The two hundred thirty-third session of the Peninsula-Delaware Annual Conference began with music by the Clergy Praise Band. The Opening Worship Celebration began at 3:00 pm. The procession was led by the Dance Ministry of Smyrna, from Centennial UMC. The Processional Hymn was "All Hail the Power of Jesus' Name". The Call to Worship was led by Rev. Following the retiree recognition, the Clergy Praise Band ministered in song with "Our God is Greater". Anniversaries of those ordained were celebrated beginning with five years and continuing in five-year increments. The Scripture was read from Acts 16:13-15, followed by a selection from the Clergy Praise Band titled, "The River". Bishop Peggy Johnson brought the message. This was followed by an Invitation to Communion and Prayer of Confession. The offering, collected by the ushers, was to support our Congo Partnership. Bishop Johnson recognized Bishop Violet Fisher who assisted with The Great Thanksgiving and Holy Communion, which was shared around the table. The closing song was "Shall We Gather at the River". Bishop Johnson brought the Benediction and Rev. Nancy Greenwell did the Sending Forth.

The session reconvened at 4:37 pm. Shane Moran blessed the grounds. Chris Pennington introduced the mayor of the city of Wilmington, Michael Purzycki, who welcomed the Conference to the city. Clergy/Lay Leadership Report: Denise Snyder and Rev. Vicky Gordy-Stith presented the Clergy/ Lay Leadership report for information only. It will be presented for adoption on Wednesday. They asked that corrections be reported by Tuesday morning.

Statisticians Report: Rev. Tom Passmore and Rev. Tracy Mooney, the Conference Statisticians, presented the report. The Statistician's report began with a video showing ministries within churches in the conference. Tom stated that the report is not like previous reports because it will focus on where we are as a conference. The focus of the Statisticians' Report was on markers of vitality as indicators of vital congregations, which are: disciples in worship, new disciples, disciples in small group, missions, and giving to missions. He showed the markers across the annual conference. For disciples in worship, the conference is in the middle of the national average and vital congregation marker. The new Disciples marker is low. Small groups are in the middle. The Disciples in Missions marker is above the national average and vital congregations. Giving to missions is consistently growing. He encouraged churches to look at their local church and see how it compares to the national average and vital congregations.

Vision Team and Congregational Development Team and Strengthening the Black Church: Rev. Dr. Vicki Gordy-Stith and Rev. Rudy White began the report with a skit centered on praying. The Annual Conference focus was prayer this conference year. They talked about getting the equipment, tools and resources into the hands of local churches to design and implement a Prayer Vigil or start a new ministry. There was work on the Call to Action, issued by the Northeast Jurisdictional Conference, to address ongoing issues of systemic racism. The General Commission on Religion and Race has a resource called Vital Conversations, to help churches with conversations about race. The Vision Team partnered with the Cabinet so pastors could preach on racism and social justice, serve the community, or participate in events that honored Rev. Martin Luther King. Rev. Dr. Vicki Gordy-Stith and Rev. Lester Justice did a skit centered on churches who design great ministries, but do not focus on getting them to the people who need the ministries. Strengthening the Black Church focused on working together with others in ministry, through workshops and sharing. The Gather to Grow workshop discussed racial tensions. There are resources available at the Conference Resource Center. Readiness 360 helps churches discover who they are, how they are equipped for ministry, support new ministries and new church start. Carlos Reyes joined the conversation by speaking in Spanish. Carlos was in his first year as coordinator of Hispanic-Latino ministries. Dr. Gordy-Stith spoke about the conference working backwards through our C-A-L-L. This past year the focus was on "L" for love. This coming year the focus will be on the second "L-Leadership", and developing an Intentional Discipleship Program (IDP) for pastors. The year after, the focus will be on the "A-Acting" part of our CALL. The final year of the quadrennium, the focus will be on the "C-Connecting".

Alison Windle of the Neighborhood House invited people to tour the agency and offered grace at 5:42 pm. The conference stood adjourned until 6:30 pm.

They partnered with Strengthening the Black Church for a young adult summit to build relationships and have conversations on race. They planned a young people's convocation to discuss legislation that would be presented at the conference and Bishop Johnson shared a word with them. They celebrate those called into ministry and those starting seminary. Natalie Risses, a first-year member of CCYM, closed the report with prayer.

Order of the Day: Dr. Terry Tekyl, an Elder in the Texas Annual Conference, is a "prayer evangelist" who travels across the United States and around the world encouraging churches to develop and maintain prayer ministries. He began the teaching session with Scripture referencing Jesus in the temple with the money changers, turning over the table and saying, "my house shall be a house of prayer." He defined watermarks, the places where they are located, and taught about the watermarks of a healthy church. He said we need more prayer-based churches versus people-based churches. He then taught about a Martha and a Mary church based on Luke 10. He prayed for the pastors that they might become evangelist and win lost souls to Christ. He presented some ideas that churches can use to get creative about prayer and think outside the box. These included: driving down the street and praying for homes, prayer walks through neighborhoods, and prayer boxes in doctor and dentist waiting rooms and other businesses. He gave away door hangers and closed with prayer for homes and those in attendance at the conference.

The Conference adjourned at 8:50 pm and will reconvene at 8:30 am tomorrow.

She quoted John Wesley who wrote, "Faith, hope and love are the sum of perfection on earth; love alone is the sum of perfection in heaven" She ended with a challenge to the laity and clergy to become patient and kind, not be envious, boastful or rude, not to insist on our own way, not be irritable or resentful, but to bear, believe hope, endure and love without end.

When Johnathan and Donna are participating in missions in the Congo, we are there with them. Their goal is to work toward developing the people of the Congo so they are self-sustaining. Bert Jicha asked the Cabinet and District Superintendents about the steps taken to preserve the history of the closed churches. Fred Duncan said that the required documents have been sent to Barratt's Chapel for historical preservation. A motion to approve the reports was presented and the report was approved.

Call to Action Report: Bishop Johnson called on Shirlyn Brown to present the Call to Action report on behalf of cabinet. She began the report by saying that on behalf of the Peninsula-Delaware Conference Cabinet, in connection with our Annual Conference, the 2016 Northeast Jurisdiction Call to Action is being answered. There has been continuing education for Board of Ordained Ministry and District Committee, who received training from the General Board on Commission & Race on cultural diversity. The District Committees are focusing on building relationships and tearing down walls of racism. There are learning and listening sessions at clergy gatherings and district and county worship experiences. The study guide and teaching tool, *Vital Conversations on Racism*, is being offered to clergy and laity for use in the churches. Additionally, the Wilmington District is offering the class at their Lay Academy. The cabinet has been studying the book *The End of White Christian America* by Robert P. Jones. The cabinet celebrates our brother, The Rev. Dr. Ronald Bell, Jr. being commission as a provisional elder, during this Annual Conference. The cabinet continues to encourage young adults to accept their call into pastoral ministry. The conference has persons of color serving as chair or vice chair of Trustees, Pension, Personnel, Congregational Development, Equitable Compensation and Council of Finance and Administration. There were no African American church closures during this current conference year. As servant leaders, there is intentional commitment by the Cabinet, to be unapologetically diverse and passionate Christians. With the understanding that we are going on to perfection, and the work in vineyard is NOT complete. They give glory to our Creator for the power of the Holy Spirit that leads and guides their actions. Bishop Johnson said that the Call to Action continues through this quadrennium and a report will be given every year.

Act of Repentance Report: Bishop Johnson said the commitment made last year to the Act of Repentance and Peninsula-Delaware Conference Committee on Native American Ministries (CoNAM) continues to be active. The cabinet made some promises at last year's Annual Conference and wants to continue those promises. Each Cabinet and Extended Cabinet Member shared in the updated report. The report spoke about how there was work to empower the presence of Native Americans and indigenous people in the life of the Conference. We have promoted and supported Native American Ministries Sunday in the local churches with written and oral resources. We have worked to strengthen our partnership between the Peninsula-Delaware Annual Conference and CONAM, with issues of clean water regarding the Dakota Access Pipeline and opportunities to participate in related protests. We have continued to develop relationships of mutuality with Native American peoples in local churches. We have continued to provide education for non-native people about the importance of the Act of Repentance. We are working to develop new native and indigenous leaders across the connection, by attending local activities to understand their culture and leadership values. We are supporting General Church initiatives related to native and indigenous people. The Cabinet has planned a mission trip to Spirit Lake in North Dakota to better understand the needs of other native people. Bishop Johnson closed the report by saying we recognize we have far to go on the journey and offer the steps taken so far as fruit of our repentance. We pray for healing and hope, as we continue our process of sanctification. She asked every church to take a look at how they can better improve relations with people in their local Native American communities.

Setting of Appointments: Bishop Johnson began the service for Setting of Appointments by inviting the Cabinet to come around her. There were not a lot of retirements this year. The Setting of Appointments is a cooperative spirit between the cabinet, church, pastor and Holy Spirit. Bishop Johnson invited the Clergy who would be moving to new appointments to stand.

She prayed for them. She asked pastors who were remaining to their current appointments to stand. She asked all lay people to stand. Fred Duncan, Dean of the Cabinet, prayed for all.

Order of the Day: Commission on a Way Forward Report: Bishop Johnson began her report by saying there was a surprise moment at the 2016 General Conference. At every General Conference since 1972 the conversations about human sexuality, LGBTQ, have been a topic of divisiveness. At the 2016 General Conference, by a narrow vote of twenty-three votes, it was passed that all petitions regarding LGBTQ were tabled, and referred to the Council of Bishops. The Council would establish a Commission of diverse individuals, to talk and find a way forward. The Council came up with an inclusive group of people from around the world to include clergy, lay, and eight bishops. The group had three meetings and there were signs of hope. The updates are posted on the website. All sixty-nine conferences were asked to pray for one week. Our week of prayer was in February. The Commission has announced there will be a called session of the General Conference in February, 2019, in St. Louis, Missouri. We voted to send our 2016 General Conference delegates to the called session. Bishop Johnson continued the report with a video about the Commission on a Way Forward. She asked for prayers for the Commission and input from individuals. She shared resources on the websites and books that are available for use and ways to provide feedback. Bishop Johnson closed the report by opening the floor for questions.

Camp Pecometh Report: Rev. Jack Shitama gave the Camp Pecometh report. He began the report by sharing about the capital campaign that began in 2015. He spoke about the previous capital campaign that was from 2007 -2011, and, built the Riverview Retreat Center. This capital campaign is focused on kids. The theme is "On Earth as it is in Heaven." He said when people come to Camp Pecometh they experience community and God's grace and love, which they can then share with others. They are investing in equipment and facilities for Chrysalis and summer camp. He shared a video on Camp Pecometh with the theme and testimonials from persons who attended and worked at the camp. The ushers passed out an annual report from the camp. Jack thanked the Conference for being a partner with Pecometh. He shared the camp's vision statement. He spoke about the "Center for Clergy Excellence" which develops effective leaders. He highlighted the Congregational Leadership program for Certified Lay Ministers and part-time Local pastors. Bishop Johnson presented certificates to those who successfully completed the program. Jack concluded his report with a testimony from the parent of a child in the summer camp. He closed by thanking the Conference for their partnership.

Resolution R2 Adoption of the Consent Calendar: Rev. Jacqueline Ford, the Conference Secretary, moved the adoption of R 2. It was adopted

Monitoring Report: Rev. David Humphrey presented the Monitoring report. He said the Monitoring report would be presented by sharing three things, which were, a promise, things to think about or explore, and an affirmation in the form of a riddle. The promise presented was that information given to the monitors by all persons, who had expressed some sense of being invisible or disconnected, would be shared with the Conference leadership. Examples of things to explore or think about were; how might the presence of more young persons of color in a variety of rolls, improve our beauty quotient, and, how do we encourage such presence? The monitors count people who are left at microphones after the discussions have ended. Those who are ready to move on and bring the call for the question should consider those who are standing at the microphones waiting to speak. We should explore if the desire to move on is led by the spirit in us or by the Spirit. The final question was how might we best support men and women being called into ordained ministry? The affirmation in the form of a riddle centered on three realities. The realities were related to the different ethnic heritage of those who called us into Holy Conferencing, the increasing ethnic and gender diversity in leadership in the Conference agencies, and the debate and discussion on yesterday about the issue of computers and technology, where some were irritated, but the dialogue continued with love and respect. He said the three realities were beautiful moments of heaven reflective community in our midst. Bishop Johnson encouraged us to do monitoring in our churches.

The Conference Secretary gave the announcements and the Conference adjourned for the Service of Remembrance.

Order of the Day: The Service of Remembrance: The Service of Remembrance began at 10:35 AM with the seating of the families. At 10:40 there was the Call to Worship. The opening hymn and special music were led by the Celebration choir and the Clergy band, with Rev. Kevin Benjamin on the keyboard. Rev. Christina Lake from Grace United Methodist Church, Cambridge, Maryland performed a liturgical dance. The Tolling of Remembrance was led by Rev. Tim Duffield, Sr. of Zoar and Curtis United Methodist Church. He invited those present to drop a blue bead into the water on the tables, when the name of someone was read, who had impacted their lives. The clergy and spouses who passed during the past year were remembered. Rev. Ashley Jones, East New Market-Linkwood Charge and Turhan Potter, Easton District provided the "Ministry in Song". Bishop Johnson recognized and welcomed the family of Bishop Felton Edwin May, who passed away this year. She introduced Rev. Dr. Sung Ho Bae, Deacon, Delaware Korean United Methodist Church, Hockessin Delaware, who brought the message, "Live Well with a Thorn in the Flesh". Following the message, the Celebration Choir ministered in song, while Bishop Johnson presented each of the families with a gift. Bishop Johnson gave the Benediction and Rev. When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal

nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical information would

include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.

Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

**RULES AND GUIDELINES FOR THE CONFERENCE
COMMITTEE ON CLERGY AND LAY LEADERSHIP**

I.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representativesMembers will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be

permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2016 *Book of Discipline* of the United Methodist Church, ¶612.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the 2016 *Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit

will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
 - b) A demonstrated leadership ability in the local church;
 - c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 - d) Willingness to commit time as required by the position;
 - e) Willingness to commit time for training for the responsibilities of the office;
 - f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
 - g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

II.

For Information Only:

*Concerning the Committee on Clergy and Lay Leadership,
its report and the securing of talent*

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent and to the Bishop to obtain recommendations. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Teams for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Committee on Clergy and Lay Leadership report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.

REJECTING "RELIGIOUS FREEDOM" AS A MEANS OF DISCRIMINATION

Presented by the Social Justice Team for LGBTQ Inclusion at Newark UMC

As people of faith seeking to love neighbors as ourselves, as citizens supporting liberty and justice for all, and as United Methodists called to lead by example, we must carefully weigh how our behavior affects the welfare of all people.

We hold religious freedom as a core value.

Religious freedom guarantees that no religion shall receive preferential treatment or power to oppress those who hold different beliefs.

Laws or actions that discriminate or harm are not true expressions of religious freedom.

Our commitment to religious freedom leads us to challenge any secular or religious claim to the right to impose one religious way onto others by political, economic, or military force.

Any policies or actions of non-profit or religious organizations, private or corporate businesses, or any government entity that misuse the principle of religious freedom in ways that would do harm by denying anyone services, honor, dignity, equal rights, or equal protection are both unjust and inconsistent with Jesus' teaching and example.

Love does not allow a neighbor to continue doing harm even in the name of religion.

We take the words of Paul to heart: "If one member suffers, all suffer together with it." (1 Corinthians 21:26) We are called to speak out whenever religious freedom is used to oppress. We speak out in a spirit of prophetic love and respect for all humankind.

THEREFORE, we ask our community of the Peninsula-Delaware Annual Conference, the United Methodist Church, its agencies, institutions, and members to:

1. Honor, respect, and advocate for religious freedom for all faith communities.
2. Seek and create opportunities to study and participate in interfaith sharing and listening as expressions of our love for all.
3. Challenge the policies and actions of non-profit and religious organizations, private or corporate businesses, and government entities that misuse the principle of religious freedom in ways that do harm by denying services, honor, dignity, equal rights, or equal protection to anyone.
4. Extend the compassionate ministry of the church to persons who suffer whenever religious or government authorities seek to deny these rights.

Person Responsible for Presenting the Resolution: Ruth Oatman, Chair of the Social Justice Team for LGBTQ Inclusion at Newark UMC.

RESOLUTION ON DELAWARE CONFERENCE ACADEMY (UMES)

Presented by Commission on Archives and History

Whereas the Delaware Conference was established as "the first Conference for Colored Preachers, under the rule of the General Conference of the Methodist Episcopal Church" in 1864; and whereas the members of the Conference, wishing to provide opportunities for higher education, established the Delaware Conference Academy in Princess Anne, Maryland in 1886; and whereas the Delaware Conference Academy was the forerunner of the University of Maryland Eastern Shore,

We therefore ask that, on recommendation of the Commission on Archives and History, the Peninsula-Delaware Conference designate the Delaware Conference Academy/University of Maryland Eastern Shore as a Conference Historic Site.

Persons Responsible for Presenting Resolution: C. Russell McCabe, Jessie C. Smith, and Barbara Duffin.

RESOLUTION FOR REDUCING HARM FOR LGBTQ CHILDREN AND YOUTH

*Presented by FIRE (Faithfully Inviting and Reconciling Everyone),
Epworth United Methodist Church (Rehoboth Beach, DE)*

WHEREAS, research indicates that gay, lesbian, bisexual, and transgender teens who experience high levels of rejection at home are more likely to attempt suicide, are at higher risk for depression, are more likely to use illegal drugs, and are more likely to be at high risk for HIV and sexually transmitted diseases; and

WHEREAS, as many as forty percent of homeless youth identify as lesbian, gay, bisexual, or transgender, many of whom are on the streets either because their families shut them out of their homes or because they feel unsafe and/or unwanted in their family homes; and

WHEREAS, according to the Social Principles of the United Methodist Church, "We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons," (§161 F); and

WHEREAS, the United Methodist Church has affirmed its commitment to be in ministry to persons of all sexual orientations, and points out that "an individual confronting his or her own minority sexual orientation and/or that of a close family member, friend, or associate often experiences isolation, confusion, and fear when he or she needs information, guidance, and support, and we recognize that teens dealing with questions about sexual orientation are at a greater risk for suicide" (#2041, 2012 Book of Resolutions); and

WHEREAS, the United Methodist Church has also affirmed its opposition to homophobia and heterosexism, and its opposition to "all forms of violence or discrimination based on gender, gender identity, sexual practice, or sexual orientation" (#2042, 2012 Book of Resolutions); and

WHEREAS, while our church holds diverse opinions regarding sexual orientation, gender identity, and gender expression, we share a commitment to do no harm, to do all the good we can, and to love God; and

THEREFORE, BE IT RESOLVED that the Peninsula-Delaware Conference of the United Methodist Church is called and seeks to educate families about how to respond with love to their youth whose sexual orientation, gender identity, or gender expression may not conform to their family's expectations. This response includes affirming the value and sacred worth of their youth, maintaining safe spaces and not severing ties with their youth, and demonstrating respect for their youth; and

BE IT FURTHER RESOLVED that, where possible, United Methodist Churches within the Peninsula-Delaware Conference are encouraged to: a) work with local schools to support educational opportunities, best practices for creating safe spaces, and policies for reducing bullying; and to b) support all youth, including those who identify as lesbian, gay, bisexual, or transgender, or who question their sexual orientation or gender identity; to the end that they may be guided to accept God's grace for themselves, to profess their faith openly, and to fully embrace and live out their true identity in Jesus Christ.

**RESOLUTION IN SUPPORT OF ENVIRONMENTAL JUSTICE FOR NATIVE
AMERICANS**

Presented by Advocacy Resource Team

WHEREAS, The United Methodist Church recognizes that all of Creation belongs to God and that we are called to be faithful stewards of its bounty (Social Principles: I. The Natural World, ¶160, *The Book of Discipline of The United Methodist Church 2016*); and

WHEREAS, The United Methodist Church has called for an end to environmental racism, in which the effects of environmental pollution disproportionately impact persons from minority groups, especially Native Americans [*The Book of Resolutions of The United Methodist Church 2016: #1025 – “Environmental Racism in the US” (Resolution #1025: 2012, 2008 Book of Resolutions, Resolution #9: 2004, 2000 Book of Resolutions; Adopted 1992)*]; and

WHEREAS, The United Methodist Church, through the General Board of Church and Society, is a member organization of Creation Justice Ministries, an ecumenical and environmental advocacy group with a mission to educate, equip and mobilize faith communities to protect, restore and rightly share God’s creation; and

WHEREAS, Creation Justice Ministries has called for ecumenical support of four specific pro-environmental initiatives that particularly impact Native Americans, which are:

- the preservation of Bears Ears National Monument, the first U.S. national monument with a primary focus on honoring the natural, cultural and spiritual heritage of tribes, and managed under the advice of official tribal appointees,
- permanent protection of the Arctic National Wildlife Refuge, a site important to the Gwich’in people, a Alaska Native community, for both religious and basic sustenance reasons, which is threatened with commercial drilling that would imperil the survival of both the Gwich’in people and the caribou on which they depend,
- respect for the sovereignty of the Standing Rock Sioux Tribe, whose tribal treaty rights and drinking water may be undermined by an environmentally risky oil pipeline on their land and with whom representatives of many U.S. religious communities, including United Methodists led by Rev. Bruce Ough, President of the Council of Bishops, have protested the pipeline and defended their rights in solidarity, and
- the Antiquities Act, a law originally passed in 1906 that authorizes U.S. presidents to protect historic landmarks or objects of “scientific or historic interest” on public lands as national monuments, which has been used many times to protect sites important to Native Americans and has been shown to be overwhelmingly popular with American voters.

THEREFORE, BE IT RESOLVED that the Peninsula-Delaware Conference of The United Methodist Church support the actions of Creation Justice Ministries to bring environmental justice to Native Americans; and

BE IT FURTHER RESOLVED that the Peninsula-Delaware Conference of The United Methodist Church authorizes our Bishop to endorse the positions of Creation Justice Ministries on the above-referenced actions.

**RESOLUTION RELATING TO COMPUTER NETWORK AND
INTERNET ACCESS POLICY**

Presented by the Conference Council on Finance and Administration CCF A

WHEREAS, computers, computer networks and other electronic devices provide employees and church members access to the vast information resources of the Internet with the intention of increasing productivity and enhancing church-related communication; and

WHEREAS, there is also justifiable concern that they can be misused, potentially violating laws, ordinances or other church policies, garnering negative publicity for the church and potentially exposing it to significant legal liabilities:

THEREFORE BE IT RESOLVED, that all local churches in the Peninsula-Delaware Annual Conference require all users of church computer equipment and networks to comply with and acknowledge the following policy.

Persons Responsible for Presenting Resolution: Rev. Lawrence Pelham, Chairperson of Conference Council on Finance and Administration

Users are cautioned that many of these pages include offensive, sexually explicit, illegal, and inappropriate material. In general, it is difficult to avoid at least some contact with this material while using the Internet. Even innocuous search requests may lead to sites with highly offensive content. RESOLUTION TO SET MINIMUM SALARIES FOR CALENDAR YEAR 2018*Presented by the Conference Commission on Equitable Compensation*

The Conference Commission on Equitable Compensation has the disciplinary responsibility to recommend to the Annual Conference standards of clergy support (\$625); and

After prayerful consideration and thoughtful examination of the available data, the Commission recommends on a 2.6% increase for next year. This increase is consistent with the 1.7% increase in minimum salary for 2017, it is in line with the 2.6% cost of living increase projected by the Social Security Administration for 2018, and it is the similar increase that the Personnel committee has granted Conference Office staff for 2018. We believe the 2.6% increase becomes compelling when examined in comparison with these data.

We therefore ask that our community of the Peninsula-Delaware Annual Conference set minimum salaries at the following amounts for 2018:

Full Elder and Full Member Deacon:	\$38,009
Provisional Elder, Provisional Deacon and Associate Member:	\$35,017
Full Time Local Pastor:	\$32,720

We also ask that these minimum salaries be increased by \$150 for each year of service, up to 20 years of service.

We also ask that the Continuing Education minimum amount be set at \$800 for 2018. Clergy should receive paid leave to attend continuing education events.

We also ask that the reimbursement for travel expenses in 2018 be at the rate set by the Internal Revenue Service for 2018. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

We also ask that Clergy continue to be allowed to preach one week each year for one of the following events: Walk to Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and that this service shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge. Other qualifying engagements will be determined by the Commission on Equitable Compensation on a case by case basis.

**RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF
THE PENINSULA-DELAWARE CONFERENCE**

Presented by Conference Board of Pensions

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service; and

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

1. An amount equal to 100% of the pension payments received during the year 2018 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement:
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by the local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriated body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt this resolution effective July 1, 2017

Others may want to take this route, and we outline here the steps involved in case you may not be aware of the procedure.

1. All salary and conference apportionments are removed.
2. The church drops out of the listing of churches to which pastors are assigned. We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.
3. The only services to be held are weddings, funerals, or special occasions.
4. One or more special services a year may be held with the offering received to be used for the upkeep of the building.
5. The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
6. The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
7. This allows the possibility that should population shifts bring people into the area, we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

1. Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - A. A copy of the deed transferring the property into the name of the Charge Conference;
 - B. Specific directions for locating the property from a major highway; and
 - C. An 8" x 10" photograph of the church building.
2. The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared abandoned.
3. Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it abandoned without further consultation.

CONFERENCE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

In the past year the CBHECM has continued its work of supporting the campus ministries within our conference as they continue to share the grace and love of Jesus Christ with the young people around them. We are blessed to be able to continue to award three separate scholarships to young people going to college, regardless of where they are attending. This was my first year serving as Chair of this board, and it has been a wonderful learning experience with a devoted group of folks passionate about this vital ministry. I speak as someone who was truly saved, who only knows Christ as their personal Lord and Savior, thanks to the work of campus ministry.

After spending my whole life in the church and feeling called to ministry at an early age, it was the leaders and students of a campus ministry that kept me from going down a different path pursuing the temptations and ways of the world. Our campus ministries and the clergy and laity that support them on this board, individual executive boards, and in so many volunteer capacities, work to continue the spiritual development and discipleship started in our local churches. This continues as young people face all of the trials, temptations, successes, and growth that comes from leaving home for college. The following goals are continued from last year and the product of a time of listening, sharing, and looking ahead to what our campus ministries need and how the CBHECM can facilitate support for them from our churches and other conference groups.

2016 Goals

1. To compile and maintain a list of college students from our conference to ensure connection with the local Wesley Foundation or United Methodist Church.
2. To compile a list of churches within our Annual Conference who support higher education by giving scholarships.
3. To help Wesley Foundations in their ministry to students.
4. To encourage local churches to engage with the colleges in their communities and to consider beginning a Holy Club, a Wesley Foundation, a Bible Study or a College and Young Adult Group.
5. To provide resources to local churches as they maintain connection with their students who attend college.
6. To seek ways to support new campus ministry efforts.

2017 Goals

Connecting

1. *To compile and maintain a list of college students from our conference to ensure connection with the local Wesley Foundation or United Methodist Church.*

We will explore the best way to achieve this goal in digital and/or print formats.

2. *To compile a list of churches within our Annual Conference who support higher education by contributing to scholarships.*

We will identify churches who regularly support higher education to engage and follow up with them and to use them to grow support for campus ministry throughout our conference.

Acting

3. *To actively support Wesley Foundations and United Methodist campus ministries within our Annual Conference in their ministry to students. Also, to engage and help local churches and other conference organizations partner in ministry.*

It is our goal to take a more active role in the events and activities of each of our campus ministries. We hope to collaborate with local churches and other conference groups to support and further our shared ministries throughout the entire life of young people in our conference.

Leading

4. *To encourage local churches to engage with any nearby colleges and to consider beginning a group or ministry to meet the unaddressed needs of a college and its population.*

The needs of any higher education institution, its students, and staff are so varied that there is room for any local church to engage in new ministries or more directly support the local United Methodist campus ministry.

5. *To create common standards that define overall health and growth in discipleship for campus ministry and a process of evaluation to help support and nurture our campus ministries in any areas of need.*

The campus ministries and communities within our conference have many shared needs, goals, and experiences. Although these commonalities exist, there are many diverse and unique communities and people we are striving to reach through our campus ministries. The CBHECM hopes to create common standards and means of evaluation to support, encourage, and resource each campus ministry in any area where growth can happen.

Loving

6. *To provide ideas and resources to local churches as they maintain connection with their students who are attending college.*

In many cases, campus ministries are continuing the discipleship begun by local congregations and their clergy and laity. Regardless of where a student is attending college, their work in a young person's life can continue through their college years. The CBHECM will continue to help local churches care for and minister to students in various ways.

7. *To compile lists of vetted and used resources for small groups, Bible studies, worship, and outreach so that we are sharing and utilizing the experiences and insights of one another for our shared ministry.*

This is based on a request from our campus pastors as they continually look for new ways to minister to and reach out to college students. The CBHECM is the perfect means of sharing ideas and resources as these pastors do the work of ministry in their own contexts. In conversation and documentation we hope to compile lists of resources actually used by our campus ministries for worship, study, and getting items made for distribution.

I thank all the members of the Board of Higher Education and Campus ministry for the faithfulness, dedication, and care to their individual ministries and to this group as we begin this work together. As we go forward in ministry and hold each other up in faith, we can proclaim the Gospel and change the lives of countless young people through the grace and love of Jesus Christ.

With Joyful Expectation,

Rev. Bradley A. Schutt

WESLEY FOUNDATION AT DELAWARE STATE UNIVERSITY

Vision Statement: Connected Christians offering the Hope of Jesus Christ to today's World

Mission Statement: Cultivating Communities through our CALL: Connecting, Acting, Leading and Loving

The Wesley Foundation at Delaware State University is living into the fore-mentioned vision and mission through ministries supported by The Methodist Student Association. We are a connecting, acting, leading and loving community of faith that accepts all people, regardless of age, sex, race, nationality or sexual orientation.

Connecting

If I were to share with you how successful we have been with connecting, I might want to mention that we started each semester with setting up a welcome table at the Organization Fair. It is at the Organization Fair that we have connected with countless students to share the vision and mission of the Methodist Student Association. Once connected, we stay connected by using social media as a means of communication. Social media has given our students the opportunity to volunteer for community service, as well as, car pool to worship service on Sunday. Social media has also given us a platform to dialogue with one another regarding Bible study, books, devotions, and social issues.

Connecting the students to the local church, Centennial UMC – Smyrna, DE, has given our students an opportunity to worship in a loving and nurturing environment. Centennial has also provided a means for the students to connect with the homeless community at our Code Purple Sanctuary.

It is through our connection, The United Methodist Church, that Juliet Symart received a \$1,000.00 scholarship through GBHEM. Without a doubt our ability to connect has been a huge success in offering the hope of Jesus Christ in today's world.

Acting

If I were to share with you how successful we have been with acting, I might want to mention that we have been actively involved in campus activities such as the homecoming parade, as well as, the Royal Coronation where Kayla Piece acted as our homecoming queen. Kayla's love for the Lord was on full display as she wore a beautiful evening gown and sash that was topped off with a shining tiara. However, what many people did not know is that Kayla is a student that had overcome a lifetime of seizures. According to her, since acting on her faith through prayer and being obedient to the instructions of her doctor, she hasn't had a seizure in nearly a year.

Acting on our faith has also given us a desire to visit Sight and Sound in late March to see Jonah. The story of Jonah is a shining example for our students to see how not acting in accordance with the will of God leads to unfavorable consequences. Roundtable discussions will follow.

Leading

If I were to share with you how successful we have been with leading, I might want to mention that one of our primary goals is spiritual leadership development. As a result, on November 4-6, 2016, a group of eight students attended Next 2016 in Atlanta, GA. It was there that the Methodist Student Association leadership team dared to imagine what was next for them in making a difference in their community. However, through the leading of the Holy Spirit, our leadership team didn't wait until they returned home to make a difference. They decided to make a difference in Atlanta. As we were traveling on the trolley, the

leadership team noticed a homeless community living in a park. Without hesitation, the team decided to return to that location to offer food, water, toiletry items, and prayer.

As a part of our visit to Atlanta, we also attended Ebenezer Baptist Church, the newly built home church of Rev. Dr. Martin Luther King. Yet, this became more than just a normal worship experience. It was in this space that the leading of the Holy Spirit was actively involved in moving upon Anna De La Rosa. It was there that Anna was prompted to give her life to Christ. In spite of the fact that Jehovah's Witnesses had taught Anna as a youth, she was given the seeds of faith in our Bible study that led to her commitment to Christ in Atlanta. Since that time, she has been on fire for Christ and a constant witness to the power of the Holy Spirit.

On April 7-9, 2017, The Methodist Student Association will also attend The Young Adult Summit in Ocean City, MD. While there, our students will be able to meet and greet other young adult leaders from throughout the Conference.

Loving

If I were to share with you how successful we have been in loving, I might want to mention that the Methodist Student Association has given back to their community by volunteering at the Boy's and Girl's Club in Smyrna during the College and Career Fair. The love that they have for mentoring was evident as they shared their college experience, as well as, their dreams and goals for the future. The Methodist Student Association has also demonstrated a deep love and respect for the environment. After returning from Atlanta, the students decided to have a Clean Water Challenge. Their goal was to reach as many students as possible through social media to bring about awareness to the Global Water Crisis. Their loving commitment to this noble cause led them to list simple ways to conserve water in our everyday lives. It has truly been my pleasure to serve this group of amazing leaders. They have grown and continue to grow in their love for God and neighbor.

SALISBURY UNIVERSITY WESLEY FOUNDATION: A CHRISTIAN FELLOWSHIP

This was a year of transition for our chapter of the Wesley Foundation. At the beginning of the Fall 2016 semester, the program received a new Campus Minister/ Executive Director, which significantly altered the group dynamic and brought need for reevaluation of previously-devised plans and goals. The new campus minister and student leadership team, as well as all Wesley Foundation members, needed to establish mutual understanding and trust.

Similarly, the senior student leadership team began the process of transitioning out of power and leaving the program in the hands of new student leaders, who were beginning their sophomore year at SU. For the Fall 2016 semester, the seniors would act as mentors for the incoming leaders, who would learn from them about their roles as President, Vice President, Treasurer/Secretary, and Technology Chair.

When the students and new campus minister met at the beginning of the Fall 2016 semester, they established the following goals for the program:

- To obtain screen-printed merchandise with our logo for promotion and expression of pride in our program
- To gain new members
- To engage the wider campus
- To work with other SU Christian organizations
- To continue the tradition of attending Sight and Sound Theatres in the Fall

With regard to these particular goals, we have made great progress. We were able to attend the Sight and Sound show Samson, of which the students gave raving reviews. They enjoyed traveling together in an SU-owned van, which proved ultimately more cost-effective than buying tickets through a tour bus company. We also moved forward in obtaining screen-printed merchandise; the students wore our matching long-sleeved T-shirts to the show, and even our members that did not attend Sight and Sound received a shirt in order to promote the group on campus. At the beginning of the Spring 2017 semester, we also ordered water bottles, carabiner key chains, pencils, and cinch backpacks, and these helped us gain some publicity at our Spring Activities Fair booth. Through both our Fall and Spring Activities Fairs, we gained at least 70 new names for our email list, and roughly 15 of these students have been attending weekly meetings semi-regularly.

Our goals for Spring 2017- Fall 2017 include:

- To engage with other Christian groups on campus through joint events or Bible studies
- To grow in membership quantity
- For students to learn to take leadership with authority and purpose
- To hold at least 1 of our own events (an event that is not a required event for maintaining our status as a university-recognized student organization)
- To begin using an established, Methodist-approved curriculum as a basis for student-planned Bible Study lessons
- To start a tradition of holding a Senior Commissioning service as the final meeting of each Spring semester
- To place more emphasis on group pastoral care
- To create and maintain a portfolio that includes our group mission statement, goals, and descriptions of previous events and how we would improve them in the future

The student leadership team has approved the use of our final weekly meeting of the semester as a Senior Commissioning service. We will use that time to celebrate the involvement of our outgoing senior class members and to pray over them before they move on to graduate school or career opportunities. We have also purchased a curriculum for student use; it is our hope that these will provide inspiration and theological guidelines for student-led Bible lessons during weekly meetings. At this early time in the Spring 2017 semester, the program is still working toward the fulfilling the rest of our new goals for the year.

WESLEY FOUNDATION AT
THE UNIVERSITY OF MARYLAND EASTERN SHORE

The Wesley Foundation at the University of Maryland Eastern Shore is offered as a collaborative organization. Most of the events are done in partnership with several other Christian organizations such as Bethel Campus Fellowship, in particular.

While it is not impossible to partner with other Christian organizations, it is equally important to emphasize the Wesleyan heritage especially for students who have a United Methodist background. During the Fall Semester, students were offered the opportunity to attend the Sight & Sound Theater in Lancaster, Pennsylvania to see

"Sampson." Goals for future semesters will be designed to partner with Alpha Nu Omega, a Christian Sorority; continue the already established Bible Study partnership with Bethel Campus Fellowship; establish a Wesley Foundation Bible Study; introduce students to and plan for a Wesley Foundation Day Service to be held at Wesley Temple United Methodist Church on a designated fifth Sunday. Additionally, Christian resources/devotional reading such as "The Word For You Today" and "The Life Book" have been distributed to all students connected. While students do attend churches in and out of the area, they are also encouraged to develop a local church partnership not only with Metropolitan United Methodist Church but with Wesley Temple United Methodist Church as well. Further, students are encouraged to attend and participate in workshops, training events, fellowship and other campus activities. Students were recruited to attend "The Young Adult Summit" sponsored by Strengthening the Black Church and The Vision Team.

In an effort to recruit additionally students and provide increased awareness of the Wesley Foundation organization, a recruitment table was set up in the Student Services Center that contained information relative to Wesley Foundation, e.g., printed brochures, business cards, Christian resources, and a sign-up sheet. This recruitment effort was in addition to the annual "New Look Fair" held each semester.

In lieu of the above, it is believed that the Wesley Foundation on the campus of the University of Maryland Eastern Shore will strive to create a more intense and diverse group of students where they can be more interactive with Annual Conference events, seminars, retreats, and worship encounters with God. It has been observed that Wesley Foundation on the campus of The University of Maryland Eastern Shore needs to be more attentive to living out its true meaning through study and the use of resources that have been developed for campus ministry as it pertains to The United Methodist Church.

In past years, it has been discovered that Campus Ministry is a sporadic ministry and takes patience and encouragement. Since this is not a new role for the Campus Minister/Executive Director, attention is being given to reorganization of this ministry so that it will become an organization that will reflect the light of Christ through the recruitment of students who are committed to evangelizing, and serving in a Christian Fellowship environment. Consequently, Wesley Foundation at The University of Maryland Eastern Shore welcomes the opportunity to receive referrals from United Methodist congregations and other denominations as well.

Networking, consulting and advising plays a prominent role in achieving the goals of the campus ministry. Therefore, the Wesley Foundation will seek to become a member of the United Methodist Campus Ministry Association, Facebook, create a website, and other social media opportunities.

Finally, and in keeping with the Vision of the Annual Conference, prayerfully all services, events, training and activities will connect a diverse group of students so that being "Connected Christians offering the Hope of Jesus Christ in today's World" will live out the vision of the Peninsula-Delaware and continue to be invigorated by Hebrews 10:24-25 (NLT) says: "Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near."

2016 Narrative

Discipleship – During the winter we did “Confronting the Controversies” by Adam Hamilton. For both the Spring and Fall Semesters, we continued our study of Genesis. We did our Fall Lock-in with a theme of “Prayer as Shared Meaning with God.” Sunday Fellowships are now drawing 20+ students that continue to be fed by different “brunch angels.” We launched student-lead accountability groups called Wesley Bands this year and have maintained several groups of 3-4 students. Our Chai group continued this year, allowing the students a relaxed atmosphere to engage in theological discussions.

Worship – We have some students who attend the liturgical services, but most can be found in the SonSpirit contemporary service. There are 2 students in the praise band, and we have an organist, too. The people of Newark UMC continue to be on the hunt for college students and help new ones find their way to the Wesley Student Lounge to be included. Students continue to lead in worship as liturgists. Wesley Sunday was a great success involving 20+ students who conducted all 3 services with a Christian A Cappella group, organist, and also singers in the praise band. We hope to have the opportunity to repeat the service for other churches throughout the conference. Let us know if your church would like to have a Wesley Worship service.

Social and Outreach Activities – We passed out over 300 freeze pops to the UD Marching Band during their band camp. We handed out 1,500 bottles of water on Freshmen Move-in day, and hundreds of Root Beer, Grape, and Orange Soda floats. On the following day, we served hundreds of cups of custom lemonade with fresh mango, blueberry, or strawberry options with chocolate chip cookies. We do what we can for our presence to be felt on campus, and let people know they can learn and grow in their faith.

We never run out of ways to have a good time. Our social events include apple picking, games on the Green, a Halloween Party, going to the trampoline park, opening night at the Blue Rocks, and attending the premiere of “Fantastic Beasts.” All of these remind students that they can have fun without alcohol being involved. They vary in attendance from 8 to 25, but are always greatly appreciated. Our End of Semester Movie Night and exam survival bags continue to attract a good group each year. We hope that our table at the Youth Rally will allow students to connect with a campus ministry wherever they go to college, and remind youth leaders that campus ministry should be the next logical step in their youth’s faith journey.

Missions – God still surprises us with new ways to serve in our local community each year. We went back to Camp Pecometh for our Spring Break Mission Trip sweeping out the cabins, assisting with the day camp, and helping in the garden. We also worked with Rev. Candy Miles and Janes and Emmanuel UMCs with projects. We worked with Centreville UMC and Rebuilding Together. Our theme was “He Lives” since Spring Break was right after Easter. We were definitely living out the words “I serve a Risen Savior. He’s in the world today.” Our “Labor of Love” day was spent with Kingswood UMC to help with their Fall Festival. This is our second “Labor of Love” Day, and we hope the tradition will continue.

Pastoral Role – Starting January 1, 2016 Mary returned to full time with Rev. Ward Mesick going to ¼ time. As Campus Pastors, the students and campus community are our congregation. We participate and assist in leadership in the University Religious Leaders Organization. I am “Mary the Methodist” when promoting campus ministry for official UD events. Requests for counseling from students and parents continue to increase. These students are dealing with a great number of issues. We have helped students address issues with family, depression, alcohol, break ups, time management, and self-esteem. Basically, all

stresses that come from maturing, and becoming a Christian adult. Both Rev. Mary and Rev. Ward continue to preach at Newark UMC and help with pastoral emergency needs. In October, Mary announced that she believes she has done all that God has called her to do at the Wesley Foundation at UD, and is looking forward to a new challenge. Therefore, there will be staffing changes in 2017.

Capital Improvements – We are proud to announce that we have kept our fish, Lazarus, alive for over two years now. We continue to provide hospitality for students each and every day with a couch, a snack, a drink, and a quiet place to study, spend time with a friend, or just take a nap. Anyone who finds Mary and says “Crock pot” will get a full size candy bar or granola bar... just to see who actually reads all the way to the end.

To Sum up – We hope and pray that this Christ centered spirit of the group continues to attract new students to experience God’s love and grace in the midst of a great group of people. Each year brings a new crop of students who come looking to grow in their faith and love of God. Please pray for us as we endeavor to bring the love of Jesus Christ to our community.

2017 Goals

12. Expand our fundraising efforts to individuals, especially our recent alumni and others.
13. Ponder and possibly pursue other ways of fundraising to seek out entrepreneurial sources for revenue and outreach.

COMMUNICATIONS COMMISSION

The Communications Commission continues to help enable local congregations, our four Districts, and the Annual Conference to tell their stories of God’s good work

on the Peninsula-Delaware Conference. We continue to fine tune the Conference website to make accessing information in a more intuitive manner and contain more relevant information. *The Connection*, the weekly E-blast publication started last year, emailed to individuals and posted on the Conference website, has proved a good upgrade to placing news and information before the churches in the conference in a predictable and consistent manner.

The Commission has continued over the last year providing *Leadership* to churches throughout the conference by responding to and assisting church request to *Connect* to the cyber world using the Internet by establishing a website. Most were small churches with limited budgets and no idea of what was involved (host provider, domain name, design software, etc.). They did, however, recognize that in today's world having a web presence was essential to be vital going forward. Commission members met with folks at each of these churches and coached them through all the steps necessary to establish an inexpensive, simple, workable website and domain name. These churches were up and running on the web within a few days. The Commission remains a resource committed to living out its part of our Conference Mission through *Leading, Acting, and Connecting* in a *Loving* way.

Moreover, the Commission continues to "chip away" at elements of its Strategic Plan, adopted last year, with continuous improvement of the conference website, standardization and easy access of needed forms, developing workshops on best practices for creating flyers, newsletters, emails, etc.

Connecting, Leading and Acting in a Loving way, the Commission's goal is enabling an effective circle of communications among the Conference, districts, local churches, congregations, communities – thereby living out both *The Great Commission*, and our vision and mission.

PENINSULA-DELAWARE CONFERENCE COMMISSION ON ARCHIVES & HISTORY

Mission Statement

The mission of The Commission on Archives & History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Annual Conference, its churches, agencies, and antecedents.

Operation of Barratt's Chapel and Museum

Every Conference has a Commission on Archives and History. But ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 236th year, Barratt's Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784 Thomas Coke and Francis Asbury met at Barratt's Chapel and laid plans to organize American Methodists into a church independent of the Anglican Church. At this meeting the sacraments of baptism and communion were officially celebrated for the first time anywhere by ordained Methodist clergy, a symbolic declaration of independence. Therefore, Barratt's Chapel is appropriately called the "Independence Hall of American Methodism."

The Commission on Archives and History of the Peninsula-Delaware Conference, under the leadership of President C. Russell McCabe and Vice President Shirley

Jackson, meets semi-monthly in the Vestry at Barratt's Chapel or at other locations in the conference.

Conference Archives

It is our responsibility by the *Discipline* (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all its antecedents including the Delaware Conference, which at its final meeting designated Barratt's Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference. The Archives are cataloged and housed in a fire-proof, climate-controlled section of the museum building. We maintain files for every charge in the Conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email and telephone requests. There is a non-circulating library of approximately 3500 volumes on Methodist history.

Under the direction of the Curator/Conference Archivist, Barb Duffin, the archives and library catalogs have been transferred to PastPerfect, the standard software for museums and archives. Using an optional feature of PastPerfect, both catalogs are now available on the internet through a link on the Museum's web site.

We continue to offer digitization of local church records for preserving and making the materials easily available for researchers.

Chapel Usage

Although Barratt's Chapel has not had an active membership since 1957 it remains a busy venue for worship and learning. We had approximately 5,000 visitors for tours, special services, confirmation classes, weddings, baptisms, funerals and research in 2016. We also had over 100 research requests by letter, email and phone. We have several new volunteers who assist with digitizing records, collecting data from local churches, greeting and giving tours to visitors, making book boxes for rare and fragile books.

There were several special events held at Barratt's in 2016:

- For 14 Thursday evenings, June 2- September 1, the Commission on Archives and History sponsored informal services with leadership provided by different pastors from the Peninsula-Delaware Conference. Several of the pastors also brought choirs and musicians from their congregations. Attendance at the services ran as high as 150.
- The confirmation classes from the churches of the Peninsula-Delaware Conference were invited to an event with Bishop Johnson in March.
- A Christmas Eve Communion Service was led by Bishop Peggy Johnson. The service brought in about 350 people many of whom had never visited the Chapel before. Carol Stevens provided deaf interpretation.
- The 232nd anniversary of the meeting of Francis Asbury and Thomas Coke was commemorated with the traditional Anniversary Service on November 13, with Asbury biographer Dr. John Wigger as the featured speaker.
- On December 4, a service of Lessons and Carols was presented by a combined choir under the direction of Dr. James Wilson of Wesley College. The service was recorded by United Methodist Communications, and was featured on the main web site for The United Methodist Church.
- In February, the General Commission on Archives and History brought a production crew from United Methodist Communications to Barratt's to film part of a new feature "Francis Asbury: A Flame Sprit" with Josh Childs of "Chuck Knows Church".
- The Chapel and Museum are open every Wednesday from 10:00-2:00 and Saturday from 1:30-4:30 for visitors and researchers, as well as other times by appointments.

- On Thursday, September 8 the Dover District of the African Methodist Episcopal Church met at Barratt's Chapel to celebrate the 200th Anniversary of the founding of their denomination. Bishop Gregory Ingram of the First Episcopal Church of the AMEC was the preacher for the evening. Retired Bishop Violet Fisher and other United Methodists also participated in the service.

Outreach

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator/Conference Archivist, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history. They are available to speak at worship services and other church events.

In May the conference Commission hosted a joint meeting of the Northeastern Jurisdiction Commission on Archives and History and the Historical Society of The United Methodist Church. Meetings were held at Whatcoat UMC, Dover, with approximately 100 people attending from all parts of the United States.

The Commission also recommended to annual conference that the Benjamin Coombe's home, outside of Felton, Delaware, where Francis Asbury stayed and preached be recognized as a Conference Historic Site. A special ceremony was held there on Sunday, November 13 to present the plaque.

Peninsula-Delaware Conference Historical Society

The Rev. Dr. Earle Baker is the president of the Historical Society. The Society met with the Historical Society of The United Methodist Church in May at the NEJCAH/HSUMC joint meeting.

The Historical Society is continuing to survey local churches to determine what historical records each church has.

Maintaining the Chapel, Museum and Vestry

With a 236-year-old Chapel and two other buildings there are always maintenance issues. One asset which was added is a raised sidewalk between the back doors of the museum building and the vestry to easily transport items between the buildings. The sidewalk was designed and built by Hunter Pearson of Wyoming UMC for his Eagle Scout project.

Goals of the Commission on Archives and History

- Following requirements of the *Discipline*, maintain a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed churches within its bounds, and make those materials accessible to researchers.
- Operate Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
- Provide historical programs for confirmation classes and other groups.
- Provide training and support for Local Church Historians.
- Support the Peninsula-Delaware Conference Historical Society.
- Recruit and train volunteers to assist with the historical and archival work at Barratt's Chapel and Museum.

DISABILITY MINISTRIES COMMITTEE

We seek to help the local church:

- ENGAGE people with disabilities within our communities;
- EDUCATE congregations about what disabling conditions are and what they are not;
- EQUIP people – with and without disabilities – to work in ministry together and connect others to Christ;
- EMPOWER people with disabilities to become ministry leaders as we connect the community with Christ.

The year 2016 was a restructuring year for the Disability Ministries Committee. We again encouraged churches to observe a Disability Awareness Sunday on the Conference observance of the last Sunday in January. Of course, any church can focus on people with disabilities during worship at any time and any place.

As some members moved out of conference or left the committee due to other reasons, recruitment of laity and clergy yielded the addition of some new members to the team. In 2016, the disAbility Awareness Award was given to Epworth UM, Rehoboth, DE. Churches of all sizes are encouraged to share what they have done RECENTLY (within past 12 months) to educate, engage, empower and equip others for ministry to and with people with disabilities in the local church and in the community. Applications are reviewed by clergy and laity.

While no conference was held last year, communications continued with our neighboring conferences of Eastern PA and Greater NJ.

Plans for 2017 include Disability Sunday in January, February/ March nominations for the disAbility Awareness Award at conference and disability-focused breakout training during The Well in October. We are also planning a **Conference Workshop Day on March 3, 2018 at Cornerstone UMC, Bear, DE, called "Putting the Pieces Together for Effective Ministries to People with Disabilities" with Opening Session "All About Autism" offered by Lori Bennett.**

We are a small committee but do all that we can to encourage and show local churches of all sizes why they should engage in ministry to and with people with disabilities; because every church can do something to answer the CALL to connect, act, lead and love with people with disabilities for they are found in every age, gender, culture, and corner of our world.

DISASTER RESPONSE MINISTRY REPORT 2017

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.' ..." Matthew 25:40

The recovery activities in Crisfield have for now been closed. The damaged homes that were given to Peninsula-Delaware Conference to repair and rebuild have been completed. It is because of the response of Our Conference and many other UMC Conferences that this recovery was completed. This was a team effort between our Connectional System and many other Churches. The relief effort included the Lutheran, Catholic, Baptist, Church of God, Church of the Nazarene, and many Non-Denominational Churches.

On October 29, 2012 Hurricane Sandy made Landfall on the Lower Maryland Eastern Shore. Hurricane force winds and rain mixed with higher than normal Tides

to flood Somerset County Maryland. Hundreds were evacuated, while some residents weathered the storms' fury in their homes.

Some damage was clearly seen. Roofs and sidings failed during this event and trees and water born debris filled the City of Crisfield streets and yards. Residents and business owners emerged from their places of refuge to find their homes and business damaged and in some cases destroyed beyond repair.

Both the City of Crisfield and Somerset County residents discovered that in addition to their home and properties having been damaged, their roads and some overpasses were covered by debris, and in some cases, water still standing prevented travel.

On October 30th, after the emergency travel ban was lifted, an advance team from our Conference arrived in the City of Crisfield, connected with the City Government officials, and started the task of seeing what was needed and where to assemble recovery centers.

Our United Methodist Churches first served as points of relief. Immanuel (Crisfield), served as a food distribution point and feeding center for residents and recovery personal. Asbury (Crisfield) served as a distribution point for recovery supplies and housing for recovery teams that would fill their basement level. Both Immanuel and Asbury served as a Lighthouse of Mercy during this recovery time.

Our other churches, Mount Pleasant (Crisfield) and Shiloh (Crisfield) assisted in helping during the recovery despite incurring damage to their church buildings. Mariners (Crisfield) worked with Asbury to support their operation. Union-Asbury (Crisfield), suffered damage to the point they had to close. However, after major repairs, Union-Asbury later served as Recovery Center for most recovery teams that came into assist in the rebuilding of Hope, Homes and Lives.

UMCOR funds supported the recovery and also found funding from American Red Cross. Many of our Conference churches supported the effort of funding the recovery, sending food, supplies and volunteers to help. UMOCR supplied technical support in training and also found funding to support in reducing the future damages through a Risk Reduction program.

We end this Disaster Event by giving thanks to God for the resources that have helped; Rebuild Hope, Rebuild Lives, and Rebuild Homes. Glory be to God!

COMMITTEE ON NATIVE AMERICAN MINISTRIES – CoNAM

Mission: The mission of CoNAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within The Peninsula Delaware Annual Conference of the United Methodist Church.

Section 1: Review of Ongoing Goals

To participate in training events for clergy in the Annual Conference on ministry and issues related to Native Americans.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the Conference. Our CoNAM invites the two pastors from our Native American churches to be a part of our committee and encourages their presence and input at our meetings, as well as the Northeast Jurisdictional CoNAM annual meetings.

We continue to expand the ministry of CoNAM into other areas of the Peninsula-Delaware Conference. CoNAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as powwows and festivals.

We continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CoNAM. We make available to the local congregations resources, speakers, materials and ideas for having and conducting a service for this special offering Sunday. We are encouraging our CoNAM representatives in each church or charge to help design a Native American Ministries Sunday worship service. Materials for such are available through the Methodist connection.

To provide financial support for persons to attend Native American Family Camp, Peg-Leg Flamingos, youth leadership training, Native American lay speaking school and other Native American awareness training events and leadership opportunities. This is a major goal of CoNAM.

To continue to seek to identify other Native American/American Indian Tribal peoples and those with Native American/American Indian heritage, living within the boundaries of our Annual Conference. Many people have self-identified through CoNAM presentations in their church. We encourage our CoNAM representatives to help identify Native persons within their church or charge.

Our Annual Conference will continue to provide representatives from churches/charges to be a part of CoNAM. We shall continue to encourage District Superintendents to follow The Book of Discipline, where at charge conference a person will be named as representative to CoNAM. Once representatives are made known, CoNAM will have a gathering session to inform representatives of their responsibilities, bring awareness of CoNAM, its purpose and responsibility within our Annual Conference, and build relationships and partnerships with CoNAM representatives and their church or charge. Representatives are encouraged to attend CoNAM meetings. CoNAM representatives will be informed of meetings and special events through emails and the Conference web page.

Section 2: Significant Events 2016

CoNAM committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our Annual Conference and beyond.

PENINSULA-DELAWARE ANNUAL CONFERENCE – The focus of the 2016 Peninsula-Delaware Annual Conference was the culmination of many years of work to recognize the need for an **Act of Repentance** towards non-indigenous peoples in our Conference as well as around the world for acts that have occurred and continue to occur that are harmful to the welfare of indigenous peoples. This worship service, with the Reverend Thom White Wolf Fassett as keynote speaker, was held in June 2016. Tribal leaders from tribes living in our Conference were invited guests at this worship service. The Cabinet pledged to continue to lead our Conference on paths that lead to forgiveness, reconciliation and healing between all people.

NURTURING WHOLENESS IN COMMUNITY LEVEL 1 & 2:

CoNAM members have assumed leadership positions at these retreat experiences. As, CoNAM Leaders share history of Native people within the church, bringing awareness of ongoing historical trauma and unresolved grief experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and characterizing them in dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

NDN STIXS: This a group of children and youth that meet every Monday evening at the Nanticoke Indian Center to learn about positive behavior and relationships. The Nanticoke Indian Tribe and individuals of the community have encouraged us as a group, because we tend to focus on bettering our community by involving our children and youth in community events. Our hope is to allow children and youth from the community an outlet for their talents and energy. We accomplish this by doing crafts and teaching cultural traditions. While exercising we focus on being healthy, singing and spending quality time with them. We have started a once month cooking class. We want them to know that they have caring adults in their community and they will be there to support them in good times and difficult times. These experiences allow them to have someone present that they can turn to, along with their parents, when they feel they need support and guidance. It is our hope that they will benefit from the ongoing interaction. Our prayer circle helps put an emphasis on praises and needs in community.

NATIVE WRITERS WORKSHOP: This is an ongoing event sponsored by NACP (Native American Comprehensive Plan). This workshop focuses on Native adults and youth, writing works for worship services, poetry, and stories that can be used by Native and non-Native people. Works from the Native writers is available for use through the NACP and GBOD (General Board of Discipleship) websites. Writers from this group have been asked to write for other agencies or events. This gathering is vital to preparing Native people to express their voices through writing. Many adults and youth from our CoNAM and local Native communities have participated in this event.

MOCCASINS ROCK: Tennessee Annual Conference CoNAM invites Pen-Del CoNAM Leadership to help plan and participate as workshop leaders for this annual event, held at Camp Benson, Tennessee. Many Native leaders from many conferences across the Methodist connection are part of this event. This event is open to Native and non-Native people of all ages. The focus of this event is to bring awareness of the Native culture and to educate participants about current Native issues. Participants experience traditional Native stories, lectures, talking circles, workshops, Native crafts, traditional drum and flute music, traditional tribal dances and open mic evenings to share their gifts and talents. Personal stories from participants have expressed life changing experiences from this week end. Being in leadership for this event has led to invitations for Pen-Del CoNAM to be workshop leader and speakers in other annual conferences across our Methodist connection.

NATIVE AMERICAN FAMILY CAMP: NAIC (Native American International Caucus) Ragghi Rain Calentine is chairperson of family camp. This event is open to Native families across the Methodist connection with emphasis on education, experiencing the tribal people who live in the area where the camp is held, workshops on current Native issues, activities for all age groups and fun. This gathering is an opportunity for Native peoples to come together in fellowship and support of one another. This event is crucially important to the Native traditional concept of community and extended community.

NATIVE AMERICAN MINISTRY SUNDAY CELEBRATIONS: Many of our Committee members have taken part in churches throughout our conference and other conferences celebrating this special Sunday. We *thank* the churches for their invitations, contributions and dedication to the ministry of CoNAM.

NANTICOKE TRIBAL DANCE TROUPE: CoNAM members and many of the NDN STIXS are members of this dance troupe and share stories, music, traditional dancing and cultural traditions at various events throughout the Northeast.

EASTERN PENNSYLVANIA ANNUAL CONFERENCE: Our CoNAM and EPA CoNAM are in partnership and support of each other. Many of our CoNAM members have traveled to churches in EPA area to share in Native American Ministry Sunday services and participated in their annual conference

UNITY RUN: Running has always been an important part of life for Native People, not only for hunting but for carrying messages to other villages. Running have deep roots in spiritual traditions for Native people, it keeps us healthy and in balance with the world around us. More importantly, it promotes a spiritual connectedness with the Creator God. The Unity Run will encourage each of us to remember our rich heritage and take pride in each's gifts. Runners will offer prayers as they sacrifice their bodies, energy and time in making this journey for family, friends and community.

We are still here and will continue to be here for all future generations. Three years ago a one year grant was acquired from GBGM (General Board of Global Ministries) to fund a Unity Run, an event to unite three federation tribes, two of Delaware and one from New Jersey. Unity Run committee meets every month, plans and implements activities for the three communities.

Family Fit and Fun and language class, Elders stories, Easter egg hunt, Shawl project, Prayer Beads and their history, Language of the Trade Blanket, Swing Set project, Water Fun Day were among some of the 2016 events. Due to extreme weather in October, the Annual Unity Run was cancelled. Instead, an indoor Unity Run Family Fit and Fun Day was rescheduled for January 30th at the Nanticoke Indian Center which was a great success. The 4th annual run will take place again in October 2017.

PEG-LEG FLAMINGOS: Peg-Leg Flamingos grew out of the 2011 gathering of Native American Youth. The youth envisioned a new symbol that is fun but reflects the challenges of the 21st Century. What would be more challenging than being a flamingo with a peg-leg? From that humorous question, we realized that flamingos are a threatened species. They survive by living as a community. We too can. They share in the raising of their young as we do. Healthy flamingos getting proper nourishment are a wondrous pink, but unhealthy flamingos' feathers turn pale. If we stay in an unhealthy group, we become like them. In a world out of balance, flamingos stand on one leg and fly above threats. As future leaders we learn to not give up, to stand and rise above challenges! Flamingos are all of the colors of the Medicine Wheel; yellow, red (pink), black and white for they are connected to the earth. We are like them. We are strong, balanced and connected in community with Creator God. We are threatened, but we will survive! During the month of

September 2016, Peg-Leg Flamingos traveled to the North Central Jurisdiction. There the youth began their journey of understanding a piece of their history and the challenges they will face as they work towards becoming leaders. Our hope and prayers are that each and every one who has walked this path understands the important part they are in God's encircling world. We are the Peg-Leg Flamingos. Peg-Leg Flamingos are truly blessed with the support and prayers of Bishop Peggy Johnson, and for this we give thanks to her.

WEST VIRGINIA ANNUAL CONFERENCE: CoNAM Members were invited to attend West Virginia Annual Conference and participate throughout the entire event.

Section 3: Committee member's participation in other vital General Church ministries:

NAIC: Native American International Caucus. Ragghi Calentine and Kayleigh Vickers (Nanticoke Tribal young adults) are Representatives to this General Church caucus. They attended the General Conference in Portland in May 2016.

NACP: Native American Comprehensive Plan. Ragghi Calentine, boe harris and Kayleigh Vickers (Nanticoke young adult), are representatives for this quadrennial.

UMCom: United Methodist Communications, Ragghi Calentine is a board member for this quadrennial.

NEJCONAM: Northeastern Jurisdictional Committee on Native American Ministries This is an annual event and we send representatives each year.

STANDING ROCK DAPL: Members of CoNAM and other concerned constituents participated in a rally in Dover to protest the continued construction of the Dakota Access Pipeline across Native American lands and beneath the Missouri River, as its presence would be detrimental to both the sacred grounds of the Standing Rock people and to the resources given to us by the Creator God.

Section 4: Goals for 2017

CoNAM shall continue to make our voices and presence known within our Conference and beyond, being a pathway to awareness and education. We shall continue to bring awareness of historical trauma and unresolved grief and how the continuance of racism prevents reconciliation and the healing process of Native people.

It is the goal of CoNAM to have an annual representative training event. This event is to offer opportunities for representatives to learn of CoNAM ministries and ways in which they and their churches and charges can participate in a Native American Ministry Sunday worship service and learn of Native culture and traditions. Representatives are also invited to attend CoNAM Meetings to learn of Native American issues, traditions and culture.

CoNAM will continue to encourage our Conference to fill the position of CoNAM representative in each church or charge. In turn, CoNAM will invite and encourage all representatives to attend all events held throughout the Conference, both sponsored by CoNAM, and otherwise, that will further their understanding of Native American issues, traditions and culture.

CoNAM will plan events for committee members, representatives and communities that bring awareness of Native peoples, and will be held throughout the Conference.

CoNAM will continue the journey with our Bishop and Conference leadership to follow up the pledge made at the 2016 Annual Conference during the Act of Repentance in order to continue on paths that lead to forgiveness, reconciliation and healing.

CoNAM is making tentative plans to hold an educational retreat at the Carlisle Indian Board School in the fall of 2017 for Committee members and other interested constituents, as the trip planned for the Spring of 2017 had to be postponed.

CoNAM wishes to *thank* all those that have invited CoNAM to be a part of their Native American Ministries Sunday worship services, gatherings and events. We look towards many more invitations. We appreciate all the financial support that our churches and charges have given us so we might continue our ministry.

In His Service,
Raghi Calentine, Chair

PETER D. WEAVER CONGO PARTNERSHIP
2016 CONFERENCE REPORT

Sing to the Lord a new song; sing to the Lord, all the earth. Sing to the Lord, praise his name; proclaim his salvation day after day. Declare his glory among the nations, his marvelous deeds among all peoples. Psalm 96: 1-3

With glad hearts we thank the Peninsula-Delaware Conference for your prayers and financial support of our Partnership throughout 2016. Over the year, we have watched children become healthier with the addition of a nutritious meal each day, along with much needed medications that were never available before. We have seen a village grow in strength because our agricultural program has given them a hope of a future they never dreamed of. We have heard the laughter of women as they tip their jug under the faucet to see it fill with fresh water through our fresh water well project. All of this is made possible through your prayers and financial gifts. *Grateful* is a small word as to how we feel about the love that is given to these projects.

Mpasa Medical & Nutrition Center

2016 was filled with much change at Mpasa, an area that historically has been home for millions of refugees from Angola, Sudan, and East Congo. There were significant staff changes with Dr. Adolphe Yamba Yamba being assigned as the Director of Mpasa. He, and the dedicated staff at Mpasa, provide excellent medical care for thousands in this poverty-stricken area. The nutrition program feeds 250 children daily with a highly nutritional meal with an additional special program for the severely malnourished. There is also a program twice monthly for elderly providing food for them to take home to cook for their families that helps with the nutrition, but also with their self-esteem knowing they can still provide for their families. A sewing program trains mothers of the children so they can establish a business for themselves and become able to feed their families.

The highlight of 2016 was the beginning of the construction of the new pediatric building at Mpasa. A dream for many years became a reality through the extravagant generosity of the Southeast District of the Eastern PA Conference with some donors from Peninsula-Delaware. This new building houses 2 operating and recovery rooms, laboratory, examination rooms, and a ward for children needing to stay overnight at Mpasa. In the past, all patients had to be together because of the

lack of space. Indoor bathrooms and sinks in each room will provide the first inside plumbing at Mpsasa providing water from cisterns that gather rain water. Part of the construction includes furniture and medical equipment. New surgical instruments were secured through purchase and donations. Instead of a flashlight to do surgery, natural light and a new operating room light will assist the surgeons. Instead of a kerosene lamp to provide warmth for a premature baby, a new incubator will save lives. An ultrasound scanner is also life-saving as it will provide assistance to the mid-wife and doctors to be better prepared for surgery and delivery that can save both the mother and child's life. With this new medical equipment, Mpsasa will become a major medical center in the surrounding Kinshasa area. The next phase is to provide solar energy as electricity is very unstable in the Mpsasa area.

The staff continues to participate in training to provide better care of patients in a challenging environment.

Miriam's Table Nutritional Program

Miriam's Table was established in 2014, located in the area of the Mpsasa Region where the "poorest of the poor" live. Never before had the people of this community been serviced with either nutritional or medical needs. In the fall of 2016, the staff chose to provide the meal early in the morning before the children go to school, with this change we serve 350-400 children.

The Rehoboth Beach Sunrise Rotary Club in Delaware, partnering with the Kinshasa-Kingabwa Rotary Club of DRC, will drill a fresh water community well at the Miriam's Table location in 2017. In addition to clean and safe water, they will also provide urgently needed sanitation facilities promoting good hygiene habits.

Most exciting for 2016 at Miriam's Table was the opening of a brand new United Methodist church. The congregation is a mix of children and their families from our nutrition program as well as new families from the surrounding community. A family meal is provided after the service to encourage children to bring their families.

Diengenga Projects

In the center of Congo is a small United Methodist Mission station called Diengenga. Initially started by pioneer missionaries, this mission has become a center for education, medical care, and now agriculture. All leadership in the Partnership Projects is Congolese with the Partnership assisting with training, resources, support, and accountability.

The **Jack & Renie Miner Trade School** provides vocational training in mechanics, engineering, carpentry, construction, masonry, electrical work, and now with the farm, agriculture and veterinary services. In 2016, through the support of UMCOR, the Partnership working with Jonathan & Donna Baker, our Congo missionaries, were able to get grants to rebuild a primary school and maternity building that were destroyed by a storm. The Trade School was awarded the contract for construction providing both an income and major training opportunity for the school and a new primary school and maternity building.

The **Mama Tola Secondary School** provides a quality traditional education for students as well as some vocational training in sewing. The Partnership helps provide scholarship for students as families must pay for all secondary education in Congo. Many children are unable to attend school because of the inability of families to support them. The Partnership was able to secure a major grant from an endowment with the United Methodist Women's Division to also assist with scholarships and launched a pilot "adopt a class" program with Wesley United Methodist Church in Dover, DE that will be raising funds to assist students throughout their 5 years of secondary education and building relationships between students in Congo and at Wesley U.M. Through the Bakers, letters and videos are

shared between students which we hope will build bridges of cooperation and peace.

The **Cape Lodja Farm** in Diengenga has become a model farm for central Congo. Through animal traction, the farm continues to increase the amount of land it is able to cultivate and harvest providing food for the malnourished as well as jobs as it moves towards becoming more self-sustaining. In 2016, the 4 fish ponds began to provide a good yield and new crops provided a market for the farm: a new banana field, pineapple field, four varieties of beans, and many new vegetables are now yielding fruit. The fresh water well located on the farm enables the planting of a large vegetable garden year round. In the past, because of the dry seasons, they were only able to plant and harvest 6 months yearly. It also helps greatly serve the growing animal population: cows, goats, chickens, pigs, and sheep.

A huge blessing in 2016 was the purchase and shipping of a 4-wheel drive truck for the farm and village. This is only the 2nd truck in the village and will enable the farm to carry products to the market in Lodja (about 12 kilometers) and do other important work around the farm. Made possible through generous donations from many people in the Peninsula-Delaware Conference, the truck also provides a vehicle for the Trade School to use in training mechanics thus providing service also to the Farm.

Fresh Water in Sankuru – Representatives from UMCOR, along with the Bakers, completed an assessment of the Sankuru region in central Congo where many U.M. Mission stations are located; including schools, universities, and medical facilities. Diengenga is the only village to date that has fresh water. Sankuru is approximately 16 times the size of Delaware with 1.8 million people. The Partnership has set a goal to dig at least 1 fresh water well yearly. In 2016, after a mission team from New Covenant U.M. Church in Florida visited Sankuru, the church raised \$45,000 to dig a well in Wembo Nyama (currently in progress). Many other churches, small and large, have also begun to raise funds, to help with this critical need. Another donation from Centreville, Maryland will enable us to dig a 3rd well soon. With the increased number of wells, the expectation is that there will be a reduction in the cost per well in the future.

Cataract Mission – The planned Cataract Surgery Mission for July 2016 had to be postponed due to the Congolese government's change in the visa application process, extending it from 3-5 days to 3-4 months. Also, with many delays in the shipping and customs warehouse, the donated medications from Alcon Pharmaceuticals did not arrive in Diengenga until August and September.

In July 2017, the mission will take place in Diengenga with a team of Congolese clinicians, partnering with the Bakers. Surgeons, an anesthetist and ophthalmology nurses from Kinshasa and Kananga will join together to provide ophthalmology care for an anticipated 4000 patients; based on the patient volume in our 2014 mission. Generous donations from multiple churches, including First UMC in Hurst, Texas, will enable this mission to take place. However, due to the absence of volunteer US mission team members, the budget has significantly increased. Therefore, additional donations would be greatly appreciated. God is good and we believe that the mission will take place and bring such blessings to so many, including the restoration of sight for many who are blind. It also moves us considerably towards the goal of making eye care in central Congo sustainable through the Congolese medical staff.

Children's Ministry

As the good news spreads about our Children's Ministry program in Wembo Nyama, our director, Josephine Akambo Ecco, continues to train new teachers to share the Gospel with more and more village children surrounding Wembo Nyama. There are currently 34-37 teachers working with approximately 5,000 children in

the program. She keeps excellent records sending reports of the growing numbers of children who are finding Jesus through this ministry. In 2016, special funds were donated to purchase a motorcycle for Josephine to enable her to travel from village to village training teachers.

The Future

The work of the Partnership continues to grow and be blessed through generous donations of churches and individuals, businesses and organizations with hearts for missions. Each and every donation is celebrated. Whether we are buying a chicken or drilling a well-it is your gifts that make a dream into reality. We look to God for His continued guidance for this ministry in 2017. Because of the Partnership, there is hope within a people who once could think only about daily survival, but now plan for their future.

VOLUNTEERS IN MISSION [VIM] REPORT 2016

United Methodist Volunteers In Mission (UMVIM) is a grassroots movement within The United Methodist Church designed to provide an official channel whereby Christians, both lay and clergy, may offer their skills and talents for Christian service at home and around the world on short term assignments at their own expense.

Our work includes construction and renewing of mission facilities, teaching, witnessing, conducting medical clinics, conducting Bible study or Bible School for children, and serving in disaster relief efforts around the world.

The UMVIM movement began in 1976 and is organized by jurisdiction. Global Ministries networks with the jurisdictional UMVIM offices, which in turn coordinate with annual conference offices.

The UMVIM network offers guidance, organization, and training for more than 125,000 volunteers serving with the poor; building churches and assisting in disaster response, community health, and leadership training each year.

Through UMVIM, you can serve with a team (typically 10-16 persons) or as an individual. Volunteers need to be in relatively good health, complete an application form, willing to pay his/her own way or help to raise team funds, and agree to attend training sessions conducted by the team leader prior to departure.

The Pen-Del VIM Team includes the following persons:

- ✦ Tim Beardsley, Wesley UMC, Elkton
- ✦ Bill Jones, Atlantic UMC, Ocean City, Maryland
- ✦ Creston Long, Bethesda UMC, Salisbury, Maryland
- ✦ Carlos Reyes Rodriguez, Conference Staff
- ✦ Joy Gordy-Stith, Wesley UMC, Dover
- ✦ Monica Vickers, Wesley Temple, Salisbury
- ✦ Diane Olin White, Grace UMC, Wilmington
- ✦ Judith Gupton Wiley, Zion Mt. Carmel UMC, Wilmington
- ✦ Rev. Karin Tunnell, VIM Coordinator
- ✦ Ad hoc members Rev. Amy Yarnall, Rev. Rich Walton

WE ENCOURAGE

We continue to offer VIM Mission Grants are available for first-time missionaries for **up to \$250 in MATCHING FUNDS** [in other words, depending on the cost of the trip a first-time missionary can receive up to \$250 if their church also matches that amount. *There is a limit of two grants per church per year.* You can find the

application on the Pen-Del website at this link which also has other links which we discussed today: <http://www.pen-del.org/VolunteerinMission>. However, we only disbursed two grants.

WE TRAIN

One of the main goals of VIM is to provide VIM Team Leader Training and ultimately ensure that every VIM Team in our local churches has trained leadership. Training is open to all people with an interest in VIM ministry and encouraged for all. In 2016 we held two trainings; we scheduled trainings on each district as requested by many, but had to cancel two sessions because of lack of response. The NEJ VIM held its second VIM/UMCOR Training Academy spring of 2016 although Pen-Del Conference had no attendees.

WE COMMUNICATE

We have continued to keep information updated on our two FACEBOOK SITES. Please like our FACEBOOK pages at <https://www.facebook.com/Peninsula-Delaware-VIM-Missions-181750168528172/> and <https://www.facebook.com/groups/275810769209058/> And we have consistently communicated to the Conference through The Connection, the Pen-Del Pastors FACEBOOK site, and the Pen-Del website. Communicate Team Openings around our Conference.

These are now listed on the Conference web site and updated regularly by our communications person Doug Lanter. If you want to advertise a team, or find a team to join, check the web listing. To add to it, contact dlanter@pen-del.org.

If you would like personal assistance connecting with a VIM site, please go to the weblinks mentioned in this report below or connect with a VIM Conference Committee member and we will be glad to serve.

Speakers in local churches and Conference meetings.

Speakers have travelled to local churches as well as District Meetings to share about VIM ministry. We remain available and committed to do this. If you would like a speaker, please contact a team member or Rev. Karin Tunnell, VIM Coordinator.

WE CONNECT

Connect with VIM Teams throughout our Conference to provide prayer support, education, and communicate what God is doing. Report on Peninsula-Delaware VIM to General Board of Global Ministries. We have also worked to provide communication of VIM Trips that are happening around the Conference.

HUB Ministry

We continue to support a HUB Ministry in partnership with Mission Central. Volunteers help to staff the Christiana Hub to collect UMCOR kits and do additional outreach ministry. We give thanks to the ongoing efforts of Lois Bowers and Rev. Bonnie Goldstein to keep this ministry established.

CRISFIELD, MD

We closed the Crisfield VIM Welcome Site & Disaster Recovery in October, 2016 after 4 years of service to the area after Hurricane Sandy. Many thanks to the faithful service of Ben Botti and so many others who facilitated the recovery of that community and so many families who suffered from the hurricane's devastation.

We seek to connect with the other missional entities in our Conference: Conference Secretary on Global Missions, Disaster Response, Congo Partnership, The Advance and others. To that end we are seeking to establish a Conference-Wide Mission Fair in 2018 to inform each other about mission opportunities, to introduce and strengthen our missionary connections, to empower every size church to be in mission and to create better communication about the great good news of The United Methodist Church in mission.

OUR CHALLENGES

We think we may be aware of **LESS THAN 25%** of the VIM ministry that is actually happening. If there is VIM ministry happening in your church, please ensure that these servants are connected with the Conference VIM Committee so that we can support, celebrate, equip, and encourage others to join any open teams. Contact Rev. Karin Tunnell at pastor@stpaulsodessa.org or 302-668-6685. We also report team activity to the Conference and the Jurisdiction, which ultimately goes to the General Board of Global Ministries. This data impacts budgeting at a national level, so if providing additional support for VIM is close to your heart, know that filling out annual reports is important.

The final and greatest challenge is to establish VIM teams in EVERY CHURCH in our Conference. Won't you join us in that effort!

CONFERENCE SECRETARY ON GLOBAL MISSION REPORT 2016

This was a busy year for missionary itinerations in the Pen-Del Conference. We are indebted to Wesley UMC in Elkton, and especially their pastor Rev. Tim Beardsley, for their generous Oasis House which makes it possible for us to house missionaries as they travel throughout our conference.

The following missionaries itinerated in 2016:

- ✦ Rev. Jonathan & Donna Baker, Congo
- ✦ Jacques Umembudi & Valentine Shutsha, Wings of Caring, Congo
- ✦ Belinda Forbes, Nicaragua
- ✦ Alina Saucedo & Michael Keyse, Nicaragua
- ✦ Mark & Deidre Zimmerman, Nepal

I continue to encourage churches to be in covenant relationship with United Methodist missionaries as well as to welcome these missionaries when they itinerate.

I offered a short informational training at the Local Pastors' Licensing School at Camp Pecometh this past summer. In addition, I was the planner and convener of the Annual NEJ CSGM Gathering at the St. Raphaela Center in Haverford, Pennsylvania.

I will be working in partnership with other mission entities in our conference to offer a Conference-wide Mission Fair in 2018 and continue to be available to

inform, educate and encourage connection with our United Methodist missionaries, their work and the tools which are available on the umcmissions.org website.

Mission is the best good news of our denomination and we must proclaim it!

Respectfully submitted,
Rev. Karin G. Tunnell

AFRICA UNIVERSITY REPORT - 2017 PENINSULA DELAWARE ANNUAL CONFERENCE

Africa University ended 2016 poised to celebrate its Silver Jubilee and eager to embrace new opportunities for transformative ministry over the next 25 years.

It is a great joy to recognize and thank the Peninsula Delaware Conference for a 100 percent investment to the Africa University Fund (AUF) apportionment in 2016. All ten conferences in the Northeastern Jurisdiction led by example, giving to the AUF at 100 percent or higher for the second consecutive year. In 2016, the tremendous commitment to connectional giving and participation of local churches enabled 34 of the 56 United Methodist annual conferences in the United States — up from 32 in 2015 — to invest 100 percent or more of their asking to the AUF.

The university community acknowledges, with heartfelt appreciation, the many ways in which the churches of the Peninsula Delaware Conference has been active, faithful, and generous in helping Africa University to realize its mission. The people of The United Methodist Church have accomplished a lot together, through the grace of God.

In addition to their support for the AUF and gifts for scholarships, Peninsula Delaware United Methodists raised \$9,800 for a capital project. This gift was part of a love offering in honor of Bishop Marcus Matthews' retirement in July 2016. It has helped to jump start efforts to build a sports complex on the Africa University campus. Our students, faculty, staff, trustees and alumni are grateful to Bishop Peggy Johnson and her Cabinet, and to the entire membership of the conference, for going the extra mile in support of Africa University.

Through Africa University, the Peninsula Delaware Conference helps young people to discover and sharpen their gifts for leadership. The dream of the global United Methodist Church is alive in the contributions of the university's 7,000+ graduates. More than 90 percent of these graduates are still in Africa, serving communities in 32 countries. Currently, more than two dozen Africa University graduates are missionaries in Africa, Latin America, Asia and Europe, under the auspices of the General Board of Global Ministries of The United Methodist Church. People who would otherwise be on the margins are actively helping others to experience God's grace, peace and abundance.

Over the past year, your Africa University continued to evolve and serve by:

- Restructuring its academic units in order to remain relevant and provide a broader-based education to meet new demands in the African workforce.
- Providing leadership formation experiences and learning for more than 1,400 students from 26 African countries. Contrary to the norm for African higher education institutions, women represented more than half of the student body.
- Generating new knowledge and capacity to support peacebuilding and to improve food security, human rights, and leadership for the African continent.

As part of the observance of AU's 25th anniversary, we invite the individual members, congregations and districts of the Peninsula Delaware Conference to celebrate Africa University. Your prayers and gifts are the difference, so please remain steadfast in supporting the AUF. Engage in a season of daily prayer for Africa University. Join Africa University's honorary alumni association. Consider hosting a special "AU@25" event or Africa University Sunday in your local church or area. Use your event to increase awareness of Africa University's ministry and invite attendees to each give at least \$25 each in honor of the 25th anniversary.

Thank you for your unwavering response to the call to faith, hope, action and renewal in the world. We pray that blessings continue to abound for all who lead and serve in disciple-making ministry in the Peninsula Delaware Conference.

TOUCHED BY THE HEART OF SALISBURY URBAN MINISTRIES

Salisbury Urban Ministries (SUM) began in 1992 and is governed by eight United Methodist Covenant Churches: Asbury, Bethesda, Christ, Grace, Korean, St. Andrews, Trinity, and Wesley Temple.

SUM's Mission is to develop and implement programs that serve and minister to the needs of materially impoverished individuals. Our programs assist residents of Wicomico, Somerset, and Worcester counties. With the support of our dedicated staff, and volunteers we offer five outreach programs. Our 2016 programs included:

- **God's Kitchen:** A community outreach program hosted by Grace UMC addresses the need for meals and health services for homeless and impoverished people. Forty six organizations take turns serving approximately 225 meals each Saturday. Health services are provided by HOPE.
- **Kid's Café:** This after-school and summer program provides a safe learning environment for "at-risk" children living in the Church Street neighborhood, a high crime and high poverty area. The program provides opportunities for the children to flourish academically, socially, and civically. September 2016 the Kid's Café program expanded from three days a week to four days a week and increased the enrollment to 14 children.
- **Lazarus Food Pantry & Prescription Assistance Program:** This program provides assistance to the economically deprived residents in Wicomico, Somerset, and Worcester counties. Wicomico County residents may receive food from the pantry once each calendar month. The Pantry served 2,438 households in 2016. The program also offers prescription assistance to residents in Wicomico, Somerset, and Worcester counties. The prescription assistance program assisted with 581 prescriptions. Several community service organizations (PRMC Wellness Van, MAC Inc., Shore Up!, Project Read, Maryland Health Insurance Connection) are on-site providing a variety of resources to our clients. The programs are open on Tuesdays and Thursdays.

- **Men's Welcome Center:** The Center is open on Saturdays and offers homeless men the opportunity to take showers, do laundry, get a haircut and to fellowship with volunteers. The men receive warm clothing, snacks, and health referrals to local agencies. Through the Patrick D. Marvel Winter Survival Project, twenty five homeless men received a winter coat, water-proof boots, a sleeping bag and tent to aid the men through the winter months. The Center is a combined effort of the Covenant Churches and Joshua House Ministries.

Through the on-going support of the Peninsula-Delaware Conference, our Covenant Churches, foundation grants, individual donors, area churches, local businesses, and civic groups, SUM continues to be a vital ministry to God's people. We met our 2016 goals: expanded the Kids' Café summer program to four days a week, increased our prescription assistance funds, maintained our aging facility, and, with God's grace, continued to be of service in His name.

CONFERENCE BOARD OF ORDAINED MINISTRY

The Peninsula-Delaware Annual Conference Board of Ordained Ministry has had an exciting and eventful year in 2016-17. In many ways, we have sought to be a ministry team that supports our Annual Conference's mission statement: Cultivating Communities through our CALL: Connecting, Acting, Leading and Loving.

Connecting

We are a Board that represents the whole of our annual conference while resourcing our annual conference with spiritual leaders who have the gifts and graces for the unique ministry setting of our great region. We have built relationship across the conference and district lines. We have sought to connect to each of the four District Committees on Ministry and added each of the four chairpersons of the District Committees on Ministry to our full Board. We believe our enlistment and recruitment efforts have been a way to connect with the seminarians of our conference. The enlistment and recruitment team has been hard at work encouraging potential ministry leaders to wrestle with the call to ordained ministry in their lives. In the 2016 calendar year, we were able to pay \$64,500 of Ministerial Education funds to assist certified candidates working on their college and seminary degrees, local pastors attending course of study and candidates attending local pastor licensing school. We have sought to visit the seminaries in our region to promote our annual conference as a great place for seminarians to find a home within the bounds of our conference to serve the Lord. We have used these visits to connect with and encourage seminarians from our annual conference.

Acting

I believe we have acted to cultivate communities through our moving our passion for developing leaders in our churches. We continue to commit ourselves to maintain a standard of excellence in the clergy and spiritual leaders of our conference. This is not always a difficult task. It requires holding our peers

accountable to the vows they have taken while preparing others to take those vows. Acting for our Board continued in the form of peer learning groups on each district where inquiring candidates sought to confirm their calling. The focus on group journeying together continued with our Residence in Ministry program for our provisional candidates.

Leading

At the 2016 Annual Conference we presented one full member elder, one provisional deacon and three provisional elders to be ordained.

The Supervision committee has strived to work with all of our provisional candidates who have questions and concerns regarding the next stages of their interview process.

We successfully held our third Local Pastor's Licensing School within the bounds of our Annual Conference.

We sought to be a body that embraced the 2016 Northeast Jurisdictional Conference's Call to Action. We are constantly monitoring how there may be racial bias in our ordination process. Our Board has participated in Intercultural Competency training.

Loving

The Conference Relations Committee has been busy caring for our colleagues in transition through retirement and leaves of absence.

After the Quadrennial Training of a core group of BOOM leaders in Chicago in October, our board celebrated the previous quadrennial accomplishments

1. Decision to eliminate Technical Readers/Writers because of potential bias
2. Emphasis on Experience based interview questions
3. Development of Residency in Ministry Program for Provisional Members
4. Application of Group Mentoring/Peer learning at all levels of our process
5. Utilization of *Ithenticate* plagiarism software
6. Strengthening of Sexual Ethics Training Process
7. The creation of Peninsula-Delaware Licensing School

We adopted the following vision/purpose statement:

The Peninsula-Delaware Annual Conference Board of Ordained Ministry exists to recruit, develop & credential healthy ministry leaders to be deployed by the Bishop and Cabinet to lead innovative and vibrant ministries.

We adopted the following goals for the next quadrenium:

1. Facilitate Board Cultural Sensitivity training
2. Clean up BOOM page on Pen-Del Website
3. Develop annual recruitment emphasis
4. Develop site visitation teams
5. Develop Chaplain team
6. Develop 8 year Assessment process with Cabinet per Book of Discipline new paragraph 349.3

I am grateful for this Board full of gifted and caring individuals who serve our conference through countless hours of reading papers, interviewing, mentoring, shepherding and holding leaders accountable. It is a job with work behind the scenes but very important work within the life of our Annual Conference. I am grateful to our Executive Board and our officers for rolling up their sleeves and tackling the hard work. I also give thanks and praise to our Cabinet and Bishop Johnson for their assistance, prayers and mentoring.

Rev. Rob Townsend
Chairperson

C.A.R.E. TEAM

The Peninsula-Delaware Conference CARE team continues to meet every three months to review completed training events and to execute changes and updates to our presentations.

The CARE team meets annually with the Bishop and cabinet as we engage in informing one another of the needs of our conference in the areas of Boundary implementation and training.

This year we have conducted two Sexual Ethics-Boundary trainings for the conference at Whatcoat UMC in Dover, DE and one for Local Pastor's School at Camp Pecometh.

The team is encouraged by the increasing number of laity in church leadership that are attending these trainings and the knowledge they are relaying back to their churches.

The Safe Sanctuary district representatives coordinated by Melva Jean Slonin have presented Safe Sanctuary trainings in 11 churches. They continue to meet the needs of many churches calls and emails by answering questions and sending materials for those who want help in forming or restructuring their individual programs. Melva Jean has served our conference unfailingly in all levels of Safe Sanctuary training and we owe her a large thank you as she retires from this leadership at the end of this conference year.

The CARE team holds an annual Training Day apart at Camp Pecometh each spring and continues to minister to the needs of training and response involving sexual and safe sanctuary ethics within the Peninsula-Delaware Annual Conference.

We are pleased to have added three new members to our team this year and are now sensing the need to do some restructuring as we move ahead in this calling of Care-Advocacy- Response- Education.

"Do no harm, do good, and stay in love with God".

CONGREGATIONAL DEVELOPMENT CORPORATION 2017 ANNUAL CONFERENCE REPORT

MISSION:

The Congregational Development Corporation (CDC) will solicit, manage and allocate financial resources to promote and support efforts to enhance the impact of United Methodist Congregations on the lives of persons living in the area served by the Peninsula-Delaware Conference.

VISION:

The CDC will identify for the local churches an understanding of community needs and provide funding assistance for the new church initiatives and the revitalization

and ongoing vitalization of existing churches, with the goal of promoting healthy churches that can serve the community needs.

CORE VALUES

1. CDC will maintain a level of understanding of demographic trends and knowledge of active, growing local churches within the Conference.
2. CDC will coordinate with other groups in the Conference that are working on church strengthening and new church projects.
3. CDC will allocate funding to those churches, new and existing, that have the highest potential to serve those persons living within boundaries of the Conference.

At our opening meeting in August, the CDC team reviewed our by-laws and reorganized into the sub-committees listed there. These members comprise the following sub-committees: Research and Planning—Joe Archie, Vicki Gordy-Stith, Alan Jones, Tonya Pritchett, and Bill Westbrook; New Church Development—Darlene Dixon, Kymm Hockman, Grant Johnson, Lester Justice, Laura Lassiter, and Carlos Reyes; and Local Church Revitalization—Bernadette Beckett, Jim McCloskey, Gary Priddy, Phyllis Walton, and Claudia Waters. We adjusted to bi-monthly meetings with the sub-committee meetings in between the regular meetings.

Two staff members joined us this year. Rev. Lester Justice became the full-time Director for Strengthening the Black Church. Carlos Reyes, a candidate for ministry, became the Coordinator for Hispanic Latino Ministries. Both of them serve on CDC, in addition to the Director of Connectional Ministries, to aid in the development of new and revitalized faith communities.

The North East Jurisdictional Conference last summer approved a Call to Action, which calls each Annual Conference to start a new faith community targeted toward African American young adults. Although our Conference supports Arise Church, the ONLY new church start in the United States for predominantly African American population, we will work together to begin another new church start. Statistically, this effort bears out, as we have 22% of our overall population in the Peninsula-Delaware Conference, only 18% of our United Methodist population is African American, demonstrating that we have room to grow.

Our Conference Hispanic Latino Ministries Task Force also identified new faith communities as a priority. When CDC looked at the demographics, the areas with the largest populations already have Spanish-speaking churches—Betel in Georgetown and Gracia Divina in Minquadale. However, we have multiple places all over the Eastern Shore with groups of Hispanic-Latino populations of 1200-1500. Because of the distance between these communities, our current approach involves developing house churches in several of these areas, with an elder overseeing them. This approach marks a shift for us, and we pray that God will guide us in this new direction.

During 2016, CDC continued to support New Faith Community Development at Hope Community Church, Claymont; Arise Church, Wilmington; Bayside Chapel, Fenwick Island and St. John's Chapel, Cannon. We have finished our commitments to Bayside Chapel and to St. John's Chapel at Cannon at the end of this year. Our new church starts will focus on the two mentioned above, and we will continue to offer funding for revitalization.

We continue to offer two powerful resources to our churches. First, CDC pays for Mission Insite, a tool utilizing the census data to provide demographic information to churches about the community surrounding them. Every church can have FREE access to this tool and we encourage you to contact the Director of Connectional

Ministries, Rev. Dr. Vicki Gordy-Stith, vgordy-stith@pen-del.org, for registration information. Second, CDC purchased the rights to Readiness 360, a tool which evaluates your current congregation for its ability and readiness to make disciples and multiply ministry. It measures Spiritual Intensity, Missional Alignment, Dynamic Relationships, and Cultural Openness. These measures help a congregation see where it is, where it needs to grow, and how to get started. (See readiness360.org for more information.) When a church uses these tools side-by-side, they get an understanding of their current beliefs and values and behaviors and how they match up with the beliefs and values and behaviors of the surrounding community.

We pray that we can grow in our effectiveness in communicating our resources and our strategies to the churches in our Annual Conference. We intend to research new models for new faith community starts. We hope that by utilizing our newly reformed sub-committees, we can build a more realistic strategy to continue to reach people with the good news of Jesus Christ. Please feel free to contact the CDC if you have questions.

STRENGTHENING THE BLACK CHURCH TASKFORCE

Purpose and Goals

The purpose of the Strengthening the Black Church Task Force (STBCTF) remains the same: To encourage churches to avail themselves to the resources for church growth and vitality. As an extension of the Strengthening the Black Church director, Rev. Lester Justice, we are in partnership to offer assistance where needed and requested.

Because of our connection, we engage collaboratively with other conference committees such as BUMP (Black United Methodist Pastors), Healthy Church Initiative (HCI), The WELL, and Black Methodist for Church Renewal (BMCR). Therefore, the Task Force provides funding where possible to help clergy and laity with travel expenses to workshops, retreats, and other events.

We meet throughout the year in varied venues to plan, implement, and evaluate the SBC events for their effectiveness or lack of.

The Task force follows the theme and or focus of the director of SBC to address requests, needs, and plan for the upcoming year.

Our specific goals include the following:

- A. Serve as a resource for clergy and laity
- B. Provide funding for clergy or laity to assist with travel expenses for workshops, seminars, retreats
- C. Assist other conference committees with funding for special events (BMCR, Young Adult Summit, State of Black Church, The Well, etc.)
- D. Hold 2 Task Force and 2 executive committee meetings a year
- E. Assist with planning State of Black Church Event
- F. Assist with annual SBCTF retreat held at Pecometh
- G. Assist with Annual Gather To Grow Event
- H. Provide yearly report for annual conference
- I. Begin to send articles of interest to pastors
- J. Encourage pastors to check conference calendar of events, webpage, read district newsletters

Strengthening of the Black Church Committee will continue to connect with boards and agencies to activate resources designed to assist and strengthen the Black church. Our connection is your connection. Call for assistance. We are available to help you.

CROSS-RACIAL AND CROSS-CULTURAL COMMITTEE

In December of 2016, The Cross-Racial/Cross-Cultural Committee held its initial meeting with the express purpose of reorganizing to better serve the Conference in its efforts to facilitate more open and honest dialog around systemic racism.

All persons serving in CR/CC appointments, as well as lay persons who feel a Call to be a Bridge-Builder are invited to be a part of the Committee. Our Core group currently consists of Revs. Alice J. Ervin(W), Jacqueline Ford(W), Jewett M. Short(D), Anthony Arrington(W), Karen Mumford(D), Amor Woolsey(E), Derrick Porter(W), Carolyn Williams(W).

Mission

- (1) Act as a Support Group for persons in CR/CC appointments
- (2) Educate/Provide Training To:
 - : Pastors interested in serving in a CR/CC appointment
 - : Churches to receive and learn from "The Stranger"
- (3) Build communities of friendship, harmony, and love, while being committed to live and work within the Methodist Connection.

New Understandings

From honest sharing in our discussions we, ourselves, are being tremendously blessed by seeing changes that have occurred in our feelings and actions, as well as our congregants. Some of these new understandings are:

- (1) We're more similar/alike than different.
- (2) We need "Culture Exchange" instead of "Pulpit Exchange".
- (3) Our personal theology has enabled us to embrace all people.
- (4) Within a Race of people, there are many cultures.
- (5) Perception is not always reality.
- (6) We must adapt and adjust often, without losing our identity.
- (7) Learning to respect and value different ways of doing ministry.

We present the work of this Committee to God as a sacrificial offering to be used to further His Kingdom here on earth.

Respectfully Submitted:
Rev. Alice Johnson Ervin, Chair

EVANGELISM AND OUTREACH REPORT

Evangelism and Outreach is all about bringing the good news of salvation in and through Jesus Christ to the world. The purpose of this committee is to train and assist local churches to fulfill that purpose.

During 2016 we gave grants totaling \$2,000 for evangelism and outreach purposes. This is not nearly enough; however, we did not receive many applications. Our committee invites local churches to seek financial assistance for worthwhile projects.

Our main event for 2017 is "Evangelism in the 21st Century". Heather Lear, from the General Board of Discipleship, is our presenter. She is an ordained elder from North Carolina. The event is April 22 at Calvary UMC in Milford, DE. Future events will center on follow up from this event.

It is our sincere hope that our churches will continue to explore new avenues for evangelism and outreach. It is vital for the future of our conference but more importantly, for the many broken and lost souls living within the area in which we serve Christ.

Respectfully submitted,
Rev. Paul Sherwood

HEALTH MINISTRY TEAM

The Health Ministry Team as a component of the Evangelism and Outreach Committee. We continue to seek ways to reach congregations that have a health ministry or want to know how to start one in their church or community. The team has been successful partnering with churches and community leaders along with others by collecting funds for Breast Awareness Month, Code Purple and Food banks.

We also continue to promote and help our pastors and congregations of the Peninsula- Delaware understand the importance of starting and maintaining a healthy life style through collaboration, advocacy, and education. We focus on holistic ministries: Connecting Body, mind, and Spirit. Some of the activities that we continue to do are the Bishop's Walk at the Annual Conference and making congregations aware of the importance of having sign up for CPR Training. We provided Blood Pressure Screening at the African-American Summit and during our Annual Conference collaborating with other nurses or student nurses in the community. We are deeply grateful for the support of our Bishop Peggy Johnson, the District Superintendents, Council Director, office staff persons and all those who have worked with us in various communities who have helped us to get the word out about the importance of taking care of one's self as good as possible. We sincerely are grateful for your prayers and support.

Goals 2017

1. Keep Listening to the health needs and concerns of our congregations
2. Write an article for the Communicator
3. Continue to provide CPR Training
4. Provide a healthy church information table at the African-American Summit and Annual Conference. We plan to continue the Bishop's Walk and Holy Communion at Annual Conference.
5. Sponsor a health ministry seminar for persons interested in health ministry and congregation who want to start a health ministry team.
6. Begin to move forward in finding candidates for the Naomi Winchester Scholarship

SPIRITUAL FORMATION TEAM

The Spiritual Formation Team of the Peninsula-Delaware Annual Conference exists to provide resources and leadership that will enable us to move forward as we proclaim Spiritual Formation as a priority in our life together. Our areas of focus are: spiritual disciplines, prayer, discipleship, education, and retreat ministry.

Once again this year, the members of the Spiritual Formation Team consider it a privilege to serve the people of our Annual Conference. We continue to support opportunities that are offered for Jesus' disciples as they allow the Holy Spirit in to form who we are and guide what we do.

This year we continued to support "The Well" leadership training event, and offered a workshop on how to tell/share our faith stories. The workshop was well attended. Those in attendance appreciated the information that was shared.

Each year the team prepares the Prayer Room at Annual Conference. This sacred space allows people to come and spend some quiet time with the Holy Spirit. It is

our prayer that as each person enters and leaves this sacred space, they will be renewed in body, mind, and spirit.

GOALS 2017-2018

1. To compile faith stories from a diverse group of laity and clergy to be gathered in print and e-book form, then shared with the annual conference.
2. Continue to support "The Well" and other workshop opportunities within the Annual Conference.
3. Update the Spiritual Formation Team's resource list and brochure.
4. Continue to support a variety of avenues through which the people of the Peninsula-Delaware Annual Conference can live out their lives as disciples of Jesus Christ.

CONFLICT TRANSFORMATION TEAM

Team Vision

As Christians we are called to be the hands and feet of Christ even in a world that often seems conflicted. YOUNG PEOPLE'S MINISTRY NETWORK ANNUAL CONFERENCE REPORT

The Young People's Ministry Network (YPMN) is a partnership between Pecometh Camp & Retreat Ministries and the Peninsula-Delaware Conference, created in 2016 to provide resources to local churches and their leaders to effectively nurture youth and young adults as disciples of Jesus Christ for the transformation of the world.

The first year of the Young People's Ministry Network (YPMN) has been a time of learning and adapting as we seek to find new ways of inviting young people in our conference to live out their C-A-L-L.

Here are a few highlights from the past conference year:

Connecting

- Much of our time this year has been spent connecting with the many conference committees and ministries that work with youth and young adults.
- Rev. Megan Shitama Weston (Minister-in-Residence of the YPMN) and Rev. Jack Shitama (Executive Director of Pecometh) provide support to the Conference Council on Youth Ministries (CCYM), which is led by two volunteer coordinators: Carl Samans (lay coordinator) and Rev. Rick Wessell (clergy coordinator).
- This year's Youth Rally was designed and produced collaboratively by the CCYM and Youth Rally Producer David Burke, with support from the YPMN.
- Rev. Megan Shitama Weston also provides support and guidance to the Conference Council on Young Adult Ministries (CCYAM), which is peer-led by young adults.
- Rev. Megan Shitama Weston serves on the design team for the Young Adult Summit, and has made connections with the Conference Board of Higher Education and Campus Ministry.
- Working with volunteers from CCYM and CCYAM, we have planned a Young People's Convocation, to take place the afternoon before Annual Conference. This event will invite young people from across the conference to worship together, symbolically vote on resolutions that will come to the Annual Conference floor, and learn about the procedures that govern our conference gatherings.
- Moving forward, we are working to facilitate more coordination and collaboration between the different ministries and teams that work with young people.

Acting

- After a year of observing and learning about the many wonderful youth and young adult ministries in the conference, we plan to work toward increased diversity in the young people's ministries in the conference. This includes receiving feedback from various communities, and intentionally recruiting young people from diverse backgrounds to serve in leadership positions.

Leading

- The CCYM continues to be a wonderful leadership development experience as our youth elect their own youth leadership and learn about doing ministry

within our conference structure. Meetings are led by the youth co-chairs, and the youth take the lead in planning events with the support of adult advisors.

- Youth members of the CCYM are invited to participate in the Pecometh Director's Leadership Week camp during the summer with a full scholarship. One CCYM student participated this past summer, and both of the 2017-2018 youth co-chairs have participated in the past.
- YPMN will partner with the Board of Ordained Ministry's Enlistment & Recruitment Committee to revive the YES! Event for youth who may have experienced a call to ministry. In addition, we are exploring other ways to encourage, equip, and recruit young leaders for the church and the world.
- The CCYAM is self-governed by young adults, and in the coming year we will work to empower them to become more involved in supporting young adult ministries in the conference. We will also focus on their own leadership development, as well as ways to recruit and equip other young leaders.
- Pecometh Program Assistant Ken Laing spent time connecting with local youth leaders at the National Youth Worker's Convention in November, and received feedback about how the YPMN can help to resource and support them in the future. A Youth Ministry training is scheduled at Pecometh for July 15, 2017.

Loving

- Our young people have much to teach us about loving God! The CCYM designed and led an inspiring worship service at The Well in October, focused on the theme of Prayer.
- Many ministries in our conference continue to invite young people into deeper relationship with the Lord, including our many local youth ministries, the Youth Rally, Camp Pecometh, campus ministries, Pecometh's Confirmation Retreat and the Bishop's Confirmation Rally, and the Young Adult Summit. We will support these ministries however we can, and help to communicate news about them throughout the conference.

Conference Council on Young Adult Ministries Annual Conference Report

Submitted by: Chelsea Spyres

The Peninsula Delaware Council Conference of Young Adult Ministries (CCYAM) has had year of regrouping and restructuring. The goal of this group is to bring together a diverse group of young adults to lead in service, fellowship, worship, and prayer.

Over this last year the CCYAM has launched a blog <http://www.pendelccyam.wordpress.com> to help share the stories of young adults around the conference. The group is always open to more contributors to this blog if you have young adults in your church who would like to share through a traditional post, poem, spoken podcast, or song.

The CCYAM has also organized a trip to Colombia scheduled for August 2017. Through continuing to build on relationships formed on the trip in 2015, this group is hoping to make the partnership in Colombia an ongoing one. This trip will include young adults from the Peninsula-Delaware Conference along with the Baltimore-Washington Conference.

The CCYAM in partnership with members of the Conference Council on Youth Ministries planned a Young People's Convocation prior to Annual Conference to gather for worship and annual conference preparations. This included "symbolic" votes on legislation, a review of Robert's Rules of Order, and explanation of the purpose and organization of Annual Conference.

Since its formation the CCYAM has been led by a variety of young adults sharing the many responsibilities of gathering, organizing, and planning events. Moving forward the group has decided to formalize the process for leadership and membership. Applications will be accepted through June 15 and the CCYAM members for next conference year will be announced shortly after that.

In this next year the CCYAM hopes to organize a day of fellowship at Camp Pecometh for young adults, to take a trip to DC to the Board of Church and Society, to organize a local mission day of service here in Pen-Del, and to continue to share our stories and voices through the blog started in 2017.

The CCYAM hopes to bring more voices around the table and into leadership positions, and truly be a place where all young adults in the conference can come together so that young adult ministry in the conference can be strengthened.

BOARD OF LAY MINISTRIES

The purpose of the conference board of laity is as follows:

- To foster an awareness of the role of the laity both . . .
- To develop and promote steward of time, talent, and possessions . . .
- To provide for the training of lay members of annual conference . . .
- To provide support and direction for the ministry of the laity . . .
- To provide organization, direction, and support for the development of local church leaders.

The four districts of our annual conference have held leadership training classes to give direction and support for the development of the new local church leaders as well as a refresher for those already in leadership roles.

Our district directors of lay servants and their committees have worked faithfully to offer outstanding classes on each district. These classes offer an understanding of the theological and biblical basis for lay life and work among our annual conference. It has helped them use this knowledge in the homes, workplace and communities, and world in achieving the mission of the church. Two or more academies are held on each district with many completing the basic and advanced courses. We are pleased that so many return each time when an academy is offered. We are also thankful for the many instructors that have helped in providing these various classes on each district.

Certified Lay Ministers are now under the umbrella of the Board of Lay Ministries under the direction of Brenda Tildon. A certified lay minister is a certified lay servant, certified lay missionary, who is called and equipped to conduct public worship, care for the congregation, assist in program leadership, develop new and existing faith communities, preach the Word, lead small groups, or establish community ministries as a part of a ministry team with the supervision and support of a clergy person. A certified lay minister is assigned by a district superintendent in accordance with 2016 Book of Discipline. We have Certified Lay Ministers in order to enhance the quality of ministry much like a class leader did in early Methodism through service in the local church, circuit, or cooperative parish. Expand team ministry in other churches or charges. Use spiritual gifts as evidence of God's grace, as with lay ministry in early Methodism. Consider becoming a Certified Lay Minister and experience what it is like to be faithfully alive to the possibilities of leading the mission and ministry of a church today as part of a ministry team. Talk with your pastor or district superintendent to explore this process.

We continue to have our Annual Conference Laity/Clergy Banquet. The banquet was held at the Whatcoat UMC, Harvest House, Dover, De. We were honored to welcome into the 2017 Order of St. Barnabas 7 individuals and 2 organizations. These persons were nominated by members of their local congregations for their sharing of their talent, time, treasures and their target prayers. We thank God for that special time of gathering as we honored Debbie Hughes – Hebron, Ebenezer/Rockawalkin UMC, Brenda Spindler – Hebron, Ebenezer/Rockawalkin UMC, Nick & JoAnn Varrato – Millsboro, Grace UMC, Vatrice Walker – Cambridge, Reid's Grove UMC, Jessamin White – Wilmington, Peniel UMC, Fannie Wright – Grasonville, John Wesley UMC, Connection Community Church Food Ministry Team, Bridgeville Charge Community Outreach Program

Goals for 2017-2018

- Continue to encourage inclusiveness on each district throughout the conference.

- Continue to support District Lay Leaders through resources, materials and workshops that will enhance their contribution they make to our local churches, districts and conference.
- Continue to encourage clergy and laity to attend the annual Clergy & Laity Banquet.
- Encourage teaching of the "United Methodist Guidelines" for each ministry in the church, promoting district and conference wide events.
 - Maintain an awareness of the gifts of the laity and highlighting them at district banquets and the Order of St. Barnabas Award celebration.
 - To continue to get our "Report Guide for Lay Members to Annual Conference" into the hands of new members.
 - Support Conference Director of Lay Servant Ministries in an effort to put in place a conference wide directory of certified lay servants / speakers.
 - To support lay persons who feel called to make and nurture disciples of Jesus Christ.
 - Continue to give support in the ministries of the United Methodist Women, United Methodist Men, CLM's and the Young People's Ministries.

Celebrations for 2017-2108

- Lay Academies on each district
- Leadership training on each district
- Annual Clergy & Laity Banquet
- District laity banquets
- Order of St. Barnabas Awards
- Certified Lay Ministries Graduation
- Laity Sunday 2017
- The Well
- Laity Session

Please continue to pray for our connection around the world as we make disciples of Jesus Christ for the Transformation of the World.

UNITED METHODIST MEN

"Every Man Shares in Evangelism, Mission, and Spiritual Life"

The Purpose:

The purpose of the United Methodist Men shall be creative, supportive fellowship of men who seek to know Jesus Christ, to grow spiritually, and to seek daily His will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all of their relationships.

The Mission:

1. to support individual and group strategies through the foundation of United Methodist Men's ministry
2. to provide support services to promote the ministry and growth of United Methodist Men
3. to provide resources that assist men in their growing relationship with the Lord Jesus Christ and His church
4. to provide resources and support for the Office of Civic Youth-Serving Agencies/Scouting Ministries

Our Action:

In May we held our annual gathering. This year it was hosted by the UMM of St. Mark's UMC in Easton, MD. Our theme was "For Men By Men" Our program was led by Gene Gray, Roger Eareckson, Allan Loomis, and Bill Paxton. The men attending had a choice of three topics out of four. The topics included "You Can Take it With You", "Men's Ministry / Jesus' Call for us to be Fishers of Men", "What's Happening in the UMM", and "Christian Men in Service in the Community in Unity". We gave out a new daily devotional book entitled "Strength for Service for God and Community" for the men to take back to their respective churches for presenting to First Responders in their community. This daily devotional provides spiritual encouragement and emotional strength for police officers, firefighters, emergency medical personnel and all those who are engaged in service to others in their times of greatest need. The Newark UMC did a recognition for first responders in the Newark area. At least 10 men and women showed up for church service in uniform. Several of the responders asked for additional books and some members of the congregation requested books. For those attending service that morning and were not aware of what was happening, it was a little scary to see the police, firefighters and EMTs there.

In September we held our 59th annual retreat at Pecometh Camp & Retreat Ministries. Our theme was "Making Room for Men's Ministry". This was a one day event where we brought men together in worship, fellowship and music. We did this through our speaker Tracy Radosevic who is a Bible storyteller.

As Tracy read the stories she made them come alive and brought us into each story. We discussed each person in the story and how we would have reacted. Rev. Dr. Rick Vance, the new Director of Men's Ministry, General Commission on United Methodist Men, help pull our learnings into a future path for us to pursue in helping other men to make room for men's ministry. Our music was provided by Norm Holt and the Breakaways from Pike Creek.

During the last year several of the executive committee members have visited churches (at the request of their pastors) to help form men's groups. This is an increasing trend which we hope and pray continues into the future.

In Nashville, TN at the National Association of Conference Presidents we received for the Peninsula-Delaware Annual Conference 1) a Certificate of Achievement for attaining an increase in total number of Charters for 2016; 2) a Certificate of Achievement for attaining an increase in total number of Every Man Shares Members for 2016; and 3) a Certificate of Achievement in recognition of our conference offering 100% of Connectional Apportionment for the year 2016.

Goals 2017

- To support the National Prayer Center Line at the Upper Room, Nashville, TN
- To promote Strength for Service to God and Country, a daily devotional book for the military. In 2017 we will be working with VA Hospitals.
- To promote Strength for Service to God and Community, a devotional for those in the service of others - a daily devotional for first responders. Please give these books to your local policemen and firemen.
- To continue to support the John Wesley Fellow Award.
- To encourage more men to start a men's group in their church or become active in a men's group.

Plans in Motion:

On September 9, 2017, we will be holding our 60th Annual Retreat at Camp Pecometh. This will be a one-day event. Please save this date!

Your Charter in the United Methodist Men supports the life of the General Commission on United Methodist Men which enables us to continue our mission and ministry. Your Charter provides the resources for:

- strengthening our faith through mission ministry
- continuing groups and individual in Bible studies
- rekindling hope through the prayer line
- for all that we are involved in, check out our website www.gcumm.org

I would like to acknowledge all of the district and local church presidents and other men and their families of the conference who continue to support our men's ministry. I give thanks to God, the members of Peninsula-Delaware Conference, the UMM executive board and all conference leaders. We are men committed to our God, to the organization of United Methodist Men, the Peninsula-Delaware Conference and the church which is the body of Christ. "Discipleship – The Contact Sport".

Allan E. Loomis, Jr, Interim Conference UMM President

VISION TEAM REPORT TO ANNUAL CONFERENCE 2017

Vision: Connected Christians offering the hope of Jesus Christ in today's world.

Mission: Cultivating Christ communities through our CALL—Connecting, Acting, Leading, and Loving.

Luke 3:21-22 invites us into a prayer where heaven itself is opened up. "When everyone was being baptized, Jesus also was baptized. While he was praying, heaven was opened and the Holy Spirit came down on him in bodily form like a dove. And there was a voice from heaven: 'You are my Son, whom I dearly love; in you I find happiness.'" (CEB) We pray that as we do our work in a spirit of prayer, we, too, will experience heaven opening up with the power of the Holy Spirit, affirming who we are in Christ Jesus.

In this spirit of prayer, the Vision Team, as the policy-setting and decision-making body for the Annual Conference between conference sessions, ensures that the ministries of the Conference align with our Vision, Mission, and Core Values, and offers support of particular extension ministries within our conference, including: Methodist Action Program, Neighborhood House, and Salisbury Urban Ministries.

At last year's Annual Conference, the Vision Team announced its emphasis for 2016-2017 to be the Loving aspect of our CALL. To that end, we have been focusing our efforts on prayer and healing the wounds of racism. Jurisdictional Conference 2016 passed a resolution named, "Call to Action," which charged each conference with addressing systemic racism and oppression within our churches. Encouraging vital (and courageous) conversations around the topic of race fits well into the Loving aspect of our CALL.

Last summer during our planning retreat, the Vision Team identified several goals for this past year around the Loving aspect of our CALL and the Call to Action. These goals included the following:

1. Create, communicate, and implement a tool kit for churches to use to plan prayer vigils quickly in response to current affairs crises.

2. Design and implement a tool kit for churches to plan conversations on racism within their community, collaborating with other churches and the conference CORR.
3. Have each team represented on the Vision Team hold conversations on race as part of their devotional time in the various committee meetings.
4. Design and implement District Prayer Days.
5. Work with Missions Team and VIM to hold a collaborative missions event on each District.

Some of the work towards our goals includes:

1. We have created a Prayer Vigil Tool Kit. The Vision Team is reviewing it and we will post it on the website once finalized.
2. We discovered the very effective tool from the Commission on Religion and Race, called, *Vital Conversations*, which includes a DVD and Bible study. We have recommended this study to churches to utilize as a basis for renewing relationships across racial lines.
3. Conversations on Race:
 - a. The Dover District has a task force, called Revelation 5, which is addressing white privilege and racism.
 - b. The Salisbury District has had several conversations around white privilege with the clergy.
 - c. The Easton District has participated in Sunday suppers to create a safe place for dialogue between churches on racism and white privilege.
 - d. The Wilmington District Superintendent recommended the book, *Vital Conversations*, at each Charge Conference.
 - e. The Vision Team partnered with the Cabinet to designate Martin Luther King weekend (January 15) for every pastor to preach on racism and social justice and to serve the community or participate in events honoring MLK. We provided resources online to assist in this task.
 - f. We are designing ways for our Laity to engage in these conversations using the GCORR *Vital Conversations*.
 - g. Our STBC Office offers a training every year, called "Gathering to Grow," which focuses on strengthening black church leadership. In 2016, this event featured Rev. Dr. Willis Johnson, pastor from Ferguson, Missouri, and included clergy and laity of all races and ethnicities to continue to grow together.
 - h. The Vision Team asked BOOM and DCOM's to include Disciplinary question on racial reconciliation as mandatory for every candidate for ministry. The Vision Team also asked BOOM and DCOM's to include a question in their interviews: "How are you working within your context toward racial reconciliation and social justice?"
 - i. We held a long dialogue around working toward Racial Reconciliation. We recognize the difficulty of the work and that it will be a life-long journey. If it is to be successful, we will need to include laity in the training so that clergy and laity can work together. Also, we will need strong pastoral leadership and will need to support the pastor with coaching and other tools. Someone suggested "Beta-testing" models to see what works first.
4. Prayer Focus:
 - a. The Well, held in October, focused entirely on Prayer. We had Dr. Francesca Nuzzolese, a professor at Palmer Seminary in Spiritual Formation, as our plenary speaker. Then the afternoon workshops focused on various types of prayer, including topics like praying with music, praying with our bodies, covenant discipleship, prayer as protest, prayer in Native American traditions, the role of prayer in ministry planning, prayer in the Hispanic traditions, and learning to tell our spiritual stories.

- b. Dover District has had several prayer days and revivals, and every District focused on prayer throughout the year.
 - c. Bishop Johnson focused on prayer during her Days on the Districts, including giving every pastor a copy of the book, *Draw the Circle, a Forty Day Prayer Challenge*, by Mark Batterson. Many churches have used this book as a congregation-wide study on prayer.
 - d. We held a Prayer Vigil for the Commission on a Way Forward, with people signing up for specific times to pray and a vigil at Conley's UMC in Angola.
5. Additionally, we are offering an Evangelism Day: Saturday, April 22, from 9 a.m. to noon at Calvary UMC Milford.
 - a. Heather Lear, from General Board of Discipleship, will be our speaker.
 - b. We have asked for a process for evangelism for churches to use.
 - c. Registration will include a place for people to ask questions to be addressed that morning.
 6. Mission Fair: The Missions Board is designing a Missions Fair for the spring of 2018. We hope to have all districts represented.

For our next steps, the Cabinet identified and the Vision Team affirmed some strategic initiatives for the remaining three years of the quadrennium. These initiatives flesh out more concretely how we can strengthen our ministries in the various areas of our CALL. Just as we focused on the Loving aspect of the CALL by emphasizing prayer and racial reconciliation this year, we will focus each year on one of the remaining aspects of CALL, as identified below. We hope that each church will engage in these various ministries in a way which fits their context of ministry. We also plan to provide guidance and resources to help churches engage their congregation members and local communities through these initiatives. As always, we invite your prayer and feedback.

The Conference Strategic Initiatives are:

- Prayer (Loving) is the foundation. 2016-2017
- IDP (Intentional Discipleship Plan for clergy, lay leaders, and discipleship-leading). 2017-2018
- Release Ministries (Focus on addiction recovery ministries, prisoner reentry ministries, and areas which impact these two outcomes, such as prevention through engaging local schools and teaching parenting skills classes, job training, etc.-Acting). 2018-2019
- Ministry Refreshed (Beginning new ministries at the local church level and community level to reach new people-Connecting).

So, this coming year (2017-2018) we will focus on encouraging clergy to develop an Intentional Discipleship Plan for themselves, working with SPRC's to identify strengths and challenges, and choosing continuing education events to continue their development as leaders. A Ugandan proverb says: "If you do not know where you are going, any path will take you there." Following Jesus requires us to be intentional about our path. We also intend to provide resources for clergy to train congregational leaders and work with their church leaders and members to take their own discipleship seriously and create an intentional plan to continue to grow. As United Methodists, this continual learning and growing arises from our theological understanding of Sanctification, or going onto perfection. Our Annual Conference in 2018 will highlight how we have developed intentional discipleship plans, using the theme: "Followers of the Way."

These events give a sample of how the Peninsula-Delaware Conference Vision Team has served the local churches this past year. We hope to listen to your needs, learn from the wider connection, and continue to answer the CALL of Connecting, Acting, Leading, and Loving, so that every church in the conference can do its own special work and we will all work together to offer the hope of Jesus Christ to today's world. We will work to continue to flesh out our Mission

and evaluate how our committees and teams serve that mission, for the sake of the mission of the realm of Christ.

BOARD OF PENSIONS

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board is also represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees: The Insurance Committee, The Financial Seminar Committee, and The Pension Luncheon Committee. They meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board continues to seek balance between good health benefits and reasonable cost. Our current High Deductible Insurance Plan, coupled with Health Savings Accounts (HSAs) or Health Reimbursement Accounts (HRAs), continues to give us this balance.

Health insurance costs continue to escalate. Last year we passed a rate increase of only 5% to churches and pastors even though the actual increase was 13.98%. Beginning January of 2018 there will need to be another 9% increase to both churches and pastors, necessitated by a 7.8% increase in premium costs for Active Clergy this year. We had good news last year with a 0% increase in Medicfill premiums. Unfortunately, that did not hold for 2017. The increase in Medicfill premiums is 18% which moves the total premium beyond the cap of \$2,400 per year. The additional premium of \$40 per month will be billed to each participant covered by Medicfill beginning January 1, 2018.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2017 was increased to \$611 per year of service and was approved at Annual Conference.
4. As a new Administration takes office that has plans to repeal and replace the Affordable Care Act, we continue to monitor and rely on resources from our outside consultants to predict changes to the Health Insurance market and the impact it may have to our current health care plan.

2017 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2018.
4. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.

ISSUES OF CONCERN

1. The Board maintains reserves to help offset future health and pension obligations that would otherwise result in large increases that would pass on to the conference, the churches, and individuals. These reserves should **not** be viewed as pools of money to be tapped into for other needs or opportunities.
2. There continues to be concern that some churches are not meeting their obligation to pay their share of the pension and health insurance costs in a timely fashion. With this in mind, the Board of Pensions has elected to include in this report a list of churches with arrearages as of December 31, 2016. The Medical Grants listed are the result of the Cabinet requesting six such grants and the Pension Board approving this request.
3. The Board of Pensions continues to work with our health care consultants, (Mercer), reviewing our current health care plan and making adjustments in order to comply with the new regulations and changes resulting from the implementation of the Affordable Care Act (ACA).

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events
2. Each pastor is responsible to keep the Conference Business office and Wespath Benefits, formerly the General Board of Pension & Health Benefits, apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventive benefits of your program.
4. Pastors may call the Wespath Benefits any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from www.benefitsaccess.org using a PIN provided by the Wespath.

5. A web space entitled "Conference Benefits" located on www.pen-del.org is provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.
6. Our "Policy on Benefit Eligibility" can be found on the above mentioned Conference website.

COMMISSION ON EQUITABLE COMPENSATION

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in base salary supplementation; and (3) providing counsel and advisory material on clergy support to the District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include **General Funds** for compensation supplements. Other compensation funds granted to pastors in **Key Leadership** positions that are serving in charge(s) that is/are unable to support the clergy commensurate with his/her talents and experience, and **Special Funds** used in special one-time circumstances. Because both Key Leadership Funds and Special Funds lie outside of the disciplinary bounds of the Commission on Equitable Compensation, we have moved responsibility for the granting these funds to the Bishop and Cabinet. With CCFA approval, we have made this move so that the bishop and cabinet, who have control over appointments, will also have the responsibility for administering these funds. The Commission will continue to track and report these funds as part of our ongoing communication with the Annual Conference.

The 2017 Equitable Compensation budget is \$160,000. Funds expended in 2016 for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$161,488, which exceeded budget. As part of this report, there is a list below of the churches and charges that received assistance in 2016.

The Commission in the last several years has strived to be mindful of our churches and clergy in establishing minimum salary guidelines. Therefore, the Commission on Equitable Compensation recommends the following 2.0% increase for 2018:

Full Elder and Full Member Deacon:	\$37,787
Provisional Elder, Provisional Deacon and Associate Member	\$34,871
Full Time Local Pastor	\$32,632

After prayerful consideration and thoughtful examination of the available data, the Commission decided on the 2.0% increase for next year. This increase is consistent with the 1.7% increase in minimum salary for 2017, it is in line with the 2.6% cost of living increase projected by the Social Security Administration for 2018, and it is the same increase that the Personnel committee has granted

Conference Office staff for 2018. We believe the 2.0% increase becomes compelling when examined in comparison with these data.

The Commission on Equitable Compensation recommends that the minimum salaries be increased by \$150 for each year of service, up to 20 years of service.

The Continuing Education minimum amount is \$800 for 2018. Clergy should receive paid leave to attend a continuing education event.

The Commission on Equitable Compensation recommends that the reimbursement for travel expense for 2018 be at the rate set by the Internal Revenue Service for 2018.

The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

Clergy will continue to be allowed to preach one week each year for one of the following events: Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge. Qualifying other engagements will be determined by the Commission on Equitable Compensation on a case by case basis.

Yours in Christ,
 Rev. Tom Pasmore / Mr. William Batson

CONFERENCE BOARD OF TRUSTEES

The Conference Board of Trustees is charged by The Discipline of The United Methodist Church to hold in trust financial assets and invest them according to the Social Principles; hold in trust real and personal property of Conference churches and agencies; buy, sell, transfer, and convey property; and provide adequate insurance for all Conference properties. In 2016 the Peninsula-Delaware Conference Board of Trustees actively pursued all of those things.

Leadership:

Board of Trustees officers:

President, Candy Miles
Vice President, Richard Rosengren
Secretary, Earle Baker
Treasurer, Bill Westbrook

Other Trustees are: Sonja Brown, Douglas Collison, Charles Emery, Rich Evans, Jeff Hayes, Helen Lockwood, and Director of Connectional Ministries, Vicki Gordi-Stith.

Investments:

The Conference Trustees are responsible for maintaining 17 investment funds valued at over \$1,590,000. All funds are restricted to specific ministries and/or churches except the General Fund.

Conference Property:

District Boards of Trustees: As the number of abandoned churches and properties continues to grow, two districts have organized their own Boards of Trustees. In most cases the Conference Board of Trustees transfers ownership to the District Boards both to spread the responsibility, and to move decision making closer to the actual property.

- **Easton District Board of Trustees**
 - Has listed **Bounds UMC, Crapo, Dorchester County, MD** with a realtor.
- **Salisbury District** formed a District Board of Trustees, as permitted in the 2012 Book of Discipline, at paragraphs 2518 and 2524. The District comprises these Maryland counties: Somerset, Wicomico, and Worcester. The purpose would include but not be limited to look after limited service churches, cemeteries, and abandoned cemeteries by:
 - Being a vehicle to receive deeds to local cemeteries
 - Being a local agent to sell abandoned church property, retain funds for their work, and resource cemetery maintenance.
 - Organizing repair teams to assist limited service church trustees and cemetery committees
 - Resourcing the churches of the Easton District to establish cemetery committees.

Abandoned Property:

Abandoned church property becomes the property of the Annual Conference under the care of the Conference Board of Trustees. Until the property can be sold or repurposed the Conference Board of Trustees continues to insure the property, perform necessary repairs, and maintain the grounds.

- **Ebenezer UMC and Parsonage** in Crapo, Dorchester County, MD has been sold. After costs we received \$35,712.
- **Westwoods UMC, near Gumboro, Sussex County, DE.** The property is being appraised to be listed with a realtor. The church cemetery is across the road, but not owned by the church. The Conference Board of Trustees manages a trust of approximately \$66,000 for Westwoods. Bill Westbrook is researching the trust documents to determine what happens to the trust if the church is sold.
- **Christ UMC, Laurel, Sussex County, DE.** The building was condemned after being found structurally unsound. After determining the cost of repairs was beyond reach, the congregation voted to close the church and transfer their membership to Centenary UMC in Laurel. Church membership records have been transferred to Centenary as well.
 - Members of the congregation removed what they wanted to keep from the building.
 - A security fence was erected around the building for public safety.
 - Stained Glass windows, woodwork, furnishings, the church bell and other artifacts will be salvaged; and upon demolition Centenary will take the cornerstone and State Historic Marker.
 - Several salvage companies were contacted and the contract was given to Black Dog Salvage who demolished the building in December. Their demolition was filmed for the Salvage Dawgs reality show.
 - Christ UMC also owned a nearby house. At this time it is unoccupied and being used for storage.
- **Mt. Salem UMC, Old New Castle, New Castle County, DE.** Representatives of "Friends of Mt. Salem" met with the Conference Trustees. They reported

that they are receiving good support from the City of New Castle, New Castle County, and the Community. A state Historic Marker has been placed at Mt. Salem. The Conference Board of Trustees encouraged the friends group to incorporate as a 501c3 nonprofit corporation, and to order a survey of the property before we turn it over to them.

- **Bethany UMC, Lowes Crossroads, Sussex County, DE** is rented by a non-denominational congregation.
- **Warwick Cemetery, Warwick, Cecil County, MD.** The conference trustees maintained the Cannon Lofland Fund for the maintenance of the Warwick Cemetery. The amount of the fund was less than \$1,000. At the request of the Warwick Cemetery Trustees, the Cannon Lofland Fund has been transferred to them.
- **Churches transferred to the Salisbury District Board of Trustees:**
 - **Christ UMC and Parsonage, Upper Fairmount, Somerset County, MD**
 - **Asbury UMC, Nanticoke, Wicomico County, MD.**
 - **Grace UMC, near Cox's Corner, Wicomico County, MD.**
 - **John Wesley UMC, Newtown, Wicomico County, MD**
 - **Water's Chapel UMC, Marion Station, Somerset County, MD**

Term Limits:

With the new quadrennium beginning July 1, 2016, the following Trustees completed their service on this board: William Bazzelle, Ginger Brannock, David Humphrey, Pam Lewis, and Walter Palmer. We commend and thank them for their faithful service to the Board of Trustees, and The Peninsula-Delaware Conference.

CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION (CCF&A)

We recognize with considerable gratitude the long and dedicated service of John Halberstadt who served for many years as President of our CCF&A. Lawrence Pelham was elected as the new President at the July meeting. Alice Ervin, and Lisa Hastings were reelected as, Vice-President and Secretary, respectively, for the July 2016- June 2017 period.

God continues to bless our Peninsula-Delaware Conference by providing for our financial and administrative needs. Let us celebrate together God's grace, love and care for the church.

We also thank each individual congregation, and every individual giver, for their giving and their faithfulness to the Covenant Plan. It is by the contributions of many that we are able to do the work of the church.

Total Covenant Funding Plan receipts for the year were \$4,622K just \$14K below the Covenant Funding Plan for \$4,635K for appointments. This gap of \$14K is \$22K less than last year which was the lowest shortfall since 2009. The Conference continues to respond to the need to reduce cost and apportionments. The 2016 apportioned amount was \$101K less than that for 2015. The shortfall was covered by utilizing fund balances from Boards and Agencies which at year end 2015 were in excess of 10% of the annual budget for that Board or Agency. Review of these year end balances is a standard part of the annual budgeting process. Boards and Agencies with reasons to maintain higher balances are not affected.

We are also grateful for and celebrate several areas of increased giving highlighted by increases for World Missions of \$19K for a total of \$83K and an increase of \$26K for UMCOR, for a total of \$115,605.

We continued to monitor the progress of Pecometh Camping and Retreat Ministries. They continue to make progress toward a cash flow positive position. Pecometh is in the middle of a capital campaign with a goal of \$1,025,000 that will provide both needed facility upgrades and a partial payoff of the mortgage on the River View Retreat Center. The capital campaign is doing well having already raised over \$600,000.

CCF&A also continues to monitor the ministry and financial status of the Neighborhood House, a Conference Affiliate with locations in both Wilmington and Middletown. They provide vital services to the poor and financially disadvantaged. The Neighborhood House has fully utilized the \$200K line of credit interest free for a loan period that has been extended to three years. The Board and Staff have had success in attracting new financial support and the organization is improving its operations. Challenges remain; however, working together we can continue to provide for those in need.

Apportionments are an important part of our Connectional relationship. They bind us together in supporting one another through District and Conference functions, provide support for our retired clergy, and support ministries throughout the peninsula, the country and the world that we could not accomplish as individual churches. The Conference and CCF&A continue to be sensitive and attentive to the financial status and needs of our local churches. One example is the continued effort to reduce apportionments. Another is to have an efficient Apportionment Adjustment process. The new approach developed in 2015, appears to have functioned well in its first year. Every church that did not pay its full apportionments was reviewed by a District committee. Others requested a review. The majority of the data required for the review was provided by the Conference Office from the statistical data on file. Individual churches were instructed to provide specific information such as their vision, mission and their missional and financial outlook for the future. Working together, the District Committee developed the recommended Adjusted Apportionments for the upcoming year. The recommendations of the District Committees were forwarded to the CCF&A for approval or adjustment.

For 2017, a Covenant Funding Plan totaling \$4,604K was developed, recommended, and approved by Annual Conference. This represents a decrease of \$31K or 0.7% from the 2016 Covenant Funding Plan. The amount to be apportioned to the local churches, \$5,300,000 (before adjustments) was reduced \$50k from the amount apportioned for 2016. The underlying assumption remains that the economy will gradually improve and local churches will be better able to fulfill their full share of Covenant Funding support. As mentioned above, Annual Conference apportionment adjustment requests, including mission churches, totaling \$385,867 have been approved for 2017.

Goals for 2017/2018:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference will be successful and can fully witness for Christ.

Recommend for annual conference adoption a plan for anticipated income and expenditures for 2018 which will support the conference in achieving its mission.

Carry out the administrative responsibilities as set forth in the Discipline, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to broader challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

The CCF&A has begun a discussion concerning how to best educate our churches and financial matters. The thought is to develop a plan and goals for improving financial education, training, and operational support to facilitate improved financial management, operations and stewardship in our local churches. This effort would be inclusive and hope to involve all our connectional members and resources.

Respectfully submitted,

Lawrence Pelham

THE PHILADELPHIA AREA COMMITTEE ON THE EPISCOPACY

The Committee on the Episcopacy serves various functions in the United Methodist Church. It serves to:

- Support the Bishop of the Area in the oversight of the spiritual and temporal affairs of the church
- Be available to the Bishop for counsel
- Assist in the determination of the episcopal needs of the Area and make recommendations to the Jurisdictional Committee on Episcopacy
- Keep the Bishop advised of conditions within the Area
- Interpret to the people of the Area and to Conference agencies the nature and function of the Episcopal Office
- Engage in annual consultation and appraisal of the balance of the Bishop's relationship and responsibilities to the Area, the Jurisdiction, denominational Boards and Agencies and other areas of specialized ministries

Book of Discipline, (2016), ¶ 637

This quadrennium the chairs of this committee have changed. Pastor Scott McDermott, from Eastern Pennsylvania Conference now serves a chair and Roy Collins from Peninsula-Delaware conference serves as the vice-chair. The committee wishes to express its gratitude for the faithful services of Kevin Goodwin (chair) of Peninsula Delaware and Pastor Evelyn Kent Clark (vice chair) of Eastern Pennsylvania who served in these roles during the last quadrennium.

We are especially thankful that Bishop Peggy Johnson was able to return to our annual conferences for four more years. She has served our annual conferences faithfully during the last eight years. In serving as Bishop, she has not surrendered her ability to be a caring and compassionate Pastor. Her phone calls and letters to those who have suffered loss reflect her genuine compassion for those who are hurting. On Christmas day, Bishop Johnson even visited the Norristown State Hospital. Bishop Peggy Johnson doesn't just serve a role, she lives her faith. And yes Bishop Johnson has sought to lead each annual conference to fulfill its vision. She is always listening, always learning, and always seeking to guide us in the right path. For the Eastern Pa conference this meant downsizing from six to four annual

conferences. A bishop's roles and responsibilities extend far beyond merely making appointments and serving United Methodists. A bishop's role also includes interaction and dialogue with those of other denominations. For example, the United Methodist church has been in dialogue with the Roman Catholic Church and Bishop Peggy Johnson is the first female bishop to be involved in this discussion. This is both historic and significant.

We are living in challenging times, both in our larger culture but also in the church. None perhaps is more challenging than the issue of race. In July of 2016 the North Eastern Jurisdiction (NEJ) passed its Call to Action to help address these issues. Bishop Peggy Johnson has embraced this agenda by her example and her leadership. For example, Bishop Johnson is working with an Intercultural Coach to help her grow personally in this area and she has committed to visit every church of color in our annual conferences. In addition, she is committed along with her episcopal colleagues to lead the church to help heal the wounds of racism by implementing the Call to Action passed by the NEJ. Our conferences are already seeing some of the fruit of this effort through numerous conversations that are happening around our conferences on race.

As a committee we are honored to work alongside our Bishop as she seeks to lead us forward these next four years.

Respectfully submitted,

Scott McDermott

Drew Theological School **2017 Annual Report Summary**

As we celebrate the 150th anniversary of our founding this year, we find ourselves in the unique position of reflecting deeply on our past and, at the same time, looking with confidence and enthusiasm toward the future. Drew Theological School has, throughout its long and distinguished history, fostered a vibrant spirit of learning and community that allows for a rich diversity of both expression and experience. These qualities of inclusion and a steadfast commitment to social justice are what make the Theo School what it is today – and have, in fact, defined it from the beginning of its existence.

In the spirit of our founders, we continue to educate students from all over the United States and throughout the world. We continue to pursue a mission of empowering students to "creative thought and courageous action to advance justice, peace and love of God, neighbor and the earth." In the classroom and beyond, we continue to focus on educating and forming rooted, innovative, and bold leaders for the church, the academy, and the world.

These are the principles that attract students to our programs, and they guide us in all we do to support them during their time with us.

We have seen the effects of this in our rising enrollment numbers. In the last three semesters, the Theological School has seen a steady growth in both applications and enrollments, and early indications strongly suggest we will continue that trend this year. Our students hail from across the country, represent 21 different denominations, as well as a sturdy non-denominational presence, making Drew a truly ecumenical community. Yet we could not have arrived here on our own: over

30 percent of our applicants come to us through recommendations from our alumni and friends.

We also have a history of great success when we open our doors to prospective students and invite them to explore our programs first-hand. Of the students who attended our *Open Doors at Drew* event last March, more than 50 percent enrolled.

These gatherings are so successful because they offer prospective students an opportunity to see Drew in person – to see Drew *in action*. We allow them to immerse themselves for the day in dynamic classroom conversations, worship services, and panel discussions with both current students and alumni. These events highlight our efforts to create a truly collaborative, comprehensive, and transformative experience that involves the entire Drew community.

A recent report by the Pew Research Center, "America's Changing Religious Landscape," made clear that seminaries and theological schools must reimagine their programs and how they reach students who are seeking out new expressions of Christian theology, ethics, liturgy, and gathered community.

In order to accommodate these prospective students and offer them the kind of dynamic and relevant theological training they seek, we embarked on an ambitious transformation of our curriculum, thanks in part to a generous grant from the Jessie Ball DuPont Fund.

This project has been guided by our efforts to address the changing needs of our students, those who may not choose to pursue a traditional ministerial path, and those who require a more flexible structure to their education. While our commitment to the Church and to the training of pastoral leaders is unwavering, we have also focused on ensuring that our current curriculum, teaching, and student assessment are aligned with more diverse demographics, changes in vocational choices, and the need to prepare religious leaders to serve effectively in multi-faith, secular, and even non-religious settings. We aim to serve the students whose vocational goals may include chaplaincy in healthcare settings, the military, or corporate venues, those who may seek to work as life coaches, or who may pursue careers in advocacy, social activism, and the non-profit world more generally. The focus is on preparing students for transformational leadership, wherever their vocation is lived out.

Our curriculum transformation project also includes a focus on various modes of delivery – online classes and a flexible course schedule for students who are unable to attend class during the day or those who live too far from campus to attend in person regularly. These changes will expand our sphere of influence and the contexts in which our students serve, inspiring us to think more broadly about what is required for leadership-in-context. It will also hopefully bring us an even more diverse student body, something that Drew values highly.

The curriculum that we hope to implement will more clearly and intentionally help students root themselves in the cumulative wisdom of their tradition (more Bible and theology) but also prepare them to be adaptive leaders who confidently innovate ancient wisdom and tradition in order to address contemporary needs and challenges. They will do more and sit less.

Their mentors in learning and experimenting will extend beyond our residential faculty and draw from the rich resources of partner organizations and networks which can provide the real-world settings for these "experiments in courage," where the pursuit of wisdom and godly living can be more vigorously pursued.

The majority of our students come to us with experience in ministry, and many are currently exercising some form of public religious leadership. Additionally, an increasing number of students come to us with a wide range of experience in the foundational understanding of basic biblical texts and theological concepts. Furthermore, an emphasis on public theology and the role of the public theologian and leader is an essential aspect of the work of Christian ministry today, and more attention will be paid to helping our students develop this aspect of their ministry.

* * * *

All of these efforts will make it possible to offer our bold vision to a wider audience of students. While these changes will be significant, they will in no way alter the spirit that has distinguished a Drew Theological School education for 150 years. Indeed, these changes have their source and their end in that very spirit, and they will, we are confident, contribute to its continued vitality.

We are thrilled by how our vision for the future of the Theo School is unfolding and taking shape. We look forward to our continued work with the entire Drew community – both past and present, on and off-campus – as we transform this center of learning, pastoral formation, and service to respond in relevant and powerful ways to the changing needs of our churches, our communities, and the world.

2017 Peninsula-Delaware Conference Statistical Report
Rev. Tracy Mooney and Rev. Tom Pasmore, Conference Statisticians

Statistics are tools. They show us what is really going on. They help us to look at where we have been and they help us to dream about the future. They are not the answer to what ails us as a denomination, nor are they useless. They give us insight and illuminate opportunities. They point to stories of lives transformed in each of our local churches.

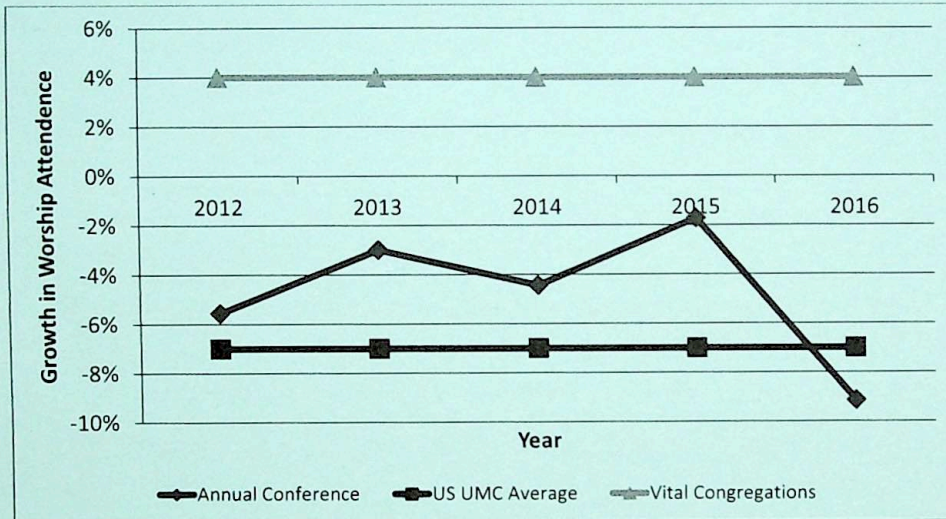

The statistical report that you hold in your hands looks very different than it has in past years. Our goal this year has been to help you begin a conversation. We want you to look at the data in a fresh new way. To make the conversation consistent with other Conferences across the connection, we have used the Five Markers of Vitality as defined by Vital Congregations research conducted by Discipleship Ministries. At the bottom of this page is the tabular data for our Conference.

On the following pages are the graphical data representing growth or decline in each of these areas. Each graph contains three distinct lines. The Annual Conference line is the data from the statistical report of the Peninsula-Delaware Conference, the US UMC Avg line shows the average for the denomination in the United States, and the Vital Congregation line shows the average for congregations in the United States that have been classified as Vital Congregations. Please review what you see here and talk with the folks in your church at home about it. What are these data saying to you??

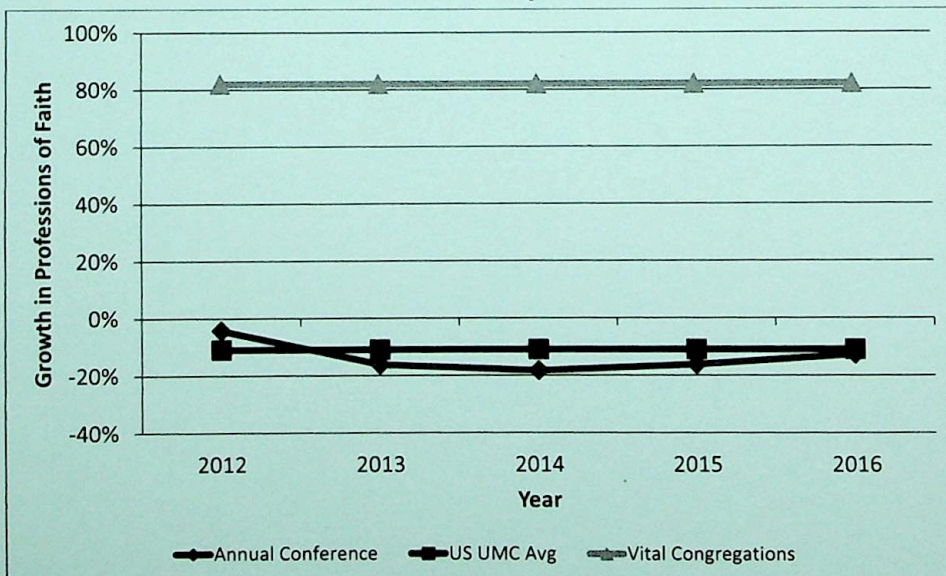

And remember, the data for your local church are available to you through the EZRA website (<http://ezra.gcfa.org>). You can do this same analysis on the numbers for your congregation, and see how you compare to the Conference and the Connection.

Eight years later in 1984, he was transferred to Janes United Methodist church in Rising Sun, Maryland. He served Janes UMC for 27 years as their pastor. Not only did Rev. Jim dedicate his life to his God and his community, but also he was involved in many other community activities as well. He said, "If you love your people, they'll let you make a lot of mistakes in the pulpit." Rev. Jim knew that as much as God's people needed a teaching preacher, they also needed a pastor who would love and care for them. Rev. Jim dedicated his life to serving God and lovingly shepherding both the lost and the saved people in his community.

He never completed his writings on Bishop William Taylor despite numerous other publications and hymns which he wrote throughout his life. During this time (2003 – 2009) Garry served as Chairman of the Board of Hope for People International, a mission agency serving the poor of India with a hospital, school, children's ministries, and pastoral education. In 2008 Garry became President and Chairman of the Board for CapStone University of Pasadena CA, a not-for-profit distance-education university for students in other countries; he served in this role until 2011. In 2011 Garry and Sarah returned to Easton, Maryland to be near their grandchildren; Garry began serving as Pastor Emeritus at Royal Oak UMC, Royal Oak, MD. Despite a kidney transplant in July 2015, Garry's health declined and he went to be with the Lord on Saturday December 17, 2016 at Talbot Hospice in Easton, MD with his wife by his side.

A dedicated husband, father, and grandfather, Garry mentored many young pastors throughout his life and looked out for the last, the least, and the lost. Garry is survived by his wife of 49 years, Sarah, daughters Beth Parker-Sloat (Kevin 'Flavio' Sloat) and Becky (Parker) Bishoff (Cecil Bishoff), grandchildren Marley, Parker, and Reed, and step-brother Frank Harrington. A Memorial Service was held at Royal Oak United Methodist Church on January 8, 2017 with Pastor Chris Pettit officiating.

Garry O. Parker pastored churches in five states and ministered and preached in 30 countries with Luke 4:18-19 as his calling. As a pastor de-segregating swimming pools in the 60's, restoring drug addicts in Bali, pastoring during El Salvador's civil war, serving local congregations, ministering to tribal peoples, and providing end of life care as a hospice chaplain, Garry carried out the Great Commission globally and locally.

Cledus Jackson Robinson

Rev. Cledus Jackson "Jack" Robinson was born in Asheville, NC on June 20, 1923, the son of Charles Gilbert and Martha Rebecca (Fortner) Robinson. He graduated from Marshall High school in 1941 and joined the Civilian Conservation Corps before enlisting in the US Navy, where he served as a pharmacist's mate in Guam during World War II. As the story goes, he was called to serve God in the course of an offshore swim during his service he was caught in a riptide and certain

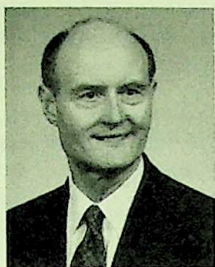

he would be swept out to sea, Robinson promised God that if he survived, he would serve him for the rest of his life. Just as he was losing hope, he remembered to swim parallel to the shore, and emerged safely from the riptide.

After his discharge from the Navy, he returned to North Carolina where, thanks to the GI Bill, he graduated from Wake Forest College in 1951. In that year he also married Evelyn Wilson and enrolled in Crozier Theological Seminary in Chester, PA. However, he left the seminary after his first year and taught history at a high school in North Carolina. A few years later, though, he returned to seminary and his calling. Though raised a Southern Baptist, Robinson felt that the Methodist Church aligned more closely with his values. While enrolled again at Crozier, he served as a student pastor in Port Carbon, PA from 1959-1961. In 1961 he graduated with a Bachelor of Divinity and was ordained in Dover, DE in the Peninsula Conference, where he served until his first retirement in 1988. Robinson's appointments included Wesley (United) Methodist Church in Dover, DE (1960-62); Bethesda (United) Methodist Church in Middletown, DE (1962-64); Atonement (United) Methodist Church in Claymont, DE (1964-1971); Director, Camp PeCoMeth, Centreville, MD (1971-1975); New Castle United Methodist Church, New Castle, DE (1975-1979); Trinity United Methodist Church, Harrington, DE (1979-1984); and Chester Bethel United Methodist Church, Wilmington, DE (1984-1988).

Upon retirement, Robinson and his wife returned to the Blue Ridge Mountains of Western North Carolina, where he served at Elkwood Methodist Church in Asheville, NC from 1992-1996. He also volunteered at Camp Tekoa, a United Methodist camp in Hendersonville, NC. After his wife's death in 1997, he began his sixteen years of service as a volunteer with the National Parks Service. Rev. Robinson was an avid outdoorsman, and through his work at PeCoMeth and as a volunteer, he was able to combine his knowledge as a naturalist with his commitment to Christian Education, touching the lives of hundreds of children and young adults.

Rev. Jack Robinson's ministry was not confined by the walls of the church. This was best exemplified by his lifelong commitment to social justice. Buoyed by his faith, he stood up for the rights of others, and when men wanted to keep walls built between races, he sought to build bridges. In this realm, and in so many others, he continuously gave of himself and inspired others to do the same.

He died on January 31, 2017 at the age of 93 at the North Carolina State Veterans' home in Black Mountain, where he had lived for two years. Services, followed by interment, were held at the North Carolina State Veterans' Cemetery on February 6, 2017 with Rev. John Reid, his nephew, officiating. Rev. Robinson was survived by four daughters, F. Rebecca Wolf, Deborah Andrews, Jacklyn Leitzel, and Carol Robinson; eight grandchildren; and one great grandchild. He was preceded in death by his wife of 46 years, Evelyn Wilson Robinson; a grandson, Jason Wolf; and eight of his nine siblings.

Laurence Hull Stookey

Laurence Hull Stookey, beloved father, grandfather, professor, pastor and friend died at Asbury United Methodist Village on Sunday, October 16, 2016 after a long illness with Lewy Body Dementia.

Larry was born in New Athens, IL on April 8th, 1937 the son of Loyd and Gladys (Hull) Stookey. He married Peggy Reynolds and had two daughters, Laura and Sarah.

In his unpublished autobiography, Larry referred to himself as incurably religious from an early age. He was raised in the Methodist church and attended several other local churches in his small town. As the son of the local mortician, he was exposed to religious rituals and traditions of his neighbors in New Athens. Larry recounts many hints through his early life of the ministry that he did not think at the time were indicative of his future vocation, including an incident on the night of his graduation from high school when an uncle who was not at all religious told him, "Laurence, you have a wonderful ability at public speaking. You should go into the ministry."

Larry attended Swarthmore College, Wesley Theological Seminary and Princeton Theological Seminary, where he earned his Ph.D. in Theology. He was ordained in the Methodist Church in April of 1962, two weeks prior to his graduation from Wesley.

Larry considered his profession to be that of a liturgist, first and foremost. His appreciation for what he considered the order and chaos of religious services is evident in his teaching as well as in his writing. His professional accomplishments included writing the liturgy for and participating in the dedication of the new chapel at Camp David under President George H.W. Bush and participating in the revision of the United Methodist Hymnal and Book of Worship, and ghost-writing a sermon for astronaut James Lovell for a service commemorating events of Pearl Harbor during World War II.

Larry was the Hugh Latimer Elderdice Professor of preaching and worship at Wesley Theological Seminary from 1973 until his retirement in 2007. He taught in Theological schools in Korea, New Zealand and many other places and was a beloved professor, who taught preaching and liturgics to thousands of seminarians throughout his career, teaching them how to love both God and the Church. He was a prolific author and lecturer whose books have been translated into several languages.

A beloved pastor, Larry served many congregations throughout his career, including: Mt Pleasant UMC in Colora, Harrison Street UMC, Wilmington, Perryville UMC, Whitesville UMC, and most recently Asbury UMC in Allen, MD.

Larry loved to travel, both nationally and internationally. During his travels, he was made a Chief of the Olomu peoples by his royal highness, King Richard Ogbon II in Ogoni, Nigera. He had been inside one of the caves from which the Dead Sea scrolls were recovered, had climbed to the top of the dome of the Basilica of St. Peter at the Vatican and while in Rome, presented a copy of the United Methodist Hymnal to the Vatican Library.

Larry was a gifted musician who loved music and played multiple instruments. He was active politically and had personally seen every US president since Harry Truman, with the exception of Gerald Ford and Barack Obama. He loved to bake, was an avid reader, and among his favorite subjects were church history and architecture. His creativity was evident through his designing of his home in Eden, MD, as well as in his hobbies of woodworking, photography, stained glass and liturgical vestments.

Following his retirement, Larry resided in the home he designed, which he called The Owl's Nest, in Eden, MD until a stroke on December 26th, 2015 required his move to Asbury United Methodist Village.

A Service of Death and Resurrection was held at Metropolitan Memorial UMC, 3401 Nebraska Ave NW, Washington, DC, on November 4th, 2016 and was officiated by the Rev. Drs. William B McClain and Robert Apgar-Taylor, both colleagues and beloved friends to him. Larry donated his brain to John's Hopkins to further the research of Lewey Body dementia and Parkinson's disease and his body to science in general. His cremated remains will be ---- at Wesley Theological Seminary at a time yet to be determined.

Throughout his life, Larry considered his work to be guided by who he called "The God Who Loves to Surprise Us". He considered his life to have taken many unexpected turns and to always have been in the loving hands of his Creator. He considered all life not to be a gift, but a loan from God and therefore appreciated the temporary nature of life and of living.

Larry is survived by two daughters, Laura (Stookey) Money in Rockville, MD and Sarah Stookey and her partner Sandra Knight in Gilbert, AZ. He had 6 Grandchildren: Allison (Alex) Nelson, Trevor Money, Tyler Money, Dana Kelly, Colleen Kelly, and Jason Kelly. He is also survived by his ex-wife and friend Peggy Reynolds

X. MISCELLANEOUS

A. CONFERENCE RULES OF ORDER

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.

Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.

Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.

Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:

1. To fix the time in which the Conference shall adjourn;
2. To adjourn;

3. To take a recess;
4. To lay on the Table;
5. To call for the previous question;
6. To postpone to a given time;
7. To refer;
8. To substitute;
9. To amend;
10. To postpone indefinitely.

- Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the

question shall be taken.

- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.
- Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference.

They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2016 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the *2016 Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. If no such request is made, it is assumed that the charge will elect the lay members. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council;

Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 658 in the *2016 Book of Discipline* which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The chair and co-chair of the delegation will alternate between the first clergy elected and the first lay person elected.
- Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:
- The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the

case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical information would include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

- Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.
- Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

B. RULES AND GUIDELINES FOR THE CONFERENCE COMMITTEE ON CLERGY AND LAY LEADERSHIP

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representativesMembers will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of

the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the *2016 Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit

will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
 - b) A demonstrated leadership ability in the local church;
 - c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
 - d) Willingness to commit time as required by the position;
 - e) Willingness to commit time for training for the responsibilities of the office;
 - f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
 - g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;
13. That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.
14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

II.

For Information Only:

*Concerning the Committee on Clergy and Lay Leadership,
its report and the securing of talent*

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent and to the Bishop to obtain recommendations. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Teams for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Committee on Clergy and Lay Leadership report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.
