Team:

- A. Notify parents of victims and assure the victim's safety.
- B. Treat the alleged abuser with dignity, not anger and remove him/her from further involvement with youth.
- C. Report the alleged abuse to the local child abuse service or local police.

Appendix I: The Book of Discipline of the United Methodist Church 2004, Social Principles

¶ 162. III. THE SOCIAL COMMUNITY, C) Rights of Children

The rights and privileges a society bestows upon or withholds from those who comprise it indicate the relative esteem in which that society holds particular persons and groups of persons. We affirm all persons as equally valuable in the sight of God. We therefore work toward societies in which each person's value is recognized, maintained, and strengthened. We support the basic rights of all persons to equal access to housing, education, communication employment, medical care, legal redress for grievances, and physical protection. We deplore acts of hate or violence against groups or persons based on race, ethnicity, gender, sexual orientation, religious affiliation, or economic status...

C) Rights of Children—Once considered the property of their parents, children are now acknowledged to be full human beings in their own right, but beings to whom adults and society in general have special obligations. Thus, we support the development of school systems and innovative methods of education designed to assist every child toward complete fulfillment as an individual person of worth. All children have the right to quality education, including full sex education appropriate to their stage of development that utilizes the best educational techniques and insights. Christian parents and guardians and the Church have the responsibility to ensure that children receive sex education consistent with Christian morality, including faithfulness in marriage and abstinence in singleness. Moreover, children have the rights to food, shelter, clothing, health care, and emotional well-being as do adults, and these rights we affirm as theirs regardless of actions or inactions of their parents or guardians. In particular, children must be protected from economic, physical, emotional, and sexual exploitation and abuse.

Appendix II: The Book of Resolutions of the United Methodist Church 2004, 65. Reducing the Risk of Child Sexual Abuse in the Church

Jesus said, "Whoever welcomes [a] child . . . welcomes me" (Matthew 18:5). Children are our present and our future, our hope, our teachers, our inspiration. They are full participants in the life of the church and in the realm of God.

Jesus also said, "If any of you put a stumbling block before one of these little ones . . . it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea" (Matthew 18:6). Our Christian faith calls us to offer both hospitality and protection to the little ones, the children. The Social Principles of The United Methodist Church state that "children must be protected from economic, physical, emotional and sexual exploitation and abuse" (¶ 162C).

Tragically, churches have not always been safe places for children. Child sexual abuse, exploitation, and ritual abuse¹ occur in churches, both large and small, urban and rural. The problem cuts across all economic, cultural, and racial lines. It is real, and it appears to be increasing. Most Peninsula-Delaware Conferences can cite specific incidents of child sexual abuse and exploitation within churches. Virtually every congregation has among its members adult survivors of early sexual trauma.

Such incidents are devastating to all who are involved: the child, the family, the local church, and its leaders. Increasingly, churches are torn apart by the legal, emotional, and monetary consequences of litigation following allegations of abuse.

1. "Ritual abuse" refers to abusive acts committed as part of ceremonies or rites; ritual abusers are often related to cults, or pretend to be.

2. God calls us to make our churches safe places, protecting children and other vulnerable persons from sexual and ritual abuse. God calls us to create communities of faith where children and adults grow safe and strong. In response to this church wide challenge, the following steps should be taken to reduce the risk of child sexual abuse:

A. Local churches should:

1. develop and implement an ongoing education plan for the congregation and its leaders on the reality of child abuse, risk factors leading to child abuse, and strategies for prevention;

2. adopt screening procedures (use of application forms, interviews, reference checks, background clearance, and so forth) for workers (paid and unpaid) directly or indirectly involved in the care of children and youth;

3. develop and implement safety procedures for church activities such as having two or more nonrelated adults present in classroom or activity; leaving doors open and installing half-doors or windows in doors or halls; providing hall monitors; instituting sign-in and sign-out procedures for children ages ten or younger; and so forth;

4. advise children and young persons of an agency or a person outside as well as within the local church whom they can contact for advice and help if they have suffered abuse;

5. carry liability insurance that includes sexual abuse coverage;

6. assist the development of awareness and self-protection skills for children and youth through special curriculum and activities; and

7. be familiar with Peninsula-Delaware Conference and other church policies regarding clergy sexual misconduct.

B. Peninsula-Delaware Conferences should:

1. develop safety and risk-reducing policies and procedures for conference-sponsored events such as camps, retreats, youth gatherings, childcare at conference events, mission trips, and so forth; and

2. develop guidelines and training processes for use by church leaders who carry responsibility for prevention of child abuse in local churches. Both sets of policies shall be developed by a task force appointed by the cabinet in cooperation with appropriate conference agencies. These policies shall be approved by the Peninsula-Delaware Conference and assigned to a conference agency for implementation. It is suggested that the policies be circulated in conference publications and shared with lay professionals and clergy at district or conference seminars.

C. The General Board of Discipleship and the General Board of Global Ministries should:

1. cooperatively develop and/or identify and promote the following resources;

2. sample policies, procedures, forms, and so forth for reducing the risk of sexual abuse and exploitation of children and youth in local churches, both in relation to their own sponsored programs and to any outreach ministries or other programs for children or youth that use church space;

3. child abuse prevention curriculum for use in local churches;

4. training opportunities and other educational resources on child sexual abuse and exploitation and on ritual abuse; and

5. resources on healing for those who have experienced childhood sexual trauma.

Appendix III: The United Methodist Hymnal, Baptismal Covenant II, pages 39-43.

THE BAPTISMAL COVENANT II - HOLY BAPTISM FOR CHILDREN AND OTHERS UNABLE TO ANSWER FOR THEMSELVES

This service is ... designed for use when the only persons being baptized are (1) children who cannot take their own vows or (2) youths or adults who have not reached the developmental stage of making decisions for themselves. It is not designed for the baptism of persons who take their own vows, or for confirmation or reaffirmation of faith.

INTRODUCTION TO THE SERVICE Brothers and sisters in Christ: Through the Sacrament of Baptism we are initiated into Christ's holy Church. We are incorporated into God's mighty acts of salvation and given new birth through water and the Spirit. All this is God's gift, offered to us without price.

PRESENTATION OF CANDIDATES A representative of the congregation presents the candidates: **I present Name(s) for baptism.**

RENUNCIATION OF SIN AND PROFESSION OF FAITH On behalf of the whole

Church, I ask you: Do you renounce the spiritual forces of wickedness, reject the evil powers of this world, and repent of your sin? I do.

Do you accept the freedom and power God gives you to resist evil, injustice, and oppression in whatever forms they present themselves? I do.

Do you confess Jesus Christ as your Savior, put your whole trust in his grace, and promise to serve him as your Lord, in union with the Church which Christ has opened to people of all ages, nations, and races? I do.

Will you nurture these children (persons) in Christ's holy Church, that by your teaching and example they may be guided to accept God's grace for themselves, to profess their faith openly, and to lead a Christian life? I will.

Do you, as Christ's body, the Church, reaffirm both your rejection of sin and your commitment to Christ? We do.

Will you nurture one another in the Christian faith and life and include these persons now before you in your care? **With God's help we will proclaim the good news and live according to the example of Christ. We will surround these persons with a community of love and forgiveness, that they may grow in their service to others. We will pray for them, that they may be true disciples who walk in the way that leads to life.**

Let us join together in professing the Christian faith as contained in the Scriptures of the Old and New Testaments. Do you believe in God the Father? I believe in God, the Father Almighty, creator of heaven and earth.

Do you believe in Jesus Christ? I believe in Jesus Christ, his only Son, our Lord, [who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried; he descended to the dead. On the third day he rose again; he ascended into heaven, is seated at the right hand of the Father, and will come again to judge the living and the dead.]

Do you believe in the Holy Spirit? I believe in the Holy Spirit, [the holy catholic* church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting.]

THANKSGIVING OVER THE WATER The Lord be with you. And also with you. Let us pray.

Eternal Father: When nothing existed but chaos, you swept across the dark waters and brought forth light. In the days of Noah you saved those on the ark through water. After the flood you set in the clouds a rainbow. When you saw your people as slaves in Egypt, you led them to freedom through the sea. Their children you brought through the Jordan to the land which you promised. ****Sing to the Lord, all the earth. Tell of God's mercy each day.**

In the fullness of time you sent Jesus, nurtured in the water of a womb. He was baptized by John and anointed by your Spirit. He called his disciples to share in the baptism of his death and resurrection and to make disciples of all nations. ****Declare his works to the nations, his glory among all the people.**

Pour out your Holy Spirit, to bless this gift of water and those who receive it, to wash away their sin and clothe them in righteousness throughout their lives, that, dying and being raised with Christ, they may share in his final victory. ****All praise to you, Eternal Father, through your Son Jesus Christ, who with you and the Holy Spirit lives and reigns for ever. Amen.**

BAPTISM WITH LAYING ON OF HANDS Christian Name(s), I baptize you in the name of the Father, and of the Son, and of the Holy Spirit. **Amen.**

The Holy Spirit work within you, that being born through water and the Spirit, you may be a faithful disciple of Jesus Christ. **Amen.**

Now it is our joy to welcome our new sisters and brothers in Christ. **Through baptism you are incorporated by the Holy Spirit into God's new creation and made to share in Christ's royal priesthood. We are all one in Christ Jesus. With joy and thanksgiving we welcome you as members of the family of Christ.**

COMMENDATION AND WELCOME The pastor addresses the congregation: Members of the household of God, I commend these persons to your love and care. Do all in your power to increase their faith, confirm their hope, and perfect them in love.

We give thanks for all that God has already given you and we welcome you in Christian love. As members together with you in the body of Christ and in this congregation of The United Methodist Church, we renew our covenant faithfully to participate in the ministries of the Church by our prayers, our presence, our gifts, and our service, that in everything God may be glorified through Jesus Christ.

The pastor addresses those baptized and their parents and sponsors: The God of all grace, who has called us to eternal glory in Christ, establish you and strengthen you by the power of the Holy Spirit, that you may live in grace and peace.

Resolution on Slot Machines (R-4): Revs. Any Yarnell, Tom McKelvey, and Mr. Alan Nelson presented the resolution on R-4 "To Oppose Slot Machine Expansion in Maryland." It was adopted.

Resolution to Oppose Slot Machine Expansion in Maryland

For the love of money is a root of all kinds of evil, and in their eagerness to be rich some have wandered away from the faith and pierced themselves with many pains.

1 Timothy 6, NRSV

Marylanders will vote on a referendum to amend the state constitution to allow slot machine gambling in November 2008, putting 15,000 slot machines at venues including Anne Arundel County, Cecil County, Worcester County, Rocky Gap State Park Allegheny County, and Baltimore City.

The referendum will be on the ballot statewide to amend the state constitution. If approved, an oversight commission in Annapolis would ultimately decide where slot machine parlors are located. This means that every county in Maryland ultimately becomes a candidate for slot machine parlors.

The United Methodist Church opposes gambling, stating:

"Gambling, as a means of acquiring material gain by chance and at the neighbor's expense, is a menace to personal character and social morality. Gambling fosters greed and stimulates the fatalistic faith in chance. Organized and commercial gambling is a threat to business, breeds crime and poverty, and is destructive to the interests of good government. It encourages the belief that work is unimportant, that money can solve all our problems, and that greed is the norm for achievement. It serves as a 'regressive tax' on those with lower income. In summary, gambling is bad economics; gambling is bad public policy; and gambling does not improve the quality of life." (2004 Book of Resolutions, "Gambling," #203)

The National Research Council found that "many families of pathological gamblers suffer from a variety of financial hardships" and "children of compulsive gamblers are more likely to engage in delinquent behaviors such as smoking, drinking, and using drugs" as well as an increased risk of becoming pathological gamblers. The report estimates the cost of job loss, unemployment benefits, welfare benefits, poor physical and mental health, and treatment for pathological gamblers comes to \$1,200 per year and \$715 per year for problem gamblers.¹

Gambling is a terrible example of stewardship of the resources God gives us; it creates social costs that are hidden and often do not become apparent until long after lotteries, casinos, betting parlors and game rooms have become entrenched in communities.

Research shows that addiction levels jump sharply when gambling is nearby. The industry's own numbers show that one to two percent of gamblers will have an addiction problem. One in five will attempt suicide.²

Almost every dollar that goes into a slot machine would have been spent on another more productive activity. Gambling draws spending away from legitimate businesses like restaurants, shops, and other attractions and;

Gambling was legal in four counties in Maryland from 1949-1968 (Anne Arundel, Calvert, Charles, and St. Mary's) and this area was known nationwide as "Little Vegas." Government corruption and organized crime were serious problems.³

It is widely believed that if this issue had gone to referendum in Delaware, it would have been defeated, as these referendums have been defeated in the majority of states where they have been on the ballot. Although Delawareans did not have the opportunity to fight this issue in Delaware, let us be united in our opposition to it in Maryland, working together.

We therefore ask that our community of the Peninsula-Delaware Annual Conference come together to oppose this referendum. Let the churches in Delaware, who are already living with

the effects of slot machine gambling, join in the fight, and work side by side with churches in Maryland, standing against this together.

Together, pastors and lay people, let's study this issue, invite speakers on this issue, empower laity to volunteer to work against this referendum, and organize at the local level to defeat the referendum, joining together with the Advocacy Resource team and ecumenically and across the community with all who are opposed to slot machines.

Statistician's Report: Ms. Joyce Bell presented the Statistician's report. For the first time in a long time all the churches of the Conference turned in reports. There was a decrease in membership, had an increase in youth membership, in Sunday School participation, number men in United Methodist Men, and youth in United Methodist Youth Fellowship. The conference is also becoming more diverse in its membership. The report was affirmed.

Presentation from GCFA: Rev. Dr. Patricia Bryant Harris showed a video from the General Conference Commission on Finance and Administration after which she presented to Bishop Matthews a note of thanks for paying 100 percent of our General Conference Apportionment.

Mr. Bill Westbrook then introduced several people who work behind the scenes to make this Annual Conference possible.

Rev. John Van Tine, the Conference Secretary, announced about locations for robing for the Ordination Service. He also announced that the Sunday morning session will begin at 8:30 a.m.

Rev. Bill Sterling opened the session with prayer. Mr. Glenn Pruett from Epworth Church in Rehoboth Beach, Delaware, led the Conference in "What a Friend We Have in Jesus."

A Service of Appointments: Bishop Matthews, assisted by Bishop Lyght led the Annual Conference in a service of appointments. This included having all those under appointment to stand. He then declared: "By the authority vested in me as a United Methodist Bishop, I solemnly declare the appointments for the Peninsula-Delaware Conference the year 2008-2009 to be fixed as printed (and corrected). As your Bishop and Cabinet, we have recognized our frailties and have asked constantly for Gods direction. My brothers and sisters, do you accept the place of service in the Church of our Lord to which you are now appointed?"

Those appointed answered: "In commitment and renewal to my covenant as a clergy person in the United Methodist Church, I now reverently accept my appointment with a glad mind and will, and pray that I shall be worthy of my call to the ministry, my Conference relationship, and the place of labor to which I have been appointed."

Bible Study: Dr. Tim McClendon led the conference in its final Bible study on Colossians 3:17. In order to be an effective Christian witness, he told the Conference, we must remember to "don't stray, don't strut, don't stoop, and finally, don't stop." At the conclusion of the Bible study,

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned.
(We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) a copy of the deed for the property;
 - 2) specific directions for locating the property from a major highway;
 - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994)

Advocacy Resource Team Report on Fair Trade

Since 2005, the Advocacy Resource Team has been encouraging churches to use Fair Trade products as an act of Biblical Justice. In 2007, we passed a resolution in which churches were to prayerfully discern whether God is leading them to create a policy to use fairly traded products in venues such as fellowship hours, dinners, church bazaars, mission fairs, fundraising sales, personal use, etc. (The resolution is reprinted at the end of this report.)

The outcome of this discernment was to be reported in the Charge Conference reporting. The reports received are listed below.

It is our hope that the churches who have not reported will consider this issue in this conference year, and report on their use of Fair Trade products. For a copy of the DVD and other resources, contact Amy Yamall pastor@trinitytownpoint.com 410-885-5641. In addition, you will find Fair Trade products available for sale in the Cokesbury display.

Please note that the goal of this ministry is to encourage the use of Fair Trade products; who they are purchased from is irrelevant. If churches and individuals prefer sources of Fair Trade products other than Equal Exchange, you are encouraged to use them.

Special thanks to the Bishop, District Superintendents, and District Secretaries for their support on this issue, and their work in supporting Fair Trade. Special thanks also to the churches that have long adopted the use of these products, and those who adopted them and did not submit a report. I know that there are many more churches using these products than are reflected below. It is my hope and prayer that together, we will continue to live in Christian solidarity with our brothers and sisters around the world who produce our coffee, tea, chocolate, nuts and more.

Reprint of Approved Resolution from 2007 Annual Conference

**Peninsula-Delaware Annual Conference 2007
Resolution on Using Fair Trade Products**

WHEREAS the General Conference of 2004 passed a resolution urging all local churches and affiliated organizations to use fairly traded coffee, tea, etc. and,

WHEREAS buying fairly traded goods is a way of living out biblical justice and practicing good stewardship as shown in Numbers 26:54 *"To a large tribe you shall give a large inheritance, and to a small tribe you shall give a small inheritance; every tribe shall be given its inheritance according to its enrollment."* and Leviticus 25:13 *"When you make a sale to your neighbor or buy from your neighbor, you shall not cheat one another"*and,

WHEREAS coffee is one of the world's most heavily traded commodities; it originates from either large plantations that are traditionally run and owned by wealthy landowners or small operations that are primarily owned by impoverished farmers. These small farmers frequently live in isolated communities relying on middlemen to buy their coffee invariably at the lowest price possible. The way the system is set up, the farmers' inability to get a just return for their labor is essentially guaranteed and they are condemned to a life of extreme poverty; and,

WHEREAS our Social Principles state that "we support measures that would reduce the concentration of wealth in the hands of the few," that "we advocate for the rights of people to possess property and to earn a living by tilling the soil"; and that "we call upon our churches to do all in their power to speak prophetically to the matters of food supply and the people who grow the food for the world" (§163); and,

WHEREAS the United Methodist Committee on Relief (UMCOR) partnered in April 2002 with Equal Exchange to launch a denomination-wide coffee program, and any United Methodist church or individual buying coffee, tea, chocolate and other goods through Equal Exchange's Interfaith Program can now order coffee through UMCOR (at the Equal Exchange Web site www.equalexchange.com/interfaith or by calling 774-776-7366) For every case of coffee ordered, UMCOR receives approximately 5 percent of the purchase price from Equal Exchange to be used in UMCOR's small farmer economic development programs; and,

WHEREAS the Peninsula-Delaware Annual Conference passed a resolution at the 2005 Annual Conference session, resolving that local churches, denominational offices, and Conference supported ministries and institutions prayerfully discern a policy about Fair Trade products; and,

WHEREAS the Advocacy Resource Team has provided information, resources, and opportunities to purchase these products since June 2005 and will continue to do so by offering individual items for sale to allow a church to sample a product before purchasing a case;

WHEREAS these products are offered for sale in the Cokesbury display area at Annual Conference sessions for 2005, 2006, and 2007;

THEREFORE BE IT RESOLVED that every local church Administrative Council/Board or synonymous group review the Equal Exchange DVD about Fair Trade products provided free of charge by the Advocacy Resource Team;

BE IT FURTHER RESOLVED that each local church thus study the issue to become educated about Fair Trade, pray together, and then vote about using Fair Trade products such as coffee, tea, chocolate, and nuts for their church needs, thus reaching out around the world to empower poor farmers;

BE IT FURTHER RESOLVED that one of the reports for 2007 Charge Conferences will be a report about the outcome of this process.

Committee On Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate and educational body for Native American Ministries within the Peninsula-Delaware Annual Conference of The United Methodist Church.

Section 1: Review of 2007 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at the Nurturing Wholeness in Community retreats in the Conference.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American issues and ministry. We have requested funding to fulfill this goal in 2009.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of such speakers and their effective impact on local churches/communities. This is ongoing and we are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the two Native American Churches: Indian Mission UMC and Immanuel Union UMC and other congregations in the conference. Our committee members are working with a number of congregations in the conference in order to establish an ongoing relationship.

To expand the network of CONAM into other areas of the Peninsula-Delaware Conference. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, and Native American cultural events such as pow wows and festivals.

To continue to promote the celebration of Native American ministries Sunday. We are making available to the local congregations ways, resources and speakers so they can conduct a special service for this special offering Sunday.

To provide financial support for persons to attend Native American Family Camp, Flying With Eagles, youth leadership training and other leadership opportunities. This is ongoing and will continue as the need arises.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This continues as an ongoing effort. Many have been identified through contacts with congregations as well as other speaking venues.

CONAM will supervise and support the Native American missionaries. When salaries were discontinued in June 2005 this ministry has been supported by Conference Advance Special, CAS 11, as well as CONAM. In 2008 CAS 11 will discontinue. CONAM will restructure financial support for outreach ministries.

Section 2: Significant Events, Challenges

CONAM members have assumed leadership positions at the Nurturing Wholeness in Community retreat experiences. We have shared the history of Native people within the church and historical grief that is felt. We continue to face racism. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

Indian Mission UMC "NDN STIX CHIX" ministry, under the direction of Ragghi Calentine and Boe Harris, are performing a much needed ministry to youth and adults. They have shared their ministry in many congregations, schools, universities, civic organizations, Native American cultural events, such as pow wows and festivals locally and across the United States. They have taught a stick ministry workshop to youth, youth pastors, youth leaders and adults at the Tennessee Annual Conference Native American Ministries Committee's "Native Moccasins Rock" Native American cultural event at Camp Lake Benson, Bon Aqua, Tennessee. They have been featured in many local newspapers, annual conference "Communicator," general church's "Reporter," Delaware state magazine "Beach Life," and out of state newspapers and publications. Financial support has been received from fundraisers, other churches, businesses and countless individuals.

CONAM members continue to minister beyond the walls of our annual conference. Ragghi Calentine and Boe Harris have traveled to many congregation's Native American Ministries Sunday celebrations, workshops, Native American and non-Native American events across the United States, sharing the traditions of storytelling, music and dance. They have taught Lay Speaking Academy on the Onondaga Indian Reservation in New York State. Hosted by Onondaga UMC, Rev. Sharon Schmit residing. This event was funded by a grant from Native American Comprehensive Plan. Ragghi Calentine and Boe Harris were selected to be a part of the Native American Writers workshop held in Oak Post, Oklahoma.

CONAM members participated in the first combined Native American Ministries Sunday celebration. Six churches in the Dover District came together and shared in the development and implementation of this combined service. Many members from other tribes participated in this event.

CONAM members continue to serve on other conference boards, teams, agencies and task forces.

CONAM members serve on General Church boards, Ragghi Calentine serves as Central & Northeastern chair of Native American International Caucus; Boe Harris and Odette Wright are alternates on the same organization. Odette Wright is a member of National UMC Native American Center.

The Northeast Jurisdiction Conference Committee on Native American Ministries met in West Virginia this fall. Our local CONAM sent two representatives with permission of Bishop Matthews.

CHALLENGES:

Making our voices heard and our presence known within the conference. Facing the continued racism within our conference. Bringing awareness of how using demeaning and dehumanizing Indian mascots affects reconciliation and the healing process of Native people. To bring awareness of Native culture, identifying Native people, and having all the churches in our conference celebrate Native American Ministries Sunday.

Section 3: Goals for 2008

CONAM will continue to develop and share ministries with the two Native American churches in our conference; Indian Mission UMC in Millsboro, DE. and Immanuel Union UMC in Cheswold, DE. Our challenges have become our goals. With God's grace and the prayers of many, we will continue the ministry that has been the history of our CONAM.

ENABLING MINISTRIES

According to our Relational Design, the purpose of the Enabling Ministries Resource Team is to: resource local churches in fulfilling the mission to "Make Disciples for Jesus Christ"; respond to the needs of the local churches through consultation, training, leadership development, and disciple making; to resource the ministry areas of Nurture, Outreach, Witness, and Community Building; provide an information, interpretation, and communication network between local churches, Annual Conference, and the General Church; Provide short term task force groups to respond to specific ministry needs; and participate in lifting up the Vision team and interpreting the needs for ministry to assure flow of human resources for ministry and mission.

To better fulfill the purpose of the enabling ministries as set forth in our relational design, the Enabling Ministries Resource Team has made the decision to re-structure in a way that will better facilitate fulfilling the purpose and ministry needs of our Annual Conference.

The Enabling Ministries team will become three working areas: Spiritual Formation and Discipleship; Christian Service; and Outreach and Evangelism. There is nothing that prevents this move in our relational design – in fact the design specifically states that Ministry teams may be created by the resource team to address on-going needs and that the team may make decisions on its structure in order to facilitate the work of the team.

The on going need that this move addresses is specifically related to the effectiveness of the ministry. The restructuring will bring about greater effectiveness of fulfilling purpose and accomplishing ministry. This move will also foster greater understanding/communication in our local churches since very few understood what "Enabling Ministries" really meant, but our local churches do understand: Spiritual Formation and Discipleship; Christian Service; Outreach and Evangelism. There is great excitement within the membership of this team for moving in this direction and as of January 2008, the team began to function and plan for ministry through the three new teams. They submitted their ministry requests for 2009 in accordance with this new structure.

The three new teams will still have two seats/votes at the Vision Table and representation will be decided on and rotated among the teams in order to be inclusive. One person will be named as an alternate member. General Church Connections will be maintained as required by the Book of Discipline and members from our Conference serving on the General Board of Discipleship will relate to the Spiritual Formation and Discipleship Team; and any Conference member serving with General Board of Global Ministries will serve on our Christian Service Team. The Director of Connectional Ministries and the Director Of Strengthening the Black Church sit on these teams as ex-officio members.

This restructuring within the Enabling Ministries area has been reported to the Clergy and Lay Leadership Committee and the new structure will be reflected in their report to the Annual Conference. This direction has also been affirmed by the Bishop and Cabinet. It has also been presented and reviewed by the Vision Team in their February 2008 meeting since the accountability for the effectiveness of the new structure for Enabling Ministries lies with the Vision Team.

Spiritual Formation and Discipleship

Christian Service

Within the new Christian Service team, is a new position called **Coordinator of Conference Appeals (CCA)**. Our "retiring" Conference Secretary of Global Ministries (CSGM) had incorporated many mission activities that are not usually handled by a CSGM. These activities will be now handled by the new position. As our current

CSGM, Kevin Goodwin, has reached his term limit and needs to step down, he has agreed to be our first CCA.

A brief description of each position follows:

CSGM responsibilities: Be our liaison with GBGM; encourage and help churches select a missionary; promote the Advance program within the Conference; promote UMCOR; provide help with church mission fairs.

CCA responsibilities: Suggest Annual Conference Appeals and lead promotional effort; promote support for Africa University; interface with any Conference committee that is entitled to make a conference-wide appeal (such as the Congo Partnership Team); coordinate efforts around any approved Conference Advance Specials; promote any church-wide Sundays with Appeals.

Shared responsibility: Development of the Missions Resource booklet before the start of each new quadrennium.

Evangelism and Outreach

One of the new teams created to fulfill the responsibilities of the Enabling Ministries Resource Team is Evangelism and Outreach. We have been meeting to discuss the various ways in which our separate ministries can cooperate, collaborate, and sometimes connect our human and financial resources so we can be more effective in assisting congregations in our community to make disciples for Jesus Christ for the transformation of the world. This would happen through the evangelism, health and welfare, older adult ministries, communities of shalom, ecumenical ministries and other ministries needed in the future. We are still at the "getting to know your ministry better stage" but much enthusiasm has already been generated about the possibilities of this new team. We are beginning to plan an exciting event for September 2009.

We continue to ask for the prayers of the church as we meet together to listen to the Holy Spirit and discern God's will for us and the congregations in the Peninsula-Delaware Conference. While we are anticipating new ministries to be added to this team, we want to thank those who have begun this venture together.

2008 GOALS

- Continue to pray for the ministries team members
- Continue to share with one another the celebrations and concerns of each team

Congregational Development Corporation

I. **Narrative Assessment of Current Ministry**

The overall responsibility of the Congregational Development Corporation (CDC) is reviewing applications, and overseeing grants and loans to existing congregations for church property acquisitions, construction, renovations and repairs, and land purchases that will enable and enhance ongoing viable and healthy ministry.

The 2007 annual allocation from the Annual Conference was \$60K. One thousand dollars of the total budget is usually earmarked for administrative concerns. During the year the board voted to raise that amount to \$1,500.00. (*Healthy Church Initiative Pathway: #1, 2, 5, 6, 8, 9, 11, 12.*)

This ministry is vital to the health of our denomination's ability to promote a United Methodist influence within our Conference boundaries. It also speaks to the

value of our connexional system and the priority of assisting existing churches to carry on and improve their efforts in making disciples for Jesus Christ. Historically, CDC grants and loans have aided in various ways, from helping to construct new sanctuaries and fellowship halls for growing memberships, to building new parsonages damaged in hurricanes, to repairing HVAC systems, to building ramps to allow access for the handicapped, and making land purchases for expanded parking. We have been particularly effective in maintaining an organized, responsible and accountable format for handling these requests. Our application process has been effective in helping local church leadership to consider its construction, renovation and repair needs in direct terms of stability and growth in worship attendance, current and future ministry to the surrounding community, and current and future debt management and stewardship plans, as well as devising strategies for meeting specialized ministry needs of the congregation.

There were sufficient funds in 2007 to meet most of the needs that were applied for. Not all applications reviewed initially and deemed as deficient were returned with the requested corrections, which freed more than enough monies for other applicants. As a result the following monies were awarded:

Mt. Calvary UMC, Bridgeville, DE - \$5,000.00 grant toward ramp for access by the handicapped.

St. George's UMC, Clarksville, DE - \$5,000.00 toward new parsonage construction.

Minquedale UMC, New Castle, DE - \$4,600.00 toward the installation of a new heating system.

Salisbury Korean UMC, Salisbury, MD - \$25,000.00 subordinated loan toward the construction of a new church.

St. Charles UMC, Chance, MD - \$6,739.00 toward the installation of a new heating system.

In addition, we would have liked the time to educate and follow up with several local church leadership groups, particularly those churches seemingly at risk of decline. In previous years, CDC has often planned to expand our influence to meet such needs, but we were not able due to insufficient resourcing. However, the recently approved Healthy Church Initiative concept can be a strong partner in many such neglected areas.

II. New Strategic Plans and Goals

The current chairperson and several of the more experienced members of CDC are due to relinquish their positions effective July 1, 2008, having satisfied their calling to serve for two four-year periods. Therefore, the following plans and goals are offered only as recommendations for a possible strategy to be fleshed out and implemented according to the abilities and vision of the new Board.

1. Discuss with Vision Team and CCF&A increased allocation, including an administrative line to support workshops and seminars led by CDC. (*Healthy Church Initiative Pathway: #11.*)
2. Work with representatives of district lay leadership academies and lay speaking schools to develop new training sessions that include recent information on congregational development efforts designed to help local churches. (*Healthy Church Initiative Pathway: #1, 3, 10.*)
3. Establish regularly-appearing column in the *Communicator* that lifts up the progress of local churches awarded grants and/or loans. (*Healthy Church Initiative Pathway: #5, 6, 9, 11, 12.*)

4. Encourage continued support of CDC budget by local churches answering such a call. (*Healthy Church Initiative Pathway: #11.*)
5. Consider travel stipends and grants for Board members to attend national and regional meetings and consult with local churches. (*Healthy Church Initiative Pathway: #1, 3, 6, 12.*)

Volunteer-In-Missions (VIM)

Grace and peace to each of you from God our Father who always blesses this Annual Conference mission ministries. It has been our pleasure to have the opportunity to serve the Churches of the Peninsula-Delaware Annual Conference for the past two quadrennium. You have responded in a mighty way to disasters in our own Conference as well as to the many people living in Florida, North Carolina and on the Gulf Coast. The Peninsula-Delaware Annual Conference has answered the call for help in the midst of chaos. We are grateful for the number of churches responding to the call for help.

We have not been able to document the number of total churches responding to the needs of our people near and far. Even when we know disaster is imminent, there is a lot of anxiety wondering how, who and which way we are going to respond. Thank God for the many dedicated and committed men and women of our Conference who have to be on their guard, for no one knows what tomorrow will bring. Our God has enabled us to see, hear and respond to the needs of His people whenever they may be in trouble.

Many churches still respond to the devastation of Hurricanes of Wilma & Katrina. The work in the Gulf will continue for many years. Even a couple of years later, we still have much work in which to do. Thousands of persons have lost their way of life, homes and even their lives. Thus, we continue to call upon the people of Peninsula-Delaware for their support of VIM teams to provide for health and welfare of many Gulf Coast residents.

Mildred and I have continued to resource churches and individuals to prepare for their journeys to the Gulf. In addition to the Gulf, there were disasters in Northern New York, Central Pennsylvania and parts of the New England Area. According to our NEJ VIM Executive, Greg Forrester, some individuals from our area responded to these tragedies.

The interest in Costa Rica is still high. Churches are still inquiring about how to become involved there. Mildred and I have provided training sessions for this important developing ministry in our Conference. Gil Hoffman is our expert in residence on Costa Rica and we usually send persons to confer with him about impending trips, training and general involvement. It is a goal of this Committee to expand the number of teams going to Costa Rica and Haiti.

The VIM Committee has tried to be responsive to the interest and concerns of the Peninsula-Delaware Conference as we address the many needs and mission interests.

Mildred continues to represent our Conference on the General Board of Global Ministries. She serves on several Committees of that Board. The Committee congratulates her on her hard work and accomplishments. She is making a strong and important contribution for the peoples of our United Methodist Church. We look forward to providing Mildred with the strong support she needs to keep abreast with such a challenging and demanding position. Many thanks to the people of the Peninsula-Delaware Annual Conference for their support of Mildred for this important work.

Mildred and I serve on the Northeastern Jurisdiction VIM Committee as Directors because of our assignment as VIM Coordinators for our Annual Conference. We will leave this Board as of July 1, 2008. I had served as Treasurer of this Board with the

tremendous help of Mr. Donovan Watson, our Accountant. Bill Westbrook, Director of Administrative Services for our Annual Conference receives and disburses all funds for the NEJ VIM Committee. Mildred and I are eternally grateful to Bill and Donovan for their wonderful support and guidance in the matters of finance for NEJVIM. We work with the VIM Coordinator, Greg Forrester and serve as his employer. Greg provides the leadership, training and support for the Conferences of the Northeastern Jurisdiction

The Northeast VIM Committee and ministry was sanctioned as legitimate, effective and operable throughout the Jurisdiction by a special Task Force appointed by Bishop Susan Morrison, Leader of the NEJ Vision Table. This funding continues for the new quadrennium 2009-2012.

VIM Awareness Sunday has been moved to the third Sunday of September. Every church will be asked to provide for a VIM moment in their main worship services. We still ask each local church to become involved and back this important and transforming ministry. There are many speakers across the Conference who are willing to come and share about this important ministry. There is probably a VIM'er who is already a part of your church that would love the opportunity to speak about the VIM experience. In addition to the heightened awareness, we would ask your congregation(s) to support the VIM program with a mission gift. Mission gifts for this ministry go to help Conference VIM Committee sponsor VIM Mission Trips.

The Conference Staff has been just wonderful in supporting our Committee. Penny, Linette, LaWanda, Bill, Donovan, Brenda, Tammy and Dr. Sandra Steiner Ball all have been just super. The Committee could not accomplish its work without them.

Mildred and I are grateful for your confidence and support of our abilities and leadership for this most important work. We count it a privilege to work in this most humbling and supportive way for the work of missions and ministry in the Peninsula-Delaware Annual Conference. Thank you for letting us serve you.

Peter D. Weaver Mission Committee

The Lord has provided the Partnership with its greatest gains/progress since the inception of this Conference Program. God has really allowed the two Episcopal Areas to dialogue about the ministry of the Central Congo Area and how we are to operate as a Partnership serving the people of both Episcopal Areas. Bishop David K. Yemba has provided outstanding administration and supervision by providing the vision, people, motivation and direction for the people of the Democratic Republic of the Congo and the Peninsula-Delaware Conference. I am indebted to my

Committee which has renewed energy by our Bishop Marcus Matthews, Dr. Sandra Steiner Ball, and Co-Chairman Rev. Rob Townsend. My strong and beautiful helpmate and partner Mildred continues to provide extraordinary support and insight whereby this can be a very effective mission program. We have continued to improve and strengthen our relationship with our Sister Conference and much has been accomplished through your efforts and support.

In February, Mildred and I went to the DRC to help facilitate Bishop Matthews' Episcopal Visit scheduled for July 2-11, 2007. This was a great opportunity for us to revisit projects, meet Bishop Yemba's Staff and local church leaders. We focused on the areas of education, visiting various Church Schools, Agriculture, Orphanage and Mpasa Nutrition Center. Bishop Matthews itinerary was established and the Visiting Delegation's activity affirmed. Our visit enabled the two Bishops to revisit their previous discussions and provide for more specificity regarding operation of the Partnership as well as looking at future projects.

The Committee provided funds for training the DRC's Communication Leader. \$14,000 was provided for the training of the leader, Reverend Louis Loma and an assistant whose primary duties will be reporting about the various Annual Conferences' work. We had learned that Bishop Yemba virtually had inherited 6 Annual and two Provisional Conferences which geographically covered most of the land mass of the Democratic Republic of the Congo. Conference assets were not available, a place in which to work and meet with his Conference Officials was non-existent; he had no equipment and more importantly, the Bishop could not effectively communicate with the majority of the people he served. Bishop Yemba updated us on the important things happening in his country. Despite the lack of material equipment and logistics, we saw a bright picture Bishop Yemba was painting for the future Central Congo Area. With literally meager resources, these people did not wallow in self-pity, but dared to dream and develop a strategy for empowering their people. Their determination and zeal was more than heartwarming, we were impressed and shared their hope about the future. More than that, we were glad our Annual Conference was going to participate in their dream for renewal.

The Bishop himself is the catalyst for the hope we see for his people and this Partnership between our Episcopal areas. He is developing new systems in which to work, demanding accountability and integrity for every project. He is an astute organizer and is putting into place new guidelines which are much more transparent and responsible to the whole Partnership Project. Bishop Yemba will champion the way for our Partnership and we will be able to participate and share with a sense of great joy and accomplishment. God Bless Bishop and Mrs. Yemba for their stamina, courage, and vision for the future of the People of the Democratic Republic of the Congo.

Bishop Matthews led a team of 14 persons to the DRC this past July. The visit was a part of the West Congo Annual Conference. The ongoing projects were revisited and affirmed. There were some concerns about the Orphanage which was in disarray and needed a new management plan. Bishop Yemba requested the Orphanage be closed and a new plan for its continuance be presented later this year for adoption and funding. Bishop Matthews and his team agreed to adopt Bishop Yemba's proposal. Many sentiments were shared about providing for the homeless children of the Central Episcopal Area.

After consultation with Bishop Yemba's staff the present projects were reviewed and affirmed.

Briefly, I want to give some highlights of the new Partnership Agreement projects.

1. The Central Congo Conferences geographical areas are vast. This Episcopal area covers 10 out of 11 Provinces in this country, an area almost equal in size to the United States east of the Mississippi River. The Episcopal area includes 4 annual and 2 provisional Conferences. Communications between the Bishop and his Conferences; Districts and Conference Offices; Conference Offices and local Churches; & local Churches and their constituencies is erratic, unreliable, unstable and poor. We need to develop a reliable and effective communications system for the Conference Resource Center to satellite offices of the Annual Conferences.
2. It was agreed upon to develop an Agriculture model in which to support the Church farms in their development of expanding their fields and potential yield through new equipment and training for the Congolese farmers. It is hoped that a hog farm will be reestablished for the purpose of raising some meat for sale and personal use for church families.
3. The Partnership will continue its support of the Orphanage and homeless children. This support will include providing basic needs, resource materials, facility upkeep, staff training and salary support.

4. The Partnership will continue its support of the Mpsa Nutrition and Medical Center. This support includes continuing to supplement the UMCOR Feeding Grant, Medical VIM Teams and staff training and salary support.
5. Increase the funding support of the scholarship established at Africa University, which will benefit students coming from the Central Congo Area Conferences. After completing the endowed scholarship; an additional annual conference scholarship and assure a steady stream of trained leaders that will be provided by the Partnership instrumental in revitalizing and rebuilding a healthy DRC.
6. The need of our Partner Conferences is great, thus it is recommended that the Peninsula-Delaware Conference increase it giving for the support of this Partnership from \$30,000 to a minimum of \$60,000.

Congo Missions Partnership Medical Team Missions Report – October 2007

As he walked along, he saw a man blind from birth. His disciples asked him, "Rabbi, who sinned, this man or his parents, that he was born blind?" Jesus answered, "Neither this man nor his parents sinned; he was born blind so that God's works might be revealed in him. We must work the works of him who sent me while it is day; night is coming when no one can work. As long as I am in the world, I am the light of the world." When he had said this, he spat on the ground and made mud with the saliva and spread the mud on the man's eyes, saying to him, "Go, wash in the pool of Siloam" (which means Sent). Then he went, washed, and came back able to see. (John 9:1-7 NRSV)

Overview of the Mission

The Reverend Jack Abel, then Senior Pastor of the Epworth UMC, led a Medical Missions Team to the DRC in October 2007. The Team was organized by Committee Member, Mrs. Judy Ingalls. Mrs. Ingalls work was invaluable to this mission. The mission's success is due to her talent, drive and organization skills. Thank you Judy and Jack for all of your outstanding work.

This *Mission Report* offers a summary of the October 2007 Vision Mission Trip to the village of Wembo Nyama in the Sankuru Province of the Democratic Republic of Congo. The mission to Wembo Nyama was requested by Bishop David Kekumba Yemba of the Democratic Republic of Congo as the next step in the partnership between the Peninsula-Delaware Annual Conference and the Central Congo Episcopal Area. Four objectives were established: (1) furtherance of relationships; (2) cataract surgeries at this remote location; (3) solar electric provision to the hospital at Wembo Nyama to support the surgeries; and (4) discernment of future possibilities for ministry to Wembo Nyama and other areas. The trip was scheduled for October 8 through 22 of 2007. Partnerships were sought with SEE International for the ophthalmological component and with SonLight Power for the solar electric project. Major challenges included the withdrawal of our partnership with SEE, the loss of solar equipment in a plane crash in Kinshasa in the week before the team's arrival, and the need at the last minute for our medical Coordinator to remain behind because of family medical concerns. In spite of these challenges, the team felt strongly that it must continue. Arrangements had already been made with Congolese surgeons to cooperate with the American team in providing cataract surgeries. The loss of the solar equipment led to a search in Kinshasa for electrical alternatives in the first days of the team's visit. Ultimately, a generator and fuel were purchased to serve as a source of reliable power. Traveling as nine rather than ten persons, the team arrived at Wembo Nyama, set up its lighting using the generator instead of solar panels, and worked with a Congolese ophthalmologist and other local professionals to commence the medical work. In all, eighty-five surgeries would be performed on 72 patients, including 75 insertions of intra-ocular lenses provided by the team to replace cataracts. A surgical log is included as an Appendix of the whole report. In addition, time was taken to visit the region and work with local leaders to discern a vision for future ministry at Wembo Nyama in cooperation with the Peninsula-Delaware Conference and others. The essence of this vision is the re-establishment of Wembo Nyama as a model ministry for the Democratic Republic of Congo. Four dimensions of that vision are, in order of priority, evangelism, health, education, and infrastructure. Each of these elements is addressed in detail below. A critical component of the

mission experience was relational. In order to provide insight into the dramatic relational experiences of the team, a travel narrative is also provided. Although the centerpiece of this experience was the seven days at Wembo Nyama, the entire planning and travel experience contributes to the enrichment of our partner relationship. The team met monthly for eight months in preparation for departure. Their travel route included passage through Paris, several days on each leg of the trip in the city of Kinshasa, and a respite day in Paris at the conclusion of the experience. Important bonds were formed within the team, the Annual Conference, between the American and Congolese Methodist representatives, and with Peninsula-Delaware Team Membership

This mission has paved the way for our Committee to get inside the Central Congo District and provide a real meaningful presence. The PDW Committee is assessing the whole Medical Missions Report and will make additional proposals to the Bishops for future immediate needs of this mission station.

Rev. David Heistand and Mr. David Harper head up our Agriculture Project with the Congo. They have sent a shipping container filled with farm equipment for use in the Congo. Additionally, they are consulting with DRC Church Officials on developing the farm yield. Small tools are being purchased in the DRC for use by the Congolese farmers. This project has much promise and hope for the future. Teaching the Congolese to increase their farm yields will help to feed many in the church as well as providing small stipends for the farmers to support their production and livelihood.

The Committee was provided a Challenge Grant from anonymous donors during the Christmas Season in which to help the Committee meet its Budget for 2007. I am happy to report the challenge netted over \$24,000. The Committee finished the year meeting its \$60,000 dollar budget. We are grateful and pleased for the magnificent support of our local churches. Many of the donors for the challenge were new in supporting the Partnership. Again, in the name of our Lord, we thank all of you.

The leadership of your Committee was able to share the Partnership story on WOLC in Princess Anne, MD on February 12. Mr. David Harper of our Committee arranged for this interview to happen. It is one way for the Partnership to tell it's story. Maybe some you heard the broadcast. Glory be to God for the great things He continues to do.

Mr. Levin VanSant was responsible for organizing the Agri-container shipped to the DRC last year. Levin is a real plus for our Committee. He is now organizing a new container project for 2008 that will send education, farming and medical equipment. You will be hearing about the container needs at this Annual Conference Session. This is still another way mission groups within your church may support the Partnership.

We presently have about 2000 Education Kits spread all over the Annual Conference. Dr. Steiner Ball is working on a way to ship those kits to the DRC. The details have not been finalized; however, we are nearing a decision which will be shared at the Annual Conference session.

I am blessed with having a talented Committee who works very hard. Rob Townsend, Co-Chair is a pillar of strength, knowledge and support for the Partnership. Our Annual Conference is blessed to have his passion, energy and commitment. Thank you Rob. Julie Lewis is the Committee's Secretary. She is not just a note taker; every gift is acknowledged by her on behalf of our Committee. Her work for the Committee

has been outstanding. Marie Van Der Wall cares for our Website and Communication. Marie keeps everyone informed as to what is happening with the projects and our Congolese sister conferences. She is presently working with the Conference's Communication team to up-date the website and make it user friendly. Just a bit more patience with us and I believe you will like what you see.

Finally, the Committee has produced a CD for every Charge in the Peninsula-Delaware Annual Conference. The CD will present the Partnership in an easy and effective way. Your local church will be able to use this communications tool with various groups in your church and help foster a better understanding as to what the Partnership is about, what it does and clarify the role we are asking you to play in supporting its goals. Mr. Demetrio Beach developed this project for us and we are forever indebted to him and his outstanding leadership and support.

There is not Partnership without the Churches of the Peninsula-Delaware Annual Conference. You have been tremendous and I would like to thank you on behalf of both Bishop Yemba and Bishop Matthews for all that you have done. May God continue to bless your congregations and keep your interest and hearts open to a people who are very grateful for all of your love and support.

REVIEW OF 2007 GOALS

- Complete the "ask" portion of the Leadership Phase of the *Tradition & Transformation* Capital Campaign by December 31, 2007.

Because the *Tradition & Transformation* campaign is utilizing a new strategy, approaching individual donors, the process is taking longer than originally anticipated. While there has been significant progress (see below), there are still many potential lead donors, necessitating continued work by the Major Gifts Committee. This work will likely continue throughout 2008.

- Develop a donor base of 120 persons/organizations with \$30,000 in contributions.

Pecometh received \$35,644 in 2007 from 134 donors; 110 individuals and 24 churches/organizations. Pecometh granted over \$25,000 in camperships to 150 campers. In addition, the *Tradition & Transformation* Capital Campaign has developed a total of 69 lead donors; 57 individuals and 12 churches/organizations.

- Register 1550 campers in the Pecometh Summer Camp Program

We registered 1431 campers in 2007. This represents a 4.7% decrease from 2006. This indicates the need to gain more support among our churches in helping to recruit children and youth to come to camp.

CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide hospitality and programming that promote God-inspired, life-changing experiences*. While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

The summer camp remains the centerpiece of this ministry. In 2007, every camper received a special edition copy of the Camp Pecometh Bible, produced especially for Pecometh by the American Bible Society. We will be continuing this practice in 2008. In

addition, we know that children who attend camp at Pecometh grow spiritually and as responsible persons. A camper parent shared this about her children's 2007 summer camp experience:

Both children grew spiritually in wonderfully obvious ways! They could not wait to get back to church and their activities there. My youngest daughter really matured emotionally and socially. She felt really proud about staying alone at camp and handling the good and bad by herself, without mom or dad to help out!

The *Tradition & Transformation* Capital Campaign is set to go public with a kick-off banquet on April 12, 2008 at the Chase Center on the Riverfront in Wilmington. Banquets are also scheduled for the Dover District at the Dover Sheraton on October 18, 2008 and on the Easton and Salisbury Districts in March and May of 2009, respectively. Zoning and permit work continues and is likely to enable groundbreaking in spring 2009 with opening of the adult retreat center in spring 2010.

Even without adult facilities, Pecometh's retreat ministry served 193 groups totaling 7,295 guests in 2007 in church, school, family and community groups. In addition, our outdoor programs ministry served 40 challenge groups with 1443 participants, 12 hayride groups, 12 splashdown groups and 25 canoeing groups.

Pecometh welcomed the addition of Rev. C. David Buchanan in 2007 as its part-time Development Director. Rev. Buchanan is an ordained elder and has a Certificate in Fund-Raising Management (CFRM) from the Indiana University School of Philanthropy. His two main objectives are to start a staff alumni association and a Friends of Pecometh associates program.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support required to support operations. In 2008, support will remain at \$138,950. This represents 12.3% (down from 13.5% in 2007) of the \$1,127,621 budget. This compares to \$170,062 in 1999, which was 20.0% of the \$848,709 budget.

Camping & Retreat Ministries would also like to thank the Council on Finance & Administration, which provided a grant of \$24,763 in 2007 for capital expenses. CF&A approved a capital grant of \$24,000 in 2008.

Thanks to the team of Ann Ashe, Dave Buchanan, Richelle Darrell, James Green, Julie Lutz, and Ken Whaley for their continued outstanding leadership at Pecometh.

UPDATED STATEMENT OF GOALS FOR 2008

- Enter the Public Phase of the *Tradition & Transformation* Capital Campaign
- Create a staff alumni association and Friends of Pecometh associates Program
- Develop a donor base of 150 persons/organizations with \$45,000 in contributions.
- Register 1550 campers in the Pecometh Summer Camp Program.
- Create an "Ambassador" program to increase summer camp registrations

STATEMENT OF GOALS FOR 2009

- Break ground on the Pecometh Adult Retreat Center.
- Register 1600 campers in the Pecometh Summer Camp Program.
- Develop a donor base of 175 persons/organizations with \$60,000 in contributions.

Africa University Report

I am pleased to announce that our Annual Conference completed the funding of our second endowed scholarship to Africa University at the end of 2007. This will allow a student from the Democratic Republic of Congo to attend Africa University with their

tuition, room and board all covered. The rules call for your scholarship student to start one year after funding is completed but we have gotten permission to use funds raised with the Annual Conference Appeal to have our newest student this September.

A special thanks to the Central Congo Partnership supporters whose generous giving in 2007 allowed the CCP Committee to make a donation to the AU scholarship under the Education component of the Partnership Agreement which completed the above mentioned funding. The Committee is looking into covering travel and other educational expenses not covered by the scholarship.

Another special thanks to my home church, Hockessin UMC. Their gifts over the past four years account for 28% of all the funds raised (like they had a choice!)

We now encourage our local churches to consider supporting the Africa university endowment fund by becoming a Usahwira program. In the Shona language, Usahwira means "a beautiful friendship." A friendship between your church and Africa University gives someone the chance for an education. An education gives someone the chance to change the world. Information about becoming a Usahwira church can be found online at: www.support-africauniversity.org

Missions Report

2007 marked another good year for our churches financially supporting mission outreach. For the first time, we reached our goal of raising at least \$1.00 per member for the Six Special Sundays. As noted above, we completed our second endowed scholarship at Africa University early in 2008 - over \$32,000 was given in 2007 to make that possible. A total of \$479,803 was given to projects reported through the Annual Conference office, up over 10% from 2006.

Without you, we can accomplish little.

For the last several years, we have been encouraging each church to give \$1.00 a month per member in missions outreach. We hope those who have will go beyond the \$1. For the others, please take up this goal as doing so will impact the World for Christ. Here is our suggested allocation we will be using for the next four years.

Here are the goals for the churches of our Conference:

The Central Congo Partnership - \$1 per member

Launched in 2003, our support has become even more vital as the economy in the Dem. Rep. of the Congo has failed to recover from years of Civil War. Your dollar pays salaries and supplies for the medical clinic. It buys food for the nutrition center. We are now starting an agricultural project to aid local farmers.

The Annual Conference Appeal - \$1 per member

Each year the Sessions Committee selects several pressing needs here and around the world to give special attention to. Your generous support has allowed us to raise more each year to where we are now 50% of the way to reaching this goal. Early each spring, churches will be sent information related to that year's Appeal.

Special Sundays - \$1 per member

These Sundays raise funds to address special needs people in our country have. They allow you to share with your church what the UMC is doing to combat some of the social problems facing our nation. Each church is asked to raise at least \$1 per member for the Special Sundays, less than the cost of a cup of coffee or a soda. If your church wants to take one offering and divide it up to six ways, that's fine, too.

Board of Ordained Ministry (BOOM) Scholarship Fund - \$1 per member

With funds provided by your apportionment payments, our Conference can only cover about 16% of the cost of training our pastors in seminary and the Course of Study program. We need to do better. Donations to the BOOM Scholarship Fund help us cover more of this educational expense. For churches who have a member studying to

be a pastor, adopt them as a missionary and cover part or all of their training expenses. This goal will allow our Conference to cover almost 25% of these costs!

Local Outreach and Conference Advance Specials - \$4 per member

Missions outreach starts just outside the church door. What can your church do for the hurting in your community? Support local food & clothes efforts; Habitat for Humanity or conference supported centers such as Neighborhood House and Salisbury Urban Ministries.

The Advance/Missionary Support - \$4 per member

The Advance has over 2000 projects to choose from covering every possible ministry and over 100 countries. Every church should be able to find at least one that touches their heart. Or select a missionary to support. Remember, 100% of all Advance gifts go to the project or missionary. Support costs are covered by your apportionments.

- **Important:** All missions support (other than purely local projects) should be sent to the Conference Office in a timely manner using the official Conference Benevolence Transmittal Form.

For more information on any of these missions topics, go to www.pen-del.org

A Special Thanks

This Annual Conference session marks the end of my being your Conference Secretary of Global Ministries. Over the last eight years many churches have dramatically increased their support for missions. You have provided me with over 150 opportunities to bring the mission message to your church on Sunday mornings. I will still be available for preaching requests and look forward to serving you for the next four years in the newly defined position of Coordinator of Conference Appeals.

In every local church there shall be an organized unit of United Methodist Women. (*The Book of Discipline of The United Methodist Church, 2004 p.168*). The unit of United Methodist Women in the local church is directly related to the district and conference organizations of United Methodist Women and to the Women's Division of the General Board of Global Ministries of The United Methodist Church.

The United Methodist Women of the Peninsula-Delaware Conference work diligently to fulfill and to assist UMW units and districts in their fulfillment of the UMW PURPOSE (*The Book of Discipline of The UMC, 2004 p. 169*):

The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the Church.

On January 30, 2008, 2008 UMW President of the Peninsula-Delaware Conference, Barbara Dawson Jones, departed this life to inherit the place God had prepared for her. Words her friends used to describe Barbara were: intense, faithful, diligent, hard working, loyal, devoted, composed, supportive, and compassionate.

Barbara was involved in UMW work most of her life. She was a partner in ministry of the UMC with her husband, the Reverend W. LeRoy Jones, at the churches where he was appointed. Prior to moving to Delaware, Barbara held many offices in the Western Pennsylvania area. At Wesley United Methodist Church, Dover, DE, her most recent home church, Barbara served in the unit as Vice President, Secretary, and Secretary of Program Resources. She also served as Assistant Dean, then Dean of the School of Christian Mission. One of her last positions on the Dover District team was as Standing Rules Chairman. When Barbara was elected President of the Peninsula-Delaware Conference UMW, her excitement focused on leading the group into unity to meet the

high expectations she had for the Executive Conference Mission team. In addition to the Executive Officers, the mission team includes the four District Presidents, Dean and Assistant Dean of the School of Christian Mission. Barbara looked forward to everyone working together for the betterment of all.

In her 48 years as a UMW Barbara attended the UMW Assemblies which are held every four years in a different city around the country as well as events in the Northeast Jurisdiction, Women's Division, Conference, District and local churches. We knew Barbara as our Conference President for only a short time, but her dedication and love for God's children will remain with us forever.

The 2008 Executive Mission Team is strongly engaged in fulfilling the goals they set for this year:

- ⊕ To have a minimum of 53 Mission Today Units in 2008;
- ⊕ To Charter or re-activate two new local units;
- ⊕ To increase the number of 5 Star Units by 10%;
- ⊕ To increase attendance to The School of Christian Mission to a minimum of 100 attendees;
- ⊕ To promote UMW events by increasing communication by the use of flyers; brochures, public media, personal contact, etc.;
- ⊕ To fulfill our financial pledge.

Communities of Shalom

This has been an exciting and challenging year for Communities of Shalom. The objective of this ministry is to empower churches and communities to work together to rebuild and renew church and community life. A Community of Shalom is more than an absence of conflict. Shalom is a state of completeness and wholeness in which people individually and collectively experience health, prosperity, security, oneness with nature and neighbor, and spiritual renewal. Through asset-based community development strategies, collaboration, mission, evangelism and systemic change, Communities of Shalom focuses on four goals areas: Spiritual Renewal, Congregational Development, Community Economic Development, and Health and Healing within the community.

We are continuing the process of training two additional sites: The Pocomoke Charge, Rev. Shirlyn H. Brown, and the Fruitland-Allen Charge, Anna Foster. There have been several meetings at each site. We anticipate completing this training in the fall. We continue to offer assistance to the five existing sites. The James Jefferson Prayer and Fasting Ministry, Slaughter Neck, DE and the Centennial "POP" Smyrna, DE were very active in their communities this year.

We plan to have a Community Development Training Course offered by the University of Delaware, taught by Professor Raheemah Jabber-Bey, University of Delaware and Rev. Dr. Donna Jones, Cookman UMC, Philadelphia, PA to those who are interested in understanding the multi-cultural dynamics of Community Development in 2009.

One of the highlights of the Communities of Shalom is the hiring of a new executive director, with an office at Drew Theological Seminary. The first regional meeting will be held May 7-9, 2008.

Goals 2009

- Develop new Community of Shalom training for three (3) additional new sites
- Continue to assist the existing Communities of Shalom
- Develop a Faith based Workshop with all the Communities of Shalom and interested Clergy and Laity.

- Develop healthy churches through a community development program.
- Continue to enhance the Shalom communities through spiritual growth (prayer, bible study, worship, etc). Create a Shalom Prayer Calendar for 2009-2010.
- Transfer the primary responsibility of the Shalom Initiative to a Shalom Task Force
- Develop a Shalom Community conference presentation for 2009.
- Host "Communities of Faith Fair" with the Board of Laity, Health Ministries, etc. in 2009.

This has been a rewarding year. I give thanks to God and all persons who have shared their time, talent, treasure, and prayers to make this ministry a blessing.

Embracing The Black Church Task Force

The Task Force work continues to be focused on the goals set forth in 2006, as they relate to the Healthy Church Initiative for the Peninsula-Delaware Conference.

Goal 1: Making and Nurturing Disciples for Jesus Christ

We will support workshops, vital worship services, and Bible studies that enhance the spiritual growth and effectiveness of congregations. Additionally, we strongly advocate for use of United Methodist doctrine and history, as tools in helping individuals know who we are as Christians called Methodists.

Scholarships of \$300 each were provided to Revs. Yvonne Penn and John Van Tine, who attended the Congress on Evangelism and Revs. Peggy Briggs and Shirlyn Henry Brown, who attended the African American Clergy Convocation. The Congress on Evangelism did a tremendous job in emphasizing their theme, "Keeping The Main Thing The Main Thing."

Goal 2: Meeting Human Needs and Transforming Communities

Much dialogue continues around the topic of Vital Worship and its ability to transform congregations and communities. Vital worship helps worshipers to encounter the presence of God and moves us beyond the walls of the church building with God's liberating power. We wrestled with the question, "How do we mobilize the masses to come to the table to dialogue about the realities of the Black Church?"

Scholarships were given to 5 clergy and 4 laity to attend the Consortium of Black Churches in Ft. Worth/TX

Goal 3: Strengthening Racial/Ethnic Inclusiveness

Our Sub-committee met with the Cross-Racial Appointment committee of the Conference. The Book, Many Faces One Church: A Manual for Cross-Racial and Cross-Cultural Ministry by Bishop Lyght was given to each member. It was noted that there were approximately 17 cross-cultural appointments in our conference.

Preliminary conversation has begun around the topic of the Task Force becoming a committee under the Office of Strengthening the Black Church. This move would prevent duplication of effort, as well as allow for better overall planning and execution of programs and projects, which seek to increase the health and vitality of our congregations.

Health Ministries Team

The name of the Health and Welfare Task Force has been changed to the Health Ministries Team to better reflect our current focus.

SECTION 1: Review of the 2007 Goals.

1. To make and nurture disciples for Jesus Christ.

All work done by the Health Ministries Team continues to be done in the name of Jesus Christ. It is our philosophy that disciples who are healthy in body, mind, spirit and relationships are better able to serve our Lord than those who are not. To this end, we are working towards making healthy disciples through Health Ministries.

2. To meet human needs and transform communities.

The Health Ministries Team members continue to feel that the best way to accomplish this goal is to promote healthy lifestyles by encouraging health ministries in the congregations of our Conference. A Health Ministries Survey was designed to provide us with some base line information. Every pastor in our Conference received this survey by mail, e-mail, phone and/or personal contact prior to attending Annual Conference in June 2007. In addition, every active pastor received a survey form at the time of registration at Annual Conference. Those who had not returned their completed survey prior to Annual Conference were encouraged to do so while there.

The results of the surveys have been tabulated and any appropriate follow-up has been undertaken. This is an ongoing process as we continue to remain in contact with those who indicated a need for assistance in establishing a health ministry or a component of a health ministry as a result of this survey. This project has been a massive undertaking and has been very labor intensive.

3. To encourage health related mission outreach.

A former member of the Health and Welfare Task Force had made plans to be on the October 2007 Medical Mission Team to the Congo, but found out shortly before the departure date that she would be unable to go. Our Team was very interested in this trip and did make a financial contribution to support it.

4. To strengthen racial/ethnic inclusiveness.

Our Team continues to be intentionally inclusive in our membership and our work.

5. To provide resources for those in our Conference interested in health ministries.

This continues to be a very important aspect of our work. Requests for assistance as a result of the Health Ministries Surveys and additional requests since Annual Conference have increased. We have been providing resources to help establish new health ministries and other needs as requested. We are networking with other groups and individuals as well as obtaining written materials to expand our resources.

We are very proud to take the lead in establishing the Rev. Naomi Winchester Memorial Scholarship Fund. Rev. Winchester chaired the Health and Welfare Task Force (Health Ministries Team) for fourteen years and worked tirelessly to promote health ministries and various related health ministry programs throughout our Conference. We could think of no other more fitting tribute than

to establish this Fund in her honor. This Fund has been established through the Conference office and any donations should be sent there. Criteria and requests for scholarships should be directed to the Health Ministries Team.

SECTION 2: Other significant events, accomplishments and challenges.

The faith community nurse (parish nurse) members of the Health Ministries Team again coordinated the Blood Pressure Screening and Health Education Booth at Annual Conference this year. One of the faith community nurse co-chairs of the Health Ministries Team oversaw the booth, which also included answering any questions regarding the Health Ministries Survey and the establishing of health ministries in local congregations. We gratefully acknowledge the assistance of two family members of our Conference staff who utilized their nursing expertise by helping with blood pressure screenings and providing health information. For the first time, any abnormal screening findings were followed up by one of the faith community nurse co-chairs.

The Health Ministries Team co-chairs represented our Conference at the third Annual National Congregational Health Ministries Conference ("Empowering Ministries of Health") held in Kansas. For the first time the General Board of Pension and Health Benefits joined the General Board of Global Ministries-Health and Welfare in co-sponsoring this very worthwhile conference.

SECTION 3: Goals for 2008.

Although the goals for next year were originally to remain the same, the Team has reevaluated this and is currently in the process of making changes (e.g. to incorporate appropriate aspects of the Healthy Church Initiative, etc.).

Spiritual Formation & Discipleship Team

The Enabling Ministries Team (EMRT) divided into three teams in November. One of the emerging teams is the Spiritual Formation & Discipleship Team. This team has claimed the Charles Wesley quote: "unite the two so long disjoined – knowledge and vital piety" as our vision statement. We have organized ourselves into four divisions: Spiritual Formation, Discipleship, Small Groups and Resources. While there is a lot of overlap in these four areas, each area is distinct. The Spiritual Formation Team, Small Groups Task Force, and the Interfaith Resource Center that are already in existence will be accountable to this team. The Spiritual Formation Team's focus is the Spiritual Disciplines, Prayer and retreat programming. The Small Group Task Force will be encouraging and guiding the development of small groups that are purposefully formed around study, prayer, fellowship and service. Our goal is to also establish a work area or team that will focus on Discipleship or Christian Education and Bible Study. We are "Gearing Up" to help the Conference make the Healthy Church Initiative a reality.

Spiritual Formation Ministries division of the Spiritual Formation and Discipleship Team

2007 Goals:

Advocating and highlighting the importance of Spiritual Formation in the life of the Conference:

- Provided Spiritual Assessments and other materials at a table at Annual Conference

Contemplative Retreat

Sponsored a contemplative retreat October 3, 4, 5, 2007 led by the Reverend Larry Peacock, United Methodist spiritual director and retreat leader and author of *Openings: A Daybook of Saints, Psalms, and Prayer*.

2008 Goals:

Advocating and highlighting the importance of Spiritual Formation in the life of the Conference:

- Provided slides that focused on the Spiritual Life to be presented during the Annual Conference
- Provided Spiritual Assessments and other materials at a table at Annual Conference
- Provided a Prayer Room for Annual Conference that offers a quiet space for prayer and reflection.

Contemplative Retreat

A contemplative retreat is scheduled for October 2 – 4, place to be announced. The focus will be on prayer and will be led by C. Karen Covey Moore and Anne Ashe.

Monastic Day Apart

We have instituted a Monastic Day Apart to be held twice a year at Camp Pecometh. A rhythm of silence, prayer and work is lived into with Morning Prayer, Midday prayer and Eucharist interspersed with times of silence and work. A monastic lunch of soup and bread are served. The first one was held on April 21, 2008 with 17 participants. The next one will be September 22, 2008.

Interfaith Resource Center

The mission of the Interfaith Resource Center is to encourage and equip the congregations of Delaware and on Maryland's Eastern Shore by providing support and resources for their ministries, so that all may study the scriptures, praise God, share the faith, and minister to others.

The Interfaith Resource Center is committed to its primary goal of equipping congregations with the educational tools important for church vitality consistent with the Healthy Church Initiative. We continue to identify the changing needs of our target community and respond to those needs with increasingly relevant services. As transportation costs continue to increase, the significance of our web-based, postal-delivered services is routinely demonstrated. While we have provided resources by mail for much of our 40 year ministry, in recent years more congregations are requesting to have their resources mailed to them. It is now not uncommon for churches as close as 15 or 20 miles away to request that resources be mailed to them. The convenience and timesaving benefits of our mail-to-order services cannot be overlooked. Similar benefits can also be ascribed to our e-newsletter, launched in January 2007 and published bi-monthly.

The IRC continues its commitment to the smaller congregations within its service area. Of 238 active member churches in 2007, 123 were churches of less than 100 members or 51.7% of our total membership. The membership fee for these smaller congregations remains only \$30 per year—significantly less than the purchase cost of the average 8-session study kit. For congregations that use our resources year round, the value of the resources that they borrow can easily exceed \$500—and yet they pay only \$30! These "A-level" memberships provide top-notch programs and offer an extremely economical approach to resource support in an environment where every dollar counts.

In 2007, the Interfaith Resource Center hosted a highly successful fundraiser with the Rev. Dr. Tony Campolo as our speaker. While the fundraiser highlighted the ministry of the Center, it also showcased Urban Promise, raising several thousand dollars for its ministry as well. Dr. Campolo's remarks and insights offered a powerful and uplifting message to the sold-out crowd. On June 21, 2008, the IRC will continue its commitment

to quality programming with Rev. Dr. Tom Long, renowned preacher and professor of preaching, who will present two dynamic workshops at Aldersgate UMC to benefit the IRC. In addition to these high-profile speakers, the IRC Director regular offers VBS workshops in conjunction with Madeline Beall of Cokesbury. Similar workshops focusing on Christian Education curricula are scheduled for May and June of 2008.

One exciting milestone for the IRC is its cooperative pilot program with Wyoming UMC to incorporate a local church library into our database online. This significant task was accomplished with the dedication of two volunteers: Margaret Bryan of Wyoming UMC who did all of the data entry and Don Hobson of Immanuel Episcopal Church-Highlands who provided us with the technical expertise. The advantages of this enhanced database are substantial. For the congregation of Wyoming UMC, members can now access their library's card catalog online. In return, Wyoming Church Library, under Mrs. Bryan's direction, is accessible to other churches. Wyoming will retain control of its loan policy, but those who find a resource through the online catalog, may contact and borrow from that library as well. The goal is to add to this satellite system to facilitate efficient use of resources throughout the conference.

With over 1500 transactions in 2007, the Interfaith Resource Center remains a important support agency for the ministry of the churches within the conference, touching the lives of nearly 10,000 church members, through education, worship planning, congregational development and much more.

The Executive Board of the United Methodist Men of the Peninsula-Delaware Conference discharges the many mission ministries in accordance with established constitution of the United Methodist Men.

We are the United Methodist Men's Groups bonded together through Methodism with compassion from the church and of our Savior Jesus Christ through mission and ministry.

We are in the battle but we continue to move along to keep our legacy burning brightly so that others might see God through us. We have found that it is a good thing to love, to fear and to obey god for he is mighty.

We are men with the vision; we will find the missing link or is you prefer the lost coin.

Continue to support the John Wesley Fellow Award recognition for someone who has given Christian leadership to the ministry of The United Methodist Church over an extended period of time. (Note: This award is not just for men).

The UM-MEN EMS Legacy Builders, evangelism, mission and spiritual life, and charters are tools that support the life for UM-MEN and Men's groups that enable continued mission and ministry.

- Strengthen our faith through mission ministry.
- Continue group and individual bible studies.
- Rekindle the prayer line through contributions.
- Increase the membership of EMS/Legacy Builders and Charter's by 20% because the overall status in numbers is low.

We are men committed to our God, to the organization of United Methodist Men the Peninsula-Delaware Conference, and the church, which is the body of Christ.

The light shines in the darkness, but the darkness has not understood it.

LEADERSHIP DEVELOPMENT RESOURCE TEAM

The Leadership Development Resource Team is currently working on its purpose and direction. There is a retreat scheduled for the team to look at developing a Vision, Mission, as well as, goals and objectives for the upcoming quadrennium. Discussions this year have revolved around how to minister to and with the young adults in our Conference area. We anticipate that what comes out of our retreat will somehow reflect this discussion and we are excited about the future.

There has also been discussion and some implementation of working in partnership. The Wesley Foundations are working to put together Conference Wide activities, events, displays for our college age students. The team wants to do some dreaming

about how we can keep our Young Adults connected to the Church while attending College and beyond.

The new Budget process implemented this year by the Vision Team was extremely beneficial as it provided an opportunity to question, hear, see, and begin to understand the different ministries of the groups that relate to this team. The team is very appreciative of this new process and the information and discussion it generated.

In addition to the items mentioned above, the team regularly received reports from the Conference campus ministries and the Howard Bailey Program, and worked with the Francis Asbury award and put out information on the Merit Scholarship.

Board of Ordained Ministry

The Board of Ordained Ministry is responsible for the enlistment and recruitment of ordained clergy by working in consultation with the cabinet and General Board of Higher Education and Ministry to study and interpret the clergy needs and resources of the Annual Conference with due regard to the inclusive nature of the church. The Board continues to be faithful to all the various disciplinary requirements.

The Board established the following policies during 2007:

- Every clergy under appointment is required to attend at least one sexual ethics seminar during the quadrennial (4 years).
- Candidacy Mentors must be re-certified every 4 years.
- Interview Process: BOOM members who are members of the interviewee's congregation/staff are excused from the total interview process of that person. This directive also includes the pastor of the church where the candidate declared his/her candidacy, with a 5-year limit.
- The Discipline & Effective Leadership workshop is added to the curriculum of the Probationary Covenant groups. Participation is strongly recommended. Cost to the participant is \$100.00.
- Interview Process: Mentoring Team members assigned to a candidate may not participate in the interview process of that mentee.
- Interview Process: Probationary Care Guides may not participate in the interview process of those persons under his/her guidance.
- Candidates must turn in a copy of their paperwork on a CD to eliminate bulk in the Registrar files.
- Candidates interviewing for Full Member Elder must submit a report from their SPRC, the same as is required for Probationers interviewing for commissioning.
- Supervisory Interviews: BOOM is required to monitor the progress of those Probationers who had items of concerns noted in their first interview.

The Board interviewed sixteen candidates seeking commissioning and ordination. We continue to support certified candidates for ministry with scholarship assistance. Our Conference received \$65,506 in 2007 and anticipates receiving \$66,058 in 2008 from the Ministerial Education Fund for the purpose of offering scholarship assistance and enlistment and recruitment purposes. The Conference approved budget for 2008 of \$24,500 supports the work of the Board in all its responsibilities, some of which include:

- Training and monitoring of mentors for persons in the process towards ordination.
- Support of persons attending licensing school in order to be a licensed Local Pastor.
- Monitoring and training of Candidacy Mentors.
- Monitoring and Training of Clergy Mentors.
- Recruitment of persons from approved seminaries.

- Evaluate and plan retreats for candidates seeking commissioning and ordination
- Evaluate and implement improvements in psychological testing process.
- Providing support systems for clergy through new pastor's orientation retreats, retirement seminars, and spiritual formation events.
- Support the work of the CARE team.
- Administer the clergy assistance fund.
- Provide a comprehensive program to support probationary members move towards effectiveness in ministry.
- Network with the NEJ Board of Ordained ministry, N.E. Jurisdiction seminaries, and the General Board of Higher Education and Ministry to resource our work.
- Administration of all matters relating to the Conference relations of clergy.
- Promote clergy effectiveness through participation in the Discipline & Clergy Effectiveness workshop, Sexual Ethics training, and Nurturing Wholeness In Community workshop.
- Nurture a Culture of the Call.
- Provide scholarship support for persons seeking licensing as a local pastor through preparation for ordination.
- Use the physiological assessment tool to help pastors understand how the psychological profile affects their effectiveness in ministry.
- Work with the cabinet to define effectiveness and to give pastors tools to enhance their effectiveness.

Additionally, preparation work was done in 2007 in the areas listed below, so that implementation can take place in 2008.

- Clergy mentor/mentee training on April 7, 2008. Ordained Elders, Deacons, and Full-time Local Pastors who are graduates of the Course of Study are eligible to be selected by their District Superintendent to be a mentor.
- Technical Readers: Develop a fifth committee within the Board as part of the Interview Process. This committee would be the first Reader of a candidate's paper, not for content but for grammar, sentence structure, etc. That committee would approve or disapprove the paper for consideration by the remainder of the Board. If the committee disapproves the paper, the candidate is deferred a year and must resubmit the paper with the aid of a Technical Reader. Initial use of a technical reader is optional. The Board will produce a list of approved technical readers. Policy to be in place by Annual Conference.
- Task List: Will be used by the clergy mentor and mentees during the probationary period to ensure that those persons recommended for ordination demonstrate competence in importance areas of ministry. Policy to be in place by Annual Conference.

The Philadelphia Area Committee on Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. Meeting at several times during the year with Bishop Matthews, the functions of the Committee were:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to help organize an Episcopal Residency Committee
- d) to assist in the determination of the episcopal needs of the area; and
- e) to make recommendations to appropriate bodies.

In order to provide Bishop Matthews the most effective and efficient way to discuss matters pertinent to each Annual Conference as well as discuss issues relating to the entire Episcopal area, our meetings are now structured so that each Annual

Conference has significant time with Bishop Matthews as well as meeting with him as an Area Committee. This has proven to be very helpful to both committee members and Bishop Matthews.

In addition to ongoing support and accountability for Bishop Matthews, 2007 was a year when the Area Committee was responsible for completing an evaluation tool used by the Northeast Jurisdictional Episcopacy Committee to assist it in its work at the 2008 Jurisdictional Conference. The NEJ Episcopacy Committee is responsible for the assignment of bishops to the Episcopal areas. In addition to the evaluation tool for Bishop Matthews, each conference completed a profile providing information about the needs of each conference. The NEJ Episcopacy Committee seeks to connect the gifts of our elected bishops to the needs of each Episcopal area.

Our Area Committee continues to serve Bishop Matthews in consultation about the most effective way to staff our Area Episcopal office. While staffing for this office is at the discretion of the presiding bishop, Bishop Matthews has asked us to continue to research this issue. The Philadelphia Area Committee on Episcopacy highly recommends the continued employment of an Assistant to the Bishop in order to support the Bishop in doing research, monitoring and facilitating the important work relating to clergy in partnership with the Boards of Ordained Ministry, and helping represent the Bishop at functions he is unable to attend because of other commitments. This position is critical in assuring the bishop the opportunity to provide the spiritual leadership important to our area. While this position has been half-time in the past, the increased administrative demands on the Episcopal office will require serious consideration to increasing the time given by the Assistant. If we expect our bishop to lead, we must provide the necessary funding support to enable this increase in administrative support.

The Area Committee continues to:

- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and functions of the Episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making;
- work with the Jurisdictional Episcopacy Committee as it looks carefully at the issues of conference boundaries and the number of Episcopal areas needed to adequately serve the Northeast Jurisdiction. These will be significant issues at both General Conference and Jurisdictional Conference in 2008.

We achieve this through our regular meetings with the bishop, a yearly performance evaluation of the Bishop in cooperation with the Jurisdictional Committee on Episcopacy through the duly-elected conference members of that committee.

We are grateful for the financial support of our Conferences which provides for the Assistant to the Bishop enabling Bishop Matthews to give leadership to the almost 1000 churches in our area as well as to his important work in the General Church.

Youth Ministry

The Conference Council on Youth Ministries (CCYM) has been hard at work serving the needs of youth ministries across our annual conference. At our meetings in May and August, 2007 we determined that our strongest area of ministry was the annual youth rally and the areas that needed greatest improvement were missions and leadership development. We also discussed the annual confirmation event and made some changes to best fit the goals for the event.

- Youth Rally:
 - The 2008 "Whatever" youth rally, held January 4-6, was a huge success. Record at-the-door registration brought total attendance to over 4,300 people. The youth rally truly offered something for everyone. The speakers and bands that were featured represented a broad spectrum of ethnic diversity and musical style. Ten Saturday afternoon seminars, a youth preaching competition, a wonderful prayer room, evening group devotions, and an expanded exhibit hall were all offered in addition to the four general sessions. An offering of \$10,669.04 was collected and split between Loose Change to Loosen Chains and the Youth Service Fund. We received written evaluations from over half of the participants. The evaluations along with post-event reports from many youth leaders tell of great spiritual growth in the individuals and lasting impact on the youth ministries that participated.
- Confirmation Celebration
 - Formerly known as Confirmation Rally, this event saw some changes to help focus it on the students who are participating in Confirmation classes in our churches. The event featured a message as well as a question and answer time with Bishop Marcus Matthews, worship music led by Higher Place Ministries, and several dramatic productions led by Ground Zero Master's Commission; all designed specifically to meet the needs of a junior high-aged audience. 386 students and leaders participated in the event.
- Missions:
 - The Youth Service Fund was reinstated in 2008. \$4,635.00 was distributed through grants to eight ministries. These ministries included two mission trips, two summer programs, and several traveling ministries, including one that presents assemblies in public schools and invites students to faith-based sessions in the evenings. All funds collected for the Youth Service Fund in 2008 will be distributed in 2009.
 - Mission Possible, a week-long summer mission camp will be offered at Meredith Middle School in Middletown, Delaware July 27-August 2, 2008. Students from all over the conference will work together at numerous mission sites, sponsored by local churches, to spread God's love through their service to those in need. Mission Possible is a low cost, close to home, mission opportunity that gives local churches easy access to a student mission trip.

- o A multi-year cross-cultural missions initiative is in the works. A small team of CCYM members will travel on an international mission trip this summer. That group will be dispatched to local churches upon their return, with the goal of educating churches about the initiative and recruiting students to participate in future trips. Our goal is to send one student from every church in the conference over the next 3-5 years.
- Leadership Development:
 - o A leadership training event for students and adults in youth ministry is planned for October 11, 2008
- Other Areas of Ministry:
 - o Six CCYM students spent a week at Camp Pecometh in August 2007 teaching Bible studies for elementary-aged campers. Camp Pecometh will host at least two worksites for Mission Possible this summer.
 - o Two student observers and one alternate will participate in Jurisdictional Conference this summer. These students will have voice but not vote at the conference. The Peninsula-Delaware Conference is partnering with the Baltimore-Washington and Western Pennsylvania Annual Conferences to sponsor a gathering for youth and young adult members of the jurisdictional conference.
 - o I continue to make myself available to local churches to assist in the areas of youth and young adult ministry. Many churches have taken advantage of this opportunity by using me to assist with hiring youth ministers, training student and adult leaders, and helping churches implement Safe Sanctuaries policies.

Young Adult Ministry

Young adult ministry continues to be a great challenge for most local churches and for the annual conference. A young adult ministry forum was held on February 2, 2008. Participants discussed some of the many reasons why the church struggles in this area and shared examples of their successes and struggles in this area in their local church settings. We also began discussions about young adult ministry at the conference level. A second young adult ministry forum is scheduled for April 5, 2008.

I am serving on the team that is planning a jurisdictional young adult ministry event for July 2009. The event, funded by the jurisdictional vision table, is geared at "training the trainers," meaning equipping participants to go back to their annual conferences to help build young adult ministries.

Wesley College

"The Peninsula-Delaware Annual Conference as the body of Christ will live out the ministry and teaching of Jesus Christ – boldly, cooperatively and inclusively – through life-changing communities of compassion." Peninsula-Delaware Annual Conference Vision Statement

Wesley College is a comprehensive college affiliated with The United Methodist Church. It fulfills its mission in a way that is aligned with the vision of the Annual Conference. The focal points of the Conference's mission statement for the College are.

1. Living out the ministry and teaching of Jesus Christ;
2. by doing this as a life-changing community of compassion.

The key teaching for the College in the ministry of Jesus continues to be hospitality. It changes lives through its educational mission to prepare people for life of service and conviction in a rapidly changing world. The College does this as it strives to be a community of learners because it is in community that the best education takes place. Our goals are organized in light of our understanding of our vision within the vision of the annual conference.

1. Hospitality;
2. the Christian community;
3. the College community - service; and
4. the Christian community – relationship and leadership.

It is in this perspective that we have reviewed our goals for 2007. However, we need to first note that this is a time of major transition for the College. Dr. Scott Miller accepted the Presidency of Bethany College in West Virginia. During his tenure, Wesley College underwent a major expansion of its facilities and physical plant; and it has moved into a strong financial position hitherto unknown in the history of the College. Some of the specific accomplishments of the College during Dr. Miller's presidency at Wesley are as follows:

1. The College has tripled in size during Dr. Miller's tenure as President.
2. A campus-based charter school was established.
3. Thirteen direct community service affiliations were created.
4. Wesley joined the academically selective Capital Athletic Conference, with all Wesley teams except football now competing in this conference.
5. Recognizing the continuing demand for qualified nurses in the region, the College graduated its first Bachelor of Science in Nursing alumni in May 2007.
6. Representing the best single giving year in College history, voluntary support reached \$11 million in 2006, with more than \$67 million raised in the last decade and \$40 million invested in capital facilities including campus wide modernizations, the Academic Village and expanded Wolverine Stadium.
7. Wesley College is now committed to sharply reducing and eventually eliminating all of the College's global warming emissions, while accelerating the research and educational efforts to equip society to re-stabilize the earth's climate.
8. The College endowment has doubled in the last decade;
9. Momentum of global initiatives culminated in the August 2007 signing of an articulation agreement with Harlaxton College in England to provide additional study abroad opportunities for local students.
10. New College resources available to area residents include a collection of President George Washington's papers and letters donated to the Parker Library by the George Washington Society of Delaware.
11. In spring 2007, the College refined and expanded the College's Emergency Readiness Plan in response to the horrific events at Virginia Tech.
12. Work was completed on a new 39-space parking lot expansion at the corner of North State Street and Fulton Street adjacent to the Scarborough Alumni House.
13. Wesley has launched its first-ever interactive online community. Exclusively for alumni and friends, the *We Are Wesley Community* is a password-protected site that allows members to search for classmates and friends through an online directory, send instant notes, update your information, post photos, submit class notes and join sub-groups.

Among other initiatives already underway or completed for the 2007-2008 academic year are the following:

1. A restructured Dover Air Force Base program;
2. Several online course offerings;
3. Three new degree programs at the College's New Castle, DE campus;
4. Complete articulation agreements with 22 area two-year colleges to facilitate seamless transfer of credits to Wesley College for those earning associate's degrees;
5. Upgraded facilities, including the Nursing Department and additional amenities for commuter students;
6. Enhanced emphasis upon environmental sustainability and expansion of environmental sciences as part of the American College & University Presidents Climate Commitment;
7. Ongoing synergistic community partnerships, including joint ownership, promotion and operations of The Schwartz Center for the Arts.;
8. A new, attractive and functional Faculty Lounge in the du Pont College Center.

Perhaps it could have not been more apparent that Wesley College had come a long way than when Bill Cosby wore a Wesley College t-shirt when he came on stage at the Delaware State Fair!

We are eagerly looking forward to the leadership of Wesley's new President, Dr. William N. Johnston. Dr. Johnston comes to us from Iowa Wesleyan University. Under his leadership, your College will look forward to new initiatives that will build on the foundations that have been laid. I look forward to introducing him to you at the Corporate Session of Annual Conference. Below is a review of our 2007 goals.

Review of 2007 Goals

Hospitality

1. Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the College, including several campus based affiliates (Campus Community School, Wesley Boys and Girls Club, Charlton School, Children's Beach House, YMCA Resource Center, and others).
 - Our campus based affiliations enable a ministry to a variety of populations that would not be reached independently. The **Campus Community School** and the **Campus Community High School** provide environments in which our education students gain experience in close connection with their classroom learning. The proximity of the schools to the college allow maximum contact between the community schools, our teachers-in-training and our education faculty.
 - The branch facility of the **Charlton School** continues to find a home on campus and some of its severe and profoundly challenged students find work experience and contacts with the College community. Our education students work with the Charlton School and you can see Charlton students working diligently to keep the Dulany Dining Room clean and straight.
 - **The YMCA, Children's Theatre and Boys and Girls Club** make use of the College's facilities and other resources as they provide a variety of services to young people in the Dover area. **The Children's Beach House's** Kent County site is now located at the College in the ground level of Carpenter Hall. The Beach House in Lewes, Delaware provides services to children with special needs throughout Delaware.
 - **The Schwartz Center for the Arts**, which is co-owned by the Friends of the Capitol Theatre, Delaware State University and the College, provides a broad spectrum of events throughout the year. The College makes use of the Center for many of its own events.
2. Continue to provide a strong ministry of hospitality to all students through the College's high quality, values-based education.
 - The College's Honor's program is now in its second year. This gives our students, who have the yearning and talent, to pursue a deep foundation in the liberal arts. A good example is Dr. Alban Urbanas, Professor of Philosophy and French, who took students in his HN 101 Nature of Reality course to the Institute of General Semantics' annual Alfred Korzybski Memorial Lecture and Banquet at the Princeton Club in New York City.
 - In this era of globalization, Wesley College recognizes the need for giving our students and faculty to study and teach in the broader world. Conversely, we also wish to give the same opportunities to faculty and students from other institutions. Wesley has established cordial relationships along the Pacific Rim. **Miyagi University of Education** extended an invitation to Wesley College faculty to present papers at the Forum on International Understanding Education held in Sendai, Japan. Drs. Peter Angstadt, Susan Cooper, William Kroen, and Professor Marilyn Johnson, served as Visiting Professors. For the sixth year, students and faculty from **Hachinohe Institute of Technology (HIT)** visited Wesley College for the summer Foreign Language Institute. Accompanied by 5 professors, 57 students participated in English enrichment classes. Connie Strickland, a member of Wesley Church in Dover, was one of the instructors. A highlight of the week was a formal tea ceremony performed by the HIT students.

- Connections with the United Kingdom continue to grow. The long held agreement (entering its ninth year) with **Chester University** in Northern England was rearticulated to deepen and broaden the programs. Consideration was given to faculty exchanges, and creative ways to provide shorter study abroad opportunities. A visit to **Harlaxton Manor** in the rural countryside of Lincolnshire culminated in a partnership that offers Wesley College students and faculty the unique privilege of teaching/studying in a castle. It is the international site for the University of Evansville (Indiana). As an affiliate of the International Association of Methodist Schools, Colleges and Universities, Wesley College will formalize their relationship with the University of Evansville and Harlaxton Manor this summer. As a participating member, Wesley College will have a center from which the United Kingdom and Europe can be explored.
- The **Business Education Initiative (BEI)** has been successful in connecting Wesley College with students from Northern Ireland. The **InterAmerican Consortium** offers Wesley students (and those from five other U.S. institutions) the opportunity to live and learn at one of 11 partner institutions worldwide.
- **The Global Initiatives Leadership Committee** has been actively preparing the College for its role in the broader world. It sponsored an "Embrace Diversity Workshop"; a film series at the Schwartz Center that offered perspectives from other countries; and it has sponsored a world game in both academic years. The game demonstrated how countries, corporations and agencies needed to work together to build a better world.

The Christian Community

3. Provide religious programming as meets the needs of a diverse population of young adults.
 - **Worship – Wednesday Worship @ Wesley** continues to meet during the academic year from 12:15-12:50. Boe Harris and Odette Wright led a wonderful service in the Native American tradition which is becoming an annual event. The Chapel continues to showcase music to the glory of God through the Wesley College Choir under the very able leadership of our new Director of Choirs, Jonathan Emmons. Dr. Jeffrey Gibson's rock band brought us the music of Credence Clearwater Revival during the spring semester that accompanied Dr. Bill Kroen's sermon on the stewardship of creation. Rev. Amy Yamall was a guest preacher this semester. Dr. Michael Nielsen has provided some beautiful worship music on his Celtic harp. Chaplain Pruett-Barnett's hopes for a new service are deferred unfortunately since the Gospel Choir is currently inactive and he does not currently foresee a praise team.
 - **Fellowship of Christian Athletes** – The FCA is providing an invaluable ministry to athletes and others through its "huddles," bible studies, retreats and weekly chapel service.
 - **Kris Schonewolf of Camden:** Whatcoat UMC has joined Director Randy Chambers in this ministry.
4. Reach student populations through non-traditional means
 - **Learning** – The Chaplain will be working to develop new ways beyond traditional book and bible studies that will be of benefit to all of our students.
5. Continue to expand and develop opportunities for Christian service.
 - **Service - The Hope Closet** serves people in need of a variety of items. College students and two of our faculty members, Drs. Randall Clack and Jamie Whitman-Smythe running the shop on Thursday evenings from 6pm and 8pm. Hope Church members supplying the goods and fill in the gaps for Thursday evenings. Two United Methodist Students, Emily Frazier and Amy Maguire have been stalwarts in running the shop on Thursday nights. Some of our students have served **Monday night dinners** at the House of Harvest, a ministry of Whatcoat United Methodist Church in Dover.

The Campus Community – service

6. Actively pursue opportunities for whole campus participation in serving the community.
 - The Director of Student Activities Jennifer Blackwell and Chaplain Mark Pruett-Barnett took students over the **2007 spring break to Washington D.C.** to work upon a local church actively engaged in its community. Students did some floor tiling and other work. Students went with Jenn on the **2008 spring break trip** to Boston and worked in the local food bank. Members of the Phyr'ed-Up Club (a club for our physical education majors) and the Adapted Physical Education class participated in the Special Olympics Bowling Event, held at Milford Lanes and also collected sponsorships and participated in the Polar Bear Plunge for Special Olympics, held at Rehoboth Beach.
7. Integrate service into the classroom with more service learning courses.
 - Chaplain Mark Pruett-Barnett has been taking students on an annual **service project trip to Birmingham, Alabama** since 2005. In 2007, he integrated this trip as part of a course he taught in the May semester entitled "The Spiritual Heritage of the Civil Rights movement." Students learned about this heritage through class work and through their work and learning experiences in Birmingham. As of this writing, Dr. Pruett-Barnett is offering this course/service trip during the 2008 May semester.
8. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.
 - Jennifer Blackwell has plans to take students on a **service trip abroad** in the 08/09 academic year, possibly to Jamaica. While Jamaica is an exotic setting, Jenn is reminding potential participants this is a service trip!

The Campus Community – relationship and leadership

9. Develop relationships built on trust through fellowship opportunities, quality residential life programs, student clubs and sports teams.
 - Such relationships require opportunities for people to come together. There are a variety of student clubs that meet a wide variety of interests. With some commitment on the part of 5 people, it is possible to launch a club if there isn't one meeting that purpose or need already. Wesley College has a wide variety of sports teams and a growing intramural program. Under the supervision of our dormitories' resident assistants and directors, who go through training each summer, students participate in a variety of activities and programs, often designed by the RA's and RD's themselves. A unique fellowship event for Wesley College students is the "Howl at the Moon" program.
10. Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government.
 - Given the smaller size of Wesley and the abundance of groups, teams, ministries and activities, there are an abundance of opportunities for leadership. Student life also provides a leadership program of speakers through which students can learn the art of leading.
11. Mentor students in value-oriented leadership and Christian principles of governance.
 - Mentoring and leadership is based on example. Bishop Francis Asbury epitomized this: "As long as I ride," he said of the circuit riders, "they ride." Our faculty set an example through their publishing of papers, mentoring their students and through participation and leadership in meetings and organizations. An example of this kind of leadership was through our first annual Scholar's Day held in April, 2007. The event included a total of 33 student presentations, representing a wide range of departments and disciplines across campus, including Physical Education, English, Business Administration, History, Legal Studies, and Environmental Science and Chemistry. Several members of the faculty and administration also participated in Scholars' Day, some serving as mentors to the student scholars and others serving as moderators and assessors during the day's sessions.

Campus/Church Relations

Establishing and strengthening the ties between your College, and The United Methodist Church is essential for it to grow as church related liberal arts college, which is God's desire. Below are these ties to date:

- **Hope Church** continues to pursue its mission in offering the hope of the good news of Jesus Christ in its ministries. It is unencumbered in its ministry because of the College's support through the Chapel facilities, housekeeping, maintenance and food services.
- The College continues to support Barratt's **Chapel** though its maintenance, financial and catering services as well as financial support. At the celebration of the 300th anniversary of Charles Wesley's birth, the Wesley Chapel Choir sang special music including Dr. David Langanella's version of Charles Wesley's "Come, O Thou Traveller Unknown," that he composed for this occasion. Dr. Langanella is a member of the College's music department.
- The College continues to make use of Camp **Pecometh** for its WesBride and other programs and events. Chaplain Pruett-Barnett serves on the Camp's Board of Stewards.
- The **Dunkle-Mackey Preaching Seminar** is designed to help pastors become better preachers and improve their preaching skills. The next seminar will be in the fall of this year. Dr. Pruett-Barnett provides logistical support through the Chaplain's Office and replaces Dr. Miller on the board.
- **The United Methodist Women's School of Christian Mission** will be on campus in July. This will be the third year that Wesley College will host this event.
- Wesley College has a new partner in its Lay Speakers courses, **Palmer Seminary**. We have just finished our first course with Palmer this past semester on Resources for Worship. We are looking forward to future courses. The next one will be offered in the fall semester.

Dr. J. Thomas Sturgis
Interim President

Wesley Foundation Delaware State University

In spite of the tragedies encountered by the entire Delaware State University Family this past year, The Wesley Foundation sends this report with a shout of victory for the way in which GOD has kept us and blessed us. As you know our motto has been "Living our faith in a difficult world." During those dark days when fear and uncertainty gripped the campus, we were very much challenged by this motto. As some students left the campus for places they felt were more secure and others just "dug in" hoping for the best, we were challenged to keep the faith and continue in prayer for safety and hope for a better tomorrow. Today we rejoice in the faithfulness of GOD for hearing and answering our prayers.

Though the numbers of college students today account for a very small percentage of the entire population, these students are the future leaders of nations who will shape the intellectual, political, and cultural ideas of the future. Even more they are those who will assure the future of the Church. As we strive to build a strong campus ministry at Delaware State University, we also strive to prepare our students for a life in the Church.

"Patience and perseverance, have a magical effect before which difficulties disappear and obstacles vanish."

John Quincy Adams

Developing these fruits of the Spirit along with knowledge of the Scriptures and the opportunity to deal with the hard questions students have about their beliefs are what keep us going and what set us apart as a ministry of strategic importance to the United Methodist Church.

Section 1.

The goals outlined for 2007 are as follows:

- Increase student attendance and participation in Wesley Foundation activities.
- Form covenant partnerships via email/ text messaging for Bible study and fellowship with other Wesley Foundation groups.
- Have one "Christian Games Night". (Possibly in the cafeteria)
- Join with other Campus Ministry groups in an ecumenical Bible Study.
- Increase visibility of the Wesley Foundation on campus by hosting one major event on the campus this year.
- Participate in homecoming and all campus-wide events.
- Sponsor one mission project per year.

- Have one Wesley Foundation Board-sponsored fundraiser per Year.

Section 2.

- Campus ministries are constantly in a state of change because of the schedule of academic life. As such programs are reconstructed annually. Depending on exam and other schedules, numbers fluctuate. However, the most dramatic change in our situation was due to students leaving the campus and living at home out of security concerns. This has begun to change as things get back to normal and students concentrate on finishing this year.

- We have formed a covenant relationship with the Baptist Student Union, which includes shared activities and a common Bible study once a month and shared community service projects.

- Due to issues surrounding ideas of "separation of church and state" we had to change our focus in volunteering at Whatcoat Shelter. Instead of having Saturday morning Bible stories for the children we are now engaged in their After-School program. We read books to the children, and help in whatever way we can one evening per week.

- We continue to participate in "Homecoming" and all campus-wide events. Several times this year our students have been pictured in the Dover Post newspaper in these capacities.

- Our Peer Ministry goal has been the most effective as they have been given the responsibility of recruitment and of carrying out the mission/community service programs. They are the after school team that goes to Whatcoat shelter. They are also recruiting members through their participation in other associations on the campus.

- We began a text/e-mail fellowship with members of the Africa University choir that visited us last annual conference. They have asked us for ideas about starting their own Wesley Foundation.

- As usual we continue our participation in The United Methodist Student Movement. Last May, seven students and myself went to the University of Peugeot Sound in Washington State. This year it will be held at American University in Washington, D.C.

- We are soon to celebrate the accomplishments of four (4) graduates this May. All four have been active members of the Wesley Foundation for the past four years. All four are active in their home churches. Two have siblings who have already graduated making Wesley Foundation participation a family tradition. Despite membership and other issues participants in The Wesley Foundation at Delaware State University are benefiting as they learn how to find meaning and purpose for their lives in the blend of two great institutions – Church and university - toward both the Spiritual and intellectual health of our nation.

Mrs. Jackie Onwu
Executive Director

Wesley Foundation Salisbury University

Wesley Foundation at Salisbury University has experienced a significant increase in student membership. During the 2007 Fall Recruiting period, enrollment climbed to a total of 75 members who are committed to living out the Great Commission that Jesus commanded in Matthew 28:19-20. During Fall Semester 2007 at least 10 additional students accepted Jesus Christ as their Savior. During the fall semester of 2007, students who were recruited to participate in the Wesley Foundation Christian Fellowship were committed in attending weekly Bible Study, weekly meetings, and other activities and events being offered on the campus, and by the local church. At least 45 students attend, and participate in Sunday Morning Worship services. Attendance is

always contingent upon academic studies, class schedules, involvement in other organizations and activities on campus, and visiting with family on the weekends. Biblical resources were purchased, e.g., "God Goes To College-Living Faith On Campus," "Serving Two Masters." Bibles were purchased for those who did not have access to a Bible for Weekly Bible Study, and personal devotion time. Student officers and others have been faithful in meeting the requirements of the Student Government Association (SGA), and attending all SGA meetings as well. The Wesley Foundation at Salisbury University was selected as one of the top 25 out of 130 clubs on campus.

There were many other significant events and accomplishments during 2007. For example: Recruitment efforts continue to be progressive, in that, at any given Weekly Bible Study, five or six new students attend. Students continue to participate in an outreach/evangelism ministry through the recruitment of other students as the semester progresses. As a part of an outreach effort, students agreed that Salisbury Urban Ministries should receive a donation to assist with the feeding of the homeless. The Campus Minister/Executive Director along with students traveled to Ocean City, Maryland, and held a Fall Retreat. A well-qualified, dynamic motivational speaker was engaged to provide leadership development, and educate students on what a spiritual life entails during the college life experience and the HIV/AIDS epidemic as well. Students and Campus Minister/Executive Director attended two off-campus revival services at each of the Campus Minister's local churches. Students and Campus Minister/Executive Director continue to participate in the on-campus fall and Spring Student Activities Fair. At the 2008 Student Activities Fair, 20 additional students were recruited for Wesley Foundation. Students were asked to participate in a campus-wide event called the "Big Event," and "Fun Day." Additionally, the Wesley Foundation has had to secure a larger meeting space because of the number of students attending the Weekly Bible Study. At the end of 2006, Wesley Foundation students traveled in one university van to attend Morning Worship and other local church activities. Today, the students are traveling in three (3) university vehicles.

The goals for 2008 are as follows: The only change in the 2008 goals is the fact that Wesley Foundation has been invited to participate in Salisbury University's first "Admitted Student Day." This event will invite all students for the incoming freshmen class who have been admitted to Salisbury, but are still deciding if they are going to attend Salisbury University. The student organizations want to impress prospective students by showing them all of the awesome clubs on campus. The event was held April, 2008 in Maggs gymnasium. The event was similar to the Student Activities Fair or Homecoming where every club had a decorated table to advertise, give away freebies, and do some sort of activity/game at the respective tables. Prizes were awarded to the 1st, 2nd, and 3rd place tables for best decoration/games; To register at least 50 additional students during the fall 2008 Student Activities Fair; To continue to focus and provide outreach ministry to the homeless, in conjunction with Salisbury Urban Ministries. To provide assistance for nursing home residents, and any catastrophic occurrence in the Fall and Spring 2008-2009; To continue to provide transportation to and from Morning Worship Services at the local church of the Campus Minister/Executive Director; To involve students in Children & Youth Bible Study on the local church level; Students will continue to attend and participate in off-campus worship services in order to enhance their spiritual growth; students will be attending a 2008 Fall Retreat in Ocean City along with 5 (five) other campuses which will be a part of the Wesley Foundation contribution to the Healthy Church Initiative-- building community and strengthening the connection within the body of Christ; To continue to provide spiritual resources each semester for the students in order to educate them biblically; To continue to provide at least two on-campus worship services which will identify a speaker that can relate to student spiritual needs; To attend at least one or two events sponsored by another campus ministry in the Peninsula-Delaware Conference; To continue to participate in campus projects that relate to effective ministry, i.e., distribution of necessities for Christian Shelters and other projects as the need arises; To secure a speaker at least once a semester to attend and present at the weekly meeting; To provide the opportunity for students to engage in an ecumenical activity i.e., "Friday Night Live" where the campus and outside community are asked to attend and share their spiritual gifts; Students and Campus Minister/Executive Director will be provided the opportunity to attend the United Methodist Student Movement leadership

Conference held at American University in Washington, DC in May 2008; Campus Minister/Executive will continue to peruse information for students to attend a campus ministry conference once a year or every two years, (funding will be contingent upon the number of students attending and location of the conference); To identify person(s) who feel they are being called by God to ordained ministry; To identify and provide campus ministry leadership and other pertinent training that will assist Campus Minister/Executive Director in effective campus ministry leadership; To identify a training session for the Board of Directors in the Fall of 2008; the Campus Minister/Executive Director has been chosen to serve on the United Methodist Campus Ministers Association Coordinating Committee as a Member-At-Large.

Additionally, the main goal of the Wesley Foundation for 2008 is to promote and establish a group of students that will be led to obtain and maintain a relationship with our Lord and Savior Jesus Christ. Among other things, students are expected to engage in an intensified effective prayer life-- understanding that faith is essential on the Christian journey, and even more imperative as they live on the campus pursuing a college education. Further, Wesley Foundation will continue to witness and spread the Gospel of Jesus Christ. Wesley Foundation at Salisbury University strives to be an inclusive church family, providing an atmosphere where students can engage in "Real Talk," which is the official name of the Weekly Bible Study.

Wesley Foundation will continue to commit to the spiritual development and growth of the students taking advantage of every opportunity by faith in Jesus Christ, to strengthen each individual in the organization as they acknowledge a need to grow in holiness.

It is pleasing to note some of the comments that the students have made relative to being a member of Wesley Foundation: "Look forward to coming to weekly meetings." "Bible Study is the highlight of my week." "When I first started attending Wesley Foundation meetings, I was a lost soul, but Wesley Foundation has put me in the mind set to seek the Lord further." "After I started attending Wesley Foundation meetings, I had to reevaluate my life."

The Wesley Foundation adopted scripture is:

1Peter 3:13-15; 17: Now, who will harm you if you are eager to do Good? But even if you suffer for doing what is right, God will reward you for it. So don't worry or be afraid of their threats.....Remember it is better to suffer for doing good, if that is what God wants, than to suffer for doing wrong!

I. **Narrative Assessment of Current Ministry**

The list of regular ongoing activities of the Wesley Foundation include weekly Bible study (on campus and at the local church), organizational discussions, other sessions for Christian education, worship, local and global outreach, counseling and nurture, winter retreat, leadership development opportunities, direct local church involvement, and participation in special campus events, such as First Look Fair and Religious Emphasis Week.

These ministries are fairly effective, particularly on a campus where there are a growing number of faith systems resulting in many spiritual choices for students to make, and where the administration's outlook is more and more ecumenical. However, the primary choice favors Protestant Christianity. Wesley Foundation also is one of the more consistent religious groups in its administration, supervision and ministry involvement.

Our graduate students who remain in the area continue to be supportive. Even students who have answered a call to ministry from other denominational training come to be guided by our leadership and nurtured by our fellowship, activities and church support in order to remain strong in their calling.

We intend to continue and expand our current plan and strengthen it with ways to increase our visibility and connection with other area United Methodist churches as well.

II. **New Strategic Plans, Goals and Events**

New to our administrative outlook is the use of the Conference Healthy Church Initiative as a major force in our plan of activities, particularly in the way it helps to prepare our students for future leadership in the church, community and world. Executive Director

Wesley Foundation University of Delaware

Mission Statement

The Wesley Foundation Campus Ministry of the University of Delaware, a mission realized through the love and grace of Jesus Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware. This ministry affirms the unconditional love of God and God's presence within us and among us as we live, work, and journey together in that love.

Approved 11/21/2005

Section 1: Review of 2007 Goals

1. Educate the Peninsula-Delaware Annual Conference as to the vitality and significance of the Wesley Foundation Campus Ministry of the University of Delaware so we may continue to provide full-time pastoral leadership, opportunity for spiritual growth, and education for the entire University community.

On August 15, 2007, a half-time Executive Director was hired with a goal of bringing the position closer to full-time in the near future.

2. Continue the active participation in community service projects and explore opportunities for mission work experiences.

We continue our activities with Delaware Highway Clean-up program, raking leaves for our elderly neighbors and Habitat for Humanity. We also had another successful Spring Break Mission Trip to New Orleans with 18 Wesley Foundation Student serving those who are still rebuilding after the catastrophic events of Hurricane Katrina.

3. Support current and former students who are considering professional ministries as vocations, and provide training opportunities for future lay leadership within the church.

One of our recent graduates is now looking for a seminary to attend. Her calling came during her senior year at U.D. while she was serving as President of the Wesley Foundation. Another of our former students sought to serve with Volunteers In Mission for a short-term mission opportunity in Hong Kong, China. God is alive and whispering in the ears of our students. We are blessed to help them hear that whisper and discern how to respond.

4. Promote within the student fellowship an awareness of social and societal issues and their relationship to the Book of Resolutions (2004) and The Book of Discipline (2004).

We started off the fall semester using our Fellowship time on Sunday mornings discussing the different issues presented in the Book of Resolutions (2004). For some of the students this process was an introduction to the Book of Resolutions. They were unaware that we, as United Methodists, had such a book to express our views on issues from everything to Alaskan fishing rights to slavery around the world. We hope to continue to introduce topics from the Book of Resolutions and provide a safe place for students to discuss their viewpoints together. Sometimes we will agree, and sometimes we will agree to disagree, but always in Christian love.

5. Continue to develop a relationship with racial/ethnic groups, to provide ministry to international students, and to foster Christ-like acceptance and respect for all of God's children.

At the Fall Activities Night, we were able to reach out to students of all racial/ethnic groups. As the semester unfolded, we did see a few of them in worship, in fellowship, and Bible Study. We hope to continue to be a place where all feel welcome and at home as they continue their faith journey.

6. Provide outreach to those who have been nurtured by the church and have drifted away for various reasons while at the University.

Our students continue their outreach to their friends, their classmates, and other students they come across to bring them to church, to Bible Study, and to Fellowship. We are using word of mouth to spread the news that there is a new wind blowing in Wesley Foundation where Bible Study is fun and engaging, and where people get fed very well physically and spiritually on Sundays after church.

7. Provide information about Wesley Foundation's ministries and programs to conference churches and to help strengthen the relationships between these churches and their campus ministry.

During the fall semester, we presented a plan to promote Wesley Foundation to the Youth of the Conference during the Youth Rally in Jan 2008. We hope to use this event to promote all of the Wesley Foundations within our conference to both the graduating seniors and the Youth directors and volunteers of the conference.

8. Encourage and support the liaison ministry between the religious community and the administration at the University.

As members of the University Religious Leaders Organization and the Student Government Association, we continue to be in dialogue with the administration of the University. I was also a member of a religious panel to represent the United Methodist Church to Resident Assistants to share our history and theology, and how that impacts how we live out our daily lives.

9. Seek additional means and methods of fund raising to maintain financial stability and security.

We continue to use the same fundraising methods that we have in the past. Our students and Board members continue to raise money for both the general budget of the Wesley Foundation through written appeals to alumni, past donors, United Methodist churches inside and outside the conference, churches with a connection through one of our students from other denominations, and other groups. We also do fundraising for our Spring Break Mission Trip in order to

- include as many students as possible who wish to serve God by serving their neighbors in New Orleans.
10. Foster development of the Board of Directors through identification of new members and the committed participation of current members.

We continue to actively seek new Board Members in order to increase the size of the Board. We are hoping to add more University of Delaware staff as well as some more parents of University of Delaware students in order to round out the different perspectives represented on the Board.
 11. To explore and implement regularly scheduled Wesley Seminars that will address interfaith social, societal, theological, and spiritual with invited speakers, both locally and nationally. The Wesley Seminars will be open to the University Community, as well as the Wilmington District, Conference, adjacent conference, and interfaith communities.

In spite of weather issues, we were able to bring in Marcia McFee to lead "The Worship Workshop Live: Vital Worship in a Post-Modern Age" on March 16-18. This was an event open to University Community, The Wilmington District, the Peninsula-Delaware Conference and neighboring conferences, as well as the interfaith community surrounding the University. The people in attendance were very appreciative of the opportunity to learn and explore new worship opportunities with such an experienced leader.
 12. To offer students educational programs that encourage stewardship of the body, mind, and spirit and becoming whole persons.

We continue to offer Bible Studies, Fellowship, Mission, and Worship opportunities to the students to meet the needs of the whole person. We look forward to the opportunity to have a retreat with other Wesley Foundations in the conference to allow students to set some time away from the chaos of the world and to just bask in the glow of their God.
 13. Updating the Wesley Foundation website on a regular basis.

We strive to use our new website to keep students, parents, alumni, and anyone else who is interested updated and informed of our ongoing events, and our special activities as well. At times we are better at keeping it updated than others. Please feel free to check us out at www.udelwesley.org

In May of 2007, it became evident that the Wesley Foundation of the University of Delaware would no longer be able to financially maintain the Executive Director's position at full-time. Therefore, the job description was adjusted to a half time position, and a search began for someone to fulfill the new position. In August, Rev. Mary Haggard was hired to be the Campus Pastor and Executive Director of the Wesley Foundation. Rev. Haggard was already on staff of Newark U.M.C. as the Youth Pastor, and thus began her shared role with the campus and the church.

Section 2: Highlights of Events, Accomplishments, and Challenges

"This is a day of new beginnings" is the overall theme for The Wesley Foundation of the University of Delaware. This has been a year of transition for us, some call it a rebuilding year, some call it a rebirth, some just call it change. Regardless of what you call it, good things are happening.

Yet some things do not need to change. For example, we did our Spring Break Mission Trip, which continues to have an impact on the lives and faith journeys of our students. These students give up a week of vacation and frivolity to help those in need. This is not to say that we do not have a good time together, but it is a different kind of Spring Break trip than what you may see on the news or on MTV. In order to make this trip happen, the students and the Board do a great deal of fundraising to make the trip affordable for any student who wishes to go. Through letters to parents and friends, Superbowl Sub Sale, Shrove Tuesday Pancakes, Raking Leaves, and Wrapping Christmas Presents, we were able to raise enough money to keep the cost to the students under \$200. In 2007, we returned to New Orleans with eighteen students and three leaders, where we were assigned homes to hang drywall, paint, and other finishing aspects of rebuilding. We also had the opportunity to make lasting relationships with those whom we served in New Orleans and with each other as a group. Through our morning and evening devotions, in which we all shared leadership, we were able to strengthen our connection with God. We look forward to returning to New Orleans in 2008 to assist the efforts of UMCOR and UMVIM as they continue to rebuild after the devastation of Hurricane Katrina. There is still much to be done.

We also continue our local mission efforts as well by continuing our highway clean up and the Relay for Life. Along with the Catholic and Episcopal student groups, we ran the Spring Semester blood drive for the Delaware Blood Bank.

One of the things that did change this year was the position of the Executive Director. Due to shrinking financial support from the Conference, we felt it necessary to reduce the position to half time, praying that this change would not have a negative impact on the ministry with the students and UD community. After a national search was conducted, we hired Rev. Mary Haggard, the current Pastor of Youth and Education Ministry of Newark U.M.C. The Staff Parish Relations Committee of Newark U.M.C. agreed to share Rev. Haggard with the Wesley Foundation. Her current title is Youth and Campus Pastor and Executive Director of Wesley Foundation.

Newark U.M.C. continues to be the gracious church home of the Wesley Foundation and its students. Students are integrated in all aspects of the life of the church, from helping in the nursery and teaching Sunday school, to lighting the Advent candles and serving Communion. We are blessed to have such a warm and welcoming congregation who also feel blessed to have us in their midst. Newark U.M.C. hopes that these students feel like this is their church home while they are at U.D. They know that these students are "on loan" and that the students consider the church they grew up in to be their "home church," but still hope to give them the sense of home while they are in Newark. Members of the congregation still get excited when they meet a student for the first time, and are sure to help them connect with the Wesley Foundation. "I met... Here's his email. He seemed to like the service, and was a very nice young man."

One of the places where the students find this "home" is in the Wesley Lounge, located within Newark U.M.C. This is a safe and place close to campus where there is always a soda in the fridge and a snack in the closet. Students take advantage of this space to congregate between classes, nap, and/or grab a quick bite when they forget their lunch. The lounge is also utilized for conversations with the Campus Pastor. We hope to provide a computer with internet access in the lounge to give students an alternative place to connect with homework assignments on the web.

The Wesley Lounge is also the home of the two Bible Studies that occur on Wednesday and Thursday nights. The fall semester saw an increase in participation from the freshman class therefore we responded with providing a second Bible Study in order to meet the schedules of the majority of interested students. Each class has its own personality with its own way of discussing and exploring the scriptures in hand. With the start of the new academic year, we decided to do the Gospel of Mark since it was the shortest Gospel. By the end of the year we were done with chapter three. It's good to witness God's word and the life and ministry of Jesus Christ inspiring such dialogue and interest among college students. We will continue diligent march through Mark's Gospel until we reach the end, hopefully by 2009 if we're lucky.

Our Fellowship time on Sunday afternoons following the 11:00 services is also located in the Wesley Lounge. The kind members of Newark U.M.C. provide a delicious brunch for us from bagels and fruit to breakfast casseroles. There's nothing like homemade goodies when you're in college. We started the fall semester discussing some of the issues in the Book of Resolutions. Then, about half way through the semester, we explored the Myers Briggs Personality Types. We found out what types we were, and discussed how our type might inform how we relate to one another, and to God. We found connections between the concept of "the Body of Christ" and the personality types. It was a way to affirm one another in who we are, our similarities, and our differences as Children of God.

Change can be a scary thing, but it can also be a very exciting thing. Our hope is that we will be able to hold onto the traditions of the past that keep us grounded in who we are as the Wesley Foundation Campus Ministry of the United Methodist Church at the University of Delaware. And, we want to keep our hearts open to what God may be calling us to do in the future in order to share the Good News of Jesus Christ to all who have "ears to hear" on and off campus.

Section 3 Goals for 2008:

1. Increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus.
2. Increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, and promotional displays and presence at Annual Conference.

3. Assist in the transition from High School to College life by informing High School seniors and their youth directors of our ministry at the University of Delaware by having a presence at the Conference Youth rally.
4. Continue to provide mission opportunities for students both locally and nationally, and internationally.
5. Continue to provide meaningful Bible Study opportunities for the students to explore and engage the word of God.
6. Continue to provide a safe place where all students are welcome to share their faith journey with one another.
7. Expand the Wesley Foundation Campus Ministry to provide a group for those in post graduate studies.
8. Expand the Board of Directors to include more pastors from the Peninsula Delaware Conference, parents of students of the University of Delaware, and staff of the University of Delaware in order to increase varying viewpoints and to better delegate the responsibilities of fundraising and overseeing the ministry of the Wesley Foundation.
9. Provide a conference-wide campus ministry retreat with the cooperation of the other Wesley Foundation Campus Ministries of the conference.
10. Review past goals and create a short term and long term vision for Wesley Foundation Campus Ministry with the help of an outside facilitator.

Commission on Archives and History

Review of Goals:

1. **Operation of Barratts Chapel & Museum.** Every Conference has a Commission on Archives and History. However, ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. It is an honor and privilege for us to own and operate Barratt's Chapel & Museum. In its 228th year, Barratt's Chapel is the oldest surviving Methodist Church in America, and because of the historic events that happened there in 1784, it is the Independence Hall of American Methodism.
 - a. **It is our responsibility by The Discipline** (paragraph 640.1) to be the repository for the archives of the annual conference, and to retain the records of closed churches.
 - i. Through the Museum we continue to collect, preserve, and interpret archives and historic records. A Library devoted to Methodist History is open to researchers.
 - ii. Staff are on hand to help with research requests and genealogical services.
 - iii. The Chapel is frequently used for weddings and funerals, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30 and at other times by appointment.
 - b. **Barratt's Wesley Partnership:** We continue our partnership with Wesley College. From this partnership many benefits have emerged:
 - i. The Chapel and Museum are available to Wesley College History majors for research and internships.
 - ii. Wesley College Students and music Faculty provided musical support at the Charles Wesley Tercentennial Hymn Sing, along with the premier performance of a new musical setting to Charles Wesley's "Wresting Jacob."
 - iii. Wesley College continues to be an enormous blessing to the Commission, the Conference, and to the General Church in making its maintenance staff available for building maintenance and care of the grounds.
 - iv. Wesley's catering services are available for weddings and special services, and have provided generous refreshments for the Carol Service, Anniversary Service, and Charles Wesley Hymn sing.

- c. **Maintenance:** With a 228 year old Chapel and two other buildings, there are always maintenance issues. Wesley College has assumed the routine maintenance of the chapel, museum and vestry.
 - i. Repair Cemetery Wall. The wall between the cemetery and chapel properties is the responsibility of the Commission. During the year, the whole length of the wall (approximately 450 ft) was repaired, including a 30 ft section that had to be completely rebuilt.
 - ii. The Chapel is in good repair. The addition of air conditioning has made summer weddings more attractive. Revenue from weddings goes to the maintenance of the Chapel, and brings many guests and visitors to the site.
 - iii. The Museum and Vestry are in good repair.

d. **Acquisitions:** A great number of files have been deposited in the Conference Archives from the Bishop's Office and the Conference Resource Center. They are being catalogued and stored.

- i. Additional filing cabinets have been purchased.
- ii. Room for additional storage has been made in the 'Museum Room', which is constructed as a fireproof vault.

Rachael D. Eleuterio

iii. Rachel Tezcan, former intern at Barratt's Chapel and Museum, who works for the State Archives, has offered to make recommendations for storage and display of records and artifacts at the Museum.

State Archives Museum

e. **Usage:** Although Barratt's Chapel no longer has an active membership, it remains a busy venue for worship and learning. These statistics for 2007 reflect an increase of 300 over 2006:

i. Regular Visitors	330
ii. Confirmation Classes (20)	256
iii. Weddings (14)	2,132
iv. Funerals (3)	325
v. College students & faculty	27
vi. Tours	144
vii. Special Services	350
viii. Researchers	22
ix. Research Requests	45

TOTAL 3604

2. **We will continue to support local church historians and their projects.** The Museum at Barratt's Chapel is the repository the Conference Archives. Barb Duffin, Site Administrator, and trained volunteers, are available to help local churches discover, preserve, and tell their history.
3. **Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke.** The guest speaker for the 2007 Anniversary service was the Rev. Dr. James Tudor Seymour, recently retired Conference Resource Director, and long time Friend of Barratt's Chapel.
4. **Peninsula-Delaware Conference Historical Society:** The new Peninsula-Delaware Conference Historical Society has formed with 59 Charter Members. There have been two meetings of the Historical Society. The first at Kent Island United Methodist Church celebrated the 50th anniversary of Full Clergy rights for Women. The second, at Waugh Chapel in Cambridge included a workshop on how to create a video history of your church. Early in 2008, Vol. 1, No. 1 of the Peninsula-Delaware Conference Historical Society News Letter was published.
5. **Barratt's Ambassador Program.** Please make note of the Barratt's Ambassador Program. Do you need a program for a fellowship dinner or a speaker during the Pastor's vacation? The Commission on Archives and History has a group of trained Ambassadors who would love to speak to your congregation or a group in your church. To arrange an Ambassador please call 302-335-5544 or e-mail us at Barratts@aol.com.
6. **Produce two newsletters a year.** In conjunction with the Friends of Barratt's two newsletters were published and mailed to nearly 1000 "friends." The newsletter

brings news from the Chapel, Archives, and Museum, information about resources that are there, as well as donated artifacts and acquisitions. The newsletter also solicits 'Friends Memberships.' In 2007, the Friends of Barratt's contributed \$7991 for the maintenance and operation of the Chapel.

7. **Support the work of the Friends of Barratt's.** We are so grateful to the Friends of Barratt's for their interest and support of Barratt's Chapel & Museum. Their efforts help with the maintenance and operation of the facility.
8. **Bishop's Lot:** The Commission on Archives and History has revisited its desire to develop a small "Bishop's Lot" where United Methodist Bishops and their spouses can be interred. Twenty-Seven Bishops have been contacted for their input as the Commission considers various options.
9. **Delaware 1 / US 113 Realignment:** Commission members, along with a representative of the Cemetery Trustees, met with engineers from the Delaware Department of Transportation to discuss the realignment of Routes 1 and 113 from Little Heaven to Frederica. We emphasized both the need for safe access to the Chapel and Cemetery for visitors and funeral processions, as well as the need for good signage from the north and south.

Other Developments

1. **NEJCAH Annual Meeting:** The Peninsula-Delaware Conference Commission on Archives and History hosted the Northeastern Jurisdiction Commission on Archives and History meeting May 8-10, 2007. Over 100 Historians from the Northeastern Jurisdiction were greeted in Cambridge, MD by Bishop Marcus Matthews, Dr. J.T. Seymour, Dr. Sandra Steiner Ball, and Rev. Bill Sterling, along with Commission Members and Dr. Robert Williams, General Secretary of the General Commission on Archives and History. During the meeting, four notable United Methodists from the Maryland side of the Conference were highlighted with historic presentations. They were: Ezekiel Cooper (Denton) Joshua Thomas (Deal Island) Charles A. Tindley (Berlin) and Harriett Tubman (Cambridge). The tour on May 9 focused on Harriett Tubman and Joshua Thomas, with visits to Metropolitan United Methodist Church in Princess Anne, the University of Maryland Eastern Shore, Joshua Thomas Chapel in Deal Island, Furnace Town, and Vienna United Methodist Church. Special thanks as well to Grace United Methodist Church in Cambridge for hosting meetings and a dinner.
2. **Barratt's Advanced Special:** We sincerely thank the congregations who received a special offering in 2007 for Barratt's Chapel and Museum, and hope that even more will participate in 2008.
3. **Local Church Record Retention Policy:** Annual Conference in 2005 passed a Local Church Record Retention Policy based on recommendations from The General Commission on Archives. Our Commission is ready to help local churches define what to keep and how long to keep it.
4. **Grants:** Grants were received in 2007 from the Crystal Trust (\$15,000), the Fair Play Foundation (\$10,000), and the General Commission on Archives and History (\$5,000) for repairs to the Chapel and to the Cemetery Wall.

Goals for 2008-2009

1. Operate and Maintain Barratt's Chapel and Museum in partnership with Wesley College
2. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke at Barratt's Chapel on November 9, 2008
3. Support the Peninsula-Delaware Conference Historical Society
4. Provide support and encouragement for local church historians and their projects.

Howard Bailey Life Enrichment Program

The Howard Bailey Life Enrichment Program (HBLEP) is a ministry which is an integral part of our individual walk with the Lord, and with the combination of the church, the community, and the family, it continues to be a powerful and effective tool in the hands of those who are grounded in the boundless love of God in Jesus Christ. In our efforts to help young people along the road to meaningful adulthood, we at HBLEP understand the power and life changing spirit that God uses when one takes the time to slow down and work ahead of the difficulties presented by the society in which we live today.

In the spirit of pro-activeness our work has included training of individuals who make up the Board of Directors, our youth and young adult counselors, and the older adults whose giftedness manifests itself in the willingness to allow God to use them as he sees fit.

History of a people, lived with a realized presence of God, is still important to us. Keeping a vigilant eye on the present is still important to us. Making the teachings of our omnipresent, loving, and involved God is important to us. Accessing the libraries of the elders is still important to us. All of these areas represent opportunities for God's unending love to be offered and a sense of the reshaping hands of the potter to be experienced in the lives of those the program touches.

We are excited about the future and invite your prayers, bodily participation and your monetary gifts as we ***Gear Up*** for the work of *Changing Lives for a Changing World*.

HBLEP's Strategic Plan, Goals, and projected Conference Wide events as they relate to the Healthy Church Initiative:

HBLEP After-School Outpost:

After-school programs help children develop social skills by providing opportunities to interact with a more diverse group of their peers. For children who feel socially isolated in school, these programs can offer a less threatening environment in which to make friends and get along with others. Additionally, these activities can help to boost a child's self-confidence as they have opportunities to develop academic skills in verbal expression and technical dexterities.

Ministerial Visitation:

As we visit with local ministerial groups we hope to sensitize church leaders to the realities of life of our youth and elicit their support for our efforts. As many of these youth, now in crisis sectors of life, high crime neighborhoods, stark family living conditions, lack of self motivation, are led to coping sectors, they, along with their families, communities and local churches will benefit to the end that major change will take place. Ministers have many opportunities to share with us through their contacts with youth, church leaders, public figures and personal resources.

Community Survey of Needs and Desires:

We have done a preliminary survey to ascertain community needs and desires; we will do a follow-up survey to learn how we have met some of these needs and desires and what we may do to improve how we have addressed them.

Empowerment of Christian Educators:

One facet of HBLEP is the teaching and training of adult leaders. We will seek opportunities to train adult and youth leaders for Vacation Bible School. This will fill an obvious need in many local churches. Along with learning, what the Scriptures say there is a need to comprehend and apprehend their meaning to the end they can be applied to real life situations, thus positively impacting the lives of individuals and groups of people. By this process, HBLEP will widen its scope of influence and marketability.

HBLEP—Social Solutions

Continued Implementation of *Social Solutions LLC—5 Year—Strategic Plan ...* for our strategic visioning and direction. — This Strategic Plan determines where our organization is going over the next five years, how we are going to get there and how we'll know if got there or not. The focus of our strategic plan is on the entire organization. The strategic plan greatly helps us to clarify the organization's plans and ensure that key leaders are all "on the same script."

Experience tells us participation in this Howard Bailey Life Enrichment Program affects in a meaningful and positive way all persons, his/her family, church, and community. We offer opportunity for our seniors, younger adults and youth to be in a collective learning and teaching model.

As you *Gear Up* and find yourself looking for a way to help, to teach, and to be a positive, moving force in the lives of young people, come and help us *train effective leaders, discover and use God's gifts, and learn about the neighborhoods you live in.* Come and help us in this ministry. God has given us a way to put your wisdom of years, your experiences, and your walk with Him to a very good use!

RESOURCE DEVELOPMENT & MANAGEMENT TEAM

In developing our goals and objectives, the Resource Development & Management Team has prayed about and reflected on the mission and vision statements of the Peninsula-Delaware Annual Conference and the Healthy Church Initiative. This team has focused on the parts of the vision statement calling to "empower individuals and churches," and "to develop, supply and support leadership for mission and ministry," particularly in terms of the financial management and administrative management of the Conference and the local church. Under the Healthy Church Initiative, we have focused on training/resourcing needs. Our goals, detailed below, reflect where the Resource Development & Management Team sees not only areas of need but also opportunities to carry out the mission, vision and Healthy Church Initiative of the Conference.

1. The Resource Development & Management Team will continue collaborative efforts with the Council on Finance and Administration, Board of Pensions and the Commission on Equitable Compensation to review the total financial resources of the Conference and to ensure effective stewardship of those resources. This effort may be most active during the budget process but will continue throughout the Conference year. The RD&M team will continue to receive annual report outs from the teams and agencies that make up its membership.
2. The Resource Development & Management Team will continue a task force to address issues of stewardship education and will plan and conduct conference wide seminars.
3. The Resource Development & Management Team will produce a consolidated manual of conference policies and procedures. They will be sent to the appropriate conference agencies for review and any update actions by Annual Conference.
4. The Resource Development & Management Team will respond to requests received for study or action from other Conference committees as necessary.

Board of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board brought a resolution to the 2007 Annual Conference installing a new health insurance plan featuring a High Deductible Insurance Plan coupled with Health Savings Accounts or a Health Reimbursement Account. Since that plan became effective January 1, 2008, its effect on cost will not have been credibly determined by the time of the Annual Conference. This latest change in the plan is the result of a determined effort to stay abreast of the best ideas relating to providing good benefits at reasonable cost.

After careful consideration of all the factors involved in determining the proper amount to charge participants and churches for health insurance, the Insurance Committee has recommended to the board that there be no increase in those charges for 2009.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2008 was increased to \$510 per year of service and was approved at Annual Conference.
4. The General Board of Pension & Health Benefits presented to the districts, an explanation of the new pension plan, Clergy Retirement Security Program (CRSP).

2008 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2009.
4. The Board will participate in conference efforts to continue to address the issue of the reduced but still large unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.
6. The Board will continue efforts to develop programs to encourage clergy and other health plan participants to live a healthy lifestyle.

7. The Board in its continuing efforts to encourage good health habits and preventive care is surveying the conference to assess the possibility of offering support for using a screening program. The Board will also provide, through email, a monthly newsletter entitled "Healthy Habits". In addition, a web space entitled "Conference Benefits" located on www.pen-del.org will be provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of fifty-three years is putting great pressure on the financial resources of the conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.
2. There is concern that some churches are not meeting their obligation to pay their share of health insurance costs on a timely basis. The total arrearages are building and if something is not done to make churches pay their share, other more responsible churches will have their costs increased to cover the shortage.
3. The unfunded liability for retiree health care benefits still stands at about \$12,000,000. If the conference is to reduce or eliminate this obligation, we must either raise the \$12,000,000 plus more for future benefit accruals or reduce the retiree benefit obligation by reducing the benefits or the number of persons receiving those benefits. Benefit changes shifting some costs to beneficiaries and the Medicare Part D have helped but the Annual Conference still needs to face its obligation.
4. The new defined benefit pension benefit (CRSP) has moved market risk from individual beneficiaries to the conference. A major problem in financial markets could impose a large obligation on the conference. The Board must develop a policy to hedge or control that risk. This new risk plus the issues raised above reemphasize the need to build and protect accrued benefit reserves.

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events.
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventative benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from www.gbophb.org using a password provided by the GBOPHB

Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate relating to the Pre 1982 Pension Plan for 2009 be set at \$522 per year of approved service.
2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTER OF THE PENINSULA-DELAWARE CONFERENCE**

The Peninsula-Delaware Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for retired or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons");

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for retired and disabled Clergypersons who are or were members of this Conference;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2008 by each retired or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that a retired or disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent

or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

3. Resolution relating to Health Insurance Arrearages

WHEREAS,

1. The Peninsula-Delaware Annual Conference has adopted a plan for sharing the cost of providing quality health insurance to clergy and staff serving the conference and its charges.
2. There are some churches and charges that fail to meet on a timely basis their obligations under that plan,
3. Since failure to pay monthly premiums could result in suspension of benefits, the Board of Pensions must take funds from other sources.
4. The amount of unpaid obligation has grown from \$55,000 at the end of 2006 to \$85,000 at the end of 2007.
5. The Board of Pensions has no mechanism to force compliance with the established cost-sharing policy. Its only recourse is to increase the cost to churches who meet their obligations to cover the cost for those who do not.
6. The Board believes that the actions able to be taken under #5 above are not the intention of the Annual Conference.
7. Any decision to cover for the churches that do not meet their obligations (if there is to be such a decision) should be made with full disclosure and should not impact funds collected for Health Insurance and Pension liabilities.

THEREFORE, BE IT RESOLVED:

Following the second quarter of each year, the Conference Treasurer shall receive a report from the Board of Pensions listing all churches and charges in arrears as of the date of such determination and the amount of arrearages as of that date. The treasurer shall pay from the general funds of the conference to the Board of Pensions the total amount in arrears. The amount paid for each church in arrears shall be deducted from its apportionment. The report on apportionment payment for the year shall reflect the net after such deduction and the amount paid for reimbursement for each church shall be published with the apportionment report.

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2009 Equitable Compensation budget is \$137,500. Funds expended in 2007 totaled \$143,341. As part of this report, there is attached a list of the churches and charges that received assistance in 2007.

The Commission issues a brochure, "Guideline for Pastor's Compensation" which is intended to provide assistance and guidance to Pastor Relations Committees.

Recommendations

1. The Commission makes the following minimum salary recommendations for 2009

Full Member	\$31,825
Probationary Associate	29,170
Full Time Local Pastor	27,130
Commissioned (elder track) but not completed seminary	23,870
Student Pastor	23,870*

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

Service increments will be \$140 per year up to maximum of fifteen (15) years.

2. The Commission recommends that the reimbursement for travel expenses during 2009 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that Pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

Board of Trustees

The Conference Board of Trustees is charged with the responsibility to supervise and maintain all property and investments belonging to the Peninsula-Delaware Conference.

All financial income earned from Trust accounts have been distributed to the beneficiaries for 2006. Proceeds from the sale of all properties are currently invested and will be used as directed by the Annual Conference.

Along with several church property issues, the Board is currently addressing such pending issues as: the possibility of incorporating Camp Pecometh; the continuation of the lease/sale of the Eastlake (W) property to the Elise R. Brown Family Life Center, Inc.; and cemeteries connected to church properties.

We give God thanks for the faithfulness of the Board of Trustees in fulfilling their responsibilities this past year. The Board would like to extend gratitude to Bill Westbrook for his valuable assistance.

Council on Finance and Administration

The following new members were welcomed and joined CF&A this year: Rev. Sandra Steiner Ball, Mr. Derek Clifton, and Mr. Roger Vandergrift. We give thanks for their fresh ideas and support of the work of CF&A.

In service to Our Risen Lord, CF&A addressed the following key challenges this year:

1. For the 22nd consecutive year, the Peninsula-Delaware Annual Conference has fully met its funding covenant with the General Church. Few Annual Conferences are able to achieve this level of commitment in any given year and no one has exceeded this record.
2. Conference ministry funding continues to be constrained. CF&A has worked collaboratively with all Conference leaders to identify creative approaches so that the limited funds are employed most productively towards achieving the mission of the Annual Conference. A ministry funding plan totaling \$5,139,250 was recommended and approved for the year 2008. A preliminary funding plan totaling \$5,267,313 has been prepared for 2009. The finalized funding plan will be placed before the Annual Conference for its prayerful consideration and adoption.
3. In 2007, 94.6% of the adjusted local church apportionments were received by the Conference. This percentage had been slowly declining for several years. CF&A is appreciative of the special efforts of many local churches to pay their apportionments in full. A result of this effort is that the decline has been arrested. Praise the Lord!
4. Apportionment adjustment requests for 2008 were approved totaling \$73,000 or 73% of the available funds. To fund the important ministries of the Annual Conference, it is critical that local churches continue to strive to fully meet their adjusted apportionment covenant.
5. CF&A has continued to creatively fund the Conference Healthy Church Initiative by reprioritizing and reallocating conference funds, thus avoiding significant additions to local church apportionments.
6. CF&A faithfully performed various administrative and financial responsibilities in support of conference ministry.

Goals for 2008/2009 include:

1. Continue to work collaboratively with all Conference leaders, boards and teams such that the ministries of the annual conference will be successful and can fully witness for Christ.
2. Recommend for annual conference adoption, a plan of anticipated income and expenditures for 2010, which will support the conference in achieving its mission. In so doing, CF&A will creatively identify resources to support the many ministries and will prayerfully consider recommendations for apportionment adjustments when and if submitted by the District Apportionment Review Committees. CF&A will prepare recommendations for funding of conference ministries if receipts fall short of fully underwriting the approved funding plan.
3. To the best of our ability, CF&A will strive to meet the administrative responsibilities as set forth in the Discipline including a comprehensive financial audit of accounts and accounting processes. Within this area, CF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.
4. CF&A will respond to challenges and needs that are identified by GCF&A (General Church Conference on Finance and Administration). This may be particularly challenging as GCF&A responds to actions adopted at the 2008 General Conference session.

Communications Commission

During 2007, the Communications Commission continued their work helping local congregations and the Annual Conference tell the story of God's acts in the Peninsula-Delaware Conference. The Commission and the Communications Coordinator have implemented changes in the Conference web site and The Communicator that better facilitate the sharing of information. Utilizing the email blast and weekly conference emails, we have been able to increase the efficiency and timeliness of Conference news dissemination and notification of upcoming local church events within the entire Annual Conference.

Through the Communications Commission, the Annual Conference continues to participate in Igniting Ministries. This year First United Methodist Church in Chestertown, Maryland joins Leeds in Elkton, Maryland and Aldersgate in Wilmington, Delaware with being recognized as an Official Welcoming Church. We continue to work with local congregations, assisting them in the areas of welcoming hospitality and outreach through Igniting Ministries.

As the Peninsula-Delaware Conference keeps moving into the Healthy Church Initiative, the Communications Commission remains committed to be in a covenant relationship resourcing the Conference and local churches helping them tell the Good News of God's work among us. We will continue to help churches live into the promise of Open Hearts - Open Minds - Open Doors.

Investment Committee

In 2007 the Conference Investment Committee continued their relationships with Merrill Lynch and the Eastern Pennsylvania-Peninsula United Methodist Foundation as their investment managers for the assets under the committee's responsibility. The Conference Investment Committee has responsibility for the investment of assets for the Board of Pensions and other conference agencies which have chosen to place assets with this group.

The managed investment portfolio of \$10.3 million at Merrill Lynch is allocated 65% to stocks and 35% to bonds with additional liquidity/short term bond accounts of \$3.4 million. For the full year of 2007 the Merrill Lynch investment portfolios were up 8.56%, versus a benchmark of 6.27%. We are pleased that this out-performance exceeds the fees paid for investment services. Since inception of the relationship with Merrill Lynch in late 2004 the portfolio has had a 9.06% average annual return versus a benchmark of 8.13%. The asset class portfolios and managers used are listed below:

Asset Class	Manager	Percent of total portfolio
Large Cap Relative Value	Davis Advisors	13%
Large Cap Deep Value	NFJ/PAMA	14%
Large Cap Growth	Lighthouse	12%
Large Cap Growth	Neuberger Berman	12%
Mid Cap Value	Perkins/Janus	4%
Mid Cap Growth	Cadence	5%
Small/Mid Cap Core	Jennison	5%
International	JP Morgan	9%
International	MFS	5%
Fixed Income	PIMCO	10%
Fixed Income	ING	11%

An additional \$1.8 million of conference assets are managed by the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc. in either a balanced account of 50% stock/50% bonds or all short term fixed income investments.

VISION TEAM

The Vision Team is the policy-setting and decision-making body for the Annual Conference between conference sessions. It assures that the ministry and mission of the Conference is consistent with the Conference's Vision and Mission. Its role is being further expanded to provide conference leadership for the Healthy Church Initiative. Bishop Marcus Matthews has brought a vision for making disciples through an approach that has become known as the Healthy Church Initiative (HCI). The Healthy Church Initiative is

A Pathway to Healthy Disciples involved in Healthy Ministry Leading to Healthy Churches

Making Disciples of Jesus Christ is the priority of the Healthy Church Initiative. The ministry needs of the Local Church are becoming the center of how we set priorities, plan and carry out Conference ministry. The Healthy Church Initiative is designed to assist church leaders, clergy and laity, to become more effective in sharing the Gospel of Jesus Christ with the world. The Healthy Church Initiative is also about strengthening the partnership between clergy and laity so that together we can more effectively be a healthy Body of Christ working to transform the world.

In the Healthy Church Initiative, attention is being given to what the Local Churches tell us are needed in terms of resourcing instead of making assumptions about what resources, training events, or workshops would be helpful. For example, an event, workshop, or training must reflect the goals of the Healthy Church Initiative and focus on the following:

- Discover and address the needs of our Local Churches
- Promote relationships between Local Church, District and Conference
- Establish follow-up plans for events
- Resource the Local Churches, District, or Conference in one of the 12 pathways being promoted by the Healthy Church Initiative:
 1. Train effective Leaders
 2. Hospitality
 3. Equip and Send to serve
 4. Grow in Groups
 5. Care for Others
 6. Know your Neighborhood
 7. Prayer (Talk with God)
 8. Create Inspiring Worship
 9. Share Christ
 10. Gifts Discovery and use
 11. Stewardship
 12. Connect with your neighbors

In September, the Healthy Church Initiative and the Board of Ordained Ministry held District Trainings with Pastors, Staff Parish Relations Committees, Lay Leaders, and Administrative Board/Council Chairpersons. This training on the process of putting together a Local Church Ministry Covenant was attended by over 1,300 persons in our Conference. This training was developed to meet the discovered need of our Local Churches and Pastors for a healthier way to communicate shared goals and expectations for Local Church mission and ministry. Additionally, there was a need to develop a system and plan for better feedback and a healthier, more proactive process for both pastor and church evaluation. A second, took place on each District in January 2008. These particular trainings resourced our Local Churches in the following Healthy Church Initiative pathways: Training for Effective Leadership, Gifts Discovery and Use, and Knowing Your Neighborhood.

The process of beginning to develop a Local Church Ministry Covenant reminds us that ministry is not generic. Just because some ministry worked in one community does not necessarily mean it will work in another. We need to discover the passions and gifts for ministry in both our laity and clergy; and we need to enable those persons to use their gifts. We also need to discover or re-discover our Neighborhood today, in 2008 - 2009. Our neighborhoods are not the same as they were 10, 15, 20 years ago. If we are still doing ministry in the same ways that we were doing it 10, 15, 20 years ago, then chances are we have lost touch with our Neighborhood and need to rediscover it in order to truly know and meet the needs. A Ministry Covenant also reminds us that ministry is too important to be left up to chance. We must plan. We must set goals.

We must talk about expectations and make decisions about how the pastor and members of our congregations will work together to carry out the ministry and mission of Jesus Christ. Your church/charge should be starting to work on its own Ministry Covenant just as the Vision Team and other teams, boards, agencies, the cabinet, etc are working on their own Ministry Covenant plans.

For the Vision Team this means a change of focus. Rather than being a reporting table for the ministries of the Conference, it will take on a significant resource development role so that local churches can have access to the most experienced, best trained, and Holy Spirit inspired people in our Conference. This will help local churches discern where they need to grow and to assist in providing resources to do so. This will take great prayer power, commitment, and perseverance for the Vision Team has not gone by this way before.

When the Vision Team leadership considered the HCl it became apparent God is doing a new thing. Our scripture focus is Isaiah 43:19a "Behold, I am doing a new thing! Now it springs up, do you not perceive it?" As we prayerfully approached this new way of springing up, we recognized a partnership being formed between the local church and the conference. To reconnect the Local Churches with the Conference we adopted a resolution last year that dissolved the Nominations Team and set up a Committee on Clergy and Lay Leadership. This committee has been visiting Local Churches, discovering wonderful ministries in the Local Churches of our Conference and has discovered needs of our Local Churches. The Vision Team is listening to and receiving the reports coming out of this committee and is working to bring the resources needed to the churches, which need them. We are also prioritizing Conference Ministries to meet the needs that are being identified in our Local Churches. As we are living into this new partnership between local churches and Conference, it is indeed becoming a **Covenant for Ministry**.

Our **Covenant for Ministry** places making disciples and transforming lives as the primary work of the church. The Vision Team is developing resources to assist in providing tools for change. **Covenant for Ministry** is reflective of the partnership between the Local Churches and the Conference so we can do ministry together, to bring salvation, restoration and transformation. The Christian life is a shared life.

A major responsibility of the Vision Team is the review and development of the Conference Covenant Funding Plan. A Funding Plan task force is appointed each year to prepare a proposal to be approved by the Vision Team and then sent to Conference Council on Finance & Administration. Annually the task force reviews teams and board budgets and crunches numbers in order to reach a balanced funding plan. A new process was implemented this year that asked the conference teams, boards and agencies to identify how their on going and projected ministries fit with the Healthy Church Initiative. The process also asked for ministry groups to project 12 to 18 months out in terms of their goals. This "new way" was well received and fostered greater communication and understanding. Through much prayer and discernment, came the **Covenant Funding Plan** for 2009. It continues to reflect the new ministry approach to stewardship begun last year and it mirrors our commitment to the Healthy Church Initiative and the partnership in ministry with the Local Church. You can find the **Covenant Funding Plan** in this publication, when you review it, give God praise for the thing God is doing.

The Vision Team continues to ask you to covenant with them, to pray that as we move forward together to make disciples of Jesus Christ that we heed the words of the prophet Isaiah "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?" (43:18,19a).

We serve a redeeming God, who is redeeming broken lives from a life of sin and transforming them for His glory. As the church, we are to be faithful to Jesus Christ in carrying out the Great Commission of making disciples of all people.

How Healthy Church Initiative Fits with General Conference Direction

"For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope." Jeremiah 29:11

The prophet Jeremiah makes it clear that God's vision and purpose for God's people is to give us a future and hope. Future and Hope are themes that directly relate to our Conference's Healthy Church Initiative as well as to the work and ministry of the General Conference of the United Methodist Church.

Our United Methodist Bishops have been discussing seven vision pathways: 1) Teach the Wesleyan way of reaching and making Disciples of Jesus Christ; 2) Strengthen Clergy and Lay Leadership; 3) Transform existing congregations; 4) Develop New Congregations; 5) End racism as we expand racial/ethnic ministry; 6) Eliminate poverty in community with the poor; and 7) Reach and transform the lives of the new generation of Children. These ideas and issues contained in these seven pathways have been captured in four missional initiatives that will be discussed at the meeting of the General Conference in April. These missional initiatives are: Leadership Development; New Church Starts; Ministry with the Poor; and Global Health.

The discussion about setting these missional initiatives as priorities for the ministry of The United Methodist Church sets a direction for the future and gives hope. Spiritual, effective leadership, both lay and clergy, are needed if we are to really make disciples that will transform the world. Spiritual, effective, engaged, passionate leadership is needed to transform our existing congregations into healthier, more vibrant, more relevant communities of faith that will transform the world.

New Church Starts will give opportunities to think about how to do and be the church in different ways. New Church Starts are not a subtraction, something that takes away from our existing churches. New Church Starts are additions, additions that hold the possibility for engaging and inviting people into a personal relationship with Christ in ways that will rock their world. As these persons come into a contagious relationship with Christ they, in turn, will be inspired to share their discovery and rock the world of other persons in ways that hold the opportunity of transforming the world.

We have an abundant God, a God who gave, who gives, and who will continue to give abundantly. Why? Why does God bless us? Why, so we can give abundantly to others. God does not mean for any of God's children to have a meager, measly existence. Ministry to and with the poor means getting to know our neighbors and involves ministry to and with the people in our neighborhoods, both locally and globally. To be a true follower of Christ is to be in ministry with the poor – the financially poor, the materially poor, the physically poor, the poor in Spirit – it is about loving our neighbors as ourselves. And our neighbors, who come in all shapes, sizes, colors, ethnicities, races, social status, are our responsibility as the Body of Christ.

The Global Health of our world impacts all of us. As Christians we are called to be good stewards of the world, all it's resources and all its people. We need to work together to eradicate diseases like Malaria and Aids that destroy God's people. We are being called to caring, compassionate action. Christ died so that we might ALL, not some, but ALL have life, and have life abundantly.

What kind of hope might God work to bring through The United Methodist Church if we could bring our prayers, presence, gifts, and service to these four missional initiatives? What might the future of The United Methodist Church look like if we call all to get

behind these four missional initiatives, and prioritize our ministry around these initiatives?

What would happen if our Annual Conference was to Gear Up, Reach In, Reach Out, and Live In – to being the living, healthy, active, passionate presence of the missional, living Body of Christ? What would happen? Hope would bloom! There would be no fear for the future! There would be no lack of people becoming and desiring to become Disciples of Christ, and, we would, in and through Christ, be transforming the world!

This is God's Vision for the Peninsula- Delaware Conference of The United Methodist Church! Praise God!

New Church Development

Throughout 2007 and into 2008, our team has continued to try to encourage a culture that promotes imagination, possibility, effectiveness, and accountability in developing new church development and the redevelopment of existing churches.

The members of this team have a burning passion and a great enthusiasm for developing congregations so they can reach out, offer the love of Christ, and *make disciples*.

Our team begins our meetings with Bible Study and prayer. We have found that God provides *just the right Word* to us each time we gather. At each team meeting, we review the accountability reports from each new start pastor. This monthly report enables us to get a clearer sense of the progress and the needs of each new church start.

Grants were given to assist each new church start in their work in 2007 and 2008, along with the compensation packages each new church start has negotiated with their Superintendent. New church starts receiving this team's money include:

Daybreak pastored by Jim Hawkins

Hope pastored by Tom Pasmore

Higher Hope pastored by Janice Humphrey

Bayside Chapel (our newest start partnered with St. Matthew's-by-the-Sea)

pastored by Rich Evans

This year we did close one of our new church starts in Seaford: Evergreen, but out of those ashes a Phoenix is trying to rise in the ministry of Siempre Verde. Siempre Verde is a ministry that reaches out to our Hispanic brothers and sisters in Christ. This budding ministry is beginning as a partnership between, St. John's UMC, Union UMC, and Cannon UMC.

Review of Goals for 2007 and 2008

- To identify current new church development occurring in the annual conference and assess the current health, concerns, and needs of each. **Goal met through accountability form filled out monthly by new starts.**

- To work with the annual conference on developing financial resources to assist the development of new churches. **Goal continues to be worked on in various ways through Vision Team and with individual churches.**
- To allocate financial resources to developing churches. **Goal met.**

- To put an accountability process in place for financial resources received by developing churches. **Goal met through accountability form filled out monthly by new starts.**

- To work with the Cabinet and Bishop in identifying areas within the annual conference where new church development can take place. **Goal begun.**
- To make new church development a priority of the annual conference. **Goal ongoing.**
- To offer funds to congregations to assist in their R&R (retooling and redeveloping). **Goal continuing to be met.**

Update on 2008 Goals

- To continue the goals we presently have in place.
- To work with the Healthy Church Initiative and with Superintendents on assisting in strengthening churches in growing areas who have the opportunity to *restart* or to *start something new* and who have the desire to add additional ministry sites.

Goals for 2009

- To continue the above goals.
- To work with our Urban Churches on strategy, action plans and resources.
- To have the Cabinet and Bishop receive training in *developing new congregations and redeveloping existing ones.*
- To provide training and continuing education opportunities for our New Start Pastors.
- To begin one new congregation.
- To offer an event for the purpose of teaching churches how to include persons *fully* in the body of Christ.

Neighborhood House, Inc

With God's love from within, Neighborhood House provides services and programs that educate, enlighten and empower people and the community

Neighborhood House, Inc. is an organization that operates on a foundation of Christian principles and seeks to assist and provide leadership, support and guidance to people so they find and keep their own paths of awareness, self-sufficiency and success.

In the midst of world devastation, natural disasters and economic crisis, no one knows what tomorrow will bring!

We must continue to reach out and touch the lives of those that need it most. The lives of those not prepared who became and are becoming unfortunate recipients of despair and uncertainty. The number of families hit the hardest is growing.

The economy suggests that we will not see the traditional faces of those that need help from our food closet, or rental/mortgage assistance programs, but those who have a good paying job but still can't make ends meet because of childcare costs or the rising cost of fuel for travel or to heat their homes and feed their children or simply providing adequate neighborhoods; they live in the suburbs or in cities that are considered middle and upper class. *Remember that if you see a person in need, their shoes can fit your feet; it's the man in the mirror!*

2007 Highlights

Significant community-based challenges and opportunities continue to drive operational change at Neighborhood House, Inc. In response to a citywide escalation in violent crime, Wilmington Mayor James Baker created the Wilmington HOPE commission to both analyze and react to the root causes of violence.

The commission created a series of responsive strategies. One of which became the creation of HOPE Zones, where innovative approaches and new partnerships would be developed to attack the problem on a neighborhood-by-neighborhood basis. South Wilmington was designated as the city's first HOPE Zone and Neighborhood House selected as the lead agency to coordinate and serve as fiscal agent for this pioneering effort.

As a result, over \$300, 000 in new program resources have been made available for youth development, employment preparation and community beautification projects for Southbridge. 2008 will see the addition of projects for ex-offenders returning from incarceration and an expanded version of the P.A.I.D. pre-employment training program under the direction of local Councilwoman Hanifa Shabazz.

Local teens helped beautify the community by painting murals for neighborhood display, cleaning, and planting at "Millie Cannon Park" at B and South Heald Streets, one block from our building.

The sub prime mortgage crisis was reflected significantly in housing counseling operations during 2007. We estimate that mortgage default averages rose by more than 50% during the year, which taxed our staff and agency relief funds beyond capacity. In 2008, a city of Wilmington grant has made an additional part-time counselor available in the Wilmington office, thereby allowing us to respond to this still growing urgent situation.

Youth Services saw the end of the three year Creating Lasting Family Connections cycle and the beginning of the All Stars program. All Stars functions as another drug avoidance and wholesome life style project for middle school students and operates primarily at the local Elbert-Palmer School.

Our CAFÉ after-school learning project will continue at Bancroft, Kuumba Academy and Elbert-Palmer Schools until September 2008 as the ending of a five-year partnership, which includes Christina Cultural Arts Center.

Our Family Service and Weatherization programs both established new records for levels of service in 2007. The challenges of our economy on low-income communities were apparent. Between Wilmington and Middletown, we served a total of 1,400 needy families in 2007 – as compared to just over 900 in 2006.

The Family Service priority is the provision of basic needs at critical times. We offer food, clothing, partial utility support or rental subsidy to families in financial crisis.

Weatherization services (including furnaces and air conditioning units) were provided to 658 households in 2007 – up from 298 households in 2006.

At 1.3 million dollars, the Weatherization program represents the largest portion of the Neighborhood House budget. Service expanded in 2007 to include additional furnaces as well as air conditioner installation.

The partnership with the University of Delaware's College of Human Resources, Education and Public Policy for the operation of childcare services is well in its inaugural year. The great hope of this effort is to introduce the University's renowned Early Learning Center to inner-city Wilmington families and children, having begun here in South Wilmington.

We are encouraged by our Healthy Wilmington grant from Delaware's Division of Public Health for local adolescent girls and by the prospect of new partnerships with Delaware Technical and Community College to encourage college matriculation and with Children and Families First for family support training.

Capital improvement grants in 2007 from the City of Wilmington and two local foundations have made possible a substantial renovation to our top floor at 1218 B Street. Our largest tenant, Progressive Life Center, which provides clinical service and

training to foster children and their families, will be relocated to newly created office and treatment space on the third floor in the spring 2008.

We will continue to operate our third floor computer lab space for use by neighborhood residents, students and specialized computer training projects.

Methodist Action Program

The Methodist Action Program continues to work with at risk populations in the City of Wilmington, New Castle and Cecil Counties. Among our ministries are the following:

- Youth Moving Forward (a 16 week intervention/prevention program for adjudicated and non-adjudicated youth)
- Sisters (a ministry for at risk teenage girls done in conjunction with the Christina School District)
- Los Abuelos (Hispanic Senior Center)
- Prison Re-Entry (Women offenders released from Baylor Correctional Facility)
- SHARE (food purchase program)
- When I Was Cold (home heating fuel assistance)

In 2007 we were able to increase our ministry to at risk teenagers through increased partnership with the Department of Youth and Rehabilitative Services, the Criminal Justice Council, Juvenile Detention Alternative and the Delaware Girls Initiative.

The 2007 MAP Walk against Violence supported the ongoing efforts of community based programs that develop anti-violence programming and empower communities to address the needs of those affected by violence. The proceeds from the walk supported the ministries of the Latin American Community Center, Pacem in Terris and the Methodist Action Program. There was a noticeable increase in the number of local churches who participated and supported the 2007 MAP Walk against Violence.

2008 Program Goals

- Organize the 2008 MAP Walk for our Children by partnering with The Latin American Community Center, Delaware Coalition Against Domestic Violence, Pacem in Terris and MAP
- Add 3 Ameri-Corp Vista workers to build capacity in Youth Moving Forward, Sisters and Los Abuelos
- To seek a Capital Grant to restore windows in Old Asbury Church
- Develop Concept Papers to address at risk youth (MAP was invited to do so by the Criminal Justice Council)
- Increase number of MAP representatives in local churches
- Identify 20 strategic churches in Wilmington District to address urban concerns

**TOUCHED by the HEART of
SALISBURY Urban Ministries**

Salisbury Urban Ministries mission is to develop and implement programs that serve and minister to the needs of materially impoverished people and to promote concern for racial understanding and appreciation of all people regardless of their economic condition.

Our programs include Kid's Café, Diamonds and Pearls, God's Kitchen, Lazarus Food Pantry, and a Saturday Welcome Center for Homeless men. Salisbury Urban Ministries operates these programs with the help of volunteers from Wicomico, Somerset and Worcester Counties.

Salisbury Urban Ministries ended the year having served over fifty children in our children and youth programs. We provided food for more than sixty-four hundred individuals through our Lazarus Program. We welcomed at our Saturday Welcome Center on average fifteen to twenty men and through God's kitchen, which is held at Grace United Methodist Church, we fed an average of 120 to 130 men, women and children each Saturday morning. In addition to these ministries we gave out over \$37,000.00 dollars in financial assistance to individuals and families to help prevent homelessness.

Because of God's generosity, shared through the Peninsula-Delaware Conference, covenant churches, area churches, local businesses, civic groups and individuals, Salisbury Urban Ministries ended the year of 2007 with the much needed support to continue its mission into 2008. We give thanks to God for the many blessings and friends of Salisbury Urban Ministries whose passion is to help us reach out to the materially impoverished.

We were humbled by the gifts and donations that came to us in 2007. The community blessed our children with Christmas gifts and individuals blessed our homeless men and women with warm clothes, hats, coats, gloves and food. Local churches, Shore Up and the Maryland Food Bank provided food for our pantry. One special gift came from a young woman who was quadriplegic. Out of her home, she sent flyers and letters to all her friends asking them to support Salisbury Urban Ministries by donating blankets. With the help of some friends, she delivered those blankets to us during the coldest season of this past winter.

Salisbury Urban Ministries' goal for the coming conference year is to continue to live out our mission of reaching out to the materially impoverished. We will expand our Children and Youth Program by adding a parenting program that reaches out to fathers. Our goal for the Lazarus Program is to increase awareness of this program by making ourselves available to speak at local churches, civic groups and businesses in Wicomico, Somerset and Worcester Counties, as well as, in congregations within the bounds of our Conference. We will continue to keep the doors of the Saturday Welcome Center and God's Kitchen open so that the neediest among us will not grow weary or go hungry but rather be physically and spiritually fed in the name of Christ.

PENINSULA UNITED METHODIST HOMES, INC.

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conference does not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted June 12, 1985).

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware, all continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities serve approximately 1,250 residents and employ approximately 1,000 people.

Mission Statement: Adopted July 21, 2003, the PUMH Mission Vision Values statement reads:

"PUMH, in keeping with its religious tradition, is committed to fostering an exceptional quality of life and promoting wellness, health and security for older adults. Through our stewardship, PUMH will ensure standards of excellence to meet the changing needs of those we serve.

Our Vision Statement: PUMH will fulfill its mission by being compassionate, innovative and bold. Our approach will be assured and we will have the courage to lead."

Our Values: compassion, diversity, excellence, integrity, trust and commitment.

Cokesbury Village:

The Kent Wing social model assisted living renovations were completed in early 2007. Former skilled nursing rooms were converted into spacious and well-equipped apartments with kitchens and washers and dryers for assisted living residents. In 2008-2009, additional former health care spaces in the Brandywine Wing will be converted into support facilities for assisted living for dining, activities and therapy services.

"Transitions Made Easy," our personal relocation service, is now in its fourth year and has managed close to 350 moves for those moving into or within Cokesbury Village and our other communities. A transition is also planned to expand these relocation services into the larger Wilmington area and other communities.

Cokesbury has installed a new wireless Accu-nurse system for health care documentation and communication that has proven to be a major success, allowing nursing staff more time with residents (and less time writing notes and record keeping). Cokesbury is also working on plans to expand and improve its Sussex Wing Alzheimer's unit.

Methodist Country House:

The health center renovations in Hall 3 were completed in October 2006. Construction has begun on renovations in the remaining two skilled nursing wings (Hall 2 & Hall 4) which will include improved therapy, dining and activity areas.

The ongoing heating, ventilation and air conditioning (HVAC) upgrades include energy efficient controls and systems and new equipment as required. Both Country House and Cokesbury have benefited from recent contracts to purchase electricity and natural gas at lower rates through trusted local brokers. Every effort is being made to run our facilities in the most cost-efficient manner.

A new long range master plan has been developed for Country House. The plan envisions adding nearly 214,000 square feet of new buildings for larger apartments, assisted living units, a fitness/wellness/aquatics center, new kitchen and additional dining spaces, auditorium and community room and other facilities. Preliminary applications have been submitted to New Castle County and various State agencies.

Methodist Manor House:

The final resident-supported renovations and refurbishment projects in the health center have been completed. A new master plan for Manor House is being completed which will address the need for more Alzheimer's Care units, social model assisted living units, land exercise and fitness spaces and equipment and other facilities. The Manor House is beginning to receive marketing inquiries from younger retirees who have recently moved from New Jersey, Pennsylvania and Maryland to "active adult" 55 and over communities such as Heritage Shores in Bridgeville, DE. These retirees are asking about admission to Manor House for their older relatives (left behind in those states).

The Manor House will soon celebrate the tenth anniversary of its Henlopen Wing fitness/wellness/aquatics center, which has over 250 local community members as well

as many resident and staff participants. This project received substantial support from the State of Delaware, local foundations and many residents and their families.

Heron Point of Chestertown:

Heron Point's new executive director, Thom Sinnott, is leading a resident and staff effort to complete a long-range master plan, which will address needs for additional independent living apartments, assisted living units, fitness/wellness facilities, more parking and storage for residents. Heron Point enters its' 18th year with over 300 very active residents and 220 staff.

New Retirement/Health Care Projects

PUMH is developing a new full-service continuing care retirement community named Mariposa at Bethany Beach. The first phase of this project will include 134 apartments, 36 single homes, assisted living apartments, skilled nursing and a dedicated Alzheimer's unit. In addition, this state-of-the-art facility will offer a wide variety of dining, social, recreational, fitness and wellness and other services and programs.

The Mariposa at Bethany Beach marketing office is scheduled to open this June 2008, on Route 26 in Ocean View, DE. Look for additional information on our webpage: pumh.org. PUMH is also working on a possible affordable retirement campus in Kent County, DE. This project is in the early planning stage.

Parish Nursing/Health Ministries

PUMH continues to sponsor and support the Lay Health Minister Education Program. This program provides training and mentoring to help church members integrate health awareness and education into the life of their congregation. The second class of lay health ministers recently completed training at Cornerstone United Methodist Church in Bear, Delaware.

Benevolence Funds:

In keeping with the Mission of PUMH, every resident can feel secure in always having a home. The PUMH Benevolence Program is administered by the PUMH Foundation, Inc., the philanthropic arm of PUMH. Our Benevolence Program provides financial assistance to residents, who through no fault of their own, have out-lived their resources and can no longer meet their financial obligations. The Benevolence Program provides one-time grants for residents experiencing special emergency needs and is available to prospective residents desiring to live in our communities. We project that PUMH residents will need \$310,000 in benevolence assistance during the PUMH fiscal year May 1, 2008 through April 30, 2009. We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH.

PUMH OF MARYLAND, INC.

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc. owns Heron Point, a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along

the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Currently, nearly one hundred of the Heron Point residents are enrolled in "tuition free" courses at Washington College, or teaching there.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. The market has responded positively to the services and amenities package at Heron Point and the occupancy is consistently high. Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

Diversity Initiative (PUMH Foundation) & Welcome Fund

PUMH Foundation staff and directors and PUMH residents are working on a statewide diversity initiative to build relationships with diverse community groups and attract minority and moderate income older adult residents to PUMH retirement communities. This important initiative has been coupled with our new Welcome Fund to offer retired clergy and others financial assistance with facility entry fees (and in some cases with monthly service fees through benevolence).

STRENGTHENING THE BLACK CHURCH REPORT

In All Things Give Thanks
Philippians 3:

I give God the glory for all God has done. It is with joy I begin to write about the things God has allowed me to accomplish during 2007. There were times when I would speak to some of the laity and clergy; visited the churches; they visited me in the office; or called late at night when there seemed to be some concern about clergy and laity leadership in our conference. Of course, this caught my attention but when looking at the reality of the state of the Black church in the Peninsula-Delaware Conference most congregations are beginning to grow in some way, spiritually and numerically. Especially in charges with smaller congregations there seems to be a moving toward assessing the viability of ministry in "doing it the way we've always done it." Perhaps this is why most of our churches are willing to participate in the Healthy Church Initiative. Some congregations are having vibrant worship experiences being led by energetic young adults. Some are finding new ways to nurture their members and some are creating and developing plans to go into their communities by partnering with other congregations, and other government agencies. I am convinced that this is a direct result of the small membership church workshops held in 2006. Therefore, I have been able to conduct six Communities of Shalom trainings because it is necessary to train both clergy and laity how to be effective in community ministry.

Over 225 people have participated in other workshops such as Conflict Resolution, Stewardship or Clergy/Laity Leadership. One of the highlights was the Urban Ministry event in June collaborating with New Church Start and Development and bringing Rudy Rasmus and Christian Washington to assess the possibilities of ministry with eight churches on the Wilmington district. Out of this discussion, Harriett Tubman UMC is pursuing a working relationship with them.

To keep aware of what's happening in the local church I have continued to preach in the Black church and the wider church. It is always a blessing. This year I have been honored to preach at least 20 times and was the celebrant for five Communion services. 2007 has been a great year.

I was invited to go to the Congo with Bishop Matthews and learned many things about missions in that area. I have a better understanding of the culture and have learned that some of the issues we face are very complex. I am very thankful for this experience.

Indeed this has been an exciting, challenging and productive year and I continue to give thanks to God for the privilege to serve God's people. I am thankful for Rev. Alice Ervin and the members of Whatcoat UMC that keep me spiritually grounded.

Goals for 2008:

- Teach and preach in congregations and collaborate with other agencies in the Peninsula-Delaware Conference and the wider Church.
- Write monthly article in the Communicator and develop a web-page for Strengthening the Black Church
- Partner with the Embracing the Black Church Task Force
- Be present on each district in the district offices once a month.
- Create a worship workshop for praise teams and musicians.
- Help congregations attend SBC21 trainings
- Continue to lead training for clergy/laity leadership; spiritual gifts assessments;
- Visioning and strategic planning; understanding our Wesleyan Heritage; church and community development; and conflict resolution, etc.
- Be a member of the new church start and existing church development team
- Support the clergy and laity serving in our conference through prayer, training and fellowship

September 2009: Plan a Communities of Shalom Health Fair with members of the Health and Welfare ministries; the Spiritual Formation team; Ecumenical Ministries, Evangelism and the Peninsula-Delaware Conference, and the Board of Laity

March 2010: Host Clergy-Laity Convocation

Again, this has been an exciting and productive year with many challenges and unforeseen blessings, and I give God thanks for the support of Bishop Matthews, Rev. Dr. James T. Seymour and Rev. Dr. Sandra Steiner Ball, the District Superintendents, conference staff, and the clergy and laity of the Peninsula-Delaware Conference. I am looking forward to all the blessings that God has for us as we move into the Healthy Church Initiative.

BOARD OF CHILD CARE

The Board of Child Care's legacy of caring for children and families goes back more than 130 years. The excellent care we provide children is a tradition - our commitment to giving children strong foundations and hope for brighter futures has lasted generations. At the same time, we have grown and changed as the world has changed and as a result our services are both regional and comprehensive. Along the way, we have matched this growth with responsibility, so that our agency is not only diverse but fiscally strong.

A Continued Commitment to Excellence

This past year we continued to modify and improve our programming to meet social service program requirements. We successfully earned EAGLE (Educational Assessment Guidelines Leading toward Excellence) accreditation once again through the United Methodist Association of Health and Welfare Ministries, and we were pleasantly surprised when the United Methodist Association awarded us an additional Best Practice Award for our plan to provide optimal wellness for children.

The Council on Accreditation for Families and Children also gave BCC scores of 95 percent or higher in achieving "best practice" on more than 800 standards, including governance, finance, personnel and service delivery. COA accredited all of BCC's programs.

New Programs and Services

BCC and its Board of Directors made a significant programming decision to expand residential and emergency shelter services to the Eastern Shore. We hope to break ground on this project in 2008 and open the facility in 2009 to better meet the needs of children and youth in an area of the state that has traditionally lacked resources. Additionally, this new facility will give us the added benefit of working directly within the jurisdiction of the Peninsula-Delaware Conference.

In March, we officially launched the new Ways to Work program as a way to help low-income families in Baltimore obtain affordable transportation. Ways to Work is a national program affiliated with the Alliance for Children and Families. As a member of the Alliance, BCC is bringing the program to Maryland for the first time. Participating families will receive low-interest car loans to help them buy the reliable transportation they need to stay employed, take their children to day care and access goods and services.

Board Developments

The Board and the Trustees of both Kelso Home for Girls and Strawbridge Home for Boys decided to merge both Kelso and Strawbridge Trusts' assets into the Board of Child Care Endowment, a move that we believe will strengthen these assets long into the future. This step will honor the agreement in BCC's Relationship Statement with the Baltimore-Washington Conference.

The Board also welcomed four new members in June 2007 whose strong community and civic ties will broaden the outreach of the agency's leadership, and further strengthen the presence of BCC beyond our facilities.

BCC by the Numbers

During fiscal year 2007, BCC provided service equivalent to 158,215 days of care for a total of 1,448 children and youth, including:

- 280 in residential programs,
- 192 in Strawbridge School,
- 120 in foster care,
- 340 in day care,
- 219 in the emergency shelters,
- 252 in outpatient counseling and
- 45 families through our adoption services.

For those youth who will soon be leaving us, we expect 17 high school graduates this year, some of whom have already been accepted to colleges and vocational schools such as Penn State, North Carolina State, Coppin State University, Morgan State University, the Community College of Baltimore County, Lincoln Technical Institute, ITT Technical Institute and the Medix School.

In providing added enhancements to the lives of the children and families we serve, the Women's Auxiliary has continued to give generously of their time. During fiscal year 2007, the Auxiliary office estimated its members logged more than 3,000 volunteer hours, which translates to more than \$54,000 as a monetary contribution. Members applied these hours to such activities as:

- Making an afghan for each graduating senior and giving each \$100 in cash,
- assembling 168 Thanksgiving baskets for foster families and other families,
- making 200 Easter baskets for children and youth in the residential and emergency shelter programs,
- baking 27,000 cookies for the children and
- raising \$2,156 for Strawbridge School through labels and box tops collection programs.

Additional Evidence of a Successful Year

We always say that the real value of an organization comes when it implements standards and adheres to regulations and best practice on a day-to-day basis. We continued to do this over this past year, and we continued to see the impact of our

services through visits from former residents. They tell us about getting accepted into prestigious colleges, holding down jobs while also raising children and going to school, and signing the lease on first apartments. Life for them at the Board of Child Care was much more than just a warm, safe place to eat and sleep. We became their family and they continually show us they have not forgotten.

In conclusion, we would like to thank Bishop Marcus Matthews, all of the churches, clergy, church groups, youth groups and individuals in the Peninsula-Delaware Conference for supporting the Board of Child Care during this past year and throughout our existence.

Roy Benjamin Phillips

Roy Benjamin Phillips was born on August 6, 1927, in Gumboro, Delaware to Ned and Mollie Foskey Phillips. He married Thelma Jean Whaley on August 6, 1947 in Laurel, Delaware. They have two sons, Russell Phillips (Barbara) and Jeffrey Phillips (Karyn) and 7 grandchildren and 5 great-grandchildren. One son, Byron Phillips, died in 1988.

Roy's early years of spiritual growth were spent in the Gumboro Methodist Church, the church from which Roy answered God's call to Christian ministry. The church was the focal point for the Phillips family, and the values instilled in Roy from a very early age laid the foundation for a lifetime serving his Lord and Savior, Jesus Christ. His call to the ministry, quoted from his memoirs:

"I had worked all of my young life in the Gumboro Methodist Church, and one night my pastor, Clarence Wilkins, asked me to speak in the Sunday evening service. In the service, he said publicly that he had always hoped this young man would go into the ministry. The statement gripped my soul until I gave my life to the ministry of Jesus Christ. With my heart purged of its dross and filled with the Holy Spirit, my soul secure in thy hands, my mind gripping the eternal truths of Holy writ, my left hand on the pulse of thy highest creation, with my right hand, O Lord, let me write thee unsearchable riches of my King, with my lips, let me proclaim the love of my risen Savior, and with my life, let me show mercy and goodness to a world lost in its sins."

Roy graduated from Wesley College with an Associates in Arts Degree in 1952; Washington College, Chestertown, Maryland, in 1954 with a Bachelor in Arts degree; Temple University, Philadelphia in 1956 with a Bachelor in Sacred Theology; and Crozer Theological Seminary in 1957 with a Masters in Sacred Theology.

Roy's appointments included Burrsville, Maryland from 1950-1952; Wesley and Raun Chapel in Rock Hall, Maryland 1952-1956; Townsend, Delaware 1956-1959; St. George's in Clarksville, Delaware 1959-1961; Kent Island, Chester, Maryland 1961-1979; and Grace Church in Cambridge Maryland 1979-1990. He retired in 1990 and he and Thelma returned to Chester, Maryland, where they lived until his death on April 30, 2008.

Upon retiring in 1990, Roy accepted interim appointments to Vienna Charge, Queenstown, and St. Luke's in St. Michaels; Crisfield-Asbury in Crisfield and Church Hill-Price in Church Hill, Maryland. In 1997 he became Pastor Emeritus at Kent Island United Methodist Church in Chester, Maryland.

During Roy's career as a United Methodist pastor, he served as a board member on the Board of Child Care, Board of Global ministries; Board of Evangelism, and the Peninsula Foundation. He was a life member of the Kent Island Volunteer Fire Company, chaplain for the Hospice of Queen Ann's Inc and Cambridge Police Department; past chaplain for the Maryland State Police and served in the Dorchester County Drug and Alcohol Abuse program.

In 1969 Roy and Thelma began arranging group tours, beginning with the Holy Land. During the next 38 years, their travels carried them all over the world, including China, Russia, Australia, New Zealand, Scandinavia, Europe, Central America, The Caribbean and Africa and throughout the United States. Many new and lasting friendships were developed during these travels which continue to this day.

On the morning of April 30, 2008, Roy entered into the life triumphant with his Lord and Savior. On Saturday, May 3, 2008, a service of celebration of the life and ministry of Roy Phillips was held at the Kent Island United Methodist church. Rev. Bill Sterling, Easton District Superintendent and Rev. David Bennett officiated.

John D. Scott, Sr.

The Rev. John D. Scott, Sr. died on September 17, 2007. Born in Cumberland, Maryland, he was the son of the late Reynold and Beatrice Stallings Scott. He was preceded in death by his wife of 58 years, Doris May Scott, on March 4, 2007.

Rev. Scott was a retired elder in the Church of the Nazarene, having pastored in Ohio, New York, and the New England states. He retired from full time ministry in 1992 after pastoring St. John's United Methodist Church in Deal Island, St. Paul's United Methodist Church in Wenona and the Rock Creek United Methodist Church. He also served on the pastoral care advisory board at PRMC and was a member of the Cross Pointe Church of the Nazarene, in Salisbury, Maryland.

Rev. Scott died within 6 months of the passing of his beloved wife, Doris. When you saw one, you usually saw the other. So, although it was difficult to lose them so close together, his family was thankful that they were reunited so quickly and sharing the joys of Heaven together.

Rev. Scott and his wife Doris were loved and respected by many. They always enjoyed hearing from their parishioners from various churches. They would daily pray together and share their burdens.

John and Doris raised four sons, Dr. John D. Scott Jr., Peter Scott, Stephen Scott and Rev. Alan Scott who all graduated from Eastern Nazarene College in Wollaston, Massachusetts. Rev. and Mrs. Scott leave 10 grandchildren and 9 great-grandchildren.

They are greatly missed by their family, their friends and those who were touched by their faithful service to the Lord and His church.

Thomas Joseph Wall, Sr.

Rev. Thomas Joseph Wall, Sr was born on February 3, 1933 in Coaldale, PA to William T and Mildred (Weaver) Wall. Tom married Corrine (Schwartz) in July of 1959. They have two children, Thomas, Jr (Mae Lynn) and Christine. They have two Grandchildren, Ashlee (Walt) and Thomas, III and a Great-Grandson, Riley.

Tom graduated from Port Carbon High School, Port Carbon PA in 1950. He then worked on the Reading Railroad learning the machinist trade for five years. He entered Lycoming College in Williamsport, PA and graduated with a BA in 1960. He entered Crozier Theological Seminary in Chester, PA and graduated with his MA in 1963.

Tom's childhood church experiences included The Salvation Army and the Primitive Methodist Church in Tamaqua, PA and Port Carbon United Methodist Church. His first student appointment was in Gilberton, PA in the Philadelphia Conference and his second student appointment was Olivet-Bethany in Philadelphia, PA. Tom was ordained in May of 1963.

Tom's first appointment in the Peninsula-Delaware conference was at Hillcrest in Wilmington, DE as an Associate Pastor under Rev. William O. Hackett. His first full time appointment was Secretary Charge in Dorchester County, MD. After two years, he began serving the Ridgely Charge in Caroline County, MD for six years. He then moved south to the Salem-Bethany Charge in Pocomoke City, MD where he served 17 years. He served the Asbury-Houston Charge in Harrington/Houston, DE for five years until he retired in 1995.

Tom's main interest was people. In his funeral memorial, one of the Pastors referred to him as "the Pope of Pocomoke". He was tireless in visiting his flock. He became the Pastor's Pastor of the ministerium when he moved back to Pocomoke. Tom was especially interested in the homeless and worked as the Chairman of the Board of Trustees of the Samaritan Shelter in Pocomoke City. Tom was also very civic minded. He served on many town, county and state boards. At one time, he was Treasurer of six civic organizations in Pocomoke City. His longest civic affiliation was with the Lions Club. He received The Citizen of the Year Award presented by the Pocomoke Elks Club in 1980. In 1982, he received the Kiwanis Good Neighbor Award. He was awarded the Melvin Jones Fellow Award, the highest honor in Lions Club but was not able to receive it because he fell and was taken to Shock Trauma two days before it was to be given to him. He never knew that he had received it.

A special quilt, made by a member of the church, for Tom depicted different things in his life that he loved such as Church, Grandchildren, Lions Club, the Railroad, Florida, coin collecting, dogs, etc. The quilt was signed by many people of the churches; the people who came into the bank where Tom would go and sit for hours and greet people just because he loved people, the fire company and the group that he met with some mornings. This lovely tribute was dedicated at Salem UMC and presented to Tom by our Pastor Russ and several members of both churches while he was at the rehab hospital.

Tom died on Thursday, August 30, 2007 at University Specialty Hospital in Baltimore, MD after a 3 month illness of which six weeks was spent at Shock Trauma in Baltimore. He was buried from Salem United Methodist Church in Pocomoke City, MD on September 5, 2007. Lawrence Ernest Wimbrow, Jr.

Lawrence E. Wimbrow, Jr. was born to Rev. and Mrs. Lawrence E. Wimbrow Sr. in Danville, Illinois on March 24, 1923. With younger brother Charles, Larry grew up in parsonages in Florida, Delaware and the Maryland Eastern Shore. After graduation from Bridgeville Delaware High School, he went on to Westminster College. After only one year of college life, Larry was called to duty during World War II.

From 1943 to 1948 Larry Wimbrow served honorably in the European, African, Middle Eastern Campaigns from infantryman to saxophone player in the Army Band to Medical Corpsman in the 115th in Rhineland. Larry never looked back to the horrors of war he experienced but proudly stowed away his medals with his memories.

After returning home from war, Larry attended the University of Delaware. He will always be known as one of the first student athletes and player to bring Lacrosse to the Blue Hens. With his beautiful voice and a flare for drama, he could move from Lacrosse stick to microphone with ease. He graduated with a BA degree in Literature which surely enriched his notable sermons.

In 1959 Larry, now a widower with three small boys, met Olivia, a single mother with six children. Their love for each other gathered a family together. This bond was enhanced by the birth of a child of their own, David, who enriched this strongly united family. Larry loved them all unconditionally. An idyllic life ensued, but God had other plans for this good man.

One memorable night as Larry and Olivia walked along the boardwalk, Larry experienced a strange "happening". He was now alone, rapt by the stars and a bright moon. He felt his soul fused to the stars who were his brothers; the moon, his father. He was One with the Universe and the life he had known as a promising businessman was gone forever.

As swift as change itself, Larry sought out his path to the ministry by seeking admission to Wesley Theological Seminary. Olivia and the children moved to a Student Charge in the heart of Baltimore's industrial bustle.

Larry graduated from Wesley Seminary with a Master of Divinity degree. After serving his student charge at Canton in the Baltimore Conference, he was assigned to Lodge Forest United Methodist Church. After transferring to the Peninsula Conference, he served a 3-point charge in Northern Cecil County; the Atlantic United Methodist Church in Ocean City, Maryland, First United Methodist Church in Chestertown, Maryland, Hockessin United Methodist Church in Wilmington, Delaware and St. Luke's United Methodist Church in Denton, Maryland.

During his ministry of 23 years, Rev. Wimbrow was a member of the Board of Child Care, Board of Missions, Commission on Religion and Race, the Board of Ordained Ministry, District Committees, and for a period of time Chaplain at Cokesbury Village in Wilmington, Delaware. He was deeply involved in community, city, county, and state activities wherever he served.

Upon his death on September 18, 2007, Reverend Lawrence E. Wimbrow's final wish was honored-to continue his ministry of service by donating his body to medical research. His youngest son, David, held a Celebration of Life service at his home in Berlin for family and friends.

His Wife, Olivia and family

Naomi Elizabeth Ruth Gaines Winchester

Naomi Winchester was born on July 18, 1930 in Wilmington, Delaware, to Fred and Emma (Saunders) Ruth. She was formerly married to Norman Gaines (deceased) and James Winchester (deceased). Naomi attended Wilmington Public Schools and at one point in her life considered following in her sister's footsteps to pursue a career in cosmetology. However, along the way, life happened.

While working at Doubet's Jewelry store in Wilmington in the mid-1960s, she met Reverend Richard Stazesky who became and remained her mentor, confidante, and friend. She eventually left Doubet's to work for the Methodist Action Program with the Reverends Stazesky and Felton E. May. She graduated from Delaware Technical and Community College in 1974 where she earned her A.A. in Human Services and was later recognized as an outstanding alumna; Antioch College, Philadelphia, B.A., Human Services, 1976; and Delaware State University, Masters in Social Work, 1990.

Although raised in Ezion Fair Baptist Church in Wilmington, Delaware, Naomi joined Coleman Memorial United Methodist Church when she and her husband, Norman, moved to Dunleith Estates following their marriage in 1951. There she worked tirelessly with the youth of the church and community in establishing a strong Methodist Youth Fellowship (MYF). She quickly became actively involved on many committees at the local, district and conference levels—as part of the former Delaware Conference; the former Peninsula Conference; and the Peninsula-Delaware Conference. By the late 1970s/early 1980s, she became a lay minister at Coleman but then pursued advanced training to eventually become a diaconal minister and ordained as a full member deacon in 1997.

She served as pastor at Dale's, Pine Tree and Haven churches in the Middletown charge in the mid-1990s until her diagnosis and treatment for breast cancer made it difficult to continue. However, as her health improved, she was asked to serve as Minister of Pastoral Care with Reverend James Fallot, then senior pastor at Grace United Methodist Church in Wilmington. Her responsibilities at Grace increased during periods of transition at Grace until she retired in 2006. Other professional positions from which she retired include stints at the Chesapeake Girl Scout Council where she helped organize troops for Black and Latina girls and the Peninsula United Methodist Homes where she focused on aging ministries. Despite her retirement in 2006, Naomi served as a mentor to aspiring ministers and assisted Reverend Dr. George B. Moody at Coleman Memorial United Methodist Church until a relapse forced her to resign from all activity early in 2007.

She was surprised to learn in 2004 that her story of resilience (which was written by her daughter, Norma) was included in Tavis Smiley's award winning book, *Keeping the Faith: Stories of Love, Courage, Healing and Hope from Black America*. Early in 2005 as her 75th birthday drew near, she decided she wanted to celebrate with a party where she could dance. And, true to her giving spirit, she asked guests to make a contribution to a fund to provide Wilmington's children with the opportunity to spend a week at Camp Pecometh and away from Wilmington's increasingly violent streets.

She loved the Lord, her family, her friends, eating out, shopping and traveling. She represented the conference at meetings and mission trips to St. Vincent; Brazil; South Africa; Sierra Leone; England; and France; as well as personal trips to the Caribbean (e.g., Barbados; Grenada); Alaska; and throughout the US.

Naomi peacefully made her transition at home on Wednesday, July 4th, 2007, just two weeks before her 77th birthday. Her funeral was held at Asbury United Methodist Church in New Castle. Reverend Jennifer Kerby of Mt. Lebanon United Methodist Church, Wilmington officiated and Reverend Richard Stazesky served as her eulogist. Eight ministers from the Peninsula-Delaware conference served as pall bearers. Naomi was buried in Gracelawn Cemetery, New Castle, Delaware with her sister, mother and father.

Proud of their heritage as Naomi's loving family and embracing her memory are her only surviving sibling (a brother); three sons; two daughters; two sons-in-law; one daughter-in-law; a sister-in-law; six grandsons; two granddaughters; two great-aunts; as well as a host of other relatives and friends who love and miss her very much.

Goldie May Beckwith

Goldie May Beckwith was born on July 28, 1911 in Cambridge, MD, one of six children of Robert and Amanda Hubbard Rahe. Goldie, along with her two brothers, three sister and parents grew up in Cambridge where she attended school. While the rest of her siblings and parents remained in Cambridge throughout most of their lives, Goldie moved throughout parts of Delmarva during her lifetime then ultimately returned to Cambridge in her later years.

On April 13, 1932, Goldie married Walter Lee Beckwith who later was ordained as a pastor in the United Methodist Church following completion of his education at Goldey Beacom and Washington College. During his career, he served at various churches throughout the Peninsula Conference including Secretary, MD, Magnolia, DE, Smyrna, DE, Millsboro, DE, Crisfield and Chestertown MD. For nearly the last decade of his career, Rev. Beckwith served as the Secretary to the Conference. They retired in 1975 to their long-time vacation home on Brook's Creek in Hudson outside of Cambridge where one of Goldie's favorite pastimes was crabbing.

Goldie gave birth to her only child, Walter H. Beckwith on April 22, 1933. He later was also ordained as a Pastor in the United Methodist Church where he served until his retirement. During her husband's career Goldie was a dedicated mother and avid participant in the church. Before and after retirement she routinely taught Sunday School at Spedden United Methodist Church in Hudson, MD near Cambridge.

Goldie was a loving and dedicated spouse, mother, grandmother, great-grandmother and church supporter. She always had a positive and supportive attitude that affected all who knew her. She always kept God in her heart and routinely gave selflessly without asking anything in return. She will be well remembered and sorely missed.

Goldie Beckwith departed this life early Friday morning, April 18, 2008. Her Homegoing Celebration was officiated by the Reverend Pam Bockart on April 23, 2008 at the Spedden United Methodist Church in Cambridge, MD. Interment was at Spedden Seward Cemetery in Hudson, Maryland.

Goldie Beckwith is survived by three grandsons Walter H. Beckwith Jr., Paul D. Beckwith and Mark C. Beckwith, a sister Iona Wilcox, four great-grandchildren, several nieces and nephews as well as a great host of other relatives and friends. Goldie was preceded in death by her husband, her son, two brothers Russell and John Rahe and two sisters Sadie Wroten and Emma Rosetta.

Madelyn Elizabeth Smith Hastings

Madelyn E. Hastings, age 90, on November 18, 2007, peacefully passed away due to an aneurism at Thomas Jefferson Memorial Hospital in Philadelphia, PA, surrounded in love by her family.

Madelyn graduated from Laurel High School in 1935 and was married on November 10, 1936 to The Rev. Robert Whittington Hastings. Together they served the following charges of the Peninsula Delaware Conference of the United Methodist Church: the Farmington, DE charge; the Church Hill, MD charge; the Sharptown, MD charge; St. Michael's United Methodist Church; and the Pocomoke City charge.

Married for 54 years, Madelyn lovingly cared for "Whitty" during his battle with Parkinson's Disease for 38 years in their home on Third Street in Blades, Delaware to which they moved when he was no longer able to serve as pastor. During this entire time, their former churches never forgot their service and supported them faithfully with prayers and gifts. After his death in 1991, she continued to serve her church and God in many capacities at Blades United Methodist Church.

From that same home in Blades, she independently operated Madelyn's Card and Gift Shop for 49 years, specializing in Rowe pottery and other accessories to compliment primitive décor and antique furniture. Many of her best friends she came to know through her shop business. They often stayed longer to visit than they did to shop. She never retired.

Madelyn was born in Bacon Switch, near Laurel, Delaware on August 30, 1917 to Herman and Bertha Smith. She is survived by her sister, Gertrude Hudson; her son, Robert H. Hastings and his wife, The Rev. Constance Hastings; her daughter, Karen H. McGroerty and her husband, Michael McGroerty; grandchildren Lisa Hastings-Sheppard and her husband, David Sheppard; Alycia Jefferson and her husband, John Jefferson; Lt. JG Robert A. Hastings, United States Navy; and Caitlin McGroerty; and several nieces and nephews.

A celebration of her life was held on November 24, 2007 at Blades United Methodist Church, Blades, Delaware. The Rev. Paul Isaacs, The Rev. George Godfrey and The Rev. Constance Hastings officiated the service in which so many loving friends came to pay tribute to this tiny mighty woman of immense spiritual courage and strength such that the church was packed to capacity. Madelyn and Whitty now rest together until resurrection in Blades Cemetery, a witness to love and devotion to marriage and Jesus Christ.

Daughter-in-law

Anne Faulkner Ridley

Back in the mid-1970's, I was to preach at Homecoming at Wheatley's Church, near Sharptown, Maryland, and Anne was to sing. She was introduced as "the Preacher's Wife." When she finished, the gentleman who had introduced her commented about me, "from now on, you'll be introduced as 'the Singer's Husband.'" And so I have proudly and gratefully been.

Anne's life is best described by the enthusiasm and joy with which she poured herself into the many aspects of her ministry. Her Cambridge High School friends attest to her thoughtfulness and compassion, while remembering her leadership and musical abilities. Anne loved to play piano, and did so with great skill and feeling. She didn't just sing a song; she put her heart into it, expressing through her voice the richness, feeling, and message of the words. I was the pastor, but so many people sought out Anne when they needed someone to talk to. As a teacher, she never settled for being good, but strove to excel with every subject, every class, every student.

Anne's high school activities included Student Council, band, chorus, the National Honor Society and Future Teachers of America. She was active in MYF (the Methodist Youth Fellowship) at Zion Church, in her district, and served on the conference youth council. During high school and college, the centerpiece of her summers was being on the staff at Camp Pe-Co-Meth, including planning and coordinator responsibilities in the later years, and, always, singing, of course.

We met at Pecometh in 1968, and were married in the outdoor chapel there on May 25, 1969, right after she graduated from Western Maryland College, where she was a mainstay of the college choir, with a Bachelor's Degree in Social Studies Education. For the next thirty-nine years, we served the Still Pond-Betterton-Lynch charge; the Vienna-Elliotts-Reid's Grove Charge; Christ Church, Chestertown; Aldersgate Church, Wilmington; the Milton-Harbeson charge; Chester Bethel Church, Wilmington; and Grace Church, Cambridge, from which we were to retire this June, until Anne's sudden and unexpected death on March 9. During our married years, Anne used her musical talents (as a pianist, soloist, and choir member), teaching skills (as a Bible study leader, elementary school music and library/media teacher, and piano instructor), and warm personality to inspire people in every place we lived.

Anne earned a second Bachelor's Degree, in Music Education, from Salisbury State University in 1987, and certification as a Library Media Specialist from the University of Delaware in 1996. Among her work positions, she was an activities director at the Methodist Country House and Methodist Manor House, organist for Goshen Church, Milton, music teacher and library media specialist at St. Mary Magdalene Catholic School, Wilmington, media specialist at Federalsburg Elementary School, and media specialist at Warwick Elementary School, Secretary, where she was also music teacher her last two years. Anne's children's and youth choirs were a special joy, especially when her Goshen Church choir performed "Down by the Creek Bank;" and her St. Mary Magdalene choirs sang "Home to Peace" in many venues, including on the Joan Rivers Show, during the Gulf War. Two highlights of Anne's teaching career were the leadership she gave in helping design, furnish, and operate the new Media Center at St. Mary Magdalene School, and her being named 2004 "Teacher of the Year" for Dorchester County, Maryland. Anne stopped teaching in June, 2005.

Anne was born Anne Blake Faulkner, on May 22, 1947, in Cambridge, Maryland, the only child of W. Henry and M. Marie Hurst Faulkner. She was baptized at, and later confirmed into the membership of, Zion Methodist Church, Cambridge. We have two children: a son, Andrew Blake, and a daughter, Elizabeth Ann ("Betsey"), now Mrs. Jean-Marc M. Rollet. Anne doted on our two grandchildren: Cacilia ("Caci") and Luc Rollet. Anne was an avid reader (she loved her book group). She enjoyed vacations in Maine and at the beach, Wysocki jigsaw puzzles, various kinds of games, and journaling. It seems she had to buy a new notebook and pen wherever we went. Anne's life among us here ended suddenly, unexplainedly, in the Emergency Room at Dorchester General Hospital, where she had been born, on March 9, 2008. A service was held at Grace United Methodist Church, Cambridge, on March 13. Anne was buried nearby in East New Market Cemetery. For several months before her death, Anne had found special pleasure in planning the retirement home we would move into in a few months, a dream she looked forward to fulfilling. Little did she think that she would be moving into a place – a mansion – so far, far more wonderful than that earthly house. She's home now.

Rev. Douglas Ridley, the singer's very grateful husband

Florence Virginia Tubbs

Florence Virginia Tubbs was born June 13, 1916 in Galena, Maryland. She was the daughter of Mamie B. Gale (Skinner) and William Leo Gale. She was the second of two children. She had an older sister Arlene. They lived for a few years in Galena, prior to moving to Millington, Maryland. Her dad was the proprietor of a general store in Millington for many years.

She attended Millington School and graduated circa 1933. In addition she attended Blue Ridge College and Union Memorial School of Nursing in Baltimore. She worked at Union Memorial prior to her marriage in 1942. She married Joseph Jerome Tubbs, of Salisbury, Maryland who was a long time member of the clergy of the Peninsula Conference. He served as Chaplain in the United States Navy for 30 years, and was Campus Administrator of Wesley College in Dover until his death in 1980.

There were three children, Jo Ann Gale Large, Dorothy Arlene Mc Mullen of Bothell, Washington and Joseph Jerome (Jerry) of Collierville, Tennessee. Jo Ann passed away in November 1999.

Mom was a very devoted mother and daughter. In her parents' later years she unselfishly devoted herself to their care. She sought to keep them in their own home for as long as possible. Mamie was ultimately placed in House in the Pines in Easton and later to Corsica Hills in Centreville. Mom visited her no less than 3-4 times per week. Her father died in our home.

In her later years, she resided at Heron Point in Chestertown. She was able to live on her own with assistance, until her death. Mom died in University of Maryland Hospital in Baltimore on June 1, 2007. She was 90 years old. Cause of her death was a cerebral hemorrhage. The love and devotion she showed her family and friends is greatly missed.

Jerry Tubbs (Son)

Conference Rules of Order

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.

Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.

Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.

Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:

1. To fix the time in which the Conference shall adjourn;
2. To adjourn;
3. To take a recess;
4. To lay on the Table.
5. To call for the previous question;
6. To postpone to a given time;
7. To refer;
8. To substitute;
9. To amend;
10. To postpone indefinitely;

- Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.

- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The **Committee on Clergy and Lay Leadership** shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.
- Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.
- Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; probationary members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2004 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist

Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one youth between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the 2004 Book of Discipline. The lay members shall have been for the two years next preceding their election members of The United Methodist Church and shall have been active participants in The United Methodist Church for at least four years next preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 653 in the 2000 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the

Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President.

Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegation's report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

**B. Rules and Guidelines for the Conference
Committee on Clergy and Lay Leadership**

A.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representativesMembers will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership
 - f) See Section C for Committee Covenant

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guideline for Conference positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term. Conference Rule #23, page 345, 2007 Conference Journal) Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes,

- Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2004 Book of Discipline, ¶611.2.b)
7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
 8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
 9. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Para. 162.E, page 106 of the 2004 Book of Discipline), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
 10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
 11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
 12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where *The Discipline* mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of co-chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
- b) A demonstrated leadership ability in the local church;

- c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 - d) Willingness to commit time as required by the position;
 - e) Willingness to commit time for training for the responsibilities of the office;
 - f) Have an understanding of and a willingness to support the polity of the United Methodist Church;
 - g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
 14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
 15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

6. I will share honestly and as openly as I am able.
7. I will plan to attend all meetings and understand that if I miss more than 1 meeting a year without notification I may be replaced as a member of this team.
8. I will be a person committed to diversity in regard to gender, race, age, and economic station and proactively help that diversity be reflected in the leadership of the Conference.
9. I am on a journey of faith and will respect the opinions and interpretations and beliefs of each person asking that mine be respected as well.

Team Covenant for 2007-2008 (to be revisited annually in September of each year)

10. We believe (common assumptions and Core Values)
 - We believe every meeting, including our face to face meetings with our charges need to begin in Prayer & Devotion
 - Every person deserves respect therefore: we will not gossip; we will maintain confidentiality; we will refrain from arguing with charge leadership
 - We need to Listen: we will turn off cell phones; make sure others are talking more than we are; remember this ministry is not about us, but the church; at the close of our meetings we will recap/reflect our understanding of things discussed; we will be aware of practicing positive body language; First impressions make a difference; we need to respond with thank you notes for our meeting that acknowledge something discussed.
 - Summaries should be sent in a timely manner to the DCM (Director of Connectional Ministry)
 - Be Prepared for Charge meetings and Committee meetings: Have an agenda; prepare a devotional to begin time together; keep it simple and short – this is intended to be an on-going relationship so you don't have to travel the world all at once.
 - We need to follow through and follow up (passing along info. In a timely manner.
 - Each voice is important – we will speak up and share at committee meetings
 - We believe in being honest – honest in how things are going
 - We can call on one another for help
 - Attendance and communication are key
 - We believe in diversity and the rich gifts of all people
 - We believe in identifying the persons that have been unseen and unknown but who are just as essential to working as a healthy Body of Christ.
 - We believe that the process and work of this Committee to be important and that the process of developing relationships with the Local Churches is essential to accomplishing our work effectively.

11. Vision and Mission and goals for the coming year (Developed to be consistent with the individual part of this covenant)

Vision: The Holy Spirit provides all people with specific spiritual gifts. There are persons who are passionate about their gifts. These persons need to be given the opportunity and responsibility to lead, teach, and assist local churches to become healthy or healthier local churches.

Mission: To find such gifted persons, the Committee on Clergy and Lay Leadership will contact every pastor or lay leader for the purpose of developing a list of persons who meet the following:

- Has gifts in the specific area where he/she is being asked to serve
- Is passionate about using those gifts to assist other churches as well as their own church
- Has demonstrated the gifts in their own church
- Is willing to participate in necessary meetings except where emergencies arise
- Is willing to take on the tasks assigned by the team
- Is willing to be a servant leader

In places where there is disciplinary direction, Committees and/or Boards will be staffed in consultation with the Bishop and Cabinet.

Goals: Complete its goal of 50% of the local churches contacted by December 1, 2007 and the remaining 50% by March 1, 2008. The Committee will make available a way to add or remove persons to the list as needed.

To this end:

Each member of the team will be assigned a number of churches and pastors (we anticipate 12 charges) for which they will be personally responsible for contacting - in one on one meeting.

In these contacts the members would be asking or challenging the pastors and congregations to do a gifts assessment or share one that has already been done, asking permission for pastors/congregations to share with the team member the persons who have gifts and passion in ministry areas of the Conference, District, or Local Church. And/or team members could seek what ministries of the local church might be sent out as resources to help enable ministries at other local churches.

Discover new ministry needs of local churches as relationship is established. The relationship between the team member and the church will eventually be a two way street where the member seeks information on the passions and gifts of the church and church members and receives information about ministry needs of the church that would be collected and passed on from the Leadership Team to the Vision Team.

Team contacts 50% of the pastors/charges assigned to them by December 1, 2007 and the second 50% by March 1, 2008

Team member will follow up on the relationship at least every 6 months updating information and sharing new ministry resources with their assigned congregations, as well as, inquiring what help the assigned congregation needs in order to be more effective in ministry.

Create pool of names from which to invite persons to serve at the Conference level. Members of the Team as they meet together will use the pool of names developed from these contacts to invite persons to serve at the Conference level.

Maintain an active resource list and send a note to pastors and superintendents reminding them of the passions people have and their willingness to serve at perhaps District and Local Church level.

Work in consultation with the Vision Team to ensure that all ministries comprise of people of passion and in accordance with *Discipline* 609.5.

In the process, the Conference Team will receive information (input) from both the Bishop and Cabinet and the Vision Team prior to inviting persons to be part of Conference teams, Boards, or agencies.

Do we have a pool of people to work with for nominations?

Part two: Assessment

(in ongoing development)
