OUR VISION

*To EQUIP and CHALLENGE the Church to
TRANSFORM lives through Christ.*

OUR MISSION

*The Peninsula-Delaware Conference of the United Methodist Church,
in partnership with our Local Churches, covenants to answer our call to:
EQUIP Jesus' followers to become radical, passionate,
intentional, risk-taking, extravagant disciples of God's love;
and CHALLENGE all people to become servants
who wash their neighbors' feet, no matter where their neighbors walk,
so that lives may be TRANSFORMED through Christ.*

Clergy Executive Session

The Clergy Session of the Peninsula-Delaware Conference was called to order by Bishop Peggy Johnson at 9:10 AM. Rev. Candy Miles led us in singing "This Is the Day." Rev. Gary Meekins accompanied the Session on the piano. The Black College Ambassador was introduced and brought us greetings from the historically Black Colleges in the United Methodist Church. Following her remarks Rev. Miles led us in the Call to Worship and with Rev. Gary Meekins on the piano we sang "Marching to Zion." Rev. Donna Hinkle offered a prayer and Reverends Mark Avens, Oscar Lopez, and Bethsheila Hunley read scripture. Rev. Dr. Sandra Steiner Ball brought the message followed by the Act of Praise led by Rev. Rich Walton. Bishop Johnson then announced the passing of Betty Gooch the Conference Lay Leader. She offered prayer for family and friends of Betty Gooch. Following the opening worship the business of the Clergy Session was conducted.

Laity Session

The Laity Session of the Peninsula-Delaware Conference was called to order by Mr. Demetrio Beach, the Associate Conference Lay Leader, at 9AM. The Grace UMC Praise Band provided the music for the session. Demetrio extended his thankfulness, sympathy, and condolences to the family of Conference Lay Leader Betty Gooch. Bishop Peggy Johnson informed the session that Demetrio will remain as Associate Lay Leader for 2012-2013. Election for a Conference Lay Leader will not be held at this Annual Conference. Instead the District Lay Leaders will assist Demetrio. Laura McClung, Conference Director on Lay Speaking, led a Bible study on Joseph. Following the Bible study the District Lay Leaders gave their District reports. District Lay Leaders were elected. They are: Dover District Lay Leader: Denise Snyder, Associate Lay Leader: Roslyn Harris; Easton District Lay Leader: Faye Everett, Associate Lay Leader: No names submitted; Salisbury District Lay Leader: Richard Kellam, Associate Lay Leader: No names submitted; Wilmington District Lay Leader: Yvonne Younger, Associate Lay Leader: Charles Rossiter. Following their election Mr. Lawrence Pelham, Mr. Kevin Goodwin, Ms. Regina Nichols, and Mr. Demetrio Beach gave a report on General Conference 2012. The Laity Session concluded with a "Washing of the Hands" ceremony and musical selections.

The 228th Session of the Peninsula-Delaware Annual Conference Ella Fitzgerald Performing Arts Center "New Faces, New Places" Thursday Afternoon Session June 7, 2012

The afternoon session began with worship at 2PM. The Processional Hymn was "Get Right Church and Let's Go Home" led by the Cambridge-Vienna Ministries Choir. Rev. Dr. Sandra Steiner Ball and her husband Rev. Barry Steiner Ball led the Conference in the Call to Worship. This was followed by the Opening Hymn, "As a Fire Is Meant for Burning." Rev. Nancy Greenwell then gave the opening prayer followed by a responsive reading led by the youth of Young People's Ministries. Rev. Sumner Jones read John 11:17-27 from the NIV Bible. The Cambridge-Vienna Ministries Choir again brought special music. Mrs. Roberta T. Price offered a "Prayer of Faith" and the Cambridge-Vienna Ministries Choir did a prayer chant. The Deaf Ministries of the Annual Conference offered a sacred drama on Jeremiah 29:11-14. Rev. D.J. Del Rosario of the General Board of Higher Education and Ministry, Division of Ordained Ministry, brought the message. This was followed by Holy Communion.

After the opening worship service Bishop Peggy Johnson convened the conference at 3:55PM. After singing "And Are We Yet Alive" She called on Bishop Violet Fisher, retired, for the opening prayer. Bishop Johnson then introduced those at the head table. They were in addition to Bishop Johnson, Rev. John Van Tine, Conference Secretary, Bishop Fisher, and Henry Phalen, a youth representative.

Election of Conference Secretary: Rev. Dr. Sandra Steiner Ball presented the following resolution:

Whereas in accordance with paragraph 603.7 of the Book of Discipline each annual conference is to elect a Conference Secretary to serve for the succeeding quadrennium,
Now Therefore Be It Resolved that John Van Tine is hereby elected to the position of Conference Secretary for the quadrennium that begins with this June, 2012 session of the Peninsula-Delaware Annual Conference.

The resolution passed unanimously.

Adoption of the Agenda and Rules of Order: Rev. John Van Tine, Conference Secretary, moved the adoption of the Agenda, which was in the conference packet. It was approved. He then moved the adoption of R1, "The 2012 Organizational and Procedural Motion," which included the "Conference Rules of Order." R1 was adopted.

Introduction of Guests: Bishop Johnson called on Rev. Charlotte Nichols, the Dean of the Cabinet to introduce the members of the Eastern Pennsylvania Annual Conference Cabinet who were present. She recognized Rev. Dr. Dorothy Watson Tatum, Rev. James Todd, and Dr. Mary White, Conference Lay Leader. Bishop Johnson called on Rev. Jonathan Baker who introduced Adolphe Yamba Yamba. He is our mission coordinator for the Congo. He brought greetings. Bishop Johnson called on Rev. Darlene Dixon who introduced the Acting President of the University of Maryland Eastern Shore Dr. Mortimer Neufville. He brought greetings and gave us a brief history of UMES and its United Methodist connection. (It was started by Metropolitan United Methodist Church, when it was part of the former Delaware Conference.)

Statistical Report: Dr. Joyce Bell, Conference Statistician, reported that the membership of the Conference continues to decline. Membership at the end of 2011 was 86,332 a decline of 1,051. We also baptized fewer people and had fewer in confirmation classes. The United Methodist Men gave less to special projects than in the previous year. She said all was not doom and gloom, however. The good news is that fewer people transferred out of our churches, there were more adults in Sunday School and \$415,000 was given by the United Methodist Women and United Methodist Men. 1688 people were received on Profession of Faith. She reminded us that each number represents a soul for Christ.

Monitoring Report: Rev. Dr. William Wallace of the J.T. Seymour Commission on Religion and Race brought the monitoring report. He stated that twenty years ago when the Commission was created it counted the number of women, men and respective ethnic groups that participated during annual conference which included those who were on its agencies, boards, commissions, and other affiliated institutions. Today, he pointed out, the focus is not just on "counting beans." They are also concerned about how power is shared, who controls the funding sources, leadership patterns and decision making procedures relative to ethnic representation, gender equality issues and youth/young adult participation. He also stated that issues concerning hospitality of language, accessibility for persons with physical disabilities, and services and other devices for persons with hearing and speech impediments are vital if the Annual Conference is to be the incarnation of New Faces and New Places. There is a new hate in the United States of America; it is not as blatant but it is just as vicious as its predecessor. This new hate is systemic, codified in the sociopolitical machinery of our judicial bodies and deeply entrenched in our psychic. He pointed out that the symptoms include, but are not limited to, internalized oppression, historic grief, white privilege, hate crimes, racial profiling, xenophobia, and homophobia. Dismantling the effects and affects of this insidious evil must be the Conference's continued crusade. As the commission celebrates its 20th anniversary of monitoring, it is moving into horizons that require new strategies to embrace multicultural competency, inclusion, cultural diversity and a passion to build and strengthen relationships in order to have effective cross-cultural and cross racial appointments, gifted and passionate leadership, new church starts and vital existing churches as well as a conference that embraces its youth and young adults. The Commission will bring further monitoring reports throughout the Conference.

General Delegation Report: The entire General Conference Delegation was brought up on stage and a picture of Betty Gooch was shown as she passed away on Tuesday. Mr. Demetrio Beach then presented the process about nominating Rev. Dr. Sandra Steiner Ball for Bishop. He formally placed her name for nomination as Bishop. He then read Rule 31, the process for nominating a person for Bishop. Mr. Bill Westbrook showed us a sample ballot and how to fill it out. Henry Phalen, the youth representative, prayed and the ballot was cast. It was numbered E1.

Book Signing: Madeline Beall, our Cokesbury Representative, stated that Rev. Adam Hamilton will be signing books after the last teaching session on Friday. After tonight's evening session he will meet

with the young clergy. She invited the Conference to visit the Cokesbury display. There is a new Children's Curriculum called "Grow, Proclaim, Serve." Copies of the Common English Bible are also available.

Rev. Thomas Johnson, Chaplain in a Kentucky Prison, offered grace and the Conference was adjourned at 5:17 for dinner. It was reconvened at 6:45PM.

**Thursday Evening
June 7, 2012**

The Conference reconvened at 6:45 PM. Following the Praise Music, Aaliyah Reese, a youth representative, offered the opening prayer.

Committee on Clergy and Lay Leadership: Rev. Paul Sherwood and Mr. Demetrio Beach presented the Report of the Committee on Clergy and Lay Leadership report for information and corrections. According to our rules there must be a 24 hour waiting period before it is considered for a vote. It was properly presented.

Order of the Day: Bishop Johnson introduced Rev. Adam Hamilton, senior pastor of the United Methodist Church of the Resurrection in Leawood, Kansas, who is conducting the teaching sessions this year. He has based them on his book "Leading Beyond the Walls." Rev. Hamilton then had his first teaching session. Following his teaching session he met with the young pastors of the Conference and the Conference was adjourned until Friday morning at 8:15AM.

**Friday Morning
June 8, 2012**

The Conference convened at 8:15 for a time of worship. Bishop Johnson read Ephesians 4:3-4 and said that her prayer for us today was to build one another up.

Monitoring Report: Bishop Johnson recognized Rev. Tom Pasmore who gave the Monitoring Report. He said that yesterday was an awesome day. It was a joy to be here with colleagues and friends. We sang about drawing a circle wide in order to reach out to others. He stated that the purpose of monitoring is to remind the Conference that we are a global church. We are to minister to people outside our churches. He wanted to share two things. The first concerned the report of the Committee

on Clergy and Lay Leadership. Lay leadership needs to be more inclusive. The second thing he lifted up was the need to strive to be more inclusive in our worship. Following his report Bishop Johnson pointed to the table cloth that was covering the head table. It had "40s" on it representing the 40 years of COSROW (The Commission on the Status and Role of Women.)

Ballot #2

Bishop Johnson recognized Rev. Fred Duncan who made a motion to close nominations and not have any further balloting, thereby declaring Rev. Dr. Sandra Steiner Ball nominated for Bishop by the Conference.

It passed.

Mr. Gene Cray asked for special privilege. He wanted the Bishop to pray for the newly elected District Lay Leaders and Conference Lay Leaders He also wanted Rev. Dr. Sandra Steiner Ball to anoint them. The Bishop asked them to stand and she offered prayer for them.

Order of the Day: At 9AM Rev. Adam Hamilton led the Conference in teaching session number 2.

Special Presentation: At 10:30 Moses Kumar, Chair of the General Council on Finance and Administration, stated that since 2000 the Peninsula-Delaware Conference has paid 100% of its General Apportionment. (It has actually been longer than that). He then presented a plaque for the Conference paying 100% of its apportionment for 2011 followed by a video. Bishop Johnson accepted the plaque and gave it to Mr. John Halberstadt. John called on Mr. Bill Westbrook, Conference Business Manager and Treasurer. Bill stated that through May the conference is on track to meet its budget for 2012.

Order of the Day: At 10:45 Rev. Adam Hamilton brought teaching session number 3. At the beginning of his teaching session Adam Hamilton commented that in the past five years he has been to 26 Annual Conferences and this is the first Annual Conference he has seen who received an award for paying 100% of its General Church Apportionment. He then continued with the teaching session.

Following the teaching session the Conference adjourned for lunch. This was "Tray Day" and all who ate lunch in the College Dining Room were encouraged to leave their trays with a donation for the youth to pick up. The money donated would support the work of the youth/young adults of the Conference.

Friday Afternoon June 8, 2012

The Conference reconvened at 1:45PM with the "Gathering Music." Bishop Johnson played the piano for the praise music as the Praise Team was not present. She then called on Bishop Violet Fisher to give the opening prayer at 2PM. Rev. Vaughan Hayden came to the microphone with a Point of Order. The motion made this morning closing nominations for Bishop was not in order. Our rules call for a minimum of two ballots to be cast. These rules would need to be suspended in order to close nominations. Rev. Glen Catley made a motion to suspend the rules, which would end the balloting for nominations for Bishop. It takes a three-fourths vote to pass. It was second by several people and was approved. Following this action corrections were made to the Committee on Clergy and Lay Leadership report.

Adoption of the Consent Calendar: Rev. John Van Tine, the Conference Secretary, presented R 2 the Consent Calendar for adoption. It was adopted.

Healthy Church Initiative: Bishop Johnson called for the Healthy Church Initiative and three people came walking down the aisle. They asked, "Who is not included? Who are we not reaching?" and "Who is missing?" After these questions were asked, they presented "The Can Do" document. Rev. Hannah Adair Bonner, Northeast Jurisdiction Regional Staff, Young People's Ministries, General Board of Discipleship, The United Methodist Church, talked about how Grace United Methodist Church in Wilmington, DE brought people in the communities together around a common goal to promote reconciliation and unity. This common goal was feeding people in the city. Rev. Jerry Howard of Last Call Motorcycle Ministry told how this ministry has made a difference in the lives of bikers and their families. Rev. John Hornberger, pastor of Church of the Atonement in Claymont, DE told how the church started growing when the people began praying for its growth. They practiced CPR, Church Praying for Revival. Mrs. Elsa Smith, member of the Arise Church in Bear, DE shared how when one asks God for direction and lets God guide a person, then things become smooth and everything is

provided. That was the case in getting Arise Church, a new church start, going. Karen Miller shared how churches in the Conference over the past five years have connected with people who are deaf. Dr. H. DeWayne Whittington, Finance Committee Chairperson, Shiloh UMC, Crisfield-Shiloh Charge shared how all across the Conference the strength of the small membership rural predominately African-American churches has grown. All of them said "Together: Every church can do something!" As part of this presentation, commitment cards were handed out and each person was asked, "What can your church do?" The commitment cards were filled out, brought forward and the Bishop prayed over them.

Covenant Funding and Election of Conference Treasurer: Mr. John Halberstadt presented the Conference Covenant Plan for 2013. From 2003-2007 94.4% of what was apportioned was received. From 2008-2009 89.8% of what was apportioned was received. This dropped to 88.9% in 2010 and 2011. In 2012 92.0% was received. The 2013 budget assumes that 92.0% of what is apportioned will be received. Rev. Dianne Henry presented the following resolution:

WHEREAS the Conference Council on Finance and Administration (CCFA) has prepared a proposed covenant funding plan as presented for the Annual Conference...

BE IT FURTHER RESOLVED that the apportionment formula for 2013 be based on the three-year average of 2008, 2009, and 2010 net operating expenses and an apportionment cap of 19% of 2010 total operating expenses.
It was approved.

R4 "Resolution on Health/Dental Coverage for Incapacity Leave Clergy" was presented and it was approved. R5 "Resolution Relating to Retiree Health Insurance" was presented. There were some speeches for and against. It was approved, though not unanimously as the others had been.

This is Bud's last year as chair of the Board of Pensions and Health Benefits. He thanked Elaine Moreland, Bill Westbrook and all who have served on Board with him.

He praised Adam Hamilton on his teaching presentations, the Bishop and all who led the Church Development Corporation presentation "New Faces and New Places. The newly commissioned and ordained clergy comprised forty percent male and sixty percent female. He said "Is good that we take the time to hold each other accountable."

Rev. Boyd Etter, the Dover District Superintendent, presented the following resolution:

Laity address: Bishop Johnson called on Mr. Demetrio Beach, the Conference Associate Lay Leader, who gave the Laity address. He asked all the lay speakers to stand and be recognized. He announced that there will be lay speaking classes for those who speak Spanish at the next Lay Academies, as the Academies focus on diversity, that is equipping new people for ministry. He introduced the District Lay Leaders and Associate District Lay Leaders, after which he gave an inspiring message about the kinds of people we are using the days of the week. He concluded by saying that we are Sunday people because of what Jesus has done for us. Sunday people are the ones seeking new faces and new places.

Advocacy Report: Rev. Tom Pasmore gave the Advocacy Team report. He said that the Conference is on a mission and the Advocacy Team is to help in that mission by transforming the world through Jesus Christ. It is a new quadrennium, a time for a new team, a new plan, but the same mission, which is stated in Micah to "Do justice, love kindness, and walk humbly with God." This new plan will improve communication between the Team and the local churches. It will resource the local churches as they seek to begin to develop, retool, or upgrade their ministries. Communications between the Team and the churches will be updated via the Conference web page, email "List Serve", social media, and the local church advocacy representative. The Advocacy Team plans to focus on two areas next year. These are 1. Poverty and 2. Health care. At the conclusion of his report he asked the Conference to fill out an information sheet, which the Conference Ushers then handed out.

Commission on Equitable Compensation: Rev. Bill Ross presented the report of the Commission on Equitable Compensation, which was found on pages G6-G7 of the pre-conference materials. He presented the resolution on page G6. Rev. Constance Hastings moved that line 263 of the report be amended to include Provisional Deacons. The line would now read "Provisional Deacons, Elders, Associate Member." The amendment passed. The resolution as amended was then presented for a vote and it passed.

Local/Global Ministries: Mr. Kevin Goodwin presented the Central Conference Initiative (CCI) by showing a video. He stated that the Conference has given almost \$50,000 to the Initiative. The checks from Cokesbury have totaled an additional \$25,000. He then talked about Africa University. We are the only Annual Conference that has paid one hundred percent of its Africa University apportionment and we have done so for twenty years. He announced that Larry and Jane Kees, who are missionaries at Africa University, will be at Bethel UMC in Berlin, MD. In other mission news Kevin stated that in 2011, the Conference gave \$384,000 to The Advance. One-third of this went overseas with over fifty percent going to those who had been in some kind of disaster. He encouraged every church to find a way to give to The Advance. \$61,000 was raised to support missionaries around the world and currently only twenty-five churches are contributing.

Reports on Special Offerings during Conference: Kevin Goodwin reported on the special offerings held during Conference. \$2,603 was received at the Clergy Session for the Clergy Assistance Fund; \$2,423 was the Tray Day offering; \$12,669 for the Congo Partnership; \$12,989 for BOOM; for a total of \$30,684. Today's offering will be the Central Conference Initiative. Bishop Johnson thanked the Conference for its generosity.

Congo Partnership: Rev. Jonathan Baker introduced Adopho Yamba Yamba who brought greetings to the Conference and showed a video which updated the Conference on the work that the Bishop Peter D. Weaver Congo Partnership is doing.

Board of Higher Education: Rev. Vaughan Hayden presented the report of the Board of Higher Education and Ministry, which is found on pages F1-F2 of the pre-conference materials. He said that the churches can support the Board by 1. informing the Board to which college their students are going, 2. by offering a scholarship for their students, and 3. by taking an offering.

Care Team Report and Resolution: Rev. Sally Dolch introduced the Care Team of the Conference. She then called on Rev. Jack Shitama who moved the adoption of R7, "Safe Sanctuaries Policy," which is a revision of our current policy. The original policy was to certify every church as a "Safe Sanctuary Church." This policy asks each church to do its own assessment and thereby see what it needs to do to be in compliance with the policy. R7 lines 180-185 state what a church needs to do to be in compliance with the Policy. The Conference approved R7. Jack then stated that on the Conference Web Site the resource person for each District is identified.

Service of Apportionments: Bishop Johnson called on all four District Superintendents to join her on stage for the Service of Apportionments. Those who were moving to a new charge were asked to stand and the Bishop asked those churches who were receiving new pastors to say farewell to the current pastor and receive the new pastor.

VIM Report: Rev. Amy Yarnall, Rev. Karin Tunnell, and Mr. Gil Hoffman presented the Volunteers in Mission report (VIM). They showed a video of the VIM work. Amy, outgoing chair and Karin, incoming chair, asked people to stand or raise their hand if they had been on an international mission trip. They did same for local or regional missions. They then asked, "What if all were standing? What would that say to our world? It would say we are not a lost cause for we believe in Resurrection." Karin then told the story about St Paul's UMC in Odessa, DE and its work with Habitat for Humanity.

Order of the Day: Service of Remembrance:

At 10:30AM the Conference gathered for the Service of Remembrance. Eleven Pastors, six spouses, and three Bishops were remembered during the service.

Saturday Afternoon June 9, 2012

The Conference reconvened at 1:45 PM with praise music. At 2PM Bishop Johnson called the Conference to order and opened the session with prayer.

Order of the Day: Wesley College Corporate Session

Mr. Chip Dashiell called the Corporate Session of Wesley College to order. Wesley College is celebrating its 139th year in 2012 and is proud of its covenant relationship with the United Methodist Church. Mr. Dashiell went on to recognize and thank several United Methodist Clergy for their service to the Board of Trustees. He thanked Reverend Dr. James T. Seymour, Reverend LeRoy Jones, Reverend Boyd Etter, Reverend Dr. Sandra Steiner Ball, and Reverend Dr. Jonathan Baker. The college continues to make great strides forward under the leadership of the President Dr. William Johnston, who is in his fifth year as President. Mr. Dashiell has been Chair of the Trustees for 13 years and is now stepping down from that position. Mr. Robert Harra, a United Methodist lay person from Wilmington, DE, will be the new chair. Mr. Dashiell then presented the slate of nominees for re-election to the Board of Trustees.

Officers of the Corporation:

The following were presented for election as Officers of the Corporation:

Mr. Robert V. A. Harra, Jr., President of the Corporation

Mr. William J. Strickland, Vice President of the Corporation

Dr. William N. Johnston, Secretary, Chancellor, and CEO of the Corporation

Mr. Greg Garber, Treasurer of the Corporation

Officers of the Board of Trustees:

Election of Board of Trustees Class of 2016

Mr. Frank Andrews
Mrs. Linda S. Broyhill
Rev. Dr. James T. Seymour
Mr. William J. Strickland

These people were elected.

Mr. Dashiell then introduced President William N. Johnston. Dr. Johnston stated that the Teacher Education program was re-accredited and lifted up as a model education program. The Nurses Education program also received an outstanding visit from its accrediting body and was ranked in US News and World Report as one of the top 50 master's degree programs in nursing in the United States. Wesley has been re-accredited through 2018. Through its partnership with Hope United Methodist Church, Wesley is developing the students spiritually as well as academically. Rev. Steve LaMotte, Pastor of Hope Church, will become the Campus Minister to the students, faculty and staff. Wesley has started two new majors, Philosophy and Religion and Music. Minors have been created in African Studies and Gender Studies. Dr. Johnston then introduced Chardiney Wood, a new graduate of Wesley who majored in Liberal Studies and minored in Communication. She brought greetings to the Conference. Following her remarks President Johnston publicly thanked Chip Dashiell for his leadership and the Conference for its support of Wesley College. The Corporate Session was then adjourned.

Youth and Young Adult Ministries: Mr. Shane Hinderliter challenged the Conference to think who could be on the Youth Council for 2013-2014. He then stated that \$2434.05 was raised for the Youth/Young Adult Fund on Tray Day. Secret Shoppers is a program the youth run. He encouraged the churches to invite these secret shoppers to come and see how the local church would receive a young person. He then gave a short report of the Secret Shopper program. Half of the Churches' youth/young adults were engaged in worship in the churches visited by the secret shoppers. None of the secret shoppers were forced to stand up or put themselves on "the spot." He pointed out that there is always room for improvement. Most secret shoppers had trouble finding their way in the church buildings, primarily locating the worship place and the restrooms. In most cases they were greeted by the official greeter. There, however, needs to be more people who will greet visitors, not just the "official greeters." None of the secret shoppers were invited to participate in worship. Shane then presented information on the Youth Rally for 2013. The theme for the Youth Rally is "Undignified." Jim Walker will be the speaker. Tye Walker will be back and "Collective Experience" will be the worship leader. "33 Miles" will also be back. The dates for the Youth Rally are January 4-6, 2013.

Awards Ceremony: Rev. Dr. Sandra Steiner Ball presented the awards:

The Francis Asbury Award was presented to Dolores Finger-Wright

The Black Methodist for Church Renewal Award was presented to Arlene Ardina Hamilton at Wesley Theological Seminary, who is serving the Millington-Pondtown Charge. A check for \$500.00 was also given for the Congo initiative.

The Harry Denman Award was presented to Iva Boardman of Mt. Lebanon UMC in Wilmington, DE

The Howard Mason Award was presented to Walter "Dusty" Rhodes of Kent Island UMC and to Calvary UMC in Wilmington, DE.

The Merit Scholarship was presented to Ruth Ann Elston from St Paul's UMC in Odessa, DE.

Sandra then had the first class of Certified Lay Ministers stand up and be recognized.

Rev. Dr. William Wallace shared that several awards were normally given by the J.T. Seymour Commission on Religion and Race. None of these were awarded this year. He encouraged the Conference to send in nominees for these awards. At the Laity/Clergy Banquet in May the St. Barnabas Awards were presented to Charles B. Adams; Kenneth Baker; Sina Callaway-Rosales; Louise D. Dorey; John Michael March; Sally Moller; Michael and Barbara Rottina; James M. Scott; Phyllis Tryon; Karen Ware; Cheryl Wood; Faith Youth Group; and Total Praise Dance Ministry.

Resolution R 6 Anti-Tobacco Resolution

Ms. Judy Barclay and Rev. Elaine Ayers presented Resolution R 6.

Mrs. boe harris offered the following amendment:

Add as line 41

Whereas: a total prohibition on the use of tobacco products would not be in keeping with Resolution 3329 "Native American Religious Freedom Act" (pg 440 of the 2008 Book of

Resolutions) and would restrict the use of church facilities by groups that engage in self-empowerment and self-improvement programs.

Continue on line 48 by adding:

This would exclude tobacco used in Native American cultural and religious practices. Consideration should be given to exempt self-empowerment and self-improvement groups from this prohibition.

The amendment was approved. The entire motion as amended was presented and it was approved.

Pecometh Update: Mr. Ray Yarnall presented the Camp Pecometh update. He lifted up new programs at Camp and the opening of the new Retreat Center. He also pointed out that funding from the Conference was cut by 50%. He then introduced Rev. Jack Shitama, the Director of Camping and Retreat Ministries. Jack talked about the summer camp program.

Christian Service Team: Rev. Yvonne Penn reported that last year during Annual Conference eleven Christian Service Teams (CST) along with the Princess Anne Association went into the Greenwood Community and renovated two homes. They asked the Princess Anne Alliance to work with the CST in 2011. In 2012 the CST would turn the work projects over to them. While the CST was working on these two houses, they encountered one house that they wanted to renovate, but were afraid to for safety reasons. Doug Holmes, a member of the CST, said "Ask the Conference if it can help?" Yvonne challenged the Conference to help and move this lady into a safe home by Annual Conference 2013.

Time of Thanks: Rev. Dr. Sandra L. Steiner Ball and Mr. Bill Westbrook offered thanks to the many people both on stage and behind the scenes who work to make Annual Conference possible.

Resolution on Health/Dental Coverage for Incapacity Leave Clergy

The current Policy on Benefit Eligibility provides Conference-paid health and dental insurance for a pastor on Incapacity Leave as long as the pastor remains on Incapacity Leave, as defined by the General Board of Pension and Health Benefits (GBOPHB).

The GBOPHB has stated that it is seeing a trend that pastors are entering the Incapacity Leave status increasingly at a younger age and therefore the insurance coverage provided by the Conferences is for a longer time period.

Peninsula-Delaware Conference has also experienced younger pastors on Incapacity Leave. The cost to the Conference can be exorbitant if this trend continues. For example, a pastor, age 50, on Incapacity Leave who does not qualify for Social Security Disability can cost the Conference, based on current rates for 15 years, a total of \$100,224 while the same pastor qualifying for Social Security Disability would cost the Conference \$47,904. (This example includes 2 years on regular insurance prior to Medicare eligibility and 13 years on Medicfill).

In addition, the Conference also provides Conference-paid coverage for the family provided that no other coverage is available without cost to the family. The cost to the Conference for the spouse if the pastor does not qualify for Social Security Disability, for 15 years, is an additional \$160,380. The cost to the Conference for the spouse if the pastor qualifies for Social Security Disability for 15 years is \$129,960.

Be it resolved that health and dental coverage for a pastor on Incapacity Leave shall be limited to 30 months on the PPO plan and will continue with the Medicare/Medicfill plan if eligible. No coverage is provided at Conference expense if not eligible for Medicare/Medicfill after 30 months on Incapacity Leave but the cost of the Medicfill premium will be provided to clergy on Incapacity Leave to assist that pastor in securing other insurance. Any pastor currently on Incapacity Leave receiving PPO health benefits will be grandfathered in.

Be it further resolved that the family of a pastor on Incapacity Leave shall be limited to 30 months on the PPO plan and will continue with the Medicare/Medicfill plan if eligible (age 65). No coverage is provided at Conference expense if not eligible for Medicare/Medicfill after 30 months on the PPO plan. Exceptions on a case-by-case basis will be made if after 30 months the spouse is close to age 65.

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt this resolution with an effective date of July 1, 2012.

Resolution Relating to Retiree Health Insurance

With health care costs rising and the retiree medical liability rising, the Peninsula-Delaware Conference Board of Pensions offers this resolution as a means to reduce the retiree medical liability.

The current Peninsula-Delaware Conference Eligibility Policy states that persons who joined the Conference health plan prior to July 1, 2000, upon retirement follow this schedule:

CHART 1

Health and Dental Benefits are not available to retired clergy serving less than 10 years.

10 years	- 50%	or \$1200

The Peninsula-Delaware Annual Conference adopted a Resolution to Change Eligibility Policy at the June 2004 Annual Conference. The Resolution states that persons who joined the Peninsula-Delaware Conference health care plan on July 1, 2000 or after, upon retirement, follows this schedule:

CHART 2

Anti-Tobacco Resolution
2012 Peninsula-Delaware Annual Conference Session

WHEREAS, Christians have an obligation to be in ministry with and for all persons; and

WHEREAS, the founder of the Methodist movement, John Wesley, instructed us to "do no harm" by avoiding "evil of every kind," and to "do good" by ministering to the needs of the bodies and souls of men and women everywhere. The apostle Paul would say in 1 Corinthians 6:19 that our bodies are temples of the Holy Spirit. He also says in 1 Corinthians 10:23-24, that though we are free to do everything in this life, not everything is beneficial; indeed, as Paul says, "no one should seek their own good, but the good of others;" and

WHEREAS, every year in the United States, tobacco smoke contributes to over 430,000 deaths; and

WHEREAS, The toxins contained in tobacco smoke negatively affect all of our body's systems: neurological, cardiovascular, respiratory, gastrointestinal, renal, reproductive, musculoskeletal, and endocrine. Tobacco smoke contains more than 4,700 chemicals, including 200 toxins and 64 cancer causing agents. Yearly, the use of tobacco contributes to more deaths than AIDS, murder, alcohol abuse, and drunk driving combined; and

WHEREAS, tobacco smoke affects not only the smoker, but affects those in proximity to the smoker through secondhand smoke. It is estimated that only 15% of cigarette smoke is actually inhaled by the smoker, leaving 85% to linger in the air for everyone else to breathe. Between 70 and 90% of nonsmokers are exposed to secondhand tobacco smoke on a daily basis, increasing their risk of cancer and disease; and

WHEREAS, tobacco smoke is dangerous to all people, but is most dangerous to the unborn, infants, and young children. Exposure to tobacco smoke can damage developing organs, such as the lungs and the brain; and

WHEREAS tobacco in all its forms is the only product that when used as intended causes addiction and disease. Nicotine is more addictive than either cocaine or heroin;

THEREFORE BE IT RESOLVED that the use of tobacco products of any type may be prohibited in the buildings and on the grounds of any property that is owned, rented, or leased by the Peninsula-Delaware Conference of the United Methodist Church or its individual congregations and signs prohibiting such use may be displayed in the buildings, and on the grounds of any property that is owned for, rented, or leased by the Peninsula-Delaware Conference of the United Methodist Church or its individual congregations.

Others may want to take this route, and we outline here the steps involved in case you may not be aware of the procedure.

1. All salary and conference apportionments are removed.
2. The church drops out of the listing of churches to which pastors are assigned. We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.
3. The only services to be held are weddings, funerals, or special occasions.
4. One or more special services a year may be held with the offering received to be used for the upkeep of the building.
5. The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
6. The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
7. This allows the possibility that should population shifts bring people into the area, we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

1. Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - A. A copy of the deed transferring the property into the name of the Charge Conference;
 - B. Specific directions for locating the property from a major highway; and
 - C. An 8" x 10" photograph of the church building.
2. The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared abandoned.
3. Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994 and June 10, 2010.)

VI. CONFERENCE REPORTS

ADVOCACY RESOURCE TEAM

Mission

The mission of the Advocacy Resource Team's (ART) work is to help the Annual Conference and our local churches to live out the biblical mandate found in Micah 6:8, "... *What does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?*" Jesus' calling and ministry echoed these values of the Reign of God. He was always seeking to include those who were marginalized, disenfranchised, or oppressed, and enabling them to know God in a much more powerful, intimate way. The ART seeks to do the same through sharing ministries of mercy and ministries of justice. We want to reach *New Faces in New Places* with the amazing love of Christ. This love is embodied in the work that United Methodists in the Peninsula-Delaware Conference are already doing, getting ready to start, or maybe dreaming about.

ART also continues the legacy of our Methodist forbearers who have a long and rich history of engagement on issues of social concern. John Wesley was a forthright advocate of prison reform, human rights, abuse of alcohol, labor justice, healthcare, slavery, and the humane treatment of animals. Slavery was a divisive issue within the church during the 18th and 19th Centuries with many Methodists taking strong abolitionist positions while others were less forthright. The women's rights movement, the labor reform movement, the temperance movement and the Civil Rights movement all saw leadership from a number of courageous and prophetic Methodist voices advocating for justice. So, we embrace the mission that we adopted in 2008: *This team supports and cares for empowering and transforming the human community through actions of social justice and advocacy, ecumenical and interfaith concerns, monitoring of inclusiveness, combating racism, sexism, and other forms of oppression, ethnic community concerns and providing diversity training and consultation.*

The Advocacy Resource Team can find *New Places for New Faces* by helping the church and world embrace and embody *The Social Principles* of The United Methodist Church, which also helps to direct and guide the quest for justice in our world. As our Bishop, Peggy Johnson, has said, *"The goal of justice is not for me to win and for you to lose, but for us to find a way forward together. The goal of justice is not to continue to punish yourself or others, but to find a new freedom that energizes all of life . . . Justice is the real deal: the radical surgery that creates real healing. It demands our total involvement. And God is using it every day to change the world."* It is this call upon all of us that drives the team and helps give it the passion to be the hands and feet of Jesus to a hurting world.

Review of 2011 Goals

In 2011 the Advocacy Resource Team has sought to:

- Focus our energy and efforts in areas that will change our world. Work with the Vision Team and local churches to redefine the way that the ministry of advocacy is done in our Annual Conference.
- Complete the work of visioning in preparation for the ministry being done at General Conference next year.
- Continue support for the J. T. Seymour Commission on Religion and Race and their ministry of inclusivity.
- Identify an individual who will interface with the prison ministries within the confines of the Annual Conference to help ART connect to what God is already doing within our regional correctional facilities.
- Explore opportunities to minister in the area of environmental justice and to promote the stewardship of creation.
- Continue to expand the role of Deaf and Disability ministries within our Annual Conference.
- Open conversations on what justice ministries might look like for each of the charges of our Annual Conference.
- Seek to engage every lay member of the Peninsula-Delaware Annual Conference in a justice or mercy ministry in their community.

While we have achieved varied success in each of these areas, we have fallen short of empowering the majority of our laity and equipping them to be advocates of mercy and justice. This primary objective underlies the rest of the goals that we had set in place for the past year. It is a very high bar that we have tried to achieve through a broad approach to the ministry of the ART. We have not been successful in this objective.

Goals for 2012/2013 Conference Year

Because we are on the verge of a new quadrennium, the Advocacy Resource Team has taken a hard look at its mission and ministry within the Annual Conference. As we have evaluated our performance over the last four years, we see areas in which we have made a contribution, like through the work of the deaf ministry team. There many other areas where the Annual Conference has not felt our work and we have failed to reach out in a meaningful way.

Now that General Conference is over, we stand ready to begin the very hard work of developing real, meaningful, practical, Christ-filled ministries that are capable of transforming people. Therefore we submit these goals to the Annual Conference for the next year of our ministry:

- Clearly articulate the vision of the Advocacy Resource Team for the 2012-2016 Quadrennium. Broadly share this with jurisdictional, conference, and local church leaders.
- Improve our communication.
- Upgrade our web presence through the Conference's webpage.
- Create and share an ongoing electronic publication of ART accomplishments, ministries, and opportunities.
- Implement a listserv email database to facilitate rapid communications with local church leaders.
- Develop a method of effective two-way communications between the ART and the local churches.
- Determine areas of interest in each of the local churches that overlap with the ministries of the ART.
- Focus on two critical areas of mercy and justice ministry.
 - Poverty
 - Access to Health Care/Cost of Health Care
 - Leverage any learnings from these foci to the other ministries of the ART.
 - Begin a dialogue with every local church in the Conference concerning how best to resource their ministries of mercy and justice.
 - Seek to engage every lay member of the Peninsula-Delaware Annual Conference in a justice or mercy ministry in their community.

We feel that these goals will begin to make significant impact in our Conference. The Advocacy Resource Team is committed to working through local churches to make an impact on the lives of people both inside and outside the Peninsula-Delaware Conference.

You are invited to be part of this adventure with us. If you would like more information or would like to join us on the team, contact our coordinator, Tom Pasmore tom.pasmore@gmail.com, or our secretary, Sally Milbury-Steen depaceminterris@gmail.com. We are always looking for more hands and feet to be about the work of Christ.

Tom Pasmore, Coordinator

Committee On Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within the Peninsula-Delaware Annual Conference of the United Methodist Church.

Section 1: Review of 2011 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at Nurturing Wholeness in Community retreats in the Conference.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American Issues and ministry. We continue to offer our resources for lay academies and other awareness and training events within our Conference and throughout the Methodist connection.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of our speakers and their effective impact on local churches/communities. This is ongoing and a major goal of our committee. We are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the conference. Our CONAM invites the two pastors from our Native American churches to be part of our committee and encourages their presence and input at our meetings.

To expand the ministry of CONAM into other areas of the Peninsula-Delaware Conference area. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as pow wows and festivals.

To continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CONAM. We make available to the local congregations resources, speakers, materials and ideas for having and conducting a service for this special offering Sunday.

To provide financial support for persons to attend Native American Leadership Academy, Flying With Eagles, youth leadership training, Native American lay speaking school and other Native American awareness, training events and leadership opportunities. This is a major goal of CONAM and is ongoing.

To continue a card ministry. Cards continue to be sent to Native American persons incarcerated in West Virginia prison that NEJCONAM members (Northeast Jurisdictional Committee On Native American Ministries) visited in 2007. Cards are sent to support Native American military personal serving in war zones. Many CONAM members continue to participate in card ministries to Native peoples that they have come in contact with through their participation in various Native events locally and/or within our United Methodist connection.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This is a major goal of CONAM and is ongoing. Many peoples have been identified through contacts with congregations as well as other speaking venues. We shall continue to encourage District Superintendents to follow paragraph 654, page 458 of The Book of Discipline, where at charge conference a person will be named as representative to CONAM. Once representatives are made known, CONAM will have a gathering session to inform representatives of their responsibilities, bring awareness of CONAM and begin our relationship and partnership.

Section 2: Significant Events 2011

CONAM committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our annual conference and beyond.

NURTURING WHOLENESS IN COMMUNITY LEVEL 1 & 2: CONAM members have assumed leadership positions at these retreat experiences. Sharing history of Native

people within the church. Bringing awareness of ongoing historical grief and trauma experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

NDN STIX CHIXS: A youth ministry for the Nanticoke tribal youth. This ministry is under the direction of Ragghi Calentine and boe harris. The NDN STIX CHIXS are in a reorganizing stage, having many of the original members outgrowing the program. The program now has young boys as well as girls participating, and are now referred to as the NDN STIXS, until a new name can be decided upon. Many of the NDN STIXS are also a part of the Nanticoke Dance Troupe and share their cultural traditions of dancing, song, music and history wherever they are invited. NDN STIXS meet on a regular basis emphasizing relationship with Creator God, community service, tribal participation, mentoring younger youth and being helping hands to the tribal community elders. The group continues to raise funds so they may travel to be part of national Native American events. CONAM has committed to a monthly donation so this group can have materials, crafts and toward expenses for group activities.

NATIVE WRITERS WORKSHOP: This is an ongoing event sponsored by NACP (Native American Comprehensive Plan). This workshop focuses on Native people writing worship services, poetry, and stories that can be used by Native and non-Native people. Works from the Native writers is available for use through the NACP and GBOD (General Board of Discipleship) websites. Works from this group have been used by others across the United Methodist connection. Writers from this group have been asked to write for other agencies or events. This gathering is vital to preparing Native people to express their voices through writing. Many from our CONAM and local Native community have participated in this event.

GBOD WRITERS: General Board Of Discipleship had gatherings throughout the United States of Native writers to work on specific services such as funerals, weddings, and honorings. Jean Norwood and Ragghi Calentine have been asked to be part of this ongoing process.

MOCCASINS ROCK: Tennessee Annual Conference Native American Ministries Committee, (CONAM) invited Ragghi Calentine and boe harris to help plan and participate as workshop leaders for this annual event, held at Camp Benson, Tennessee. Many Native American leaders from many conferences across the United Methodist connection are a part of this event. This event is open to Native and non-Native people of all ages. The focus of this event is to bring awareness of the Native culture and to educate participants of current Native issues. Participants experience traditional Native stories, lectures, workshops, Native crafts, traditional drum and flute music, traditional tribal dances and open mic evenings. Life stories from participants have expressed life-changing experiences.

NATIVE AMERICAN LEADERSHIP ACADEMY: NAIC (Native American International Caucus) Ragghi Calentine is chairperson of the leadership academy. This event took place in the summer of 2011, held in Hawaii. NAIC has sponsored this event for the last 20 years, trying to make it an annual event. This event is placed in different tribal locations, so the local tribe can share their people's traditions, concerns and bring awareness of the struggles they are experiencing. Choice to have it in Hawaii fulfilled a commitment to the Pacific Islanders from NAIC to bring the leadership academy to their area and learn about the Hawaiian people and the issues they face in the 21st century. Many of our local tribal people participated.

NATIVE AMERICAN MINISTRY SUNDAY CELEBRATIONS: Many of our committee members have taken part in many churches throughout our conference celebrating Native American Ministry Sunday. We thank the churches for their invitations, contributions and dedication.

NANTICOKE TRIBAL DANCE TROUPE: CONAM members are members of dance troupe and share stories, music, traditional dancing and cultural traditions at various events throughout the Northeast.

EASTERN PENNSYLVANIA CONFERENCE: CONAM members have traveled to many churches in this conference to share Native American Ministry Sunday services and events. The E.PA CONAM and our CONAM have established a relationship and keep a connection with each other for support and awareness.

SUN VALLEY INDIAN SCHOOL, HOLDBROOK, ARIZONA: CONAM sponsored a student from Sun Valley Indian School, who came in June, with other students, to visit our local area. Whatcoat UMC in Camden was the host church. Whatcoat members continue to take mission trips to the school. Some CONAM members have participated in this ministry.

TRAIL OF HOPE; THE POWER OF NATIVE AMERICAN WOMEN: Native American Women's Conference held in October at Lake Junaluska, sponsored by SEJANAM (Southeastern Jurisdiction Native American Ministries). Ragghi Calentine and boe harris were part of the leadership team and guest speakers. Our Native tribes being matriarchal, our Native American women's events are vital to the nurturing of our Native women and fostering good health in our Native communities.

HONORING OF THOSE WHO HAVE CROSSED OVER: CONAM has lost many Native people who have been an important part of our committee and its work. To the families of these beloved elders we thank you for sharing them with us. They shall be greatly missed and their contributions to our committee will always be remembered.

Section 3: Committee Members' Participation in Other Vital Ministries Outside Annual Conference:

- **NAIC:** Native American International Caucus. Ragghi Calentine and Brittany Carney, Nanticoke Tribal young adult, are representatives to this General Church caucus.

We shall continue to bring awareness of Indian mascots and how they continue racism and the cycle of historical trauma and grief, and how that affects reconciliation and healing process of our Native people.
- CONAM will continue to encourage our district superintendents to fulfill the position of a CONAM representative in each of our conference churches or charges.
- CONAM will continue to arrange training events for our church/charge conference representatives to our CONAM committee.
- CONAM wishes to thank all those that have invited us to be part of their gatherings or events and looks towards many more invitations. We appreciate all of the financial support that our churches have given us.

Touched by the Heart of Salisbury Urban Ministries

SUM is a faith-based direct services agency. In 1992 ten United Methodist churches in Salisbury joined together with other area churches to develop programs for the materially impoverished. SUM programs seek to help to alter the lives of those who suffer the misfortune of unjust circumstances. People needing support are offered the means to help take care of themselves and their families. Through financial aid, feeding programs, a food pantry, medical care and guidance, and educational/social programs SUM reaches out to restore personal and emotional security and comfort to those bruised by adversity.

Children are taught to believe in themselves through organized programs which encourage them to set goals, dream dreams and most importantly, have faith in themselves. At the heart of SUM current mission is the desire to provide quality services to the materially impoverished in the face of a society whose needs grow greater and greater every day in an economy in recession.

Most of SUM support has historically come from individuals, the Peninsula-Delaware Conference, church groups, civic groups and area businesses. The support of these groups and organizations has enabled SUM this year to achieve the following:

Kids Café

The Kids Café program provides a safe, learning environment for children in the community in order to help them flourish academically, socially and civically while exposing them to activities and services that promote overall growth and development so that they may become productive, successful citizens.

- Ages 5-14
- Must attend East Salisbury, Beaver Run or Wicomico Middle Schools
- Tuesdays, Wednesdays and Thursdays 4:30-7:00

Young Men of Promise

This group will allow our young men to interact with African American men who are positive, successful members of the community. They receive positive reinforcement and experience fellowship with male figures that are not in gangs or participating in criminal activity.

- Ages 8-15
- Live in the Church Street area
- Need a positive male figure in their life
- Need academic tutoring
- That have behavioral problems
- Who have self-esteem issues
- That need guidance
- Who need to learn to make positive choices

The Lazarus Center and Food Pantry

Program Description: This program assists families in crisis situations in Wicomico, Worcester, and Somerset Counties. Churches, individuals, and community organizations donate food, funds, and volunteers to run the Lazarus Center and Food Pantry. A major component of the Lazarus Center is God's Kitchen which is a Saturday meal program which offers hot lunches from 11:15 - 12:30 p.m. at Grace United Methodist Church. Twenty-nine churches, businesses and community organizations provide the meals on a rotating basis, serving over 200 individuals each week.

At God's Kitchen volunteer nurses help with SUM Health Outreach by providing medical attention, referral, and educational support to people who do not have access the health care system because of their life circumstances and limited income. Homeless men can leave God's Kitchen and retreat to SUM Hospitality Center. The Hospitality Center is an outreach program to the chronic homeless population, providing them with a place where they can take showers, wash a load of clothes, get a haircut and enjoy a brief time off the streets in a welcoming atmosphere each Saturday afternoon.

Neighborhood House, Inc.

Mission Statement: With God's love from within, Neighborhood House provides services and programs that educate, enlighten and empower people and the community.

Neighborhood House, Inc. is a non-profit, social service agency with locations in Wilmington and Middletown, Delaware, founded by the Methodist Women's Home Missionary Society in 1927. The agency has continued to provide a vital ministry for the residents in and around the South Wilmington community and the Middletown-Odessa-Townsend community - over 60% are low to moderate income and/or single parent households throughout New Castle County.

Neighborhood House operates on a foundation of Christian principles pursuing two primary purposes:

- assist and guide people with finding their own paths of awareness, self-sufficiency, productivity, hopefulness and success; and
- provide leadership, support, and advocacy for a comprehensive approach to community, economic, and leadership development.

Better housing, family unity, education, counseling, recreation, neighborhood development and racial and cultural understanding, as well as spiritual and emotional enrichment are important aspects of programs and services that meet the various needs of the people we serve.

Neighborhood House is still committed in making a difference in the lives of people in New Castle County especially the South Wilmington and the Middletown, Odessa and Townsend communities.

2011 Highlights of Programs Addressing Healthy Church Initiative Pathways

1. Eliminate poverty in community with the poor.

- **The Family Services Program** is designed to assist families and individuals to meet their immediate basic needs of food, heat and electricity in crisis situations. The agency assisted 852 unduplicated families in 2011. Some of the services offered are: emergency food closet, financial assistance/leveraging funds for utility bills, Thanksgiving/Christmas food baskets, and Christmas adopt-a-family program, bus tickets for employment and life skill workshops. 450 families were serviced from the food closet; 171 received utility assistance and avoided disconnection of services; 170 families received back to school supplies, 50 individuals received employment preparation, 47 families participated in the Hope Food Club, 193 families received Thanksgiving baskets, 113 Christmas baskets and 198 families were adopted for Christmas.
- **The Promoting Safe and Stable Families Program** exists to serve families with social, physical and emotional factors, such as lack of resources and support, stress and crisis, child behavioral difficulty and certain parental characteristics that can often challenge a parent's coping skills. The Program uses a unique family centered intervention that helps parents to become the driving force behind the planning process to meet their children's needs. The program serviced 39 unduplicated families with children under 18 with support services in 2011.
- With donations from Wilmington District churches, Neighborhood House was able to serve many clients through the emergency food closets in Middletown and South Wilmington, holiday food baskets and the Adoptive-Family Program at Christmas.
- **The Case Management Program** is a new program that started in 2011. This program is offered in the Middletown office only. This program is to assist low-income adults in the Middletown, Odessa and Townsend areas to develop and implement action plans to become economically self-sufficient. The program started in October 2011 and by December had 30 households in case load.

- **The Housing Counseling Program** provided a full range of services and advice to housing consumers in order to increase the number of homeowners and tenants by assisting them to purchase, rent and maintain affordable housing. The program is approved by the Dept. of HUD to provide comprehensive housing counseling. The program also offers pre-purchase seminars, homebuyer education workshops and home ownership preservation workshops. Five hundred and forty five unduplicated (545) households were assisted in 2011 to meet their housing goals or resolve their housing problems. Counseling provided was Homebuyer Education, Foreclosure Intervention/Mortgage Default and 233 households were counseled, 54 households obtained a positive resolution by receiving loan modifications, forbearance agreements, repayment plans or by bringing their mortgage current which resulted in \$8,742,096 mortgage dollars saved, 112 families received Homebuyer Education Counseling and 42 purchased a home, 28 households received only Post-Purchase Financial Literacy and or Home Maintenance, 172 households are still in counseling. They are working towards their goal to become homeowners, working in finding a resolution to their mortgage situation or working to establish credit.
 - **The Weatherization Program** provides energy efficient improvements in the homes of low-income families to maximize energy savings and improve the health and safety of families. The agency administers the program in New Castle County. In 2011 the agency completed 338 homes (either by completed, closed/defer or closed non responsive) that had to be revisited as required by Department of Energy.
2. Reach and transform the lives of the new generation of children.
- The Youth Development Program offers the following activities - the Homework Help Assistance Program provides youth grades K thru 12 homework assistance, tutoring, and access to computers for research and reports, and computer training. Other activities include field trips, extended hours, Alcohol, Tobacco and Drug Prevention Programs, Recreation & Sports Teams, Summer Enrichment Camp and Cultural Enrichment trips, Urban Bike Program, Teen Photo Voice, Teen Summits, Underage Drinking Town Hall Meetings, Wall Street Academy, Wilmington Grand Prix Bike Race and Family Movie Night. Three hundred and seven (307) youth participated in the various programs in 2011.

2011 Partnerships

- University of Delaware Early Learning Center - This partnership is providing child care through the Early Head Start program to children ages 6 weeks to 3 years old. In early 2011, the Early Learning Center served 30 low-income children from Southbridge and surrounding area.
- South Wilmington Planning Network - This continues to be a strong partnership with Nemours Foundation, Henrietta Johnson Medical Center, HOPE Commission, Southbridge Civic Association, and local government officials serving as a vehicle for information and resource sharing among organizations that have a vested interest in the South Wilmington community. The network supports the various organizations and associations in their endeavors to improve both the physical and social structure of South Wilmington and to address the issues of area residents and its surrounding communities.
- Delaware State University offered to area youth in 2010- Wall Street 101 Saturday Academy, a five-week program providing high school students an overview of financial markets and how they function.
- Christiana Care Health Services Wilmington Consortium to host (employ) a Health Ambassador and host two perinatal health programs. The Health Ambassador is a resident of South Wilmington and has three primary roles including connecting neighborhood residents to health care services, communicating important health messages such as the importance of pregnancy planning and healthy lifestyles and to connect residents to perinatal health education programs.

Goals for 2012 and 2013

- Celebrate 85 years of services for Neighborhood House Inc. by having a event in the fall of 2012 that will also serve as a fundraiser. Neighborhood House was founded by

the Methodist Deaconess Women's Home Missionary Society and first classes were started in November 1927.

- Celebrate 35 years of the Housing Counseling Program
- Complete a Five Year Strategic Plan for Neighborhood House, Inc.
- Continue to provide services presently offered and expand services to include a Housing Repair Program in the South Wilmington Community.
- Expand the staff of the Youth Development Program
- Update building located at 1218 B Street to be more energy efficient in order to spend less money on utilities and more on programs.
- Send six youth from South Wilmington to Camp Pecometh for one week in the summer of 2012.

Veronica Oliver, Executive Director

Methodist Action Program

In 2011, the Methodist Action Program continued to minister to at-risk populations in the City of Wilmington, New Castle, DE and Cecil County, MD. Our primary ministries are the following:

- Youth Moving Forward (a 16-week intervention/prevention program for first-time, non-violent adjudicated youth)
- Homeless Services at "Old Asbury church" in partnership with Friendship House and Emmanuel Dining Room
- Los Abuelos (Hispanic Senior Center), operated in partnership with the Latin American Community Center
- Emergency utility and housing services offered in conjunction with the F.A.I.T.H. Center
- In 2011, the Youth Moving Forward ministry to at-risk teenagers continued to thrive. Through our partnership with the Department of Youth and Rehabilitative Services, we provide mentoring and life-skills training to youth ages 9-17 who have had an initial encounter with the criminal justice system. Rather than impose a stringent penalty on these benign first-time offenders, judges refer these offenders to Youth Moving Forward for intervention services. Throughout our eleven (11) year history, this program has achieved a remarkably low recidivism rate of 15% and has successfully helped first-time offenders straighten out their lives and pursue valuable endeavors such as college education or gainful employment.

The largest homeless ministry in Wilmington operates out of historic Old Asbury Church in the heart of Wilmington. Over 150 meals are served daily (except Easter, Thanksgiving and Christmas Day), free of charge, to disenfranchised persons by Emmanuel Dining Room. Friendship House operates the "Men's Day Center" on the 2nd and 3rd floors, providing vital services to homeless men. Here, men receive housing, employment, educational services and vital records assistance which facilitate their transition to self-sufficiency. The F.A.I.T.H. Center provides emergency utility and housing services to needy citizens of the community. The sanctuary is rented by Macedonia Baptist Church, a growing start-up congregation that ministers to the spiritual needs of the immediate community.

Los Abuelos is a program ministering to Latino seniors from various countries and communities in the Greater Wilmington area. It provides cultural and recreational activities, field trips, financial services as well as food and nutritional information. This is a vital ministry offered in conjunction with the Latin American Community Center and supports a segment of the community that often feels neglected because the members are not native to the country and do not speak the primary language with great facility.

2011 Program Goals

- Develop sustainable, dedicated funding sources to support the Youth Moving Forward program.
- Explore opportunities to expand Youth Moving Forward services to suburban Wilmington and possibly to Kent and Sussex Counties.

- To seek Capital Grants to upgrade the Old Asbury Church facilities to sustain the programs operating at this facility.
- Strengthen the relationship with Wilmington District churches to address urban concerns.

2011 Grants

- State of Delaware Grant-in-Aid
- Peninsula-Delaware Annual Conference
- Wilmington District Committee on Urban Center Ministries

CHRISTIAN SERVICE TEAM

Peter D. Weaver
Congo Partnership Team

God continues to bless our partnership with the Democratic Republic of the Congo as we continued to develop several new relationships that are enhancing our ability to meet the growing needs of our Congolese sisters and brothers. Our coalition with the Eastern Pennsylvania Conference and the Western North Carolina Conference has enabled us to expand our outreach in significant ways through addition funding, energy, prayer, and more people becoming involved.

We are so appreciative of all gifts of prayer and financial support that are important making it possible for us to accomplish these projects. Our goal is for every local church to have some involvement in a Congo Partnership project. We recognize that our Congo sisters and brothers will do as much for us, or perhaps even more, than we will be able to do for them and with them. Their steadfast faithfulness in the midst of incredibly challenging times and their love and passion for Jesus Christ encourages and challenges us to "go and do likewise." On our website, www.congomission.com, local churches and individuals can find information about specific projects they may want to adopt. It is a great way to engage U.M. Women's and Men's groups or a youth group in making a difference. Last year, churches in the Eastern Pennsylvania Conference raised funds to purchase Bibles and song books for several local churches. A church in the Peninsula-Delaware Conference provided funding to install water in a school and a grinder for a U.M. Women's group in Kinshasa to raise funds for their new church. Visit our Web site for more information about how you can be involved.

Our Partnership Projects are the life-line of support for the Congo and, through the generous support of our Conference and an Eastern Shore Foundation, we have expanded our outreach at the MPASA Medical and Nutrition Center. Electricity is being installed, long needed medical equipment purchased, and we expanded the feeding program to include severely malnourished children and elderly women. They are doing amazing work at MPASA.

Our Agriculture Projects have been launched and three Agriculture Farms were started last year in various places across the Congo helping to teach others how to farm and become

self-sufficient. These farms have done amazing work in the first year with new crops, cattle, construction of barns, fences, and other buildings.

We also expanded our medical outreach to include four areas in the central part of the Congo (Kananga, Wembo Nyama, Kindu, and Minga) that are remote and offering critical medical care to persons who would not have alternatives. These funds are used for medicines that every day saves lives.

We fund a Mission Coordinator, Adolphe Yamba Yamba, who works with Bishop Yemba and our Partnership to assist us in assuring the timely delivery of resources and being an important communication link with our churches in the Conferences so we can hear regular stories about what is happening with our projects and receive current photographs and videos to use in our local churches to promote these ministries. Adolphe Yamba Yamba also assists our VIM teams that travel for specific purposes such as medical, education, construction, and agriculture.

We have several mission teams traveling to the Congo in 2012-2013:

- Cataract Surgical Team in May 2012 taking a surgeon and medicals staff from the US to join a surgeon and medical team from the Congo at MPASA hoping to do 250 surgeries in one week. Surgical equipment will be donated to MPASA so that they can continue to offer this procedure throughout the year when surgeons become available.
- MPASA Team to assist the medical clinic and nutrition program in July/August 2012 led by Sue Keefer. This will include the feeding program and working with the elderly women.
- Agriculture team – August 2012, will visit and work at the 3 new farms and begun negotiation with a potential new site with an existing NGO in the Kinshasa area that would open the door to a huge market for produce and other products.
- Wembo Nyama – summer 2013, a team from Eastern Pennsylvania that will help develop a new Christian education program for children
- We may also be taking persons who have experience in construction and structural engineering to help us assess the work need on the hospital, school, and church in Wembo Nyama.

These are just a few of the exciting things happening with our partnership. You, and your local churches, help make all this possible through your prayers and your financial support with our goal of a minimum of \$60,000 annually.

We are all indebted to the hard work of the Congo Partnership Team and the support of the churches of our Conference through financial gifts and prayer. Bishop Johnson and the Cabinets have been very supportive and are looking at ways each district can be involved in specific projects of the Partnership enabling churches to work together. This is a day of new beginnings in many ways for us so we covet your prayers.

Volunteers in Mission

"Volunteers in Mission" is the name we give to the vital ministry of mission trips that travel locally, nationally, and internationally to serve Christ in a variety of ways, including

ministries of construction, medicine, and Christian education. One of the most effective ways of encountering Christ and glorifying God in service is through VIM experiences.

Goals:

- 1. Provide VIM Team Leader Training and ultimately ensure that every VIM Team in our local churches has trained leadership.** Greg Forrester, UMVIM Coordinator for the Northeast Jurisdiction, led training at the Journey Into Mission Event Saturday May 19 at Asbury in Salisbury. Special thanks to Benita Harris for being lead on this event hosting. Also at this event: sewing for mission, ramp building training with plans, HUB training from Mission Central, and assembling meals with Stop Hunger Now. The VIM Team Leader Training is recorded on video tape from this event and will be available.

Our committee is also available to come to local churches to provide training. To schedule training, contact either Amy Yarnall or Marie Van Der Wall.

Training is open to all people with an interest in VIM ministry and encouraged for all.

Note: It is vitally important that teams have insurance. VIM Teams must have insurance. Even if you have medical insurance, team members need this insurance. This insurance is inexpensive, and it covers unforeseen events. For example, regular medical insurance is often suspended in disaster zones. Also, if a team member has a serious medical event (or dies) the insurance will not only pay for care, but will pay to transport them home. These are not things we typically consider, but they are extremely expensive in the rare occasions they occur. Insurance is offered through the Northeast Jurisdiction VIM Office. Website: <http://new.gbgm-umc.org/about/us/mv/mission-teams-umvim/insurance-application-form/> Cost is \$1.55 per day plus \$15 fee per person. Coverage is medical of \$10,000 with a \$250 deductible and medical evacuation and repatriation of \$100,000. The insurance sales also help to support the work of the NEJ VIM office, which makes significant contribution to VIM Ministry.

- 2. Grants/Scholarships:** We have officially launched this program. Parameters include demonstrated financial need (verified through pastor recommendation), willingness of local church to match the grant, maximum grant of \$250 from VIM to be matched by church, preference given to youth with at least five scholarships available for them, limited to 20 grants total (assuming \$250 each). To receive an application, you may go the Conference Web Site and click on Volunteers in Mission at the bottom of the home page, or contact a member of the VIM Committee.
- 3. Hub Ministry:** We now have an official HUB of Mission Central located at Christiana UMC. Jill Custer and Rev. Bonnie Jones-Goldstein are the site supervisors. A board comprised of folks from several churches has been established. They are actively receiving items that are headed for Mission Central. Be in touch with Jill at jill_cu03@yahoo.com or Bonnie Jones Goldstein revbonnie@yahoo.com 302-286-7002 to arrange for items to go there, or to learn about volunteer opportunities. The First Friday of each month, starting @ 3p.m. is a standing time when the HUB is open. Call to arrange other times to volunteer or drop off.

We are hoping that additional HUB(s) will come out of the training event May 19. Our goal is to have at least in every district. NOTE: UMCOR has updated their kit lists. Please be sure you are using up to date kit lists.

- 4. Connect with VIM Teams throughout our Conference to provide prayer support, education, and communicate what God is doing. Report on Peninsula-Delaware VIM to General Board of Global Ministries.** We have also worked to provide communication of VIM trips that are happening around the Conference. We think we may be aware of 25%-50% of the VIM ministry that is actually happening. If there is VIM ministry happening in your church, please ensure that these servants are connected with the Conference VIM Committee so that we can support, celebrate, equip, and encourage others to join any open teams. Contact

Rev. Amy Yarnall @ pastoramy@gmail.com 302-678-9626, Marie Van Der Wall at the conference office 302-674-2626 mvanderwall@pen-del.org, or any member of the VIM Committee. We also report team activity to the Conference and the Jurisdiction, which ultimately goes to the General Board of Global Ministries. This data impacts budgeting at a national level, so if providing additional support for VIM is close to your heart, know that filling out annual reports is important.

5. Communicate

- a. **Communicate Team Openings around our Conference.** These are now listed on the Conference web site and updated regularly by Marie Van Der Wall. If you want to advertise a team, or find a team to join, check the web listing. To add to it, contact Marie at mvanderwall@pen-del.org
 - b. **VIM News and Ministry Opportunities via listserv.** The VIM listserv for Peninsula-Delaware continues to be a source of ministry information for all who join. **To receive these email messages**, send an email to VIMNews-subscribe@pecometh.org. This will ensure you receive current information, especially when disaster strikes so that teams to places like Haiti can form.
 - c. **Blog:** When you travel on VIM and when you return, we celebrate VIM through our conference blog, linked on the conference web site. This is a great way to share the stories of what God is doing. To submit a blog entry in text and/or pictures, email Karin Tunnell @ PastorT@stpaulsodessa.org or Amy Yarnall @ pastoramy@gmail.com
 - d. There is a **national VIM web site for your use. Check out** www.umvim.info to find out about trips that are happening nationally and internationally that are open for people to join, as well as find sites to travel to for VIM teams that are forming. If you would like personal assistance connecting with a VIM site, please connect with a VIM Conference Committee member and we will be glad to serve.
 - e. **Speakers in local churches and Conference meetings.** Speakers have travelled to local churches as well as District Meetings to share about VIM ministry. We remain available and committed to do this. If you would like a speaker, please be in touch.
- 6. Video Production:** We have now produced two videos celebrating VIM ministry. One was available at Annual Conference 2009 and the new one is available. These are designed to be used in the local church to share about VIM ministry. Copies are always available at no charge. Contact Rev. Amy Yarnall @ pastoramy@gmail.com 302-678-9626, or Marie Van Der Wall @ mvanderwall@pen-del.org at the Conference Office. Our next video project will be the use of video in training teams. The details of how video will be used are still under discussion.
- 7. Conference Office Ministry:** Marie Van Der Wall has felt led to serve in the Conference office on a volunteer basis one day per week. She is a member of the VIM Committee, as well as our Conference Secretary for Global Ministries and a member of the Congo Partnership. She is a valuable mission resource here for your church. Call upon Marie for any and all mission related questions, and she will find you what you need. mvanderwall@pen-del.org 302-674-2626

VIM Project Highlights

1. We are excited for our second annual Community Volunteer in Mission Project concurrent with Annual Conference. Rev. Yvonne Penn has provided excellent leadership on this event, working with community members in the Greenwood neighborhood of Princess Anne, and connecting the Peninsula-Delaware Conference. Please spread the word that this is annual opportunity with a low cost. Accommodations on campus, with meals provided, for June 5, 6, 7, 8 are only \$40 per person this year.

2. Costa Rica Continues to be a wonderful international mission opportunity led by Gil Hoffman of Kent Island UMC.

In 1996 one member of KIUMC went to Costa Rica with Calvary UMC, Annapolis. In November of 1996, the missionary from Costa Rica, Marion Woods, visited Kent Island UMC and in 1997 five members from KIUMC participated in the VIM trip in January beginning a long term relationship with VIM in Costa Rica. Since that time over 100 different individuals from the Kent Island congregation have participated on one or more of the trips. The trips have centered around construction of church buildings, vacation bible school, and building relationships within the local church.

Beginning in 2005 two teams annually, led by KIUMC, have worked in Los Chiles building the church buildings and then improving the living conditions in the "precario" where many of the church members reside. The nature of the work the past 4 years is the local church establishes priorities for families from the church to provide clean water, dry floors and roofs that do not leak. Along with teams from FUMC Winter Park Florida, a standard house design has been created and 8 houses have been constructed in the past four years. In February 2012, a team of 17 from four churches in the conference area built two houses. The cost of construction is \$6,000. Eleven of the team members were making the first VIM trip to Costa Rica and the response from most is "this will not be my last" and "it has been a life changing experience."

Mariners Bethel UMC has also established a relationship with this ministry. If you would like to explore this further, contact Gil Hoffman @ gilhoffman@atlanticcb.net

3. VIM Trips going out from our Conference have been many places. To highlight a few destinations, sites include Haiti, Congo, Red Bird, Nicaragua, Costa Rica, Tennessee Flood Response, New York Flood Response. That is just a smattering. Remember: contact with Marie with trip information even if the trip is filled. We will include it on our site, so that we can celebrate it and lift it in prayer.

As we begin a new Conference year, we look forward to seeing God continue to work powerfully through Volunteers in Mission. If we can be of any support or help to you, please be in touch. You are our reason for serving. We look forward to growing in grace together.

Conference Appeals Coordinator Report

I am glad to have served you again in the past year. In the following paragraphs, I will cover what pieces I am responsible for. Contact information: Kevin Goodwin (MissionsCzar@aol.com or 302-453-1169).

Central Conference Pension Initiative (CCPI)

So, what is CCPI? This is an effort launched by the 2000 General Conference to raise an endowment to provide pensions to our pastors serving in Africa and Asia where 99% of them retire without any means of support. For \$10,000, we can provide enough income for one of these pastors to receive enough income to live on (imagine being happy with a monthly pension of \$50!). By the end of 2011, \$23 million of the \$25 million goal had been donated. The 2009 AC Session committed to raising \$50,000 for CCPI before the end of 2012. To this end, we have raised 55% of our goal. Celebrate CCPI Sunday (August 1st) to help us complete this pledge. Visit www.ccpi-umc.org to learn more about this important effort to provide financial security to our retired pastors in the Central Conferences (Africa, Asia, Eastern Europe, Russia). One of the three Appeals at this summer's Annual Conference will support CCPI.

Africa University Report

We raised \$14,204 to endow scholarships at Africa University in 2011. We are supporting two College of Business students from Angola. By receiving an offering on Africa University Sunday (2nd one in Nov), we make the earnings on our endowed scholarships keep up with the raising cost of education.

Visit www.support-africauniversity.org to learn how to become an Honorary Alumni of Africa University or how to include AU in your estate plans. Visit www.africanu.edu to learn more about Africa University itself.

Special Sundays Report

Giving to the six UMC Special Sundays was \$68,365, up 4% from 2011 but still below our goal of \$1.00 per member of the Annual Conference. Raising these Sundays up in our churches not only provides vital scholarship funding, it increases our members awareness of how diverse our people and ministry outreach programs are. Churches have found many ways to financially support these Sundays: individual or one combined offering, inclusion within their missions budget, or free will offerings. Our conference is blessed with several Native American speakers who want to be asked to come in support of Native American Ministries Sunday (50% of that offering remains within the AC).

Annual Conference Appeal

The slow economic showed as the 2011 Annual Conference Appeal (Congo Partnership, Imagine No Malaria, BOOM) was below \$40,000, down 35% from 2010. This year we are asking churches to raise funds for the Central Congo Partnership, BOOM Scholarships, and the Central Conference Pension Initiative (see above) needs. Please raise these needs within your churches and bring your gifts to Annual Conference (envelopes are provided within the pre-conference packet). Let's see if we can get over \$50,000!!

Board of Ordained Ministry (BOOM) Scholarships

In any year, our Conference has 45-60 pastors in school; available funds cover only 20% of their tuition, books, and other expenses. There are some churches that raise 100% of the school costs for any member who goes into the ministry – wouldn't it be great if more did! While waiting for that date, this is our second largest source of pastor scholarship funds (after your apportionment-supported Ministerial Education Fund dollars). The pastor you help educate today could be assigned to your church tomorrow!

Conference Advance Specials

The 2009 session of Annual Conference approved the following Conference Advance Specials for 2009-12: Central Congo Partnership, Africa University, BOOM Scholarships, Central Conference Pension Initiative, and VIM/Emergency Response. Each will be assigned a Sunday for churches to raise the need to their members. Even if you chose not to ask for gifts, please use those Sunday's as an educational opportunity. You might be surprised by the response!

The 2010 session added a fifth Conference Advance Special for Deaf Ministries that will be celebrated each July thru 2012. The 2011 session added a sixth Conference Advance Special for African Pastor Leadership training.

The Need Continues

Even though much effort is focused on the Annual Conference Appeal effort, the need does not start or end in the second week in June. These appeals do not have the "luxury" of being on TV each night so it's up to the pastors and lay leaders to bring these needs to our people and see how God leads them to give. To assist in your planning, we have set up a \$1.00/month guide to consider.

The Central Congo Partnership - \$1 per member

Launched in 2003, our support has become even more vital as the economy in the Democratic Republic of the Congo has failed to recover from years of Civil War. Your dollar pays salaries and supplies for the medical clinic. It buys food for the nutrition center. We are starting an agricultural project to aid local farmers.

The Annual Conference Appeal - \$1 per member

Each year the Sessions Committee selects several pressing needs here and around the world to give special attention to. Your generous support has allowed us to raise more each year to where we are now 50% of the way to reaching this goal. Early each spring, churches will be sent information related to that year's Appeal.

Special Sundays - \$1 per member

These Sundays raise funds to address special needs people in our country have. They allow you to share with your church what the UMC is doing to combat some of the social problems facing our nation. Each church is asked to raise at least \$1 per member for the Special Sundays, less than the cost of a cup of coffee or a soda. If your church wants to take one offering and divide it up to six ways, that's fine, too.

Board of Ordained Ministry (BOOM) Scholarship Fund - \$1 per member

With funds provided by your apportionment payments, our Conference can only cover about 16% of the cost of training our pastors in seminary and the Course of Study program. We need to do better. Donations to the BOOM Scholarship Fund help us cover more of this educational expense. For churches who have a member studying to be a pastor, adopt them as a missionary and cover part or all of their training expenses. This goal will allow our Conference to cover almost 25% of these costs!

Local Outreach and Conference Advance Specials - \$3 per member

Missions outreach starts just outside the church door. What can your church do for the hurting in your community? Support local food & clothes efforts; Habitat for Humanity or conference supported centers such as Neighborhood House and Salisbury Urban Ministries. Completing pledges to Africa University and CCPI would also be covered by this \$1.

The Advance/Missionary Support - \$5 per member

The Advance has over 2000 projects to choose from covering every possible ministry and over 100 countries. Every church should be able to find at least one that touches their heart. Or select a missionary to support. Remember, 100% of all Advance gifts go to the project or missionary. Support costs are covered by your apportionments.

Important: All missions support (other than purely local projects) should be sent to the Conference Office in a timely manner using the official Conference Benevolence Transmittal Form.

For more information on any of these missions topics, go to www.pen-del.org

Annual Conference Appeals Approved

Bishop Peggy Johnson and the Sessions Team have endorsed the Christian Service Team's proposal for offerings at the 2012 session of Annual Conference. Please consider these needs as you plan for the first half of the year. The Appeals for 2012 are:

- Central Conference Pension Initiative (CCPI). At the 2009 session of Annual Conference, we pledged to raise \$50,000 for CCPI by the end of 2012. We owe \$27,000 toward that goal. CCPI is building an endowment fund from which pastors in Africa, Asia, and Eastern Europe can draw monthly pension checks. Help us complete our commitment to our fellow clergy.
- Central Congo Partnership: This Appeal supports our work in the Democratic Republic of the Congo (medical, food, education efforts).
- Board of Ordained Ministry (BOOM) Scholarships: This Appeal supplements the MEF apportioned funds retained by the AC to provide financial support to pastors in seminary or the Course of Study program.

One envelope allowing designation to any/all four Appeals will be sent out this spring in the Pre-Conference packets. All pastors should by now have received a complete list of all Conference Appeal and Special Sundays for 2012. If not, email me and I will send you a copy (Missionsczar@aol.com). Thanks for your support.

Kevin Goodwin, Conference Appeals Coordinator

EVANGELISM & OUTREACH TEAM

The Conference Evangelism and Outreach Teams have been very busy during the past year. The Back Pack Ministry continues to expand and is now in churches across the conference. One of the churches involved in this ministry received a note in a returned back pack from a young boy. He thanked the church for the food and stated he wanted to know more about this man called Jesus. Brothers and Sisters, this is what we're all about. Not only to help the least of these, but to spread the good news about Jesus to the world. All that is necessary to get involved with this ministry is that your church is willing to provide at-risk children with some food for the week-ends. If your church would like to do something but doesn't have sufficient start-up money, the Conference E & O Committee will buy up to ten Back-Packs for you to get started. If you would like more information on how the program works, call Levin VanSant at 302-670-5227.

The Health Ministries Team held the Annual John Wesley 5K Run/Walk at Killen's Pond State Park. The event was a great success, with John Wesley and the United Methodist Church getting a lot of publicity. We also gave out Bibles and T-shirts advertising United Methodist Churches in Kent and Sussex counties. We have an even larger event slated for this year. We would like to see more community events (Street fairs, Antique Shows, 5K Run/Walks, Job Fairs, Health Fairs and Ice Cream Festivals to name a few) put on by our local United Methodist churches. The E & O Committee has money to help fund these events. For more information on putting on an event call Levin VanSant at 302-670-5227.

One major success story in 2011 was the Evangelistic effort launched by churches in the Seaford area. For their Vacation Bible School the Seaford Fire Hall was rented, a professional entertainer was brought in and meals were given out. The last night there were over 500 in attendance. Please consider putting on Church events in none church settings or neutral settings. Again, the Conference E & O Team has money to help with such endeavors.

E & O would like to put up religious themes on billboards along active roadways all over the peninsula. If you know of any available billboards or know of someone who could help us, please call Levin VanSant at 302-670-5227.

We are planning Evangelism events at the Blue Rocks and Shorebirds Stadiums, and it appears at this time that there will be an Evangelism Seminars in the Wilmington District later this year.

Health Ministries Team

The Peninsula-Delaware Health Ministries team is a component of the Evangelism & Outreach Committee. We welcomed three new HMT members and are partnering with the Lyme Disease Task force and Delaware Public Health in teaching Diabetes Training Classes. At the 2011 Annual Conference, we demonstrated the use of AED and CPR to the Peninsula-Delaware Conference Churches. We had our first Bishop's Walk, which was very successful and we are planning to make this an annual event. Dr. Dave Verma spoke to the clergy during their Annual Conference Clergy Session about weight and portion control. Blood pressure screenings were held during all sessions and approximately 500 blood pressures were taken. UMCOR Congregational Health Ministries programs and church health ministries were promoted.

Outgoing Health Ministries Team members: Judy Barkley, Co-Chair; Dr. Dave Verma, Financial Officer; Dottie Moyer, Secretary; and Pat Jaffray were voted to become ex-officio members as of 07/01/2012.

2012-2013 Goals:

1. The Second Annual Bishop's walk at 2012 Annual Conference
2. Anti-Smoking Resolution to be presented by Rev. Elaine Ayres and Judy Barkley
3. Ongoing goal for networking of current parish nurses and congregational health program leaders
4. Establish a sound congregational health ministries program in Peninsula-Delaware Conference Church (Parish Nurse or Health Ministries Leader)
5. Two-hour Healthy Church Initiative Workshops in April for each district
6. Second Annual Health Ministries Team Health Fair at Wyoming UMC on 10/06/2012
7. Diabetes self-management classes will be available as requested. Trainers: Mary Casson and Dottie Moyer
8. Survey all conference churches for health ministries needs

SPIRITUAL FORMATION & DISCIPLESHIP TEAM

The Spiritual Formation Team continues to allow God to lead us as we are transformed from the inside out by the Spirit to be salt and light in the world.

The Spiritual Formation Team continues to participate in The Well and plans on offering two new workshops in 2012. The workshops will be offered at The Well and participation in planned in the Healthy Church Initiative.

The Monastic Day Apart was held in September and will be offered again in 2012. We pray more people will join us in this day of renewal in the Spirit.

The Spiritual Formation Team is working with Rev. Kay Lanasa to offer future events for spiritual renewal of clergy as well as laity.

We will continue to provide a Prayer Room at Annual Conference with prayer warriors present and in prayer for the work of the Conference as well as praying for individuals and taking prayer request. A form for prayer request will be included in conference packets for those who want to drop off their request.

**CONFERENCE BOARD OF HIGHER EDUCATION
AND CAMPUS MINISTRY**

The Board has been meeting consistently throughout the year to find ways to promote higher education across the conference and to encourage and support The Wesley Foundations as we seek to begin new campus ministries.

Much of our work this year has been in restructuring and repurposing this board to align with the 2008 Book of Discipline requirements, and to understand our role in facilitating and overseeing the Wesley Foundations in our conference.

We are still working toward this end as the board is committed to the mission of raising up young leaders for the Church through higher education and maintaining contact with students through the transitional years after High School.

We recognize the dangerous trend of students to neglect their spiritual development as they go off to college and so we have encouraged every pastor and District Superintendent to maintain connection with their students as they go off to college and to forward the names of all students along with their college and contact information to our Board so that we can initiate contact with the local Wesley Foundations, campus ministries and United Methodist

Churches. While this information is required in every charge conference report, it should be forwarded to the board in time to make sure the students are connected within the first few days on campus, before that if possible. While we have promoted and encouraged this, the response has been underwhelming. We hope that every charge will consider this a priority as we develop future leaders for our congregations and our society.

Another initiative that we hope to develop is a network of scholarship information to celebrate the commitment that our congregations have to higher education. We recognize that many churches have scholarships they offer their students, or to other students in the community. We would like to celebrate this as we realize the depth of our devotion to higher education and our support for our students. Often our students perceive that we are not interested in them after high school. Yet by compiling this list we can let them see that we are deeply committed to their future and desire the best for them as a conference.

As we consider scholarships given by local churches, we would also encourage every congregation to consider endowing scholarships or otherwise funding them such that each scholarship would be at least \$1,000. Currently the General Board of Higher Education offers a matching Dollars for Scholars program that provides funds for students who attend a United Methodist related college or university. The caveat is that the minimum amount of the match is \$1,000, such that if a church offers a scholarship to a student going to a UM school of \$1,000, the program will seek to match that \$1,000 (or in some cases even double or triple it!) providing deadlines and other criteria are met. However, if the church offers a scholarship of \$500, or \$100 no matching funds are provided. For this reason, we encourage churches to always offer \$1,000 so as to keep the opportunity open for the student to have this money doubles or triples should they choose to go to a UM school. (A list of schools and scholarship applications is available at www.gbhem.org.)

The Board also has oversight over the Wesley Foundations and this year was instrumental in helping the Delaware State University Wesley Foundation in their rebuilding process through consultation and facilitation. Some of our Wesley Foundations are doing tremendous work, while others are in the process of rebuilding as will be revealed in their reports. Many of our students spent time with their leaders at Exploration, a national event that helps students to discern their call to ministry, or to explore ministry as a viable option for their career.

We continue to encourage the formation of Wesley Foundations at all of our Colleges and Universities within the conference and are open to conversations with churches that wish to begin a new ministry on a campus not otherwise connected.

We continue to promote the Special Appeals Offerings for scholarships to students around the globe. We are also pleased to offer a Merit Scholarship to be given at Annual Conference and the Francis Asbury Award given to a member of our conference to recognize substantial support for Campus Ministry.

Our goals for the coming year are:

- To compile and maintain a list of college students from our conference to ensure connection with the local Wesley Foundation or United Methodist Church.
- To celebrate the support of our congregations toward Higher Education by recognizing all the churches that provide scholarships to students who pursue post-secondary education.
- To help the Wesley Foundations increase their awareness on campus as needed.
- To ensure that all Wesley Foundation Boards are operating according to the guidelines set by the *Book of Discipline*.
- To encourage local churches to engage with the colleges in their communities and to consider beginning a Holy Club, a Wesley Foundation, a Bible Study or a College and Young Adult Group.
- To encourage churches to maintain connection with their students as they attend college.

Respectfully submitted,
Vaughan R. Hayden, Chair

Board of Ordained Ministry

The ministry of the Board of Ordained Ministry builds on one basic premise:

The pastor determines, more than any other factor, whether a local church is healthy and thrives or declines.

The Board of Ordained Ministry believes it is in the best position to address the significant issues of effective clergy leadership in our Annual Conference. By Discipline, the Board of Ordained Ministry has the following responsibilities within our Annual Conference:

- "...the enlistment and recruitment of ordained clergy..."
- "...to examine all applicants as to their fitness for the ordained ministry..."
- "...to interview applicants and make recommendations concerning changes..." in a pastor's effective relation to the Annual Conference.
- "to provide support services for the ordained minister's career development...continuing education, formation in servant leadership and continuing spiritual growth in Christ..."
- "to provide a means of evaluating the effectiveness of ordained ministers..."
- to train and monitor candidacy mentors, clergy mentors, and local pastor mentors.
- to train District Committees on Ministry.
- "to interpret the high ethical standards of ordained ministry..."
- to develop and implement a comprehensive training and support program for provisional candidates.
- "to administer the Ministerial Education Fund for...scholarships for seminary students preparing for ordination."

These responsibilities of the Board of Ordained Ministry have been addressed in the ongoing ministry of the Board. I believe we have an outstanding Board who has demonstrated a passionate desire to develop outstanding clergy that will lead to fulfilling the vision of the Healthy Church Initiative.

On a personal note, it has been a privilege for me to have served as Chair these past four years and to have been surrounded by such outstanding colleagues in ministry.

Faithfully,
John F. Mitchell, Chair

Narrative for 2011 Goals:

This year we started off with a great time at the Youth Rally. We had more students stop by the table than ever before, and added a new thing with providing information for United Methodist Campus ministries across the country. We hope to add another step by helping the campus ministries get in touch with the students to increase the possibility for the student to continue his/her faith journey in college.

The Spring semester was full of exciting things. The Spring Bible studies slowly progressed through 1st Corinthians. We spent time discussing spiritual gifts and how to live as a faith community in somewhat hostile territory, and also how Paul was possibly just hungry during the whole "don't eat food sacrificed from animals... or maybe you can... or maybe you can't" phase of the letter. Our Spring Break Mission Trip of 21 students and leaders went to Nashville, Tennessee to help with flood relief. We repaired roofs, removed tree stumps, cleared a field, and put up fencing. We also helped our host church one day with its building as well: painting a bathroom, removing and replanting shrubs in planters, cleaning and polishing pews, dusting, vacuuming, moving furniture, etc.

We ended the semester with a barbecue at the Sullivan home, and gave Wesley study Bibles to the freshmen, and palm crosses to the graduating seniors. A good time was had by all. This was followed by our semiannual end of semester movie night and exam survival bags. Even during the chaos of final exams and papers, it's good to know that you can come to the church for both spiritual and physical nourishment with a good goofy movie and a cupcake.

The Summer brought some new twists and turns. Rev. Tracy Mooney graciously agreed to teach the Summer Bible study to around 10 students on the book of Daniel so that I could focus on my CPE experience. They enjoyed discussing the very complex book to find out what its message was back then, and what it has to say to us today.

The Fall started off with some earth shaking, wind blowing, good times. Between the earthquake and the hurricane, the fall semester did not start "normally." We still managed to bring in a good group of freshmen and other new faces to add to our growing group of students. Students wore the new Wesley Shirts during Band Camp, the Ice Cream Social, and for the first 4 Sundays at church so new students could better identify them, talk with them about Wesley Foundation, and help them find the Wesley Lounge. We also finally got a Grad Group started and officially registered with the U.D. grad school thanks to Roy Collins who wanted to make this goal a reality. We are one of only two registered Christian Grad groups at U.D. This year we have around 10 students, and hope to continue to grow this group now that our name is out on campus.

The Fall also brought our new student led worship service on the first Monday of the month. We are blessed to have musicians and people who want to share the love and grace they have experienced in Jesus Christ with their peers. Our Prayer Czar, Chelsea Spyres, has been a great leader in this new aspect of our ministry. It was a moving experience to watch students write on rocks the things that had been weighing them down spiritually, and then watching them hurl them into the river. I never knew a "sploosh" could have so much meaning. It's wonderful that students seek ways to expand our ministry, to reach students, to express their faith, and to learn in new ways, all while loving each other.

Four students attended Exploration 2011 to pursue their possible calling to the ordained ministry. All were encouraged and inspired by the workshops, the small group conversations, and the amazing worship services. Each has their "favorites" in terms of seminaries they hope to apply to. A fire for Jesus Christ and a hope for The United Methodist Church was lit inside each of them. I pray that we all help them keep it lit so that they can share it with the next generation.

The Fall ended as is our custom with movies, exam survival bags, and pancakes. This year seasonal headbands were added.

This Winter we plan to do an ecumenical study with the Lutherans, the Presbyterians, and the Blue Hens for Christ, about "When Christians Get It Wrong" by Adam Hamilton. Our hope is to learn how to reach people outside the faith and to do it together.

Goals for 2012

Continued Goals:

- to increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus through a variety of social events and programs to draw new students.

- to work with the URLO (University Religious Leaders Organization) and the RSO (Religious Student Organizations) groups to work together as people of faith.
- to increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, and promotional displays and presence at Annual Conference.
- to assist in the transition from high school to college life by informing high school seniors and their youth directors of our ministry at the University of Delaware by having a presence at the Conference Youth rally.
- to provide mission opportunities for students both locally, nationally, and internationally.
- to provide meaningful Bible Study opportunities for the students to explore and engage the word of God.
- to provide opportunities for worship in various settings, and also provide leadership opportunities in those various settings as well.
- to provide a safe place where **all** students are welcome to share their faith journey with one another.

New Goals:

- Grow the Wesley Foundation Grad Group in number and variety of learning opportunities, service opportunities, social events, and worship experiences.
- Expand the Board of Directors to include more pastors from the Peninsula Delaware Conference, parents of students of the University of Delaware, and staff of the University of Delaware in order to increase varying viewpoints and to better delegate the responsibilities of fundraising and overseeing the ministry of the Wesley Foundation.
- Develop a Strategic Plan for the future of the Wesley Foundation at the University of Delaware including short term and long term goals to address the needs and wants of this growing ministry to the U.D. campus community.
- Encourage and support students to explore the call to ordained ministry and begin the ordination process.
- Expand our fundraising efforts to find new people and churches to support this vital and growing ministry.

Mary Haggard, Executive Director

Wesley Foundation: Salisbury University

The Wesley Foundation at Salisbury University is a Christian fellowship campus ministry sponsored by the United Methodist Church and named for John Wesley. Wesley, the founder of the Methodist movement, believed that wherever people are in their understanding of faith, it is beneficial for them to meet together often in small groups and encourage each other along in their spiritual journey.

Wesley Foundation students are provided an environment and atmosphere where they are able to explore their faith and have the opportunity to be spiritually connected as they transition into their formative stage of life.

Wesley Foundation is a campus ministry open to all, regardless of religious affiliation, or lack thereof. The foundation seeks to bring heart and mind together as we explore every day issues of faith and spirituality reaching out to others with compassion. We have adopted a quote from Anne Frank that says, "How wonderful it is that nobody need wait a single moment before starting to improve the world." Going forward, Wesley Foundation strives to live up to this adopted motto through weekly prayer together; weekly Bible study titled "Real Talk;" meetings; community and campus service projects; spring and fall retreats; fostering relationships through social events; and seeking opportunities as a group to develop leadership skills. Students also attend and continue to be encouraged to attend off campus worship services, community events, and activities sponsored by local churches.

Student presence at Sunday worship often is dependent upon academic studies, involvement in other organizations, and visiting with family on weekends.

The Campus Minister and the Wesley Foundation students are the vessels of ministry being used by God to evangelize and bring new members to Wesley Foundation at Salisbury University. Students actively participate in recruiting other students to become a part of Wesley Foundation all throughout the semester but especially during Student Activities Fairs held in the fall and the spring semesters. The Spring Student Activities Fair has been and continues to be a time when the smallest number of students are recruited; however, the spring 2012 recruitment effort landed 20 additional students to the foundation.

In the fall of 2011 and spring of 2012, it has been observed that students are more inquisitive relative to their spiritual journeys. Therefore the Biblical resource, *Bible Companion* was given to students to make reference to as they progressed in reading the Bible in one year and to provide historical biblical explanations of the scriptures as students engage in a structured reading plan each day. Students were also given a printed biblical reading plan. Further, the *Common English Bible* and the book titled *Single, Saved, and Having Sex* authored by Ty Adams were distributed to them to give them additional resources to enhance their spiritual growth as they humbly attempt to live in the university environment and practice their religious beliefs.

The fall of 2011 and spring of 2012 students were able to hear from professional leaders centered around their own age group at least once per month. This proved to be very successful. Because of the various denominations represented by Wesley Foundation, the speakers were from different denominations to ensure and give them exposure to ecumenical and inclusive relationships in the spiritual realm. The guest speakers gave them exposure to real life issues as they related to scripture and presented biblical heritage information relative to scripture and geographical areas in the Bible. Several students were chosen to represent Wesley Foundation at Exploration 2011. This group included all religious faiths who were exploring a call to ministry.

In the month of November, students organized and implemented a Christian Café Coffee House titled "Give Thanks." Singers, poets, musicians and various other students were invited to share their gifts while the audience dined on light refreshments and coffee. In December students also participated in the I Love Salisbury event which was a volunteer event held off campus. Different organizations on campus went out to various places around Salisbury and helped out where there was a need. Finally, to end the semester, students wanting to give back to the community participated in distributing Christmas gifts to nursing home residents who did not have families. The residents were extremely surprised and were very welcoming. Wesley Foundation's ministerial effort made their day complete.

In the spring of 2012, students participated in an After School Program, Wesley Interest and Information Breakfast, and a Black History Bible Study. As a spring retreat effort, students traveled to Sight and Sound Theatre in Lancaster, Pennsylvania to see the new production *JONAH* which will be introduced for only one season.

Future goals for Wesley Foundation are the planning of a Gospel Open Mic Night, Fall Retreat, Fall Revival, Soup Kitchen Ministry, be present to provide assistance in the HALO Homeless Shelter for Women, and I'm Worth the Wait Singles Ministry. There are plans to attend Bible Study at least twice per semester to be in Christian fellowship with colleagues attending the University of Maryland Eastern Shore. Wesley Foundation at Salisbury University welcomes the opportunity to receive referrals from both United Methodist congregations and other denominations as well.

Wesley Foundation has a phenomenal Student Executive Board who has a deep passion for Christ and the work of transformation. They are born leaders. To God be the glory!

Students have been extremely busy enhancing their spiritual growth and development. Therefore, the primary goal of Wesley Foundation continues to be to promote and establish the spiritual development of students as they maintain a relationship with Jesus Christ. Wesley Foundation will continue to witness and the spread the gospel of Jesus Christ on and

off campus. As you have read, this organization is in the habit of exploring other opportunities for ministry.

Wesley Foundation at Salisbury University continues to be a member of the United Methodist Campus Ministry Association (UMCMA). The Campus Minister/Executive Director is the secretary to the Coordinating Committee for this association.

The Wesley Foundation's adopted Scripture is Galatians 3:28:

Wesley Foundation Campus Ministry: Delaware State University

Campus Ministry at Delaware State University (DSU) presents for every student, faculty member, and staff person, the opportunity to respond to the gospel of Jesus Christ and to experience the power of GOD in very personal way. Challenged by a world in need of both economic and social healing an overriding goal of this campus ministry has been to generate a community of believers and empower leaders for both the Church and society.

Mission Statement:

The mission of the Wesley Foundation at Delaware State University centers around revealing the relevancy of a Christ-centered life, fostering Christian community and empowering students through the very vibrant ministries and capable resource persons of the United Methodist Church to become faithful disciples of Jesus Christ.

It should be made very clear that Campus Ministry is not a glorified youth group. At DSU we are committed to meeting students at all points in their relationship with God and faith. We are also committed to walking with them and upholding them in some of their most challenging life issues. We operate under the auspices of United Campus Ministries (an association of all religious organizations registered at Delaware State University) whose goal or expectation is that the campus be covered by prayer and Bible study each day and evening.

Perhaps one of the most exciting and rewarding aspects of campus ministry is the challenge of assisting students as they attempt to integrate their intellectual pursuits with a deepened exploration of spiritual life. Campus ministry at DSU offers a unique opportunity for growth and influence in a very diverse religious and cultural setting based on the traditions and teachings of the United Methodist Church. We focus on the areas of faith formation, Christian leadership, and service. Through wise stewardship we attempt to be that resource which helps students find and develop their unique Christian identity.

Plan of Ministry

We have developed as our motto, "Living Our Faith in a Difficult World" since both the campus and everyday life situations presents for our students various inconsistencies and challenges – even for those who have established beliefs. The plan involves review and revival of hope in the message of Christ which is simply "Come"! As such we provide:

- Worship Opportunities (with local church participation)
- Bible Study (weekly)
- Mission Service Opportunities (Volunteering within this community)
- Fellowship/Social Activities (UMSM, Youth Rally, and others)
- Retreat (1 annually in conjunction with the other Wesley Foundations of this Conference)
- Special Events (as dictated by circumstances)

We are extremely grateful for the establishment of the Conference Board of Higher Education whose leadership has greatly assisted us in the regularization and continuance of our work at DSU. Coupled with the newly established procedures of United Campus Ministries at DSU visibility is increasing and growth has begun. Nonetheless, in order to more effectively plan we have embarked upon a mini SWOT analysis in respect of the requirements/expectations of the Healthy Church Initiative:

Strengths

- Full support of the Peninsula-Delaware Conference
- Caring Director
- Openness (Inclusiveness)
- Inspiring Bible Study
- Definite prayer times and opportunities
- Ability to equip and send to serve

Weaknesses

- Lack of UMC awareness among students
- Marginally involved Board
- University involvement
- Over dependence on a few students
- Inability to assist with personal needs
- No internships within the UMC
- No chapel space
- No specifically designated UMC space
- No Peer Ministers in Dorms
- No UMC House Mother/Evening overseer
- Absence of marketing expertise

Opportunities

- Spiritual growth/learning servanthood
- UMSM/learning stewardship
- Bible Study/Prayer Sessions
- GBHEM Scholarships
- Presentations to and Bible Study (University Dorms)
- Community service/Mission opportunities
- Access to Peninsula-Delaware Conference, GBGM, and
- GBHEM Resource Persons

Threats

- Lack of local church involvement
- Lack of fund raising projects/opportunities
- Insufficient cash resources
- Some University policies
- Increasing costs of an education and other accompanying fees.

• *There is now a working Board of Directors*

This analysis has greatly assisted us in the types of activities and in our efforts to improve our visibility, increase student participation, work with our new Board of Directors and enhance the progress toward making the Wesley foundation at DSU a more integral part of overall university life.

Over the past two years the slump that has been visible in the economy has affected us greatly. Many of our students are struggling to meet even basic needs. There are high levels of depression, a rise in feelings of uselessness and the dreaded fear of being homeless. Some of our students already have children which complicates issues for them. The need to enter the world of work rather than remain a full-time student enhances their anxiety.

Goals for 2011-2012

- Increase student attendance and participation in Wesley Foundation activities.
- Designated UMC space on campus

- Increase support from local congregations in this Conference/Dover area
- Chapel/Prayer space open on a daily basis.
- Increase ecumenical participation (on Campus)
- Peer Ministry Workshop
- Mission Trip (UMSM and Others)
- Sponsor one mission project per year
- One (1) Board-sponsored fundraiser per year
- Continuation of all 2009 – 2010 goals

Goals for 2012 – 2013

- Increase student attendance and participation in Wesley Foundation activities
- Wesley Foundation Web page
- Wesley Foundation Yearbook
- Designated UMC space on Campus
- Expansion of local church involvement
- Continuation of text/e-mail ministry with students at Africa University
- Major event with community and local church participation.
- Revival of Spiritual Emphasis Week (Vendors, Presentations, etc)
- Continuation of all 2011 – 2012 goals

Review of Goals

As stated above the leadership and guidance of the Conference Board of Higher Education Ministry has assisted our recruitment efforts with about nine new members since the beginning of this academic year.

The establishment of our new Board of Directors offers opportunities for marketing including the development of a Wesley Foundation web page which will become part of the overall Delaware State University website. This has already been approved by the University.

It is anticipated that under our new Board of Directors fundraising, local church participation and the events as goals mentioned above will increase. We continue to be involved in all Delaware State University activities and pray without ceasing for that UMC designated space and a chapel.

Challenges

- Expansion of the Board of Directors to include more of the diversity expressed in the student body.
- Fundraising efforts; new University regulations just out regarding this issue.
- The setting up of the web page. Offers of help have come from DSU communications.
- Lack of scholarships available for our non-UM students – many of the African, Haitian, Dominicans are not United Methodist but enjoy the Wesley foundation format; this includes other mainline denominations: Catholic, Baptist, non-denominational, etc.

Accomplishments

- Being recognized by participants in the China program and having one of its graduate students join us as a member.
- Continued volunteer/mission efforts at Whatcoat and The Shepherd Place shelters.
- Visits to the local churches of which our students are members.
- Participation of Director in the Staff Bible Study led by Grace Presbyterian Church.
- Response of students and House Parent during our Dorm visits.
- Evidence of continued support of the Healthy Church Initiative.

CARE Team

The conference CARE team continues to meet 4-6 times per year to review trainings we have accomplished, make necessary changes to our presentations and to plan future Safe Sanctuary and Sexual Ethics Boundaries Trainings. We also review and respond to requests that have come via cabinet members and the Bishop.

This year we have also worked closely with Bishop Peggy Johnson and the Eastern Pennsylvania Conference to create a Level II Sexual Ethics Training concerning the increasing influence of pornography. We will continue to minister to the needs involving sexual ethics misconduct and healing for the congregations within the Peninsula-Delaware Annual Conference.

The CARE team is currently working to train Safe Sanctuary trainers on each District to enable all churches to become compliant with our conference policy.

The CARE team is planning to offer three Boundary/Sexual Ethics trainings in the coming year and a level 2 Sexual Ethics/Boundary Training in October. These trainings are required for all clergy under appointment as well as those who are hired in our conference but we highly recommend that members of SPRC's, trustees, Sunday School teachers and all who work in any way with children and youth attend. The more we all become aware of boundary crossing signs the more we will all be able to "Do no harm, do good, and stay in love with God."

Cindy Koski, CARE Team Convener

ADMINISTRATIVE MINISTRIES

BOARD OF PENSIONS

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-'82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least five times a year.

In an effort to stay abreast of the best ideas relating to providing good benefits at reasonable cost, the Board brought a resolution to the 2007 Annual Conference installing a new health insurance plan featuring a High Deductible Insurance Plan coupled with Health Savings Accounts or a Health Reimbursement Account. That plan became effective January 1, 2008. In 2010, due to higher than planned cost trends, plan deductibles were changed in an attempt to hold premiums in line.

Unfortunately, trends continued upward, and we did not have enough credible experience with the new deductibles to know how the trends will be affected during the remainder of 2010. Our final premium increase for the 2010/2011 policy year was 23.6%. Fortunately, the choices that were made began to take effect. For the 2011/2012 policy year our rate increase was only 1.4%. The projected rate increase for the 2012/2013 policy year is 4.2%. Our Rate Stabilization Reserve has done what it was designed to do: it has allowed us to spread the 2010 premium increase over several years. We are recommending that billing to the churches for 2013 be increased by 5%, with the remainder being covered by the Rate Stabilization Reserve.

Accomplished Goals

A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay conference staff and honored new retirees.

Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.

A Past Service Rate for the Pre-'82 Pension Plan for the year 2012 was increased to \$556 per year of service and was approved at Annual Conference.

We continued our wellness program – Virgin Health Miles. The program changed for 2012, but the Board felt that continuing to encourage a healthy lifestyle for our pastors was important, not only for maintaining stability in our health insurance program, but also for their congregations. Walking can be fun, and it can help your HSA funding as explained in the "Resolution to Offset Rate Increase".

2012 Goals

Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.

A Retirement Luncheon for retiring and retired clergy and retired lay conference staff will continue annually.

The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2013.

The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.

In addition to the "Resolution to Offset Rate Increase", the Board of Pensions has also submitted two additional resolutions this year. The "Resolution Relating to Retiree Health Insurance" requires that persons joining the Conference health care plan on July 1, 2015 and after must complete 30 years of service to qualify for fully paid retirement health benefits. The "Resolution on Health/Dental Coverage for Incapacity Leave Clergy" seeks to limit health and dental coverage for new pastors granted Incapacity Leave to 30 months unless they become Medicare/Medicfill eligible.

Issues of Concern

The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of 53 years or higher, is putting great pressure on the financial resources of the Conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.

There is concern that some churches are not meeting their obligation to pay their share of pension and health insurance costs on a timely basis. Although arrearages have leveled off, it is important that churches continue to responsibly share in the overall costs of our benefit program. With the approval and encouragement of the Cabinet, The Board of Pensions has elected to include in this report a list of the churches with arrearages as of December 31, 2011.

The economy and our aging church membership have begun to put significant pressures on funding of all Conference programs, including pensions. Conference Boards and Agencies will need to work together closely to make sure that our Pension and Health Insurance funds remain solvent.

Reminders

Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.

Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.

Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events.

Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.

You can help contribute to the continued success of our health program by becoming familiar with and using the preventive benefits of your program.

Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from www.gbophb.org using a password provided by the GBOPHB.

A web space entitled "Conference Benefits" located on www.pen-del.org is provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.

Our "Policy on Benefit Eligibility" can be found on the above mentioned Conference website.

Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends the Past Service Rate relating to the Pre-1982 Pension Plan for 2013 be set at \$562 per year of approved service.

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt this resolution.

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTER OF THE PENINSULA-DELAWARE CONFERENCE

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service; and

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference.

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt the following:

An amount equal to 100% of the pension payments received during the years of 2012 and 2013 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement.

This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.

The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by and local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriated body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Respectfully submitted,
Bud Clark, Chair

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to the District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2012 Equitable Compensation budget is \$137,500. Funds expended in 2011 for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$148,851. As part of this report, there is a list below of the churches and charges that received assistance in 2011.

Last year at Annual Conference, we were asked to study the minimum salaries across the United Methodist Church. During our study we discovered that the Peninsula-Delaware Conference has the second lowest minimum salary in the denomination. Therefore, the Commission on Equitable Compensation recommends the following 4% increase for 2013:

Full Elder and Full Member Deacon:	\$34,092
Provisional Elder and Associate Member:	\$31,247
Full Time Local Pastor:	\$29,062

The Student Local Pastor status is no longer a valid status per the 2008 Discipline.

The Continuing Education minimum amount is \$800 for 2013. Clergy should receive paid leave to attend a continuing education event.

Service Increments are \$150 for each year of service up to 15 years.

The Commission on Equitable Compensation recommends that the reimbursement for travel expense for 2013 be at the rate set by the Internal Revenue Service for 2013.

The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

Clergy will be allowed to preach one week each year for one of the following events: Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge. Qualifying other engagements will be determined by the Commission on Equitable Compensation.

Yours in Christ,
William A. Ross, Sr. and Jerome Tilghman
Co-chairs for the Commission on Equitable Compensation

Board of Trustees

The Conference Board of Trustees is charged with the responsibility to supervise and maintain all property and investment belonging to the Peninsula-Delaware Conference. The Conference Board of Trustees met quarterly during 2011/2012.

At the October 2011 Board of Trustees organizational meeting the following officers were elected: Ronald Bell, Sr. (President), Ginger Brannock (Vice-President), Earle Baker (Secretary), and William Westbrook (Treasurer). Last year Marsha Carpenter had to resign as secretary and Rev. Earle Baker took on the responsibilities of secretary with Rev. Pearl Johnson serving as assistant secretary. We welcomed Ms. Pam Lewis and Mr. William Bazzelle as new trustees at our October organizational meeting.

The following Trustees were asked to serve as Trustee representatives on various teams, task forces, and committees: Trustee to serve on RDMT is David Humphrey; Trustee to serve on the Investment Committee is Mr. Isaac White; and Trustee to serve on Audit Committee is David Humphrey.

The work of the Board of Trustees includes but is not limited to the following matters this past year:

- Repairs of the Easton District Parsonage
- John Wesley UMC near Federalsburg
- Subdivision of property at Crapo Church and Parsonage
- Eldorado UMC, Dorchester Co. (Structural engineer to look at the property and checking with the Commission on Archives and History to ask if the building or location has any historical significance.)
- Bethany UMC, Lowes Crossroads
- A survey by Sovereign Insurance Group

Financial income earned from Trust accounts have been distributed to the beneficiaries. In closing, it has been a pleasure to serve as President of the Conference Board of Trustees. I have been fortunate to be surrounded by a very capable board. I would like to thank Ginger Brannock, Vice President; Earle Baker, our Secretary; and Bill Westbrook, our Treasurer; along with all the board members for their commitment and support.

Ronald Bell Sr., President
Ginger Brannock, Vice President

Conference Council on Finance and Administration (CCF&A)

In 2011, CCF&A sadly accepted the resignations of Minnie Bazzelle and Preston Jacquette.

As we look back at 2011, we continue to give thanks to God for his goodness in providing for our essential needs in these difficult times. Total Covenant Funding Plan receipts for the year were \$4,805,000. This was \$96,000 less than received in 2010, and \$305,000 below the expected receipts. The shortfall was made up from three sources. First, spending was below forecast in the communications area due to the continued delay in hiring of a Communications Coordinator. Second, two of the District Superintendents did not need health care coverage as they were covered by non-conference policies. Together these savings totaled \$138,000. The remainder of the shortfall was covered by allowing the cash balance of the Conference to drop to near the low end of the allowable range. This combination of sources allowed us to once again pay 100% of our General Conference Apportionments, and support our missions and boards and agencies at the budgeted level. Special thanks are again due our Director of Connectional Ministries who continued to take upon herself issuance of *The Communicator*. These are not sustainable solutions. We pray that God will inspire renewal within churches in the conference that will result in growth in

receipts for 2012. We also continue to seek God's guidance for direction as we begin preparation of a proposed budget for 2013.

Implementation of the recommendations of the 2010 Strategic Financial Task Force continued in 2011 with the consolidation of two of the four District Offices into the Felton E. May Resource Center in Dover. The remaining two Districts have elected to increase their District apportionments to fully support the office. Clergy retirements continue to exceed the number recommended as minimum in the plan.

For 2012, a Covenant Funding Plan totaling \$5,094k was developed, recommended, and approved by Annual Conference. This represents an increase of \$289k vs. what was received in 2011. The amount to be apportioned to the local churches, \$5,752,290 (before adjustments) remained the same as in 2009, 2010, and 2011. The underlying assumption is that the economy gradually improves and additional local churches are able to fulfill their full share of Covenant Funding support. Annual Conference Apportionment adjustment requests, including for mission churches, totaling \$173,018 have been approved for 2012.

2012 will be a pivotal year for the Annual Conference. The fourth recommendation of the Strategic financial Task Force was to reduce the number of districts, if necessary, from 4 to 3 by 2014. A clear driver of need would be continued decline in receipts as occurred from 2010 to 2011. Through February, 2012 receipts are on track to rise to the Covenant Funding Plan amount.

Goals for 2012/2013:

- Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference will be successful and can fully witness for Christ.
- Recommend for annual conference adoption a plan for anticipated income and expenditures for 2013 which will support the conference in achieving its mission.
- Carry out the administrative responsibilities as set forth in the Discipline, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.
- CCF&A will respond to broader challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

Dianne E. Henry, Vice President

The Philadelphia Area Committee on Episcopacy

This joint committee of the Philadelphia Episcopal Area consists of members from both the Peninsula-Delaware and Eastern Pennsylvania Conferences. The membership includes both laity and clergy and has representatives from all of the districts of the Episcopal area. The committee elected the following persons as its leaders: Royal Pinder from the Eastern Pennsylvania Conference is Chairperson, Kevin Goodwin from the Peninsula-Delaware Conference is Vice-Chairperson and Evelyn Kent Clark from Eastern Pennsylvania is the Secretary.

The committee meets several times a year with Bishop Johnson. Some meetings are joint meetings, others are meetings where each conference has some time with the Bishop alone and then both are together. Both have proven to be very effective.

The functions of the Episcopal Committee are:

- To support the Bishop in the oversight of the spiritual and temporal affairs of the Church.
- To be available to the Bishop for counsel.
- To assist in the determination of the Episcopal needs of the area.

- To make recommendations to appropriate bodies.

In 2011, both Cabinets, BOOM chairs, and others were asked to provide feedback on Bishop Johnson. This was compiled into a report and sent onto the NEJ Episcopal Committee for their use during the 2012 NEJ conference as the prayerfully assign (reassign) the six continuing and 3 newly elected bishops to one of nine Episcopal Areas in the Northeastern Jurisdiction.

We thank both Conferences for their spiritual, emotional and financial support of the Bishop and the Episcopal Office as she gives leadership to the almost 1,000 churches in our area, and is involved in so many other areas of the larger Church and the world.

Respectfully submitted,
Royal Pinder, Chair
Kevin Goodwin, Vice Chair

VISION TEAM

"Even though I am free of the demands and expectations of everyone, I have voluntarily become a servant to any and all in order to reach a wide range of people: religious, nonreligious, meticulous moralists, loose-living immoralists, the defeated, the demoralized— whoever. I didn't take on their way of life. I kept my bearings in Christ—but I entered their world and tried to experience things from their point of view. I've become just about every sort of servant there is in my attempts to lead those I meet into a God-saved life. I did all this because of the Message. I didn't just want to talk about it; I wanted to be in on it!" I Corinthians 9:19-23

During the 2011-2012 year the Vision Team continues to live our "Call to Action." Living out our vision statement: "To EQUIP and Challenge the Church to Transform lives through Christ." We intentionally partnered and participated in effective and spiritual learning initiatives. The team came together to move forward in the next Quadrennium, while still living out our four areas of focus, as we conclude this season of witness. The team continues to offer the following:

- Healthy Church Initiative Workshops
- The Well: Offers over twenty training opportunities from the various ministries throughout our Peninsula-Delaware Conference. Attendance to this fall workshop is approximately 400 onsite attendees, who then share the information with their local churches.

HCI Workshops occur on each district, equipping over 500 lay and clergy to live out the gospel in the world:

- Call to Action
- Lead a Change Process
- New Unique Places for Ministry

As we volunteer servant leaders we are becoming all things to all people, the following are highlights of the 2011-12 ministries.

The Vision Team listens to the voice of God's people and purposely attempts to comprehend their needs, while making plain the Word of God. The Team will continue in 2012-2013 to serve the connection with The Well 2012, Restoration 2013, as well as additional ministries.

Council on Youth Ministry

Young People's Ministry

The Conference Council on Youth Ministries (CCYM) works hard to help support the work of youth ministries throughout the annual conference and increase the spiritual growth of the students and churches in our communities.

Youth Rally

The very successful 2012 TIME Youth Rally, held January 6-8, was the 25th anniversary celebration of the rally. Approximately 4,000 people participated in this event. Reggie Dabbs was the speaker at each of the four general sessions and Leeland led worship throughout the weekend. Britt Nicole, Ashes Remain, and Flame offered concerts. Saturday morning's offering amounted to over \$11,000. Half of the money was given to the Youth Service Fund while the other half was used to purchase supplies for cleaning buckets for the United Methodist Committee on Relief.

Missions

- The Youth Service Fund distributed \$2,250.00 in grants for 2012. The Conference Council on Youth Ministries is working hard to increase awareness of the Youth Service Fund.
- Mission Possible, a weeklong summer mission camp was held at Camp Innabah (a United Methodist camp in the Eastern Pennsylvania Conference) from July 24-30, 2011. Students from all over the conference served together on various work teams to spread God's love through their service to those in need.
- Hope Moves is a cross-cultural mission initiative of the Conference Council on Youth Ministries. Ten students and four adults participated in the second Hope Moves trip to Nicaragua in summer, 2011. The goal of Hope Moves is to send one student from each church in the conference on a trip to Nicaragua over a five year period. Two additional trips are scheduled for 2012.

Leadership Development

The Well was a leadership training event sponsored by the Conference Vision Team on October 15 at St. Thomas More Academy in Magnolia, Delaware. The Conference Council on Youth Ministries sponsored classes for both students and adults in youth ministry.

Other Areas of Ministry

- A Young Adult Ministry Cohort was established in 2011 to study ways that we can help churches improve their ministries with young adults. Members of the cohort came from churches which are actively engaged in ministry with young adults. Cohort members attended the Young Adult Summit, sponsored by the General Board of Discipleship in October, 2011. We hope to begin to share the findings of the work of the cohort in late 2012.
- Jera Lammy and I continue to represent the Peninsula-Delaware Conference on the Northeast Jurisdiction Young Adult Council.
- Young People's Ministry Interns. YPM partnered with five local churches to hire six interns for the summer of 2011. Four interns served in local churches, one split his time between the conference office and a local church, and one worked in the conference office. All of the interns assisted with Annual Conference and Mission Possible.
- I continue to make myself available to local churches to assist in areas of youth and young adult ministry. Many churches have taken advantage of this opportunity by consulting with me to assist with hiring youth ministers, training student and adult leaders, and helping churches implement Safe Sanctuaries policies.

UNITED METHODIST MEN

"Every Man Shares in Evangelism, Mission, and Spiritual Life"

The Purpose:

The purpose of the United Methodist Men shall be creative, supportive fellowship of men who seek to know Jesus Christ, to grow spiritually, and to seek daily His will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all of their relationships.

The Mission:

- to support individual and group strategies through the foundation of United Methodist Men's ministry
- to provide support services to promote the ministry and growth of United Methodist Men
- to provide resources that assist men in their growing relationship with the Lord Jesus Christ and His church
- to provide resources and support for the Office of Civic Youth-Serving Agencies/Scouting Ministries

Our Action:

In September of last year we held our 54th annual retreat at Pecometh Camp & Retreat Ministries. This event provided the men an opportunity for fellowship and spiritual growth. Dr. Derek Stringer, National Director and lead voice of Good News Broadcasting Association, with headquarters in England, led us in a program entitled *Christianity That Works*. Dr. Stringer offered a teaching series that included *Making Disciples*, *Facing Hindrances*, *Surviving Burnout*, *Finishing Well*, and *He Can*. It became clear that the key to church growth and the expansion of God's Kingdom must include active men who join in worship and who are active in leading roles in their churches. This is a large part of what makes Christianity work in the life of our church and the families that are a part of it.

At our retreat in September 2010 we participated in the ground breaking of the new adult retreat center. Little did we realize that one year later our retreat program would include a service with Bishop Peggy A. Johnson presiding on the consecration of The Riverside Retreat Center. Isn't God amazing?

In May we held our annual gathering. This year it was held at Wyoming UMC of Dover, Delaware. Our theme was "Share Jesus Without Fear." Our program was led by Tom Bowman and was based on the book *Share Jesus Without Fear* written by William Fay & Ralph Hodge. We learned the Church (including the men) must learn to evangelize if we are to follow the commandment to make disciples. Most men do not consider themselves evangelists, but still we must learn to share Christ with those we meet every day. Tom shared how to do this in a normal conversational way and showed us how to get another person to talk about their beliefs in a non-intrusive way.

In August of last year we honored Charles Brummell (Zion UMC, Federalsburg) as a Fellow in the Society of John Wesley. Fellows in the Society of John Wesley are known by their witness, vision and stewardship that enhance and strengthen the mission and ministry of the church. The John Wesley Fellow Award was presented to Charles by Wayne Custer, Northeast Jurisdiction UMM President. Charles has tirelessly strived to develop and implement programs to bring the centrality of Christ to men's lives. He has left us a legacy worthy to emulate. Congratulations Charles!

Goals 2012-2013

- To support the National Prayer Center Line at the Upper Room; Nashville, TN.
- To promote Strength for Service to God and Country, a daily devotional book for the military and other professional and public service workers.
- To continue to support the John Wesley Fellow Award. This award is not just for United Methodist Men.
- To encourage more men to become EMS members (Evangelism, Mission and Spiritual Life). Life builders help the church effectively minister to men through men.

Plans in Motion:

On September 8 and 9, 2012, we will be holding our 55th annual retreat at Pecometh Camp & Retreat Ministries. Please save this date. Information on this year's program will be forthcoming.

Your Charter in the United Methodist Men supports the life of the General Commission on United Methodist Men which enables us to continue our mission and ministry. Your Charter provides the resources for:

- strengthening our faith through mission ministry
- continuing groups and individual in Bible studies
- rekindling hope through the prayer line

For all that we are involved in, check out our website: www.gcumm.org

I would like to acknowledge all of the district and local church presidents and other men and their families of the conference who continue to support our men's ministry. I give thanks to God, the members of Peninsula-Delaware Conference, the UMM executive board and all conference leaders. We are men committed to our God, to the organization of United Methodist Men, the Peninsula-Delaware Conference and the church which is the body of Christ.

"The light shines in the darkness, but the darkness has not understood it."
John 1:4-6.

We are that light. Share it!

United Methodist Women

The PURPOSE of United Methodist Women: "The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

The book of Discipline of The United Methodist Church 2008, 256.5, states: "In every local church, there shall be an organized unit of United Methodist Women..."

2011 Goals:

- To meet the 2011 Pledge
- To have a minimum of 60 Mission Today Units in 2011
- To Charter or re-activate two new local units
- To have 100 Five Star Units from the four Districts
- To increase attendance to School of Christian Mission to a minimum of 100 attendees
- To promote UMW events by increasing communication by the use of flyers, brochures, public media, personal contact, etc.

Goals Met and Unmet

We sent \$72,570.00 to Women's Division as our pledge and with other undesignated giving a total of \$93,101.38 was remitted.

Our goal of having a minimum of 60 Mission Today Units in 2011 was not met and more work needs to be done in this area.

Chartering

We did not meet the goal of having 100 5-Star Units; however, we were pleased to present 52 certificates to local units who completed the criteria by paying their pledge in full to the

district; Giving to Mission; Giving in Memory; Giving in Special Mission Recognition and contributing to the World Thank Offering.

We achieved the goal of having a minimum of 100 attendees at the School of Christian Mission. Bishop Peggy Johnson was in attendance on the first evening. Much improvement is needed in the promotion of UMW events.

Significant Events, Accomplishments and Challenges

Our Spring Event was held on Saturday, March 19 at Grace UMC, Millsboro, with approximately 35 persons in attendance. The theme for the day was "Methodist Church in the Congo" with guest speakers Karen Morgan and Marie Van der Wall.

Team members attended the Upper Atlantic Regional School of Christian Mission held in Elizabethtown, PA., in June to prepare for our School of Christian Mission which was held at Wesley College, Dover, DE, July 20-23, 2011 with 103 attendees. We collected 223 Health Kits to be given to The HUB in Christiana.

We were well represented and received at the Peninsula-Delaware Annual Conference held at UMES in June.

The Annual Meeting was held on October 15, 2011 at Simpson United Methodist Church in Wilmington. The theme for the day was "Getting Ready For The Party". Guest speaker was Debbie O'Neal, Peninsula-Delaware Secretary of Program Resources. She invited us to attend/participate in the quadrennial celebration of United Methodist Women in the Northeast Jurisdiction which will be held at Hershey Lodge in Hershey, PA; June 14 to 16, 2012.

The District Officers Training and 2012 Conference Calendar planning was held on Saturday, December 3 at Wesley UMC, Dover.

Newly elected officers attended the Leadership Training Event held in St. Louis, MO in November, 2011.

CONGREGATIONAL DEVELOPMENT CORPORATION **2012 ANNUAL CONFERENCE REPORT**

Congregational Development Corporation (CDC) is the successor to the Division of Congregational Development under the Board of Global Ministries. The original Goals and Purposes as described in a 1996 brochure were to:

1. Further the Kingdom of God within the Peninsula-Delaware Conference by encouraging church growth.
2. Oversee and insure good stewardship of Conference development resources.
3. Administer Grant and Loan funds for the purpose of church development and revitalization.
4. Administer funds for the acquisition of land.
5. Administer the Conference New Church Development projects.

During 2011 CDC continued its efforts by engaging a consultant to help develop a plan to revitalize existing congregations and establish new faith communities. That plan is being presented to the Annual Conference this year. Much time and effort has been expended in this effort and has been the main focus of CDC. CDC continues to provide funding for Mission Insite, a program to help organizations understand the relevant demographics and plan to meet the needs suggested. Support is also being given to promising initiatives at Atonement Church and Last Call Motorcycle Ministry. Funding was provided to allow persons

from Atonement, Last Call and Conference staff to attend the School of Congregational Development.

During 2011 CDC received interest payments of \$2,389.53 and principal payments of \$35,594.66. As of December 31, 2011, CDC had \$818,242.05 in reserves to be used for exciting projects

Currently, there are two new faith communities being supported by CDC's new Congregational Development Funding: Bayside Chapel and Higher Hope. There continues to be conversation about supporting other potential opportunities for new faith communities in our Conference area. We hope that adoption of the plan being presented to the Annual Conference will lead the members of the conference toward an increased commitment to growth.

Peninsula-Delaware Conference "Can Do!" Document

"I can do all things through Christ who strengthens me." Philippians 4:13

A Healthy Church Initiative for Revitalizing Existing and Building New Faith Communities

Jesus has called us to go and make disciples, to multiply, to invite, to worship, to care for others, to make new places for new faces. We are calling the Peninsula Delaware Annual Conference to recapture our United Methodist identity as a movement of God's Spirit for all God's people. This document is a plan to revitalize existing faith communities and establish vital new ones.

What is a vital faith community?

A Vital Faith Community ...

- ✓ Is theologically Wesleyan
- ✓ Systematically develops disciples of Jesus Christ
- ✓ Is missional and transformational
- ✓ Worships consistently and sacramentally
- ✓ Has a multiplying mindset
- ✓ Has effective systems for stewardship
- ✓ Is Connectional and accountable

This plan is an invitation to strengthen the ministries of our existing faith communities and to establish new faith communities in order to reach new people in new places. New faith communities can be developed as a part of an already existing faith community (congregation). New faith communities can be developed as communities that charter as new congregations.

In light of this call, The Peninsula-Delaware conference leadership invites our churches to prayerfully consider these recommendations as our conference's response to the Great Commission of Matthew 28:16-20.

But the eleven disciples proceeded to Galilee, to the mountain which Jesus had designated. When they saw Him, they worshiped Him; but some were doubtful. And Jesus came up and spoke to them, saying, "All authority has been given to Me in heaven and on earth, "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age."

To implement the recommendations of this plan, the Peninsula-Delaware Conference will need to live into a new reality as taught by Jesus in the parable of the talents (Matthew 25:14-29). This parable speaks of the trust a master places in his servants to multiply the gifts with which they are entrusted. While this is a favorite passage to use in annual financial commitment drives in local churches, we believe it has even more relevance as we seek to be faithful stewards of our God-given resources across our conference. We believe this teaching of Jesus has the power to transform the conference into a **culture of multiplication**.

Some of the gifts of this new culture of multiplication include:

- Fulfilling the desire of the Master rather than the desires of the servants
- Helping everyone be accountable
- Investment in and celebration of those congregations who do the most with their gifts
- Inviting all faith communities of the conference to live into a new reality where abundance, fruitfulness, and multiplication are the expected outcomes of faithful discipleship
- Changing the focus of the conference from worrying about the loss of members to the joy of meeting the risen Christ

To achieve this change, some shifts in our current culture will be required as we live out the mission of The United Methodist Church, "to make disciples of Jesus Christ for the transformation of the world".

Some of these shifts include:

- From spreading resources and attention too thin to focusing on key strategic areas
- From protecting the present to transforming the future.
- From serving the institution to reclaiming the mission of making disciples and being a movement of the Holy Spirit.
- From investing first in buildings to investing first in leadership
- From competition to synergy among churches, "new" and "existing," e.g. any church can become renewed, any church can multiply.
- From investing in those that are not multiplying to investing in what is working
- From swapping disciples through transfers of church membership to making new disciples through professions of faith

This comprehensive plan and subsequent recommendations seek to help the Peninsula-Delaware Conference make these shifts and transform its culture.

The **administrative bodies** that will oversee the implementation of the plan are:

- *Bishop and Appointive Cabinet*: The bishop and the appointive cabinet
- as defined in the Book of Discipline (§260) have the disciplinary responsibility for supervising and initiating the formation of new
- Faith communities
- *The Vision Team*: The primary administrative body of the conference has responsibility for coordinating the total resources of the conference with its vision, and enabling the connections among the local, district, annual conference, and general church ministries. Intentionally working to coordinate leadership, training, and resources for new and multiplying faith communities is a part of our Healthy Church Initiative and would be a part of the work of the Vision Team.
- *Congregational Development Corporation (CDC)*: The Corporation has the responsibility for resourcing new and existing faith communities. The Corporation will have representation on an executive team that would include the Bishop and members of the cabinet for coordination. CDC would also implement, resource, and supervise the various task forces or committees needed to carry out this initiative, including any task forces or committees for a District, if needed, to support or resource a new or revitalization effort on a particular District.
- *Office of Congregational Development (Conference Staff)*: The office is responsible for providing administrative and resourcing leadership for new faith communities and strengthening existing faith communities.

The **new structures** that are being recommended for the implementation of the plan are:

- A subcommittee or taskforce under CDC that would specifically focus on Renewed Faith Communities – those churches who hear the call for the multiplication of ministry reaching new people, but do not have a call for starting a faith community that would become a chartered congregation. Part of the subcommittee's responsibility would include help and support by sharing information on renewing opportunities offered by the Vision Team, CDC, and the Office of Congregational Development.
- Re-new the subcommittee under CDC that oversees and resources the development of new faith communities that have the intention of becoming chartered congregations.
- Institute a process under CDC that constantly reviews and updates our resources and training for leadership development overall, and maintains the requirements for training, coaching, and continuing education of those clergy and/or laity responding to the call to plant a new faith community whose goal would be to become a chartered congregation. CDC will give an annual report to the Conference body on this process.

AN INVITATION TO JOIN A MOVEMENT

We extend to you an invitation to multiply. Multiplication can involve establishing new faith communities that become new churches or multiplying ministry by starting something new or doing an already existing ministry in a new way or in a new place with the goal of reaching new people for Christ.

This will involve seeking to encourage and provide leadership training and support for all that desire and make a commitment to become a new or renewed faith community.

This plan is not a proposal to save churches or even to save our Conference. It is a vision for sharing the good news of Jesus Christ through our existing faith communities and through the planting of new faith communities.

Foundations for an Invitation to Multiply

The story of the Church's birth is told in the second chapter of Acts. On the day of Pentecost, the Holy Spirit empowered the disciples to witness to the life, death, and resurrection of Jesus Christ. The result of the disciples' proclamation was the launching of a new faith community in Jerusalem. Throughout the remaining chapters of the Book of Acts, accounts of the first new faith community initiative of the Bible are recorded as new congregations are given birth in a diversity of settings. A majority of the epistles of the New Testament are letters written to new faith communities. New faith communities are the biblical witness of the community-forming power of God's Holy Spirit as people respond to the good news of Jesus Christ. We celebrate this power of the Holy Spirit in our midst.

The formation of new faith communities is part of the heritage of The United Methodist Church. Roots of the Methodist movement begun by John Wesley run deep in the formation of new faith communities. In 1778 a Methodist Society was organized north of Frederica, Delaware under the influence of Freeborn Garretson, one of Francis Asbury's most energetic preachers. Barratt's Chapel was one of the first churches built in Delaware and was ready for occupancy by 1780. Since that time, every United Methodist church in the Peninsula-Delaware Conference has had its beginning as a new faith community.

The general population of Delaware and Maryland is growing. Delaware's population shows a 14.6% increase between 2000-2010, and includes a very diverse community.

Responding to the challenges of a growing and diverse population, the Peninsula-Delaware Conference will need to reaffirm the biblical foundation and the United Methodist heritage of starting new faith communities and the multiplication of existing churches. In order to do this, a new language must be learned as traditional and non-traditional faith communities are begun.

The New Language of New Faith Communities

Invest First in Leadership:

- People to Lead
- Congregations that Lead (parent congregations)

Over the last several years we have learned much about what it takes to successfully plant new faith communities. One primary area of learning is to invest in the training and ongoing support of leadership and to link plants to healthy parent churches. Annual conferences who have a system for planting new faith communities based on these links have a higher success rate (average of 86% of new faith communities and ministries started become viable) in their plants, spend less money per plant (on average \$204,000 per plant over 4 years), and realize average worship rates of 333 worshippers. This is more than double the average worship attendance than the general new start average worship attendance.

Investment in equipping leaders – clergy and lay – is essential in the successful launching of new faith communities. Additionally, we must be intentional about recruitment of talented indigenous leaders. Instead of focusing on an initial purchase of land, the identification and resourcing of leadership teams is the primary funding concern of the Conference. When a new faith community charters as a local church, its members will have primary responsibility for funding its capital needs. Resourcing of leadership must become the primary focus of the Conference as new and existing faith communities are empowered to witness to the life, death, and resurrection of Jesus Christ.

Models for New Faith Communities:

While the following list of models for new faith communities is not exhaustive, the proposed vocabulary of new faith communities in this report includes:

Parent-Child Model: when a congregation bears the primary resourcing and leadership responsibility for the launching of a new faith community.

Multiple-Parent Model: similar to the Parent-Child model above, this variation involves multiple partners sharing leadership with the project.

Multi-site Model: one church with many sites.

Shared Facility Model: when a new, and separate, worship service and discipleship system is created in an already established church in order to meet the needs of a radically different population than the existing church currently serves (e.g., Korean, Hispanic, youth, recovery, etc.).

House Church Model: a community of disciples multiplied by intentional small group focus in multiple settings. These communities meet weekly with leaders who are trained, supervised and nurtured by a pastor, who is responsible for the sacramental life of the community. Communities have a stated purpose of multiplying and engaging in mission individually and/or as a group.

Vital Merger Model: requires both merging churches to sell their buildings, pool the funds, move to a temporary location, find a new name, receive a trained planter and proceed as if they were a new church.

Legacy Model: when a congregation has reached the end of its ministry life-cycle and has resources (financial, land, building) that can be used missionally to start a new faith community. In a Legacy Church situation, members of the Legacy Church have several options:

1. Continue their ministry activities while allowing a new faith community to be formulated in their facility.
2. Join another church and give the building for use by the conference to reach a new demographic in the community;
3. Open their doors to a planter and launch team to start a new congregation that assumes all of the operations and ministries of the congregation, or;
4. Close the church (members join another local church) and sell the assets and invest in new church development on their district.

In each of these new faith community models there are vital roles for other healthy congregations to help and support by doing one or more of the following:

1. Send missionaries (Those who feel called to reach new people for Christ through the planting of a new faith community) for a specified period of time.
2. Raise up planters and sending them forth
3. Provide prayer, mentoring and resources
4. Fund or assist with funding: Prayerfully consider financial support for a new faith community.

Models for New Faith Communities whose goal is to be a chartered congregation are defined by the following actions and characteristics:

New faith communities develop disciples of Jesus Christ by...

- being **Missional** and **Transformational**
- **Worshiping Consistently**
- **Celebrating Sacraments**
- developing a **Multiplying Mindset**
- practicing **Scriptural Stewardship**
- being **Theologically Wesleyan**
- **Cultivating Members**
- being **Connectional** and **Accountable**

New Faith Communities birthed in existing congregations (no charter goal)

These are new communities that are: New places, new faces, in existing faith communities (congregations). These new faith communities birthed in existing congregations also develop disciples of Jesus Christ by the bullet points listed above.

Some Limited examples of new faith communities birth in existing congregations:

- New worship services to reach a new group
- New studies specifically developed to reach new people (those who have never been in a church study before.)
- New small groups that have a new focus
- New ministries in new languages

Action Steps for Multiplication

Every church can do something. Every congregation can add something that connects the church with new faces and new places in a way that fulfills the Great Commission to go make disciples. Every church should have a goal.

Goals for New Congregations

Some new faith communities will become chartered churches as defined in ¶ 260 of the Book of Discipline. Some new faith communities are developed as a second ministry/worship site of an existing faith community. Our goal for the Annual Conference is to start at least 8 of these kinds of new faith communities in the next 8 years. The goal speaks to beginning new faith communities that would be viably on their way to becoming chartered or multi-site congregations in 8 years. Some of these new faith communities will be new expressions of ministry of current churches. Some will become large, some medium, and some small faith communities. All of these new faith communities will be tasked with the responsibility of making new disciples for Jesus Christ.

Goals for New Faith Communities within Existing Congregations

Some new faith communities will never intend on being chartered, yet are fresh expressions of church that are reaching new faces. These faith communities may have varying relationships with their parent church and may range from new worship services to new study groups. Our goal for the Annual Conference is to start at least 10 of these kinds of new faith communities within the next 8 years. The new faith communities will focus on reaching unreached people groups in new and exciting ways, yet remain connected to their parent congregation for sacramental and pastoral support.

Goals to Revitalize Existing Congregations

Our goal for current congregations is to multiply disciples. Again, every church can multiply. We challenge our current congregations to focus on starting new faith

communities within their current context reaching new persons for Christ. Some of these efforts will fit into the definition of a new faith community as presented in this initiative, but some will only take on certain aspects and become new ministries within the congregation that win new people to Christ and develop deeper discipleship. To that end an additional goal is to see 50% of our existing Congregations increase their current number of professions of faith (in addition to confirmands) by 5% per year over the next 4 years.

In order to reach these goals, we propose the following action steps for the formation of New Faith Communities.

Action Step One: Discernment Process for Establishing New Faith Communities

1. In the conference, new faith communities may be defined by the disciplinary definition of a local church in ¶ 201 of The Book of Discipline. In addition, new faith communities may be extended expressions of intentional worship and discipleship ministries with identified groups of persons who do not presently represent the composition of a new church but are a multiplication effort of an existing congregation. The bishop and district superintendents will determine the viability of a new faith community that has the goal of chartering through consultation with the Congregational Development Corporation and Office of Congregational Development.
2. Attention will be given to the changing demographics of the Pen-Del Conference with priorities given to areas of high population, areas of missed potential, persons living in poverty, and underserved ethnic populations. The location, willingness, and ability of existing congregations to meet needs in areas of greatest growth will also be considered. Existing and new faith communities are challenged to multiply professions of faith each year since our mission is to make disciples of Jesus Christ.
3. New faith communities may become chartered local churches of The United Methodist Church when they average 80 to 100 worshipping adults. (Exceptions to this requirement will be determined by the bishop and cabinet in consultation with The CDC and Office of Congregational Development).
4. The Congregational Development Corporation and Office of Congregational Development will work together in identifying existing congregations that are strategically positioned in areas of growth and have the potential to be parent/anchor congregations.
5. In the event that an existing congregation does not choose to participate in the process as outlined in step four, CDC will work with the Cabinet, and Office of Congregational Development to determine if there is enough leadership, passion, and commitment to begin a new faith community in strategic areas of growth.
8. Through consultation with the bishop, district superintendents, Office of Congregational Development, and CDC, the viability of congregations that express a desire to become Parent Congregations will be assessed. Upon selection, these congregations will participate in new faith community leadership training as coordinated by the CDC and the Office of Congregational Development.
9. The number of faith communities to be planted in any given length of time will be determined by a variety of factors including projected population growth and the present effectiveness of existing United Methodist congregations in reaching the population base.
10. A full-time pastor will not be appointed to a new faith community when it is determined that the ministry responsibility of that new faith community will require less than full-time work.
11. The overall conference plan for the launching of new faith communities that will be mission communities will focus on leadership that is indigenous to a region or the specific mission. It is understood that there may be occasions when conference directed initiation of new faith communities may be required.
12. The Bishop and the appointive cabinet have the final authority in discerning how many new faith communities are begun each year. The CDC and the Office of Congregational Development will provide pertinent information on each District to the Bishop and Cabinet. This information will assist the Bishop and district superintendents in determining where, how, and when new faith communities will be established.

Action Step Two: Leadership Selection

1. The Cabinet, Board of Ordained Ministry, CDC, and Office of Congregational Development will develop and institute a recruitment plan for new faith community leaders.
2. The Congregational Leadership Institute for the training of potential new faith community planters will be the introductory course for persons interested in planting a new faith community
3. A formal assessment process, implemented through the Office of Congregational Development, will determine if a potential new faith community pastor has the gifts, graces, characteristics, behavior patterns, and affinity (ability to identify) with the community in which a new faith community is being considered.
4. Leadership selection will not be limited to elders. The appointment of provisional members and local pastors and the assignment of certified lay ministers, lay missionaries, and lay supply will also be considered for the establishment of new faith communities.
5. The results of the assessment process will be reported to the bishop and district superintendents for appointment considerations.

Action Step Three: Leadership Resourcing

1. All new faith community planters and spouses (if applicable) will attend "Boot Camp" (orientation and training sessions) immediately following their appointment or assignment to a new start.
2. New faith community leadership will be required to participate in leadership training events as initiated and coordinated through the CDC and the Office of Congregational Development in order to receive conference funding support. The Conference is able to provide no more than matching Funds to those raised by launch teams, Parent churches, or other funding sources.
3. Coaches will be designated for each new faith community planter upon appointment or assignment.

Action Step Four: Accountability

1. Each new faith community planter will develop a mission plan with measurable goals and benchmarks. This plan will be developed in partnership with the superintendent of the district where the new faith community is being launched, the Director of Congregational Development and CDC. This mission plan will be shared with the bishop and cabinet.
2. Elements of this plan will include preliminary demographic findings provided by the Mission Insite service that CDC funds, a ministry plan for the first six months, ministry funding needs, plan for stewardship development, goals and benchmarks for pre-launch and post-launch participation, and acknowledgement that continued funding is connected to fruitful ministry and growth.
3. The Director of Congregational Development, CDC, and the district superintendent will create a clear plan for funding the project that will include sources of funding and the amount invested by each entity, details for pastoral compensation and housing, and clarification of the role of the Annual Conference. (The Annual Conference does not purchase land or housing.) Benchmarks necessary to receive assistance for these purposes, will be set with a bias toward the new faith community and parenting congregation being primarily responsible for costs.
4. A Stakeholders Group will be formed for each new start consisting of the pastor, coach, conference staff, district superintendent, Senior Pastor (if parent church or multi-site), a member of CDC, and key laity in the new start. The Stakeholders Team will be responsible for support and guidance of the Pastor.

Action Step Five: Expectation for Multiplication

Every new faith community will be required to have, as part of its mission, the replication of its faith community within a ten year period through participation in initiating and supporting, financially and otherwise, the launching of a new faith community. To this end, the expectation is that ten percent of all offerings received by new faith communities will be designated for multiplication of new faith communities. The Stakeholders Group will have responsibility for developing a written covenant and accountability system for the holding and possible investment of these designated funds.

Action Step Six: Financing

The Conference will match an agreed-upon percentage of Pastoral compensation and benefits or start-up funds as established by the Covenant Agreement between the Planting Pastor, CDC, and The Office of Congregational Development subject to the following schedule of maximum periods:

100% of established match for maximum of 18 months

2/3 of established match for maximum of 12 months

1/3 of established match for maximum of 12 months

Continuation of pastor support and/or more general faith community financial support will be subject to periodic review and meeting of benchmarks established within the Covenant Agreement.

Coaching will be supplied until the faith community is chartered or meets the agreed upon goals set by the Covenant agreement in the case of a multisite or shared facility model.

(The funding structure above is relevant for the following models: Parent-Child, Multiple Parent, Multisite, Vital Merger, and Shared Facility.)

Legacy Church: Motion for discontinuance of a Legacy Church will stipulate net proceeds from sale of property will be held in trust with the CDC for New Church development if a specific Plant has not been identified prior to discontinuance.

Apportionments: Payment of apportionments shall not be expected from an unchartered church plant. Once chartered, apportionments will be assessed in consultation with DS, according to the following schedule:

General Thoughts

Churches in the Peninsula-Delaware Conference are at a variety of different levels of vitality and stages of their life cycle. Reaching people for the making of disciples throughout the peninsula requires that we have vital congregations throughout the peninsula. Given the Great Commission and the mission of The United Methodist Church, every congregation should be seeking to grow. Finding the right means of reaching people in all parts of the Peninsula mandates that the Annual Conference assess existing churches to find bases for growth in addition to seeking where best to plant new faith communities that are expected to grow into new churches. Assessment is expected to help identify opportunities for renewal by a variety of means, including vital churches ready to sponsor growth in another faith community, revitalization/renewal of existing congregations positioned to do so, joining of churches into either a vital merger or parish arrangement, or even consideration by some churches of becoming a legacy church – one that closes and is re-born through providing the means of supporting the creation of a new faith community.

We can do all Things through Christ who strengthens us! Every congregation should set a goal of growing worship attendance annually, creating something new, and going outside their doors to reach people for Christ and make disciples of Christ!

Strengthening the Black Church for the 21st Century

This year SBC took it to the next level. Our theme for SBC has always been; SBC W.I.N.S. The "W" stands for worshipping God, the "I" stands for igniting congregations, the "N" stands for nurturing communities and the "S" stands for seeking out the lost. This year we focused on the first focused on the W; worshipping God.

Workshops focusing on vital worship were held in each district. These workshops addressed two foundational questions: how do we invite the Holy Spirit into our worship experiences and how do we take those experiences into our communities. Each of these workshops began with interactive worship followed by focus sessions on those two questions.

In addition to workshops on each district, this year we also sponsored five young adults to attend the African American Clergy Convocation. This event was meant to be a springboard for launching a new connection between our existing SBC board members and our conference young adults who are interested in ministry within the African American perspective. As a result of the connections made at the African American Clergy Convocation and the relationships fostered among our existing SBC board and those young adults, four young adult interns have been hired for the 2012 calendar year.

As with the previous year, Restoration, our conference wide three-day training and worship experience, continued this year. We remained committed to the theme of worship and looked to display and celebrate worship through diverse approaches. This three-day training was made available to both clergy and lay leadership within our conference.

Each year SBC sponsors a number of local church events and initiatives. This year remained consistent as we partnered with many congregations in developing vision plans, new ministries, afterschool programs, vacation bible school curriculums and our first annual confirmation field trip in partnership with the Salisbury district's Zion UMC Charge. For our efforts in working with young adults, the director of SBC was asked to present a workshop on "Ministry with a Hip-hop Generation" at the national School of Congregational Development, an event sponsored by the General Board of Discipleship.

This year also served as the first year for our national training workshop held at St. Luke UMC in Cambridge Maryland, a national SBC-recognized resource center. The focus of this training, which included participation from several UMC churches around the country, was hospitality, conflict management, and stewardship.

In 2012, we will continue working in the area of worship and will add to that the second letter of our motto "I: igniting congregations". We will continue working with four young adult interns as a part of a program we are calling the Academy of Interns. These interns will work on each district, alongside committed pastoral leadership, to begin to put together programs and ministries that ignite congregations.

In addition, in 2012 this office will focus on three critical areas of need among our churches: connecting, launching and counseling. In the area of connecting, we will begin to set strategic initiatives that help our congregations become more technologically adept. This will include everything from making sure each church has a functioning website and email address to using media during worship. In the area of launching, we will continue to look at multiplying through creating new ministries and crafting opportunities for more congregations to work in tandem when introducing new ministry events. Lastly, in the area of counseling this office will begin to put packets, as well as charge convent groups, together with the responsibility of reaching out to our pastors and leadership body.

SBC is on the move. I encourage each of us to continue to pray for our churches and our leadership; to seek God's will for our ministry; and to boldly stand and proclaim the name of Jesus. As we move into this season of transition, there is nothing more comforting and firm, nothing more sure and creditable, than that name Jesus.
Keep fighting, Keep loving, Keep going!!!

Ronald Bell, Jr.; Director

Strengthening Black Church Committee

The vision of Strengthening the Black Church Committee (STBC) remains the same: to encourage churches to avail themselves to the resources for church growth and vitality. We are available to help. Do not hesitate to call us. Contact us through the conference office and ask for Ron Bell who will contact the committee. This year we have been actively engaged in working collaboratively with other conference ministries in connection to train, teach, and preach God's word. The task is exciting and humbling as we plan cooperatively as a well-oiled team, to accomplish what "Thus says the Lord". Together, we make a difference to achieve greater heights and depths in ministry.

Because we are a people of connection, our partnership with The Well, Black United Methodist Pastors (BUMP), Healthy Church Initiative (HCI), and Black Methodist for Church Renewal (BMCR) remains active. In addition, we provide funding where possible to help church teams with travel expenses to workshops and seminars, and resources.

We continue to follow the W.I.N.S. Model presented to STBC by the director of SBC Ronald Bell, Jr. The acronyms, W: Worshipping God, I: Igniting Congregations, N: Nurturing Communities and S: Seeking the Lost, will be developed into workshops and shared on each district over the next four years. The team is working faithfully to assist Black churches by providing varied workshops throughout the year. W: worship is the focus for 2011 and 2012. In 2011, workshops were held on the Salisbury and Dover districts. In February 2012 we were on the Wilmington district and will be on the Easton district in March 2012. Churches in each district continue to be receptive to host the workshops. We are grateful to those who have attended. There is so much more we will be doing to help churches become vital and exciting for God.

Strengthening the Black Church Committee will continue to connect with boards and agencies to activate resources designed to assist and strengthen the Black church.

COMMISSION ON ARCHIVES AND HISTORY

Mission Statement:

The mission of The Commission on Archives and History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Annual Conference, its churches, agencies, and antecedents.

Operation of Barratt's Chapel and Museum:

Every Conference has a Commission on Archives and History. But ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 231st year, Barratt's Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784 Thomas Coke and Francis Asbury met at Barratt's Chapel and laid plans to organize an American Methodist into a church independent of the Anglican Church. At this meeting the sacraments of baptism and communion were officially celebrated for the first anywhere by ordained Methodist clergy, a

symbolic declaration of independence. Therefore, Barratt's Chapel is appropriately called the "Independence of Hall of American Methodism".

Conference Archives:

It is our responsibility by the *Discipline* (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all of its antecedents including the Delaware Conference, which at its final meeting delegated Barratt's Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference. The Archives are cataloged and housed in a fire-proof, climate-control section of the museum building. We maintain files for every charge in the conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email and telephone requests. There is a non-circulating library of approximately 3000 volumes on Methodist history.

The Curator and Conference Historian have continued to digitize pre-Civil War church records. Among others, they have done St. Luke's in St. Michaels, MD and St. Mark's in Easton, MD. They are willing to work with other churches which have older records to preserve.

Chapel Usage:

Although Barratt's Chapel has not had an active membership since 1958, it remains a busy venue for worship and learning. We had approximately 3000 visitors for tours, special services, confirmation classes, weddings, baptisms, funerals and research in 2011. We also assisted approximately 100 research requests.

There were several special events held at Barratt's:

- Bishop Johnson and the Board of Ordained Ministry held a day-long meeting with the ordinands. The confirmation classes from the churches of Peninsula-Delaware Conference were invited to an event with Bishop Johnson.
- The staff of the Peninsula-Delaware Conference Resource Center held a day-long work session at Barratt's.
- We had a Christmas Eve Communion Service as well as a Christmas Day Service led by Bishop Peggy Johnson which brought in many people who had never visited the Chapel before.
- The 227th anniversary of the meeting of Francis Asbury and Thomas Coke on November 13, 1784 was commemorated with the traditional Anniversary service led this year by Bishop Susan Morrison.
- We also had two special musical services led by composer John Thompson.
- We very much appreciate the financial support of the *Friends of Barratt's*. As a way of showing our appreciation we held an ice social and special tours in August.
- The Chapel is open every Saturday and Sunday from 1:30-4:30 for visitors and researchers as well as other times, by appointment.

Outreach:

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history. They are available to speak at other church historic events.

Phil Lawton, Conference Historian, and Barb Duffin, Barratt's Chapel Curator, led a workshop on preserving church records at "The Well".

Shirley Jackson, Jessie Smith, and Phil Lawton recorded several interviews with members of the old Delaware Conference.

Peninsula-Delaware Conference Historical Society:

The Rev. Dr. Earle Baker was elected president of the Historical Society at a meeting in the spring, 2011.

The Historical Society is continuing to survey local churches to determine what historical records each church has. A database will be maintained as a result of the information gathered. Many requests for baptisms, marriages, and other information frequently come to the Conference Archives at Barratt's Chapel and to the District offices and the Conference office. This database will help them know where to refer persons for the particular information needed.

Maintaining the Chapel:

With a 232-year-old Chapel and two other buildings there are always maintenance issues. In 2011 repairs were made to the chapel roof. The doors and window sills in the vestry were replaced with cedar. Part of that was funded by a grant by the General Commission on Archives and History. A Yamaha studio piano was purchased for use in the chapel.

Barratt's - Wesley Partnership:

We continue our partnership with Wesley College. The College continues to make its maintenance staff available for routine repairs and assists with utilities and some other expenses.

Goals of the Commission on Archives and History:

- Following requirements of the *Discipline*, maintain a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed churches within its bounds, and make those materials accessible to researchers.
- Operate Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
- Provide historical programs for confirmation classes and other groups.
- Provide training and support for Local Church Historians.
- Support the Peninsula-Delaware Conference Historical Society.
- Recruit and train volunteers to assist with the historical and archival work at Barratt's Chapel Museum.

**Peninsula-Delaware Conference
Fellowship of Associate Members and Local Pastors
Report to Annual Conference**

The 2008 Book of Discipline state in ~ 323 that each Annual Conference shall organize a Fellowship of Associate Members and Local Pastors. All associate members and local pastors are eligible to be members and participate in the Fellowship. The Fellowship will provide mutual support for its members for the sake of the life and mission of the church. The Discipline the functions of the Fellowship to include providing for regular gatherings of local pastors and associate members, encouraging local pastors to continue to study beyond the Course of Study, developing a bond of unity and common commitment among the members to the mission and ministry of the United Methodist Church, and enabling the creation of relationships that allow mutual support and trust.

The Peninsula-Delaware Conference Fellowship of Local Pastors and Associate Members has developed the following purpose:

The purpose of the Fellowship of Local Pastors is to provide support, love and encouragement to each other through the encouragement of self-care and spiritual growth, and to create a sense of unity and fellowship. The Fellowship will serve all local pastors and the Board of Ordained Ministry as an advisory/resource group on issues and needs of local pastors and associate members. It will serve as a voice for local pastors in the Peninsula-Delaware Conference, will sponsor retreat time, and encourage small group participation with elders and associate members on the district level.

The Peninsula-Delaware Conference Fellowship of Associate Members and Local Pastors held our first annual retreat at Pecometh Retreat Center February 17-18, 2012. 26 people attended, including associate members, local pastors, and certified lay ministers from both the Peninsula-Delaware and Eastern Pennsylvania Conferences. Bishop Violet Fisher was our keynote speaker. The theme was "Serving Without Fear." Bishop Fisher spoke to us about Joshua and told us we were called by God to serve. In Joshua 1:9, God tells Joshua, "I hereby command you: Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go." It was a powerful, inspiring message for all who attended. The retreat was a wonderful time of fellowship, worship and teaching with Bishop Fisher, the Mass Choir from the Stillpond/Coleman Charge, and Salt N Lyght Praise Team from Asbury UMC in Harrington, DE.

We are planning the second annual retreat either in February or April of 2013 at the Pecometh Retreat Center with the theme "Centering in God's Love".

Also note that there will be a gathering of the Fellowship at Annual Conference during the lunch time on Friday in the cafeteria. The newest class of licensed local pastors will be recognized.

Respectfully submitted,
Rev. Martha Callaway, Chair, FAML P

**Pre-82 Pension Funding Plan
Peninsula-Delaware Conference Funding Plan
Supplement One to the Clergy Retirement Security Plan
For the Year 2012**

Submitted by: Conference Board of Pension and Health Benefits
Contact: Elaine Moreland, 301-674-2626, ext. 16

Action: The 2008 *Discipline* ¶ 1506.8 requires each annual conference to develop, adopt and implement a formal funding plan for retiring its' Pre-1982 pension obligation. "The funding plan shall: a) address the funding for both existing and incremental liabilities incurred by future increases in the past service rate, b) be approved annually by the Annual Conference, following receipt and inclusion of a written opinion from the General Board of Pension and Health Benefits, and c) be published along with the written opinion of the General Board of Pension of Health Benefits in the journal of the annual conference."

Rationale: The 2012 Past Service Rate (PSR) is \$556.00 which is 1.01% of the Conference Average Compensation (CAC). The PSR increase for 2012 is 2%. The PSR increase is funded by the dedicated assets in the Pre-82 plan funds at the General Board of Pensions and Health Benefits.

Outcome: Per the plan document the minimum PSR level is .8% of the CAC and a minimum contribution assumption for valuation assumes an annual PSR increase of 2%. The Peninsula-Delaware Conference Board of Pensions and Health Benefits feels, given the low CAC for our conference, that PSR increases have the potential to be higher than the required minimum for valuations purposes. The funding plan approved assumes a 5% increase in the PSR going forward.

Resourcing: All conference assets dedicated to the Pre-82 Plan have been contributed and make up the plan assets. The Peninsula-Delaware Conference Board of Pensions and Health Benefits also maintains a Retiree Benefits Fund with a market value of \$11,198,628 as of December 31, 2011. The Conference Board of Pension and Health Benefits does not anticipate re-direction of Pre-82 excess funding to fund CRSP Defined Benefits.

The Final valuation of the Pre-82 plan supplied by the General Board of Pensions and Health Benefits as of January 1, 2010 for the 2012 plan year indicates the conference is sufficiently funded and, based upon such valuation; the PSR increase for 2012 would not impair the funded

ratio for the Pre-82 plan. The 2012 Valuation indicates a funded ratio 107% using the minimum annual PSR increases of 2% and 95% using the funding plan PSR increases of 5%. The additional funding of our Funding Plan, if required, is expected to be \$824,656 above dedicated assets held at the General Board of Pensions and Health Benefits as of 1/1/2012. This amount would be funded from the Retiree Benefits Fund.

The expected 2012 Funding Plan as of 1/1/2012 is summarized below. It is based on census and asset values, supplied by the General Board of Pension and Health Benefits* as of January 1, 2010 adjusted for interest charges at 7% and required contribution in 2011.

Assumptions: 2012 Past Service Rate of \$556, 7% Interest Rate & 5% PSR Increases

**The actuarially projected amounts calculated above are based upon certain assumptions, including, but not necessarily limited to, the RP-2000 unprojected mortality table, interest, number of covered participants and beneficiaries, a Past Service Rate, and a surviving spouse percentage. It also is assumed that all deposits, both special and regular, indicated on previous Adoption Agreements have been or will be made in a timely manner. If any of the assumptions or calculations prove to be incorrect, the Board reserves the right to revise this projection.*

VII. MEMOIRS

Charles Phillip Bosserman

Charles Phillip "Phil" Bosserman, Professor of Sociology and Peace Studies, and founder of the Center for Conflict Resolution at Salisbury University in Salisbury, Maryland, died September 7, 2011 in Delmar, Delaware at the age of 79. Son of barber Harry and Pearl (Shively) Bosserman, Phil was born in Hutchinson, Kansas on October 9, 1931, two minutes after sister Sara Lou. He began his long career of teaching, preaching and traveling in 1948 as an Emporia High School delegate to the founding conference of UNESCO. From then on, he dedicated his life to pulling people together for a common cause - PEACE. Phil's life was a meaningful cavalcade of protests for peace and justice, sharing community-changing ideas worldwide, mentoring the multitudes, quietly living a life of love, laughter and commitment shared amongst his many colleagues, devoted friends, and a great big family.

Following graduation from Emporia High School, Phil majored in political science and history at historic Baker University, Baldwin City, Kansas, graduating in 1952. He earned his Master's degree in social ethics and sacred theology at Boston University and was awarded his PhD in social ethics and sociology in 1956 following studies at the University of Paris (Sorbonne). While Phil served as Director of Young People's Activities and full time pastor, the young clergyman clashed with church hierarchy by joining the NAACP. He courageously left the pulpit to work for civil rights and to teach. In 1962 when the Peace Corps was new, Sgt. Shriver recruited him to serve as Director of Education for Gabon, Equatorial West Africa, where he oversaw the building of 40 schools. A fateful accident during Gabon's coup for independence led to his hospitalization at the Lambarene hospital compound. Dr. Albert Schweitzer's staff saved his life and forever nurtured in him his enduring passion—optimism for the possibilities of peace.

Phillip Bosserman's Christian Education Foundation led him to greater classrooms as professor first at Baker University, then at Boston University. In 1965, Phil became Director of Peace Corps training programs at Dartmouth College, New Hampshire. When his wife, Sue, was diagnosed with MS in 1967, the family, now six, moved to Florida where he became a member of the faculty at the University of South Florida where he taught Sociology and Leisure Studies. Following Sue's death in 1971 and his marriage to Carol Conley, he left USF in 1975 to head the Department of Sociology and Anthropology at Salisbury University (then Salisbury State College). After nearly 20 years as Department Chair, Phil retired from Salisbury University in 1994 to teach at Jogakuin (Christian Women's) University in Hiroshima, Japan.

Phil was a born leader. Though a self-proclaimed "pest" who talked too much in Latin class, he got his Eagle Scout at 16, served as Class President in high school and college, was VP of Student Government, pledged Zeta Chi, and was honored by ODK. Ever active, he wowed as college cheerleader, presented at international conferences, won Fulbright Awards, taught Peace Studies in uncertain times and founded the Center for Conflict Resolution.

An accomplished pianist, Phil loved good music. It resounded through the house, always, and perked him up on gloomy days when his memory failed. His children and grandchildren have his musical legacy and passion. With colleagues, Max Kaplan, Joffre Dumazedier and Stan Parker, Phil published 4 books and numerous articles on dialectical sociology and comparative African studies and rallied for grass roots activism and sustainable communities. Throughout his life, he retained his license to preach as an ordained Methodist minister. Following heart surgery, he walked 10 miles a day, rain or shine. He enjoyed sailing, tennis, riding to market on his bike, fishing, tossing horseshoes, growing vegetables, cooking, golf, anything French, and the joys of his grandchildren.

Charles Phillip Bosserman is survived by his beloved wife and partner of 40 years, Carol; daughters Marji Slavin (Michael) of Kansas, Beth Curtis (Gerry) of Florida, Katy Bosserman of Maryland and son Marc (Joni) of California; and stepsons Doug Conley (Lisa) of Florida, Brian Conley and Jon Conley (Lisa) of Maryland; and grandchildren Heather, Tyler, Paris, Justin, Phillip, Kurt, Betsey, Tommy, Dylan, Darius, and Alden; twin sister Sara Stoner (Ed) of Colorado, and brother Steven (Linda) of Ohio.

A Memorial Service was held on September 24, 2011 at St. Stephen's United Methodist Church, Delmar, Delaware.

"Only let me make my life simple and straight like a flute of reed
for Thee to fill with music." —Kagore

Rev. Williams also coached the Salvation Army Little League football team in Salisbury, Maryland. He received several awards in appreciation of outstanding dedication and commitment to his team, The

Green Terrors, 2006 champions. He was a role model for the youth, very dedicated, and full of compassion.

Silvan was educated in the Somerset County Public School System. He was a 1974 graduate of Washington High School in Princess Anne, Maryland, and Wicomico County Vo-Tech in Salisbury, Maryland. He was employed at Pep Boys in Salisbury for 12 years as a Maryland ASE Master Technician and Maryland State Inspector.

Following graduation from Christian World College of Theology where he received an Associate Degree in Ministry in 1999, Rev. Williams began studies in 1999 at Wesley Seminary Course of Study in West Chester, Pennsylvania. Gordon R. Hendrickson, Dean of the school.

Rev. Williams was licensed for pastoral ministry in the United Methodist Church on July 1, 2008, where he found life in the ministry to be both challenging and rewarding. Douling, Jr., and Depree Douling; five grandsons, Darnell Douling, Jr., Malachi Williams, Shun Douling, Jr., Isiah Douling, and Depree Douling, Jr. Silvan always showed compassion towards his family and friends.

X. MISCELLANEOUS

A. CONFERENCE RULES OF ORDER

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.

Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.

Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.

Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:

1. To fix the time in which the Conference shall adjourn;
2. To adjourn;
3. To take a recess;
4. To lay on the Table;
5. To call for the previous question;
6. To postpone to a given time;
7. To refer;
8. To substitute;
9. To amend;
10. To postpone indefinitely.

Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.

Rule 7: When a person is about to speak in debate, or to deliver any matter to the

Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.

- Rule 8:** No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9:** When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10:** No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11:** When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12:** No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13:** Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14:** Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15:** It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16:** The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17:** All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18:** No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19:** These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20:** All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21:** The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted

on by the Annual Conference.

Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the 2008 *Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the 2008 *Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board,

Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26:** All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27:** A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28:** All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29:** In keeping with paragraph 657 in the 2008 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30:** The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President.
- Rule 31:** The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which

will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

B. Rules and Guidelines for the Conference

Committee on Clergy and Lay Leadership

I.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.

That the Committee on Clergy and Lay Leadership be composed of the following persons:

- a) Insofar as possible a balanced number of lay and clergy
- b) representatives from each District;
- c) Director of Connectional Ministries;
- d) Conference Lay Leader or designate;
- e) Two Young People's representatives.

Members will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.

3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership.
 - b) Priority will be given to assure inclusiveness.
 - c) The Committee will operate by consensus.
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee.
 - e) See section B for process for securing leadership.

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.

6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)
7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E, page 106 of the 2008 Book of Discipline of the United Methodist Church), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.

12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
 - b) A demonstrated leadership ability in the local church;
 - c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 - d) Willingness to commit time as required by the position;
