REPORT OF THE BOARD OF STEWARDS.

From the following tables, it will be seen that the total receipts for Conference claimants the past year, have been \$5897 73, or \$300 95 less than those of the previous year. The estimates made by Quarterly Conference Committees, and by the action of the Annual Conference, amounts, in the aggregate, to \$9440, or \$3542 27 more the receipts.

The moneys received have been carefully and impartially distributed among the *fifty* claimants now on the list. The Board, of course, make no claim to infallibility, and hence are free to confess that in some cases they may have awarded too much, and in others too little. But this much they can conscientiously affirm, that they labored to do justice to all as far as they had information; and if, in any instance, they have failed to do so, it has been unintentional and unavoidable under the circumstances. Their greatest difficulty has arisen from the fact that the Church has not supplied them with sufficient means to make all our needy claimants comfortable. And yet, under the circumstances, they have it not in their hearts to complain; nay, they feel that we have abundant cause for gratitude to God that the collections during the past year have come up to what they have. Many of our Circuits and Stations have done nobly, and deserve our highest commendation. But others, we regret to state, while they have brought up their other collections even beyond the maximum of former years, have failed in this. There may have been good and sufficient reasons for this; but we fear that, in too many instances, it has resulted from the too prevalent practice of crowding this collection into the close of the year, after the pockets of the people have been drained by other collections. The Board sincerely hope that this practice may be discontinued, and that special efforts will be made in all our charges to make this fund in the future, equal to the wants of our numerous claimants.

The Board recommend the passage of the following resolutions:—

Resolved, 1st. That we commend the collection for our superannuated preachers and their families, as one having the strongest claims upon the sympathy and benevolence of our people; and that we will use our utmost efforts to raise the amounts apportioned to our respective charges.

Resolved, 2d. That Pastors in charge of Circuits and Stations be required to report the Conference and necessitous collections on the second day of the next session of our Conference.

Resolved, 3d. That when the call of the Stewards is made at our next Conference, each preacher in charge shall be required to state the amount apportioned to his charge, and the amount collected.

Resolved, 4th. That we earnestly request those in charge of Circuits and Stations to raise their apportionments by collection and subscription, in the public congregation, whenever practicable.

Resolved, 5th. That the collection for Conference claimants, wherever applicable, be taken in the months of October and November.

MEMOIR.

Rev. JOHN TALLY,

Rev. John Talley was born in Brandywine Hundred, New Castle Co., Delaware, September 25th, 1791. He was converted to God when about eighteen years of age, on his way home from a Camp meeting. He then joined the Methodist Episcopal Church, of which he was a member and minister for about fifty-two years.

Immediately after his conversion he began to labor for the salvation of his neighbors, and held meetings in the school-houses round about, where many of them were converted to God. After serving the Church as a Local Preacher for several years, he joined the Philadelphia Annual Conference in 1819, being then a married man, and was ordained a Deacon in 1821, and an Elder in 1823. He travelled the following Circuits, viz:—Lancaster in 1819; Annessex in 1820; Cambridge in 1821; Chester in 1822; Milford in 1823; Caroline in 1824; Cecil in 1825. In 1825 he was made Supernumerary, and continued in that relation until 1861, when he was made Superannuated. He served the Church with great efficiency after he ceased to travel, and until about three years before his death he preached much in the neighborhood of his birth-place. He was then attacked with paralysis, which enfeebled his mind, and greatly impaired his memory. He finally sank under this disease, and died at the residence of his son, Henderson Talley, Esq., in East Goshen Township, Chester Co., Pennsylvania, on Saturday, July 6th, 1861.

He was buried at Mt. Lebanon Church, near his birth place, and his funeral sermon was preached by Rev. Samuel Hance, (whom he had previously selected for that purpose,) from 2 Tim. iv. 7, 8.

As a Man, Brother Talley was cheerful and amiable in his disposition, mild and kind in his deportment; had many friends, but few enemies.

As a Christian, he was earnest, consistent, laborious, and thus secured the confidence of the people.

As a Minister, he was simple, practical, powerful, and many souls were saved through his ministry.

Four days before his death another stroke of paralysis deprived him of both speech and reason, and he was thus prevented from giving, in his last hours, that clear testimony of unshaken confidence in God, which his life of piety and devotion would certainly have secured; but as he *lived* right, so he *died* right, and now sleeps in Jesus, to be like him in the morning of the resurrection.

RESOLUTIONS AND REPORTS.

ON SUNDAY SCHOOLS.

Resolved, That we are as much as ever impressed with the importance and necessity of the Sabbath School, as an indispensable auxiliary to the Church.

Resolved, That we highly approve of the "Teachers' Journal," and the "Sunday School Advocate," as calculated to promote this great interest, and that we pledge ourselves to renewed exertions for their circulation.

Resolved, That we will use our best endeavors to introduce the Catechism into all our Sabbath Schools, and that we will as far as practicable carry out the 16th article of the 12th section in the Discipline, which makes it the duty of all the preachers to catechise the Sabbath School children under their pastoral care.

Resolved, That we renew our recommendation of the books published by the Sunday School Union of the M. E. Church in preference to all others for the use of our Sabbath Schools.

Resolved, That we recommend the formation of Pastors' Bible Classes in all our Schools wherever the same is practicable, and that whenever it is expedient, a sermon be preached by the Pastor on the duties and responsibilities of Sabbath School Teachers.

Resolved, That we highly appreciate the services of our Sabbath School Agent, the Rev. Solomon Higgins, and recommend his re-appointment for the ensuing year, and that his expenses be paid out of the collections.

ON TEMPERANCE.

Whereas, the use of intoxicating liquors has been fearfully on the increase for a few years past, spreading moral desolation around and hurrying many to a premature grave; therefore,

Resolved 1. That the best course for us to pursue as a Church, for the purpose

out the various avocations in life. It is difficult to see how an intelligent Christian can act on a different principle.

2. As Christian efficiency, in the various departments of Christian effort, is largely dependent on Christian intelligence, the general circulation of Christian periodical literature is necessary to the proper working of the various Church enterprises.

Facts will show this in the Missionary, Sunday School, Tract, Bible, and other enterprises of the Church, with reference to their pecuniary support. It, doubtless, affects them all in every respect.

3. As there is a great diversity of literary taste, and of local demand, a periodical literature that would be wide-spread must be diversified.

The Church has provided for this diversity of want to a large extent; but no one will certainly say that it has been provided adequately.

In view of these things, therefore,

Resolved 1. That we will use earnest effort to secure as large a circulation as practicable to every branch of our periodical literature; and if the official statements made to the General Conference be correct, that a loss of \$46,529 occurred to the Book Concern, between the years 1852 and 1860, by the publication of our Church periodicals, diverting from their legitimate and only lawful use the proceeds of the Book Concern, (namely from the worn-out Preacher's Fund in the Annual Conferences,) therefore,

Resolved 2. That, in our judgment, there should be a speedy and effectual remedy.

GERMAN M. E. CHURCH.

Whereas, The German Methodist Episcopal Church of this city, is now laboring under very great pecuniary embarrassment, which they are unable to control, and if not removed must subject them to great loss, if not to a sale of the Church; therefore

Resolved, That the Philadelphia Conference do hereby commend the German M. E. Church of Philadelphia to the sympathy and liberality of the members and friends of the Church; also, that the Pastor of said Church be authorized to travel through the Conference and solicit contributions and collections.

ON DATE OF THE ORIGIN OF THE CONFERENCE.

The first yearly or annual Conference held in America, by the religious denomination called Methodist, was held in Philadelphia 1773. A. D. The second Conference was held in the same city in 1774, also the third Conference in 1775, which undoubtedly makes Philadelphia as a Conference seat older than any other city or place in America, nor does it seem to us an assumption to regard and call the Philadelphia Conference the *Mother of Conferences*.

From 1773 to 1775 the understanding with the preachers of that period was that there was but one Conference held annually, the Conference sometimes beginning its business in one place and adjourning to another place where it finished its business.

In 1785 there were three Conferences held, and ever since there have been several Conferences held annually; some years there was a Conference held for almost every Elder's district. In 1788 Philadelphia was again made the seat of Conference and

ever since there has been one or more Conferences held annually on the territory embraced in the present Philadelphia Conference.

We regard the year 1788 as a safe and truthful date of this Conference, from 1788 to 1862 inclusive makes the number 75 which we regard as the correct number of the present session.

CATASAUQUA M. E. CHURCH,

Whereas, the infant society of the M. E. Church at Catasauqua, Lehigh Co., Pa., has been placed by circumstances over which they have had no control, in extreme financial embarrassment, judgment having been obtained against their property, rendering it certain that it will be lost to our denomination unless some special effort be made for its redemption; and whereas, it is of the utmost importance to the interests of our Society there, and to the cause of religion in general, that the building now erected and occupied shall be secured; and whereas, the creditors have lately made a generous offer to discount twenty per cent of their claims on condition of payment by the 1st of October next; and whereas, the resolution of last Conference requesting the Preachers to take up a collection in behalf of said Church has not been complied with, except in a very few instances; therefore,

Resolved, 1.—That in all the charges where no collection has yet been taken up for the Catasauqua M. E. Church, we most earnestly request the Preachers to take up the collection for said Church during the ensuing six months, amounting to at least five dollars, and to forward the proceeds to the Pastor at Allentown, Pa.

Resolved, 2.—We earnestly commend this case to the friends of religion everywhere as one of great necessity, and peculiarly deserving their support, and we recommend the Pastor of the Church to the liberality of all the churches and individuals to whom he may apply for aid.

REPORT OF COMMITTEE ON THE STATE OF THE COUNTRY.

Whereas, A most unjust and wicked rebellion has arisen in the Southern States, against the government of these United States, with the avowed purpose of its overthrow and the establishment of a separate and independent confederacy on principles subversive of human liberty, and

Whereas, The Federal Government has been compelled to use force of arms, and is now engaged in a fearful war to suppress said rebellion and to maintain its supremacy, and

Whereas, It is the duty of the ministry and membership of the Church to employ every appropriate means for the maintenance and perpetuity of good government and to sustain the powers that be in this great struggle; therefore

Resolved, 1.—That, while we disclaim all connection with political parties, yet, as Loyal Ministers in Conference assembled, we do hereby express our utter abhorrence and opposition to the present rebellion, as being treason, and designed for the destruction of the best government in the world.

Resolved, 2.—That the Government, the Army and Navy, have our deepest sympathy and prayers; and that we pledge our influence to encourage and assist them in their noble and righteous deeds to protect the honor of our flag, the integrity of the Constitution, and the maintenance of our glorious Union.

Resolved, 3.—That we will cheerfully bear our portion of any tax or taxes that may be required by the Government, to defray the expenses of the war.

Resolved, 4.—That while we confess our sins and humbly prostrate ourselves before the face of Almighty God, we thankfully receive the many victories which have crowned our arms, as tokens of his favor, and with gratitude and hope we lift our hearts to Him, "by whom kings reign and princes decree justice," that victories may continue to bless us until our brethren, North and South, East and West, again united, may "learn war no more."

Resolved, 5.—That we not only declare our loyalty to the Constitution and Government of these United States in the presence of Almighty God and these witnesses, but that we declare our willingness to swear or affirm the same whenever it shall be required by those who have the rule over us.

Resolved, 6.—That a copy of the foregoing Preamble and Resolutions be transmitted to the President of the United States, signed by the Presiding Bishop, and countersigned by the Secretary of the Conference.

ON THE BIBLE CAUSE.

Whereas, The Bible is the revelation of God's will to man, the only and sufficient rule of faith and practice, and, whereas, The American Bible Society and kindred associations are devoted, irrespective of sect or party, to the publishing of God's Holy Word, and its universal dissemination throughout the world,

Therefore, Resolved, 1. That we have undiminished confidence in the American Bible Society and its auxiliaries, within our bounds, and that we will cordially co-operate with their agents who may visit our respective charges.

Resolved, 2. That the very liberal appropriation recently made by the American Bible Society to the Missionary Board of the Methodist Episcopal Church for Foreign Missions, is gratefully acknowledged, and is additional cause for confidence in, and increased liberality to, that noble institution.

Resolved, 3. That we are gratified to know that special attention has been given to the army, by the Agents of the Bible Society, and a liberal supply of copies of the Word of God furnished to the noble men who have responded to the call of their country, thereby giving them an unerring guide amid the dangers and temptations of the soldier's life.

Resolved, 4. That we will preach in behalf of the Bible cause; take up a collection at each of our appointments for its benefit, and, as far as practicable, attend the meetings of County and State societies.

ON EDUCATION, I.

Resolved 1. That each Pastor is expected to preach in each congregation a sermon on Christian Education; and that he be requested to impress upon the minds of parents the importance of educating their children, and of encouraging our own institutions.

Resolved 2. That we request from our several Circuits and Stations at least five cents per member for the Educational Collection, and that amount be apportioned and published in the Minutes; and that ten per cent. of the amount thus raised be applied to a fund for the benefit of indigent young men preparing for the ministry.

Resolved 3. That to secure the interest and the concurrence of our members in raising the Educational Collection we recommend each Pastor, early in the year, or the first Quarterly Conference, to appoint a Committee; and that they mutually

devise such measures as, in their judgment, will ensure success, and that the Presiding Elders be requested to see this resolution observed.

Resolved 4. That the cause of Christian Education is one of the great benevolent enterprises of the Church, and ought to be recognised as an indispensable auxiliary in reclaiming the world from sin, and as such it should share with the Missionary and the Bible Causes in the contributions of the Church.

Resolved 5. That we hereby disabuse the minds of our people of the opinion that our Educational Collection will be discontinued, and express our confidence that they will sustain this indispensable interest.

Resolved 6. That we specially recommend to our people the Grammar School, in connection with Dickinson College, as the best place for preparing their sons for entering college.

Resolved 7. That the Committee on Education for the next Conference shall consist of two members of the Conference, and two lay members from each District; that the Bishop appoint the lay members at the present Session, and that the Committee have authority to fill the place of absentees.

Resolved 8. That we earnestly recommend our people to observe the annual concert of prayer for Colleges on the last Thursday of February. X

Resolved 9. That the Committee on Education be instructed to issue a circular for distribution, in furtherance of the objects embraced in their report.

Whereas, the Trustees of Dickinson College have proposed to make a loan of \$12,000 from the Trustees of the Education Funds of the Philadelphia and Baltimore Annual Conferences, and to secure the same, together with all previous loans to the College, by mortgage on the College property,

Resolved, This Conference will, and do hereby approve the action of the Board of Trustees of the Education Funds of the Philadelphia Conference, in responding to the proposition of the Trustees of the College, according to the terms and conditions contained in said proposition.

ON EDUCATION, II

Whereas, the Wesleyan Female College at Wilmington has been, and is now, greatly embarrassed by a floating debt of Ten Thousand Dollars, and

Whereas, creditors to the amount of about \$7000 are willing to donate fifty per cent. of their claim, provided the balance be speedily paid, and,

Whereas, suits have been instituted and judgments obtained, and executions levied, which, if pressed, will cause a loss to the Church of the entire institution, Therefore,

Resolved 1. That it is necessary, and it is hereby directed, that a special collection for the Wesleyan Female College be made by each preacher in charge, in the month of May and June. X

Resolved 2. That we recommend to the Trustees of the College to give a Certificate of Scholarship for one year to each Preacher who shall raise the sum of fifty dollars.

Resolved 3. That the Presiding Elders be requested to see that a Committee be appointed at the first Quarterly Conference of each Circuit or Station to co-operate with the Preacher in raising money for our Educational interests.

Resolved 4. That the Presiding Elders be requested to act as Treasurers on their respective Districts, and pay all sums received to Mr. George W. Sparks, Wilmington, Delaware, previous to the first day of July next.
