III. Daily Proceedings

Thursday Morning, June 10, 2010
University of Maryland Eastern Shore
Princess Anne, Maryland

Bishop Peggy Johnson called the Clergy Session of the Peninsula-Delaware Conference to order at 9:00AM. She then called on Rev. Candy Miles, who led us in worship. The Rev. Gary Meekins was at the keyboard. Kyung Mo Koo read from Colossians 3:12-17 and Jeanel Starling brought the message "Reach Out: Serve God with Excellence." After her message and the Act of Praise was read responsively, Christine Lee, Registrar of the Board of Ordained Ministry presented the Clergy Session Report.

At the close of the Clergy Report Vernon Bryant introduced the offering for the Clergy Assistance Fund. This was followed by Courtney Daniel Ward, the Black College Fund Ambassador addressing the session. Karen Bunnell then lifted up the Dunkle-Mackey Preaching Seminar followed by Dave Verma of the Health and Welfare Task Force. After singing the hymn "O Jesus, I have Promised" Bishop Johnson pronounced the Benediction and we were adjourned for lunch.

The 226th Session of the Peninsula-Delaware Annual Conference
Ella Fitzgerald Performing Arts Center
"Reach Out"
Thursday Afternoon Session June 10, 2010

The afternoon session began with worship at 2PM. The Praise Band from Epworth United Methodist Church in Rehoboth Beach, Delaware led the Conference in singing and Marva Thomas from Centennial United Methodist Church in Smyrna, Delaware, was the organist. Ray Buckley preached on the theme "Reach Out." He told us about his life as a Native American in these United States. Holy Communion was celebrated as part of this service.

Following the worship service the 226th Session of the Peninsula-Delaware Annual Conference was called to order by Bishop Peggy Johnson at 3:50PM as she "struck the gavel." We then sang "And Are We Yet Alive" followed by prayer.

Adoption of Agenda and Rules of Order: Rev. John Van Tine, the Conference Secretary, moved the adoption of the Agenda, which was in the pre-conference packet. It was adopted. He then presented the Conference Rules of Order. Rule 17 was amended by adding the words "Distribution will be in electronic format. Hard copies will be made available to a member upon request." This required a two-thirds vote and it was amended.

Organizational and Procedural Motion: Rev. Van Tine then presented R1, the Organizational and Procedural Motion for adoption. After receiving a second it passed. He then presented R2 the Consent Calendar, which will be adopted on Friday morning at 9:30.

Monitoring: Rev. Dr. William Wallace presented the team who will be monitoring, informing, and evaluating how we do "holy conferencing" together. A report will be made each day.

Episcopal Report: Rev. Karen Bunnell presented Bishop Johnson and her husband Mike to the Conference. She then gave the Bishop a "survival basket," which included candy, fruit, and extra strength Tylenol. Rev. Bunnell then offered prayer. Bishop Johnson thanked the commission for their support and stated that she is glad to be with us in her second year.

Statistician's Report: Joyce Bell gave the Statistician's report. She thanked all who helped put the report together. Not all the churches sent in reports this year. She reported that at the end of 2009 the Conference had 88,902 members, a loss of 899 from the previous year. The average attendance was 9,718 down 12,800 from the previous year. She shared with the Conference data from an interfaith study indicating that people in the pews think that the three most effective marks of religious leadership are the ability to provide vision, time spent in evangelism and recruitment, and promotion of lay leadership and development. She further stated that each congregation needs to look forward to what God can do.

75th anniversary of the Upper Room: A video was showed that celebrated the seventy-fifth anniversary of the Upper Room magazine and its ministry.

United Methodist Publishing House: Madeline Beall greeted the Conference from Cokesbury, the retail arm of the United Methodist Publishing House. She highlighted some new resources one of which is a new translation of the Bible, "The Common English Bible." The New Testament will be available in August and the complete Bible next year. Cokesbury donated \$50,000 to the "End Malaria Campaign." The annual contribution towards the clergy pension continues to be suspended due to the current economic times. She also point out that there are many new improvements on the Web Site.

United Methodist Communications: Rev. Rick Vance introduced the video "Rethink Church."

Shane Hinderliter announced that the youth have colorful name tags and he presented one to Bishop Johnson that said, "The Big Cheese." The theme for the Youth Rally in January will be "Dead or Alive" based on James 2:26. The Rally will offer hands on opportunities for mission. They want to collect 10,000 kits for UMCOR for example. These kits will be packed at the Rally, but each church is to

collect items for these kits. These kits will be health kits, school kits, and cleaning buckets. Each congregation is to choose what they will collect.

Greetings from UMES: Rev. Candy Miles introduced Dr. Thelma B. Thompson, President of The University of Maryland Eastern Shore. She is completing her eighth year as President of the University. She welcomed us to the UMES, America's second most beautiful campus and Maryland's least expensive campus. UMES was founded by Methodists from the former Delaware Conference many years before it became a state institution of higher learning. At the conclusion of her words of welcome she presented the Bishop with a small gift.

Congo Missions Moment: Rev. Dr. Jonathan Baker report on the Congo Partnership. Our Conference is making a huge difference in the quality of life in that Annual Conference. He asked, "Who has spent more than twenty-five cents for food?" Twenty-five cents provides a meal for a day in the Congo and we are feeding three hundred people a day. He encouraged the Conference to visit the Congo Missions Partnership table in the display area and pick up a container for use in Vacation Bible School in which money can be deposited for the Congo initiative. Marie Van der Wall will be leading a team that is going to the Congo in late August. Rev. David Hempstead will lead an agricultural team to the Congo in the Fall. In April of 2011 two medical teams will be going to provide cataract surgery for the people of the Congo. Bishop and Mike Johnson are going to the Congo in late July or earlier August for the "Ten Local Church Project." Hopefully they will get ten churches in these two conferences to partner with them. After completing his remarks Rev. Baker called on Rev. Amy Yarnell and Rev. Yvonne Penn to offer prayer.

Following the Congo Missions Moment the Reverend John Van Tine, Conference Secretary offered announcements and Boe Harris offered the closing prayer and grace. The Conference then adjourned for dinner.

Thursday Evening June 10, 2010

The Conference reconvened at 7PM for the Celebration of Ministry. "Face Forward" from Middletown on the Wilmington District led the Conference in singing. Face Forward is an ecumenical group made up of musicians from Connection Community Church, Freewill Baptist, and Love of Christ Church. The Cabinet presented a skit "Wii Reach Out to Serve." Following the skit the various categories of ministry were recognized as people stood when their particular ministry was announced. Those who are celebrating five year anniversaries of their ordination/commissioning were also recognized. After recognizing these anniversaries those who are retiring were presented to the Conference and then those who are being ordained/commissioned followed by the "passing of the mantle."

Friday Morning June 11, 2010

Annual Conference began at 8:15 with Rev. Jeremias Rojas leading the Conference in singing several praise songs. Bishop Johnson then introduced Rev. Dr. Laurence Stookey and his daughter Sarah Stookey Kelly who led the Conference in Bible study on Philippians chapters one and two.

Following the Bible study Bishop Johnson called the Conference to order at 9:40 AM. She then called on Rev. Charlotte Nichols, Dean of the Cabinet to introduce our guests from the Eastern Pennsylvania Conference. These guests were Lillian Smith and Dr. Mary White. Bishop Johnson welcomed them and then she introduced Retired Bishop Violet Fisher, who was at the front table with her and the Conference Secretary. Bishop Fisher brought greetings.

Clergy and Lay Leadership Report: Demetrio Beach and Paul Sherwood presented the Lay Leadership Report, which was in the packet that we received at registration. Forms are available for corrections to the report, which according to our rules will be presented tomorrow for a vote.

Committee on Investigation: The members of the Committee on Investigation are Clergy in full connection: Vicki Gordy-Stiith, David B. Humphrey, Ashley Maxwell, Thomas C. Short, Alexander L. Slonin, Jr.; Laity: Douglas Collison, Lorena Stone; Alternate Members: Clergy in full connection: Laura Martin, Alfred E. Taylor; Laity: Marian Church. This was presented to the Conference for information only. It will be presented tomorrow for a vote.

Rev. John Van Tine, the Conference Secretary, presented R2, the Consent Calendar, for adoption. It was adopted.

Board of Pension Report: Bud Clark presented G12:1 in the preconference packet for adoption. This is the past service rate and it passed. He then presented G12:2 relating to the rental/housing allowances for retired or disabled ministers. It passed. Following these two resolutions he presented R12 "Resolution to Offset the Rate Increase." It was also adopted by the Conference.

Bishop Johnson then called on Rev. Dr. William Wallace to give the monitoring report. He presented Erica Parker and Latasha Gibbs, who gave the report. They stated that we need to tweak just a little bit what happens at Conference so that we can do the work more effectively. Latasha pointed out that this is her third year of attending the Annual Conference and she is excited to see so many youth present and involved. Boe Harris then gave her part of the report. She stated that we do strive to be a healthy and inclusive church. We used Creator for God and not some masculine or gender specific reference for God, which she thought was good. There were not many Asian-Americans, or Hispanic-Americans presenting or speaking yesterday. Perhaps there would be more today.

Equitable Salary: Rev. Bill Ross called our attention to the Equitable Salary report in the pre-conference materials, which is G1. Again the Commission on Equitable Salary is not asking for an increase in the minimum salaries for next year. Rev. Dr. Joe Barth moved G1 be amended by adding: "In light of the current national economic condition and in recognizing our Annual Conference's minimum salaries are among the lowest in the connection most likely, the second lowest, except for the missionary conferences; the Commission on Equitable Compensation, would 1) Annually inform the annual conference of the following: a) where our annual conference ranks in jurisdiction and the connection concerning minimum salaries, b) the range of minimum salaries in the jurisdiction and connection, c) the average/mean salary in the jurisdiction and connection, and d) how our conference region compares, year over year, in the Cost of Living index; and 2) Formulate salaries from among the lowest in the jurisdiction and connection with a goal of reaching the average/mean in the jurisdiction and present it to the 2011 annual conference." This amendment passed.

Healthy Church Initiative: The Healthy Church Initiative report began with a skit. Pastors Marie Smith and Rudy White rode on to the stage on bicycles. Marie was on a bicycle that fit her whereas Rudy's bike was too small for him. The skit pointed out how one needed a vision for ministry, as well as, how to stay healthy. Without a vision the people parish, they reminded us. Following their skit motorcycles roared onto the stage. Rev. Dr. Sandra Steiner Ball then introduced the newest ministry in our conference, "The Last Call Motorcycle Ministry." "This is what happens," she said, "when people have a vision." She then introduced Rev. Jerry Howard, who is appointed to this new ministry. Another new ministry of our Conference is the Deaf Ministry. New ministries are taking place throughout the Conference. We are seeing churches become healthier and stronger. At the end of Conference there will be a new document on healthy churches. This will be a "living document" about what God is calling the church to do. Each District will have a healthy church initiative. By the next session of Annual Conference there will be people trained on all four Districts to come to the local church and help resource them.

Covenant Funding (Presentation only, vote on Saturday): John Haberstadt and Bill Westbrook began by giving thanks to all who helped put this report together. Ecclesiastes 3:5 "a time to keep and a time to cast away" was quoted by John as he presented the report. 2008 was a time of turmoil and it was felt in the receipts. As a result CF&A made adjustments in 2009 and redid the Covenant Funding Plan. Receipts in 2009 were above what was expected and reserves were used to balance the budget. In 2010 there was no increase in expenses and it was felt receipts would go up. They have actually decreased over last year. "Town meetings" were held on all four districts and the financial concerns about the future were shared. The Council on Finance and Administration presented ideas to be considered for keeping the conference income and expenses balanced in the years ahead. Possibilities include:

1. Reduce the number of congregations and clergy by combining churches.
2. Reduce the conference programs and ministries.
3. Reduce the number of districts from four to three by the year 2014

John then presented the Covenant Funding Plan Resolution, which will be for vote on Saturday. The total amount is \$5,752,290 with an apportionment cap of 19% of 2008 total operating expenses.

Covenant Relationship with the Board of Child Care: Rev. Earl Baker called the Conference's attention to R10 "Covenant Relationship between the Peninsula-Delaware Conference of the United Methodist Church Incorporated and the Board of Child Care of the United Methodist Church, Incorporated. Rev. Baker then gave a brief summary of what the Board of Child Care does. Rev. Bill Sterling lifted up the Red Stocking Offering and the Campbell Soup Labels that help the Board of Child Care. On June 22nd at 11AM the Board of Child Care will break ground for the Eastern Shore Campus in Denton, Maryland. Rev. Baker then presented R10 for adoption. The covenant agreement is not a replacement. There has never been a covenant agreement between the Conference and the Board of Child Care. R10

was approved.

Rev. Tom Pasmore of the Advocacy Resource Team introduced Ruth Shoge, the co-chair of the Advocacy Team and they presented Rev. Bob Hall, who introduced resolution R5 "Resolution to Promote the Call To Hope and Action" It was approved. Rev. Hall then introduced R7 Resolution to Promote Christian Unity." Following its adoption Rev. Hall introduced R9 "Resolution to Promote Health Coverage for All." Rev. Dr. J.T. Seymour moved that R9 be amended by adding the words "That health coverage for all be approved as long as health care in no way violates Christian principles." The amendment passed. Rev. Dr. Joe Barth then wanted to add the words "and is affordable." It did not pass. R9 as amended by Rev. Dr. J.T. Seymour was approved.

Reverends Sally Dolch and John Mitchell presented resolution R11 "Sexual Ethics Policy." There were several amendments presented to this resolution. Rev. Patty Frick, a member of the CARE Team amended lines 148-157 by adding **certified Lay Ministers CLMS assigned to serve as pastors. All clergy persons and CLMS assigned to serve as pastors are responsible for the cost.** It was accepted as a friendly amendment. Rev. Shane Moran then amended line 148 to read **"and lay pastors"** It passed. It would now read: "All clergy persons, certified Lay Ministers CLMS assigned to serve as pastors, and lay pastors in the Peninsula-Delaware Conference are required to undergo a criminal background check specified by the Board of Ordained Ministry every four years. All clergy persons and CLMS assigned to serve as pastors are responsible for the cost. The criminal background check may be paid for through continuing education funds."

Rev. Cindi Koski, Chair of the CARE Team offered a friendly amendment to lines 115-118 by adding or **Certified Lay Minister (CLM) assigned to serve as Pastor...In the event a training opportunity is not available, sexual ethics/boundaries training must be taken at the first available opportunity after appointment. Participation records of all trainings will be tracked by the CARE team under the supervision of the Board of Ordained Ministry.** These lines as amended will now read: "Every clergy person or Certified Lay Minister (CLM) assigned to serve as pastor who is new to the Peninsula-Delaware Conference is required to attend sexual ethics/boundaries training prior to or within the first month of service per scheduling by the CARE Team. In the event a training opportunity is not available, sexual ethics/boundaries training must be taken at the first available opportunity after appointment. Participation records of all trainings will be tracked by the CARE TEAM under the supervision of the Board of Ordained Ministry."

Nothing but Nets, Africa University, Conference Appeals and Mission Moment Video: Kevin Goodwin shared that we are one of two Annual Conferences that have paid one hundred percent of our pledge to Africa University since it began. We are also the only Annual Conference that has pledged a scholarship for Africa University. After talking about Africa University Kevin led us in the funeral service of Marvin the Mosquito. His death came about through the generosity of the Conference, which has raised \$105,000 of our \$100,000 goal to provide mosquito nets for Africa. Unfortunately, Marvin has many living relatives. Kevin encouraged us to give to Africa University in memory of Marvin the Mosquito.

Rev. Dr. Pat Harris was called on to offer the grace before lunch. Prior to offering the grace she informed the Conference that the project of writing the history of the former Delaware Conference is well underway. There will be a celebration of union of the former Delaware Conference and the former Peninsula Conference October 30, 2010 at the Chase Center on the Riverfront in Wilmington, Delaware. She encouraged each church/charge to sponsor a table so this gala can be a great blessing to all who come. She then gave the closing prayer and the Conference was adjourned for lunch.

**Friday Afternoon
June 11, 2010**

The Conference reconvened at 2PM.

Laity Address: Betty Gooch delivered the Laity Address. She pointed out that two-hundred fifty persons were in the Lay Academy and fifteen youth took the basic class. "We are the hands and feet of Jesus," she said, "and we need to learn to share our faith with others." The laity needs to be involved in hospitality. "Let people sit in your seat, part in your parking place," and so forth, she said. The United Methodist Women sponsored a retreat and the School of Christian Mission will be July 22-25, 2010. The United Methodist Men will have a men's weekend the second weekend in September. The Laity/Clergy Banquet had three hundred eighteen present. After thanking the laity for their support Demetrio Beach spoke on "What If?" He challenged the churches to have a vision of a new way of doing ministry.

VIM Mission Moment Video and Offering: Rev. Amy Yarnell introduced the video by saying that the most exciting thing happening right now at Annual Conference is the launching of the HUB site for UMCOR. It is located in the parking lot right behind the Ella Fitzgerald Center. After the video an offering was taken.

Camp Pecometh: Rev. Jack Shitama recognized Rev. George and Carolyn Godfrey. Rev. Godfrey was one of the early directors of Camp Pecometh and Carolyn Godfrey's father helped purchase the first property for the camp. Currently a retreat center is being built on the camp property. It will be known as the Riverview Retreat Center. A room in the Retreat Center will be named in honor of Rev. George Godfrey. Rev. Shitama then shared with the Conference an updated vision statement for the camp.

This brought us to the Order of the Day, which was the Conference's relationship with Peninsula United Methodist Homes, INC. David Rutt, the Conference Chancellor, made the report. Peninsula United Methodist Homes has been sold to ACTS. There will be a relationship between this new corporation and the Annual Conference. Exactly what this relationship will be is being worked out between the Bishop and the Cabinet. Ultimately, the Annual Conference will make the final decision on this relationship, but in the meantime the Bishop and Cabinet will decide on the way forward.

Carol Stevens presented resolution R3 "Resolution to Support Ministry wit People who are Deaf, hard of hearing, late-deafened, and Deaf-Blind." Kevin Goodwin proposed the following amendment: "on line 42 add the following before the period 'to be celebrated in mid-July. The Conference Committee on Deaf Ministry will be responsible for the promotion of and allocation of funds raised by this Conference Advance Special.'" This was accepted as a friendly amendment and R3 was adopted as amended.

Linda Heller presented resolution R6 "Resolution to Promote the Full Inclusion of Persons with Disabilities into the Life of the Church" It passed as presented.

Rev. Karen Covey Moore presented resolution R8 "Resolution to Increase Awareness about Mental Illness and to Promote the Formation of Caring Communities." Rev. Connie Hastings proposed the following amendment: "Following line 32 add the words 'It is further resolved that the Peninsula-Delaware Conference monitor its language in personal speech and holy conference affirming with love and compassion mental illness concerns such that the stigma of mental illness and its treatment be eliminated.'" It was accepted as a friendly amendment. Rev. J.T. Seymour then offered the following amendment: "Delete the words on lines 13 and 14 'the last groups in our society that we are allowed to...' and substitute the words: 'often unfortunately subjected to...'" So that it would read, "Whereas those with mental illness are often unfortunately subjected to ridicule and we need to change that and work to dismantle the stigma surrounding mental illness." This too was accepted as a friendly amendment. R8 with these amendments was then presented for vote and it passed.

Bill Westbrook presented resolution R4 "Resolution Conference Foundation." It passed as presented.

Marie Van Der Wall, Conference Missions Secretary presented a video on The Advance.

Spiritual Formation: Rev. Karen Covey Moore presented a banner as she read about Spiritual Formation. She then showed the "Sun Valley Indian" video.

Order of the Day: Wesley College Corporate Session. Chip Dashiell called the Wesley College Corporate Session to order at 4:30PM. He stated that Wesley College celebrates its one hundred thirty-seventh of operation in 2010 and is proud of to share a covenant relationship with the United Methodist Church. There were three items of business for the Corporate Session to consider. These were the re-election of Trustees whose terms expire in 2010, the affirmation of officers of the Board of Trustees and officers of the Corporation.

The following were presented for election as Officers of the Corporation:

Charles R. Dashiell, Jr. President of the Corporation

Mr. Dashiell then introduced President William N. Johnston. Dr. Johnston thanked the Conference for its support and introduced Chaplain Mark Pruett-Barnett. He pointed out that Chaplain Pruett-Barnett has given six years of dedicated service to the College. This coming year the college is redefining the position of Chaplain to a Director of Spiritual Life and Community Engagement. Following a national search, the college has hired Rev. Erica Brown, a graduate of Mount Union College, a United Methodist school, and most recently Assistant Chaplain at Northwestern University. Chaplain Pruett-Barnett addressed the Conference and used the opportunity to summarize his work of the past year. He helped plan and coordinate service projects for over 400 incoming students during orientation, participated in Hope Closet, the CROP walk, took six students on a Volunteer in Mission trip to Biloxi, Mississippi, had a Prayer/Share time in the Prayer/Meditation Room in the Chapel and taught the Religion in America course at the upstate campus. Saturday Morning
June 12, 2010

Rev. Dr. Lawrence Stookey and his daughter Sarah Stookey Kelly completed their Bible study on Philippians by having us look at chapters three and four.

At 9:30 Bishop Johnson called the Conference to order and Shane Hinderliter and the Conference Youth Ministries made their report. They began by placing trays on the head table to remind the Conference that today was tray day. When the members of the Conference finished eating their lunch they were to leave their trays on the tables and the youth would remove them. Each member was encouraged to leave money on the tray and that money would go to support the Youth Service Fund. Shane Hinderliter, the Director of Youth and Young Adult Ministries stated that the youth and young adults are becoming more active in the conference each year. He also stated that six local Christian bands were at the Battle of the Bands at Wyoming United Methodist Church. Following his presentation an energetic report done in "rap" style was given by Young Adult Ministries emphasizing upcoming events.

Strengthening the Black Church: Ron Bell, Jr., Director of Strengthening the Black Church for the 21st Century introduced a video on Strengthening the Black Church by saying, "we've been called to mission, but what is our vision?" He then asked three questions. "What is your vision?" "How do you tie your personal vision with the United Methodist vision?" and "Are you living out your vision?"

Service of Appointments: After the showing of the video on Strengthening the Black Church Bishop Johnson called on the District Superintendents to come to the stage for the Service of Appointments. The Bishop asked all those clergy who are receiving an appointment for the first time to stand. Then she had those who were continuing in their current appointments to stand. After this she had the Laity stand and encouraged both Laity and Clergy to support one another. Rev. Charlotte Nichols, Dean of the Cabinet closed the Service of Appointments with prayer.

Bishop Johnson announced that the Conference raised \$2434.25 for the Clergy Assistance Fund, \$10,466.78 for the Central Conference Pension Initiative, \$12,628.44 for the Central Conference Partnership; \$11,437.00 for VIM, \$13,046.31 for the Board of Ordained Ministry, \$1237.00 for Nothing but Nets, and \$100.00 for Africa University.

Committee on Clergy and Lay Leadership: Demetrio Beach presented the report of the Committee on Clergy and Lay Leadership for approval. It was approved with some corrections.

Property Matter: Rev. Bill Sterling, the District Superintendent of the Easton District presented the following resolution to declare the Ebenezer United Methodist Church on the Crapo Charge abandoned.

Whereas the remaining active members stopped worshipping at Ebenezer and attend other churches;

And whereas they were not able to continue paying expenses including insurance;

And whereas the church was vacant and not used;

And whereas the other churches on the Charge were not in a position to assume responsibility for it;

It was declared abandoned in accordance with Paragraph 2548.3 of the Book of Discipline of the United Methodist Church 2008 on November 9, 2010.

Order of the Day: Service of Remembrance: The Service of Remembrance began at 10:30 AM with Kevin Chamberlain playing the Organ Voluntary. Rev. Dr. Fred Allen, the National Director of Strengthening the Black Church for the 21st Century brought the message on "A Disturbing Report that You Reached Out!" Ten Clergy, seven spouses, and two Bishops were remembered during the service.

Saturday Afternoon June 12, 2010

The Conference reconvened at 2PM with youth at the head table to assist Bishop Johnson and Secretary Van Tine. They were Latasha Gibbs, Henry Phalen, and Steven Michaels. Latasha opened the session with prayer and Rev. Dr. William Wallace awarded the Alberta Browne Award to Rev. C. Richard Edmund. Following this award Rev. Wallace gave the final monitoring report. After introducing those who have been monitoring the Conference Sessions he said that we are a gifted Conference and can celebrate the Lord in our midst. The Conference struggles hard to be inclusive. Mildred Hamilton reported on the Wesley College Corporate Session. In the video that Wesley College showed concerning activities that involved the students, she pointed out how all the young women and men were white. When pictures of Blacks were taken, they were in the kitchen. Blacks need to be depicted doing something other than being in the kitchen. The majority of the people on stage during the Corporate Session were white. Again more diversity needs to be showed. The report continued by saying that people with disabilities were absent from the Conference Sessions and that no person who was physically disabled could get up on stage. The role of the monitoring team was to raise awareness. Boe Harris and Raggie Calentine held a plumb line during part of the report to demonstrate the need to be diverse. It was also pointed out that when there was discussion on the floor of the Conference, it was mostly white men who came to the microphones. The Conference needs to be more intentional about being inclusive.

BUMP Mission Moment: Rev. Yvonne Penn, who has gone to Mississippi for the past several years introduced Chris Carter, one of the youth who went this year. His father had gone for several years and this year he invited Chris to go with him. Chris thought they would work an hour each day and sit around and eat food. What he learned was they did a lot of work. Seeing the joy in others made it all worthwhile. He knew that what they were doing was a "God thing." Rev. Penn concluded this report by stating that they are going back in March 2011. "Go with us," she said.

Covenant Funding: John Haberstadt and Bill Westbrook presented the Covenant Funding Plan for 2011. They had received about eleven questions last night as a result of yesterday's presentation. After answering these questions they moved the adoption of the Covenant Funding Plan of \$5,752,290 with an apportionment cap of 19% of 2008 total operating expenses. It passed with no amendments.

Awards Ceremony: The Awards Ceremony began with Rev. Dianne Henry of the Council on Finance and Administration presenting Bishop Johnson with an award for the Peninsula-Delaware Conference paying 100% of its General Church Apportionments for 2009. This marks the twenty-eighth consecutive year that the Peninsula-Delaware Conference has paid its General Church askings in full. Levin VanSant presented the Harry Denman Evangelism Award to the Laity recipient Linda Squier, of Chesapeake City: Jacob's Well. Susan Mason presented the Howard J. Mason Evangelism Award to Laity recipient Audrey Reynolds, of Holly Oak/Calvary Charge. Rev. Vanessa Lee presented the Black Methodists for Church Renewal Scholarship to Rev. Frances M. Fitchett of the Crisfield-Shiloh Charge. Rev. Dr. Sandra Steiner Ball presented the Merit Scholarship to Megan J. Edwards from St. Mark's United Methodist Church in Wilmington. Her father Rev. Tom Edwards received the award on her behalf. Those who received the Order of St. Barnabas Awards were also recognized. This award was presented at the Clergy Laity Banquet on April 23, 2010. The recipients are: Donna Baker, Epworth United Methodist Church; Robert Batson, Sr., John Wesley United Methodist Church; Ronald Brown, St. Mark's United Methodist Church, Wilmington; Iona M. King, Wesley Temple United Methodist Church; Shirley Murray, Shelemiah United Methodist Church; Jeremy Smith, Youth Award, Mt Nebo United Methodist Church; Edzel and Lillian Turner, Union United Methodist Church; God's Kitchen and Clothing and Food Distribution Center, Whatcoat United Methodist Church, Dover; Third Saturday Ministry, Mariner's Bethel United Methodist Church; and Trinity United Methodist Church, Local Church, Salisbury. Bishop Johnson offered closing remarks to the Awards Ceremony. She said that she was one of fourteen out of sixty-nine Bishops who can stand on a stage and receive an award for a conference paying 100% of its World Service Funds. She also announced that \$1,568.61 was collected for the Youth Service Fund during Tray Day this afternoon.

Following the Awards Ceremony Rev. Dr. Sandra Steiner Ball thanked those who made the Annual Conference Sessions possible.

Motion to Adjourned: Rev. John Van Tine, Conference Secretary made the following motion at 3:35PM: "Bishop Johnson, I move that the 226th Session of the Peninsula-Delaware Conference be adjourned until the Annual Conference is reconvened on June 9, 10, 11, 2011, or at the call of the President." Resolution to Support Ministry with People who are Deaf, hard of hearing, late-deafened, and Deaf-Blind

Whereas, in the Peninsula-Delaware Conference of the United Methodist Church there are 3,000 to 5,000 culturally Deaf people (people whose primary language is American Sign Language) and 130,000 people who are hard of hearing and late-deafened

Whereas, Deaf people are the largest un-churched people's group in the United States with only 2% considering themselves "Christian"

Whereas, hard of hearing and late-deafened clergy and lay members of the church have not had accommodations made available to them and have not been able to fully access the life of the church because of their disability and frequently are overlooked as effective members of the church

Whereas, Deaf and Deaf-Blind people and people who are hard of hearing and late-deafened have much to offer the church and hearing people to create a whole Body of Christ yet churches are unaware of them and their gifts and do not see them as potentially effective members of the Body of Christ

Whereas, there is almost no effective ministry with Deaf people that is in their own language and respectful of their culture, nor is there awareness and accommodation for the unique needs of people who are hard of hearing, late-deafened and Deaf-Blind

Whereas, the United Methodist Church has a long history of outreach, mission, and ministry with people who are marginalized but has not been in active ministry with people who are Deaf, hard of hearing, late-deafened, and Deaf-Blind

Therefore, be it resolved that the Peninsula-Delaware Conference meeting from June 10 to 12, 2010 in Princess Anne, MD, affirm our commitment to ministry with the whole Body of Christ, especially people who are Deaf, hard of hearing, late-deafened, and Deaf-Blind by establishing a Conference-wide committee on Deaf Ministry to provide outreach and develop effective ministry with this community.

Be it further resolved that Deaf Ministry be designated as a Conference Advance Special to be celebrated in mid-July. **The Conference Committee on Deaf Ministry will be responsible for the promotion of and allocation of funds raised by this Conference Advance Special.**

WHEREAS Christians including United Methodists acknowledge that all Creation comes from God and further acknowledge that we are privileged to be stewards of God's creation; and

**RESOLUTION TO PROMOTE THE FULL INCLUSION OF PERSONS WITH
DISABILITIES INTO THE LIFE OF THE CHURCH**

WHEREAS the Peninsula-Delaware Conference of The United Methodist Church welcomes, accepts and encourages the contributions of people with disabilities and their caregivers and requests that every local church works to invite and include people with disabilities in every aspect of church life, administration, leadership, worship and service; and

WHEREAS, The United Methodist Church has a long history of outreach, mission and ministry with all people who are marginalized yet has not been in an active, leadership role in creating and promoting ministry and support of people with disabilities, their families, and caregivers; and

WHEREAS persons with disabilities, their caregivers and family members represent 1 in 5 Americans; and

WHEREAS the Conference and its individual churches need to articulate and pursue a bold vision of inclusion throughout each congregation and community, in each city, and in the states; and

WHEREAS, though a congregational community is a place to share and strengthen faith, to form lasting relationships and develop gifts and talents, persons with disabilities and their caregivers have often been denied such opportunities, have not always been welcomed or fully accepted in our congregations, and have not always received the support needed to fully participate in the life of the church;

BE IT THEREFORE RESOLVED, that, acknowledging and accepting the important role, history, involvement, acceptance and inclusion of people with disabilities in the ministries and teachings of Jesus Christ and as full members of the body of Christ, (Resolution #3304; Book of Resolutions, 2008), the Peninsula-Delaware Conference of The United Methodist Church commits to the following:

1. That the Conference will make further effort to ensure the active participation of people with disabilities in the life of the Church, including in worship, clergy and lay leadership, Sunday School, lay leadership training, and ecumenical ministry collaborations in the community and will make further effort to welcome people with disabilities as full members of our congregations and communities.

4. That registration materials for any Conference event or activity will allow for a request for any special needs accommodation, with a minimum of 7 days advance notice given to the event coordinator.

6. That to ensure the success of the vision and mission of the Peninsula-Delaware Conference Disabilities Committee and to cultivate pastoral and lay leadership of and by persons with disabilities, the Conference encourages local church leadership, disability organizations, church members, disability experts and others to assist in designing appropriate, inclusive religious education programs for children, youth and adults and that people with disabilities are encouraged to be actively involved in and contribute to the mission, vision, and cultivation of pastoral activities, lay ministries, lay leadership, education and other programs.

RESOLUTION TO PROMOTE CHRISTIAN UNITY

WHEREAS our Lord Jesus Christ prayed that we might all be one (John 17:11); and

WHEREAS, the Church of our Lord Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in the world (Preamble of the Constitution, *Book of Discipline*, 2004, page 21); and

WHEREAS ecumenism is the promotion of or movement toward worldwide Christian unity or cooperation "...founded on the theological understanding that through faith in Jesus Christ we are made members-in-common of the one body of Christ" (*Book of Discipline*, 2004, paragraph 104), and

WHEREAS our own tradition states that "Christian unity is not an option; it is a gift to be received and expressed." (*Book of Discipline* 2004, paragraph 104); and

WHEREAS, through the grace of God considerable activity is being done in ecumenism including (a) Pan-Methodism, discussions involving other Methodist communions, especially the African Methodist Episcopal Church, the African Methodist Episcopal Zion Church, the Christian Methodist Episcopal Church, and the Union American Methodist Episcopal Church, and (b) bilateral dialogues leading to mutual affirmations of ministry with the Roman Catholic Church and the Episcopal Church USA (in progress) and the Evangelical Lutheran Church in America (completed); and

WHEREAS, our counterpart, the Methodist Church in the United Kingdom, often called the British Methodist Church, is committed to an eventual merger with the Church of England, establishing a possible model for future ecumenical activity among Methodist people around the world;

BE IT THEREFORE RESOLVED, that, acknowledging and accepting the important role, history, and contribution of The United Methodist Church and its predecessors in promoting and achieving Christian unity, the Peninsula-Delaware Conference of The United Methodist Church and its constituent congregations commit to identifying and studying the ecumenical initiatives of our Church as well as local opportunities for appropriate ecumenical cooperation in worship and mission and supporting them however possible. :

BE IT FURTHER RESOLVED, that the Peninsula-Delaware Conference of The United Methodist Church and its Resident Bishop is hereby authorized and encouraged to provide educational resources and opportunities to its congregations to promote the study and advancement of Christian unity.

**RESOLUTION TO INCREASE AWARENESS ABOUT MENTAL ILLNESS AND TO
PROMOTE THE FORMATION OF CARING COMMUNITIES**

Whereas, "Mental illness is a group of brain disorders that cause disturbances of thinking, feeling and acting. Churches in every community are called to participate actively in expanding care for the mentally ill and their communities...We affirm our confidence that God's unqualified love for all persons beckons us to reach out with fully accepting love to all, but particularly to those with disabling inability to relate to themselves or others due to mental illness." (Resolution 3305, *The Book of Resolutions of The United Methodist Church*, 2008);

Whereas those with mental illness are **often unfortunately subjected to** ridicule and we need to change that and work to dismantle the stigma surrounding mental illness;

It is resolved that this Peninsula-Delaware Annual Conference, which is meeting at the University of Maryland, Eastern Shore on June 10-12, 2010, endorse this request to become a Healthy Church by embracing all persons affected by mental illness by offering community, pastoral, and congregational support for those who suffer with mental illness and individuals and families caring for mentally ill family members.

It is further resolved that the Peninsula-Delaware Annual Conference, its local churches and their members (a) call upon society through the media to affirm the dignity and value of individuals suffering with mental illness and (b) to advocate for parity between mental illness and other illnesses.

It is further resolved that the Peninsula-Delaware Annual Conference and its local churches engage in education and provide resources in order to raise awareness of this major public health issue and offer training in mental illness prevention and treatment.

It is further resolved that the Peninsula-Delaware Annual Conference monitor its language in personal speech and holy conferencing affirming with love and compassion mental illness concerns such that the stigma of mental illness and its treatment be eliminated.

To this end, it is further resolved that local churches in the Peninsula-Delaware Annual Conference join the United Methodist Mental Illness Network of Caring Communities as established by the General Board of Church and Society of The United Methodist Church and described in Resolution 3302 in *The Book of Resolutions of The United Methodist Church*, 2008):

"The mission to bring all persons into a community of love is central to the teachings of Christ. We gather as congregations in witness to that mission, welcoming and nurturing those who assemble with us. Yet we confess that in our humanity we have sometimes failed to minister in love to persons and families with mental illness. We have allowed barriers of ignorance, fear, and pride to separate us from those who most need our love and nurturing support of community.

"To support United Methodist congregations in their goal to reach out to persons and families with mental illness, the General Board of Church and Society established the United Methodist Mental Illness Network of "Caring Communities," congregations and communities in covenant relationship with persons and families with mental illness. United Methodist congregations are called to join the Caring Communities program:

- To educate their members about mental illness
- To enter into a covenant relationship of understanding and love with persons and families with mental illness, in order to nurture them, and
- To reach out to the larger community."

RESOLUTION TO PROMOTE HEALTH COVERAGE FOR ALL

WHEREAS our Lord Jesus Christ prayed that we might have life and have it abundantly (John 10:10); and

WHEREAS the tradition of our own Church is that health care is a basic human right (United Methodist Social Principles, paragraph 162.V); and

WHEREAS millions of Americans, including many in Delaware and Maryland, do not have health coverage, in large part due to the prevailing economic conditions, and

WHEREAS a lack of health coverage is known to lead to individuals and families doing without important preventive services as well as needed treatment and related care and also this lack of health coverage is responsible for the deaths of some Delawareans and Marylanders each month (*Covering the Uninsured*, a program of The Robert Wood Johnson Foundation); and

WHEREAS all indications are that health care costs, including coverage, will continue to rise, causing more Americans to lose coverage with negative impacts on both their individual health status and on the economies of our States and nation; and

WHEREAS The United Methodist Church, along with all other major American Christian traditions (Catholic, Orthodox and Protestant) and most non-Christian faith groups, is working through Faithful Reform in Healthcare to advocate for a national health coverage program that is inclusive, available, accessible, and accountable;

BE IT THEREFORE RESOLVED, that the Peninsula-Delaware Conference of The United Methodist Church supports the development and implementation of a program of health coverage that assures basic coverage for all Americans **as long as health care in no way violates Christian Principles** .

BE IT FURTHER RESOLVED, that the Peninsula-Delaware Conference of The United Methodist Church recognizes that there are currently resources to help many individuals and families and urges pastors, health ministers and others to become familiar with these existing resources, including the Medicaid and State Children's Health Insurance Programs of both Delaware and Maryland and the Delaware Community Healthcare Access Program and Maryland Health Insurance Plan, and to help in promoting enrollment in them to eligible individuals and families.

**COVENANT OF RELATIONSHIP BETWEEN
THE PENINSULA-DELAWARE CONFERENCE
OF THE
UNITED METHODIST CHURCH, INCORPORATED
AND
BOARD OF CHILD CARE
OF THE UNITED METHODIST CHURCH, INCORPORATED**

PURPOSE.

The purpose of this Covenant of Relationship is to provide a clear and mutually agreed-upon statement of relationship between The Peninsula-Delaware Conference of the United Methodist Church, Incorporated (the "P-D Conference") and Board of Child Care of the United Methodist Church, Incorporated (the "Board of Child Care"), and is intended to supersede such other Covenant of Relationship, or comparable documents, that may have existed in the past.

The Book of Discipline provides that:

The Annual Conference and each health and welfare institution shall have a clearly stated document, which describes their legal and financial relationships; provided that no such document shall impose as a party to it the United Methodist Church and/or the General Board of Global Ministries.

THEOLOGICAL BASIS.

United Methodists are Christians called to live a life reflective of the message and life of Jesus Christ. Jesus taught, in both word and action, that children are important people in the life of the community of faith, when he instructed the disciples to "let the children come unto" him (Lk. 18:16). He also taught that as disciples loved "one of the least of these my brethren: they loved him." (Matt. 25:40).

The ministry of the Board of Child Care is an expression of the message and ministry of Jesus, as exemplified by persons like John Wesley. Since 1874, children, youth and families, in their time of need, have been offered the grace that brings wholeness through the ministries of the Kelso Home for Girls, Strawbridge Home for Boys, Swartzell Methodist Home for Children and Board of Child Care.

Through the ministry of institutions, the United Methodist Church has delegated the task of organizing and administering service to the needy. The present Board of Child Care is the result of a merger of the Board of Child Care with the Kelso and Strawbridge Homes. Kelso and Strawbridge, previously orphanages, have been ministering to and with children, youth and families in the geographic areas of the Baltimore-Washington Conference (the "B-W Conference") and the P-D Conference for more than a century. Children and families, who have been fractured and broken as individuals and groups within society, have been helped and healed. The Board of Child Care is the conduit that attempts to bring some wholeness to this segment of a broken and needy world.

When you give a dinner or a banquet, do not invite your friends or your brothers or your kinsman or rich, less they also invite you in return and you be repaid. But when you give a feast, invite the poor, the maimed, the lame, the blind, and you will be blessed, because they cannot repay you. (Lk. 14:22)

It is in the spirit of the above scripture and in the spirit of John Wesley to "Do all the good you can, in all the ways you can, to all the people you can, as long as you can," that the Conference and ministry of the Board of Child Care enters into this Covenant Relationship.

MEANING OF THE RELATIONSHIP.

The Board of Child Care recognizes the Conferences as its spiritual formation and the foundational basis, in the Wesleyan tradition, for being and doing ministry. The Conferences recognize the Board of Child Care as a vital and reliable ministry, and commend it as a worthy non-profit corporation, organized under the laws of the State of Maryland. The B-W Conference established the Board of Child Care as a distinct corporate entity and, while the Board of Child Care's corporate charter remains subject to B-W Conference approval to ensure consistency with its Relationship Statement, the Conferences and the Board of Child Care recognize each other as separate and distinct legal entities, governed and financed separately, and without fiscal or legal responsibilities for each other.

RESPONSIBILITIES OF THE BOARD OF CHILD CARE.

1. To receive children, who are in need of help, and who may benefit by the program services offered.

2. To offer to children educational opportunities, counseling services and mental health services in response to public need.
3. To offer related services to parents, guardians and families to expedite family reunification and/or stability, whenever possible.
4. To fulfill the above in a context that reflects the mission and values adopted by the Board of Child Care.
5. To provide an annual report, for information, to be published in each Conference's Journal.
6. To provide an annual certified public audit to the Bishop of each Conference for information purposes.
7. To maintain accreditation through the EAGLE program of the United Methodist Association to ensure its Christian heritage is being fulfilled.
8. To maintain accreditation, through an independent organization, to ensure that professional protocols and standards are being maintained.
9. To elect members of the Board of Directors, as set forth in its Articles of Incorporation, recognizing 2/3rds of its members shall be United Methodist, of which two of whom shall have been elected from nominees submitted to the Membership Committee by the Bishop of the B-W Conference. All directors shall have full voting privileges and be expected to serve actively on any standing committee, to which the Chairman of the Board shall appoint each such director. The names of the members of the Board of Directors shall be published in each Conference's journal. Additionally, the Bishop of the B-W Conference, or his or her designee, shall serve as a voting member of the Board of Directors and shall serve on the Executive Committee or any successor thereto. The Bishop of the P-D Conference, or his or her designee, shall serve as a voting member of the Board of Directors. It is understood that each Bishop, or his or her designee, as the case may be, will participate as a director, on a continuing basis, until the respective Bishop may appoint a different person to serve as his or her designee. Each Bishop's designee shall be a member of the respective Conference Cabinet or Staff. Although each Bishop may appoint a designee, each Bishop is always welcome to attend Board of Directors' meetings; however, each Bishop, and/or his or her designee, shall have only one (1) vote each.
10. To assist in maintaining awareness of spiritual and missional ministries, in a human service agency, in accordance with the Social Principles and Social Creed embodied in the Book of Discipline of the United Methodist Church, which shall be coordinated through the leadership of a spiritual-life coordinator, selected after consultation with each Bishop.
11. To offer financial support and programming, technical and professional advice and support to the members of each Conference, and others deemed appropriate by the Board of Directors, which or whom relate to the mission of the Board of Child Care

RESPONSIBILITIES OF THE PENINSULA-DELAWARE CONFERENCE.

1. To permit the use of the name and logo of the Conference, to make all aware of our covenant and as a reminder of our heritage.
2. To provide access to communication channels of the P-D Conference, including the Journal, P-D Conference newspaper, annual meeting and other means of providing promotion and interpretations of its mission and program.
3. To allow the Board of Child Care to continue an annual Christmas appeal to provide benevolent care to its clients, and allow other fund-raising specials in United Methodist churches, with prior approval of the P-D Conference.
4. To share resources, when appropriate, for the enrichment and support of outreach ministry, with the P-D Conference and the Board of Christian Presence, in God's World.
5. To assist in maintaining awareness of spiritual and missional ministries, in a human service agency, in accordance with the Social Principles and Social Creed, embodied in the Book of Discipline of the United Methodist Church.
6. To provide volunteers through the church, including individuals, groups and auxiliary, to enhance service delivery to the clients served by the Board of Child Care.

CORPORATE STRUCTURE.

Recognizing that the Board of Child Care is a separate and distinct corporate body, organized under the laws of the State of Maryland and of the United States of America, the Conference hereby acknowledges that the Board of Child Care is authorized, through action of its Board of Directors, to amend its charter, change its name, elect its directors, reorganize its corporate structure and governance, and create one or more separate foundations, subsidiaries or sister organizations, subject to each Conference's right to ensure consistency with the provisions of each respective Relationship Statement through the following procedures: Each Conference, through Program Resource and Evaluation Committee or its successor (PRE), reserves the right to review and approve any proposed amendment to the charter or restructuring of the corporate organization of the Board of Child Care, to assure consistency with this Relationship Statement. If either or both PRE approves the proposed amendment, the Board of Child Care may proceed to file the Articles of Amendment with the State of Maryland. If PRE agrees with the intent of the amendment, but believes it to be inconsistent with this Statement, the respective PRE will work with the Board of Child Care to propose revisions to the Statement, in order to make the amendment consistent with the Statement. Thereafter, the proposed revisions to the Statement must be submitted to the Annual Conference for approval. After receiving each Conference's approval for the revised Statement, the amendment may be filed with the State of Maryland. If either or both PRE does not agree with the intent of the amendment, but the Board of Child Care still desires to effect such amendment, the Board of Child Care must present the proposed amendment to each respective Annual Conference for approval, and only after obtaining such approval may the Board of Child Care cause the amendment to be filed with the State of Maryland.

The P-D Conference hereby recognizes and acknowledges that the Board of Child Care Foundation, Inc. (the "Foundation"), if formed, will be organized as a non-stock corporation, under the laws of the State of Maryland, and will apply to the Internal Revenue Service to qualify as a not-for-profit organization, under IRC Section 501(c)(3). The Conference endorses the establishment of the Foundation.

DISSOLUTION.

Title to property, both real and personal, shall be held solely by and under the jurisdiction of the Board of Child Care and not by either Conference. In the event of dissolution of the Board of Child Care, after payment and satisfaction of all liabilities and obligations, all of its remaining assets and property, of every nature and description whatsoever, not held upon a condition requiring return, transfer or conveyance, by reason of dissolution, shall be paid and transferred to the B-W Conference by the then Directors, in the manner provided by law, to be used for a similar purpose as that of the Board of Child Care, in keeping with the policies of the Annual Conference. Notwithstanding the foregoing provision, the Board of Child Care will make all reasonable efforts to account for contributions received from churches and members of the P-D Conference, so that, in the event of dissolution of the Board of Child Care, the balance of such contributions, net of expenditures made in fulfilling the mission of the Board of Child Care and purpose for which such contributions had been made, will be paid and transferred to the P-D Conference as an obligation of the Board of Child Care.

SUMMARY.

This Covenant, establishing an affiliation relationship between the Board of Child Care and the Conference, is mutually agreed upon. This Statement of Relationship shall be reviewed, revised, if appropriate, and submitted for approval at each Annual Conference next succeeding the end of each quadrennium.

Sexual Ethics Policy

"This policy statement is superseded by The United Methodist Book of Discipline and is meant to support the disciplinary process where appropriate."

INTRODUCTION

The intent of this policy by the Peninsula-Delaware Conference is to provide guidance to laity, clergy, and lay employees of the Annual Conference and the local church in cases of sexual harassment, sexual misconduct and abuse. Moreover, this policy works toward the end of providing for the safety of the parishioners by ensuring a protective climate, protecting the special relationships between pastors and those to/with whom they minister, and by ensuring health and authenticity in pastoral ministries. It is our hope that the existence of this policy with a focus on prevention, intervention, and restoration will act as a deterrent against inappropriate sexual behavior.

The Pastoral office is a position of great trust, responsibility and power. This trust and responsibility provide the opportunity for a unique relationship of grace and caring. Persons in pastoral roles sometimes violate the trust given them by participating in inappropriate sexual behavior which is an abuse of their power. Sexual misconduct which includes harassment and sexual abuse, is one of the gravest violations of this *sacred trust and is a breaking of the covenant.*

"For the sake of the mission of Jesus Christ in the world and the most effective witness to the Christian gospel, and in consideration of the influence of an ordained minister on the lives of other persons both within and outside the Church, the Church expects those who seek ordination to make a complete dedication of themselves to the highest ideals of Christian life. To this end, they agree to exercise responsible self-control by personal habits conducive to bodily health, mental and emotional maturity, integrity in personal relationships, *fidelity in marriage and celibacy in singleness*, social responsibility, and growth in grace and in the knowledge and love of God" (§ 304.2, The Book of Discipline of the United Methodist Church 2008 — 1996)

DEFINITIONS

Sexual Misconduct: It is misconduct when any person in a ministerial role of leadership or pastoral counseling (clergy, religious, or lay) willingly engages in sexual contact or sexual behavior (communicates sexual interest and/or content) with a congregant, client, employee, student, staff member, etc. (adult, teenager, child) in a professional relationship. Such misconduct is a violation of the ministerial relationship in which a person in a position of religious leadership takes advantage of a vulnerable person, instead of protecting him/her.

Sexual misconduct is exploitative, abusive, and a violation of ethics.

- 1 It is sin. To use sex in an ungodly way violates our covenant with God as well as with each other.
- 2 It is a violation of role. The pastoral relationship presupposes certain role expectations. Sexual misconduct must never be a part of the pastoral, professional role.
- 3 It is a misuse of authority and power. The role of church leader carries with it authority and power and the attendant responsibility to use this power to benefit the people who call upon the church leader for service. If such activity is initiated by another, it is still the church leader's responsibility to maintain the boundaries of the relationship.
- 4 It is taking advantage of the vulnerability of the person seeking support or advice. The person comes with a predisposition and the faith that the church leader will act in ways that contribute to his/her well being and not to his/her detriment.

Sexual Harassment: The use of one's authority or power, explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal to participate in unwanted sexual activity; or the creation of an intimidating, hostile or offensive working environment through verbal or physical conduct of a sexual nature.

Complainant: This is the person who submits either an informal or formal complaint alleging inappropriate and/or unsolicited sexual behavior. The complainant may or may not be the person experiencing sexual misconduct. For example, a family member, friend or colleague of the person experiencing sexual misconduct may be the complainant whose information initiates the complaint.

Respondent: The term "respondent" is used to represent the person against whom a complaint is made of sexual misconduct or sexual harassment.

Petitioner: The individual who has requested restoration to pastoral office or is in the process of restoration.

POLICY OVERSIGHT AND IMPLEMENTATION

The role of the Board of Ordained Ministry is critical in this area of sexual ethics and for the development, interpretation and implementation of this policy as approved by the Executive Session. The Board's oversight of this policy is through the Executive Committee.

- A In accord with the current Discipline of the United Methodist Church, the Executive Committee shall be accountable to the Board of Ordained Ministry and the Bishop and Cabinet.
 - 1 The initiative for Preparation and Prevention is with the Executive Committee.
 - 2 Intervention and Restoration come in response to a request by a respondent and by the determination of the bishop.
- B The Executive Committee will work to implement this policy.
 - 1 Preparation.
 - a Recruit and train persons for the two sexual misconduct Response Teams.
 - b Secure and develop resources for prevention and intervention.
 - 2 Prevention
 - a Be responsible for the education of clergy members and lay leadership in the Peninsula Delaware Conference as well as leaders and members of all churches and charges.
 - b Oversee the implementation of prevention efforts, starting with steps outlined in this policy.
 - 3 Intervention
 - a Always initiated by the bishop and district superintendent.
 - b Implementation of the intervention process as outlined in this policy is with the leadership of the district superintendent and the responsive and supportive role of the Executive Committee and its response teams.
 - 4 Restoration
 - a When a person requests restoration to ordained ministry and at the subsequent recommendation of the bishop the Executive Committee may initiate and oversee the rigorous process that leads to healing and wholeness which could result in restoration
- C The Executive Committee will annually review this policy and the ways in which it is being implemented.
 - 1 Annually review and recommend changes in this policy Statement on Sexual Ethics.
 - 2 Annually bring this policy to the attention of all clergy, all lay members and leaders, and staff persons of the Annual Conference.
 - 3 Annually review and recommend any needed changes in the ways this policy is implemented, seeking greater effectiveness in prevention, intervention and restoration.
- D Full or part-time leadership is essential for effective prevention, intervention and restoration. **The CARE Team** ~~Sexual Ethics Consultant~~ will be accountable to the Executive Committee and the Bishop and Cabinet.

1. PREVENTION

- 1 Throughout each quadrennium, training in sexual and professional ethics, boundaries, and systems theory for churches will be offered.
 - for clergy
 - for Staff Parish Relations Committees
 - for lay speakers
 - for all church workers
 - in district training for clergy and laity together

in varied local settings

These training opportunities will be organized with the help of the CARE Team ~~a clergy ethics consultant. Funding for such a consultant will be part of the Conference budget.~~ Every clergy person or Certified Lay Minister (CLM) assigned to serve as pastor who is new to the Peninsula-Delaware Conference is required to attend sexual ethics/boundaries training prior to or within the first month of service per scheduling by the CARE Team. In the event a training opportunity is not available, sexual ethics/boundaries training must be taken at the first available opportunity after appointment. Participation records of all trainings will be tracked by the CARE TEAM under the supervision of the Board of Ordained Ministry.

- 3 A self assessment test will be given to all clergy to explore their vulnerabilities in the area of sexual ethics. This will be administered by the CARE Team ~~Clergy Ethics Consultant.~~ The results will be seen by no one but the clergy person taking the test. Professional guidance will be available for those who feel they are at risk.
 - 4 When candidates for ordination are interviewed by the Board of Ordained Ministry, they will be asked the following question:

How do you understand ¶ 304.2 of THE BOOK OF DISCIPLINE 2008 which reads in part: "For the sake of the mission of Jesus Christ...(clergy agree to) fidelity in marriage and celibacy in singleness..." to apply to you in ministry. This will be asked by the Pastoral Care and Human Relations interview team of the Board of Ordained Ministry and by the District Committee on Ordained Ministry at the beginning of the certification process.
 - 5 A copy of the Conference sexual misconduct policy will be given **made available annually** to all clergy, all Lay Members of Annual Conference, all Staff-Parish Relations Committee chairs, and by District Committees to persons at the beginning of the certification process.
 - 6 All local churches shall adopt a sexual misconduct policy to assist in prevention of such occurrences and to protect themselves from legal liability. The policy must be shared annually with staff and church leaders. The policy should be included in Charge Conference materials. The district superintendent shall give guidance in composition of such material.
 - 7 A sexual ethics or misconduct policy of the Peninsula-Delaware Conference is required to apply to all employees of the Conference. The policy must be shared annually with the employees.
 - 8 This policy as regards clergy supersedes local church policies.
 - 9 The Board of Ordained Ministry will develop a list of sexual healing ministries and make them available to pastors.
 - 10 It is suggested that existing pastors have prayer partners.
- 11 **All clergy persons, certified Lay Ministers CLMS assigned to serve as pastors, and lay pastors in the Peninsula-Delaware Conference are required to undergo a criminal background check specified by the Board of Ordained Ministry every four years.** All clergy persons and CLMS assigned to serve as Pastors are responsible for the cost. **The criminal background check may be paid for through continuing education funds.**

2. INTERVENTION

The Process for Intervention

- 1 When a written complaint against a pastor (respondent) is received, the bishop and the district superintendent will confer in prayer and concern.
- 2 The complainant is interviewed by the superintendent to clarify the complaint, and to request further details, and to determine if there are questionable statements in the complaint. The superintendent explains the process of bringing a complaint against a respondent for alleged sexual misconduct, inappropriate sexual behavior or harassment to the complainant. The superintendent points out that if the respondent confesses, the

- official complaint is brought by the bishop and the cabinet, no longer by the complainant. The superintendent then reports to the bishop the contents of the meeting.
- 3 The bishop then sets a meeting with the complainant and the superintendent to further clarify the complaint. The complainant is instructed not to have any further contact with the respondent and, for the protection of all, to keep the complaint and these meetings confidential.
 - 4 The bishop and the superintendent then meet with the respondent and present the written complaint. The respondent is interviewed about the complaint. If the respondent confesses *to the allegation*, the respondent's understanding of the allegation is clarified. The respondent is instructed not to have any further contact with the complainant and to keep the complaint and the meetings confidential.
 - 5 If the respondent confesses to the complaint, the bishop and the superintendent confer about the next steps. Concern for the respondent, the complainant, and the church are expressed in every meeting. The cabinet is informed and the next steps of the process are determined.
 - 6 If the respondent denies the complaint and through the district superintendent and the bishop there is just resolution with the complainant, the matter may be terminated by the bishop with confidentiality maintained.
 - 7 If the respondent contests the complaint and there is no just resolution, the bishop and superintendent confer with the Cabinet to determine the next steps. The procedure shall go forward as outlined in The United Methodist Book of Discipline, 2008 Section XV (§361-363 and §2701-2719 ~~(§258 and §2623-2629)~~
 - 8 If the respondent confesses, the bishop may ask for the convening of the Executive Committee of the Board of Ordained Ministry to request suspension. The district superintendent and/or the bishop then meet with the respondent and inform him/her of the suspension process.
 - 9 If the Executive Committee grants suspension then the superintendent contacts the chairperson of the SPRC and sets a date immediately to convene the SPRC to inform and consult with them concerning the suspension process.
 - 10 The **CARE Team Convener** ~~sexual-ethics-consultant~~ is contacted by the superintendent and after consulting with the superintendent designates response team members to be present when this information is shared with key leadership and congregation. The consultant or the Chairperson of the Response Team attends the meeting of the SPRC. Other persons may be asked to attend the meetings as deemed necessary by the superintendent. Meetings are also set for the week after the announcement to the church for members to ask questions, state opinions, and express their feelings about the suspension and misconduct.
 - 11 The superintendent in consultation with the respondent and SPRC will decide how he/she will communicate with the church about the suspension and the reason for it. The superintendent encourages the respondent and the complainant to secure counseling, and the superintendent will offer a support person. If asked, either the superintendent or the Board of Ordained Ministry will recommend such persons. The Response Team may also designate members to continue to be in contact, prayer and support for the respondent and complainant. If possible, the superintendent shares the name of the pastor who will be provided at the expense of the Annual Conference as the interim pastor of the church.
 - 12 When the congregation is informed, the superintendent, another cabinet member, response team members and others designated are present. During this meeting the superintendent announces the suspension. After the announcement persons may ask questions, talk one-on-one with Response Team members or others designated, and pray together before leaving.
 - 13 The superintendent notifies the other pastors of the conference by mail or phone giving them a brief statement about the suspension.
 - 14 The superintendent returns to the church within a few days to meet with persons who want to ask questions, state opinions, think of steps to move forward, and pray.
 - 15 The superintendent continues to meet with the Lay Leader and the SPRC chairperson to decide on the next steps.

Preparation for Quality Intervention

1. Recruit and train 10 people ~~to be~~ organized into two Response Teams.
 - ◊ Inclusive membership: clergy/lay, male/female, different cultures, and urban/rural.
 - ◊ These persons should be *highly* trained in the areas of sexual misconduct, pastoral care, and intervention.
 - ◊ Recruit and train one additional person yearly, so as to keep the teams up to strength.
 - ◊ Have ongoing training with a training event once a year and with the debriefing of each intervention.
2. The Response Team assists the superintendent in the intervention.
3. Intervention should involve care for all affected persons with team members assigned to have a pastoral presence with:
 - ◊ Complainant(s) or the person experiencing the sexual misconduct.
 - ◊ Congregation(s)
 - ◊ Respondent
 - ◊ Family of the Respondent
4. Intervention with awareness of both the short term and long term needs of the congregation (and those within the congregation who may have experienced sexual harassment and/or abuse), the victim(s), the respondent's family, and the respondent, as they go through a complex process that is a grief process and much more.
 - a. Short Term Intervention includes:
 - ◊ Short term is up to five meetings, including the meetings with SPRC, Church Leaders and congregational meetings.
 - ◊ Response Team available to the congregation as well as to assignments with specific persons.
 - ◊ If possible professional counselors should also be available.
 - ◊ Have a toll free number for people to call for help.
 - ◊ A seven day devotional developed for the congregation to use in processing.
 - ◊ Any inquires from the media regarding an incident of sexual misconduct must be directed to the bishop or a designated person. Questions from the media shall not be addressed by any member of the response team.
 - b. Long Term Intervention
 - ◊ An interim pastor(s) with special training whenever possible.
 - ◊ The district superintendent (assisted by interim pastor and/or the sexual ethics consultant when needed) strategize with the SPRC and church leaders for the church to move forward.
 - ◊ When possible, professional counseling available for victim(s), the family of the charged cleric or church worker, the charged cleric or church worker.

3. RESTORATION—RESTORATION OF RESPONDENT

Process of Healing and Wholeness Leading to Possible Restoration

The Conference believes that there are cases where healing and wholeness for function of ministry can be achieved for persons who are suspended or have previously been suspended and are on leave of absence and who:

- have confessed to a charge of sexual misconduct and shown remorse,
- when appropriate have participated actively in a mutual process of reconciliation.

Where these conditions have been met the person may be restorable to function as an ordained clergy person. The process will involve a close relationship between the bishop and cabinet and the executive committee of the Board of Ordained Ministry.

When the supervisory response period is over, and the petitioner requests to participate in a process leading to healing and wholeness for the function of ministry, and the bishop believes this is possible, the following process will be set in motion:

1. The Bishop requests that the Executive Committee of BOOM engage in a process possibly leading to restoration for a clergy member of the Conference known hereafter as the Petitioner.
2. The District Superintendent brings the facts of the charges to the Executive Committee of BOOM. The accuser may be invited to share his/her perspective.
3. A meeting is arranged between the Executive Committee of BOOM and the Petitioner and his/her district superintendent. At this meeting, the Petitioner will state his/her case. Applicable documentation and a report from the therapist will be presented, and then there will be a period of questions and answers. The Petitioner may bring a friend or adviser who will not act in the role of a lawyer.
4. After the meeting between the Executive Committee and the Petitioner, there will be a time of prayer and discernment taken by the Executive Committee before a decision is made. When the decision is made, it will be communicated to the appropriate parties.
5. If the Executive Committee of BOOM agrees that restoration is possible, the following steps occur:
 - a. The Executive Committee establishes an accountability group, consisting of five persons, one of which is chosen by the Petitioner (two persons appointed by BOOM, one lay, one clergy; two non-BOOM persons, one lay, one clergy; one person named by the Petitioner). ~~The A CARE Team member or a sexual ethics consultant~~ ~~sexual-ethics consultant~~ will be the convener.
 - b. The Accountability Group determines what issues need to be addressed.
 - c. The Group writes a focus/mission statement to the effect that it will continue to work toward the restoration of the Petitioner, and it will include the time parameters for the process.
 - d. Areas for work will be listed by the Group to include:
 - o the call
 - o therapy
 - o journaling
 - o spiritual direction (with mentor/director)
 - o a written covenant between the Petitioner and the Group
 - e. The Group shall monitor the progress of the petitioner and offer evaluation as it relates to the petitioner's progress.
 - f. The Group shall meet regularly with the petitioner for prayer and spiritual discernment, discussion of issues unique to the situation, and shall maintain confidentiality.
 - g. The bishop must approve the plan.
6. When the work is completed, the Accountability Group, with prayer and concern, makes a recommendation to the bishop and the Executive Committee of BOOM.
7. If the Group's recommendation to the Executive Committee is for restoration, and if the Executive Committee agrees, the Executive Committee makes a recommendation to the full BOOM.
8. The full BOOM makes its recommendation to the Executive Session.
9. Along with this process, it is understood that any restoration process must include confession/repentance, therapy, accountability, transformation, spiritual direction and examination.

SUMMARY

Our hope and prayer is that all persons within the Body of Christ will take *prevention* very seriously. Clergy are at risk as they enter into pastoral relationships with many vulnerable persons and breaking the sacred trust is so devastating. When sexual misconduct or even allegation of such occurs, intervention is essential and is shaped 1) by a concern for all who are affected and 2) by the Discipline of the United Methodist Church. While a person is never severed from the Body of Christ, *restoration* to pastoral office is only possible through a very thorough healing process.

Appendix I: Disclosure

The appendix on disclosure is superseded by The United Methodist Book of Discipline: 1996—Section XIV—Complaints—paragraph 358—Complaint Procedures: 2008; Section XV, Complaints, paragraphs 361, 362, 363. Complaint Procedures

The intent is to encourage openness, while protecting the rights of all persons, and to support the disciplinary process where appropriate.

DISCLOSURE

Just as God's gift of forgiveness cannot be appropriated without confession and repentance, so the process of healing for individuals, the congregation and the connectional church includes the appropriate disclosure of information. Truth telling has the power to release persons, both perpetrators and those who have experienced sexual misconduct, from the bondage of secrecy, denial and guilt resulting from such an abuse of power. Disclosure needs to be made to those who need to know, including the congregation.

When bringing incidents of sexual misconduct to the attention of the proper authorities, the greatest possible care shall be taken to assure that the least possible additional harm is done to the complainant(s) and/or person(s) experiencing sexual misconduct, the respondent, the family and the congregation(s). Procedures will be followed responsibly to ensure fairness and justice. Disclosure should never involve revealing the identity of the person(s) experiencing sexual misconduct or of facts that would readily identify the person(s) without written permission.

Four important reasons justify appropriate disclosure of the problem of sexual misconduct to a congregation whose church leader has either resigned to avoid disciplinary proceedings or who faces such proceedings:

1. It is easier for a congregation to deal with anything, no matter how unpleasant, if it is confronted openly rather than shrouded in secrecy. The truth is always better than lies or rumors. Allegations of sexual misconduct are particularly susceptible to rumors and distortions that over time could destroy a congregation. Disclosure is the first step in the healing process for the congregation's future health and well being.
2. Disclosure is also necessary for the church to fulfill its mission to reach out to people who need the love, healing and reconciliation that are the heart of the Gospel of Jesus Christ. This includes reaching out to persons who have experienced sexual misconduct but have not confronted and dealt with the problem. It also includes reaching out to parishioners whose lives have been disrupted by the sudden and apparently inexplicable disciplining or resignation of their pastor or church leader. It further includes reaching out to the respondent person and person's family. Disclosure also prevents future abuse within the congregation.
3. Church leaders facing accusation and disciplinary proceedings are entitled to due process and cannot serve or prepare an appropriate defense when surrounded by rumors. On the other hand, church leaders who in fact have been involved in sexual misconduct cannot necessarily be relied upon to be truthful in working with the Staff Parish Relations Committee or congregation. Appropriate disclosure is part of the intervention to confront and resolve misconduct so that all parties involved, including the respondent person and person's family, are offered steps toward healing.
4. Disclosure may also be required to help protect the congregation or the Peninsula-Delaware Conference from potential legal liability for the actions of church leaders involved in sexual misconduct. As the problem of sexual misconduct is increasingly recognized and dealt with, there is likely to be increased litigation by those who have experienced it seeking legal redress for the pain and hurt they have suffered. The first step in confronting such problems of potential legal liability is disclosure.

GUIDELINES FOR DISCLOSURE

The Bishop and the District Superintendent will be the disclosing parties. Any church member can and should report any grievance. The pastor is under obligation to report a church worker to the bishop and district superintendent. In the case of a child it also must be reported immediately to Child Protective Services or the local Child Advocacy Center (MD) or Department of Services for Children, Youth and Families (DE)

1. Disclosure should not reveal by name the identity of the complainant or any one experiencing sexual misconduct unless the person has specifically requested

identification. Likewise, care should be taken to avoid disclosure of facts likely to reveal the identity of such persons.

2. Disclosure of other information should be accurate and as factual as possible. It shall be sufficiently complete to provide a clear understanding of the charges and to protect others from further misconduct. Disclosure should also make clear the nature of the process, the respondent's right to due process and the presumption of innocence until proven guilty.
3. Information on what, in our church's understanding, constitutes sexual misconduct and how the person's action allegedly violates these expectations of ordained ministers should be provided.
4. Where a clergy person has withdrawn or a lay person resigned without admitting guilt, and before a formal hearing, the disclosure should refer to the allegations of misconduct but should also state that the respondent denied the allegations and withdrew or resigned.
5. It is appropriate to describe to the Staff Parish Relations Committee the conduct of the respondent or that to which he/she has admitted.
6. Initial reporting and disclosure to the congregation should be done in a setting other than the regularly scheduled worship service and will be established in consultation with the Staff Parish Relations Committee and congregational key leaders.
7. The congregation should be informed of steps taken to provide care for the person(s) experiencing sexual misconduct, the person in question and their families.
8. Disclosure will ordinarily not be made to either the secular or church media, but the bishop's office should be prepared to answer media inquires. Any inquires from the media must be directed to the bishop or those designated by the bishop.

PROCEDURES

I. Assumptions- Assurances

- A. All written and signed allegations of sexual harassment or misconduct will be taken as worthy of investigation.
- B. The respondent is presumed innocent until completion of the process. Thereafter, the reached conclusion will apply.
- C. APPENDIX II: SUSPENSION

The appendix on suspension is based upon and superseded by The United Methodist Book of Discipline: 1996: Section XIV-Complaints, paragraph 358.1e-suspension. 2008: Section XV. Complaints, paragraph 361.1c

The intent is to clarify the disciplinary use of "suspension" as a means of providing support through time and resources for the respondent (and family) and for the congregation(s).

The bishop may suspend, upon approval by the executive committee of Board of Ordained Ministry, the respondent from all clergy responsibilities but not from appointment for a period not to exceed 60 days.

1. During suspension, salary, housing and benefits will continue at a level no less than the date of the suspension. The congregation(s) or institution of employment shall assume all costs.
2. The cost of supply for the pastoral charge during suspension will be borne by the annual conference.
3. The interim pastor shall be informed of the circumstances of the temporary suspension in order to minister effectively with the congregation.
4. If just resolution is achieved at any time during the sixty days, the bishop will take appropriate action, which may include but not be limited to restoration to the ministry, withdrawal from the ministry, leave of absence, etc. If the respondent is required to leave the pastorate, \$1,000.00 will be paid by the Annual Conference to defray the moving expenses for the family.

Resolution to Offset Rate Increase

The Peninsula-Delaware Conference Board of Pensions offered a new Consumer Directed Health Plan (CDHP) with a high-deductible Preferred Provider Organization (PPO) plan effective 2008. At the 2009 Annual Conference, it was approved to increase the deductibles to a \$1600 deductible for individual coverage and \$4800 deductible for individual with child(ren) or family coverage and a new coinsurance of 10%. This change made it possible to pass no increase to the local church for the fourth year.

This year, with the new rates based on 2009 claims, which is prior to the new deductibles and coinsurance, we received a 23.9% increase.

The Board of Pension recommends the following, effective January 1, 2011:

- Billing to the local church for clergy increases by 12%
- Remaining increase for clergy to be paid through the Rate Stabilization Reserve (approximately \$294,000)
- Billing to the local church for lay staff increases by 24%
- Remaining increase for lay staff to be paid through the Rate Stabilization Reserve (approximately \$59,500)
- Funding HSA/HRA will be \$600 for individual; \$2200 for family
- Completing a health assessment through Virgin Health Miles will increase the HSA/HRA funding to \$800 for an individual and \$2400 for family
- Annual Billing for a Full Elder - \$12,720; Provisional Elder, Associate Member or Full-time Local Pastor - \$11,880; Student Local Pastor - \$8088 plus ½ of pastor's contribution

Based on the adoption of this recommendation, effective January 1, 2011, the Pastor's monthly contributions will remain as follows:

Compensation	Single Coverage	Family Coverage
\$20000-29999	32	53
\$30000-39999	42	75
\$40000-49999	59	101
\$50000-59999	75	128
\$60000 plus	90	154
Retirees/Spouses under 65	42	75
Retirees/Spouses on Medicare – no contribution required

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned.
(We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) A copy of the deed for the property;
 - 2) Specific directions for locating the property from a major highway;
 - 3) An 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

ADVOCACY RESOURCE TEAMMission:

The Advocacy Resource Team (ART) continues its mission by reaching out to the world with the love of Christ through advocacy, peace, and justice-related ministries within the Peninsula-Delaware Annual Conference. This encompasses a wide range of ministries, committees, commissions, and affiliated non-governmental agencies, including:

- Addiction Ministries
- Anti-Gambling Concerns
- Black Methodists for Church Renewal (BMCR)
- Caring Communities/The UM Mental Health Network
- Commission on Religion and Race (CORR)
- Commission on the Status and Role of Women (COSROW)
- Committee on Native American Ministries (CONAM)
- Deaf/Disability Ministries
- Ecumenical and Interfaith Concerns
- Environmental Justice Ministries
- Fair Trade Issues
- Global Aids and Aids Ministries
- Health Care Advocacy
- Hispanic-Latino/Ministries
- Homelessness/Housing Ministries
- Howard Bailey Life Enrichment Program (HBLEP)
- Methodist Action Program (MAP)
- Neighborhood House
- Peace with Justice Task Force
- Prison Ministries
- Salisbury Urban Ministries

The goal of the team's work is to help the Annual Conference and our local churches to live out the biblical mandate found in Micah 6:8, ". . . *What does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?*" We do this by helping the church and world embrace and embody *The Social Principles of The United Methodist Church*, which also helps to direct and guide the work that we do. However, it is ultimately God that empowers and equips us for the ministries in which we are engaged. Jesus' call in Matthew 25 to feed the hungry, give drink to the thirsty, welcome the stranger, clothe the naked, take care of the sick, and visit those in prison compels us as his disciples to go out into the world and make a difference. It is this call upon all of us that drives the team and helps give it the passion to be the hands and feet of Jesus to a hurting world.

ART continues the legacy of our Methodist forbearers who have a long and rich history of engagement on issues of social concern. John Wesley was a forthright advocate of prison reform, human rights, abuse of alcohol, labor justice, healthcare, slavery, and the humane treatment of animals. Slavery was a divisive issue within the church during the 18th and 19th Centuries with many Methodists taking strong abolitionist positions while others were less forthright. The women's rights movement, the labor reform movement, the temperance movement and the Civil Rights movement all saw leadership from a number of courageous and prophetic Methodist voices advocating for justice. Finally, we embrace the mission that was adopted in 2008: *This team supports and cares for empowering and transforming the human community through actions of social justice*

and advocacy, ecumenical and interfaith concerns, monitoring of inclusiveness, combating racism, sexism, and other forms of oppression, ethnic community concerns and providing diversity training and consultation.

Review of 2009 Goals:

This has been a challenging year for the Advocacy Resource Team with two changes in leadership in less than one year and the loss of our friend, Howard Mason. These have affected the progress that we have made towards living out our justice mission, and we hope that in ensuing years we can recapture the spirit and passion that was so much a part of Howard's life.

In 2009, the Advocacy Resource Team:

- Invited churches into a time of prayer prior to elections, gambling referendums, and gambling-related votes by the state legislatures and wrote letters to stop the spread of gambling in our states and communities.
- Sought to partner with the Jurisdictional Urban Network.
- Encouraged participation in the annual AIDS walks.
- Supported health care reform to reduce the number of uninsured and slow the spiraling cost of health care across the nation.
- Supported the expansion of Deaf Ministry within the Conference and the Jurisdiction, including hosting the Northeast Jurisdiction United Methodist Congress of the Deaf at Aldersgate UMC.
- Sought peace with justice by opposing the death penalty in Delaware, Maryland, and across the country, seeking restorative justice instead of punitive justice, and helped ex-offenders re-engage in society in a positive way.
- Promoted justice in the juvenile court system through support of *Justice for All: The Documentary* by local Wilmington filmmaker Sherry Dorsey who was a member of Haven UMC.
- Encouraged participation in the 2010 Census.

Goals for 2010 and 2011:

As we move forward into an uncertain economic future, we pray and hope for God's Reign to continue to grow and spread in our world. The mission of Christ and the church is as uncertain in the twenty-first century as it was in the first century. May our efforts be empowered by the Spirit as we seek to do justice, love kindness, and walk humbly with our God.

In 2010 and 2011 the Advocacy Resource Team will reach out to:

- Focus our energy and efforts in areas that will change our world. We are currently planning a field trip to the General Board of Church and Society in July and an all-day retreat at Camp Pecometh in September as we continue the process of seeking God's call to concentrate our continually dwindling resources to make a positive impact and expand the Reign of God.
- Continue support for the Conference Commission on Religion and Race and their work with the Nurturing Wholeness in Community Seminars and the Martin Luther King, Jr. Symposium.
- Develop and support existing prison ministries within the conference that work with incarcerated prisoners and ex-offenders re-entering society.
- Explore opportunities to minister in the area of environmental justice and to promote the stewardship of creation.
- Open ecumenical conversations and to educate local churches as to the content of the dialogue.

Every lay member of the 2010 Annual Conference by giving them a copy of our *Social Principles* as a tribute to Howard Mason and to encourage our laity to become familiar with and support the efforts of the Advocacy Resource Team and the General Board of Church and Society.

Hispanic/Latino Ministries Task Force

Strategic Plan Update

The Strategic Initiatives:

Interpret and advocate for H/L Ministries:

District level task force will be formed in Wilmington, Easton and Salisbury Districts.

Currently Dover is the only active district level task force.

Establish faith communities in each of the four districts of the conference.

Complete: Wilmington, Dover

Communicate the pressing issues affecting Hispanics, advocate for justice.

Betel continues to broadcast an hour a week in the Georgetown area with the support of the task force funds.

Have lay leaders from Hispanic/Latino faith communities in partnership with the Board of Lay Ministry bring "mission testimony" to non-Hispanic congregations.

Planning:

Each district task force will identify new ministry areas, prepare lay leadership and monitor and support satellite ministries.

National Hispanic Plan Training (NHP) developed curriculum resources

Partner existing congregations and faith communities through the 'acompanamiento' process.

We have a new liaison, the Rev. Ricky Alvarez

Utilize the Iglesia Betel of Georgetown model as a springboard for formation of a mission from successful faith communities.

Training and Resources:

Identify eight to twelve lay persons/clergy to be trained in the developed curriculum resources (Modules I, II & III).

Module 1 complete

Initiate a program through Wesley College and Wesley Theological Seminary for campus ministry outreach to the Hispanic community and provide scholarships for Hispanic candidates in the ordained ministry.

Stipends to cover the cost of books are available for Certified Candidates for ordained or licensed ministry who are actively participating in H/L ministries

Host an annual Hispanic/Latino Ministries Retreat.

Provide scholarships for Camp Pecometh for Hispanic youth.

Design a bilingual youth camp at Camp Pecometh with culturally relevant music and activities.

Provide Spanish language materials for Hispanic/Latino faith communities

Develop worship materials relevant to the mission context that incorporates language, music and traditions.

Develop and sustain healthy and effective partnerships between existing non-Hispanic churches and Hispanic faith communities.

Wesley UMC in Georgetown hosts a weekly café with a meal and fellowship for the Hispanic Community.

Provide seed money for expanding the outreach to the Hispanic community Provide the resources; such as Walk to Emmaus, to encourage individual spiritual growth.

Offer Lay Academy classes in Spanish.

Wilmington District Lay Speaker class is offered in Spanish

Multicultural Understanding and Awareness:

Create centers or partner with existing centers providing English as a second language courses in every district, as well as computer literacy programs.

Hold at least one annual district or conference fiesta showcasing the cultural diversity within The United Methodist Church.

Support Hispanic/Latino missions in providing Vacation Bible School in Spanish and English to church members and non-members.

Have a portion of the Ocean City Youth Rally be bilingual and showcase a Hispanic/Latino Christian band.

Have a regular monthly article in the Communicator of the PD Conference showcasing a Hispanic/Latino story or upcoming Hispanic/Latino event.

In process

Create and support health fairs that appeal to the special needs of the Hispanic community for example, immunization clinic and assist with legal costs.

Monitoring:

Have at least one congregation per district equipped to support a Hispanic congregation once a faith community expands to the point that a location for services is deemed crucial to growth.

Gracia Divina and Minquedale UMC are now physically and spiritually linked.

Update the Strategic Plan every four years with information from the GBGM consultant and as a result of reports from the district task forces.

Ongoing

Provide an information booth at the June Annual Conference with information about Hispanic/Latino ministries and mission opportunities.

Train a group of stewardship people to go into the congregations and teach sound stewardship principles.

Train in electronic communications for reaching out to the Hispanic/Latino community.

Betel's congregation is leading the way in this effort

Develop resources that are culturally relevant to the Hispanic/Latino community.

Coordinator for the Peninsula-Delaware Conference Action Plan

Identify individuals with appropriate gifts and time to effectively coordinate Hispanic/Latino ministries throughout the conference.

This is a task which must be coordinated with the Conference Office.

2011 Goals

Re-invigorate the Conference Hispanic/Latino Ministries Task Force with new membership and a regular meeting schedule.

Continue to encourage each District to form a task force by seeking support from the District Superintendents and Lay Leadership.

Committee On Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within the Peninsula-Delaware Annual Conference of The United Methodist Church.

Section 1: Review of 2009 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at Nurturing Wholeness in Community retreats in the Conference. Participated in Dover and Easton district clergy meetings.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American issues and ministry. We continue to offer our resources for lay academies and other awareness and training events.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of our speakers and their effective impact on local churches/communities. This is ongoing and a major goal of our committee. We are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the conference. Our committee invites the two pastors from our Native American churches to be a part of our CONAM. Relationship with other congregations is strengthened when committee members are invited to share in a Native American Ministry Sunday or other cultural awareness event.

To expand the ministry of CONAM into other areas of the Peninsula-Delaware Conference area. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as pow wows and festivals.

To continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CONAM. We are making available to the local congregations ways, resources, speakers so they can conduct a special service for this special offering Sunday.

To provide financial support for persons to attend Native American Family Camp, Flying With Eagles, youth leadership training and other leadership opportunities. This is a major goal of CONAM and is ongoing.

To continue prison and military card ministry. Card ministry for Native American persons incarcerated in West Virginia prison that we visited in 2007. Cards to support recovering American soldiers at Walter Reed Army Medical Center. Cards to support Native American military personnel serving in war zones.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This is a major goal of CONAM. Many peoples have been identified through contacts with congregations as well as other speaking venues. We shall continue to encourage District Superintendents to follow paragraph 654, page 458 of The Book of Discipline where at charge conference a person will be named as representative to CONAM. Once representatives are made known, CONAM will have a gathering session in each district to inform representatives of responsibilities, bring awareness of CONAM and begin our relationship and partnership.

Section 2: Significant Events 2009

CONAM committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our annual conference and beyond.

NURTURING WHOLENESS IN COMMUNITY: CONAM members have assumed leadership positions at these retreat experiences. Sharing history of Native people within the church. Bringing awareness of ongoing historical grief and trauma experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

NDN STIX CHIX: Ministry, under the direction of Ragghi Calentine and boe harris, are performing a much needed ministry for youth and adults. They have shared their ministry in many congregations, civic events, Native American cultural events, such as pow wows and festivals locally and across the United States. Group meets on a regular basis emphasizing relationship with Creator God, community service, tribal participation, mentoring younger youth and being helping hands to the tribal community elders. Group has participated in much fund raising so they may travel to be a part of National Native American events.

NATIVE WRITERS WORKSHOP: Ragghi Calentine, boe harris and Jean Norwood (past CONAM founder and chair) participate in this annual Native Writers workshop sponsored by NACP (Native American Comprehensive Plan). This workshop focuses on Native people writing worship services, poetry, and stories that can be used by Native and non-Native people. Works from the Native writers is available for use through the NACP website.

GBOD WRITERS: General Board of Discipleship had gatherings throughout the United States of Native writers to work on specific services such as funerals, weddings, and honorings. Jean Norwood and Ragghi Calentine have been asked to be a part of this ongoing process.

MOCCASINS ROCK: Tennessee Annual Conference Native American Ministries Committee, (CONAM) invited Ragghi Calentine and boe harris to help plan and participate as workshop leaders for this annual event, held at Camp Benson, Tennessee. This event is open to Native and non-Native people. The focus of this event is to bring awareness of the Native culture and to educate participants of current Native issues. Participants experience traditional Native stories, lectures, workshops, Native crafts, traditional drum and flute music, traditional tribal dances and open mic evenings. Stories from participants have expressed life changing experiences.

NATIVE AMERICAN LEADERSHIP ACADEMY/FAMILY CAMP: Redlands University, Redlands, California was the beautiful setting for this Native American International Caucus event. Section 3: Goals for 2010

CONAM shall continue to make our voices and presence known within our conference and beyond, being a pathway to awareness and education. We shall continue to bring awareness of Indian mascots and how they continue racism and the cycle of historical trauma and grief, and how that affects reconciliation and the healing process of our Native people.

CONAM will continue to encourage our district superintendents to fulfill the position of a CONAM representative in each of our conference churches or charges.

CONAM wishes to thank all those that have invited us to be a part of their gatherings or events and looks forward to many more invitations. We appreciate all of the financial support that our churches have given us.

Neighborhood House, Inc

With God's love from within, Neighborhood House provides services and programs that educate, enlighten and empower people and the community.

Neighborhood House, Inc. is a social service agency with locations in Wilmington and Middletown, Delaware, founded by the Methodist Women's Home Missionary Society in 1927. The agency has continued to provide a vital ministry for the residents in and around the South Wilmington community and the Middletown-Odessa-Townsend community – over 60% are low to moderate income and/or single parent households throughout New Castle County.

Neighborhood House operates on a foundation of Christian principles pursuing two primary purposes:

- assist and guide people with finding their own paths of awareness, self-sufficiency, productivity, hopefulness and success; and
- provide leadership, support, and advocacy for a comprehensive approach to community, economic, and leadership development.

Better housing, family unity, education, counseling, recreation, neighborhood development and racial and cultural understanding, as well as spiritual and emotional enrichment are important aspects of programs and services that meet the various needs of the people we serve.

Because of the current economic conditions, we have seen and continue to see an increase of families in need of help from our food closet and financial/housing counseling programs. We also are seeing non-traditional faces seeking assistance – those who have lost their jobs as well as those with good paying jobs but just can't make ends meet because of the rising cost of food, gas, electric and rent. We are unable to accommodate all the households requesting mortgage default and financial counseling or the households requesting assistance with food.

2009 Highlights of Programs Addressing Healthy Church Initiative Pathways

Eliminate poverty in community with the poor –

Housing Counseling – Neighborhood House served 680 households in 2009, including 157 pre-purchase program participants – 33 of whom purchased a home. We served 339 households in our Mortgage Default Counseling – 105 of whom were able to keep their homes, resulting in mortgage dollars saved of over \$14 million.

An additional Housing Counselor was hired in November 2009 who is bi-lingual enabling Neighborhood House to now serve the Hispanic community.

In addition, we served 627 households through our Weatherization program – providing energy and safety improvements, maintenance, and fuel assistance for low-income families. Thirty-eight families received new energy efficient furnaces and/or hot water heaters during the winter through the furnace assistance program and 227 families received air conditioners through the summer cooling assistance program. This is a state-wide program – Neighborhood House is the coordinator for all of New Castle County.

Family Services/Crisis Relief -- served 1,391 households (approximately 5,564 individuals) in 2009 with food, clothing and utility assistance as well as 238 holiday baskets and 200 families adopted at Christmas. In 2009 the emergency food closets served an additional 118 families over 2008 and the utility assistance was provided to an additional 139 families over 2008. An additional 72 families were adopted at Christmas than in 2008.

Reach and transform the lives of the new generation of children --

Neighborhood House served 250 children and youth ages 5 to 17 during 2009 through a variety of programs during the school year and in the summer.

All Stars -- 185 youth participated in this program designed to increase self-esteem and discourage substance abuse, premature sexual activity and other counter-productive behavior for youth ages 10 through 15. The program is held in the local elementary and middle schools and is funded through the Delaware Prevention Network.

Extended Hours -- This is an evening program providing a safe haven to youth ages 10 to 17 to engage in constructive activities such as open recreation, computer time, line dancing; Double Dutch and workshops on personal hygiene, STD, college preparation, prevention and intervention issues. 72 youth participated in this program during 2009 which operated on Friday and Saturday evenings.

Homework Help -- This program targets youth ages 5 to 17 and operates Monday through Thursday. This program includes homework assistance, tutoring, access to computers for research and reports, computer training and monthly parent meetings. Other activities include Four-H Club, Girl Scouts, Boy Scouts, field trips and workshops.

Street Lights -- During 2009, 70 area youth participated in seasonal sports teams sponsored by Neighborhood including flag football, basketball, soccer and track.

Summer Enrichment Camp -- Provides recreational, educational and cultural enrichment programming for area youth between the ages of six and twelve. Before and after care is also provided for working parents.

2009 Partnerships --

University of Delaware Early Learning Center -- This partnership is providing child care through the Early Head Start program to children ages 6 weeks to 3 years old. In early 2010, the Early Learning Center opened an additional room and is now serving 30 low-income children from Southbridge and surrounding area.

South Wilmington Planning Network -- This partnership with Nemours Foundation, Henrietta Johnson Medical Center, HOPE Commission, Southbridge Civic Association, and local government officials serves as a vehicle for information and resource sharing among organizations that have a vested interest in the South Wilmington community. The network supports the various organizations and associations in their endeavors to improve both the physical and social structure of South Wilmington and to address the issues of area residents and its surrounding communities.

Neighborhood House contracts with HGNS Consulting to provide the PAID™ Program which assists low-income and unemployed individuals. This is an intensive workforce development program designed to help participants obtain and retain life-sustaining employment via providing academic enrichment, life skills training, employment services (featuring job-specific skills training) and case management.

Christina School District – State certified teachers come to Neighborhood House once a week to provide intensive one-on-one tutoring in mathematics and language arts for high school students living in Southbridge and the nearby communities.

JP Morgan Chase employees continued to volunteer their time in 2009, assisting with painting and other maintenance repairs and Extended Hours youth program and after-school tutoring.

DuPont employees, through the United Way Days of Caring program, also volunteered their time assisting with painting and other maintenance repairs on the South Wilmington facility.

A Peninsula-Delaware Conference Youth Mission Team spent three days at the agency in July painting offices and doing landscaping clean-up.

Salisbury Urban Ministries

The mission of Salisbury Urban Ministries is to develop and coordinate programs which serve and minister to the needs of materially impoverished people in Wicomico, Somerset and Worcester counties. Salisbury Urban Ministries (SUM) is supported by eight of the ten United Methodist Churches that founded it in 1992. These eight churches are known as Covenant Churches. The pastor along with two lay members from each of the eight churches makes up SUM governing board. With the help of the covenant churches and a host of partner churches in the bounds of Peninsula-Delaware Conference who have a heart for reaching out to the materially impoverished last year SUM was able to:

- Provide to individuals and families more than 5000 bags of food through our Lazarus Program
- Provide financial assistance to help stay evictions, pay first month rent , security deposits and utility bills in order to keep families in their homes
- Provide financial assistance to help pay for prescriptions for those who have little or no insurance
- Served over 10,000 hot meals at God's Kitchen
- Provided a Homeless Welcome Center for homeless men where they showered, shaved and wash their clothes
- Provide an Afterschool Program that ministered to 54 children
- Provided 500 Thanksgiving boxes to families for Thanksgiving with the help of individuals and businesses in the Salisbury community.

This year we have added two new staff members. Mrs. Dawn Shores, SUM Lazarus Coordinator. Mrs. Shores coordinates the Lazarus Program. We also welcomed Mrs. Wynnette Curtis as our new Director of Children Programs. Mrs. Curtis and Mrs. Shores bring tremendous compassion and care to the programs they oversee.

On behalf of Salisbury Urban Ministries I would like to thank the Peninsula-Delaware Conference, the Salisbury District, and the many volunteers who prepare and serve the hot meals at God's Kitchen along with the volunteers that participate in the Afterschool program and Lazarus program. I offer a special thanks to Mrs. Priscilla Jackson who coordinates the 30 churches, businesses and organizations who rotate each week serving hot meals at God's Kitchen. Without their support SUM would not be able to live out its mission. We celebrate the contributions and work of more than 300 volunteers who support our mission. May God bless each and every one of them.

Gearing Up – Reaching In – Reaching Out – Living It

"You are not the Church alone! The glory of the Church today was obtained through the journeys of young and old alike. The Church of tomorrow's glory will be obtained with ministry of the young and old as well. Don't let society tell you any different. What you have today is the result of many who came before you and many who have taught you. How God will bless all who are alive today and enable us to provide for the continuing present and tomorrow's future, is yet to be fully revealed. But it will involve the work of older and younger persons together." Reverend Jonathan Whitney

As HBLEP continues along the pathway God has given to us we are humbled by the enormity of the vision. Part of the enabling process includes the involvement of many persons, young and old alike. The directives given to the founders are to be lived out by sharing the *Good News of Jesus Christ* in the following venues:

- Rites of Passage Programs for Children
- Cultural Awareness/Clarification Seminars
- Motivational Seminars
- Development of Programs, resources, etc. for African American Churches
- Distribution of Afro-Centric Resources
- Life Enrichment Seminars for Adults

As God continues replenishing the tree from which our strength is drawn, it is our hope that God will touch your spirit in these endeavors. I believe the need to continue this journey is so great that it will need the involvement of each of you to insure its success. *Please pray over our goals for 2010.*

The history of a people, lived with a realized presence of God, is still important to us. Keeping a vigilant eye on the present is still important to us. Making the teachings of our omnipresent, loving, and involved God is important to us. Accessing the libraries of the elders is still important to us. All of the following areas represent opportunities for God's unfailing love to be offered and a sense of the reshaping hands of the potter to be experienced in the lives of those the potter touches.

We are excited about the future and invite your prayers, bodily participation and your monetary gifts as we Gear Up – Reach In – Reach Out – Live Out for the work of Changing Lives for a Changing World.

Methodist Action Program

In 2009, the Methodist Action Program continued to minister to at-risk populations in the City of Wilmington, New Castle and Cecil Counties. Among our ministries are the following:

- Youth Moving Forward (a 16 week intervention/prevention program for first-time, non-violent adjudicated youth)
- Los Abuelos (Hispanic Senior Center), operated in partnership with the Latin American Community Center
- Homeless Services at "Old Asbury church" in partnership with Friendship House and Emmanuel Dining Room
- Emergency utility and housing services offered in conjunction with the F.A.I.T.H. Center

In 2009 we were able to sustain our youth Moving Forward ministry to at-risk teenagers through our partnership with the Department of Youth and Rehabilitative Services and the Criminal Justice Council. Throughout its eight-year history, this program has successfully helped first time offenders straighten out their lives and pursue valuable endeavors such as college education or gainful employment.

The 2009 MAP Walk for Children supported the ongoing efforts of community based programs that develop programs that positively impact the lives of children and youth. The proceeds from the walk supported the various ministries of the Methodist Action Program. We are grateful for the support of the local churches who participated and supported the 2008 MAP Walk for Children

Disaster Relief

The Disaster Relief Team of the Peninsula-Delaware Conference exists to educate, prepare for and respond to disasters both within and outside the geographic boundaries of the Conference. This ministry is deeply grateful to the churches and members of this conference for the generous and exceptional ways they have responded to the needs of disaster survivors around the world.

This year the following five items are celebrated:

1. The delivery of over 6000 health kits, plus school kits, baby blankets, clean-up kits, and medical equipment in response to earthquakes in Haiti, Chile, and elsewhere. This is also supplemented by generous and important financial giving.
2. The development and approval of a Peninsula-Delaware Conference Disaster plan. This plan will guide disaster response inside the Conference boundaries.
3. The development and approval of a Emotional and Spiritual Support policy also for the Peninsula-Delaware Conference. This policy requires persons to have taken the UMCOR Basic Spiritual Care training, a Psychological First Aid/Trauma course, and Safe Sanctuaries training to be recognized by the Conference. This special ministry is one of a very few which exist across the entire Church.
4. The presentation of the UMCOR local church disaster preparation and community response training event. There are two approved trainers in the Conference and each church/charge can be certified by developing a disaster plan.
5. The continued excellent response of teams going to the many areas of our country and world affected by disaster. These teams bring hope and the love of Christ to disaster survivors and are of vital importance.

The Disaster Relief Ministry is looking for interested and passionate persons to be involved at all levels of this important ministry. Please contact Rev. Dale L. Brown (302. 381-8834) to express your interest.

Volunteer in Mission (VIM)

"Volunteer in Mission" is the name we give to the vital ministry of mission trips that travel locally, nationally, and internationally to serve Christ in a variety of ways, including ministries of construction, medicine, and Christian education. One of the most effective ways of encountering Christ and glorifying God in service is through VIM experiences.

Goals:

1. **Provide VIM Team Leader Training and ultimately ensure that every VIM Team in our local churches has trained leadership.** Greg Forrester, UMVIM Coordinator for the Northeast Jurisdiction, led training at the Conference event The Well. Marie Van Der Wall is now available to provide in church training to teams. We plan to expand the number of local trainers. VIM will again offer training at The Well. Training is open to all people with an interest in VIM ministry and encouraged for all.

2. **Connect with VIM Teams throughout our Conference to provide prayer support, education, and communicate what God is doing. Report on Peninsula-Delaware VIM to General Board of Global Ministries.** We have also worked to provide communication of VIM Trips that are happening around the Conference. We think we may be aware of 25%-50% of the VIM ministry that is actually happening. If there is VIM ministry happening in your church, please ensure that these servants are connected with the Conference VIM Committee so that we can support, celebrate, equip, and encourage others to join any open teams. Contact Rev. Amy Yarnall at pastoramy@gmail.com 410-885-5641, our secretary Linda Mitchell at Lrm11663@hotmail.com 410-310-4705, or any member of the VIM Committee. We also report team activity to the Conference and the Jurisdiction, which ultimately goes to the General Board of Global Ministries. This data impacts budgeting at a national level, so if providing additional support for VIM is close to your heart, know that filling out annual reports is important.

3. **Communicate**
 - a. **Communicate Team Openings around our Conference.** These are now listed on the Conference web site and updated regularly by Marie Van Der Wall. If you want to advertise a team, or find a team to join, check the web listing. To add to it, contact Marie at mvanderwall@pen-del.org
 - b. **VIM News and Ministry Opportunities via listserv.** The VIM listserv for Peninsula-Delaware continues to be a source of ministry information for all who join. To receive these messages, send an email to VIMNews-subscribe@pecometh.org This will ensure you receive current information, especially when disaster strikes so that teams to places like Haiti can form.
 - c. **Blog:** When you travel on VIM and when you return, we celebrate VIM through our conference blog, linked on the conference web site. This is a great way to share the stories of what God is doing. To submit a blog entry in text and/or pictures, email Karin Tunnell PastorT@stpaulsodessa.org or Amy Yarnall pastoramy@gmail.com
 - d. There is a **national VIM web site for your use. Check out www.umvim.info** to find out about trips that are happening nationally and internationally that are open for people to join, as well as find sites to travel to for VIM teams that are forming. If you would like personal assistance connecting with a VIM site, please connect with a VIM Conference Committee member and we will be glad to serve.
 - e. **Speakers in local churches and Conference meetings.** Speakers have traveled to local churches as well as District Meetings to share about VIM ministry. We remain available and committed to do this. If you would like a speaker, please be in touch.

4. **Video Production** We have now produced two videos celebrating VIM ministry. One was available at Annual Conference 2009 and the new one will be available during 2010. These are designed to be used in the local church to share about VIM ministry. Copies are always available at no charge. Contact Rev. Amy Yarnall at pastoramy@gmail.com 410-885-5641, or Marie Van Der Wall mvanderwall@pen-del.org at the Conference Office.

5. **Scholarships** We are in the process of designing a scholarship application process for launch in 2011. The current parameters under consideration include demonstrated financial need, a maximum grant of \$250 that would have to be matched by the local church, application before the trip (not upon return), with some scholarships set aside for youth, and a requirement to share the story upon return. As the application form is developed and the program implemented, final details will be communicated.

6. **Hub Ministry** We have been working with Mission Central to establish a HUB in our Conference. A volunteer staff member presented in April of 2010 to 22 people about establishing a site to collect UMCOR kits and do additional

outreach ministry. As of this writing, a second meeting is scheduled in May, and we are excited about the birth of this new ministry.

- 7. Emergency Response Teams** We have hosted on ERT training for first response teams to disasters. We will continue to connect with and offer training for people who want to participate in this ministry of traveling to disaster sites in the U.S.
- 8. Conference Office Ministry** Marie Van Der Wall has begun serving in the Conference office on a volunteer basis two days per week. She is a member of the VIM Committee, as well as our Conference Secretary for Global Ministries and a member of the Congo Partnership. She is a valuable mission resource here for your church. Call upon Marie for any and all mission related questions, and she will find you what you need. mvanderwall@pen-del.org 302-674-2626

As we begin a new Conference year, we look forward to seeing God continue to work powerfully through Volunteers in Mission. If we can be of any support or help to you, please be in touch. You are our reason for serving. We look forward to growing in grace together.

Peter D. Weaver Congo Partnership Team

2009 was an incredible year for the Peter D. Weaver Congo Partnership as we developed several new relationships that are enhancing our ability to meet the growing needs of our Congolese sisters and brothers. After welcoming Bishop David Yemba to our partnership as the new Bishop of the Central Congo area, a new coalition was created between our conference, the Eastern Pennsylvania Conference, and the Western North Carolina Conference. This coalition has been strengthened over the year evidenced in the support being generated in each conference, a common web site (www.congomission.com), new partnership goals, mission teams with members from various conferences, and a newly published brochure promoting our projects.

2009 was spent assessing needs and refining Partnership Projects. An Assessment team was sent to the Congo in July 2009 to bring recommendations culminating in the development of our 2010 Partnership Projects now being implemented. Our goal is for every local church to have some involvement in a Congo Partnership project. All gifts of prayer and financial support are important linking together with others making it possible for us to accomplish these projects. We recognize that our Congo sisters and brothers will do as much for us, or perhaps even more, than we will be able to do for them and with them. Their steadfast faithfulness in the midst of incredibly challenging times and their love and passion for Jesus Christ encourages and challenges us to "go and do likewise."

Together we have agreed to fund an Assistant to the Bishop for Mission Coordination to assist us in assuring the timely delivery of resources and being an important communication link with our churches in the Conferences so we can hear regular stories about what is happening with our projects and receive current photographs and videos

to use in our local churches to promote these ministries. Mr. Adolphe Yamba Yamba was hired in the fall of 2009 and will also assist our future VIM teams that travel for specific purposes such as medical, education, construction, and agriculture.

We have several mission teams traveling to the Congo in 2010:

- MPASA Team to assist the medical clinic and nutrition program in August 2010 led by Marie Van Der Wall. This will include the feeding program, repairs in the clinic and stocking of the pharmacy.
- Partnership Development Team that will assess various projects, develop local church projects to link with partner churches in our Conferences in the US, and learn from our Congolese colleagues while attending two annual conferences in Wembo Nyama and Lodja. This team is led by Jonathan Baker and Bishop Johnson. They will be traveling to the Congo for the first time along with David Ryan who chairs the Eastern Pennsylvania Team.
- Agriculture Team led by David Heistand to develop an agricultural program in the Congo. Three persons from the Congo are being trained in Zambia and will be met by our team to develop plans for the future.
- Medical teams to do cataract surgery in Kinshasa and Lodja led by Judy Ingalls and Donna Baker.

These are just a few of the exciting things happening with our partnership. You, and your local churches, help make all this possible through your prayers and your financial support with our goal of a minimum of \$60,000 annually.

We are all indebted to the hard work of the Congo Partnership Team and the support of the churches of our Conference through financial gifts and prayer. Bishop Johnson and the Cabinets have been very supportive and are looking at ways each district can be involved in specific projects of the Partnership enabling churches to work together. This is a day of new beginnings in many ways for us so we covet your prayers.

MPASA Clinic and Nutrition Center Project

Situated on land and in a building set aside by the UN for a refugee settlement in the 1960s, this health center continues to function even though its equipment is often antiquated and its supplies minimal. Mpsa UM Medical Center has grown from its beginning as a maternity hospital. It now serves the entire community, one in which the poorest of the poor live. To assist families at Mpsa, the staff also sees outpatients for pediatric, internal medical, pharmaceutical, and laboratory services...almost 5000 people/year.

The Mpsa Medical Center staff provides a nutritionally complete meal to 350 people whenever funding allows. Providing funding for salaries for the 2 doctors, 7 nurses, 1 lab tech, and 5 workers who provide such dedicated, compassionate, and Christ-like loving care is very important so that they may be able to continue to serve God's family, our brothers and sisters in the Democratic Republic of the Congo.

Expansion of MPASA

Purchase of adjacent land (3 adjacent lots at \$25,000)
Construct compound wall/gate for security & new buildings as needed

Agriculture Project

This is a new emphasis for the Partnership as we believe our Conferences can provide significant assistance and support to develop agriculture in the Congo that will be self-sustaining and eventually a source of income and nutrition.

Phase 1 involves training three Congo persons, from various parts of the Congo, utilizing the training school in Zambia run by Paul Webster. A productive self sustaining agricultural program has been developed under his leadership at www.Mujilafalls.com. David Heistand is coordinating this effort on behalf of the Partnership and is currently planning to take a team (2-3 persons) to Zambia to meet with our Congo counterparts so plans can be made for ongoing support once the Congo team returns to their country.

Initial cost for this project is estimated at \$25,000. Funds for the initial phase have been secured and future projects will be available for local church and individuals to support. Stay tuned!

Conference Resource Center

The United Methodist Church owns a valuable parcel of land strategically located across the street from the national government offices in Kinshasa. This parcel must be developed in order for our church to maintain ownership. The parcel must also be protected by a wall that assures security. The vision for this land includes:

- A Conference Center with housing and meeting rooms where persons would come for training. Offices for the Bishop, District Superintendent, and other leadership
- Center for Young People's Ministries – including a cyber-café critical to attracting and supporting this age group
- Communication Center for the United Methodist Church throughout the Congo
- Trade School for training and deployment of labor force

We are currently finalizing the architectural drawings and a plan that would phase in the various building projects. Work teams will go from the U.S. to assist the Congo workers in accomplishing this project.

Communication

There are 40 districts and 5 Directors of Connectional Ministry in the 3 Annual Conferences with which we have a partnership. These offices need to have the ability to communicate effectively and efficiently to enhance their ability to work together to spread the Gospel and care for the needs of the Congolese people.

Recommendation: Over the next 5 years the Partnership will equip these offices with

computers and internet service wherever possible and assist in the installation and training of persons. In some cases this will require solar powered batteries that can be recharged. Cost: In process.

Local Church Projects

The Partnership believes establishing partnerships between local churches in the US and Congo would be beneficial to all. Bishop Yemba has agreed to provide an initial list of 10 Congolese local churches with specific projects that would allow us to begin developing partnerships between local churches in the US and specific Congolese congregations. Bishop Yemba will use the 4 areas of focus as part of the selection criteria. These areas are: 1) Developing Principled Christian Leaders for the Church and the World

- 2) New Places for New People and Renewing Existing Congregations
- 3) Engaging in Ministry with the Poor
- 4) Stamping Out Killer Diseases of Poverty by Improving Health Globally

The local US congregation entering into partnership with a local Congolese congregation agrees to partner a defined project through to its completion. The assigned project is then removed from the local projects list, and another Congolese congregation's project will be identified as a new partnership opportunity. Status: In process

Other Projects:

The Partnership has agreed to provide transitional financial support for medical personnel in the Central Congo. This support will ensure critical care to be provided to the people while Bishop Yemba and his staff work to obtain ongoing financial support from the government and/or other sources. This support includes support in the following hospitals that were built and now managed by the Methodist Church:

Wembo Nyama – 4 Doctors, 1 Nursing Director, and 1 Manager

Minga – 2 Doctors, 1 Nursing Director, and 1 Manager

Tunda – 2 Doctors, 1 Nursing Director, 1 Financial Manager, and 1 Personnel Manager

\$3,000 has been appropriated for this project with an allowance of \$100/month for Doctors and \$60/month for Nursing Directors and Manager

2010 Annual Conference Appeals

Our Conference has made a \$50,000 pledge to the Central Conference Pension Initiative. This Appeal will be our main effort to meet that challenge. But our challenge is nothing compared to what United Methodist pastors in Africa, Eastern Europe, and parts of Asia face who now retire without the safety net of a pension. Your gifts will go into an endowment fund that will provide monthly pension checks to these servants of God.

The Congo is one of the poorest countries in Africa. For us to support our Partnership, we need to raise \$60,000 each year. These funds buy food and medicine; pay teachers, nurses, and doctor salaries; and help maintain the facilities needed to deliver these basic human needs. Last year, the AC Appeal raised over \$15,000 for the Partnership. This offering is currently scheduled for Thursday afternoon.

An offering for the Board of Ordained Ministry (BOOM) Scholarship Fund will be received on Friday night during ordination. These funds help pastors-in-training with the expenses of Seminary or Course of Study classes and books. Envelopes are not needed to donate to BOOM for gifts given during the Ordination Service. This is the 2nd largest source of pastor scholarship funds.

Being part of a Volunteers-In-Mission team can change lives – both for the team members and those served. Conference sponsored teams are need of funds for supplies and scholarships. Your gifts will provide more opportunities for people to experience Christ in a new way.

Envelopes are enclosed for your use. Each envelope has four boxes to indicate how to divide your gift so you only need one envelope. Envelopes can be returned during any of the offering times. Extra envelopes will be available at Annual Conference. Undesignated gifts will go to the Appeal being raised at the time the gift was given at Annual Conference

Our goal is to raise over \$50,000 at this year's Annual Conference!!

A bulletin insert is included in your pre-conference packet to help promote the Appeal.

Africa University Thriving in Zimbabwe

Africa University has many stories to tell – to the nations of Africa, and the world.

During Zimbabwe's economic and political struggles of recent years, United Methodist-related Africa University continued to educate leaders for all of Africa. For a time in 2009, it was the only institution of higher education in Zimbabwe open for classes. We celebrated our 3,000th graduate with the 2009 graduating class.

In the 2009-2010 academic year, our 1,100 students represented 28 African countries. We have a substantial waiting list of students eager to attend on campus or through our emerging distance-learning curriculum.

For all of this, we thank God for the prayers and support of United Methodists. In 2009, annual conferences contributed more than \$2 million to the apportioned Africa University Fund. That represents 86 percent of the \$2.5 million goal set by the 2008 General Conference.

United Methodists' support for Africa University creates opportunities for Africans to help Africans. Our graduates are living out the United Methodist vision for the Four Areas of Focus:

Leadership: The Rev. Tolbert Thomas Jallah Jr. is a prime example. A graduate of AU's Institute of Peace, Leadership and Governance, the former advisor to Liberian President Ellen Johnson Sirleaf is now Secretary General of the Fellowship of Christian Councils of Churches in West Africa.

Global Health: Bigi Ruhigita, a nurse from the Democratic Republic of Congo, earned her master's degree in public health at AU. She returned to Congo to work in a 50-bed clinic she and her siblings founded in honor of their father.

Ministry with the Poor: Isaiah Njumbu, a 2006 graduate, returned to Lubumbashi, DRC, to find many children orphaned because their parents died of AIDS. In response, Njumbu started the Child Action Initiative, a nongovernment organization. Today, this ministry still thrives.

Church Growth: The Rev. Daniel Mhone was instrumental in establishing 28 local churches in the newly established Malawi (Africa) Missionary Conference. He credits Africa University for increasing his capacity as a pastor.

In December 2009, we joyfully celebrated the inauguration of Bishop David Kekumba Yemba and professor Fanuel Tagwira as the university's third chancellor and vice chancellor.

Democratic Republic of Congo President Joseph Kabila praised the university's dedication to Africa at our annual seminar commemorating former United Nations Secretary General Dag Hammarskjöld.

Every annual conference is vital to the success of the dream that has become Africa University. Your support educates leaders in theology, agriculture, social sciences, health sciences, and peace and justice.
Grace and peace,

Jim Salley
Associate Vice-Chancellor for Institutional Advancement
Africa University

Conference Appeals Coordinator Report

I glad to have served you again in the past year. As expected, giving was down due to the economy but we responded well in early 2010 for Haiti. In the following paragraphs, I will cover what pieces I am responsible for. Contact information: Kevin Goodwin (MissionsCzar@aol.com or 302-453-1169)

Africa University Report

We raised \$11,740 to endow scholarships at Africa University in 2009. We are supporting two students at Africa University – Jacques Karemb Kambel (DRC – 3rd year – Agriculture) and Chrispen Nyamaledya (Zimbabwe – 2nd year – Health Sciences). Even though AU is not part of the Annual Appeal this year, the need for funds is in greater then before because of the complete collapse of the Zimbabwe economy; where 50% of the students come from. The Vision Team has agreed to raise \$25,000 to fund our first scholarship up to the level needed to fully support a student at Africa University. By receiving an offering on Africa University Sunday (2nd one in Nov), we can meet this challenge.

Visit www.support-africauniversity.org to learn how to become an Honorary Alumni of Africa University or how to include AU in your estate plans. Visit www.africau.edu to learn more about Africa University itself.

Special Sundays Report

Giving to the six UMC Special Sundays was \$68,325, down 20% from 2008 and below our goal of \$1.00 per member of the Annual Conference. Raising these

Sundays up in our churches not only raises vital scholarship funding, it increases our members awareness of how diverse our people and ministry outreach programs are. Churches are found many ways to financially support these Sundays: individual or one combined offering, inclusion within their missions budget, or free will offerings. Our conference is blessed with several Native American speakers who want to be asked to come in support of Native American Ministries Sunday (50% of that offering remains within the AC).

Annual Conference Appeal

Even with the storm clouds gathering in our economy, we set a new record of over \$47,000 with the 2009 Annual Conference Appeal (Congo, Nothing But Nets, BOOM). This year we are asking churches to raise funds for the Central Congo Partnership, BOOM Scholarships, Central Conference Pensions, and Volunteer-In-Missions needs. Please raise these needs within your churches and bring your gifts to Annual Conference (envelopes are provided within the pre-conference packet).

Board of Ordained Ministry (BOOM) Scholarships

In any year, our Conference has 45-60 pastors in school; available funds cover only 20% of their tuition, books, and other expenses. There are some churches that raise 100% of the school costs for any member who goes into the ministry – wouldn't it be great if more did! While waiting for that date, this is our second largest source of pastor scholarship funds (after your apportionment-supported Ministerial Education Fund dollars). The pastor you help educated today could be assigned to your church tomorrow!

Central Conference Pension Initiative (CCPI)

So, what is CCPI? This is an effort launched by the 2000 General Conference to raise an endowment to provide pensions to our pastors serving in Africa and Asia where 99% of them retire without any means of support. For \$10,000, we can provide enough income for one of these pastors to receive enough income to live on (imagine being happy with a monthly pension of \$50!). By the end of 2009, \$19million of the \$25million goal had been donated. We are asking our Conference to commit to raising \$50,000 for CCPI (in addition to the Cokesbury checks) before the end of 2012. To this end, the Conference Pension Board matched the \$5000 donated by churches to CCPI in 2009 and CCPI will be one of the Appeals at this year's Annual Conference session.

Visit www.ccpi-umc.org to learn more about this important effort to provide financial security to our retire pastors in the Central Conferences (Africa, Asia, Eastern Europe, Russia).

Nothing But Nets

One of the Four Focus areas for the United Methodist Church is global health and addressing poverty by reducing the health costs of diseases like malaria. For \$10, you can save a life by providing a mosquito-resistant bedding net for a family in Africa. Each 30 seconds, a child in Africa dies of malaria. Our goal is \$100,000 before the start of the 2010 Annual Conference session (we are very close). Marvin the Mosquito might come to Annual Conference to see how we did. Do not forget to celebrate Nets Sunday (3rd Sunday in July).

Conference Advance Specials

The 2009 session of Annual Conference approved the following Conference Advance Specials for 2009-12: Central Congo Partnership, Africa University, BOOM Scholarships, Central Conference Pension Initiative, and VIM/Emergency Response. Each will be assigned a Sunday for churches to raise the need to their members. Even

if you chose not to ask for gifts, please use those Sunday's as an educational opportunity. You might be surprised by the response!

**Peninsula-Delaware United Methodist Disaster Recovery
Information & Referral – Emotional and Spiritual Disaster Response Team (ESDRT)
Policies, Plans, & Procedures**

UMCOR trained Emotional and Spiritual Disaster Response Teams ("Teams") are faith-based, on-going teams that are trained to provide spiritual and emotional care following disasters. Teams stand solidly in a belief that the church is the Body of Christ in the world and reach out from the faith community to help disaster survivors connect with personal and community spiritual, emotional, and basic life resources.

While Teams do not normally provide individual or ongoing counseling, their purpose is:

- To say the church cares, offering a listening presence
- To reduce the terrible aloneness survivors feel
- To connect survivors with long-term disaster recovery systems, providing support and information about the recovery process and available services
- To gather information and broad surveys for those making decisions about disaster recovery
- Other important purposes:
 - *To show interest after media interest has waned
 - *To buoy survivors' spirits
 - *To remind survivors to register with FEMA and/or Red Cross, and/or other available resources

Those who are ideally suited to serve on a conference Team include:

- Clergy (active and retired)
- Stephen Ministers
- Parish Nurses
- Mental health providers who are active in their United Methodist churches
- Persons trained in other crisis intervention models who want a deeper theological application of their skills
- Laity and other caring persons

What Teams do:

Depending upon their level of training, Teams may:

- Lead "listening teams" into disaster areas using the UMCOR "information and referral" model
- Provide valuable information to decision makers and local and emergency management officials.
- Provide informal "defusing" for those who have been working at a disaster site
- Provide crisis intervention "congregational meetings" either shortly after disasters or several months into the recovery process
- Provide congregational staff and leader debriefings
- Provide support to clergy and other church and denominational leaders

I. . . BASIC ORGANIZATION:

For a number of important practical, ethical, and clinical reasons, UMCOR strongly believes that United Methodist Disaster Recovery Spiritual Care Teams should be connected to and work closely with their conference Disaster Recovery Team. The Peninsula-Delaware Conference Disaster Recovery Ministry (DRM) sets policies and procedures for the Peninsula-Delaware Emotional and Spiritual Disaster Response Team (ESDRT). The Team deploys only when authorized by the Conference Disaster Response coordinator.

A. The Conference Disaster Recovery Ministry already has established relationships with other agencies that may be involved in spiritual and emotional care responses. Pen-Del UMDRM is best situated and equipped to ensure adequate and fair coordination of these services, Pen-Del-UMDRM under leadership of the Bishop has badging authority.

B. Pen-Del-UMDRM is the United Methodist connection to MEMA, DEMA, Maryland and Delaware VOADs, the Maryland and Delaware Departments of Mental Health, and (in federally funded disasters) FEMA and its Volunteer Agency Liaisons.

C. The specifics of Team activities will vary depending upon long-term recovery activities of all involved agencies. Communication and coordination are crucial after a disaster. The Pen-Del-UMDRM decides ultimately what response is needed to a disaster.

D. The disaster response continuum of care includes not only spiritual and emotional care but assistance with the nuts-and-bolts work of long-term recovery after disaster. To be best stewards of time and personnel resources, Teams offer not only spiritual and emotional care, but practical application of that care by helping survivors connect with the long-term recovery organizations.

E. Teams, particularly in their information and referral role, are an important communication channel between affected populations and the disaster recovery system.

F. Teams encounter survivors at their most vulnerable and may also see unique and sensitive situations that require careful supervision and referral (e.g. child abuse, suicidality, unsafe living conditions).

G. The spiritual and emotional health of Team members is enhanced by being part of the larger disaster response community.

II. ETHICS AND STANDARDS OF CARE

A. The United Methodist Committee on Relief, as a member of Church World Service, endorses the "Church World Service Standard of Care for Disaster Spiritual Care Ministries" document. As a signatory member of this document, we agree to "establish, promote and uphold standards for a continuum of spiritual care throughout all stages of disaster recovery, insuring that those affected receive appropriate and respectful spiritual care services." This document may be viewed at: <http://www/cwserp.org/uploads/congregation87SpiritualCare.pdf>

B. In addition, UMCOR recommends that all Team participants agree to the "Points of Consensus" of the National Voluntary Organizations Active in Disaster's Emotional and Spiritual Care Committee (<http://www.nvoad.org>).

III. ORGANIZATION WITHIN THE EMOTIONAL & SPIRITUAL DISASTER RESPONSE TEAM (ESDRT)

A. The Peninsula-Delaware United Methodist Emotional and Spiritual Disaster Response Team will have three levels of organization: Team Supervisor, Team Leaders, and Team Members.

B. It is the responsibility of the Team Supervisor to make sure teams are in place and prepared for on-site work and follow-up.

C. During deployments and on site, Team Leaders will be responsible for 3-5 other Disaster Team members, (remaining in contact with their small group, working in the same neighborhoods or sites.) On site, leaders are the primary point of contact for the team supervisor and disaster response coordinator.

D. In especially large disasters, Team Supervisors or Disaster Response Coordinators may recruit temporary non-badged Team members or "helpers."

1. The Team supervisor or disaster response coordinator should only recruit these temporary "helpers" if they know them personally and are willing to supervise these persons during deployment. "Helpers" should have specific training in pastoral care, mental health, trauma, or listening skills. Before recruiting these temporary helpers, leaders or supervisors should be confident that these persons will follow the Church World Service "Standard of Care Disaster Spiritual" and NVOAD Spiritual Care "Points of Consensus." Care Ministries" and that they will agree to the follow-up debriefing.
2. Supervisors will be responsible for after-event follow-up care with temporary helpers they recruit.
3. Persons serve at discretion, after consultation with the Bishop, DCM, DRC, and Spiritual Care Coordinator.

IV. TRAINING

- A. Team members in the Peninsula-Delaware Emotional and Spiritual Disaster Response Team will have had the following training:
 - B. For Team Members:
 1. Seven hour UMCOR training in Information and Referral work, disaster traumatology, the long-term disaster recovery process, and the impact of disasters upon congregations, listening skills and basic psychological first aid
 2. A four to five hour course specifically focused upon Psychological First Aid course (e.g. American Red Cross "Psychological First Aid" course or a psychological first aid course offered by a state mental health organization.)
 3. "Safe Sanctuaries" training consistent with conference requirements for camp counselors and/or church child care workers.
 - C. Team Leaders have additional UMCOR training in long-term recovery, traumatology, follow-up with team members following deployment and suggestions for unique circumstances that might be encountered.
 - D. Helpful additional training:
 1. Training in early psychological intervention (NOVA, CISM)
 2. Stephen Ministry training

V. APPLICATION FOR MEMBERSHIP includes the following:

- A. Background check
- B. Confidentiality agreement to be signed by team members
- C. Agreement to follow conference ethical standards as outlined in these policies and procedures
- D. Team members are required to have had 7 hours Basic Care Team training from UMCOR
- E. Team leaders have additional Care Team Leader training from UMCOR
- F. Badges are good for 2 years

VI. PENINSULA-DELAWARE UNITED METHODIST BADGING POLICIES:

- A. We agree to abide by the rules for use as set forth by the Peninsula-Delaware United Methodist Conference Disaster Recovery Ministry (Pen-Del-UMDRM):

1. As an I&R/ESDRT Worker representing Christ's church, Team members agree to uphold the highest standards of Christian witness, the "Church World Service Standard of Care for Disaster Spiritual Care Ministries" and the National Voluntary Organizations Active in Disaster's "Spiritual Care Points of Consensus."
 2. For each disaster incident, Team members agree not to enter into a disaster site or use their badges or their authority as a "United Methodist Disaster Response Care Minister" in any way without specific authorization of either the Conference Disaster Response Coordinator, or the District Disaster Response Coordinator for the affected district.
 3. Team members understand that this badge is the property of the Peninsula-Delaware United Methodist Conference.
 4. The executive committee of the Pen-Del-UMDRM retains the right to deactivate the I&R/Care Ministry badge of any individual.
 5. Upon request of the executive committee of the PenDel-UMDRM, I&R/Care Ministry volunteers agree to surrender their badge to the PenDel-UMDRM.
 6. Badges expire 2 years after the date of issue.
- B. Team members agree to exercise appropriate caution in protecting their personal safety while using this badge.
- C. Team members understand that each Peninsula-Delaware United Methodist Disaster Recovery (Pen-Del-DR) Information and Referral/Care Minister will have attended a United Methodist Committee on Relief (UMCOR) authorized Peninsula-Delaware Disaster Recovery I&R/Care Ministry Training event and additional training as outlined in these policies and procedures.
- D. Team members agree to undergo a background check through their respective state police agencies.
- E. Procedure For Review Of Criminal Background Checks

1. Team applicants agree to undergo a state or federal criminal background check and sign a release of confidential information (sample available).
2. Access to background check reports should be limited to one or two designated reviewers (possibly the conference disaster response coordinator and/or designated Team supervisor) for confidential review and badge authorization.
3. If a background check indicates prior criminal conviction, the executive committee of the conference disaster response committee must approve badge authorization and the applicant will be asked by the disaster response coordinator if he/she wishes to withdraw or proceed with the badge request.
4. If the applicant wishes to proceed, applicant will be asked to provide to the disaster response coordinator additional verbal detail about the criminal charges. The applicant then supplies to the disaster response coordinator names and contact information for three references. At least one of those references should have been in a supervisory position for the Applicant.
5. A specific written release of information may be required of the applicant so that the disaster response coordinator may contact references as well. References will be asked to return those forms to the coordinator within 2 weeks.
6. Applicant will offer express written permission for the executive committee to review the results of the background check and references (samples are available from UMCOR).
7. Executive committee members will also sign a confidentiality agreement (samples are available from UMCOR).
8. Following return of the reference forms, the disaster response coordinator will then discuss results with and poll the executive committee of the disaster response committee to review the references.
9. If there is not a unanimous agreement to authorize the applicant for badging, a face-to-face meeting of the executive committee will be called.
10. If, due to lack of unanimity, a face-to-face meeting of the executive committee is necessary, final decision on the granting of the badge will be made upon a majority vote of the executive committee members present at this face-to-face meeting.
11. The disaster response coordinator will contact the applicant to inform him/her of the executive committee's decision.

VII. DECIDING TO DEPLOY

- A. Team deploys only when authorized by the Conference Disaster Response Coordinator, Director of Connectional Ministries and Team Supervisor. The decision to deploy will be made in consultation with the District Disaster Response Coordinator in the affected district. Pastors and District Superintendents in the affected areas should also be consulted before Teams deploy.

***Important Note: teams will only deploy when the area is deemed safe by local emergency management and the following resources are readily available:

- Communication resources
- Emergency medical services
- Local mental health resources

- B. I&R/DR Teams do not normally deploy for small, Level 1 disasters (those affecting roughly one to thirty households) unless specifically requested by a local United Methodist church or other personnel.
- C. Although deployment is not dependent upon a FEMA declaration, the responsibilities of I&R/Teams will vary depending upon whether or not the disaster has received a federal declaration.
- D. Once the decision to deploy is made, the Team Supervisor will contact Team Leaders about their availability for neighborhood "walk-through" or other care ministry needs. The Supervisor may request team leaders assist in contacting team members.
- E. Supervisors coordinate response with the following entities to work out time, location, estimated Number of Team members needed and other details of the I&R/Team deployment:
1. The conference Disaster Response Coordinator
 2. The Conference (and if available, District) Disaster Response Team
 3. The conference Director of Connectional Ministries
 4. Pastors and District Superintendent in the affected areas
 5. Other active VOAD agencies as appropriate
- F. Other factors to consider when deciding to deploy:
1. What special considerations should be made regarding the setting in which teams will work?
 2. Is cellular phone service consistently available?
 3. Are emergency and back-up health and mental health resources available?
 4. How readily available are other disaster response resources and how would they be contacted? (Examples: Disaster child care, early response teams, feeding and shelter facilities.)
 5. What particular cultural considerations will impact the deployment setting and context? (E.G. What is the primary language and faith tradition of those likely to be encountered during deployment and can these specific needs be met through the resources of the team?)
 6. Logistics: What details regarding transportation, sheltering and feeding of team members need to be considered and managed?

VIII. TEAM SUPERVISOR PREPARATION FOR DEPLOYMENT

E. Sample e-mail notification for team leaders and members:

Dear Disaster Team Leaders:

After consulting with the (DRC, DCM) _____ we have determined that (walk-through, other).....We are attempting to put together neighborhood walk-throughs in _____ on the following dates _____. If you can assist, please contact _____ by phone () as soon as possible. We will meet at _____ for an orientation and return to _____ for debriefing and reporting. The day should be complete by _____.

Reminders: Remember it is very important that you stay through the end-of-the day debriefing. Bring your Conference badge and wear your (color) UMDR shirt. Also bring: sunscreen, personal water bottle, closed-toed shoes (hard-soled, if possible), a hat, money for lunch at a local restaurant or a sack lunch, your cell phone, a small first-aid kit, Optional: gloves

(Closing.....)

IX. ON THE DAY OF DEPLOYMENT

- A. Allow at least 45 minutes for orientation and organizing before going into the field.
- B. "A Suggested Outline for Walk-through Brief Orientation" from UMCOR is available upon request.
- C. Be sure to include practical issues such as: phone numbers, maps, transportation, lunch, check-in times and phone numbers (every 2-3 hours is recommended) and when and where to meet for the closing de-briefing.
- D. Be very clear about the status of long-term recovery groups and if and how I&R/ Teams will interact with case management.
- E. Remind team members what it means to "make no promises."
- F. Remind team members about the "Three D's" when encountering persons requiring medical, mental health, reporting of abuse or other professional referral:

1. **Delegate!** Refer to appropriate entities that are equipped to handle these difficult situations.
 2. **Don't** promise confidentiality for suicidality, homicidality or abuse cases
 3. **Document** fully and give documentation to the disaster response coordinator, team supervisor and designated conference staff. Documentation should include the following:
 - a) Who was involved? What happened? When? Where? How did those involved respond?
- G. Discuss personal health and safety issues (parish nurses would be particularly helpful resources.)
- H. Allow time for the team to become familiar with paperwork to distribute.
- I. Make sure that all required paperwork (e.g. ethics, confidentiality and liability) has been completed by team members.
- X. DURING DEPLOYMENT:**
- A. Team leaders will be responsible for maintaining contact with 3-5 Team members during field deployment.
- B. Incidents that may have occurred requiring referral to other agencies should be fully documented by team members and given to the team supervisor and disaster response coordinator. (See above.)
- XI. DAILY DEFUSING/DEBRIEFING and TEAM FOLLOW-UP**
- A. Debriefing/defusing of Teams, led by the Team Supervisor, at the end of the day is crucial for the I&R process. The conference DRC needs the information gained, and participants need the debriefing.
- B. Debriefing is particularly helpful to help disaster response get a sense of the scope and type of needs existing after a disaster. (This is one purpose of I&R workers debriefing).
- C. Team leadership should be particularly alert to medical and emotional issues that may have occurred among team members during deployment.
- D. A suggested outline for debriefing from UMCOR is available upon request.
- E. Notes from team members should be given to the conference disaster response coordinator for safe-keeping.
- F. Follow-up with team members is recommended 3 and 6 weeks after deployment after particularly challenging deployments. Additional needs for follow-up care should be monitored by disaster response and supervisory leadership.
- XII. It should be understood that this policy/plan is dynamic in nature, not all inclusive, and is subject to change and revision as indicated by experience and need.**

GUIDELINES FOR DISASTER RESPONSE

SECTION ONE: Scope and Purpose

"I tell you the truth, whatever you did for one of the least of these friends of mine, you did for me." — Matthew 25:40 (modified)

I. Purpose of Plan: To have in place, a structure that clearly explains who does what and when and under which circumstances when a disaster strikes within the conference. Please see appendix for response outside the Conference area. The conference disaster response plan provides guidelines, suggestions, and specific assignments for various conference personnel who will be involved in the response to a disaster.

The resources available to the local church (i.e. volunteers, money, expertise, etc.) are limited and the need for the connexional system to support and under gird these efforts to alleviate human suffering is necessary. With this in mind, the Peninsula-Delaware Conference of The United Methodist Church is setting up a structure that will enable the local churches to minister to persons in need as a result of a disaster.

Our goals:

- To provide immediate relief of acute human need and to respond to the suffering of persons in our communities caused by natural, ecological, civil and man-made disaster.
- To work cooperatively with the appropriate conference units, ecumenical bodies, government agencies and interdenominational agencies in the identification of, advocacy for, and assistance with ministries for disaster response.
- To work cooperatively with United Methodist Communications in promotion of the One Great Hour of Sharing offering and other Conference Disaster Response offerings.
- To initiate printed, audiovisual, electronic, and other resources to interpret, support, and communicate with conferences and churches concerning appeal for help and information related to ministry for disaster response.
- To assist and train district coordinators and local pastor and/or Local Church representative to address emerging and ongoing issues related to disaster relief.

II. What is a Disaster? A specific event resulting in overwhelming physical, economic, and/or emotional damage to a community. Geography and the amount of devastation determine the extent of disaster response. There are four levels of disaster that guides the planning of the efforts:

Level 1: small, local disaster

Involves a limited number of households (1-30). Local churches and districts provide assistance and notify the district superintendent.

Level 2: medium-sized disaster

Involves an entire community or several scattered communities (affecting 50-200 homes). The District Superintendent (DS) or designated District Disaster Coordinator (DDC) provides assistance by organizing district response. Conference and perhaps United Methodist Committee on Relief (UMCOR) resources are needed.

Level 3: disaster covering a wide geographic area requiring a massive response by state and national agencies

Disaster Response Coordinator and the Disaster Response Committee organize a conference-wide response to the crisis and assists districts and local churches. The Conference will request assistance from UMCOR. The affected area is usually eligible to

receive a presidential declaration of emergency and will be eligible for aid from the Federal Emergency Management Agency (FEMA).

Level 4: catastrophic disaster as defined by Public Law 93-288

"An event resulting in a large number of deaths and injuries; extensive damage or destruction of facilities that place an overwhelming demand on state and local response resources and mechanisms; a severe impact on national security facilities and infrastructures that sustain them; a severe long-term effect on general economic activity and severe effects on state, local and private sector initiatives to begin and sustain initial response activities." As in a Level III disaster, the Disaster Response Coordinator and Disaster Response Committee organize a conference-wide response to the crisis and assists districts and local churches. The Conference will request assistance from UMCOR. The affected area is usually eligible to receive a presidential declaration of emergency and will be eligible for aid from FEMA.

Types of Disasters:

- **Natural disasters:** storms, earthquakes, floods or other natural phenomena
- **Technical disasters:** carelessness, accidental, or intentional abuse of the environment
- **Economic disasters:** sudden loss of income due to shifts in the local economy
- **Civil disasters:** riots or civil disturbances in a community
- **Accidents:** traffic accidents, fires, or other tragic occurrences with broad implications
- **Man-made disasters:** acts of violence or any intentional act that results in physical, emotional and/or spiritual crisis for a community

A. Phases of Disaster Response: There are six phases of disaster response:

- Early Preparation — a time for planning and training
- Imminent Disaster — after alerts, prepare structures, evacuate or take necessary actions.
- Emergency — emergency services in rescue efforts.
- Relief — damage assessments, emergency assistance for needs and media coverage
- Recovery — church becomes more involved with victims using Long-Term Recovery Committees (LTRC) to assist in meeting unmet needs.
- Aftermath — assess methods used.

B. Individuals or Groups Involved with the Implementation of the Conference Disaster Plan: There are six individuals or groups of conference personnel involved with the implementation of a disaster response. The involvement of these six will depend upon the level of the disaster and activity needed at each phase of a disaster. The six are:

- Local Clergy and/or Local Church representative
- District Disaster Coordinator (DDC)
- District Superintendents (DS)
- Disaster Response Coordinator (DRC)
- Disaster Response Ministry (DRM)
- Resident Bishop
- UMCOR

C. Disaster Response Teams: The Peninsula- Delaware Conference organizes and sponsors three types of disaster response teams:

- **Assessment/Casework Management Teams** – coordinate initial assessments of damage and needs of families
- **Early Response Teams (ERT)** – Fully self-sufficient teams bringing their own food, water and housing, trained and supported by the Volunteers in Mission and ERT Coordinators, and providing help in the Relief Phase to bring dwellings to a safe, sanitary and secure condition.

- Volunteers in Mission (VIM) teams – Teams trained and supported by the VIM Coordinator providing help in the Recovery Phase to bring homes into a habitable condition.
- ❖ Spiritual And Emotional Care Team

SECTION TWO: Situation

I. Conference Overview

A. Counties: The Peninsula-Delaware Conference ministers in 12 counties within Delaware and Maryland. Those counties include:

- | | |
|--------------------|---------------|
| 1. Kent (Delaware) | 9. Wicomico |
| 2. Sussex | 10. Somerset |
| 3. New Castle | 11. Worcester |
| 4. Kent (Maryland) | 12. Cecil |
| 5. Queen Anne | |
| 6. Talbot | |
| 7. Dorchester | |
| 8. Caroline | |

B. Districts: The Conference divides these counties into 4 districts:

1. Dover
2. Easton
3. Wilmington
4. Salisbury

C. Churches: There are approximately 482 churches within the boundaries of the Peninsula-Delaware Conference.

SECTION THREE: Concept of Operations

I. General (Some Discussion by the team is needed here)

A. Incident Command System (ICS): The Peninsula-Delaware Conference uses the Incident Command System created by the Department of Homeland Security but we refer to it as the Incident Coordinator System.

ICS is a widely used management tool to organize personnel, facilities, resources, and communications in a disaster. The system establishes prompt coordination of various functions and can be used in any disaster regardless of size, complexity or duration. ICS is a system for delegating specific assignments. Its flexibility permits the insertion of additional resources as the incident grows in complexity. It allows the orderly transfer of personnel into and out of the disaster site. ICS depends on function, not people. Over time, several people may be rotated into the disaster team to perform a particular role while others are rotated out for rest or to return to their normal duties. In a Low Level Disaster, one to three people may perform all of the functions. In Medium and High Level Disasters, it may be necessary to have more than one person per functional area.

The first UMC Assessment Team to respond to a disaster area is under the direction and leadership of the Conference Disaster Response Coordinator or the senior conference official on the assessment team. Any teams present are considered to be "operational" teams and are organized using the Incident Coordinator System (ICS) model. (Progression clarification: The first person on the scene is commander until the next person of higher authority of command comes on the scene.)

II. Structure and Functions: Under the ICS design, the management for a team is divided into five (5) functions. These are:

- Incident Coordination
- Logistics
- Operations
- Communications
- Planning and Training

In addition to these five functions, there will be (even in Low Level Disasters), need for a variety of support functions. In Medium and High Level Disasters, additional support personnel may need to be employed to assist not only at the Conference level but also at the district or local level.

Persons selected for Operations Teams should be broadly trained in disaster response and also specifically trained in one or more of the Operations Team functions. Since ICS is based on function and not on personnel, one person may provide the leadership and services in a small disaster. But, as that one person faces larger and more burdensome responsibilities, he/she must delegate functional areas to other persons. Basic ICS principles applied to disaster response recognize the importance of having all functional areas represented in the effort, whether combined in one person or handled by several.

(Relationship with Bishop and Superintendents: cooperative, support, pastoral, prayerful presence, Information shared.)

A. Incident Coordination

All tasks performed are under the overall direction of a leader called the Incident Coordinator (IC). The individual working as the Incident Coordinator may change during the relief or recovery response, but at any given time there is only be one person in charge of the team. An IC may be the Conference Disaster Response Coordinator, although others may be needed if the disaster covers several sites and personnel are rotated out for rest. Primary responsibilities of the Incident Coordinator are:

- strategy and tactics
- resource allocation and coordination
- conference and interagency relations
- overall team management
- public information

B. Logistics – reports to IC

This function is responsible for:

- locating, organizing, and providing facilities, materials and services for the team
- team safety
- equipment readiness
- team communications

C. Operations – reports to IC

Persons functioning in this area are responsible for performing the operational tasks of the team.

These tasks, depending upon the phase of the disaster, include:

- debris clean up
- emergency repair
- limited building repair
- casework
- caring ministry for children, youth, and adults
- volunteer management
- in-kind donations management

The number of individuals assigned to the operations function will vary with the extent of the disaster, but will serve under the leadership of an Operations or Volunteer Coordinator.

D. Communications – reports to IC

The communications function within the command team must be coordinated with the Conference Communications Coordinator. The communications function includes responsibility for:

- communication among the team members at the disaster site
- communication with conference leadership
- documentation of the incident
- communication with the media – Public Information person(s) will be appointed
Bishop or Bishop's designee.
- inter-agency communications
- serving as the official contact point for:
 - all who wish information about UMC involvement with a disaster
 - those who wish to make contributions
 - any other questions

E. Planning and Training – reports to IC

The responsibilities of this function include:

- training of the team
- orientation of volunteers joining the disaster response effort
- providing information for realistic goal setting
- helping plan the 'next step'
- collection, evaluation, and use of the information documenting the evolution of the incident

F. Support Functions – reports to IC

Support personnel are important and become even more essential as the complexity of the disaster increases.

The *most common* support personnel working with the Disaster Response Coordinator on behalf of the disaster response effort include:

- Team Chaplain:
 - to keep the group focused on who they are and what they are to do
 - debrief team members.
- Administrative Assistant:
 - keep files for legal, analytical, and historical purposes
 - provide copy service
 - record offers to help and in-kind donations
- Financial Assistant, who works under the direction of the Director for Administration and Financial Services:
 - keep documentation of funds received and expended on behalf of the disaster
 - maintain a record of the financial costs on all aspects of the disaster
 - process approved requests for grants

Some teams may also need:

- technical advisors
- translators
- toxic substances expert
- computer resource technicians

III. Expanding and Contracting Teams

The use of the ICS model, where organization is based on function and not on personnel, allows a few people to provide the leadership in a small disaster. However, in large disasters where responsibilities expand, more people will be involved with each functional area. It is important in

the training phase that all persons understand the ICS model and what is included and excluded in each of the major team functions.

SECTION FIVE: Administration & Logistics

Disaster Response Funds for/from the Conference fall into three (3) distinct categories: (1) General Administrative Funds and (2) Reserved Funds – which are detailed below. In addition, the conference will establish a system receiving (3) UMCOR funds as requested by the Bishop.

I. General Administrative Funds

The General Administrative Fund is used for the following:

- regular administrative expenses of the committee, not associated with any particular disaster including traveling/mileage expenses

- materials and equipment used for/with disaster relief in general
- disaster training including conferences, workshops, etc.

II. Reserve Funds

The DRC provides guidelines to expedite the relief effort, which are designed to explain the limits of available assistance. All moneys raised for disaster relief will be made available for the relief effort until either the funding runs out or requests are no longer submitted.

All funds collected through Bishop Appeals or direct contributions will be used to assist in current disasters within the bounds of the Peninsula-Delaware Conference. This fund will be used for both grants and administrative costs associated with disaster relief. When collections exceed the demands of a current crisis, the remaining funds will be used for future disasters. Excess funds collected specifically for disasters within the Peninsula-Delaware Conference shall be used only with the approval of the DRC, the Bishop, and the Cabinet. Excess funds collected specifically for disasters within the Peninsula-Delaware Conference will not be used beyond those bounds without the recommendation of the DRC and the expressed approval of the Bishop, and the Cabinet. Such expenditures may only be made when a crisis of overwhelming magnitude strikes which exhausts all church appeals and which demands a moral decision to commit funds designated for local use.

III. UMCOR and other church funds

The Conference will establish a system for receiving UMCOR funds as requested by the Resident Bishop. As a general agency of the church, UMCOR may not enter a conference without the invitation of the Resident Bishop and involvement of the conference in a leadership role. UMCOR serves as a channel through which the resources of the UMC can assist local ministries.

All UMCOR grants are provided with the understanding that conference money will be used first, before UMCOR money is expended. It is also assumed that UMCOR funds are needed only if projected recovery costs will exceed funds available within the affected conference, including any money raised through special conference appeals for the disaster. UMCOR money is to be used in addition to conference resources, not in place of them.

All requests for UMCOR funds must be accompanied by a proposed budget outlining how disaster money is to be spent. The only exception is the request for the initial grant which can be provided upon request of the Resident Bishop. However, the initial grant amount must be shown in the budget when written. A budget must accompany further requests for funds. Given the fluid nature of disaster, during the early weeks the budget will be revised as the picture of need emerges. Please see the UMCOR Funding Policies and Guidelines for details on requesting UMCOR funds and the process for the ultimate close out of a disaster.

IV. Donations

Donation management is a complex process which must be carefully planned before the process begins. Donation management begins when the phone is answered and a donor makes the offer or asks the question, "What do you need?" Properly responding to the offer and question will result in better donation management in disaster relief efforts. Please remember that a record must be made of every donation, including: name, address, phone number, amount of the donation, and use preference.

An individual at the Conference level should be designated as Donations Coordinator and provide regular reports to the Conference Disaster Response Coordinator and the Conference Director of Administrative and Financial Services.

A. Cash donations v. In-Kind donations:

Cash donations are usually the best help in a disaster situation. However, it is common for individuals, business, and community organizations to offer food, clothing, clean up items, and building materials. These gifts are called "in-kind" donations. Some of these "in-kind" gifts may be badly needed, but they often arrive in huge quantities. When unnecessary and inappropriate supplies descend on a disaster area, it can become another disaster in and of itself. Never ask for nor accept donations of clothing.

The position of the conference is that cash donations are preferred over in-kind donations. Cash donations will always be accepted. The conference does not have to accept in-kind donations.

Donors of in-kind gifts should be strongly encouraged to contact the UMCOR at the Sager-Brown Center in Baldwin, LA to ascertain if the in-kind gift is needed. Note: Individuals and churches collecting goods for a particular disaster are expected to pay the cost of transporting those goods to the Sager-Brown Center. It is appropriate to tell donors to send their in-kind gifts to another recognized agency in disaster relief such as the Salvation Army or Goodwill.

V. Grant Procedures

Quickly evolving disaster response operations require considerable flexibility in disbursing money. Paper trails and good accounting are essential for all transactions. While conference procedures must be followed, a way must be established to dispense funds rapidly. In disaster situations, victims cannot wait until the end of the month for checks to be issued. The responsibility for disaster response spending rests with the DR Committee and the DR Coordinator.

The DRC:

- sets the limits of grants – limits based on availability of funds and review of need
- approves block grants
- considers all waivers

Once the limits of funding are set, the District Superintendent and his/her designated authority has approval for approving household grants within the affected areas. Only when a request exceeds a specified limit will the DR Committee become involved to help determine if the request will be honored. The pastor shall be an important link in the assistance effort. DSRs are urged to keep the need for direct involvement in the relief effort before their pastors.

Policies

The DRC must approve any exceptions to policy in advance. The following policies apply:

- Duplicate grants are discouraged.
- Who can apply? ALL individual households.
- Who can make the request? Local pastor, church committee, DS, designated agent or the Bishop
- DRCO will authorize disbursement of all funds through the Conference Director of Administration and Financial.
- A letter will accompany the check which will identify the fiscal agent and the expectations of the expenditure of funds. A quarterly report will be given to the DRC indicating how funds have been dispersed,

VI. Types of Grants

A. Block Grants

Block grants are used by local churches, organizations, and agencies to:

- provide direct relief to the victims of disasters
- administrative overhead
- direct relief as the situation dictates

Unless previous arrangements are made, grant funds remaining after the relief effort ceases will be returned to the DRC through the Conference Treasurer. The system of recapture must be clearly explained to the recipient prior to grant approval. There are three options for recapture:

1. Funds may be left with the Conference Treasurer and drawn upon request by the recipient. Remaining funds may be transferred back to the DRC account. Remaining funds will be returned according to a predetermined deadline or upon dissolution of the recipient organization.

2. Funds may be transferred to the local account of the recipient organization and accounted for separately from other funding. Remaining funds will be returned according to a predetermined deadline or upon dissolution of the recipient organization. A grant may be made on permanent basis with no expectation for return of funds

3. Funds may be transferred to the local account of the recipient organization and accounted for as a percentage of all funds in the proposed budget. Remaining funds will be returned in the same proportion of the balance of available funds at the time of the grant. Funds will be returned according to a predetermined deadline or upon dissolution of the recipient organization. A grant may be made on permanent basis with no expectation for return of funds.

B. Emergency Living Expense Grant

These grants are awarded to individual households to defray emergency living expenses for costs such as food, clothing, shelter, and medical expenses. Allowable expenses may also include bills for normal living costs which cannot be met due to the effects of the disaster and which are necessary to the health and well-being of the family.

Requirements:

- All damages must be verified.
- To avoid duplication, check to see if claims were made to Red Cross, FEMA, and other agencies.
- If household receives welfare or food stamps, make checks out to creditors or merchants rather than the household.
- Grants will not exceed \$500.00. Waivers to this limit may be requested.
- Grants may be given twice to the same household, but not within one month of the first grant. Waivers to this limit may be requested.
- Grants are awarded on the basis of household, rather than per family. Multiple families living in the same household shall be considered to be one household.

C. Rebuilding Grants (needs discussion ???)

Rebuilding grants are provided to individual households for rebuilding or repair of structures damaged as a result of the disaster. The fund may be used to purchase building materials.

Requirements:

- The pastor/designee completing the form must personally inspect the damage or verify that the recipient is a disaster victim.
- Grants are awarded on the basis of household, rather than per family. Multiple families living in the same household shall be considered to be one household.
- Check with Red Cross to see if the household has received what they have claimed.
- Recipients should apply to Red Cross or FEMA before submitting a rebuilding grant.

Note: A Conference grant will reduce the amount of money the household

- *receives from other agencies.*
- *If household receives welfare or food stamps, make checks out to creditors or merchants rather than the household.*
- *Grants will not exceed \$3000.00 per household, unless approved by the DR*
- *Committee. Waivers may be requested.*
- *The grant may be supplemented by a grant to a volunteer team assisting the household.*

- The DR Committee or the designated Long-Term Recovery Committee (LTRC) will assign the control number.
- Grants are awarded on the basis of household, rather than per family. Multiple families living in the same household shall be considered to be one household.
- Checks are sent in care of the minister who completed the application.
- Whenever possible, checks will be made out to the vendor or institutions to which the money is owed.

SECTION SIX: Training and Exercises

All exercises of this plan and its components will be evaluated by the Disaster Response Committee on a regularly basis, but at least yearly.

Requirements of the DRC:

- identify training and education needs to ensure that all participants meet the standards established in this plan for their positions.
- develop courses and seminars to meet those needs
- develop and provide overall guidance and direction for the conference for disaster response
- provide local churches with information regarding emergency preparedness, response and recovery responsibilities.
- within 90 days after the conclusion of all training sessions and exercises, conduct a course evaluation to determine ways to improve plans and future operations.

SECTION SEVEN: Plan Development and Maintenance

The DRC will:

- prepare and maintain this conference disaster plan as the basis of our disaster response responsibilities.
- solicit, receive and review recommendations for change of this plan and make sure the changes are published to all positions in the plan.

Provide Training

Miscellaneous:

- a copy of this plan will be available through the conference office.
- we will establish a page on the conference web site that will have copies posted of the conference plan and any other material created by this committee to assist the local church response in disasters.

APPENDIX

There are many private and church groups plus numerous state and federal agencies organized to respond to disasters. The definitions of the following acronyms will help disaster response workers understand the sponsorship and scope of work of some of the more common organizations and agencies involved in disaster response.

ARC: American Red Cross. The ARC "Center Manager" is the person in charge of the Red Cross Service Center. The ARC "Job Manager" directs specific projects.

CWS: Church World Service. This is the relief arm of the National Council of Churches. It is also an umbrella for the disaster work of participating denominations. CWS provides some emergency supplies and trained volunteer consultants to assist in the formation of interfaith recovery agencies.

DRC: Disaster Recovery Center. The center is where victims can go in person to make application for federal/state assistance. A toll-free telephone application process has largely replaced these centers. Some agencies present are the Social Security Administration, Small Business Administration, Department of Agriculture, Internal Revenue Service, and the affected state's Department of Human Services.

ESA: Employment Security Administration. An agency that provides disaster-related unemployment benefits.

FEMA: Federal Emergency Management Agency. FEMA coordinates the Federal Response Plan, which brings together federal agencies with responsibility in disaster assistance to state and local communities. Most help is for the repair of infrastructure, i.e. bridges, roads and river channels. Individual assistance to homeowners is in the form of low-interest loans administered by the Small Business Association. The Individual and Family Grant program (IFG) also awards some grant money to victims and is a program shared between federal and state governments. FEMA can only come to a state's aid at the invitation of the state's governor and with the approval of the president in the form of a disaster declaration. A declaration is subject to the Stafford Act, which requires that damage be at certain levels to warrant federal participation. The FEMA Disaster Field Office (DFO) is the main office. Direct victim assistance is not normally available here.

Interfaith: A community-based, nonprofit, long-term recovery agency consisting of representatives from local faith groups and largely funded by their denomination.

Salvation Army: A nonprofit whose international arm is noted for its feeding, casework, warehouse management, and other relief efforts. The Salvation Army is a church denomination and very much a part of the Wesleyan heritage.

UMCOR: United Methodist Committee on Relief. Formed in 1940, UMCOR is the avenue through which United Methodists work in refugee relief and resettlement, world hunger and poverty, and disaster response in over 120 countries.

UMVIM (also VIM): United Methodists Volunteers in Mission. A program of the church that links volunteers with projects worldwide. UMVIM and UMCOR have developed a partnership for Early Response Teams and other efforts in disaster response.

EVANGELISM & OUTREACH TEAM

2009 was a year in which we saw God moving mightily in the Peninsula-Delaware Conference. It is amazing how every time a new effort or event is started God continues to raise up spirit filled brothers and sisters who want to be used. It is the intention of E&O to have an Evangelism contact for every church in the conference. We have many so far and more are added all the time. All of these contacts have one thing in common; they love the Lord and want to serve God by making Disciples. These contacts are already bearing much fruit. One church was raised up to provide worship services at Lum's Pond State Park this summer. Another church is providing a community event where free food is served to the public and the love of Jesus is displayed. E & O helps support churches which put on these types of events.

We again ran commercials on radio stations all over the conference before Christmas inviting listeners to their local United Methodist Churches. We continue advertising on billboards, signage along major highways in the conference and newspaper articles/ads to invite everyone to attend church.

The Back Pack Ministry continues to grow with churches all over the conference participating. Many children in our local elementary schools are now being fed on weekends because of this ministry. Many churches include a note in the backpacks identifying the participating church and inviting them to visit some time. The Dover District Board of Laity actually sent a child who receives a weekly backpack to Camp Pecometh this past summer. The child had never had an opportunity to go to camp before and really had a great time. I would encourage more of our Methodist Churches/committees to broaden their relationship with these (backpack) children by sending at least one to camp every summer. This is a great ministry and we hope to have it in more churches in 2010.

The Conference EO team is also carrying an Evangelistic message to all the churches in the Conference explaining evangelism and encouraging our local churches in disciple making. We do an "Altar Call" with a healing service at the conclusion of every service. Please pray for each of the team members as they work in the fields to bring in the harvest. We also plan to have community revivals in all four districts as well as revivals in our churches.

On September 25, 2010 Dr. Robert Coleman, author of *The Master Plan of Evangelism*, and nationally known Evangelist Steve Wingfield will be coming to Kent Island UMC to help us put on our 2nd annual Evangelism seminar. The Evangelism and Outreach Committee considers our Conference extremely blessed to have these mighty men of God willing to come here and help us promote our evangelism efforts.

One of the things that came out of last year's Evangelism Seminar was a desire to see the churches in the conference put an increased emphasis on discipleship. Using resources such as Dr. Coleman's "The Master Plan of Evangelism", "The Discipleship Dare", "Ignite" and "Just Walk Across the Room", churches can develop more committed disciples in their congregations who will then be ready to go out into the world to make more disciples.

Health Ministries is a component of Evangelism and Outreach. They are sponsoring the 2nd Annual John Wesley 5K Run/Walk in May of 2010. We will be giving out info on John Wesley and the United Methodist Church along with a bible for every participant. They are also sponsoring a Health Seminar at Wyoming UMC on October 9, 2010 with nationally known speakers on Health and Fitness. It is our hope that all the churches in the Conference will send representatives to this event and so they can take back information that will help their congregations live longer and healthier lives.

In addition, Health Ministries has also partnered with Wesley College this year to provide Parish Nurse Training Seminars.

SPIRITUAL FORMATION & DISCIPLESHIP TEAM

The Spiritual Formation & Discipleship Team is intent on keeping the light of God's love burning brightly among us so that we can indeed reach out to the world powered by the Spirit.

The Spiritual Formation & Discipleship offered six workshops at The Well in October and we plan to offer three more workshops next fall.

The Small Groups Task Force is now being chaired by Reverend Carolyn Williams.

The Spiritual Formation Task Force held two very successful Monastic Days Apart in 2009. In the fall Brother Stefan Waligur led the Day Apart.

The first Monastic Day Apart for 2010 was held on May 10 and we will hold another one on September 20.

We are providing a Prayer Room for Annual Conference and recruited prayer warriors to be present and in prayer for the work of the Conference as well as to pray for individuals and prayer requests.

REVIEW OF 2009 GOALS

- **Break ground on the Pecometh Adult Retreat Center.**

The permitting process has taken longer than expected, but should be complete by the time of the 2010 Annual Conference Session

- **Register 1600 campers in the Pecometh Summer Camp Program.**

Camp Pecometh, our summer camp program, served 1587 campers in 2009. We offered 17 different overnight programs, as well as a day camp program. We know that campers make significant faith decisions that help them to become and grow as disciples of Jesus Christ for the transformation of the world.

- **Develop a donor base of 1000 persons/organizations with \$60,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).**

Pecometh's donor base has grown to 1,392 donors as of the end of 2009, of which, 691 have given to the Capital Campaign. Total giving, excluding the Capital Campaign, was \$93,889, as follows:

o Camperships	\$42,145
o Annual Appeal	\$15,719
o Alumni Giving	\$15,975
o Capital Improvements (existing facilities)	\$13,950
o Endowment Funds	\$6,100

Growing the donor base is a key element in Pecometh's strategic plan. Viable and effective ministries can no longer depend on institutional support. It is important for

Pecometh to continue to cultivate support among those who have a passion for our mission of God-inspiring, life-changing experiences.

Pecometh granted over \$32,680 in camperships to 201 campers in 2009, demonstrating that strong donor support makes it possible for many children and youth to come to camp, regardless of financial means.

CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is to *provide hospitality and programming that promote God-inspired, life-changing experiences*. While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

The summer camp remains the centerpiece of this ministry. We continued the practice of giving every camper a special edition copy of the Camp Pecometh Bible, produced especially for Pecometh by the American Bible Society. Summer camp not only promotes spiritual growth and personal responsibility, it provides a safe haven for children and youth from the many challenges that young people today face. We are grateful for the ongoing support provided by the Peninsula-Delaware Conference, its churches and their members to make these experiences possible for young people. That being said, we also know that our churches and annual conference face many financial challenges. In response, **Pecometh is taking leadership by reducing its 2011 funding request from \$138,950 to \$70,000. This nearly 50% reduction in conference funding is a leap of faith that is based on our conviction that God is calling us to show that ministries such as ours need to rely more on direct donor support.** We believe that in following God's call, Pecometh will not only survive, but will thrive.

The *Tradition & Transformation* Capital Campaign continues to make progress with both the Leadership and Public Phases on track to reach their goals of \$1,000,000 and \$700,000, respectively. The Furnishings Phase will begin in the second half of 2010 with a goal of \$500,000. As mentioned, even though the permitting process has taken longer than anticipated, at this writing, commencement of construction is imminent. Assuming no major complications, the Pecometh Riverview Retreat Center will be open by mid-2011.

Even without adult facilities, Pecometh's retreat ministry served 179 groups totaling 6,529 guests in 2009 in church, school and community groups. In addition, our outdoor programs ministry served 58 challenge groups with 1709 participants, as well as numerous other activities such as hayrides, campfires, canoeing, hiking and swimming.

A highlight of the year remains Pecometh Day, which is the 4th Saturday in April. Pecometh Day 2009 raised over \$9,500 for camperships and capital improvements to existing facilities. Pecometh Day includes Open House tours, hayrides, food, music, kids' carnival, silent auction and, the showcase of the day, a live quilt auction.

Pecometh Camp & Retreat Ministries would also like to thank the Council on Finance & Administration, which provided a grant of \$33,000 in 2009 for capital expenses. CF&A approved a capital grant of \$27,000 in 2010.

Thanks to the team of Ann Ashe, Dave Buchanan, Richelle Darrell, James Green, Buddy Landing, Julie Lutz, Rena Tuttle and Ken Whaley for their continued outstanding leadership at Pecometh.

UPDATED STATEMENT OF GOALS FOR 2010

- Begin construction on the Pecometh Adult Retreat Center.
- Register 1400 campers in the Pecometh Summer Camp Program.
- Develop a donor base of 1750 persons/organizations with \$100,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

STATEMENT OF GOALS FOR 2011

- Open the Pecometh Adult Retreat Center.
- Register 1500 campers in the Pecometh Summer Camp Program.
- Develop a donor base of 2000 persons/organizations with \$120,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

CONFERENCE BOARD OF HIGHER EDUCATION & CAMPUS MINISTRIES

Board of Ordained Ministry

The ministry of the Board of Ordained Ministry builds on one basic premise:

**The pastor determines, more than any other factor,
whether a local church is healthy and thrives or declines.**

The Board of Ordained Ministry believes it is in the best position to address the significant issues of effective clergy leadership in our Annual Conference. By Discipline, the Board of Ordained Ministry has the following responsibilities within our Annual Conference:

- 1) "...the enlistment and recruitment of ordained clergy..."
- 2) "...to examine all applicants as to their fitness for the ordained ministry..."
- 3) "...to interview applicants and make recommendations concerning changes..." in a pastor's effective relation to the Annual Conference.
- 4) "to provide support services for the ordained minister's career development...continuing education, formation in servant leadership and continuing spiritual growth in Christ..."
- 5) "to provide a means of evaluating the effectiveness of ordained ministers..."
- 6) to train and monitor candidacy mentors, clergy mentors, and local pastor mentors.
- 7) To train District Committees on Ministry.
- 8) "to interpret the high ethical standards of ordained ministry..."
- 9) To develop and implement a comprehensive training and support program for provisional candidates.

- 10) "to administer the Ministerial Education Fund for...scholarships for seminary students preparing for ordination."

These responsibilities of the Board of Ordained Ministry have been addressed in the ongoing ministry of the Board. In addition to these ongoing responsibilities, we are planning, if funding permits, some new initiatives.

- Emerging Leaders Initiative would include Pastoral Internships for college students who have expressed an interest in pastoral ministry. A small stipend and free lodging would be provided. Our hope would be 4 interns working in local churches.
- Develop a Candidacy Summit - a multi day event during which all Conference Candidates entering the Exploring Phase of Candidacy receive information about the entire candidacy process; begin meeting to gather in small groups with mentors; and have opportunities to worship, share their call stories, meet District Superintendants, dCom and BOM members.

Such a Summit would be initiated to build relationships, receive accurate information about the process, facilitate serious discernment, and create a climate of encouragement and accountability. We are very excited about this possibility.

I believe we have an outstanding Board who have demonstrated a passionate desire to develop outstanding clergy that will lead to fulfilling the vision of the Healthy Church Initiative. This is our prayer.

Care Team

The Conference CARE team continues to meet 4-6 times a year to review trainings we have accomplished, make necessary changes to our presentations and to plan future Safe Sanctuary and Sexual Ethics Boundaries Trainings. We also review requests that have come via cabinet members and the Bishop.

This year we have also worked closely with Bishop Peggy Johnson and the cabinet to firm up goals and to become better informed as we minister to the needs of sexual misconduct and healing for the congregations within the Peninsula Delaware Annual Conference.

With the cabinet and Bishop's help the CARE team is planning to form a written procedure manual that will be used in the future by the CARE team, Bishop and cabinet to facilitate the responses made when boundary issues occur.

The CARE team is planning to offer two Boundary/Sexual Ethics trainings in the coming year. One will be held in May and one will be held in October. These trainings are required for clergy in our conference but we are pleased to see that the laity is now attending in force. We encourage the attendance of members of SPRC'S, trustees, Sunday school teachers and all who work in any way with children and youth. The more we all become aware of boundary crossing signs the more we will all be able to "Do no harm. Do good and stay in love with God".

Wesley College

Wesley College is a liberal arts college related to The United Methodist Church through the Peninsula-Delaware Conference. Its commitment to the Conference's mission statement comes through this relationship. The College fulfills this commitment through:

- Hospitality;
- The Christian Community;
- The Campus Community – service;
- The Campus Community – relationship and leadership;
- Church, Community and Global Relations

Hospitality

1. Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the College.

Wesley provides a richly rewarding experience for students from other countries. In 2009, we have welcomed students from abroad including two from The People's Republic of China. The College received once again students and faculty from Hachinohe Institute of Technology and Miyagi University. Their students take this short-term opportunity to learn English as a second language and a chance to experience local and regional culture. Our Global initiatives group co-ordinates this endeavor. I went to Japan to sign an agreement with Myagi University to formalize our developing relationship.

Wesley College's student ambassadors provide the first contact with College hospitality through their meeting with prospective students and their families. They provide information on the tour about the campus, residence life, student activities, academic support, and student life. All members of the Conference are invited to come for a tour led by one of our ambassadors to view the work of your College for yourselves.

Student research shows that students want to be part of a community that will welcome them as they are and provide them the opportunity to grow through their educational experience. Wesley endeavors to make all of our students welcome whatever their religious convictions. As a United Methodist –related college, our own conviction is that the mandatory religion requirement provides the opportunity for all of our students to develop insights into a national religious culture that is vibrant and diverse.

2. Continue to provide a strong ministry of hospitality to all students through the College's quality, values based education.

Our goal at Wesley College is to educate each student in a holistic manner; academically, developmentally and spiritually. For the sixth consecutive year, Wesley College has earned a "Top Tier" ranking in the *U.S. News and World Report* category best "Baccalaureate Colleges (North)," retaining its "Tier 1" ranking of last year. The region covers a 10-state area. Overall enrollment, including graduate and undergraduate, has topped 1500 students for the fifth consecutive year. The best evidence of the kind of education a student can receive is from the students themselves. Six of our science majors presented the outcomes of their research projects as posters at a meeting of the American Chemical Society in Salt Lake City. During the 2008 fall semester, 128 Wesley College student-athletes, representing each of the college's 19 athletic programs earned over a 3.0 grade point average.

Wesley strives to make education accessible to all and to meet students where they are. For example, the new accessibility software in Wesley College's Disability Support Services Office is now being used on the Writing Center computers and at the New Castle campus. This Accessibility Suite supports individuals who find reading and writing a challenge, whether they are

learning-disabled, low vision or blind. Those who find a college education especially challenging in other ways receive the support they require for them to pursue their studies, whether through our Writing Center or our tutoring programs.

Wesley College: New Castle – Since 1998 Wesley College has developed an adult learning program to meet the needs of business of business and professional people in the New Castle/Wilmington/ Southeast Pennsylvania region. Of the 300 plus enrolled, over 50 % of the students in these programs are adult African-Americans who are completing a bachelor's degree or working toward acquiring a master's degree. In the spring of 2010, a new Executive Director was hired to operate the New Castle program. Dr. Zoann Parker has extensive experience in working with adult education and the College believes that her skills will continue to strengthen this worthwhile program.

The Christian Community

3. Provide religious programming as meets the needs of a diverse population of young adults.

Chapel services were organized around events and commemorations in the spring semester of 2009. These included: A celebration of Martin Luther King; a Founder's Day service; an Ash Wednesday service; a Holy Week and an Easter Week service. Chaplain Pruett-Barnett offered a Prayer/Share service with Communion during the fall semester.

The Fellowship of Christian Athletes (FCA) continues to be active on campus.

There was a trip to the Holocaust Museum and to the Mall in Washington D.C. sponsored by the Chaplain.

4. Reach student populations through non-traditional means. This is an area where a new Director of Spiritual Life and Community Engagement will be active.
5. Continue to expand and develop opportunities for Christian service. Wesley is a United Methodist – related college. Chaplain Pruett-Barnett has sponsored service trips under United Methodist or other Christian auspices but they have been open to the entire community as a mark of Christ's hospitality. A report on these trips will be found in the next section.

The College Community – Service

6. Actively pursue opportunities for whole campus support in serving the community.

Dr. Pruett-Barnett sponsored a service trip to Biloxi, Mississippi over spring break of 2010 in conjunction with Volunteers in Mission. While this occurred in 2010, it is important to note this is a fulfillment of goal #5. Six students, led by the Chaplain and the Rev. Dr. Rick Vance, had a wonderful time and did great work on Katrina-devastated homes.

For the second year, the College participated in the CROP walk which supports Church World Service's fight against hunger. The final tally for Wesley College's contribution to the CROP walk against hunger was \$250. Thanks to Sigma Phi Sigma who made us one of the largest groups walking!

The Hope Closet has met the challenge of meeting the needs of people who have suffered under the Great Recession. The generosity of the college community has reinforced the contributions of Hope Church so that the greatly increased demand has been met. One of our R.A.'s and some recruits

from her residence hall have been super shoppers. Faculty and students have run the Closet on Thursday nights, sometimes working without a break in the 6pm-8pm time slot.

Student Life has worked hard through the Residence Halls and student groups to inspire a sense of service. There have been innumerable projects. One organization that has benefited from this sense of service is Habitat for Humanity. Individual students and groups, such as APO, our service fraternity, have volunteered to work in the ReStore House in Dover.

7. Integrate more service learning into the classroom with more service learning courses. We anticipate that Dr. Patricia Dwyer, the new Vice-President for Academic Affairs, will be leading Wesley in this direction with the support of Student Life.
8. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.

The Harlaxton (England) partnership has provided opportunities this past year for our own students to study abroad and for our faculty to teach. One of our students studied in Harlaxton over the summer. Two of our faculty taught Wesley students at Harlaxton in May of 2009 and a faculty member taught and observed courses in the fall semester; In 2009, Wesley students studied in Italy and the Netherlands through the International Student Exchange Program (ISEP). Wesley students had the opportunity to visit Ireland in the spring.

The College Community – Leadership

9. Develop relationships built on trust through fellowship opportunities, quality residential life programs, student clubs and sports teams.
 - Student Life continues to provide a growing spectrum of groups and activities for students. Athletics has a range of team sports and our intramural sports program is having great success.
10. Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government.
 - Relationships of trust will be the basis for learning to lead. The variety of groups and activities provide the situations in which leadership skills can be developed. Student Life's leadership training will provide the educational background for effective leadership. The Student Life leadership retreat at the beginning of the fall semester has led to a number of student leaders.
11. Mentor students in value-oriented leadership and Christian principles of governance.
 - Mentoring currently comes through faculty mentoring for Scholar's Day and for presentations off-campus; through mentoring from the Student Life and dormitory staff; and from coaches and athlete leaders.

Church, Community and Global Relations

Sustain and expand the College's relationship with The United Methodist Church, the Dover Community and the broader world.

- Wesley College sits in the cradle of United Methodist Heritage and the College and seeks more ways to lift up that heritage. There is potential for new programs and relationships to be formed.
- The president is the current president of the National Association of United Methodist College and Universities. This position has enabled Wesley College to strengthen relationships with the Church and our United Methodist related colleges. He has also been involved with the International Association of United Methodist Colleges and Universities.
- Student led efforts raised \$2,000 for UMSCOR for Haiti relief.
- Wesley College students continue to reach out to the Dover Community through food drives, service projects, and clean up efforts. The president's cabinet actively participates in community events and the president is vice-chair of the Downtown Dover Partnership.

2011 Goals

Wesley Foundation
Delaware State University (DSU)

The Wesley Foundation at Delaware State University (DSU) continues in the commitment of the Peninsula-Delaware Conference to provide opportunities for the general academic community to enhance their spiritual enlightenment and growth. First and foremost this involves the provision of a nurturing and caring atmosphere for our students and which allows them to stand strong in their faith.

As such, the overall goal of this ministry is to reach students from a broad spectrum of backgrounds and cultures. The result is a diverse community that reflects reconciliation to Jesus Christ across all campus demographics. Students from several national and ethnic groups participate in this fellowship.

Perhaps the most pressing problem for students at DSU is finance. Many students have simply had to drop out. Others are carrying part-time schedules and working full time jobs in order to pay for classes and help out at home. The good news is the response of the new administration to Campus ministry in general. We continue to operate as part of United Campus Ministries which helps in a campus-wide provision of spiritual guidance. For example, we are able to service students who though part of another campus ministry are only free when the Wesley Foundation meets and vice versa. The Sunday services continue and talent shows and other fellowship activities continue. The goal is one of cooperation by all active campus ministry groups. It is expected that the campus be covered by prayer and Bible Study each day. The Sunday worship service is 100% student led. It is fantastic!

We also continue our participation in the United Methodist Student Movement and are planning to attend Student Forum 2010, which will be held May 27-30, 2010 at Shenandoah University in Winchester, Va. This event is an annual spiritual development and leadership training conference for college and university students. Among the guest speakers, this year will be The Rev. Bridgette Young who is the Assistant General Secretary for Campus Ministry and College Chaplaincy, in the Division of Higher Education at the General Board of Higher Education & Ministry in Nashville, Tennessee.

We are especially grateful for the fellowship among the Campus Ministries in this Conference. We recently held an all-day workshop at Wesley College where all of the Campus Ministries participated. The fellowship, food, entertainment, and hospitality were over the top. The next will be held at Delaware State University. None the less there is a lack. What we need are congregations willing to be support stations for this ministry. That participation does not have to be a monetary one, neither does it have to take a lot of time. Whatever GOD lays on your heart as a means of support for a college student away from home – some from far away distances will be welcomed. For example:

We pray for a revival of the Listening Post. A ministry where adults provide a "listening ear" and where appropriate, give advice to students who have problems or may need a little encouragement.

Homecoming, workshops, overseas mission opportunities, community service opportunities are other ways that local churches can contribute to the success of campus ministry.

To be sure, without the kinds of support offered by the Wesley Foundation and other campus related ministries of The United Methodist Church students who are able to

hang on in this financial crisis would have very little hope. In this way Campus ministry sends a dynamic message to the entire academic community – “We are one in Christ” and they can depend on us for all the love, nurturing, and spiritual guidance that GOD intends for us to show in order to make real the teachings of Christ.

Executive Director

Wesley Foundation
Salisbury University

The Wesley Foundation at Salisbury University is a Christian fellowship through which students can explore their faith in an environment that is respectful of their questions while positively presenting the message and person of Jesus Christ. We recognize how crucial it is for students to have an opportunity to be spiritually connected at an important transitional and formative stage of life. We also stress the importance of community in supporting that spiritual connection.

The Campus Minister and the Wesley Foundation Students are the vehicles of ministry used to evangelize and bring new members to the Wesley Foundation at Salisbury University. Students actively participate in an outreach/evangelism ministry through the recruitment of other students as the semester progresses. The students are continuing to learn to be committed to living out the Great Commission that Jesus commanded in Matthew 28:19-20 and they are receptive to what it means to leave home and bring Christ to college with them.

Students continue to be inquisitive relative to their spiritual journeys. During the fall 2009 and spring 2010 semesters, students are participating in the Wesley Foundation Christian Fellowship's weekly Bible Study titled “Real Talk,” asking pertinent questions that will enhance their spiritual growth. Students are encouraged to attend the weekly meetings, community events, off campus worship services, and other activities offered on the campus, and by the local churches. Several local churches in the area have embraced Wesley Foundation students. However, student attendance at Sunday Morning Worship services is always contingent upon academic studies, class schedules, involvement in other organizations, activities on campus, and visiting with family on the weekends.

Several biblical resources were purchased: “The Bait of Satan,” “What's Love Got to Do with It: Love, Power, Sex, and Marriage,” and “Praying to Change Your Life.” At the request of the students, these resources were given to them to expose them to real life spiritual issues, and to assist them in developing an intensified prayer life. The “Bait of Satan is a resource that was taught as a two-part Bible Study by a guest Presenter. Additionally, Bibles were donated by Bishop Peggy Johnson and given to those who did not have access to a Bible for Weekly Bible Study, and personal devotion time. Further, once per month during the Spring Semester 2010, a guest Presenter has been invited to give students additional exposure to real life issues as they pertain to Scripture. Students were given the article, “How to survive in college without flunking your faith” written by Jon R. Powers, Special Contributor to The United Methodist Reporter. T-Shirts were also distributed to the students in order to be representative of the organization. For the first time, students planned and implemented “Christian Life Week.” This was a week long event held in April (Spring Semester 2010). Each day during that week, students participated in prayer, and other worship experiences.

Student officers and others have been faithful in meeting the requirements of the Student Government Association (SGA), and attending all SGA meetings as well. The Wesley Foundation at Salisbury University continues to hold their recognition as one of the top 25 out of 130 clubs on campus.

Students were exposed to other significant ecumenical events and accomplishments during fall 2009 and spring 2010 semesters. Rev. James Hassell, Pastor of Kingdom Baptist Church, Yonkers, New York was the guest speaker for an October Bible Study, fall 2009. Rev. Hassell challenged the students in an interactive session on envy and jealousy adding real life experiences. The highlight of the organization is that it is blessed to have serving as the new president a born again Christian who grew up in the Congo. An article was placed in "The Communicator." The organization has an Executive Student Board whose love for mission work is phenomenal. The love that all of the students continue to express for Wesley Foundation is overwhelming. Many students have passed through this organization, but the fall 2009 and spring 2010 semesters have been exceptional as far as spiritual interest is concerned. The Campus Minister/Executive Director along with students traveled to Sight and Sound Theater in Lancaster, Pennsylvania to observe the Christian play "The Miracle of Christmas. The students were excited because most of them had not been able to attend plays at Sight and Sound. Additionally, our hats are off to Pastor Jack Savage for inviting the students this past November to Jack's Religious Gift Shop for an evening of browsing, shopping, pizza, soft drinks and sweets. The students were extremely interested in his spiritual journey. In March, 2010 (Spring Semester) students from five conference campuses were given the opportunity to attend an HIV/AIDS workshop at Wesley College in Dover, Delaware. The workshop was titled, "Lead Us Not Into Temptation." Ms. Alyson Lang was the guest Presenter for the afternoon session. Ms. Lang is the CEO/Founder from Each One Teach One Health Consultants in Newark, Delaware. Rev. Mary Haggard, Campus Minister at the University of Delaware was the Presenter for the morning session. The workshop was very successful. The students enjoyed fellowship, and learning relative to this real life disease.

Students and Campus Minister/Executive Director continue to participate in the on-campus fall and Spring Student Activities Fair. At the spring 2010 Student Activities Fair, 10 additional students were recruited for Wesley Foundation. The spring semester recruitment of students has always been the smallest recruitment number.

Students continue to participate in campus-wide events, i.e., "Big Event," "Fun Day," "Relay for Life," "Fundraiser for Haiti Relief," and 24/7 Prayer Week held the first week of April. Wesley Foundation has been more successful and stable as a result of securing a larger meeting space with state of the art technology that is conducive to teaching Bible Study, hosting workshops, and seminars.

The goals for 2010-2011 are as follows: 1) to register at least 50 additional students during the fall 2010 Student Activities Fair. The Fall Semester is the best time for recruiting because of the incoming Freshmen Class; 2) to continue to update Wesley Foundation; 3) to reinstate and develop a Wesley Foundation Choir; 4) to attend a fall 2010 workshop concerning "The Call." 5) To continue the "Adopt-A-Family Christmas Project; 6) To engage in outreach and evangelism ministry with Habitat For Humanity; 7) To plan and implement a Leadership Training event; 8) To continue to engage a guest speaker once per month; 9) To continue to have Fall and Spring Retreats; and 10) To continue to partner with other campus ministries in order to establish a connective relationship and to contribute to the Healthy Church Initiative. Please note: goals are subject to change based on student/campus minister insight and creativity.

Further, the Campus Minister/Executive Director, along with other campus ministers from the Peninsula-Delaware Conference, participated in the Biennial Gathering of Chaplains and Campus Ministers at Bennett College, a college for Women in Greensboro, North Carolina, July 2009. Additionally, the Campus Minister has joined the Interfaith Alliance organization at Salisbury University in order to assist in bringing unity to the religious organizations on the campus.

The primary goal of Wesley Foundation continues to be: To promote and establish the spiritual development of students as they maintain a relationship with our Lord and Savior Jesus Christ. Further, Wesley Foundation will continue to witness and spread the Gospel of Jesus Christ on and off the campus. This organization will continue to explore other opportunities for ministry. Wesley Foundation will continue to seek information that will assist and encourage students in their spiritual journey as they study away from their respective homes.

It is important to note that Wesley Foundation at Salisbury University is a member of the United Methodist Campus Ministry Association, and strives to be an inclusive and diverse church family, providing an atmosphere where students can engage in "Real Talk."

The Wesley Foundation adopted scripture is:

1Peter 3:13-15; 17: Now, who will harm you if you are eager to do Good? But even if you suffer for doing what is right, God will reward you for it. So don't worry or be afraid of their threats.....Remember it is better to suffer for doing good, if that is what God wants, than to suffer for doing wrong!

Mission Statement

The Wesley Foundation Campus Ministry of the University of Delaware, a mission realized through the love and grace of Jesus Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware. This ministry affirms the unconditional love of God and God's presence within us and among us as we live, work, and journey together in that love. *Approved 11/21/2005*

Section 1 Review of Goals for 2009:

Continue to increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus.

Continue to recruit at "Delaworld" freshman days. This is a great opportunity to meet freshmen and parents before all of the craziness begins.

Ice Cream Social on Labor Day to kick off the year where we fed over 100 students and shared with them the different opportunities of Wesley Foundation.

Use collected emails to use for communication throughout the year.

Continue to participate in the Student Activities Night to recruit even more new students.

We have added many social events this year that are always open to the campus as "alcohol alternative" events including: 2 tailgates (UD vs. Del. St. and UD

Homecoming), apple picking, ice skating, movie nights, and a murder mystery night.

Continue to work with the URLO (University Religious Leaders Organization) and the RSO (Religious Student Organizations) groups to work together as people of faith.

- We continue to host the "Midnight Breakfast" during finals week in the Fall and Spring semesters along with a great game of Sardines that is open for all.
- We coordinate with the other RSO's in terms of sharing information about our Spring Break Mission Trips.
- We provided beverages for the viewing of "Lord Save Us From Your Followers... Why is the Gospel of Love Dividing America?" sponsored by the Blue Hens for Christ. It was a great discussion starter for the Christian groups on campus.

Continue to increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, and promotional displays and presence at Annual Conference.

- Continue to have a display at Annual Conference with signs, photos of students in all types of activities, a light up mug to attract attention, candy, temporary tattoos with our logo, and most of all, the big Cross that we used on our mission trips.
- Worked cooperatively with the other Campus Ministries of the conference for the first ever (or as long as anyone can remember) PowerPoint presentation at Annual Conference with Dr. Lewis as our instructor.
- Gave out 95 copies of the DVD to congregations within 15 minutes.
- Continue to send out quarterly letters to the churches in the Wilmington District churches.
- Due to time restraints with the part time position, and other priorities, we have not availed ourselves of the conference Communicator as we had hoped.

Continue to assist in the transition from High School to College life by informing High School seniors and their youth directors of our ministry at the University of Delaware by having a presence at the Conference Youth rally.

- Wesley Foundation of UD was at the Youth rally. We want to promote the Wesley Foundations to the High School students in attendance at the rally, and have a flyer in the leader packets in order to promote Wesley Foundations to the adult leaders and Youth Director/Pastors.
- UD students: Travis Wharton, James Huchla, Joy Stevenson, and Chrissy Magee came to talk to youth and answer questions because "talking to actual college students is more fun than talking to an adult." We collected prospective names and email addresses in order to make contact prior to the student coming to campus.

Continue to provide mission opportunities for students both locally and nationally, and internationally.

- We went to Altamont, Tennessee this past year for our Spring Break Mission Trip where we completed many tasks: Built a small porch and steps for a trailer, installed a new floor in a bedroom and a bathroom, cleaned up a porch of trash and debris, installed 3 doors, and reinstalled a toilet.
- Locally, we participated in the blood drive and Relay for Life on campus.
- We are looking for local opportunities to serve churches in the Conference.
- We still look to the future in terms of an international mission opportunity.

Continue to provide meaningful Bible Study opportunities for the students to explore and engage the word of God.

- Spring semester of 2009: we averaged around 15 students in Bible Study on Thursday nights. We finished up our study of Mark, which took us more than a year and a half. I guess there is a lot to talk about in a Gospel.
- We also studied some of the Minor Prophets during Winter session.

- We studied Galatians to finish out the school year. So, we did some Old Testament, A Gospel, and an Epistle.
- Fall Semester of 2009: with the new freshmen arriving, we were up to 30 students in Bible Study on Thursday nights. We decided to divide up into smaller groups to encourage more discussion.

Continue to provide a safe place where all students are welcome to share their faith journey with one another.

- The Wesley Foundation of UD continues to grow in its diversity. We have students from all walks of life, from a range of socio-economic levels, varying family backgrounds, racial/ethnic background, political views, fields of study, theological views, worship style preferences, etc. and yet we all come together as Children of God. The number of Jewish students who attend Bible Study continues to grow to up to four.
- We continue to be a place where no matter who you are, you will find someone to confirm what you believe, and someone to challenge what you believe, all in the same group.
- We continue to use our Fellowship time on Sundays a time to just enjoy each other's company, but also to engage in some theological discussion. The topics can be sparked by the sermon, current events, or a topic that is brought before the group.

Expand the Wesley Foundation Campus Ministry to provide a group for those in post graduate studies.

- There is a small group with which to form a group, but due to time restraints and being a part time Campus Pastor, this effort continues to be a place to grow and expand.
- The Campus Pastor continues to keep in contact with Wesley Foundation students in graduate studies.

Expand the Board of Directors to include more pastors from the Peninsula- Delaware Conference, parents of students of the University of Delaware, and staff of the University of Delaware in order to increase varying viewpoints and to better delegate the responsibilities of fundraising and overseeing the ministry of the Wesley Foundation.

- We expanded the Board to include two parents of current students.
- We continue to be in dialogue with a few pastors from the Wilmington District and continue to build relationships with the clergy in the area.
- We continue to be in dialogue with some staff members of UD as well.

Provide a conference-wide campus ministry retreat with the cooperation of the other Wesley Foundation Campus Ministries of the conference.

- As of the end of 2009 there were plans in the works for the fall of 2010 with the theme of "Lead Us Not Into Temptation" during the season of Lent.

Renovate and update the Wesley Lounge to make it a more welcoming, comfortable, and functional space.

- We tore up and removed the floor, the furniture, and some other items from the lounge.
- We painted the lounge a nice pale yellow color above the chair rail, and a nice mocha below the chair rail with a chocolate brown trim.
- We had a "walking in the word" fundraiser by selling ceramic tiles and writing people's favorite verses on the bottom of the tiles. This fundraiser covered half the cost of the new floor.
- We purchased new cabinets for the kitchen area, and sofas and tables, dining table and chairs, and a new flat screen TV.
- We did most of the work ourselves with the assistance of Don Muyskens.
- Comments about the new lounge: "You're going to have to start kicking us out of here." "This feels like my living room on campus" "I can get more work done in

here than I can in my dorm room or the dorm lounge." "Can I just sleep in here too?"

Section 2: Highlights of Events, Accomplishments, and Challenges

Third time's a charm... this is my third year in campus ministry with Wesley Foundation at UD and I continue to be amazed at God's presence. We have been reminded through highlights and hard times that God is both in charge, and in our midst.

Each school year brings new growth. We ended the spring semester with a pretty steady group of 15 students attending Bible Study. God brought us another 15 students in the fall semester Bible Study. One Thursday night saw a total of 32 students. We started dividing the group up randomly to allow people the chance to mix and mingle, and create some new relationships with one another. We embarked on a study of Genesis to begin at the beginning. We are slowly reading and discussing the stories and also addressing what how we can apply these ancient stories to our current situations and circumstances. There is so much in Genesis to start some pretty deep and personal discussions. We continue the pattern of watching a movie together as a group following the Bible Study. We aimed to watch movies that went with the passage, like watching Jurassic Park (a created world that goes awry), Horton hears a Who (all of creation is important), the Village (people creating a separate community), What's Eating Gilbert Grape (brother relationships), Evan Almighty (God + Man + Ark = fun), Fallen (a battle between angels and demons), and Amistad (slavery). I continue to be amazed at the ways we can make connections between the stories of old, and what is going on around us today.

God also blessed us with the introduction of Brad Schutt, our Lancaster Seminary Intern. Brad attended U.D. and played guitar for the SonSpirit praise band at Newark UMC a couple of years ago. I truly believe that God had a hand in our meeting over the summer at "Elevate," the Jurisdictional Young Adult event this summer. Brad realized his calling for Campus Ministry and asked if he could work with us. We agreed and were greatly blessed to have him lead one of the Bible Study groups, and help with the Sunday Fellowship times. Also, having another leader for the students to go to has been a great addition. We hope that the experience will help him with his calling by giving him experience in leading worship and preaching, leading Bible Study and theological discussions, and pastor care.

Our social events saw some new faces and some familiar ones. We had a "murder mystery" night, chocolate seder, and went out to Cracker Barrel at the end of the spring semester. In the fall we did another "murder mystery" night, picked apples at Milburns, ice skating, and ultimate Frisbee and touch football on the green.

We also added a "Re" treat. This was a time to Re member, Re charge, Re vive, and Re lease. It turned into a lock-in at Newark UMC and was a time to spend in fellowship and in prayer with one another. The student's favorite time was walking the labyrinth late at night with candles around the perimeter and at the center.

This year we had students participate in events beyond our conference. We sent 2 students and myself: James Huchla and Arielle Farrell, to "Elevate" the Jurisdictional Young Adult Event. There we got to attend some great workshops and some inspiring worship services. We came away with some new ideas that we are looking forward to implementing during our fellowship time.

We also sent 5 students, Katie Chaffee, Roy Collins, Nathan Cunningham, Elyse Palmer, and Levin Westfall and me to Dallas to attend Exploration 2009 to help them discern their callings. We were half of the group from the Peninsula- Delaware Conference. While in Dallas, we participated in some great workshops helping us explore varying possibilities in the different areas of ministry. We also got to experience some wonderful worship services using a variety of musical and liturgical styles.

On the worship front, students continue to serve as liturgists for the 11:00 service at Newark UMC. We took our Wesley Sunday service on the road to Aldersgate UMC.

We enjoyed leading the service with a different congregation and sharing how God continues to be present, even on a college campus.

This fall also brought us some reminders of how much this ministry means to the students, and how much they mean to each other. Through a situation involving a student, we realized how when one of us hurts, we all hurt. We were reminded of the power of prayer, that there is nothing that we will not do for each other and what it means to be a community of faith. We are a flock, and we know who our shepherd is. During this time, I began to identify with the 99 sheep in Jesus' parable. No matter how big we get, there is always room for one more. We need to be looking out for those who need to be included in our flock. We also feel it deeply when one of us is missing. We are saddened by his/her absence. Therefore, we are compelled to go look for the lost one, and to call out to the shepherd and trust in our shepherd to bring the missing one back. We should be so glad to see the missing one, to receive him/her back into the fold, and welcome without judgment.

Our challenges are dealing with the growth of the group with the limited resources that we have. God continues to bless us in so many ways with those who support us with their time, their talents, and their gifts. We continue to find ways to make good use of the resources we have, and feel blessed how the group is growing in number and in spirit rather than focusing on what we cannot do because of our limitations. God has great things in store for us, so we continue to plan for what we can do, pray for what else there is that we may not have imagined, and trust that God will make a way. We still strive for ways to increase the Campus Pastor position to ¼ time, and hopefully to return to full time.

Section 3 Goals for 2010:

1. Continue to increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus through a variety of social events and programs to draw new students.
2. Continue to work with the URLO (University Religious Leaders Organization) and the RSO (Religious Student Organizations) groups to work together as people of faith.
3. Continue to increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, and promotional displays and presence at Annual Conference.
4. Continue to assist in the transition from High School to College life by informing High School seniors and their youth directors of our ministry at the University of Delaware by having a presence at the Conference Youth rally.
5. Continue to provide mission opportunities for students both locally and nationally, and internationally.
6. Continue to provide meaningful Bible Study opportunities for the students to explore and engage the word of God.
7. Continue to provide a safe place where all students are welcome to share their faith journey with one another.
8. Expand the Wesley Foundation Campus Ministry to provide a group for those in post graduate studies.
9. Expand the Board of Directors to include more pastors from the Peninsula Delaware Conference, parents of students of the University of Delaware, and staff of the University of Delaware in order to increase varying viewpoints and to better delegate the responsibilities of fundraising and overseeing the ministry of the Wesley Foundation.
10. Provide a conference-wide campus ministry retreat with the cooperation of the other Wesley Foundation Campus Ministries of the conference.

Wesley Foundation
University of Maryland Eastern Shore

I. Narrative Assessment

The list of the Wesley Foundation ongoing activities include member recruitment at First Look Fair, weekly Bible study (at the local church), organizational discussions, other sessions for Christian education, worship, local and global outreach, counseling and nurture, a winter retreat with a national group focusing on developmental assets for young African-Americans, church-based leadership development opportunities through direct involvement, and participation in special campus events.

These ministries work well, considering that on campus there are a growing number of faith systems resulting in a growing number of spiritual choices for students, and where the administration's outlook is very ecumenical, but primarily Protestant Christianity. Wesley Foundation also is known as one of the more consistent and trustworthy religious groups because of its administration, supervision by a person who is ordained and professionally-trained, and its involvement in local church ministry in the areas of worship, outreach and community service. We are very fortunate to have the historical connection between The University of Maryland Eastern Shore and Metropolitan UMC, which also serves to make obvious the significance of spiritual development to our college students. Several students take advantage of that connection and become associate members of the church.

Even graduate students who remain in the area continue to be supportive; and students who are seriously considering a call to ministry, but from another denominational background, come to enjoy and learn from our fellowship, activities and church support in order to remain strong in their calling.

We intend to continue and expand the current plan and to strengthen it with ways to increase our visibility and connection with other area United Methodist churches as well. Particularly effective during the past year has been the continued contact with students through the weekly "Encouraging Word Via Email" ministry, as well as the introduction of half-day thematic seminars based on the experiential needs and interests of the students that apply biblical values to practical questions asked by those transitioning into independent young adulthood.

We continue to look forward to additional leadership guidance from the Conference proposed Board of Campus Ministry and Higher Education, which also will bring about a better Conference-wide understanding of the workings of campus ministry.

II. Strategic Plans, Goals and Events

We have found that using the Conference's Healthy Church Initiative focus in our administrative outlook helps in preparing students for more effective future leadership in the church, community and world. In fact, this perspective has helped the students and the members of the local church to see the Healthy Church Initiative at work in new and very practical ways. Our major activity components are:

- a. Weekly Bible study and organizational planning discussions, worship, Christian education, devotional letters and spiritual support via e-mail
(Healthy Church Initiative Pathway: #3, 4, 7, 8, 10, 11, 12.)
- b. Local and Global Outreach, including continued co-sponsorship of an After-School Tutoring & Enrichment program; Harvest, Christmas and Easter parties for church and unchurched children in the community; regular donations to the local homeless shelter and family assistance agencies, Conference-approved global projects, and contributions to a Conference-wide

project in collaboration with other Conference Wesley Foundations (*Healthy Church Initiative Pathway: #1, 2, 3, 4, 6, 11, and 12.*)

- c. Leadership Development, including a winter retreat sponsored by the National Impact, Inc., connectional involvement with Metropolitan UMC where students and other young adults from the community not only resource the local church and increase its vitality, but the church becomes a resource for training in church and community leadership, as well as spiritual development. (*Healthy Church Initiative Pathway: #1, 3, 4, 10, 11.*)
- d. Religious Emphasis Week, including worship, open Bible study, evangelism and campus-wide seminar on spiritual development in young adults. (*Healthy Church Initiative Pathway: #2, 7, 8, 9.*)
- e. First Look Fair sponsored by UMES, which provides the opportunity to do member recruitment and evangelism, as well as to distribute our new brochure, fact sheets, tracts, Bibles, bottled water, snacks, etc. (*Healthy Church Initiative Pathway: #2, 7, 9.*)

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2010 Equitable Compensation budget is \$137,500. Funds expended in 2009 for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$119,167. As part of this report, there is a list below of the churches and charges that received assistance in 2009.

Recommendations

The Commission makes the following minimum salary recommendations for 2011. There is no increase in minimum salaries from 2010.

Full Member	\$31,825
Probationary Associate	29,170
Full Time Local Pastor	27,130
Commissioned (elder track) but not completed seminary	23,870*
Student Pastor	23,870*

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

New continuing education amount will be \$800 for 2011.

New service increments will be \$140 per year to maximum of fifteen (15) years.

The Commission recommends that the reimbursement for travel expenses during 2011 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

Board of Trustees

The Conference Board of Trustees is charged with the responsibility to supervise and maintain all property and investment belonging to the Peninsula-Delaware Conference. The Conference Board of Trustees met quarterly during 2009/2010.

At the 2009 Board of Trustees organizational meeting the following officers were elected: Ronald Bell, Sr. (President), Ginger Brannock (Vice-President), Marsha Carpenter (Secretary), and William Westbrook (Treasurer). The following Trustees were asked to serve as Trustee representatives on various teams, task forces, and committees: Trustee to serve on RDMT is David Humphrey; Trustee to serve on Episcopacy Resident/Parsonage Task Force is Pearl Johnson; Trustee to serve on CCF&A ad hoc committee is Ginger Brannock; Trustee to serve on Audit Committee is David Humphrey and Trustee to serve on Camping and Retreat is Nancy VanSant.

The Conference Board of Trustees was asked by the Cabinet to consider adding a statement under the Limit Service Churches regarding transferring the property of the limited church under the name of the Charge Conference. The Trustees have approved the following:

RECOMMENDATION: Under procedure for Limited Service Churches in the Conference Journal the wording for procedure #8.1 will be changed from "a copy of the deed" to "a copy of the deed transferring the property in the name of the Charge Conference."

The Board was also asked to preview an Indemnification Agreement for local churches. The Chancellor recommended that a document was needed to spell out the agreement between organizations that rent space in a local church and the local church. David Rutt provided the Board with a document to be considered. It was decided that the document would be placed on the Conference web site as a model and service to local churches for their use. In regards to property matters, Sevemson Church, East New Market Cemetery (Ellendale Charge) is being transferred to Asbury of Smyrna. The Easton District Superintendent is working with legal counselor to transfer the property of Elderado UMC into the name of the Trustees. The Easton District Parsonage underwent some repairs this year. It was power washed, guard rail were replace on the front steps, the deck was refinished and waterproofed, and a non-skid surface was put on the garage floor.

Financial income earned from Trust accounts have been distributed to the beneficiaries. In closing, it has been a pleasure to serve as President of the Conference Board of Trustees. I have been fortunate to be surrounded by a very capable board. I would like to thank Ginger Brannock, Vice -President, Marsha Carpenter, Secretary, and Bill Westbrook our treasures along with all the board members for their commitment and support.

Conference Council on Finance and Administration (CCF&A)

In 2009 CCF&A sadly accepted resignations from Earlyn Jackson and John Hurt, and grieved with Dianne Henry when her husband Joseph was called home to be with the Lord. We were pleased to welcome Salina Davis as a new member of the committee.

As we look back at 2009, we are filled with thanks to God for his goodness and grace in providing for our essential needs in these difficult times.

It was evident by late 2008 that 2009 and, most likely, 2010 would be financially difficult years for our membership, their local churches and their communities. In many cases, needs to serve the poor were rising while resources were dwindling. In response to this, a complete review of the approved 2009 Covenant Funding Plan, including meetings with essentially all Boards and Agencies, was undertaken with the objective of determining how best to fulfill our mission in spite of the expected reduced receipts versus prior assumptions. Undertaken for this administrative purpose, these meetings were inspiring as they revealed once again how the Lord is leading individuals and groups throughout the Conference in outstanding service in a wide variety of ways.

To establish a revised Covenant Funding target, the key initial assumption was that 2009 and 2010 receipts would equal the \$4,882,000 received in 2008. For 2009, this meant a reduction of \$360,290 from the approved \$5,242,290 Covenant Funding Plan. We were guided in this effort by the desire to maintain support for the four focus areas identified at the 2008 General Conference.

1. Engaging in ministry with the poor.
2. Improving global health.
3. Developing principled Christian leaders
4. Creating new places for new people in new and revitalized congregations

Key actions incorporated into the revised 2009 budget approved at Annual Conference were as follows:

- Elimination of annual salary increases for 2009.
- Utilization of carry over reserves not held for specifically identified needs to fund 2009 needs.
- Elimination or combination and funding at reduced levels any budget areas possible without sacrificing key missional needs.
- Avoidance of reductions in ministries to the poor or underprivileged. Agency reviews described above included assessment of the effectiveness of the funds being utilized.

A revised Covenant Funding Plan reflecting these actions and totaling \$4,899,286 for 2009 was approved at Annual Conference. Actual 2009 receipts totaled \$5,025,399, exceeding the reduced estimate by \$126,113.

As a result, distributions to local boards and agencies were fully funded, and Covenant funding to the General Conference was maintained at 100% for the 24th consecutive year.

After much hard work and prayerful consideration, the 2010 estimate of receipts was raised from the initial estimate by \$200,000 and the Covenant Funding Plan was established at \$5,078,371. Total to be apportioned was left unchanged from 2009. The resulting Plan was submitted and approved by the Annual Conference in June.

Apportionment adjustment requests for 2010, including for mission churches, were approved totaling \$186,090.

Based on the outcome for 2009 and the reduced availability of carry over reserves vs. those used in 2009, 2010 receipts from the same apportioned amount will have to increase \$53,000 vs. 2009 to meet the 2010 budget.

Looking to the future, the combination of a declining membership and rising clergy health care costs will continue to increase the financial burden on local churches. To address this, Bishop Johnson in March appointed and chartered a Task Force to address the long term strategic financial positioning for the conference. This task force completed its work in late November, and issued its final report on February 11, 2010. Bishop Johnson met with clergy and lay representatives of churches in the conference at District meetings held in late August and early September. The purpose was to update them on the conference's financial status and Task Force efforts. She plans another series of meetings in April of 2010 to communicate the recommendations and plans resulting from the work of the financial task force. The changes to be implemented remain under discussion at this writing, and will require substantial time and effort. As a result, approval of the final 2011 budget is now scheduled for a special session to be held October 2, 2010, rather than at the June Annual Conference Session.

Goals for 2010/2011:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference will be successful and can fully witness for Christ.

Recommend for annual conference adoption a plan for anticipated income and expenditures for 2011, which will support the conference in achieving its mission. Carry out the administrative responsibilities as set forth in the Discipline, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to broader challenges and needs that are identified by GCCF&A (General Church Conference on Finance and Administration).

Personnel Committee

The Personnel Committee has been working on several personnel and staffing issues during the past year. Due to financial constraints, salary increases for staff personnel were reluctantly eliminated for 2009. There is great concern on the committee that not providing any salary increases for the staff is a very serious concern. The Conference staff is one our most valuable resources and they should be compensated with a competitive salary. Steps must be taken so that in 2010 the Conference will be able to provide a salary increase for the staff. The Communication Coordinator position was also left vacant due to financial considerations.

The committee began an evaluation and review of job duties and responsibilities of the Administrative Assistant positions. That evaluation process was enhanced and accelerated with the recommendation of the Bishop's Financial Task Force to reduce

the number of Administrative Assistant positions to 5 from the current 8 positions and to close the District Offices by July, 2011.

During the month of March, members of the Personnel Committee conducted meetings at each District Office and at the Conference Resource Center to document and understand the work flow and job responsibilities of the 8 Administrative Assistants. The District Superintendents also participated in the discussions at the District Office locations.

The Personnel Committee will be responsible for developing a plan to implement the recommendation to close the District Offices. Included in this effort will be:

- Developing a timeline for implementation.
- Developing new job descriptions and duties for the new District Specialist positions.
- Develop new workflows and responsibilities for District Support staff.
- Conduct an open interview process to select the new District Specialist.
- Assist in the implementation and training of the new technology for use by the staff and the District Superintendents.
- Develop a Conference document retention policy.
- Standardize document forms for electronic storage and retention.
- Ensure that Local churches are trained for new document preparation and flow.

The Personnel Committee will work closely with the Cabinet, CF&A and the existing staff to accomplish this task. Assistance and support will be needed from all Conference committee members and committee leaders and the lay leadership at the local churches to successfully complete this task in a timely and efficient manner.

The committee has a diverse background of experience and knowledge and is working well as a group.

The Philadelphia Area Committee on Episcopacy

This joint committee of the Philadelphia Episcopal Area consists of members from both the Peninsula-Delaware and Eastern Pennsylvania Conferences. The membership includes both laity and clergy and has representatives from all of the districts of the Episcopal area. The committee elected the following persons as its leaders: Royal Pinder from the Eastern Pennsylvania Conference is Chairperson, Karen Bunnell from the Peninsula-Delaware Conference is Vice-Chairperson and Evelyn Kent Clark from Eastern Pennsylvania is the Secretary.

The committee meets several times a year with Bishop Johnson. Some meetings are joint meetings, others are meetings where each conference has some time with the Bishop alone and then both are together. Both have proven to be very effective.

The functions of the Episcopal Committee are:

- To support the Bishop in the oversight of the spiritual and temporal affairs of the Church.
- To be available to the Bishop for counsel.
- To assist in the determination of the Episcopal needs of the area.
- To make recommendations to appropriate bodies.

Among the accomplishments of the Episcopal Committee in 2009 were:

- The hiring of an ecumenical officer for the Eastern Pennsylvania conference to represent the Bishop at ecumenical meetings and gatherings. Daniel Ellis Killian began in the position in July of 2009. The future of this position, however, is uncertain at this time because of budget concerns.
- Working with Bishop Johnson and her leadership coach to help the Bishop make the best use of her time and gifts.
- Working in coordination with the Episcopal Residence committee to deal with issues regarding the residence.
- Serving as listening ears and a sounding board for the Bishop as she shares with us her schedule, accomplishments, challenges, and involvement in many areas of ministry.
- Serving as a liaison with the membership of our respective Annual Conferences and the Bishop's Office.
- Discussing the implications of possible future changes in conference boundaries which may come with the 2012 Jurisdictional Conference.

We thank both Conferences for their spiritual, emotional and financial support of the Bishop and the Episcopal Office, as she gives leadership to the almost 1000 churches in our area, and is involved in so many other areas of the larger Church and the world.

Conference Investment Committee

In 2009, the Conference Investment Committee continued their relationships with Merrill Lynch and the Eastern Pennsylvania-Peninsula United Methodist Foundation as their investment managers for the assets under the committee's responsibility. The Conference Investment Committee has responsibility for the investment of assets for the Board of Pensions and other conference agencies which have chosen to place assets with this group.

The managed investment portfolio of \$13.2 million at Merrill Lynch was still allocated 50% stock, 50% bonds throughout most of 2009, although the committee did start to increase weightings towards stocks at the end of the year. The accounts participated in significant recovery along with the markets throughout the year. There are additional liquidity/short term bond accounts of \$1.2 million. We anticipate returning

to our long-term asset allocation goal as the market recovery continues in 2010. For the full year of 2009, the Merrill Lynch investment portfolios were up 17.3%, versus a benchmark that was up 16.89%. We are pleased that this out-performance exceeds the fees paid for investment services. The asset class portfolios and managers used are listed below:

Asset Class	Manager	Percent of total portfolio
Large Cap Relative Value	Davis Advisors	9%
Large Cap Deep Value	NFJ/PAMA	9%
Large Cap Growth	Winslow	10%
Large Cap Growth	Neuberger Berman	10%
Mid Cap Value	Perkins/Janus	3%
Mid Cap Growth	Cadence	4%
Small/Mid Cap Core	Jennison	3%
International	JP Morgan	5%
International	MFS	3%
Fixed Income	PIMCO	22%
Fixed Income	ING	22%

An additional \$1.8 million of conference assets are managed by the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc. in either a balanced account of 50% stock/50% bonds or all short term fixed income investments. In late 2009, the committee voted to move an additional \$2 million from Merrill Lynch to the Foundation. This should take place in early 2010.

Board of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

In an effort to stay abreast of the best ideas relating to providing good benefits at reasonable cost, the Board brought a resolution to the 2007 Annual Conference installing a new health insurance plan featuring a Consumer Directed Health Plan coupled with Health Savings Accounts or Health Reimbursement Accounts. That plan became effective January 1, 2008. In 2010, due to higher than planned cost trends, plan deductibles were changed in an attempt to hold premiums in line. No increase in premium was recommended for participants or churches.

Unfortunately, trends have continued upward, and we do not have enough credible experience with the new deductibles to know how the trends will be affected during the remainder of 2010. Our final premium increase for 2010/2011 is 23.6%. Please be reminded that there has been no increase in the premiums billed to the churches in 4 years. We are recommending that the billing to the churches be increased by 12% beginning January 1, 2011. The remainder of the premium will be covered by the Rate Stabilization Reserve. We pray that the changes we made last year will also serve to stabilize our rate structure.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2010 was increased to \$533 per year of service and was approved at Annual Conference.
4. A new wellness program was introduced – Virgin Health Miles. The Board enrolled all active clergy in hopes that most would complete their enrollment and participate in this fun, and possibly, somewhat lucrative program. Those that sign up can earn, at no cost to them, up to \$300 cash simply by walking. Walking is an easy way of improving one's health. In order to encourage greater participation in the program, the Board has elected to adjust the HSA/HRA seed money down \$200 for 2011. To earn it back, it will be necessary for each eligible clergy person, or eligible spouse, to complete their enrollment in the program and to complete the health assessment part.

2010 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2011.
4. The Board will participate in conference efforts to continue to address the issue of the reduced but still large unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.
6. A web page entitled "Conference Benefits" located on www.pen-del.org will be provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an

average age of fifty-three years or higher is putting great pressure on the financial resources of the conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.

2. There is concern that some churches are not meeting their obligation to pay their share of health insurance costs on a timely basis. The total arrearages are building and if something is not done to make churches pay their share, other more responsible churches will have their costs increased to cover the shortage.
3. The new defined benefit pension benefit (CRSP) has moved market risk from individual beneficiaries to the conference. A major problem in financial markets could impose a large obligation on the conference. The Board must develop a policy to hedge or control that risk. This new risk plus the issues raised above reemphasize the need to build and protect accrued benefit reserves.

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events.
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventive benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from www.gbophb.org using a password provided by the GBOPHB

Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate relating to the Pre 1982 Pension Plan for 2011 be set at \$545 per year of approved service.
2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTER OF THE PENINSULA-DELAWARE CONFERENCE**

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed.

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers.

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service.

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year of 2010 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement;
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities.

VISION TEAM

"The Spirit of God, the Master, is on me because God anointed me. He sent me to preach good news to the poor, heal the heartbroken, Announce freedom to all captives, pardon all prisoners. God sent me to announce the year of his grace..."

(Isaiah 61:1, The Message)

"Reach Out" and offer the grace of God

The Peninsula-Delaware Conference Vision Team is the policy setting and decision making body for the Annual Conference between conference sessions. The team assures that the ministry of the Conference is consistent with the Conference's Vision and Mission. Team goals for 2009-2010 year were to implement and promote the theme to "Reach Out" by living out our Vision and Mission Statements:

Vision Statement:

To EQUIP and Challenge the Church to TRANSFORM lives through Christ.

Mission Statement

The Peninsula-Delaware Conference of The United Methodist Church in partnership with our Local Churches covenants to answer our call to:

Equip Jesus' followers to become radical, passionate, intentional, risk-taking extravagant disciples of God's love and

Challenge all people to become servants who wash their neighbor's feet no matter where their neighbors, so that lives may be

Transformed through Christ.

As a team we collectively "Reach Out" together to live out the Vision as a people of God; thereby empowering, equipping and enhancing both clergy and laity for the edification of the Kingdom of God. There are over forty servant ministries meeting to ensure the connection remains plugged into the source of God. Servant leaders' laity and clergy serve on a plethora of ministries; the following are highlights of just two of the new events offered by the Vision Team in 2009-2010.

- **The Well** – Leadership Training with over **five hundred** disciples for Christ in attendance was held in October 2009 and allowed both laity and clergy to embrace and enhance their spiritual gifts. We came together as people and the Holy Spirit fell afresh on those gathered; each of us moving in the Spirit of God. "When the Feast of Pentecost came, they were all together in one place. Without warning there was a sound like a strong wind, gale force—no one could tell where it came from. It filled the whole building. Then, like a wildfire, the Holy Spirit spread through their ranks, and they started speaking in a number of different languages as the Spirit prompted them." (Acts 2:1-4, The Message) The flood gates of Heaven will fall forth again in October 2010. Meet us at the gate; there is room for all who thirst.

Restoration 2010 – The Vision Team in partnership with Strengthening the Black Church for 21st Century, Reaching Out to both laity and clergy was a transformational experience. The visualization of living out the spiritual revelation of *The Three Simple Rules*, promoted an effective and intentional restoration for the people of God; while connecting to our community as a whole. There were approximately two hundred in attendance immersed in the glory of God. Peninsula-Delaware, General Conference leaders (Dr. Fred Allen, Reverend Vance Ross) and two Bishops (Bishop Peggy Johnson, Bishop Felton May) guided and we permeated the depths of souls to; "do no harm, do good and stay in love with God." Workshops on Visioning, Self-Care, Conflict Resolution, Do No Harm, Water and Spirit were enhanced by the diverse and magnificence and beauty of the worship experiences. Restoration 2011 is on the way.

The many ministries of the Vision Team count it a joy to serve the Peninsula- Delaware Conference, our local community and world service. It is with elation that we embark on new horizons with ever changing challenges, knowing that nothing is too difficult for an all powerful Creator. As we Re-Think the Peninsula- Delaware Conference our intention is to be obedient disciples for Christ and evangelize the Word of God with a new vigor and the undying grace of God. The Vision Team is intentionally reaching out to transform the world.

Conference Lay Leader

Young People's Ministry

The Conference Council on Youth Ministries (CCYM) has been hard at work expanding its efforts to help support the work of youth ministries throughout the annual conference and increase the spiritual growth of the students and churches in our communities.

- **Youth Rally:**

The 2010 "Pyromaniac" Youth Rally, held January 8-10, was a huge success. Approximately 4,200 youth and youth advisors participated in and experienced the heat of this event, despite the frigid weather outside. Starfield led worship throughout the weekend. Justin Lookadoo and Bishop Violet Fisher brought challenging messages. Needtobreathe, Group 1 Crew, and Pillar offered concerts. Participants had many workshops to choose from as well as an exhibit hall which featured a mini-stage offering karaoke and game shows throughout the weekend. An offering of over \$10,000 was collected on Sunday morning. Half of the offering was given to the Youth Service Fund while the other half was split between the Delaware Food Bank and the Maryland Food Bank Eastern Shore.

- **Battle of the Bands:**

Battle of the Bands was held on Sunday, April 18, 2010 at Wyoming UMC. The event offered youth ministries the opportunity to enjoy the music of 6 local bands. This was a new event that attracted over 400 people.

- **Missions:**

The Youth Service Fund distributed approximately \$4,500 in grants to ministries throughout the annual conference and beyond. These ministries included a coffeehouse ministry, summer programs, a leadership development program, and a program designed to help students transition from youth ministry to young adult ministry.

Mission Possible, a weeklong summer mission camp was held at Red Lion Christian School in Bear, Delaware from July 19-25, 2009. Students from all over the conference served together on various work teams, sponsored by local churches, to spread God's love through their service to those in need. Mission Possible is a low cost mission opportunity that gives local churches easy access to a student mission trip. Mission Possible 2010 will be held at the University of Pittsburgh at Johnstown in Johnstown, PA July 5-10, 2010.

- **Leadership Development:**

The Well was a leadership training event sponsored by the Conference Vision Team on October 10, 2009 at Eagle's Nest Christian Fellowship in Milton, Delaware. The Conference Council on Youth Ministries sponsored nine classes that were attended by students and adults from churches throughout the conference.

Other Areas of Ministry

- Jera Lammy and I continue to represent the Peninsula-Delaware Conference on the Northeast Jurisdiction Young Adult Council. The council is planning to produce a young adult ministry resource guide, similar to the "Journey Through Young Adult Ministry" guide that was produced by the Peninsula-Delaware Conference in 2008.

- Young People's Ministry Interns. Three interns were hired for the summer of 2010. One of these interns will serve at the Conference Resource Center while the other two will be assigned primarily to local churches. These interns will work extensively on Mission Possible and at annual conference. Plans are under way to expand the intern program to additional churches in 2011.

- I continue to make myself available to local churches to assist in areas of youth and young adult ministry. Many churches have taken advantage of this opportunity by consulting with me to assist with hiring youth ministers, training student and adult leaders, and helping churches implement Safe Sanctuaries policies.

United Methodist Women

The PURPOSE of United Methodist Women: "The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

The Book of Discipline of The United Methodist Church 2008, 256.5, states: "In every local church, there shall be an organized unit of United Methodist Women..."

2009 GOALS

- To meet the 2009 Pledge
- To have a minimum of 60 Mission Today Units in 2009
- To Charter or re-activate two new local units
- To have 100 Five Star Units from the four Districts
- To increase attendance to School of Christian Mission to a minimum of 100 attendees
- To promote UMW events by increasing communication by the use of flyers, brochures, public media, personal contact, etc.

GOALS MET AND UNMET

Our pledge of \$80,000 to Women's Division was not met and we regret that fact. We pray that in 2010 a more sincere effort will be done in order to meet the pledge for 2010.

Mission today Certificates:

5 Gold, 3 Silver, 4 Participating presented to Dover District
2 Gold, 7 Silver were presented to Easton District
3 Gold, 6 Silver, 1 Participating presented to Salisbury District
1 Gold, 2 Silver presented to Wilmington District
A total of 34 and much more work and information needs to be done in 2010.

We are happy to announce that at least one local unit has been re-activated in the Dover District; installation of officers was held on April 17, 2010. Even though we did not meet the goal of having 100 5-Star units, we were pleased to award 61 certificates to local units who completed the criteria by paying their pledge in

full to the district; Giving to Mission; Giving In Memory; Giving in Special Recognition and contributing to the World Thank Offering.

The goal for 100 attendees at School of Christian Mission was not met; however, we did increase the attendance.

Some little improvement was made with the promotion of UMW events, but still a lot of work is needed in this goal.

Significant Events, Accomplishments and Challenges

Our Spring Event was held on March 28, 2009 at Asbury UMC in Salisbury with Bishop Peggy Johnson as guest speaker and was well attended by about 100.

Team members attended the Upper Atlantic Regional School of Christian Mission held in Charleston, West Virginia in June, 2009 to prepare for our School of Christian Mission which was held at Wesley College in Dover, July 9-12, 2009 with 90 in attendance.

Sabrina White, President of the Northeastern Jurisdiction, was our guest at the Spiritual Life Retreat held on September 26, 2009 at Newark UMC.

We were represented and well received at the Peninsula-Delaware Annual Conference held at UMES in June.

The Annual Meeting was held at Kent Island UMC on October 24, 2009 with the election and installation of officers for 2010-2011. Installation service was led by Rev. Kyung-hee Sa.

We held District Officers Training and 2010 Conference Calendar Planning on November 14, 2009 at Carey's United Methodist Church, Millsboro, DE.

Newly elected officers attended the Leadership Training Event held in St. Louis, Mo in November, 2009.

Ramona Anderson
President

Communications Commission

Conference year 2010 has been one of much change. This past year the Communications Ministries of the Conference has been without a staff support person. We would like to thank the Rev. Dr. Sandra Steiner Ball for all she and other members of the conference staff have done to support the communication ministry of the conference. We, in the Communications Commission, have continued our work helping local congregations and the Annual Conference tell the story of God's acts in the Peninsula-Delaware Conference. The Commission has worked to implement changes and provide training for the local church pastors to access the church section of the Conference web-site. Utilizing the email blast and weekly conference emails, we have been able to increase the efficiency and timeliness of Conference news dissemination and notification of upcoming local church events within the entire Annual Conference.

Through the Communications Commission, the Annual Conference maintains its participation in ReThink Church. We continue to work with local congregations, assisting them in the areas of welcoming, hospitality, and outreach through Igniting Ministries.

As the Peninsula-Delaware Conference continues with the Healthy Church Initiative, the Commission on Communications remains committed to be in a covenant relationship resourcing the Conference and local churches, helping them tell the Good News of God's work among us. We will continue to help churches live into the promise of Open Hearts - Open Minds - Open Doors.

In the 2010 conference year, we plan to increase the level of training in all areas of communication in the Annual Conference.

Richard Vance
Chairperson

Congregational Development Corporation

Congregational Development Corporation (CDC) is the successor to the Division of Congregational Development under the Board of Global Ministries. The original Goals and Purposes as described in a 1996 brochure were to:

1. Further the Kingdom of God within the Peninsula-Delaware Conference by encouraging church growth.
2. Oversee and insure good stewardship of Conference development resources.
3. Administer Grant and Loan funds for the purpose of church development and revitalization.
4. Administer funds for the acquisition of land.
5. Administer the Conference New Church Development projects.

In 2009 the board allocated to the District Superintendents authority to fund small projects up to a limit of \$12,000 per district. That authority was used and grants made as follows.

Dover District:		
Georgetown Circuit		\$10,000 (loan)
Easton District		
Mt. Vernon UMC		\$4,348 grant
Mt. Calvary UMC		\$3,500 grant
Oxford UMC		\$2,352 grant
Salem UMC		\$800 grant
First UMC		\$250 grant
Salisbury District		
St Andrews UMC		\$2,000 grant
Wilmington District		
Union UMC		\$5,000 grant

The conference budget for 2010 continues the decision to not fund CDC from general conference resources. For many years prior to 2009 CDC had been provided \$60,000 per year. As a result, the board of CDC decided not to continue the allocations to District Superintendents for 2010 so that it would have resources available to fund projects that have potential for significant growth of ministry.

The effort to find such projects has been the focus of the new staff person responsible for Strengthening the Black Church and Congregational Development. Contacts have been developed across the conference and some potential projects are being considered.

The CDC board now includes persons previously involved in the New Church start program and the board is becoming reengaged in its responsibility to develop and support new church starts.

During 2009 CDC received interest payments of \$2,436.07 and principal payments of \$28,247.91. As of December 31, 2009, CDC had \$774,705 in reserves to

be used for exciting projects. Interest on CDC's reserves now goes to the general fund of the conference. As ideas for projects are developed the board expects to request that income from its reserves be reallocated to CDC.

Strengthening the Black Church for the 21st Century

W.I.N.S. This acronym is our guiding principle, and the umbrella under which all of our ministries can be found.

Worshiping God

This year we have been intentional in transforming how we do meetings. Shifting gatherings from agenda focus to God focused. To this point we have created mini one day worship experiences that allow both laity and clergy to gather and worship together while taking care of God's business. STBC has also sponsored several churches this year to attend workshops specifically geared around worship, and the fruit of that experience to be shared with our larger group as well as taught to neighboring congregations within our bounds. Going forward we seek to continue to create opportunities for intentional worship within our conference as well as partnering with neighboring conferences in worshiping as the body of Christ.

Igniting Congregations and Churches

This year we put together our first major ministry experience called Restoration 2010, in partnership with the Vision Team. The focus of this event was to bring to light aspects of ministry, life, and community that need to be restored within our conference. As a guide we used John Wesley's three simple rule themes: Do Good, Do No Harm, and Stay In Love with Christ. The ministry was open to the entire conference and was a complete success. Going forward we intend to continue to create ministerial opportunities like Restoration, the coming Youth Summit and other ventures all with the singular evangelistic focus of bringing souls to Christ.

Nurturing Communities

STBC believes very strongly in taking serious God's call to "go...to all nations (Matthew 28:19)" as a result we have partnered within our conference with our four universities to create a college missions team to locate, restore and partner with neighboring churches in need of structural support. We are also working with local community groups to create ministry and mentoring partnerships that address their particular needs. Lastly, STBC values the importance of reaching the pre-Christian and so partners with Black Methodist for Church Renewal, Black United Methodist Pastors and Howard Bailey Life Enrichment Program to produce a young adult ministry experience geared toward the underserved sector of our conference. Going forward STBC will continue to foster and reproduce these relationships as well as look for new and exciting ways to serve our community.

Seeking the Lost

This year we have created an assessment tool to be used by our churches that looks critically at where the strengths and weaknesses are within our churches. In addition to this assessment tool, we have also created a website www.stbconline.com to house information, tools, guides and workshop opportunities to help in facilitating strength in our churches.

We are committed to moving "all" of our churches to the next level, by operating under one guiding theme: Strengthening the Black Church W.I.N.S.!!

Ronald Bell, Jr, Director

Strengthening the Black Church Task Force

Strengthening the Black Church Committee for the 21st Century will continue to maintain connections with conference resources whether state or national to help churches grow. During the 2009 conference year, the Strengthening of the Black Church Committee worked faithfully to partner with other conference ministries and churches to provide assistance where needed. In so doing, one of the major meetings held was to meet the new director of Strengthening the Black Church, Ronald Bell Jr. During the meeting Ron explained the goals of STBC and Congregational Development. In particular, he introduced the overarching theme for STBC that will guide and direct the ministry. It is called W.I.N.S. which means:

W: Worshipping God, **I:** Igniting Congregations and Churches, **N:** Nurturing Communities and **S:** Seeking the Lord. In our effort to help churches, the WINS concept will be utilized.

In addition, STBC partnered with the Black United Methodist Pastors (BUMP) and Black Methodist for Church Renewal (BMCR) to plan the 2009 African- American Summit.

STBC further coordinated with the Vision Team by providing workshop presentations for the WELL on the Power of Prayer, Leadership, and Worship. Financial support was provided as well to churches desiring to attend workshops. Funding was also provided to assist the Young Adult Summit to be held in August, 2010.

Plans will be initiated to re-examine pastor and laity willing to present workshops to churches on specific topics such as prayer, gifts assessment, leadership, stress and conflict, stewardship, Methodist history and polity, worship, and praise. If there are other topics, let us know. We are here for you. Call the conference office 302-674-2626 for help and check the STBC webpage for additional information.

Finally, Rev. George B. Moody, chair now serves on the Vision team. Our vision remains the same: To encourage churches to avail themselves of resources for growth and vitality, whether local or national.

Commission on Archives and History

Mission Statement:

The mission of The Commission on Archives and History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Annual Conference, its churches, agencies, and antecedents.

Operation of Barratt's Chapel and Museum:

Every Conference has a Commission on Archives and History. However, ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 230th year, Barratt's Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784, Thomas Coke and Francis Asbury met at Barratt's Chapel and laid plans to organize American Methodists into a church independent of the Anglican Church. At this meeting, the sacraments of baptism and communion were officially celebrated for the first anywhere by ordained Methodist clergy, a symbolic declaration of independence. Therefore, Barratt's Chapel is appropriately called the "Independence Hall of American Methodism."

Conference Archives:

It is our responsibility by the *Discipline* (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all of its antecedents including the Delaware Conference, which at its final meeting delegated Barratt's Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference. The Archives are cataloged and housed in a fire-proof, climate-control section of the museum building. We maintain files for every charge in the conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email and telephone requests. There is a non-circulating library of approximately 3000 volumes on Methodist history. We are beginning to explore the possibilities of digitization as a method of preserving materials. The Curator and Conference Historian have completed a course on Basic Archiving and are planning on attending a workshop in Digitizing Historical Records.

Chapel Usage:

Although Barratt's Chapel has not had an active membership since 1958, it remains a busy venue for worship and learning. We had approximately 4000 visitors for tours, special services, confirmation classes, weddings, baptisms, funerals and research in 2009. We also assisted approximately 100 research requests. Bishop Johnson and the Board of Ordained Ministry held a day-long meeting with the ordinands. For the first time in recent history, we had two Christmas Eve services led by Bishop Peggy Johnson, which brought in many people who had never visited the Chapel before. We continued the tradition of our annual Anniversary service of the meeting of Coke and Asbury on the second Sunday in November. We also had six special musical services led by composer John Thompson.

The Chapel is open every Saturday and Sunday from 1:30-4:30 for visitors as well as other times, by appointment.

Maintaining the Chapel:

With a 230 year-old Chapel and two other buildings there are always maintenance issues. In 2009 the interior walls of the Chapel were replastered where there was moisture damage and repainted at a cost of \$12,000, part of which was covered by a grant from the General Commission on Archives and History. Other maintenance issues were addressed as they arose. The three buildings are in good repair. In the coming year we are planning on improving the parking area with another grant from the General Commission on Archives and History.

Outreach:

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history.

Cindy Noble, Phil Lawton and Barb Duffin held two workshops at the Conference's "The Well" training event.

The Commission on Archives and History had Dr. William Williams, "Garden of American Methodism", a long out-of-print classic of American Methodism reprinted in a new paperback edition. Copies are available at Barratt's Chapel and Museum.

Peninsula-Delaware Conference Historical Society:

President Jim Morris leads two general meetings each year. In 2009 they were held at the NABB Center, Salisbury, and the Delaware State Archives. A website has been developed by Cindy Noble, www.rootsweb.ancestry.com/~pdchs/. A newsletter is published twice a year which contains histories of various churches and other historical

articles. Seven members of the Historical Society traveled to Lake Junaluska, North Carolina to attend the annual meeting of the national Historical Society of The United Methodist Church.

Barratt's Wesley Partnership:

We continue our partnership with Wesley College. The College continues to make its maintenance staff available for routine repairs and assists with utilities and some other expenses.

Goals:

1. Following requirements of the *Discipline*, maintains a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed churches within its bounds, and makes those materials accessible to researchers.
2. Operates Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
3. Provides historical programs for confirmation classes and other groups.
4. Provides training and support for Local Church Historians
5. Supports the Peninsula-Delaware Conference Historical Society.
6. Continues as an active part of the joint committee with the Eastern Pennsylvania Conference working on the Delaware Conference history project.
7. Recruits and trains volunteers to assist with the historical and archival work at Barratt's Chapel Museum.

Laiety Address

I will praise the Lord at all times. I will constantly speak his praises. I will boast only in the Lord; let all who are helpless take heart. Come, let us tell of the Lord's greatness; let us exalt his name together. I prayed to the Lord, and he answered me. He freed me from all my fears. Those who look to him for help will be radiant with joy; no shadow of shame will darken their faces. In my desperation I prayed, and the Lord listened; he saved me from all my troubles. For the angel of the Lord is a guard; he surrounds and defends all who fear him. Taste and see that the Lord is good. Oh, the joys of those who take refuge in him!

Good afternoon Bishop Johnson, Bishop Fisher, guests and Peninsula-Delaware Annual Conference. The CBOLM and the Laiety of this great conference give all honor and praise to God for all that He has allowed us to do this Conference year. Because of His GRACE and His Mercy we have shared our ministries with others. The laiety has asked for training session that would strength us on our faith walk with Jesus.

When we left the Annual Conference last year our goal was to REACH IN. As we prepare to REACH IN, we learned that we must be equipped to accomplish this goal.

Our plans for training sessions would have to be different and we would have to provide those tools that would enable us to "Reach In."

To "Reach In" we had to start with our own faith journey. We must equip ourselves to learn so that we could show other how to "Reach In."

We encouraged the Laity to become active in their churches, to attend Bible Studies, to become mentors for our youth, our senior citizens, to visit the nursing homes, and to share with the pastor on visitations of the sick and shut in.

Throughout our conference we have strived hard to share the love of Jesus with others by offering Lay Academies on all four districts in the fall and in the spring. We are happy to report that this year the Basic classes had 250 that successfully attended and complete the class. There were over 600 laity that attended Lay Academy training sessions. The big excitement was that the Basic class was offered to youth and we have 15 youth that attended and completed the Basic class. We thank God for that.

Laity on all four district completed Lay Leadership training to help them better understand their duties as leaders in their local church.

There were times of celebration on all four districts for laity that attend Lay Academies. We have celebrated Youth for the outstanding service in the churches, in their community, and in their schools. We attended the Youth Rally and felt the excitement of the youth and have witnessed their love of Jesus. We have shared our faith stories with them and will be there to help nurture them on their faith journey. One of the celebrations of laity was held at a fire hall where un-churched people attended and now have decided to become members of the body of Christ. Praise the Lord. This is a reason why we need to expand our ministries. There have been 2500 copies of a district newsletter mailed or E-mail out this conference year to the laity and clergy. We are moving toward the 21st Century as we put all laity information on computers so that we can improve our recorder keeping.

We are having conversations about RE – Think church and the importance of offering training sessions on all four districts and we encourage laity to attend the training sessions so that they can go back to their churches and start conversations. We understand now is the time to start making changes in our churches that will enable us to make disciples for Jesus Christ.

The laity is beginning to understand the important of sharing their faith stories with others. Our goal is to form prayer teams in our churches that would come together to pray for their pastors and their pastors family, for the communities, the youth, the schools, to visit the hospital, the nursing homes, to help the pastors with visitation of members of our churches. All laity must become a partner with their pastors. We thank God for the present of the Holy Spirit in our lives.

The United Methodist Women have been hard at work. They sponsored a Spiritual Life Retreat with Sabrina White, President of NEJ as the speaker. A number of Units received their 5 Star Certificates for completing all 5 Points – Pledge to Mission, Gift in Memory, Gift to Mission, Special Mission Recognition and World Thank Offering.

The 2009 School of Christian Mission was well attended. This year the 2010 School of Christian Mission will be held at Wesley College on July 22nd – 25th. For more information please see Conference President Ramona Anderson. There were a number of United Methodist Women that attended the Assembly in St. Louis. The Spring Event in 2009, with Bishop Johnson, was well attended and the Annual Meeting was held at Kent Island.

We thank you for your support this conference year as the Board of Laity, with the help of Bishop Johnson, Rev. Michael Johnson, Rev. Dr. Sandra Steiner Ball, the District Superintendents, were able to write our First Advent Devotional and with the help of the laity we shared our first Lent Devotional "The Journey to the Cross." We thank you for sharing in the 8 days of Fasting and Praying for the Annual Conference. Only what we do for Christ will last.

Thanks to Brenda O. Gaines for making sure that our website is current. We are happy to report that we have laity represented on all conference boards and agencies. Our daily prayer is that God will do a new thing in the life of the Peninsula-Delaware laity and that we would allow the Holy Spirit to lead us in all that we do. We know that if we are going to lead other to Christ then we must be willing to make changes in the way we worship Christ.

The members of the laity are continuing to take the messages of salvation, stewardship, missions and healing to churches across the conference.

The Clergy and Laity Banquet this year was held at Wyoming U M. Church with 218 people in attendance. We had 6 individuals, 1 husband & wife team, and 3 groups inducted into the Order of St. Barnabas. The keynote speaker was Ronald Bell, Jr. We thank you for attending and yes the Clergy Laity Banquet is changing. The presents of the Holy Spirit was certainly an awesome part of that celebration.

We thank you the laity of the churches for attending the Bishop's Town Meetings, and the Pre-Conference Orientation.

Thank you for attending the Laity Session yesterday. The Board of Lay Ministries will use our time together as a time of training and sharing information with you. The CBOLM wants to serve you and your churches in any way we can so that we can go out into the world and make disciples for Jesus Christ. Yesterday you were given a Conference Prayer Card that we would like for you to use when you are doing your daily devotion and prayer.

(Personal Story from PFM) Threshold Graduation -

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' Then the righteous will answer him, "Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?" The King will reply, I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me. Matthew 25:35-40

As we prepare to Reach Out this conference year we take this scripture with us as a reminder of what we as laity should be doing to make disciples. Yesterday during the Laity Session, we shared with you our vision of Re-Think Church with our "What If?" session by Dr. Sandra Steiner Ball. We ask you the Laity of Peninsula-Delaware to move out from your comfort zone and let's think of new ways that we can do for our church.

Demetrio and I need your help to share with the Laity ways that we can answer the call to "What If?"

"I have a dream." It is many years now since Martin Luther King Jr. stood at the Washington Monument and delivered those words, I have a dream, but they will never be forgotten. Whenever a man or a woman says, "I have a dream," the whole world waits and listens.

At this annual conference our minds may well go to those whose dreams were responsible for the founding of our annual conference. Those builders exemplify Plato's advice: "Have a dream; have a great dream; dream it greatly," They built on a firm foundation laid by the beginning of our faith.

My brothers and sisters, they had dream about what their church would be and the ministries that it would share in the communities. They had dreams of what we could do if we put our differences aside and RETHINKC HURCH.

It is now time my brothers and sisters for us to RETHINK CHURCH. RETHINK how we do ministry, RETHINK how we worship, RETHINK how we treat our sisters and brothers that don't look like us, RETHINK our relationships laity with our pastors and pastors with our laity, RETHINK CHURCH!

The song comes to mind:

What if God is unhappy with our praise
What if He is not pleased with the words we say
What if He takes away His love
And His spirit from above
What if God is unhappy with our praise?
What if God is unhappy with the way we live
What if He is not pleased with the way we give
What if He takes away His love
And His spirit from above
What if God is unhappy with the way we live?
We must change the way we walk
We must change the way we talk
We must live the life that's pleasing to our king
We must read God's Holy Word
And let His praises be heard
Lord just be pleased with our praise.

Now, we come to another Annual Conference looking to the year ahead, and beyond. It is a good time to ask, "Just what are our dreams for our church and are we RETHINKING CHURCH?" God Bless You!

David William Baker, Sr.

David William Baker was born on July 17, 1914 to Frank A. and Louise R. Baker. David's father, Frank, was a pastor in the former Wilmington and Peninsula Conferences. A graduate of the University of Delaware and Drew Theological Seminary in New Jersey, David was ordained a Deacon at the 1939 Wilmington Conference, the last class of ordinands in the Wilmington Conference, and an elder at the 1940 Peninsula Conference.

David married the joy of his life, Florence E. Hotel on December 28, 1940 having "discovered" Florence at a camp meeting where she was playing the piano. They were married for almost 69 years before David's homecoming and is survived by their three children and spouses, Sheryll and Gary Law, David and Sandra Baker, Jonathan and Donna Baker along with twelve grandkids, eleven great-grandkids by birth and marriage, and one great-great-granddaughter. His love for his family was second only to his love for the Lord.

David served as pastor of numerous congregations becoming well known for his work with youth, helping churches during construction phases, and later his ministry to and with the elderly. A person who kept impeccable records, over his ministry he officiated at 1227 weddings, 833 funerals, and celebrated 1076 baptisms. 1877 persons were received into membership in churches during his leadership and he preached 3,570 sermons! His first student appointment was in Stanton, Delaware followed by the Warwick-Sassafras Charge where he helped the church install electricity and plumbing in the parsonage. David led Epworth in Rehoboth Beach build a Sunday School addition and office space and returned to Epworth in 1985 after his retirement to serve with his son, Jonathan, as the Minister of Visitation and Care. Calvary Church in Milford followed where the Sunday School grew to over 500 people weekly requiring renovation and expansion of the facilities. Moving to Centenary Church in Laurel, David guided the sanctuary remodeling, construction of a new educational building for Sunday School Space and a Fellowship Hall with a skating rink that became the town center. Heading north, David moved to Richardson Park Church in the Wilmington District where growth required the remodeling of the Church School building and a new pipe organ.

David's vision for outreach at Salem Church, Selbyville, necessitated remodeling the sanctuary and Church School space including the installation of a skating rink. David's leadership with the Board of Mission and Salem gave birth to a new church in Fenwick Island that began in a tent leading to the eventual construction of St. Matthew's By the Sea and the building of a parsonage. David returned to Stanton to become the pastor of St. Mark's Church which thrived requiring the building of a Fellowship Hall and Kitchen converting the former space into a permanent sanctuary with beautiful stained glass windows. A new parsonage was purchased. David served as Salisbury District Superintendent known for his vision and pastoral leadership before moving to Dover to become the Conference Council Director. Returning to the local church, he served Chester Bethel in Wilmington remodeling the education building. David's last full time appointment was Federalsburg where he and Florence had been married in 1940. David retired in 1984 after helping Union remodel the sanctuary and offices.

Active in the Conference, David served as Chair of the Conference Board of Missions, Board of Education, and Board of Ordained Ministry; helped establish Camp Pecometh; served as Trustee of Wesley College and was Grand Chaplain of the Masonic Lodge of Delaware and Chaplain for many fire companies in the communities he served.

David had a deep love for the Lord and for the Church. It was his honor in the 2009 Annual Conference to celebrate the 70th anniversary of his ordination. David's homecoming "beyond the blue" was October 20, 2009 surrounded by his family singing the hymns and songs he loved so much. A Celebration of Life was held on October 25 at Epworth U.M. Church in Rehoboth Beach, Delaware.

With love and gratitude to God, David's Family

Rev. Clarence Hale Hays

Twin sons, Clarence Hale and Lawrence Dale were born on Dec. 15, 1925, in Barry, Illinois, to Ralph W. and Gertrude Ward Hays. Clarence's twin brother died after one week and another brother and sister died several years prior to Clarence's death. Clarence graduated from Barry High School and attended Southern Illinois Normal School for one semester before being drafted into the United States Army. He served during World War II in the European Theatre and was awarded the Purple Heart for injuries sustained from enemy fire before his discharge. After serving in the Army, he returned home and attended and graduated from the University of Illinois with a degree in general agriculture. Clarence then accepted employment as an inspector with Sunkist which he held for nearly two years, lastly working at the company's Connecticut location.

Clarence met Patricia, the love of his life, while she was attending the University of Illinois. After a year's courtship, they were married on July 5, 1950 by Rev. Walter Day in Grace Methodist Church in Decatur, Illinois. His interest in the ministry began in Illinois where he served as a Student Pastor in Marshall, Illinois, on a 3-point charge and later served a church in Taylor Ridge, Illinois. Clarence attended Garrett Biblical Institute in Evanston. During this time, Paula Beth, their first daughter, was born on August 7, 1951 and second daughter, Laraine June, followed on October 24, 1954. Through information from close friends, Clarence contacted a District Superintendent of the Peninsula Conference of the Methodist Church and in 1959 moved his family to Cecil County, Maryland, serving Hopewell Methodist Church in Port Deposit. Son, Christopher Hale, was born on April 10, 1962 and last, but certainly not least, Sally Dru was born on July 22, 1967. During this time, Clarence continued his education at Temple University in Philadelphia and then attended and graduated from Lancaster Seminary with a degree in Theology. Clarence ministered at Bethel, Ocean View, St. Marks as an associate, Goldsboro, Asbury, Gethesmane, and Centreville and then spending seven years with Calvary United Methodist Church in Milford. He retired in 1991 from Mt. Salem/East Lake United Methodist Churches in Wilmington, after which he and his wife, Pat, returned to live in Milford and began attending Avenue United Methodist Church. Rev. Clarence Hays was recognized in 2006 for being a 50-year member of the Peninsula-Delaware Conference.

Wherever Clarence served as pastor, he was always active in the Community Ministerium. After retirement, Clarence volunteered every Tuesday in the Day Surgery Waiting Room at Milford Hospital from 1991 to 2000. He accumulated lots of hours because he stayed all day and in his first year was "Volunteer of the Year." Clarence earned many titles through the years in addition to Reverend, among them, "Mr. Fix-It," referring to his love of woodworking. The title of "The Puzzle Man" was given to him for the homemade wooden puzzles he created for folks in the waiting room of the hospital. It was towards the end of his volunteering that early signs of Alzheimer's became evident and he stepped down.

Rev. Clarence Hale Hays, of Harrington, Delaware, passed away Thursday, February 4, 2010, in Courtland Manor in Dover. He was 84 years old. He is survived by his wife of 59 years, Patricia J. Hays; a son and daughter-in-law, Chris and Gretchen Hays of Gaithersburg, MD; three daughters and sons-in-law, Paula Hays and Ejvind Lynning of Copenhagen, Denmark, Laraine and Harvey Gillespie of Milford, and Sally and Tommy Eliason of Harrington; eight grandchildren and one great-grandson.

Paul Ewing McCoy

Paul Ewing McCoy was born on December 20, 1916 in the Methodist parsonage at Zion, Maryland. He was the 4th child born to Rev. Jesse Cavender and Mrs. Florence Isabel (Savacool) McCoy. On February 10, 1940 he married Althea Hite Cooley of Washington, DC. They had met on an arranged date by a friend of his. Their marriage was an elopement kept secret for several months. Paul and Althea had two daughters, Paula Ann McCoy Jernigan and Althea Hite McCoy Thomas. Paul had two grandsons, Joshua Paul and David Brian. He was the great-grandfather to Mary Jane, Jill McCoy, and Julia Lester. After Paul's first wife, Althea, died in 1982, he married Katherine Shockley of Easton, Maryland, who is also deceased.

Favorite memories for Paul were "playing" preacher in the living rooms of Methodist parsonages where his dad served churches; making a race car out of a fridge box and racing down Federal St. Hill in Milton, Delaware, with a friend; ice skating on Hunter Pond in Rising Sun, Maryland, and attending boy scout camp at Camp Horseshoe and working in Woodrow James Grocery Store after school and on Saturdays. He delivered the Journal Every Evening newspaper and won a trip to New York City where he attended a Yankee baseball game seeing Babe Ruth play. Paul enjoyed a life-long love of reading, watching baseball games and playing golf.

In September 1934, Paul began commuting to the University of Delaware from Newport, Delaware, where he lived with his parents. During his freshman year, his sister Isabel gave him a Ford Roadster with a rumble seat. After that Milton Keene and Dan Butters commuted to the University with Paul. He spent his senior year in the KA frat house compliments of the doctor's wife who had delivered Paul, Mrs. Sally Gifford of Zion. Paul was a pre-law student until he attended a football game and was sitting with Joe Dickerson, a man he greatly admired. Rev. Dickerson asked him if he had ever thought of entering the ministry. That question brought the decision to switch studies in his senior year. Paul graduated from the University of Delaware in June 1938. His dad gave the prayer at his graduation. In September 1938 Paul entered Drew University Theological School. He graduated with a Masters of Divinity in 1941.

Paul McCoy became a member of the Wilmington Conference in 1938, and began serving churches in 1939 while still at Drew. He was ordained in May 1941. He served churches in Burrsville, Warwick, and Galena, Maryland, and Hillcrest and Newport, Delaware. In 1950 he entered the Air Force as a chaplain where most of his service was at MacDill Air Base in Tampa, Florida.

In 1952 Paul returned to Delmarva, serving at Ebenezer in Easton, Maryland; St. Paul's in Wilmington, Delaware; Trinity in Salisbury, Maryland; and Newark in Delaware. He was appointed a District Superintendent in 1965, first in the Seaford District and then in the Wilmington District. He became Senior Pastor at Grace Church, Wilmington in 1968 where he had also served as Associate Pastor in earlier years. In 1974 he moved to St. Mark's Church in Stanton and then returned to Newark in 1976.

Paul retired from Newark United Methodist Church in 1981. However, he continued his ministry serving churches in various capacities at Harmony, Milford, Greensboro, Cannon, White's Chapel, Prospect and Harrington. Paul was a member of the Peninsula-Delaware Conference for 71 years! What more could any of us ask than to have a job we loved, were great at, and never found boring!

Rev. McCoy died on June 27, 2009 at Peninsula General Hospital in Salisbury, Maryland. At the time of his death he was a resident of the Methodist Manor House in Seaford. Graveside services, officiated by Rev. J. Christopher Pennington of St. John's in Seaford, were held at Barratt's Chapel in Frederica, DE on July 1, 2009.

B. Spouses

Lois Frances Anderson Given

Lois Francis Anderson Given was born in on September 20, 1921 to the late Ambrose B. Anderson and Liela McKeen Anderson in Sacramento, California. She moved to Minnesota with her family at the age of three. Lois was one of seven children, one brother and five sisters. The family lived on a farm in Grand Rapids where Lois learned the meaning of hard work as she watched her older siblings and parents help provide a living for the family. Later the family moved to Minneapolis where Lois spent her life until she became a young adult.

In her youth Lois realized the importance of a Christian way of life which she practiced faithfully her entire life. She was active in church life and youth groups at Park Avenue United Methodist Church, Minneapolis, Minnesota, where she became a member in her teen years. The family was also active in Red Rock Camp, a Christian Camp, held each summer at the lake.

After graduating high school in January of 1940, Lois held several jobs and then entered Augsburg College in the fall of 1944. Two years later on May 28, 1946, she married Rev. R. Gordon Given at Park Avenue Methodist Church. The Lord blessed them with four children, Ruth Given Griffith, Richard G. Given, James A. Given and John T. Given. They were also blessed with 11 grandchildren and 5 great grandchildren.

Lois walked hand in hand with Gordon as they served several churches in the Peninsula-Delaware Conference from 1946 to 1980; Westover, Grove, Crapo, Wesley Chapel, Trappe, Quantico-Rockawalkin, Mt. Vernon, Whaleyville-New Hope, Bishopville, Sharptown, Bethel, Frederica Charge, Vienna-Elliotts and Lincoln Charge. Lois taught Sunday School, participated in choirs and every Christmas, she would have an open house for their parishioners. They retired in 1980, but Gordon continued to serve as pastor in Roxana, DE until 1982. After retirement, they enjoyed many trips traveling in their motor home.

When Gordon died in 1993, Lois continued living in Seaford close to her children and busied herself with the only thing she had really ever known, being a Christian and serving others. She was a member of St. John's United Methodist Church. Her church groups included United Methodist Women, Congregational Care, and Prayer Chain. In the winters she would still travel to Florida as she and Gordon had done for so many years before. In April of 2005 she moved to the Methodist Manor House.

She enjoyed crafts, reading, sewing, time with friends and most of all her grandchildren. Times spent with family and friends were most important.

On October 20, 2009 Lois passed away unexpectedly and peacefully in her apartment at the Manor House. Her services were held on October 26, 2009 at St. John's United Methodist Church with The Rev. Christopher Pennington and The Rev. Constance Hastings officiating, assisted by Chaplain Barbara Wilson. A musical number honoring Lois was performed by her children and grandchildren. She was laid to rest next to her loving husband, Gordon, in Odd Fellows Cemetery, Seaford, Delaware.

Lois was a quiet loving person and wonderful wife, mother and friend who always had a smile and saw the good in everyone who touched her life. "A friend loveth at all times..." Proverbs 17:17. The Lord gave Lois a gracious life.

William Edward Johnson, Jr.

William Edward Johnson, Jr. was born on April 17, 1950 in Chestertown, Maryland, to the late William Edward Johnson, Sr., and Gertrude (Boyer) Johnson. He departed this life suddenly on August 15, 2009 as he was returning home from a picnic with family and friends. He was 59 years old. William was affectionately known as "Brother" or "B.J." to his family and friends.

Educated in Kent County Public Schools, he graduated from Garnett High School. He worked for many years at Campbell Soup in Chestertown, Maryland until its closing, and was last employed by Delmarva Sash and Door in Barclay, Maryland.

He married the late Rev. Barbara A. Britt Johnson, on December 27, 1997. As a spouse of a United Methodist pastor, he and his wife served churches on the Easton District of the Peninsula-Delaware Conference until her illness. Together they shared the gospel with so much love and joy. During their marriage he was very loving and caring, a gentleman who was devoted to supporting his wife. Even in her illness he remained her caregiver, and his kindness and compassion were a source of strength to her.

Growing up he attended his family church, New Christian Chapel of Love, in Big Woods, Maryland. He was also a past member of Calvary Baptist Church, Dover, Delaware. In later years, he visited many churches and supported them whenever he could. He especially loved to model in fashion shows. You could always count on him to be "dressed to impress" wherever he went. He would be color coordinated with matching accessories from head to toe. His unique fashion sense evolved into something he enjoyed. He knew he ABSOLUTELY looked good.

He loved the Lord and his family and friends. He was a humble, kind man who always reached out in love, and he enjoyed serving others. He didn't make enemies, he only had friends. He will be remembered most by his family and friends for his enduring love and care. His friendly smile, willingness to serve and concern for others are also a part of the legacy he leaves behind.

A Home Going Celebration for William Edward Johnson, Jr., was held on Saturday, August 22, 2009, at 1:00 pm, at the First United Methodist Church, Chestertown, Maryland. Rev. Anthony Brown officiated, and Rev. T. D. Hackett was the eulogist. Burial was at the New Christian Chapel of Love Cemetery (Big Woods), Worton, Maryland.

Dr. Ruth E. Britt; one sister-in-law, Rev. Dr. Otilia Thornton-Butler (George); two brothers-in law, Otis L. Britt, Jr. (Tina); and Anthony Britt (Michelle); and a host of nieces, nephews, relatives and friends.

Rebecca Bacon Jones

Rebecca Bacon Jones was born June 8, 1912 in Seaford, Delaware, to Harold and Mary Bacon. She was one of eleven children and the oldest of the girls. Rebecca attended school until the 10th grade when she went to work to help her mother raise her brothers and sisters after her father died. In 1945 she married Rev. Lewis Jones, and they were blessed with eight children: Mary Winder, Virginia Burton, Iris Hazzard, John and Louis Jones, three deceased sons Robert Bacon, Jerry Jones and James Jones. She has twenty-nine grandchildren, eighty-two great grandchildren and thirty-six great, great

grandchildren.

At the age of 14, Rebecca joined John Wesley United Methodist Church in Seaford, Delaware. After traveling in the ministry for 40 years with her husband, Rev. Lewis R. Jones, they came back to John Wesley until her health failed. Even when she could no longer go, she sent her tithes and offering and wanted to keep up with what was happening in the church. She loved to visit family and friends. When her husband had to finish his education and would have to go to school, she would take over the church pastoral duties until he returned.

Rebecca became the first daycare teacher for Slaughters Neck Daycare Center. She taught in the Elkton, Maryland, Daycare after earning an Early Childhood Certificate from Baltimore Community College. She was also a Certified Lay Speaker and Sunday School Teacher. Rebecca always sang in the choir and helped with communion. She loved to put on plays and pageants.

"As First Lady", she would say, "I can do any job in the church." Rev. Lewis along with Rebecca served the following churches: Millington, Mardela Springs, Sharptown Zion, Chester Stevensville and Elkton Port Deposit in Maryland, as well as Laurel Circuit and Lincoln Wesley Chapel in Delaware.

Rebecca Jones passed away on February 10, 2010, at the age of 97. Her service, officiated by Rev. Peggy Briggs, was held at John Wesley United Methodist Church in Seaford, Delaware with many family and friends in attendance.

The Jones Family

Vicki Jo Daffara Owens

Vicki Jo Daffara was born September 8, 1946, the first of three daughters born to James and Grace (Stout) Daffara of Alexandria, Virginia. After graduating from Hammond High School in 1964, Vicki attended Evangel University in Springfield, Missouri, where she studied art education and graduated with a teaching degree in 1968. After graduation Vicki stayed in Missouri and taught art at Stratford High School. The following year, Vicki returned home to Alexandria to teach elementary art in the District of Columbia public schools.

In December of 1970, during a Sunday morning worship service, Vicki introduced herself to a young man in an Air Force uniform who had just returned from overseas duty. Two months later the young sergeant, Paul Owens, asked Vicki to marry him. On August 14, 1971 Vicki and Paul were married in Alexandria, Virginia, at First Assembly of God Church.

After Paul's military service was complete, the couple moved to Costa Mesa, California where Paul began his undergraduate work. Vicki worked full time at South Coast Plaza which allowed Paul to complete his degree early. In 1975 Paul began seminary in Massachusetts. During his second year at seminary, Vicki and Paul were also looking forward to the birth of their first child. Shortly before the due date, the doctor could not find a heartbeat and Vicki carried Timothy knowing he had already returned to his Creator.

With seminary completed in 1978, Vicki and Paul moved to Wilmington, Delaware. They bought a home on 8th Street with the dream of ministering to the people in the Hilltop area of Wilmington. It became a gathering spot for many youth groups. Though these were the toughest years, they were also the best years, especially since they included the birth of their son Jason Mark and daughter Joy Elizabeth. Vicki fulfilled her lifelong dream of becoming a mother and extended that love to many other children and teenagers.

In July of 1983, an opportunity opened up for Paul to serve 3 United Methodist churches in Laurel, Delaware. Vicki quickly made new friendships there that lasted a lifetime. After four years, the family moved to the Kirkwood United Methodist Church, and from that seed grew Cornerstone Church in Bear, Delaware.

Vicki worked 15 years as an elementary school art teacher at Caravel Academy, where she loved being a part of the school, the staff and the children. She also worked in Cornerstone Church's Early Education Center as an office assistant and taught pre-school classes for two years. Vicki put her full heart and effort into everything she did. She always did her best and made those around her want to do their best to keep up with her.

Although Vicki was always intricately involved with the life of each church, Vicki preferred to operate behind the scenes, believing she did her best work away from center stage. On any given occasion, you could find Vicki working in the children's ministry, doing crafts for the children, working in hospitality, talking to someone who needed loving counsel and supporting those she loved with all her heart.

Vicki was diagnosed in February of 2009 with bile duct cancer, and ultimately a 14-hour surgery to remove the cancer was unsuccessful. After a week, she went home to be held in the arms of Jesus on June 19, 2009.

Vicki's greatest accomplishments in life included following Her Heavenly father, loving people, being a friend to many, raising her children, and supporting her husband in the ministry to Christ's church. She loved art and teaching; it was the joy and passion of her life. Vicki especially loved her children and their spouses. She loved being a grandmother and her grandchildren adored her. She was a blessing to everyone she met and so shone with the love of God.

She was preceded in death by her parents, James C. Daffara and Grace Elizabeth Stout Daffara, and infant son, Timothy Smith Owens. She is survived by her beloved husband of over 37 years, Rev. Paul A. Owens; children, Jason Owens and wife, Jessica, of Elkton, MD; and Joy Jackson and husband, Chris, of Warwick, MD; sisters, Nancy Harrup and husband, Paul, of Fairfax, VA; and Mary Unglesbee and husband, Bob, of Baltimore, MD; grandchildren, Caleb Owens and Anna Owens and Joshua Owens; many nieces, nephews, and cousins; and adopted daughters, Patti Bellafore and Barbara Jean Scira and their families.

X. MISCELLANEOUS

Conference Rules of Order

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
 2. To adjourn;
 3. To take a recess;
 4. To lay on the Table.
 5. To call for the previous question;
 6. To postpone to a given time;
 7. To refer;

8. To substitute;
9. To amend;
10. To postpone indefinitely;

- Rule 6:** A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7:** When a person is about to speak in debate, or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8:** No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9:** When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10:** No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11:** When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12:** No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13:** Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14:** Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15:** It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16:** The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous

question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.

- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.
- Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the 2008 *Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the 2008 *Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president. Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.

Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall

be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.

- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 657 in the 2008 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President.
- Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall

have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

**B. Rules and Guidelines for the Conference
Committee on Clergy and Lay Leadership**

A.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representativesMembers will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership
 - f) See Section C for Committee Covenant

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guideline for Conference positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term. (Conference Rule #23, page 345, 2007 Conference Journal) Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes,

Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2004 Book of Discipline, ¶611.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E, page 106 of the 2004 Book of Discipline), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where *The Discipline* mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.
The following Criteria for Leadership shall be used in the selection of co-chairpersons:
 - a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
 - b) A demonstrated leadership ability in the local church;
 - c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;

- d) Willingness to commit time as required by the position;
 - e) Willingness to commit time for training for the responsibilities of the office;
 - f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
 - g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
 14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
 15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

Team Covenant (to be revisited annually in September of each year)

10. We believe (common assumptions and Core Values)
 - We believe every meeting, including our face to face meetings with our charges need to begin in Prayer & Devotion
 - Every person deserves respect therefore: we will not gossip; we will maintain confidentiality; we will refrain from arguing with charge leadership
 - We need to Listen: we will turn off cell phones; make sure others are talking more than we are; remember this ministry is not about us, but the church; at the close of our meetings we will recap/reflect our understanding of things discussed; we will be aware of practicing positive body language; First impressions make a difference; we need to respond with thank you notes for our meeting that acknowledge something discussed.
 - Summaries should be sent in a timely manner to the DCM (Director of Connectional Ministry)
 - Be Prepared for Charge meetings and Committee meetings: Have an agenda; prepare a devotional to begin time together; keep it simple and short – this is intended to be an on-going relationship so you don't have to travel the world all at once.
 - We need to follow through and follow up (passing along info. in a timely manner.
 - Each voice is important – we will speak up and share at committee meetings
 - We believe in being honest – honest in how things are going

- We can call on one another for help
- Attendance and communication are key
- We believe in diversity and the rich gifts of all people
- We believe in identifying the persons that have been unseen and unknown but who are just as essential to working as a healthy Body of Christ.
- We believe that the process and work of this Committee to be important and that the process of developing relationships with the Local Churches is essential to accomplishing our work effectively.

11. Vision and Mission and goals for the coming year (Developed to be consistent with the individual part of this covenant)

Vision: The Holy Spirit provides all people with specific spiritual gifts. There are persons who are passionate about their gifts. These persons need to be given the opportunity and responsibility to lead, teach, and assist local churches to become healthy or healthier local churches.

Mission: To find such gifted persons, the Committee on Clergy and Lay Leadership will contact every pastor or lay leader for the purpose of developing a list of persons who meet the following:

- Has gifts in the specific area where he/she is being asked to serve
- Is passionate about using those gifts to assist other churches as well as their own church
- Has demonstrated the gifts in their own church
- Is willing to participate in necessary meetings except where emergencies arise
- Is willing to take on the tasks assigned by the team
- Is willing to be a servant leader

In places where there is disciplinary direction, Committees and/or Boards will be staffed in consultation with the Bishop and Cabinet.

Goals: To visit every charge annually.

To this end:

Each member of the team will be assigned a number of churches and pastors (we anticipate 12 charges) for which they will be personally responsible for contacting - in one on one meeting.

In these contacts the members would be asking or challenging the pastors and congregations to do a gifts assessment or share one that has already been done, asking permission for pastors/congregations to share with the team member the persons who have gifts and passion in ministry areas of the Conference, District, or Local Church. And/or team members could seek what ministries of the local church might be sent out as resources to help enable ministries at other local churches.

Discover new ministry needs of local churches as relationship is established. The relationship between the team member and the church will eventually be a two way street where the member seeks information on the passions and gifts of the church and church members and receives information about ministry needs of the church that would be collected and passed on from the Leadership Team to the Vision Team.

Team contacts 50% of the pastors/charges assigned to them by December 1 and the second 50% by March 1.

Team member will follow up on the relationship at least every 6 months updating information and sharing new ministry resources with their assigned congregations, as well as, inquiring what help the assigned congregation needs in order to be more effective in ministry.

Create pool of names from which to invite persons to serve at the Conference level. Members of the Team as they meet together will use the pool of names developed from these contacts to invite persons to serve at the Conference level.

Maintain an active resource list and send a note to pastors and superintendents reminding them of the passions people have and their willingness to serve at perhaps District and Local Church level.

Work in consultation with the Vision Team to ensure that all ministries comprise of people of passion and in accordance with *Discipline* 609.5.

In the process, the Conference Team will receive information (input) from both the Bishop and Cabinet and the Vision Team prior to inviting persons to be part of Conference teams, Boards, or agencies.

12. We will assess our process and performance in the fulfillment of the covenant by:

Assessment needs to be done in two parts:

- † Part one – building of relationships and
- † Part Two – fulfilling the Leadership work for the Annual Conference.

Part one: Assessment

- Have we completed individually the goals states above in #11?
- Have we built relationships? What are the signs?
- Have we done our work face to face?
- Have we followed up? Completed summaries?
- Have we faithfully attended meetings?
- Do we have a pool of people to work with for nominations?

Part two: Assessment

(In ongoing development)

- Are the recommended nominations reflective of diversity?
- Have we shared our work/recommendations with Bishop and cabinet and received feedback and input?
- Have we shared job descriptions and expectations with the persons we have approached about taking positions?

13. We will use the following agreed upon guidelines for handling grievances, concerns, conflicts:

Parking Lot Process: questions and concerns will be posted on parking lot diagram during the meeting and will be addressed at the end of the meeting before dismissal.

Covenant once complete will be signed by all members of the Clergy and Lay Leadership Team. This Covenant will be revisited, revised and signed annually by members of the Committee.
