Reports of District Superintendents

DOVER DISTRICT

Bishop Love, Ministers and Laymen of the Delaware Conference:

"Grace, mercy and peace, from God the Father and Jesus Christ our Lord."

Appointed to assume the responsibilities of the district superintendency of the Dover District near the end of the conference year, it is with humble gratitude to almighty God for his care and keeping and to Bishop Love for intrusting to me the leadership of this district that I submit this my first report as a district superintendent

Every courtesy and help that one could desire to be extended by one's predecessor, on entering into a new field of labor, was accorded me by Brother D. L. Ridout, the retiring district superintendent. And I hereby acknowledge, with appreciation, the many helpful suggestions and information made available to me by him at the time of my assumption of this office.

I am also deeply grateful for the gracious and brotherly manner in which the ministers and laymen received the newly appointed district superintendent; the reception was both heartening and inspiring. And from the moment of my entrance upon the duties of the district superintendency there has continually been in evidence a bond of deepening friendship and fellowship. I am sincerely thankful to all these good people for all the kindnesses shown to me in the few months that we have spent together.

DISTRICT ACTIVITIES

The Work of the Ministers Wives

The people of the district have given vigorous and unqualified support to the program of the Ministers Wives' Association in their efforts to help the cause of conference claimants. The support given to this phase of our work has been most encouraging indeed. Neither long distances nor inclement weather have dampened the spirits or cooled the ardor of these gracious ladies of the parsonage. Even the parsonage babies have contributed their share to the work accomplished by these faithful women. We can only say of them, they have done what they could. God bless them; they are a wonderful lot.

Perhaps the best way to characterize the spirit of our district is to say, "We have fellowship one with another..." Our meetings are fruitful periods of fellowship in the life of the district which we all love to see occur and regret to see come to a close.

The District Stewards meeting was held at Milford on May 10th. The attendance was large and the ministers and laymen were spiritually enriched and fortified for the year's work.

The District Youth Assembly was held at Seaford June 24-26. The program was splendidly arranged under the direction of C. E. Kiah and the

youth council. This meeting was very impressive, with a very large number of young people in attendance.

The first annual church school superintendents institute was held at Bridgeville October 1st. This was a most helpful meeting for church school superintendents and workers. A permanent organization of this group has been formed.

Dover, with its usual grace and style, entertained the District conference, October 28-30.

Our district Woman's Society of Christian Service is a great organization which meets quarterly and proves to be a powerful stimulus to the work of our various charges. These meetings are always well attended and furnish much helpful information to all who attend.

Sickness and Death

We are thankful to our heavenly Father that there is little to report in this respect. Mrs. C. R. Bryant, the wife of our pastor at Crumpton, was ill for a considerable period of time. Brother C. B. White, of the Millington charge fell ill during the closing days of the conference year and required hospitalization and a minor operation. He is now almost fully recovered.

The following losses by death have been reported: Mrs. C. E. Kiah, the wife of our pastor at Bridgeville, sustained the loss of her mother. The Rev. W. O. Turner, for many years a pastor on the Dover District, passed to his reward from the Easton District in January. Funeral service was held at the Crumpton charge on the Dover District.

Conclusion

We have in a very brief way, attempted to review the accomplishments which the ministers and laymen of the Dover District have wrought. If this report were an attempt to tell the whole story it would be a grave injustice indeed to those loyal ministers and laymen who have striven so earnestly to meet benevolent apportionments, retire long standing debts, construct new church buildings and lift the moral and spiritual sights of the community. The story is only reported here in part. For a report of this nature can never reveal or recount the broken spirits healed, the lost hopes revived and the deep and abiding spiritual values opened up to all through the ministry of the church. As Ezekiel pictured himself standing in a valley surrounded by the dry and bleaching bones of his people Israel—the dry bones a symbol of the demoralized spiritual condition of the people—and then saw them mightily revived so that hope and faith were restored, so have I seen evidences of demoralized and decadent congregations revived and strengthened by good pastoral leadership. Such achievements are not always revealed by statistics.

We do not seek to convey the impression that our work has been completely done. This very report would be a denial of that. Many of us have shown hesitancy and ineptness in the face of situations pregnant with great possibilities. But our work may be likened to a cross country race in which there are many entrants, but only a few complete the race and reach the desired goal. Those who fail in the race try just as those who succeed but stamina is insufficient and energy is lacking and experience is not wide enough to provide the push which would make the goal possible. This may well describe the circumstances surrounding those of us who have been unable to do all that was expected of us.

We shall return to our tasks to begin anew where we left off; we shall go with fervent hopes that we shall consummate that which thus far we have begun, restore that which needs restoration and revive that which now lies dormant, waiting the touch of our hands to be renewed and revived. "And He said unto me, Son of man, can these bones live? and I answered, O Lord, Thou knowest...." We go forth with God's help to find the answer.

"We go with thee to claim and build
A city unto God."

Respectfully submitted

M. O. BALLARD.

EASTON DISTRICT

Bishop Love, Ministers and Laymen:

The Triune God has made it possible for us to submit our fourth report to the ninety-first session of the Delaware Annual Conference.

We have acknowledged and will continue to acknowledge God as our Heavenly Father, Jesus Christ as our elder Brother, and the Holy Spirit

as our Comforter and Guide. Without such an acknowledgement, we are convinced that nothing worthwhile could be satisfactorily achieved.

Our district has responded in a beautiful manner to all askings—church and conference. Even though it was necessary for us to reapportion some items after the regular apportionments were distributed, nothing was uttered unfavorably. The spirit in which the ministers and laymen accepted the Promotional—Advance Fund was gratifying.

It is encouraging to note that the faith of our district is being increased. We have a long way to go, but shall aim to get that faith that will lean heavily upon our God.

Sick and Bereaved

We are grateful to our Heavenly Father that the ministerial chain has not been broken. There have been some on the sick list: Frank Farrare, the E. H. Jacksons, R. E. Hamilton, J. F. Henry, Mrs. Hester Bivens.

J. R. Shockley lost his father; Mrs. Edith M. Shockley, a brother; H. T. Hall, a sister; J. N. C. Davis, a sister; Frank Farrare, a niece; W. H. Staten, a brother; Mrs. N. C. Stanley, an uncle; Mrs. I. B. Bivens, a brother.

District Activities

The usual zeal and enthusiasm which characterize our District Stewards' Meeting was manifest at Easton on June 3.

We were tremendously happy when one hundred-eight youth attended the district Youth Assembly, held June 10-12, at Easton. The dean, J. R. Shockley and his staff of teachers made a strenuous effort to assist the youngsters in comprehending the subjects taught. The Reverends H. H. Nichols, Conference Director of Youth; J. E. Licorish, dean of the Conference Youth Assembly; and M. O. Ballard, Manager, delivered inspiring and beneficial messages.

Thirty-six youth attended the Conference Youth Assembly at Morgan State College in August. Ours was the largest increase of the conference.

An organization of General Church School Superintendents was effected when they met at Oxford, October 2.

The theme for the District Conference, held at Union Methodist Church, St. Michaels, was "Reorganizing the Local Church for Better Service." A magnificent job was done by all participants.

McDaniel did a satisfactory job in entertaining the Lay Retreat. The day was profitably spent.

Ninety-two youth and twenty-five adults attended the Youth Missionary Rally held at Easton Circuit. An increase of thirty-two youth over the previous year. F. D. Arnold, Youth Director, is to be commended.

The inclemency of the weather did not interfere with the attendance of the Workshop sponsored by the Young Adult Fellowship, January 24, at Federalsburg. All conference officers were present, and gave a grand account of themselves.

Our Executive Secretary, the Reverend H. A. Bailey, spent three evenings with us during our Christian Workers' Schools, and rendered invaluable service.

The Missionary Institute was held at St. Luke Church, Cambridge, February 26. Fifty copies of the Study Book, "Along the African Path", were sold. The guest speakers were: Reverends A. H. Klebsattel, Missionary to Africa, and J. E. Licorish, Conference Missionary Secretary.

The emphasis at our Efficiency Conference, held at Preston, April 1, was upon "Youth Witnessing for Christ." In many instances the reports revealed an increase over last year. District Superintendents Thompson, Mears and Ballard were present and brought greetings from their respective districts.

The Preachers' Meetings and the Quarterly Meetings of the Woman's Society of Christian Service were very well attended and were highly informative.

Evangelism

Having had some difficulty in getting some of the pastors to realize that there is no excuse for their not having a substantial increase in membership when there are boys and girls, young people and adults in their churches who are not members, we purchased thirty-one sets each of the Membership Manuals of the Methodist Church for Boys and Girls, Teen-Agers, Young People and Adults, and Pastors. We studied them at our Christian Workers' Schools.

Most of the ministers now have the conviction of the author, viz., "The pastor shall organize into classes the children of the church when they have reached the age of twelve or under, to instruct and prepare them for total christian living and commitment to Christ."

At every step of the way the pastor is named the responsible person. He has every boy and girl, every youth, every adult prospect under his pastoral care. The enlistment, commitment, and training belong to his pastoral

care. These matters are not simply a major responsibility of the pastor. They are his great opportunity.

We suggest that the other methods of Evangelism be used, for all are potent: Pastoral, Personal, Mass and Visitation. We firmly believe that a more vigorous employment of these methods plus a threefold purpose of the mission of Evangelism will bring glowing results.

We shall participate in the World Convocation of Evangelism at Philadelphia, June 26-28.

Everything possible will be done to procure our quota of youth for the Christian Witness Mission to be held in Wilmington, July 27-August 3.

The Commissions

Beginning with the monthly Preachers' Meeting in September an intensive study of the Four Commissions was begun, lasting until the January Meeting which immediately preceded the fourth quarterly conference. It was clearly understood that the four Commissions were to be set up in each local church regardless of its size. We are happy to state that they have been set up in 76 of our 77 churches on the district; the lone church has only two members.

The Advance

Despite the fact that this has been a short year, 18 charges have paid World Service and Conference Benevolence in full. Total, \$6,059. 15 paid Promotional-Advance in full. Total, \$3,030. Conversions, 224; accessions, 226. 33 charges contributed \$527 to the Coleman Memorial Church. Raised for all purposes, \$154,532.

Three Workers with Children were sent to the Laboratory School at Glassboro, N. J.

We are indeed grateful to the Conference Secretary, the Reverend H. A. Bailey, and his staff, our district staff, Mrs. Elsie G. Earle, F. D. Arnold and J. R. Shockley, for the splendid job in helping us to further the promotion of Christian Education.

District Parsonage

A large frigidaire and another bedroom suite have been purchased for the district parsonage. Other minor repairs have been made.

Conclusion

We have not been able to achieve what we expected. We have fallen short of our goal which was to raise every thing in full, and to have a substantial increase in our membership. Yet the ministers and laymen have wrought well.

We shall not hesitate to say that our hearts go out to the loyal ministers' wives who work so assiduously and faithfully to raise money for Conference Claimants. I should like the conference to know that these good sisters work independently of their husbands. In other words, they do not "rob Peter to pay Paul."

Bishop Love, we have discovered that you are Christ-like, just, brotherly, kind and sympathetic. These fine qualities that you possess will be instrumental in helping to lift the Delaware Conference to a higher and more glorious plane.

May God's richest blessing rest upon you and your family.

"For God preserves the souls of those who on His truth depend;
To them and their posterity His blessing shall descend."

Respectfully submitted,

W. A. HAREWOOD, Superintendent.

PHILADELPHIA DISTRICT

TO OUR NEWLY ASSIGNED PRESIDING BISHOP EDGAR A. LOVE. MY FELLOW MINISTERS OF THE DELAWARE CONFERENCE OF THE METHODIST CHURCH, ALSO LAYMEN AND FRIENDS,—It is a real pleasure to greet you today in this our ninety-first session.

We are most happy to greet Bishop Love as our resident Bishop for the new quadrennium. We, of the Philadelphia District both ministers and laymen, pledge to him to do all in our power to make the conference program most successful. We wait the call, we stand ready to obey. The Baltimore Area must take the lead in Central Jurisdiction.

We look forward with pleasure to have Bishop Matthew W. Clair, Jr. to grace our conference session.

Sickness and Deaths

We think reverently of our honored and revered dead. The Reverends John W. Jefferson and John W. Parker. Mrs. C. B. Miles and the son of Rev. & Mrs. L. E. Wise. A number of outstanding laymen have passed this year. Men and women that have rendered service in Kingdom building—we do not have time or space to call their names.

We have had a number of pastors and their wives sick. Rev. Carson J. Williams and Mrs. Williams—Mrs. Henry H. Nichols, Mrs. I. R. Elzey, Mrs. O. W. Jones, Mrs. Sydney M. Emptage and others not so serious.

A number of laymen have been sick. We are happy to report most of them are improving.

Adult Organizations

The following adult organizations are well organized in the district and are rendering outstanding service. The Woman's Society of Christian Service, 30 in number, led by Mrs. C. L. Trader, The Methodist Men are advancing. There are 20 chartered Men's groups. The district Lay Leader is Brother Roy L. Cordery and he is ably assisted by Brothers Alphonso Shockley, Otho James, Edward Gale & Robert Simpson.

The District Stewards at their annual meeting outlined a very fine constructive program for the year. They pledged to support the Benevolent Program 100%. They also helped with the program of Christian Stewardship. They put special emphasis on Stewardship and Tithing.

Young People's Organizations

The following are the organizations on the district which our young people attended: The District Assembly, Morgan College Assembly, Rally Day Emphasis. The Young Adult Fellowship, Methodist Youth Fellowship and the District Choir. These units are well organized and are helping magnificently in the Promotional work of Christian Education. Some of the groups meet annually, others meet two or three times a year. They always have a very constructive and creative program.

Church Schools

The work in our Church Schools is not advancing as rapidly as I had hoped. Each church is now organized under the Commission of Education. I feel that this new procedure should greatly increase the efficiency of our Church School work. The minister must take the lead in a definite way if we are to advance our Church School work as it should be.

Church Extension

There are wonderful opportunities on the district for establishing new church projects. If money were available, I could start two new churches immediately. I am in the process of organizing them with no money in view to secure or rent a building. I am praying that our Promotional Advance money will enable us to secure adequate places for worship and Sunday School.

Pastors' Salaries

The salaries of twenty-two (22) pastors will be increased next conference year. I am happy to report that most of the churches realize that the pastor has to have more than just a living salary if he is going to be in a position to lead his people as he should. Each church is setting up a fund for the necessary expenses of the pastor in doing his pastoral work.

Ministers' Wives

The Ministers' wives have worked unselfishly with their husbands. They are greatly loved and adored by the laymen. They always stand ready to give a helping hand when asked. They have worked hard this year to increase their offering for the Board of Conference Claimants. You will hear from them later in the session.

A most imposing building. The building is on a corner with an attractive lawn several feet on each side. The building is of brick. The Sanctuary and Chapel are of the latest church artistic design. BUTLER MEMORIAL, N. Y. (W. P. Johnson)—This is a fine congregation. They are anxious for a building large enough to meet their needs. Here is a wonderful opportunity for a great church in the city of New York. The Delaware Conference must not be satisfied until we have the type of a church that we need. Appreciation

The contacts that I had this year on the district have been most thrilling. Every courtesy shown me has been graciously received. Both the Ministers and their wives have made my visits most pleasant. The laymen have cooperated in every way possible. The District Lay Leaders, the President of the Woman's Society of Christian Service, the District Missionary Secretary, the District Secretary of Evangelism and other officers have worked with me in order to make this report possible. Many thanks to all.

Conclusion

Bishop Love,—The Philadelphia District would have me say to you that as you begin to lead the churches of this district and the conference, that you can depend upon each church to do its best in order that the total program of the conference might be successful. We pray that your efforts may be crowned with much success.

L. S. MOORE,

SALISBURY DISTRICT

Bishop Love and Members of the Conference:

For the fifth time we make our report to this Conference for the Salisbury District. With gratitude to God for his divine favor we present this brief survey of the sacrificial services of the ministers and laymen.

We join with our Conference and with our area in a sincere welcome to our new Bishop.

During the year the "Angel Reaper" has taken from our ranks two worthy pastors: Reverends George W. Johnson, and Frederick C. Kershaw. Many laymen also have passed "to be forever with the Lord."

Joy came to the home of The Rev. and Mrs. G. H. McMurray in the birth of a fourth child, a son named Derrie—born Feb. 25th, 1953.

While we seek to promote the program of our Church in Evangelism Education, Missions, and Finance, we find it expedient to give some scope to individual initiative. The rural pastor is quite on his own in finding ways and means to meet the demands of our expanding program.

History shows no instance of any civilization surviving long without a religion, a something higher than the desire to satisfy material needs and comforts. "Religion" is the supreme example of that frame of mind in which a person subordinates his personal interests and himself to something outside him, whose superior claim he recognizes. It is this sense of mission in men called to preach the Gospel which needs matching with the means to bring their aims to worthy attainments. The church must hasten to give adequate support to its ministry.

Thirty-five pastors, and the 5,000 members of the district have responded nobly to the years work.

Summation

It seems best to allow the usual statistics to be brought out in the reports of the Treasurer and Statistician of the Conference.

There are 210 new members reported this year; last year 226. As we go on to establish reliable membership records, decreases are found here and there, but these are being balanced by increases in membership. A larger number of churches are conducting regular study groups for preparatory members, with excellent results.

Our pastors continue to attend the annual Ministers Institute held at the College.

Our annual Youth Assembly will again be held at Maryland State College, June 15-16-17.

Concerts given by college choirs, and by choirs from churches are tending to transcend the so-called Gospel-singers. The best costs no more than the second-best. The cultural interests of our people are determined by what is available in leadership both lay and pastoral, and in cooperation with agencies of a civic, social or religious type which are doing a work similar to our own.

Praise be to God who liveth and reigneth forevermore.

Respectfully submitted,

RALPH B. THOMPSON.

WILMINGTON DISTRICT

Bishop Love, Fellowministers, Laymen, and Friends:

In a spirit of humble submission, gratitude of love, and thanksgiving to Almighty God that I make this my first report of work and standing of the Wilmington District as a Superintendent.

First, I wish to thank Bishop Edgar A. Love for his kind and wise counsel in this my first experience in this phase of Christian work. I faithfully promise my loyalty to the program of the Methodist Church and of this conference that shall stand as firm as truth.

Secondly, my appreciation is extended to the loyal pastors and laymen of the district. We are happy to say that not one failed to give the best effort to the fulfillment of duties assigned. Most of the charges have enjoyed a successful year and the same will be evident in my "survey of charges". We sincerely thank Almighty God for His wonderful blessings in guiding us with His unerring hand for the past year.

This has been a year of studious observation. We have spent most of our time searching for the most basic and serious needs of our churches and resolving them into specific problems to be solved. We have made a special study of the benevolent program, Christian education, evangelism, and welfare of each brother-pastor—his family, and laymen. We have found some startling matters which we have set up as number one problems to be

solved during the coming year. We feel that this can be accomplished if we set our minds and energies to it.

I am happy to report that no deaths have entered our ministerial rank this year. Most of our families have enjoyed good health. Reverends B. A. Arnold, Horace Fisher, and Mrs. William Tasco were ill during the year but all move along nicely with them now.

Rev. R. C. Hughes, our pastor at Salem, N. J., married Mrs. Evangeline Jones of Hickory, N. C. December 22, 1952. On April 11, 1953 I was happy to perform the marriage of Miss Odessa Milbourne, daughter of Rev. & Mrs. O'Connell Milbourne, of Mt. Carmel in Wilmington, Del.

Under the guidance of the Executive Secretary of Christian Education, Rev. Howard A. Bailey, this phase of the program of the church has made much progress. Mrs. Emma Wilson Strother, District Director of Children's Work, carried on the work with children in a fine way. Our district reported the highest number of vacation church schools in the conference. Rev. Sercy L. Jones, District Director of Youth Work, conducted a very successful assembly and the spirit was high. Rev. J. U. Watson, District Director of Adult Work, is trying very hard to bring this department up to the standard. Miss Thelma Lyght, President of the Methodist Youth Fellowship, and Mrs. Ella F. Bailey, District Lay-Leader, have given fine service in carrying on their particular work on the district. The Leadership Schools were successful and were conducted on the sub-district level.

Mrs. Cleo Henry, District President of the Woman's Society of Christian Service, has been very faithful to her task. The work of the organization has made much progress and the officers, secretaries of Lines of work, and committees are to be congratulated for all services rendered.

The District Efficiency Conferences, Laymen's Retreat, and Quarterly Meetings of the Woman's Society of Christian Service were "mountain-top" experiences for ministers and laymen of the district. We were quite encouraged by having our district superintendents, fellow-ministers, and friends to visit us during the meetings.

The Preachers' Meetings were well attended and the spirit was high. Well planned programs were carried out and at each meeting important phases of the church's program were discussed. We must mention the loyal Ministers' wives and the unique contributions they made in helping to make the meetings inspirational.

Conclusion

I have held all Quarterly Conferences and several group meetings. I have not failed to go day or night or at every "beck and call" whenever my help was needed. Much joy has been found in my task and I have gained momentum each step of the way. May I solicit the prayers of the entire conference for God's choicest blessings in my effort to do His will. We shall continue in prayer that every aim of our great church may reach a successful goal.

"Be strong! We are not here to play, to dream, to drift;
We have hard work to do and loads to lift;
Shun not the struggle: face it—'tis God's gift.
Be strong, be strong!"

Respectfully submitted,

W. H. MEARS.

ANNUAL REPORTS

REPORT OF THE CONFERENCE BOARD OF TEMPERANCE.

In the year 1951 the people of the United States spent \$9,150,000,000 for intoxicating liquors; in the same year, the alcoholic beverage industry spent \$225,000,000 in the way of advertisements.

It has been estimated that there are 67,000,000 drinkers in the United States.

Alcoholism is in our midst and is a disease of vast social importance; a destroyer of minds and bodies; a prime cause of vice and crime; a major factor in violence and deaths.

The wide-spread use of other narcotics has reached alarming proportions.

Certainly the Church cannot stand by indifferently when the security of the home is threatened.

The recent General Conference of the Church, conscious of the foregoing situation went on record, stating, that during this Quadrennium, Temperance will be made a principal emphasis; this carries with it the idea, that the Churches of Methodism will give the cause of Temperance a prominent place in their program.

Your Conference Board makes the following recommendations:

1. Holding a District Temperance Institute.
2. Temperance Committee in each Church.
3. Yearly observance of Commitment Sunday during Quadrennium.
4. Observance of World Temperance Sunday.
5. Conference Wide Circulation of the "Voice" Official Organ of the Board of Temperance.
6. Cooperation with Organizations having worthy Temperance objectives.
7. Cooperation between Negro and White Annual Conferences in joint enterprises in promotion of Temperance in Areas.
8. Cooperation with our General Board of Temperance.

BOARD OF MISSIONS

Bishop Love and members of the Delaware Conference Assembled:

We, as members of the Conference Board of Missions and Church Extension are happy to bring a report of our stewardship for the past year.

We are becoming increasingly aware that Methodist Church extension strategy in our day will have a very marked influence upon the future usefulness of our church.

We have always been aware of the importance of Church Extension as the life line of the church. Wherever men have gone the church has followed.

The charter of the Board of Church Extension says that it is organized to assist in extending and establishing the institutions of Christianity and wherever necessary to secure available houses of religious worship and such other property as may promote the general design.

Organized church extension has aided in the erection of over forty-five thousand churches.

This fact caused one of our bishops one day to exclaim "God does not dwell among a people that does not make him a sanctuary."

So your board has tried to catch this spirit. It is our job to see to it that every sanctuary stays open and that new sanctuaries are created wherever men go.

During the past quadrennium, our General Board of Missions has granted \$4,413,778.18 in donation grants to 2344 projects and \$7,640,208.07 in loan grants to 876 projects. In other words 3220 extension projects were assisted with the imposing total of \$12,053,986.25.

Your conference has had its share of this, in gifts and loans.

May I say: to those of our churches who have shared in these loans, will you not make extra efforts to meet your obligations to the Board? Our record here is not enviable. In the proportion to which we meet the terms of our notes in like proportion the Board can assist some other needy sanctuary. Would it help if I should say to you that there are over 700 Methodist congregations worshipping in garages, basements, store fronts, right now needing help to build sanctuaries.

May I close this statement with a word of appreciation for the responsibility which you placed on me for the past four years and for the splendid men and women who have worked with me and accepted my chairmanship of the Board.

ROY L. CORDERY,

Chairman of the Board of Missions and Church Extension.

REPORT OF CONFERENCE BOARD OF EVANGELISM

The aim of evangelism is to bring all men into living, active fellowship with God through Jesus Christ as divine Saviour and through the regenerating power of the Holy Spirit; to gather them into the fellowship of the Church; to lead them to express their Christian discipleship in every area of human life that the Kingdom of God may be realized. (Discipline 1464)

Our Conference Board of Evangelism is fully committed to put into practice this aim set forth by the General Conference.

Our Board has proposed plans whereby this aim will be carried out, not only on the Conference level, but on the District and Sub-district level as well; until each layman in even the most remote segment of our Conference will have been informed of this program.

Evangelism was stressed at each District Conference with special emphasis on Visitation Evangelism.

Representatives from the Boards and Agencies of the Conference met at the old Historic Barratt's Chapel south of Dover, November 12, 1952, in a Prayer Retreat. We came fasting and praying. It was an highly Spiritual day, highlighted with addresses on Prayer by the Dr. R. B. Thompson, District Superintendent of the Salisbury District and Dr. Grant S. Shockley, pastor of Whatcoat Methodist Church, Dover, Delaware.

Our Conference Board of Evangelism is cooperating fully with the General Board of Evangelism in the World Methodist Convocation to be held in Philadelphia, Pa. June 26-28th.

According to "CONCERN" of March 1953, there are 19,000,000 young people in America who are not touched by any church.

Our Board is working with the Conference Board of Education and the Conference MYF in sponsoring a "Christian Witness Mission" (formerly the Youth Work Camp) at Wilmington, Delaware, July 27 to Aug. 3rd, 1953. We have accepted the request from the Washington Conference for their youth to participate in this MISSION. The places of operation to be:

South Wilmington and the Dunleigh Estate (Where the proposed Coleman Memorial Church is to be built).

THE BOARD RECOMMENDS:

1. Meeting of Conference Secretary of Evangelism and the five Dist. Secty's and the Dist. Supts. to plan definite goals for 1953, which will include—

A—District prayer and Preparation Retreats patterned after the Conference Wide Retreat. Inviting

(a) The president of each local church, Commission on Evangelism and the pastor.

(1) Discuss work of the Commission.

REPORT OF THE BOARD OF EDUCATION

The Program of the Conference Board of Education is based on the belief that Christian education includes every experience of persons through which they grow in their commitment to Christ. We further expect this commitment to be expressed in terms of Christian attitudes and ideas which are the real product of their Christian faith. Unless our program causes changes in the lives of children, youth and adults in the direction of Christian growth, then it cannot be called a program of Christian education.

In a real effort to bring about this change in the lives of persons within our conference, the Board of Education has been expanding its program rapidly. We are also confident that our organizations are growing increasingly more effective. We are giving herewith a brief summary of our activities.

I—Children's Work

Our teaching of children must be simple and effective. Superficial teaching will not meet the demands which the present day makes upon the Christian Education of children. We must find ways to bring little children and growing boys and girls into a real fellowship with God. Only God can give them the kind of strength and insight which they need as they grow toward maturity in these days of unrest.

The leaders of our conference and districts and other volunteer workers with children have been a source of inestimable help to the local church school workers who look to them for assistance.

One of the means of helping these workers improve their skill was the Laboratory School for Children's Workers held at Teacher's College, Glass-

boro, N. J. Seventeen persons from our conference were enrolled. Christian Workers' Schools have also been a source of help for the many local church workers who enrolled in the classes for children's workers.

Vacation Church Schools are growing in effectiveness and in numbers. There was a total of 75 schools held during the summer with an enrollment of 5,337 pupils.

In the days that lie ahead we shall put forth every effort to reach more children with Christian teaching; strengthen the Christian family life; and seek to make the community where the child must grow and develop, more conducive to Christian growth.

II—Youth Work

One of the most important responsibilities in youth work is to work with youth and the leaders of youth in developing a program emphasis, training experiences and giving guidance to the ongoing program of the Methodist Youth Fellowship. We have not overlooked the importance of enlisting and training adults who work with youth on the district and in the local churches.

DISTRICT ASSEMBLIES: We are grateful for the significant work which is being done with youth on the districts. The attendance, interest and program of each assembly were very encouraging. There can be no doubt that the interest of our youth is taken into account in the total planning of our district work. There is, however, a need for planning our summer program so that we will not duplicate the work which we are carrying on at the Conference Assembly held at Morgan State College. Steps in this direction have been taken and results will be seen perhaps this summer (1953).

As in the past, there are large numbers of intermediates present at these district gatherings. We must plan to meet their needs as well as those of seniors and older youth. Our districts are striving to meet this need and they are to be commended on their efforts thus far. More and more we are convinced that we must institute a camping program within the conference for our youth, especially for the senior high age.

It is gratifying to note the growing interest on the part of our pastors and adults who work with youth at the various district youth meetings. We are mindful that without the local support of these consecrated workers our attempts to meet the needs of youth will fail.

THE CONFERENCE ASSEMBLY: The summer assembly which serves our seniors and older youth was held at Morgan State College. The program was planned to meet the needs of our local churches. The local Methodist Youth Fellowship was at the center of every program featured. As in the past few years, adults who work with youth were invited and received training in their fields.

Fraternal delegates from conferences of the South Eastern Jurisdiction were present. Their sharing in the fellowship and total program resulted in an experience which was mutually helpful. The Pastors who were in attendance at the School of Methods shared some of our evening program and otherwise contributed to the total experience of the Assembly. The enrollment was fifty per cent increase over the previous year. The total enrollment was 148 youth and 9 adults who work with youth.

NATIONAL PLANNING CONFERENCE: We were privileged to have our Conference Director to participate in the National Planning Conference for Methodist Youth held at Purdue University, W. Lafayette, Ind. It was at this conference that about 200 youth and adults set about the task of building a program which would meet the needs of our youth in these days of tension. Out of this sharing and prayerful planning grew what is known as the "Youth Emphasis". Our conference program for the coming year will be built in accord with the general provision found in this emphasis.

MISSIONARY RALLIES AND METHODIST YOUTH FUND: Our Missionary Rallies are rapidly becoming some of our most outstanding projects. They are not only opportunities for effective guidance in missionary education of our youth, but they are also becoming one of the chief sources for raising our Methodist Youth Fund. All five districts conducted their rallies on the Friday after Thanksgiving. A total of 544 youth and adults participated in this project.

FORWARD PROGRAM: In cooperation with the Boards of Evangelism, Education and the Youth Council we are planning a Christian Witness Mission, formerly called, Work Camp of Evangelism. This project will be held in Wilmington, Del. July 26 to August 2, 1953. We are anticipating a real spiritual awaking of our youth who are privileged to share in this effort to bring others to Christ.

As we seek to build and promote the youth program in the days that lie ahead we are thrilled with the challenge of the adventure in seeking to lead our youth to more vital Christian living.

Adult Work

We are convinced that all adults must be taught the Christian way of life. We must seek to discover the needs of our adults and plan a study program which is in keeping with these needs. Of course adults must have a part in the determining of this program. To this end our Adult Council has sought to increase the number of adult classes in the church schools.

YOUNG ADULTS: While we have encouraged the promotion of work among all adults, our major effort has been in the area of young adult work. We have sought to help the local churches to carry on their young adult program through conducting adult workshops on all of the districts. These workshops have proven to be of utmost importance in stimulating young adult fellowships throughout the conference.

The Convocation for Adults held at Buck Hill Falls, Pa. served as a most helpful experience to those twenty two persons who attended from our conference. The delegates at the Convocation agreed to return to Buck Hill Falls on March 10-13, 1955. Our council is considering the possibility of holding a convocation within the conference some time during 1954. Such a meeting would make it possible for us to bring the best in adult leadership and other resources in the reach of all of our churches.

Training Opportunities: In addition to the convocation and the workshops referred to above there were other opportunities for our leaders to be trained for their task. Mr. Joseph Bedford, Director of the Dover District, was invited to attend a nation-wide meeting of adult workshops held in Nashville, Tenn. in Feb. 23-27, 1953.

Mr. Wayne Cuff, Conference President of the Young Adult Fellowship, has also given leadership to local churches on a number of occasions during the year. We are grateful for the cooperation of the conference and district workers, who in turn, were supported by the pastors and others in the local churches in the interest of more effective work among adults of all ages.

IV—General Church School work.

CHURCH SCHOOL SUPERINTENDENTS FELLOWSHIPS. One of the most significant pieces of work done in the year was the holding of a series of meetings of Church School Superintendents on all of the districts. Dr. John A. Green of the General Board of Education and Rev. Levi B. Miller Executive Secretary of the Washington Conference, were our resource leaders. At each meeting an organization was set up in order to promote a larger fellowship of the Church School workers on the districts. 332 Superintendents and other workers attended these meetings.

CHURCH SCHOOL ENROLLMENT. We are happy to report that the church school enrollment is still on the increase. The report to the conference of 1952 showed an over-all increase of 625 as compared with the previous year.

PROMOTION OF SPECIAL DAYS. We are confident that an ever increasing number of churches are observing the special days in the church schools both with an appropriate program, and where required, a special offering. The fourth Sunday Offering for World Service is well supported. Rally Day Offering shows a steady increase each year. Race Relations Day Offering and Methodist Student Day Offering show slight increases. See the report of the Conference Treasurer for the amounts reported for the year.

We are aware of having our schools do more in the way of reaching the unreached and of maintaining higher average attendance. We would also urge the Pastors to make full use of the church school as a field for evangelism. We will keep in mind that more than fifty percent of the church membership increase comes from the church schools of our conference.

V—Leadership Education.

“The church that exerts the greatest influences on the cause of human affairs in the present and future will be the church that develops a leadership equal to the demands of our times”. Operating on this general principle, we seek to promote such leadership activities as will help our churches improve their leadership. Our Christian Worker's Schools have been our chief means of assisting the workers in the local churches. We held 16 subdistrict schools with a total enrollment of 1462 pupils.

We are grateful to the District Superintendents, the Pastors, the 16 Deans and 76 Instructors who promoted and conducted these schools. To date we have on file the names of 40 certified deans and 102 certified instructors. We do not have a more faithful group of workers than this staff which gives leadership to our education program.

Appreciation

The results of our year's work which are indicated in this report were made possible through the fine support, cooperation and Christian fellowship of the Bishop, District Superintendents, Pastors and over 200 volunteer Workers representing members of our Conference, districts and subdistrict staffs, as well as the many loyal workers in the local churches. This has been a year of Christian growth for us as individuals and as an organization of Christian workers. We face the future with confidence and hope.

REPORT OF THE COMMISSION ON CHRISTIAN VOCATIONS

If our youth are to have opportunities to express their Christian convictions through vocations, then the church has a responsibility to provide such opportunities. As the General Church faced this situation in 1948 the General Conference set up the Interboard Committee on Church Vocations. Provision was also made for the annual conference to organize the Conference Commission on Christian Vocations.

Our commission has been set up and has been at work for the past three years. Through the local churches, district assemblies, the conference youth assembly and a conference on church vocations we have been able to recruit a number of young people for vocations within the church.

To date we have on file the names of our youth who have made the following commitments:

The Pastoral Ministry	10
Christian Education	6
Nursing	10
Missions (General)	5
Medical Missions	3
Social Work	8
Church Music	2
Church Secretary	2

46

We are aware that there are others who have made such commitments whose names we do not have in our files. We would greatly appreciate having any church or organization in the conference or on the districts, send to us the names of youth who wish to enter a church vocation.

During the quadrennium with its emphasis on youth work it is our hope to have many young people to be challenged by the needs of the world. We hope that a large number of them will choose the church as the institution through which they will dedicate themselves to meeting these needs.

We are grateful for the cooperation which we have enjoyed in working with the Conference Boards of Education, Evangelism, Lay Activities, the Woman's Society of Christian Service and the Methodist Youth Fellowship. We feel that we are engaged in a most significant task. We can make a great contribution to the lives of our youth, to the future of the Christian Church and to the Kingdom of God through the program of this commission.

REPORT OF CONFERENCE MISSIONARY SECRETARY

1952-53

The responsibility of serving the Delaware Annual Conference as Conference Missionary Secretary is appreciated. The privilege of working with the laymen and fellow clergymen has been an enriching experience. May I express my sincere thanks to my predecessor, W. H. Mears, for his orientation, advice, and encouragement.

I am sure that you are aware that the basic sustenance of the Conference work will be maintained through the missionary phase of our Christian endeavor, especially as it is effected in the areas of promotion, cultivation and education. If the Delaware Conference is to successfully and adequately meet the increasing and changing challenges of our Urban and Rural situations we must of necessity bring to bear deeper concern in the aforementioned phases of the missionary enterprise.

THE LOCAL CHURCH, Promotion, Cultivation and Education have not always been at the heart of the missionary program within the local church. Rather, we have given our energies to the raising of funds for the support of the work of the church without being particular about the form or manner or content, which encompassed our fund raising. Although we recognize the magnitude of the local obstacles which many pastors must face in bringing to life the missionary program within the local parish, we must be cautious lest expediency rob us of the long range benefits of a positive and creative program of nurture. The local church is the nurturing chamber for the missionary program and life of the church. The local congregation must be fed the kind of food which contains the kind of nutrients that will prove to be strengthening and fruitful with the years. Christian stewardship must undergird our total program.

The Commission on Missions is a must in every local church. Every Pastor has the responsibility to see that this commission is at work in his local church—not purely as a fund raising agency—but also as an agency of promotion, cultivation and education in the missionary areas of work. Let us not lose sight of the duties of this commission. It must, (1) Inform the People, (2) Plan an Annual School of Missions, (3) Promote World Service, (4) Secure Missionary Specials, (5) Circulate the World Outlook, (6) Recruit (for) Full-time Christian Workers.

LEADERSHIP EDUCATION FOR MISSIONS. The district missionary secretary is the resource person for his district. Working with his district superintendent he should always be ready to make adequate and wise suggestions in keeping with the program of the general church. In order that the district missionary secretary might be properly prepared to carry out his work it is necessary for him to attend the regional leadership training conference on missionary education. This investment will be an increasing asset to his district. It is not enough to follow the traditional patterns—rather his task is to call to the attention of all concerned the most recent techniques, methods and programs for the promotion, cultivation and education of his district in the area of missions.

In keeping with this policy, the conference missionary secretary, the district missionary secretaries of the Philadelphia and Wilmington districts and the chairman of the conference board of missions attended the missionary training conference at Silver Bay, on Lake George, New York. It is our hope that every district of the Delaware Conference will be represented at Silver Bay this summer.

Among the courses available for study last summer were the following: "Missionary Education in the Local Church", "Churches' Stake in World Orders," "Visual Education Workshop," "The Bible and Christian Missions", "Christian Stewardship and Our World Missions", "The Philosophy of Christian Missions"; Seminar and Workshop for workers with Youth and Children, respectively. Among the special features were: Denominational Workshops, Missionary Fellowship Hour; Interpretive Addresses in the areas of Home and Foreign Missions.

YOUTH AND MISSIONS. Much progress has been made in this area. The annual missionary rallies for youth are held on the Friday following Thanksgiving on every district in our conference. A versatile program of education, cultivation, promotion and inspiration is carried out. The district directors of youth work, district secretaries of youth work (W.S.C.S.), the district superintendents, the conference director of youth work and the executive secretary of christian education form the responsible teams for this work.

It is our hope that each local church through its youth division in cooperation with the secretary of youth work (W.S.C.S.) and the pastor that stress and encouragement will be made regarding the making of personal pledges by each youth to the cause of missions through the Methodist Youth Fund.

EVENTS AROUND WHICH THE MISSIONARY MOVEMENT IN THE LOCAL CHURCH MIGHT BE ENRICHED:

September: Labor Sunday; emphasize migrant work, Christianity and labor.

October: Worldwide Communion Sunday (1st Sunday).

RECOMMENDATIONS OF THE CONFERENCE MISSIONARY SECRETARY (Board of Missions recommendations to the Annual Conference, 1953.)

The program of missionary education and cultivation is under the guidance of the pastor. He works through the Commission on Missions in the local church. This commission with the pastor spearheads the total missionary work at the local level. The Church School of Missions is a church-wide cooperative educational missionary enterprise in which the entire membership of the local parish is sought to engage.

STATE OF THE COUNTRY COMMITTEE REPORT.

Here in America we are beset by a deep longing for security. We want security against poverty, sickness, unemployment, old age and war. Are we seeking security through the wrong methods? Can it be obtained through the building of more tanks, air-craft carriers and atomic bombs?

Many Americans believe that as a result of the death of Stalin, and the elevation of Malenkov as leader of Russia, plus Russia's present attitude toward peace; here lies a possible solution to the world's problems.

There are individuals in America who think the President of the United States holds the key to the solution of the World's ills.

We do not believe that the present conditions in America or the world can be remedied by Men's ingenuity, alone, but through men working with Christ.

There is no longer room in America for an external form of Christianity, America is entering upon a period of Catastrophe and Crisis, where we are being forced to take sides, and in which a higher and more mature kind of spiritual life will be demanded of all Christians.

**ANNUAL REPORT OF THE CONFERENCE LAY LEADER
 ENDING THE CONFERENCE YEAR OF**

1953

Bishop and members of the Delaware Conference, it is again my privilege to report to you the stewardship of our Lay Activities.

MEN'S WORK:

It is gratifying to know that our men on a whole are becoming more eager to be informed of our Church program. Our untiring efforts have paid great dividends. Our Ministers and Lay Leaders have done a splendid job among men. We will not stop until we have a chartered active men's group in each local church. You can learn much from others when you are chartered.

This year we want to stress boys work among our men's groups. We want to have our kick off meeting in August when we hope to have (500) five hundred men and boys in attendance.

LAY LEADERSHIP:

We feel proud of the progress made the past year among our laymen. Both women and men seem to have taken on new life. They are eager to know more about their church. I am told that in many conferences laymen are not ready for our revised program of our church. I am glad to say the Delaware Conference is ready. I predict that we will under this new program go forward with leaps and bounds. I know the ministers will give more praise to laymen at the close of next conference year.

The purpose of our Lay Board is to deepen the spiritual lives of laymen until they become an active working force in the local church. Pastors will help laymen by telling them when they do a nice job. You know everybody likes to be told of well doing.

TRAINING OF OFFICIAL BOARDS:

The training of an official board is the key note of success in the local church. Our greatest drawback is uninformed officials in our local church. Official members may not know the work when elected, but they can study and learn together. It will pay in the end if you dare to train laymen. A local church is no stronger than its Official Board.

LAY SPEAKING AND PREACHING:

Our Methodist Church was started by laymen. There were about seven or eight young men who felt that they should do something about the conditions of their day, and so, they banded themselves together to study how they could change the every day living of folks around them. This group was called the "Holy Group". This story should encourage every layman to want to do something about serving his day and generation. Every layman should read Bishop Charles C. Seecman's book, "THE METHODIST PRIMER", that will give you a brief history of your church.

YOUNG ADULTS:

This is one of our weaknesses in our lay work. We are studying how to win young men and women in their early twenties and thirties; they are our future officials. We want our speakers bureau to be built around them.

This has been a banner year in lay evangelism. Laymen have rejoiced in winning their fellow men and women to Christ. We can truly say we have an evangelistic church. Many of our Churches observe the evangelistic effort in February. This is not new, using laymen to win persons to Christ. Jesus did it when he was on earth. John Wesley did it when he started the Methodist Church. We must do it if we are to meet the challenge of today. We hope that the commission on membership and Evangelism will have for their ongoing program, the winning of souls.

OUR LAY ANNUAL CONFERENCE:

This was one of the best conferences in history. It was two days of studying together. Some of our best Church men, both ministers and laymen were leading in the study of our four commissions which are the basic structure of our official board in the local church. This to my mind was the finest demonstration of ministers and laymen working together. I feel that every person that attended this meeting was enriched and encouraged to go back to his church and work. We had on Sunday morning an old time class meeting when all present rejoiced in the Lord.

We closed our Conference with a preacher of all times, the Rev. Richard Johnson, District Superintendent of the Washington Conference of Washington, D. C. Our annual conference is both inspirational, spiritual and educational. Every layman who can should make the sacrifice to attend.

MY GRATITUDE:

I have not words to express my gratitude to my co-workers. The ministers and laymen. My District and Associate District Lay Leaders. They are due the credit for the great success that we have had this year. May God ever enrich and deepen their spiritual lives until this world shall be the kingdom of our Lord and Savior Jesus Christ through their service to Him.

OUR BELOVED BISHOP:

I could not close this report without paying tribute to Bishop Edgar A. Love and his lovely wife. He has been a great inspiration to us. He is princely and alert. Bishop knows where he is going and we are willing to follow. It is a great pleasure and privilege to serve. May I be worthy of this privilege.

Respectfully yours,

HALLY P. JOHNS,
Conference Lay Leader

12th ANNUAL REPORT of the DELAWARE CONFERENCE COMMISSION
ON WORLD SERVICE AND FINANCE (Revised)
1953-54

Bishop Edgr A. Love, Ministers and Laymen of the Conference:

We, the Commission on World Service and Finance, greet the Conference in this our 12th Annual Report, with joy and hope.

The Commission held its Pre-Conference meeting March 11, at Tindley Temple, Philadelphia, Pa. The purpose of the meeting was to review Conference giving up to that time and accept the Budget Askings for the ensuing year, making whatever adjustments deemed advisable for the year of 1953-54.

After the closing of the year of 1952, proper notices of the desire of the Conference for audit of all Treasurers' books in keeping with Disciplinary regulations were sent out. All Treasurers responded as requested. The examinations were made in the most careful manner, and in the opinion of the Auditing Committee, said accounts are accurate and satisfactory.

The Episcopal Committee's selection of Dr. Edgar A. Love to be our Resident Bishop was accepted with appreciation and enthusiasm by the members of the Commission on World Service and Finance, Conferences with Bishop Love have been most helpful, and we feel that they have promoted efficiency and dispatch. This service was so willingly and wisely given by Bishop Love that we assume our services with him in high hope and great expectation, in advancing the work of the Kingdom of Christ.

RECOMMENDATIONS

ONE. We recommend that a Manual of Finance be mimeographed by the Commission on World Service and Finance to aid the Pastors and Laymen in gaining better understanding of the financial operations of the Conference and the General Program of Methodism. The contents of the Manual being I. FOREWORD. II. CONFERENCE BUDGET. III. CONFERENCE FINANCIAL PROGRAM. (a) How the budget is determined. (b) How apportioned to the charges. (c) How money is handled. IV. YOUR DOLLAR AT WORK. V. ADDITIONAL FINANCE ACTIVITIES. We suggest that

copies be distributed to official members and used for study and discussion in Committees and Boards of the Local Churches.

TWO. The Commission recommends that the Superintendents' salaries be placed in a Special Fund and paid out by the Conference Treasurer on a monthly basis.

THREE. The Commission recommends that the Treasurer visit each District Steward's Meeting to give explanation to Pastors and District Superintendents in making first payments to the General or Promotional and Cultivation Fund.

FOUR. We recommend that Minute money be apportioned to the churches by Districts.

FIVE. That a Chairman, preferably a woman, be appointed Director of the Golden Cross.

SIX. The Commission recommends that all Boards and Commissions that do not have their books audited by the Commission, and who receive money from the Conference Treasurer, send in their reports of such audit duly signed by the auditors who do the auditing.

SEVEN. The Commission recommends that late reports coming to the Treasurer be so printed in the minutes, and that at the discretion of the Treasurer, monies may be accepted at the seat of the Conference in session, but that the delayed reports not be included in the Treasurer's Annual Report to the Conference in session.

EIGHT. That a certified Public Accountant be secured to audit the books of the Treasurer, and all other Treasurers.

REPORT OF COMMITTEE

SURVEY OF 1½ %

According to the secretary's report, there is a statement that 125 ministers owe \$8,401.83. The suggestion is that each man in arrears will pay 1/10 of this debt each year. This committee urges that the Board of Conference Claimants go on record in memorializing the Annual Conference regulation.

We also urge that the secretary of this board be provided, at the seat of the conference, the exact amount of salary received by each minister for the previous year.

We further request that the conference statistician and treasurer use especial care in seeing that correct amount of salary received is printed in the conference minutes.

REPORT OF COMMITTEE

PERMANENT FUND

We suggest that there be a Veteran's Day observed in each department of the church, including the Church School, and invite a Veteran for speaker.

A letter be sent to each minister stressing this special effort; this letter be sent by the Board of Conference Claimants

A letter be sent to the Conference Lay Leader, Conference Woman's Society of Christian Service President—to be relayed to the local church.

We recommend that the third Sunday in November to be the designated day. Funds raised, to be sent to the Conference Treasurer. The Special Committee to include the youth.

We suggest that stamps, similar to Christmas Seals, be used for our correspondence—to have a Veteran on each stamp with the following inscription:

"He shares—will you?"

CONFERENCE CLAIMANTS

Each sheet to be one dollar (\$1.00).

We suggest that the Committee becomes the working committee for Veterans Day and that a meeting be held after Conference with the Conference Lay Leader, Conference President of the Woman's Society of Christian Service, Conference President of the Methodist Youth Fellowship, Young Adult Conference President, and the Chairman of the Board of Conference Claimants to promote this day.

REPORT OF COMMITTEE

HOSPITALIZATION

We, the Committee recommend the following:

1. That every minister and his family join the Blue Cross or similar form of protective insurance.
2. We further urge that every minister take advantage of Hospital Clinics for physical check-up annually.
3. Recommend a study of these:
 - (a) One family out of every three has a hospital bill every year.
 - (b) One person out of every ten goes to a hospital yearly.
 - (c) 35,000 enter hospitals every day in the year.
 - (d) 16,000,000 occupy hospital beds every year.
 - (e) 5,000,000 undergo operations every year.
 - (f) 4,000,000 borrow to pay the bills every year.
 - (g) One out of every four operations is a major operation and that costs at least \$350.00.

REPORT OF COMMITTEE

RESOLUTIONS

Whereas: The Rev. J. W. Parker labored untireedly and unselfishly to establish a creditable Annuity Fund in the Delaware Conference and,

Whereas: Over a period of twenty-five years he was successful in raising the Fund from \$2,200.00 to approximately \$100,000.00 before his retirement,

Whereas: The building up of that Fund has not suffered any abatement since the retirement of Rev. Parker but has been supplemented and increased from year to year.

BE it Resolved: That we commend the Committee for nominating the Rev. William O. Strother who has proven to be a worthy successor to Rev. Parker and has worked untiringly to maintain the standard set by Rev. Parker, We believe his election to this work to be Providential.

OBITUARIES

The Reverend William Richard Price

The Reverend William Richard Price, the son of the late William Henry Price and Catherine Holland was born at Easton, Md., January 10th, 1887. He departed this life January 17th, 1952, at Our Lady Lourdes Hospital, Camden, N. J.

He received his early training in the public schools of his county; and later attended Princess Anne Academy, at Princess Anne, Md. He took special work at Temple University, Philadelphia, Pa., which further qualified him for the work of the Christian Ministry.

His father and mother were both noble Christian characters and the first book they taught him to read was the Bible. With that Christian background, he went through life striving to carry out these principles which served as a foundation of his later life..

Although, brother Price did not enjoy the pleasure of serving in some of the major appointments of our Conference, he served very efficiently and successfully in all the charges to which he was sent; proving himself to be a good minister of Jesus Christ. His pastoral record is as follows: Barclay, Md., 3 years; Wittman, Md., 2 years; Horntown, Va., 3 years; Greenwood, Del., 2 years; Dames Quarter, Md., 4 years; Liberia, Md., 1 year; Fruitland, Md., 2 years; Union Asbury, Crisfield, Md., 1 year; Withams, Va., 2 years; Quantico, Md., 4 years; Odessa, Del., 3 years; Delair, N. J., 3 years and 7 months.

Wherever he went he radiated a beautiful Christian influence that becomes an apostle of God, known and read of all men. His mind moved always on a high plane serene and noble, and his vision extended to all problems of the Kingdom of God.

His Christian piety was as unostentatious as it was sincere. Regular in the performance of his spiritual duties, he was truly an example of all that he preached and taught.

By means of preaching the gospel and teaching the Jesus way of life by precept and example, he helped to lift the moral and spiritual standard of the communities in which he served. Although his physical stature will be missed, his moral influence will be felt by those who survive.

His first marriage was to Miss Bertha Holmes who preceded him in death during his pastorate Dames Quarter, Md. He is survived by Mrs. Ella Shockley Price, whom he met and married during his pastorate at Fruitland, Md., one adopted daughter, Mrs. Dorothy Dennis, of Philadelphia, one brother, Mr. Lewis Price also of Philadelphia, and five grandchildren.

I know not what the future hath of marvel or surprise,
Assured alone that life and death God's mercy underlies.
I know not where His islands lift their fronded palms in air;
I only know I cannot drift, Beyond His love and care.

William Oscar Turner

William Oscar Turner, son of the late Samuel and Mary Turner, was born in Salisbury, Maryland.

In early life he acknowledged Christ as his Savior, and from this time he resolved to enter the Christian ministry. In 1927 he entered upon his work in the Delaware Conference, and served the following charges: Laurel Circuit, ten years and nine months; Galena four years and three months; Crumpton, nine years.

He was held in high esteem by his fellow pastors and will be remembered as a generous, courteous, fatherly brother and pastor, always willing to help others in the time of need. He was deeply interested in youth and their problems. He was greatly respected by the members of the charges which he pastored, and in his retirement he was not forgotten by them.

On June 18, 1945, he was joined in holy wedlock to Mrs. Annie Townsend, widow of the late G. T. Townsend. The marriage was a happy one and the two proved to be workers together with God.

In 1950 the health of Brother Turner began to fail, his eye-sight becoming much impaired. He held on to his work, even though handicapped. During the time of his failing health, the members of the Crumpton charge were very loyal to him and did their share to make his last days with them happy and successful. He continued to work until the annual conference of 1951. At this conference he retired from the active ministry. Following the conference session he went to reside on the Wittman charge.

In his retirement at Wittman many new friends were made, and these new found friends helped to make the closings days of his life happy. It was these friends who came to give comfort when he was fatally stricken.

The Rev. M. O. Ballard, district superintendent of the Dover District, assisted by ministers from the Dover, Easton and Wilmington Districts, conducted the funeral service on Sunday, January 17th at the Crumpton charge.

Surviving members of the family are: a wife, Mrs. Annie Turner, one son, Freddie, one adopted son, Sonny Adams, one brother, two sisters and many other relatives.

Gone just a step ahead, A step with his Master on high—
He is just asleep, not dead, Joined the heavenly host in the sky.

Sorrowfully submitted by THE FAMILY

Annie Eliza King Nutter

Annie Eliza King Nutter, daughter of the late Levin and Priscilla King, born at Allen, Wicomico County, Maryland, on September 28, 1859, and departed this life on Monday, May 26, 1952, at her home in Pocomoke City, Maryland. She would have been 93 years of age next September 28th.

On March 25, 1880, she was united in wedlock to the late Rev. John

Henry Nutter, then a teacher in the Mount Vernon District, Somerset Co., Md. To this union ten children were born, four boys and six girls. On March 25, 1949, Dr. and Mrs. Nutter celebrated their 69th wedding anniversary—the longest marriage union in the history of the Delaware Conference, and one of the longest in Methodist history.

Although Sister Nutter was born in a Christian home and always maintained the highest standards of Christian conduct, she was not formally converted until her husband had finished his teaching career in the public schools of Maryland and at the Centennial Biblical Institute—now Morgan State college in Baltimore, and had returned to the pastorate. On March 11, 1890, in old Mount Zion Methodist Episcopal Church, Pocomoke City, Maryland, where her husband was then pastor, she was gloriously born again. She liked to tell about that experience and she re-lived it until the very end.

Brother and Sister Nutter both had the good fortune to be tenderly cared for by their surviving children in their last years. Their lives were truly "bound up" in the lives of their children, and their children rewarded them with endless devotion.

Surviving her husband by three years, Sister Nutter found in those years increasing joy in "thinking on mercies past." Her words of encouragement, advice, and wisdom expressed to her children and friends from her bedside during her final illness will never be forgotten.

She was especially devoted to the men of the ministry who had for so long a time been associated with her husband in the development of the Delaware Conference, and she had a special fondness for the younger men whom she had known through the years. Among her last words, spoken to a neighbor, were, "Pray for Daniel Ridout."

She leaves to mourn her passing, two sons: Francis M. and the Rev. Matthew H. Nutter, the latter secretary of the Philadelphia Conference of the African Methodist Episcopal Church; four daughters: Mrs. Laura T. Clark, Mrs. Estella V. Payne, Mrs. Addella N. James, and Mrs. Velma D. Johnson; one sister: Mrs. Nellie Dutton; 15 grandchildren, and 21 great-grandchildren, and one great-great-grandchild.

"Even down to old age, all my people shall prove
My sovereign, eternal, unchangeable love;
And when hoary hairs shall their temples adorn,
Like lambs they shall still in my bosom be borne."

Let us praise God for blessings received from this life so long and so richly and so fully lived.

And she will live on, not only eternally in the presence of her Lord, but in the hearts of all who knew and loved her here.

"The pains of death are past, Labor and sorrow cease,
And, life's long warfare closed at last, Her soul is found in peace."

—DANIEL LYMAN RIDOUT

Mrs. Anna D. Price

Mrs. Anna D. Price the beloved wife of the late Rev. P. W. Price departed this life at her late residence, 1314 N. Fulton Ave., Baltimore, Md., on May 3rd, 1952.

She was born in Baltimore, Md., on Dec. 25th, 1859 and was 93 years old at her passing. She was the daughter of the late John and Mariah Welcome and lived in Georgetown, D. C. until 1883. Later she moved to Wilmington, Del., and was married in 1883 by Wesley J. Parker, pastor of Ezion Church, Wilmington, Del.

To this union 8 children were born, four of whom have gone to the glory land and four are living, three boys and one girl. She taught Sunday School and sang in the choir. Her last prayer was, "God make me a blessing to somebody today".

THOUGHT FROM A FRIEND

In memory of my dear friend and sister, who lived the creed she preached:

"Do all the good you can, To all the people you can,
As long as ever you can, And leave the rest to God."

THE FAMILY**Rebecca M. Edmunds**

Late church school superintendent of Butler Memorial Methodist Church, New York, was born in the city of New York, January 26th, 1902. She studied at Hunter College, where she received her Masters Degree. She was a member of Theta chapter of Phi Delta Kappa sorority.

Upon reporting for duty on the morning of Thursday April 16th, 1953, God saw fit to call her from labor to reward before she had an opportunity to report to her class.

Having taught in the public school system of New York for twenty-seven years she had acquired an expert knowledge in the skill of handling young people. Being a good Christian steward she brought this valuable experience into the church and laid it at the altar of Kingdom Building. For many consecutive years she led her church school staff to a special course of study pertaining to type of work. She leaves one to the best trained staffs in the Delaware Conference. As a member of the choir her loyalty was an inspiration to other members of this group. As chairman of the building fund committee she encouraged the entire congregation into greater givings. She was also a member of the auditing committee and commission on finance. As chairman of commission on education she led in the religious teaching of the entire constituency of the church. Her lectures on this subject were Master Pieces.

Her only child Jane, is a brilliant student at Fisk University Basic College.

Surely we can hear the Master saying Well Done.
She leaves foot prints on the sands of time.

COMMISSION ON WORSHIP AND THE FINE ARTS

Motion (of Daniel Lyman Ridout)

That a Conference Commission on Worship and the Fine Arts be elected by the Conference, on recommendation of the General Commission on Worship and the Fine Arts; said commission to consist of one minister and one layman from each District; the Conference member of the commission to be an ex-officio member, or a member-at-large.

Duties of the Conference Commission on Worship and the Fine Arts will be:

1. To prepare and direct the conduct of worship services at all official Annual Conference sessions, subject to approval of or change by the Annual Conference program committee.

2. On the District level, to plan and direct the conduct of worship services at District meetings, subject to the approval of the District Superintendent and such program committees as he may choose for his several meetings.

3. To sponsor Seminars on Worship and the Fine Arts on District and Conference-wide levels, where practicable.

4. To prepare and perfect resources in the field of Ritual and Orders of Worship and to disseminate as widely as possible information and aids on Worship and the Fine Arts, as a means of leading our people to more meaningful worship experiences and a higher appreciation of the Fine Arts.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

"Trust in the Lord with all thine heart;
And lean not unto thine own understanding,
In all thy ways acknowledge Him
And He shall direct thy paths." Prov. 3: 5-6

These majestic words from the book of Proverbs, contain one of the greatest spiritual promises which has been claimed by Methodist women in every age. The Woman's Society of Christian Service has moved through these history making years, depending upon a higher power for guidance and direction. Such dependence is a part of the heritage which came to the society when we were united 12 years ago, and one which must be perpetuated through all time.

"They looked unto Him and were lightened; and their faces were not ashamed." Pa 34: 5. How lovely are the faces of Women who talk with God—Lit with an inner asureness of the path their feet have trod. In days such as these, we need to spend much time in His presence, asking for an inner peace and tranquility of spirit, that those we meet upon the busy way may catch the Christ glow reflected in our service and know that we have been with Him.

During the year we have been actors on the stage of the Delaware Conference Woman's Society of Christian Service. Some of us have leading roles, all of us have had important parts with different lines. Some lines have spoken of finance, some of promotion, some of the needs of groups in the local church, others of children, youth and student work. It takes a true artist to play whatever role God assigns to her through the years. To play these parts will require discipline, which comes through hard work and sacrifice. We need to play our part with ears keen for the promoters words. If you listen to the inner voice to give our cues, the right words and actions will come naturally.

To my mind there is absolutely no field, in which our christian service counts for so much, as that of the local church, for upon the strength of the local church, the strength of every other enterprise depends.

The first object, therefore, of every Methodist woman is to be sure that the local to which she belongs receives the very cream of her time, talents, and service, that it may be strongly and firmly established with the Woman's Society of Christian Service or the Wesleyan Service Guild. For the rank and file of professing christians, the local church is the field of service. Only a few can serve in administrative capacities, on Confer-

ence committees, or Jurisdiction of Division boards; only a few go to the Missions Field. Most of us stay at home and work in our local church. But our field there can be as large or as small in its scope as our breadth of vision and devotion indicates. Our service depends on what we see in our task.

Fidelity to Christ clearly involves a continuous loyalty to his church. The church is the mother of our souls, through her service and influence we first learn of God. At her service we worship and find inspiration and strength. By sharing in her world-wide service we build a Christian world.

Knowing that the Woman's Society of Christian Service is a part of the Methodist Church, and that as such it has a place in the total program of the church; I trust all pastors are making full use of the Woman's Society. As we are going into these special weeks of Evangelistic emphasis, the Secretary of Spiritual Life should be an active part of your commission on membership and evangelism, and the chairman of the committee on membership is interested in new people, in visiting and contacting people for the church.

The Woman's Society is the most important organization in the church. And in order to know their work the minister must have some knowledge of their magazines, such as the Methodist Woman and the World Outlook, the study courses and the program material.

A review of the past quadrenniums indicates much for which we are all sincerely grateful; increases along all lines of endeavors, more members, more study classes, more prayer groups, more magazines, more missions, more money. We pass quickly from achievements to the challenge of the future; all fields at home and abroad are wide open for the messengers and message. The call has gone for "An immensely larger and more effective witness to the gospel and the christian way of life against the background of the world's present need." Rarely has such a challenge been made to an organized body of christian women. It will require the best which each individual member can give. Our members in the church and in the society will become more meaningful as we throw every talent and ability into the evangelistic campaign.

The theme for the Quadrennium "That the Kingdom of God may be realized". This will require increased promotion and education that more women may share in its enriching experience. It will require more workers on every front. It will require more money and above all, it will require increased spiritual insight to match the opportunity of the years ahead.

We are happy to have the districts speak through the pages of the minutes. It is hoped as we are made aware of the accomplishments in various districts a new district pride and consciousness may be awakened, so that we shall strive more diligently to meet the goals set for us and as a result our conference may make a worthy contribution to the total program of the Woman's Division. It is a mighty chain, this Woman's Society of Christian Service, yet the chain is no stronger than its weakest link.

A BRIEF REPORT FROM DISTRICTS

DOVER—We are grateful to Almighty God for the work accomplished during the year on the district; despite the illness of many, and through the

cooperation of our loyal women we have been able to carry on. New and increased interest has been aroused. This is evident by the splendid attendance at all our district meetings. Many new members have joined our ranks. We are happy to report that there is an active society on every charge except one.

Together with the ministers' wives, ministers and laymen we tendered our former District Superintendent and his wife, a banquet at the William Henry High School, Dover, Del., upon their leaving for another field of labor. A baby contest on district level was very successful. Officers Training Day was held. Most of the societies have had study courses. Also World Day of Prayer was observed in most of the churches. The attendance at the School of Missions last year was the best yet from the district. Many attended at their own expense. One of the highlights this year was the visit to the district by Miss Mildred Drescher, field worker for the Woman's Division, a returned missionary from India. She brought us inspiration and help. She spoke in two churches and three schools and at each point a crowded house. The adults and children alike were favorably impressed, that during her visit to the William C. Jason High School, Georgetown, Del., one of the teachers (a young woman) has almost decided to go in training for full time Christian Service.

The fellowship has been wonderful and we have gone from each meeting with the feeling of the Disciple who said, "Did not our hearts burn while He tarried with us by the way?" We shall continue to proclaim the good news.

MRS. ESTELLE NICHOLS, President

EASTON—We are grateful to our Heavenly Father for His tender mercies which has been continually with us as we have gone about His business, striving faithfully to do His holy will, and to execute his divine Purpose, which is the purpose of the Woman's Society of Christian Service.

The district has not made the progress that we had hoped, yet we do give thanks to every officer and member who helped to make this report possible. Our executive meetings are held in connection with the quarterly meetings. There are 34 charges on the district, we have an average of 28 societies to attend the meetings. All secretaries are working hard to promote the work. Not all of the societies are using the study courses, we do have two working for Jurisdiction credit. There is a church on the Airey's charge where every woman that is a member of the church is a member of the Woman's Society of Christian Service.

One of the outstanding achievements was the presentation of the book "African Heritage" by Miss Mildred Drescher, a returned missionary from India. She also presented the Goals for the Quadrennial. This meeting was largely attended. We are happy to have our Conference president Mrs. O. H. Spence at two of our quarterly meetings.

I just couldn't complete this report without thanking the officers of the district who cooperated with me and who made many sacrifices to promote their work. Neither could I complete it without mentioning the pastors, and their wives who made themselves responsible for seeing to it that the budget got to the district treasurer on time. Pray for these good people who are so willing to make great sacrifices to "Proclaim the Good News, that the Kingdom of God May Be Realized." MRS. MABEL COOPER, President.

PHILADELPHIA—There are 30 societies, one new, on the district. 12 Wesleyan Service Guilds with a membership of 2,625; 416 subscriptions to the Methodist Woman and 118 to the World Outlook. 27 societies have had their study courses. 12 societies have received Jurisdiction Recognition. The student work is moving upward. One full time missionary, Miss Irene Jeffers at Robinson School, Santurce, Porto Rico; two full time christian workers in training at the National Training School, Kansas City, Mo. and eight studying the ministry.

Other branches of work, children, youth, Spiritual life and missionary personnel have been emphasized and show great improvement. The district has been fortunate in having guest speakers at their quarterly meetings: Dr. Jaya Luke, Miss Dorothy Nyland, Miss Mildred Drescher and Miss Mary B. Chaffin. The district has a wide awake program and is steadily moving forward.

MRS. MARGARET TRADER, President

SALISBURY—The district has shown a keener interest in the work. There are 66 societies listed. There is a growing feeling that we should consolidate some of the smaller ones. The average reporting is 19 societies. The quarterly meetings are well attended with one or two district secretaries presenting some phase of the work. Some of the societies have had their study courses but there is room for improvement. We hope to have prayer groups in each society in the coming year. The children and youth work are being stressed. A district talent program was held in Jan. for the cultivation fund which was very successful. We plan to make it an annual affair. The district was graced with the presence of Miss Mildred Drescher. She gave the district both information and inspiration. Her visit made a lasting impression upon our youth. The district has been having night sessions; the members are asking for day sessions as other districts. We are planning to begin day sessions for the coming year.

MRS. LENORA D. ROBBINS, President

WILMINGTON—It is with profound gratitude to my Heavenly Father and the cooperative spirit of the officers, members and pastors of the district for the privilege to make this report. There are 34 societies. One new was organized while I was a patient in the Memorial Hospital. We have held quarterly meetings regularly. In Sept. a book review by Miss Pearl Grant a missionary from Africa, who presented "An African Safari". In Feb. an address by Mrs. J. W. Jewett, a Board member of the Woman's Division of Christian Service; also in Feb. Miss Mildred Drescher, a field worker and missionary, addressed a large audience at Ezion Meth. Church and the student body at Howard High School, Wilmington, Del. The workshop for the district secretaries and presidents conducted by Mrs. Wm. Hudson was well attended.

In closing my term of office may I say the joy of service has more than balanced the schedule that has controlled my time since being elected president of the district.

MRS. CLEO H. HENRY, President

THE WESLEYAN SERVICE GUILD

The Conference Secretary is glad to report an increased interest in the Guild by the ministers of the conference. There has also been an increase of Understanding and cooperation between the Guild and the Wom-

an's Societies as evidenced by the study courses and other projects held together. Supply work was exhibited in two districts to date and a third is contemplating holding such a meeting. The conference gave \$1,089.28 worth of supplies this year and \$90.50 in cash. The church through C. S. R. & L. C. A. committee received \$596.94 to date. One of the outstanding features of the year was the joint meeting of the Delaware and Philadelphia conferences when they presented at Calvary Methodist Church Philadelphia, Dr. Z. K. Matthew, a native African, who is a visiting professor at Union Theological Seminary, N. Y. The Philadelphia district held its annual Guild Dinner at Newark, N. J. The Wilmington District held its Guild Day at Ezion Methodist Church, Wilmington, Del.; the speaker, Mr. Martin Karpeh, a native of Liberia, Africa, a student of Lincoln University..

MISS WILMA GAINES, Conference Secretary

Find out what God would have you do, And do that little well,
For what is great and what is small, 'Tis only He can tell.

Respectfully submitted

PEARL R. SPENCE, Conference President

Rule II. He shall appoint all committees not otherwise specially ordered by the Conference.

Rule III. On assigning the floor to any member of Conference, he shall distinctly announce the name of the member to whom he assigns it.

Rule IV. All motions or resolutions introduced by any member shall be presented in writing, if the President, Secretary, or any two members request it.

Rule V. When a motion or resolution is moved and seconded, or a report is presented, and is read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of Conference, at any time before amendment or decision.

Rule VI. The motion to adjourn, to lay on the table, to take from the table, or for the previous question, shall be taken without debate.

Rule VII. No new motion, or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene, which shall have precedence in the order in which they are here placed, namely: (1) To fix the time to which the Conference shall adjourn. (2) To adjourn. (3) To lay on the table. (4) For the previous question. (5) To postpone to a given time. (6) To refer to a committee. (7) Substitute. (8) Amendment. (9) To postpone indefinitely.

Rule VIII. A substitute or amendment may be amended.

Rule IX. When any member is about to speak in debate, or to deliver any matter to the Conference, he shall rise and respectfully address the President.

Rule X. No member shall be interrupted when speaking, except by the President to call him to order when he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems a speaker out of order, and any member may explain if he thinks himself misrepresented.

Rule XI. No person shall speak more than twice on the same question, nor more than fifteen minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.

Rule XII. When any motion or resolution shall have been acted upon by the Conference it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider a non-debatable motion shall be decided without debate.

Rule XIII. No member shall absent himself from the service of the Conference without leave, unless he is sick or unable to attend.

Rule XIV. No member shall be allowed to vote on any question who is not within the bar at the time when such question is put by the President, except by leave of the Conference, when such member has been necessarily absent.

Rule XV. Every member who is within the bar at the time the question is put shall give his vote, unless the Conference, for special reasons excuse him.

Rule XVI. It shall be in order for any member to call for the yeas and nays in any question before the Conference; and, if the call be sustained by twenty-five members present the vote thereon shall be taken by yeas and nays.

Rule XVII. It shall be in order to move that the question shall be taken without further debate, on any measure pending before the Conference, except in cases where character or Conference relations are involved; and is sustained by a two-third vote, the question shall be so taken; nevertheless, it shall be in order under this rule to move to recommit, to divide or to lay on the table after the previous question has been ordered.

Rule XVIII. The motion to adjourn shall be taken without debate, and shall always be in order, except (1) when a member has the floor; (2) when a question is actually put, or vote is being taken; (3) when a question is pending on sustaining the demand for the previous question; (4) when the previous question has been called and sustained, and action under it is still pending; (5) when a motion to adjourn has been negatived, and no business or debate has intervened; and (6) when a motion to fix the time to which the Conference shall adjourn is pending or shall be made.
