The Vision team focused on "Leading" this year. She shared the "Leadership" accomplishments for the year. Their largest focus was on a response to the Call to Action of the 2016 Northeast Jurisdictional Conference. Vicki shared the strategy adopted by the Peninsula-Delaware Annual Conference which is as follows: "We need God to heal our relationships by transforming (1) our minds—to think differently about diversity and inclusion, (2) our hearts—to be aware of our own attitudes and to love and appreciate all people, and (3) our actions—to learn and practice new ways of interacting, recognizing our culture and valuing the culture of others. We will participate in this process through relationship building which is intentional, accountable, and transformational. Intentional mind-change. Accountable action-change. Transformational heart-change. We were invited to sing "Since Jesus Came Into My Heart". The Vision Team consulted with Dragonfly Consultants to audit the systemic structural racism and the impact of racism on the Conference. As a result of the audit which was directed at systems, policies, procedures and their impact through a four-step process, three overarching goals were identified as areas to address. The three goals are financial equity, increase Cross-Cultural communication, and an examination of all policies and procedures through the lens of racial justice. The report concluded with the singing of "My Hope Is Built." The focus next year is "Acting and Release Ministries", with an emphasis on addiction recovery.

Rev. Dr. Vicki Gordy-Stith invited Rev. Dr. Kymm Hockman and Rev. Gary Priddy forward to share their experiences with MissionInsite and Readiness 360, respectively. These two tools are offered by CDC. She encouraged others to use these resources which are free to churches and provided by the Conference. Tom Pasmore and William Batson gave the report on Equitable Compensation which was found on pages G5-G7 in the pre-conference materials and highlighted some of the information. The focus of the Commission has been on granting General Funds to make sure Pastors are at minimum. The Bishop and the Cabinet are focused on the granting of the other two funds, key leadership funds and special funds. The Commission continues to report on all three funds and this move has increased efficiency.

**Resolution R 8 "Resolution to Set Minimum Salaries for Calendar Year 2019":**  
Rev. Tom Pasmore moved the adoption of R 8.

Rev. Vaughn Hayden proposed the following amendment and it was seconded.

"Change line 29 to say, "We also ask that these minimum salaries be increased by \$200 for each year of service."

Tom reported that after reviewing the proposed amendment, the Commission can support the necessary funding in their current budget, so there is no need for a referral. The amendment was presented for a vote and passed. The amended Resolution R 8 was put to a vote and approved.

**Covenant Funding Plan:** Rev. Lawrence Pelham presented the Covenant Funding Plan, which was in the pre-conference materials and moved its adoption. He presented a slide show that explained the Conference's current financial situation. He explained the recommendation for calculating the 2019 Apportionments. He then presented

The Conference Secretary gave the announcements and the session adjourned at 9:05 PM. We will reconvene at 8:15 AM tomorrow.

**Friday Morning  
June 1, 2018**

The Conference reconvened at 8:28 AM. Seated at the head table with Bishop Peggy Johnson were Rev. Bruce Rogers and Rev. Jaqueline Ford.

**Native American Update:** The Native American update was a dramatic storytelling presentation by Ragghi Rain Calentine. Ragghi's first story emphasized that making things right, is not just about apologizing, it also includes actions. Her second story focused on how important it is for Native Americans to be able to practice their culture, traditions, and spiritual beliefs, which a congressional law in 1880 had prevented.

**Cabinet Act of Repentance Report:** Bishop Johnson provided an update on the 2016 Act of Repentance. The Bishop and Cabinet affirmed their commitment to heal, build and restore relationships with Native Americans and then delineated the personal actions they have taken. The actions included: posting educational videos on the Conference website, a Peace Tree Ceremony at Pecometh, local and national protests of Dakota pipeline and a visit to Dakota. Camp Pecometh offered a scholarship to one child from each of our local tribes, and the Vision Team and Cabinet matched the offer. This allowed each tribe to send two children.

**CoNam Response to the Act of Repentance:** Dr. Bonnie Hall, member of Harmony UMC and past Tribal Council Member, Nanticoke Indian Tribe, gave the response to the Cabinet update on the 2016 Act of Repentance. She began by expressing gratitude to Bishop Johnson and the Cabinet for their "continued walk of repentance and reconciliation with Native and Indigenous people". She shared how the Conference involvement in the Peace Tree Ceremony at Camp Pecometh was historic and memorable. Bonnie expressed gratitude for the education and awareness initiatives that are taking place within the Conference. She then shared hopes, concerns and questions related to the involvement of local tribal people in the decision-making processes for local churches. Additionally, she raised questions about the details of the actions and commitment of the Conference, with respect to an increased focus on health concerns, and developing new leadership for Native and Indigenous people. She closed by challenging the Conference to "walk the talk".

**Teaching Session 1 & 2:** Bishop Johnson introduced the keynote speaker, Rev. Junius B. Dotson, General Secretary of Discipleship Ministries, and then led us in singing "Blessed Assurance". Rev. Dotson discussed the mission of Discipleship Ministries, their resources, training and networking opportunities. He referenced Colossians 2:6-7, and spoke about how discipleship begins in and with leaders. He then shared the personal and corporate dimensions of discipleship-making. He said healthy people develop vital congregations, and vital congregations develop healthy people. He shared how vital congregations are effective at discipleship making because their leaders know their call and keep it before the people they lead. Rev. Dotson discussed several marks of vital congregations. They are: congregations who lead people to Christ, grow people to spiritual maturity, equip people with skills for ministry, and empower people to share their faith. He said if you make disciples you will always get the church, but if you just build the church, you will rarely get disciples. He showed a video about engaging with people in our communities and shared that discipleship begins with relationships. There was a brief break at 10:10 AM and we reconvened at 10:30 AM.

Rev. Junius B. Dotson began the second session by sharing his personal ministry experiences. He stated that instead of planning teams starting with the question "what", he challenged us to start with the question "why", because it leads to new possibilities.

He said relationships must be organic, authentic and consistent. We should be fully present and not fear rejection or being vulnerable so we can connect and build relationships with people of our community. He closed with a time for questions.

Rev. Jaqueline Ford read the offering totals for Monday and the announcements. Paul Ford offered grace and the Conference adjourned for lunch at 11:54 AM.

**Monitoring Report:** Rev. Jennifer Kerby opened her report by sharing some of her personal life experiences, and changes within, as a result of attending Nurturing Wholeness. She stated the reason we do monitoring is because the "isms" are still alive and well in the church. A plan was put in place to monitor our gatherings and see what is happening. She stated the practice of monitoring in the past was to count people because people count. She shared there should be more of a presence of young people, Asians and Asian Americans. Additionally, we need to hear more languages. This is God's church and not our church, so our job here is to monitor ourselves, and see that we are representative of God's church. Additionally, we want to ask the question, "What is the intent and what is the impact?" She then elaborated on Martin Luther King, Jr. Sunday, and the Call to Action, as examples of intent and impact. She concluded by addressing a comment that asked, "where are hearts being transformed beyond the cabinet?"

**VIM Report:** Rev. Karin Tunnell introduced a video from the General Board of Global Missions, UMCOR, and UVMIM. It showed people working in missions and the accomplishments of the Peninsula-Delaware Conference. The Conference donated \$425,000 to UMCOR in response to the hurricanes and wildfires. She talked about the Annual Conference theme, "Leading as Followers of the Way", in relation to the generosity of our churches. The VIM team held their first Mission Palooza in April, and seventy-five people from twenty different churches attended. They learned best practices in missional engagement from people with varied experiences. She spoke about the money donated from the appeal last year, which aided the completion of a church building in Nicaragua. The church was dedicated a year ago. However, missions work in Nicaragua has been suspended because of the outbreak of violence, and she asked for prayers. Karin challenged us to increase statistics that show low participation in mission trips in the Conference, and to get to know one missionary. Three hundred and fifty missionaries need love and support. She invited us to go on a mission trip or put together a cleaning kit as a small, yet tangible way to share Jesus' love. She closed by saying, when we work together and join our heads, hearts, and hands for the least, last, and lost, we can show the world God's love.

**Congo Partnership:** Susie Keefer, Chair of the Central Congo Partnership, thanked the Partnership's supporters and shared how several important programs are made possible through their generosity. praying statuettes to Bishop Johnson that depict the partnership between the Congo Partnership and the Congolese people.

**Africa University Report:** Kevin Goodwin reported that 2017 marked the twenty-fifth anniversary of the opening of Africa University. With that summer's graduating class, more than eight-thousand students have received degrees through Africa University, due to the support of The United Methodist Church and its people. The Peninsula-Delaware Conference continues to be the only Conference to pay one hundred percent of the asked apportioned funds.

**Wespath:** Kevin Goodwin, member of the Wespath Board of Directors, stated our investments are secure in the face of uncertain times in The United Methodist Church. Any changes that may occur will not change Wespath's role in managing pensions.

He spoke about the S.T.E.M. program with almost 100% placement upon graduation. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. If no such request is made, it is assumed that the charge will elect the lay members. Charges shall give priority to the consideration and election of youth and young adult members. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.

Rule 29: In keeping with paragraph 658 in the *2016 Book of Discipline* which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The chair and co-chair of the delegation will alternate between the first clergy elected and the first lay person elected.

Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

**The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.**

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical information would include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.

Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

  - b) Priority will be given to assure inclusiveness
  - c) The Committee will operate by consensus
  - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
  - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to

inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the 2016 *Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- d) Willingness to commit time as required by the position;
- e) Willingness to commit time for training for the responsibilities of the office;
- f) Have an understanding of and a willingness to support the polity of The United

Methodist Church;

- g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;

That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.

14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

**RESOLUTION ON WESLEY COLLEGE**

*Presented by Commission on Archives and History*

Whereas the Wilmington Conference Academy was founded in 1873 by the Wilmington Conference of the Methodist Episcopal Church, a predecessor of the Peninsula-Delaware Conference, to provide an education to young men and women from the Delmarva Peninsula and elsewhere; and whereas in 1918 a new charter changed the name of the institution to Wesley Collegiate Institute, enabling it to grant college-level degrees; and whereas, with the exception of a short period when it was closed during the Great Depression, the college has continued to carry out its mission in a close relationship with the annual conference;

We therefore ask that, on recommendation of the Commission on Archives and History, the Peninsula-Delaware Conference designate Wesley College as a Conference Historic Site.

**Resolution #8**

**RESOLUTION TO SET MINIMUM SALARIES FOR CALENDAR YEAR 2019**

*Presented by the Conference Commission on Equitable Compensation*

The Conference Commission on Equitable Compensation has the disciplinary responsibility to recommend to the Annual Conference standards of clergy support (§625); and

After prayerful consideration and thoughtful examination of the available data, the Commission recommends on a 2.0% increase for next year. This increase is consistent with the 2.6% increase in minimum salary for 2018, it is in line with the 2.0% cost of living increase projected by the Social Security Administration for 2018 for this area, and it is greater than the increases that CCFA has granted Conference administrative staff for 2019. In addition, we examined the average per capita income for each Annual Conference in the Northeast Jurisdiction and have found that our minimum salaries are in line with the other Annual Conferences when ranked against this benchmark. We believe the 2.0% increase for next year becomes compelling when examined in comparison with these data.

We therefore ask that our community of the Peninsula-Delaware Annual Conference set minimum salaries at the following amounts for 2018:

Full Elder and Full Member Deacon:	\$38,550
Provisional Elder, Provisional Deacon and Associate Member:	\$35,600
Full Time Local Pastor:	\$33,300

We also ask that these minimum salaries be increased by \$200 for each year of service, up to 20 years of service.

We also ask that the Continuing Education minimum amount be set at \$800 for 2018. Clergy should receive paid leave to attend continuing education events.

We also ask that the reimbursement for travel expenses in the next year be at the rate set by the Internal Revenue Service for 2019. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

We also ask that Clergy continue to be allowed to preach one week each year for one of the following events: Walk to Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and that this service shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge. Other qualifying engagements will be determined by the Commission on Equitable Compensation on a case by case basis.

**RESOLUTION TO 2018 ANNUAL CONFERENCE SESSION**

*Presented by the Advocacy Resource Team*

In the Gospel according to John chapter 17, verses 20-23, it was Jesus's earnest prayer that His disciples would be one, even as the Triune God is one, in all of the relational complexities that characterize our life together as Christians.

In response to the threat of schism from dissenting opinions on our understanding of human sexuality, the Commission on a Way Forward and the Council of Bishops, have both urged the church to act out of a "heart of peace," share grace, and exercise Christ-like humility in the way that we engage with one another.

In pursuit of this understanding the Commission on a Way Forward has modeled sacramental, trust-building conversation marked by empathy, compassion and critical thinking within the complexity of disagreement on theology and ecclesiology, and has provided options for the continued existence of The United Methodist Church.

We therefore invite the Annual Conference to affirm the call for unity within our connection in the face of schism, challenge in love and respect all that divides, and offer to all people God's saving grace to transform the world through Jesus Christ.

We recommit our Annual Conference to our shared mission to make disciples of Jesus Christ for the transformation of the world; claim the Articles of Faith, Doctrinal Standards, and our Theological Task; and cherish a globally diverse United Methodist Church as a unique embodiment of the Reign of God. We stand firmly within the biblical tradition of unity in Christ, affirming Christ's prayer for the believers in John 17. We long for all people to come to find themselves loved by God in Jesus Christ and to find their place in the Church.

We strongly encourage the General Conference of The United Methodist Church to maintain the current language in the U.M. Discipline concerning matters of human sexuality as we prepare for the special session in 2019.

**CHANGE TO RETIREE MEDICAL COVERAGE**

*Presented by Conference Board of Pensions*

WHEREAS the Peninsula-Delaware Conference voted in 2012 to cap the premium to be paid by the Conference for Retiree Medical coverage at \$2,400 per (2012 Journal, page 110)

WHEREAS the rate increase effective July 1, 2017 (\$2,736) exceeded the cap of \$2,400. The Conference Board of Pensions voted to delay billing retirees for the difference in 2018 so that the Board could look at alternatives as billings would double the work load of the current conference staff.

WHEREAS the Conference Board of Pensions reviewed proposals to offer a private exchange giving retirees and their spouses several plan options so they could choose which plan best serves their circumstance as opposed to the one size fits all plan that is currently offered.

WHEREAS an HRA account, with a maximum of \$2,400 will be established for each eligible retiree and each eligible spouse, according to the years of service charts described in **R-5 Resolution Relating to Retiree Health Insurance** found on page 110 of the 2012 Journal. The HRA account will be used towards the payment of premiums for the plan chosen by the retiree and spouse. Premiums will be billed by the insurance carrier directly to the retiree and spouse and not the Conference. This would replace the need for the Conference to bill retirees for amounts in excess of the \$2,400 maximum.

WHEREAS after careful review the Conference Board of Pensions believes the "Via Benefits" program, offered through Wespath, provides the best fit for the Peninsula-Delaware Conference. There are a number of Annual Conferences that have already adopted this program and their experiences have been positive.

NOW THEREFORE BE IT RESOLVED that the Peninsula-Delaware Annual Conference adopt the "Via Benefits" program offered through Wespath as the Retiree Health Insurance Program effective January 1, 2019

BE IT FURTHER RESOLVED that the maximum funding of HRA accounts for retirees and for their spouse remain at \$2,400 per year and funded according to the following eligibility charts as approved at the 2012 Annual Conference

We, the Peninsula-Delaware Conference: Further explore clergy funding options, and bring a report of the effects of such options to the 2019 Annual Conference.

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

## CONFERENCE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

After serving on this board for a year and working with these dedicated and passionate individuals, I feel blessed by God with clarity of what is realistic, attainable, and appropriate for the CBHECM to aim for in the upcoming year. We have spent many meetings in conversation; listening to each other, sharing our thoughts and expectations, and most of all looking ahead to what God can do through us. The members of our board have reviewed our documents, processes, and mission in the last year with open hearts and a mindset of being willing to change to better fulfill our call. This has been an incredibly fruitful process which has created a firmer foundation for us to build off of moving ahead in the years to come.

Our two biggest priorities are to increase our fundraising for scholarships so that we can better help our college students and to be proactive in building relationships with other Conference groups and local churches to better care for the current and incoming college students in our care. I continue to be very excited, hopeful, and ready to build off the good work of the past into the greater ministry God has in store for us. Below is a report of our goals from last year and an outline of our goals for the year ahead.

### 2017 Goals

#### Connecting

1. *To compile and maintain a list of college students from our Conference to ensure connection with the local Wesley Foundation or United Methodist Church.*

In the last year the CBHECM has created an information form and made it available online for pastors, youth leaders, and other adult mentors to fill out with college students under their care. This has only recently been completed, so we will begin to build awareness of throughout the year.

2. *To compile a list of churches within our Annual Conference who support higher education by contributing to scholarships.*

The CBHECM spent the last year reviewing and revising our scholarship applications and processes. Now that these are revisions are in place we can look at organizing and growing our support for scholarships in the year ahead.

#### Acting

3. *To actively support Wesley Foundations and United Methodist campus ministries within our Annual Conference in their ministry to students. Also, to engage and help local churches and other Conference organizations partner in ministry.*

We made the most progress on this goal through the work of our regular meetings and communication outside of them. The CBHECM takes time at the beginning of every meeting for the campus pastors to share how things are going on campus, in their ministries, and at times with themselves. We take as much time as needed to offer any support and advice we can along with our prayers. Our board was also able to financially support sending students from Delaware State University Wesley Foundation to Exploration 2017 in Portland, Oregon.

#### Leading

4. *To encourage local churches to engage with any nearby colleges and to consider beginning a group or ministry to meet the unaddressed needs of a college and its population.*

No progress was made on this goal due to the work the board has been doing to revise, clarify, and update much of what we do and how we do it. This goal will be saved for somewhere past the immediate future to take on.

5. *To create common standards that define overall health and growth in discipleship for campus ministry and a process of evaluation to help support and nurture our campus ministries in any areas of need.*

The CBHECM has had initial conversations about what a healthy campus ministry looks like, how it functions, and what its foundation is. With these conversations, we can begin to outline our own standards for health and growth and begin to devise a means of evaluation to help our campus ministries reach those goals.

#### Loving

6. *To provide ideas and resources to local churches as they maintain connection with their students who are attending college.*

Although the CBHECM has not made any progress on this goal yet it is still a valuable goal that we believe is realistic and attainable in the upcoming year. Once we begin to compile information and resources related to this goal we can share it with the churches and ministries of our Conference through district and Conference newsletters.

7. *To compile lists of vetted and used resources for small groups, Bible studies, worship, and outreach so that we are sharing and utilizing the experiences and insights of one another for our shared ministry.*

Our campus pastors have shared resources and ideas during our meetings on occasion. We are still working out the best way to collect them digitally and make them easily accessible to anyone involved in campus or young adult ministry.

#### 2018 Goals

##### Connecting

1. *To compile and maintain a list of college students from our Conference to ensure connection with the local Wesley Foundation or United Methodist Church.*

Now that we have completed our student information form and made it available online our goal for this year is to publicize it throughout the Conference. We will also encourage pastors, youth leaders, and other mentor-type figures to fill out the form with new and current college students. As we compile this information we can better connect college students to Wesley Foundations within and outside our Annual Conference.

##### Acting

2. *To actively support Wesley Foundations and United Methodist campus ministries within our Annual Conference in their ministry to students. Also, to partner with other Conference ministries to enhance our shared ministry to young adults.*

Our goal for this year is to better solidify our working relationships with the campus ministries within our Annual Conference and relevant Conference organizations (i.e. CCYAM). This strengthening will happen primarily through our CBHECM meetings where our campus pastors can share and we can invite persons from other related ministries and organizations. Our working together can bear greater fruit as we together help send young adults to United Methodist Conferences, events, and sponsor opportunities for fellowship, growth, and other activities for young people.

##### Leading

3. *To create common standards that define overall health and growth in discipleship for campus ministry and a process of evaluation to help support and nurture our campus ministries in any areas of need.*

This will be a more primary goal for CBHECM that will be worked on through conversations at our regular meetings and beginning to put ideas to paper. Our goal for this year will be to have a rough draft of a document that addresses questions relating to what is a healthy campus ministry, what does it do, what does it focus on, and how do you measure health and growth. This will not be a complete document or evaluation, but a foundation document that those things can be built from.

##### Loving

4. *To provide ideas and resources to local churches as they maintain connection with their students who are attending college.*

Using the expertise of our campus pastors, CBHECM members, and other connected persons we will begin to compile an ongoing list of manageable action items, accessible resources, and testimonies to share with local churches about college life and campus ministry. Items from this list will be shared on a periodic basis through online resources, primarily Conference and District newsletters. The purpose of this goal is to help local churches maintain or begin relationships with college students that are members of or affiliated with their congregation.

5. *To compile lists of vetted and used resources for small groups, Bible studies, worship, and outreach so that we are sharing and utilizing the experiences and insights of one another for our shared ministry.*

By continuing to have conversations at our CBHECM meetings we will share resources for all aspects of campus ministry that members have had personal experience with. The purpose of this goal is to help each other be responsible consumers and leaders as we seek out new resources for worship, outreach, and small group study. We want to make sure our campus ministries are using materials that are best for their context, theologically sound, and that someone else has had personal experience with that they can testify to. It is our hope to compile these resources into an ongoing list for our campus ministries and anyone else in our Conference working in some kind of young adult ministry.

I thank all the members of the Conference Board of Higher Education and Campus ministry for their faithful spirits, willing hearts, and dedication to their individual ministries and to this board. I pray and look for the discernment and motivation of the Holy Spirit as we continue in ministry and holding each other up in faith. I know that through this work we can proclaim the Gospel and change the lives of countless young people through the grace and love of Jesus Christ in our college communities.

In Joyful Service,

Rev. Bradley A. Schutt, Chair

### COMMUNICATIONS COMMISSION

The Communications Commission, in support of the Conference Vision: *Connected Christians offering the Hope of Jesus Christ in today's World*, and the Conference Mission: *Cultivating Communities through our CALL: Connecting, Acting, Leading and Loving*, endeavors to advance the Peninsula-Delaware Annual Conference by utilizing the most effective aspects of communicating between and among itself and the world.

The Communications Commission continues to help enable local congregations, our four Districts, and the Annual Conference to tell their stories of God's good work on the Peninsula-Delaware Conference. We continue to fine tune the Conference website to make accessing information in a more intuitive manner and contain more relevant information.

*Acting* to support local churches, the Commission continues to respond to and assist requests to connect to the outside world via the Internet by establishing modest, cost-effective websites. Most are small churches with limited budgets and unaware of what is involved (host provider, domain name, design software, etc.). Commission members met with folks at each of these churches and coached them through all the steps necessary to establish an inexpensive, simple, workable website and domain name. The Commission remains a resource committed to living out its part of our Conference Mission through *Connecting, Acting, Leading, and Loving*

*Acting* on another need within the Conference, the communications team set about creating identification tags for clergy. Needing to routinely make visits to homes, hospitals, care facilities, prisons, and public buildings on official business it was deemed necessary and appropriate to create and supply clergy with photo identification badges.

We also continue to address elements of our Strategic Plan with continuous refinements of the Conference website, standardization and easy access of needed forms, and making available workshops on best practices for creating flyers, newsletters, emails, etc.

*Connecting, Acting, and Leading in a Loving way*, the Commission's goal is enable an effective circle of communications among the Conference, districts, local churches, congregations, communities – thereby living out both *The Great Commission*, and our vision and mission.

## COMMISSION ON ARCHIVES & HISTORY

### **Mission Statement**

The mission of The Commission on Archives & History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Annual Conference, its churches, agencies, and antecedents.

### **Operation of Barratt's Chapel and Museum**

Every annual conference has a Commission on Archives and History, but ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 237th year, Barratt's Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784 Thomas Coke and Francis Asbury met at Barratt's Chapel and laid plans to organize American Methodists into a church independent of the Anglican Church. At this meeting the sacraments of baptism and communion were officially celebrated for the first time anywhere by ordained Methodist clergy, a symbolic declaration of independence. Therefore, Barratt's Chapel is appropriately called the "Independence Hall of American Methodism." In addition to the historic Chapel, the Commission on Archives and History also maintains the adjacent Museum building, which contains the archives of the Peninsula- Delaware Conference, a library on Methodist history, and displays on Delmarva Methodism. The Barratt's Chapel site also includes a reconstructed 18th century Vestry, which is used for a variety of small events.

The Commission on Archives and History of the Peninsula-Delaware Conference, under the leadership of President C. Russell McCabe and Vice President Shirley Jackson, meets semi-monthly at Barratt's Chapel or at other locations in the conference.

### **Conference Archives**

It is our responsibility by the Discipline (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all its antecedents including the Delaware Conference, which at its final meeting designated Barratt's Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference. The Archives are cataloged and housed in a fire- proof, climate-controlled section of the museum building. We maintain files for every charge in the Conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email and telephone requests. There is a library of approximately 3500 volumes on Methodist history.

Under the direction of the Curator/Conference Archivist, Barb Duffin, the archives and library catalogs have been transferred to PastPerfect, the standard software for museums and archives. Using an optional feature of PastPerfect, both catalogs are now available on the internet through a link on the Museum's web site.

We continue to offer digitization of local church records for preserving and making the materials easily available for researchers.

### **Chapel Usage**

Although Barratt's Chapel has not had an active membership since 1957 it remains a busy venue for worship and learning. We had approximately 2,000 visitors for tours, special services, confirmation classes, weddings, baptisms, funerals and research in 2017. We also had numerous research requests by letter, email and phone. We have several new volunteers who assist with digitizing records, collecting data from local churches, greeting and giving tours to visitors, making book boxes for rare and fragile books.

There were several special events held at Barratt's in 2017:

- Route 1, which runs in front of Barratt's, has been under major construction all year, making access to the site somewhat difficult. Because of this situation Commission on Archives and History did not hold Thursday evening services in the summer, and a number of weddings and other events were either canceled or never scheduled. There are plans to resume Thursday summer services in 2018.
- The confirmation classes from the churches of the Peninsula-Delaware Conference were invited to an event with Bishop Johnson in March.
- A Christmas Eve Communion Service was led by Bishop Peggy Johnson. The service brought in about 250 people many of whom had never visited the Chapel before. Carol Stevens provided deaf interpretation.
- On December 10, a service of Lessons and Carols was presented by a combined choir under the direction of Dr. James Wilson of Wesley College.
- On September 16, Bishop Johnson led a service celebrating the life of Bishop Felton May. At his request Bishop May was buried by the cemetery wall immediately in front of the Chapel.
- The Chapel and Museum are open every Wednesday from 10:00-2:00 and Saturday from 1:30-4:30 for visitors and researchers, as well as other times by appointments.

### **Outreach**

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator/Conference Archivist, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history. They are available to speak at worship services and other church events.

The Commission also recommended to annual conference that the University of Maryland Eastern Shore be recognized as a Conference Historic Site. Members of the Commission presented a plaque to the University as part of the Founders' Day celebration in September.

### **Peninsula-Delaware Conference Historical Society**

The Rev. Dr. Earle Baker is the president of the Historical Society.

### **Maintaining the Chapel, Museum and Vestry**

With a 237-year-old Chapel and two other building there are always maintenance issues. One major project this year was the addition of historically appropriate shutters to the Chapel. The Chapel originally had shutters which not only enhanced the appearance but also served to protect the glass windows and the interior of the Chapel during storms. This project was supported by a special solicitation to the Friends of Barratt's and by a \$10,000 grant from the General Commission on Archives and History.

### **Goals of the Commission on Archives and History**

- Following requirements of the Discipline, maintain a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed

- churches within its bounds, and make those materials accessible to researchers.
- Operate Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
  - Provide historical programs for confirmation classes and other groups.
  - Provide training and support for Local Church Historians.
  - Support the Peninsula-Delaware Conference Historical Society.
  - Recruit and train volunteers to assist with the historical and archival work at Barratt's Chapel and Museum.

C. Russell McCabe, President of the Commission on Archives and History

### DISABILITY MINISTRIES COMMITTEE

We seek to help the local church:

ENGAGE people with disabilities within our communities;  
EDUCATE congregations about what disabling conditions are and what they are not;  
EQUIP people – with and without disabilities – to work in ministry together and connect others to Christ;  
EMPOWER people with disabilities to become ministry leaders as we connect the community with Christ.

The year 2017 was a busy year for the Disability Ministries Committee. We again encouraged churches to observe a Disability Awareness Sunday on the Conference observance of the last Sunday in January. Of course, any church can focus on people with disabilities during worship at any time and any place.

For the first time since the inception of the disAbility Connection Award, there was no recipient. Churches of all sizes are encouraged to share what they have done RECENTLY (within past 12 months) to educate, engage, empower and equip others for ministry to and with people with disabilities in the local church and in the community. Applications are reviewed by clergy and laity and are due by the end of February/ beginning of March.

A one-day conference was scheduled for the spring of 2018. The Conference Workshop Day on March 3, 2018 at Cornerstone UMC, Bear, DE, of "Putting the Pieces Together for Effective Ministries to People with Disabilities" with Opening Session: "All About Autism" offered by Lori Bennett, with breakouts focused on mental illness issues, challenges of those who are hard of hearing, making connections in the community, and a basic Disability Ministries 101.

Additionally, to help grow the committee and increase its work in the local church, the position of COMMITTEE ON DISABILITY MINISTRIES MEMBER was added to the local church key leadership form presented at the fall charge conferences. We were pleased that, in this first year, we gained 8 more contact people across the conference to help further ministries with people with disabilities.

We are a small committee but do all that we can to encourage and show local churches of all sizes why they should engage in ministry to and with people with disabilities;

because every church can do something to answer the CALL to connect, act, lead and love with people with disabilities for they are found in every age, gender, culture, and corner of our world.

Rev. Rebecca Collison and Committee

### COMMITTEE ON NATIVE AMERICAN MINISTRIES – CoNAM

**Mission:** The mission of CoNAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within The Peninsula Delaware Annual Conference of the United Methodist Church.

#### **Section 1: Review of Ongoing Goals**

To participate in training events for clergy in the Annual Conference on ministry and issues related to Native Americans.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the Conference. Our CoNAM invites the two pastors from our Native American churches to be a part of our committee and encourages their presence and input at our meetings, as well as the Northeast Jurisdictional CoNAM annual meetings.

We continue to expand the ministry of CoNAM into other areas of the Peninsula-Delaware Conference. CoNAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as powwows and festivals.

We continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CoNAM. We make available to the local congregations resources, speakers, materials and ideas for having and conducting a service for this special offering Sunday. We are encouraging our CoNAM representatives in each church or charge to help design a Native American Ministries Sunday worship service. Materials for such are available through the Methodist connection.

To provide financial support for persons to attend Native American Family Camp, Peg-Leg Flamingos, youth leadership training, Native American lay speaking school and other Native American awareness training events and leadership opportunities. This is a major goal of CoNAM.

To continue to seek to identify other Native American/American Indian Tribal peoples and those with Native American/American Indian heritage, living within the boundaries of our Annual Conference. Many people have self-identified through CoNAM presentations in their church. We encourage our CoNAM representatives to help identify Native persons within their church or charge.

Our Annual Conference will continue to provide representatives from churches/charges to be a part of CoNAM. We shall continue to encourage District Superintendents to follow The Book of Discipline, where at charge conference a person will be named as representative to CoNAM. Once representatives are made known, CoNAM will have a gathering session to inform representatives of their responsibilities, bring awareness of CoNAM, its purpose and responsibility within our Annual Conference, and build relationships and partnerships with CoNAM representatives and their church or charge. Representatives are encouraged to attend CoNAM meetings. CoNAM representatives will be informed of meetings and special events through emails and the Conference web page.

## Section 2: Significant Events 2017

CoNAM Committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our Annual Conference and beyond.

**PENINSULA-DELAWARE ANNUAL CONFERENCE** – The focus of the 2016 Peninsula-Delaware Annual Conference was the culmination of many years of work to recognize the need for an **Act of Repentance** towards non-indigenous peoples in our Conference as well as around the world for acts that have occurred and continue to occur that are harmful to the welfare of indigenous peoples. This worship service, with the Reverend Thom White Wolf Fassett as keynote speaker, was held in June 2016. Tribal leaders from tribes living in our Conference were invited guests at this worship service. The Cabinet pledged to continue to lead our Conference on paths that lead to forgiveness, reconciliation and healing between all people. CoNAM has been working with the Conference Director of Connectional Ministries Rev Vicki Gordy Stith and others preparing for the Peace Tree Ceremony on April 22, 2018.

### **NURTURING WHOLENESS IN COMMUNITY LEVEL 1 & 2:**

CoNAM members have assumed leadership positions at these retreat experiences. As, CoNAM Leaders share history of Native people within the church, bringing awareness of ongoing historical trauma and unresolved grief experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and characterizing them in dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

**NDN STIXS:** This a group of children and youth that meet every Monday evening at the Nanticoke Indian Center to learn about positive behavior and relationships. The Nanticoke Indian Tribe and individuals of the community have encouraged us as a group, because we tend to focus on bettering our community by involving our children and youth in community events. Our hope is to allow children and youth from the community an outlet for their talents and energy. We accomplish this by doing crafts and teaching cultural traditions. While exercising we focus on being healthy, singing and spending quality time with them. We have started a once month cooking class. We want them to know that they have caring adults in their community and they will be there to support them in good times and difficult times. These experiences allow them to have someone present that they can turn to, along with their parents, when they feel they need support and guidance. It is our hope that they will benefit from the ongoing interaction. Our prayer circle helps put an emphasis on praises and needs in community.

NDN STIX had a vision for a Gathering Place Without Walls behind the Nanticoke Indian Center in Millsboro Delaware in the fall of 2017, and began raising \$5,000 in funds for its construction. We knew that the task before us would not be easy, but by the grace of God, and with much gratitude to the community, our vision will be completed by the summer of 2018. Within the Community and NDN STIX, the Gathering Place is being called the "Warriors' Circle".

**NATIVE WRITERS WORKSHOP:** This is an ongoing event sponsored by NACP (Native American Comprehensive Plan). This workshop focuses on Native adults and youth, writing works for worship services, poetry, and stories that can be used by Native and non-Native people. Works from the Native writers is available for use through the NACP and GBOD (General Board of Discipleship) websites. Writers from this group have been asked to write for other agencies or events. This gathering is vital to preparing Native people to express their voices through writing. Many adults and youth from our CoNAM and local Native communities have participated in this event. NACP is looking forward to publishing Voices II in the year 2019 with the writings gathered throughout the many years of the Native American Writer's Workshop.

**MOCCASINS ROCK:** Tennessee Annual Conference CoNAM invites Pen-Del CoNAM Leadership to help plan and participate as workshop leaders for this annual event, held at Camp Benson, Tennessee. Many Native leaders from many conferences across the

Methodist connection are part of this event. This event is open to Native and non-Native people of all ages. The focus of this event is to bring awareness of the Native culture and to educate participants about current Native issues. Participants experience traditional Native stories, lectures, talking circles, workshops, Native crafts, traditional drum and flute music, traditional tribal dances and open mic evenings to share their gifts and talents. Personal stories from participants have expressed life changing experiences from this week end. Being in leadership for this event has led to invitations for Pen-Del CoNAM to be workshop leader and speakers in other annual conferences across our Methodist connection.

**NATIVE AMERICAN FAMILY CAMP: NAIC (Native American International Caucus)**

RagghiRain Calentine is chairperson of family camp. This event is open to Native families across the Methodist connection with emphasis on education, experiencing the tribal people who live in the area where the camp is held, workshops on current Native issues, activities for all age groups and fun. This gathering is an opportunity for Native peoples to come together in fellowship and support of one another. This event is crucially important to the Native traditional concept of community and extended community.

Native American Family Camp was held in Gore, Oklahoma in July 2017. We were blessed to have Reverend Homer Noley with us during camp. He is a member of the Choctaw Nation and the founder of the National United Methodist Native American Center. A special honoring of his life work was held for him during Family Camp this year.

**NATIVE AMERICAN MINISTRY SUNDAY CELEBRATIONS:** Many of our Committee members have taken part in churches throughout our conference and other conferences celebrating this special Sunday. We *thank* the churches for their invitations, contributions and dedication to the ministry of CoNAM.

**NANTICOKE TRIBAL DANCE TROUPE:** CoNAM members and many of the NDN STIXS are members of this dance troupe and share stories, music, traditional dancing and cultural traditions at various events throughout the Northeast.

**EASTERN PENNSYLVANIA ANNUAL CONFERENCE:** Our CoNAM and EPA CoNAM are in partnership and support of each other. Many of our CoNAM members have traveled to churches in EPA area to share in Native American Ministry Sunday services and participated in their annual conference

**UNITY RUN:** Running has always been an important part of life for Native People, not only for hunting but for carrying messages to other villages. Running has deep roots in spiritual traditions for Native people, it keeps us healthy and in balance with the world around us. More importantly, it promotes a spiritual connectedness with the Creator God. The Unity Run will encourage each of us to remember our rich heritage and take pride in each's gifts. Runners will offer prayers as they sacrifice their bodies, energy and time in making this journey for family, friends and community.

We are still here and will continue to be here for all future generations. Three years ago a one year grant was acquired from GBGM (General Board of Global Ministries) to fund a Unity Run, an event to unite three federation tribes, two of Delaware and one from New Jersey. Unity Run committee meets every month, plans and implements activities for the three communities.

Family Fit and Fun and language class, Elders stories, Easter egg hunt, Shawl project, Prayer Beads and their history, Language of the Trade Blanket, Swing Set project, Water Fun Day were among some of the 2017 events.

Due to extreme weather in October, the 2016 Annual Unity Run was cancelled. Instead, an indoor Unity Run Family Fit and Fun Day was rescheduled for January 30<sup>th</sup> at the Nanticoke Indian Center which was a great success. The 4th annual run took place again in October 2017.

**PEG-LEG FLAMINGOS:** Peg-Leg Flamingos grew out of the 2011 gathering of Native American Youth. The youth envisioned a new symbol that is fun but reflects the challenges of the 21st Century. What would be more challenging than being a flamingo with a peg-leg? From that humorous question, we realized that flamingos are a threatened species. They survive by living as a community. We too can. They share in the raising of their young as we do. Healthy flamingos getting proper nourishment are a wondrous pink, but unhealthy flamingos' feathers turn pale. If we stay in an unhealthy group, we become like them. In a world out of balance, flamingos stand on one leg and fly above threats. As future leaders we learn to not give up, to stand and rise above challenges! Flamingos are all of the colors of the Medicine Wheel; yellow, red (pink), black and white for they are connected to the earth. We are like them. We are strong, balanced and connected in community with Creator God. We are threatened, but we will survive! During the Peg-Leg Flamingos gathering this year, they traveled to the North Dakota and experienced the protests held to stop the Dakota Access pipeline to cross Native American lands. There the youth gained understanding of a piece of their history and the challenges they will face as they work towards becoming leaders. Our hope and prayers are that each and every one who has walked this path understands the important part they are in God's encircling world. We are the Peg-Leg Flamingos. Peg-Leg Flamingos are truly blessed with the support and prayers of Bishop Peggy Johnson, and for this we give thanks to her.

In May 2018, Peg-Leg Flamingos was held in West River, Maryland within the boundaries of the Baltimore-Washington Conference. Along with the core teachings, the focus will be on traditional teachings concerning Water. The Pen-Del Conference CoNAM helps fund the Conference.

### **Section 3: Committee member's participation in other vital General Church ministries:**

**NAIC:** Native American International Caucus. Ragghi Calentine and Kayleigh Vickers (Nanticoke Tribal young adult) are Representatives to this General Church caucus. They attended the General Conference in Portland in May 2016.

**NACP:** Native American Comprehensive Plan. Ragghi Calentine, Deb McNatt (youth) and Kayleigh Vickers (Nanticoke young adult), are representatives for this quadrennial.

**NEJCONAM:** Northeastern Jurisdictional Committee on Native American Ministries. This is an annual event and our representatives this year to the Conference in Maine were Rev. Jennifer Kerby and Ragghi Rain Calentine.

**STANDING ROCK DAPL:** Members of CoNAM and other concerned constituents participated in a rally in Dover to protest the continued construction of the Dakota Access Pipeline across Native American lands and beneath the Missouri River, as its presence would be detrimental to both the sacred grounds of the Standing Rock people and to the resources given to us by the Creator God.

### **Section 4: Goals for 2018**

CoNAM shall continue to make our voices and presence known within our Conference and beyond, being a pathway to awareness and education. We shall continue to bring awareness of historical trauma and unresolved grief and how the continuance of racism prevents reconciliation and the healing process of Native people.

It is the goal of CoNAM to have an annual representative training event. This event is to offer opportunities for representatives to learn of CoNAM ministries and ways in which they and their churches and charges can participate in a Native American Ministry Sunday worship service and learn of Native culture and traditions. Representatives are also invited to attend CoNAM Meetings to learn of Native American issues, traditions and culture. A training is scheduled to be held (at this writing), on May 12, 2018, at the Nanticoke Indian Center.

CoNAM will continue to encourage our Conference to fill the position of CoNAM representative in each church or charge. In turn, CoNAM will invite and encourage all representatives to attend all events held throughout the Conference, both sponsored by CoNAM, and otherwise, that will further their understanding of Native American issues, traditions and culture.

CoNAM will plan events for committee members, representatives and communities that bring awareness of Native peoples, and will be held throughout the Conference.

CoNAM will continue the journey with our Bishop and Conference leadership to follow up the pledge made at the 2016 Annual Conference during the Act of Repentance in order to continue on paths that lead to forgiveness, reconciliation and healing.

CoNAM wishes to *thank* all those that have invited CoNAM to be a part of their Native American Ministries Sunday worship services, gatherings and events. We look towards many more invitations. We appreciate all the financial support that our churches and charges have given us so we might continue our ministry.

In His Service,  
Ragghi Calentine, Chair

**PETER D. WEAVER CONGO PARTNERSHIP**  
**2018 Conference Report for 2017**

*"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." Isaiah 43:18-19*

Our hearts are filled with joy as we thank the Peninsula-Delaware Conference for your prayers and financial support of our Partnership throughout 2017. Throughout this year, we have seen children become healthier with the addition of a nutritious meal each day, and many medical centers continue to receive medications that save lives. We have witnessed an entire village grow in confidence because our agricultural program has given them a hope of a future they never dreamed of. We have heard the laughter of women and children as they hold their jugs under the pump to see it fill with fresh water through our fresh water well projects. All of this is made possible through your prayers and financial gifts. It is hard to put into words the gratitude and thankfulness we feel about the love that is given to these projects.

**Mpasa Medical & Nutrition Center**

2017 overflowed with blessings for the people of Mpasa, an area that historically has been home for millions of refugees from Angola, Sudan, and East Congo. The long-awaited pediatric building was completed and dedicated in June 2017. The new building provides significantly improved conditions for safe patient care, especially in clean and well-furnished operating rooms. The operating rooms now include cabinetry for storage of the new surgical instruments, sterile supplies and medications. Additionally, the Partnership purchased specialized equipment for improved quality, such as an incubator for newborns, an ultrasound machine and a suction machine for surgery. Now that the medical center has two new solar powered refrigerators, the government has committed to stock them with blood for transfusions. The absence of blood products has contributed to deaths from hemorrhage during surgery and childbirth in the past. Also, a room designated for children allows for sequestering from adults with communicable diseases. An improved laboratory also has improved the provision for accurate and quality diagnostics. The third phase of the project included the installation of solar power. The medical center now experiences electricity twenty-four hours a day for the first time!

The Partnership imparts deep gratitude for the beneficence of the South (previously Southeast) District of the Eastern PA Conference and many from the Peninsula-Delaware Conference. Praise God for generosity from so many churches!

Due to improved conditions, the government now recognizes the Mpsa Medical and Nutrition Center as an upgraded facility which qualifies it to function as a vaccination center, and family planning center. Several non-governmental organizations (NGO's) have also offered their services and resources to the medical center, such as Handicapped International who assist the physically disabled, especially children. Upon completion of the new pediatric building and renovation of existing facilities, an artist painted numerous portrayals of scripture passages to visually proclaim the Gospel.

Mpsa continues to provide a nutritious meal, vitamins, vaccinations, and medical care for 300 children 5 days weekly before school so they are prepared for their studies. We observe the health and strength of the children in this program with such joy. There is also a program for severely malnourished children providing food 7 days week and a program for elderly men and women where they are given food to take home and cook to provide for themselves and their families. This not only assists their health, but also their self-esteem enabling them to provide for their families. A New Life Skills program will replace the sewing program offering training in skills such as sewing, soap making, tie-dying fabric, and financial training so the mothers of the program can begin a business and become self-sustaining. Once able to provide for their families, it will allow other children to participate in the nutrition program moving slowly towards self-sustainability.

#### **Miriam's Table Nutritional Program**

Miriam's Table was established in 2014, located in the area of the Mpsa Region where the "poorest of the poor" live. Never had the people of this community been serviced with either nutritional or medical needs.

Miriam's Table has installed a cistern and gutters to collect rain water to be used for hand washing and cleaning. Access to clean water requires a difficult trek up a steep slope to a well about half a kilometer away. The work of the Rehoboth Beach Sunrise Rotary Club and the Kinshasa-Kingabwa Rotary Club have joined forces with Rotary International to complete a large project that includes the first fresh water well in the community, sanitation and erosion needs.

"And then there was light!" Solar panels were installed on the roof giving light to both the inside and outside area around the building.

An artist was hired to paint beautiful panels of scripture throughout the inside of the building. So, when the children are eating or there for worship, they are surrounded by the Word of God.

The United Methodist congregation that began in the fall of 2016, continues to grow serving many of the families whose children are fed daily there.

#### **Diengenga Projects**

In the center of Congo is a small United Methodist Mission station called Diengenga. Initially started by pioneer missionaries, this mission has become a center for education, medical care, and now agriculture. All leadership in the Partnership Projects is Congolese with the Partnership assisting with training, resources, support, and accountability.

The **Jack & Renie Miner Trade School** provides vocational training in mechanics, engineering, carpentry, construction, masonry, electrical work, and now with the farm, agriculture and veterinary services. The Trade school works cooperatively with the farm as a site for training and provides mechanical services for the farm vehicle and other equipment to provide training opportunities. The Trade School computer class provides maintenance and support a Computer Lab provided for all secondary schools in Diengenga by the Partnership. Because the Trade has one of the few generators in the village, they can recharge the laptops for use by all students. All computers used in the

Cataract Mission were donated to the computer lab, so students now have a place to learn computer skills which is critical for those who pursue additional education.

The **Diengenga Primary School** suffered from total demolition during a storm in March 2016. Through the support of UMCOR, the Partnership working with Jonathan & Donna Baker, our Congo missionaries, were able to get grants to rebuild the primary school. Local contractors continue to complete the building. We are praying that the school will invite the children soon who currently meet in a thatch roofed building that will be demolished when the new building has been inhabited.

The **Cape Lodja Farm** in Diengenga has become a model farm for central Congo. Through animal traction, the farm continues to increase the amount of land it can cultivate and harvest providing food for the malnourished as well as jobs as it moves towards becoming more self-sustaining. Four fish ponds provide a good yield and new crops provided a market for the farm: rice, corn, soy beans, maniac, bananas, 4500 pineapple plants, four varieties of beans, and many new vegetables are now yielding fruit. The fresh water well located on the farm enables the planting of a large vegetable garden year round. In the past, because of the dry seasons, they were only able to plant and harvest 6 months yearly. It also helps greatly serve the growing animal population: cows, goats, chickens, pigs, and sheep.

A special blessing in 2017 was the donation of 2 new grain grinders by Kent Island U.M. Church. Previously, the farm had to take all their grain (rice, soy, maniac and corn) to Lodja, village 12 kilometers away. This saves much time and expense. The farm is also providing grinder service for residents as they also had to previously WALK with their grain many miles. This provides an income for the farm and employment opportunity as the farm continues to move towards self-sustainability.

**Fresh Water in Sankuru** – The Sankuru Province is approximately 16 times the size of Delaware with 1.8 million people and the heart of Methodism in the Central Congo Episcopal Area. With the river previously providing the only source of water, the people suffer from water-related disease, the 2<sup>nd</sup> leading cause of death in Congo. After completing the first well in Diengenga in 2015, representatives from UMCOR, along with the Bakers, completed an assessment of the Sankuru region in central Congo where many U.M. Mission stations are located; including schools, universities, and medical facilities. In response to this critical need, the Partnership set a goal to dig at least 1 fresh water well yearly but the funding for wells has far exceeded this goal through the generosity of churches in Florida, Texas, Peninsula-Delaware, Eastern Pennsylvania and across the U.M. Connection. Six new wells were drilled in Wembo Nyama and nearby Tshumbe and others are being planned for this year. Praise God for the generosity of many churches and persons helping this become a reality. The Director of the Medical Center in Diengenga reported NO deaths or serious illness in 2017 from river-related diseases after years of experiencing numerous deaths and illness! Praise God! No water, no life! You are literally providing life for the Congolese in central Congo.

**Cataract Mission** – The planned Cataract Surgery Mission for July 2016 had to be postponed due to the Congolese government's change in the visa application process, extending it from 3-5 days to 3-4 months. Also, with many delays in the shipping and customs warehouse, the donated medications from Alcon Pharmaceuticals did not arrive in Diengenga until August and September.

In July 2017, the mission took place in Diengenga with a team of Congolese clinicians, partnering with the Bakers. Surgeons, an anesthetist and ophthalmology nurses from Kinshasa and Kananga joined together to provide ophthalmology care for over 2000 patients. Generous donations from multiple churches and individuals enabled this mission to be conducted. God is good, and we are so grateful that the mission brought such blessings, including the restoration of sight for approximately 160 who were nearly or totally blind. The dream of making eye care in central Congo sustainable through the Congolese medical staff has not wavered and the Bakers continue to plan with the Congolese Bishop Lunge to move forward.

### **Children's Ministry**

As the good news spreads about our Children's Ministry program in Wembo Nyama, our director, Josephine Akambo Ecco, continues to train new teachers to share the Gospel with more and more village children surrounding Wembo Nyama. There are currently 43 groups with approximately 6,000 children in the program. She keeps excellent records sending reports of the growing numbers of children who are finding Jesus through this ministry.

A special blessing in 2017 was to witness the program expand to other villages in the Central Congo Annual Conference. After pastors and laity saw the impact of the program on the children, their families, and the local churches, many returned to their villages to launch a similar program. Director Josephine is providing training for leadership in various areas throughout the Conference.

The Children's Ministry also has its own outreach to orphaned children. They seek to locate orphaned children into other homes and, through various fund-raising activities, find ways to help fund their education. It is amazing to see this program blossom. A training for all the volunteer teachers and assistance will be held in February 2018, when Rev. David Ryan travels to Wembo Nyama to assist them.

### **Welcoming Bishop Daniel Lunge**

In March 2017, Bishop Daniel Lunge was elected as Bishop and assigned to the Central Congo Episcopal Area to succeed Bishop David Yemba who retired. The Partnership is indebted to Bishop Yemba for his support and encouragement throughout his service as Bishop. In fall 2017 the Partnership was pleased to welcome Bishop Lunge and Mission Coordinator, Dr. Adolphe Yamba Yamba, to the United States. This provided Bishop Lunge an opportunity to speak in each Conference and meet with key leadership to share his priorities for the Central Congo Episcopal Area for the next several years. A meeting with all Partners was held at Lake Junaluska, North Carolina to set goals for the future. We covet your prayers for Bishop Lunge and his family, as their challenges are great, and the Partnership as it works together with the Congolese Church to meet these challenges.

### **The Future**

The work of the Partnership continues to grow and be blessed by God and through generous donations of churches and individuals, businesses and organizations with hearts for mission. Each and every donation is celebrated. Whether we are buying a chicken or drilling a well-it is your gifts that make a dream into reality. We look to God for continued guidance for this ministry in 2018. Because of the Partnership, there is hope within a people who once could think only about daily survival, but now plan for their future.

### **HISPANIC-LATINO MINISTRY COORDINATION**

The coordination of Hispanic-Latino Ministry (HLM) in Pen-Del has focused on three main areas: Congregational Development, Leadership Development, and Advocacy. The connectivity of the UMC has been instrumental to keep moving towards that direction.

Pen-Del Conference and national agencies like the National Plan of Hispanic Latino Ministry, as part of the General Board of Global Mission, continue seeking to identify new spaces and new communities of faith. For example, La Caminante Metodista Unida (The United Methodist Walker) is a faith community located at Wesley UMC in Dover, DE. People get together on Wednesday night for supper to then enter into a time of prayer, Bible study, and action. This is a service meant to be in Spanish and open to be bilingual when needed.

As consequence, La Caminante established relationships with the Dreamers from Delaware State University. Once a month, forty to seventy eight students join in the preparation of a Dinner Night at Grace Fellowship Hall at Wesley UMC. We are able to

share our struggles and joys. We thank God for the meal prepared by the students, and lastly we all participate in a short message of liberation, community building, and hope. Dreamers are teaching us the resilient spirit of God.

Besides strengthening bonds with schools and other non-profit organizations like Delaware Association for Community Advance (DelAca), Pen-Del Hispanic-Latino Ministry, in conjunction with The Methodist Action Program, has helped to organize and sponsor three trips to Washington D.C. (Dec. 6<sup>th</sup> 2017, Jan. 19, Feb. 10<sup>th</sup>-11<sup>th</sup>) to protest, advocate, and Lobby on behalf of the migrant and refugee communities. As a response to the struggles manifested in our society, the HLM partnered with the General Board of Church and Society (GBCS) to provide training on social justice matters such global migration.

Through GBCS guidance, we were able to form the Conference Rapid Response Team (Pen-Del RRT), which counts on 27 people (14 churches, 15 clergy, 8 laypeople, and 4 community organizers). We are connected with the National RRT trying to embody a church that walks with and cares for our refugee and migrant sisters and brothers. Both, young and adults are getting involved in values and skills learned inside the church to now practice them in the public arena by going to cities to teach, proclaiming the good news, and curing every disease of injustice. Lastly, HLM has been welcomed to add a chapter in the Nurturing Wholeness in Community retreat that takes place at least twice a year at Camp Pecometh to prepare the current leadership of the church.

Lastly, the Hispanic-Latino Task Force in our Conference has been dissolved with the purpose of building a renewed team. We are hoping to continue identifying leaders interested in connecting with the communities, congregations, and advocacy movements. If you want to learn more or have questions, feel free to contact me at carlospendel@gmail.com.

### TOUCHED BY THE HEART OF SALISBURY URBAN MINISTRIES – 2018

Salisbury Urban Ministries (SUM) began in 1992 and is governed by eight United Methodist Covenant Churches: Asbury, Bethesda, Christ, Grace, Korean, St. Andrews, Trinity, and Wesley Temple.

SUM's Mission is to develop and implement programs that serve and minister to the needs of materially impoverished individuals. Our programs assist residents of Wicomico, Somerset, and Worcester counties. With the support of our dedicated staff and volunteers, we offer five outreach programs.

Our programs include:

- **God's Kitchen:** This community outreach program, hosted by Grace UMC, addresses the need for meals and health services for homeless and impoverished people. Forty-eight organizations take turns serving approximately 225 meals each Saturday. Health services are provided by HOPE.
- **Kid's Café:** This after-school and summer program provides a safe learning environment for "at-risk" children living in the Church Street neighborhood, a high crime and high poverty area. The children receive a meal each program day, homework assistance, and supplemental food during school breaks. The children participate in community activities, go on fieldtrips, and enjoy the YMCA summer day camp. The program is open four days a week year round, with an enrollment of 14 elementary school age children. In 2017, thirty-nine volunteers served 661 hours assisting the program staff.
- **Lazarus Food Pantry & Prescription Assistance Program:** This program provides assistance to the economically deprived residents in Wicomico, Somerset, and Worcester counties. Wicomico County residents may receive food

from the pantry once each calendar month. The pantry served 1,049 individuals for a total of 2,028 visits in 2017. Volunteers donated 1,497 hours interviewing clients, inventorying and bagging food, and assisting with monthly reporting. The pantry is open on Tuesdays and Thursdays. The program also offers prescription assistance to residents in Wicomico, Somerset, and Worcester counties. The prescription assistance program assisted with 694 prescriptions. A new partnership between SUM, Peninsula Regional Medical Center, and Chesapeake Health Care now offers dental assistance to limited-income individuals.

- **Men's Welcome Center:** The center is open on Saturdays and offers homeless men the opportunity to take showers, do laundry, get a haircut, and fellowship with volunteers. The men receive warm clothing, snacks, and health referrals to local agencies. Through the Patrick D. Marvel Winter Survival Project, twenty-eight homeless men received a winter coat, water-proof boots, a sleeping bag, and a tent to aid them through the winter months. The center is a combined effort of the Covenant Churches and Joshua House Ministries. Twenty-seven men volunteered 345 hours assisting with the management of the center.
- **Facility Update:** Several improvements were made during the past year. Anderson Fence donated a chain-link fence; Bethesda UMC assisted with the purchase of new washers and dryers for the Men's Welcome Center; and, through the Delmarva Energy Savings Program, SUM received commercial-grade, Energy-Star freezers and refrigerator. The energy savings program also provided energy-efficient lighting fixtures for both inside and outside of the SUM building.

Through the on-going support of the Peninsula-Delaware Conference, our Covenant Churches, foundation grants, individual donors, area churches, local businesses, and civic groups, SUM continues to reach out to the people God has called us to serve.

### AFRICA UNIVERSITY REPORT

2017 marked the 25<sup>th</sup> anniversary of the opening of Africa University. With that summer's graduating class, over 8000 students will have received degrees from Africa University, mostly due to scholarships provided by people like you. While I don't have a count of exactly how many students attended AU under scholarships funded by our Annual Conference, there are 2-3 students receiving financial aid every year from the \$362,000+ in endowed funds we have provided. Our funds are dedicated to students, who upon graduation, potentially will return home and help work for and support our Partnership in the Democratic Republic of Congo.

Along with scholarships, you support Africa University with your apportionments. In 2017, Peninsula-Delaware continued their unbroken streak of paying 100% of our AU apportionments.

Several years ago, the Africa University Development Committee, of which I am a member, realized that to have a world-class university, you need a world-class endowment fund to support it. We set a goal of doubling the endowment fund at the time, meaning the need to raise \$50,000,000 dollars. Over the past three years, select individuals and groups were approached and so far, over \$35,000,000 has been raised or pledged. As part of the 25<sup>th</sup> Anniversary, this endowment effort is being opened to all members of the United Methodist Church. Information is available on the Conference website under Ministries/Missions/Africa University. You can also give me you contact information to send to the AU office to get information on how thru gifts or estate plans you can support Africa University.

You can now support Africa University when you shop on Amazon.Com. Select AU as your charity of choice under the Amazon Smile program. AU would earn a nickel for every \$10 you spend (at no cost to you!).

Your church can support both this effort and the need to add funds to the Pen-Del endowment at Africa University by receiving an offering on AU Sunday each November. AU Sunday has been adding \$8-10,000 annually to our Endowed Funds. Africa is the home for over 35% of all United Methodist. Let's help train the next generation of leaders they need.

For more information on Africa University, visit the AU page on the Conference website or email Kevin Goodwin at [missionsczar@aol.com](mailto:missionsczar@aol.com).

Thank you for your continued support of Africa University!

## CONFERENCE BOARD OF ORDAINED MINISTRY

*The Peninsula-Delaware Annual Conference Board of Ordained Ministry exists to recruit, develop & credential healthy ministry leaders to be deployed by the Bishop and Cabinet to lead innovative and vibrant ministries.*

The Peninsula-Delaware Annual Conference Board of Ordained Ministry has had an exciting and eventful year in 2017-18. In many ways, we have sought to be a ministry team that supports our Annual Conference's mission statement: Cultivating Communities through our CALL: Connecting, Acting, Leading and Loving.

### Connecting

We are a Board that represents the whole of our annual conference while resourcing our annual conference with spiritual leaders who have the gifts and graces for the unique ministry setting of our great region. We have built relationship across the conference and district lines. We have sought to connect to each of the four District Committees on Ministry and included each of the four chairpersons of the District Committees on Ministry to our full Board. We believe our enlistment and recruitment efforts have been a way to connect with the seminarians of our conference. The enlistment and recruitment team has been hard at work encouraging potential ministry leaders to wrestle with the call to ordained ministry in their lives. In the 2017 calendar year, we were able to pay \$63,433 of Ministerial Education funds to assist certified candidates working on their college and seminary degrees, local pastors attending course of study and candidates attending local pastor licensing school. We have sought to visit the seminaries in our region to promote our annual conference as a great place for seminarians to find a home within the bounds of our conference to serve the Lord. We have used these visits to connect with and encourage seminarians from our annual conference.

### Acting

I believe we have acted to cultivate communities through our moving our passion for developing leaders in our churches. We continue to commit ourselves to maintain a standard of excellence in the clergy and spiritual leaders of our conference. This is not always a difficult task. It requires holding our peers accountable to the vows they have taken while preparing others to take those vows. Acting for our Board continued in the form of peer learning groups on each district where inquiring candidates sought to confirm their calling. The focus on group journeying together continued with our Residence in Ministry program for our provisional candidates.

### Leading

At the 2017 Annual Conference we presented one full member elder, one associate member and four provisional elders to be ordained.

The Supervision committee has strived to work with all of our provisional candidates who have questions and concerns regarding the next stages of their interview process. We successfully held our fourth Local Pastor's Licensing School within the bounds of our Annual Conference.

We sought to be a body that embraced the 2016 Northeast Jurisdictional Conference's Call to Action. We are constantly monitoring how there may be racial bias in our ordination process. Our Board has participated in Intercultural Competency training.

### Loving

The Conference Relations Committee has been busy caring for our colleagues in transition through retirement and leaves of absence.

The Chair and Co Vice-Chairs along with 2 District Superintendents attended a 3 day seminar in Orlando put on by the General Board of Higher Education and Ministry. This seminar helped us to begin to develop an 8 year Assessment process of clergy per 2016 Book of Discipline paragraph 349.3.

I am grateful for this Board full of gifted and caring individuals who serve our conference through countless hours of reading papers, interviewing, mentoring, shepherding and

holding leaders accountable. It is a job with work behind the scenes but very important work within the life of our Annual Conference. I am grateful to our Executive Board and our officers for rolling up their sleeves and tackling the hard work. I also give thanks and praise to our Cabinet and Bishop Johnson for their assistance, prayers and mentoring.

Rev. Rob Townsend, Chairperson

### C.A.R.E. TEAM

The acronym C.A.R.E. for the Peninsula-Delaware Conference Sexual Ethics Team stands for Care-Advocacy-Response-Education/Empowerment. In previous years, the emphasis has been more on the "E". We are very proud of the dedication of our Team and the quality of the training that has been brought to the Conference.

We are pleased to have added many new members this year and have been restructured to become more of a "Response" Team. As such, The Board of Ordained Ministry will assume the responsibility for training beginning mid-2018. Certainly the plan is to continue providing two Sexual Ethics/Boundary trainings per year.

On Saturday, February 24, 2018, Rev. Joy Melton conducted a workshop on "Safe Sanctuaries in a Virtual World" which provided the churches much-needed valuable information on boundaries, bullying, church security, etc. The Team was encouraged with the number of persons (85) who attended and their active participation. CEU certificates of attendance are always provided.

Additionally, Rev. Joy Melton will be returning to the Peninsula-Delaware Conference on April 21, 2018 to provide "Response" training for the C.A.R.E. Team and the Cabinet.

The National Sexual Ethics "Do No Harm" Conference will be held on October 11-13, 2018 in San Antonio, Texas. This is an intensive train-the-trainer conference, which offers four separate tracks of training designed for prevention of and response to sexual misconduct within the Church.

Each District has a Safe Sanctuary representative or has otherwise made provisions for Safe Sanctuary training to be given to their local churches. As both clergy and lay leaders change frequently, there is a need for continuous training.

"Do no harm, do good, and stay in love with God."

Rev. Alice Johnson Ervin, Chair  
C.A.R.E. Team

### BOARD OF LAY MINISTRIES

The purpose of the conference board of laity is as follows:

- To foster an awareness of the role of the laity both . . .
- To develop and promote programs to cultivate an adequate understanding of the theological and biblical basis for lay life and work among the members of the churches of the annual conference.
- To develop and promote stewardship of time, talent, and possessions . . .
- To provide for the training of lay members of annual conference.
- To provide support and direction for the ministry of the laity . . .
- Promote the observance of Laity Sunday.
- To provide organization, direction, and support for the development of local church leaders.

The ministry of the laity flows from a commitment to Christ's outreaching love. Lay members of the United Methodist Church are, by history and calling, active advocates of the gospel of Jesus Christ. Every layperson is called to carry out the Great Commission

(Matthew 28:18-20); every layperson is called to be missional. The witness of the laity, their Christ-like examples of everyday living as well as the sharing of their own faith experiences of the gospel, is the primary evangelistic ministry through which all people will come to know Christ and The United Methodist Church will fulfill its mission. (2016 *Book of Discipline* paragraph 127)

The four districts of our annual conference held leadership training classes to give direction and support for the development of the new local church leaders as well as a refresher for those already in leadership roles.

Our district directors of lay servants and their committees have worked faithfully to offer outstanding classes on each district. These classes offer an understanding of the theological and biblical basis for lay life and work among our annual conference. It has helped them use this knowledge in the homes, workplace and communities, and world in achieving the mission of the church. Two or more academies are held on each district with many completing the basic and advanced courses. We are pleased that so many return each time when an academy is offered. We are also *thankful* for the many instructors that have helped in providing these various classes on each district.

Certified Lay Ministers are under the umbrella of the Board of Lay Ministries under the direction of Brenda Tildon. A certified lay minister is a certified lay servant, certified lay missionary, who is called and equipped to conduct public worship, care for the congregation, assist in program leadership, develop new and existing faith communities, preach the Word, lead small groups, or establish community ministries as a part of a ministry team with the supervision and support of a clergy person. A certified lay minister is assigned by a district superintendent in accordance with 2016 Book of Discipline. We have Certified Lay Ministers in order to enhance the quality of ministry much like a class leader did in early Methodism through service in the local church, circuit, or cooperative parish. Expand team ministry in other churches or charges. Use spiritual gifts as evidence of God's grace, as with lay ministry in early Methodism. Consider becoming a Certified Lay Minister and experience what it is like to be faithfully alive to the possibilities of leading the mission and ministry of a church today as part of a ministry team. Talk with your pastor or district superintendent to explore this process.

We continue to have our Annual Conference Laity/Clergy Banquet. The banquet was held at the Whatcoat UMC, Harvest House, Dover, DE, on May 5, 2018. We were honored to welcome into the 2018 Order of St. Barnabas 3 individuals and 4 organizations. These persons were nominated by members of their local congregations for their sharing of their talent, time, treasures and their target prayers. We thank God for that special time of gathering as we honored Carson Farmer – Centennial UMC, George W. Reynolds Sr. – Baldwin UMC, Harry (Buddy) Bratton – Penial UMC, Metropolitan-Zion Ministries – Federalburg-Denton Charge, Koinonia Fellowship Group – Richardson Park UMC, The Back Home Ministry – St. Andrews UMC and the H.U.G.G.S Ministry – Whatcoat UMC, Dover.

Laity Session 2018 was held on May 31, 2018 at UMES, Princess Anne, MD. Our guest teacher was Rev. Turhan L. Potter, Sr., New UMC who led our leadership training on "Shifting Gears". It was well received by the laity. We also had information shared by Rev. Dr. Rick Vance, Director of the Center for Men's Ministry at the General Commission on United Methodist Men from Nashville, TN. Highlighted was our UMW's Purpose and the Assembly celebrating 150 years of mission work with women, children, and youth around the world by Debbie O'Neal, Conference President. We were pleased to have with us Ms. Jalen Lawson, our Black College Fund Ambassador, a 2016 graduate of Bennett College. She is a life time member of The United Methodist Church. Her favorite quote "I'd rather do what is right instead of what is popular."

#### **UNITED METHODIST MEN**

**"Every Man Shares in Evangelism, Mission, and Spiritual Life"**

#### **The Purpose:**

The purpose of the United Methodist Men shall be creative, supportive fellowship of men who seek to know Jesus Christ, to grow spiritually, and to seek daily His will. Our primary purpose is to declare the centrality of Christ in the lives of men and in all of their relationships.

#### **The Mission:**

1. to support individual and group strategies through the foundation of United Methodist Men's ministry
2. to provide support services to promote the ministry and growth of United Methodist Men
3. to provide resources that assist men in their growing relationship with the Lord Jesus Christ and His church
4. to provide resources and support for the Office of Civic Youth-Serving Agencies/Scouting Ministries

#### **Our Action:**

In May we held our annual gathering. This year it was again hosted by the UMM of St. Mark's UMC in Easton, MD. Our theme was "Discipleship" and our program was led by Rev. Amy Yarnall. Following up Amy's presentation was a way for the men and their churches to do discipleship. This part of the program was led by Richard Johnson, Director of Southern Service Group – Boy Scouts of America, Del-Mar-Va Council. A lot of the men were not aware that United Methodist Men have responsibility for scouting in the United Methodist Church. The UMC has more scouting units in the United States than any other organization.

In September we held our 60th annual retreat at Pecometh Camp & Retreat Ministries. Our theme was "Discipleship / Evangelism". This was a one day event where we brought men together in worship, fellowship and music. Our program was led by Rev. William Ross who made this a very interactive program and really got the men involved. With Rev. Ross we discussed "What is Evangelism?", "What is the purpose of Evangelism?", "What is an Evangelist?", "What does the statement preach the Gospel mean?", and "How do we want to do evangelism as men in the UMC or our home church?"

Our music was provided by the men's choir from New Beginnings UMC and Phil Davis from Nelson UMC. Joe Sipos gave a presentation on the importance of UMM Charters and EMS.

Our attendance at this event has been decreasing over the last several years. We have changed our program topics, used outside & local resources as leaders, and have changed our event from a day and a half to one day. We are open for suggestions as to what we need to do to get **you men** to come and have fellowship with us?

During the last year several of the executive committee members have visited churches (at the request of their pastors) to help form men's groups. This is an increasing trend which we hope and pray continues into the future.

In Nashville, TN at the National Association of Conference Presidents we received for the Peninsula-Delaware Annual Conference 1) a Certificate of Achievement for attaining an increase in total number of Charters for 2017; 2) a Certificate of Achievement for attaining an increase in total number of Every Man Shares Members for 2017; and 3) a Certificate of Achievement in recognition of our conference offering 100% of Connectional Apportionment for the year 2017.

#### **Goals 2018**

- To support the National Prayer Center Line at the Upper Room, Nashville, TN
- To promote Strength for Service to God and Country, a daily devotional book for the military. In 2017 we tried to work with VA Hospitals in our conference.
- To promote Strength for Service to God and Community, a devotional for those in the service of others - a daily devotional for first responders. Please give these books to your local policemen and firemen.
- To continue to support the John Wesley Fellow Award.
- To encourage more men to start a men's group in their church or become active in a men's group.

#### **Plans in Motion:**

On September 8, 2018, we will be holding our 61<sup>st</sup> Annual Retreat at Camp Pecometh. This will be a one-day event. Please save this date!

Your Charter in the United Methodist Men supports the life of the General Commission on United Methodist Men which enables us to continue our mission and ministry. Your Charter provides the resources for:

- strengthening our faith through mission ministry
- continuing groups and individual in Bible studies
- rekindling hope through the prayer line
- for all that we are involved in, check out our website [www.gcum.org](http://www.gcum.org)

I would like to acknowledge all of the district and local church presidents and other men and their families of the conference who continue to support our men's ministry. I give thanks to God, the members of Peninsula-Delaware Conference, the UMM executive board and all conference leaders (especially Yvonne Jackson). We are men committed to our God, to the organization of United Methodist Men, the Peninsula-Delaware Conference and the church which is the body of Christ. "Discipleship – The Contact Sport".

Allan E. Loomis, Jr, Interim Conference UMM President

## UNITED METHODIST WOMEN

### **The PURPOSE**

"United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

### **Pledge/Undesignated Giving**

Peninsula Delaware Conference United Methodist Women sent over \$ 60,000 as our pledge and other undesignated giving was remitted to support missions at home and abroad.

### **Annual Events**

**Mission u** in 2017 was held on July 14 -15 at the Holiday Inn in Dover, DE. Our Spiritual Growth Study was called "Living as a Covenant Community." The Rev. Rudolph White, Jr was the teacher. The Geographical Mission Study was called, "Missionary Conferences of the United Methodist Church in the United States." It was taught by Marie Van Der Wall. This was a very eye-opening study. Do you know about the Missionary Conferences of the United Methodist Church?? If not, you should ask a United Methodist Woman! A youth study on Missionary Conferences called, "In Mission Together" was presented by Audrey Milton, and Bernadette Cannady led the children's study on Missionary Conferences called, "Joined and Held Together." Mission u is always a great time to fellowship and learn with other United Methodist Women from around the Conference. It's also a great opportunity for men of the Conference to learn more about UMW (hint, hint)! Mission u 2018 will be held on July 20-22, 2018 at Camp Pecometh! There is still time to register! Come join us!!

**Spiritual Life Retreat** was held on September 23, 2017. Rev. Karen Handy, pastor of St. Luke U.M Church, Denton was the guest speaker, and Alison Windle of the Neighborhood House will be a special guest.

The **Annual Meeting** was held on October 28, 2017. New officers were elected and several units around the conference received certificates for their work in various mission areas.

We would LOVE to help you get going!!

## CONGREGATIONAL DEVELOPMENT CORPORATION

### **MISSION:**

The Congregational Development Corporation (CDC) will solicit, manage and allocate financial resources to promote and support efforts to enhance the impact of United Methodist Congregations on the lives of persons living in the area served by the Peninsula-Delaware Conference.

### **VISION:**

The CDC will identify for the local churches an understanding of community needs and provide funding assistance for the new church initiatives and the revitalization and ongoing vitalization of existing churches, with the goal of promoting healthy churches that can serve the community needs.

### **CORE VALUES**

1. CDC will maintain a level of understanding of demographic trends and knowledge of active, growing local churches within the Conference.
2. CDC will coordinate with other groups in the Conference that are working on church strengthening and new church projects.
3. CDC will allocate funding to those churches, new and existing, that have the highest potential to serve those persons living within boundaries of the Conference.

Our CDC continues to work on identifying areas of potential growth as possibilities for new worshiping communities. In conversation with Rev. Paul Nixon, our representative from Path 1, the new church start organization for The United Methodist Church, we discovered three models of church growth which are bearing fruit. First, we see potential in beginning new worship services geared toward a different population, either as a church within a church model or a multi-site model. (For example, see St. John's Chapel at Cannon, or Hope Community Church in Claymont.) Second, we have seen some fruit in a house church model. (For example, see La Caminante, a Hispanic worship experience at Wesley UMC in Dover.) And, third, we have witnessed some early success in vital mergers. (For example, see Orchard UMC, a merger of Hope UMC and Magnolia UMC.)

We decided to partner with Paul Nixon to explore these three models over the next couple of years, with the theme: We Do New! First, we will focus on encouraging churches to develop a church within a church, either by adding a different style of worship service or holding a worship service in a different site or on a different day. Along with this emphasis, we will focus on leadership development as key to successful new ministry starts. This leadership development will include creating a culture of missional practices, including relationship building, multi-cultural competency, community engagement, empowering and equipping laity, and risk-taking. Through this leadership development, we hope to create sustainable ministries, not heavily reliant on outside funding or support.

Our second step with Paul will focus on vital mergers. We believe because of the geography of our conference, with many churches collocated in towns and villages, that we can maximize our ministry efforts as we learn to work together through vital mergers. Then, our third step will involve creating healthy and vital multi-site ministries.

Another new possibility involves our response to the NEJ Call to Action. CDC sponsored Rev. Elmer Davis to attend a Church Planter Discernment Workshop, in preparation to begin a new worship service targeted to African American young adults in the Dover area. Rev. Davis continues to develop his team and we expect a launch of the new worship service as a church within a church model before Annual Conference.

During 2017, CDC continued to support New Faith Community Development at Hope Community Church, Claymont; and Arise Church, Wilmington. We also supported St. Luke's UMC in Denton as they began a new worship service, targeting a younger population. We partnered with Orchard UMC, a new merger, to pay for a digital sign and part-time youth position. We continued to support Connection UMC with sound and light equipment and a youth position. And, we provided support for Mariner's Bethel UMC for a new staff position in Evangelism/Young Adult Ministries. We celebrate the fruit of these new ministries.

We continue to offer two powerful resources to our churches. First, CDC pays for Mission Insite, a tool utilizing the census data to provide demographic information to churches about the community surrounding them. Every church can have FREE access to this tool and we encourage you to contact the Director of Connectional Ministries, Rev. Dr. Vicki Gordy-Stith, [vgordy-stith@pen-del.org](mailto:vgordy-stith@pen-del.org), for registration information. Our Vision Team sponsored a workshop this year with Tom Bandy, author of *See, Know, and Serve the People within your Reach*, a book which walks you through the Mission Insite MOSAIC categories. Second, CDC purchased the rights to Readiness 360, a tool which evaluates your current congregation for its ability and readiness to make disciples and multiply ministry. It measures Spiritual Intensity, Missional Alignment, Dynamic Relationships, and Cultural Openness. These measures help a congregation see where it is, where it needs to grow, and how to get started. (See [readiness360.org](http://readiness360.org) for more information.) Again, if your church wishes to purchase a Readiness 360 Survey, contact Rev. Dr. Vicki Gordy-Stith, who will get you set up for the survey. She can also provide coaching to your church leadership team on the results of the survey and its relationship to Mission Insite information. When a church uses these tools side-by-side, they get an understanding of their current beliefs and values and behaviors and how they match up with the beliefs and values and behaviors of the surrounding community.

We pray that we can grow in our effectiveness in communicating our resources and our strategies to the churches in our Annual Conference. We intend to research new models for new faith community starts. We hope that by partnering with Rev. Paul Nixon, we can build a more realistic strategy to continue to reach people with the good news of Jesus Christ. Please feel free to contact us if you have questions.

### **STRENGTHENING THE BLACK CHURCH TASK FORCE ANNUAL REPORT**

The Strengthening the Black Church Task Force (STBCTF) has refocused its goals to include more emphasis on investing in young adults, youth and pastors. The task force desires to be a vital resource to African-American churches and others that seek assistance. Therefore, the task force encourages churches to avail themselves to the resources for church growth and vitality. We serve as an extension to Strengthening the Black Church Director and continue in partnership to offer assistance where needed and requested.

Our connection affords us the opportunity to engage collaboratively with other conference committees such. This includes, BUMP (Black United Methodist Pastors), Healthy Church Initiative (HCI), The Well, and Black Methodist for Church Renewal (BMCR). The task force continues to provide funding where possible to help clergy and laity with travel expenses to workshops, retreats, and other events.

Moreover, our goal is to invest in our young people and churches that share a need for funding important ministries designed to foster youth and young adult activities which enhance spiritual growth.

Therefore, in 2017, four African-American churches from each district were given \$200 scholarships to help support sending youth to the Annual Youth Rally held in Ocean City January, 2018. Each District Superintendent helped to select the churches. The 2017

recipients are as follows: Dover District, Centennial UMC; Wilmington District: Brandywine UMC; Easton District: Asbury UMC; Salisbury District: Samuel Wesley UMC. The task force also provided funding to support the Young Adult Summit. We hope to continue our investment in young people each year.

In addition, Simpson UMC on the Wilmington District was given a \$500 scholarship to support a ministry with a strong presence in the community. Simpson was selected because of their focus on helping At-Risk youth needing support in dealing with the loss of other youngsters. A proposal was provided to support the goals and directives of the ministry. Members of the task force, along with input from the SBC director, will select the church. The specifics of this grant will be posted on the SBC director's webpage.

We meet throughout the year in varied venues to plan, implement, and evaluate the STBCTF events for their effectiveness or lack of. The task force continues to follow the theme and or focus of the director of SBC to address requests, needs, and plan for the upcoming year.

Strengthening the Black Church task force will continue to connect with boards and agencies to activate resources designed to assist and strengthen the Black Church. Our connection is your connection. Call for assistance. We are available to help you.

### STRENGTHENING THE BLACK CHURCH DIRECTOR'S REPORT

As we approach the end of another Conference year in the life of the Peninsula-Delaware Conference, this is an opportunity to pause and reflect on the health of black churches across the Conference and the prognosis for the future.

As the Director of Strengthening The Black Church for just under two years, I am humbled and count it a privilege to be serving in this area of ministry in the Pen-Del Conference. I am excited about sharing my years of experience including my successes, challenges, and failures as I've embarked upon this new ministry. I am grateful to all who have prayed and supported me during the past years.

Our vision remains the same: To encourage churches to avail themselves to resources for church growth and vitality, whether local or national. STBC has continued to align with the established goals while simultaneously faithfully looking for every opportunity to transform, sustain and/or revitalize black congregations across the Pen-Del Conference. We have done so by strengthening the alignment with the Word of God for church growth. STBC is keenly aware that the Black Church can only be strengthened when the body grows individually and collectively --- making a greater and more prophetic witness for Jesus Christ in the world today.

We've established the KBS model (Keep, Build, Stop). Recognizing the importance of Keeping those ministries that are working, Building upon those areas that will promote stronger churches, and sometimes Stopping those efforts that may no longer be as effective toward creating a vital church in the 21st Century. Our focus scripture 2 Kings 7:3-4 'Why do we sit here until we die?'...

We are working diligently to continue to strengthen the relationship/connection between the Conference and black leadership, both clergy & laity. STBC will continue striving towards preserving the history, culture, and legacy of the black church while connecting the richness of the black church with the entire Pen-Del Conference.

To this end, key accomplishments for STBC include:

- 'Gather to Grow...Scatter To Serve Workshop' convened at Whatcoat UMC in Dover, DE on December 16, 2017 with approximately 150 persons in attendance across the Conference as we were led in deep conversation that 'It's Time to

Make A Change' which was facilitated by Rev. Dr. Joseph Daniels, Jr., Lead Pastor at Emory UMC, Washington, DC. One part of the workshop included panelists who shared their perspectives to various questions from the audience. Those panelists were: Rev. Daniels, Rev. Steven LaMotte, Rev. Provey Powell and Sis Rosa Brown.

- State of the Black Church, March 17: Clergy and Laity are getting excited about our gathering this year knowing that 'It's Time For Some-REAL TALK' which will convene at Hurlock UMC, Hurlock, MD. The purpose of the gathering is to infuse radical kingdom building techniques, discuss where our youth and young adults fit in, provide leadership tools for effective leaders and enlighten our worship celebration that we may move forward with an intentional heart for God. Again we are anticipating a large attendance at this workshop.
- Young Adult Summit will convene on April 13-15 at the Holiday Inn Oceanfront in Ocean City, MD and we are anticipating an exciting weekend in fellowship with our young adults ages 18-35 throughout the Conference and beyond. We are preparing for 50 young adults or more who will come under the focus 'Don't Leave...Lead!' This focus is in alignment with the theme of the Conference: 'Leading As Followers of the Way.' Rev. Akil Dickens, Senior Minister to Youth at Ebenezer AME Church in Fort Washington, MD will be preaching and leading a workshop along with Sis. Jawanda Jackson of New Dimension Family Ministry in Salisbury, MD who will come and facilitate a workshop on 'Being The Change You Want to See.'
- I have visited or contacted approximately 52 black churches along with countless meetings and workshops I've either attended or led across the Conference.

The Pen-Del Conference is not alone. The role, purpose, and identity of black churches is a national conversation. During an October 2016 "State of the Black Church Conference" in Wake Forest, NC, clergy and laity from various denominations grappled with some of the same issues as black churches across the Pen-Del Conference. They reached the same conclusion as STBC – that all understand the important and nuanced need for the Black Church to remain committed to God, the preservation of the Black Family and restoration of the Black Community. Yet, we also appreciate that in times of perceived division across our great country, it is important that we breed a culture of communication and collaboration with people of all races and cultures across the Conference. We will never forget or forsake the mantra for SBC21, 'Christ Our Center for Hope, Healing and Wholeness.'

Grace and Peace  
Rev. Lester N. Justice, Director

### CROSS-RACIAL/CROSS CULTURAL COMMITTEE

Those of us who are a part of the Conference Cross-Racial/Cross Cultural Committee feel a Call to be a Bridge-builder as we serve to facilitate more open and honest dialogue around systemic racism.

All persons serving in CR/CC appointments, as well as interested lay persons who feel the same Call are invited to be a part of the Committee. Our Core group currently consists of Revs. Alice J. Ervin (W), Jacqueline Ford (W), Anthony Arrington (W), Jewett M. Short (D), Karen Mumford (D), Amor Woolsey (E), Shane Moran (E), Grant Johnson (W), Carolyn Williams (W), and Derrick Porter (W).

#### Our Mission

- (1) Act as a support group for persons in CR/CC appointments
- (2) Educate/Provide Training to:
  - : Pastors currently serving, as well as those interested in serving, in a CR/CC appointment
  - : Churches to receive and learn from "The Stranger"

### New Understandings

From honest sharing in our discussions, we are being tremendously blessed by seeing changes that are occurring in our feelings and actions, as well as within our congregants. Some of these are:

- (1) We are more similar/alike than different.
- (2) We need "Culture Exchange" instead of "Pulpit Exchange".
- (3) Our personal theology has enabled us to embrace all people.
- (4) Within a race of people, there may be many different cultures.
- (5) Perception is not always reality.
- (6) We must adapt and adjust often, without losing our identity.
- (7) The necessity of learning to respect and value different ways of doing ministry.

The first Conference-wide training is scheduled for March 10, 2018 at Whatcoat Church, Dover, with Presenter Rev. Dr. Anita Powell, Director of Connectional Ministries of the Eastern Pennsylvania Conference.

Additionally, two members of the Committee are attending a national conference presented by The General Commission on Religion and race entitled, "Facing The Future 2018: In The Midst of the Storm" on May 7-9, 2018 in Newark, NJ.

We present the work of this Committee to God as a sacrificial offering to be used to further His Kingdom here on earth.

### EVANGELISM AND OUTREACH REPORT

Greetings from the Evangelism and Outreach Committee. Our purpose is to promote evangelism in the annual conference. To that end we have given grants in the amount of \$1,800 during this conference year.

Evangelism is a vital component of the ministry of our annual conference. Our churches and our people evangelize in innumerable ways. Churches reach out to their communities across the Eastern Shore of Maryland and in Delaware. Without evangelism and outreach our churches will die.

I want to encourage our churches to consider the connection between social justice and evangelism/outreach. Think of ways to bring the two together. Evangelism and outreach can occur in spectacular manner. Both the participants and the recipients come closer to Christ in these endeavors.

I want to thank the conference for the privilege of serving in this capacity for the last three years. After much prayer and thought, I have decided to step down in order to devote more time to my charge. I appreciate the support and cooperation and encourage you to support my successor.

### SPIRITUAL FORMATION TEAM

The Spiritual Formation Team of the Peninsula-Delaware Annual Conference exists to provide resources and leadership that will enable us to move forward as we proclaim Spiritual Formation as a priority in our life together. Our areas of focus are: spiritual disciplines, prayer, discipleship, education, and retreat ministry.

Once again this year, the members of the Spiritual Formation Team consider it a privilege to serve the people of our Annual Conference. We continue to support

opportunities that are offered for Jesus' disciples as they allow the Holy Spirit in to form who we are and guide what we do.

This year we continued our support of conference and district events in order to help others strengthen their spiritual formation and discipleship.

Each year the team prepares the Prayer Room at Annual Conference. This sacred space, which included a prayer labyrinth, allows people to come and spend some quiet time with the Holy Spirit. It is our prayer that as each person enters and leaves this sacred space, they will be renewed in body, mind, and spirit.

#### **GOALS 2018-2019**

1. Finalize the updated resource list and brochure for the Spiritual Formation Team.
2. Continue to support "The Well" and other workshop opportunities within the Annual Conference.
3. Offer additional ways (texts, prayer box, etc.) for prayer requests to be shared during annual conference sessions.
4. Give support to the "Benedictine Wisdom for Body and Soul" Retreat in November 2018.
5. Continue to support a variety of avenues through which the people of the Peninsula-Delaware Annual Conference can live out their lives as disciples of Jesus Christ.

Bonnie L. Shively, Chairperson

Here are a few highlights from the past conference year:

##### **Pen-Del Young People's Convocation**

Our inaugural "Young People's Convo" took place on Sunday, May 21, 2017, and was attended by around a dozen young adults.

Bishop Johnson spoke on the importance of prayer, and the group shared in worship and prayer stations together. In addition, there was a time of conferencing where participants learned about the Annual Conference process and participated in symbolic votes on a few pieces of legislation (these were chosen by Facebook poll in advance).

This year's Young People's Convo is scheduled for Saturday, May 19, 2018.

### **Other Youth Ministry Events**

Many ministries in our conference continue to invite young people into deeper relationship with the Lord, including our many local youth and young adult ministries, the Youth Rally, Camp Pecometh, campus ministries, Pecometh's Confirmation Retreat, the Bishop's Confirmation Rally, and the Young Adult Summit. We will support these ministries however we can, and help to communicate news about them throughout the conference.

#### **CCYAM Annual Conference Report 2017-2018**

Submitted by: Chelsea Spyres, CCYAM Co-Chair

In the 2017-2018 year the Peninsula Delaware Council Conference on Young Adult Ministries (CCYAM) has focused on sharing the voices of young people around the Conference, bringing new voices to the council, and experimenting with different events to see where the interests are with young adults in the Conference.

In the 2017 year three new young adults joined CCYAM (one clergy and two laity) and four young adults remained in leadership from the previous year (two clergy and two laity). As a Council we meet quarterly to plan events, evaluate communication strategies, and vision for the future of CCYAM. In the 2017, we met twice in person and twice online, to make it possible for more young adults to be involved.

One highlighted event was a local work day in Wilmington partnering with the Methodist Action Program (MAP). A group of nine of us (four from CCYAM, and five others from around the Conference) came together with some members from the Board of Directors of MAP to help them clean up Old Asbury UMC, which they will use for office space in relaunching MAP. From scraping pigeon poop to lifting desks and bookcases our team dove into the dirty work, after a short time of worship and reflection together. Our day wrapped up with hearing from Kerri Evelyn Harris who is an activist in Delaware representing the Poor People's Campaign. She led a conversation around justice issues happening now and ways for Delaware residents to get involved. At the end of the work day everyone voiced that they would be interested in more work days like this one, so the CCYAM will be looking for more ways to organize events like our day at MAP.

After hearing good feedback from our gathering last year the CCYAM in partnership with members of the Conference Council on Youth Ministries planned another Young People's Convocation prior to Annual Conference (May 19, 2018). This was a time to gather for worship and annual conference preparations. This included "symbolic" votes on legislation, a review of Robert's Rules of Order, and explanation of the purpose and organization of Annual Conference.

To live into our United Methodist principles of social justice, CCYAM has planned a trip for young adults and their leaders, to Washington, DC on September 22, 2018. While in DC we will hear from a representative of the General Board of Church and Society, discuss how we can respond as a group of young adults grounded in the UMC tradition, visit one of the Smithsonian museums, and of course have some great city food. A bus will leave from Dover, and groups should look for more info later this summer.

In this last year CCYAM has spent a lot of time trying to share the voices of young adults in new ways. We presented at the Pen-Del youth rally, have reached out to pastors in the Conference and increased our social media presence. We have done this through regular Facebook posts ([www.facebook.com/PenDelYoungAdults](http://www.facebook.com/PenDelYoungAdults)), Instagram (@pendelyoungadults), and our blog ([www.pendelyoungadults.wordpress.com](http://www.pendelyoungadults.wordpress.com)). We have many contributors to our blog, but here are a few highlights from the year. Young adult voices responding through our faith to current events.

- On the Sabbath- "The Sabbath, which is made for our sake to remember our identity in God, helps us to tune in with God's wonders in my life and in the life of my neighbors." -Carlos Reyes Rodriguez
- On the Struggles of Advent- "It may be obvious to some, but for me I've found that I desperately need to rely on and throw myself into the purpose of Advent. I need to passionately and intentionally prepare myself to receive Christ. I need to place the birth of Jesus, God's answer to our brokenness, more fully into my life." Brad Schutt
- On Sexual Assault- "Have some accountability. Men, do better. If you truly believe that we are all your sisters in Christ you would not treat us lower than the dirt that you were created from." -Madeline Porter
- On Gun Violence- "We are only dust, but we serve a God who raised the dead and redeems even the worst sinners. In the time before we return to dust, and as we wait for Christ's full restoration of our fallen world, we can do something. We can lament. We can repent the systemic evils and injustices that fuel violence. We can meditate on how God may be calling us to act. We can come together and try to have vulnerable conversations even when we disagree. It might seem impossible or even like a waste of energy, but we have Easter hope in our hearts. To dust we will all return, but with Easter expectation in our hearts, we can strive to overcome our divisions and work toward preventing more children of God from being harmed." -Megan Shitama Weston
- On Maundy Thursday- "For a few moments in time, invitation was outstretched. Through weariness and doubt, pure joy was experienced. For a few moments in time, I was reminded of who and whose I am. That the to-do list could wait. That my title did not matter. That I could rest because, God was around that table too, in the faces of four strangers." -Chelsea Spyres

In this next year we as a CCYAM hope to continue create spaces for young adults to share their voices and join together through our faith. This will happen through our trip to DC, continued communication on the blog, at least one local work day, the Young Adult Summit, and other times to gather.

If you have a young adult you want to connect to the Conference wide events, email [pendel.ccyam@gmail.com](mailto:pendel.ccyam@gmail.com) or get them connect on our social media. We are grateful for your support and prayers and are looking forward to what God will do in the year to come.

## VISION TEAM REPORT TO ANNUAL CONFERENCE 2018

**Vision:** Connected Christians offering the hope of Jesus Christ in today's world.

**Mission:** Cultivating Christ Communities through our CALL—Connecting, Acting, Leading, and Loving.

Mark 5:32a describes Jesus leading his disciples: "Jesus and his disciples were on the road, going up to Jerusalem, with Jesus in the lead. The disciples were amazed while the others following behind were afraid." (CEB) As followers of Jesus, our leadership flows from Jesus' leadership of us. We invite others to follow Jesus along with us. Our authority arises out of our relationship with Jesus.

In this spirit of leading as followers of Jesus, the Vision Team, as the policy-setting and decision-making body for the Annual Conference between conference sessions, ensures that the ministries of the Conference align with our Vision, Mission, and Core Values, and offers support of particular extension ministries within our conference, including: Methodist Action Program, Neighborhood House, and Salisbury Urban Ministries.

At last year's Annual Conference, the Vision Team announced that our focus for 2017-2018 would be the Leading aspect of our CALL. To that end, we have been focusing our efforts on developing leadership within the church and empowering churches to create an Intentional Discipleship Process (IDP). We have also continued Leading our Conference's response to the NEJ Call to Action to address racism.

Some of the work towards developing leadership and intentional discipleship processes include:

- Vision Team adopted a Leadership Covenant, included at the end of this report, to guide our work together.
- Vision Team worked on a template for the discipleship process of a church, which is included at the end of this report. The process highlights our Wesleyan understanding of the process of salvation, from Prevenient Grace, to Justifying Grace, to Sanctifying Grace (both inward in spiritual disciplines and outward in serving).
- "The Well" focused on leadership, led by Rev. Ray Bailey, a retired Brigadier General, now serving at the General Board of Higher Education and Ministry. He focused on resiliency and spiritual health for leadership. Workshops included: Getting Things Done, Creating an Intentional Discipleship Process, Fanning the Flame of Spiritual Gifts, Prayer Evangelism, and Covenant Discipleship.
- Emphasized the holistic nature of discipleship with a renewed focus on the Social Principles. We have a link to The UMC Social Principles on the front page of the Conference website and we encouraged the Board of Laity to offer a Lay Servant class on the Social Principles.
- Hosted Rev. Tom Bandy, author of *See, Know, and Serve the People around You*. He created the MOSAIC categories of Mission Insite and offered two workshops demonstrating how to use that information to connect with your local community.
- Sponsored the pastors and laity from the city of Wilmington to attend a workshop in Baltimore-Washington, called "A New Day in the City," as we sought to support the development of leaders in the urban area of Wilmington.
- Supported the Bishop's Confirmation Rally based on the process of salvation, to introduce our young disciples to the discipleship process in their own lives.
- Partnering with Coaching4Clergy to offer coach training for pastors, so that they can develop their gifts for leading through a coach-approach. We offered scholarship funds for those attending.
- Sponsored eight pastors, two per District, to attend "Voice of the Heart" retreat for spiritual renewal, as part of ensuring that our leadership securely rests on our relationship with God.
- Sponsored a "Missionpalooza" to empower churches to lead in mission work, locally, nationally, and globally. Encouraged each congregation that they can join in God's work no matter what size their congregation is.
- Supported the publication of Rev. Jack Shitama's book on family systems. With our support, Jack will present a workshop on family systems to our Cabinet and Vision Team leaders, in order to strengthen our ability to maintain a non-anxious presence and connection with our congregations.

- Continued to work on our response to the NEJ Call to Action to address racism. (See our progress report presented to the Vision Table, included in the Cabinet Report.)
- Contracted with consultant firm, Dragonfly, to conduct a structural racism audit for our Annual Conference. Results will be communicated via "The Connection" and website.

As we continue to strengthen our leadership skills, we hope to follow our leader, Jesus Christ, more closely as we pursue our Conference Strategic Initiatives. The initiatives are:

- Prayer (Loving) is the foundation. 2016-2017
- IDP (Intentional Discipleship Plan for clergy, lay leaders, and discipleship-Leading). 2017-2018
- Release Ministries (Focus on addiction recovery ministries, prisoner reentry ministries, and areas which impact these two outcomes, such as prevention through engaging local schools and teaching parenting skills classes, job training, etc.-Acting). 2018-2019
- Ministry Refreshed (Beginning new ministries at the local church level and community level to reach new people-Connecting).

Following Jesus more closely, we go where he leads. From the testimony of Scripture, we know that Jesus GOES OUT in search of the lost. We, then, follow him in seeking out the lost. For 2018-2019, we will focus on reaching out to those people who need Release, either from addictions, or reintegration into community as they leave prison. We will learn about churches as first responders to veterans returning to civilian life with PTSD, and we will discover how churches can work to alleviate the opioid crisis. We also hope to work on prevention measures. Our Annual Conference theme for 2019 comes from Jesus' mission statement in Luke 4:18: "Proclaim Release!"

These events give a sample of how the Peninsula-Delaware Conference Vision Team has served the local churches this past year. We hope to listen to your needs, learn from the wider connection, and continue to answer the CALL of Connecting, Acting, Leading, and Loving, so that every church in the conference can do its own special work and we will all work together to offer the hope of Jesus Christ to today's world. We will work to continue to flesh out our Mission and evaluate how our committees and teams serve that mission, for the sake of the mission of the realm of Christ.

#### **Appendix A: Intentional Discipleship Plan**

**Prevenient Grace:** Create intentional ways to engage your community with the love of Jesus. Be sure to include ways to express that you are serving because of your love for Jesus, who first loves us.

**Justifying Grace:** Create multiple opportunities (beyond just worship) to issue invitations to Christian discipleship or helping people choose to follow Jesus. (Some have used Alpha Classes or other discipleship focused groups with some success.)

**Sanctifying Grace (Inward or personal holiness):** Offer multiple ways to connect with God and each other through Spiritual Disciplines, including Bible study, personal daily devotions, prayer, worship, fasting, communion, small groups, and others means of grace.

**Sanctifying Grace (Outward or social holiness):** Create opportunities for people to discover who they are, how God has gifted them, how God calls them to serve, and how God equips them with leadership skills. Create opportunities for people to serve (each other and the wider community), sending people to be the church in the world. Increase awareness of the marginalized in society and how we can create a place for their voices to be heard. Address systemic sins of racism, sexism, classism, poverty, etc.

#### **Chart your Ministries**

List all of your current ministries in your church. Attempt to discern which role they play in the discipleship process (Prevenient, Justifying, Sanctifying, or Serving), if any. List the ministries on the chart, below. Look for any holes in your discipleship process. Then look at your existing ministries and brainstorm ways to expand the role

that they play. For example, how can a choir be a part of the Preventive, Justifying, Sanctifying, or Serving Grace?

To take your process one step further, consider the fruit of discipleship. In The UMC, we ask members to pledge their prayers, presence, gifts, service, and witness to join with others in the church as we serve Jesus in our world today. Ask yourself: What opportunities do we offer for people outside the church (those in the Preventive Grace category) to pray or learn to pray? What opportunities do we offer to those ready to follow Jesus (Justifying Grace category) to pray or learn to pray? What opportunities do we offer for those who are saved and going onto perfection (Sanctifying Grace-personal holiness category) to deepen their prayer life? And, what opportunities do we offer people who are going onto perfection to pray for issues of social holiness, so that our service arises out of prayer? You can do this type of discovery with every category of membership pledge. Remember:

- It's about relationships and disciples who make disciples
- Shift from Believing=>Behaving=>Belonging to Belonging=>Behaving=>Believing
- Shift from Church building to Beloved Community building

**Vision:** Connected Christians offering the hope of Jesus Christ to today's world.

**Mission:** Cultivating Christ communities through our CALL—Connecting, Acting, Leading, and Loving

The Mission of the Pen-Del Conference Vision Team is to guide the ministries and programs of the Annual Conference to connect and equip and empower local churches to make disciples who make disciples of Jesus Christ for the transformation of the world. The Vision Team serves the Annual Conference Mission in all four aspects—Connecting, Acting, Leading, and Loving, but focuses primarily on the Connecting and Leading aspects.

**We covenant together to model Christian community and relationships, attitudes, and behavior by:**

**Preparing:**

- Committing to attend all meetings and read all emails and documents and being fully present when together.
- Praying for the Vision Team, the Annual Conference, the churches, and our world before, during, and after the meetings.

**Meeting:**

- Listening together for the Holy Spirit's movement as we discern God's desire for our Conference, using the Quadrilateral as a guide: REST—Reason, Experience, Scripture, and Tradition.
- Engaging in the conversation and not being afraid to ask questions or take risks.
- Empathizing and listening to each other with open hearts, minds, and spirits, creating a table of understanding where we accept one another, have patience with one another, respect one another, and refuse to judge one another.
- Building trust and encouraging one another, celebrating victories and sharing burdens and forgiving one another when necessary.

- Honoring our cultural diversity, giving dignity to each culture, honoring our uniqueness, allowing for contextualization, and seeking to be inclusive.

**Acting:**

- Encouraging a multitude of opinions, giving constructive feedback, and following the conflict transformation guidelines in Matthew 18:15-20, by first approaching the person in private to try to restore the relationship. We will not use social media as a place to tear down one another or our Annual Conference or The United Methodist Church.
- Seeking to collaborate in as many ways as possible, ensuring we share accurate information for planning purposes.
- Evaluating and reflecting on the fruitfulness and lessons learned from each ministry event.

**Appendix C: From Call to Action Template**

Describe your conference's overall strategic approach to the CTA:

- We need God to heal our relationships by transforming (1) our minds—to think differently about diversity and inclusion, (2) our hearts—to be aware of our own attitudes and to love and appreciate all people, and (3) our actions—to learn and practice new ways of interacting, recognizing our culture and valuing the culture of others. We will participate in this process through relationship building which is (1) intentional, (2) accountable, and (3) transformational. (Intentional mind-change, Accountable action-change, Transformational heart-change)

Briefly describe what difference your conference is seeking to make and how will you know you are making progress:

- Because Jesus invites us into repentance to experience the realm of God, we desire to be intentional about repenting for white privilege and other cultural dominance, allowing Christ to transform us and our relationships. We hope as we work together to more faithfully represent the "beloved community," shining the inclusive love of Jesus more clearly in our communities, as demonstrated by more and stronger intercultural relationships between clergy, between local churches, and with our communities.

**COMMISSION ON EQUITABLE COMPENSATION**

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in base salary supplementation; and (3) providing counsel and advisory material on clergy support to the District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. This includes appropriate legislation to set minimum salary in the Annual Conference and administration of Conference supplied funding to insure that every pastor receives at least minimum salary. The funds administered by the Commission include **General Funds** to insure that all full-time clergy receive at least minimum compensation. Other funding streams granted to pastors include **Key Leadership** for clergy that are serving in a charge that is unable to support the clergy commensurate with his/her talents and experience and **Special Funds** used in special one-time circumstances. Because both Key Leadership Funds and Special Funds lie outside of the disciplinary bounds of the Commission on Equitable Compensation, with CCFA approval, these funds are administered by the bishop and cabinet. The Commission will continue to track and report these funds as part of our ongoing communication with the Annual Conference.

The 2018 approved Equitable Compensation budget is \$160,000. Funds expended in 2017 for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$161,488, which exceeded budget. As part of this report, there is a list below

of the churches and charges that received assistance in 2017.

As always, the goal of the Commission is to insure that pastors are being compensated fairly for all that they do for our churches in service to Christ. May God bless the work that our churches do to take the Good News of Christ into our world.

Yours in Christ,

Mr. William Batson  
Rev. Tom Pasmore  
Co-chairs for the Commission on Equitable Compensation

**CONFERENCE BOARD OF TRUSTEES**

The Conference Board of Trustees is charged by The Discipline of The United Methodist Church to hold in trust financial assets and invest them according to the Social Principles; hold in trust real and personal property of Conference churches and agencies; buy, sell, transfer, and convey property; and provide adequate insurance for all Conference properties. In 2017 the Peninsula-Delaware Conference Board of Trustees actively pursued all of those things.

**Leadership:**

**Board of Trustees officers:**

President, Candy Miles  
Vice President, Richard Rosengren  
Secretary, Earle Baker  
Treasurer, Bill Westbrook

**Other Trustees are:** Sonja Brown, Douglas Collison, Charles Emery, Rich Evans, Helen Lockwood, Jack L. Vogt, and Director of Connectional Ministries, Vicki Gordy-Stith.

**Investments:**

The Conference Trustees are responsible for maintaining 17 Investment funds valued at \$1,488,245. All funds are restricted to specific ministries and/or churches except the General Fund, \$152,299.

**Audit Report:**

In October the Trustees received the report of the annual audit from Bumpers and Company. Among their findings are:

1. Total assets at the end of 2016 were \$25,314,857.
2. Investments have been made with low risk.
3. All certificates of deposit are fully federally insured.

4. The Congregational Development Corporation holds several mortgages on the properties of local churches and conference agencies. In many cases the CDC holds the second mortgage for which payment doesn't begin until the first mortgage is paid off. Several concerns were noted:
  - a. In some cases there is missing loan documentation.
  - b. In some cases, repayment start dates have passed without repayment commencing.
  - c. The ability of some debtors to repay remains uncertain.
5. Pension liabilities are fully funded.

The auditors made these observations and recommendations:

1. Expense Authorization Forms are out of date, and procedures are not always followed. "We recommend verifying the authorized signers for each one and updating the forms as necessary." Letter 1, page 2.
2. The Conference has not been keeping individual employee personnel files. "We recommend creating a personnel file for each current employee of the Conference and at a minimum keep a copy of their driver's license, social security card, direct deposit request, I-9, W-4, and approved salary reports." Letter 1, page 2
3. Rental income from the houses (owned by the Conference) at 134 & 138 American Avenue (Dover) is in arrears on both properties. "We recommend the Conference take steps to collect the unpaid rents, evict the tenant(s), or put a policy in place that prevents any future rents from being added to the rents in arrears. Letter 1, page 2.
4. Five Loans (made by the Congregational Development Corporation) did not have formal documents and eleven mortgages have start dates in excess of one year, but had not yet begun to make payments. "We recommend the Conference obtain missing loan documents and missing repayment starting date documentation and inform the churches whose start date has past that payment is now due." Letter 1, page 3.
5. Conference Policies: The Conference does not have a written accountable reimbursement plan for employee expenses including travel and mileage expenses. "The IRS does allow for safe harbor rules allowing the employee to account to the employer within 60 days of when the expenditure is paid or incurred. The IRS has affirmed their position that any employee reimbursement other than through an accountable plan will be treated as taxable wages subject to all related payroll taxes." Letter 1, page 3

This information has been communicated to the Conference Personnel Committee, and the Congregational Development Corporation.

#### Property:

**District Boards of Trustees:** As the number of abandoned churches and properties continues to grow, two districts have organized their own Boards of Trustees. In most cases the Conference Board of Trustees transfers ownership to the District Boards both to spread the responsibility, and to move decision making closer to the actual property.

- **Easton District Board of Trustees.** These properties have been deeded to the Easton District Board of Trustees by the Peninsula-Delaware Conference Board of Trustees.
  - Has listed **Bounds UMC, Crapo, Dorchester County, MD** with a realtor.
- **Salisbury District Board of Trustees.** These properties have been deeded to the Salisbury District Board of Trustees by the Peninsula-Delaware Conference Board of Trustees.
  - **Christ UMC and Parsonage, Upper Fairmount, Somerset County, MD.** The Church and Parsonage were sold early in 2018
  - **Asbury UMC, Nanticoke, Wicomico County, MD.** The building was sold for use as a church along with three unattached cemeteries in July.
  - **Grace UMC, near Cox's Corner, Wicomico County, MD.**
  - **John Wesley UMC, Newtown, Wicomico County, MD**

- o **Water's Chapel UMC, Marion Station, Somerset County, MD** The property was sold for use as a church.

### **Abandoned Property:**

With the continuation of demographic shifts from rural areas to towns and cities on the Delmarva Peninsula there are an increasing number of churches being closed each year. When closed and declared abandoned, the property reverts to the Conference Board of Trustees. The Trustees insure the property and maintain the buildings and grounds. Sometimes there is a parsonage or community building and often there are cemeteries that become the property of the Conference. Whenever possible the buildings are stabilized and sold. In regards to cemeteries, efforts are made to form a friends group of local people and descendants who will maintain the cemetery.

**Asbury UMC, Wittman, Talbot County MD** was closed on May 1, 2017

**Bethany UMC, Lowes Crossroads, Sussex County DE.** The Church is rented to a local congregation

**Boyer's Chapel, Kent County MD.** No report.

**Christ UMC, Laurel, Sussex County DE.** The building was condemned in 2016. Black Dog Salvage of Roanoke, VA along with a film crew salvaged stained glass windows, pews and woodwork. The cornerstone was removed, and turned over to Centenary UMC in Laurel. The filming was edited for a one hour episode of the reality TV show, Salvage Dawgs which has aired. Remaining stained glass windows were boxed and stored in an adjacent church owned house for future sale. Most likely sale of the stained glass windows will be in the format of an on-line auction. The Conference Trustees proceeded to salvage electronic controls and the two commercial stoves, which were donated to The Christian Shelter in Salisbury. Everything that could be salvaged was. The demolition contract went to the lowest bidder, Swain Excavation, for \$145,000. Much of the granite from the church was repurposed as riprap along Broad Creek in Laurel. Three interested parties have expressed an interest in purchasing the site of the former church, and the adjacent house.

**Christ UMC, Upper Fairmount, Somerset County MD.** The church was declared closed. Membership records were delivered to the Nabb Center at Salisbury University to be digitized before being archived at Barratt's Chapel. The Conference Board of Trustees approved up to \$10,000 to repair the roof to stabilize the building and list it and the parsonage for sale with a realtor. The Church and parsonage were sold in early 2018.

**Eastlake UMC Wilmington, New Castle County DE** For many years the building has been rented to the Elise Brown Organization who operate a day care center in the building. They in turn sublease the sanctuary to a church. The lease agreement with Elise Brown will soon run out. The Trustees plan to have the property appraised, and placed on the market for sale.

**Ebenezer UMC, Townsend, New Castle County DE.** No report from the parties interested in maintaining the cemetery.

**First UMC, Quantico, Wicomico County, MD** (First UMC in Quantico was home of the first continuing Methodist Society on the Lower Easter Shore of Maryland. It was established by Freeborn Garretson in 1778, six years before the founding of the Methodist Episcopal Church.) The Church building was condemned by Wicomico County. The Conference Trustees contacted the Maryland Historic Trust to avert demolition and save the building for other uses. It was on further inspection determined that it is not a public safety hazard, and the demolition order was rescinded. A local S.T.E.M. teacher is working with a grant writer for funding to create a Cultural Arts Center for local Elementary School students.

**Liberia UMC, Marion Station, Somerset County, MD** The church was declared abandoned and the building was transferred to the Salisbury District Board of Trustees.

**Mt. Olivet UMC in Galena, Kent County MD** closed on June 18, 2017. There may be an interested buyer.

**Mt. Salem UMC, Old New Castle, New Castle County, DE.** After two meetings with representatives of an unincorporated 'Friends Group' the Conference Trustees voted to convey the property to the Friends Group after they have incorporated. The building will be conveyed as is, on the condition that the property boundary be surveyed at their expense. This was communicated to them, but no response was received in 2017. During the year a new gravestone was placed in the adjoining cemetery in memory of Corporal Baynard, who served in the Civil War, and dedicated on Old New Castle Day. Repairs were made to a small addition to the church to stabilize the property. Hearing nothing from the Friends Group, the Trustees approved placing the property for sale with a realtor.

**St. James, Methodist Cemetery, near Sherwood, Talbot County MD** No report

**Union Asbury UMC, Crisfield, Somerset County, MD** After contacting Salisbury District Superintendent, Fred Duncan, the Conference Trustees received a request from representatives of the Accohannock Indian Tribe, Inc. to acquire the property from the Conference Board of Trustees to create a Native American cultural center at that location. Their vision is to relocate their existing Cultural Center from the train station in Marion Station and enlarge the scope of the center with a research library and a museum in which to display their extensive Archaeological collection. The Union Asbury Building was built in two stages (1876, and 1929), and sits on two real estate parcels. The Conference Board of Trustees voted to transfer both parcels to the Accohannock Indian Tribe, Inc.

**Waters Chapel UMC, Marion Station, Somerset County MD** The property was transferred to the Salisbury District Board of Trustees and has been sold for use as a church.

**Westwoods UMC, near Gumboro, Sussex County DE.** The property was appraised. The realtor noted that the building is in good condition but the lot is very small and lacks room for a septic field. This severely limits how the building can be used.

#### Conference Owned Property

**Rental Properties:** The Peninsula-Delaware Conference owns two houses at 134 and 138 American Ave. in Dover in the same block as the Bishop Felton E. May, Jr. Conference Resource Center. At times the houses have been rented to Conference employees. Currently both houses are rented, and both tenants are in arrears on the rent. The Conference does not see any program needs for these properties. The Trustees will have the properties appraised, and will give the current renters the right of first refusal to purchase the property.

**The Bishop Felton E. May, Jr. Conference Resource Center:** The building is now 30 years old and in need of repairs that include, but are not limited to: raising sunken sidewalks to remove tripping hazards, replace gutters, replace tile floors, replace lavatory fixtures, and repair and repave the parking areas.

Respectfully submitted,

Earle N. Baker, Secretary

#### BOARD OF PENSIONS

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board is also represented on the Conference Investment Committee

that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees: The Insurance Committee, The Financial Seminar Committee, and The Pension Luncheon Committee. They meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 4 times a year.

The Board continues to seek balance between good health benefits and reasonable cost. Our current High Deductible Insurance Plan, coupled with Health Savings Accounts (HSAs) or Health Reimbursement Accounts (HRAs), continues to give us this balance.

Last year we passed a rate increase of 9% to churches and pastors. This year the increase was less than what was anticipated and therefore, the Board is not seeking an increase for 2019. The actual increase was 5.71%. Unfortunately, Medicfill premiums have reached the cap of \$2,400 per year, set at the 2012 Annual Conference Session. The billing of additional premiums was put on hold for 2018 to allow the Board of Pensions to seek alternatives. The Board is recommending that the Conference moved to providing a \$2,400 HRA account to each eligible retiree and their eligible spouse which they can use to purchase a policy offered through Wespeth Benefits and the Via Benefits Exchange. A number of Annual Conferences have already moved in this direction and have been pleased with the results. This will allow some flexibility for retirees to choose coverage that better matches their needs instead of the Conference offering a one size fits all plan.

#### **Accomplished Goals**

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2018 was increased to \$624 per year of service and was approved at Annual Conference.
4. We continue to monitor and rely on resources from our outside consultants to predict changes to the Health Insurance market and the impact it may have to our current health care plan.

#### **2018 GOALS**

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2019.
4. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost
5. The Board of Pensions will complete an actuarial calculation of the retiree healthcare liability in compliance with the 2016 *Discipline*.

## ISSUES OF CONCERN

1. The Board maintains reserves to help offset future health and pension obligations that would otherwise result in large increases that would pass on to the conference, the churches, and individuals. These reserves should **not** be viewed as pools of money to be tapped into for other needs or opportunities.
2. There continues to be concern that some churches are not meeting their obligation to pay their share of the pension and health insurance costs in a timely fashion. With this in mind, the Board of Pensions has elected to include in this report a list of churches with arrearages as of December 31, 2017. The Medical Grants listed are the result of the Cabinet requesting six such grants and the Pension Board approving this request.
3. The Board of Pensions continues to work with our health care consultants, (Mercer), reviewing our current health care plan and making adjustments in order to comply with the new regulations and changes resulting from the implementation of the Affordable Care Act (ACA).

## Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
  - A. Pastors leaving appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
  - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events
2. Each pastor is responsible to keep the Conference Business office and Wespath Benefits, formerly the General Board of Pension & Health Benefits, apprised of any changes to their designated beneficiary and current address.
3. Pastors can help contribute to the continued success of our health program by becoming familiar with and using the preventive benefits of our program.
4. Pastors may call the Wespath Benefits any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from [www.benefitsaccess.org](http://www.benefitsaccess.org) using a PIN provided by the Wespath.
5. A web page entitled "Conference Benefits" located on [www.pen-del.org](http://www.pen-del.org) is provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.
6. Our "Policy on Benefit Eligibility" can be found on the above mentioned Conference website.

**CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION (CCF&A)**

The officers elected at the July meeting were Lawrence Pelham, President, Rev. Alice Ervin, Vice-President and Lisa Hastings, Secretary. Rev. Ervin resigned during the year. We thank her for many years of dedicated service.

God continues to bless our Peninsula-Delaware Conference by providing for our financial and administrative needs. Let us celebrate together God's grace, love and care for the church.

We also thank each individual congregation, and every individual giver, for their giving and their faithfulness to the Covenant Plan. It is by the contributions of many that we are able to do the work of the church.

Total Covenant Funding Plan (Apportionment) receipts for 2017 was \$4,519K; \$86K below the Covenant Funding Plan budget of \$4,604K. The Conference continues to respond to the need to reduce cost and apportionments. The 2017 apportioned amount was \$31K less than that of 2016 and \$132K less than that for 2015. The shortfall (\$86K) was covered by utilizing fund balances from Boards and Agencies which at year end 2016 were in excess of 10% of the annual budget for that Board or Agency. Review of these year-end balances is a standard part of the annual budgeting process. Boards and Agencies with reasons to maintain higher balances are not affected.

We are also grateful for and celebrate giving by our local churches, members and friends to a great diversity of missions and UM connectional organizations. We highlight for this report giving to UMCOR of \$482K and Hope for the Children of Africa (\$88K).

We continue to monitor the progress of Pecometh Camping and Retreat Ministries. Conference and other grant funding has enabled Pecometh to make over \$350,000 in capital improvements. The capital campaign to upgrade Pecometh facilities and ministries and paydown the mortgage on the River View Retreat Center, has raised over \$816,000 towards their goal of \$1,025,000.

CCF&A also continues to monitor the ministry and financial status of the Neighborhood House, a Conference Affiliate with locations in both Wilmington and Middletown. They provide vital services to the poor and financially disadvantaged. The Neighborhood House has fully utilized the \$200K line of credit interest free for a loan period that has been extended to three years. The Board and Staff have had success in attracting new financial support and the organization is improving its operations. Challenges remain; however, working together we can continue to provide for those in need.

Apportionments are an important part of our Connectional relationship. They bind us together in supporting one another through District and Conference functions, provide support for our retired clergy, and support ministries throughout the peninsula, the country and the world that we could not accomplish as individual churches. The Conference and CCF&A continues to be sensitive and attentive to the financial status and needs of our local churches. One example is the continued effort to reduce apportionments. Another is to have an efficient Apportionment Adjustment process. The new approach developed in 2015, appears to have functioned well in its first two years. Every church that did not pay its full apportionments was reviewed by a district committee. Other churches requested a review. The majority of the data required for the review was provided by the Conference Office from the statistical data on file. Individual churches were instructed to provide specific information such as their vision, mission and their missional and financial outlook for the future. Working together, the district committee developed the recommended adjusted apportionments for the upcoming year. The recommendations of the district committees were forwarded to the CCF&A for approval or adjustment.

For 2018, a Covenant Funding Plan totaling \$4,702K was developed, recommended, and approved by Annual Conference. This represents an increase of \$98K or 2.3% above the 2017 Covenant Funding Plan. The amount to be apportioned to the local churches was approved at \$5,412,114, before adjustments, an increase of \$113K from the amount apportioned for 2017. The underlying assumption remains that the economy will gradually improve and local churches will be better able to fulfill their full share of Covenant Funding support. As mentioned above, Annual Conference apportionment adjustment requests, including mission churches, totaling \$470,978 have been approved for 2018.

Goals for 2018/2019:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference can be successful and can fully witness for Christ. Recommend to Annual Conference for adoption a plan for anticipated income and expenditures for 2019 which will support the conference in achieving its mission.

Carry out the administrative responsibilities as set forth in the *Book of Discipline*, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to broader challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

The CCF&A has begun a discussion concerning how to best educate our churches concerning financial matters. The thought is to develop a plan and goals for improving financial education, training, and operational support to facilitate improved financial management, operations and stewardship in our local churches. This effort would be inclusive and we hope to involve all our connectional members and resources.

Respectfully submitted,

Rev. Lawrence Pelham, President

#### THE PHILADELPHIA AREA COMMITTEE ON EPISCOPACY

This joint committee of the Philadelphia Episcopal Area consists of members from both the Peninsula-Delaware and Eastern Pennsylvania Conferences. The membership includes both laity and clergy and has representatives from all of the districts of the Episcopal area.

The committee meets four times a year with Bishop Johnson. Some meetings are joint meetings, others are meetings where each conference has some time with the Bishop alone and then both are together. Both have proven to be very effective.

The functions of the Episcopacy Committee are:

- To support the Bishop in the oversight of the spiritual and temporal affairs of the Church.
- To be available to the Bishop for counsel.
- To assist in the determination of the Episcopal needs of the area.
- To make recommendations to appropriate bodies.

The main task of the Committee in the past year was to evaluate and to encourage Bishop Johnson in her role as our Bishop. Both Conferences used the NEJ Episcopacy Committee's 51-question survey in 2017. Results are used to help support the Bishop in their administration of the spiritual life of the Conferences.

We thank both Conferences for their spiritual, emotional and financial support of the Bishop and the Episcopal Office, as she gives leadership to the almost 1000 churches in our area, and is involved in so many other areas of the larger Church and the world.

Respectfully submitted,

Rev. Scott McDermott

## WESLEY FOUNDATION AT DELAWARE STATE UNIVERSITY

**Vision Statement:** Connected Christians offering the Hope of Jesus Christ to today's World

**Mission Statement:** Cultivating Communities through our CALL: Connecting, Acting, Leading and Loving

The Wesley Foundation at Delaware State University is living into the fore-mentioned vision and mission through ministries supported by The Methodist Student Association. We are a connecting, acting, leading and loving community of faith that accepts all people, regardless of age, sex, race, nationality or sexual orientation.

### Connecting

The Methodist Student Association has been very successful connecting by starting the year by setting up a welcome table at the Organization Fair. It is at the Organization Fair that we have connected with countless students to share the vision and mission of the Methodist Student Association. Once connected, we stay connected by using social media as a means of communication. Social media has given our students the opportunity to volunteer for community service, as well as car pool to worship services on Sunday. Social media has also given us a platform to dialogue with one another regarding Bible study, books, devotions, and all types of social issues that they are experiencing.

Connecting the students to the local church, Centennial UMC – Smyrna, DE, has given our students an opportunity to worship in a loving and nurturing environment. Centennial has also provided a means for the students to connect with the homeless community at our Code Purple Sanctuary.

It is through our connection, The United Methodist Church, that our students have applied and received scholarships. Asbury UMC - Smyrna, DE has also contributed to our ministry by inviting our students to worship and by taking a special collection. Without a doubt our ability to connect has been a huge success in offering the hope of Jesus Christ in today's world.

### Acting

We have also been very successful in being involved in campus activities such as the homecoming parade, as well as, partnering with other campus ministries and their events. We have developed relationships with organizations such as Students Against A Godless Society, The Fairy God Sisters, and Alpha Nu Omega Sorority, Inc. These relationships and partnerships have contributed greatly in achieving our mission. Acting on our faith has also given us a desire to visit Sight and Sound in April to see Jesus. Watching the story of Jesus was a practical way for our students to see the life, death, and resurrection of our Lord and Savior Jesus Christ. This was also a way for our students to share the gospel with other students that were not able to attend. Roundtable discussions followed.

### Leading

One of our primary goals is to develop spiritual leaders. As a result, on November 3-5, 2017 a group of our students attended Exploration 2017 in Portland, OR. It was there that our young adults listened, discerned, and responded to God's call on their lives. The Methodist Student Association leadership dared to imagine what their gifts are for making a difference in their communities and the world. This three-day event gave our students an opportunity to explore what ministry in the United Methodist Church is all about. As a part of our visit to Portland, we attended workshops, gathered in small groups, worshipped and spoke with theological schools about the pathways to becoming a deacon or ordained pastor. On November 20, 2018, The Methodist Student Association led the way in volunteering for Asbury - Smyrna Community Thanksgiving dinner. It was there that over three hundred persons were served.

### Loving

The Methodist Student Association loved the community by setting up and serving at Centennial's Code Purple Sanctuary. They also involved the Youth of Centennial by inviting them to their holiday skating event. It was at this event that they became acquainted with Smyrna Middle and High School students. It was during this event that they were able to share their college experience as well as their future hopes and dreams.

The Methodist Student Association has also demonstrated a deep love for Christ and one another. During the second semester, the students met to discuss and develop a covenant agreement on conduct and attire within the organization. This level of maturity has not existed in past years. This year's group was determined to show their love for Christ and one another through by setting a standard.

Our students have grown and continue to grow in their faith, love of God and love of neighbor.

### ANNUAL CONFERENCE REPORT 2017-2018: SALISBURY UNIVERSITY WESLEY FOUNDATION

This has been a difficult year for the SU Wesley Foundation. It began with healthy conversations about positive changes that the pastor and student leaders would like to make for the benefit of the group's student population. This year, we elected to:

- Begin men's and women's small groups to meet weekly
- Increase our focus on United Methodist themes
- Establish guidelines for Bible Study meeting timeframe to create a more uniform procedure
- Focus on student leaders taking the initiative to welcome students
- Hold more fellowship-focused events and create a Fellowship Chair position in group leadership
- Maintain our commitment to group discussion in Bible Study

The program made great strides in becoming well-known and effective in its Christian mission on the SU campus. In the Fall 2017 semester, the group was able to:

- Hand out goodwill popsicles at Freshman Orientation
- Gain many new student members from our Activities Fair booth
- Bring in 2 guest teachers for our Bible Study
- Experience faithful fellowship and create relationships with new students

Despite agreement with these changes and an initial positive response from student leaders, dissent arose as the student president of the organization stepped down due to interpersonal issues. This instilled doubt in the remaining student leaders, who questioned their commitment to the agreed-upon changes. Student leaders refused to meet and hold Bible Study on 3 separate occasions in the Fall 2017 semester and to give authority to the Pastor to hold the study without them present. The student leaders became increasingly unwilling to compromise and to allow the Pastor to expand their vision for the program, regardless of multiple meetings on the matter and attempts to increase collaborative efforts.

On Nov. 7, 2017, SU Wesley Foundation Board of Directors approved DS Fred Duncan's proposal to close down the campus ministry due to non-collaborative and untrustworthy student leadership and the program's failure, despite pastoral efforts, to function in line with the *Book of Discipline*. Shortly thereafter, student leaders contacted Pastor Kelly Conner and informed her that they had decided to step down from the program, effectively ending its status on campus as a Registered Student Organization

(RSO). The Pastor explained to them that the Conference had already decided the matter, and that one last meeting was to take place the following Monday, during which the group enjoyed fellowship with its student membership and expressed its hope for a Methodist connection on campus in the future.

### WESLEY FOUNDATION AT THE UNIVERSITY OF MARYLAND EASTERN SHORE

The Wesley Foundation at the University of Maryland Eastern Shore is offered as a Christian Fellowship. It should be noted that the organization does not discriminate against other denominations that would like to join. However, it is important to emphasize the Wesleyan heritage especially for students who have a United Methodist background. Nevertheless, some students find it feasible to attend other Christian organization events as well.

The Executive Director/Campus Minister made an effort to address the students who attend worship at Metropolitan United Methodist Church, Princess Anne to recruit and offer them the opportunity to join Wesley Foundation on the campus. They were also invited to attend the UMES Gospel Choir rehearsals for recruitment purposes. In an effort to recruit additionally students and provide increased awareness of the Wesley Foundation organization, the Executive Director/Campus Minister attended the "First Look Fair" where a recruitment table was set up in the Student Services Center that contained information relative to Wesley Foundation, e.g., a display board advertising the ministries the organization offered, brochures, business cards, Christian resources, and a sign-up sheet. As a result, 23 students were recruited to join Wesley Foundation at the Fall Semester, First Look Fair. Further, after supplying recruitment materials a display table was set up in the Student Services Center by the Director of Student Conduct and Community Standards in an effort to make parents aware of the Wesley Foundation organization during "Parent Weekend."

During Spring Semester 2018, students were offered the opportunity to attend the Sight & Sound Theater in Lancaster, Pennsylvania to see "Jesus." It should be noted that students do attend churches in and out of the area, but they are also encouraged to develop a local church partnership not only with Metropolitan United Methodist Church but with Wesley Temple United Methodist Church as well because the Executive Director/Campus Minister is in appointment to the Wesley Temple congregation.

Goals for future semesters will be to continue the Salisbury Urban Ministry Christmas Project (SUM); partner with Alpha Nu Omega, a Christian Sorority; a Bible Study is planned during the University Hour on Tuesdays or Thursdays; plans for the Fall 2018 Semester is to encourage students to plan and attend a Wesley Foundation Day Service to be held at Wesley Temple United Methodist Church in conjunction with students who attend Metropolitan UMC. This service will be held on a designated fifth Sunday. Additionally, Christian resources and a devotional reading such as "The Word For You Today" and "The Life Book" will continue to be distributed to all students connected. Further, students are encouraged to focus on their leadership skills and abilities by attending and participating in workshops, training events, Fall and Spring retreats, fellowship, and other Christian Education opportunities offered by The United Methodist Church. Students were invited to attend "The Young Adult Summit" sponsored by Strengthening The Black Church and The Vision Team.

In lieu of the above, it is believed that the Wesley Foundation on the campus of the University of Maryland Eastern Shore will strive to create a more intense and diverse group of students where they can be more interactive with Annual Conference events, seminars, retreats, and worship encounters with God. It has been observed that Wesley Foundation on the campus of The University of Maryland Eastern Shore needs to be more attentive to living out its true meaning through study and the use of resources that have been developed for campus ministry as it pertains to The United Methodist Church.

As stated in a previous conference report and serves as a reminder that in past years, it has been discovered that Campus Ministry is a sporadic ministry and takes patience and encouragement. Since this is not a new role for the Campus Minister/Executive Director, an effort continues to be given, with the assistance of the Vice President for Student Affairs, to reorganize this ministry so that it will become a respected organization that reflects the light of Christ through the recruitment of additional students who are committed to serving in a Christian Fellowship environment. Consequently, Wesley Foundation at The University of Maryland Eastern Shore welcomes the opportunity to receive referrals from United Methodist congregations and other denominations as well. Networking, consulting, and advising plays a prominent role in achieving the goals of the campus ministry.

Finally, and in keeping with the Vision of the Annual Conference, prayerfully all services, events, training, and activities will connect a diverse group of students so that being "Connected Christians offering the Hope of Jesus Christ in today's World" will live out the vision of the Peninsula-Delaware and continue to be invigorated by Hebrews 10:24-25 (NLT) says: "Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near."

Executive Director/Campus Minister  
Rev. Dr. Bernadette M. Beckett

### 2017 Narrative

**Discipleship** – During the winter we worked with the other URLO campus groups on the "Better Together" curriculum meant to help various expressions of our faith to share and grow together in service. Our Fall Retreat was focused on community, and how we build meaningful Christian community together that can lift up our current members while also calling to those on the outside.

**Worship** – We have some students who attend the liturgical services, but most can be found in the SonSpirit contemporary service. There is currently one Wesley student in the praise band, and we have an organist, too. The people of Newark UMC continue to be on the hunt for college students and help new ones find their way to the Wesley Student Lounge to be included. Students continue to lead in worship as liturgists. Wesley Sunday was a great success involving 12+ students who conducted all 3 services with a Christian A Capella group, organist, and also singers in the praise band. We hope to have the opportunity to repeat the service for other churches throughout the conference. Let us know if your church would like to have a Wesley Worship service.

**Social and Outreach Activities** – We passed out over 300 freeze pops to the UD Marching Band during their band camp and to the adjacent Rugby team during their practice. You have never seen a group of focused athletes melt faster than when they asked their coach if they could stop practice to have freeze pops. We handed out 1,600 bottles of water on Freshmen Move-in day, and hundreds of Root Beer, Grape, and Orange Soda floats. We do what we can for our presence to be felt on campus, and let people know they can learn and grow in their faith.

We never run out of ways to have a good time. Our social events include apple picking, games on the Green, a Halloween Party, going to the trampoline park, opening night at the Blue Rocks, and attending the premiere of "The Last Jedi." All of these remind students that they can have fun without alcohol being involved. They vary in attendance from 8 to 15, but are always greatly appreciated. Our End of Semester Movie Night and exam survival bags continue to attract a good group each year. We hope that our table at the Youth Rally will allow students to connect with a campus ministry wherever they go to college, and remind youth leaders that campus ministry should be the next logical step in their youth's faith journey.

**Missions** – God still surprises us with new ways to serve in our local community each year. We traveled to Tarboro, NC for our Spring Break mission trip where we aided multiple families in the process of rebuilding their ruined homes after the floods of Hurricane Matthew the previous year. Our students did a number of jobs, including insulation in crawl spaces, frame work, and general clean-up.

**Pastoral Role** – Starting July 1<sup>st</sup>, 2017 Rev. Ward Mesick moved to an interim position as Executive Director and Campus Pastor for the following school year. At this time, we have decided to move forward with hiring an Administrative Director, who will focus on financial and administrative duties while Rev. Mesick continues to serve as the Campus Pastor and focuses on hands-on ministry with the students. We continue to look for ways in which the Wesley Foundation can extend our reach over the UD campus and reach out to more students.

**Capital Improvements** – We have completely renovated the student lounge and the office has undergone significant change in the past year as well. Our old computer finally died, so we were forced to find an upgrade.

**To Sum up** – We hope and pray that this Christ centered spirit of the group continues to attract new students to experience God's love and grace in the midst of a great group of people. Each year brings a new crop of students who come looking to grow in their faith and love of God. Please pray for us as we endeavor to bring the love of Jesus Christ to our community.

### 2018 Goals

### BOARD OF CHILDCARE

Last year we updated you about the early stages of our three-year strategic plan to transform Board of Child Care (BCC) from a care provider to an impact maker. We have had an incredible, transformative year as we focus on our purpose: **Enriching communities, one family at a time.**

We have focused heavily on organizational alignment - our first strategic goal. Our staff and Board of Directors worked to align policies, become more data driven, and challenged the "why" about our practices and procedures. We are committed to living out our purpose as a trauma-informed organization guided by our core values of safety, integrity, empathy and impact.

What a difference those conversations and efforts have made. BCC is becoming more flexible and nimble as we transform how we deliver services to some of the most vulnerable and underserved populations in the Mid-Atlantic.

Becoming a leader in our communities by bringing change makers together is also part of our strategic plan. We are very proud to report that these meetings have resulted in brand new programs, including from our Denton, MD campus.

Another example from is that BCC will be providing a specialized training called Mental Health First Aid for Camp Pecometh staff and volunteers. The course helps build participants' mental health literacy as well as helps them identify, understand, and respond to signs of mental illness or crisis.

We are also pleased to report that our accreditation renewal from the United Methodist Association's EAGLE (Educational Assessment Guidelines Leading toward Excellence) commission successfully took place in 2017. BCC pursues nationally recognized accreditations to ensure its programs and operations meet and exceed industry best practices.

In addition to accreditation from EAGLE, BCC received two nominations: one for best practice and one for innovation. The first is for workforce and leadership development in assisting employees with career advancement resulting in employee promotion and retention. The second, given to acknowledge a creative and unique approach to ministries, recognizes the large effort to help staff, youth, and families with their Christmas shopping by allowing clients and families to shop for others. The "Christmas Store" gives dignity to children and their families to engage in the spirit of Christmas giving.

The support of congregations and individuals across the conference remains a cornerstone of BCC's ability to provide positive family experiences for our program participants. I am thankful to each one of our donors, volunteers and groups for the many ways they engage with us and make these smiles and memories possible.

Thanks to all of you, BCC is making a difference in the lives of countless children, youth and families. We invite and encourage you to engage with us. Get started at [boardofchildcare.org](http://boardofchildcare.org).

With immense gratitude,

Laurie Anne Spagnola, President and CEO

### **NEIGHBORHOOD HOUSE INC.** **HOUSING DEPARTMENT HIGHLIGHTS**

#### **Here are the Highlights for the Housing Department for 2017.**

The year 2017 has been a tremendous struggle for homeowners seeking modification on their mortgage to remain in their homes due to two factors:

- 1). Houses are underwater, meaning they owe more than the houses are worth
- 2). Loss of income.

The Housing Counselors were able to advocate and put a financial package together to present to the lender's Attorney so that clients can remain in their homes. We were able to successfully keep 66 families in their homes by providing the needed resources and counseling.

Counselors also attend twice a month to the States court mandatory mediation process administrated by the Department of Justice in conjunction with the Delaware Housing Authority. Mediation provides clients an opportunity to meet face-to-face with your lender's Attorney and work towards a mutual agreement in order to avoid foreclosure. Homeowners in Delaware who have participated in the mediation program have benefited from the program and it gives owners a voice in the foreclosure process.

Neighborhood House Inc. has partnered with many realtors and lenders in Delaware to provide a holistic approach in successful homeownership. By providing monthly

Homebuyer Education classes and guidance through the mortgage process and down payment settlement assistance and assisted 42 families in purchasing their homes.

23 families were assisted with credit building and rebuilding programs to be able to purchase a home in the future, these families remain in our financial capability counseling sessions.

In 2017 we were able to provide comprehensive counseling to 254 families in rental, credit, pre-purchase, or homeownership.

Monthly Homebuyer Education classes are held on the first Saturday of the month with approximately 20 participants attending. These participants are given information needed to prepare for mortgage readiness and documentation preparations.

Quarterly Financial Workshops are held in the community with approximately 20-25 participants, these classes are held in Spanish and English.

The Housing Department has partnered with the Wilmington Housing Authority, Police Athletic League, Route 9 Innovation Center, Westside Neighborhood Coalition, to prepare their residence and community with Homeownership and/or credit rebuilding. Currently we have 86 residences from WHA that we are still working with, 6 of these residences have already purchased their homes in the City of Wilmington.

The U.S. Department of Housing and Urban Development audited the program and findings were that we were in compliance with HUD rules and regulations and we received approval as a Local Housing Counseling Agency for 3 years. We are allowed to provide the following services:

- Pre-Purchase counseling
- Financial Management/Budget Counseling
- Pre-Purchase Homebuyers Education Workshops
- Mortgage Delinquency and Default Resolution Counseling
- Non-Delinquency Post-Purchase workshops
- Predatory Lending Education Workshops
- Fair housing Pre-Purchase Workshop
- Rental Housing Workshops
- Financial, Budgeting, and Credit Workshops
- Resolving/Preventing Mortgage Delinquency Workshops
- Rental Housing Counseling

The housing staff is bi-lingual in Spanish and English and has been out-reaching in the City of Wilmington. We hold community meetings at St. Paul's Catholic Church, attend Civic group meetings to address the communities housing concerns and programs we offer at Neighborhood House Inc.

We measure our success by the number of families who obtain, sustain and retain their homes.

**Success Story:**

Last year, S. T. was having disciplinary difficulties in school and in the School-Age Program as well. He was consistently involved in confrontations, and fights, with other program participants. The staff discussed this issue with S.T. during the ending of after-school in the spring, during the Enrichment Camp in the summer, and also when school commenced at the beginning of the New Year. Gradually, it seems that messages conveyed by the staff during their discussions, resulted in a positive change in S.T.'s behavior.

Today, S.T. is an active member of the Neighborhood House "Cub Scouts." And he had an opportunity to lead his troop at a dinner hosted by Wilmington's Mayor and Delaware's Governor. His school performance has also gained a benefit, and he has earned the highest grades of any School-Age Program participant. The staff is extraordinarily proud of the growth S.T. has displayed this year. He has increasingly become a role model to his peers and especially to the younger participating children. This is a positive example of how one child's actions can have a "trickle-down effect" on other children.

**Wish List for the After-school Program and Summer Enrichment Camp**

(1) More in-house staff training; (2) Additional program funding; (3) Qualified math and language arts tutors; (4) Funding to hire staff with child care licensing qualifications.; (5) Programming Specifically for Girls & Middle School; (6) More Prevention Programming; (7) Continue collaborations with school and teachers; (8) Better understanding of issues affecting participating youth and their families; (9) Consistently recognize and award (staff; youth; families; volunteers; mentors); (10) Childcare (Babysitting) for parent meetings, events, trainings, etcetera and (11) Begin program enrollment process four months than last year (May 2108).

**Gender Last 12 Months**

- Males: 4,960.1 - - 45.8%
- Females: 5,869.9 - - 54.2%

**Ethnicity/Race Last 12 Months**

- Black/African American: 8,469 - - 78.2%
- Hispanic/Latino: 791 - - 7.3%
- White/Caucasian: 357 - - 3.3%
- Multi-Racial (more than one race): 986 - - 9.1%
- Other/Unknown: 227 - - 2.1%

## Program Summary Services:

**School-Age Program (ages 5-12):** Licensed for childcare by the State Office of Child Care Licensing (OCCL). Provides a safe place for children (before-care; after-care; school days-off) whenever their parents are not home. Provides children with nutritious meals/snacks and activities such as tutoring/homework assistance, mentoring, enrichment trips, recreation/leisure, workshops, computers, reading programs, and family involvement. NOTE: Dinner provided by the City of Wilmington's "Food Program."

**Academic Support:** Students must meet State attendance requirements to be promoted to the next grade level. Therefore, excessive student absences and suspensions jeopardize student promotions. Teachers, counselors, and volunteer mentors help monitor student behavior in a timely manner. Youth also receive academic support after-school including tutoring, study-groups, and homework assistance (e.g., math; language arts; reading; computers; reports; writing; etc.). NOTE: Dinner provided by the City of Wilmington's "Food Program."

**Recreation/Leisure:** Recreational and leisure activities are ways to help maintain teen interest and ways to provide alternatives to unproductive behavior. These include activities such as arts & crafts, skating, movies, bowling, open gym (i.e., basketball), concerts, special events, board and computer games.

**Extended-Hours (ages 13-18):** Several studies have confirmed the positive relationship between extended-hour program involvement and juvenile crime. This program offers youth structured (supervised) activities in a safe environment. Programming engages youth in year-round recreational and enrichment activities to increase their chances of making healthier life choices and decrease their chances of becoming involved in delinquent/risky behaviors. NOTE: Extended-Hours programming is now part of the Youth Development Empowerment Center where youth can; (a) Use computers for research and education; (b) Participate in job-readiness programs; and (c) Connect with vocational and training mentors.

**Mentoring:** Volunteer adult mentors will help youth gain educational, emotional, and social awareness. Youth will be provided chances for positive exchanges with mentors and learn to connect school to their future success. Literature indicates that youth are more likely to do better in school, and less likely to become involved in risky behaviors, when they experience positive strong-bonding relationships with adults.

**Youth Incentives:** One of the greatest programming challenges is to create and maintain interest among youth who have experienced limited success. Experiential learning activities are ways to help maintain interest and also allow youth to earn incentives such as trips to special events and amusement parks.

**Family Involvement:** Families face challenges on a daily basis including single-parent households, divorce, illness, unemployment, and housing. Family involvement is a key component to the success of participating youth. Family involvement includes activities such as social gatherings, support sessions, community events, and family-related training. Support groups help parents understand the importance of their involvement regarding their child's education.

**Workshops/Seminars:** Workshops and seminars will address the holistic wellness of participating youth and will help them understand the consequences of risky behavior. Local organizations will present information regarding topics such as HIV/AIDS, college/careers, nutrition, hygiene, crime, violence, anger/conflict resolution, and substance abuse. Youth will visit local medical facilities offering free and affordable wellness services. NOTE: Youth will explore topics as age appropriate.

**Summer Enrichment Camp (ages 6-12):** Provides youth positive daytime activities for nine weeks during the summer break from school. It includes recreational, cultural, and educational programming. NOTE: Breakfast and lunch provided by the City of Wilmington's "Summer Food Program."

**Boy Scouts of America:** The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Scout Law. Eagle Scouts can also earn various scholarships.

**Positive Action Program:** This year, an evidence and research based program (Positive Action) will be administered to help tract and support student performance. Positive Action has demonstrated that it reduces and prevents multiple forms of violence, bullying, and other disruptive behaviors. It was selected because of its high rating, adaptability to community based youth programs, and ability to provide consistent yet age appropriate lessons. The program features scripted lessons that are easy to prepare and teach. Positive Action is based on the intuitive philosophy that we feel good about ourselves when we do positive actions. The Thoughts-Actions-Feelings Circle (TAF) illustrates how this works in life: our thoughts lead to actions and those actions lead to feelings about ourselves which in turn lead to more thoughts. When this cycle is negative, students do not want to learn. The essence of the program is to emphasize those actions that promote a healthy and positive cycle. The Positive Action Program works through these concepts:

- (1) **Self-Concept** – The program starts with helping students identify themselves and understand their Self-Concept;
- (2) **Positive actions for your body and mind** – As students learn to identify their Self-Concept, the program introduces the positive actions for the body and the mind. The lessons are reinforced with activities and materials included in the Kit;
- (3) **Managing yourself responsibly** – Positive actions also include behaviors and habits that contribute to a positive life. Students will learn how to identify their skills and effectively manage their time and resources;
- (4) **Treating others the way you want to be treated** – The program shifts from introspection to social interactions. This series of lessons reinforces positive social skills and key concepts through puzzles, posters, and role-playing;
- (5) **Telling yourself the truth** – Students will learn that being honest with yourself is one of the most important positive actions. Lessons in self-honesty help students identify the areas they would like to improve;
- (6) **Improving yourself continually** – With the skills developed in Units 1-5, students learn that improving yourself is a continual process. Students learn how to apply Positive Action in all areas of their life.

It is noteworthy that the School-Age Administrator has over 40 years of experience and expertise in education, training, program, and staff development.

### WESLEY THEOLOGICAL SEMINARY ANNUAL CONFERENCE REPORT 2018

Wesley Theological Seminary, located in Washington, D.C., continues to equip the next generation of Christian leadership for the church and the world. As a United Methodist seminary, we form students to lead innovative ministries while remaining grounded in our biblical and theological traditions.

Whether you are clergy or laity, an alumnus or a prospective student, looking for master's or doctoral work or continuing education or simply deeper biblical knowledge, Wesley wants to support you in your current and future call to ministry. Here are a few ways Wesley can help you grow in faith, wisdom, and ability.

#### ***Expand your leadership skills***

Wesley's internationally respected **Lewis Center for Church Leadership** is a key resource for cutting-edge church research and disciple-growing strategies for the local church. Under the directorship of the Rev. Dr. F. Douglas Powe, Jr., the Lewis Center's *Leading Ideas* e-newsletter, reaching almost 20,000 people in ministry each week, has

launched its new podcast – *Leading Ideas Talk*. Sign up or listen at [www.churchleadership.com/](http://www.churchleadership.com/)

The **Institute for Community Engagement at Wesley** continues its innovative **online Health Minister Certificate Program** from Heal the Sick to prepare congregations for public health work in their parishes. Some scholarships are available for this program. Contact Tom Pruski at [tpruski@wesleyseminary.edu](mailto:tpruski@wesleyseminary.edu) for more information or to register for future certificate classes.

Wesley also offers opportunities for individual study without pursuing a degree. The **Certificate in Faith and Public Life** explores the foundations of public theology, religious freedom, and civil discourse through graduate courses. For more information, visit [www.wesleyseminary.edu/fpli](http://www.wesleyseminary.edu/fpli).

A **Certificate in Wesleyan Studies** is available online via the **Wesley Theological Seminary Lay Academy**. Topics include United Methodist identity, early church history, Christian ethics, interfaith relations, and the intersection of faith and science. The courses can also be taken for personal education and enrichment. More information can be found at [www.beadisciple.com/wesley/](http://www.beadisciple.com/wesley/).

#### ***Take your ministry to the next level***

Div. program**, students enter ministry with less debt after earning their degree in 6 years. **Learn more at [www.wesleyseminary.edu/3+3degrees](http://www.wesleyseminary.edu/3+3degrees)**.

**Wesley's Master of Divinity degree can now be completed via online, weekend, short-term intensive, and weeknight courses in 5 years.** This format is designed to be more accessible to those with busy ministry, work, and/or family commitments throughout the region. The Wesley Innovation Hub is made possible by a generous grant from the Lilly Endowment.

In a time of polarization, the **Center for Public Theology**, under the leadership of Distinguished Professor of Public Theology Mike McCurry, continues to equip pastors, seminarians, people of faith, and the media to create spaces for civil dialogue at the intersection of religion and politics. The Center also provides events, such as the Wesleyan Political Theology Project, to help faith leaders lead prophetic, open dialogue in their communities.

**For more information, visit** <http://www.wesleyseminary.edu/ice/programs/public-theology/>.

The **Luce Center for Arts and Religion** remains the only seminary-based program uniting arts and theology. ## 2018 Peninsula-Delaware Conference Statistical Report

Rev. Tracy Mooney and Rev. Tom Pasmore, Conference Statisticians

If there is anything that we United Methodists are good at, it's collecting data. Since the days of John Wesley we have been counting the people and the resources that make our ministries go. We are a people that pay attention to our numbers. The question that we must answer is what to do with all these data that we have collected. We think these numbers help us to tell the stories that are import to individual congregations and to the Connection. Looking at the changes between 2017 and 2016, these stories begin to emerge from the numbers. For example, we can easily see a \$300,000 increase in missions giving between last year and this year. This is almost entirely from additional giving to the General Advance Specials line item in the report, and represents the help with hurricane recovery across the United States that we provided last year. Your compassion and generosity fueled an amazing surge in giving across the Conference. We need to celebrate this. In addition to the increase in giving, we also sent additional VIM short term missionaries to projects in the US and around the world. Jesus Christ is at work through the people and resources of your congregation.

We have also seen a significant increase in Sunday School attendance and the number of small groups meeting on a weekly basis. Part of making disciples for the transformation of the world is developing a process in our congregations to make disciples. What better place to teach Bible study and spiritual formation than in small group or Sunday School setting? This is how discipleship is shared most effectively. The people who are active in small groups in your congregation are the ones that are growing in faith and living into the will of God through the power of the Holy Spirit. We should rejoice in what God is doing among us through these ministries.

We also have to acknowledge that there are also stories of loss too. We see loss in total membership and loss in average worship attendance. Our numbers are shrinking and this has real implications for the way that we choose to be The United Methodist Church. What has to change? How are we going to move forward? These are questions that need to be answered within the context of each congregation. We invite you to reflect on what has happened in your congregation over the course of the last year and find both a story of blessing and a story of challenge to share with the congregation. The two constants of church life are change and love and presence of Jesus Christ in our midst. We give thanks for what God is doing, and we ask for God's help with our struggles.

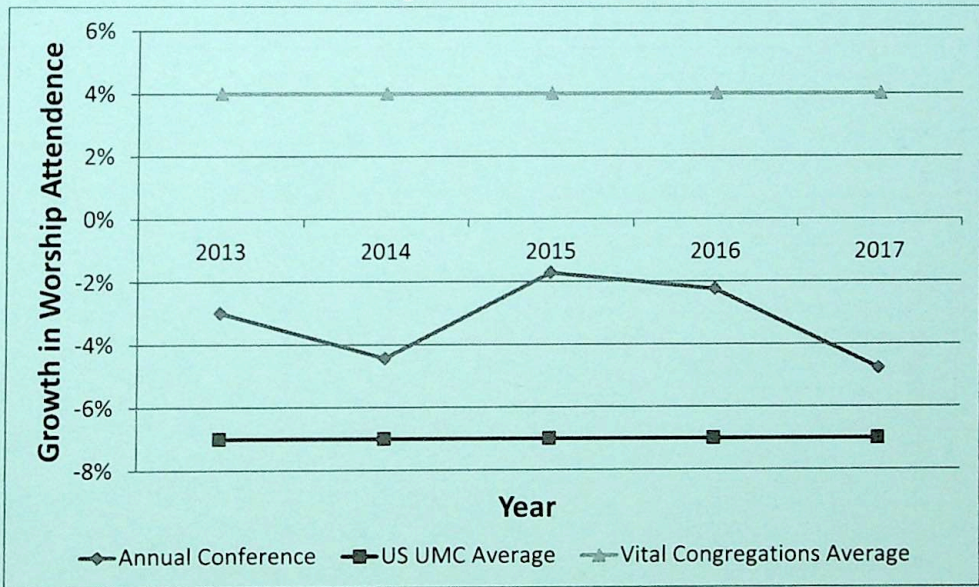

To remind you of what we presented last year, we have continued to use the Five Markers of Vitality as defined by Vital Congregations research conducted by Discipleship Ministries. On the following pages are the graphical data representing growth or decline in each of these areas. Each graph contains three distinct lines. The Annual Conference line is the data from the statistical report of the Peninsula-Delaware Conference, the US UMC Avg line shows the average for the denomination in the United States, and the Vital Congregation line shows the average for congregations in the United States that have been classified as Vital Congregations. Please review what you see here and talk with the folks in your church at home about it. We have also included some additional data on new members and the summary report for the Annual Conference with the comparison for every category with the previous year. The data for your local church are available to you through the EZRA website (<http://ezra.gcfa.org>). You can do this same analysis on the numbers for your congregation, and see how you compare to the Conference and the Connection.

### **Sarah Grace Gardner Nechay**

Sarah (Sara) Grace Gardner Nechay (McWilliams) was born at Stockley Center in Georgetown, Delaware on January 29, 1938. Her mother was Elva E. Ford and her father was Harvey W. Gardner. At four years old she was placed in her "forever" home with foster parents Oscar and Florence Cohee. Sara attended Felton High School in Felton, Delaware, graduating in June 1956.

In 1957 she married Noel Nechay. Together they had four children—Cynthia (Cindy) Nechay Buniski, Pamela (Pam) Nechay Walton, Mark A. Nechay and Gregory (Greg) S. Nechay. After almost 30 years of marriage, Sara and Noel divorced.

On August 9, 1986 Sara married Samuel C. McWilliams, a minister in the Peninsula-Delaware Conference. Sam and Sara began their journey together in Georgetown and over the years they served in churches throughout Sussex County, Delaware and the Eastern Shore of Maryland.

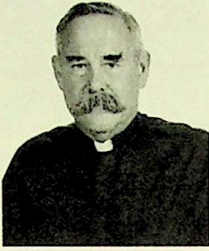

Sara was a lively, colorful, and happy person. Singing was her passion and her avocation and as a pastor's wife she had the ability to help design the music liturgy at each church in which she and Sam served. Oftentimes she took a central role as either choir director or weekly soloist. It is impossible to know the number of times Sara sang at baptisms, weddings, and funerals in churches in the Delmarva area but the number has to be in the thousands. She gave of her time freely and also sang for nursing home residents and for other non-profit groups.

Rebecca (Becky) Pierce, a Zion United Methodist Church (Salisbury) parishioner and a friend of Sara's provides a warm perspective on Sara's impact as a minister's wife. "When Zion welcomed Reverend Sam & Sara McWilliams we had no idea the gift that we had been given. They became a part of our Zion Family and that bond lasted over the rest of their lives. Sara was a true partner in Reverend Sam's ministry and participated in services with song and support. She often sang when a child was christened. She even continued to drive and read scripture for Sam when he became blind but had been called back to a church to preach a service. Sara was a wonderful helpmate to her husband in ministry throughout all their years together."

Becky continued, "Sara never knew a stranger and kept in touch with her old friends as she gathered new ones. When Sam and Sara would leave an appointment at one church, they would gather new friends at the new appointment. It was like a huge snowball that kept growing as it rolled along! As the years passed they attended festivals, services, etc. at the churches where they had served as well as visiting many of their old friends. Sara was a wonderful friend, a helpmate to her husband, a joy to a stranger. And even as she suffered from cancer in her last months, she kept a beautiful smile on her face and was accepting of her condition."

After a three year battle with lung cancer, Sara died in Easton, Maryland on Tuesday, June 20, 2017. She was 79 years old.

### *William Randolph Page*

William Randolph Page, born on December 27, 1928, in Harlingen, Texas, to Jack L. and Willester (Schubel) Page, graduated from McAllen High School in 1947, and enlisted in the United States Marine Corps. After serving as a Combat Correspondent and an honorable discharge in 1950, he married Sally Jean Van Duesen in Watertown, New York. Together, Bill and Sally had five children, but the marriage eventually ended in divorce.

In 1951, Bill joined the National Security Agency (NSA) where he served for 34 years a "Cryptologist in Russian." He was highly commended by his superiors for his vast knowledge and leadership skills. While working for the NSA, he attended night classes, a few courses at a time, and earned a B.A. at the University of Maryland (1979); an M.A. at Georgetown University Graduate School (1981); and an M.Div. at Wesley Theological Seminary (1985).

After his divorce, Bill met and married Constance J. Hughson, widow of a Methodist minister. She was a local preacher studying at Wesley Theological Seminary. Unfortunately, Connie passed away after only 10 months of marriage. As a result of this experience, Bill felt the call to ministry and entered the ministry program at Wesley Seminary. After Connie's death, Bill married one more time to Laverna J. Sullivan, Administrative Secretary to the District Superintendents of the Baltimore Conference, on February 14, 1982, in Washington Square UMC, Hagerstown, Maryland.

Bill, as a ordained Deacon, served a Associate Pastor at Laurel First UMC, in Laurel, Maryland in 1984; Pastor at St. Paul UMC, Sykesville, Maryland in 1985; transferred to Texas to serve St. John UMC in Rio Grande City in 1986, where he was ordained an Elder. He transferred to the Peninsula Conference to serve the Nassau Charge in 1990 and retired from the ministry in 1992. He returned to Texas and served as supply pastor at Zapata UMC, Zapata, Texas for two years more.

In 1995, Bill was appointed the first Municipal Court Judge in Rio Grande City where he served for three years. He eventually retired for health reasons.

Of Bill's several hobbies, he most loved playing the bagpipes. While serving overseas with the NSA, he played the pipes for the Emperor of Japan and for the Queen of England.

Bill is predeceased in death by his parents, his former wives, Sally and Connie, and his younger brother, Jackie. He is survived by Laverna, his wife of 35 years; his five children, William R. Page, Jr (DiDi), Patricia (Jeff), Susan (David), Julie (Mike), Martha (Wes); two step children, Martha Jones and David Hughson (Susan); his sister, Mary Ann Gray, and many nieces and nephews.

Bill went to be with the heavenly saints on November 2, 2017 after a long, complicated battle with Parkinson's disease and dementia. He died at his home with his wife by his side. Cremation followed with a beautiful memorial Service at the Rio First UMC in Rio Grande City, with Rev. Joh Herrin officiating.

Bill leaves a legacy which shows a person who loved God and who lived his life attempting to use all the power, love and potential God had bestowed upon him. His faith and love sustain his wife Laverna J. Page.

### **Robert J. Power**

Robert J. Power (Bob) went home to be with his Lord and Savior on February 6, 2018. Bob was a committed Christian who believed in living the golden rule. An active member of Kingswood UMC, he was especially committed to mission projects.

Bob was born April 4, 1942 in Hoboken, New Jersey to Florence (Kay) and John Power. He was preceded in death by his parents and step son David Pedersen. Surviving Bob are his wife Ginny, his sister Jean Steinmetz, her husband Bob Steinmetz, and their daughters Lisa and Valerie, as well as, his biological children David R. Power and Elizabeth D. Power (Betsy), and stepdaughter Elizabeth A. Pederson (Beth).

He married Virginia Thompson, (Ginny) on February 9, 1985 and that brought two more children into his life, David T. Pederson and Elizabeth A. Pederson (Beth). Bob and Ginny raised numerous other children through formal foster care and in later years, through informal spiritual placement, helped adults with housing and other support as needed to find God's path for their lives. Some of those people have remained an active part of the family. Two God-chosen children have been especially important family members that Bob viewed as another daughter and son in his life, Lori Kraus and Jack Cornell. He had the joy of walking Lori down the aisle on July 1, 2017 when she married Jack.

Close family relations and a sense of family were ingrained in who he was as he and his sister Jean were very close and they enjoyed living physically close to their five cousins. All seven cousins enjoyed seeing each other frequently while growing up.

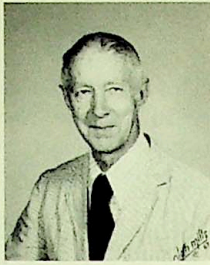

Bob received both his Bachelor of Science and Master's Degree in Chemical Engineering at Columbia University. He also received an MBA at University of Delaware and completed all the course work for his PhD at George Washington University, but felt led to do more to serve his Lord instead of completing his final thesis.

He was able to use his blessings of Asperger's during his 20 years at DuPont, utilizing his analytical mind and specializing in problem solving as he handled 21 different assignments. He was able to find functional solutions and implement all the detailed steps to productive results.

A gifted professor, Bob realized that teaching was his true calling while teaching business courses at Wilmington College Graduate Center. He also taught math and was a brilliant mathematician. He had the ability to explain problems from basic algebra to Calculus in terms his students could understand. He also designed and wrote math text books and work books that are in the process of being published to help many students beyond his direct reach. Since Bob did not ever want to retire, he was still tutoring at Wilmington University in December 2017. With his profound understanding of people and compassionate heart, he was able to encourage people in ways to bring out their full potential.

Our compassionate God, called Bob home on February 6, 2018, after his body was unable to continue to fight multiple system failure. He passed away at Christiana Hospital in Newark, Delaware. Services were held by Rev. Asher Tunik at Kingswood UMC on February 12, 2018. Burial was at Bayview cemetery located behind Rev. Ginny Power's first church, Shelemiah UMC in North East, Maryland.

### *Curtis Warren Smith*

Curtis Warren Smith was born in Highland Park, Michigan on October 28, 1917, the elder of two children born to Wirt Jordan Smith and Ella Pauline Curtis Smith. He was a member of Metropolitan Methodist Church on Woodward Avenue in Detroit, Michigan.

He graduated from Highland Park High School in 1934 and Wesleyan University in 1938. Curtis' sophomore year at Wesleyan was spent in Guangzhou, China at Lingnan University with other young American men, some of whom became lifelong friends.

Curtis worked with youth at the YMCA in Hartford, Connecticut for three years. In 1941 he entered Chicago Theological Seminary, having heard a boring sermon at his local United Methodist Church and deciding he could do better. At seminary he met Rosemary Hirst (of Detroit) and they married in 1948, after he had served as a minister in Pittsburg, New Hampshire, for four years (and where he was ordained in 1946). Their first child, Margaret Clara Smith, was born in 1950, and shortly thereafter the Smiths moved to Henniker, New Hampshire, where Susanna Pauline Smith was born in 1953. In 1956, Curtis took a sabbatical from the ministry and moved the family to Michigan for a year, where he worked as a union night watchman for a salt refinery.

In 1957 Curtis became pastor of Christ UMC in Lancaster, New Hampshire for seven years. Philip Roger Smith was born there in 1958. In 1964, Curtis, wanting to become involved in the civil rights movement, moved the family to the Peninsula Conference on the eastern shore of Maryland. His first appointment was East New Market, Maryland, followed by an appointment in Townsend, Delaware. Curtis established a relationship with the African Methodist Episcopal church in Townsend. In 1971 Curtis joined the Frankford, Delaware charge. After Philip's graduation from high school, he moved to the Allen charge in Allen, Maryland. His last charge was Choptank, Maryland.

Curtis retired in 1985 and he and Rosemary moved back to Lancaster, New Hampshire. Curtis remained active, filling in for the other pastors, hiking in the White Mountains, volunteering at the local hospital, and officiating at weddings and funerals until the age of 89. After Rosemary's death in 2005, Curtis remained in Lancaster for several years until moving to Providence, Rhode Island to be near his son Philip. He remained vital and active even into his last year at a nursing facility. He died a month after celebrating his hundredth birthday with many family members and friends. His funeral was at Haven UMC in East Providence on December 3, 2017, with officiating clergy Rev. Althea V. Jackson and Rev. Sterling Green.

Curtis had a prodigious memory and a love of classical music, opera, baseball (first the Detroit Tigers, then the Boston Red Sox), singing (he was a scholar of hymns, especially those of Charles Wesley), writing and receiving letters. He loved traveling and was particularly fond of trains and ships. He kept in touch with old friends and made new friends, from all walks of life, throughout his days. He was a soft-spoken, thoughtful man who inspired others. He was always on the side of those in need, ill or affected by racism or poverty or war. He was a lifelong pacifist. He enjoyed working with youth always.

### Kyle Newton Smith

On the afternoon of Kyle's funeral, we sang the following refrain from a hymn he had chosen for his funeral service:

*I am bound for the promised land, I am bound for the promised land;*

*Oh, who will come and go with me? I am bound for the promised land."*

It was a fitting refrain for the preacher who said this his greatest

joy in the ministry of the Church was when someone ("who") responded in faith to the Gospel ("will come") and became a committed Christian ("go with me")!

Kyle Newton Smith was born on July 12, 1922, in Mt. Airy, North Carolina. He was the eldest of three sons born to William and Hallie (Parker) Smith.

Kyle's early education was through the Mt. Airy public school system. He received his high school diploma from Mt. Airy High School in June 1940. After serving his country during WWII (he was wounded in the Philippines, received a Purple Heart), after marrying and starting a family, and after an established career with the U.S. postal Service in Mt. Airy, Kyle experienced a clear call to Christian ministry. In his early thirties, he entered High Point College in North Carolina, graduating with a Bachelor of Arts degree in 1956. He then entered Wesley Theological Seminary in Washington, D.C. graduation with a Master of Divinity in 1959.

At the age of twelve, Kyle became a member of the Salem UMC in Mt. Airy. As a young man he was involved in the local church as youth director, scout master, Sunday School superintendent, choir member, and treasurer. Ordained in 1956 in the Western North Carolina Conference, Kyle served appointments in that conference from 1956 until 1967. In 1967 he transferred to the Peninsula-Delaware Conference serving Greensboro-St. Paul's (1967-69); Trappe-Oxford (1970-73); Milford: Calvary (1974-80); Chester-Bethel (1981-83; and Harrington-Houston (1984-85). Kyle served as Conference Statistician from 1976-80. He retired in 1986, returning to North Carolina. After two years he returned to Delaware, living out his retirement years in Laurel.

Kyle married his childhood sweetheart, Margaret Elizabeth Poore, on March 2, 1946. From their union of seventy-two years, two daughters were born: Miriam Elizabeth Maloney (rev. Charles Maloney), and Rebecca Gail Grier (rev. K. Wayne Grier); six grandchildren: Heather Maloney Silverman (Corey); Jason Maloney (Amy); Erin Grier, Joel Grier (fiancée Kayla); Paul Maloney (Jenny); and Katherine Maloney; and three great-grandchildren: Liam Maloney; Ella Mae and Mylo Silverman.

In retirement Kyle enjoyed gardening and carpentry. He took meticulous care of his grapevines, and always enjoyed the produce from his garden, especially the tomatoes. He made many beautiful pieces of furniture for his home and for his family.

Kyle entered the "promised land" on the March 26, 2018 at age 95. Funeral services were held April 2<sup>nd</sup>, at Calvary UMC, Milford Delaware. The Rev. Dr. Paul E. Isaacs officiated. Kyle was laid to rest at Barratt's Chapel Cemetery, Frederica, Delaware.

"Well done, good and faithful servant! You have been faithful..." (Matthew 25:23)

## X. MISCELLANEOUS

### A. CONFERENCE RULES OF ORDER

*The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.*

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn;
  2. To adjourn;
  3. To take a recess;
  4. To lay on the Table;
  5. To call for the previous question;
  6. To postpone to a given time;

- 7. To refer;
- 8. To substitute;
- 9. To amend;
- 10. To postpone indefinitely.

- Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.

- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.
- Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2016 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference

Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the *2016 Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. If no such request is made, it is assumed that the charge will elect the lay members. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.

Rule 29: In keeping with paragraph 658 in the *2016 Book of Discipline* which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The chair and co-chair of the delegation will alternate between the first clergy elected and the first lay person elected.

Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot

and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

**The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.**

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical information would include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.

Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

## B. RULES AND GUIDELINES FOR THE CONFERENCE COMMITTEE ON CLERGY AND LAY LEADERSHIP

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.  
That the Committee on Clergy and Lay Leadership be composed of the following persons:  
    Insofar as possible a balanced number of lay and clergy  
    representatives from each District  
    Director of Connectional Ministries  
    Conference Lay Leader or designate  
    Two Young People's representatives  
Members will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
  - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
  - b) Priority will be given to assure inclusiveness
  - c) The Committee will operate by consensus
  - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
  - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the

Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the *2016 Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
- b) A demonstrated leadership ability in the local church;
- c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
- d) Willingness to commit time as required by the position;
- e) Willingness to commit time for training for the responsibilities of the office;
- f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
- g) Willingness to participate in nurturing their faith through prayer, study, fasting,

service, and worship;

That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.

14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

## II.

### *For Information Only:*

#### *Concerning the Committee on Clergy and Lay Leadership, its report and the securing of talent*

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.

Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
