University of Maryland Eastern Shore
Princess Anne, Maryland

Clergy Executive Session

Rev. Lindsay M. Wessell welcomed the Clergy of the Peninsula-Delaware Conference to the Clergy Session at 9:30 AM in the University of Maryland Eastern Shore Student Services Auditorium. Following the invocation the Clergy sang, "O Worship the King." Rev. Megan Shitama lead the Call to Worship, followed by Mr Charlie W. Coleman III addressing the gathering. He was the Black College Ambassador and a recent graduated of Dillard University. He thanked the Session for the 100% payment to the Black College Fund from the Conference. After he spoke an offering was taken for the Clergy Family Assistance Fund. This was followed by the singing of "Be Thou My Vision." Rev. Ardina Hamilton read from Revelation 7:9-17 and Rev. Mark Farnell brought the message. Bishop Peggy Johnson, who had been in the Laity Session, then convened the Clergy Session for the business at hand.

**Lay Session
Thursday Morning
June 6, 2013**

The Lay Session of the Peninsula-Delaware Conference was called to order by Associate Conference Lay Leader Demetrio Beach at 8:30 am. in the University of Maryland Eastern Shore Student Services Ballroom. "Over my head I hear music in the air." These words of the old spiritual came to life at the beginning of the laity session. It convened with praise and worship with prayer offered by Althea Armstrong. Following worship there was a review of the proposed new structure of the board of lay ministries. Laity discussed the transition from the lay speaker model of ministry to the lay servant model. We are called to serve God in various capacities and the movement to the lay servant model honors the diversity of the gifts of the laity throughout the United Methodist Church. The new structure helps local churches know where they are and helps the churches to work together despite our color, our ages, etc. This structure goes from the conference board of lay ministries to the district board of lay ministries and then to the local churches so that all can do ministry more effectively and are better equipped. We need to begin to think about how we can be more effective together; whether church by church or United Methodist Women or United Methodist Men.

The Constitution and Bylaws of the Conference Board of Lay Ministries were updated by the board including the removal of any reference to the Conference Associate Lay Leader and the change from Lay Speaking to Lay Ministries or Lay Servant. The four district lay leaders have been appointed to handle the position in their district of Associate Conference Lay Leader. Bishop Johnson made the motion to accept the new document which each member had in their pre-conference materials; motion

passed.

The differences between being a lay speaker or certified lay speaker and being a lay servant was reviewed and a brochure on the lay servant ministries and a lay ministry equipping resources catalog were in each member's packet.

Because of the 2012 death of Betty Gooch, Conference Lay Leader an election must be held. Hal Barker, a lay member of New Castle: Asbury, who served on the nominating committee, explained the nomination and interview process. The ballot will be for one person for the position of Conference Lay Leader. Ballots needed to elect – 100. There were two nominees - Sheila Griffin of Dover: Whatcoat and Demetrio Beach of Odessa: St Paul. The committee individually interviewed the two nominees; agreed that both were more than qualified for the position; thus the laity was asked to vote after hearing each candidate answer one question asked by Hal. The question was "What do you believe are the characteristics of a conference lay leader and why do you think they are"? Hal then turned the meeting over to bishop who offered a prayer. She left to attend the Clergy Session and will return when vote has been taken. Bill Westbrook explained the process of the paper ballots; vote taken and given to Bill for tabulating the ballots.

Rev. Tori Butler of the Texas Annual Conference led a bible study on diversity where she highlighted the pressing diversity issue of socio-economic disparity within our conference. She challenged the laity to listen to the concerns of their brothers and sisters in faith who did not look or sound like themselves; and to pray for the transformational power of the Spirit to be present in their communities.

Bishop Johnson announced results of election – 208 ballots cast; 199 ballots valid; 100 ballots needed...Demetrio Beach was elected Conference Lay Leader. The Bishop prayed for Demetrio and for the laity of our conference.

After the bible study, each member was given a patch to put their name, district, spiritual gift and passion on to symbolize our diversity and our oneness in Jesus Christ. These were then displayed on a poster board as a quilt. Many thanks to Rev Anne Pruitt-Barnett, worship designer, Rev Brett Pinder, worship leader and Kevin Chamberlain, pianist.

Mary White, Eastern Pennsylvania Lay Leader was introduced and asked to sit at the table.

- **Salisbury:** Richard Kellam said that they had two lay academies that were well attended. They have a meeting scheduled to reach out to the churches/laity and especially to the youth. The Bishop then called on John Goolsbey from the General Council of Finance and Administration. He thanked the conference for continuing to pay 100% of our apportionments for the past 29 years – more than any other conference. He presented the Conference with a poster celebrating paying one hundred percent of the 2012 Apportionment. A video was then shown from the General Council of Finance and Administration. Amy Valdez-Barker, a member of the Connectional Table, thanked the conference for investing in the ministries that are brought through GCF&A. A video was shown from [Human Kind Water.org](http://HumanKindWater.org). It is not a United Methodist Church mission, but every bottle that is sold at Wal-Mart through October 2013 will provide water for one person for a year in Uganda.

Clergy/Lay Leadership Report : Rev. Dr. Shirlyn Henry Brown and Demetrio Beach asked that those who are currently serving on any conference committee, board, commission, etc. to stand and be recognized for their hard work. Demetrio asked that the Conference review the Committee on Clergy and Lay Leadership Report for any changes or additions. Forms are available on which to make corrections or suggestions for persons to serve on a committee. These forms must be turned in this evening. According to our rules the vote for the complete slate will be taken on Friday. The District Committees may not be changed by the conference only by the District Superintendents.

Episcopacy Committee : Kevin Goodwin, chair of the committee reviewed the duties of the committee including that one of their responsibilities was to do an evaluation on the Bishop. He reported that Bishop Johnson was reassigned to our episcopal area for another quadrennium by the Council of Bishops at the Northeast Jurisdictional Meeting in August, 2012. Rev. Derrick Porter and Mr. Demetrio Beach are our Northeast Jurisdictional Committee representatives. Rev. Mike Johnson, the bishop's husband, is at their son's graduation in Texas. Bishop Johnson thanked the conference for the flowers and is happy to be continuing in our episcopal area. She asked for our prayers.

Cokesbury : Tyrone Bullock, our Cokesbury Representative at the Baltimore office, asked for prayers since all the stores have closed. Despite the fact the stores have closed, the staff has more time to listen to the church and hear their needs. This allows them to better customize their offerings to the local church. There is an updated website. One can also call the 800 number and get a live person to talk to. People are available to come to the local church and discuss curriculum. Steve Tombs, the Regional Manager, spoke about the fact that they are a non-profit ministry and that the call hours have been extended. At the Cokesbury tables in the display area a lot of resources have been discounted with a 35% discount.

Covenant of Accountability: Rev. Dr. William T. Wallace, Sr. welcomed all to Somerset County, his home county. He stated that the Conference theme is diversity. He then called on the Conference to celebrate it.

Book Signing: It was announced that the Rev John Penn will be signing his new book today and tomorrow in the Cokesbury Display area.

Deaconess Patricia Marks, who works at Meeting Ground in Elkton, MD, was asked to give the grace for the evening meal. Before she said grace she stated that Deaconesses are celebrating one hundred seventy five years of service to the Church. They have been around since 1888. They are commissioned by General Board of Global Ministries and serve in the United States. Their primary purpose is to bring peace. In 2006 the General Board of Global Ministries added Home Missioners who are men. She gave the grace for dinner and we were Adjourned at 4:56 until 6:45

Thursday Evening
June 6, 2013

The Conference reconvened at 6:45. Jerome Harris, a youth member, joined Bishop Johnson and Rev. Van Tine at the head table.

Laitry Address: Mr. Demetrio Beach gave the Laitry Address. He began by telling the Conference how great it was to be here yesterday, which was the one year anniversary of Mrs. Betty Gooch's death, the previous Conference Lay Leader. "Make a Joyful Noise Unto the Lord" was the theme of his address. As part of his address he got the Conference up to dance. The music took us on a journey of diversity. Each music that was played was from a different time period. We are not to look down on our brothers and sisters, but are to celebrate our diversity over and over again He then asked "What songs will you sing this Sunday? Will they be the same old songs or will they be new songs. Our songs have changed over time. God is still faithful. We are called to sing a new song. What new song will you sing? Are we really ready to have diversity? The Board of Lay Ministries is ready now more than ever to sing a new song. We are ready to transform lay people to be effective ministers. What new song will you sing this Sunday morning.? Amen."

Mission Reports:

Imagine No Malaria: Marvin, the mosquito (AKA Kevin Goodwin) reported that R5, the motion for Imagine no Malaria, was not needed since he could prove that mosquito bites did not kill. He then proceeded to 'bite' the youth representatives and they dropped to the floor – 'dead'. Marvin conceded and made the motion R5 and spoke to the motion. Bishop Johnson called for the vote. The motion was adopted.

Central Congo Partnership: Co-chairs Rev. Dr. Jonathan Baker and Ms. Sue Keefer brought greetings from Bishop Yemba and his churches. They showed the video from the Democratic Republic of the Congo which will be on the conference website or on YouTube. Today's offering is for the Central Congo Partnership. They presented R7, Congo Partnership Celebrates 10th Anniversary of MPASA and Dr. Rebecca Yohadi". They spoke to the motion and then Bishop Johnson called for the vote. The motion was adopted. Rev. Baker stated that Africa University celebrated its 20th anniversary and their report is on our website. More than 1,200 qualified applicants sought admission in August 2012. The university had space for only about 400 freshmen. Currently, women account for 52% of the total enrollment, which stands at 1,386 students. In addition, 25 African nations are represented in the student body. Africa University receives the most funds across our denomination.

Disaster Relief: Rev. Rich Walton lifted up the work in Somerset Co. from Hurricane Sandy. Between the Red Cross and the United Methodist Committee on Relief close to one million dollars has been donated. This money can only be used to fix what is from Hurricane Sandy. When the Sandy damage is removed damage from previous storms becomes visible. The Sandy destruction cannot be fixed until the old destruction is removed. Churches can help by giving money to take out the old destruction. Bishop Johnson was asked to send thank you letters to the Bishops of the other Annual Conferences who have helped in this restoration. Rev. Walton then recognized Rev. Karen Tunnell who is our VIM coordinator for the Conference. Rev. Tunnell recognized those who have been in mission over seas, in Crisfield, or in our community by having them stand. She said, "Mission is following Jesus. Mission is not a trip. It is our life as Christians." Mr. Jack Brooks, Executive Director of the Mid-Atlantic United Methodist Foundation was introduced by Rev. Walton. Mr. Brooks stated that it is the mission of the Foundation to teach generosity and legacy, therefore, they are going to spend \$40,000 for Stewardship materials. They gave each of the Conference members a blue bag to call attention to the Foundation. Mr. Frank Clark gave a matching grant for today's VIM offering. \$8000 was collected today and \$10,000 was the goal. The Foundation is also doing a \$10,000 matching grant for Crisfield through the end of June.

Resolution R6 Carey's Camp. Mr. Kenyon Camper presented the resolution, which passed.

Resolution R 4 Resolution to Establish Conference Advance Specials for 2013-2016

Mr. Kevin Goodwin presented the resolution with the following change (lines 36-43)

Deaf Ministries Sunday, 2nd Sunday of July

"How can we believe without hearing the word?" To an increasing percent of our population, that means hearing via sign language. This Sunday is to bring that realization to our congregations so they know there are churches providing signed services and other outreach to those with diminished or no hearing. The Deaf Ministry Sunday offering supports Pen-Del efforts in this area." He then moved

for the adoption of the resolution. Mr Demetrio Beach asked if there was a way to combine some of these offerings Kevin responded by saying that it the churches can pick those offerings for which they have a real passion and support those offerings. Demetrio then asked the the committee at its future meetings to consider reducing the number of offerings. There was a speech in favor of the Deaf Ministries Offering. Rev. Vaughn Hayden proposed an amendment to line 27 "Volunteer in Mission Awareness Sunday- 1st Sunday in June." His amendment was "VIM Sunday will be the third Sunday of October/Not the first Sunday in June." This amendment passed so that line 27 would now read "Volunteer in Mission Awareness Sunday-3rd Sunday of October."

The Main Motion now became R4 with the Amendment and the words for Deaf Ministries Sunday added by Kevin Goodwin. The motion was approved.

Africa University: Mr. Kevin Goodwin reported that in the twenty-nine year history of our paying 100% of our Apportionment, Africa University is the most popular of our giving . The Conference has given every year it has been asked.

Camp Pecometh: Rev. Jack Shitama lifted up some of the exciting things happening at Camp Pecometh. These included: 1200 campers, sustainable garden, living shoreline, Batman Youth Ministry, day long training at camp for pastors, youth leaders; Directors' Leadership Week, Single-Parent Retreat, and the financial campaign. He asked the Conference Churches to partner with the Pecometh Retreat Center, which is fully operational.

Rev. Van Tine, the Conference Secretary was called on for announcements. His only announcement was that the Bishop's walk for tomorrow had been canceled because of the forecast of violent thunder storms.

Mr Demetrio Beach closed the session with prayer at 8:45PM and the Conference was adjourned until 8:15 Friday morning.

Friday Morning June 7, 2013

The Conference opened with the Praise Team leading worship at 8:15 A. M. At 8:30 Bishop Johnson called the Conference to order and introduced those at the head table. They were Bishop Johnson, Bishop Violet Fisher, Grace Kelley, the Youth representative and Rev. John Van Tine, the Conference Secretary. Bishop Johnson then announced that she will dedicate the disaster relief trailers at noon inside because at of the rain. (The Conference was visited by Tropical Storm Andrea all day on Friday).

Monitoring Report: Rev. Tom Pasmore brought the Monitoring Report. He said change is hard. Change made him think of the Apostle Paul. Paul had to do a different thing after his conversion. He needed to change. Tom said the Conference did a good job yesterday. We were inclusive as regards gender, race, and so forth. We still have an age problem because we as a Conference are getting older. Rev. William Wallace followed Rev. Pasmore and he said that the Apostle Paul calls us to be new creations, not new creatures. Rev. Wallace wants the Conference to be aware of language that it being used. We may have good intentions with what we want to say, but it may not be received in the way that we wanted it be received.

Statistician Report: Dr. Joyce Bell, Conference Statistician, reported that she had received one hundred percent of reports. The Conference applauded its faithfulness in submitting its reports in a timely manner. Although there is still a decline in membership the rate of decline has slowed. She then pointed out that the Churches of the Conference had received one hundred six new souls on Profession of Faith. There were also one hundred fifty-three more baptisms and one hundred more confirmations than in 2011. She lifted up two concerns: One had to do with the total number of withdraws and transfers to other Denominations, and the other was the decline of youth members for last two years.

Setting of Appointments: Bishop Johnson had the present and future District Superintendents come up on the stage. She then called on Rev. Charlotte Nichols, the Dean of the Cabinet, to read a statement, which said that all Conference Staff will be appointed even though they have gone through a process with the Conference Personal Committee. Bishop Johnson then asked all the Clergy under appointment to stand. She then asked all the Laity to stand in support of clergy. Following this she thanked Rev. Boyd Eter for his faithfulness in serving as District Superintendent of the Dover District for the past six years. She stated that she will miss his "history" in that he seems to know all the Pastors and remember their service records. She then thanked Rev. Charlotte Nichols for her faithfulness in serving as Salisbury District Superintendent for the past eight years. This is the second time Rev. Nichols has

served as District Superintendent. When she served the first time she was the first African-American District Superintendent to serve anywhere in the United Methodist Church Bishop Johnson then introduced Rev. Fred Duncan, who will be the Salisbury District Superintendent and Rev. Vicky Gordy-Stith who will be the Dover District Superintendent. She pointed out that they have been attending Cabinet meetings ever since their appointments were announced.

Teaching Session: Dr. David Anderson was the “teacher” for the Conference. He is the founder and President of the Bridge Leader Network and is one of the leading authorities on building bridges across the divides of racism, classicism, and other isms. He wrote *Gracism: The Art of Inclusion* in 2007. It was this book that caused Bishop Johnson to invite him to be the teacher at Conference. Dr. Anderson said *racism* is to think, act, or speak solely on one's culture, or race. *Gracism* is a combination of grace and race. Grace is God's unmerited favor on humankind, therefore, *gracism* is to positively extend favor on others in spite of the color, race, culture, etc. of the person.

Dedication of Trailers for Disaster Relief: Following the teaching session, Bishop Johnson dedicated two trailers for disaster relief. She said that the trailers would be open for the members of Conference to inspect, weather permitting. The Conference then adjourned for lunch.

**Friday Afternoon
June 7, 2013**

The Conference reconvened at 1:45PM with the Conference Praise Team leading us in worship.

Order of the Day: Celebration of Ministry: At 2PM the Conference celebrated the five year anniversaries of those who had been ordained, welcomed those who will be commissioned and ordained this evening, as well as, those pastors who are retiring at this session of the Annual Conference. The Celebration of Ministry service ended with Ms. Karen Miller, a deaf minister in the Conference signing the “Sending Forth.”

After the Celebration of Ministry Bishop Johnson introduced those at the Head Table. They were Sarah Townsend, a youth representative, Bishop Johnson, and Rev. John Van Tine, Conference Secretary.

Adoption of the Consent Calendar: Bishop Johnson called on Rev. Van Tine to present R2 the Consent Calendar, which was adopted.

Healthy Church Initiative: Rev. Ron Bell, Jr., thanked the Conference for its work. This is his last conference to address the Conference as Leader of Path I. He showed a video of the growth of churches Mr. Ed Steiner reminded the Conference of the “Can Do” document He stated that the committee was disappointed that no existing churches had asked for funds. He reminded the Conference that churches need to develop plans to move forward with revitalization. The committee really wants a church to be committed to revitalize itself. Funds are available to help reach the community. There is a process to access the funds, which he shared with the Conference. He then introduced the New Director of Path I, who is Rev. Darlene Dixon. She will start July 1, 2013. He thanked Ron Bell for his work. Rev. Dr. Shirlyn Brown then asked the members of Congregational Development Committee to stand. Shirlyn pointed out that Rev. Dixon is also Director of Strengthening the Black Church for the 21st Century. She then recognized the members of the Congregational Development Committee. Bishop Johnson also thanked Rev. Ron Bell, Jr. and welcomed Rev. Darlene Dixon.

Covenant Funding Plan: In the absence of Mr. John Halberstadt, who was recovering from a fall, Rev. Dr. Joe Barth presented the report of the Conference Council on Finance and Administration. Some of the highlights of the report were: in 2012 receipts were nine thousand dollars over 2011, however this was two hundred seventy-one thousand dollars below the funding plan and after one hundred forty-five thousand dollars had already been removed from the 2012 plan. At the end of 2012 ten percent was transferred to the Conference Budget from the Conference Boards and Agencies to help balance the budget. Rev. Dr. Barth pointed out that the churches' expenditures will decline for the first time and that the Conference expenditures will also continue to decline. Expected receipts for 2014 will be \$4,942,500 with adjustments of \$707,500 for a total of \$5,650,000. This assumes 90% of receipts. With that introduction Rev. Dr. Barth presented the following resolution:

WHEREAS the projected 2014 financial needs of the Peninsula-Delaware Annual Conference total **\$4,952,500**, and

WHEREAS the Conference Council on Finance and Administration (CCFA) has prepared a proposed covenant funding plan as presented to the Annual Conference....

NOW THEREFORE BE IT RESOLVED that the Peninsula-Delaware Annual Conference adopt the 2014 covenant funding plan as proposed including an apportionment total of **\$5,650,000** to support our ministry needs for 2014.

BE IT FURTHER RESOLVED that the apportionment formula for 2014 be based on the three-year average of 2009, 2010, and 2011 Net Operating Expenses and an apportionment cap of **19%** of 2011 Total Operating Expenses.

There was some discussion of the Covenant Funding Plan. Some of that discussion concerned the reduction in the amount given to the Youth. It was pointed out that the Youth/Young Adults get support from the Youth Rally and can probably make up most of what is being removed from the Conference budget. The motion was then adopted.

Equitable Compensation: Rev. Jerome Tilghman presented the report of Equitable Compensation. It was on pages E5 and E6 of the pre-conference materials. He moved its adoption and it was adopted.

Board of Pensions: Rev. Alan Jones recognized Rev. Curtis Smith Retired. Curtis expressed his thanks to all the churches he has served and for the Pension Funds. Following his remarks Rev. Jones presented the **Resolution Setting the Past Service Rate** on page E-5 in the pre-conference materials. It passed unanimously. He then moved the adoption of the **Housing Allowance** as found on page E-5 of the pre-conference materials. It passed unanimously. Rev. Jones presented **R3 Resolution to Change Part-Time Pastors Pension Plan to United Methodist Personal Investment Plan (UMPIP)**. It passed unanimously. Rev. Jones presented **R 9 Resolution Concerning Church Staff Eligibility**. It passed with one negative vote.

Personnel Policy: Mr. Dennis McDowell presented the personnel policy for adoption. It is on E 12 in the pre-conference materials. It passed unanimously

Clergy/Lay Leadership Vote Rev. Dr. Shirlyn Henry Brown and Mr. Demetrio Beach presented the Clergy/Lay Leadership Report for a vote. After corrections were made the report was adopted.

Bishop Johnson then recognized Mrs. Debbie O'Neal, who made a brief announcement about where Carey's Camp is and when it starts. As she said it always starts the last Wednesday in July and runs through the end of July.

Bishop Johnson then called on Chaplain Lieutenant Colonel Sherrol James to give the benediction. Chaplain James informed us that she has missed only two Annual Conferences in twenty-nine years. One because of a car accident and last year because she was in Korea. She then gave the benediction and the Conference was adjourned until the Ordination Service tonight.

Friday Evening June 7, 2013

Ordination and Commissioning was celebrated at 7:00PM in the Ella Fitzgerald Center for the Performing Arts at the University of Maryland Eastern Shore, Princess Anne, Maryland. Bishop Violet Fisher Retired, brought the message of the evening. The Peninsula-Delaware Annual Conference reconvened at 8:15 AM with Fay Everett from Easton District and Jamar Jackson as the youth representative joining Bishop Johnson and Rev. Van Tine at the head table.

Monitoring Report: Rev. Tom Pasmore presented the monitoring report. He reported that the Conference did a good job of being inclusive yesterday. David Anderson, our teacher, blessed us with his presentation. Rev. Pasmore then stated that he wanted to highlight the ordination service and the powerful message of Bishop Violet Fisher. She was able to include everyone in the message. A model was presented through her message that can be taken to our congregations.

Bishop Johnson then called on Rev. Dr. Shirlyn Brown, who gave God praise for communications coordinator Doug Lanter. She then introduced him. He gave a brief message and then said he was off to take pictures.

Young People's Ministry: Mr. Carl Samans and Ms. Ardina Hamilton, two of the four adult advisers, spoke of the changes coming to this ministry. They were joined by youth presenters. The youth presenters were Helena Hamilton, Chani Samans, David Arroyo, Jerome Harris, Grace Kelley and Sarah Townsend. They thanked Shane Hinderliter for his years of leadership and welcomed Rev. Scot McClymont as the new director. One of the youth, Helena Hamilton-Turner has been appointed to the Northeast Jurisdiction Vision Table. The youth then talked about the following programs:

- CCYM Road Show – Chani Samans reported how the Conference Council on Youth Ministries took its show on the road as a way of telling the story of the youth ministries.
- "One Day" Mission Project - David Arroyo spoke on the one day. He said the "One Day" provided an opportunity for all the churches in Conference to come together. Those who attended were able to go to different stations to learn what and how to serve Jesus Christ.
- Youth Rally 2013 – Jerome Harris stated that the Youth Rally was an awesome time.
- Youth service fund – Ardina Hamilton & Carl Samans spoke to the Young People's Ministries Tray Day at Friday's lunch. The youth collected \$1487.69 to benefit the Youth Service Fund. This is money raised by the youth for youth projects and grants. Seventy percent of the funds collected stay within the Conference.
- Youth summer Kick-off at Pecometh – Grace Kelley shared that a youth kick-off will take place at Camp Pecometh next Saturday.
- Carl introduced and thanked Janet Keskemety and Blair Hall as adult workers with Young People's Ministry. .

- Youth rally –Sarah Townsend reported that the theme for the 2014 Youth Rally is **Ransomed** and it will be January 10-12, 2014. This is one week later than it has been. 1 Corinthians 6:19-20 is the scripture upon which the theme is based.

Rev. Dr. Shirlyn Brown thanked Shane Hinderliter for his years of service as Director of Young People's Ministry. Shane is moving to the newly formed Kansas Annual Conference in the same position. She welcomed Rev. Scot McClymont as the new director effective August 1, 2013. Rev Scot McClymont introduced himself and said that we will be seeing him in the local churches; he wants to know us and our local church; and he will support the local churches and ignite new ministries. He also wants local church input. He pointed out that the Young Peoples' Ministry is sponsoring a Women's Self-Defense Seminar on August 17, 2013, at Delaware Combat Sports in Smyrna, Delaware. This is a "basic" self-defense seminar for women seventeen and up. It covers and includes statistical discussion, hands on self-defense techniques and exercises to aid in awareness of potential dangers. A third of the cost will be donated to women's shelters located within the Peninsula-Delaware Conference. This seminar is only being offered to our conference and lunch will be provided. Northeast Jurisdiction Young Adult representative Rev Hannah Bonner spoke about the "Restoration Generation" and their support of long term service. It engages young people throughout the jurisdiction for disaster relief. She also told us about "The Oasis," which is a three day event August 15-18 on the Wesley Seminary campus beginning at 7 pm at the Renaissance Hotel in Washington DC and ending with worship on Sunday, August 18at 11am. She encouraged us to bring young adults together for restoration and to "Come thirsty and leave ready." for service.

General Board of Higher Education and Campus Ministry: Rev. Vaughn Hayden the Chair of the Board gave the report. He stated that we have been at Annual Conference for forty-eight hours. In a few months there will be young people flooding college campuses. Most of them will have made a decision that affects the rest of their lives. In forty-eight hours they will have decided what it is they want to do. For one hundred years Wesley Foundations have been on college campuses to help them make these important decisions. He then stated that there are five hundred forty-two college students within our Annual Conference. (This figure is from the local church reports). These students go to one hundred twenty-four different institutions of higher education. Only twenty-six are going to United Methodist schools. Half of our students are going to a school that has a Wesley Foundation. He encouraged the local churches to stay in contact with their college students. As part of staying in touch with the college students he introduced the Campus Ministers within our Conference. They are: at Delaware State University--Rev. Rudolph White, Jr.; at Salisbury State University--Rev. Bernadette Beckett; at the University of Delaware-- Rev. Mary Haggard; and at Wesley College--Rev. Steve LaMotte. We also have a campus pastor at the University of Maryland Eastern Shore, which is currently being served by Rev. Darlene Dixon. There will soon have a new person to fill that position as Rev. Dixon is going to the Conference Staff. Vaughn then pointed out that there are over one hundred twenty students within our geographical bounds that are attending community colleges and commuter schools. He stated this is a great challenge for us, and something he asks every church that is located close to a college to consider how that church can minister to this population that is right in their backyard, if only for a few hours a week.

Advocacy Report: Rev. Tom Pasmore, chair of the Advocacy Team asked, "What are we passionate about?" He is passionate about art, which can make things more beautiful. That is the reason for Advocacy on many issues. These issues are wide and diverse, just as our Conference is wide and diverse. The Team plans to connect with more churches in the coming year. He then had members of Team stand. Rev. Pasmore then presented Resolution R 8

Resolution 8: Engaging in Advocacy for the Prevention of Gun Violence

Monty Carlisle from Chesapeake City/Wilmington District proposed the following amendment. "change the word 'shall' in line 33 to 'should.'" The line would then read. "**THEREFORE, BE IT RESOLVED** that members of the Peninsula-Delaware Conference should support legislative efforts to reduce gun violence..." Rev. Pasmore accepted that as a friendly amendment. Debated followed including an attempt to Call for the Question, which failed. Debate continued. A second Call for the Question passed ending debate. Bishop Johnson called on Jamar Jackson to offer a prayer. After his prayer there was a motion for a paper ballot. That failed. There was then a hand ballot, which passed.

District Superintendents' Reports and Property Matters: Rev. Charlotte Nichols, the District Superintendent of the Salisbury District, brought the following property matter to the Annual Conference: "On January 6, 2013, Union Asbury in Crisfield, Maryland, on the Crisfield-Asbury Charge was declared abandoned. The remaining members have joined John Wesley United Methodist Church in Marion, Maryland on the same charge. On April 7, 2013, a closing service was held and the building was deconsecrated as a place of worship. On the same day the building was dedicated as the

site to house volunteers who come to assist in the recovery stage of Crisfield, Maryland, and Somerset County after the devastation of Hurricane Sandy. The building is now known as the Union-Asbury Recovery Center.”

Rev. Derrick Porter, Wilmington District Superintendent, brought the following property matter before the Annual Conference: “Christiana Mt. Pleasant Church was declared abandoned on November 28, 2012.”

Rev. Gary Moore, Easton District Superintendent, brought the following property matter before the Annual Conference: “On Sunday, April 28, 2013, the Church Conference of Tilghman United Methodist Church gifted St. John’s United Methodist Church, a Limited Service congregation, to the Friends of St. John’s Chapel, a 501c3 non-profit corporation. This ends all relationship between St. John’s Church and the United Methodist Church.”

Awards Ceremony: Rev. Dr. Shirlyn Brown led the Awards Ceremony. She stated that **The Order of St. Barnabas** award’s purpose is to provide a system of recognition that will motivate churches, groups, and individuals to grow towards a Biblical standard of stewardship. St. Barnabas was as important as the Apostle Paul to the life of the early church. It is because of his outstanding stewardship that his name was chosen to represent a process of creative stewardship and to have a society named in his honor. The Order of St. Barnabas is a challenge to creative stewardship by individuals, groups, or whole congregations. These awards were given at the Conference Clergy/Laity Banquet on May 10, 2013. Dr. Brown invited those in attendance at the conference to come to the stage and be recognized. Those who received the St. Barnabas award are: *Individuals:* Charles Adams, Whatcoat United Methodist Church, Dover, Delaware; Jeffrey Hayes, Union United Methodist Church, Bear, Delaware; Carolyn Tyson, Greenwood United Methodist Church, Greenwood, Delaware; Billie Carroll, Calvary-Asbury Charge, Sudlersville, Maryland; Martin and Heather Webster, Asbury United Methodist Church, Princess Anne, Maryland; Betty Loeland, Federalsburg/Bloomery Charge, Federalsburg, Maryland; Darlene McCall, North East/Bayview Charge, Peryville, Maryland. *Organization:* Union United Methodist Women, Union United Methodist Church, Bridgeville, Delaware.

- **Disability Ministry Award** – Rev. Pat Loughlin and Rev. Ruth Ann Simpson presented the award to a large church, Wyoming United Methodist Church in Dover, Delaware, and a small church, St Paul’s United Methodist Church in Greensboro, Maryland. They stated that not many churches applied for this award and they encouraged more participation next year.

- **Merit Scholarship** – Rev Vaughan Hayden presented the scholarship to Cordon Whaley of St. Paul’s United Methodist Church in Berlin, Maryland, who is an incoming freshman at Wesley College. This scholarship is awarded to a United Methodist student selected by the Conference Committee on Higher Education and Campus Ministry. The purpose of this award is to foster value-centered education in a Christian context in a United Methodist-related educational institution through scholarship assistance to United Methodist-related students.

Bishop Johnson thanked Dr. Brown and those involved in the awards presentation. She then announced the new Dean of the Cabinet will be Rev. Derrick Porter, Wilmington District Superintendent. After announcing the new Dean of the Cabinet Bishop Johnson turned to Rev. John Van Tine, the Conference Secretary for announcements. He announced that the results of the offerings taken at Annual Conference.

**RESOLUTION TO CHANGE
PART-TIME PASTORS PENSION PLAN
TO UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP)**

The 2012 General Conference approved several changes to the Clergy Retirement Security Program (CRSP) effective January 1, 2014, one of which involves eligibility of part-time pastors under the CRSP.

Currently a church is billed 12% of the pastor's salary up to the Denominational Average Compensation (DAC). Three (3) percent is deposited in the individual's defined contribution account and the remaining funds are pooled and used to pay a defined benefit based on years of service multiplied by 1.25% (changed to 1% in 2014) of the DAC in the year the individual retires. (A Year of Service is proportional to the appointment status; i.e., full time = 1 year, ½ time = 50% of a year for each year the pastor serves in that status.)

Be it resolved that the Conference Board of Pensions, the Cabinet, and the Board of Ordained Ministry recommends moving part-time pastors from the CRSP to the United Methodist Personal Investment Plan (UMPIP). The savings to the Peninsula-Delaware Conference for future liability would be approximately \$159,200 based on the current number of part-time pastors. If more part-time pastors are appointed in future years, liability would be greater.

Be it further resolved that the local church would continue to be billed at the rate of 12% of the salary up to the DAC, but the funds would be deposited into the individual's UMPIP account. At retirement, the individual may take any or all of the deposited funds and purchase an annuity from an insurance company, move to an Individual Retirement Account, take as a taxable lump sum, set up cash installments with the General Board of Pension and Health Benefits (GBOPHB) or leave on account at the GBOPHB and draw as needed.

Resolution to Establish Conference Advance Specials for 2013-2016

The Christian Service Team recommends adopting the following mission projects to be Conference Advance Special Projects for the current quadrennium (2013-2016). Each church is encouraged to receive an Offering in support of these vital projects. Promotion responsibility for each project has been assigned to a Team or Task Force of the Annual Conference.

Central Congo Partnership Sunday – 1st Sunday in Lent

First adopted in 2003, the Central Congo Partnership is our main overseas hands-on mission project. Our target is to raise at least \$60,000 annually for this effort. Supported projects include education, farming, communication, medical, nutritional and new agriculture components. Some funds might also be used to partially fund VIM trips to the DRC so people of our Annual Conference can see and participate directly in our supported projects.

Partners of Leadership Resources for the Churches in Africa (PLRCA) – 1st Sunday after Easter

The mission of this religious organization is to produce and distribute quality Christian leadership resources to the Central Conferences of the UMC in Africa. There is dire need for such resources for more effective discipleship and faithful leadership as the churches in Africa are growing in amazing ways.

Volunteer in Mission Awareness Sunday – 3rd Sunday of October

This will be a time to celebrate how God is working through Volunteers in Mission, including local, national, and international VIM ministry as well as Emergency Response to disasters. Churches are encouraged to have speakers share about their VIM experiences in worship. The offering will support this ministry throughout the Conference with a goal of providing financial support to Conference-sponsored VIM Teams.

Deaf Ministries Sunday – 2nd Sunday of July

"How can we believe without hearing the word?" To an increasing percent of our population, that means hearing via sign language. This Sunday is to bring that realization to our congregations so they know there are churches providing signed services and other outreach to those with diminished or no hearing. The Deaf Ministry Sunday offering supports Peninsula-Delaware efforts in this area.

Pecometh Camp & Retreat Ministries – Mid-August

Pecometh's vision is to make disciples of Jesus Christ for the transformation of the world through Christ-centered peace and play in our unique Eastern Shore setting. Pecometh partners with Peninsula-Delaware Conference churches in discipleship formation for persons of all ages, from summer camp to senior adult retreats. Contributions help to support the ministry so that the cost of camp and retreat programs can be kept affordable.

Board Of Ordained Ministry Sunday – 1st Sunday after Labor Day

At any given time, our Annual Conference has 45-60 pastors in seminary or taking the Course of Study program. Imagine doing that on what we pay them! Your apportionment gifts provide us with \$65,000 in scholarship funds each year, less than 20% of the annual educational costs. This Sunday has two purposes - raising scholarship funds and developing "A culture of the Call" so our young people would consider the ministry as a life's calling.

Africa University Sunday – 2nd Sunday of November

As a Conference, we have fully funded two scholarships at Africa University. As an example of why we continue to promote Africa University, earlier this year the University was accepting livestock and produce in lieu of currency from students because of the economic situation in Zimbabwe.

AC Ministry Projects Receiving Apportioned Funds not listed above

Annual Conference Ministry projects that are included as part of the AC budget are permitted to send one conference-wide appeal and one home district-wide appeal letter each

year to appeal for extra funds from our churches. Examples are: Wesley Foundations, MAP, Neighborhood House, and Salisbury Urban Ministries. Disaster and VIM Team appeals are exempt from this restriction.

Imagine No Malaria Resolution

The Worldwide United Methodist connection is in the process of raising \$75,000,000 to fight and **eliminate** Malaria. As of 2012, over \$26,000,000 has been collected. The Imagine No Malaria approach is focused on four key areas:

Prevention: To date, Imagine No Malaria is responsible for the distribution of **846,000 insecticide-treated bed nets** throughout the continent. Late in 2012, we provided our 1 millionth mosquito net to protect a family in Africa. Your gift will make that happen?

Education: We know that local people are the most credible and trusted source for information about malaria. So, we have trained more than **5,000 community health workers** to personally deliver mosquito nets and measure usage rates. Recent efforts in Sierra Leone and the Dem. Rep. of Congo have produced net usage rates exceeding 80%.

Communication: Behavior-change communication includes how to use and care for a bed net, and when to seek treatment for the disease. In addition to word-of-mouth outreach, the United Methodist radio station in Cote d'Ivoire (Ivory Coast) broadcasts message about malaria to thousands of listeners each day.

Treatment: The United Methodist Church operates more than 300 hospitals, clinics and health posts throughout Africa. This vital healthcare infrastructure is a critical part of how we will overcome the disease. In order to be effective, however, these facilities must have life-saving resources like rapid diagnostic tests and malaria drugs.

Therefore the United Methodists of the Peninsula-Delaware Annual Conference commit themselves to raise \$50,000 over the next thirteen months for **Imagine No Malaria**.

Carey's Camp Resolution

WHEREAS Carey's Camp in Sussex County, Delaware, is this year marking its 125th year of continuous operation as a Methodist camp meeting,

Congo Partnership Celebrates 10th Anniversary of MPASA and

Dr. Rebecca Yohadi

Whereas the mission of the Congo Partnership at MPASA began in 2002 under the direction of Dr. Rebecca Yohadi;

Whereas MPASA, a refugee community supported by UMCOR in the Democratic Republic of Congo, began in order to provide medical and nutritional care in a war-torn area of Africa;

Whereas Dr Yohadi, a refugee herself, began her work at MPASA, with little assistance and no monetary compensation in the beginning;

Whereas Dr. Yohadi has grown MPASA's outreach to the community to serve thousands of patients yearly, 250 children fed daily, and a program for elderly women;

Whereas Dr. Yohadi has given oversight to the construction of several new buildings, improvements in equipment, medicines, patient services and staff;

Whereas Dr. Yohadi is providing oversight for the planned construction of a new pediatric building to better serve the growing needs of children;

Whereas Dr. Yohadi is a person of deep Christian Faith whose life and witness touches hundreds of lives daily as she serves the children, cares for patients, leads worship and singing, and is always giving God's thanks and praise;

Whereas Dr. Yohadi and the MPASA Medical and Nutrition Clinic celebrated their 10th Anniversary of dedicated service to God and the Congo Partnership;

Therefore be it resolved that the Peninsula Delaware Conference and the Peter D. Weaver Congo Partnership, through the a letter from the Conference Secretary, express its deep appreciation to Dr. Yohadi for her dedicated work at MPASA and declare her "*Missionnaire Extraordinaire*". Be it further resolved that the Peter D. Weaver Partnership Team express appreciation to Dr. Yohadi and Bishop Yemba at the W. Kinshasa Annual Conference in the DRC when it meets this summer.

Resolution Concerning Church Staff Eligibility

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and lay persons employed by the Conference, local churches, boards or agencies related to the Annual Conference. The Board of Pensions makes recommendations for changes in those benefits and the methods of funding them when appropriate.

The new Affordable Care Act (ACA) regulations require, in part, that employers with more than 50 employees must offer an affordable health plan and that the plan meets the minimum value standards or face a penalty. If just one of its full-time employees receives federal assistance to purchase insurance through an exchange, the Conference could face penalties of up to \$2,000 per employee, excluding the first 30 employees, estimated to be \$326,000.

The Peninsula-Delaware Conference is considered a "single employer with an affordable health plan meeting the minimum value standards" for all clergy and Conference/District staff. The Board of Pensions has determined that using the current Consumer Directed Health Plan (CDHP) is more cost effective and prudent at this time. All ACA regulations, especially those designed for churches, have not been finalized and the full impact of all the new regulations is not known at this time.

The Conference currently allows local churches with lay employees working 20 hours a week or more to participate in the Conference health plan or a different health plan as long as the local church agrees to participate in only one plan. Local churches participating in the Conference health plan offer a variety of funding arrangements from 100% paid by the church to 100% paid by the employee. This variety makes it likely that at least one full-time employee would be eligible to receive federal assistance through a federal exchange. The ACA regulations place the burden of penalties on the Conference and not the local church's plan that did not qualify as an affordable plan for all lay employees working 30 hours or more a week.

Be it resolved that the Board of Pensions, in order to provide a cost effective plan for the entire Conference health plan, recommends that the local church lay employees no longer be eligible in the Conference health plan effective January 1, 2014 or the earliest date thereafter when Exchanges become available. Local churches should begin to consider providing coverage for full-time employees, allowing staff to enroll in an Exchange, having waivers signed for employees who have other coverage or reducing hours to less than 30 hours a week.

PERSONNEL POLICIES AND PROCEDURES MANUAL
Peninsula-Delaware Annual Conference
The United Methodist Church

10 PURPOSE / REVISIONS OF A POLICIES AND PROCEDURES MANUAL

PURPOSE

The Peninsula-Delaware Conference Policies and Procedures Manual is a summary of the guidelines for the employment relationship between the Peninsula-Delaware Conference and its employees.

All employees of the Peninsula-Delaware Conference are employed at will and not by contract. Employment at will means the employee and the Peninsula-Delaware Conference are free to terminate the employment relationship at any time without notice, and for any reason.

This manual is not an employment contract, and employees should not rely on the manual as a contract. It is a statement of operation procedures and policies for the Peninsula-Delaware Conference.

Whether or not the disciplinary and counseling procedures described here are followed, all employees are subject to dismissal without notice at any time, when in the sole opinion of management the employee's job performance and/or conduct is found unsatisfactory for any reason.

REVISIONS

Personnel policies governing the Peninsula-Delaware Conference are developed monitored and reviewed periodically by the Personnel Committee.

New or revised policies and/or procedures become effective upon approval by the Personnel Committee in consultation with the Resource Development and Management Team and the Board of Stewards for Camping and Retreat Ministries. Revisions to this manual may be recommended by any employee by submitting his/her recommendation(s) to the Personnel Committee. Revisions to the Policies and Procedures Manual shall be distributed in writing to employees.

RETURNS

Copies of the Personnel Policies and Procedures Manual, including revisions that are distributed to individual employees remain the property of the Peninsula-Delaware Conference and are to be returned to the Conference Office upon termination of employment.

101 NATURE OF EMPLOYMENT

EMPLOYMENT AT WILL

Employment with Peninsula-Delaware Conference is voluntarily entered into, and the employee is free to resign at will at any time, with or without cause.

Similarly, Peninsula-Delaware Conference may terminate the employment relationship at will at any time, with or without notice or cause, so long as there is no violation of applicable federal or state law.

By accepting employment, employees agree to conform to the policies and procedures of the Peninsula-Delaware Conference.

102 EMPLOYEE RELATIONS

Peninsula-Delaware Conference believes that the work conditions, wages, and benefits it offers to its employees are competitive with those offered by other non-profit employers in this area. Peninsula-Delaware Conference envisions and encourages all employees to work as a team in their work environment. If employees have concerns about work conditions or compensation, they are strongly encouraged to voice these concerns openly and directly to their supervisors.

Our experience has shown that when employees deal openly and directly with supervisors, the work environment can be excellent, communications can be clear, and attitudes can be positive. We believe that Peninsula-Delaware Conference amply demonstrates its commitment to employees by responding effectively to employee concerns.

103 EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION PLAN

The prophet Isaiah wrote in chapter 43, verses 6-7 (NEB): "Do not hold them back. Bring my sons and daughters from afar; bring them from the ends of the earth; bring everyone who is called by my name, all whom I have created, who I formed, all whom I have made for my glory."

As Christian disciples, we are called to obedience in Christ. We are told to do justice, love kindness, and walk humbly with our God (Micah 6:8). Again, the New Testament admonishes, "There is no such thing as Jew and Greek, slave and free man, male and female; you are all one person in Christ Jesus" (Galatians 3:28, NEB). This affirmation grows out of an understanding that the God we worship and serve is a continuing Creator, Redeemer and Sustainer, and that the church and its institutions are places where God is to be glorified and humankind is to be served.

The 1996 General Conference reaffirmed the openness of United Methodist Church membership. (All persons, without regard to race, color, national origin, or economic condition, shall be included.) The 1996 General Conference also reaffirmed our support for social and economic justice and the rights of women and ethnic minorities.

The United Methodist Church is an Equal Opportunity Employer and supports equal opportunity employment in all segments of society. The 1996 Book of Discipline, Paragraph 715 (Policies Relative to Discrimination) clearly states our position:

"It shall be the policy of The United Methodist church that all administrative agencies and institutions, including hospitals, homes, and educational institutions, shall: (a) recruit, employ, utilize, recompense, and promote their professional staff and other personnel in a manner consistent with the commitment of The United Methodist Church to ethnic, racial, and sexual inclusiveness; (b) fulfill their duties and responsibilities in a manner which does not involve segregation or discrimination on the basis of race, color, age, sex, **or** handicapping condition; and (c) provide for adequate representation by laity."

In accordance with this mandate, the Peninsula-Delaware Conference has committed itself to establishing, maintaining and monitoring the highest standards in equal opportunity employment.

104 INITIAL PERIOD OF EMPLOYMENT

An initial period of employment is a ninety (90)-calendar-day period during which an employee learns about the job and receives close review by a supervisor. During this time, an employee may be dismissed or employment terminated without prior notice or obligation.

During these ninety (90) days, employees are eligible for paid holidays falling within the regular work schedule. After the initial period of employment, the full-time or regular part-time employee is eligible for paid leave for illness accruing from the date of employment. After the first six months of employment, the regular full-time or regular part-time employee is eligible for vacation accruing from the date of employment.

105 DEFINITION OF EMPLOYEES

Employees are persons who receive wages or salaries from the Peninsula-Delaware Conference.

A. Regular Full-time Employees: Employees who work thirty (30) or more hours weekly on a continuous regular employment status. Under special emergency conditions such as major illness or other extenuating circumstances, a regular full-time employee may work less than thirty (30) hours weekly, but no less than twenty (20) hours weekly, for a specified short-term period (140 consecutive calendar days maximum) without losing full-time employee benefits. Regular full-time employees are eligible for all employee benefits. (See 104 - Initial Period of Employment.)

B.1. Regular Part-time Employees: Employees who work less than thirty (30) hours weekly, but no less than twenty (20) hours, on a continuous regular employment status and working schedule for a minimum of 140 calendar days. Regular part-time employees are eligible for the following employee benefits: paid vacation, paid holidays, and paid sick and bereavement leave benefits computed on a prorated/scheduled basis. Work hours may be extended for seasonal or short periods, but for no more than 140 calendar days, without change in employment or benefit status.

B.2. Regular Part-time Employees at Camping and Retreat Facilities: Employees who work an average of less than thirty (30) hours weekly, but no less than an average of twenty (20) hours weekly, on a continuous irregular working schedule throughout the calendar year. Regular part-time employees employed on an irregular schedule are eligible for paid vacation, paid holidays, and paid sick and bereavement leave benefits computed on a prorated basis after one (1) year of employment. The pro-rata percentage will be based on the average hours worked in the previous year.

C. Temporary/Seasonal Employees: Employees who are expected to work no more than 140 calendar days. Additional days will require prior approval by the supervisor. Temporary/seasonal employees are not eligible for employee benefits.

106 DEFINITION OF NON-EXEMPT, EXEMPT AND CLERGY CLASSIFICATIONS

Whether an employee is defined as exempt or non-exempt depends on (1) duties and responsibilities, and (2) salary. The following are definitions for these two categories:

Non-Exempt Employee

An employee that is protected and covered by the Fair Labor Standards Act of 1938 as amended. This employee is entitled to overtime pay when he/she has worked over forty (40) hours during the workweek. The Fair Labor Standards Act of 1938 as amended stipulates minimum wage, equal-pay, maximum hours, overtime-pay record keeping, and child labor standards.

Exempt Employee

An employee that has been removed from the protection and coverage of the Fair Labor Standards Act of 1938 as amended. Bona fide executive, administrative, and professional employees are exempt from the minimum wage and overtime requirements of the Act if they meet the tests set by the Fair Labor Standards Act of 1938.

Clergy Employee

A United Methodist clergy in an extension ministry.

107 CONTRACTED SERVICES

A self-employed person contracted by the Peninsula-Delaware Conference to provide a specific service is an independent contractor and is not to be considered an employee of the Peninsula-Delaware Conference of The United Methodist Church for any purpose.

The Peninsula-Delaware Conference is not obligated to provide office space, benefits or support services for a person under contract.

108 PERFORMANCE REVIEWS

Supervisors will conduct an annual performance review for each employee under their direction.

INITIAL PERIOD OF EMPLOYMENT

After ninety (90) calendar days on the job and under supervision, the employee's supervisor will review with the employee his/her performance of the duties and responsibilities of the job. The performance review shall be adequately documented in writing.

If the employee's job performance has successfully met the job expectations, he/she will be granted regular employment status. If the employee's performance is not acceptable, the supervisor may extend the initial period of employment for up to thirty (30) days if the supervisor believes the deficiencies can be remedied.

ANNUAL EVALUATION

There will be on-going communication between the employee and supervisor to provide opportunities for feedback related to the employee's performance.

By September 30 of each performance year, the supervisor will review the employee's overall work performance and complete a performance review. All annual performance reviews shall be adequately documented in writing and placed in the employee's personnel file.

109 ACCESS TO PERSONNEL FILES

Peninsula-Delaware Conference maintains a personnel file on each employee. The personnel file includes such information as the employee's job application, resume, records of training, job description, documentation of performance reviews and salary increases, and other employment records.

Personnel files are the property of Peninsula-Delaware Conference. Access to the information they contain is restricted to maintain confidentiality. Generally, only supervisors and management personnel of Peninsula-Delaware Conference who have a legitimate reason to review information in a file are allowed to do so.

Employees who wish to review their own file should contact the Director of Connectional Ministries or the Director of Benefits of Administrative Services. With reasonable advance notice, employees may review their own personnel files in Conference offices and in the presence of an individual appointed by the Peninsula-Delaware Conference to maintain the files. Nothing may be removed from the personnel file. However, photocopies may be provided to the employee.

Personnel files will be maintained at the worksite for up to twelve (12) months. Thereafter, they will be maintained in a central file in the Conference Business Office.

201 HOURS OF WORK

The normal workweek consists of 36 ¼ hours based on 5 days at 7 ¼ hours. The normal workweek begins at 12:01 a.m. Monday and ends 12:00 midnight Sunday.

Summer hours begin the first Friday following July 4 and end the Friday prior to Labor Day. The summer workweek consists of 36 hours based on 4 days at 9 hours.

The Conference Resource Center will be open five days a week.

202 ABSENCE DUE TO ILLNESS / WORK-RELATED INJURIES

Employees are expected to be at work every day. If illness or an unexpected emergency requires the employee to be absent, it is the employee's responsibility to notify his/her supervisor within thirty (30) minutes after the start of the workday of his/her scheduled arrival time. If the employee anticipates he/she will be absent for only a portion of the day, the supervisor is to be informed of the expected arrival time. If the employee's supervisor cannot be reached, the employee may notify a co-worker. After 3 days of absence without notification, job abandonment is assumed and the employee is terminated. (See 206 – Lateness and 208-Absence without Compensation.)

EXTENDED ILLNESS

When an extended absence (duration of three (3) or more days) for illness seems likely, the employee must notify his/her supervisor of the date when he/she expects to return to work. The Peninsula-Delaware Conference may also require a written statement by the doctor describing the medical condition and predicted date of return to work. This must be done in order for the employee to be placed upon the appropriate leave for the duration of

the absence. This notice is also necessary to allow for adequate scheduling of work during his/her absence. (See 502 - Sick Leave.)

WORK-RELATED INJURIES

Employees must report all work-related injuries. Any employee unable to complete his/her workday because of injury incurred while on the job will be paid for the balance of his/her regular workday.

When absence occurs due to work-related injuries, compensation may be available through Workers' Compensation insurance.

The difference in pay between Workers' Compensation and regular pay may be covered by available sick and vacation leave taken in full-day increments provided under the Peninsula-Delaware Conference sick and vacation leave policy.

203 EXEMPT STAFF ADJUSTED WORK SCHEDULE

Exempt employees are frequently required to work extended schedules because of the nature of their responsibilities. Although these persons are not eligible for overtime pay nor are they entitled to compensatory time, there is provision for an adjusted work schedule that may be taken in proportion to the need of the staff member.

204 ATTENDANCE RECORD

Attendance records are kept by the employee's supervisor.

As soon as problems are indicated, the supervisor shall discuss such problems with the employee.

The supervisor is responsible for advising the employee when:

- Sick leave or vacation allotment has been used up for the year.
- Absence without compensation has been incurred and falls within the disciplinary process. (See 208 - Absence Without Compensation.)
- Absenteeism becomes excessive affecting overall attendance and performance record. (See 209 - Unsatisfactory Attendance.)

205 OVERTIME

The Peninsula-Delaware Conference compensates non-exempt employees for overtime in accordance with federal and state laws. The Peninsula-Delaware Conference tries to plan required overtime with due regard for its impact on employees and the service needs of the Peninsula-Delaware Conference.

Overtime may be required as stipulated in employee job description or as deemed necessary by the supervisor. Included in an employee's performance record is his/her willingness and availability to work overtime.

All overtime for non-exempt employees is subject to the following conditions:

- A. Must be authorized in advance of time worked. Authorization will be by the supervisor.

- B. Will be compensated at regular rates for time worked between thirty (30) to forty (40) hours per week.
- C. Will be compensated at 1.5 times the regular rate for time worked over forty (40) hours per week.
- D. Will be compensated at 2 times the regular rate for time worked on holidays. (See 403 - Holidays.)
- F. Will be compensated at 2 times the regular rate for total hours worked after an official early close of a Conference facility because of inclement weather.
- G. Will exclude sick leave, vacation leave, bereavement leave, jury duty leave, and other civic duty leaves or volunteer service, when computing the forty (40) hour workweek.
- H. If it is mutually agreed by employee and supervisor that overtime worked is to be taken as time off in lieu of overtime pay, time off must be scheduled within a reasonable time.

206 LATENESS

Employees are expected to be in their work area according to the established work schedule. If an emergency arises causing lateness of more than thirty (30) minutes, employees are to call their supervisor within thirty (30) minutes after the start of the workday and report the expected time of arrival. If the supervisor cannot be reached, employees are to call a co-worker and report the expected time of arrival.

Any occurrence of an employee not arriving in his/her work area at the scheduled time constitutes lateness. Time lost may be made up within the workweek if approved by the supervisor. Anticipated lateness and make-up time approved in advance are not counted as late for disciplinary purposes.

Lateness problems that persist or become chronic will become a part of the employee's attendance and performance record. Employees with chronic lateness and attendance problems are subject to disciplinary and counseling procedures appropriate to unsatisfactory attendance, including probation and termination.

(See 209 - Unsatisfactory Attendance; 603 - Probation with Cause; and 604 - Involuntary Termination with Cause.)

207 PERMISSION FOR LEAVING WORKPLACE

A non-exempt employee who must leave the job during working hours (other than during the lunch period or breaks) must have permission from his/her supervisor/designated person before leaving. An employee who leaves the job during work hours without supervisor's approval is subject to disciplinary action.

208 ABSENCE WITHOUT COMPENSATION

Time worked less than the regular workweek or other established work schedule and not approved as sick leave, vacation, bereavement, maternity or paternity leave, jury duty, or civic duty, constitutes "Absence without Compensation."

INITIAL EMPLOYMENT

In the event a new employee is absent from work during the first ninety (90) days of initial employment, due to illness or personal emergency, this absence may be "excused without pay" if (1) accompanied by a doctor's statement in the event of illness and approved by the supervisor and (2) if the employee is advised of the policy and implications related to unsatisfactory attendance. Absences occurring within the initial period of employment may result in a thirty (30)-day extension of the initial period of employment at the discretion of the supervisor.

REGULAR EMPLOYMENT - DISCIPLINARY PROCESS

Absence without compensation will become a part of the employee's attendance and performance record. Should absenteeism become chronic, the employee may be subject to disciplinary action or termination.

Note: Disciplinary action related to absence without compensation does not apply to employees receiving Workers' Compensation.

UNREPORTED ABSENCE

Any employee whose absence from work is unreported for three (3) consecutive working days will be terminated. (See 604 - Involuntary Termination with Cause.)

Employees needing to be absent from work for an extensive period of time may request a leave of absence. (See 501 - Leave of Absence.)

209 UNSATISFACTORY ATTENDANCE

The Peninsula-Delaware Conference believes that employees should maintain a good attendance record, observe the established work schedule and act responsibly in the use of sick leave and vacation time.

Chronic absence and lateness problems constitute an unsatisfactory attendance record. The employee who is chronically absent from work simply cannot fulfill the role for which he/she was hired.

Chronic absence and lateness problems become a part of an employee's overall attendance and performance record, and may result in probation or termination. (See 603 - Probation With Cause and 604 - Involuntary Termination With Cause.)

210 TIME OFF FOR JURY AND OTHER CIVIC DUTIES

Time off with pay is granted to employees under the following conditions:

- A. A subpoena as a witness (witness fees may be retained).
- B. A call to serve on a jury (jury fees may be retained).
- C. National, state or local elections. If an employee cannot vote outside working hours, one (1) hour can be taken from the workday to vote.

No reimbursement of money received by employees as compensation or expense allowance for jury duty will be required to be made to the Peninsula-Delaware Conference.

| 5 through 9 | 15 |
| 10 through 19 | 20 |
| 20 or more | 25 |

A day of Vacation time used during "Summer Hours" is counted as 1.25 days.

Vacation time begins on the employee's anniversary date, can be used in minimum increments of one-half day and is forfeited if not used by the following anniversary date.

Non-exempt staff is expected to arrange vacation schedules in consultation with their immediate supervisor. When possible, the employee's preference for vacation time will be granted. If there is a conflict in the vacation time chosen, the supervisor will give consideration to the employee making the earliest request.

Peninsula-Delaware Conference observed holidays occurring during an employee's vacation are not counted as vacation time.

Additional time off without pay may be requested in advance, with final approval by the supervisor and/or Personnel Committee based on the needs of the Peninsula-Delaware Conference.

Upon termination of employment or retirement, employees will be paid for vacation time.

605 HARASSMENT OF EMPLOYEES

The Peninsula-Delaware Conference shall not condone nor tolerate harassment of one employee by another. Harassment may take the form of remarks about age, race, religion; sexually suggestive actions or statements; or any other activity which defames, ridicules, intimidates, or embarrasses an employee.

Complaints are kept confidential in order to protect the identity and rights of both persons involved. Complaints about harassment are to be reported in writing immediately to the Personnel Committee for confidential handling of the complaint.

Care will be taken to ensure there is no retaliation or intimidation toward person(s) making the complaint or persons serving as witnesses.

COUNSELING AND DISCIPLINARY PROCEDURES

The Personnel Committee shall investigate the alleged claim. The investigator shall gather facts from the complainant, the defendant and potential witnesses. If the investigation shows that harassment has occurred, the following disciplinary action will be initiated:

First Offense: The employee shall be given a written counseling statement that shall become part of the employee's personnel record. The Peninsula-Delaware Conference's policy shall be reviewed with the employee, describing the seriousness of the offense.

Second Offense: Grounds for dismissal.

606 SEXUAL HARASSMENT

Sexual harassment in the workplace is illegal. It violates Title VII of the Civil Rights Act 1964.

The Peninsula-Delaware Conference is committed to providing a work environment free from sexual harassment and intimidation. (Refer to the "Policy Statement of Sexual Misconduct Involving Clergy" in the 1993 Conference Journal.) The Peninsula-Delaware Conference will not tolerate sexual harassment by any employee, manager, supervisor, or non-employee. All employees are prohibited from demanding or requesting, either directly or indirectly, sexual favors of any kind.

The Equal Employment Opportunity Commission (EEOC) guidelines deal clearly with sexual harassment:

"Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- 1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- 2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such an individual; or
- 3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment."

Sexual harassment refers to behavior that is unwelcome, that is personally offensive, or that fails to respect the rights of others. Sexual harassment may take different forms:

- A. Verbal Harassment: Sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, threats.
- B. Non-verbal Harassment: Sexually suggestive objects, pictures, suggestive or insulting sounds, leering, whistling, or making obscene gestures.
- C. Physical Harassment: Unwanted physical contact, including unnecessary touching, patting, pinching; or subtle or overt pressure for sexual activity.

Sexual harassment, whatever form it takes--verbal, non-verbal or physical--is insulting and demeaning and will not be tolerated. All employees, managers and non-supervisors alike, will be expected to comply with this policy to ensure that such conduct does not occur. Violation of this policy will be considered just cause for disciplinary action which may include termination of employment.

Complaints are kept confidential in order to protect the identity and rights of both persons involved. Complaints are to be reported in writing immediately to the supervisor and Personnel Committee for confidential handling of the complaint.

Care will be taken to ensure there is no retaliation or intimidation toward the person(s) making the complaint or those persons serving as witnesses.

COUNSELING AND DISCIPLINARY PROCEDURES

The supervisor and Personnel Committee will investigate the alleged claim. The investigator will gather facts from the complainant, the defendant and potential witnesses. If the investigation shows that sexual harassment has occurred, the following disciplinary action will be initiated:

First Offense: The employee will be given a written counseling statement that shall become part of the employee's personnel record. The Peninsula-Delaware Conference's policy will be reviewed with the employee, describing the seriousness of the offense.

Second Offense: Grounds for dismissal.

607 GRIEVANCE PROCEDURE

Step I. Having made every effort to settle the grievance informally, the aggrieved employee shall submit a written grievance statement to his/her immediate supervisor within fifteen (15) working days of the event giving rise to the grievance. (Step I may be bypassed if the employee's grievance specifically involves his/her immediate supervisor.)

The written grievance statement must describe in detail the conduct from which the grievance arose. It must give specific date(s), time(s), and name(s) of (all) person(s) involved. The aggrieved employee will be limited to the events and conduct described in the written grievance statement through all steps of the procedure. New matters or complaints may not be considered during any subsequent step of the grievance procedure.

The immediate supervisor shall meet with the aggrieved employee, seek and consider all relevant facts, and provide a written response within fifteen (15) working days of receipt of the written grievance statement. The supervisor's written response must state the supervisor's position and decision upon each specific complaint as detailed by the aggrieved employee in the written grievance statement.

Step II. If the aggrieved employee is still dissatisfied following completion of Step I, he/she may submit the same written grievance statement to the Director of Resources, Director of Administrative Services, or Director of Camping and Retreat Ministries, as appropriate, within five (5) working days following receipt of the supervisor's response to Step I.

The Director of Resources, Director of Administrative Services, or Director of Camping and Retreat Ministries shall meet with the aggrieved employee within ten (10) working days of receipt of the written grievance statement and seek and consider all relevant facts. The Director of Resources, Director of Administrative Services, or Director of Camping and Retreat Ministries shall give a written response within fifteen (15) working days of the meeting.

The written response of the executive must state the executive's position and decision upon each specific complaint detailed by the aggrieved employee. (This step may be bypassed if the immediate supervisor is the Director of Resources, Director of Administrative Services, or Director of Camping and Retreat Ministries.)

Step III. Within five (5) working days of receipt of the response of the Director of Resources, Director of Administrative Services, or Director of Camping and Retreat Ministries from Step II, if still dissatisfied the aggrieved employee may submit a written request to meet with the Personnel Committee of the Peninsula-Delaware Conference to consider the grievance.

The chairperson of the Personnel Committee shall convene a meeting of the Personnel Committee to consider the grievance within ten (10) working days. The Personnel Committee shall meet with the aggrieved employee and other persons necessary for discussion of the grievance. The Personnel Committee shall seek and consider all relevant facts. The decision of the Personnel Committee shall be determined by majority vote.

The chairperson of the Personnel Committee shall have a written statement of the Committee's decision prepared and delivered to the aggrieved employee within fifteen (15) working days following the Committee's meeting with the aggrieved employee. The decision of the Personnel Committee shall be final and binding upon all parties.

Failure of an aggrieved employee to follow the time schedules indicated herein or an alternate time schedule substituted by written agreement shall end the Grievance Procedure.

Supervisors who fail to meet the time schedule may be subject to disciplinary actions. The failure of a supervisor to meet a deadline shall not affect the validity of the Grievance Procedure.

At each step of the Grievance Procedure, the aggrieved employee may be accompanied by a colleague for support and counsel. The aggrieved employee must identify the colleague to the person conducting the meeting at least 48 hours prior to the meeting. Failure to comply with this requirement shall be reason for a postponement or adjournment of the meeting.

608 EXIT INTERVIEWS

All employees who leave Peninsula-Delaware Conference employment should have an exit interview with the supervisor or Personnel Committee, as warranted. Exit interviews should be held as near the date of departure as possible.

Others may want to take this route, and we outline here the steps involved in case you may not be aware of the procedure.

1. All salary and conference apportionments are removed.
2. The church drops out of the listing of churches to which pastors are assigned. We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.
3. The only services to be held are weddings, funerals, or special occasions.
4. One or more special services a year may be held with the offering received to be used for the upkeep of the building.
5. The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
6. The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
7. This allows the possibility that should population shifts bring people into the area, we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

1. Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - A. A copy of the deed transferring the property into the name of the Charge Conference;
 - B. Specific directions for locating the property from a major highway; and
 - C. An 8" x 10" photograph of the church building.
2. The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared abandoned.
3. Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994 and June 10, 2010.)

Advocacy Resource Team

Mission:

The mission of the Advocacy Resource Team (ART) is to help the Annual Conference and our local churches to live out the biblical mandate found in Micah 6:8, “. . . *What does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?*” Jesus’ calling and ministry echoed these values of the Reign of God. He was always seeking to include those who were marginalized, disenfranchised, or oppressed. He then enabled them to know God in a more powerful, intimate way. The ART seeks to do the same through sharing ministries of compassion and justice.

We also seek to help the Annual Conference live into its theme of *Diversity—Embrace It, Celebrate It* through resourcing ministries of compassion and justice at the local church level. These are opportunities for us to break down walls and barriers and bring love and unity to our hurting communities. As our Bishop, Peggy Johnson, has said, “*The goal of justice is not for me to win and for you to lose, but for us to find a way forward together. The goal of justice is not to continue to punish yourself or others, but to find a new freedom that energizes all of life . . . Justice is the real deal: the radical surgery that creates real healing. It demands our total involvement. And God is using it every day to change the world.*” It is this call upon all of us that drives the team and helps give it the passion to be the hands and feet of Jesus to a hurting world.

This has been a year of mixed accomplishments. We have done much, contemplated much, and learned much. As we have reflected back on the last year, it is clear that we are beginning to move towards a new model of ministry—one that empowers the local church and its disciples to take the initiative in developing ministries of compassion and justice within their own contexts and communities. This really is exciting! We hope to see ministry in the local context, done by local parishioners that help local people in need. May God bless this work and the goals that we have set for next year.

Review of Goals for 2012/2013 Conference Year:

This has been a year of learning and growing. We have journeyed down the road of ministry with God and have produced fruit in some areas and found barrenness in others.

- **Clearly articulate the vision of the Advocacy Resource Team for the 2012-2016 Quadrennium.** This is still a work in progress. While we have begun the process, it may take the entire quadrennium to get our message out to the local churches.
- **Improve our communication.** We have had some success in improving our communication. However, there is much more work to be done. We have accomplished very little in the list below beyond getting the email listserv up and running.
 - Upgrade our web presence through the Conference’s webpage.
 - Create and share an ongoing electronic publication of the ART accomplishments, ministries, and opportunities.
 - Implement a listserv email database to facilitate rapid communications with local church leaders.
 - Develop a method of effective two-way communications between the ART and the local churches.
 - Determine areas of interest in each of the local churches that overlap with the ministries of the ART.
- **Focus on two critical areas of the compassion and justice ministries: Poverty and Access to Health Care.** The focus in these areas has not brought the success that we anticipated for the time and effort invested in them. This does not mean that they are not issues of great importance. They certainly are. We are in the process of rethinking this type of focused approach.
- **Leverage any learnings from these foci to the other ministries of the ART.** Over the last year, this is what we have learned:
 - Without individuals to champion these critical issues, they do not become foci. Most of our team is made up of committed members that are passionate about certain issues or ministries. There may be general consensus that poverty and healthcare are important, but if the Holy Spirit

doesn't move to provide passion, then these efforts suffer from lack of energy and enthusiasm. Passion and drive are critical to sustaining the ministry.

- The Advocacy Resource Team is composed of very busy people! Making these issues a priority requires that we divert our attention from other worthwhile activities and opportunities. This is a difficult task and one that we were unsuccessful in achieving.
- **Begin a dialogue with every local church in the Conference concerning how best to resource their ministries of mercy and justice.** While we have not been able to reach every local church in the Annual Conference, we have begun this process and look forward to expanding our reach and relationships.
- **Seek to engage every lay member of the Peninsula-Delaware Annual Conference in a justice or mercy ministry in their community.** This will remain a goal for the quadrennium, and is just beginning to get started.

Goals for 2012/2013 Conference Year:

If we are truly to learn, then we must change as a result. Our goals for the next Conference year reflect some of these learnings.

- **Clearly articulate the vision of the Advocacy Resource Team for the 2012-2016 Quadrennium.**
- **Improve our communication.**
 - Upgrade our web presence through the Conference's webpage.
 - Create and share an ongoing electronic print and video resources of the ART accomplishments, ministries, and opportunities.
 - Develop a method of effective two-way communications between the ART and the local churches.
 - Determine areas of interest in each of the local churches that overlap with the ministries of the ART.
- **Empower Conference ministries of compassion and justice and provide support to help them produce fruit.**
- **Begin dialogue with as many local churches as possible in the Conference to resource their ministries of compassion and justice.**
- **Reach out to other Annual Conferences, General Boards, and various agencies to leverage resources for the ART and local churches in our Conference.**

We feel that these goals will focus us in areas that will make significant impact in our Conference. The Advocacy Resource Team is committed to working through local churches to improve the lives of people both on the inside and on the outside of our walls. We seek to help committed Christians to live out their faith through ministries of compassion and justice, and to engage the outside world through these same ministries so that they may see Jesus in us.

You are invited to be part of this adventure with us. If you would like more information or would like to join us on the team, contact our coordinator, Tom Pasmore tom.pasmore@gmail.com. We always are looking for more advocates to be about the work of Christ.

Committee On Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within the Peninsula-Delaware Annual Conference of the United Methodist Church.

Section 1: Review of 2012 Goals

- To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at Nurturing Wholeness in Community retreats in the Conference.
- To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American Issues and ministry. We continue to offer our resources for lay academies and other awareness and training events within our Conference and throughout the Methodist connection.
- To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of our speakers and their effective impact on local churches/communities. This is ongoing and a major goal of our committee. We are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.
- To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the conference. Our CONAM invites the two pastors from our Native American churches to be a part of our committee and encourages their presence and input at our meetings.
- To expand the ministry of CONAM into other areas of the Peninsula-Delaware Conference area. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as pow wows and festivals.
- To continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CONAM. We make available to the local congregations resources, speakers, materials and ideas for having and conducting a service for this special offering Sunday. We are encouraging our CONAM representatives to help design a Native American Ministries Sunday worship service.
- To provide financial support for persons to attend Native American Leadership Academy, Flying With Eagles, youth leadership training, Native American lay speaking school and other Native American awareness, training events and leadership opportunities. This is a major goal of CONAM and is ongoing.
- To continue a card ministry. Many CONAM members continue to participate in card ministries to Native peoples they have come in contact with through their participation in various Native events locally and/or within our Methodist connection.
- To continue to seek to identify other Native American/American Indian tribal peoples and those with Native American/American Indian heritage, living within the boundaries of our annual conference. This is a major goal of CONAM and is ongoing. Many peoples have been identified through contacts with congregations as well as other speaking venues. We encourage our CONAM representatives to help identify those of Natives within their churches.
- To continue to provide CONAM representatives from churches/charges in our annual conference. We shall continue to encourage District Superintendents to follow paragraph 654, page 458 of The Book of Discipline, where at charge conference a person will be named as representative to CONAM. Once representatives are made known, CONAM will have a gathering session to inform representatives of their responsibilities, bring awareness of CONAM and be in relationship and partnership with them.

Section 2: Significant Events 2012

CONAM committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our annual conference and beyond.

NURTURING WHOLENESS IN COMMUNITY LEVEL 1 & 2: CONAM members have assumed leadership positions at these retreat experiences. Sharing history of Native people within the church. Bringing awareness of ongoing historical grief and trauma experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing. This event has been attended by members of the

EPA conference and helped in bringing awareness that has led to members of EPA supporting the EPA CONAM.

NDN STIXS: A youth ministry for the Nanticoke tribal youth. This ministry is under the direction of Ragghi Calentine and boe harris. The newly renamed NDN STIXS continue their journey of meeting on a regular basis emphasizing relationship with Creator God, community service, tribal participation, mentoring younger youth and being helping hands to the tribal community elders. This group began almost 10 years ago and today's group is made up of younger relatives and children of the original group of young ladies. Many in this group are a part of the Nanticoke Dance Troupe and travel with the troupe when invited to share their culture. The NDN STIXS continues to fund raise so they may travel to be a part of national Native American events. CONAM has committed to a monthly donation so this group can have materials and crafts for their weekly meetings.

NATIVE WRITERS WORKSHOP: This is an ongoing event sponsored by NACP (Native American Comprehensive Plan). Section 4: Goals for 2013

CONAM shall continue to make our voices and presence known within our conference and beyond, being a pathway to awareness and education. We shall continue to bring awareness of Indian mascots and how they continue racism and the cycle of historical trauma and grief, and how that affects reconciliation and healing process of our Native people.

CONAM will continue to encourage our district superintendents to fulfill the position of a CONAM representative in each of our conference churches or charges.

CONAM will continue to arrange training events for our church/charge conference representatives to our CONAM committee.

CONAM will provide opportunity to visit the National Museum of the American Indian.

CONAM will offer to be a resource in the reconciliation and repentance process.

CONAM wishes to thank all those that have invited us to be a part of their Native American Ministries Sunday worship services, gatherings and events. We look towards many more invitations. We appreciate all of the financial support that our churches have given us. With your generosity our work can continue.

Methodist Action Program

In 2012, the Methodist Action Program continued to minister to at-risk populations in the City of Wilmington, New Castle, DE and Cecil County, MD. Our primary ministries are the following:

- Youth Moving Forward (a 16 week intervention/prevention program for first-time, non-violent adjudicated youth)
- Homeless Services at "Old Asbury church" in partnership with Friendship House and Emmanuel Dining Room
- Los Abuelos (Hispanic Senior Center), operated in partnership with the Latin American Community Center
- Emergency utility and housing services offered in conjunction with the F.A.I.T.H. Center

In 2012, the Youth Moving Forward ministry to at-risk teenagers continued to thrive. Through our partnership with the Department of Youth and Rehabilitative Services, we provide mentoring and life-skills training to youth ages 11-17 who have had an initial encounter with the criminal justice system. Rather than impose a stringent penalty on these relatively benign first-time offenders, judges refer these offenders to Youth Moving Forward for intervention services. Now in our twelfth year, this program has achieved a remarkably low recidivism rate of 15% and has successfully helped first-time offenders straighten out their lives and pursue valuable endeavors such as college education or gainful employment.

The largest homeless ministry in Wilmington operates out of historic Old Asbury Church in the heart of Wilmington. Over 150 meals are served daily (except Easter, Thanksgiving and Christmas Day), free of charge, to disenfranchised persons by Emmanuel Dining Room. Friendship House operates the "Men's Day Center" on the 2nd and 3rd floors, providing vital services to homeless men. Here, men receive housing, employment, educational services and vital records assistance which facilitate their transition to self-sufficiency. The F.A.I.T.H. Center provides emergency utility and housing services to needy citizens of the community. The sanctuary is rented by Macedonia Baptist Church, a growing congregation that minister to the spiritual needs of the immediate community.

Los Abuelos is a program ministering to Latino seniors from various countries and communities in the Greater Wilmington area. It provides cultural and recreational activities, field trips, financial services as well as food and nutritional information. This is a vital ministry offered in conjunction with the Latin American Community Center and supports a segment of the community that often feels neglected because the members are not native to the country and do not speak the primary language with great facility.

2013 Program Goals

- Strengthen the relationship with Wilmington District churches to address urban concerns.
- Develop sustainable, dedicated funding sources to sustain the Youth Moving Forward program.
- Explore opportunities to expand both Youth Moving Forward and Los Abuelos programming to suburban.
- To seek Capital Grants to upgrade the Old Asbury Church facilities to sustain the programs operating at this facility.

Mission Statement: With God's love from within, Neighborhood House provides services and programs that educate, enlighten and empower people and the community.

Neighborhood House, Inc. is a non-profit, social service agency with locations in Wilmington and Middletown, Delaware, founded by the United Methodist Women's Home Missionary Society in 1927. The agency has continued to provide a vital ministry for the residents in and around the South Wilmington community and the Middletown-Odessa-Townsend community – over 60% are low to moderate income and/or single parent households throughout New Castle County.

Neighborhood House operates on a foundation of Christian principles pursuing two primary purposes:

- assist and guide people with finding their own paths of awareness, self-sufficiency, productivity, hopefulness and success; and
- Provide leadership, support, and advocacy for a comprehensive approach to community, economic, and leadership development.

Better housing, family unity, education, counseling, recreation, neighborhood development and racial and cultural understanding, as well as spiritual and emotional enrichment are important aspects of programs and services that meet the various needs of the people we serve.

Neighborhood House is still committed in making a difference in the lives of people in New Castle County especially the South Wilmington and the Middletown, Odessa and Townsend communities.

2012 Highlights of Programs Addressing

Healthy Church Initiative Pathways

85TH Anniversary Celebration - The “mission” known as Neighborhood House started on November 12, 1927 with classes for kindergarten children. Neighborhood House, Inc. celebrated 85 years of being “An Anchor of Hope” in the South Wilmington Community on October 26, 2012. The celebration was held at Deerfield Inn in Newark Delaware. We were honored to have Ebony Cody of the United Methodist Women, national office of The United Methodist Church as our guest.

Eliminate poverty in community with the poor –

The Family Services program is designed to assist families and individuals to meet their immediate basic needs of food, heat and electricity in crisis situations. The agency assisted 822 unduplicated families in 2012. Some of the services offered are: emergency food closet, financial assistance/leveraging funds for utility bills, Thanksgiving/Christmas food baskets, and Christmas adopt-a-family program, The Hope Club, Back to school book bag giveaway bus tickets for employment and life skill workshops.

511 families were serviced from the food closet; 138 received utility assistance and avoided disconnection of services; 99 families received back to school book bags with supplies, 6 individuals received employment preparation, 46 families participated in the Hope Food Club, 215 families received Thanksgiving baskets, 131 Christmas baskets and 209 families were adopted for Christmas.

The Promoting Safe and Stable Families exists to serve families with social, physical and emotional factors, such as lack of resources and support, stress and crisis, child behavioral difficulty and certain parental characteristics that can often challenge a parent’s coping skills. The Program uses a unique family centered intervention that helps parents to become the driving force behind the planning process to meet their children’s needs. The program serviced 287 unduplicated families with children under 18 with support services in 2012. As of 2013 we now have a consultant in both locations.

Neighborhood House was able to serve many clients through the emergency food closets in Middletown and South Wilmington, holiday food baskets and the Adoptive-Family Program at Christmas and the book bag give away.

The Housing Counseling Program provided a full range of services and advice to housing consumers in order to increase the number of homeowners and tenants by assisting them to purchase, rent and maintain affordable housing. The program is approved by the Dept. of HUD to provide comprehensive housing counseling. Counseling provided was Homebuyer Education, Foreclosure Intervention/Mortgage Default, Post-Purchase, Financial Literacy and or Home Maintenance. The program offers pre-purchase seminars, homebuyer education workshops and home ownership preservation workshops. 398 unduplicated households were assisted in 2012 to meet their housing goals or resolve their housing problem.

The Weatherization Program provides energy efficient improvements in the homes of low-income families to maximize energy savings and improve the health and safety of families. The agency administers the program in New Castle County.

Reach and transform the lives of the new generation of children --

The Youth Development Program offers the following activities – the Homework Help Assistance Program provides youth grades K thru 12 homework assistance, tutoring, and access to computers for research and reports, and computer training. Other activities include field trips, Extended Hours, Recreation & Sports Teams, Summer Enrichment Camp and Cultural Enrichment trips, Urban Bike Program, Teen Summits, Underage Drinking Town Hall Meetings, Wall Street Academy, Wilmington Grand Prix Bike Race and Family Movie Night, sleep over at Delaware Nature Center, Summer Enrichment Camp, Super Bowl Party, Walk for Hunger, Media Mentor, Week at Camp Pecometh, Father and Son Picnic Three hundred and seven (383) youth participated in the various programs in 2012. Luncheon was held for the 11 graduating seniors from South Wilmington (SW) at Neighborhood House. NHI worked with Barnes and Nobles to provide nooks to each graduate. This is important because previous years statistics has shown that only 1 person graduates from SW per year.

2012 Partnerships –

- South Wilmington Planning Network – This continues to be a strong partnership with Nemours Foundation, Henrietta Johnson Medical Center, HOPE Commission, Southbridge Civic Association, and local government officials serving as a vehicle for information and resource sharing among organizations that have a vested interest in the South Wilmington community. The network supports the various organizations and associations in their endeavors to improve both the physical and social structure of South Wilmington and to address the issues of area residents and its surrounding communities.

TOUCHED by the HEART of **Salisbury Urban Ministries**

Salisbury Urban Ministries mission is to develop and implement programs that serve and minister to the needs of materially impoverished people and to promote concern for racial understanding and appreciation of all people regardless of their economic condition.

Our programs include Kid's Café, Young Men of Promise, God's Kitchen and Lazarus Food Pantry. Salisbury Urban Ministries operates these programs with the help of volunteers from Wicomico, Somerset and Worcester Counties.

Locally, Salisbury Urban Ministries serves over fifty children in our children and youth programs. We provided food for more than 4,500 individuals through our Lazarus Program. We welcomed at God's kitchen, which is held at Grace United Methodist Church, anywhere between 150-200 men, women and children each Saturday morning. In addition to these ministries we give out over 37,000 dollars in financial assistance to

individuals and families in crisis and an additional \$8,000.00 to families and individuals to help with filling their prescriptions.

Because of God's generosity, through United Way, the Peninsula-Delaware Conference, covenant churches, area churches, local businesses, civic groups and individuals Salisbury Urban Ministries continue its mission to reach out to those who are materially impoverished. We give thanks to God for the many blessings and friends of Salisbury Urban Ministries whose passion is to help us reach out to the materially impoverished.

We are always humbled by the gifts and donations that come to us. The community blessed our children with Christmas gifts and individuals blessed our homeless men and women with warm clothes, hats, coats, gloves and food. Local churches along with Shore Up provided food for our pantry as well as, our children.

A special grant was given to SUM in 2012 that enable SUM to purchase a new van to help transport the children in the Kid's Café Program.

Salisbury Urban Ministries' goal for the coming year is to continue to live out our mission of reaching out to the materially impoverished. We will continue to focus in our Children and Youth Program on reading, writing, arithmetic and the development of social skills. We will enhance our computer center by purchasing new software. Our goal for the Lazarus Program is to increase awareness of this program by making ourselves available to speak at local churches, civic group and business in Wicomico, Somerset and Worcester Counties, as well as, in congregations within the bounds of the Peninsula Delaware Conference. We will continue to keep the doors of God's Kitchen open so that the neediest among us will not grow weary or go hungry but rather be physically and spiritually fed in the name of Christ.

Disability Ministries 2012

Summary of Activities:

The Committee on Disability Ministries was created to help the church grow in its ministry with people of all ages who have challenges with mobility, hearing, vision, psychological, cognitive and intellectual disabilities. In 2012, the committee was restructured with new leadership and a specific set of goals to guide our work for the next four years.

Review of 2012 Goals

- To establish district contacts/liaisons to improve communications of disability awareness trainings, resources, and other information across the conference. The liaisons formed the restructure committee and met over the course of the year; in addition to participating in district level meetings and trainings, they participated in advocacy efforts for people with disabilities and their families who are often marginalized, misunderstood, and objects of prejudice.
- To improve communications regarding disability ministries within the conference and jurisdiction. To accomplish this, we wrote two brochures which are available for download from the website. We also revamped and updated the committee's presence on the conference webpage under "Ministries" link and provided relevant resources and links; resources include prayers, liturgies, and sermon ideas for Disability Awareness Sunday.
- To implement a Disability Awareness Sunday on the Peninsula Delaware Conference and include representation from across all four districts in the submission of resources for the Disability Awareness Sunday; Disability Awareness Sunday is the last Sunday of January and seeks to not only educate congregations about persons with disabilities and their gifts as part of the Body of Christ but also to break down attitudinal barriers to enable all to see the beauty of God's diversity and creativity in all God's people. Sermon starters and ideas using the Revised Common Lectionary are offered as part of the resources for the Special Sunday to further show how

churches can use their current resources to connect with and include people with disabilities in the mission and ministry of sharing the Gospel of Jesus Christ.

- To implement an annual award of recognition to churches who are in ministry to and with people with disabilities. **The Disability Connection Award** was established to recognize churches that engage, educate, equip, and empower as they seek to connect people with disabilities to and with Christ, the church, and the community; the self-nomination forms are submitted by Feb. 14th with the announcement of recognition made at Annual Conference. The church that has made the most significant connections in the aforementioned areas will receive a cash gift to apply toward their ministry to and with persons with disabilities. For 2012 year, churches nominated for their work were Wyoming UMC, Wyoming, DE and St Paul UMC, Greensboro, MD.

Updated/new 2013 Goals

1. To review the established goals from 2012 and revise as necessary to improve our outreach to and inclusion of people with disabilities within our churches in an effort to make Christ accessible to all regardless of ability or disability.
2. To include more laity and a broader representation of the community on our committee so we can be more connected in our efforts to minister to and with people with disabilities in our churches and our communities.
3. To offer more education to clergy and laity on how to include persons with disabilities within the life of the church while meeting them where they are in their beliefs and their abilities.

The Peninsula Delaware Conference, through the Advocacy Resource Team and the Disability Ministries Committee, seek to assist churches and individuals in showing our love for our Lord, and Savior by fulfilling the Great Commission (Matt. 28:19-20) and the Great Commandment (Matt. 22:37-39) to ALL people, including people with disabilities. Suggestions and ideas are welcomed by the committee.

Respectfully submitted,
Rev. Rebecca Kelly Collison
Chairperson, Disability Ministries Committee

CHRISTIAN SERVICE TEAM

Peter D. Weaver Congo Partnership Team

Thanks be to God and to the churches of the Peninsula-Delaware Conference for all your prayers and financial support that has made the work of our Partnership possible this past year. God continues to bless our partnership with the Democratic Republic of the Congo. Our coalition with the Eastern Pennsylvania Conference and the Western North Carolina Conference has enabled us to expand our outreach in significant ways through addition funding, energy, prayer, and more people becoming involved.

We recognize that our Congo sisters and brothers will do as much for us as we will be able to do for them. Their faithfulness in the midst of incredibly challenging times and their love and passion for Jesus Christ encourages and challenges us to "go and do likewise. On our website, www.congo-mission.com, local churches and individuals can find information about specific projects they may want to adopt. It is a great way to engage U.M. Women and Men's groups or a youth group in making a difference. Last year, Churches in the Eastern Pennsylvania Conference raised over \$11,000 to purchase Bibles in the Otetella native language. A Church in the Peninsula-Delaware Conference provided funding to install a new pump in a well to provide water at the MPASA Clinic. A donation purchased 10 sewing machines for the Mbudi Technical School to teach trades that can help make someone financially productive. Visit our Web site for more information about how you can be involved.

Our Partnership Projects are the life-line of support for the Congo and, through the generous support of our Conference and an Eastern Shore Foundation; we have expanded our outreach at the MPASA Medical and Nutrition Center. Electricity was installed, long needed medical equipment purchased, and we expanded the feeding program to include severely malnourished children and elderly women. Property adjacent to MPASA was purchased as a site for a future

Pediatric building and a security wall is being constructed. Dr. Yohadi and her staff are doing amazing work at MPASA.

A Team from the US was sent to our three Agriculture Farms started just a year ago in various places across the Congo helping to teach others how to farm and become self-sufficient. These farms have done amazing work in the first year with new crops, cattle, construction of barns, fences, and other buildings. A training event will take place August 2013 so more people can become involved in the farms. The team witnessed what milk from the goats and cows can do in the future for the starving children in those communities!

We also expanded our medical outreach to include four areas in the central part of the Congo (Kananga, Wembo Nyama, Kindu, and Minga) that are remote and offering critical medical care to persons who would not have alternatives. These funds are used for medicines that every day saves lives.

A Cataract Medical Team went this year performing surgery at MPASA for people who were literally blind. A U.S. surgeon & small medical partnered with a Congolese surgeon and their staff to screen over 800 patients and perform over 150 surgical procedures giving sight to the blind! We left surgical equipment so the Congolese can continue providing eye care if we can provide the lenses and other needed medical supplies. Over \$100,000 worth of supplies were donated by U.S. companies taken by our team. As with any mission experience, the joy and blessing received by the team seemingly exceeded what they left behind. The Lord filled their hearts with amazing delight and gratitude for the humble privilege to serve God in this way. Thank you, Lord!

We fund a Mission Coordinator, Adolphe Yamba Yamba, who works with Bishop Yemba and our Partnership to assist us in assuring the timely delivery of resources and being an important communication link with our churches in the Conferences so we can hear regular stories about what is happening with our projects and receive current photographs and videos to use in our local churches to promote these ministries. Adolphe Yamba Yamba also assists our VIM teams that travel for specific purposes such as medical, education, construction, and agriculture.

We have several mission teams traveling to the Congo in 2013-14:

- Wembo Nyama – July 2013, David Ryan from Eastern Pennsylvania will help develop a new Children's Ministry program.
- MPASA Team to assist the medical clinic and nutrition program in July/August 2013 led by Sue Keefer. This will include the feeding program and working with the elderly women. A contractor will be going to help provide indoor water for MPASA for the first time!
- Cataract Surgical Team in August to Diengenga taking a surgeon and medicals staff from the US to join a surgeon and medical team from the Congo at MPASA. You can sponsor a patient that will literally be given sight for \$70!
- August 2013 – training at Diengenga for local farmers and workers
- Cultural Exchange: Indigenous people mission – several Native Americans from our conference meeting with the indigenous natives of the Congo. Date TBD

These are just a few of the exciting things happening with our partnership. You, and your local churches, help make all this possible through your prayers and your financial support. We are all indebted to the hard work of the Congo Partnership Team and the support of the churches of our Conference through financial gifts and prayer. Bishop Johnson and Cabinets have been very supportive and are looking at ways each district can be involved in specific projects of the Partnership enabling churches to work together.

Volunteer In Mission (VIM)

The Pen-Del United Methodist Volunteers in Mission UMVIM is the **short-term mission sending agency** of the Peninsula-Delaware Conference of the United Methodist Church. UMVIM exists to promote, encourage, and enable Christians to exemplify "Christian Love in Action" through short-term mission service at home—locally, regionally and nationally—as well as internationally.

VIM provides opportunities for service by developing and nurturing relationships with others, domestically and internationally. We seek to respond to the needs of local communities and provide comprehensive training resources for team leaders to assist them in preparing their teams for the mission field. VIM provides opportunities to serve in ministries of construction, medical ministries and Christian education, among others.

One of the most effective ways of transformation of individual faith lives, as well as the communal lives of congregations, is by sharing in service through VIM experiences. Further, the opportunities provided by VIM mission trips optimizes and strengthens the connectional system of our denomination by linking folks from churches all over the world in service to Christ.

This year, most especially, the Peninsula-Delaware Conference understood the importance of trained VIM leaders as the Crisfield area of our Conference suffered immense damage from Hurricane Sandy.

Goals:

1. **Provide VIM Team Leader Training and ultimately ensure that every VIM Team in our local churches has trained leadership.** Greg Forrester, UMVIM Coordinator for the Northeast Jurisdiction, again led VIM training at the *Change the World* Mission Event at St. Paul's UMC Odessa on Saturday 18 May. Also held at this event: sewing for mission, UMCOR kit assembly and work at the St. Paul's Covenant Garden which provides fresh vegetables for low income families in the MOT area.
 - a. **The VIM Team Leader Training has been recorded on DVD** and we are currently working with Greg Forrester to maximize this resource in our training arsenal as a compliment to "face-to-face" training.
 - b. Our committee is also available to come to local churches to provide training. To schedule training, contact either Rev. **Karin Tunnell** or **Jeff Blackwell** at jblackwell@gracechurchumc.org.
 - c. Training is open to all people with an interest in VIM ministry and encouraged for all.

2. **TO ENCOURAGE EVERY PASTOR AND LAY SERVANT TO PARTICIPATE IN MISSION.** Mission evangelism has been proven as one of the best vehicles to revitalize the faith lives of churches. Pastors and Lay Servants can set the example which Christ has given us to feed the hungry, visit the prisoner, take care of the orphans and widows—in other word, to partner with Christ for the transformation of the world.

3. **VIM OFFERS AFFORDABLE TEAM INSURANCE THROUGH THE NORTHEAST JURISDICTION**
Note: It is vitally important that teams have insurance. VIM Teams must have insurance. Even if you have medical insurance, team members need this insurance. This insurance is inexpensive, and it covers unforeseen events. For example, regular medical insurance is often suspended in disaster zones. Also, if a team member has a serious medical event (or dies) the insurance will not only pay for care, but will pay to transport them home. These are not things we typically consider, but they are extremely expensive in the rare occasions they occur.

Insurance is offered through the Northeast Jurisdiction VIM Office. Website: <http://new.gbgm-umc.org/about/us/mv/mission-teams-umvim/insurance-application-form/>

Cost is \$1.55 per day plus \$15 fee per person. Coverage is medical of \$10,000 with a \$250 deductible and medical evacuation and repatriation of \$100,000. The insurance sales also help to support the work of the NEJ VIM office, which makes significant contribution to our Conference VIM Ministry.

4. **Grants/Scholarships:** This past year we were able to award ten [10] grants for first-time missionaries. Parameters include demonstrated financial need (verified through pastor recommendation), willingness of local church to match the grant, maximum grant of \$250 from VIM to be matched by church, preference given to youth with at least five scholarships available for them, limited to 20 grants total (assuming \$250 each). Upon return from their trip recipients are to share their experience with their sponsoring church and submit a short witness with photographs for our website and blog. To receive an application, you may go the Conference Web Site and click on Volunteers in Mission at the bottom of the home page, or contact a member of the VIM Committee.
5. **Hub Ministry** Christiana UMC still houses an official HUB of Mission Central with Rev. Bonnie Jones-Goldstein serving as the site supervisors. This HUB is serving as a model for potential other HUBS around the Conference. The HUB is actively receiving items that are headed for Mission Central. Contact Rev. Jones-Goldstein at revbonnie@yahoo.com or 302-286-7002 to arrange for drop-off of items or to learn about servant opportunities. The Hub is open The First Friday of each month, starting @ 3 p.m. and is a terrific place to assist with assembly and verification of UMCOR kits as well as other mission opportunities.

One of our VIM goals is to have at least one HUB in each district—this is a great opportunity for perhaps your church to revitalize its mission ministry. NOTE: UMCOR has updated their kit lists at <http://www.umcor.org/UMCOR/Relief-Supplies>. Please be sure you are using up to date kit lists.

6. **Connect with VIM Teams throughout our Conference to provide prayer support, education, and communicate what God is doing. Report on Peninsula-Delaware VIM to General Board of Global Ministries.** We have also worked to provide communication of VIM Trips that are happening around the Conference. We think we may be aware of 25%-50% of the VIM ministry that is actually happening. If there is VIM ministry happening in your church, please ensure that these servants are connected with the Conference VIM Committee so that we can support, celebrate, equip, and encourage others to join any open teams. Contact Rev. Karin Tunnell at pastort@stpaulsodessa.org or 302-668-6685 or any member of the VIM Committee. We also report team activity to the Conference and the Jurisdiction, which ultimately goes to the General Board of Global Ministries. This data impacts budgeting at a national level, so if providing additional support for VIM is close to your heart, know that filling out annual reports is important.
7. **Communicate**
 - a. **Communicate Team Openings around our Conference.** These are now listed on the Conference web site and updated regularly. We are currently looking for someone to assist in this task. If you want to advertise a team, or find a team to join, check the web listing. To add to it, contact Rev. Karin Tunnell at pastort@stpaulsodessa.org or 302-668-6685. Also add your trip information on our Facebook page **Peninsula Delaware VIM Missions** and also on Facebook page **UMC Peninsula Delaware Disaster Response**.
 - b. **VIM News and Ministry Opportunities via listserv.** The VIM listserv for Peninsula-Delaware continues to be a source of ministry information for all who join. *To receive these email messages*, send an email to VIMNews-Subscribe@pecometh.org. This will ensure that you receive current information, especially when disaster strikes so that teams can form quickly for emergency response.
 - c. **Blog:** When you travel on VIM and when you return, we celebrate VIM through our conference blog, linked on the conference web site. This is a great way to share the stories of how God is working through local churches. We are making some upgrades to our blog but to submit an entry in text and/or pictures, email Rev. Karin Tunnell at PastorT@stpaulsodessa.org.
 - d. There is an **official UMC VIM web site for your use. Check out www.umvim.info** for information about national and international trips which are open for people to join. This site also provides excellent information on the many types of mission opportunities available in our denomination. This resource is also helpful when you are researching sites to travel to for VIM teams that are forming. If you would like

personal assistance connecting with a VIM site, please connect with a VIM Conference Committee member and we will be glad to assist you.

- c. **Speakers in local churches and Conference meetings.** Speakers have travelled to local churches as well as District Meetings to share about VIM ministry. We remain available and committed to do this. If you would like a speaker, contact a VIM team member.
8. **Video Production** We have now produced two videos and a PowerPoint celebrating VIM ministry which are designed to be used in the local church to share about VIM ministry. Copies are always available at no charge by contacting Rev. Karin Tunnell at PastorT@stpaulsodessa.org.

VIM Project Highlights

1. In immediate response to Hurricane Sandy, VIM sponsored a one-day blitz on November 15 in the Crisfield area in which more than 80 folks from at least 16 Conference churches to do menial but important work of clean up, raking, tree removal and more. While the Emergency Response Team is handling the scheduling of ER and VIM teams, VIM is partnering with them to provide training, guidance and information to VIM teams from around the country.
2. This year our third annual Community Volunteer in Mission Project concurrent with Annual Conference will be organized around the response to Hurricane Sandy in the Crisfield area. Rev. Yvonne Penn [Christian Service Team Chair] is taking the lead on this event, working with our Conference Disaster Response Coordinator Rev. Rich Walton and the Crisfield community, and connecting the Peninsula-Delaware Conference. Details are forthcoming including information regarding accommodations at UMES.
3. Costa Rica continues to be a wonderful international mission opportunity led by Gil Hoffman of Kent Island UMC, who missions there twice a year.
In 1996 one member of KIUMC went to Costa Rica with Calvary UMC, Annapolis. In November of 1996 the missionary from Costa Rica, Marion Woods visited Kent Island UMC and in 1997 five members from KIUMC participated in the VIM trip in January beginning a long term relationship with VIM in Costa Rica. Since that time over 100 different individuals from the Kent Island congregation have participated on one or more of the trips. The trips have centered on construction of church buildings, vacation bible school, and building relationships within the local church. Since 2005 two teams annually, led by KIUMC, have worked in Los Chiles building the church buildings and then improving the living conditions in the "precario" where many of the church members reside. The nature of the work the past four years is the local church establishes priorities for families from the church to provide clean water, dry floors and roofs that do not leak. Along with teams from FUMC Winter Park Florida, a standard house design has been created and 8 houses have been constructed in the past 4 years. In February 2012, a team of 17 from 4 churches in the conference area built 2 houses. The cost of construction is \$6000. Eleven of the team members were making the first VIM trip to Costa Rica and the response from most is "this will not be my last" and "it has been a life changing experience."

Mariners Bethel UMC has also established a relationship with this ministry. If you would like to explore this further, contact Gil Hoffman. gilhoffman@atlanticbb.net

4. Mission to Nicaragua is becoming an annual destination led by Rev. Karin Tunnell. Many opportunities are there, along with work with our missionaries and establishing new partnerships with the Methodist movement there.
5. VIM Trips going out from our Conference have been many places including Wilmington Urban Promise, Bolivia, Haiti, Congo, Red Bird, Costa Rica, Four Corners Reservation, New York Flood Response. That is just a smattering. Remember: VIM members with trip information, even if the trip is filled. We will include it on our site, so that we can celebrate it and lift it in prayer.

As we begin a new Conference year, we look forward to seeing God continue to work powerfully through Volunteers in Mission. If we can be of any support or help to you, please be in touch. You are our reason for serving. We look forward to growing in grace together.

Central Conference Pension Initiative (CCPI)

So, what is CCPI? This is an effort launched by the 2000 General Conference to raise an endowment to provide pensions to our pastors serving in Africa and Asia where 99% of them retire without any means of support. For \$10,000, we can provide enough income for one of these pastors to receive enough income to live on (imagine being happy with a monthly pension of \$50). By the end of 2012, the \$25 million goal was in sight. The 2009 AC Session committed to raising \$50,000 for CCPI before the end of 2012. To this end, we met our goal in early 2013. That does not mean CCPI does not need more gifts! Visit www.ccpi-umc.org to learn more about this important effort to provide financial security to our retire pastors in the Central Conferences (Africa, Asia, Eastern Europe, Russia).

Africa University Report

We raised \$8606 to endow scholarships at Africa University in 2012. By receiving an offering on Africa University Sunday (2nd one in Nov), we make the earnings on our endowed scholarships keep up with the rising cost of education.

Visit www.support-africauniversity.org to learn how to become an Honorary Alumni of Africa University or how to include AU in your estate plans. Visit www.africau.edu to learn more about Africa University itself.

We are very pleased to inform you that the following students are the recipients of the Peninsula-Delaware Annual Conference Endowed Scholarship Fund for the 2012-2013 academic year:

Special Sundays Report

Giving to the six UMC Special Sundays was \$72201, up 6% from 2012 but still below our goal of \$1.00 per member of the Annual Conference. Raising these Sundays up in our churches not only provides vital scholarship funding, it increases our members' awareness of how diverse our people and ministry outreach programs are. Churches have found many ways to financially support these Sundays: individual or one combined offering, inclusion within their mission's budget, or free will offerings. Our conference is blessed with several Native American speakers who want to be asked to come in support of Native American Ministries Sunday (50% of that offering remains within the AC).

Annual Conference Appeal

The 2012 Annual Conference Appeal (Congo Partnership, CCPI, and BOOM) approached \$50,000, up 20% from 2011. This year we are asking churches to raise funds for the Central Congo Partnership, BOOM Scholarships, and AC VIM/Disaster Relief efforts needs. Please raise these needs within your churches and bring your gifts to Annual Conference (envelopes are provided within the pre-conference packet). Let's see if we can get break our record of \$55,000!!

Board of Ordained Ministry (BOOM) Scholarships

In any year, our Conference has 45-60 pastors in school; available funds cover only 20% of their tuition, books, and other expenses. There are some churches that raise 100% of the school costs for any member who goes into the ministry – wouldn't it be great if more did! While waiting for that date, this is our second largest source of pastor scholarship funds (after your apportionment-supported Ministerial Education Fund dollars). The pastor you help educated today could be assigned to your church tomorrow!

Conference Advance Specials

The 2013 session of Annual Conference will be asked to re-approve seven Conference Advance Specials. Each will be assigned a Sunday for churches to raise the need to their members. Even if you chose not to ask for gifts, please use those Sunday's as an educational opportunity. You

might be surprised by the response! There is a resolution in the pre-conference packet listing the seven appeals.

The Need Continues

Even though much effort is focused on the Annual Conference Appeal effort, the need does not start or end in the second week in June. These appeals do not have the "luxury" of being on TV each night so it's up to you pastors and lay leaders to bring these needs to our people and see how God leads them to give. To assist in your planning, we have set up a \$1.00/month guide to consider.

The Central Congo Partnership - \$1 per member

Launched in 2003, our support has become even more vital as the economy in the Democratic Republic of the Congo has failed to recover from years of Civil War. Your dollar pays salaries and supplies for the medical clinic. It buys food for the nutrition center. We are now starting an agricultural project to aid local farmers.

The Annual Conference Appeal - \$1 per member

Each year the Sessions Committee selects several pressing needs here and around the world to give special attention to. Your generous support has allowed us to raise more each year to where we are now 50% of the way to reaching this goal. Early each spring, churches will be sent information related to that year's Appeal.

Special Sundays - \$1 per member

These Sundays raise funds to address special needs people in our country have. They allow you to share with your church what the UMC is doing to combat some of the social problems facing our nation. Each church is asked to raise at least \$1 per member for the Special Sundays, less than the cost of a cup of coffee or a soda. If your church wants to take one offering and divide it up to six ways, that's fine, too.

Board of Ordained Ministry (BOOM) Scholarship Fund - \$1 per member

With funds provided by your apportionment payments, our Conference can only cover about 16% of the cost of training our pastors in seminary and the Course of Study program. We need to do better. Donations to the BOOM Scholarship Fund help us cover more of this educational expense. For churches who have a member studying to be a pastor, adopt them as a missionary and cover part or all of their training expenses. This goal will allow our Conference to cover almost 25% of these costs!

Local Outreach and Conference Advance Specials - \$3 per member

Missions outreach starts just outside the church door. What can your church do for the hurting in your community? Support local food & clothes efforts; Habitat for Humanity or conference supported centers such as Neighborhood House and Salisbury Urban Ministries. Completing pledges to Africa University and CCPI would also be covered by this \$1.

The Advance/Missionary Support - \$5 per member

The Advance has over 2000 projects to choose from covering every possible ministry and over 100 countries. Every church should be able to find at least one that touches their heart. Or select a missionary to support. Remember, 100% of all Advance gifts go to the project or missionary. Support costs are covered by your apportionments.

➤ **Important:** All missions support (other than purely local projects) should be sent to the Conference Office in a timely manner using the official Conference Benevolence Transmittal Form.

For more information on any of these missions topics, go to www.pen-del.org

Annual Conference Appeals Approved

Bishop Peggy Johnson and the Sessions Team have endorsed the Appeals Coordinator's proposal for offerings at the 2012 session of Annual Conference. Please consider these needs as you plan for the first half of the year. The Appeals for 2013 are:

- VIM/Disaster Recovery: Offering will provide scholarships to first-time VIM team member in need of partial support. Funds will also be provided to Pen-Del churches damaged by Hurricane Sandy.
- Central Congo Partnership: This Appeal supports our work in the Democratic Republic of the Congo (medical, food, education efforts).
- Board of Ordained Ministry (BOOM) Scholarships: This Appeal supplements the MEF apportioned funds retained by the AC to provide financial support to pastors in seminary or the Course of Study program.

In addition, a resolution will be voted on at Annual conference to raise \$50,000 for Imagine No Malaria between now and the 2014 Annual Conference session. Churches will be asked to make a commitment for INM at this year's session. A commitment form will be attached to the resolution sent in your Pre-Conference packet.

One envelope allowing designation to any/all three Appeals will be sent out this spring in the Pre-Conference packets. All pastors should by now have received a complete list of all Conference Appeal and Special Sundays for 2013. If not, email me and I will send you a copy (Missionsezar@aol.com). Thanks for your support.

PENINSULA-DELAWARE ANNUAL CONFERENCE: AFRICA UNIVERSITY PROGRESS REPORT 2013

Africa University is deeply grateful to the Peninsula-Delaware Conference for its leadership in giving to the Africa University Fund (AUF). We thank you for your 100% investment to the AUF in 2012. In total, 27 annual conferences met 100% of their asking. Other annual conferences also increased their support and overall giving to the AUF reached a new record of 93.35%.

By consistently giving at 100%, the churches of the Peninsula-Delaware Conference have provided financial aid for needy students as well as vital teaching tools and a great learning environment. Your gifts ensure that Africa University has dedicated faculty to inspire, train and nurture a generation of new leaders. More importantly, these contributions allow the university to plan with confidence, knowing that it can rely on the church's ongoing investment in the AUF to meet its day-to-day and operational expenses.

We urge you to continue to invest in the AUF at 100% of the asking, or higher. Demand for an Africa University education is growing. More than 1,200 qualified applicants sought admission in August 2012. The university had space for only about 400 freshmen. Currently, women account for 52% of the total enrollment, which stands at 1,386 students. In addition, 25 African nations are represented in the student body.

Scholarships and financial aid grants are vital to access. More than 90% of the students at Africa University need assistance—scholarships, financial aid grants and work study—in order to pay their tuition and other fees. For the vast majority, a direct or endowed scholarship award made possible by your generosity is their only means of attending university.

Throughout 2012, the 20th anniversary celebrations highlighted the crucial role that Africa University is already playing in the life of our global church. The Rev. Dr. Laishi Bwalya, for example, is superintendent of the Zambia Provisional Conference and a member of the Connectional Table of The United Methodist Church for 2013-2016. Africa University graduates serve as directors on general agency boards and in regional leadership roles. Across Africa, more than 4,700 graduates are helping to eradicate hunger, poverty, disease, conflict and hopelessness.

Africa University's full potential is not yet realized. For every graduate, there are hundreds of gifted persons who are praying for a chance to be equipped to serve. That's why Africa University is doubling its efforts to raise scholarships and develop more online distance learning programs.

Thank you for your steadfast belief in and support for the "School of Dreams". With your gifts and prayers, you have helped to establish a life-changing ministry that gives hope to persons living in challenging circumstances. Continue to give faithfully. Help us to grow this ministry in ways that will continue to make disciples of Jesus Christ who transform communities.

Please pray without ceasing for your Africa University. Changing Africa: Learning here. Living here. Leading here. Serving God. All the time. Everywhere.

James H. Salley, Associate Vice Chancellor for Institutional Advancement

Conference Board of Higher Education and Campus Ministry

This has been another eventful year for the Conference Board of Higher Education and Campus ministries, as we have continued to meet to further the cause of campus ministries. We have worked at accomplishing our goals for the past year with some degree of success, yet much work is still to be done.

Our goals from last year were:

1. To compile and maintain a list of college students from our conference to ensure connection with the local Wesley Foundation or United Methodist Church.
2. To celebrate the support of our congregations toward Higher Education by recognizing all the churches that provide scholarships to students who pursue post-secondary education.
3. To help the Wesley Foundations increase their awareness on campus as needed.
4. To ensure that all Wesley Foundation Boards are operating according to the guidelines set by the book of Discipline.
5. To encourage local churches to engage with the colleges in their communities and to consider beginning a Holy Club, a Wesley Foundation, a Bible Study or a College and Young Adult Group.
6. To encourage churches to maintain connection with their students as they attend college.

The success of each goal is as follows:

1. With the help of the District Superintendents and the support of the Book of Discipline a new sheet was added to the Charge Conference reports which aids in the compiling and maintaining of the list of students. As the reports are still coming in as of this writing, thus far we have over 400 students from our conference attending over 90 schools of higher learning. Nearly ½ of those schools have a Wesley Foundation or Methodist Student Group active on campus. However, due to the reports not coming in until Charge Conference, we had very limited success at getting the students connected with one of these organizations in the first few weeks of the school year, which is the most crucial time for students to join such an organization. We hope to encourage Churches and Pastors to turn these forms in prior to August 1st, so that the connections can be made and we can continue the push to keep our students connected to The United Methodist Church.

A note to the Pastors or advisors who fill out the contact information, we are not looking for the address of the school, but a way for the campus ministers to contact the students who are at school. Therefore, all contact information is important if we truly desire to help these students get connected.

2. We have had little response to requests from churches indicating that they provide scholarships. Thus far only three churches have indicated they are supporting their students this way, but we suspect it is a much higher number.
3. We continue to encourage the Wesley Foundations as needed and have offered help to some with websites and other resources. In general, the Wesley Foundations continue to be visible.
4. We are still working on a few of the Wesley Foundation Boards, but much work has been done at Delaware State University, and the appointment of a new Campus Minister, Rev. Rudy White, as well as the new board president, Rev. Alice Ervin is ensuring that the ministry is well on its way. The students are very active and committed to having a place for Methodists on the campus.
5. We have had a few conversations with churches that are actively pursuing Campus ministries, yet we still have many campuses that are being underserved. Many of our students are commuters (at least 25%) and are attending a community college that does not offer a Wesley Foundation or college age campus ministry. This is where the local church can truly be the lifeline to keeping these students connected. They need something more than youth group, something that will address their issues and give them guidance as they make their way through this transitional time. Churches are encouraged to start a college ministry group or Bible Study that will meet this drastic need.
6. We pushed the idea of connecting with students and provided resources for churches who desired to do so. We hope to continue to promote this in the coming year as we

seek creative ways of keeping the future leaders of the Church, connected with our churches.

We hope to continue promoting the Special Sunday Offerings throughout the year as they contribute to various scholarships and educational opportunities throughout the world. We encourage every congregation to help afford others the chance for educational advancement by the support of these offerings.

We are pleased to present a Merit Scholarship each year to a student from our Annual Conference and highlight a person who has demonstrated a devotion to Campus Ministry and Higher Education through the Francis Asbury Award.

Our goals for the coming year remain largely the same:

1. To compile and maintain a list of college students from our conference to ensure connection with the local Wesley Foundation or United Methodist Church.
2. To compile a list of Churches within our Annual Conference who support higher education by giving scholarships.
3. To help Wesley Foundations in their ministry to students.
4. To encourage local churches to engage with the colleges in their communities and to consider beginning a Holy Club, a Wesley Foundation, a Bible Study or a College and Young Adult Group.
5. To provide resources to local churches as they maintain connection with their students who attend college.
6. To seek ways to support new campus ministry efforts.

Board of Ordained Ministry

I begin with a word of gratitude for our wonderful Board of Ordained Ministry. Time after time this year, they have demonstrated a passionate desire to serve God and our Annual Conference in significant ways. It has been my absolute pleaser to work alongside of this board of colleagues.

This New Quadrennium has brought about a myriad of challenge and change for the Board, including significant transition. The Quadrennial trainings and webinars have provided the Board with a valuable balance of information and resources as we build community and implement the changes from 2012 General Conference. The trainings also helped identify incongruities and to lessen the gap between our theology and our practice.

The ministry of the Board is a sacred responsibility of assisting others in discerning the nature of their call to ministry. By Discipline, the Board of Ordained Ministry has the following functions:

- Assume primary responsibility for the enlistment and recruitment of candidates for ordained ministry (§635.2a).
- Examine applicants' potential, readiness and effectiveness for licensed and ordained ministry (§635.2h).
- Interview candidates and recommend approval or discontinuance to the clergy session including Annual appointment as local pastors (§635.2j). Ordination as deacons or elders (§635.2j). Annual recommendation of students from other denominations (§318.4). Annual recommendation of clergy from other denominations (§346.1).
- Provide support services for the ordained minister's career development (§635.2o).
- Develop standards of evaluation for effectiveness of clergy in cooperation with the cabinet, and provide a means of evaluating the effectiveness of ministers in the annual conference (§635.2r).
- Annually train mentors in each district, in consultation with the district

- superintendent and vocational discernment coordinator to work with candidates, local pastors, and provisional members (§349.1, §635.2f)
- Interpret the high ethical standards of ordained ministry and study matters pertaining to character (§ 635.2s).
- Explain and promote the Ministerial Education Fund.
- Renew a culture of call in the church, especially among youth and young adults (§635.2b).

By the grace of God, we can commit ourselves to this ministry always seeking to learn from our successes and failures. "The process encourages the Board to ask ourselves how our theology about God, the church and mission are reflected in the way we carry out our ministry." May God be with us in this time!

Grace and Peace,
Darlene M. Dixon

Fellowship of Associate Members and Local Pastors

Peninsula-Delaware Conference and Eastern Pennsylvania Conference Fellowship of Associate Members and Local Pastors met at Black Rock Retreat Center in Quarryville, PA for our second annual retreat. Bishop Violet Fisher was our keynote speaker. The theme of the retreat was based on the book "He Loves Me: Learning to Live in the Father's Affection" by Wayne Jacobsen. Workshops were held on Certified Lay Minister ministry with Ms. Brenda Tildon, and Drama in Worship led by Mr. Joe Martin. A healing service was held on Monday evening with Bishop Fisher leading worship and anointing us with oil and praying for healing and wholeness for pastors and the churches. The presence of the Holy Spirit filled that place the whole time.

The purpose of the Fellowship of Local Pastors is to provide support, love and encouragement to each other through the encouragement of self-care and spiritual growth, and to create a sense of unity and fellowship. The Fellowship will serve all local pastors and the Board of Ordained Ministry as an advisory/resource group on issues and needs of local pastors and associate members. It will serve as a voice for local pastors in the Peninsula-Delaware Conference, will sponsor retreat time, and encourage small group participation with elders and associate members on the district level.

We encourage all Associate Members, Local Pastors and Certified Lay Ministers to join us for our next retreat which will be held at Black Rock Retreat Center, April 27 - 29, 2014.

Wesley College Campus Ministry

Greetings colleagues and friends from the Peninsula-Delaware Conference! On July 1, 2012, I took over as the Campus Minister at Wesley College, while serving as pastor at Hope United Methodist Church. Our church meets on the Wesley College Campus so it makes for an exciting partnership. This year has been full of learning, meeting students, and seeing where God intersects our paths on campus!

One of my main goals coming into this year as a part-time campus minister was to connect with the ministries that are already established on campus and be a resource to them. I have had the opportunity to speak, meet, and plan with leaders of the student organizations as we pray for a greater working of God's Spirit on campus.

Another goal coming into this ministry was the establishment of an evening worship gathering primarily geared towards students. These gatherings met once a month and averaged 65 students, faculty, and staff coming to worship together. These worship nights included various pastors and leaders from our community, as well as worship leaders from the Dover area. Each evening featured testimonies from students. These testimonies were powerful stories of forgiveness and the faithfulness of God. You can be sure that

God is doing work at Wesley College! As these worship opportunities have grown, we are looking to new ways to get students connected in Bible Study, small groups, and with local churches.

On March 23rd, I led a group of students down to Crisfield, Maryland to assist in the recovery from Hurricane Sandy. While there, we were able to interact briefly with Rev. Mary Haggard and her students from the University of Delaware Wesley Foundation. Our students had a great time in fellowship and serving and are already planning more opportunities in the coming school year.

What's next? We are planning for next year and are praying about a weekend Spiritual Life Retreat, Wesley College Praise Night twice a month, student-led Bible Studies in the dorms and on campus, and connecting students with churches where they can become part of a faith community and use their gifts to build the Kingdom. Hope Church is also developing more ways to be in ministry to the students of Wesley College.

Thank you for your continued support and prayers. If I can serve you and your students at Wesley College in any way, please let me know.

Great Things Await!

Rev. Steven R. LaMotte, Campus Minister

Wesley Foundation @
Delaware State University

On November 1, 2012, I had the honor of being appointed campus minister to Delaware State University. Prior to my official stating date, I had the opportunity to attend the Gathering for Annual Conference Leaders in Higher Education, which was held in Nashville, TN on October 17th-19th. This event was critical in giving me the lenses through which the Global Board of Higher Education will be evaluating the Wesley Foundation's campus ministry. Attached to this document is the report that I submitted to the Global Board of higher Education on November 13th. Specific training in campus ministry development will be provided June 26-29, 2012 in downtown Chicago at Loyola University.

As campus minister, I have had the distinct pleasure of developing relationships with some of the most dedicated young men and women that I have ever known. They are truly hungry for God's Word and for it to be lived out through their lives. Since beginning this journey, we have had 16 college students to join The Methodist Student Association. They have also clearly identified their purpose and written their mission statement. According to them, they are "A campus community connecting to share the love of Jesus Christ."

On Halloween night, we met at Uno Chicago Grill for food, fellowship, and fun. At that gathering, I was officially introduced by Dr. Brown. Following my introduction, we were able to establish our mission statement, secure dates and times for Bible study, and discuss our launch party during the second semester. Clearly, every student was excited and enthusiastic about the direction of The Methodist Student Association.

During the month of November, I had two Bible studies per week. We have met Tuesday mornings at 11:00am to 11:45am and on Thursday nights at 7:30pm to 7:45pm. When we have met in the evenings, we have provided snacks.

In preparation for our launch party, during the second semester, Dr. Brown and I have ordered pens, water bottles, and key chains as promotional items. The next step is to order T-shirts for the Methodist Student Association members. Lennea Davis and Kwame Baffour-Akowitz are responsible for securing the space on campus.

We, as a campus ministry, are also focused on developing leadership in the church. Therefore, we will be sending Kwame Baffour-Akowitz and Walter Lewis to the Convocation in Atlanta, GA on January 9th-11th.

With all that has been done, there is still plenty to be accomplished. I am currently in conversation with the Gospel Choir to establish dates and times for on campus worship services. I am also in the process of scheduling a date for meeting with the DSU president and I am still in

need of a space on campus so that I can establish office hours. Notwithstanding, this has been a busy, yet productive first month.

Rev. Rudolph H. White, Jr.
Campus Minister

Wesley Foundation @ Salisbury University

The Wesley Foundation at Salisbury University is a Christian fellowship campus ministry sponsored by the United Methodist Church and named for John Wesley, the founder of the Methodist movement. John Wesley believed that wherever people are in their understanding of faith, it is beneficial for them to meet together often in small groups and encourage each other along in their spiritual journey.

Wesley Foundation students are provided an environment and atmosphere where they are able to explore their faith and have the opportunity to be spiritually connected as they transition into their formative stage of life.

Wesley Foundation is a campus ministry that is open to all, regardless of race, religious affiliation, or lack thereof. The foundation seeks to bring heart and mind together exploring every day issues of faith and spirituality by reaching out to others with compassion. We have adopted a quote from Anne Frank that says, "How wonderful it is that nobody need wait a single moment before starting to improve the world." Going forward, Wesley Foundation strives to live up to this adopted motto through weekly prayer together; weekly Bible study titled "Real Talk," and meetings; community and campus service projects; spring and fall retreats; fostering relationships through social events; and seeking opportunities as a group to develop leadership skills. Students also attend and continue to be encouraged to attend off campus worship services, community events, and activities sponsored by local churches. Student presence at local church Sunday Worship often is dependent upon academic studies, involvement in other organizations, and visiting with family on weekends.

The Campus Minister and the Wesley Foundation students are the vessels of ministry being used by God to evangelize and bring new members to Wesley Foundation at Salisbury University. Students actively participate in recruiting other students to become a part of Wesley Foundation all throughout the semester but especially during Student Activities Fairs held in the fall and spring semesters. The Spring Student Activities Fair has been and continues to be a time when the smallest number of students is recruited. However, the fall 2012 and spring 2013 recruitment effort landed a diverse group of students who have proven to be actively strong spiritual leaders. The recruitment process prompted the students to organize a display table for each weekly meeting. This was not only done to attract new students to the organization but to distribute needed resources to educate and keep students abreast of biblical materials that will enhance their spiritual development. Additionally, each student has chosen a prayer partner for the purpose of sharing campus and personal experiences and being able to offer prayer for each other especially during those difficult times that life may bring.

In the fall of 2012 and spring of 2013, it has been observed that students are more inquisitive relative to their spiritual journeys meaning students have been and continue to be engaged in an intense biblical study of the scriptures. Students continue to invite and hear other ministerial leaders, which affords them the opportunity to be more ecumenical as a Christian fellowship. Consequently, the Campus Minister and students were invited as special guests to attend the 2012 National Day of Prayer. This event gave them even more exposure to ecumenicalism.

In December 2012, students participated in the "I Love Salisbury" event which was a volunteer event held off campus. The Wesley Foundation students have committed themselves to planning and implementing a workshop titled "Relationship Exposure." This workshop was held in April 2013 and gave students a foundation on which to build personal and professional relationships. Students, once again participated in "I Love Salisbury" where campus organizations traveled to off-campus areas around Salisbury and helped out where there was a need. Finally, in December 2013, the students ended the semester by giving back to the community when they hosted an "Adopt-A-Family" project housed in the HALO Christian Women's Shelter in Salisbury, Maryland. Students were excited to be invited to attend "The Young Adult Summit held March 22-23, 2013 in Ocean City sponsored by: The Vision Team, Black United Methodist Pastors and Strengthening the Black Church. Additionally, students are exploring the opportunity to attend the Sight & Sound Theatre to see the Gospel of Jesus come to life in the production of "Noah."

Future Wesley Foundation goals for Fall 2013 and Spring 2014 are the planning and implementing of a "Take Control of Your Finances Workshop; "Are You Called to Ministry

Night"; participate in a local church "Soup Kitchen"; and planning a "Prayer Breakfast." There are plans to partner with and share in events hosted by the University of Maryland Eastern Shore and Delaware State University.

Wesley Foundation has a phenomenal Student Executive Board who has a deep passion for Christ and the work of transformation. They are a part of the strong leadership mentioned earlier in this document. To God Be the Glory!

Students have been extremely busy enhancing their spiritual growth and development. Therefore, the primary goal of Wesley Foundation continues to be: To promote and establish the spiritual development of students as they maintain a relationship with Jesus Christ. Wesley Foundation will continue to witness and spread the gospel of Jesus Christ on and off campus. As you have read, this organization is in the habit of exploring other opportunities for ministry. Further, Wesley Foundation at Salisbury University welcomes the opportunity to receive referrals from United Methodist congregations and other denominations as well.

Wesley Foundation at Salisbury University continues to be a member of the United Methodist Campus Ministry Association (UMCMA). Find us on Face book, (SU Wesley); Website (suwesleyfoundation@gmail.com); Twitter, @SUWESLEY and Blog. suwesleyfoundatio.blogspot.com

The Wesley Foundation adopted Scripture is: Proverbs 3:1-6 *"My child, never forget the things I have taught you. Store my commands in your heart. If you do this, you will live many years, and your life will be satisfying. Never let loyalty and kindness leave you! Tie them around your neck as a reminder. Write them deep within your heart. Then you will find favor with both God and people, and you will earn a good reputation. Trust in the LORD with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take."* (NLT)

2012 Narrative

2012 has been filled with many blessings for us. We kicked off the year with another great Youth Rally where we tried to connect seniors with campus ministries wherever they have applied. Then, we got the senior's information to share with that campus ministry. It was a beautiful

moment to watch 4 UD students sing the fight song to a girl who just found out that she got accepted. She was so happy and excited, and they were happy and excited for her. We conducted an ecumenical book study of "When Christians Get it Wrong" by Rev. Adam Hamilton with the Presbyterians, the Lutherans, and the Blue Hens for Christ. It was a great opportunity to discuss and share about how we can better dialogue with people outside the Christian faith, and how to do a better job sharing the love and grace offered in Jesus Christ.

In the spring semester, we continued our journey through the Gospel of Luke. There were some great discussions diving deep into the stories of Jesus, the stories he shares, and how he interacts with those around him. Our mission trip this year brought 26 students to Sumter, South Carolina to work with Habitat for Humanity. We had a wonderful time filled with hard work with two great families hanging vinyl siding. We also had some very meaningful worship experiences throughout the week. Our Spring Break Mission Trips continue to be a source of great spiritual growth and strengthening. Toward the end of the semester we had our Midnight Pancakes with the other religious groups on campus. We fed pancakes to over 400 students in just 2 hours!!! The line was almost out the door. We finished off the semester with a Wesley Banquet, a fun filled night of awards, gifts to seniors, food, and dancing. We also had our end of semester movie night with Exam Survival Bags provided by a UMW circle from Aldersgate UMC.

Once the students left for the summer, things didn't wind down much. We kicked off the summer with our first annual Alumni, Friends, and Family Luncheon during UD's Alumni weekend. It was a great time of food and fellowship as we looked back at the past, and looked forward to the future. We were blessed to have many UD alumni with us. For year 2, we will be adding a mission project to the event. Our summer Bible study had an added twist. We included people from home using Skype and Google+ hangout. We had some technical difficulties, but we're going to do it again next summer. This way people can stay connected with each other, and with God's word, wherever they may be for the summer.

The Fall started off with a great welcoming effort. We sent an email to all Methodist incoming freshmen a few days before they arrived to campus letting them know about all our opening weekend activities, and what we do throughout the semester. We had students passing out over 400 bottles of water to incoming freshmen and their families all while Newark UMC hosted a free lunch of burgers, hotdogs, salads, and desserts. We served over 250 people UDairy Ice Cream on Sunday afternoon of move-in weekend. Our Bishop, Peggy Johnson, came to preach at Newark, UMC and was elated to find over 50 students sitting in the SonSpirit contemporary worship service. God provided some rain to make the students want to linger for Brunch after the service. Go God!!! We also started something new this year for new students called Freshmen Flocks. We had a pair of officers assigned to different dorms to be available to meet weekly, and to be a resource for new students with all their questions and quandaries.

Our first Bible study started with Luke 22, which includes the Last Supper. So, we concluded our time together with communion. It was such a great way to start off the school year with new friends and old all sharing in that special meal and being reminded of the love and grace found in Jesus Christ. The Undergrads started Acts of the Apostles in October to continue Luke's story... into the time of the early church to get a sense of connection from the Gospel to how the disciples carry the message to the world. The Grad group chose to start with James and to work our way to Revelation. We continue to worship together as students in our monthly Recharge service on the first Sunday night. We had two small groups meet, MOW and WOW... (Men of Wesley and Women of Wesley) each doing their own gender based study. Both were well received. The men served bacon at their meetings, and the women served chocolate at theirs. Stereotypes abound.

We had a fall "Be-Treat" at Camp Pecometh this year. We discussed and demonstrated Diana Butler Bass's book "Christianity after Religion" and had dialogue about Belonging, Behaving, and Believing. From our time together, we prayerfully created a Wesley Statement of Faith:

*We are the Wesley Foundation.
As a community of university students we believe together:
God is the creator of all things who,
through love, gives us the privilege of prayer.
Jesus lived among us blameless and without sin,
yet he died for our sins, and was raised in order to live on
as our savior and our friend.
The Holy Spirit surrounds and fills everyone and everything
to provide comfort and guidance.
We accept everyone and turn away no one.
We are friends.
We are neighbors.
We are believers.
We are family.
We are Wesley.*

We had 4 students and the Exec. Director attend United Methodist Student Movement's event, *Imagine What's Next* in St. Louis, MO to represent the Peninsula Delaware Conference. We learned about some great efforts being done by and for young people around the world and were inspired to find ways to be in service as well.

Our Wesley worship service was a blessing to behold. Maggie Gammie and Rick Sullivan preached brilliantly, the band played and the choir sang beautifully, and everyone worked smoothly to create 4 wonderful worship experiences. We even had our own praise band this time with some soul filled singers sharing their gifts with us.

The fall semester came to a close with our Christmas dinner held at the home of Karen DeMonte. The students love a real Christmas dinner with their friends in a real house. We served pancakes again at midnight to over 300 students. This event continues to grow in popularity, which is a great outreach to stressed-out students.

ADMINISTRATIVE MINISTRIES

BOARD OF PENSIONS

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies

related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board is also represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and co-sponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

In an effort to stay abreast of the best ideas relating to providing good benefits at reasonable cost, the Board brought a resolution to the 2007 Annual Conference installing a new health insurance plan featuring a High Deductible Insurance Plan coupled with Health Savings Accounts or a Health Reimbursement Account. That plan became effective January 1, 2008. In 2010, due to higher than planned cost trends, plan deductibles were changed in an attempt to hold premiums in line.

Unfortunately, trends continued upward, and we did not have enough credible experience with the new deductibles to know how the trends will be affected during the remainder of 2010. Our final premium increase for the 2010/2011 policy year was 23.6%. Fortunately, the choices that were made began to take effect. For the 2011/2012 policy year our rate increase was 1.4% and the 2012/2013 policy year, 4.2%. Our Rate Stabilization Reserve did what it was designed to do, allowing us to spread the premium increases over several years. We are recommending that billing to the churches for 2014 remain at their 2013 levels, with a small remainder being covered by the Rate Stabilization Reserve.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2013 was increased to \$562 per year of service and was approved at Annual Conference.
4. We continued our wellness program – Virgin Health Miles. The program has been modified for 2014. To earn \$400 for a participant's 2014 HRA/HSA account, the participant must complete tasks in the 2013 Quarters 1, 2, 3 and complete the Health Snapshot by October 25. Quarter 4 allows the participant to walk for a cause and help contribute financially to *Imagine No Malaria* by completing their 4th quarter goal. Stretch goals were also added each quarter to encourage greater participation and help contribute additional monies to *Imagine No Malaria*. Participation in all stretch goals and completion of the 4th quarter goal enables us to provide as much as \$105 per participant to *Imagine No Malaria*.

2013 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2014.
4. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.
5. The Board of Pensions, along with the Cabinet and Board of Ordained Ministry has submitted a resolution this year to change the part time pastors' pension plan to the United Methodist Personal Investment Plan (UMPPIP). This change will save the Peninsula-Delaware Conference approximately \$159,200 in future liabilities based on the current number of part time pastors. Churches will continue to be billed at the 12% rate; however

these funds will be deposited into the individual's UMPIP account for future access during retirement if the resolution is approved.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, with our beneficiary population having an average age of fifty-three years, or higher, is putting great pressure on the financial resources of the conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.
2. There is concern that some churches are not meeting their obligation to pay their share of pension and health insurance costs on a timely basis. Although arrearages have leveled off, it is important that churches continue to responsibly share in the overall costs of our benefit program. With the approval and encouragement of the Cabinet, the Board of Pensions has elected to include in this report a list of the churches with arrearages as of December 31, 2012.
3. The economy and our aging church membership have begun to put significant pressures on funding of all Conference programs, including pensions. Conference Boards and Agencies will need to work together closely to make sure that our Pension and Health Insurance funds remain solvent.
4. The passage of the Affordable Care Act (ACA) by congress in March 2010 has brought many questions about the Conference's current health care plan and its ability to meet all provisions set forth in the law. The Board of Pensions has and will continue to consult with our health care consultants (Mercer) in order to stay abreast on all regulations and changes that may impact our current plan as the new law is implemented.

Board of Pensions Resolutions:

Resolution Setting the Past Service Rate

The Peninsula-Delaware Conference Board of Pensions recommends the Past Service Rate relating to the Pre-1982 Pension Plan for 2014 be set at \$568 per year of approved service. **We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt this resolution.**

Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of the Peninsula-Delaware Conference

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service; and

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt the following:

1. An amount equal to 100% of the pension payments received during the years of 2013 and 2014 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement.
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by and local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriated body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Respectfully submitted,
R. Chris Loller, Chair

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to the District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include General Funds for compensation supplements, funds granted to pastors in "Key Leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and Special Funds used in special one-time circumstances.

The 2013 Equitable Compensation budget is \$137,500. Funds expended in 2012 for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$123,727.75. As part of this report, there is a list below of the churches and charges that received assistance in 2012.

At the 2011 Annual Conference, we were asked to study the minimum salaries across the United Methodist Church. During our study we discovered that the Peninsula-Delaware Conference has the second lowest minimum salary in the denomination. 2012 our minimum salary is 8th from the bottom for our denomination.

Therefore, the Commission on Equitable Compensation recommends the following 2.5% increase for 2014:

- Full Elder and Full Member Deacon: \$34,944
- Provisional Elder, Provisional Deacon and Associate Member \$32,028
- Full Time Local Pastor and Provisional Members attending School \$29,789

- Student Local Pastor or commissioned Elder Track in Seminary \$26,208

The Continuing Education minimum amount is \$800 for 2014. Clergy should receive paid leave to attend a continuing education event.

The Commission on Equitable Compensation also recommends that the number of years for Service Increments increase from 15 years to 20 years but continue at \$150 for each year of service.

The Commission on Equitable Compensation recommends that the reimbursement for travel expense for 2014 be at the rate set by the Internal Revenue Service for 2014.

The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

Clergy will be allowed to preach one week each year for one of the following events: Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge.

Qualifying other engagements will be determined by the Commission on Equitable Compensation.

Yours in Christ,
Rev. Jerome E. Tilghman Sr / Mr. William Batson
Co-chairs for the Commission on Equitable Compensation

Board of Trustees

Report for 2012

The Conference Board of Trustees are charged by The Discipline of The United Methodist Church to hold in trust financial assets and invest them according to the Social Principles; hold in trust real and personal property of Conference churches and agencies; buy, sell, transfer, and convey property; and provide adequate insurance for all Conference properties. The Peninsula-Delaware Conference Board of Trustees has been actively engaged in all of those things in 2012

Leadership: With the beginning of a new quadrennium on July 1, 2012 the following Trustees were elected officers:

President, Ginger Brannock
Vice President, Candy Miles
Secretary, Earle Baker
Treasurer, Bill Westbrook

Other Trustees are: William Bazzelle, Sonja Brown, Jeff Hayes, David Humphrey, Pam Lewis, Walter Palmer and Shirlyn Brown, Director of Connectional Ministries.

Investments: The Conference Trustees are responsible for maintaining 17 investment funds valued on December 31, 2012 at \$1,450,944.57. All funds are restricted to specific ministries and/or churches except the General Fund. In 2012 the Trustees improved a \$5,000 grant to Connections Community Church from the Poole Estate for Sunday school expansion.

Insurance: Sovereign Insurance Group surveyed conference churches regarding coverage for sexual abuse. The results indicated there was inconsistency of coverage across the Conference, but the survey sampling was too small to be conclusive.

Conference Property:

- Camp Pecometh, Bookers Wharf Road, Queen Anne Co. MD: At the request of the Camp Board, the Conference Trustees approved a final settlement between Camp Pecometh and the contractor who constructed the Riverview Retreat Center for a change order. Camp Pecometh is also exploring options of refinancing their mortgage to gain a better interest rate.
- Easton District Parsonage, Easton, Talbot Co., MD: After making repairs and improvements in 2011, the District Parsonage was rented for two years.

Abandoned Property:

- Bethany UMC, Lowes Crossroads, Sussex Co., DE: The property is listed for sale for \$165,000. The Trustees are in conversation with a group that is interested in renting Bethany for services. They will be responsible for insurance and utilities.
- Crapo Church & Parsonage, Crapo, Dorchester Co., MD: The property consists of almost 6 acres that includes a church, parsonage and cemetery. It was decided to subdivide the property and put it on the market for sale. Parties are interested in purchasing the parsonage.
- Eldorado UMC, Eldorado, Dorchester Co., MD: The abandoned Eldorado UMC was transferred to the Eldorado Memorial Cemetery Association, who plan to demolish it.
- Site of John Wesley UMC, Chestnut Grove, Caroline Co., MD: The Trustees approved transfer of the land to descendants of the original owner.
- Mt. Pleasant UMC, Christiana, New Castle Co., DE: The church was declared abandoned in November. A church in Baltimore is interested in purchasing the property.
- Mt Salem UMC, New Castle, New Castle Co., DE: After not being used for several years, Mt Salem was declared abandoned. The congregation is worshipping at another church on the Charge. The building has a faulty foundation

in the rear and has been condemned. Repairs could cost \$300,000. There is a small cemetery on the property which is within the New Castle Historic District.

- Reynolds Chapel Cemetery, Ellendale, Sussex Co., DE: The Trustees received from Mr. Harry Isaacs, Jr. a donation of land adjacent to the Reynolds Chapel Cemetery to allow the cemetery to expand.
- Abandoned Cemeteries: We need a Conference-wide plan going forward. It would be helpful for the Conference Board of Trustees to have a Conference Cemetery Committee, with subcommittees on each district. The Easton District Board of Church Location and Buildings, seeing the same need, has proposed there be a District Board of Trustees to manage abandoned church properties and cemeteries.

Litigation: In the wake of clergy sex abuse in the Wilmington Diocese, Governor Minner lifted the statute of limitations allowing old claims to be filed. Two misconduct cases were filed against Conference Churches for alleged misconduct in New Castle Co, in the mid 1960's. One involved a lay staff person, and the other, a church hired clergy person who was not United Methodist. In 2012 we learned that the Peninsula-Delaware Conference had been removed from the misconduct case dating to 1965. The second case dating to 1968 was settled for \$15,000.

Thanks: During 2012, three Trustees completed their terms on the Board of Trustees. We extend our sincere thanks to Mr. Isaac White, Mrs. Nancy VanSant, and the Rev. Ronald Bell, President, for their loyal and faithful service as Trustees to the Peninsula-Delaware Conference.

Respectfully submitted,
Earle N. Baker,
Secretary

Conference Council on Finance and Administration (CCF&A)

With the start of the new quadrennium, we wish to thank the members of the "class of 2004" for their faithful service, and welcome the new members of the "class of 2012". CCF&A also sadly accepted the resignations of Thomas Blakelock and Wayne Dukes of the "class of 2008".

Total Covenant Funding Plan receipts for the year were \$4,824k. This was just \$8k more than received in 2011, and \$270k below the expected receipts. Covenant Funding Plan specific areas were reduced as follows.

| | |
|------------------------------|---------|
| Vision Team: | \$ 25k |
| Resource Center Program: | \$ 25k |
| Health Insurance: | \$ 25k |
| District Superintendent Fund | \$ 25k |
| Communications | \$ 45k |
| Total reductions: | \$ 145k |

As in 2011, the reductions were made possible because spending in the communications area was below forecast due to the continued delay in hiring of a Communications Coordinator, and the District Superintendent Fund spending was below forecast because two of the District Superintendents did not need health care coverage. (They were covered by non-conference policies.) The remainder of the shortfall was covered by transferring year-end 2011 balances in excess of 10% of their annual budget from all agencies that do not have specific reasons for maintaining higher year-end balances.

This combination of sources allowed us to once again pay 100% of our General Conference Apportionments, and support our missions and boards and agencies at the budgeted level.

Special thanks are due our Directors of Connectional Ministries both of whom continued to take upon themselves issuance of "The Communicator". Hiring of a Communications Coordinator is underway in the first quarter of 2013.

We pray that God will inspire renewal within churches in the conference that will result in growth in receipts for 2013. We also continue to seek God's guidance for direction as we begin preparation of a proposed budget for 2014. It is worth noting that holding the total amount being apportioned to support the Covenant Funding Plan constant since 2009 has resulted in reduction of the amount being apportioned as a percentage of the total of the conference churches'

operating budgets from 13.5% in 2009 to 12.5% in 2013. This was the lowest percentage found in comparing with other annual conferences.

For 2013, a Covenant Funding Plan totaling \$5,099k was developed, recommended, and approved by Annual Conference. This represents an increase of \$5k over the 2012 Covenant Funding Plan, \$283k more than was received in 2011 and 270k more than 2012 receipts. The amount to be apportioned to the local churches, \$5,750,000 (before adjustments) was reduced \$2,290 from the amount apportioned in 2009, 2010 and 2011. The underlying assumption remains that the economy gradually improves and additional local churches are able to fulfill their full share of Covenant Funding support. Annual Conference Apportionment adjustment requests, including for mission churches, totaling \$97,466 have been approved for 2013.

Goals for 2013/2014:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference will be successful and can fully witness for Christ. In 2013, a Partnership Team from the General Council on Finance and Administration has been asked to come and work with the extended Cabinet and CF&A to provide ideas for improving receipts on the Covenant Funding Plan apportionments.

Recommend for annual conference adoption a plan for anticipated income and expenditures for 2014 which will support the conference in achieving its mission.

Carry out the administrative responsibilities as set forth in the Discipline, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to broader challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

Personnel Committee

The Personnel Committee continues to work with the Director of Connectional Ministries and the Director of Administrative Services/Treasurer to implement the redesigned Support Staff positions outlined in the Bishop's Financial Task Force.

After having filled the support position and assigning work assignments, it was determined that the Records and Security Specialist position could be eliminated.

Also during the past year, the position of Support for Strengthening the Black Church, Congregational Development/Young Peoples Ministries Specialist became vacant. Further evaluation of work flow and needs resulted in the creation of an Administrative Assistant for Program Ministries and Communications position. An external search was conducted to fill this position. Candidates were tested and interviewed and a selection was made.

Continuing review of support needs and requirements highlighted the need for a Communications Coordinator. This position has been vacant for several years. The conference needs to actively communicate events and programs not only internally to the conference and member churches, but to the community.

The committee has advertised for this position and testing of possible candidates has been scheduled with the intent to make a selection and fill the position prior to Annual Conference.

The committee has also updated the Personnel Policy Manual. The revised policy manual is before this Annual Conference for final approval. The committee has also modified the monthly contribution for health care cost for support staff. The method is similar to the process utilized for clergy and is effective July 1, 2013.

The Conference is truly blessed to have the current staff. The changes in the organization and the staff over the past couple of years have been difficult for all of the staff. They have responded admirably. They continue to grow and develop as team and work as a unit. Again, we are blessed to have the current support staff.

There is concern on the committee that not providing an effective and comprehensive salary administration program including merit increase may hamper the development of the new personnel in the support positions and the other staff members. The Conference staff is one of our most valuable resources and they should be compensated with a competitive salary. The committee will work with CCFA to implement a merit pay system as soon as financially feasible.

The committee has a diverse background of experience and knowledge and is working well as a group. The current committee members are:

The Philadelphia Area Committee on Episcopacy

This joint committee of the Philadelphia Episcopal Area consists of members from both the Peninsula-Delaware and Eastern Pennsylvania Conferences. The membership includes both laity and clergy and has representatives from all of the districts of the Episcopal area. The committee elected the following persons as its leaders: Kevin Goodwin from the Peninsula-Delaware Conference is Chairperson, Evelyn Kent Clark from Eastern Pennsylvania as Vice-Chair, and Rev. Linda Mariner as Secretary.

The committee meets twice a year with Bishop Johnson. Some meetings are joint meetings, others are meetings where each conference has some time with the Bishop alone and then both are together. Both have proven to be very effective.

The functions of the Episcopal Committee are:

- To support the Bishop in the oversight of the spiritual and temporal affairs of the Church.
- To be available to the Bishop for counsel.
- To assist in the determination of the Episcopal needs of the area.
- To make recommendations to appropriate bodies.

In 2011, both Cabinets, BOOM chairs, and others were asked to provide feedback on Bishop Johnson. This was compiled into a report and sent onto the NEJ Episcopal Committee for their use during the 2012 NEJ conference as they prayerfully assign (reassign) the six continuing and three newly elected bishops to one of nine Episcopal Areas in the Northeastern Jurisdiction. Last summer, the NEJ Conference Episcopacy Committee recommended that Bishop Peggy Johnson be re-appointed to the Philadelphia Area for the 2013-2016 Quadrennium and the Jurisdictional delegates endorsed their recommendation so it is our pleasure to assist Bishop Johnson for another four years.

We thank both Conferences for their spiritual, emotional and financial support of the Bishop and the Episcopal Office, as she gives leadership to the almost 1000 churches in our area, and is involved in so many other areas of the larger Church and the world.

VISION TEAM

Proverbs 29:18a

One of the great joys of serving in Christian leadership is to be part of something greater than one's self. As leaders in this great Annual Conference, we are expected to be active listeners for the voice of God. In doing so, we may assist and support in developing vital and fruitful congregations. The challenges may be great and the pathways may be steep; but, the Peninsula-Delaware Vision Team stands ready to answer the call.

On September 25, 2012, Faye Everett (Vice Chairperson of the Vision Team and Easton District Lay Leader) and I officially began our journey in leadership on the Vision Team. We are both honored and privileged to serve in this capacity.

During the 2012-2013 year the Vision Team continues to live our "Call to Action" and the "Can Do Document." Living out our vision statement: "To Equip and Challenge the Church to Transform lives through Christ; we intentionally partnered and participated in effective and spiritual learning initiatives. The team came together to move forward in the new Quadrennial, while still living out are four areas of focus, as we begin this new season of witness. The team continues to offer the following:

Healthy Church Initiative Workshops

The Well: Offers over twenty training opportunities from the various ministries throughout our Peninsula-Delaware Conference. Attendance to this fall workshop is approximately 200 onsite attendees, who then share the information with their local churches.

Restoration 2013: A partnership with Strengthening the Black Church was held in Rehoboth Beach, Delaware reaching over 40 different churches in Peninsula-Delaware Conference. Teaching and preaching experiences included: *Evangelism, Preaching, Leading from the Spiritual Center and the Sacraments.*

Additional HCI Workshops occur on each district, equipping lay and clergy to live out the gospel in the world. Topics during the year were *Conflict Resolution, Disability Ministry, How to Successfully Lead a change process and Creating New Unique Places for Ministry.*

As volunteer servant leaders we are becoming all things to all people, the following are highlights of the 2012-13 ministries.

The Vision Team listens to the voice of God's people and purposely attempts to comprehend their needs, while making plain the Word of God. The Team will continue in 2013-2014 to serve the connection with The Well 2013, Restoration 2014, HCI workshops as well as additional ministries.

Board of Lay Ministries Report

To our beloved sisters and brothers in Christ, grace and peace to you in the Name of the one who calls us all the Beloved!

The Peninsula-Delaware Annual Conference Board of Lay Ministries provides resources, training, and support to the laity of the Peninsula-Delaware Annual Conference. This year the Board of Lay Ministries sadly said farewell to sister Betty Gooch who led us faithfully for four years as the Conference Lay Leader. Betty's laugh, wisdom and love have been missed and we are so very thankful for her leadership.

Demetrio Beach, Associate Conference Lay Leader, has picked up the pieces and begun to work with the Board of Lay Ministries on visioning for the future and putting together a strong structure to continue to foster an awareness of the role of the laity both within the local congregation and through their ministries in the home, workplace, community, and world in achieving the mission of the church.

This past summer in July of 2012 the board approved the new policy that all lay academies would charge the flat fee of \$30, develop one lay academy registration form, and provide a flow for the lay academy classes so that all new people would take "Living Our Beliefs," start having "Professional Development Days" with the program **Innovative Leadership Project**. This project is designed for districts, conferences, local churches. Teams are made up of five to ten participants who commit to working together for seven months. The ILP starts with the simple idea, "if you want to change your church, district or conference, first you have to change yourself." It introduces key concepts of innovation and teaches leaders how to develop a VAP-IT, a strategic planning tool that can be used to develop new ministries and renew

existing ones. The board has been working with ILP and has developed a new BOLM Purpose with using the vision and mission statement of the annual conference and a new structure for the board, districts and local churches.

This conference year has been remarkable working with ILP to develop and promote programs to cultivate the adequate understanding of the theological and biblical basis for lay life and work among the members of the church of the annual conference and non-churched for the coming year. The excitement has brought great joy and the board is excited about the future of laity for the annual conference.

Goals for 2013 – 2014

- To implement the new BOLM Structure and new purpose.
- To continue to maintain an awareness of the gifts of the laity, highlight them at every opportunity, especially through the “Order of St. Barnabas.”
- To continue to get our “Report Guide for Lay Members to Annual Conference” into the hands of all new members and to have a special training session prior to annual conference.
- To continue to support the Conference Director of Lay Servant Ministries in an effort to put in place a conference-wide directory of certified lay servants/speakers.
- To continue to support District Lay Leaders through resources, materials and workshops that will further enhance the contribution they make to our local churches, districts and conference.
- To support lay persons who feel called to make and nurture disciples of Jesus Christ.
- To continue the new BOLM Newsletter “Hands & Feet” to provide direct communications to the laity of the annual conference.
- To continue to work with the Conference Communications department to keep updated information on the Board of Lay Ministries web-page.
- To continue to encourage clergy and laity to attend the annual Clergy & Laity Banquet.
- To begin to re-focus on global missions outreach such as Congo Partnership, Africa University and Image No Malaria.
- To start “Take It to the Street Ministry” on all four districts. (Reaching Out to local communities in partnership with clergy and laity.)
- To continue to live out the Four Areas of Focus.
- To continue to give support local and global outreach through United Methodist Women, United Methodist Men and Young People’s Ministries.

Celebration of Events

- Professional Development Days with the Board of Lay Ministries
- Lay Academies on each district
- Laity Sunday 2013
- Annual Youth Rally
- Annual Clergy & Laity Banquet
- Order of St. Barnabas Awards
- The Well
- Restoration 2013

Purpose

To create a culture of calling by equipping, challenging and transforming laity so that they might effectively be in partnership with each other and their pastors to live out God’s call for their lives as they make disciples for the transformation of the world.

Grace & Peace,
Demetrio L. Beach, Associate Conference Lay Leader

Council on Youth Ministries

Young People's Ministry

The Conference Council on Youth Ministries (CCYM) works hard to help support the work of youth ministries throughout the annual conference and increase the spiritual growth of the students and churches in our communities.

• Youth Rally:

The very successful 2013 "UNDIGNIFIED" Youth Rally was held January 4-6. Over 4,000 people participated in this event. Reverend Jim Walker was the speaker at each of the four general sessions and Rend Collective Experiment led worship throughout the weekend. Tye Tribbett, The Letter Black, and Francesca Battistelli offered concerts. Saturday morning's offering amounted to \$8,128.53. Half of the money was given to the Youth Service Fund while the other half was given to the United Methodist Committee on Relief for Hurricane Sandy relief efforts within the Peninsula-Delaware Conference.

• Missions:

-The Youth Service Fund gave grants to two local churches in 2013. Grants were given to New Zion United Methodist Church in Laurel, Delaware for their "Balling for God Basketball Tournament and Youth Jam" and to Royal Oak Community United Methodist Church in Royal Oak, Maryland for their "Open Doors". An additional grant was used to purchase books on suicide prevention for youth ministry leaders in our churches. The Conference Council on Youth Ministries is working hard to increase awareness of the Youth Service Fund.

-A new service event, 1Day, is planned for April 20, 2013 at Chesapeake Camp and Conference Center in Denton, Maryland. This event provides opportunities for youth to serve our neighbors in the Denton area. Youth ministries participating in the event will also have the option of staying overnight at the camp and making the event into a one or two night retreat.

• Leadership Development:

-Youth worker Boot Camp, a training event for new youth leaders, was offered on August 10-11 at Chesapeake Camp and Conference Center in Denton, Maryland. The first-time event attracted approximately 35 United Methodist youth workers. The event was held in partnership with the Episcopal Diocese of Delaware. The training was led by the Directors of Young People's Ministries from our annual conference and from the diocese.

-The Well was a leadership training event sponsored by the Conference Vision Team on October 13, 2012 at Wesley United Methodist Church in Dover, Delaware. The Young Adult Cohort, a group reprinting churches throughout the conference that are actively engaged in ministry with young adults, offered training in young adult ministry.

-The Directors of Young People's Ministries for the Peninsula-Delaware, Eastern Pennsylvania, and Greater New Jersey Annual Conferences are organizing a youth ministry institute which will begin in September 2013. The institute is designed to offer high-quality training on vital subjects in youth ministry to committed volunteers and staff members of churches who have not yet received specialized training in youth ministry.

Other Areas of Ministry:

-The Young Adult Ministry Cohort, established in 2011 to study ways that we can help churches improve their ministries with young adults, completed their work by offering a training session on young adult ministry at The Well and by offering social media training at several clergy meetings throughout the conference. Members of the Cohort come from churches which are actively engaged in ministry with young adults.

-Shane Hinderliter, Director of Young People's Ministries, was elected to the General Board of Discipleship's Division on Ministries with Young People by the Northeast Jurisdiction. He was subsequently elected by the Division to chair the Adult Worker table, representing adults who work with young people throughout the denomination.

UNITED METHODIST MEN

"Every Man Shares in Evangelism, Mission, and Spiritual Life"

The Purpose:

The purpose of the United Methodist Men shall be creative, supportive fellowship of men who seek to know Jesus Christ, to grow spiritually, and to seek daily His will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all of their relationships.

The Mission:

1. to support individual and group strategies through the foundation of United Methodist Men's ministry
2. to provide support services to promote the ministry and growth of United Methodist Men
3. to provide resources that assist men in their growing relationship with the Lord Jesus Christ and His church
4. to provide resources and support for the Office of Civic Youth-Serving Agencies/Scouting Ministries

Our Action:

In September of last year we held our 55th annual retreat at Pecometh Camp & Retreat Ministries. This event provided men and youth an opportunity for fellowship and spiritual growth. Our theme was "Man's Tools and God's Tools for Man". Rev. Dr. Larry Jameson, Rev. Dr. Paul Isaacs, Rev. Joe Smith, Demetrio Beach, Rev. Derrick Porter, and Rev. Arthur De Souza George provided us with all the many tools God has for us. Don Muyskens provided us a real opportunity to work hand in hand with our youth as we built bird houses together. It was also very interesting as the boys tried hammering in a nail blind-folded with the other youth directing them—talk about faith in your fellow man.

In March and April a team of United Methodist Men and the Harrington Delaware Lion's Club members led by Al Govatos, Charlie Taylor and William "Buddy" Downes installed vinyl siding on the old Pecometh Administrative Building which has been converted to staff living quarters. They also shored up the foundation of Fellowship Hall and replaced the front porch. We thank all those who took time off and helped with these projects!!!

In May we held our annual gathering. This year it was hosted by St. Mark's UMM of Easton, MD. Our theme was "Blessed are the Peacemakers". Our program was led by Rev. Joe Archie, III. We were first presented an overview of the responsibilities of the "General Board of Church and Society" of the UM Church. It is amazing the social issues in which our church is involved. "In what social issues are we involved?" was the question we were asking ourselves. The second part of our program took us from the general to the specific. Issues on the death penalty, immigration, and gun violence were discussed with a lot of participation from the men present.

Goals 2013-2014

- To support the National Prayer Center Line at the Upper Room, Nashville, TN
- To promote Strength for Service to God and Country, a daily devotional book for the military and other professional and public service workers and a new daily devotional for first responders
- To continue to support the John Wesley Fellow Award. This award is not just for United Methodist Men
- To encourage more men to become EMS members (evangelism, mission and spiritual life) – life builders help the church effectively minister to men through men

Plans in Motion:

On September 7 & 8, 2013, we will be holding our 56th annual retreat at Pecometh Camp & Retreat Ministries. Please save this date. Information on this year's program will be forth coming, but will involve the men and youth teaming up for some Christian challenges.

Your Charter in the United Methodist Men supports the life of the General Commission on United Methodist Men which enables us to continue our mission and ministry. Your Charter provides the resources for:

- strengthening our faith through mission ministry
- continuing groups and individual in Bible studies

- rekindling hope through the prayer line
- for all that we are involved in, check out our website www.gcumm.org

I would like to acknowledge all of the district and local church presidents and other men and their families of the conference who continue to support our men's ministry. I give thanks to God, the members of Peninsula-Delaware Conference, the UMM executive board and all conference leaders. We are men committed to our God, to the organization of United Methodist Men, the Peninsula-Delaware Conference and the church which is the body of Christ.

"The light shines in the darkness, but the darkness has not understood it."

John 1: 4-6.

We are that light. Share it!

Allan E. Loomis, Jr
Conference UMM President

United Methodist Women

The Purpose

"The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

National Event

2012 United Methodist General Conference approved that Women's Division under the General Board of Global Ministries become an independent agency of the United Methodist Church named United Methodist Women.

Pledge/Undesignated Giving

Peninsula Delaware Conference United Methodist Women sent \$69,478.38 as our pledge and with other undesignated giving a total of \$82,754.60 was remitted.

Annual Events

Our Annual Spring Event was held on March 15 at New Beginnings UMC Ridgely, MD. Our guest speaker for the event was Bishop Violet Fisher.

Team members and members from all four districts attended the Northeastern Jurisdiction United Methodist Women Quadrennial Meeting at Hershey Lodge in Hershey, PA from June 14 to June 16, 2012.

Team members attended Upper Atlantic Regional School of Christian Mission held in Elizabethtown, PA from June 17 to June 20, 2012 to prepare for our own School of Christian Mission. Our School Of Christian Mission was held at Wesley College, Dover, DE on July 18 to July 21, 2012 with 93 attendees. Many items were collected to complete layette kits and over 25 complete birthing kits were collected for UMCOR and delivered to the HUB.

Spiritual Life Retreat was held on September 15, 2012 at Zion UMC San Domingo. The theme was "Who are the Poor: Lord Is It I?" Guest Speaker was Faye Wilson, St. Luke Quantico Charge.

Fall Conference Event was held on October 20, 2012 at Carey's UMC, Millsboro DE.

District Officers Training was held Dec 1 in the Salisbury District and the Dover District for all of our officers and members from our entire conference as they continue to increase membership, teach, learn, and work as servants in God's gardens.

Congregational Development Corporation

Congregational Development Corporation (CDC) is the successor to the Division of Congregational Development under the Board of Global Ministries. The original Goals and Purposes as described in a 1996 brochure were to:

1. Further the Kingdom of God within the Peninsula-Delaware Conference by encouraging church growth.
2. Oversee and insure good stewardship of Conference development resources.
3. Administer Grant and Loan funds for the purpose of church development and revitalization.
4. Administer funds for the acquisition of land.
5. Administer the Conference New Church Development projects.

The following Mission Statement was adopted in August of 2009 and has guided the work of the board since that time.

**PENINSULA-DELAWARE CONFERENCE
of THE UNITED METHODIST CHURCH
CONGREGATIONAL DEVELOPMENT CORPORATION**

MISSION:

The Congregational Development Corporation (CDC) will solicit, manage and allocate financial resources to promote and support efforts to enhance the impact of United Methodist Congregations on the lives of persons living in the area served by the Peninsula-Delaware Conference.

VISION:

The CDC will identify for the local churches an understanding of community needs and provide funding assistance for the new church initiatives and the revitalization and ongoing vitalization of existing churches, with the goal of promoting healthy churches that can serve the community needs.

CORE VALUES:

1. CDC will maintain a level of understanding of demographic trends and knowledge of active, growing local churches within the Conference.
2. CDC will coordinate with other groups in the Conference that are working on church strengthening and new church projects.
3. CDC will allocate funding to those churches, new and existing, that have the highest potential to serve those persons living within boundaries of the Conference.

During 2012 CDC board members were involved in discussions with Cabinet and Vision Team representatives relating to clarification and implementation of the **Can Do Document** that was presented to Annual Conference in June 2012. At that Annual Conference most churches present committed to doing something in the ensuing year to promote a culture of multiplication in their congregations. It is disappointing that CDC has received no applications since Annual Conference from any church requesting aid in promoting such an effort. In February the CDC Board began a review of the **Can Do Document** and came to realize that effort must be attempted together by the same groups that formulated it and are responsible for its implementation.

In 2012 CDC has made commitments to new church development activities at Arise in Bear, Delaware and Hope Community Church in Claymont, DE in addition to ongoing support for Bayside Chapel, Selbyville, DE, Higher Hope, Salisbury, MD and Last Call Motorcycle Ministry, Milford, DE. 2013 will see much activity and consideration relating to activities in congregations that are being supported through and by the New Church Start fund and program.

STRENGTHENING THE BLACK CHURCH

SBC continues to take the theme W.I.N.S to the next level. The "W" stands for *worshipping God*, the "I" stands for *igniting congregations*, the "N" stands for *nurturing communities* and the "S" stands for *seeking out the lost*. This year we focused on the second letter; "I" igniting congregations.

Workshops focusing on technology and spirit were held on each district. These workshops addressed two foundational questions: engaging young adults in ministry through avenues of technology, and increasing institutional understanding of using technology as a venue for worship. Each of these workshops began with interactive worship followed by intense focus sessions on those two questions. These workshops were led by a diverse group of both clergy and laity.

In addition to the workshops on each district, this year our conference had the largest number of young adult participants under the age of 35 participate in the African American Clergy Convocation. This event was meant to be a springboard for launching a new connection between our existing congregations and our conference young adults who are interested in ministry within the African American perspective.

With that understanding, this year SBC also unveiled our AOI. "Academy of Interns", AOI, program was designed to connect young adults within our conference who had particular specialized skills in technology, engaging the community and creating and launching new ministries with our existing congregations. The goal was that each young adult on their particular district would engage their local churches in creating ministries, launching new programs and upgrading technology.

As with the previous year, Restoration, our conference wide three-day training and worship experience, continued. We remained committed to the theme of worship and looked to display and celebrate worship through diverse approaches. This three-day training was made available to both clergy and lay leadership within our conference.

Again, as a yearly initiative SBC sponsored the Young Adult Summit barbeque and two-day retreat. Both events focused on engaging and empowering our young adults between the ages of 18-35 years of age. The barbeque took place on the Dover District as a way to introduce and fellowship with multiple churches and ministries within our conference. A two-day retreat took place on the Salisbury District and included the participation of several of our Wesley Foundation ministries as well as many diverse churches within our conference. This event was designed to engage young adults within our conference around conversations on call to ministry, handling maturity and living as a Christian.

Each year SBC sponsors a number of local church events and initiatives. This year remained consistent as we partnered with many congregations in developing vision plans, new ministries, and afterschool programs, vacation bible school curriculums.

In addition to sponsoring local church events, this year SBC also celebrated in the achievements of its two conference African American new church plants: Higher Hope on the Salisbury District and The Arise Church on the Wilmington District. With the creation of Arise, the Peninsula-Delaware Conference stands as the only conference with two functioning predominately African American new church starts which SBC has been a part of.

SBC is on the move. I encourage each of us to continue to pray for our churches and our leadership; to seek God's will for our ministry; and to boldly stand and proclaim the name of Jesus. As we move into this season of transition, there is nothing more comforting and firm, nothing more sure and creditable, than the name of Jesus. Keep fighting, keep loving, keep going!!!

Ronald Bell Jr., Director

STRENGTHENING THE BLACK CHURCH COMMITTEE
FOR
THE 21ST CENTURY

During the year 2012-2013, the Strengthening of the Black Church Committee has continued to be a viable presence in the life of African-American churches in the conference. This was accomplished by connecting and partnering with other conference committees. The STBC committee stands as a beacon of light and hope to assist and share information for church vitality and growth. We remain in partnership with the Director of Strengthening the Black Church, Ronald Bell, Jr., by continuing the model (W.I.N.S.) for strengthening our churches. This model can be located on the conference webpage.

Our vision remains the same: to encourage churches to avail themselves to resources for church growth and vitality, whether local or national. We are here to help and support.

This year, the committee was quite involved by supporting and networking with other conference committees to provide a diversity of workshops designed to enhance and grow our churches. We believe connecting and supporting each other provides greater selective opportunities for church participation.

The activities and events supported and presented are as follows:

- Presented workshops on each district titled: Technology and the Holy Spirit
- Provided scholarship grants for pastors to attend the clergy convocation
- Provided scholarship grants to support clergy and laity to attend the Quadrennial Training
- Supported Restoration
- Presented at the Well
- Supported Young Adult Summit
- Planned and shared at The Annual Strengthening of the Black Church Conference
- Participated and supported the African-American Summit and BMCR luncheon
- Partnership with BUMP workshops

2013-2014 We hope to

- Establish teams and subgroups to present workshops and visit churches
- Continue to provide grants and or scholarships to support clergy and laity for training opportunities
- Continue to present workshops and partner with other conference committees
- Meet with the STBC committee more frequently
- Provide a list of clergy and laity willing to share their expertise on specific topics to help any church

The Strengthening the Black Church Committee will continue to connect with those agencies and boards for resources designed to strengthen the Black Church. We will work throughout our Annual Conference and with the new Director of Strengthening the Black Church for the 21st Century.

PECOMETH CAMP & RETREAT MINISTRIES

REVIEW OF 2012 GOALS

- Reach 20% occupancy (as measured in user days/bed) at the Riverview Retreat Center for the 2012 calendar year.

The Riverview Retreat Center (RRC) reached an occupancy rate of 16% in 2012. The lower rate is largely due to difficulty in booking summer weekends. Bookings in 2013 look much better with most summer weekends already booked.

In addition, Pecometh is aggressively developing programming to help our churches develop principled Christian leaders. Using a "rapid prototyping" approach, Pecometh will seek to find the programs that our churches find most valuable and will build on these to be a primary resource for the revitalization of the church.

- Register 1300 campers in the Pecometh Camp Programs.

Camp Pecometh served 1222 persons in 2012, an increase of 4.8% over 2011. This is an encouraging sign and bodes well for the future of camp ministry. New programs such as Family Camp, Top Chef Pecometh and Directors' Leadership Week combined with long-cherished programs such as Riverside and Splashdown to fuel the increase. Pecometh will add two more summer camp programs in 2013: Archer Games and DIY.

- Develop a donor base of 2500 persons/organizations with \$150,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

Pecometh's donor base has grown to over 2,500 donors as of the end of 2011. Total giving, excluding the Capital Campaign, was \$111,560 as follows:

| | |
|--|----------|
| ○ Camperships | \$28,996 |
| ○ Spain Grant Program | \$8,229 |
| ○ Annual Appeal | \$29,620 |
| ○ Alumni Giving | \$8,879 |
| ○ Capital Improvements (existing facilities) | \$4,670 |
| ○ Endowment Funds | \$6,100 |
| ○ Fundraising (net) | \$25,066 |

Growing the donor base is a key element in Pecometh's strategic plan. Viable and effective ministries can no longer depend on institutional support. It is important for Pecometh to continue to cultivate support among those who have a passion for our mission of God-inspiring, life-changing experiences.

Pecometh granted over \$28,612 in camperships to 154 campers in 2012. In addition, the new Spain Grant Program, which works with churches who are ministry with those in financial need, sponsored 23 campers with \$4,600 in support. This program will expand, with over 40 Spain Grant campers already registered for 2013.

CAMPING AND RETREAT MINISTRIES

The vision of Pecometh Camp & Retreat Ministries is to *make disciples of Jesus Christ for the transformation of the world, through Christ-centered peace and play, in our unique Eastern Shore setting.* Pecometh is the Peninsula-Delaware Conference camp and retreat ministry. It exists to serve our churches in the development of principled Christian leaders. While many think of Pecometh as a place for children and youth, which it is, Pecometh now serves persons of all ages in their growth as faithful and effective disciples of Jesus Christ. A lifetime at Pecometh.

We are grateful for the ongoing support provided by the Peninsula-Delaware Conference, its churches and their members to make these experiences possible for young people. In 2011, Pecometh reduced its apportionment funding from \$138,950 to \$70,000. This continued in 2012 and will remain that way as Pecometh continues to move toward a donor-funded ministry. This is certainly a challenge, but one we believe God will help us meet.

The *Tradition & Transformation* Capital Campaign culminated in 2012, raising \$2.01 million toward the \$2.2 million goal. While this is somewhat short, we believe it is a testament to God's providence in a very difficult economic period. Thanks to all who made this effort possible.

Pecometh Camp & Retreat Ministries would also like to thank the Council on Finance & Administration, which provided a grant of \$27,000 in late 2011 for the 2012 year.

Thanks to the team of Dave Buchanan, Richelle Darrell, Megan Gibb, James Green, Bud-d Landing, Julie Lutz, Caleb McGuckin, Megan Shitama, Chris Shultz and Rena Tuttle for their continued outstanding leadership at Pecometh.

UPDATED STATEMENT OF GOALS FOR 2013

- Reach 20% occupancy (as measured in user days/bed) at the Riverview Retreat Center for the 2013 calendar year.
- Register 1300 campers in Pecometh Camp Programs.
- Develop a donor base of 2,750 persons/organizations with \$140,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

STATEMENT OF GOALS FOR 2014

- Reach 25% occupancy (as measured in user days/bed) at the Riverview Retreat Center for the 2014 calendar year.
- Register 1350 campers in the Pecometh Camp Programs.
- Develop a donor base of 3,000 persons/organizations with \$170,000 in contributions to the annual fund, camperships and capital projects.

COMMISSION ON ARCHIVES & HISTORY

Mission Statement

The mission of The Commission on Archives & History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Annual Conference, its churches, agencies, and antecedents.

Operation of Barratt's Chapel and Museum

Every Conference has a Commission on Archives and History. But ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 232nd year, Barratt's Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784 Thomas Coke and Francis Asbury met at Barratt's Chapel and laid plans to organize American Methodists into a church independent of the Anglican Church. At this meeting the sacraments of baptism and communion were officially celebrated for the first time anywhere by ordained Methodist clergy, a symbolic declaration of independence. Therefore, Barratt's Chapel is appropriately called the "Independence Hall of American Methodism."

The Commission on Archives and History of the Peninsula-Delaware Conference, under the leadership of President Kenyon L. Camper, meets semi-monthly in the Vestry at Barratt's Chapel.

Conference Archives

It is our responsibility by the *Discipline* (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all its antecedents including the Delaware Conference, which at its final meeting delegated Barratt's Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference. The Archives are cataloged and housed in a fire-proof, climate-controlled section of the museum building. We maintain files for every charge in the Conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email

and telephone requests. There is a non-circulating library of approximately 3000 volumes on Methodist history.

The Curator/Conference Archivist and the Conference Historian have continued to digitize pre-Civil War church records. The Curator/Conference Archivist attended the Archivist Training Event sponsored by the General Commission on Archives and History at Drew University.

Chapel Usage

Although Barratt's Chapel has not had an active membership since 1957 it remains a busy venue for worship and learning. We had approximately 5000 visitors for tours, special services, confirmation classes, weddings, baptisms, funerals and research in 2012. We also had approximately 100 research requests.

There were several special events held at Barratt's in 2012:

- Bishop Johnson and the Board of Ordained Ministry held a day-long meeting with the ordinands.
- The confirmation classes from the churches of the Peninsula-Delaware Conference were invited to an event with Bishop Johnson.
- At the request of the Dover District, the Curator and Conference Historian taught *Living Our Beliefs*, a 5-week course on Methodist history and theology which is a requirement of the new Lay Servants curriculum. With easy access to the archives and library, Barratt's proved to be a good venue for the course.
- A Christmas Eve Communion Service was led by Bishop Johnson. The service brought in many people who had never visited the Chapel before. Carol Stevens provided deaf interpretation.
- The 228th anniversary of the meeting of Francis Asbury and Thomas Coke on November 14, 1784 was commemorated with the traditional Anniversary Service. This year it was led by Dr. Chuck Yrigoyen, former General Secretary of the General Commission on Archives and History. He spoke on "The Meeting Before the Meeting".
- The annual Christmas Carol Service was a service of Lessons and Carols presented by the music department of Wesley College under the direction of Dr. James Wilson. The program also included musicians from the Delaware Choral Society Chamber Singers and First State Chamber Players. They are planning on returning for the Christmas Carol service in 2013.
- Several organizations, such as the Delaware Farm Bureau and the Archaeological Society of Delaware, use the Chapel for special services and meetings.
- We very much appreciate the financial support of the *Friends of Barratt's*. As a way of showing our appreciation we held an ice cream social and special tour in August.
- The Chapel and Museum are open every Saturday and Sunday from 1:30-4:30 for visitors and researchers, as well as other times by appointments.

Outreach

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator/Conference Archivist, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history. They are available to speak at worship services and other church events. They also led a workshop on preserving church records at "The Well".

In May members of the Commission attended the annual meeting of the Northeast Jurisdiction Commission on Archives and History in Gettysburg, hosted by the Susquehanna Conference. Our conference is scheduled to host the annual meeting in 2016.

Peninsula-Delaware Conference Historical Society

The Rev. Dr. Earle Baker is the president of the Historical Society. There are two meetings each year for the members of the society.

The Historical Society is continuing to survey local churches to determine what historical records each church has. Bishop Johnson wrote an introductory letter explaining the need for the information to be centrally located with the Historical Society. A database is being created and maintained as a result of the information gathered. Many requests concerning baptisms, marriages, and other information frequently come to the Conference Archives at Barratt's Chapel, the District offices and the Peninsula-Delaware Conference office. This database will help them know where to refer persons for the particular information needed.

Maintaining the Chapel

With a 233-year-old Chapel and two other buildings there are always maintenance issues. In 2012 two of the original doors on the Chapel were restored, lighting was increased for the parking lot and sign and the furnace room attached to the rear of the Chapel was rebuilt.

Barratt's – Wesley Partnership

We continue our partnership with Wesley College. The College continues to assist with utilities and regular maintenance.

Goals of the Commission on Archives and History

- Following requirements of the *Discipline*, maintain a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed churches within its bounds, and make those materials accessible to researchers.
- Operate Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
- Provide historical programs for confirmation classes and other groups.
- Provide training and support for Local Church Historians.
- Support the Peninsula-Delaware Conference Historical Society.
- Recruit and train volunteers to assist with the historical and archival work at Barratt's Chapel and Museum.

Peninsula-Delaware Annual Conference 2014 COMPREHENSIVE BENEFIT FUNDING PLAN TEMPLATE

The Peninsula-Delaware annual conference has the following benefit obligations:

Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Contribution (DC)

The total liability for CRSP DB annuities as of 1/1/2012 is \$737 million, the total plan assets are \$744 million, and the current funded ratio for the plan is 102%.

The Peninsula-Delaware Conference's portion of the total liability is 1.16%, and the conference has elected to include 100% for FTE eligibility for 2014. As a result, the required contribution due as of 12/31/14 is \$592,887.

It is anticipated that the amount will be funded from Future Incoming Money totaling \$892,887.

The total account and/or future incoming money covers the required contribution.

The contribution for 2012 CRSP DC is anticipated to be \$353,608 and will be funded by Direct Billings to churches.

It is anticipated that increases for future years will be 2.00% (anticipated increase %). This increase is anticipated because Anticipated Salary Increase.

Ministerial Pension Plan (MPP)

The total liability for MPP annuities as of 1/1/2012 is \$2,538 million, the total plan assets are \$2,639 million, and the current funded ratio for the plan is 104%.

The conference's % of the total liability is .39%. There is no required contribution for 2014.

Future MPP annuities have a total account balance of \$4,324 billion as of 1/1/2012. The conference's portion of this account balance at 1/1/12 is \$43,122 million or 1.0% of the total.

Supplement One to the Clergy Retirement Security Program (Pre-82)

For 2013, the PSR is \$642.00. For 2014, the conference is increasing its PSR to \$668.00. On average, the conference expects future increases to be approximately 5%. The rationale for our expectation is:

prefer a conservative estimate that allows for effects of coming inflation

The expectation for future average increases to the PSR has not changed from the past.

Key assumptions: 7.0% discount rate, using the SP2000 mortality table with a AA generational projection.

The conference does not intend to increase its contingent annuitant percentage from 75%.

Funding Plan Liability as of 1/1/2012 \$19,548,417

Plan Assets as of 1/1/2012 \$18,315,799

The current funded status is \$(1,208,624) with a 94% funded ratio.

Redirecting Surplus Information

If the Funding Plan becomes funded beyond 110% excess will be re-directed to CRSP-DB funding.

The Conference understands that redirection of Pre-82 Surplus may lead to future contributions toward Pre-82 liability.

It is anticipated that the amount will be funded from Non-Plan Assets

Non-Plan Account Information:

| | Current Value | Other Liabilities Against this Account | Value Available for Pre-82 |
|----------------|---------------|--|----------------------------|
| END OF PENSION | \$12,230,807 | \$10,826,233 | \$1,405,574 |
| Kinder Act | \$43,551 | (\$2,837) | \$46,388 |

The Total Balance is positive, all liabilities have been accounted for.

|---|--------------|

| | |
|--|--------------|

The Pennsylvanians-Delaware conference has the following other benefit obligations:

Section A. United Methodist Personal Investment Plan

Currently (for 2012), the Pennsylvanians-Delaware Conference has an annual estimated contribution to the United Methodist Personal Investment Plan of \$191,728.

Carolyn Suzanne Bunting

Rev. Dr. Carolyn Suzanne Bunting, OSB, went home to be with the Lord on August 27, 2013 after a battle with cancer. "Reverend C," as she was fondly remembered, leaves behind a legacy of those she touched with the Love of God, be it through pastoral ministry or serving as a Chaplain for the Oxford, Maryland, Police Department.

Carolyn was born October 14, 1942 in Mishawaka, Indiana to Everett and Dorothy Jones. Carolyn and her 2 brothers, Terry and David, and her sister, Linda, were raised in Edwardsburg, Michigan. Much of her adult life was spent in the state of North Carolina where she was a member of the United Methodist Church. After moving from western to central North Carolina, she became involved with the Episcopal Church. It was also during this time she received her call to the ministry and started the process towards ordination to the priesthood and took her monastic vows in the Order of Saint Benedict.

While serving with her husband Jay, she was appointed to the Mt Hermon/Bethel Walston Switch Charge from 2002 to 2006. In 2006, she was appointed to the Ridgely, Thawley Charge, and finally in 2010 was appointed to the Elkton-Cherry Hill Charge. During her last 3 years of fighting her disease, she never let it stop her from performing her pastoral duties or let others know of her illness as she did not want to be treated with sympathy. Her great passion in life was the churches that she served.

Her greatest legacy is that she would not retaliate to those who would attack her in the ministry--be it from those opposed to women in ministry, being from a racially mixed family, or those who wanted to control. She continued to love them and pray for them as Christ would have all of us to practice.

Step-Daughter Sylvia C. Todd

Joseph Wayman Williams, Jr.

Rev. Joseph Wayman Williams, Jr. waited patiently and faithfully upon the Lord. As his strength was renewed, he mounted up with wings on Tuesday, October 16, 2012, and entered his eternal home.

Rev. Williams was the first born to the union of the late Rev. Joseph Wayman Williams, Sr. and Naomi Irene Gale Williams. He was born on January 6, 1922 and was raised in a Christian home in Fruitland, Maryland.

Joseph received his early education through the Wicomico County School System. He graduated with honors from the Wicomico High School in 1939 and attended the Maryland State College (currently known as the University of Maryland Eastern Shore) in Princess Anne, Maryland. He continued his education at Kittrell Seminary, Kittrell, North Carolina where he received a BS degree. His additional studies continued at the American University in Washington, DC.

Joseph served in the United States Armed Forces and was stationed in the Philippines during World War II and received an honorable discharge in January of 1946.

On December 25, 1946 he married his high school sweetheart and the love of his life, the late Anita Ernestine Showell. From this beloved union, he became a proud father of three children; daughter, Viola Celeste, and two sons, Jon Henri and Showell. Joseph and Anita shared a beautiful union until Anita was called home on October 25, 1987. In November of 1988, he married the late Elenora M. Greene. Elenora's love carried Joseph through until she was called home on March 24, 2011.

Being a preacher's kid allowed Joseph to always know the word of God. He was raised in church and confessed to Christ and was baptized at the Mount Olive A.M.E. church in his home town of Fruitland. His spiritual growth was shown through his Christian life and God's destiny for him led to his call to minister. In 1952 Joseph was ordained and began his first pastoral duties at St. Johns A.M.E. Church in Pocomoke, Maryland. This call on his life and the obedience to follow Christ stretched his pastoral duties to many, many churches.

In 2003, Rev. Williams retired from Scott's United Methodist as pastor. However, he did not retire from the calling on his life. As an active participant of the Easter Seals Adult Day Care, Rev. Williams enjoyed teaching and declaring God's word on a weekly basis.

Rev. Joseph Wayman Williams Jr. enjoyed life and family time. He was known for telling old stories of his life experiences. He loved traveling with his sons and singing, especially old songs and hymns. Recently, due to his failing health, his past-time was spent doing puzzles, word search, playing cards, and scrabble. But most of all, he wanted to be on the go!

He was preceded in death by his brother, Charles and grandson, Marcus. Those left to cherish his memory are: his daughter, Viola Celeste (Bruce) Moore; his sons, Jon (Christine) Williams and Showell Williams; Step-son, Gary Green; four granddaughters, Nicole Williams, Marcia Jones, Monica Williams, and Caryn Moore; five step-grandchildren Gary Green, Brienne Green, Gemya Green, Jaedyn Green, Nevaeh Smith; eleven great-grandchildren and two great-great-grandchildren; One sister, Alice (Theodore) Davis of Fruitland, Maryland; a host of nephews, nieces, cousins, other relatives and dear friends.

Daughter, Viola

on by the Annual Conference.

Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.

Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members.

Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2012 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the *212 Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board,

Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 658 in the 2012 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President.
- Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which

will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

B. Rules and Guidelines for the Conference
Committee on Clergy and Lay Leadership

I.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.

2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.

That the Committee on Clergy and Lay Leadership be composed of the following persons:

- a) Insofar as possible a balanced number of lay and clergy
- b) representatives from each District;
- c) Director of Connectional Ministries;
- d) Conference Lay Leader or designate;
- e) Two Young People's representatives.

Members will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.

3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership.
 - b) Priority will be given to assure inclusiveness.
 - c) The Committee will operate by consensus.
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee.
 - e) See section B for process for securing leadership.

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.

5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.

6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2012 Book of Discipline of the United Methodist Church, ¶612.2.b)
7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E, page 118 of the 2012 Book of Discipline of the United Methodist Church), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.

12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
 - b) A demonstrated leadership ability in the local church;
 - c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 - d) Willingness to commit time as required by the position;
 - e) Willingness to commit time for training for the responsibilities of the office;
 - f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
 - g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship.
13. That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
 14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
 15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

II.

For Information Only:

*Concerning the Committee on Clergy and Lay Leadership,
its report and the securing of talent*

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent and to the Bishop to obtain recommendations. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Teams for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Committee on Clergy and Lay Leadership report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.
